The Diplomat

The Life Path 2 suggests that you entered this plane with a spiritual quality in your makeup allowing you to be one of the peacemakers in society.

Your strengths come from an ability to listen and absorb. You are a fixer, a mediator, and a very diplomatic type of person using persuasive skills rather than forcefulness to make your way in the world. You are honest and open in thought, word and deed. You excel in any form of group activity where your expertise in handling and blending people can be used effectively.

Indeed, the 2 can sometimes become oversensitive. In some instances, the strength of the 2 can also become its weakness. You may find it hard to decide what to do at times. Twos often struggle against indecisiveness.

Life path number 2 is the number of learning and truth. Those with this life path number tend to seek peace and harmony in the world around them. They are natural peacemakers and they are always known to give their ideas and opinions voluntarily for any situation. When it comes to meditating between situations and people, they deliver

the best results.

People born in life path number 2 are very loyal. When they say they love you, they really love you from their heart and they never like to make false promises. It is very common to find these people having a lot of friends and acquaintances.

They always share a sensitive corner to others. Individuals with life path number 2 are very sincere, most honest and the best people on the earth you can ever come across. Their sensitive, caring and gentle traits make them excellent lovers and friends.

Expression (Destiny) Number: 6

([659] numerologycalculator.online:) The number 6 Destiny suggests that the direction of growth in your lifetime will be toward a greater sense of responsibility, love, and balance. Development in life must make you more helpful, conscientious, and capable of rectifying and balancing any sort of inharmonious situation. You must be a person very much inclined to give help and comfort to those in need. You have a natural penchant for working with the old, the young, the sick, or the underprivileged.

As the saying goes, charity begins at home, and the home is where you must be a special person. The qualities of the 6 make the finest and most concerned parent, and one who is often deeply involved in domestic activities.

Openness and honesty is apparent in your approach to all relationships, particularly close family relationship.

A happy home life is the goal of Destiny 6, and if you live up to the promises of this number, you will reap this reward most likely with some degree of luxury and grace.

Although you may have considerable creative and artistic talents, the chances are that you will devote yourself to an occupation that shows concern for the betterment of the home and of the community at large.

The destiny of the 6 is often a career in medicine, welfare work, education, dealing in the arts, furniture, decorating, landscaping, home construction, religious endeavors, or scientific fields.

The positive side of the number 6 suggests that you are very loving, friendly, and appreciative of others. You have a depth of understanding that produces much sympathetic, kindness, and generosity.

If there is an excess of the number 6 in your makeup, you may exhibit some of the negative traits associated with this number. This can include stubbornness, self-righteousness, or dominance. There may be a tendency for you to be too exacting and demanding of yourself, too.

In this regard, you may at times sacrifice yourself (or your loved ones) for the welfare of

others. Many with the Destiny of the number 6 worry much too much. In some cases, the over zealous 6 has difficulty distinguishing helping from interfering.

Life Path - Expression Bridge Number: 4

([660] numerology.center:) Number 4 means that you are a person whose success depends of ability to concentrate on definite thing and to keep abreast of the times. Don't reject novelties and innovations, other vice you risk to lose big opportunities which life offers you. Practicality plays not the last role in your success achievement. So, you have to be more realistic and look wider to the events. It is necessary to join the fast move of the world and act dynamically. Your numerology prompts you not to delay your business, but to try to do everything till the end. If you put off something, the most possible you will not return to it and finish.

Heart's Desire (Soul Urge) Number: 8

([659] numerologycalculator.online:) People with the 8 heart's desire thrive on attaining power and wealth. They are very ambitious, goal oriented and competitive and thrive on challenge.

Your desire is to achieve what you have built up in your mind to be the pinnacle of success. You hunger – even lust – for things like power, wealth and material possessions. The only problem is that in your pursuit of these things you have a tendency to lack attention to pertinent details.

You will find yourself on a constant learning curve as you attempt to harness the aspects and characteristics present in all your core numbers.

There is no single part of you that will achieve the success you desire. Every facet of your personality and intellect will need to be employed if you are to achieve your goals. Many of your abilities will be sharpened and refined along the way. You will find that this personal evolution makes you an ever-increasingly good judge of other people's character and this trait is one that you must constantly strive to improve and develop.

Personality Number: 7

([659] numerologycalculator.online:) The seven personality tends to be somewhat introverted.

They are keenly observant and highly intelligent. This ability to see through people coupled with their intelligence/observation skills can make them intimidating to others initially.

Seven people are seekers of truth, highly opinionated, but always looking for the greater wisdom in all experience. People often see them as wise or old souls.

People with Personality Number 7 are in a constant pursuit of cosmic and spiritual

knowledge. They are intelligent, introspective and perceptive introverts. It is often difficult to get close to such people, as they are quite aloof and shrouded in mystic.

Besides that they love their privacy. But their knowledge and wisdom attracts others, and when they eventually understand that they will share it, as it will be the best reward for gaining it.

Heart's Desire - Personality Bridge Number: 1

([660] numerology.center:) This number forces you to be more of a hardworking person. To reach the aim is not so easy. A comfortable approach to things for you is not the best solution. Changes are necessary for you. You'll achieve success if you look for new ways, work hard and remember all the time that everything depends on your efforts. The other people are waiting for open communication from your side. Unfortunately, in most cases they don't get it even if you think they do. Try to be more open with people. Express the thoughts in such a way that others can understand you. It is necessary to express yourself in a simple manner in order to make communication easier and to be on the same wavelength with others.

Quiescent Self Number: 7

([661] affinitynumerology.com:) Quiescent Self — This chart position provides insight into what you consider to be an ideal existence. A quiescent period is being immersed in oneself with personal perceptions of ideal existence (without outside influences) and experiencing the feelings and rewards and activities as if they exist in actuality. (The "quiescent self" number sometimes is referred to as the "inner dreams" number.)

During quiet contemplations of an ideal life, people with quiescent-self number 7 are likely to experience a cosmic connection with spiritual wisdom.

The energy represented by the number 7 resonates with introspection — looking inward for answers and clarity. It resonates with analysis, spirituality, wisdom, quality, and intuition.

Someone with this quiescent-self number is likely to visualize solving things. And contemplate knowledge and wisdom. Also well-maintained gardens and historic buildings. Generally, visualizations are about knowledge or the process of acquiring knowledge. Tapping into the ancient wisdom within themselves is likely to be a significant part of that.

Their visualizations may be about their library, full of precious and rare books, and their study, adorned with classic art.

Maturity Number: 8 = 2 + 6 = LPN + E(D)N

([662] feliciabender.com:) You're moving toward reevaluating what it means to work with reward through accomplishment. You're being called upon to work with your talents with organizing and managing, to achieve personal success and recognition, and to use your authority wisely and well.

Where you'll be challenged: With this Maturity Number, there's often a shift in life bringing issues related to achievement in the material world to center stage. Situations will arise highlighting your need to direct and lead, to accept financial reward and abundance, and to work for the benefit of humanity – not just personal gain.

What that might look like:

- Opportunities to engage in the large realm of business or any arena where you are called upon to lead, manage, and organize.
- A dramatic change in career or vocation.
- Putting aside personal relationships in order to focus on work and career or the realization that you've not stepped into your power and aren't achieving satisfaction because you struggle with money, power, control, and authority.

Karmic Debt Number: 16/7

([663] mattbeech.com:) Individuals who have a karmic debt 16 path will find that their ego connects their previous and current lives. It is quite likely that you had an inflated sense of ego, and this caused great harm or distress to those around you.

Ego can be a powerful thing! It can help build the world up or even tear it down entirely. Your ego was clearly used for **non-constructive purposes** in your previous lives, which is why your debt is seeking you to deflate your ego and become more in touch with your inner self.

There are many benefits to the concept of ego contemplation, but it is **not an easy journey** and is perhaps the toughest lesson to be learned from all debt numbers. You need to simply take your time with this process, not allow yourself to get frustrated with the results, and merely focus on building humility and modesty over time.

(astrobasic.com:) This Karmic debt number will destroy your false ego which you have created for yourself during your life journey. This will vanish the ego and help your soul to shine through in a spiritual way.

The recommended solution is to be aware of your ego and you should allow the false ego to go away. The more you are inclined towards spirituality the more relaxed you will feel.

Karmic Lesson Number: 1

([664] worldnumerology.com:) The 1 Karmic Lesson indicates you need to show more

initiative in your life, to be more determined in your efforts. You will need to make your own decisions and learn to be more independent, things that are not as easy with a missing 1.

Life will bring many strong-willed people into your life with whom you will struggle. You will need to assert yourself or be suppressed by these forceful people. The 1 Karmic Lesson is here to help you become more forceful and dynamic. Try not to concern yourself with what others think. Practice promoting yourself, work on self-confidence and faith in your judgment and abilities. Overcome the tendency to procrastinate.

The effect of this Karmic Lesson is diminished if you have at least one 1 among your other core numbers (Life Path, Birthday, Heart's Desire, Expression, or Personality Number).

Karmic Lesson Number: 2

([664] worldnumerology.com:) Your 2 Karmic Lesson advises you to be diplomatic and tactful, to stay in the background at times, to accomplish something without the need for praise and reward. Learn to be part of a team.

Strive to be more sensitive to the needs and feelings of others. You will regularly find yourself in situations where the only road to success is through patience and attention, requiring you to work cooperatively with others. Working through this life lesson will bring you closer to others, which is its own reward.

The effect of this Karmic Lesson is diminished if you have at least one 2 among your other core numbers (Life Path, Birthday, Hearts Desire, Expression or Personality Number).

Karmic Lesson Number: 4

([664] worldnumerology.com:) A missing 4 may find you rudderless and confused about your life's direction. To obtain focus and success you will need to establish a methodical, disciplined approach. It is important to create a foundation for your life to keep from feeling lost and tossed about by change.

You may have trouble finding the work you do best, as you tend to be somewhat impractical and disorganized. Without a strong inner compass, you will look to life's problems outside yourself rather than within. A new job may start off as "The Answer," but it won't hold the same appeal for long (as you discover the new work requires the same effort and perseverance as the last one, without the initial glamour).

Concentration and application need to be strengthened when the 4 is missing.

The effects of this Karmic Lesson are diminished if you have at least one 4 among your other core numbers (Life path, Birthday, Hearts Desire, Expression or Personality

Number).

Karmic Lesson Number: 6

([664] worldnumerology.com:) Your 6 Karmic Lesson reveals an issue with commitment and responsibility in personal relationships. You have a difficult time committing to long-term and other important relationships. It is essential to practice conveying authentic emotion.

You may feel isolated and alone, but do not understand why. A missing 6 suggests you often form relationships yet remain guarded emotionally. This can make the bond between you and others superficial. Work on intimacy and communication in your relationships. Listen, and respond to the needs of others.

This lesson highlights the importance of close friends and committed relationships. Making a genuine effort to connect deeply with others - learning to give, and receive, and sacrifice at times, will bring a lifetime of joy.

The effects of this Karmic Lesson are diminished if you have at least one 6 among your other core numbers (Life Path, Birthday, Heart's Desire, and Personality Number).

Karmic Lesson Number: 8

([664] worldnumerology.com:) Your 8 Karmic lesson tells us you have the ability to attract a considerable amount of money and do well in business. But the missing 8 is likely to cause major ups and downs in your financial affairs, unless you are cautious about how you handle your resources.

You have the ability to attract money, but it has a tendency to slip through your fingers. This stems from a know-it-all attitude and stubborn behavior that prevents you from knowing your limits. Your desire to succeed can cause you to accept too much risk (and leave too little time to nurture important relationships). Balance is key to overcoming the deficit a missing 8 can bring.

This Karmic Lesson forces you to learn your limitations, and the limitations of your resources.

The effects of this Karmic Lesson are diminished if you have at least one 8 among your other core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

First Pinnacle Cycle: 8

(Month + Day) - from age 0 to 34 (based on LPN) - ([665] feliciabender.com:)

General: Money, business, authority, ethics, personal power, and abundance: These

are the key elements in any 8 Pinnacle. This is the stage where you're bombarded with opportunities to embrace and define your personal relationship with power, money, and achievement. It has an intense focus on matters of responsibility, efficiency, power, authority, leadership, and management of financial affairs.

Sounds exciting, right? Yet under the influence of the 8 Pinnacle vibration your judgment will be tested over and over again and your career usually becomes your top priority. This isn't a particularly easy walk in the park. Chances are this Pinnacle will require you to make some substantial shifts in your life and your relationships. While your opportunities for achievement, recognition, and financial success are heightened, it'll require a lot of strength, courage, and tenacity to do so. This isn't an easy Pinnacle; it'll demand a lot from you and won't let up.

The 8 Pinnacle is also tricky because, while its vibration supports all things relating to money, power, and authority, its vibration is unyielding in its demands that you get there through the use of the utmost ethics, honesty, integrity, solid leadership, and feelings of abundance—not just feelings of wanting to be “rich” or “wealthy.” The highest form of the Eight vibration has to do with giving as you're receiving, with no strings attached, and from the clarity of your heart.

Aspects of the 8 Pinnacle are: status, success, recognition, business, and commercial activity. If you keep with it, this Pinnacle is set up to usher in improvements in your financial and personal power realms. The focus is on creative practicality with an emphasis on organizational and management skills and abilities. Emotions are downplayed and business acumen is at a peak.

Pinnacle 1 Number 8: First Pinnacle: If yours is an 8 First Pinnacle, chances are that you may become involved and interested in business or commercial activity at a very young age. You may be the kid who mows lawns and starts his own business or perhaps you tap into a more aggressive 8 energy and find another money making endeavor that surprises the adults around you. Your focus and dedication to your entrepreneurial enterprise is unyielding. Yet you most likely will face limitations and restrictions, which you'll find these frustrating or just downright debilitating. You excel at practical thinking. You'll be tested severely from an early age in the realms of personal power.

Second Pinnacle Cycle: 4

(Year + Day) - from age 35 to 43 (based on LPN) - ([665] feliciabender.com:)

General: A 4 Pinnacle is the period of your life where you're being called to build your life with solid, stable foundations that'll last. This is often a period of time where you're drawn toward purchasing—or actually building—a home and concentrating your efforts on career and family.

This isn't a particularly light-hearted and “fun” time because you're learning and being

tested by issues related to organizing, setting up good systems, patience, hard work, endurance, working step by step, and moving ahead methodically. This stage is for designing and pouring the proper foundation for your future. It's a practical time where you're putting your ideas into the material world and manifesting your vision with discipline and a serious attitude. This is a period of time where you'll be tested in the realm of recognizing, moving through, and getting around limitations.

You're being immersed in the energies that support a practical and realistic approach to life. So a demand for order, system building, and organization is key. The 4 Pinnacle encourages you to be dependable, conscientious, and reliable. Determined and somewhat relentless effort is required and you may feel a strong compulsion and emotional need to immerse yourself in work during this Life Stage. When you do, you'll thrive on that energy.

Pinnacle 2 Number 4: Second or Third Pinnacle: A Second or Third Pinnacle with a 4 emphasis will fuel your ability to get ahead in the world and achieve—not so much because of innate talent as much as your drive and ability to out-work the competition. You might find some economic limitations during this Life Stage, set in your path to test your commitment to building solid and steady foundations while not being beaten down by obstacles and limitations.

Warning: Warning: The 4 energy offers with it a bevy of teachers. As you're challenged to build something of lasting value, you're setting up your future relationship with money, your ability to meet deadlines, your ability to institute effective systems, and your way of dealing with limitations.

Third Pinnacle Cycle: 3

(1st Pinnacle + 2nd Pinnacle) - from age 44 to 52 (based on LPN) - ([665]
feliciabender.com:)

General: When a 3 Pinnacle comes, get ready to dig into your emotions and express yourself. This is a time to get to know your inner life intimately, to identify and deal with your emotions, and to cultivate your creativity in all its forms. You have no other choice except to dig deep to locate your underlying emotions and learn to communicate these with clarity and purpose. It's time to learn to speak your truth. If you attempt to hold your feelings and ideas in, you'll implode. Now is the time to allow yourself and others to see the true creative and emotional you.

This Pinnacle is set up for light, enjoyable activities that support joy and expression. This energy is supportive of travel, social activities, friendships, and entertainment. You may feel affectionate and certainly you feel the push to be outgoing during a 3 Pinnacle. The foundation is being poured for growth and development of personal expression, particularly verbal expression. Even if you haven't felt particularly "artistic" or "creative" before, now you are likely to feel drawn toward participation in artistic creation of one

kind or another.

The 3 vibration is aligned with the joy of the present moment. Long-term plans made during this stage might not come to fruition exactly the way you planned them. It's all about being with people, having some fun, and acting with a youthful attitude. It can be an "easy come, easy go" stage, where variety and movement trump hunkering down and making things happen. Think. Dream. Imagine. Create.

Pinnacle 3 Number 3: Second or Third Pinnacle: If you're in your Second or Third Pinnacle, the 3 energy pertains to good friends and happy relationships, joy, gratitude, the pleasures of life, and creative self-expression. This is a time where your responsibilities and accomplishments are greatly dependent on your social demeanor and communication skills. You may be presented with opportunities to write, speak, design, or take a job in the entertainment industry. This time is marked by imagination and feelings.

If you're nurturing this number's healthy aspects during your Pinnacle, it has a natural attraction for money and an easier life full of creativity where you're drawn to encourage and inspire others. You could even become interested in some aspect of the healing arts.

Warning: Warning: You'll feel that with the 3 energy, you can get easily scattered, distracted, and drained. The 3 energy is so curious, you'll want to learn something and then quickly move on to the next thing. You would benefit from developing more groundedness and a sense of self-discipline in order to take full advantage of this joyful and happy number.

Fourth Pinnacle Cycle: 1

(Month + Year) - from age 53 (based on LPN) - ([665] feliciabender.com:)

General: During this Pinnacle, you are focused on developing independence, self-reliance, and individuality. The primary energy during this phase of your life is to achieve mastery in these areas. This is a time spent developing your ability to express your individuality by cultivating original ideas, by leading and directing others, by attaining success and achievement in the material world, and by gaining recognition for those achievements.

Pinnacle 4 Number 1: Fourth Pinnacle: A Fourth Pinnacle with a Number 1 is marked by what might be called imposing energy; meaning, any thought of slowing down or retiring is most likely not in the cards. Both challenges and changes will accompany this last stage of life and your accomplishments can be profound if you've mastered the art of leadership, direction, and expression of your own original ideas. You'll be challenged with keying into you unique and creative ideas and acting on your individuality and independence.

Warning: Warning: When you're being groomed by the Universe for a leadership position, you'll be required to be an intern first. This means that it's unlikely for you to magically be handed golden opportunities for success—and if you are, take them and run with them. Usually you'll have to construct your own opportunities through desire, focus, self-determination, and the ability to take a punch, get up, shake it off, and keep going.

First Period Cycle: 7

(Month) from age 0 to 34 (based on LPN)

([666] worldnumerology.com:) The first three decades of your life represent a time to specialize, think deeply, and contemplate the deeper questions of life. Study a subject you enjoy in depth. You are attracted to the fields of science, technology, philosophy, and metaphysics. Become an expert in a specific area.

You have excellent intuition and a mind that can penetrate beneath the surface of any subject you commit to.

Focus your energies and thoughts.

This is a period of inner development. Meditation, contemplation, and self-reflection are means of inner enrichment. Develop wisdom.

Relationship may seem burdensome at times because of the desire to spend time alone. There is some resistance to sharing your deeper feelings with others. The inner life is so compelling that you will want to immerse yourself in it. Share the knowledge you accumulate by teaching, counseling, or simply talking to others.

Second Period Cycle: 1

(Day) from age 35 to 61 (based on LPN)

([666] worldnumerology.com:) The middle years of your life (approximately ages 30 to 60) find you on an intense path of personal growth. You are required to adapt frequently to the many ups and downs in your life.

When 1 rules the second Period Cycle it focuses on self-empowerment.

To facilitate this, situations occur that force you to dig deep to find the courage required to face your challenges. You have love and support, but circumstances will often demand that you rely heavily on your own strengths.

Fortunately, throughout this approximately thirty-year period, you often have confirmation that your gut feelings are correct and feel you are moving in the right direction.

You will likely find yourself in a leadership position, strengthening your self-confidence even more.

Third Period Cycle: 3

(Year) from age 62 (based on LPN)

([666] worldnumerology.com:) The latter part of your life finds you "growing older" more slowly than your peers. The excitable, scattered, creative energy of the 3 can resemble an elixir from the fountain of youth. However, there is a tendency to waste time and energy on unproductive projects.

You have many original ideas, but you may have difficulty differentiating between lead balloons and those that can fly. Your 3 energy is uplifting and motivating, which draws people to you. However, staying focused may be a challenge, which could affect your ability to reach your goal.

Your need to express yourself through art, especially the verbal or performing arts increases with age.

First Challenge Number: 6

(Day - Month or vice versa)

from birth until approximately the age of 30 to 35

([665] feliciabender.com:) When you experience a 6 Challenge during one of your Pinnacles, you'll most likely feel burdened or overwhelmed by family obligations. You're learning to serve others and strike a balance between honoring your commitments to them with your commitments to yourself. This is no small task. Remember: Even if you're able to achieve some semblance of balance of giving to yourself during this time devoted to nurturing others and learning about responsibility, you can't and shouldn't try to avoid caring for others under the influence of a 6 Challenge. If you're operating with the destructive tendencies of the 6 Challenge, you may be myopically self-centered rather than generous and giving.

This Challenge is often related to the energy of codependency, enmeshment, and giving for misguided reasons. Rest assured that you'll be alerted when you're taking care of others in an unhealthy way during this 6 Challenge.

You're prone to demanding extraordinarily high standards from other people and of yourself, which is in itself a setup for frustration and unhappiness. There's no way others could live up to your expectations. If leaning toward the challenges of the 6 vibration, you're apt to come across as authoritarian, intolerant, and self-righteous. If you don't step back into the constructive aspects of the 6 energy, your tendency during this time may well be to get lodged in cynicism, criticism, and judgment.

Avoiding friction in relationships by emphasizing harmony, using diplomacy at every turn, and allowing others to set their own paces and live their own perfectly imperfect lives will

be the key strategies for rising above the challenges of the 6 vibration. Ultimately, your challenge lies in learning, embracing, and practicing unconditional love and acceptance.

Potential Destructive Aspects of the 6 Challenge

- Feelings of superiority and thoughts of judgment
- Being angry and disappointed with others and yourself to the point of cynicism
- Becoming self-absorbed and uninterested in helping or supporting others
- Becoming such a perfectionist that you feel paralyzed and fearful
- Living in denial of your emotional life
- Health issues that are often chest related (including asthma)

Second Challenge Number: 2

(Day - Year or vice versa)

from the age of about 35 to 55/60

([665] feliciabender.com:) This is one of the most common Challenge Numbers because it revolves around developing your sensitivity to all human relations and developing your sense of seeing other peoples' points of view. This is a lifelong challenge for all of us, yet when it's your Challenge Number it'll present you with especially intense tests surrounding working with feelings of fear, not standing up for yourself, and lack of self confidence. The pain inherent in these lessons can be fierce. You'll be challenged with getting past basing your actions and decisions on what other people think or say about you. Again, the balance between giving to others constructively and giving to yourself in a way that isn't totally self-absorbed is part of this challenge period.

The challenge here is that you're being called to work with the energies of harmony, cooperation, and diplomacy, and yet you are feeling none of this. Instead, you find it difficult to work with people because of your fear of criticism, or of being ignored. You feel huge doses of self-doubt, lack of self-confidence, and there's always that nagging worry (sometimes tipping into paranoia) that other people are judging you.

So you can see that the challenge is to understand the destructive aspects of the sensitivity of the 2 energy so that you can strive toward incorporating the constructive aspect instead. This would include using your keen sensitivities as a strength because you're so attuned to others and what they're feeling. If you're wearing your "psychic armor," you can use that to your advantage with all of your interactions.

During this period you're faced with great difficulties in asserting yourself and making solid decisions. You might shy away from positions of responsibility and authority because you're so emotionally tender. Your mantra for the 2 Challenge: Don't take anything personally. This is a time for slower, more deliberate growth, rather than seeking quick or immediate gain or results. Respect this more "quiet" stage in your life.

Potential Destructive Aspects of the 2 Challenge

- Becoming defensive, self-absorbed, and angry to the point of being irrational
- Stubbornness and taking unfair actions
- Feeling unworthy to the point of allowing abuse
- Feeling resentful and unacknowledged for things you do for others
- Unable to follow through on things you want to do (for example, finish school, train for a job)
- Health issues, particularly in the joints

Third (Main) Challenge Number: 4

(1st - 2nd Challenge Numbers or vice versa)

The Third Challenge carries much weight and will be felt throughout your life. For that reason, it is also called the Main Challenge. As you master this challenge, your life will come more and more under your own control. You will incorporate the positive aspects of the challenge into your character. This is its purpose in the first place. Therefore, there is implicit in the challenge a chance for great reward. In short, this may be the secret to your success.

([665] feliciabender.com:) When you're met with a Number 4 Challenge, you are meant to learn about the value of discipline, organization, practicality, hard work, and thrift. Take this to heart: This isn't an easy challenge. It's full of restrictions and limitations that are demanding you learn how to succeed and work within these boundaries.

It's also a time where you're challenged with learning to set your own personal boundaries with others, learning to temper impatience, stubbornness, narrow-mindedness, and self-righteousness. With the 4 Challenge, you are being pulled to slow down, create a clear plan with obtainable goals, and then work tirelessly to achieve them.

The 4 Challenge also suggests a difficulty with work. Either you are challenged with not wanting to work at all, not liking the work you are "forced" to do, or problems completing tasks and working with efficiency. You may also exhibit tendencies to be careless and lack a sense of practicality. With this number, it's difficult not only to focus on work and obligations, but equally as difficult even to see what the real issues surrounding work and obligations are. You might not feel that you're being lazy. You might feel you're just unlucky. Or make excuses about it. You get the idea.

With a 4 Challenge, it's vital to learn patience, understanding, and the practical and effective way to deal with what you might consider mundane responsibilities. You'll most likely also be challenged to learn the importance of working within the parameters of a time schedule, showing up on time and when you say you will, and managing your downtime constructively.

Potential Destructive Aspects of the 4 Challenge

- Feelings of discouragement and confusion, often resulting in you feeling like a victim
- Being undependable, uncommitted, lazy, and irresponsible
- Making the same mistakes over and over again
- Allowing your relationships within your family to influence decisions negatively
- Avoidance of, and difficulties with, systems and processes
- Being prone to panic attacks when feeling overwhelmed

Fourth Challenge Number: 4

(Month - Year or vice versa)

Cornerstone, Capstone, First Vowel and Keystone (Forename)

The letters of your surname or nickname have a meaning as well, if you filled in a nickname/callname, that one will be used instead of the first word of your full official name. There can also be a keystone, that's when your name has a middle letter.

These texts in between explaining the different parts comes from

'worldnumerology.com', sometimes a different source, then it will be noted.

Anytime 'spiritwalk.org' is used, it is always the general meaning of the letter, not meant specific to the place the letter is positioned at in the name.

Cornerstone: It provides general insight about your essential personality, and it has a lot to say about your approach to **challenges and opportunities**. The Cornerstone in your numerology chart is all about how you approach difficulties as well as upswings.

Cornerstone (first letter): P

[670] [671] [672] [673] ([670] affinitynumerology.com:) The person is likely to have a self-determined spiritual, metaphysical, or philosophical approach to life.

([671] spiritwalk.org:) You are curious and like to remember different facts, even if they seem useless. It is easy for you to make an amazing first impression, but you see others through after the first few minutes of conversation, as your inner feeling is profound. Your main flaw is your impatience. Often you cannot wait for a right moment to act or to be silent.

([672] numerologist.com:) Cornerstone: You are intelligent, knowledgeable and seem

confident but you have trouble getting things started. You can also be too impatient to do research or wait for the foundations of an idea to take root.

([673] numerologyzen.com:) Letter P. A cerebral and wavering letter, P is synonymous with philosophy, perception, progress, prestige and pretension. It is a difficult letter to characterize. Is it good or bad ? The person with this letter can have a great activity of reflection orientated towards the progress of the individual and the interest for fundamental questions. P is rather secret, reserved and has the tendency to be distant, but on the other hand, proud, professorial, with a taste for prestige. This doesn't mean that P doesn't feel anything, doesn't react or lacks intuition, on the contrary, but P is a letter which suffers the consequences of too much activity in the mental area, therefore an appearance of reserve and a lack of ease for the concrete and affective fields. In fact, very egoistically, P is interested in [his,her] internal problems (affective and intellectual). [He,She] cogitates and searches, if possible, to sublimate them in order to progress. As the graphism indicates with an expansion in the top part, P is pushed towards the paths of mind, and [he,she] will be able to discover a passion for studying. P likes to reflect tranquilly, far from agitation. Material contingencies bore [him,her], the world of sentiments and sensations seems [him,her] difficult to manage ; [he,she] often opts for a second degree existence, so much so that one asks oneself if anything or anyone is really important for [him,her]. Sometimes P protects [him,her]self by being sarcastic or mocking. This is a manner to slip away and not confront the obstacle for P, because he is often thrown. P can be tense, a bit unstable and need space and tranquility in order to function well. P constructs [his,her] inner world which satisfies [him,her] fully and he looks very suspiciously at anyone who tries to penetrate [his,her] secret garden. P can sometimes seriously lack tact, because [he,she] isn't always very sure of what [he,she] experiences and finds it difficult to express or share feelings. P is a thinker, who would do well to become more flexible, to open up more and co-operate, especially if [he,she] wants to succeed materially and sentimentally. By wanting to protect [him,her]self too much, [he,she] ends up by cutting off the world, provoking misunderstandings and living periods of isolation and doubt.

First Vowel: This letter gets to your core. Think of the **deepest goals, urges and dreams** that drive you in all you do - this is the letter that offers a glimpse into the "window" of your soul! But this is a secretive letter, because few people wear what it really is they want on their sleeve. This first vowel in your name indicates something that only your closest friends and trusted family members might know about you ... You might know someone who for whatever reason changed the first vowel in their name. Although this is rare, it indicates a person who is uncomfortable with who they really are, at their core.

First Vowel: E

[674] [671] [675] ([674] affinitynumerology.com:) Everything is interesting. Freedom and adventure tend to be dear to the person, thriving on excitement. They tend to be original and versatile.

([671] spiritwalk.org:) You are a independent, emphatic and active person. You are

searching for your soul mate, real love. You are quite sociable and like to spend time in friendly company. You are intelligent and sharp. You are able to look at one situation from many diverse angles.

([675] numerologist.com:) The E reflects the energy of the number 5. When you have the E as your first vowel your tendency is to respond to the world with excitement, energy, and with an ultimate desire for freedom. Above all, you're instinctive and highly intuitive. You see yourself as emotions-based and curious. You have a quick mind and a highly magical energy about you. You have a drive to experience it all – with disparate interests, diverse talents, and sexual verve. Even though you love people and participate in the carnival of life – since you're so intuitive and emotional – you can easily become emotionally drained by other people.

Keystone: ([676] ezinearticles.com:) It is the middle letter of your use name; the common name you go by. Note that many names don't have a Keystone letter; only names with an odd number of letters will have this feature. The Keystone letter doesn't have the power over you that a Cornerstone or first vowel letter does; but the influence is still there. This letter, if you have one predicts what may be a **compulsion** or an **obsession** for you; a place **where your life lacks balance**.

([677] taniagabrielle.com:) The center letter is the pivot point helping to carry out the initial action of the first letter.

Keystone (middle letter): E

([676] ezinearticles.com:) This letter indicates that restlessness and impatience could become obsessive behaviors for you.

Capstone: This is the last letter of your name, and, fittingly, it demonstrates your **ability to see projects and ideas through to the end**. This translates into your "finishing" number.

Capstone (last letter): R

[678] [671] [672] ([678] affinitynumerology.com:) The person with capstone energy represented by the letter "R" tends to generally complete projects in an assertive and resounding way. Doing so enhances their personal confidence.

([671] spiritwalk.org:) You are very interesting person, with outstanding mind which leads to extraordinary life. You have your own set of morals and principles which makes you regarded in society. Try to always find some time for yourself in any workload. A person like you needs to relieve a constraint, so it would be nice for you to have a hobby not connected with your work.

([672] numerologist.com:) Capstone: You tend to exhaust yourself which results in mood swings and other problems. Emotional issues often sabotage half of all the things you start out trying to do.

(note:) When you look at your Cornerstone and Capstone - the letters that "bookend" your name - you can determine how easy it is for you to start and stop important

processes and projects. It answers questions such as: are you a shaker and a mover? Are you a little bit flaky?

Extra: **Balance Number**: (numerologist.com:) It is the arithmantic sum of the Cornerstones. It shows a basic pattern in your life that you will tend to fall back on. It also shows how you stand your ground amidst chaos, confusion, distraction or other forces that could drag you off course.

(Note by me:) Will be shown with the comparison to the first cornerstone.

Physical (Body) Plane

Physical Plane symbolizes body and physical form of a person. This Plane is governed by instinct, and relates to everything that is tangible, visible, and real. Practically no importance is attached to the imaginary and fanciful. Preference is given to what is already known, based on facts, and doesn't go beyond the bounds of reason. It is the pivot of life, as form and style of existence are maintained here. According to Numerology traditions, this Plane indicates one's natural capabilities. This alone reveals how the term "destiny" understood in Numerology: it is neither "doom", nor "fate", but a set of inherent features. It is active potential, and the process of making use of it is called life.

5 on the Physical Plane

You are constantly in a state of red alert to collisions, emergency situations, and vicissitudes of life. You are physically strong, flexible, and fast in response. Changes, new places, and new people – all these are the raw material for creative work of thought.

Well-trodden paths never attract you. Whatever you eventually come to, your way is unique.

Mental (Mind) Plane

Mental Plane represents the person's mind and reason. It is the level of intellectual interconnections, analysis, collecting and comparing facts. Even the most evident is not accepted here if it cannot be analyzed and proved. It is the Plane of will power, determination, confidence, and cold calculation that doesn't let imagination twist the facts. Fine mind, clear thinking, and management skills guarantee that you'll take a leading role and a high position.

7 on the Mental Plane

Your outstanding erudition stems from your inquisitiveness, which, in its turn, demands new, more extensive knowledge. Just knowing is not enough for you. You always want to understand, get to the essence, and reveal the origins. You are a skilled psychologist, able to adequately assess people's positive and negative characteristics. Don't rush to criticize them based on this understanding. You need to endear yourself to people, and make them trust your opinion.

Emotional (Heart) Plane

Emotional Plane is all about feelings and emotions. It is the level of kindness and sympathy. Here facts recede into the background and give way to imagination, inspiration, inner perception, and creativity devoid of any practical ground. It is not reason that governs actions and reactions to life or other people, but feelings of love and tenderness. People of the Emotional Plane don't have a particularly logical approach to making plans.

9 on the Emotional Plane

Unselfishness, kindness, love for the neighbor, compassion. It is hard to say if the era of good and justice will ever come, but without people like you, even the hope for it would have died long ago. The only pity is that your sublime dreams don't always find their reflection in reality. You can perfectly express yourself in any of the arts, where the rank obliges you to be head in the clouds while remaining a resident of the Earth.

Intuitive (Spirit) Plane

Intuitive Plane represents the spiritual level of internal knowledge. It is guided by insight and abstract impressions that go beyond the boundaries of both fact and imagination. Intuition helps man to express heavenly wisdom on the Physical, Mental, Emotional Planes of mind and action. Intuitive Plane is the plane of reverence for the Divine, piety, compassion, tolerance, ingenuity, and that inner guidance that enlivens all other existence levels. This is also known as God's grace.

3 on the Intuitive Plane

Missionary character. Once you come to some truth on your own, you can endlessly polish it like a treasure, overwhelmed with the desire to share your insight with everybody. It's more than likely that true inspiration and inherent tendency to affectation can play a positive role here.

Pythagorean Square | Psychomatrix

([681] in-contri.com:) The so-called "psychomatrix", invented by the ancient Greek scientist Pythagoras, is one of the most popular calculations in numerology. It helps to define strength of character, energy, health, intelligence and other innate qualities. «To understand the world means to know the numbers controlling it,» Pythagoras asserted.

			Self-Esteem: 8 line «1-2-3»
1111	–	77	Moneymaking: 1 line «4-5-6»

			Spirituality: 6 diagonal «1-5-9»
			Temperament: 3 diagonal «3-5-7»

cognitive, creative	labor, skill	intellect, memory	

([682] tragos.net:) Pythagorean Square - is a separate area of numerology. In fact, this area of numerology goes back to the times of Egyptian priests. They were the ones who first began characterizing people's characters by using numbers. Pythagoras took this knowledge of numbers as a foundation and applied a mathematical approach to it, which is based on the harmony of the square.

Pythagoras and his followers expanded the capabilities of the original Egyptian system by supplementing the meanings of individual numbers with the meanings of the target lines of the Pythagorean square. Thus, a new approach was now able to help determine a possible goal of a person's life.

Main abilities (square's cells)

Character, will — 1111

"The Leader" - you are always calm and confident. These two are predominant features of your character. You voice your opinion softly, but weightily, making others listen to you or even grow quiet. You can show yourself cruel rarely, but right on target. And people feel this cruelty in you. Most of the richest and influential people in politics, business, military and sport have 1111 and 11111 characters.

Vital energy — 2222

"Strong energy" - you have excess energy. Therefore, you are a donor for most people with low energy. You can become a politician, an artist, a musician, an athlete, and even a psychic with the potential of a healer. People around you feel your charisma. In posse, you can influence others' will. It's no wonder that in big companies and get-togethers you manage to attract persons of the opposite sex, especially with energy from 0 to 22.

Cognitive, creative — empty

"Weak potential" - you don't have a propensity for the exact sciences, complex concepts and invention activities. Besides, you are not interested in anything like that.

Health, beauty — empty

"Low health reserves" - the health is weak and it is not necessary to exert excessive stress on it. Fitness, yoga, proper nutrition, prevention are the best friends. Do not rely on looks and beauty. It is better to pay attention to other strong qualities and focus on them.

Logic, intuition — 5

"Inclination to use logic" - If this person did not master something from the word go, then they will certainly understand the backbone of the subject with a calculator and paper. It will be difficult to plough through books about Quantum Physics, but for elementary life tasks "1" in logical thinking is enough.

Labor, skill — empty

"Will never be a jack of all trades" It is better not to take up an activity that looks complicated, painstaking and requires accuracy or technology compliances. However, people with 0 in this cell usually do not really like such spheres. Manual labor is not theirs.

Luck — 77

"The Lucky one" - if you are one of "those who help themselves", then fate will help you to be at the right time and place. And sometimes it literally saves from making a mistake and bad decisions. But it happens that after a series of successes people with 77 become too self-assured, believing that they will always be lucky without any efforts. Famous last words! Fortune loves to put swellhead's nose out of joint.

Duty — 88

"Do good for others" - these people usually have a well-developed social orientation and high communication skills. If this was revealed in their childhood, then they fulfil their potential in social activities, they are happy to devote a large part of their time to others, but they do it without bigotry. If their social realization failed, they often begin to help abandoned dogs and cats, homeless people, and take care of the sick and lonely.

Intellect, memory — 9

"Basic intelligence" - information is processed on the principle of "practice makes perfect". This person can't remember too many facts and things. Therefore, they should not overload themselves with superfluous knowledge - it will be forgotten. But in practice, they can perfectly use the information that they constantly work with.

Secondary abilities (lines and diagonals)***Self-Esteem (Line «1-2-3») — 8***

"Inflated" - the person highly estimates themselves. In addition, beliefs like "I deserve more", are very typical. It is to be noted, that high and inflated self-esteem are the most real incentive to do things in a big way. But one day most of these people look back with the benefit of hindsight and understand that they did not become what they wanted. And here they get depressed, or make a quantum leap forward.

Moneymaking (Line «4-5-6») — 1

"Not independent" - this person will do everything to stay under the wing of their parents as long as possible. And then they will look for a spouse who can bring home the bacon.

Talent (Line «7-8-9») — 5

If the person is evidently talented and works to unleash its potential (you can pay attention to other cells) then this figure indicates the potential development of this talent.

Tenacity (Line «1-4-7») — 6

"Idealist" - sometimes this person pursues frankly unattainable goals, because other variants do not cause interest. It takes a lot of energy, brings the sting of disillusionment, but never ends. The person believes that this time they will succeed. In the end they often become a loner, because very few people are able to provide support on their difficult path.

Domestic bliss (Line «2-5-8») — 7

"Too idealistic" - the search for the ideal partner to create the ideal family can drag on forever. And every attempt that does not hit the mark causes suffering. In the case of marriage, this person will place excessive demands on the spouse.

Stability (Line «3-6-9») — 1

"Yearn for change" - there is not enough stability in this person. They can't imagine living without changes, but those around them do not approve of this craving. At least in some small things they remains stable and predictable for loved ones.

Spirituality (Diagonal «1-5-9») — 6

"Fanaticism" - high spirituality turns into idolatry. The edges of the sensible are blurred. In words, the person speaks of a high, but in deeds becomes obsessed with the rudeness, injustice and dishonor of those around him. Also there is a risk of falling under the influence of cults.

Temperament (Diagonal «3-5-7») — 3

"Impulsive" - this temperament will help to adapt to almost any partner: to damp the arbor with a partner whose temperament is lower, and, conversely, be hotter with those whose temperament is higher. If there is no soul mate, this person will not be above one-night stand. Also they often try to seem very hot.

Empty Arrow 4-5-6 (Arrow of Frustration)

(Empty arrow is most commonly considered as a weakness, which creates challenges in your life. However it can be considered as a strength as well.)

These people can have very strong experiences in the area of interpersonal relationships, financial security and health. Problems may arise if they have to deal with their fame or power. They have to go through a test of patience and perseverance in life.

Cartomancy (Cards of Illumination)

This divination is based on a normal card-playing deck. Every birthDAY get's a particular

card assigned, which automatically assigns other cards to different functions, which will be listed here.

The cards (or people) in the suit of Hearts, are like children (Love), in Clubs; like students (Knowledge), in Diamonds; like adults (Manifestation) and in Spades; like old persons (Understanding).

Birth Card: King of Hearts

([684] metasymbology.com:)

This is your most important card and will stay the same for your whole life. The Birth Card is linked to the Karma Cards.

Hearts: Emotions - Relationships - Love

King of Hearts Meaning: Paternal Love

Karma for the King of Hearts - Easy-going Inactivity

Water-Cups - Planets: Mercury & Mars

By nature, these people are the most desirable people on earth and the most worthy of love. They will respond to any true call for help from any quarter - and you can forget to thank them if you choose; it will make no difference to them.

The front they present to the world is kindly, friendly and magnetic. They give an impression not so much of power but of peace, protection and "safe harbor". Within themselves, however, they know they have the full power of love, a power invincible! Sometimes, we find the Kings of Heart are quarrelsome and overbearing. They are met with constant disappointment in others, and are frequently deceived or betrayed. When we meet a King of Hearts on their own terms and tune into their love and kindness, they never bring us anything but joy. They are the heart and center of family life, and harmonizer of friends.

First Karma Card: Two of Clubs

(metasymbology.com:)

This person or card reflects qualities that are **not very strong** in your birth card. When you meet this person you should give to them, by giving to them you also help yourself.

Clubs: Mind - Communication - Ideas

Two of Club Meaning: Sharing of Ideas

Karma for the 2 of Club - Fear to Cooperate

Air-Swords - Planets: Saturn & Uranus

People born under the Two of Club must strive to learn the art of cooperation. Most 2 of Club put up an independent front which make them appear defensive or uncooperative when in truth, they are afraid of being misunderstood.

KARMIC CHALLENGE for the Two of Club: Belief in a Higher Power

All Two of Club are clever and quick witted. They never lack for an answer, and can be very opinionated. They protect the ones they love, and are generally well protected when it comes money.

Fear is a big factor for people born with this Card. They must learn to trust in themselves and find an outlet for their keen, penetrating minds. Two of Club people also have an uncanny ability to ferret out the information they seek, and make for great detectives! In relationships, the Two of Club like to be playful and they are known for their romantic creativity.

Second Karma Card: Nine of Spades (metasymbology.com:)

This person or card shows your **best qualities**. Qualities that are expressed naturally and positively.

Spades: Wisdom - Labor - Acceptance

Nine of Spade Meaning: Spiritual Awareness

Karma for the 9 of Spade: Service

Earth-Pentacles - Planets: Venus & Uranus

Sensitive, idealist, unconventional - none of the 9 of Spades are undeveloped or unaware, and it's that very awareness that either disturbs them or inspires them.

KARMIC CHALLENGE for the Nine of Spade: Hypersensitivity and Impersonality

Nine of Spade need to find positive philosophical or spiritual ideals to help them cope with their intense inner-emotional conflicts, as they prone to psychosomatic illnesses. All 9 of Spades have tremendous personal magnetism, and they have a strong paternal nature toward those they love.

Capable of managing large businesses, 9 of Spade are at their best when sitting in the drivers seat. When it comes to finding love, they are flirtatious and tend to lose interest quickly. Friendships are extremely important to them, and they enjoy learning and sharing their knowledge with others.

The Nine of Spades are often brought into contact with a wise and kindly man - a mentor who sets them back on their feet and instills in them the self-confidence that should never be lacking. These are truly gifted people with much to offer. If only they are made to realize it!

Eighteen cards are used to analyze your journey in life. Seven of them describe the conditions of your personality, named after the planets; they are the seven chapters that tell your life-story.

MERCURY describes your early years, and the experiences that shape your thought processes and communication with others. (from age 1 to age 13)

Mercury Card: King of Diamonds

(metasymbology.com:)

Diamonds: Values - Security - Dharma

King of Diamonds Meaning: Command of Commerce

Karma for the King of Diamonds - Denial of the Power of Love

Fire-Wands - Planets: Venus & Mars

Positively, the King of Diamonds are endowed with wisdom and power. They may appear cold or hard -- but in truth, they are just, and inclined to philanthropy. As a Kings' Card, they are born into power and must naturally equip themselves as rulers. If that power means money, then it must be in such abundance that no one can outstrip them or outdo them. But for those Kings of Diamond working on the higher plane of values - the hard-boiled materialism of the typical King of Diamond is unknown to them.

These people are willing to take a gambler's chance because they can afford to lose - but seldom do.

The women King of Diamond are very positive but should strive to keep their personalities out of business dealings or they get emotionally disappointed and frustrated.

The King of Diamond are rarely in inferior positions, and they almost always have ample funds at their disposal - or backers who will come to their rescue. Kingpins and top dogs indeed!

After age 91 the cycles repeats.

Cosmic Lesson Card: Ten of Diamonds

(metasymbology.com:)

Diamonds: Values - Security - Dharma

Ten of Diamond Meaning: Material Control

Karma for the 10 of Diamonds - Expediency in Associations

Fire-Wands - Planets: Double Jupiter

The Ten of Diamond is the most important of the money Cards, and not surprisingly, placed in the exact center of the Life Spread of Cards. Man chose to make money the pivotal point around which all life revolves, and the 10 of Diamond is considered the most powerful of the money cards in order to symbolize its success.

The majority of 10 of Diamond make excellent merchants, and marketing execs, and will almost always succeed - one way or another - where money is concerned.

The 10 of Diamond like to stand well in the world, and want their surroundings to give evidence of prosperity. The positive have a strong sense of universal obligation, and enjoy shining their spotlight of success on those less fortunate. While the negative 10 of Diamond are able to amass their fortunes with equal brilliance, they are ruthless, and known to be self-centered.

Cosmic Reward Card: Ten of Hearts

(metasymbology.com:)

Hearts: Feelings - Relationships - Love

Ten of Heart Meaning: Success in Love
Karma for the 10 of Hearts - Isolation
Water-Cups - Planets: Mars & Jupiter

With the highest value of hearts in the deck, the 10 of Heart person is intensely aware of their emotional/social connection with the world around them. The meaning of their card is the expression of love in all aspects of life.

Those who are born on a Ten of Heart day are at their best in large social situations, on the stage, or in politics. It is only in their more personal and intimate relationships that the 10 of Heart become overwhelmed and safe-box their feelings. With this in mind, the 10 of Heart need to guard against isolating themselves from the people contact so important to their wellbeing.

10 of Heart are ambitious and have penetrating focus. An overwhelming need to be loved or appreciated compels them to be the best at whatever they do. They also have a knack for good business and secure the best contracts or conditions for success.

Ten of Heart people seem to be very lucky. In part this is true. But it's only after much hard work and determination that Divine Providence bestows Her bounty of earthly treasures onto the worthy 10♥.

In matters of the heart, the Ten of Heart feel they should be at the helm of their relationship. Not because they want to dominate, but because they feel better able to protect, heal, or otherwise fortify the home.

Cosmic Moon Card: Eight of Spades (metasymbology.com:)

Someone at a higher energetic vibration, there to assist you in your cosmic (spiritual) path.

Spades: Wisdom - Labor - Acceptance
Eight of Spade Meaning: Power in Work
Karma for the 8 of Spades - Materialism
Earth-Pentacles - Planets: Jupiter & Saturn

These people have a keen sense of their inherent obligation to work. They have been known to tax their health and sacrifice their loved ones in a drive to get things done. The Eight of Spade want to be admired and prestige is important to them. Friendships will often change and fluctuate depending upon their work-related needs.

Although primarily concerned with hard work, this Card does have a higher calling. It is often considered the Healers Card. And should the 8 of Spade use their strong spiritual energy along side the application of higher wisdom to accomplish their goals, they are sure to find their place among the great ones.

Still another class of Eight of Spade will realize nothing but the need to amass a lot of money. For these 8 of Spade, not one thing or anyone is as important as how much.

Note: If you would want to go deeper into this specific divination: there are different spreads for each year (of age), smaller cycles, at: 'knowyourdestinycards.com'. These

are the cards from the lifespread, the largest cycle. But I skipped the cards for every 13 year cycle, there are seven of those.

Mesoamerican Divination | Tzolkin System

The Day Sign, Galactic Tone, Trecena Sign and Night Lord.

The Trecena is more innate - like the Moon Sign in astrology - reveals deeper aspects of your personality: your emotions, your connections to others and society, and how you respond to things.

Day Sign would be like the Sun: something you work on, something that involves discomfort and effort. You can also have the same sign for the Day sign and the Trecena sign.

There are 20 signs and 13 galactic tones, which makes up for a 260-day cycle for the Trecena's. If you add in the Night Lords, you get the largest repeating cycle. (9 times 260)

Manifestation (10) Eb

South (Yellow) glyph: Surprise / Mystery

Day Sign: Cane

/ Reed / Ben (Yucatan) / Aj (Kiche)

Ben types are often popular, knowledgeable, accomplished and competent, with strong opinions. they are often highly regarded by others for their talent or expertise.

In some cases they are simply way ahead of their competitors, or have made their mark on the field in which they work. In other cases, it is just a matter of general competency - the ability to excel at whatever it is they decide to do.

They are fighters for moral or ethical principles and are quick to take on challenges. At worst, they are opinionated.

These people will "stick to their guns" when under fire, keep a "stiff upper lip" when in trouble and, like a reed or cane stalk, remain firm in tense situations.

They can be intellectually rigid and prone to argue, however.

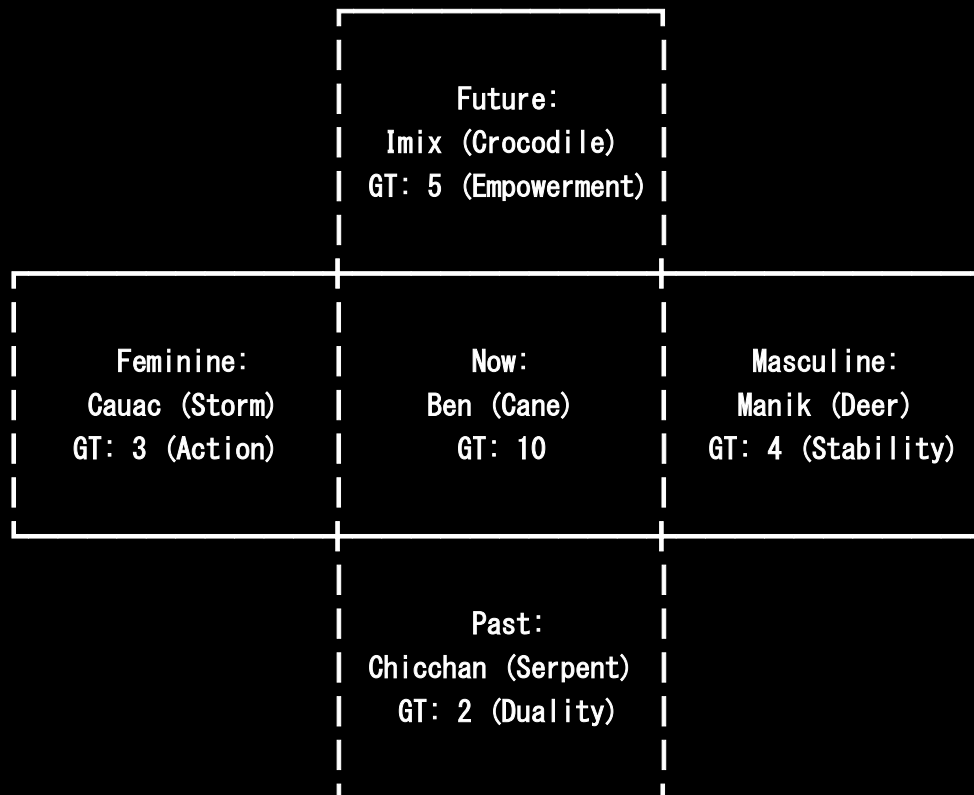

These people have a militant side, and although they don't deliberately seek conflict, they seem to thrive in it.

Persons born under Ben are usually popular and social, having deep knowledge of human nature. For some, this quality brings them well deserved fame; for others, it brings respect and recognition from their peers.

Although Ben types have enemies, even their enemies respect Ben's successful ways. People born under the Ben sign are ambitious and clear about their goals and intentions.

Challenge:
Being opinionated or holding rigid attitudes.

Solution:
To understand human nature; to apply social skills.

Four Directions

To be born on the day of Ben is a very fortunate occurrence. In the mythology of ancient Mexico, this was the birth-sign of Feathered Serpent, bringer of light, and a day the gods come down to earth.

These natives are productive. As community members they are leaders, and as parents they are alleged to be both fortunate and wise.

The book of Chilam Balam of Kaua insists that Ben natives tend to have many children. They also may play a parental role for their extended families or entire communities.

They function like the staff of office (one of the principal symbols of this day-sign), the supportive pillar of the world.

In general these people are practical, earthy, and nurturing. Their good fortune, and joy in ordinary life may cause Ben natives to be a bit conservative or complacent. They have

no need to rock a boat that carries them so gracefully. This is why our list of well-known Ben natives includes only a few names. It is a quiet day-sign that has little desire to seek the limelight.

Even the most fortunate day-sign has a dark side, and Bens tree of life includes a number of challenging influences. The presence of Chiccan as the past sign suggests that many of these natives bring a great deal of sexual karma with them into this life. Cauac on the left hand generates a great deal of emotional turbulence especially regarding women. While Manik on the Right hand may sometimes function as a symbol of strength and inner power, the presence if Imix as the future sign shows that Ben natives face progressively more challenges as they develop along their path. Challenges that may include madness, illusion, and anger.

The Chilam Balam of Kaua also notes that in some cases children may be the only wealth of these natives, and that the may be otherwise of very modest means, perhaps even poor.

Despite their sometimes wild ups and downs, Ben people often possess a spirituality that goes beyond the confines of purely conventional religion; this is one of the birth signs that is considered favourable for prospective Calendar Shamans.

Galactic Tone: 10

Manifestation

- * Manifestation
- * Come into being
- * Materialization
- * Expression
- * Temporary, mortal
- * Beauty
- * Potential insight

The famous words of wisdom, “be careful what you wish for, it may happen” is absolutely valid for you. The power and responsibility to manifest have been carried by the Tone 10 and given to you. You have the capacity to manifest anything negative or positive, fears, hopes, and ideas etc. into physical reality.

Trecena Sign: Night

/ House / Akbal (Yucatan) / Aq'ab'al (Kiche)

Beneath the 1-Akbal surface personality is a deep need for very secure foundations.

These security needs may be intellectual, as in science or religion, or they may be material, as in possession of valuables. Whether or not such persons seek mental or economic security, they are also usually people with high standards to meet and uphold.

Night Lord: 4

Some people born under the influence of this Lord are teachers, some are healers, and some are over protective parents. Most seem to have a nervous disposition and a need to talk. They are intense guardians of one thing or another; other people, children, pets. Youth is often a fixation for them; they are drawn to children and perhaps even work with them in some capacity. Their nurturing instincts are quite strong, and they need to find healthy outlets to express this urge. Their darker side lies in understanding that their nurturing influence can become a detriment in many ways.

The communication skills of G4 types make them excellent teachers. They can be very creative with their thinking, a quality that lends itself to art and writing. On the darker side, they think or talk incessantly and often struggle with ways to turn off their minds. By working as a teacher or communicator, they may be able to turn this tendency into positive activity.

G4 types have a tendency to scatter their energies and this inclination may lead to being a "jack of all trades but master of none."

*I'm personally theorizing that these night lords are simply the same energies as the 9 main objects (separate from the Sun) conjunct the Sun.
This one would be Mercury conjunct the Sun.*

Celtic (Druid) Tree Sign

The year is split into different periods. Usually, one tree is at two separate periods about 6 months apart. Except for when the equinoxes happen (every 21st of every 4 months), then there is a special tree for that. To find the right archetype for this divination, you have to know if you were born late or early.

(Note:) Celtic Druids did not determine Sign based on the actual date of birth but rather by the **date of conception**. For example, if you were born three weeks before the scheduled date, you need to add these three weeks to the actual date of birth, in order to figure out the appropriate Sign.

I also read somewhere that the tree (or variant) has to be naturally available in your area.

Cypress Tree

Strong keywords: Tolerance, Sociability

Weak keywords: Laziness

Tree variants: Hawthorn, Juniper, Camomile

Birthday:

23 January – 31 January

25 July – 4 August

Characteristics and Personality

People born under the rule of Cypress are tolerant, resourceful and faithful. However, they are also quite lazy and inclined to oppress the weak in their surroundings. They have the ability to endure the adversity of fate, which does not break them; on contrary, they learn from the experience. The nature of people born under the rule of Cypress is very rare, because they are able to intensively enjoy everything that life brings. These people have a strong will to find a solution to a problem even if it means their discomfort. Perhaps that is why they do not lose their head, goodwill and hope that things will get better, even in the worst situations.

Just like cypress trees, these people like the Sun and they cannot stand any restrictions on their personal freedom. If you force them to live in confined conditions, whether in a physical or spiritual sense, they will soon become grumpy and they will make life miserable even for the greatest optimists around them. They do not like being alone and they avoid solitude. They prefer spending time in their family circle or with good friends. They need both, their family and friends, in order to be happy in their lives. Cypress people are popular because their presence has a calming effect on other people.

These people love nature, they like to wander around and they are very keen travellers. Their main interest is getting to see new places and learning about the customs of the people living there. People born under the rule of Cypress just want to be happy. They are not really interested in anything else; they do not attach special importance to success in life or to material values. They are therefore not successful traders, politicians or entrepreneurs. The most suitable profession for them is a job that requires constant contact with people, but where they can also work independently and nobody limits their vigour and enthusiasm. They are very good tour guides, truck drivers and pilots, for example. Their career, however, is not sky-high, because they are not making a very good effort to climb up the career ladder. On the contrary, they carefully avoid everything that can cause a problem that may disturb their happiness.

Cypress people are daydreamers and they let their life take its natural course. They organise their lives only in case of extreme inevitability and with great self-denial. The biggest obstacle of their journey to happiness is their effort to avoid any challenging and stressful situations. They do not realize that in life it is sometimes necessary to stand up for yourself and take risks, otherwise it is not possible to move forward.

Cypress people are not good managers because they tend to be too bossy and procrastinate when a problem has to be solved. They are strict and uncompromising with their subordinates. They usually lack organizational talent so their efforts often lead to confusion, chaos and quarrels, in which everybody accuses everybody else.

They behave the same way in their marriage; sometimes they require a submissive subordination and boundless devotion from their partner. If their current partner cannot or does not want to give it to them, they will break up with them and find another partner without mercy. In love, they are wild and sensual. They will change many romantic partners before they find a person who will conform to them. But once they find the right person, they love them with all their heart. In that case, they are faithful to them until the day they die.

Cypress people are just as healthy as their tree, which is strong and beautiful. As they get older they may become hypochondriacs under the influence of other people. They may start looking for diseases that everybody has at that age.

What follows on the next page is the correct Natal Chart using the Usha/Shashi-Ayanāṁśa, and the 'whole house'-system. For simplicities sake, we could call that chart the "Transit(ory)-chart". Then to get the Chart that WILL SHINE through this document, we apply the 322th Harmonic to that (the right ascension values (Zodiac) are telling of the 322th Harmonic Version chart). Thus, both are needed to understand the self: One is fixed but constantly interacting with other fixed charts and the other constantly interacts with the Transiting planets. If you find yourself on that quest to understand yourself, it would be suggested to include declination as well as all the other divination techniques, such as numerology, and cartomancy, etc., up to the most seemingly insignificant part of the whole, like midpoints, or antiscia-aspects, in the whole picture. Understanding yourself better in respect to everything else has become very possible - and people might soon say even too easy - when the energetically encoded laws taken affect on our reality are understood.

Love Life – How is a Libra Rising Personality in Love?

A Libra ascendant, especially a Libra ascendant man, doesn't have patience. It creates a lot of trouble in their love life. These people are so perfect that it's hard for them to see perfection in their partners. That said, they can go to any extent to physically and emotionally protect their partners.

A Libra rising man in love gets too restless too quickly. Whilst he's looking for a good-looking mate, that's not the only thing he needs. He requires fun, humor, and loyalty. He might start dating you because you're sexy and enjoy the hot steamy sex for a couple of months, but, if he finds you shallow or flirtatious, he's going to dump you. When a Libra rising man is in love, he tends to offer his woman the protection of his body and soul. The best thing being, he's never emotionally absent in a relationship.

Compatibility and Marriage – Are Libra Risings Loyal?

It takes someone very, very mature to understand that Libra risings criticize only those people they're extremely fond of. They try to perfect you only because they want the best for you.

Libra ascendants aren't perfect for everybody. They can be very critical and impatient. Hence, they aren't everybody's cup of tea. Their marriage is most successful with Gemini ascendants and Leo ascendants. They also make a wonderful pair with the Sagittarius zodiac sign and the Aquarius zodiac sign.

A Libra rising man is a very faithful husband. He might flirt around a bit, but he never cheats. Once he says, I do, he means, for better or worse!

Health – What Health Problems do Libra Ascendants Have?

Advice: They should try to be more sensitive with others.

A happy personality

Individuals having the Sun in the 5th house want to be recognized for their creativity and special talents. They're feeling very happy when expressing themselves with the help of imagination, and it's very likely others will all the time pay attention to them.

In love with sports and very dramatic, they're fun to be around but have a pride that can bother some people.

When trying to demonstrate why they're the best at what they may be doing, it's important they don't grab all the attention of the public because this can be pretty overwhelming.

It would be enough for them to just be happy as they usually are, and the creativity that makes them feel so good all the time will surface. The Sun rules over the self and influences the way people shine in the eyes of others.

When in the 5th house, it makes individuals fun and eager to have all the praise. The natives of this placement will dance at parties and talk to everyone, no matter where they may be.

It's possible for them to just take all the spotlight because they want too much to be number one and possess an ego that gets immediately hurt when not stroked enough.

While happy and positive, they may think of themselves as losers and can become depressive when not appreciated for their talents.

Their originality is famous, so if they happen to be artists, expect them to have immense success at some point in their career.

When it comes to sex, they're up to any new experience, but their main focus is on being parents and even the perfect aunts or uncles. A job in teaching would help them be more in contact with kids, which would make them truly happier.

The positives

Creativity is what makes Sun in 5th house natives thrive, so they'll most likely be appreciated artists or performers. Everybody sees them as original and they can really succeed if disciplined enough.

They develop more when out in the society, expressing themselves and taking risks. Because they love life and children, they can make the great party organizers for the birthdays of little ones.

As a matter of fact, they'd do a great job with any party as celebration makes them very happy. People with Moon in 5th house have a highly developed self-image, are proud and dignifying, their imagination getting expressed through the most original ideas that usually make them be appreciated in public all the time.

It's possible for them to focus too much on themselves and forget about others, but they immediately become generous again, as soon as they remember to consider their loved ones too.

It's suggested to let them do things their way, because they want friends only for companionship, not for being told what to do. Strong and bold, these natives are usually healthy and have all the elements in place: Earth focuses on their physique, Air on the mind, Water on emotions and Fire on their courage.

The 5th house influences their love life as well, making them true conquerors of hearts. Not all of their romantic relationships will be happy because Leo occupies the 5th house and influences them to be dramatic when it comes to love, feeling most of the time down because the appreciation of their partner is never enough.

They should be careful not to get involved with abusive people who want to take advantage of their loyalty and big capacity to love. Passionate and caring, they will be

the perfect life companions for the person who praises them all the time.

Sun in 5th house natives have the attitude of celebrities and need spontaneity in order to be happy. It's like their main purpose on Earth is to exude radiance and to play the many roles life has prepared for them or their ego agrees with.

Seeing their name plastered all over and having all the attention on them makes these individuals have even more energy and be very healthy from a psychological point of view.

Their optimism and joyful disposition will always have them surrounded by friends, but they can be too theatrical sometimes, especially when speculating.

Overconfident, they take risks without thinking of the consequences because it makes them feel alive.

They give a lot of importance to their hobbies and may end up opening up a business based on what they love doing the most in life.

Very romantic, natives with this placement love chasing their partner and being in a relationship that's exciting. The thrill of the courtship is really what makes their heart tick, together with creativity.

But they may love only for a short period of time as they're always looking to feel the excitement of conquering a new person's heart.

If they'll manage to keep their long-term relationships going, they will be able to express their love in a more efficient and profound way because just liking a person is not enough. The impact of romance has to be stronger and to put their charisma to good use.

The negatives

The main problem of individuals with the Sun in the 5th house is regarding their exaggerated pride, domineering attitude, arrogance and flamboyance. Not to mention they sometimes feel inferior to others when it is not the case.

If afflicted, the Sun in this house can make them great manipulators who make use of mischievous ways to capture the attention of the public.

They may even agree with bad publicity rather than no publicity at all, making their need to always be in the middle of things can be very annoying.

The more balanced ones will be respectful of both themselves and others, so they'd easily gain the appreciation of others.

It's possible for many of them to have too big egos and be selfish, presenting themselves in a pompous way because they'd think it's more dignifying to be this way.

It may be a challenge for them to become more sensitive with others and to use their charisma in an efficient way.

They may sometimes be too ebullient and not attentive to what roles they're playing, so it's suggested they decide on the performance that comes the most naturally to them.

Very confident, they would risk and speculate in any situation, making things dangerous for their financial stability. It's wiser for them to take breaks and think before taking any type of action.

The Sun in the 5th house makes them egotistical and interested in pleasures that have something to do with hedonism as ways to express their creativity.

They should develop without thinking only of themselves so much as this can't bring too many satisfactions.

These people may be innocently selfish, but thinking others' opinions and feelings matter too is important if they want to be perceived as mature.

They're dependent on others' praise and admiration because this is how they validate themselves.

Realizing their own worth would be better idea than rather than just waiting on appreciation from outside. They identify themselves with what they're creating, so if artists, their work would pretty much represent them.

As parents, they may be obsessed to protect their children and impose their authority every step of the way.

They're neurotic about how others perceive them, taking big risks for the recognition of others to come their way, planning how to get the power and doing anything for gaining the admiration of their loved ones or being too focused only on how they express themselves.

Sun ☉ - Detriment in Aquarius

([871] southfloridaastrologer.com:) A restricted expression of the ego is found when the Sun is in Aquarius. Aquarius' need to think of the group's rules and needs before thinking of themselves is opposite the Sun's need to shine and express the ego.

Moon ☾ in IX 9th House

([880] i.thehoroscope.co)

People with the Moon in the 9th House are always focused on a multitude of things, dreaming to make their ideals come true, no matter the obstacles.

People with the Moon in the ninth House sometimes think that different circumstances than the ones they're in would make their life better. They are never happy with their surroundings, so they're constantly moving, they prefer to just travel and to not belong to only one place.

What they can't understand is that happiness comes from inside. There's no place, person or thing to make them happy but themselves, this being what they have difficulties acknowledging.

Summary:

Strengths: Inquisitive, witty and adventurous;

Challenges: Mysterious and obsessive;

Advice: Not letting others take advantage of you.

Dreamy and true visionaries

Moon in 9th House natives need to be constantly stimulated, because routine and the mundane stresses them. They're philosophical creatures who have a natural curiosity about everything, including people and their cultures.

It's important for people with Moon in 9th House to stop believing the grass is always greener on the other side and to tend to their other needs, because the more they will look for happiness someplace else, the less they'll be able to find it.

It's possible they have been to destinations others wouldn't even dare think of and that their knowledge on different cultures and languages is very vast. The position of the Moon in the ninth House makes them aware and receptive of others' needs and feelings.

It also helps them be more dreamy and true visionaries; in other words, they're the individuals who want to change the universe and to get involved in different causes.

At the same time, this position gives them instability when it comes to the traits this House controls, which means they'll change their philosophy of life or their hobbies and

interests more often than others change socks.

This means they aren't able to focus their spirituality on only one thing, being more the thinkers of things than the knowledgeable persons who are informed to the very last detail.

However, they will never specialize in something. If they have enough money to travel the world, they won't hesitate to do it. If not, you can be sure they'll travel mentally, so don't be surprised if they're sometimes absent-minded when you're talking to them.

Their imagination is very rich, so they can fantasize about anything, creating all kinds of movies and stories in their head. This means they're romantic and able to create a more beautiful world than the one they are living in.

Not to mention they're perfectly capable of turning their dreams into reality, so all their fantasizing may not be at all in vain.

Moon in the 9th House natives are happier and more comfortable when doing something out of the ordinary; something creative.

They enjoy talking about philosophy, spirituality and even the occult. Their mind is inventive and always wanting to escape reality with the help of studying, traveling and having various conversations.

Loving to expand their own mind, these natives' imagination may give them psychic abilities that others don't even dream of having. The position of the Moon in the ninth House indicates they nurture their mind on their own.

They feed their higher self through emotions, and when they need to feel secure, they just start to rely on mere thought.

Thinking comes naturally to them, being an everyday habit, but their thoughts may change from one minute to the other. Capable of nurturing others with their thoughts, they're more than often considered wise and intelligent.

While this is one of their strong points, it can also be a weakness because many people can't appreciate a good advice and want concrete help, not to just be supported with a kind word, regardless of how encouraging and optimistic.

Not big fans of intimacies and emotions

People with Moon in the 9th House need to understand the world through their own philosophies. The position of the Moon in this House indicates they have absorbed every piece of information on religion, politics or another humanistic subject from their parents, ever since they were children.

Everything about them, including their emotions, is directed at understanding the higher subjects and each and every new culture they're stumbling upon in their travels.

Their way of life makes them more understanding and very comfortable when around strangers. Adventurous and wanting to discover new places, Moon in 9th House natives think of life as a journey and can't feel happy if they aren't all the time moving, learning and understanding.

These are not at all the type of people to need a comfort zone, not even if they're conservative Sun or Moon Tauruses. In this situation, they would take all the traits of this sign on the road with them.

This means they have an exciting life, but the downside would be that they're always restless and wondering if life in a different place would be better.

It wouldn't matter what religion they belong to; the meaning of their life would be all about believing in something and always moving forward with their level of understanding spiritual challenges.

The way they emotionally respond to different philosophical ideas is very much influenced by the Moon.

Even if their Moon sign is a very intense one, their passions still burn out quickly, moving on faster than the wind. When seeing others are not capable of doing the same thing, they'll become frustrated and won't try their best to change anything.

No matter their Sun sign, all of the people with Moon in 9th House are always seeking to nourish their insights on life.

They may feel self-righteous in their need to have an audience all the time. Their intentions are always good, but they tend to make their beliefs so solemn that others get turned off by their preaching.

However, they have high morals and are very honest, so don't expect them to ever sugar coat someone or to hide what they are feeling. It's like they can never lie about anything, because they are too transparent and others would immediately feel they're up to something.

Therefore, many will appreciate them for being straightforward and for not wanting to get engaged in all sorts of mind games. Some of them will be so honest that others find them rude. It's not their intention to hurt someone, they just feel emotionally free when being honest.

Moon in the ninth House individuals can be so objective about their own feelings that subjectivity can feel very intruding for their subconsciousness.

This also means they're terrified of getting too intimate with others because this could make them feel like their privacy has been invaded.

Another situation that makes them emotionally insecure is the one when they're displaying their own emotions as they think of feelings more as of a sport or something adventurous. This is how they're protecting themselves from getting hurt.

Moon ☾ in 6th Nakshatra: Ardra

6°40'-20° Gemini

Short Version [2]

Strength: acts quickly, curious mind, craves knowledge, good memory, strong communication skills, truthful, compassionate toward those in pain, physical work is preferred over mental work, easily gains support from government, overcomes bad habits.

Weakness: arrogant, ungrateful, mischievous, reckless, anti-social, causes trouble, self-serving, stubborn, critical, impolite, untruthful, poor financial planning, lust for material attainments, excessive indulgences, creates pain or agony for others, inconsiderate, abuses power.

Overview [1]

- Lord: Rahu (North lunar node)
- Symbol: Teardrop, diamond, a human head. This represents intellectualism and the clarity that comes after sadness.
- Power: Achievement through effort. Strength of will powers Ardras in their endeavors, and they put considerable care and trouble into achieving their goals.

Strengths [1]

Ardras are known for their intellects. You have an excellent memory and are knowledgeable about a variety of subjects. People respect you for your intellectual ability and clarity of thought.

The value of honesty is not lost on you, and you endeavor to be truthful in your dealings with others. As a result, you come across as authentic and might be noted for your “purity of heart.”

You are goal-oriented and work best when there is a clear aim in sight. Things don't always come easily to you, but you push on with enthusiasm until you achieve your goals. Ardra natives don't shy away from a challenge. Physically strong and possessing an adventurous spirit, you like pursuing new avenues of thought and activity.

It's rare that you allow others to see your agitation, and in fact it's difficult to upset or disturb you. You are generally composed and calm, and your pride and self-respect ensure that you don't embarrass yourself. As a result, you are respected for your ability to perform under pressure and deal with difficulties without getting too ruffled. You excel in fields where diplomacy and tact are important.

Weaknesses [1]

Ardra's shadow side is where death, pain, and suffering are found. As an Ardra, you may become the cause of suffering for others. One of your weaknesses is a lack of empathy, and as a result you can be inconsiderate and even cruel. However, you could be linked to suffering in a different way — many Ardras are useful in fields where they reduce suffering, such as in hospice or humanitarian work. Involving yourself in these types of activities can help you develop empathy and balance your harsher tendencies.

Anger, aggression, and even violence are not uncommon in Ardra natives. You take things to extremes and, although you are good at hiding your emotions, those same emotions can lead you to actions that may be destructive to others and ultimately yourself. It may be helpful to find a healthy outlet for your aggression, such as in a competitive sport.

When your self-confidence is not in a healthy state, arrogance becomes an issue. You may be haughty, ungrateful, and highly critical. Your impressive intellect can be your downfall if you allow yourself to think that it makes you better than others.

You are very motivated to achieve your material goals, but the downside of this is that your ambition can make you greedy. You might operate under the belief that any action is justified if it leads to your goals. You can be manipulative and have mischievous tendencies — you aren't afraid to bend or break the rules to get what you want.

Cultivating empathy and gratitude is useful for Ardras and will bring them a sense of peace. Gratitude journaling is one exercise that Ardras may benefit from. Adopting a vegetarian or vegan diet can help Ardras counterbalance their violent tendencies, because it promotes a focus on non-violence and on alleviating the suffering of other creatures.

Other Personality Traits [1]

- You are imaginative. Like most Geminis, you enjoy exploring new avenues of thought. Ardras are especially attracted to anything that is original and breaks with established tradition.
- You are a risk-taker. Confidence, ambition, and your sense of adventure make you prone to taking risks. Sometimes, the risks get you into trouble. Other times, luck is on your side. When you think things through and don't act recklessly, you can make intelligent, calculated risks that may give great results.
- You change your mind a lot. Your mind is always active, and as you explore one idea after another you might change your opinion accordingly. This can make you seem unreliable.

- You may abuse power. Your intelligence and confidence can make you believe in the rightness of your own plans and intentions above all else. "The end justifies the means" is a philosophy that might appeal to you. As a result, you are liable to misuse others when given the power to do so. Mercury ☿ in ♈ Aries man 17° 10'

([884] i.thehoroscope.co)

He takes his sweet time and enjoys certain situations more than others, being often perceived as quite pretentious.

As a Mercury in Aries, this man is brash, aggressive, and straightforward with his desires and motivations, never to hide behind shyness or hesitations.

He is always coming up with great ideas that he's not just going to keep for himself just because they might ruffle some feathers.

It might seem like this man loves a good argument or debate because he does everything in his power to initiate one. Moreover, he's very dynamic and unrestrained even outside of a discussion.

In a nutshell:

Positives: Disciplined and responsible;

Negatives: Narrow-minded and obsessive;

Soulmate: Someone who is observant and kind;

Life lesson: To get less annoyed and more attentive to criticism.

He's the one rushing to speak first

The Mercury in Aries man does not have time to waste on mere parlor tricks and small talk. He can do that all his life and still not achieve his potential and goals.

His lifestyle is not based on discipline, responsibilities, planning and getting to know the competition before committing to a course of action.

He takes the time to bring himself up to speed with all the innovations and technological discoveries, news on the market, all in order to increase their chances and avoid the loss of time later on.

Queues and waiting for someone who's late are literally ruining his mood in the worst way, sucking away all his energy. Generally, he's the one who rebels against authority.

Whatever they think of first, that's the idea they're going to present to everyone as being the winner, having the most potential.

Observation and analysis are two foreign words for these natives. Fast-forward two days later and the idea turned out to lack finesse, it was rough around the edges, incomplete.

Moreover, the Mercury in Aries man will rush to speak first, seemingly in a hurry to spread their ideas to everyone else.

Verbally, it's a real cumbersome activity having to listen to them talking so fast you don't even have time to follow the general outline. However, they are very fun and enthusiastic enough to compensate.

The man born with Mercury in Aries will first listen to his own gut instincts, and the decisions he takes are as good as put in to practice.

No matter what everyone else says, he's going to keep on going at his own pace, following his own rules, living life as he sees fit.

Criticism will only serve to annoy and get him to stop what he's doing to concentrate on getting you out of the way.

A comfortable and pleasing life is all he wants, and if you want to mock that lifestyle, it's your funeral. This doesn't mean that he doesn't admit his own flawed nature, the

mistakes he's done.

He will naturally exude an air of authority and dominance all around him. It gives the impression that he knows what he's talking about, even when he doesn't, that he can be the one to solve the problem, finally.

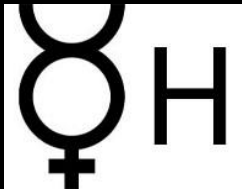

He has a commanding voice and confident attitude, demanding to be listened and obeyed.

As team leaders, the Mercury in Aries man will take everyone up to the next level, upgrade their skills, motivate them with his unceasing impetus, and lead them toward success.

However, he does have a nasty tendency to leave his projects half-finished because he comes up with a totally different idea that he wants to implement immediately.

He does, in fact, want to become superior to the man he was, and for this, he is ready and willing to sacrifice a lot.

Mercury ♀ in VII 7th House

([914] i.thehoroscope.co)

This placement of Mercury encourages people to prefer solving problems by being communicative, talking about what's wrong and agreeing on the most efficient course of action.

Those born with their Mercury in the seventh house of the birth chart are very sociable and communicative individuals who would rather spend all night in town than stay cooped up in their homes, dying of boredom.

They do well in relationships with other people, meaning that they manage to share ideas and come to an understanding with pretty much anyone.

Professionally, you're going to see these people gravitating toward PR jobs, holding conferences or working in sales. They are good at persuading people or mediating conflicts because they know how to speak and how to calm a situation down.

Summary:

Strengths: Witty, expansive and affectionate;

Challenges: Difficult, vain and indecisive;

Advice: They should try their hand at different activities and not hesitate.

Hard to impress

These natives are often put into difficult situations because they can't make quick decisions, on the fly, without actually taking the time to consider all the details and possible consequences.

They hesitate, beat around the bush, and waste time until someone pushes them or the time comes for a decision to be made, irrespective of whether they're certain of the options or not.

The problem here is that the natural ruler of the seventh house is Libra, the sign known for its unwillingness to commit to a course of action without first analyzing everything.

However, with Mercury in this house, you can talk to them about anything in the world, the more intellectually stimulating, the better. In particular, they love talking about relationships, love matters, especially their own.

The Mercury in 7th house natives are sapiosexuals, in that they are most attracted by intelligent partners who have intellectual interests and who know how to talk.

You just have to impress them by bringing up a profound subject and coming with a few interesting ideas. They will take the ball and continue from then on, but most importantly, they will have taken you into their sight.

They prefer solving problems by being communicative, talking about what's wrong and agreeing on the most efficient course of action.

They can debate pretty much anyone on any given subject, and more than that, they can argue from many different positions, even one that they may not agree with.

This is thanks to their expansive and meticulous mind that gives them unprecedented insight into the subject.

For these Mercury in 7th house natives, nothing is more pleasing or interesting than a good discussion, an intellectually stimulating conversation that they can play around with.

In relationships, they will often attempt to raise these topics with their partners, to spice things up.

Settling on a certain conclusion may be hard, but discussing it, taking every possible solution into consideration, that's easily done.

The positives

Even though they may be known as social butterflies and absolute freaks when it comes to talking to other people, they still prefer a one-on-one conversation with someone they can trust.

Also, the subjects have to be profound, serious, philosophical or at least mainstream, debatable, so that they can get interested enough.

They can focus and more efficiently organize their ideas in a private setting, with no one to disturb their thoughts. In such an intellectual transaction, there must be equal roles, one must give an answer and the other must ask, and so on.

When they fall in love, nothing appeals to them more than keeping in contact with the partner non-stop.

Messages, calls, shouts from across the house, kisses on the cheeks, these natives want to create a partnership based on communication, affectionate and intimate contact.

They can both grow and develop through this process of interpersonal contact kept at a maximum degree, the bonds will deepen with time and they will be very close to one another.

Especially when it has something to do with professional expertise, they will act as though everything is dependent on them talking as persuasive as possible, and giving the best impression.

Investments, lucrative partnerships, and collaborations with the big shots of some big corporations, the Mercury in 7th house natives know how to use relationships and take care of all of these.

They know what to pay attention to, how to organize all the details, how to mediate between two opposite sides.

Moreover, knowing that Mercury sports two sets of energies correspondent to a dual personality, these natives might very well have quite a rich romantic life, with situations when they have to choose the best partner from many more. Logic will be the main instrument here.

This aspect instills a sense of paranoid fear into these natives, in that they act skittish and become tense when people contradict them.

Different opinions may be challenging and intriguing to other, more confident and open-minded people, but they can't stand it when someone has a different idea that goes against them.

Instead of getting mad or entering a conflict, they will try to mediate and reach a consensus, either through a solid explanation or a better solution.

Even more, they might even be able to befriend these perceived enemies, to nurture a spiritual connection between them.

The negatives

No matter what everyone says, the Mercury in 7th house natives actually crave for romantic belonging, to be loved and spend time with someone who deeply understands them, someone who they can feel close to.

This is one of their ways to find fulfillment, to fill out that void in their hearts, to find happiness. For all their social lives and keenness of talking to people, these are all extra activities, done for fun, but a more intimate speaking partner would be much better.

However, they can spend a lot of time thinking about what's best, about their own feelings, and this is a waste of time that often results in lost chances.

They are very critical and analytic, always weighing the advantages and downsides of a relationship.

When Mercury is in retrograde, bad things are afoot, meaning that life won't be too colorful for these natives.

They will become overly-focused on the smallest of details, on the flaws, forgetting about the greater picture, to take a step back and just be thankful for what they have.

This pessimistic and negativistic attitude brings them a lot of problems in the long run.

The movements of Mercury during these times and the number of times it goes into retrograde have a very powerful influence on their day-to-day lives. The effects are catastrophic if not properly controlled.

Venus ♀ in ♏ Pisces man 16° 5'

([943] i.thehoroscope.co)

He could be extremely intrigued and fascinated by something one moment, and the next he disengages completely.

The Venus in Pisces man is a highly emotional individual, sensitive, and affectionate with his partner. He's been searching for that special someone for all his life, and he made a purpose out of this.

Finding a soul mate, a person with whom to share all the moments of happiness, someone whom to support him in times of need, is his greatest desire. His feelings are honest and pure.

He is capable of the deepest emotions for his partner, a wholehearted affection that goes beyond what others experience. He wants to have an ideal relationship, to find perfection, to find a way to accomplish his fantasies, the dreams he's always had.

In a nutshell:

Positives: Intuitive and sociable;

Negatives: Cynical and cruel;

Soulmate: Someone who can read into his deepest wishes;

Life lesson: Being more careful about his social interactions.

His love personality

He is attracted to the sensitive and emotional women who accept their feminine side and embrace it wholeheartedly. She must be kind, generous, empathetic, understanding, to have a sense of obedience and dependency.

He doesn't like aggressiveness or impetuosity because that only eats away his energy and might even annoy him.

Moreover, the Venus in Pisces man is highly intuitive, one of the most intuitive of the entire zodiac.

His artistic sense is off the charts, it grants him an elusive aura, just like the world can't hold him, as he breaks the barriers apart.

In a relationship, he knows exactly how to avoid dangerous emotional reactions, and instill a sense of peacefulness and tranquility in his partner.

This guy wants to live in harmony with the outside world, as he finds a sense of belonging in nature, but also a place he can call home in today's modern society, one filled with technological marvels. He's very emotionally unstable, his various reactions being the talk of the town.

He could be extremely intrigued and fascinated by something one moment, and the next he could become dispirited, even spiteful.

Knowing that he entertains impossible dreams, he wants a partner who can balance out these ideals, but do it with diplomacy and affection. Beauty fascinates him beyond description, both in the world and in other people.

His intuition tells him about the motivations of the people around him, about the social masks that they don when out in society, and about the real desires inside each of them.

The man born with Venus in Pisces recognizes his need for a soul mate, and he's seeking for the one that manages, at least partially, to escape this social conformism, the vicious circle of pretense, and self-deceit.

He wants a perfect relationship, one where he can melt into a oneness of being with his lover, where he can find the fulfillment of his deep desires.

Being this much obsessed with finding a soul mate and forming a heart-bonding relationship, the man born with Venus in Pisces can forget to look at the person beside him closer, thus inviting individuals who have ill intentions in their lives.

He must learn to detach himself when it appears as though the other is only there for the advantages, and usually their instincts will fire out a few alarm signals.

However, even though he might have an idea about future disappointments, society pushes him into the corner, and his urge to meet the fated one seals the deal.

His high emotional predisposition turns him into a magnet for the lost and weary, for individuals who want to mend their wounds, for those who aren't exactly certain about their own future.

In such relationships, he does realize what the future holds, or rather what it doesn't, but he finds it very hard to break-up with the other.

He intuitively notices how his departure would deepen his partner's wounds even more, but the negative aura exuding also makes him become disinterested over time.

He has always dreamt about the perfect woman, the ideal lover that would complete him. She obviously loves him without asking for anything in return and cheers him up with her optimistic and bright-looking attitude.

Moreover, her traditional take on marriage only serves to make his dreams of a comfortable and perfect relationship come true.

He doesn't want discord and conflict to ever appear in his love life, nor does he want to ever have to compete with his partner for something. Harmony, balance, affection, compassion, and mutual understanding are of the essence.

This man might be prone to cheating, but only if his social circle instills in him this sense, only if he's in the company of women for too much.

Most importantly, if his partner doesn't fulfill his expectations and desires, he might seek solace in the arms of another.

Generally, though, he is a very loyal and devoted lover, but he also can't fight against the orders of his heart when it starts sending messages of love in his brain. His partner will have to make sure that he doesn't get seduced or enchanted by another woman.

Attracted by ...

With this man, you don't ever need to pretend like you can take on the world or that you're strong enough to take on life's hardest challenges. He's there to offer his protection and support, to take care of you and your needs.

Just be honest, straightforward, and be sensitive above all else. He loves that in a woman the most. You will have to work hard in order to truly make him yours so that his romantic sense becomes entangled solely with your person.

Be romantic, affectionate, and show him how much you love him. That's the only way he'll realize that you're the perfect woman for him.

He's a dreamer, and he will only get involved in something when it has some chance of

success, when the idea at its base is revolutionary, innovative, even a little idealistic.

Personally, the Venus in Pisces man is a romantic artist who seeks for like-minded people to light up his world. Those that see the world in a different, slightly more colored light, the ones who know that the world is filled with unsolved mysteries and enigmas.

Romantically, his expectations might be unrealistic and overly-dreamy, but you should at least try to put the pieces just right to fulfill their desires. If you manage to surprise and fascinate him, then it's all good.

In conclusion

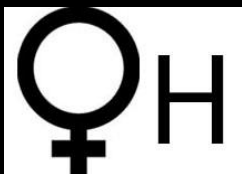

This native's greatest strength is his empathy, the way in which he seems to read people's inner thoughts and emotions.

He knows exactly why his partner is moody, and why she got up late the other day when she's usually a morning person. He notices the small details, and he's able to deal with tough emotional situations as they appear.

The Venus Piscean man deserves to be loved for all eternity just for being this sensitive and affectionate.

He will never criticize or make you feel bad when you made a mistake, but he should also learn to let go of the emotional pressure from time to time. Maybe even channel it artistically. This could be a good idea.

them. They enjoy being shown love through small gestures like doing the laundry and cooking.

It's important for them to realize they're too giving and that this is not the way for a romantic affair to evolve. They should be with someone who appreciates their love and generous nature, a person who's ready to serve and to give them lots of love.

Summary:

Strengths: Affectionate, practical and dependable;

Challenges: Demanding and prone to worrying;

Advice: Sometimes, in life, you just need to give it time.

Very talented at anything visual

People with Venus in the sixth House function at their best when having to express themselves romantically, socially or artistically.

Developing great relationships with their friends and co-workers, they may find the love of their life in the workplace.

Others usually love and respect them, no matter if they're criticizing and can't stand any vulgarity or ugly behavior.

Practical and supportive in the way they're expressing their affection, these natives are always of service to those who are important to them. As a matter of fact, they are the type who would go over themselves to make their loved ones happy and comfortable.

While these people don't like to bring flowers and to express their love in public, they're always of help and available for doing something. They will do all the practical things in a relationship, being very thoughtful their partner doesn't stress him or herself with anything.

Very talented at anything visual and artsy, they are looking for harmony and want to make all things whole. If they won't pay enough attention, they may end up passing by true love and going for practical relationships, thinking they can't find something better for themselves.

It's normal for them to give their love away to people who don't deserve it, so they should be more decisive about going for what they want.

Natives having Venus in the 6th House are the type who want a routine and to enjoy as much balance in their life as possible, because this is what makes them happy.

Putting in the extra work for it doesn't bother them in any way as they need to feel very proud about what they've achieved. Having a highly developed sense of duty, they are

the best employees, who prefer having everything organized and looking perfectly.

Being disciplined is what characterizes them, so they may expect others to not generate chaos or to wish for perfection, just like they do. All this happens because the 6th House is being ruled by Virgo, so their desire for excellence is something that is always present in their life.

Enjoying routine and wanting a daily schedule that makes their life more efficient, it's possible for them to stress too much or be negative.

Venus in sixth House individuals are eager to express themselves and to show off their talents, even if they're not the most expressive when it comes to love. However, the person who's with them will get to witness many practical ways in which they show that they care.

There's no one to take actions that express love better than them, but if Venus is not evolved enough, they may expect their other half to do many things for them and still feel like nothing is enough for them to feel really loved and appreciated.

However, they are mostly the type who wants to be of service and enjoy helping anyone, even strangers they have just met down the street because they have this theory that being useful is the only way for love and peace to be brought in the world. At the same time, it's important for them to realize that being too giving can have their kindness being taken advantage of.

All the people having Venus in the 6th House can convince others to do different things and approach love very realistically. Anyone can manipulate them with a few nice words because they have very low self-esteem and want to keep others next to them for as long as possible.

Providing all the time for their lover can't be called love as they need someone who can really appreciate them for what they do and want to contribute. It's possible to find love even when taking care of themselves and while not trying so hard to always be perfect.

The placement of Venus in the sixth House makes it more possible for the natives of this placement to fall in love at work, because Venus will influence them here, bringing in a special magnetism coupled with a flirtatious mood.

Obsessed with perfection

The position of Venus in this House means these people need to be very proud of what they've achieved, so expect them to always want to do their duty and to put in great efforts in their endeavors. Their bosses and co-workers will appreciate them for their hard work and for always organizing, so that perfection is attained.

They are very disciplined because Virgo rules the 6th House, so their wish for everything to be done the right way can't be seen in others. Their ideal partner is the one who can follow their routine and makes their life more fun.

Those who are too negative, stressed and emotional turn them off as they need to be next to someone who has time to appreciate them for their talents and work.

It's not their type to be very expressive when it comes to love, but you can be sure their actions will always show how devoted and affectionate they actually are. This is because they are people of action and not of words.

Many may not understand them, but their love will always be transmitted in the most practical way. As said before, a Venus that hasn't evolved enough in the 6th House can have them very pretentious and expecting their partner to do everything for them.

When not seeing that action is taken for the love towards them to be expressed, they start thinking that no one cares about their fate. But all in all, they want to be of help and think this is the only way for love to get spread.

However, it's important for them to realize that giving too much of themselves is not always in their benefit. Not to mention how obsessed they are with perfection when it comes to both themselves and those who happen to be in their life at some point.

The position of Venus in the 6th House has an impact over their metabolism, so they should pay great attention to what they are eating.

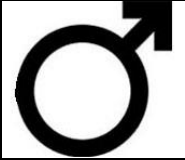

This planet makes people crave sweets and sugars, so they should be very careful not to overindulge in eating desserts. More than this, it's the planet of all life's pleasures, so they will probably want to have lots of sex, eat too much or drink, which is very unhealthy.

Venus in sixth House individuals love animals and all the joy these bring, so they will have their pets simply loving them.

Venus ♀ - Exalted in Pisces

([871] southfloridaastrologer.com:) A comfortable and easy expression of sensuality and beauty is experienced when Venus is in Pisces. Pisces' romantic and sensitive ways foster Venus' need for beauty and sensuality.

Mars ♂ in ♊ Gemini man 23° 58'

([961] i.thehoroscope.co)

He may often find himself troubled by the excessive energy coursing through his veins.

The Mars in Gemini man loves to play with the mind of his loved ones, but not in a manipulative, mocking way. Instead, he likes to put them to the test, to see how they can face up against his mind-twisting wordplays.

He's an intelligent individual who just can't get enough of exploring the world. He's curious, skeptical, rational, and he won't back off from an interesting conversation. Rather, he's the one starting them.

In a nutshell:

Positives: Free-spirited and easy-going;

Negatives: Skeptical and contradictory;

Soulmate: Someone who is mysterious and challenging;

Life lesson: Avoiding to leave things only half-completed.

A penchant for mind games

This man is very amusing, witty, with a startling panache for putting his interlocutors in intellectual deadlocks. He just can't get enough of it.

Free-spirited and with an expansive mind, he will flirt with any woman as long as he's intrigued enough. Their style is very subjective, flexible, fitting with their adaptive personality. He can do any style, depending on the type of social context he's going at.

Moreover, he can be extremely persuasive and good with words when he's put in situations that he must deflate quickly.

Against his opponents, he will often try to put them down with mind games and psychological tricks before resorting to anything else.

Of course, there are also those who won't be tricked by such simple tricks that they're putting forward, and these enemies are those who can match them intellectually.

The Mars in Gemini man is always troubled by his excessive energy coursing through his veins. He feels the need to be intellectually stimulated, to keep himself occupied with challenging interest, and this also means that once something turns into routine, he'll be appalled and become disinterested.

This is why most of his projects will only go completed half-way, with the rest being suspended for an unknown time. One singular focus would kill him. He needs diversity, many simultaneous points of interest, each with its own level of difficulty, to really satisfy his needs.

Multi-tasking is how he finds fulfillment. He's extremely able and dexterous, nimble with doing the more detailed things that other people would throw a fit over.

They can be very contradictory at times because Mars' combative influence gets them going at times when their natural disposition would choose another way to go.

They could, for example, choose to act with a strong impetus instead of trying to talk their ways out, and the other way around, in totally incompatible situations. Moreover, their logical and rational mindset often gets in the way of how they express their emotions.

Thorough analysis is needed, and you'll often see them space out at times, probably thinking about how they should react.

Fun fact – because they are so observant and meticulous, they can be the best sportsmen because they will literally study every little aspect and technique in order to perfect themselves.

Quite a joyful lover

The native born with Mars in Gemini tends to be a complete mess in his younger years, at least in terms of love. He's moving from relationship to relationship, not really knowing what he's looking for.

Uncertain, with a visceral hate for organization and structure, he won't be able to always reach his goals because he abandons them half-way.

However, all these intellectual comings and goings will eventually turn into a very beneficial thing for him because he'll accumulate plenty of knowledge, focus on a specific interest that he'll later get to turn in a lucrative profession.

As for his ideal partner, that remains a mystery for most of the time. It's going to be someone who can take his intellectual mind games and retort in her own way, that much is sure.

His endless energy can only be exhausted one way, and that is intellectual activity, more specifically by discussions and debates.

If you see them constantly bringing up a topic, you'd better realize right then and there that they are very prepared to take out their colossal amount of knowledge and beat you

with it. They can get very ecstatic and giddy about this sort of things.

They are tensed and agitated, always looking for something to do. Their passion and intensity manifest in the most surprising of ways, certainly not in a violent way, but a free-spirited and cool manner.

Intimately, he can be a very joyful man, always willing to try something to spice things up, but you can really turn him on with kinky words as well. Seduce him with honesty and romanticism, and you'll have a loving partner for life.

However, his levels of honesty and directness aren't welcomed by many women. This is why he's become apprehensive to keep silent about certain things.

He can be very uncertain about the course that he wants to choose for the relationship, so expect a sudden change of perspective with him.

One of the ways in which you can know for sure this native is serious about you is noticing how much time he's willing to invest.

Also, you should know that he's a casual flirter, and he won't resist the temptation to get close to other women, just for the fun of it.

In conclusion

He is a very active and multifaceted individual who is both spontaneous and bright-looking. Optimism is his middle name, and he won't ever despair over spilled milk.

Rather, he's going to move forward and try to overcome the challenge (by talking his way out of it, most of the time). He's a talkative character, and this is an underestimation. He can literally talk his enemies to death.

He might have strong principles that he'll want to uphold for the rest of his life. He's both socially active and communicative, respectful to women, and diplomatic. You won't ever have to complain about him making a scene in public.

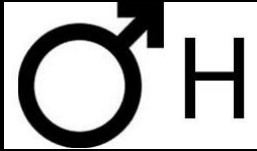

If he seems to be uncertain and apprehensive about moving forward with the relationship, it's not an illusion, he really is unsure.

He first wants to know that you won't just up and go at the first sign of danger or that you would be scared of his inner thoughts and emotions. First get to know him, and then he'll open more to you, gradually.

He's a multi-tasker, an erudite, someone with eclectic interests who just can't focus on one single goal at a time. He needs activity, multiple activities to take part in, group projects, hobbies, passions, and so on.

However, he must really learn to complete his tasks once he starts them. The tendency to leave them like that will be a huge disadvantage in the future.

Mars ♂ in IX 9th House

([989] i.thehoroscope.co)

People with Mars in the 9th House are very aware of their abilities and limitations and when it comes to achieving goals, they don't hesitate to make their dreams come true.

People having Mars in 9th the House are enthusiastic about intellectual pursuits and can never rest. Their mind is always open, and they are very zealous when working, almost to the point of fanaticism.

Opinionated and happy to share their thoughts, they would stop and talk to anyone who's willing to listen. Very passionate about traveling, they don't necessarily need to get to destinations physically, but more with the help of their imagination.

These people are open-minded and very attracted to progressive concepts, hating when someone wants to impose his or her opinion or beliefs on them. They will fight with anyone for what they believe in, which means they need to watch over their tendencies of thinking they're always right.

Summary:

Strengths: Open-minded, enthusiastic and funny;

Challenges: Blunt and stubborn;

Advice: Avoid becoming too self-righteous.

Curious and open-minded

Mars in 9th House natives will be more creative and open to share their ideas when people think of them as important. This can be a good thing if they influence others positively and not reveal their aggressiveness when it comes to expressing their points of view or their attempts to make people change their minds.

What's great about them is that they're aware life has many frontiers when it comes to achieving goals, too, so they don't hesitate to make their dreams come true. If someone wanted to take them in a trip to space, they wouldn't hesitate to accept and make the best of it.

However, even if enthusiastic about new cultures, people from other countries may struggle to understand their ways. Almost all of their energy is spent on learning and they are very enthusiastic about heated discussions.

When it comes to sex, they love to play and have a lot of stamina, treating lovemaking more like a sport. Sometimes too honest and straightforward, they can make people laugh with a good joke and a harsh truth told in a funny way.

Many will find them attractive for this and for the way they laugh or are eager to live their life to the maximum. The person who makes them laugh with all their heart will be their lifetime partner.

Independent, liberal and loving to have heated discussions, Mars in 9th House natives are open-minded but at the same time can be dismissive of others' opinions.

This can make them seem cynical and selfish, especially when they use their bluntness and cynical jokes. Some will like them for this, others won't be able to stand them.

Open to fight for a cause until they no longer have energy, they can be fanatical when it comes to their beliefs. It's easy to recognize them, because they have a special laugh that sounds very sincere and is contagious.

The downsides

Mars in the 9th House makes individuals with this placement want to spread their wings. Always moving around and doing something, they are the type who forgets about meetings or that they have to go out.

Discipline is not at all their main strength, so they need to take a break and organize their schedule every day. There are many apps to help them do just this.

The fact that they're lightheaded means they also have many ideas in a minute, their

energy being endless and very useful if they'd do something constructive with it.

If they were more organized, they would also make their friends and colleagues happier while not affecting in any way the joyful way in which they live their life.

Mars in the 9th House in a nutshell

Mars in 9th House people will always make good jokes and laugh a lot, while their passion for life would be unequalled.

It's like they can change the world with their enthusiasm and boldness. They know they only live once and the good aspects of Mars can give them many rewards in life. These people will do bungee jumping, go skydiving and take all the possible risks just to have great fun.

It's possible they'll want to relocate to a far-away place, to a city or town that makes them feel spiritually enriched. Therefore, it's possible for them to move in order to change their religion or to learn a new language. It's like their heart is one of a missionary in search of the Absolute Truth.

What they'll discover in their travels will make their life richer and they'll get to know themselves better through all the experiences they gain on the road.

They should be careful not to impose their own beliefs in others and to understand there is no Absolute Truth that works for everyone. If they respect this concept, they'll be able to reach an inner balance and satisfy their thirst for knowledge in a more efficient way.

The best wines, classical music concerts and exotic foods, these are all meant to feed their refined soul.

A balance of needs is required

These natives most certainly borrow from Libra's justiciar spirit so will never accept injustice or to argue over trivial reasons. Jupiter in Libra means people born with this transit will usually be successful if they work with these principles they believe in.

For example, they would be great lawyers, judges or referees. They may have issues

when they'll have to make a decision. It's excruciating to watch them weigh all the pros and cons of a situation.

They hesitate until they are forced to come to a conclusion and when everyone will think they have managed to find a solution, they will change their mind over and over again, second-guessing what they have thought of before.

Sometimes they act snobbish and other times they are condescending. But if they are careful to be their funny, caring and sociable selves, they will be fine.

Every opportunity that will come their way will be explored because they will focus only on the good things. But it's important they don't become over-confident or they will be very disappointed when things are not going to go their way.

Not to mention they can become cocky and feel invincible whenever someone will agree with what they've decided. While they usually have a sound judgment, they tend to be too full of themselves and this can impede them from thinking rationally.

As said before, it's absolutely necessary for these natives, both men and women to have their egos in check. This is the only way for them to remain down-to-earth and respectable.

As Jupiter is also the ruler of trust, he will give a lot of importance to this aspect when in a relationship. Mutual trust turns him on, as a matter of fact.

A confidence that can't be easily undermined

Jupiter brings only positive vibes, so its placement in birth charts makes people's lives easier and in more enjoyable ways.

It doesn't matter how other planets would be positioned in the chart, if this planet would be in negative aspects, the life of those having such an arrangement would be messy.

When transiting the 1st house, Jupiter makes many things more beautiful and gives a lot of confidence to the natives having it here. This means they would be more enthusiastic, eager to live and even overwhelming.

Not to mention how great of an influence this planet has on optimism and generosity. It's like life for individuals having Jupiter in 1st house is always full of hope and approached in a relaxed manner.

Furthermore, these people have a tendency to either overindulge or become extreme. That's why they can have weight problems and sometimes think that being carefree is the only solution to any problem.

If Jupiter forms trines with the planets in the 5th and 9th house, these natives become more creative, romantic, eager to travel and to get a higher education.

The distance between this planet and the Ascendant has to be big if there is for its

influence to be good over people's attitudes. Normally, individuals having Jupiter in 1st house are all happy and very humorous.

They're the type always brings light and makes friends as easy as others put on their clothes. Jupiter rules over expansion, so obesity is one of the health problems they may have to face, especially in case their Ascendant is in conjunction with this celestial body.

Since it also rules of luck, those who have it in the 1st house will escape any bad situation and avoid catastrophes easier than others. However, they shouldn't depend on luck because this approach can be dangerous.

As well, they must be less confident because it can happen for Jupiter to simply not work the way is supposed to and for things in their life to take a bad turn.

They can easily become lazy and self-indulgent, most likely when Jupiter is in square with Midheaven, so in the situation when the planet resides in the center of the 1st House.

The goods and the bads

If Jupiter happens to be in the 1st house, which belongs to Mars and Aries, expect natives with this placement to be jovial and only eager to make a good first impression.

They're usually exuberant and manage to obtain good results at interviews or public presentations. These are the people of big personalities, hurried lifestyles and strange haircuts.

It's important for them to determine what they want and to realize how others see them.

Having good morals and strong principles by which they're living, they will always focus to do what's right and think nothing is impossible or that only a positive attitude can make their life better.

They're giving, nice and a little bit too focused on themselves, which doesn't bring them any good. That's why they should wait and see what others want as well, since this is the only way for them to be in good relations with their friends and family.

Jupiter in 1st house natives should rely on their judgment and take action according to it. This can help them develop from an emotional and even spiritual point of you.

The more they will plan and take action, the luckier they will be. What makes them great with others and likable is their sense of humor and optimism. Many will be happy to be around them, so they won't have a problem at work or in the business environment.

Therefore, it's suggested for them to always remain the same and to transmit positive

vibes. It's not impossible for these natives to bother some people or to stick their nose where it doesn't belong.

That's why they should think twice before giving a hand to those who don't actually want it or before fixing things that aren't even broken.

It's easy for them to become their own worst enemies when acting in such ways. Insisting to make other people's life better is not at all a good idea for them either.

It's good they're independent, yet this can have them stepping into territories that belong to others.

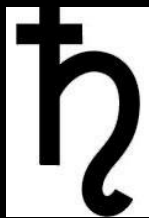

They should be aware their opinions are not the only ones that matter, so listening to others is highly suggested for their relationships to be smooth.

Jupiter in the 1st house will always bring them luck, love for their job and the ability to enjoy the good things in life.

They will, however, have problems expressing themselves, executing complicated tasks, getting the power and a good social position, whether they're involved in business or something else.

That's why they should always believe in reason and think logically while opening their mind and being confident or determined.

Saturn ♄ in ♈ Aries man 27° 18'

([1017] i.thehoroscope.co)

The position of Saturn in your natal chart reveals how you deal with rules, responsibilities and limitations.

An individual born with Saturn in Aries in their natal chart combines the organizational proclivities that come with Saturn's influence and the natural tendency towards leadership of the Aries sign.

Therefore, these natives will be the leaders of their generation, taking everyone into the

future with responsibility, confidence, and the willpower to do everything that needs to be done.

If anything, they are too competitive at times, always trying to finish a project with the best results and given that they have tremendous trust in their own abilities, others might not be able to work at the same pace as them.

Saturn Aries are pretty domineering and troublesome, to begin with. With an overly-exaggerated confidence in themselves and the belief that they're a step above everyone else, they will try to take control of the situation regardless of what others think.

They can be quite annoying and insufferable in this sense, but they're doing this mainly to ensure that everything goes according to plan.

Moreover, these guys don't like others trying to inhibit their actions or limit their freedom in any way.

They are responsible and grounded enough to afford their freedom of choice, so there's really no reason for others to obstruct it needlessly.

In a nutshell:

Style: Undoubting and strong;

Top qualities: Focused, productive and loyal;

Challenges: Obsessive and superficial;

Advice: Life experience will force you to learn valuable lessons.

Personality traits

The Saturnian Aries native is basically made up of an aggressive drive, a lot of it, which is kept in check by their inner limitations, the willpower that Saturn endows them with.

However, there is still a lot of potential here in using all that savage energy to good purposes. If they just manage to focus it on a singular goal, then there's really no one that can match them when it comes to efficiency and productivity.

Anyway, these natives need to learn self-restraint, and to realize that all that energy could wreak havoc upon the world if released without prior thought. Confidence and determination are key in this regard.

As an individual born with the mark of Saturn in Aries, you are a ticking bomb waiting to explode, and the only thing preventing this from happening is your own willpower and ambition.

It all teeters on the edge of the disaster really, but that's how you like it, living life with this thought in mind, that there is no turning back, and that you have to defeat any and

all foes that stand in your way.

And all the extravagant spirit burning down inside you? It'll serve as the main weapon, the tip of the spear that should shatter all the obstacles on the path to success.

You are quite convinced that it's your destiny to keep on going despite the many dangers ahead, to struggle against overwhelming odds, and this has made you become very strict with yourself.

An inner conflict appears between the Sagittarius Aries's obligation to keep things under close supervision, to maintain a full watch on their innate explosiveness, and the deep desire to roam the world unrestrained, fulfilling all their dreams.

This constant state of vigilance becomes really desperate because they can't have even a moment of peace and silence for themselves.

Romantically, they may refuse altogether to establish a family and have children. Settling down comes as a very hard choice for them, especially at a young age. However, once with the right partner things can change but you can't bet on it because these natives are rather unpredictable.

The good and the bad

These natives know how to approach a social situation in order to create a favorable context. They aren't impulsive in the least, shockingly, but are really patient and calm with their strong impetus.

If a situation seems to get out of hand, Saturn steps in and fills them with utter tranquility, granting them the boon of eloquence, persuasion.

Now, most of the situations where others would react aggressively towards are solved with just a flick of the finger, or rather with a few well-placed words in their case. This balance between intense passion and a rational approach is the best way to go.

Whenever you have to accomplish something, you prefer to do it by yourself, because teamwork isn't quite your cup of tea. Not because you're not sociable or communicative, but because you know what to expect, and if there are any problems, you also know what to do in order to solve them.

For this very reason, you will also try to find a workplace where there are as few limitations as possible. Working as a freelancer must probably be an ideal job for you.

Moreover, this attitude extends to the day-to-day life of Saturn in Aries, in that they strive to lead life with self-made rules, and with no one else to interfere. Sometimes, lost opportunities are the biggest reason for disappointment in these native's case, because

they seem to possess insufficient confidence.

Caution is good most of the times, but you can't just put everything on the backburner because complications might appear. There is a risk to be found anywhere.

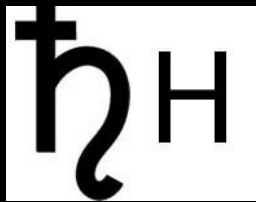

The Saturn in Aries man

To a Saturnian Aries man, it matters a lot that he fights for his own beliefs and principles. Authority means nothing to him if it stands between him and the fulfillment of his dreams. Constant struggling against the forces that compel people to a certain strictness of being was always his fight, especially if it was something that implicated him as well.

Saturn gives him the extra confidence and aggressiveness to survive this hard, cold world, that throws unsurmountable dangers at every step of the way.

With his partner, the situation is even simpler, from this point of view. If the feelings are mutual, then he will fight endlessly with no intention to ever back down, no matter the risks ahead.

Often looking for some kind of validation

Marriage and any other type of partnerships are among the areas influenced by the 7th house, which means this structure determines how people feel about both their closed ones and enemies.

Opposing the first house, the 7th is all about the energies natives project onto other individuals, and also about what they're looking for in a relationship.

It can be seen as the ruler of the feelings people want to get back from the ones that they love the most. It's related to Libra and its ruling planet Venus, which governs over love and kindness.

Saturn in 7th house people can be many things because this planet influences them in many directions, as a result of the energy it resonates.

They could be the type who only has a few meaningful relationships because the responsibility that comes with being involved overwhelms them.

It's also possible they may find it difficult to form connections with others, which can keep them as far away as possible from any kind of attachment.

They shouldn't let all these things rule their life and keep an eye on their predilections.

They will question the way they care about their other half and feel inadequate for a

relationship, but at least they'd never cheat.

When it comes to their social life, they're anxious and not at all themselves in the company of people. It's like they're always building up walls between themselves and others, deciding what to do about their relationships according to an irrational type of fear they have and never trusting the ones they love the most.

Individuals having Saturn in 7th house are always looking for the validation of their commitments and want a partner who's practical, stable or very calm.

That's why they may marry someone older and with a good social position, sometimes after their thirties. The orb of Saturn when it comes to relationships here suggests they may go through some desperate situations in which their partners are being abusive or not at all in love with them.

When it comes to work, they'd do a great job as politicians, business people, lawyers and brokers. They will connect with others just to repress the fact that they're feeling inadequate or inferior.

The cosmic alignment may force them to repeat the same mistakes until learning the most important life lessons and to always have a feeling of emptiness.

That's why they want someone who can deal with their inner life and at the same time dream of solitude.

They will probably have failed marriages until Saturn will do its first return, which is around their thirties. They're attracted to fixed and Earth signs and can encounter delays when it comes to love. These people will most likely be alone and feel like there's no one out there who can be called their other half, for a very long period of time.

The goods and the bads

Saturn is the bully of all planets, the one who always comes with nasty obstacles and makes people think they can't make it in life.

When in the 7th house of partnerships, legal matters and marriage, it influences natives with this placement to get married later in life or even to never experience a serious relationship until their thirties.

They may be the type that marries for money and is later on haunted by this decision, only to decide at some point to end the relationship.

If Saturn in the 7th house is in good aspects, people who have this in their chart may become motivated to turn into responsible individuals as soon as married.

The same planet can also influence them to choose the wrong relationships and to be inhibited, stressing over things that others wouldn't even think of.

They will feel paralyzed when things become too intense or close to completion, so the solution for them is to develop strong connections in which others are willing to help them when feeling this way.

Some of the people with the Saturn in 7th house placement are too shy to just sit and have an one-on-one talk. They're also too reserved to make a new friend or to start a relationship because Saturn asks them for patience and wisdom.

If this planet would oppose some other that are related to personal issues, the natives of this opposition would have to face many obstacles when it comes to the way they interact with others.

Saturn is about going over the line and learning some lessons the hard way. It influences people to test their ground before romances and to not want something too "normal" because they're looking for originality and what's real, not in any way abstract.

It can be said this planet makes people wiser when it comes to love. All the natives having Saturn in 7th house are good at mitigating conflicts and know the difference between what's right and what's wrong.

They think justice is the most important thing in the world and are able to see both sides of a situation or the compromise that should be made when two people are arguing.

These natives are looking to bring peace and balance because Saturn keeps them in the right mindset. Their relationships will always be harmonious and stable, and they'll have partners who trust their sense of justice and the decisions they make.

The 7th house dictates how people get along with their public, while Saturn determines their level of commitment and responses, be it about emotions or just curiosity.

The public opinions of Saturn in 7th house individuals are strongly influenced by this planet, making them able to deal with their fear of speaking in public and always telling the truth.

They wouldn't get married with someone who doesn't match their personality and their love would be a lot about loyalty.

They should, however, realize there isn't such thing as a perfect relationship and rely more on the person who can help them be a better version of themselves.

Saturn may influence them to feel burdened about making a partnership working and at

the same time too shy to get close to a person they like.

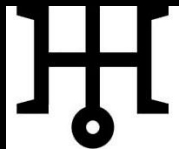

These people should know what give-and-take is and also how any union should be built, while allowing their other half to carry the responsibility of making things work, with their help.

Taking love seriously, they should believe in collaboration and enjoy their lover's company. It's also suggested that they rely more on feeling than on logic when choosing someone because happiness can only be attained by involving emotions.

The Uranus Scorpio is one of the most determined and gritty individuals of the zodiac. They will fight for their ideals until the end, against any odds and will overcome any challenges.

Perseverant and innovative in thinking, they come up with brilliant ideas that offer them great opportunities, solutions to problems, but also possess some degree of risk involved.

They may have to take some leaps of faith, and sometimes, they end up in shambles after a near-miss, with some wounds to take care off. However, the spirit is endless and immutable. Nothing can hope to diminish its fierce intensity.

With the Scorpio zodiac sign being a very energetic and enthusiastic native, to begin with, Uranus' influence coming up to spice things up, bringing in the sense of revolt and revolution, you can imagine what we're dealing with there.

These people are one of those who'll build the bridge to the skies, crack open the dome of ignorance and tradition that we're wallowing under.

Their emotional intensity is simmering down within, never let out into the open, but it's like a volcano building up momentum until it finally releases all that pent-up aggression. They must learn to focus on one singular goal in order to work things out.

The Uranus Scorpions feel the urge to be in control, to dominate the situation, to have the last word. Because of this need, they often find themselves in situations that put their skills to the test, the challenges being of an extreme intensity, the competitors also intense and fierce.

With their ideas being supported by their firm resolve and boldness to counter the ever-growing social conformity, they won't subdue themselves to society and its regulations.

They will fight against greater control by others and show no hesitation when they must put their plan into action.

A complicated lover

The romantic relationships of Uranus in Scorpio people seem to never resist, because of their unrestrained and overly-enthusiastic behavior.

They can't seem to keep themselves attentive for too long or will tire out the partner with their hyper-energetic attitude. From a friend, they could end up in a relationship just as quickly as they could abandon it altogether in a matter of hours.

They are very unpredictable individuals, albeit extremely passionate as well when it's worth it. They won't stay cooped up in a cage for the rest of their lives, and if their freedom is inhibited, that's it!

They are afraid of those negative feelings that appear in a relationship, the jealousy, the sense of possessiveness, and so on.

On the one hand, their passionate sexual impulses may ruin their relationship altogether because they are often exaggerated, and they have to do it in secret.

For a partner who can't take this sort of behavior, and who wants to be treated tenderly, it's a killjoy, an immediate sign that things are not going to work.

However, with this much passion in the works, and with how imaginative they are overall, sex is going to be a very intense and pleasing experience for both of them.

The Uranus Scorpio is ingenious and innovative, and they like to discover the true pleasure points of a human, the absolute limit that you can feel pleasure, the paroxysm of satisfaction.

The good and the bad

The Uranus Scorpions are very determined and ambitious once they have started a project. They will not stop until either they've successfully completed it or have found it impossible to continue.

Moreover, if they could just let go of their anxieties and irrational fears, they could touch upon their potential much easier, at a greater intensity than normal.

And if they were to put their trust more in their friends, all the extra pressure hanging on their shoulders would disappear, granting them more leeway to watch out for themselves.

Because they put so much effort into everything they do, they also expect people to appreciate them for what they're doing. And if that doesn't happen, moreover, if people start criticizing or mocking them, all hell's going to break loose.

They won't soon forget this insult because they had given it their all to impress everyone, to take the projection to a definite completion.

That's how they do things, all or nothing, they lead the general efforts and coalesce them to create the best result. If those efforts can't be appreciated, one will retaliate in due time, with a swift act of revenge.

The Uranus in Scorpio man

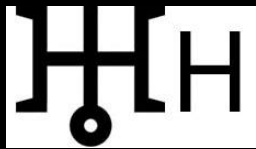

For this man, what he feels is what he'll be doing, no matter what everyone else says. His emotions are the most important thing around here, besides his creative impetus which seems to be endless.

Uranus never sleeps and always watches over the world, waiting for the right moment to bring about the smoke of war, the smell of conflict, with the ashes of defeat or victory floating about.

There is bound to be a revolution when the natives influenced by this planet walk the Earth. Either through science or occultism, he will bring about a new era.

It may not be today, it may not be tomorrow, and it may not even be evident to all, but it's going to happen at some point.

Uranus ☿ in II 2nd House

([1054] i.thehoroscope.co)

This placement of Uranus prompts people to choose an eccentric career or to even show their talents in unexpected ways so they are likely to gain a special status.

People born with Uranus in the second house in their birth chart are not at all like others when it comes to money and possessions. Some of them may not even care where they're living and will keep their needs to a minimum. Their need for freedom is tremendous, so they don't want to feel tied to any possession or object.

However, don't think they won't make a good living because they can even be the type who puts money aside for rainy days. Their financial situation may go from one extreme to the other, so they will have periods of time when very rich and moments when they don't know what to put on the table.

As the second house is the one of money amongst other things, the planets here indicate how the natives can work on their finances. Therefore, the presence of Uranus here indicates these people may make a living with the help of technology, their originality, when working in groups and even when supported in business by their friends.

Summary:

Strengths: Inventive, focused and ambitious;

Challenges: Moody and stubborn;

Advice: They should seek to embrace the transformations their life goes through.

Unconventional and impulsive

Uranus in 2nd house natives may make their money in the most ingenious and innovative ways, probably by inventing something that's related to technology, by having a job that's unique, by dealing with electronics or even by making scientific discoveries.

In any case, they'll always be unconventional when it comes to financial opportunities, so expect many changes to happen as far as their wealth goes, or for them to have many ups and downs with their money situation.

As said before, being helped by their friends or even the government may be the solution for them to make a good living.

Eccentric, unconventional and a really strange planet, Uranus placed in the second house, that rules over possessions and finances, means people of this placement have all of these characteristics of this celestial body when it comes to the way they're making a living.

It's possible for them to have the most eccentric career or to their salary coming from a business that seems at least strange for others.

They will experience many fluctuations with their income, so it's very normal for them to one day suffer from famine and the other to be in malls, buying the most expensive things.

Uranus in 2nd house individuals are the type who gets fired more times than others. It seems that only strange things happen to them at their job, so their superiors may not tolerate unusual happenings around the workplace.

For example, they could come up with gossip about their bosses or cause a fire in the kitchen of the building where they happen to work.

There are many celebrities who have Uranus in the 2nd house. Many of these natives decide to take the self-employment path, but this means having money one day and wondering if business is ever going to get better the other.

At least they are able to make enough and compensate for the quiet days, during the busy periods.

They seem to always have a fascinating story about their work because it's common for individuals having Uranus in 2nd house to experience all kind of unusual happenings.

Many of them don't want to work from 9 to 5, so a different type of job can bring them constant fluctuations when it comes to salary and profit.

They may have a need to be secluded in order to soothe themselves and to be as sensual as they can, but only in privacy. These natives may be attracted to voyeurism as this allows them to participate and in the same time be detached in sex.

Also, they can like pornography and seeing others kissing or being engaged in sexual activities. Many of them will unconsciously need to be isolated from their own body's pleasures because as children or in their past lives, they have had some unpleasant experiences with their bodily functions.

The 2nd house is the ruler of value, finances and possessions amongst other things like comfort.

Uranus happens to be responsible with awakening, so in the 2nd house, it may cause consistent changes, when it comes to the system of values natives have, to happen.

Because it makes significant changes, people having Uranus in the 2nd house may change their values many times during a lifetime. They'll give up outdated methods because they think growth can't be possible without bringing in the new.

Some of them may start around their 30s to no longer consider wealth and to only think of spirituality. Others may get engaged in projects that don't offer them a stable income.

Either way, many of them will be attracted to make money from what Uranus rules over, for example, technology, the sciences, the study of the universe and computers.

These natives are more inclined than others to take risks when it comes to the financial aspect, so they should continue being inventive and oriented towards the future because they may lose money many times, so they need to make more in order for them to have a comfortable life.

Blessings

Uranus in 2nd house individuals love nice things, so their impeccable taste can't really be seen in others.

They can buy really unique art pieces because they don't like everything that's mainstream, therefore, the collections they may have at home can be very rare.

These natives want to invest a lot of sentiment in what they hold dearly into their soul, so don't expect them to go and buy whole collections of art pieces for the reason of just keeping them their home.

Buying the pieces one by one is more likely to bring them the joy of collecting. Thankfully, they'll most of the time make enough money to get what they want, considering they're very hard-working.

While they may have a different style than other people, their logic would always have them doing a great job, no matter the line of work.

In case Uranus is in a comfortable position in the 2nd house, the natives with this placement become more interested in owning and physically engaging in different activities.

They may be so detached when it comes to other people's physicality that they could easily work as coroners or butchers.

Usually generous and kind, these natives don't like to feel stressed about what they own, so they will often give their possessions away.

Uranus in 2nd house natives inspire people to live the way they want and to not care about finances that much. They appreciate comfort though, so they'll work hard to have a nice home and make their loved ones happy.

Very efficient at their job, these individuals will use their creative abilities to finish projects in the most efficient manner. Many will appreciate them for always getting things done fast and the correct way from the first time.

Challenges

Having Uranus in the 2nd house may be a problem when having to come up with solutions fast.

If people are pushing them around to get things done in quickly, Uranus in 2nd house natives become annoyed and allow their stubbornness to take over.

In this situation, expect them to be very cold and not interested in what others may have to say. Proud of being slow, this attitude of theirs can't always be the right one as they should be more spontaneous and come up with answers faster, considering the world doesn't move at their pace.

The more they'll try to be quicker, the more rational and good at making decisions they'll become. Rebelling against those who are trying to make them act fast is not at all indicated.

They should also not think they always know best because their logic and approach can't be all the time perfect.

Not to mention how stubborn they are in accepting other people's opinions, especially of those who don't agree with them.

People with Uranus in 2nd house should learn how to listen because many would appreciate them for being open to discussions.

In case Uranus is in a challenging position here, they may have problems with their physicality. For example, if they've been held on a baby-leash when very little, they may feel terrified of being too close to people as adults.

Their body would simply no longer be responsive to closeness because they've been kept too close when very small. It's possible for them to also have repulsiveness towards the process of chewing food, so they may want to only eat alone because this way no one can see how messy they are.

Uranus in bad aspects with Venus, the planet of the 2nd house, or any other difficult planet for that matter, which can be Neptune, Saturn or Pluto, can make natives with such placements unconsciously feel that their bodies are not good enough, so these people would engage in all kind of masochistic practices as a relief.

These individuals need to undergo hypnosis or talk to a therapist and determine what makes them feel uncomfortable, in order to become healthier from a psychological point of view.

Furthermore, Uranus and challenging positions in the 2nd house may make them completely uninterested in possessions.

They won't want anything in their name, be it houses or cars, because they'd feel restricted and stressed about owning.

With the same placement of Uranus, individuals may not want to borrow money, even when in the most difficult situations of their life, for the same reasons.

It would be great for them to be self-employed because they'd have enough independence to make money the way they want to.

As a matter of fact, many of those who work as freelancers have Uranus in 2nd house because this is how the energy of this planet influences them.

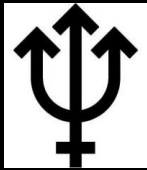

Uranus ☿ in Rx retrograde movement

[699] [920] ([699] mollysastrology.com:) Here is a natural-born rebel. Strong reformer instincts — for everybody else. These folks have a strong inner need and desire to

persistently test their personal abilities against those of others. They must constantly prove themselves to themselves. In seeking greater freedom for themselves, they may limit the freedom of others.

([920] cafeastrology.com:) Uranus retrograde can point to a fear of change or a latent mistrust of new technologies or improvements. These people might hide their eccentricities, while Uranus direct natives are more inclined to flaunt them, or at least to be proud of them. In some ways, having Uranus retrograde is like having Saturn strong in the chart. There can be pent up energy with this position, so that while they may be following rules for some time, at a certain point they bust out with a fit of rebellion before going back to a more orderly, law-abiding lifestyle.

Neptune ♆ in ♎ Libra man 7° 29'

([1071] i.thehoroscope.co)

The position of Neptune in your natal chart reveals how intuitive and dreamy you are and whether your life takes any spiritual turn.

Natives born at a time when Neptune transited Libra are the very peacekeepers of the zodiac, the ones who pacify any conflict and bring harmony to any hot discussion. They love talking to people, but they would prefer to do it in a calm and interesting manner, rather than ending up arguing about pointless stuff.

Neptune brings their generosity and kindness to new levels. As such, they believe that world peace is attainable, because humans have this capacity in them, for a type of universal love. So, they should capitalize on their heightened social abilities to achieve the most out of life.

In a nutshell:

Style: Spiritual and ethical;

Top qualities: Idealistic, justitiary and astute;

Challenges: Grumpy and fixed;

Advice: You should be more committed to personal goals.

Personality traits

They might have their ideas about human interactions in general, and they are quite good at this as well, but they should learn that sometimes, one needs to put his

happiness down in order to make someone else happy.

Even getting out of a tough situation, they might have to give up on their pride and act with the good of others in mind. It helps that they are naturally peaceful and calm individuals who want for nothing else than to see everyone around them pleased.

Remember saying that they would love to attain world peace? Well, that's not the only idealistic dream that they entertain.

They would want to end world hunger, help all the poor people in the world, put a stop to world wars, and they might extract the energy they need from religion, as it offers a perfect path towards self-fulfillment.

The real world, however, is not that pretty and covered in honey. Playing the idealistic savior in this world where you need to live your own life in competition with others may not work out that well.

Even if they learn that sacrifices and compromises are necessary, the Neptunian Libras will think about what they've done each and every day after that. Counting the pros and cons of the new circumstances they are in, going all the way is often impossible for them.

Determination and resolution are not exactly their cardinal traits, and this hinders their development bad. Neptune fills them up with idealistic dreams, the spirituality to be happy and tap into their hidden potential, but without effort, that is all useless.

They are mostly the guys who calm down a situation when it looks like it's going to end up in a fight. They might need to put themselves out there, risking it, or they may have to give up on something, but they gladly do it, knowing that discord has been averted.

Hooking up with a punkish partner wouldn't be such a good idea, because they are very influenceable in the first place. They would go all the way if their partner endorses it.

Doing stupid things was never their cup of tea, but that's just because they didn't have a reason for doing it. And when they are in love, they wouldn't want to disappoint the other.

Neptunian Libras are prone to irritation and anxiety attacks when their harmonious actions don't meet the target when a balance is not attained, and they have very few methods of easing it up.

One of the best ways to do that is to cuddle in the warm embrace of their partner, who should preferably be the unrestrained and flexible Aquarian.

These watery types are so adaptable and open-minded that they'll help their partners with anything, even idealistic goals. Just to incentivize things a bit, remember that if both partners are open-minded and curious, interesting things should be going on in bed as well, very interesting things actually.

In relationships, they are willing to sacrifice their own happiness to achieve perfection, stability, to make their partner feel satisfied and fulfilled with life itself.

They are very loving, affectionate, and look for harmony everywhere they are, so that's the reason for all this self-sacrificing tendency. However, this is only going to lead to disappointment, to desperation and the feeling that they are doing everything, while the other is ignorant.

A good relationship is based on mutual trust, with support coming from both parts. It's not a one-sided affair, that much is clear.

The positives

Firstly, these natives love to have a good discussion about interesting topics with whoever proves worthy. They will go to many social events, interact with plenty of people, make a lot of friends because they need all this communication.

Moreover, they go to great lengths in order to assist those in need, and many of the social events they frequent are actually charity groups.

Those born under Neptune in Libra are especially endowed with a deep intuition that helps them spot the degeneration and the germs of discord in people.

This is why they struggle so much against injustice and unfairness. A world free from its negative traits, from all the wars, the conflicts, from all the wrath, scorn, jealousy, rage, pity would be a better world for them.

Hope no one said these natives aren't idealistic, because they are, big way. However, they aren't only dreamers who talk endlessly about how the world should be, in fact, they take it upon themselves to change it for the better.

The negatives

Nothing disturbs the peaceful attitude of the Neptunian Libra more than reaching the conclusion that their idealized dreams are utopian in nature.

Most of what they imagine can't be attained in this imperfect world, because man is not perfect, and you can't reach perfection through imperfection, regardless of the methods used.

It may be a noble purpose, wanting to create a utopia, to help everyone else live the

lives they've always wanted, but at the end of the day, it's only that and nothing else. It feels good to have such dreams, but it's worse when they realize they can't put them into action and they become totally disillusioned.

These natives are prone to repeated disappointments and a sense that there is no purpose to their life.

The Neptune in Libra man

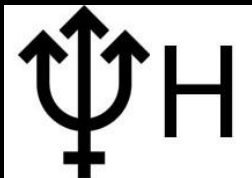

As for the Neptune Libra men, they feel just fine with working in a fair and competitive environment where they can develop their abilities and hone their skills.

They don't want to be deceived, to have their efforts taken for stupidity, and under no circumstances do they allow injustice.

This is one of the reasons why they have a hard time finding a partner. This man has high expectations, maybe a little too high, nearing perfect standards.

However, Neptune gives these guys the time to rethink their stances and rebalance their beliefs.

Neptune ♃ in I 1st House

([1077] i.thehoroscope.co)

This placement of Neptune makes people benefit from an immense imagination and power of self-definition but prevents an easy communication.

People born with Neptune in the first house of their birth chart are only indirectly affected by this planet, so the influences of this celestial body are not quite noticeable in them.

Highly intuitive, they're always employing their spirituality and transcendental abilities to deal with the everyday life. It's normal for these people to sometimes feel deceived about themselves, disillusioned and confused.

Neptune in 1st house natives don't really know who they are, therefore, the support of others is essential for them. It's not like they don't have a great mind, they simply don't know how to use it. They may not have clear objectives in life, so many of the opportunities that reveal themselves to them will be missed.

Summary:

Strengths: Subtle, mysterious and relaxed;

Challenges: Suspicious, insisting and negative;

Advice: They should refrain from trying to control everyone around them.

They seem to absorb the way people feel

People having Neptune in 1st house can be great artists because they dream a lot and usually act very gently as their sensitive nature asks them to be kind.

This can happen especially when Neptune's position is very close to their Ascendant.

Very aware of their surroundings, they can also make the wrong impression on people, so many see them in different ways that sometimes oppose each other.

These people don't mind encouraging the wrong perceptions, so they're aware of their adaptability and always really trying to work with it in order to be to the liking of many.

Loving peace, these natives don't all the time reveal their strength and are interpreted as subtle, mysterious or alluring.

Many are attracted to them and think they really understand what's in their mind, but in fact they can be very moody and trying to escape problems by feeling sorry for themselves and acting helpless.

Not sure of who they are, Neptune in 1st house natives don't know how to impress by using their own skills. They seem to absorb the way people feel and have an imagination that is very strong.

When it comes to worldly problems, they prefer to be relaxed and to just let life happen. As said before, their identity is not very well-shaped and they really don't have any idea about what they want to do with themselves.

When it comes to self-definition and awareness, they're struggling to be grounded and surer of themselves. Their Ascendant will influence their personality a lot, but the position of planets in their 1st house has a lot to say about who they are because this house rules over the self and the way natives approach life.

Neptune placed here creates individuals who are sensitive, imaginative, enigmatic and interested in their own appearance. In astrology, this planet reflects the unconscious needs and how people play many different roles in life.

Its influence is usually over avoiding reality and seeing only what one wants to see. Therefore, this celestial body rules over dreams and delusions.

When in the 1st House, natives with this placement always see life the way they want to because Pisces is the sign that is ruled by Neptune.

Many think of them as sensitive, dreamy and poetic because they only seem to live in a world of imagination.

This is the result of them changing their ways according to whom they are meeting. Others are intrigued and in the same time attracted to them because they have a way to make other people's problems their own.

These are the natives most prone to suffer from alcohol and drug abuse, seeing these as ways to escape their reality. Neptune makes it easier for people with this planet in the 1st house to dream and also interact with different planes of reality.

Not to mention these natives are very aware of their surroundings as they seem to strongly perceive feelings and to merge with different people or situations in a way no one can.

This can also be a downside for them because they'd absorb negative energies amongst other things. It's important they continue developing the traits Neptune brings them, but they should pay attention not to become dependent on drugs or alcohol in order to escape what's real and painful.

Idealistic without limits

Neptune develops personalities that don't want to be grounded, so dreaming is something that Neptune in 1st house people are always doing.

In case this planet is in positive aspects and protected by other celestial bodies, the natives with such placements will try to understand how the Universe works and be very interested in everything that's strange.

However, they should keep this about them under control because once again, it may lead them to become dependent on different substances.

One thing to note about Neptune in 1st house is that it gives natives a special magnetism and a stare that could conquer anyone's heart.

Their look always seems to be different than that of others' and they can read minds like others read books. Meanwhile, no one can see what's really happening in their minds.

It's difficult to betray them because they know when someone is lying but no one could guess if they're themselves not telling the truth.

These people should feel less guilty about everything because they tend to think bad things are happening in the world because of them. This is also what makes them feel like victims, so they'll give their best to be saviors.

It's good to be altruistic, but protecting oneself is also necessary because many people are not so well-intentioned. Only this way, they'll be able to really help others and be as giving as they can only be.

When around other people, Neptune in 1st house individuals can really understand feelings and emotions. For example, as soon as entering a room, they start attracting energies just like light attracts moths.

It would be good for them to once every few days spend some time alone and renew their aura because their psychic abilities can really wear them down.

Not to mention how, during this period, they could reflect and determine who they really are or what traits can help them become better. Holding on to other people's feelings is not at all a good idea for them.

The goods and the bads

Neptune in 1st house people are very sensitive and attract many others with this trait. Their friends see them differently and they usually have a very busy social life.

This is the reason why they all the time have many dating opportunities or people waiting to get together with them.

Being tolerant, they usually accept anyone in their social circle. These natives don't mind others wanting to be with them because they're aware of their generous and mysterious attitude, and have the most easygoing personality.

They need to research on their own how their life can become more peaceful or how they could be more productive because letting others control their life is not at all a good idea for them.

Therefore, they should always focus on themselves. Taking on responsibilities will make them more confident and sure of themselves that they can do anything.

It can be hard for them to find a partner who can get used with how much attention they get from others, so they should pay attention to their loved one's feelings.

Natives with Neptune in 1st house are not that flirtatious, but they surely are nice, therefore, the wrong impression can always be given to those who are their lovers.

It's important to let their partner know where they're standing, no matter how much they

want to just go with the flow and not give explanations.

Fighting all the time with their lover would truly disturb their life. They shouldn't be with someone whom they feel is always bringing problems in the relationship.

These people need to talk about their issues so their other half doesn't feel he or she is guilty of something.

Not to mention there are things that can grow very big when held inside for too long.

Their partner would deserve to know their problems and they shouldn't hide in fantasy when life becomes too hard. It would be wise for them to use their intuition and ability to observe if they want to determine what's wrong in their life.

Neptune ♃ in Rx retrograde movement

[699] [920] ([699] mollysastrology.com:) These people may be confused inwardly as to whether they are "virtuous" or not. Persistently seek to help others, whether their help is wanted or not. They are more susceptible and more easily taken in by others.

([920] cafeastrology.com:) Might tend to hide their vulnerabilities, their spiritual side, or their compassion, as they feel somewhat uncomfortable expressing them. These things can very well exist, and they run deep, but Neptune retrograde natives prefer to keep these things private. Deep faith can be missing, so that these people might be naturally mistrustful. When they are left to fill in the blanks, they might expect the worst. There can be a big fear of dreaming too big dreams, as they are afraid of being let down.

Pluto ♇ in ♈ Aries man 13° 12'

([1089] i.thehoroscope.co)

The position of Pluto in your natal chart reveals the transformations due to take place in your life and how you channel your core truths and restorative power.

What's the big deal, you might ask, about those born with Pluto in Aries in their natal chart? Well, find out that they are, by far, one of the most determinate and stubborn natives of the entire zodiac, regardless of where their Sun was the day they were born.

Under the impulsive and transformational influence of both the Pluto and the Aries, don't expect them to give up on their dreams and if they want to achieve something near impossible, at best, they will settle for something similar.

With the eyes of a hawk and a crystal-clear awareness, they instantly figure out the how's and why's of a given situation. Will it succeed? Will it fail? They realize this in a matter of seconds and waste no more time on deliberating whether they should go for it or not.

In a nutshell:

Style: Full of desire and empowering;

Top qualities: Quick, accomplished and optimistic;

Challenges: Impulsive, insensitive and arrogant;

Advice: Don't be ashamed to ask for advice.

Personality traits

This native is very confident in their abilities to attain their potential and won't let anyone else say otherwise.

With a hidden picky nature, these people have very high expectations from themselves, plenty of energy to suffice for a lifetime, and a very introspective personality.

These people would have probably caught a grasp of what their flaws are, before they would reach adulthood, which is a very good thing.

Among their friends, they are probably the most mature, the financially independent companion, someone who doesn't care about appearances. If this individual wants to do something, he won't ask for permission as he most likely sees this unnecessary, no matter who is involved.

Pluto's influence changes the way these people see the world from the bottom up. Originally impetuous and spontaneous, they become calmer, more observant, and can be one of the most patient individuals of the whole zodiac.

They can wait even for years before putting their plan into action if this means the chance for it to succeed is guaranteed.

With great ideas in tow, they will achieve the highest accomplishments because they have the courage and willpower to be the first to act in any given circumstance.

Their peerless determination and ambition can even influence others, set them on the correct path. Moreover, they have an enormous potential for growth and they are also very flexible, which makes for one heck of a combination.

From an astrological point of view, Pluto is the planet of the extremes, in the sense that it galvanizes the strongest traits of an individual and enhances them well over the normal capacities.

In this native's case, their spontaneity gets diminished, and instead, it turns into stubbornness and blind ambition.

In most cases, you would be surprised but this is a good thing, as it ensures that they won't give up after a few failures and will keep on fighting.

But it sometimes happens that they persevere with ideas that are not only impossible to put into practice but are also detrimental to their own wellbeing.

Pluto in Aries in love

The Plutonian Aries natives used to marry out of material requirements or had arranged marriages by their parents. Usually, women would be married off to rich young or old men who had a good material condition, or a good social standing.

Later on, when people, women, in particular, became more independent, this changed, but only in the sense that they made their choices.

Keeping in mind that these natives are very ambitious and power-hungry, they would still choose someone with money and standing.

Of course, this doesn't mean that there is a lack of emotions in their relationships. Not at all, there will still be the majority who will marry out of pure love, but there are still some with more practical reasons to do so.

Usually, the Plutonian Aries give their all for a relationship to work, even if there isn't as much love between the partners. That's just how they are built, perseverant and stubborn to the extreme.

The Pluto in Aries man

The Plutonian Aries men make for great inventors, innovators, pioneers of sciences, patrons of the art, commanders, famous people through and through.

Because of their innate drive to succeed, and the patience that Pluto instills in them, these natives are hardly ones to give up after a hundred failed attempts.

It's no surprise that they were on the cusps of perfection back when Pluto last transited Aries. Some would also take into consideration the imperfections of society and of the individual, but not even this stopped them from dreaming big.

There doesn't seem to be a middle path with these men, it's either a brilliant future or

nothing. They either achieve their full potential or get shunned for the rest of their lives.

With age, their motivations and expectations may lower slightly but when young, this man cannot be moved from his intentions.

Pluto is one of the most mysterious planets of the solar system, and from an astrological point of view, it's one that holds an immense potential. With the Aries' highly energetic and explosive personality, its influence acts in its best environment, cooling down all that extra energy, honing it down to manageable levels.

It forces their impetuous reflexes to be toned down to a raw inner strength that turns into a steady drive of force, going all the way until it achieves its purpose.

Pluto ♇ in VII 7th House

([1107] i.thehoroscope.co)

This placement of Pluto makes people crave deep emotions and to display a sense of responsibility that is rarely seen, plus lead their lives by their own very specific values.

Those born with Pluto in the seventh house of their birth chart are connected to the concept of a good family, a close and loving atmosphere at home. Relationships are especially emphasized here. After all, they want to fulfill their sense of belonging as well.

If it's affection and intense emotions that drive them, everything is good and the prospects for a long-standing relationship are blooming.

A contradiction often appears, between their need to be in a relationship, an all-consuming one, and the feeling that they're enclosed in a cage with no breathing space.

Summary:

Strengths: Intuitive, empathic and strong-willed;

Challenges: Aggressive, conflictual and distrusting;

Advice: They should allow themselves to express their emotions freely.

Challenging their own identity

There will always be conflicts with them. Whether it's caused by their incessant rambling and tendency to criticize and annoy the hell out of anyone or their fear to be controlled,

it's going to spark arguments.

The Pluto in 7th house natives are attracted to action-oriented people, to the aggressive and the unusual, the kind that you never know what they're going to do.

The lack of routine and a revolutionary spirit are the things that intrigue them the most. However, they have a special talent of taking out the most primitive and aggressive part of their partners, driving them crazy.

They have a part to play in this whole charade as well. It's not that they are the eternal victims upon whom everyone lashes out to. They're the ones who make everything happen with their attitude.

It's because they are afraid of losing that special someone, of being left alone and abandoned.

This drives to them to tighten the grip, to take control of the situation and impose their will. This, in turn, wakes up the monster in their partners.

The whole gist of the situation here is that they are still unsure of who exactly they are. An identity crisis, the lack of a spiritual basis, of personal principles to have as guidance. They are attempting to discover themselves through relationships and social contact.

Through experience and the many failures, they will eventually reach a more mature stage where they know what they want and how to appreciate it.

Society and social games are the perfect testing terrain to search for one's own identity. Involvement in anything too serious could result in serious disappointments and traumatic events if a break-up follows.

The Pluto in 7th house natives look on relationships and romantic contact as being a formative and healing process. They manage to wake up something inside them.

Deep emotions, of the kind that they have never felt before, responsibility and understanding, objective perceptions, firmness of character and a tempered personality.

There are going to be a couple of conflicts happening from time to time, and since Pluto is associated with the extreme aspect of existence, the problems are going to flare up as well.

There will be power struggles especially, conflicts and arguments because both partners are trying to take control.

This is a game of cat and mouse, of who gets to take control and who's subjugated.

All their relationships are like this, a dominator-dominated battlefield. It happens through emotional manipulation most of the time when one part plays on the other person's vulnerabilities and needs.

What they have to do is learn how to be calm, patient, just, and treat everyone in an equal manner. It's a journey toward self-discovery without the need to go to extremes.

Most of the times, the Pluto in 7th house natives end up out of control and filled with feelings of inadequacy because of the sadness and past memories that they bring with them.

And, again, they're not going to share them any time soon. Left festering deep down, those wounds are just going to become more harmful with time.

To overcome these issues, they need to inspect and investigate these wounds, see them for what they are and try to heal them. If left there, it's just going to create tension, emotional instability, and grief.

Professionally, the seventh house Pluton natives are especially good at taking care of the monetary situation of a company, calculate and create strategies, plan accordingly based on the existent data.

However, while these lucrative partnerships are emphasized and work flawlessly, emotional ones are in a bind, unfortunately.

Sure, there will be plenty of moments of blissful joy and sensuality that no one will be able to replicate, but those are just the calm before the storm.

Pretty soon, ruckus and screwed up arguments will occupy all their time. However, if they manage to temper themselves and become more understanding as a whole, not only will they be better off, but the relationship will experience a flourishing period.

The goods and the bads

The Pluto in 7th house aspect is strongly affected by one's interactions with other people and how these relationships affect the future development of these natives.

In the beginning, they will be unfit for any close bonds, unable to understand and act on their feelings.

But, as time goes on and they finally understand how to react and how to express their emotions, a complete transformation will take place.

They will usually find strong-willed partners who will force them to change their ways, to

become confident and ambitious, to be better as a whole.

Of course, there will be conflicts where the control of the relationship is concerned. They also feel the need to find someone who'll become overly attached to them.

They're also against an open expression of emotions. Rather, they want to solve everything through reason and logic, by analyzing and making plans.

This, unfortunately, is not a healthy way of doing things because, sometimes, there are too many emotions and pressing matters that gather up together.

Moreover, one of the reasons they are so afraid of committing to a long-term relationship is that they might lose themselves, their identity and way of being.

The passion and love for the other person would grow to such a level that it would completely replace their sense of self.

Pluto ♄ in Rx retrograde movement

[699] [920] ([699] mollysastrology.com:) Nearly half the world's population has this retrograde. Its effect is hard to determine except to say that these people generally have a harder time integrating themselves into the mainstream of society. When Pluto is very strong, they find themselves doing things without understanding why.

Also: ([920] cafeastrology.com:) People with Pluto retrograde in their birth charts may be more inclined to fear being controlled, manipulated, or betrayed by others than those with Pluto direct. There may be a tendency to keep these fears to themselves, as exposing them makes them feel more vulnerable. They don't as readily let others know their desire for power or control, and might not be in touch with this desire a lot of the time.

North Node ♁ in ♑ Capricorn 10° 35'

(Georges Muchery)

The Dragon's Head in Capricorn gives prudence, much reflectiveness, and even disposition inclined to sadness, love of solitude, but withal shrewdness and diplomacy. The disposition is more reflective than melancholy. This position may bring stability to the worldly position, but seldom gives wealth, which, moreover, the native does not

desire, as he is not very ambitious. There is likelihood of gains through house property. The Dragon's Head in Capricorn gives robust health and physical resilience; and if the Lord of Life is free from affliction, is a sure sign of longevity.

The Dragon's Tail in Cancer always gives fickleness in love; it is a sign of infidelity, and often shows a risk of separation after scandal. The position of the native or of those around him is not clearly defined; he is surrounded by many secret or mysterious circumstances. This position may cause an accident, or danger while travelling. It entails liver or stomach disorders. All this is mitigated by a good aspect of Venus or Jupiter.

A bad aspect of Mars to the Dragon's Tail may cause a wound, and is often a sign of haemorrhage. With an unfortunate position of the Moon, and with Cancer in the sixth house, there is serious risk of lung trouble - tuberculosis or, at all events, bronchial disorders.

The Dragon's Tail (as well as the Dragon's Head) must be carefully studied when it occurs in the Moon's domicile, and especially in regard to this planet and the aspects which it may receive from the malefics. If the Moon is in Cancer in conjunction with the Dragon's Tail, misfortunes will occur in connection with matters ruled by the House occupied by Cancer.

(Isabel Hickey)

North Node in Capricorn implies that business ability and ambition would be directed toward public good, or could be so directed. Integration would come through persistent sustaining effort to climb the heights of attainment and become a redeemer for others. South Node in Cancer emphasizes acquisitiveness and selfcenteredness; a carry-over of selfishness that must be overcome by caring for others and developing the nurturing qualities.

(Martin Schulman)

This individual is learning how to achieve maturity. In past incarnations he had a tendency to look at life through rose-colored glasses, seeing only what he wanted to see with a definite conviction that everything else didn't exist.

Now there is still much of the 'baby' left in his Cancer South Node. He is so used to going through his prior lives on crutches, wrestling with his dependencies while seeking bannisters to lean on, that his current life is the resultant shambles of escapist, childlike habits which keep impeding his growth.

Truly, this is the personal infant, desiring at all costs to maintain his role as the focus of parental attention. In areas of problem solving, he would rather have his parents do it. Everybody he meets and knows, be it friend, business associate or marriage partner,

automatically becomes the symbolic parent to pick up the pieces of his misery, protecting him from being hit by the falling sky which he has created. He creates his own self-inflicted illnesses if they bring with them the slightest hint of gaining love and affection.

Constantly practising at becoming an adult, he never seems quite ready or willing to make the transition fully. Somehow he keeps feeling he needs much more practice first.

All he does in this life is based on his soul memory of sensitive past-life feelings which still are shattered by the slightest rejection.

Many individuals with these Nodes are strongly wrapped up in the business of their country. They personalize government, for to them it is still part, in a larger sense, of their own Cancerian family.

Underneath all else, there are unusually strong feelings of patriotism and loyalty. Many with these Nodes focus a good part of their strength and attention on younger people.

They like to listen to the trials and tribulations of others; but not being quick problem solvers themselves, they have a tendency to hold everything inside them. As the weight of problems increases, like collecting layers, they seem to age in spite of themselves.

The most difficult karmic problem of the Cancer South Node is learning how to let go. The individual brings with him into this life such strong inner fears of ever losing or forgetting anything that he keeps making extra special efforts to retain all he has ever gone through. As such, he makes himself the 'psychic grabage pail' of the past. Constantly he is thinking about his present in terms of what he should have done years ago - or 'lives ago'. He often can be seen sorting through old photographs hoping to create his future out of fragments of his past.

At times he is extremely draining, using whatever is done for him as a springboard to ask for more. He tries other people's patience with all of his emotional problems, and long after the solutions are given to him he refuses to see logic through his cloud of emotion. He is not so much interested in finding out why something went wrong as he is seeking the lost feeling to be returned.

Endings are especially difficult for him to deal with. The word 'good-bye' has never been a part of his vocabulary, for he has always tried to preserve all relationships as long as possible. His behavior in regard to objects is no different, since he tends to form permanent attachments to the nostalgic memories they carry with them.

The major karmic lesson in the Capricorn North Node is to identify with an ideal bigger than the personal life. The individual must ultimately come to stand for something, in spite of all his real or imagined personal difficulties. He must understand true

responsibility.

Many with these Nodes eventually become self-appointed hallmarks of tradition. They would rather die than have an outsider know any part of their personal life which contradicts the principle for which they have chosen to stand.

Through the North Node, an image which others can look up to and model their lives after is established. At times personal difficulties deplete him of the strength to hold up this image, and yet hold it up he must, even if it means sacrificing his entire life. In most of his endeavors he is capable of becoming a methodical and cautious planner once he learns to overcome his past-life tendency to overreact emotionally.

In the charts of females, these Nodes represent an unusually strong search for a father figure. In males, there is a strong consciousness of the need to fulfill the father role.

The most important things about the Capricorn North Node is that it represents the point through which the individual will meet his karmic mission. For this reason alone, many with these nodes tend to be reluctant to accept the full concept of adulthood. They would prefer to remain in an immature state for as long as possible, for they sense a type of judgement awaiting them. Much like the condemned man desiring one stay of execution after another, they seek to hide behind others, constantly pushing themselves further and further to the back of the line so as to avoid meeting the effects of all they have created. This is the reason why many of them have great difficulty in accepting their own chronological age. While they admit to their age openly, they try not to live it.

There is much past-life residue of immaturity. The soul has become fixated at one point in early growth. Now there is great difficulty passing that point. Still, it will be passed, if the individual is ultimately to stand for something.

The zodiacal sign of Capricorn is the gateway through which the soul must go upon leaving the physical body, and in this most occult of signs it will stand for inspection before the Judges at these Gates. While this may not be the last incarnation on Earth, it will most definitely by house position receive karmic judgement in one area of the life. The individual with these Cancer-Capricorn Nodes will flounder half his life in helpless abandon and then one day resign himself to stand up to the saying, 'Tis a far, far better thing I do than I have ever done before'.

The house position of the South Node indicates the area in which the karmic residue of immaturity seeps into the current life. The house position of the North Node shows the ways in which the individual can now enter responsible adulthood by aligning his life with the principles of honor, respect and tradition.

As soon as he learns how to do this, he is destined for a life of splendid accomplishment.

(Donna van Toen)

You should take steps towards a career (or honors or increased self-esteem). Your Cancer South Node may reply 'Yeah, but what would my kids (or parents or boss) do without me?'

Your Problem is that you have adopted real or imagined responsibilities to others that are keeping you from becoming all that you can become.

Possible reasons: Fear of public exposure. Lack of planning. A feeling that you're unworthy in some way. Refusal to let others lead their own lives.

Possible solutions: Take cautious steps towards the careers, honors, or recognition you want. Examine your needs and responsibilities honestly, and take necessary steps to balance them. Get a divorce. Commit suicide (Apolo's note - don't do it: the author was being teasingly sarcastic here). Study the lives and actions of others who have done what you want to do, and pattern your life after theirs if at all possible.

Cancer South Node tends towards deeply-rooted compulsive behavior patterns which allow him or her to justify failures. Justification of this sort is a form of dishonesty. This prevents the development of Capricorn North Node's considerable untapped potential for self-esteem. It also prevents the formation of deep relationships, since if you're not honest with yourself you can't possibly be honest with others. Cancer South Node easily becomes bogged down in dependency on those who need him or her until personal discontent forces development of Capricorn's North Node potential.

Some typical manifestaions of an over-developed Cancer South Node are: An overall lack of success in life; hypersensitivity and sloppy sentimentality; fear of authority figures; childishness; lack of emotional self-control; lack of self-confidence; snobbishness alternating with blind acceptance of others; self-pity; excessive complaining; and a craving for emotional attention.

North Node in Capricorn tends to dream very traditional dreams. He or she wants to be a law-maker, a policy-maker, an organizer, an Einstein, or at least a manager. He or she wants to be known for objectivity, prudence, and good leadership ability. He or she wants to stand out against the backdrop of ordinary workers as someone who knows where he or she is going and is getting there. In contrast, this is an emotional, rather touchy person. He or she is fond of comfort and reluctant to make changes. The need for emotional security dominates the need for dream fulfillment to the point where changes in residence, job situation, public notice, or whatever become extremely upsetting, even if these changes herald better things.

Antidotes for Capricorn Imbalance: Mathematical work can be an excellent antidote. To a lesser extent, astrology and numerology can be helpful. The client must be encouraged to take responsibility for his or her own life rather than blaming parents, superiors, or others for his or her problems. Boating and water sports can sometimes be beneficial antidotes. Leadership roles should be taken where possible. Those that provide titles (chairperson, president, etc.) are especially good for enhancing selfesteem, which is usually lacking. Activities that stress discipline and strategy are particularly good. Among these would be chess, yoga, National Guards, etc.. The need for security must be fulfilled.

Occasionally the client will have no ambition to do anything about the imbalance, in spite of complaints about the quality of life. These imbalances seem to be particularly fond of illogical 'Yeah, but...' dialogues. In cases where the client insists that you must 'solve' his or her problem single-handedly, you can do very little but stress the fact that astrology teaches self-responsibility, and suggest that the client come back when he or she is ready to accept this tenet or find another astrologer. Psychological counselling might also be recommended; this should be of a type that stresses a 'here-and-now' approach.

North Node ♌ in IV 4th House

(Georges Muchery)

The Ascending Node (Dragon's Head) in the fourth house gives a cheerful and happy home life, and harmonious relations with the family. The Father, or the marriage partner, occupies a prominent post. The Dragon's Head in the Nadir of Heavens is favourable for marriage, and will be a sign of happiness if the Moon is well-placed in the horoscope. It is also a sign of good heredity from the physical as well as the mental standpoint.

The Descending Node (Dragon's Tail) in the tenth house may be fortunate for material things if the horoscope on the whole is good. It may, however, bring at some period in life serious worries and troubles affecting things in general - losses and damage if the Moon is afflicted.

(Isabel Hickey)

The fourth house represents the midnight or deeply hidden depth of the personality. This

is why it represents the soul powers; what we are in the depths is not what we always appear to be on the surface. In the depth of oneself (home) the inner powers must be released. Not for this one the acclaim of the public and the limelight. He has had it all in the past. He gained from it the sense of power that made him feel his importance as a person. Now he must grow a soul. Through his domestic surroundings, through a quiet withdrawal, and through the wise use of his emotions, he will find fulfillment.

(Bernice Grebner)

With the North Node in the fourth there should be a development of the domestic life. He needs to learn the art of going into seclusion. He must be alone with himself at times to develop his own depth of soul, to dig deep and get to the very roots. Possibly, he would have to learn the role of nurturing, helping another grow, as in helping to sustain life. This person would need to establish a home, to care for it and learn what it takes to do this. There may be a problem in connection with a parent, or an imbalance in his love for them - loving one more than the other - or it could give loss of one parent at an early age.

South Node in the tenth is the extrovert. With this position there is great ability to deal with the public as the person easily understands its needs. This is similar to the Moon in the tenth, but coupled with the innate genius in public affairs. He does not take time to relate on a personal basis because of an inner need for public acclaim. It also can bring disappointment and dissatisfaction with regard to his vocation, bringing in many changes. (If South Node is in Aquarius in the tenth, he can be a leader of unpopular causes.) The South Node here gives a tendency to resist control by others. At its best, the power and success attained in the world must be used to assist others. When the person is able to do this, then destiny for this person will be met. At its worst, when used for vain self-glory, he fails. Here the uppermost thought should be control of selfish desires for ambition and power.

(Mohan Koparkar)

This condition often signifies fairly close relationship with mother figure. At the most, the relationship with mother is closer than with father. For some reason, home or domestication is highly significant in their life. They may or may not like to be family-oriented, but that is the way their life has to be structured. Career is given a second priority in their life. Although they have strong self-displaying ego, circumstances may not give them the opportunity to be prominent in their field. The relationship with parents is that of a deep attachment; and they require a lot of effort to be free from their parental wing. Considerable sensitivity is seen in these people.

(Martin Schulman)

This individual must learn to overcome the karmic feeling that he is the vital center of all

situations around him.

He comes into the current life with subconscious memories of a past sense of dignity, which leads him to believe that at least certain areas of life experience are beneath him.

His prior incarnations have put him in the position of being captain of his own ship, if not the commander of others. As a result, he is used to assuming an authoritative position whenever the weakness of others triggers his powerful need to take charge.

He enjoys the role of protector and goes to extremes in filling his life with those whose very weaknesses put them under his dominion. By so doing, he is constantly testing his own power to stand tall.

This is a lonely position, for here the individual is so concerned with his self-appointed mission that he never allows others to see into his real self underneath. What he shows is a façade or the uniform of the role he feels obliged to play.

In the current life, he goes through experiences which teach him to come down off his skyscraper and make sure of the foundation underneath.

It is in the area of his most highly intimate relationships within his own family that the stage is set for his lifelong battle in an attempt to gain control of his own roots.

Many with these Nodes have one unusually demanding parent whose expectations encourage them to believe that they are truly destined to achieve a position of sitting on top of the world. As a result, they are discontented with whatever situation they are in, for always it falls short of what they feel they were meant to do.

The karmic lesson here is that 'A bird in the hand is worth two in the bush'. The individual must overcome his readiness to forsake what he has for the possibility of attaining what he doesn't.

So unwilling is he to see himself in a back-seat position that when circumstances force him to do so he may in extreme cases even contemplate suicide; for he firmly believes that without his achieving some great destiny, life is utterly worthless.

This incarnation brings him through the experience of facing the conflict between a career for himself and the demands of his family.

He must learn maturity, for with all his projected strength, power and dignity he is nearly a cripple when it comes to solving his own emotional problems. He must examine his roots, and, after pulling his head out of the clouds of his past, build a practical foundation for his future.

Eventually he learns that his organizing for others is merely a distraction from putting his own life in order.

The relationship established with parents early in life is more important in these Nodes than in any other position of the zodiac. Here the individual will spend much of his life energy attempting to be totally free and independent of his parents, yet always conscious of how much he needs them. Nevertheless, the reaction patterns to life continue to show a definite parental defiance, masking a strong need for parental love.

This soul is at a point in karma where he feels unappreciated for all his efforts. The past incarnation residue is based on achievement for the sake of recognition and appreciation. Now, achievement is to be its own reward. The soul must stop trying to gain audience for its deeds, realizing that the audience will always be there if the deeds are great enough. It is in this process of seeking an audience that the individual tends to lose himself. He must literally transform his fourth house into a new birth of emotional attitudes, learning the lessons that when a man stands on tiptoes he is unsteady.

His life is like the beautiful orchid: a splendid sight to behold when raised and nourished under the most delicately controlled environmental conditions; but once the orchid is prepared for display, it is snipped from its roots, insuring wilting and certain death after a short time. This individual will be faced with the choice of being the overlooked orchid growing in a garden of thousands, or sacrificing his own happiness to be the beautiful flower on someone's lapel. As soon as he overcomes his past-life need for display, he can start to grow to the maturity he is so desperately seeking.

The sign which contains the South Node indicates the ways through which he still overemphasizes his importance. The sign which contains the North Node shows how he can grow to become in substance so emotionally fulfilled that he no longer has to equate his happiness with his soul memory of prior-life personal esteem.

(Donna van Toen)

Conflicts: Pleasant home life vs. pleasant career. Worries about career vs. attention to private life. Private doubts vs. public self-esteem.

Possible results of sacrificing North Node: Loss of dignity. Tendency to insist on getting recognition as boss. Tendency to take on a big daddy façade (no, this isn't strictly a male trait, even if it's thought of as a male stereotype).

Possible ways to integrate North Node: Develop maturity. Use your untapped potential to strengthen your foundations. Examine your roots, upbringing and prejudices for keys to the reasons for your self-doubts. Take notice of your domestic needs.

In the fourth house, there's a hang-up about developing or growing up when the North

Node is present. This can take the form of excessive self-consciousness, or it can trigger a lust for power, depending on which node is allowed to dominate. In either case, the feelings of inferiority are based on illogical feelings. These are often a result of childhood experiences. Sometimes death of a parent plays a role. Other times the parent's immaturity or lack of common sense or stability has had a negative impact.

Those people who try to fulfill their excess needs for power often complain of lack of recognition and / or sympathy from those who are in a position to offer advancement.

North Node in the fourth house wants a very loyal family and a home in which he or she will be the focal point and chief mover. Less frequently, this person dreams of developing some sort of powerful metaphysical abilities. Acknowledgement of some sort is a basic dream motif. This is a person of changing ambitions. Usually there are several career interests that are pursued in turn in an almost ruthless way. The dream of acknowledgement is often fulfilled, but the acknowledgement may not be the sort that was expected or wanted.

(Haydn Paul)

What tends to dominate is a sense of importance, authority, and decisiveness. You feel that you have a higher social standing than most, and that they should give you appropriate deference and respect. You may believe that certain tasks are 'beneath you'. You will have an aura of 'dignified aloofness' which can distance you from others.

How accurate are these feelings of importance? Or are they self-deceptive illusions? These feelings come from needing to control; and you hope to satisfy this as an authority or leader. You dislike having to adopt a follower's role or defer to another's authority, especially as this reminds you that your feelings of command could be illusions. This issue of authority needs to be confronted.

You may often assume a role of protector, attracting others who are more passive or personally weak, and who need someone to rely on. This role allows you to express leadership qualities. Yet, through identifying with this authority role, you often manage to avoid other aspects of yourself, those which may not fit your image of leadership. The authority role, however, does offer additional challenges which help you to grow and mature. Authority implies greater responsibility, and you need to feel convinced that you have the ability to succeed.

Part of this need derives from personal insecurity, probably formed during childhood, perhaps by excessive parental expectations that encouraged a belief that you had a natural right to lead others. If these expectations fail to be met in adult life, a growing dissatisfaction develops, as life fails to match the hopes and dreams absorbed from parents.

Problems related to choices between family obligations and work may occur within your adult family, especially if you reach a senior and responsible position. You tend to be adept at organizing for others, but, in doing so, you leave less time, energy, and interest to increase your self-understanding. This may be most noticeable in a tendency to be uneasy with emotional expression or uncomfortable with feelings. You may try to avoid intimate situations when these are exposed. Emotional problems pose difficulties, and generally you hope that they simply go away... and regret that you cannot organize them into resolution!

Growth occurs when you accept your emotions and express rather than repress them. Your family and others will appreciate you more if emotions are allowed to flow more easily, rather than being submerged in role playing. Your achievements can be considerable, especially through career and work, but you should strive to achieve for achievement's sake, rather than for the 'applause of the audience', as this will serve only to reinforce identification with your role.

(Bruno and Louise Huber)

In the 4th house, emotional values are all-important. It is not enough, as in the 3rd house, simply to inquire about the meaning of something; one must be able to enter into it with feeling. With the Node here, we are like a bird that felt good in its cosy nest and was thrown out of it. Usually the chart will exhibit a tendency on the part of the native to lack balance and to be overeager to stress his or her own individuality. The lesson to learn is to be an ordinary human being among other human beings, and to be able to give and take emotionally.

Often the 4th-house Node is counterbalanced by the Sun, Uranus, or Pluto at the top of the chart; and this produces, by reflex action, the wish to be famous or a leader. When emotional imaginative pictures to do with the family or the group enter consciousness, these guiding images have to be clarified.

If planets in the 9th or 10th house show high ambition, this can be satisfied; but, with the Node in the 4th house, the native needs to keep close to home and roots. The feet need to be kept firmly on the ground. Bottlenecks, which hold up progress, are often encountered. Now, when blockages occur, the native's reaction is to try and forge ahead. In many cases, that would be the right thing to do; but with the Moon's Node in the 4th house, it is wrong. The proper course of action is to pull back and to live as one of the group, as one of the family. This is the only way to prepare to move forward again, to find room for manoeuvre, to gain access to those it is desired to lead. Then misunderstandings will be swept away and a fresh impetus will be given to upward development.

With Nodes in the 4th house that receive hard aspects, there can be a retreat into a pleasant ideal world of acceptance and domestic bliss. This 'warm nest' feeling has a

very important function. It is one of the fundamentals of life; and we may well want to experience it at all costs. This makes us undifferentiated and dependent on the activities of the family. We are governed by these activities, and do not have a hand in shaping them but are sacrificed to the family's interests. In the worst scenario, our relatives assume the right to abuse us and to walk all over us.

When there is a planet in the 10th house, in opposition to the Node, the native will readily part with a place in the nest in order, at least, to make sure of getting on in the world. Ambition, in whatever form it occurs, destroys the sense of domesticity. The natural need to be part of a bigger organism, group, or family, comes secondbest.

With a square from a planet on the Ascendant, the departure from normal is not excessive, but the native is too egotistic; with a square from the Descendant, the native defers to the partner. If, for the sake of personal development, the need to belong is allowed to wither, an essential human quality dies, and the individual becomes a loner and inclined to do wrong to others. For the ability to avoid unfairness is based on the nest-like environment of the 4th house.

North Node in 4th House or Cancer (James Braha)

If the North Node is in the fourth house or Cancer, the person's greatest growth, evolution, and fulfillment come through taking care of his home and family life. In previous incarnations, there may have been an overabundance of professional activities and social responsibility. Now the person must concentrate on his own soul growth and fulfillment of emotional needs. All activities involving land, property, and homes are favored. The person should develop his feminine and maternal energy, and seek to nurture all those in his presence. He should dedicate his life to family, children, relatives, and loved ones. He may do well in healing professions, nursing, cooking, catering, innkeeping, or any domestically-oriented jobs. Although career focus is neither psychologically significant nor a main objective of this life, the person is extremely concerned with the well-being of all members of his immediate community. He must do his best to see that everyone has a sense of belonging.

The person should not look for a life of profound philosophical meaning. His actions are not based upon compelling drives towards particularly ambitious goals. Rather, he is here to experience and appreciate the full value of his emotions, senses, passions, sensitivities, and vulnerabilities. His job is to keep his family and the human species alive and well. Tradition, rituals, and cultural values are of very great importance. The person is on a lifelong journey back to his roots. Spiritually, this means he is very well-advised to engage in meditation, contemplation, and all innerdirected self-development techniques. Also, he gains tremendous benefits from periods of self-imposed seclusion and isolation. On a more mundane level, the person wants to learn everything possible about the lives, history, and circumstances of his ancestors and predecessors. At the very beginning of life, the person is organically connected to the father. However, as his consciousness

grows, he quickly realizes there is no progress to be made in this realm. He then shifts his attention to his mother and all other tenderhearted expressions of creation.

The person is devoted to practicalities, not ideals. He is wonderfully sympathetic, and functions as a magnificent support system to those in need. He is like a rock of stability, always emotionally available for others. In this lifetime the person is learning extreme devotion and loyalty to his loved ones. He may derive tremendous pleasure from gardening, landscaping, or farming. Collectibles and material possessions are very important. The person must have absolute control over his daily environment. He should surround himself with beauty and whatever else appeals to his personal tastes. Living near water is preferred; and the person may wish to develop his psychic, sensitive nature to the fullest. He is here for a highly subjective, even sentimental, experience of life, and is now relinquishing his obsession with objective realities and ultimate truths. The person may do well in mining, archaeology, or any ecological vocation.

In ancient Hindu astrology, the North Node in the fourth house indicates problems with a forceful or domineering mother and troubles in gaining educational degrees. There are strong cravings in the heart, and a possibility of attaining large homes or mansions. The South Node in the tenth house reveals a good reputation and successful professional life. Careers may involve any spiritual activity which raises the consciousness of the common person. There is distinct talent in metaphysical or natural healing techniques. The sign positions of the nodes are of much less significance.

(Black Moon) Lilith ♀ in ♌ Leo 19° 28'

([1141] elsaelsa.com)

Resilient Bloom

If you have Black Moon Lilith in Leo, the pain you've experienced through your Lilith placement has taught you that you shine at your own risk. Your very identity tends to draw fire, so you've had to learn to be careful about who sees your true self.

However your Black Moon Lilith wounds have played out (shown by the house your Lilith is in), you have become a reluctant expert in the realm of visibility. It has always felt like a game you couldn't win. If you shine too brightly, you draw fire from those who would prefer to see you humbled. If you shrink away from the spotlight, you open up space for

others to project their darkness upon you. You may have been raised with the expectation that you make yourself small, being seen and not heard. Or you may have had the opposite experience, in which you were thrust into the spotlight and expected to entertain or be the sunshine that distracted people from their problems. But either way, the choice of when to be visible never seemed to be yours.

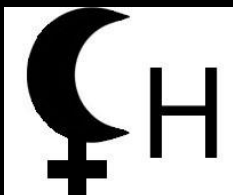

This also made it difficult to express your true self to anyone. Your very personhood seems to exist for others' consumption, leaving you feeling like love and approval are things you have to audition for, or like you always have something to sell. So you may have learned to display only the version of yourself you think other people want to see while hiding your true essence. You are the perfect embodiment of the old struggle between the rewards of being loved and the mortifying ordeal of being known. In this way, you buy acceptance at the cost of your own authenticity.

The same is true of your creative expression. In Leo, your Lilith wants to express herself and shine for who she is. But every time you have tried to create something, the world says, "No, not like that." There's no right way to be yourself! And there's no right way to create.

But that's the beauty of it. If we look to Leo's opposite sign, Aquarius, for guidance, we see that society's refusal to accept anything you put out into the world actually offers enormous freedom. If there's no right way to do things, then there's no wrong way either. If the world will reject you anyway, you might as well do what you want. Aquarius understands that it's not personal. You might not fit into someone else's system, but maybe they don't fit into yours either! Aquarius rewrites the rules. And because Aquarius is the sign of the Sun's detriment, they are experts in constructing their identities from scratch, knowing full well it won't match any other mold. By incorporating Aquarian principles, you can learn to shine whether people like it or not.

Because that is ultimately your job in this life. I could write forever about this placement, but that really is the essence. Because you have had to struggle so much to be fully yourself, you are in a unique position to help others in the same way. You can cultivate a beautiful garden, with each person blooming in their own authentic way. And you'll be the brightest flower of all.

(Black Moon) Lilith ♀ in XI 11th House

([1159] elsaelsa.com)

Outcast

If you have Lilith in the 11th house of your chart, her themes will manifest in terms of friendship, groups, and aspirations. You embody Lilith's character among peers and carry her energy into your dreams for the future.

In traditional astrology, the 11th house is known as the house of Good Spirit, where our wishes come true. But with Lilith present, it can feel like just the opposite. Those favors in high places are denied, and there is no one to help carry your burden. It seems like every time you swell with hope, you are struck down, just as poor Lilith was filled with happy expectation in uniting with her lover and was struck down for having the audacity to hope to be treated as an equal.

In fact, you are also often scapegoated in this way, particularly in groups. You are silently designated to be the one to carry the shadow for the collective, and you are scorned when you try to assert your right to be treated with dignity and respect. You end up blamed for your own suffering, as if the anger of the group is something you are just supposed to accept. You may at some point decide to give up on groups altogether.

But regardless of how you feel about groups, everyone needs friendship. There's a reason the house of Good Spirit is also the house of friendship. Friends help make life rich. Not that it is necessarily easy for you. In your youth, you were likely teased, scapegoated, and betrayed by those you thought you could trust. While this may also happen from time to time in adulthood, there are ways around it. Many people with Lilith in the 11th find others with the same or similar placements to create a group of friends who understand what it's like to be an outcast. When you find them, it will feel like fate. In your gang of miscreants, you finally find the acceptance you needed for so long, and can shake off the fear and pain.

There is so much more to say about this placement, but I'll end it here. Above all, remember this: you may have to fight to find your people. It may not be easy. But they're out there searching for you too. And when you find each other, you will finally have the joy the 11th house promises. You will shoulder each other's burdens and support each other's dreams. And when you think of the people who made you feel so rejected, like no one would ever accept you, you'll laugh and laugh. Shows what they know, right?

Chiron ♄ in ♉ Taurus 1° 42'

([1249] astromajesty.com)

If Chiron is the symbol of our primal and ultimate wound, then Chiron in Taurus concerns the physical body and self-esteem. This position tackles self-worth and how one sees themselves.

People with Chiron in Taurus believe possessions can help them heal their wounds. It is why they focus so firmly on having as much as they can.

They are not only afraid of not getting something at all. But Taurus Chiron people are much more terrified of losing something after obtaining it. Individuals with Chiron in Taurus dread losing people, money, items, security, or even social status.

So, they cling passionately and almost possessively to what they have.

These people have fears of losing things because deep inside, they don't think they deserve it. They often devalue themselves. That is why they wonder how they achieved something and why people love them.

Persons with Chiron in Taurus dread that their loved ones will one day see them as unworthy, not good enough, or beautiful enough.

As they tend to doubt and undervalue themselves, they are likely to avoid people and situations that make them feel as if they weren't good enough.

Taurus Chiron persons will do everything in their power to escape feeling inept, less worthy, or awkward. And the best way for them to not feel incompetent is to accumulate fortune, resources, or luxury. To do so, they will go to great lengths.

People with Chiron in Taurus don't like when others disrupt their routine because habits are their way of staying in control. These individuals don't feel comfortable with too many changes, and they don't adapt with ease.

Instead, they prefer when everything seems permanent. Yet, they always believe people will leave, and possessions will disappear. Unexpected changes and surprises are the most alarming source of fear for Taurus Chiron individuals.

Their healing journey will force them to find security without relying on material resources. That means that persons with Chiron in Taurus have to find safety and

security within themselves, inside. They have to find their strength and confidence by seeking spiritual energy or learning to trust themselves and their instincts.

Men with Chiron in Taurus

What if I'm not good enough? What if other people see my flaws if I don't impress them before they make that conclusion? But what if I manage to get their love and respect and still lose them once I get comfortable? – These are the most frequent questions that trouble the minds of men with Chiron in Taurus. They are highly likely to struggle with self-worth, body confidence, and self-love.

Others usually don't notice their self-confidence issues because Taurus Chiron men hide it with humor or flaunt with luxury and money.

Even though they don't genuinely care about material possessions themselves, they get used to being focused on chasing wealth. That makes it much easier to become too immersed in the material side of life.

Men with Chiron in Taurus often decide that it takes less effort to concentrate on becoming rich, successful, or famous than confronting inner demons and insecurities. These men never feel that they did or have enough. It is why they often cling to people and possessions.

If Taurus Chiron men lose something that gave them validation and confidence, they will go down and doubt their abilities more intensely.

That's one of the reasons why they should learn not to center their worth around how many friends, cars, or money they have.

Thus, they are likely to suffocate their loved ones with neediness and demands, which can cause the opposite of what Taurus Chiron men want. Nobody likes to feel trapped, so they should find a balance in their relationships.

Males with Chiron in Taurus seek in others what they don't have. They are unlikely to stay single for a long time because they believe that having a partner means that others recognize their qualities. These males forget that they have to accept and love themselves first to be able to love others.

Yet, men with Chiron in Taurus will go to great lengths to avoid confronting themselves. They will overeat and overspend. If they spend too much time on self-reflection, they tend to wonder why their body looks in a certain way or why they don't have more skills to do something.

But Taurus Chiron individuals will only learn to take a positive approach once they discover that others don't love them for what they have but for what they are.

Summary

People with Chiron in Taurus tend to doubt themselves, to feel insecure and unworthy. That's the center of their pain, and that pain controls a big part of their lives.

Facing that ache requires strength that they think they don't have. It is why, instead, they learn how to coexist with the struggle and deal with it in their way.

Taurus Chiron people mend the pain with a taste of good food, power of money, and attention of friends and partners. It is not a long-term solution, but they keep using the same formula.

Deep inside, they know it's not the right method, but they don't understand why. Instead of questioning the reason, they think the answer is to accumulate more possessions. That results in focusing on having wealth, a strong network, and properties.

However, they continuously fear they will lose all of what they have. People with Chiron in Taurus are unaware of their unhealed wounds being the actual reason why they dread losing their possessions and why they don't genuinely fulfill them.

The way individuals with Chiron in Taurus try to alleviate their pain is indeed masochistic. Their approach doesn't give the results they want, and it leaves them feeling worse. But they get addicted to that pain because it covers the real one.

Taurus Chiron individuals are masters of avoidance, and most people don't realize that their hedonism manifests it.

Taurus Chiron individuals are terrified of losing people or possessions. It is why sometimes they turn to lies, excuses, and emotional blackmails to make others stay. They are afraid of facing the truth because they can't confront themselves. They seek ways to escape being left alone or having to confront their thoughts.

Due to their escapism, they usually surround themselves with people. It is rare to find Taurus Chiron people sitting at home alone or having solitary hobbies. They need opportunities and situations that give them access to more people and things and being less alone.

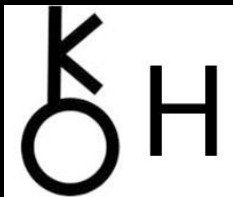

People with Chiron in Taurus are likely to be born in periods of poverty or drastic class differences. For instance, Chiron was in Taurus between 1976 and 1984 and 1926 and 1934. While quite different on the surface, these two eras had some similarities.

The first period is when having novel tech gadgets (e.g., the Walkman) created a sense of superiority. But not every parent could afford it, which might cause their child to feel inferior. Taurus Chiron people grew up in times when materialism and consumerism

became widespread.

Those children born between 1926 and 1934 experienced the Great Depression, but the elite was still there and bragging about their wealth. Hence, Taurus Chiron people often grow up feeling not good enough. It is why their task is to find the inner value.

People born with Chiron in the 8th house typically struggle with sexuality, intimacy, and mortality. It is a perplexing placement, and it may indicate experiencing a traumatic loss, death, or financial issues.

Anyway, this position will likely manifest through intimacy problems, not accepting death, or inheritance and tax complications.

Those with Chiron in the 8th house almost always have to go through life-changing events and occurrences that will leave them with trauma or emotional scars. It is the placement that forcefully makes one transform, grow, and develop.

These are not inherently this life's traumas. It can also be a memory, energy, or karma from the past life. Thus, the pain is typically related to dying, being abused, or losing a loved one.

However, it could also be that one is terrified of dying or experiencing the death of their family, friends, or partner.

Fear of death and illnesses

Yet, when they unite, the 8th house and Chiron usually bring one's most challenging fears to life. It is why these natives are likely to see someone die at an early age or have a near-death experience early in life. They also tend to be afraid of getting sick or have nightmares of their dear ones dealing with a life-threatening illness.

Chiron in the 8th house natives could also have a fascination with death, occultism, and kabbalism.

Thus, they could be curious about self-afflicted pain, provoking death and accidents. The darkness and danger often excite them and trigger their deep interest. It is what could lead them to turn to self-destruction or hurt others to see their response.

They are typically emotionally demanding in relationships and have issues with how they express their sexuality.

Those with Chiron in the 8th house tend to find it hard to relax with others, let go of their restraints, and be in the moment. They don't trust anyone, or they fear in advance that everyone will leave them.

It is what also makes them act awkward, shy, or embarrassed in front of potential lovers. Yet, they would do everything for others to like them, so they'll try hard and often do something that doesn't make them feel comfortable.

That results in not being sexually satisfied and generating frustration, self-doubts, and growing concerns of inadequacy. On the other side, they typically manage to satisfy their partners because they are highly intuitive and empathetic.

Those born with Chiron in the 8th house typically don't talk too much. They are observers and have analytical minds. It is why they will evaluate someone's posture and behavior before engaging in interaction.

These individuals are great at reading other people and picking up on their signals and cues. Others could perceive them as weird or scary, but that's usually due to their investigative personality.

Thus, as they question everything and everyone, they can see how others manipulate people and pull the right strings to get what they want.

But Chiron in the 8th house natives doesn't fall easily into those situations because they anticipate and identify who could lie to them and use them.

Yet, they don't act as a judge because they understand why people do what they do. It doesn't mean that they won't become mad or disappointed, but they will consider the situation.

People born with Chiron in the 8th house are especially fond of children, animals, and those they perceive as innocent but caught up in unfavorable scenarios.

Thus, they often end up as healers of those on the margins and struggling in life.

Primal responses and feelings

They are much more complicated in love and lust connections because those relations

trigger primal emotions and instincts in them. It is why they tend to become controlling, jealous, and manipulative.

If they doubt their partner and their loyalty, they can be full of rage and resentment or become obsessive and hysterical.

However, they mostly become hot-tempered or conniving because that's what they use to hide their insecurities and fear losing their partner. They try to control their loved ones and direct every move because they see it as the only way of ensuring their devotion.

Hence, their manipulation and mind-controlling games are a consequence of their vulnerability and lack of self-love.

If they manage to relax in intimate moments, they could find healing in their sexual expression or share the most vulnerable part of themselves with their partner. On the other side, sex can also be a lethal weapon that destroys their ego or self-esteem.

These individuals tend to perceive everything as a power struggle, including love and connections. They are afraid that one wrong move or word could make them look weak or chase their loved one away.

Healing potential

Their fear of giving in and being intimate likely tends to come from a traumatic experience concerning sexuality, including sexual violence, threat, or humiliating situation. These natives usually hide that trauma from everyone or even from themselves.

As a result, Chiron in the 8th house natives can't connect with anyone on a more profound level.

Regardless of how hard they try their defense mechanisms sabotage their effort. That is especially significant regarding physical intimacy. They are afraid of others seeing them without their protective layers.

Nevertheless, these natives could use that pain to help others heal. If they learn how to overcome their inner troubles and fears, they could become healers.

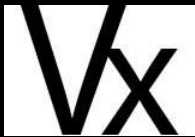

But that requires confronting their inner demons and finding ways to overcome them.

Part of Fortune ☒ in ♊ Gemini 12° 10'

([1277] astrolibrary.org)

You get great joy and satisfaction from communicating and learning from all the things and experiences of life. You are always looking for new knowledge from the people you know. You value people more for their ideas than for what they really are. You are stimulated by other people's ideas, and you become aware of the different facets of life.

You enjoy keeping everything at a superficial, cheerful and happy level.

You try not to commit to anything. You are non-judgmental. You get carried away by whatever is in front of you. You don't differentiate between the best or worst, thus being able to benefit from both sides and several alternatives at the same time.

This gives you a lot of freedom of movement. You change your life to accommodate yourself as best as possible. So, you seem to have great flexibility and possess a lot of ideas and theories. You realize the contradictions of life.

Through the sign opposite your Part of Fortune, Sagittarius, you search for truth as the most important principle. You relate to all kinds of people and situations, changing when the moment demands it. You are happier getting involved with what is immediately within your reach, without judging the duplicity of circumstances. You stay in the present instead of following that distant mental expansion that sometimes occurs with Sagittarius.

You should not judge or be authoritarian, because you would lose the people with whom you want to communicate and learn. You must always maintain your power of observation and wisdom without making premature judgments. You quickly learn the meaning of the contradictions with which life expresses itself.

You know that human beings have to accept temporal limitations, although from a sufficiently broad point of view to allow mental expansion.

What can satisfy you the most is to obtain a real understanding of the human being.

You are very skilled dealing with your immediate reality, with a very clear sense of the presence of the “Here and Now” and the idea of the present.

Your greatest accomplishment and satisfaction will come when you know how to live with everything that is temporary, and you can learn something positive and new in everything.

What you like most is to understand all the possibilities that life has to offer, as well as all the variations that make it interesting.

Part of Fortune ☒ in IX 9th House

([1295] astrolibrary.org)

You look for a more cosmic reality than a mundane one. You experience your greatest fulfillment discovering truth, expanding your consciousness and your understanding of the Universe. You know many cultures and different forms of human thought.

You transcend the inner understanding of mundane reality. You know that everything is relative.

Since your Part of Fortune is in the ninth house of your birth chart, the third house is the opposite house. Through the third house, you realize the amount of energy spent among people who do not seem to understand each other, since the meanings of the words distort the truth.

You must remain impartial in these situations and learn the idea of duality as part of human nature. You must know that the truth is only known through the non-truth, and

therefore you need to resolve the duality to a higher truth. Once you understand this, then real communication will be possible.

Often you will see and hear yourself expressing and saying things that are not totally true. The more duality you experience and express, the greater will be the need to resolve this duality into a unity and understand the need for polarity in Nature and in human life.

You have a great need for identification with a deity, study, contemplation, meditation and spiritual search, universal truth and being attuned to the forces and laws of Nature. But this world sometimes does not allow it, since daily life immerses us in a mundane reality. Remember that every little thing gives a unique sense to the totality and universal understanding of justice.

You are very skilled in recognizing the subtleties of thought. Without looking down on others, you must keep your standards higher and thus raise your level of being, and at the same time learn to function in the everyday world of less important ideas and thoughts, understanding them as necessary. Thus, you will understand the nature of everything that is relative and dual.

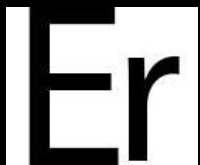

Wisdom loses much of its beauty by trying to transfer it to the concrete and inferior mind. So, you must learn to experience a cosmic reality while you learn to function in the world of less important ideas and thoughts. Tolerate and balance the relationship between both in your life.

You must always maintain your independence. Your satisfaction will come from all the truth you discover for yourself, without trying to make others fit in your world and without trying to correct their ideas and attitudes. You simply have to teach them, maintaining a detachment and even an indifference to how they accept what you are teaching them. Then, you will experience the height of your knowledge, your true function in the world, and your fulfillment.

1) ► **Ascendant ASC Parallel** ♄ **Saturn** - (1°04') ♄1 | ♄7

([71] astromatrix.org:) The Conservative

Any planets that are conjunct your Ascendant will influence your appearance and personality greatly. Saturn energy can dominate your personality being more serious and responsible. You may be quite reserved in expressing your emotions and identity. You may be quite shy, and you are over-concerned about how you are perceived by others and may fail to express yourself as you would like, for fear of being put down or looking foolish.

As you overcome your reluctance and hesitation, each success will increase your self-confidence, and your determination will eventually take you to the top of whatever mountain you choose to climb. It may be harder for you to make decisions, wavering back and forth and fear taking big risks. You need to learn to relax more around other people, and not be so hesitant to make decisions, you can easily miss opportunities because of this, learning to take more risks, not necessarily be too impulsive either.

Find a balance between security and spontaneity, fun and responsibility. Career and success will be more important for you, and you should have a good ability to work towards your goals and ambitions with perseverance and discipline.

2) ► **Ascendant ASC Parallel** ♄ **Chiron** - (1°31') ♄1 | ♄8

([125] astrotarot.net:) The wounded healer!

Typical features that this conjunction brings: this is a very painful aspect to have in the natal chart. Chiron suggests deep wounding related to your identity and childhood. The ascendant Conjunct Chiron natal aspect suggests that there was some early trauma in your life. Some people can immediately see your pain on you. You are often shy and self-conscious. In some cases, you were bullied in a community or you were shamed and left alone. These Natal Chiron – Ascendant aspects indicate that you dislike who you are and what you look like, especially when young. Being an outcast and being bullied are frequent with this aspect. This most often occurred in school. Some of you were physically assaulted, while some had to survive the psychological terror. These experiences make their mark on your soul. Also, these experiences are hard to overcome. This aspect indicates low self-esteem. The Chiron here makes it hard for you to create a solid identity. Also, you feel insecure about which role to take up in your dealings with strangers. So, strengthening the physical body can be helpful here. Building up self-confidence should be a priority with this aspect.

- Positive traits: This aspect is very hard to overcome. But, you can understand it better and help others going through something similar. This aspect suggests that you can grow into an empathetic and sensitive person. Chiron is also about wisdom, and you have plenty of it.

- Negative traits: These Natal Chiron – Ascendant aspects often suggest that you feel that you don't have the right to exist. Chiron may indicate that you felt rejected by your parents when you were very little. This usually leads to a constant feeling of insecurity and lack of self-confidence. Also, you are often afraid of doing or saying something wrong.

3) ► **Midheaven MC Parallel ☿ Uranus** - (1°11') ♀1 | ♀2

([78] astromatrix.org:) Extreme Individualist

People should be prepared to encounter you as an extreme individualist. Even while you are very young, you insist on doing everything your way, and you strongly resist any pressures to conform. In fact, the best way to ensure that you will not do something is to try to force you to do it.

You are a rebel, and the established ways of living will not attract you particularly. On the other hand, you can be very creative with this aspect, because you have much originality and can see life in ways that others are blind to. You may be very inventive; in fact, this placement is characteristic of people who make a career in scientific or technological invention.

You may get a great deal of satisfaction from goading others. When you see people who are set in their ways, you cannot resist playing jokes or otherwise outraging them. Obviously if you are going to do this, you can expect to have problems with teachers and other authority figures, even your parents, who would prefer that you conform a bit more and stop rocking the boat. Teachers might find you quite difficult to deal with, not only because you insist on breaking rules, but also because you are very restless and hate to sit still for long. This placement may indicate a nervous disposition as well. Eventually, you should learn when it is worthwhile to rebel and when it is not. However, adults who want to restrain you should not try to do so by force. If they do, you will develop a lifelong negative attitude toward authority.

4) ► **Midheaven MC Parallel ♆ Neptune** - (0°12') ♀1 | ♀1

([87] astromatrix.org:) The Psychic

This aspect presents many opportunities and many challenges. You are very sensitive to whatever happens around you, and you seem to soak up impressions like a sponge. But you do not always know what these impressions mean or what to do with them. Consequently, there is a real danger that you will be confused much of the time, especially about who you are and where you are going.

Unfortunately, with this aspect you tend to get discouraged and depressed about yourself, feeling that you will never get a real grasp of what is happening in your life. One of your parents, at least, should be able to lovingly but firmly guide you through life and point out the difference between realities and illusions. This position is often associated with psychic ability, which may be the source of the impressions that seem so confusing and hard to understand.

Your parents should accept the fact that your so-called fantasies are actually based on a reality that is not easy to understand. They should help you learn to interpret this reality rather than saying that you are only dreaming or making it all up. It won't be easy to find the right course to follow in life, but this position provides a few clues.

First of all, you should feel that you are working for a cause higher than yourself, whether it is serving or taking care of others in some way or working for an idea or faith. This aspect has a very strongly religious dimension. But it is more mystical than orthodox, and even while you are young you will be attracted to mystical and otherworldly ideals.

5) ► **Imum-Coeli IC Parallel ♂ Mars** - (0°40') ♃7 | ♀9

([188] astromatrix.org;) Fighting To Win

Opportunities: 1. Creating a Nice Home 2. Surrounding Yourself with Beauty

Challenges: 1. Dealing with Life's Practicalities 2. Knowing Yourself

This position can have two quite different effects. On one hand, you may be subject to compulsive desires, wanting to do things without any special reason except willfulness. Such actions are usually rash and sudden and may be caused by an inner emotional upheaval. Sometimes this happens because you have had such a stormy and turbulent home life as a young child that all your resentment comes out in sudden aggressive energies. To counter this, your parents should provide you with a reasonably stable and supportive home life, where you can feel that you are accepted for yourself.

On the other hand, if you feel confident that your family loves and accepts you, you will experience the energies of this aspect quite differently. You will determine the course of your life very directly, according to your own inner needs and impulses. You will be conscious of these needs, so that you can gratify them in a controlled way instead of being at the mercy of your inner drives.

In general, you will succeed by creating a satisfying inner life more than by achieving in ways that the outer world can easily recognize. You may or may not be successful in your career, but that will not be as important to you as inner satisfaction.

While you are young, your parents should understand this and help you discover your own needs rather than make you conform to other people's expectations.

6) ► **Sun ☉ Contra-Parallel ♀ Ceres** - (1°19') ♁5 | ♃3

([558] 12andus.com;) Your style of nurturing stems from your own individual style.

You tend to be an individualist and think of what brings you comfort before assuming that others' needs may be different. You have a generous and loving nature, but you may struggle to show your true compassion.

You don't like to nurture others by interfering. You prefer to keep a bit of a distance, leading by example but allowing others to find their own way.

You may also feel drawn to nurturing those who are very different than you, bringing out the best in yourself and others through healing tension in your relationships. You may try hard to turn conflict into bridges with those around you.

7) ► **Sun** ☉ **Parallel** ♀ **Pallas** - (1°18') ♀5 | ♀9

([576] 12andus.com:) You are creative and insightful and you use all of your artistic abilities in your battle for empowerment.

Your warrior instincts are triggered by the 'desire to protect self expression and 'honor the freedom of individuals. You feel it is important for others to channel their creative gifts to enhance struggles for freedom and, empowerment.

You tend to be optimistic about the prospects for success and believe in bringing out the best in others, even your ideological adversaries. Rather than putting down the opposition, you believe in encouraging others and enhancing others' confidence so you can win them over to your side.

You have a generous and uplifting style of connecting with others. You use your charismatic style to help others understand the importance of your mission.

8) ► **Moon** ☾ **Parallel** ♂ **Mars** - (1°30') ♀9 | ♀9

([17] astromatrix.org:) Selfishness

Moon and Mars contacts involve the psychological relationship between instinctive and emotional patterns with an ability to act decisively by applying a consistent will directed toward achieving aims. The conjunction indicates you have strong emotions and feelings which influence perceptions and decisions. Their intensity may often feel uncomfortable and frightening, especially in situations of heightened passion or confrontation. You are aware that unleashing these energies often results in displays of temper, emotional outbursts, and anger, and that your occasional belligerent style of disagreeing with others is actually a form of self-defense.

Being overly sensitive to others' reactions and having emotional anxiety can create a mental state where you imagine that others criticize or plot against you. Before such situations are proven real, you are ready to retaliate. Until a deeper integration and understanding of these energies occurs, you may find that contentious relationships continue. Those erratic and volatile emotions help to stimulate inner agitation, and this friction spills over into your exchanges with others.

While you want to form better relationships, there are often problems with co-operation and trust, at work and in intimate partnerships. You are both attracted to and repulsed by emotional intimacy, often unable to deal with powerful feelings due to emotional

immaturity; and others may sense these raging feelings and withdraw from closer contact. Rejection strikes into your deepest core. Reacting against the pain, you often strike out verbally with unkind words designed to damage and wound or throw childish temper tantrums when needs are denied. You are liable to brood on any rejection, often continuing to criticize someone to friends for a long time afterward. Perceptions of losing erode a fragile self-esteem.

One of your major problems may be self-preoccupation: concerned with your private emotional world, you fail to recognize that others have needs too, and that they are also emotionally sensitive. Your world is egocentric and revolves around your desires, expecting others to serve your needs, and rejecting attempts at compromise. Being unaware of these tendencies is no excuse; failing to acknowledge that others have an equal sensitivity is a denial of reality. If you react against criticism, then so do others from you. You need to realize that others' needs are as important as yours. Compromise between all concerned is necessary to minimize conflicts.

Emotional reactions distort your perceptions and evaluations, influencing choices, decisions, and actions; and sometimes these may contradict rationality. This apparently negative portrayal of Moon-Mars conjunctions can, however, be transformed into a more positive approach. Much depends on an honest appraisal of your relationships, and of how you deal with inner difficulties, especially identifying how you project emotional frustrations onto others close to you, making these relationships fail to satisfy and later collapse. These intense feelings can be directed toward positive aims designed to shape constructive action.

If you consciously attempt - even for a short time - to project yourself into the position of others and to imagine how life is from their perspective by seeing through their eyes and feeling through their heart, then your egocentric world may be transformed, and your latent sympathy and understanding awakened. Moon and Mars can work successfully together, once inner adjustments are made, and feelings of personal anguish and frustration are reduced by developing awareness of others' needs. Then you may discover a new meaning and purpose to life.

There can be a crusading spirit about this energy supported by powerful, assertive Martian qualities, which can increase persistence and opportunities for eventual success. This could initiate a real transformation.

9) ► **Moon** ☾ **Contra-Parallel** ⚡ **Uranus** - (0°59') ♀9 | ♂2

([157] astromatrix.org.) Freedom Or Security

Challenges will probably occur within intimate relationships. These will reflect the clash between old and new, between familiar behavior patterns and the attraction of renewal emerging from a chaotic unknown.

Your inner life may feel like a battleground, as these two different energies try to

influence choices and decisions; and at times of crisis, you may feel almost torn apart. A tendency toward mental and emotional stress will exist, arising from emotional instability and problems created in relationships through unpredictable and frequent mood changes.

The impact of the Uranian vibration may create sudden changes in the erratic mutability of the lunar emotions. This can stir choppy seas into more dangerous storms. If you then release this tension through conflict with those closest to you - which is a common behavior pattern - relationships could become quite stormy. Others' inability to rely upon and trust you will obviously affect the development of long-term relationships. Your need for variety can also cause problems. This can be felt inwardly, where you easily get bored and lose interest in your home, employment, marriage, lovers etc., and then enter a phase of frustration if your need for new stimulation is denied.

To break free from this tension, you may suddenly 'explode' toward new explorations, attempting to shatter all limitations and restrictions. This can lead to moving to a new house, changing employment or established careers to pursue other directions, or entering affairs or separating from marriage. You find responsibility and commitments hard to bear during times when the Uranian impulse is too strong and capable of breaking through the Moon's established defensive patterns.

What should be avoided is a repressive build-up of inner tensions, because if they 'explode' through you, their destructive quality will dominate, rather than their transformative intent. The first step lies in acknowledging this inner pressure, and then learning to release it slowly and with conscious control, directing it into suitable channels as a natural development of your life.

Accepting this impulse for new experiences and interests can be adequately handled, if a continuous element of exploration in your life is sensibly allowed to operate in appropriate ways. This is an essential 'safety valve' to develop for your well-being. Understanding this tendency will help in choosing a suitable partner, one who accepts this need of yours and is both capable and willing to compromise when necessary in helping you to find ways to safely release tensions.

Any progress made in integrating your emotions and mind into a functioning whole will reap considerable dividends. Self-help techniques devoted to personal wholeness could be explored, offering potential positive development. Attempts by you to impose either emotional or rational dominance on your inner life will lead to additional friction created by the ignored planetary energy. Feelings of instability that often persist also diminish your self-esteem, resulting in insecurity.

You may lack a firm personality center, fluctuating between Moon and Uranus, between emotion and logic, finding a home nowhere. You could find it useful to experience your emotional depths as deeply as possible. Let them rise to the surface; feel and

understand their intensity, without cutting them off whenever they become unpleasant by an 'intellectual put-down' as inferior and not part of your preferred self-image.

Equally, your mental interests and pursuits should be emotionally resonant, drawing both levels together. As your nervous system is over amplified, attempts like this help moderate and balance the flow of combined energies, thus making it easier for you to live with others without frequently feeling a restless obsession for change.

10) ► **Mercury ♀ Parallel ⊗ Fortune** - (1°32') ♃7 | ♀9

11) ► **Venus ♀ Contra-Parallel ♁ Pluto** - (0°13') ♀6 | ♃7

([178] astromatrix.org;) Jealous Lover

The challenging aspects of square and opposition invariably display the dark face of the distorted Pluto energy, and require considerable individual transformation and self-understanding to mitigate the potentially negative impact on life that they will otherwise influence a person to experience.

It is important to remember that this influence to confront the darker side of the psyche is inherently positive and creatively beneficial if it is used to orientate your inner life, and that this is the hidden purpose of the Pluto impulses. It is likely that you will experience a

repetitive pattern of sexual love and emotional affairs which either do not seem to satisfy and fulfill you, or collapse into failure, acrimony and suffering. This can lead to a jaded, cynical attitude founded upon a frustrated, demoralized emotionally battered perception of love.

Your emotional intensity and passion are likely to cause difficulties for you, as it often seems to run away out of your control and can take you into situations and encounters which from a clearer perspective you would consider to be undesirable. Certainly, you are looking for something; but your sexual and emotional desires can be too strong, creating distortions of inner energy and leading to compulsive behavior on your part - followed by an attempt at justification in the vein of 'I couldn't help myself...!'

Either you will feel driven to experiment in various relationships on a continuous basis, or, as a reaction, you may attempt to avoid entering any emotional affair as you are afraid of experiencing the old established pattern again. Problems can arise in your intimate relationships due to your tendency to introduce the element of domination. You tend to demand your own way or assume a dominating role, sometimes played out in potentially damaging sexual and emotional contexts, sometimes obvious, sometimes more subtle. Even if you assume a submissive role, it is only as a hidden way to manipulate and achieve your intentions through a subtle route; it is not your natural approach. Usually, you want your partners to change to suit you, and you can put intense pressure upon them, especially sexually and emotionally.

You will need to learn the necessity for mutual compromise in relationships, to understand your inner underlying desires and impulses which are conditioning and controlling you from the depths of your unconscious. It may be appropriate to study humanistic psychology or take part in a course or therapy designed to bring about safe release of hidden impulses into the light of conscious awareness.

Such impulses, and unconscious inner fantasy lives, are present to some degree in everyone; but with this aspect they will stimulate problems for you, which are resolvable if you are willing to confront them in an act of personal reintegration and transformation. This will also serve to balance out your erratic flow of emotional desires, which often seems to confuse you and your partner, as you appear to 'blow very hot and very cold' in your responses to them; this is when your inner impulses arise and fall in some hidden rhythmic cycle, leading to uncontrollable emotional and sexual needs and intensity, or to a lack of response and to coldness.

Always, the choice is yours; potentially you can defuse many of the difficulties that usually face you in relationships, or you can continue hoping that they will lift of their own accord. Pluto is influencing you to take the positive approach, by facing you with the results of being passive to the inner forces and by remaining unconscious of their hidden promptings.

14) ► **Venus ♀ Parallel ♋ Vertex** - (0°58') 006 | 4 3

([133] astrotarot.net.) The chance moment!

Typical features that this conjunction brings: You find it relatively easy to be a person of importance. Also, Your own self-esteem attracts prominent people to you. And the risks

you take are usually rigorous. Being in charge of others and coming before the public are areas in which you are comfortable.

- If this rear aspect exists in your natal chart you need to work on: those Natal Venus – Vertex aspects are called the first impressions. So you need to work on first impressions toward other people. Also you need to work on the self and appearance, leadership skills, new initiatives, fresh starts and beginnings. Whatever lives in this house helps you understand how the people around you perceive you. Remember, depending on the house location of the Vertex in the natal chart, you will have a lesson involving the area of the house it's in.

- Individuals with too many conjunctions: Many astrologists think that having conjunctions everywhere is a good thing, because it is a positive aspect. It would mean that the person with all the conjunctions is even more like the sign which everything seems conjunct in. Positive traits and negative traits are much more apt to being magnified than if they only had one planet in that specific sign. But it is always good to have a certain balance or aspects. It makes a person more grounded and sane.

15) ► **Mars** ♂ **Contra-Parallel** ♄ **Uranus** - (0°31') ♏9 | ♏2

([184] astromatrix.org;) The Opposer

The energies generated by the opposition aspect are often projected out into the external world; and this will be true in respect of the powerful energy released by this Mars-Uranus aspect.

If this is expressed through a more integrated consciousness, which is sure of the direction to travel, then its impact can be considerable. If it is manifesting through a less integrated personality, then it can create real problems in life. Again, the revolutionary tendency is very strong, and you will have a natural antipathy towards traditions and static patterns of acceptable social lifestyles.

Your attitude will be anti-authoritarian, and you will be iconoclastic in your questioning of the status quo, and critical of those who are in positions of social responsibility and power. Hypocrisy from leaders especially upsets you, and you can be scathing in denouncing it. In fact, you probably have developed a fairly demanding set of personal principles and ideals from which you perceive the world. You tend to expect less from 'ordinary people', acknowledging their frailties; but you expect the highest standards from social leaders.

Concepts of social justice, equality and change attract you, and this can draw you into relationships with revolutionary or reactionary political groups. Depending upon the overall bias of the chart, your radicalism could be directed towards a re-creation of past patterns or a new creation to suit future needs and realities. Generally, though, with the Uranian impulse it will be future-orientated, and this will lead you to more altruistic liberal and humanitarian groups.

Your personality can be very assertive, even aggressive and combative. You have an

image of yourself 'at war' with whatever you disagree with, whether this is just a war that you fight in your own head, or it is one that you externalize by opposing social establishments that you dislike. There is a stimulation for you in conflict; and whilst it may not always be openly displayed, you enjoy competition and intend to win and dominate. This is reminiscent of the Scorpio characteristics, which are reflected through this aspect, with the Mars-Scorpio link and Uranus exalted in Scorpio.

The quality of assertiveness could be extrovertedly expressed, stridently and powerfully, or quietly through the power of a strong personal presence. You enjoy arguments and discussions; here the stimulation of ideas, beliefs and attitudes can be enriching. Often you play devil's advocate on ideas, just to enjoy the sparks that can fly; but if it is on a subject close to your heart, then a more passionate, committed side of you emerges, one that is determined to 'win' the argument.

You oppose in principle any restrictions to individual freedoms, although in practice and with serious consideration, you do tend to impose 'limits' for valid social reasons. Your main thrust is towards a broadening of personal freedoms, and the creation of more variety and scope for potential experience and opportunity in life. If discipline is imposed upon you, and you feel that you are imprisoned in a stultifying routine, then you will rise to oppose it; however, for your own purposes you can be highly motivated and self-disciplined.

Freedom is extremely important to you and is the key to developing your own uniqueness. You feel that you have to get your own way, and this can cause problems if you are too selfish about this demand. If denied, you feel emotionally frustrated, and this becomes a form of pent-up physical tension, which in extreme cases could result in violence.

Tendencies to be arrogant, authoritarian and too self-willed can cause friction in social and intimate relationships. If your lifestyle becomes inhibiting, then this can also create explosions of sudden temper and excessive arguing to release inner pressures. Whilst you see yourself as an outsider, a loner following a personal path, there is an underlying lack of self-confidence, which Scorpio-like is hidden beneath the mask. You insist on finding and making your own way in life, pursuing one's 'dharma' (own truth), and will be like the traditional stubborn mule if anyone else tries to lead you against your will. You learn from life's hard experiences, and indeed, you tend to accept and welcome such intensity and challenges.

Often, you will be tempted to throw off the binding shackles of the past, slough off the old skin like a snake, and burn those bridges to leave yourself free to travel forward into the bright future. You seem as though you know what you are doing, and appear to be optimistic, but this is the glow of a belief in your own ability to succeed, to cross those challenging abysses. You may need to unify your will and clarify your desires so that they work more in harmony. Potentially, this aspect if rightly applied through a

reabsorbing of any negative projections back into yourself for transformation, can offer a 'magical' ability to succeed in your aims. The 'enemy' is not just 'out'.

16) ► **Mars** ♂ **Contra-Parallel** ♀ **Neptune** - (0°52') Ⅱ9 | Ⅰ1

([185] astromatrix.org;) The Drifter

The opposition is focused more on your outer relationships with people, although inner projections are often the key to their problematic nature. As with the square aspect, there is the presence of the unconscious mind being activated by a frustrated Neptune, which lead to distortions in action and expression.

Inner motivation is often unclear in respect of its true nature, and often compulsive desires are hidden behind a facade so effectively that even you are often essentially unconscious of why you act in certain ways and way is actually making those decisive choices for you. Self-clarity can be difficult to achieve, especially in the areas of emotional and sexual desire, which can have a compulsive quality to them, and which can dominate your options. Those areas may become highly emphasized in your life, excessively so and out of a healthy proportion and perspective.

You probably lack trust and faith in life. Suspicion is a constant companion, and you see others through such a filter, yet this is often mainly composed of your own nature projected out like a shadow over the world. How can you trust yourself when you do not fully comprehend your own motivations and desires for actions? Yet you often mean well, but you are let down by your own tendencies of secrecy and manipulation.

Your own attitudes are reflected back at you, so that mutual suspicion is often created, and you lose even more trust in people. Sometimes you tend to withdraw from social activity due to this. A refinement in how you choose to assert yourself may be necessary, as well as a withdrawal of these conditioning negative characteristics.

Confronting reality is essential, so that, by acceptance, a more realistic balance in relationships can emerge - one where your desires are less dominant and threatening, and where the emotional dimension is more integrated and explored. This will help to modify and redirect the blocked Neptune energy so that relationships become deeper, more satisfying and a bridge to renew your experience of social relating.

Evaluating your ambitions in life can be more productive once the projections are being withdrawn and using intellect and common sense can be more effective in realizing them than following a path of glamour and compulsive desires which, whilst perhaps temporarily exciting, leads to a dissipation of yourself and your objectives.

Avoidance of unnecessary stimulants is also wise, as these will not help; and a more perceptive insight into the nature of glamour and illusion will also be highly beneficial. This is especially so if you have become involved in the occult or spiritual realms of life, where there are always many candidates to take advantage of those who are more

gullible and susceptible to the power of 'secret knowledge'. Those who have the desire to be 'special' are often abused physically, emotionally, mentally and spiritually.

The nature and quality of your relationships can be transformed, provided that you deal with those problematic areas of your inner nature, trust, emotions, sexuality and illusions. Perceiving how you can negatively condition your experience is the key to realizing how you can positively transform it too.

17) ► **Jupiter** ♃ **Parallel** ☊ **South-Node** - (0°15') ♎1 | ♏10

([197] astromatrix.org;) Dogmatic Beliefs

North Node opposition Jupiter is a philosophical aspect. Jupiter rules philosophy, law, and religious study, so you may enter this life with experience and knowledge that has contributed to your beliefs. You have some very definite views and now feel a responsibility to pass along what you have learned. You may use your wisdom to contribute to the social morals in a positive way or negatively, you might be narrow or forceful in your views.

While there are actors, sportsperson, politicians, and others among this group, the overwhelming theme involves writing and philosophy. There are many authors, composers, songwriters, teachers, and educators. Their communication skills are notable. Spreading beliefs and contributing to moral standards are common patterns.

Over-expansion is a potential problem and can lead to problems. Major life circumstances may have forced you to put too much significance on social, educational or religious/spiritual expansion and rely too much on optimism.

You must learn to pace yourself and develop a more grounded, realistic outlook or your larger-than-life ambitions will be shot down by societal times as they often conflict with the times. Your ambitions and ideals are noble and grand but beware of a tendency to lose yourself in the big picture.

18) ► **Jupiter** ♃ **Parallel** ☌ **Fortune** - (0°50') ♎1 | ♏9

([67] astrotarot.net;) Show me the money and pleasure

Typical features that this conjunction brings: You have a “double dose” of the same sign. In other words, you have the double dose of your Jupiter sign. But, you are not especially sympathetic on a more personal level. You are too emotionally excitable, self-absorbed and brusque to be considered gentle and sympathetic. Also, you are brave and you

value personal freedom. Routine bores you. And you are inclined to seek out excitement in some form. You do not like to conform, you love to travel, do business and get involved in research activities. Your temper is quick, but it can disappear just as rapidly. Also, you may find it difficult not to let your strong emotions out, which has given this aspect a reputation of giving emotional rashness and a hot temper. But, this is simply a side effect of having such enthusiasm and energy for life.

- Positive traits: With Natal Jupiter – Part of fortune aspects, the potency of Jupiter will be enhanced in all of its positive forms. You will be naturally optimistic, certain that all situations will turn out fine, and in general happy with every day as you take it closer to success and wealth and joy.

19) ► **Saturn** ♄ **Parallel** ☿ **South-Node** - (1°51') ♈7 | ♎10

([203] astromatrix.org;) Rigid Habits

An outer planet in conjunction with one of the lunar nodes is a planet of special significance. This increases the importance of Saturn in your life.

With North Node opposition Saturn, this suggests you have learnt a good dose of Saturnine attitudes. While this can come out in a positive way, it is a potentially constricting aspect right from the start, due to the limiting and pessimistic nature of old, worrying Saturn.

You may have rigid habits or outlook, and your ambitions may be so far removed from what is the accepted norm by modern society that you could create a world of isolation, detached from life, ignoring social duties. This is potentially the hardest past-life life influence from which to escape.

It is easy for you to become stubborn or stuck in the past. You are bound to the old methods and mindsets, having many connections with elders. The house placement of Saturn shows where ideas or attitudes of the past keep them a prisoner. Your outlook may be gloomy, pessimistic or you may appear as miserly or selfish.

Major circumstances in your past life or early childhood may have caused you to develop a restricted, cynical worldview. Your judgmental, overly traditional, sour outlook will inspire much opposition in others.

Working on the positives of Saturn discipline, responsibility, organization and respect for boundaries, it provides the opportunity to do work of such remarkable mastery, precision, and expertise you can be in a class of your own, where the competition simply cannot touch you.

([584] 12andus.com:) Your strategies may be vague and fuzzy. You don't want to commit to a concrete plan. Instead you prefer to have a fluid and changeable strategy that will suit your changing mood.

Your intuition can help you but can also be a hindrance if you have not yet found ways to reality test your wishes and dreams. You may be confused by wishful thinking masquerading as intuition and this can dilute the effectiveness of your plans.

([64] astromatrix.org/) Pure Optimist

With Jupiter conjunct the Ascendant, you are the epitome of optimism. You do nothing in moderation because you are always hopeful that some of your excesses will work out for the best in the long run. You have an endless source of ideas with which to plan your success, and you are sure that you will succeed. With boundless faith in your abilities and a certain measure of luck, you don't worry about tomorrow and you care even less about yesterday.

You are ambitious, but in satisfying your ambitions you can bite off more than you can

chew. You exaggerate your own importance, which can be a serious liability if you are seeking supporters in your endeavors. No-one likes a braggart or a person who overestimates his worth. You are inspiring to those under you, but you should avoid making promises to them unless you are sure you can deliver.

You are generous, kind, sympathetic, benevolent, and the delight of anyone seeking a contribution in a fund-raising campaign, since you have a 'soft touch'. Generally, you are well informed about subjects that have an important bearing on your professional goals as well as about matters of general interest. You have the highest regard for institutions of learning, and with your providential nature you will probably endow some school.

You are too open with private or classified information, and if your competition beats you with a new product, the idea probably came originally from you. Try to be more conservative and serious. Your appetite needs curbing too, because you are inclined to put on weight, especially with advancing years.

([87] astromatrix.org;) The Psychic

This aspect presents many opportunities and many challenges. You are very sensitive to whatever happens around you, and you seem to soak up impressions like a sponge. But you do not always know what these impressions mean or what to do with them. Consequently, there is a real danger that you will be confused much of the time, especially about who you are and where you are going.

Unfortunately, with this aspect you tend to get discouraged and depressed about yourself, feeling that you will never get a real grasp of what is happening in your life. One of your parents, at least, should be able to lovingly but firmly guide you through life and point out the difference between realities and illusions. This position is often associated with psychic ability, which may be the source of the impressions that seem so confusing and hard to understand.

Your parents should accept the fact that your so-called fantasies are actually based on a reality that is not easy to understand. They should help you learn to interpret this reality rather than saying that you are only dreaming or making it all up. It won't be easy to find the right course to follow in life, but this position provides a few clues.

First of all, you should feel that you are working for a cause higher than yourself, whether it is serving or taking care of others in some way or working for an idea or faith. This aspect has a very strongly religious dimension. But it is more mystical than orthodox, and even while you are young you will be attracted to mystical and otherworldly ideals.

([170] astromatrix.org;) Fear of Rejection

Opportunities: 1. Having Stimulating Conversations 2. Working in Teams

Challenges: 1. Getting to Know Your Opinions 2. Overcoming Fear of Rejection

The Opposition between Mercury and your Ascendant indicates that you are a good listener. You listen carefully to the opinions of others before expressing your own. Often, however, the opinions you express will not be your own, but rather a reflection of who you've been spending time with recently.

Your mind is sharper and more creative when you have a partner you can bounce your thoughts and ideas off. In your personal relationships, your thoughts are reflected by your partner, who serves as a mirror giving you a different perspective.

You tend to pick up ideas and thoughts from others so much that you may not be taken seriously as someone has thoughts of your own. You want to be liked and therefore normally change your mind and opinions depending on whose company you are with.

For further development you need to ask yourself what it is that you really think, regardless of who you're around. Start with your core values and build up from there.

Stay open to other's opinions, but let them interact with your own and watch both morph accordingly. It's necessary for you to get past the fear of rejection you feel of daring to truly be yourself.

You are, at the same time, rather independent and will not allow anyone to restrict your freedom, but you love to talk things out before arriving at a decision. Conversations with you are always stimulating and lively. A career where communication is important such as sales, management and marketing could be quite successful for you as your talent for conversation will benefit you greatly.

([201] astromatrix.org;) Difficulty Asserting Yourself

The opposition between your Ascendant and Saturn affects the way you approach relationships and other people in general. There may be a deep sense of insecurity about the way other people perceive you, so you prefer to let other people come to you rather than going to them, as you can generally fear rejection or other people's reactions. This affects the way people perceive you and your personality, which can inhibit your relationships.

You tend to be quite reserved and cautious in your approach with others and tend to not show your emotions unless you are very close. This causes you to not develop your intimate relationships until later on in your life, most likely after your Saturn Return. You may feel like you need others to approve the way you do things or feel like the way other people do things is better or more important. This is the area of life where you are

required to develop self-mastery and maturity but the thought of opening up and being vulnerable to someone else can be a frightening prospect.

You may be drawn to those who display typical Saturnian traits such as business or someone who is solid and dependable; It can be helpful to look back at your own parent's relationship to see how this may have impacted upon you. Because you may have taken fewer partners or fewer opportunities for love to blossom, but when the connection is there, you pay it the serious attention it deserves.

You are more realistic, so you are less inclined to be swept away by big promises and fairy tale romances but as a result, your partner has the benefit of the real you. This placement can generate a fear that you just aren't lovable enough or good enough to be with someone else resulting in loneliness and isolation. Issues around partners and even open enemies may test your limits.

([213] astromatrix.org;) Get What You Want

The opposition between Pluto and your Ascendant shows that you will undergo some problems through your relationships. There is a tendency to attract partners who attempt to dominate you or manipulate you through deep feelings of fear and guilt. As a result, you may often find yourself involved in intense ego battles with your partner, there is a desire to maintain control and can occasionally lies and deception can occur within your relationships in order to gain the upper hand.

You want to transcend your personal limits and boundaries by fusing and becoming one with another soul. If you're not sure that you can fill your own needs yourself, however, there will probably be a compulsive element to the way you seek relationships.

Your personality is under a similar, constant evolutionary pressure to die and be reborn. Once you learn to balance and integrate your own internal energies, you could make an excellent psychotherapist yourself if you were so inclined.

([214] astromatrix.org;) Questioning Beliefs

Your early childhood experiences will have an unusually strong effect upon your whole life. One parent in particular will be very important to you, and it is essential that that parent's influence be for the good.

The problem is that the energies resulting from your early childhood experiences operate at a very deep inner level, probably unconsciously, so that they affect your life in ways that are difficult to understand. Negative experiences in childhood may give rise to fears, which bring about compulsive behavior patterns and bad habits. You might not even be aware of these fears, but if you understood them consciously, they would be less difficult.

On the other hand, attitudes that you pick up from your elders may seriously limit your ability to make judgments on the basis of your experiences. Be very wary about acquiring any prejudices, and always question your beliefs so that you know they are helping your life rather than hindering it. One of your parents may try to exert too great an influence over you, even when you have outgrown the need for it. That parent must recognize each new stage of your life and let go of you a bit at each stage. If he or she tries to control you too much for too long, your psychological development could be seriously slowed down. Of course, good influences from that parent will also have a very powerful positive effect on your whole life. It is simply that the bond with that parent is very strong, which can have both good and bad long-term effects upon your development.

([593] 12andus.com:) You make your devotion and desire for commitment clear.

Your longing to be a faithful and devoted partner is very much in keeping with your identity. You may see your partner or spouse as an extension of yourself. While you may feel like you easily connect with your partner, you also expect your partner to be stuck to you like glue.

When there is any doubt or discrepancy, or when your partner doesn't share your exact vision and opinion, you can take this to be a personal insult.

On the other hand, you will do anything to keep your partner happy and you make it your life's mission to use all your strengths and talents to uplift your partner and solidify the relationship.

In the case of Mercury Conjunct Saturn, the two planets are joined in a conjunction, they do astrologically become sort of a new planet, with its own distinct traits. The closer the conjunction is, the more this transformation is true. With Mercury Conjunct Saturn, your mind will be more serious and responsible, cautious and reserved. You have a depth of mind and are able to learn, study and discuss many topics as you are able to store information in your mind quite well.

You tend to avoid superficial trivial topics and like to investigate and question things as much as you can. You generally need empirical evidence to overcome your native skepticism. Your work habits are careful, tenacious, methodical, and industrious. You are probably quite organized, hardworking, and proficient at dealing with rules, regulations, fine points, and details. Writers with this aspect are typically masters of grammar and style. There is frequently great ambition, self-control, and a willingness to labor hard and long to achieve your goals.

12) ► **Mercury ☿ Conjunct ♇ Pluto** - (3°58' A) ♎7 | ♎7

([34] astromatrix.org;) The Spy

You should have a powerful, penetrating and incisive mind, which is attracted towards

delving deeply behind appearances. Whether these are social facades or intellectual theories or philosophies, your innate curiosity will enable you to look beneath the surface.

As you tend to see your mind as a resource which you can utilize, you often collect many fragments of information on your searches, which you attempt to collate together into a workable source. You feel 'at home' in your mind, enjoying applying it to a multitude of challenges and problems, confident in your ability to resolve them or make some kind of sense out of them.

Following your natural investigative ability, you have an inner process occurring whereby you attempt to extract meaning from your studies and experience, hidden meanings that are mostly relevant only to yourself, although some may be of value to a wider audience too. There is a purist streak in your mind which prompts you to take quite an impersonal attitude to people and events, especially attaching a high value to 'truth' over the social games that people play; your directness is likely to stimulate reactions from others.

As usual with the Pluto energy, there will be an unknowable depth and dimension to your mind, with a tendency towards powerfully expressed extremism and assertiveness as you proceed to manifest your objectives. Your ability to concentrate your willpower and sustain it for as long as necessary will aid you in achieving your dreams. Your beliefs and opinions will tend to be fixed; and you will be difficult to shake from any position that you have decided to take, preferring a vigorous expression of your standpoint against any opponents.

As you hate to be seen to have a weaker or fallacious argument, you tend to be well-prepared and confident upon any theme that you may be challenged upon; otherwise you have already prepared some way to evade a confrontation if you feel that you could be defeated. There may be a tendency to hold a grudge against any who have opposed you, or who stand in your way; and you will remember them, waiting for a suitable time to settle the scores. Unnecessary social problems and suffering for people will draw out a sense of aggrieved anger in you, as will social and political hypocrisy. You will tend to respond to these feelings by becoming more involved in reorienting your energies into channels which directly oppose those who appear to be creating or amplifying such problems.

You feel that you can contribute towards changing things for the better; and this can lead you towards involvement with radical politics. The nature of your political views will depend on your personal analysis of causes; but in extreme cases may tend towards anarchism. Any tactics of subversion will appeal to the Pluto energy, as will the emphasis upon change and transformation. If the social emphasis of Pluto dominates, then much of your life will be directed by the theme of transformation, social and political.

You will tend to be demanding in your personal relationships, expecting a high quality

and strength from any partner. But even though you may attempt to force him or her to submit to you psychologically, it will be much better for you if you fail, for a good relationship needs equality and mutual respect. You often tend to use your persuasive power to influence others to agree with you; but you have to learn more tolerance and a broader understanding of the freedom and rights of others to hold their own views. Ideally your long-term partner should be similar to you in outlook, motivation and interests, because you may tend to turn the relationship into a form of intellectual power struggle, which would probably turn it sour before long if you did not have these in common.

The obsessive tone of Pluto may cause some difficulties, both in your mental preoccupations, and in your relationship, especially if you are unaware of this aspect to yourself, which can easily turn you towards being excessively self-centered if unmoderated. The positive side of a relationship is that it can break down such tendencies and open up the awareness of 'the other'; certainly, you should learn to appreciate any relationship as bringing a more expansive quality into your life.

If you bring your desire for recognition and praise into balance with your desire to fulfill your sacred obligation, you'll find it easier to harmonize these opposing inner drives.

You may find yourself attracted to people whose need for nurturing mirrors your own. By taking care of others you try to simultaneously care for your unmet needs. Balance in showing your love and caring for yourself is essential.

19) ► **Mercury ☿ Opposition ♆ Neptune** - (9°41' A) ♃7 | ♆1

([168] astromatrix.org:) The Daydreamer

Similar to the square aspect, there are indications of an inability to distinguish clearly between the real and the unreal, and of a blockage of the creative and imaginative faculty. The key to resolving these issues appears to lie in your relationships with others, and especially in those projections from your own psyche that you are overlaying onto the world and thus distorting your own perception and insight. It is often your own sensitivity and impressionability to environmental influences that causes inner insecurity and fears of over-stretching yourself.

There may be an unconscious telepathic ability which transmits to you others' thoughts and motivations, and this can lead to confusion in your relationships, such as at times when they may be saying one thing and you are 'receiving' an entirely contradictory set of impressions on a more subtle level, which you register as a feeling of unease, disquiet and a lack of trust in them. In that context, you find it hard to believe the evidence of your own senses, and this has a direct impact on how you communicate to others.

When reality becomes confused and distorted, some respond by imagining conspiracies and enter a paranoid state, and this is a reaction to such intangible senses being operated and distorted by an unintegrated Neptunian imagination. You are often socially 'touchy', strongly reacting against real or imagined social slights, and this acts as a weak spot in your personality, especially as you lack a strengthening inner confidence.

Competition is not your style, although that does not make you immune to the influences of other competitive spirits in your environment, such as those at work who can easily ride roughshod over you in their scramble to reach the top. Sometimes you act as a victim, drawing out such tendencies from others, and then begin to bemoan your fate as they succeed and leave you only with disappointments.

Linking your rising star to working closely in employment dog fights may not be advisable. Your own gifts may flower more effectively once you have withdrawn from the employment rat race. Perhaps exploiting latent creative talents may be the key or entering some form of employment where co-operation is the underlying dynamic may offer you more satisfaction; but as human nature intrudes even there, the only answer may be a detached and sensible self-employment.

Cleansing yourself of deceptive influences is essential, not just those outer influences affecting you, but also that pattern of creating them in your own perception and evaluation. Unrealistic daydreams which are unachievable or never manifested are symptomatic of deception. For example, you create imaginatively high aspirations which because of their 'perfect nature' soar beyond everyone's grasp yet glitter in their pristine purity. Ultimately there is no real value in self-deception. It is a waste of valuable time and never leads to satisfaction. Perhaps it helps to avoid facing an empty, aching inner void, but that can more profitably be filled by something real, achievable and personally meaningful. Effort is needed.

Anyone can dream, millions do, but trying to achieve those dreams at least offers a direction to focus along. False naivety needs to be dropped, as do the fictitious aspects of your life and your approach to self-evaluation. A more straightforward type of communication, inner and outer, will reap benefits and break the stranglehold of illusory deceptions, leading to a greater understanding of your own and others' natures, so that in your own life you move from illusion to reality and increase the quantity of light in the world. Personal 'redemption' is always positive within a larger social context.

20) ► **Jupiter** ♃ **Opposition** ♄ **Saturn** - (0°42' S) ♄1 | ♃7

associate and enact the felt dichotomy in that way. You may find it difficult to balance discipline and responsibility with hope, confidence and positive action. You might tend to dream grand and somewhat unrealistic dreams, and yet neglect to lay a firm foundation for the future you are attempting to create.

You are very unsure of your own self-worth and identity and need others to reassure you of your own worth. This has probably come from some important role models in your life such as previous teachers, parents or even partners. 45) ► **Midheaven** MC **Square** ♏ **North-Node** - (4°40' A) ♄1 | ♏4

([455] astromatrix.org:) Work Life Balance

With North Node square the Midheaven, success and monetary gain come through your domestic life. You always have a roof over your head, however temporary. You benefit through your parents and other family members. The timing of events in your domestic life with current social events brings good fortune, especially in your later years.

However, misfortune comes through blocked professional interests as you rarely get the recognition you sometimes deserve due to lack of poor timing. Societal restrictions or expectations may lead you into a career which brings you no fulfillment, yet you would rather go along with the flow than try to find something else. This may lead to problems with co-workers or employers since your self-expression is so constricted at work.

Your karmic path is not aligned with your ambitions; it is suggested that in a prior life that these people received plenty of recognition for your efforts or perhaps you attained power through inheritance or manipulation. You may have been in positions of authority

where others would have helped you achieve great things or notorious things, much depends on the aspects to this position.

There is often a need to develop a sense of humbleness as well as a modest attitude where you will put emphasis on the home and family rather than making a name for yourself. You may have to take a humble stance in the material world and leave behind their need for recognition and achievement. You will be drawn too working within the family and home environment, developing yourself on a deep emotional level, which is quite different from your previous existence.

46) ► **Sun** ☉ **Square** ♌ **Jupiter** - (5°49' S) ♊5 | ♎1

([380] astromatrix.org;) Wasting Energy

This implies confronting frustrations which have their roots in your nature and attitudes, and which can only be resolved through changes and modifications within yourself. The Jupiterian quality of expansiveness is very potent, stimulating excess expansion in your actions and attitudes, tempting you consistently to overreach your actual capabilities. You may lack patience, planning abilities, self-discipline and persistence, and these will work against your ambitions succeeding, even though attaining your aims may be highly motivating. It is not that you are incapable of success, but that your approach sows' seeds of future failure as you pass. If this has happened in your life, then acknowledge it, and realize that future progress can be made if certain inner changes are taken.

The first step is to ensure that you determine your intentions and aims, and how you can proceed to accomplishment. As your desires and dreams can be varied and multiple, focusing your path may prove difficult, and you may need to pursue a thorough re-evaluation of your priorities and major needs in order to gain clarity of purpose. Moving too quickly can often lead to failure due to ill-considered plans, so you may need to stop and think more deeply before jumping into action or pay more attention to the advice of others. A careful assessment of your current capabilities is required, so that they match the level needed for your goals; working with talents tends to expand latent potential, but a requisite level of skills is initially necessary.

A more realistic appreciation of time is essential, or else you will feel your frustrations rising if success does not happen quickly. Excessive optimism and enthusiasm may need to be warily reined back, as do restless tendencies for changes in life, which can become more disruptive than helpful unless properly understood.

The areas of life especially affected are the houses and signs which are ruled and occupied by the Sun and Jupiter, it is through those spheres that you may over-expand or seek fulfillment within. If you sincerely wish to transform any pattern of frustration in your life, then becoming more realistic, mature and self-controlled will begin to show benefits, especially if you are systematically disciplined to overcome obstacles as they arise.

Accepting that failure need never be permanent, or that success is never final or guaranteed, can offer you a more balanced perspective to view your progress. Modifying your attitudes towards life challenges so that they become opportunities for development and growth, instead of perpetuating attitudes of adversarial conflict imposed by a universe intent on thwarting your dreams, will ensure that every experience can bring something of potential value to use as a foundation for your eventual success.

Balance and moderation may need to be consciously developed in your nature and lifestyle, and extravagance or ostentatious tendencies may need to be controlled due to that pattern of excessive consumption that could be adopted as a compensation for other areas of personal failure. Learning to use your energies and time carefully is important, as you may waste them by futile pursuits. Unlocking latent creative potential may be difficult, yet if you can do so this may open several new doors of opportunity, liberating blocked inner energies and providing the key to future success.

In relationships, you may need to guard against tendencies to manipulate people, as this will rarely work to your ultimate advantage; there will always be some other puppet master capable of pulling your strings. Similarly, attempts to distort information for your own aims will equally be turned back against you by others also adroit at such tactics. Treating people honestly and directly is the best approach, and you should possess good communication skills which could be applied to transform blockages and obstacles.

You may find that if you rely solely on your 'luck' your progress will be restricted; but if you begin to change those problematic attitude areas and approaches then 'luck' will begin to flow again in your favor. You have high expectations in intimate relationships, especially centered around the fulfillment of your needs and desires; remember that it takes two to make partnership and marriage, and that there is no law that asserts that your needs are paramount. Real love involves mutual sharing and co-operation, each helping to make the other happy, fulfilled and capable of reaching his / her highest potential, it should not be a one-way traffic.

Co-operation and interdependence may need developing, through a diminution of the insistent demands of your ego; otherwise, excessive self-indulgence can stimulate problems of health and corresponding illness. Make sure that your expectations and demands of a partner are equal to your own contribution, and to the degree of commitment and effort that you are applying to make the relationship work.

47) ► **Sun** ☉ **Square** ♄ **Saturn** - (6°31' S) ♀5 | ♃7

([381] astromatrix.org;) The Struggle For Success

The issue of self-esteem and worth is highlighted, and you may experience a degree of hidden insecurity and fears of full involvement in life. You may feel that your success is being frustrated by the world, which appears to confront you by obstacles on your way. Much depends on your reactions to such experiences, and your inner attitudes will determine how you deal with them.

At times, you can seem almost over-assertive or aggressive, and this can diminish opportunities for co-operative endeavors to develop, especially when you fail to notice your effect on others, or inadvertently ignore their feelings and sensitivities. Often this is just an overreaction to your fears in relating to people, and instead of relaxing more, you tend to project through your tightness an over dominant energy that others can find uncomfortable. Alternatively, you could retreat back into a surrendered posture of passivity to life's challenges, defeated before you start.

Certainly, learning how to live with any restrictions imposed by Saturn may be a necessary form of adjustment, although this should not imply a resignation to them, but merely a conscious modification to circumstances and a consequent step to transcend them later. The choice is yours to reshape your lifestyle patterns into a way that is more suitable and open to development.

Self-expression and creativity may feel restricted, although this is often dependent on your confidence in your abilities and self-image, rather than on any lack of talents and qualities. Being able to perceive yourself in a positive light may become a key to your success, because that would also alter your relationships with others.

There may be an emotional reserve and lack of warmth in your social contacts, so that you feel uncomfortable in bridging social divides and entering deeper relationships. Co-operation may need further development, and that air of formality and strictness may have to be relaxed so that friendships or partnerships can be more easily formed. The need for relaxation is present in both your outer and inner relationships. You may be unable to see your nature and direction clearly and this creates an insecurity which destabilizes your self-esteem.

Personal tightness and control may need to be relinquished, and greater self-relaxation would be highly beneficial, especially in changing certain attitudes and increasing your physical vitality which periodically can become low as the energy is diverted towards restraints. Becoming looser, more tolerant, accepting and understanding would act as a great liberator, or you may begin to bow under the strain of those self-imposed restrictions, especially as your enjoyment of life progressively diminishes. A new inner balance and self-image is necessary. As this is achieved, any outer frustrations will correspondingly start to dissolve in equal measures to the increase in your self-confidence and clarified inner perspective.

While initially it may appear as if the outer world and people are opposing you, it is this same source which can offer great opportunities as your changes proceed. Through the interplay of your nature and the environment, many inner crises and tensions can be healed and resolved, releasing latent qualities, talents and potentials in their renewal of blocked energies. Look especially towards the houses and signs of the Sun-Saturn opposition for areas which could be especially revitalized, or where your talents could be

effectively applied.

48) ► **Sun** ☉ **Square** ♄ **Chiron** - (2°07' S) ♍5 | ♏8

49) ► **Moon** ☾ **Square** ♀ **Venus** - (3°58' A) ♏9 | ♀6

([389] astromatrix.org:) The Overreactor

Opportunities: 1. Intimacy Without Fear 2. Committing to a Great Relationship

Challenges: 1. Developing Self-Knowledge 2. Accepting Love

This indicates probably inner stress and tensions related to your social and intimate relationships; your emotions will be the battleground. These emotions will feel extremely powerful; and your fear of losing control over them may result in repressive behavior which tends to avoid relationships that awaken deeper emotional responses. Yet at the same time, you need this emotional involvement and those intense feelings.

With your emotions and feelings being polarized, you often prefer to retreat from commitment, rejecting the personal obligations that may be required from relationship. These behavior patterns can be seen in a starker light at times when commitment is required in relationships. Because you refuse to acknowledge the depth of your feelings, deep-rooted fears begin to rise. These can include fear of losing freedom, fear of another's power over your emotions, and fear of experiencing love's transformative fires.

Once someone begins to impose his or her needs, demands, and will on you, his / her

expectations of your predictable behavior often can awaken a rebellious attitude within you. Your insecurity and fears result in contrary behavior that can create relationship conflict just when real progress could be made. Your reactionary drive for independence and your tendency to reject signs of possessive behavior or demands for your exclusive loyalty may shatter any potentially restrictive relationship. While there may be valid grounds for rejecting such tendencies, your reaction mainly reflects inner fears and unresolved personal issues, and tends to be negative, resulting in heartbreak and disillusionment for yourself and others, and enforcing an increasingly bitter and cynical view of the nature of intimate affairs.

Other behavior patterns associated with this square include self-indulgence and sensuality. You may become involved with indiscriminate affairs and unsuitable partners as a consequence of lacking self-understanding, coupled with a deep need for relationships. Often, attempts at breaking free of threatening restrictions only propel you into other, equally unsatisfying relationships. If you adopt a more passive response to your relationship stresses - instead of taking the active and dominating role - you may experience others taking advantage of your initial trust, manipulating your emotions and needs, and using you as a support and foil for their own emotional tensions and confusions.

Sometimes emotions blind you to the real feelings of a partner, until a situation occurs in which, to your surprise, you realize that their feelings are not as powerful as yours. This tendency toward illusions also spills over into your social relationships, where you often misinterpret the honesty and sincerity of others. You can lack understanding of their motivations, so that judgments are seriously affected. Yet this also springs from your lack of self-knowledge; getting to know yourself better will help you to understand others too, and this will enable you to avoid unsuitable relationships.

By analyzing the types of people that attract you and the resulting types of relationship, you can expose your hidden needs and behavior patterns, and become aware of those unconscious traits which shape your choices. At some stages in your life, you may need to withdraw a little to gain these perspectives, especially when you are trapped in a repetitive whirl of failed relationships. Your needs are still urgent and pressing; but transforming attitudes through self-understanding may be crucially necessary.

Certain patterns active in you are probably derived from childhood experiences and conditioning. The relationship with your parents may have been unsatisfactory, especially in shaping emotional responses, which is why you now have ambivalent and contradictory feelings of need and denial when commitment is expected. There may even be feelings of guilt and non-acceptance of your emotions. A withdrawal from relationship commitment could stem from a similar withdrawal of a parent from you during childhood. You may now unconsciously seek to punish a parent by rejecting others who try to get close to you.

Choice of partner is extremely important, and the key to relationship success; but the art of choosing a suitable partner depends on self-knowledge, so that both are complementary and in essential harmony with each other. Your early choices are likely to be unwise; and any early partnership will probably run into troubled waters due to your inner confusions and unresolved issues.

New perspectives on yourself and your needs may be achieved through a transformative period of relative isolation from relationships, allowing a pause to dissolve patterns through greater understanding; this can enable insight, emotional maturity, and greater independence. Personal therapy or relationship counseling could be important to progress in future partnerships.

([309] astromatrix.org;) The Achiever

Opportunities: 1. Reaching Long-Term Goals 2. Being Practical to Achieve Success

Challenges: 1. Learning from Authority Figures 2. Making Independent Decisions

This can be a strong indication of personal success. You have a strongly developed notion of who you are, and even while you are young you will want to be an achiever.

You want a great deal out of life in terms of goals and material possessions, but you are willing to work for them. You see the necessity of putting off today's pleasure to reach tomorrow's goals. At the same time, you can get others to work with and for you, so that all of you can achieve your goals. You are probably a very practical person.

You may have very strong ideals, but you are not likely to be carried away by them, unless the planetary energies in your chart are very idealistic. Even then, your ideals are likely to be about matters that affect everyone in the real world. You have a strong sense of your own values, and you will not get along well with people whose values are very different.

Authority figures, starting with your father, will be very important in your life. If your father is absent from the scene, your mother may play a fatherly role. The first people in your life who act as authorities will strongly influence your ideas of success and the kind of success you will pursue.

Generally speaking, you should have a very good experience with these people, and they will give you a great deal of self-confidence so that you can stand up for yourself. Eventually you will be able to make independent decisions and govern your own life as well as the lives of others.

Opportunities: 1. Being Caring 2. Connecting Emotionally to Others

Challenges: 1. Letting go of Possessions 2. Avoiding Possessiveness in Relationships

You become so attached emotionally to objects as well as people that you tend to think of them almost as part of yourself. This will make you a very caring and loving person in relationships, especially as you get older, but you may try to be overprotective and possessive also. Don't try to limit the freedom of those you love, because you could drive them away.

While you are young, you probably enjoy taking care of pets and even wild animals that need help. You like to be surrounded by familiar objects that remind you of the past, which is very important to you. Also, you may enjoy owning old things, which could mean that later in life you will collect antiques.

Certainly, you would prefer a home that has some sense of the past, that seems tied to a tradition. Objects and buildings that are shiny and new do not attract you as much. When you are older, owning and taking care of land may be very important, because it makes you feel that you have roots, which you need very much.

You may be interested in gardening or farming. This aspect could mean that you tend to collect objects simply for the sake of having things around you. This habit could clutter up your life in more ways than one.

Taking care of a lot of extra things could control your life and limit your freedom of movement. It could also distract you from doing things that will help you grow. You need to learn as soon as possible that real security does not come from having material possessions.

([298] astromatrix.org:) Mutual Love

Opportunities: 1. Learning Lessons from Your Mistakes 2. Leveraging Your Internal Harmony

Challenges: 1. Improving Your Follow-Through 2. Tapping into Your Talents

Sun Trine Moon in your natal chart Indicates that there can be a positive harmony of conscious will and your instinctual, emotional, and habitual response patterns to life; fewer inner conflicts between your feeling reactions and the application of your purpose should occur.

You are likely to feel self-confident and optimistic about fulfilling your potential, aims and ambitions, and you may discover that doors open for you at the right times, or people offer support and help which enable you to move forward; luck may be a factor in your life. Your early life experiences, parental relationships and childhood social conditioning are likely to have been generally favorable, and little negativity has made any deleterious mark on your development.

In your adult life, you will try to maintain good family relationships, both with your parents and with any family that you are responsible for creating. You tend to relate well with young children, who enjoy your sincere concern, care, understanding and attention. You ensure that you learn from all experiences so that lessons do not need to be painfully repeated.

One area where extra prompting may be needed is in application. As your basic temperament is relaxed and laid-back, generating sufficient momentum towards achieving aims can sometimes seem to be too much hard work to bother. You may be unwilling to stretch and really challenge yourself to develop, and thus may fail to realize the depth of latent potential that you actually possess.

In fact, you should have considerable natural talents waiting to be exploited, and you should become alert to any opportunities that offer the prospect of growth and evolution,

so that your creative drives and ability to unite feelings and will are successfully released in your environment.

73) ► **Sun** ☉ **Trine** ♀ **Neptune** - (3°40' A) ♊5 | ♎1

([306] astromatrix.org;) The Inspirer

With the trine, there is the potential for a successful reconciliation and resolution of the Neptune-Sun energies, leading to a powerful positive blending of the individual Sun center and the transpersonal outer planet.

Potential is present, but there may be question marks against your incentive, motivation and application in exploiting latent talents. This is the hurdle that can face you, especially when confronted with the nature of choice and decision over your life-direction.

You may be multi-talented in a variety of artistic and creative ways; music, art, literature, dance, drama, yet find it hard to be focused and sufficiently disciplined to become a master and not a jack of all trades. Associated with a perceptive mind, which is capable of good assimilation and understanding, should be an intuitive quality too, which you can use as a source of insight and knowledge. This intuitive or psychic faculty will mainly operate through the emotional nature as empathic identification, in distinction to the Uranian intuition which is more mental and impersonal in nature. This intuition often gives you insights into the nature and motivation of others around you, and environmental atmospheres can influence your state of mind and well-being.

There can be ambivalence towards social involvement and responsibility. Much depends on the nature of your expression; if it is within creative and artistic spheres, then your focus of attention and energy is absorbed within the creative vision. You are not unresponsive to social concerns, but you feel that being a creative channel is your contribution to society. Or you may respond to the Neptunian vibration by opening your heart wider, feeling a channel for 'universal love' supporting and uplifting others.

This path is one of service to the community of human beings, and medicine can be a favorite expression, or similar forms of physical, emotional and mental therapy and healing. In relationships, emotional freedom and trust are highly valued as components of an ideal romantic love. You tend to be emotionally faithful and give priority to the virtues of a close and loving family environment. Your empathic and sympathetic nature adds to those feelings of closeness with family and friends.

76) ► **Sun** ☉ **Trine** Er **Eros** - (0°44' A) ♀5 | ♀1

77) ► **Moon** ☾ **Trine** ♃ **Neptune** - (4°38' S) ♀9 | ♀1

([317] astromatrix.org;) The Artist

Both the sextile and trine aspects of Neptune to the Moon are often found in the charts of artistic and creative people, especially those with a personal interest in increasing the amount of beauty and goodness in the environment of social life. This can manifest itself in a variety of ways, from improving someone's living conditions, through more aesthetic cultural appreciations, to enjoying a well-made film or admiring an evocative painting of harmony and beauty.

The trine indicates the potential for a successful resolution of these two planetary energies, so that inner imaginative and sensitive life is integrated with a suitable form of outer expression. As there is a tendency towards environmental hypersensitivity, you need to discover a way of response that allows you to use this perception in creative ways, through revealing to others this more subtle and perhaps hidden invisible

dimension of life, so that they too can appreciate and contact the vitalizing, uplifting and inspirational quality of the inner realms. This is why this aspect can often be found in those who are dedicated to film, dance and the arts as revealers of enriched perceptions of life, and where the Neptunian muse works through into the world.

You are likely to possess such innate talent, and, provided that you make the effort to manifest your inner imaginative dreams - perhaps associated with your Venus - then you can be productive. If, however, you have a weak or badly aspected Mercury, Saturn or Mars, then you may have certain obstacles to overcome before your dreams can turn into reality. Otherwise, you may be able to offer rich dramatic artistic creations for the stimulation and enjoyment of others.

Generally, you are a beneficent spirit, warm and compassionate to others and aware of the social dimension to life. Yet you may be more attuned to applying your energies in a distinctly creative manner than to being preoccupied with more direct social action, believing that creativity is the best way for you to contribute towards the advancement of society.

Your interest is usually in the unfolding of individual potential, and you can place much effort into encouraging this in others, especially your family and younger people. Sometimes, though, you may be a little self-centered in attitude - especially when under the influence of an artistic muse - and prefer to be freer from social or family obligations in order to concentrate on releasing your creative spirit.

In relationships, you prefer a partner to have independent interests and the ability to be more self-reliant and not excessively dependent on you. Partners should have a corresponding artistic appreciation and sensitivity, culturally developed so that mutual understanding is present. It may be that your creative spirit is fully satisfied by the creation of projects which can have a direct benefit for others, which contribute to improving social conditions in some way.

From these you too would benefit as the quality of the social environment improves, and so diminishes the level of negative impact that it can make on you. There can be a prophetic element in your creativity; intuition, related to people and directions, can play a vital role in your life, and art can give direction or voice to underlying social needs too. This is the psychic dimension operating; it requires attention.

78) ► **Moon** ☾ **Trine** ♁ **Juno** - (6°44' A) ♀9 | ♀5

The social sphere of life will be of considerable importance to you, both as a personal need for contact with others, and in the enjoyment that you derive from it.

([489] astromatrix.org;) Trouble Expressing

With the North Node inconjunct the Moon, you may have difficult relationships with women, especially your mother although there is frequently a strong psychic link to her. The emotions undergo difficult spells, especially you have trouble expressing your sensitive side, causing others to see you as cold or more standoffish than they really are.

Getting the support of others does not come easily, you may feel alone, forced to rely on themselves. Losing loved ones is extremely hard on them. The mind is of an unusual nature and the thought processes are different. There are anxieties verging on paranoia or causing crippling fears. You may not be comfortable dealing with crowds.

Memories of difficult experiences working with the public from previous incarnations may inhibit your expression and evolution. You are working on strengthening and balancing the emotions, stabilizing the mind, and handling the impressions coming in. If the impressions get away from them, there can be a fascination with occult practices of an unhealthy sort. In some cases, the South Node influence destroys the sensitivity of the Moon, bringing out a cruel and hurtful personality.

There is a tendency to feel alienated by others' lack of cooperation and support, and you may feel that you have bad timing. As a result, you isolate yourself further as a defense mechanism and create a perpetual cycle where you feel lonely and negative all the time. You must learn to stop being so defensive and develop a backbone. Learn to be more malleable in adverse situations. Not everyone is out to get you or take advantage of your vulnerability.

([178] astromatrix.org;) Jealous Lover

The challenging aspects of square and opposition invariably display the dark face of the distorted Pluto energy, and require considerable individual transformation and self-understanding to mitigate the potentially negative impact on life that they will otherwise influence a person to experience.

It is important to remember that this influence to confront the darker side of the psyche is inherently positive and creatively beneficial if it is used to orientate your inner life, and that this is the hidden purpose of the Pluto impulses. It is likely that you will experience a repetitive pattern of sexual love and emotional affairs which either do not seem to satisfy and fulfill you, or collapse into failure, acrimony and suffering. This can lead to a jaded, cynical attitude founded upon a frustrated, demoralized emotionally battered perception of love.

Your emotional intensity and passion are likely to cause difficulties for you, as it often seems to run away out of your control and can take you into situations and encounters which from a clearer perspective you would consider to be undesirable. Certainly, you are looking for something; but your sexual and emotional desires can be too strong, creating distortions of inner energy and leading to compulsive behavior on your part - followed by an attempt at justification in the vein of 'I couldn't help myself...'.

Either you will feel driven to experiment in various relationships on a continuous basis, or, as a reaction, you may attempt to avoid entering any emotional affair as you are afraid of experiencing the old established pattern again. Problems can arise in your intimate relationships due to your tendency to introduce the element of domination. You tend to demand your own way or assume a dominating role, sometimes played out in potentially damaging sexual and emotional contexts, sometimes obvious, sometimes more subtle. Even if you assume a submissive role, it is only as a hidden way to manipulate and achieve your intentions through a subtle route; it is not your natural approach. Usually, you want your partners to change to suit you, and you can put intense pressure upon them, especially sexually and emotionally.

You will need to learn the necessity for mutual compromise in relationships, to understand your inner underlying desires and impulses which are conditioning and controlling you from the depths of your unconscious. It may be appropriate to study humanistic psychology or take part in a course or therapy designed to bring about safe release of hidden impulses into the light of conscious awareness.

Such impulses, and unconscious inner fantasy lives, are present to some degree in everyone; but with this aspect they will stimulate problems for you, which are resolvable if you are willing to confront them in an act of personal reintegration and transformation. This will also serve to balance out your erratic flow of emotional desires, which often seems to confuse you and your partner, as you appear to 'blow very hot and very cold' in your responses to them; this is when your inner impulses arise and fall in some hidden rhythmic cycle, leading to uncontrollable emotional and sexual needs and intensity, or to a lack of response and to coldness.

Always, the choice is yours; potentially you can defuse many of the difficulties that usually face you in relationships, or you can continue hoping that they will lift of their own accord. Pluto is influencing you to take the positive approach, by facing you with the results of being passive to the inner forces and by remaining unconscious of their hidden promptings.

The Lots (Arabic Parts) (322th Harmonic)

There is not much information on these lots. Lots are points calculated almost always from the Ascendant and two Planets (or the Moon) or another one of the lots (then Schmidt's correction is used). The formulas used are based on Paulus Alexandrinus' and Robert Schmidt's work. Valens is another name that reoccurs with the information for these lots. (He might have slightly different formulas, but I think I took the best ones.) The texts are from 'astro.com' and 'astrology-x-files.com'.

Lots used for ranking eminence:

When these lots and their rulers occupy each other's places it indicates personal power and social mobility (eminence).

The **Lot of Fortune** is in 12° **Gemini** 10' and in the **9th** house.
Part of Fortune was already interpreted in detail.

The **Lot of Spirit (Daimon)** is in 28° **Aquarius** 47' and in the **5th** house.

"higher intellect" "guardian spirit/angel" The Lot of Spirit is a point which has strong psychological and spiritual overtones, unlike the very physical-plane based Lot of Fortune. The Lot of Spirit has to do with the nature of the will, what you intend (as opposed to what merely happens to you), and also has much to do with career, but apparently more your career as a statement that you make about what you are in the world. It also has to do with illness, like the Lot of Fortune, but it would seem that with the Lot of Spirit we are talking about the spiritual bases of illness as opposed to the physical bases.

"Spirit happens to be lord of soul, temper, mindfulness, and every power; and sometimes it also cooperates in the determination concerning what one does." - Paulus Alexandrinus

The **Lot of Basis** is in 3° **Aquarius** 52' and in the **5th** house.
Calculated from Asc, Fortune and Spirit.

The **Lot of Exaltation** is in 19° **Cancer** 54' and in the **10th** house.
Valens says that it shows what the native is happy doing if it doesn't indicate eminence (by falling mediocre or amiss with little connection to spirit or fortune)

The Seven Hermetic Lots:

Adding Fortune and Spirit makes them 7.

These 5 are calculated with Schmidt's correction formulas.

The **Lot of Eros** is in 3° **Libra** 5' and in the **1st** house.

"Eros signifies the appetites and the voluntative desires. It becomes a contributing cause of friendship and mutual favor." - Paulus Alexandrinus

The **Lot of Necessity** is in 25° **Leo** 29' and in the **11th** house.

"Necessity signifies constraints, submissions, struggles, and wars, and makes enmities, hatreds, condemnations, all the other restrictive things befalling men as a result of their birth." - Paulus Alexandrinus

The **Lot of Courage** is in 2° **Scorpio** 16' and in the **2nd** house.

Indicates fortitude (or lack thereof). It is based upon Fortune (the physical body) and Mars (actions). Where this lot is placed by house seems to show what we have to face and what we most fear. "Courage becomes a contributing cause of boldness, treachery, might, and every villainy." - Paulus Alexandrinus

The **Lot of Victory** is in 19° **Gemini** 42' and in the **9th** house.

"Victory becomes a contributing cause of trust, good expectation, contest, and every association; but sometimes it contributes to penalties and rewards." - Paulus Alexandrinus

The **Lot of Nemesis** is in 5° **Virgo** 31' and in the **12th** house.

This lot seems to indicate what is most likely to bring the native down. "Nemesis becomes a contributing cause of subterranean fates and of everything which is ice-cold, of demonstration, impotence, exile, destruction, grief, and quality of death." - Paulus Alexandrinus

Nemesis in Virgo: lack of faith, jumping to conclusions

Nemesis in Twelfth house (Pisces): indiscretion, being gullible

Lots related to family:

The **Lot of the Father** is in 27° **Cancer** 0' and in the **10th** house.

If the lord of the lot of the father is dignified and is pivotal (angular) the father is strong and fortunate and may be eminent. If in decline and debilitated, judge the opposite. - Paulus Alexandrinus

The **Lot of the Mother** is in 24° **Cancer** 26' and in the **10th** house.

Same as for father.

The **Lot of Siblings** is in 19° **Aries** 46' and in the **7th** house.

The **Lot of Children** is in 21° **Aries** 11' and in the **7th** house.

The **Lot of Daughters** is in 8° **Pisces** 33' and in the **6th** house.

The **Lot of Sons** is in 9° **Aries** 38' and in the **7th** house.

The **Lot of Marriage for Woman** is in 1° **Sagittarius** 36' and in the **3rd** house.

The **Lot of Marriage for Men** is in 9° **Virgo** 15' and in the **12th** house.

The **Lot of Deceit in Marriage by Woman** is in 2° **Scorpio** 13' and in the **2nd** house.

The **Lot of Deceit in Marriage by Men** is in 2° **Sagittarius** 44' and in the **3rd** house.

The **Lot of Marriage (in general)** is in 2° **Gemini** 19' and in the **9th** house.

Lots related to society:

(Hellenistic)

The **Lot of Debt** is in 0° **Scorpio** 31' and in the **2nd** house.
Indicates what could be a source of financial losses or debt.

The **Lot of Theft** is in 20° **Aquarius** 31' and in the **5th** house.

The **Lot of Treachery** is in 0° **Gemini** 20' and in the **9th** house.
Betrayal of trust

The **Lot of Accusation or Exile** is in 23° **Leo** 44' and in the **11th** house.
Lot of Being in a Foreign Land (exile), Lot of Accusation, also Lot of Police: indicate areas of life where someone may be accused of something, either falsely or truthfully.

The **Lot of the Destroyer** is in 2° **Scorpio** 13' and in the **2nd** house.
We have little systematic information of its use except that it seems to relate to the manner of death. I would urge astrologers not to be careless in the use of this lot.

Pholus | Sudden Life-Changing Events

Pholus helps us achieve our soul contract and mission, the symbol of turning points (of no return), the catalyst, a small cause yielding a large effect, explosive results, transformation without premeditation, euphoria, self-destruction, awakening, curing addiction, release, searching, intensity, discovery.

Here, painful realizations of boundaries and responsibilities come as you grow. Pholus is where one absentmindedly, even blindly, goes about one's business until he sees the mortal light and crashes, grounded by confrontation of karma and responsibility.

Pholus in Scorpio

(canvasofthecosmos.tumblr.com;) Pholus in 8th House/Scorpio: You search for something that will open the doors to intimacy, but get closer to others than you could ever hope for. You often joke about how emotional you are fully aware of how deeply your wounds hurt, and you learn that laughter is the best medicine at an early age. You may absorb others' passions for your own gain. You expect the most out of your relationships because that's exactly what you bring to the table. When you do let someone in and get attached, you share what you have in hopes that the return will be higher. You don't let go without years of resentment put behind you, should someone let you down. This placement makes you as quick to hate as to love, as these emotions go hand in hand for you. You have premonitions of the end and want to quickly get the grieving process over with before something even dies. Remember that change is inevitable and the grieving process is far from linear, as your explosive emotions may get the better of you until you learn to keep them in check.

Pholus in 2nd house

(12andus.com;) If you are missing an important lesson or out of line with your values, dramatic changes will be set into motion that bring you back into alignment.

Hard awakenings can come from disruptions to your security, abundance and finances. You may have a rude wake up call that comes as a result of a seemingly small issue in your financial life. A small misstep can create dramatic insecurity or snowball into greater financial conflicts.

When you get back into alignment with your values, however, you will be able to turn the situation from a catastrophe into an opportunity for breakthrough and healing.

Your desire for security and financial abundance can lead to toxic greed or hoarding if

you aren't careful. You may have to realign with your true values and sense of security rather than falling into materialistic trappings of security.

Eros | Love, Desire, and Sexuality

Where you break with logic and rationality in favor of desire, associated with bringing havoc, your most powerful turn ons. Is used a lot in synastry.

Eros in Pisces

(12andus.com:) You are obsessed with the idea of transcending the physical body.

You may use sex as a vehicle for spiritual transformation as well as deep connection. You may fantasize about or use mind altering substances to enhance your sexual encounters.

You love to lose yourself and transcend boundaries in order to feel complete connection with a partner. You may be drawn to creating a mood with creature comforts and sensual music in order to feel completely entranced in the moment.

Fusing sexuality and metaphysical and occult pursuits is also arousing to you. You may fetishize some aspects of spirituality. You may also become codependent and obsessed with your partner.

Eros in 6th house

(12andus.com:) Your everyday routines can be a source of erotic fascination for you.

You may be easily seduced by someone at your work or become fascinated by the idea of having an affair in the office or in the midst of conducting your daily tasks.

You may also be attracted to the idea of a romantic affair in a health related setting or a fantasy involving a doctor or nurse/patient relationship.

You can be turned on by details of someone's body or by the mechanics of lovemaking more than the entire act itself. If there are certain aspects of sexuality that appeal to you, you may research extensively and work to perfect your techniques.

You are cautious about sexual encounters though and are always mindful of risk and infection. As a result, you may prefer fetishes involving things other than contact with another's body.

You can easily see the coming patterns and trends even long before it makes sense to others. You may be one of the earliest people to sound the alarm when a pending threat or catastrophe looms.

Yet you can only do so much to contain major events which may be the harbingers of milestones and turning points in the long run.

When you use your creativity and innovations to try to work through major catastrophic events, you can find greater spiritual insight in the course of events that unfold, even if the catastrophic events are out of your control.

Your attempts to make others feel nurtured may also lead you to make choices that unleash dramatic crises and dramatic events as well.

Your style of protecting others during a crisis may be to become practical, caring and nurturing to others.

You may go out of your way to provide food, resources and accommodations to make sure that others have a solid foundation during crises as well.

3) ► 28° Scorpio 19' **Pholus** ✎ **Opposition** ♀ **Pallas** 0° Gemini 20' - (2°01')

Your warrior spirit may make it difficult for you to adapt to the changes required of you during times of unprecedented upheaval. Major life turning points may cause you to pivot in ways that go against your initial plan or strategy.

It can take some effort on your part, but once you are able to work through your resistance and let go of the need to manage a crisis, you'll be better able to see the bigger picture.

With this perspective, you'll also be able to better find ways to lead others and help others see the crisis situation as a path to transition into greater advancement collectively.

You may find greater courage to fight for your beliefs as the result of going through a dramatic milestone.

12) ► 28° Scorpio 19' **Pholus** ✎ **Trine** ♋ **Eros** 27° Pisces 33' - (0°46')
(12andus.com:) You may feel you have to keep control of your erotic encounters and prefer to have a predictable and low key love life, yet turning points can challenge this.

A change in circumstances or crisis can unleash aspects of your sexual nature which you tried to suppress or control. You can become unexpectedly and intensely attracted to unusual partners who shake up the stability in your life and introduce you to new ways of exploring your sexual desires.

You may find it difficult to reconcile your sexual desires and longing for stability and although you may try to suppress or hide your own desires at first, you may come to find an unusual and chaotic partnership to be difficult to resist.

13) ► 27° Pisces 33' **Eros** ✎ **Opposition** ♄ **Neptune** (Rx) 7° Libra 29' - (9°56')

You understand this risk and so you may try to minimize your emotions and act like you don't have the high degree of sensitivity you actually have. You may have to work hard to embrace your passions and emotion.

You can become fixated on an attraction to a partner who is not good for your standing in the community or you may become an infatuation with someone in your profession and this can then create a dramatic scandal.

You may have to make some changes to find the balance between your erotic desires and intimate partnerships and not threaten your standing professionally or in the public eye.

You can learn to express your needs and fantasies but it will take some effort to remain grounded and not allow your infatuation with your partner to undermine your career success.

15) ► 27° Pisces 33' **Eros** ✎ **Sextile** ♀ **Pallas** 0° Gemini 20' - (2°47')
(12andus.com:) You may find it easy to express your deeper desires when you are fired up about a cause or campaign.

(12andus.com:) You can find it challenging to summon the strength and courage you need to express your erotic nature.

You have a strong drive to explore sexuality but may suppress your deeper desires. You may feel like you need to remain in control and focus on your personal ambitions and so this leads you away from letting yourself lose control in sexual relationships.

Yet if you come to change your perception, you will be better able to embrace your erotic, sexual nature without sacrificing your desire to be in control. You may have to work to become comfortable expressing your own desires.

By building up your confidence, you'll be better able to express and explore your sexual nature and erotic desires.

Hygiea | Health, Wellness

Health, cleanliness, and sanitation. [1] where the body is important to you

Hygiea in Taurus

(astrology.com:) Taurus or in the second house: This Hygiea curates their wellness experience for their refined and often expensive tastes. Drawn to sensual mood-boosters like aromatherapy and massage, these individuals are in tune with their bodies and know instinctively when something is “off.” While this generally predisposes them to healthy eating, overindulging when they’re stressed can leave them feeling lethargic. They should also keep an eye on their wallet, unless they plan to settle for bargain brand vitamins.

Hygiea in 8th house

(astrology.com:) Scorpio or in the eighth house: While sex seems like the obvious activity here, it’s not pure release that this individual needs—facing fears helps their immune system thrive. When they take risks, they feel powerful, and when they feel powerful, they feel healthy. Sensitive souls, these individuals are subject to paranoia, like shadowboxing imaginary health scares. Trusting their intuition syncs the mind-body connection, and their wellbeing falls into place. What to be aware of: safety first!

Psyche | Soul, Entrance to Self

Psyche in Leo

(fauxastrology.tumblr.com:) Psyche in Leo/ 5th house: My soul comes alive when the lights go out in the theatre, when I hear "And action!", when I can feel all eyes on me; I am most at home when I get lost in art & forget about the world around me, when I let emotion guide my hand, voice, body.

Psyche in 11th house

(fauxastrology.tumblr.com:) Psyche in Aquarius/ 11th house: My soul's been looking for a home even since I came here; I keep asking the same question each person I meet, every place I go to - is it you is it you? and there's never an answer. I speak to the stars, ask them why did you send me here, why do I feel like an exile, isn't this supposed to be my home, and I only hear my own voice echoed back.

Eris | Soul Warrior

Exhibiting the power of action and choice, when fierce is warranted, right rage, creating a better world. Whistleblower, poetic justice. [1] self-validation

Eris in Virgo (Rx)

(synnigns.com:) When Eris sits in your sixth house of health and servants, you challenges your authority with others and other people's authority to make health care

decisions for you. This latter situation can manifest as a health care crisis that is not managed correctly by the care provider calling for clarity of thinking and intervention on your part. You will have to be your own best health care advisor.

Eris in 12th house

(synnismans.com:) In the twelfth house of connection with the your higher sources, Eris gives you a voice to speak about how this dimension's experience does not necessarily mirror all of reality. You have a powerful prophetic voice that holds much wisdom and truth. You can channel the wisdom of higher realms and have the ability to access the Akashic records without the guidance of the guardians from the other side. However, because your voice is at dissonance with the drum beat of your time, often you are not listened to, like Cassandra of Trojan War fame.

Karma | Attention Point (per Past Lives)

Karma is your talent and the place where you can grow the most, or get handsomely rewarded. Why are you here? What do you need to finish? The sign tells you what and house tells you for what. Karma can indicate a negative balance OR positive balance through square Mars, Saturn or Pluto OR trine Jupiter, Venus or Sun. Feeling like suffering is fated when aspecting challenging areas of the chart. Negative Karmic events are like accidents, heart breaks, exposure to outbursts that seem unfair and losses. Positive Karmic events are sudden strokes of good fortune, chance meetings with a true love and so on.

[1] aspect of your character against which, when people interact with it, significantly alters the circumstances you share

Karma in Sagittarius

(whatsmyalternative.com:.) Were you a religious fundamentalist or a social reformer? A corporate cheat or a philanthropist? Watch for experiences that balance your clumsiness, your kindness, your luck, your manner of speech and your friendships. If you are unkind in words even if you meant otherwise, the asteroid Karma will still make you feel the other persons emotions at your words. In the highest level, such people can become great religious reformers.

Karma in 3rd house

Pandora | Foolish choices & Toxic curiosity

Where one needs to see things as they really are.

[1] where one must provide masculine prowess or be considered a failure

Pandora in Aries (Rx)

(astronomicallyaligned.tumblr.com:.) You're curious about testing borders and your ground. You might get a sudden impulse to try something new or to surprise someone. Your curiosity is like a huge fire within you. And like the fire, it grows and expands the

more air it gets. It's a living creature in you. A dragon, wanting to break out and see the world. But be careful. If you let that fire escape from you, you will lose control over it. It will consume oxygen and grow into something unstoppable. And destroy everything in its path. If you open the box, fire will burn down the earth. Use that fire as guidance, but don't let it loose.

Pandora in 7th house

Nessus

(vamzzz.com:) Considering its complex and rather extreme nature, it is no wonder we see a large diversity in the collection of attributed characteristics; lessons in setting boundaries, seeing (one's own) limits, accepting limits; identification of hidden abuse patterns; complex cause and effect relationships, breakpoints in karmic cycles; revealing the truth, resolving a situation; taking responsibility for a confrontation, the perpetrator caught; desire; possessiveness, jealousy, being vindictive, manipulative or resorting to black magic for sexual or financial needs. Finally, several researchers associate Nessus with blood, diseases passed on by blood, or blood rituals, and superhuman strength or powers.

Philip Sedgwick characterized Nessus in astrology as "The ultimate Centaur bad boy", bearing the wounds of "greed, decadence, intimacy and sexuality". As positive Nessus properties he mentions: generosity, benevolence, compassion, willing to lend a helping hand, cooperation, respect for boundaries, aware of the power of life energy, healthy use of sexual energy. Concerning the latter: Taoist health trainer and teacher Mantak Chia has Nessus conjunct Sun opposition Hygieia!

My experience with Nessus transiting in hard aspect to the Sun is that this Centaur evokes an inner transformative crisis that demands clarity and decisive action based on "cut the crap". In the personal horoscope Nessus can be a player with violent impact. Forcing entry seems to be the core quality of this Centaur.

In harmonious aspects, this gaining access goes pretty easy, while in hard aspects, where access is denied, it has to be forced open and in extreme cases violence is used. Thus, in line with these characteristics, Nessus also has to do with breakthrough, breakout, escape, rescue and hacking.

Computer hacking is a Nessus-thing *pur sang*, especially when combined with Mercury, Uranus, Vesta or Makemake. Also espionage, spies, officers, burglars, rapists, rape in general – mentally or emotionally -, black magic, executioners, cracking a closed system (be it a nut or oyster or bank vault, or mind frame), assassins and police raid teams reside under Nessus.

Nessus in Taurus

(smartyoungsters.com:) This Nessus is the one who suffers from an OCD of earning wealth and looking beautiful. This will be the Nessus who will buy all the top cosmetics to beautify the face. A broke condition even if temporary does not go well with this Nessus. Beg, borrow or steal is the motto of this Nessus. When positively expressed, will be an ambitious individual who will go from rags to riches. Using his genius as an example for others. In love this Nessus seeks a rich partner who can buy best perfumes, cosmetics, garments for him. In a woman's chart such women can make excellent fashion models. However, if such a woman marries below her status then husband will suffer from constant abuse.

Nessus in 8th house

(smartyoungsters.com:) Nessus shows the dark side of the god of the underworld. But even then this Nessus has the biggest potential of becoming a healer. In fact, the most powerful healer. Nessus here, is the mafia, drug dealer, tantric yogi, black magician who uses spirits to bring him power. He is the "bad magician" from Aladdin's story who is running after the lamp for power. This Nessus has an obsessive and uncontrolled desire to gain power. He wants wealth at all costs and use darkest themes to get it. His greed is endless be it for sex, power or money. He holds his victim captive like the Devil card in tarot. When positively expressed, he is powerful yogi like Lord Shiva who heals victims of various ailments. He is the one who gives life to the dying through power obtained by controlling the kundalini energy. In love this is most manipulative Nessus who can do anything to gain control of the relationship. He will use all methods to hold his lover captive.

Echeclus

Cosmic picture vs. detail orientation. Abstract logic vs. linear logic.

Positive: Balanced perspective of overviews combined with essential detail.

Negative: Picky, judgmental, cantankerously weird, ungrounded.

Mark Andrew Holmes: turning point, stymied, conflict, beleaguered, endings, in a rut, bottled up, frustrated, at war with the world, taking on a lot, tilting at windmills, ability to handle frustration.

Cupido | Partnership and Companionship

Asbolus

Root chakra (or reptilian brain) awareness. Sombre, pessimistic, with a lot of depth (but tangled in a vortex-like manner of information processing). If dominant: usually having a lot of trouble receiving advice or compliments from others. Easily goes over the top, exaggerates protectionism, and isolates itself unnecessarily.

(vamzzz.com:) It represents the domain of Yin. Ontologically and sociologically it relates to the root of individualism, technology and in the worst case murders. Theologically it relates to the figure of Satan.

Six different ways Asbolus can work in a horoscope:

- One could distinguish six different types or subtypes of Asbolian influence. The first type detects the inhumane, the perversion or violation of human rights and the ethical. (Julian Assange, Jannis Varoufakis, Edward Snowden, Sahra Wagenknecht, Karl Marx et al.)
- The second type of Asbolus is not a strong influence, but acts more some kind of dull black spot in the chart.
- The third type corresponds with the seer and empowers clairvoyant faculties (James Van Praagh and Anton Pauwe).
- The fourth type shows Asbolus as a pit of horrors, darkness, psychopath inhuman features and atrocities (radix-horoscope USA, Madeleine Albright, Joris Demmink, Adolph Hitler, Barack Obama, Zbigniew Brezezinski, G.W. Bush, Hillary Clinton, Joseph Stalin et al.).
- In the fifth case Asbolus is a dark artistic inspirator in a creative horoscope, making an impact on the public by mingling the aesthetic with some distortive, taboo breaking, or intense Plutonian atmosphere (Ilona Staller, H.R. Giger, Georges Bataille).
- The sixth Asbolus is a crossbreed of two or more samples of the above. For example, one could be a loving person, socially very aware of ethical values, but also a master in writing short horror stories. When in league with evil, the outcome is never Asbolus responsibility alone, but a joint venture with the totality of the chart

Ixion

Very masculine energy, ingratitude, murder, passion for supplanting the prevailing system, haunting, loneliness, disorientation.

(synnism.com:) It needs great loves and it's phantasmagoria will push him beyond the curtain of reality when circumstances are below his taste. In career, it must destroy existing concerns, clans, lobbies, lodges, clubs, factions, cabals, plots, allegiances, fraternities, cults, newsgroups, web-sites, teams, alliances, trusts, blocks, interest groups; and from the resulting chaos choose and pick his own few good men to form it's own enterprise, not without bitter struggle and a sword hanging over it's own head.

Religious fanatics are born along this line, those well meaning fellows that send humanities to death, schizoid nationalists, new hitlers, media magnates, islamic terrorists, highlanders, beings of war and chaos. In positive aspects (conjunct casanova and Uranus) it can prolong love making up to several (three) days, an unending erection. [1] how you order others around

Melete

Anxiety, mental anguish.

[1] means through which you promote peace or (at least happiness) for all

Melete in Libra

(hillarysss.tumblr.com:) Melete in 7th: You may be reluctant to share your personal things. You may encounter bad workers/ partners. Relationships can really break you and you may purposely try to stay away from them. You may have not been treated equally at some point. Sometimes you feel like nothing is fair.

Melete in 1st house

(hillarysss.tumblr.com:) Melete in 1st house: Thinking about your physical appearance & yourself makes you extremely anxious. You can be extremely anxious when it comes to how other people perceive you. Always thinking oh how was my first impression on them? May be a sign of body dysmorphia. People may have commented negatively about yourself. It's important not to listen to them.

(arwenmclaughlin.com:) True unconditional love energy that knows itself to be unconditional energy, and therefore has strict boundaries. It does not allow anything into it's life that is not authentic, or that would compromise it's integrity. Thus it is not interested in the past, or anything that came before, it is only interested in, what comes next in love? What can we create now? What can we now build in its most glorious form that serves the self as well as others? How can we crate a structure that works for everyone in its highest and best form? Humanitarian, new frequencies of energy, new and higher forms of energy, the vibration of the alchemist, creator love energy, miracles and overwhelming acts of kindness, "the Change", "the New energy", healing with energy, light, and sacred geometry.

Panacea

(astrologyclub.org:) Panacea is “the cure”—but it’s not as simple as that. It’s “what you believe it takes to make things better.” Thus, what do you or others have to do in order to bring about an improvement. With Panacea in hard aspect to the Ascendant, a person would have to “be” different to bring about an improvement; they’d have to alter their routine and initial response. A retrograde Panacea might not really believe lots of things can be fixed.

Persephone

Where we are scared to take charge;

(YT: Tom Jacobs:) A theme of looking immature from the outside but being capable of maturing it through the inside. Have to make a change: a leap into a thing with boldness that might seem like a stretch or too much for us because we've never done it before. So some persephone people are timid, because they've had been put words into their mouth and have been told they can't take care of themselves. Sometimes they'll reject that, and they are quite confident because they had to at some point grow up overnight. Whether that was pleasant or unpleasant, whether that was a choice they drove or it was driven by other circumstances and other people.

So there is a sense of a Youthfull spirit and maybe some naivite but the appearance of naivite surely.

Proserpina

(houseofinferno.com:) [...] but many of these deities have the same story with different names. Proserpina's name means "to emerge". (ref Persephone!)

She represented the irrepressible feminine spirit who would not be controlled or restricted. Some astrologers look to the asteroids Proserpina / Persephone in a person's natal chart to see where we give our power away, or have it taken from us, so we can use this information to not be so passive and assert ourselves properly so that we are not so easily controlled. What we could take from Proserpina's story is to honour the cycles and changing seasons within ourselves. Sometimes we are cast into the Underworld when something bad happens, and we should never spiritually bypass these situations.

We have to feel our pain and darkness to move through it. But when we are ready, we can emerge to cultivate something better for ourselves and let go of the things that don't serve us.

We should also be mindful of how we assert ourselves. We need to show ourselves love and respect by building healthy boundaries. We need to stand up for ourselves when we are being unfairly treated, and we also need to be mindful of how we do this to others. But we should also take care to know the difference between assertiveness and aggressiveness and make sure we achieve a healthy balance so we don't take away or restrict another's free will or cause unnecessary harm to others in the process.

(jessicaadams.com:) Proserpina shows where you are taken over, taken, then take back.

Sisyphus

(leahwhitehorse.com:) Repeated mistakes, stuck in pattern through fear of change.

To be admired for his outright refusal to accept death and for his ability to repeat a task that is doomed to fail for all time. In him we see the try, try and try again attitude.

Perhaps the positive side of this asteroid is the ability to keep going, even when we can't yet see the point. Essentially, he perhaps shows where we can find meaning in what we do on a daily basis, not just in our achievements or the winning of battles.

Fixed Stars

Only conjunctions here. Now will, anything inside the orbs of the fixed stars behind the (moving) planets and other objects from the chart, be shown. I've taken the orbs of the star conjunctions from the following two websites: 'astrologyking.com' and 'fixedstarsastrology.wordpress.com'.

If the orb from the first website was biggest, I have left it like that. If the orb from the second website was the biggest I have changed it to the average of the two.

I also gave all the four Archangel stars (Aldebaran, Regulus, Antares and Fomalhaut) plus Sirius and Spica a bigger orb of 200 minutes (3°20'). Caput Algol, as a evil influence, I gave 3°.

A lot of these stars (297 in this script, plus the Galactic Center and the Great Attractor) are far away from the 12 Zodiac-constellations, so saying that the Zodiac has a certain height is not really usefull because it stretches all the way around Earth, in height (as well as in width via the Signs.

(NOTE from 'fixedstarsastrology.com':) — Do not let any of the negative descriptions for any stars that follow which may apply to you frighten you. If you live a good, clean life, good will be in store for you Rather than the darkness that may otherwise apply to you. Live your life with good conduct. ALSO — you can check your astrological chart's planets conjunctions with the stars you were born under to understand yourself better. Stars are rated based on my judgement (John Hebert) with (+) being good and (-) being not good, and the more of each one, the more positive and negative the star's influence.

[3] Fixed star Hamal (aka the "Head"). Sensual but sadistic, this independent stellar warrior seeks satisfaction through self-indulgent and aggressive action, with a strong and immediate desire to dominate and control. But without a direct outlet for this cruel and debauched energy, it is forced inwards and manifests as frustration and resentment.

Angry and with no opportunity to express, do not attempt any daring or risky business as it is highly unlikely to succeed, and could end in a scandal... or devastation. However with awareness, self-restraint, and patience, then this powerful energy can be harnessed as a protective force, offering leadership and success.

If this energy is channelled positively and constructively it becomes a force of personal power. When the storm rages inside, it's time to take a look at what's going on in the mind. This type of personality engages in self-destructive behaviour. With time spent on working on the self, a certain type of intelligence is found.

Hamal fixed star meaning is one restrained and controlled aggression towards positive outcomes. But only if harnessed and approached with extreme care and attention. Hamal appears in an astrology chart when things are about to get serious. A certain situation grows to boiling point and action is needed. If any sort of constructive energy is to prevail.

Hamal star also indicates working in the confines of the law. Judgement and interference from others could bring a major project to its end. When working with others insure their integrity before sealing any business deal.
