The Free Spirit

The key word for your Life Path is freedom.

In the pursuit of freedom, you are naturally versatile, adventurous, and advanced in your thinking.

You are a good communicator, and you know how to motivate people around you.

This may be your strongest and most valuable trait. Because of this skill, and your amazing wit, you are a truly natural born salesman.

You are not very good at staying with everyday tasks that must be finished on time. On the average, the number 5 personality is rather happy-go-lucky; living for today, and not worrying too much about tomorrow.

It is also important for you to find a job that provides thought-provoking tasks rather than routine and redundant responsibilities.

In romance, you hate to be tied down and restricted. This doesn't necessarily mean that you are unfaithful or promiscuous, but it does mean that a good partner for you needs to understand your nature.

If you are living on the negative side of the Life Path 5, you are apt to be multit talented, but suffering from some lack of direction, and there is confusion surrounding your ambition. Restless, discontent, and impulsive, you may bounce from one job to the next without accomplishing much at all.

Expression (Destiny) Number: 9

([659] numerologycalculator.online:) The number 9 Destiny suggests that the direction of growth in your lifetime will be in benevolent activities, in compassion, and in worldly understanding. You are living up to and growing toward your Destiny when you follow your feelings and sense of compassion, and allow yourself to be sensitive to the needs of others.

You must be willing to help others as you were intended to be the big brother or big sister type. You must work well with people, for you have the potential to inspire.

Creative ability, imagination and artistic talent (often latent) of the highest order are present in this Destiny. Career fields in which you can excel are many and include advisory roles, medicine, legal fields, artistic fields, diplomacy, and religion.

Friendships, affection, and love are extremely important. Your personal ambitions must be maintained in a very positive perspective, never losing sight of an interest in people, and preserving a sympathetic, tolerant, broad-minded and compassionate point of view.

If you are able to achieve the potential of your natural Destiny in this life, you are capable of much human understanding and have a lot to give to others.

Undeveloped or ignored, the negative side of the 9 Destiny can be very selfish and self-centered. If you do not actively involve yourself with work that benefits others, you may tend to express just the opposite characteristics.

It is your role to be very involved with other people and their needs, but it may be difficult for you achieve this role. Aloofness, lack of involvement, and a lack of sensitivity mark the low road of this Destiny.

Life Path - Expression Bridge Number: 4

([660] numerology.center:) Number 4 means that you are a person whose success depends of ability to concentrate on definite thing and to keep abreast of the times. Don't reject novelties and innovations, other vice you risk to lose big opportunities which life offers you. Practicality plays not the last role in your success achievement. So, you have to be more realistic and look wider to the events. It is necessary to join the fast move of the world and act dynamically. Your numerology prompts you not to delay your business, but to try to do everything till the end. If you put off something, the most possible you will not return to it and finish.

Heart's Desire (Soul Urge) Number: 4

([659] numerologycalculator.online:) People with this soul urge have a natural desire for order and are very good at working with their hands and tend to be tradespeople.

You have a need for stability and structure in your life. You want your life and everything that touches it to be orderly. You have a systematic way of doing virtually everything. You are often not satisfied unless you are working toward some kind of goal. This makes you focus too heavily on work at times so remember that stability also means having time for yourself.

All work and no play is not a recipe for structure or stability.

You are a very loving person but you struggle with your ability to express love outwardly. Don't assume the ones you love know that you love them. They need to be told and you need the practice of telling them. This will help you to achieve the emotional balance that you desire.

Personality Number: 5

([659] numerologycalculator.online:) Five personalities are community leaders who take an active interest socially and love to be involved with others. They are adventurous, highly passionate people who love to travel and immerse themselves in different cultures.

Five people are seen as stimulating, interesting, but not always the most reliable or dependable. They tend to do their own thing on their own time.

People with Personality Number 5 are witty and bright. They are risk-takers and like variety of experience and change. Contingency is what invigorates them most. The prime directive of such people is to expand and explore their personal freedom, as they are liberal. Their youthful personality is almost irresistible for others. The life of such people consists in continuous expanding of their sensuality's realm and exploring the surrounding world.

Their verbal style is lively verbal and engaging, which makes them expressive and outgoing.

Besides that they are fluent and quick-witted. Persuasive salesman or sparkling conversationalist is a best role for them.

Heart's Desire - Personality Bridge Number: 1

([660] numerology.center:) This number forces you to be more of a hardworking person. To reach the aim is not so easy. A comfortable approach to things for you is not the best

solution. Changes are necessary for you. You'll achieve success if you look for new ways, work hard and remember all the time that everything depends on your efforts. The other people are waiting for open communication from your side. Unfortunately, in most cases they don't get it even if you think they do. Try to be more open with people. Express the thoughts in such a way that others can understand you. It is necessary to express yourself in a simple manner in order to make communication easier and to be on the same wavelength with others.

Quiescent Self Number: 5

([661] affinitynumerology.com:) Quiescent Self — This chart position provides insight into what you consider to be an ideal existence. A quiescent period is being immersed in oneself with personal perceptions of ideal existence (without outside influences) and experiencing the feelings and rewards and activities as if they exist in actuality. (The "quiescent self" number sometimes is referred to as the "inner dreams" number.)

During quiet contemplations of an ideal life, people with quiescent-self number 5 are apt to be imaginatively immersed in various adventures and constant new experiences. Repetition is unlikely.

The energy represented by the number 5 resonates with expression of personal freedom. There's curiosity and wit and sensuality and changing direction on a whim.

Some of the visualizations of a person with this quiescent-self number are likely to include traveling to countries of the world and assimilating the cultures they have to offer. Conveying personal experiences to others with writing, speeches, or other communication methods is also likely. As is being able to communicate with anyone, whether by a common spoken language or by other means.

Their thoughts and pleasure generally are unpredictable, even to themselves, but usually relate to interacting with people, learning something new, or experiencing new things. Understanding many and varied points of view is an especially attractive scene.

Maturity Number: 5 = 5 + 9 = LPN + E(D)N

([662] feliciabender.com:) You're moving toward reevaluating what it means to work with freedom. You're being called upon to work with the constructive use of freedom, living a life filled with travel and adventure, and embracing a life of progressive change, flexibility, and uncertainty.

Where you'll be challenged: With this Maturity Number, there's often a shift in life bringing issues related to the disciplined use of freedom to center stage. Situations will arise highlighting excessive behaviors, versatility and change, and vivacious and tactile living.

What that might look like:

- A dramatic change in life leading to an evaluation of your sense of freedom – a divorce, death, children leaving home, or other change to a stabilizing force.
- Evaluation of the ways in which you have or have not used a focused approach to getting what you want in life.
- Inability to rein in excessive behaviors with food, alcohol, drugs, sex, or other behaviors that control you in a non-productive manner.

Karmic Debt Number: 13/4

([663] mattbeech.com:) If you have a connection with path 13, it means that the biggest problem from your previous life was your lazy attitude. Laziness is the most dominant lesson associated with this path; this sign is telling you that you spent a majority of your previous life or lives in a wasteful state.

Those of you who have 13 as their karmic debt number need to focus all their talent and energy towards a **productive cause because there** is a lot of latent build-up from previous lives that need to be exercised.

If you're seeing this number, then you probably have a propensity to take one too many shortcuts in life, and you need to stop doing this immediately. There is no substitute for hard work, and this is the vital lesson that you need to take away from your associated number.

(astrobasic.com:) This Karmic Debt Number will create an obstacle in your life and force you to do hard work. You may feel burdened and frustrated due to this Karmic Debt number.

The recommended solution is to always focus on the task which you started. Because Karmic Debt number 13 will scatter your energy and don't allow you to focus.

Karmic Debt Number: 14/5

([663] mattbeech.com:) The karmic debt number 14 is directly related to the **notion of control**. Either you lack control or you seek far too much control than what's good for you. It is tied into notions of power and your personality being drawn towards this attitude no matter what the cost.

It is quite likely that you spent your past lives wrestling control away from other people. If you feel like you lack control in your current life, it is probably the result of these actions bearing consequence now.

You can begin to take control and erase your karmic debt by focusing on **principles of modesty** and attempting to maintain emotional awareness at all times. You have to be aware of the result of your actions on others and try and contribute meaningfully to the lives of people around you.

(astrobasic.com:) This Karmic Debt number will create instability in your life. You will always encounter an unexpected situation and an unplanned event in your life.

The recommended solution is to start living an orderly life and try to make a commitment to the orderly life you have decided. The unexpected event will come and go but your commitment will help you to overcome that situation.

Karmic Lesson Number: 4

([664] worldnumerology.com:) A missing 4 may find you rudderless and confused about your life's direction. To obtain focus and success you will need to establish a methodical, disciplined approach. It is important to create a foundation for your life to keep from feeling lost and tossed about by change.

You may have trouble finding the work you do best, as you tend to be somewhat impractical and disorganized. Without a strong inner compass, you will look to life's problems outside yourself rather than within. A new job may start off as "The Answer," but it won't hold the same appeal for long (as you discover the new work requires the same effort and perseverance as the last one, without the initial glamour).

Concentration and application need to be strengthened when the 4 is missing.

The effects of this Karmic Lesson are diminished if you have at least one 4 among your other core numbers (Life path, Birthday, Hearts Desire, Expression or Personality Number).

First Pinnacle Cycle: 4

(Month + Day) - from age 0 to 31 (based on LPN) - ([665] feliciabender.com:)

General: A 4 Pinnacle is the period of your life where you're being called to build your life with solid, stable foundations that'll last. This is often a period of time where you're drawn toward purchasing—or actually building—a home and concentrating your efforts on career and family.

This isn't a particularly light-hearted and "fun" time because you're learning and being tested by issues related to organizing, setting up good systems, patience, hard work, endurance, working step by step, and moving ahead methodically. This stage is for designing and pouring the proper foundation for your future. It's a practical time where you're putting your ideas into the material world and manifesting your vision with discipline and a serious attitude. This is a period of time where you'll be tested in the realm of recognizing, moving through, and getting around limitations.

You're being immersed in the energies that support a practical and realistic approach to life. So a demand for order, system building, and organization is key. The 4 Pinnacle

encourages you to be dependable, conscientious, and reliable. Determined and somewhat relentless effort is required and you may feel a strong compulsion and emotional need to immerse yourself in work during this Life Stage. When you do, you'll thrive on that energy.

Pinnacle 1 Number 4: First Pinnacle: Experiencing a 4 First Pinnacle sets you up for a demanding childhood and adolescence. You might find your economic circumstances demand more concerted effort and hard work. This can also be a stage of life devoted to the pursuit of your education. In either event, it's unlikely you'll be involved in the normal frivolity of life because of the intensity of your schedule.

Warning: Warning: The 4 energy offers with it a bevy of teachers. As you're challenged to build something of lasting value, you're setting up your future relationship with money, your ability to meet deadlines, your ability to institute effective systems, and your way of dealing with limitations.

Second Pinnacle Cycle: 5

(Year + Day) - from age 32 to 40 (based on LPN) - ([665] feliciabender.com:)

General: When you have a 5 Pinnacle, get ready for what I call an "ADHD experience." This is a time for change and uncertainty. It feels as though you're experiencing life without a filter. In this Pinnacle, vivacious, unbridled energy surrounds you and it's hard to know what direction to go or what to grasp onto. Ultimately, this is a time for loosening up patterns of restriction you have held on to in the past. The 5 Pinnacle is all about developing a new sense of freedom, liberation, and adventure. This Pinnacle is all about change.

Change is the mantra for this period of your life—and that means change in everything from career direction and business decisions, to spirituality and health, marriage and divorce. You name it. It's all up for review during this highly energized portion of your life. If you're forward thinking and ready for a shakeup, this can be a brilliant time of transformation—but not without the pain associated with growth. This isn't a time to nest or settle down; instead you'll find yourself being drawn into the public world.

The major focus of a 5 Pinnacle is to learn to be adaptable and flexible. Remember: What you resist will persist. Don't resist this cataclysmic energy, yet also avoid impulsive decisions, including the strong urge to run away and avoid whatever you're experiencing.

Pinnacle 2 Number 5: Second or Third Pinnacle: If in the Second or Third Pinnacle, the vibration of the 5 supports your ability to progress and achieve in a fast moving, highly fluctuating environment. Adaptability is critical to your healthy progress during this stage. Your desire for—and sense of—freedom is quite powerful and significant during this Pinnacle. You must be careful not to get too carried away and damage relationships or

partnerships because of your unyielding urge for freedom, travel, and adventure.

Warning: Warning: Because the 5 Pinnacle is a time to expect the unexpected (and change is usually difficult for all of us) this period in your life can be exciting and yet unsettling. It'll often prove to be a transformational time accented with restlessness, activity, and a distinct desire to get outside of your own box. There also may be the tendencies to quit something before it's completed, to be promiscuous in your sexual life, or to habitually overindulge in food, drugs, alcohol, or gambling. Balance is key and a huge test during this Pinnacle.

Third Pinnacle Cycle: 9

(1st Pinnacle + 2nd Pinnacle) - from age 41 to 49 (based on LPN) - ([665]
feliciabender.com:)

General: If you have a 9 Pinnacle, you're expected to show the world what a true humanitarian looks and acts like on a day-to-day basis. You're developing the attributes of compassion, love, ethics, and tolerance—combined with a big dose of inspiring and uplifting others through your wisdom and love. If this sounds like a big order to fill, it is. You're learning the fine art of both giving and receiving. The 9 Pinnacle is marked by emotional crises because you're being asked to end and let go of all matters in your life that no longer serve you and your higher purpose. No matter how scared you are—and it will bring up a reservoir of fear—this is a time for gaining wise maturity and healing your emotional issues.

Because of the intensity of this vibration and the over-arching perseverance and wisdom it requires, this isn't considered an easy Pinnacle. It's a segment of life that demands the ultimate releasing of all that has held you back, of all of the painful stories you have continued to tell yourself about your past—particularly those that relate to your family relationships. The ultimate healing can take place during this Pinnacle if you invite it in.

Remember: While this may be a Pinnacle that appears to be thankless and filled with obstacles, it all depends on perspective. There's plenty of potential for anything you want during this time when you're fully committed to playing your role in letting go. When you surrender, all good things come to you. This is a time where you can literally create your own reality. Money, good fortune, loving relationships, vibrant health, purposeful living: These are all possible during a 9 Pinnacle.

Pinnacle 3 Number 9: Second or Third Pinnacle: A Second or Third Pinnacle directed by the 9 vibration might set the stage for expression of emotional and dramatic humanitarian views, such as working whole-heartedly and intensely for a cause like global warming, animal rights, or any other cause where you immerse yourself in an organization devoted to over-arching change. You may express such views through political action or social service, or in a variety of other venues. The thrust of your desires and actions rests in humanitarian action, whether it's through charitable

contributions, volunteerism, or direct employment within these realms of service. You might work for the Peace Corps or be an actor who is an activist for humanitarian causes. Either way, your purpose is to effect positive change in the world, and promote tolerance and compassion.

Warning: Warning: If your 9 Pinnacle is in your early years, this will be a rough period, full of losses and heavy challenges that bring early maturity. In the middle years, the 9 Pinnacle is a time for integrating yourself with the higher principles of wisdom, selfless service, and giving back to the world. If you have saved your 9 Pinnacle to the end, you are required to rise above the fray and become a humanitarian in whatever capacity you choose.

Fourth Pinnacle Cycle: 1

(Month + Year) - from age 50 (based on LPN) - ([665] feliciabender.com:)

General: During this Pinnacle, you are focused on developing independence, self-reliance, and individuality. The primary energy during this phase of your life is to achieve mastery in these areas. This is a time spent developing your ability to express your individuality by cultivating original ideas, by leading and directing others, by attaining success and achievement in the material world, and by gaining recognition for those achievements.

Pinnacle 4 Number 1: Fourth Pinnacle: A Fourth Pinnacle with a Number 1 is marked by what might be called imposing energy; meaning, any thought of slowing down or retiring is most likely not in the cards. Both challenges and changes will accompany this last stage of life and your accomplishments can be profound if you've mastered the art of leadership, direction, and expression of your own original ideas. You'll be challenged with keying into you unique and creative ideas and acting on your individuality and independence.

Warning: Warning: When you're being groomed by the Universe for a leadership position, you'll be required to be an intern first. This means that it's unlikely for you to magically be handed golden opportunities for success—and if you are, take them and run with them. Usually you'll have to construct your own opportunities through desire, focus, self-determination, and the ability to take a punch, get up, shake it off, and keep going.

First Period Cycle: 9

(Month) from age 0 to 31 (based on LPN)

([666] worldnumerology.com:) This is a period in which a broad view of humanity and a sincere concern for the well being of others will be developed. Tolerance, acceptance, and universal love are the goals of this 9 Cycle, and while such perfection will not be fully achieved, the person under this influence will grow toward these ideals.

Humanitarian principles and social service are the keys to personal happiness.

All work directed toward the improvement of the general welfare will bring great personal rewards, as well. Hard work directed toward higher ideals is rewarded.

Creative talent is also enhanced, especially when it is joined with some larger social purpose or message. There is an element of sacrifice or letting go, as one is asked to forgive past grievances and let go of negative attachments.

The person is being asked to live according to a higher ethical standard, with much spiritual and personal enrichment as his reward.

Second Period Cycle: 22

(Day) from age 32 to 58 (based on LPN)

([666] worldnumerology.com:) Your 2nd Period Cycle is a 22 Master number and carries enormous potential for establishing a lasting institution or teaching that will greatly benefit others. You have the ability to manifest a concept, dream, or invention. Your talents as a builder, organizer, and visionary are at their peak.

You discern the needs of others and create constructive and practical plans to fulfill those needs.

You commit yourself entirely to the work at hand. For many, this dream lasts a lifetime and requires every ounce of energy and talent. An all-consuming role beckons but provides a great sense of personal accomplishment and reward.

You possess an ability to make a lasting contribution to the well-being of humanity.

First Challenge Number: 5

(Day - Month or vice versa)

from birth until approximately the age of 30 to 35

([665] feliciabender.com:) The challenge inherent in the 5 is that you'll feel a little crazy. This energy is highly charged and quite intense. Think about how you've felt during the 5 Personal Years you've already lived through in your Personal Year Cycle: That's just a small glimpse of the feelings surrounding this longer segment of your life. Impatience, restlessness, and a relentless desire for personal freedom are at the core of your challenge. This is the time to mindfully become free from limiting behaviors. The problem with that is that under this challenge, being mindful is particularly hard.

With this challenge, you'll find yourself being extremely impulsive and unstable. You'll want to try everything at least once, so there's a chaotic and uncontrollable aspect to this vibration. Change will be inevitable, yet it must be handled in a thoughtful, meaningful, and controlled manner. The 5 is all about freedom through self-discipline – the constructive and focused use of freedom.

You'll be pulled toward evading responsibility rather than committing to healthy and constructive change. All in all, this challenge requires that you learn, as early on as possible, to reign in your reckless tendencies and to monitor your impulses.

Potential Destructive Aspects of the 5 Challenge

- Feelings of chaos resulting in either emotional paralysis or bad judgment
- Living a life of pure self-indulgence and lack of discipline
- Being irresponsible and unfocused
- Becoming fully immersed in addiction to food, sex, alcohol, drugs, or overwork
- Living with a victim mentality and flitting from relationship to relationship, job to job
- Health issues, including mental health, adrenal system burnout, injuries, and accidents

Second Challenge Number: 3

(Day - Year or vice versa)

from the age of about 35 to 55/60

([665] feliciabender.com:) If you have a 3 Challenge, you're learning to identify your feelings and to speak from your heart. It's a time where you're truly learning and mastering one of the major teachings of the 3 vibration: Your words have a profound impact on your life.

Sometimes the challenge resides in taking yourself and your feelings seriously; it may feel easier to use humor or criticism to mask your feelings. Or perhaps your challenge will be in taking yourself too seriously.

Some of the tendencies that the 3 vibration brings with it are the propensities for superficiality, exaggeration, self-centeredness, moodiness, and scattered energy. What this Challenge Number is inviting you to do is to use your creative energy to develop your positive, happy, loving, and inspirational spirit. Wasting 3 energy is like throwing away a priceless gift. It's the vibration of pure happiness.

You might feel the compulsion to do too many things at once during a Pinnacle that has a 3 Challenge. Despite your heightened imagination and gift for words—both written and verbal—this challenge will knock you over with a “block” when you want to express yourself effectively and honestly.

Even though you know you should be “out there” cultivating friends and business associates, you'll feel the urge to bury your head in the sand and a general malaise you can't seem to shake—or at least not for long. Instead of experiencing the great joyous vibrations the Three has to offer, you'll instead be bombarded with hopelessness or perhaps depression. You'll struggle with feelings of negativity even to the point of becoming defensive and reclusive. You might also have a tendency for money to slip

through your hands during this time.

You may have a talent or desire to practice your talents for writing, acting, or speaking, yet you're reluctant to involve yourself with these activities because the thought of facing criticism is overwhelming. So you turn to expressing yourself with a negative emphasis as cynicism or ruthless judgment, or you might hide your creative talents behind a façade of withdrawal and feelings of shyness. You're being called to develop yourself in a social and creative way. You must jump over the destructive landmines along your path.

Potential Destructive Aspects of the 3 Challenge

- Experiencing such a sense of self-doubt that you don't move forward in your life
- Becoming an emotional sponge and experiencing severe emotional sensitivity
- Acting out of criticism and judgment
- Dwelling in negativity
- Shutting down, withdrawing, and becoming emotionally unavailable
- Attempting to get what you want through manipulation rather than stating it clearly
- Developing physical illness (especially in the intestinal tract) and depression

Third (Main) Challenge Number: 2

(1st - 2nd Challenge Numbers or vice versa)

The Third Challenge carries much weight and will be felt throughout your life. For that reason, it is also called the Main Challenge. As you master this challenge, your life will come more and more under your own control. You will incorporate the positive aspects of the challenge into your character. This is its purpose in the first place. Therefore, there is implicit in the challenge a chance for great reward. In short, this may be the secret to your success.

([665] feliciabender.com:) This is one of the most common Challenge Numbers because it revolves around developing your sensitivity to all human relations and developing your sense of seeing other peoples' points of view. This is a lifelong challenge for all of us, yet when it's your Challenge Number it'll present you with especially intense tests surrounding working with feelings of fear, not standing up for yourself, and lack of self confidence. The pain inherent in these lessons can be fierce. You'll be challenged with getting past basing your actions and decisions on what other people think or say about you. Again, the balance between giving to others constructively and giving to yourself in a way that isn't totally self-absorbed is part of this challenge period.

The challenge here is that you're being called to work with the energies of harmony, cooperation, and diplomacy, and yet you are feeling none of this. Instead, you find it difficult to work with people because of your fear of criticism, or of being ignored. You feel huge doses of self-doubt, lack of self-confidence, and there's always that nagging worry (sometimes tipping into paranoia) that other people are judging you.

So you can see that the challenge is to understand the destructive aspects of the sensitivity of the 2 energy so that you can strive toward incorporating the constructive aspect instead. This would include using your keen sensitivities as a strength because you're so attuned to others and what they're feeling. If you're wearing your "psychic armor," you can use that to your advantage with all of your interactions.

During this period you're faced with great difficulties in asserting yourself and making solid decisions. You might shy away from positions of responsibility and authority because you're so emotionally tender. Your mantra for the 2 Challenge: Don't take anything personally. This is a time for slower, more deliberate growth, rather than seeking quick or immediate gain or results. Respect this more "quiet" stage in your life.

Potential Destructive Aspects of the 2 Challenge

- Becoming defensive, self-absorbed, and angry to the point of being irrational
- Stubbornness and taking unfair actions
- Feeling unworthy to the point of allowing abuse
- Feeling resentful and unacknowledged for things you do for others
- Unable to follow through on things you want to do (for example, finish school, train for a job)
- Health issues, particularly in the joints

Fourth Challenge Number: 8

(Month - Year or vice versa)

from the age of approximately 55/60.

([665] feliciabender.com:) When the 8 is your Challenge Number, you're being called upon to think big, step up to the plate, and get it done. Achievement is expected during this period and so, of course, this will also be your obstacle. People who experience an 8 Challenge either make it or break it—much in the same way that this happens with the 8 Life Path. It's a difficult Challenge, yet if you realize that you're supposed to be making money, supposed to be successful, perhaps you can shift out of the negative experiences and thoughts surrounding money and abundance and understand that this Pinnacle could be the time of your life in which you experience your greatest financial success. When you're in your groove, you're in the peak of both your financial and your spiritual abundance, because you'll be giving most generously.

Your destructive pull will be toward greed, and you'll believe that satisfaction can only be gained by accumulation and safeguarding. You might experience great difficulty and effort in your attempts to gain money status and power, often to the exclusion of all else. Family life and relationships suffer during this challenge since all your focus is on yourself and on your financial achievement (or lack thereof). You're being called to use your ability to earn money and acquire status and power with a sense of balance and with a strict sense of ethics and philanthropy.

Warning: The caution here is to engage in all you do with your authentic self, with ethics and honesty and without greed and malice. If you lean toward the more destructive aspects of the 8 energy, there will be a price to pay. The 8 Challenge also signals that you need to stop giving away your power. This is a period of development where you're being groomed to fully embrace your sense of personal empowerment and learn to empower others.

Potential Destructive Aspects of the 8 Challenge

- Suppressing your power by choosing poverty, homelessness, or other ways to avoid achievement in your life
- By not focusing on your own relationship with money and instead focusing on everyone else's through jealousy, bad mouthing, and indulging in feelings of disgust
- Focusing only on material gain at the expense of everything else
- Being arrogant, unyielding, and uncompassionate
- Becoming lazy and feeling bored with life
- Health-related issues like addiction and mental illness

Personal Year Number (for 2022): 1 (22) + (09) + (2+0+2+2)

([667] affinitynumerology.com:) When the personal year number changes, the influence of the energy represented by the number also changes. Internal urges shift. Different things feel important. Opportunities seem different. Life is somehow changed. The energy attracts certain type of events and circumstances during the calendar year. It affects the energy represented by the life path number, changing the experiences during the year — generally in a subtle way but sometimes in a way that can seem rather dramatic.

The energy represented by the numerology personal year number 1 is a year of new beginnings and more energy.

The year generally provides opportunities for starting new projects and the energy to follow the inclination. More so than last year, the person feels a desire to move forward, to improve situations, to assert their individuality, and to get on with life.

This tends to be an active year with many decisions to make.

In some respects, life feels like it's beginning anew.

Personal Year Number (for 2023): 2 (22) + (09) + (2+0+2+3)

([667] affinitynumerology.com:) The transition from one personal year's resonance to the next isn't a sudden change. It may be suddenly noticed, but the change happens gradually. Generally, the change begins a couple months before January, somewhere from mid-October to mid-November. The vibration of the upcoming personal year energy begins to commingle with the current personal year energy. The new energy becomes

stronger the closer it gets to January 1st of the new year. By January 1st, the new energy is dominant. It may be a week or two into January before the previous year's energy is dissipated, leaving only the new year's energy.

The energy represented by the numerology personal year number 2 is a year of attention on relationships — social, romantic, friend, sibling, business, teamwork. The year tends to encourage participation in team projects.

Cooperative associations are more important. There's a tendency to use diplomacy and tact to repair or strengthen relationships. Intuition, emotions, and sensitivity tend to be enhanced. It can be a busy year, with seemingly endless demands on your time.

The year can revitalize peace of mind. It is a good time to strengthen sincere friendships.

(feliciabender.com:) This is a year to focus on your emotions. Last year = career. This year = love and emotions. Concentrate on intimacy and relationships, fostering appreciation for yourself and your loved ones, and speaking your truth gently yet firmly. Expect this year to feel very slow-moving.

Cornerstone, Capstone, First Vowel and Keystone (Forename)

The letters of your surname or nickname have a meaning as well, if you filled in a nickname/callname, that one will be used instead of the first word of your full official name. There can also be a keystone, that's when your name has a middle letter.

These texts in between explaining the different parts comes from

'worldnumerology.com', sometimes a different source, then it will be noted.

Anytime 'spiritwalk.org' is used, it is always the general meaning of the letter, not meant specific to the place the letter is positioned at in the name.

Cornerstone: It provides general insight about your essential personality, and it has a lot to say about your approach to **challenges and opportunities**. The Cornerstone in your numerology chart is all about how you approach difficulties as well as upswings.

Cornerstone (first letter): R

[670] [671] [672] [673] ([670] affinitynumerology.com:) The person is prone to approach life with high determination and inner strength, accompanied with tolerance, efficiency, realism, self-determination, and compassion.

([671] spiritwalk.org:) You are very interesting person, with outstanding mind which leads to extraordinary life. You have your own set of morals and principles which makes you regarded in society. Try to always find some time for yourself in any workload. A person like you needs to relieve a constraint, so it would be nice for you to have a hobby not connected with your work.

([672] numerologist.com:) Cornerstone: You are intense, driven and can apply a lot of energy to launching a project. You are willing to sacrifice your time and energy to make things happen.

([673] numerologyzen.com:) Letter R. R is double. Both quick, impatient, rigid, sensitive and very emotive, all at the same time. [His,Her] need for power pushes [him,her] to govern, to be "the King" or "the Queen", while needing to be recognized and appreciated by others (especially for knowledge, know-how but also helpfulness). R moves a lot, in action as well as the intellect. So, R is a dynamic, willing, independent and direct person. [His,Her] apparent roughness and tendency for over activity is a way for [him,her] not to become submerged by sentiments or emotions. At heart, R is altruistic and has immense human qualities. [His,Her] nature pushes [him,her] towards others, to take account of other's needs and to show compassion. [He,She] must stay in return balanced and be careful of what [he,she] gives to whom because there will be people (family included) who will take advantage by trying to abuse R's kindness. R is an idealist who wants to achieve big things on a high scale. R feels [his,her] emotions intensely and can't take critics, attacks or ingratitude. Even if [he,she] has affective difficulties or slightly lunatic phases, R knows how to take things in hand, to act and make other act, for their well-being (but sometimes interfering a bit too much on their territory). R is an example, [he,she] could be a "guide", but [he,she] is sometimes less efficient where [his,her] own affairs are concerned, having difficulty in making choices. R appreciates notoriety, relationships and contacts with foreign lands.

First Vowel: This letter gets to your core. Think of the **deepest goals, urges and dreams** that drive you in all you do - this is the letter that offers a glimpse into the "window" of your soul! But this is a secretive letter, because few people wear what it really is they want on their sleeve. This first vowel in your name indicates something that only your closest friends and trusted family members might know about you ... You might know someone who for whatever reason changed the first vowel in their name. Although this is rare, it indicates a person who is uncomfortable with who they really are, at their core.

First Vowel: E

([674] [671] [675] ([674] affinitynumerology.com:) Everything is interesting. Freedom and adventure tend to be dear to the person, thriving on excitement. They tend to be original and versatile.

([671] spiritwalk.org:) You are a independent, emphatic and active person. You are searching for your soul mate, real love. You are quite sociable and like to spend time in friendly company. You are intelligent and sharp. You are able to look at one situation from many diverse angles.

([675] numerologist.com:) The E reflects the energy of the number 5. When you have the E as your first vowel your tendency is to respond to the world with excitement, energy, and with an ultimate desire for freedom. Above all, you're instinctive and highly intuitive. You see yourself as emotions-based and curious. You have a quick mind and a highly magical energy about you. You have a drive to experience it all – with disparate interests, diverse talents, and sexual verve. Even though you love people and participate in the carnival of life – since you're so intuitive and emotional – you can easily become emotionally drained by other people.

Capstone: This is the last letter of your name, and, fittingly, it demonstrates your **ability to see projects and ideas through to the end**. This translates into your "finishing" number.

Capstone (last letter): E

[678] [671] [672] ([678] affinitynumerology.com:) The person with capstone energy represented by the letter "E" tends to complete projects quickly. There are so many other fun things to do.

([671] spiritwalk.org:) You are a independent, emphatic and active person. You are searching for your soul mate, real love. You are quite sociable and like to spend time in friendly company. You are intelligent and sharp. You are able to look at one situation from many diverse angles.

([672] numerologist.com:) Capstone: You feel you must be in charge at all times or a project will not succeed. As you refuse to take advice from others, your projects often fail.

(note:) When you look at your Cornerstone and Capstone - the letters that "bookend" your name - you can determine how easy it is for you to start and stop important processes and projects. It answers questions such as: are you a shaker and a mover? Are you a little bit flaky?

Extra: **Balance Number:** (numerologist.com:) It is the arithmantic sum of the Cornerstones. It shows a basic pattern in your life that you will tend to fall back on. It also shows how you stand your ground amidst chaos, confusion, distraction or other forces that could drag you off course.

(Note by me:) Will be shown with the comparison to the first cornerstone.

Physical (Body) Plane

Physical Plane symbolizes body and physical form of a person. This Plane is governed by instinct, and relates to everything that is tangible, visible, and real. Practically no importance is attached to the imaginary and fanciful. Preference is given to what is already known, based on facts, and doesn't go beyond the bounds of reason. It is the pivot of life, as form and style of existence are maintained here. According to Numerology traditions, this Plane indicates one's natural capabilities. This alone reveals how the term "destiny" understood in Numerology: it is neither "doom", nor "fate", but a set of inherent features. It is active potential, and the process of making use of it is called life.

2 on the Physical Plane

You are able to see, remember what you've seen, and use your knowledge. Through the years, you'll grow confident, and this will help to take control over impulsive manifestations of your inner power, overcome shyness and excessive sensitivity (that

shows at times), and sense the rhythm of life, experience its harmony.

Mental (Mind) Plane

Mental Plane represents the person's mind and reason. It is the level of intellectual interconnections, analysis, collecting and comparing facts. Even the most evident is not accepted here if it cannot be analyzed and proved. It is the Plane of will power, determination, confidence, and cold calculation that doesn't let imagination twist the facts. Fine mind, clear thinking, and management skills guarantee that you'll take a leading role and a high position.

9 on the Mental Plane

"Compassion", "mercy", "caring for your neighbors" – all these are not some abstract notions for you, but very specific principles of life. And not in the utilitarian, but in the global sense. That's what you are appreciated and respected for. Sometimes you might feel that you just can't help everybody so you want to show healthy egoism. It's quite normal. You just need to learn to keep a firm hold on yourself.

Emotional (Heart) Plane

Emotional Plane is all about feelings and emotions. It is the level of kindness and sympathy. Here facts recede into the background and give way to imagination, inspiration, inner perception, and creativity devoid of any practical ground. It is not reason that governs actions and reactions to life or other people, but feelings of love and tenderness. People of the Emotional Plane don't have a particularly logical approach to making plans.

8 on the Emotional Plane

Healthy ambition, willingness to compete and overcome obstacles on your way to success, pursuit of the leader's position – these are the qualities that turn you into a "power unit", regardless of whether it comes to personal or business relationship. Any activity that requires creativity, courage and swing is what you can manage.

Intuitive (Spirit) Plane

Intuitive Plane represents the spiritual level of internal knowledge. It is guided by insight and abstract impressions that go beyond the boundaries of both fact and imagination. Intuition helps man to express heavenly wisdom on the Physical, Mental, Emotional Planes of mind and action. Intuitive Plane is the plane of reverence for the Divine, piety, compassion, tolerance, ingenuity, and that inner guidance that enlivens all other existence levels. This is also known as God's grace.

8 on the Intuitive Plane

You are an outstanding psychologist. Intuition never fails you when it comes to identifying hidden character traits of people around you. You can, as they call it, see

people through. These qualities give you every reason to try yourself in big business or politics.

Pythagorean Square | Psychomatrix

([681] in-contri.com:) The so-called "psychomatrix", invented by the ancient Greek scientist Pythagoras, is one of the most popular calculations in numerology. It helps to define strength of character, energy, health, intelligence and other innate qualities. «To understand the world means to know the numbers controlling it,» Pythagoras asserted.

			Self-Esteem: 8 line «1-2-3»
11	–	7	Moneymaking: 1 line «4-5-6»

			Spirituality: 5 diagonal «1-5-9»
			Temperament: 3 diagonal «3-5-7»

([682] tragos.net:) Pythagorean Square - is a separate area of numerology. In fact, this area of numerology goes back to the times of Egyptian priests. They were the ones who first began characterizing people's characters by using numbers. Pythagoras took this knowledge of numbers as a foundation and applied a mathematical approach to it, which is based on the harmony of the square.

Pythagoras and his followers expanded the capabilities of the original Egyptian system by supplementing the meanings of individual numbers with the meanings of the target lines of the Pythagorean square. Thus, a new approach was now able to help determine a possible goal of a person's life.

Main abilities (square's cells)

Character, will — 11

"Gentle" - you are willed enough and have a level head. You can be a leader without any diktat or aggression, and able to be a compliant, enterprising and patient managee. You prefer to avoid severe conflicts.

Vital energy — 22222

"A very strong energy" - a psychic, a healer and a powerful energetic leader from birth. You have much more than enough energy, creating an aura of "charisma" and attracting surrounding persons like a magnet. However, you should know that your 22222 attracts not only positive people. A strong supply of energy produces an illusion of its infinity, so you should learn to spend your energy wisely and for good. The mission of 22222 sign is to give energy, help people and make the world better.

Cognitive, creative — 3

"Low interest" - this level is sufficient for superficial knowledge of the exact sciences, techniques, algorithms. You also have some inclinations to invention and creativity.

Health, beauty — empty

"Low health reserves" - the health is weak and it is not necessary to exert excessive stress on it. Fitness, yoga, proper nutrition, prevention are the best friends. Do not rely on looks and beauty. It is better to pay attention to other strong qualities and focus on them.

Logic, intuition — 5

"Inclination to use logic" - If this person did not master something from the word go, then they will certainly understand the backbone of the subject with a calculator and paper. It will be difficult to plough through books about Quantum Physics, but for elementary life tasks "1" in logical thinking is enough.

Labor, skill — empty

"Will never be a jack of all trades" It is better not to take up an activity that looks complicated, painstaking and requires accuracy or technology compliances. However, people with 0 in this cell usually do not really like such spheres. Manual labor is not theirs.

Luck — 7

"With a talisman" - of course, 7 does not guarantee a jackpot after the first bet, but will save from minor troubles and sometimes help to catch luck in the nick of time.

Duty — 8

"Moderate sense of duty" - such people usually do not avoid duty to relatives and friends. But nothing more. Their initiative to give something to others and society is low.

But at least, they don't forget their friends and family. Self-sacrifice is also not about them.

Intellect, memory — 99

"Good intelligence" - a good head given to the heedless student. This person can be perfect at all exact sciences, but then gives it up after loss of interest. They remember everything quickly and for a long time. Success comes to this person if they work over something constantly, but not on and off.

Secondary abilities (lines and diagonals)

Self-Esteem (Line «1-2-3») — 8

"Inflated" - the person highly estimates themselves. In addition, beliefs like "I deserve more", are very typical. It is to be noted, that high and inflated self-esteem are the most real incentive to do things in a big way. But one day most of these people look back with the benefit of hindsight and understand that they did not become what they wanted. And here they get depressed, or make a quantum leap forward.

Moneymaking (Line «4-5-6») — 1

"Not independent" - this person will do everything to stay under the wing of their parents as long as possible. And then they will look for a spouse who can bring home the bacon.

Talent (Line «7-8-9») — 4

If the person is evidently talented and works to unleash its potential (you can pay attention to other cells) then this figure indicates the potential development of this talent.

Tenacity (Line «1-4-7») — 3

"Unpredictable" - the person likes to set goals, and then suddenly change them. By the way, achieving goals is not their favorite occupation - they prefer to dream of patronage over the world than to conquer it. Sometimes they tend to overestimate themselves.

Domestic bliss (Line «2-5-8») — 7

"Too idealistic" - the search for the ideal partner to create the ideal family can drag on forever. And every attempt that does not hit the mark causes suffering. In the case of marriage, this person will place excessive demands on the spouse.

Stability (Line «3-6-9») — 3

"Impulsive stability" - it looks like this person has strong habits and attachments, but one day this they change absolutely everything. That is their nature.

Spirituality (Diagonal «1-5-9») — 5

"The highest level of spirituality" - this person with 5 figures in this diagonal could be an example of purity and high thoughts. Curiously enough, but there are many examples of

businessmen and public figures with this sign. And this suggests that they do their job not only for the sake of money.

Temperament (Diagonal «3-5-7») — 3

"Impulsive" - this temperament will help to adapt to almost any partner: to damp the arbor with a partner whose temperament is lower, and, conversely, be hotter with those whose temperament is higher. If there is no soul mate, this person will not be above one-night stand. Also they often try to seem very hot.

There is also a strong attraction to the theatre - and with even a small amount of talent, a measure of success in this field is assured.

KARMIC CHALLENGE for the Four of Heart: Apathy and Inertia

The pitfall for those born on a four of heart day is self-satisfaction. Indeed, the negative 4 of Heart can become very smug, taking all the credit for their success. And when this

happens, their success is short-lived, for self alone has no power for this Card. All 4's represent a foundation, a base, a supportive energy that brings harmony and confluence. To reap the benefits of their good karma, a four of heart should never ask what can a person, job, or project do for them, but rather - what can I do for thee!

JUPITER describes your adult life. The cards in Jupiter indicate your material/financial resources, your associates, and your fortune, or luck-of-the-draw. (from age 39 to age 52)

Jupiter Card: Four of Diamonds

(metasymbology.com:)

Diamonds: Values - Security - Dharma

Four of Diamond Meaning: Good Fortune

Karma for the 4 of Diamonds - Overcoming of Self

Fire-Wands - Planets: Venus & Neptune

This is considered a card of luck and good fortune. Thus, the 4 of Diamond are inherently protected, but only if they are making diligent and concentrated efforts in their lives. When this is lacking, poverty and failure - in varying degrees - are the sure results. A life of leisure is just not part of their life plan!

Karmic Challenge for the Four of Diamond: Discontentment and Dissatisfaction

The importance of work is stressed for all 4's, and this is especially true of the 4 of Diamond. There is a tendency to become dissatisfied with their careers, and they will either move from one job to the next, or stay in a menial position, stuck and frustrated with their lot in life.

On a personal level, those who know a 4 of Diamond will agree: this is by no means an easy card to deal with. They can be very defensive and stubborn. They are known to rebel at the restrictions imposed by relationships, work and life circumstances. On the other hand, when a Four of Diamond person chooses to switch on the charm, resistance is futile!

Basically materially oriented people, there is an underlying spiritual interest which should not be neglected! They are also extremely intuitive.

SATURN describes your mature years. This cycle indicates where you are at with health related issues, your adversity and your "cross to bear". (from age 52 to age 78)

Saturn Card: Two of Spades

(metasymbology.com:)

SPADES: Physical - Work - Wisdom

TWO: Collaboration - Unity

CHALLENGE: Sharing

Earth-Pentacles - Planets: Mars & Neptune

SPADE: The Spade personality is geared toward work. It is the earth element and does not easily yield to pressure. The world may crash down around them, but if the spade

personality is engaged in their work, the world will be just fine.

TWO: The value of two is cooperation. The personality of the 2 is drawn to experiences that give them a chance to learn that value.

JOURNEY OF THE SOUL: Their Soul Card is the 6 of Spade. This emblem is symbolic of a debt that needs to be repaid in the area of work.

In a perfect world, the 2 of Spade demonstrate the qualities of fairness, balance and equality. When these qualities manifest in the working lives of the 2 of Spade, they achieve success along with their most coveted prize of inner peace.

Their demeanor will either disarm you or put you on the defensive. They have a sense of mischief and fun-loving gaiety, but prefer to appear conservative.

Two of Spade can make a lot of money in technology and property. Their magnetism also serves them well in the entertainment industry.

You can always count on the Two of Spade to commit to the task at hand. They are stable, dependable and hard workers, though not so easy to work with. It is their challenge to find the balance between complacency and willfulness.

In love, they seek meaningful, long-term relationships. Mental rapport is high on their list of requirements and you will always know where you stand with a 2 of Spade!

After age 91 the cycles repeats.

Cosmic Lesson Card: Ten of Clubs

(metasymbology.com:)

CLUBS: Communicate - Discern

TEN: Accumulate - Amplify

CHALLENGE: Irresponsibility

Air-Swords - Celestial Object: Moon

CLUB: The Club personality illuminates the cerebral attributes of Spirit. The nature of the Club is to discern and disseminate knowledge. The personality of the Club attracts ample opportunities for the soul to experience the workings of the mind and the processing of information.

TEN: The value of "10" is illumination. It is an all-encompassing vibration, resonating superiority and accomplishment. The personality of the 10 is attracted to experiences that broaden their horizons. They like to accumulate (knowledge) and will use whatever resources to their full advantage.

JOURNEY OF THE SOUL: Their Soul Card is the Jack of Spade. This emblem is symbolic of cunning and determination. As the Jack, it is also young; the neophyte (Greek for "newly planted") eager to fast-track their journey in life.

In their most successful state of being, the personality of the Ten of Club is a successful communicator who inspires others to provide the services and work required to achieve considerable success.

Ten of Club is symbolic of mental illumination. Those born on a 10♣ day are innovative and have a creative mindset. Their greatest success lies within the mental realm of ideas

and communicating those ideas to others on a large scale. We also consider the Ten of Club as the Moon Card; known to astrologers as the emotional, intuitive mind. Ten of Club people are often suspicious and demand loyalty from friends and family. We know them as task-masters within the family, and even they feel they are deserving of that title. They are also afraid of being judged and are insecure on a deep level. All 10 of Club like to work, and for those instilled with a moral sense of values early in life, their personal achievements are tremendous. Those born on a 10 of Club day learn the power of money at a very early age. They also have a knack for investing in things that bring speedy returns. Their greatest gift, however, is bringing people together to achieve their own success in industries that provide service to others.

Cosmic Reward Card: Queen of Hearts (metasymbology.com:)

Hearts: Emotions - Relationships - Love
Queen of Heart Meaning: The Sweetheart
Karma for the Queen of Hearts - Emotional Discontent
Water-Cups - Planets: Double Neptune

This is the Card of beauty, magnetism, affection and idealism. The women Queen of Hearts represent the much-loved mother, the sweetheart, the indispensable sister, the adored daughter. The men are sensitive, creative, sympathetic and understanding. If we did not have that inevitable negative side to deal with, this would be the most desirable card in the Little Book and its 52 pages.

The Queen of Heart natives are talented in some artistic line, even if it's just in their appreciation of beauty or art. They are often intense and dramatic, and can be very domineering in the family. They are also capable of deep devotion and loyalty. There is a strong streak of religion in all Queen of Hearts and they are often influenced by strong minded women, religious or spiritually inclined. Even when we should, we don't like to find fault with the Queen of Heart; they are too loving and desirable!

Cosmic Moon Card: Eight of Diamonds (metasymbology.com:)

Someone at a higher energetic vibration, there to assist you in your cosmic (spiritual) path.

DIAMONDS: Values - Commerce - Brilliance
EIGHT: Dominion - Stewardship
CHALLENGE: Trust
Fire-Wands - Celestial Object: Sun

DIAMOND: The Diamond personality illuminates the creative spirit of matter - the material world. The spirit of the diamond is bright and active. The path of the diamond ensures the soul traverses the enterprising world of marketing or commerce to experience its value and worth.

EIGHT: The value of 8 is power. It is a fixed, unyielding vibration that seeks to manage,

organize and govern. The personality of the 8 attracts situations and environments where it can exercise power.

JOURNEY OF THE SOUL: Their Soul Card is the Queen of Spade. This emblem is symbolic of the matriarch – the faithful and protective guardian, drawn toward remedying those in need.

In its ultimate state of being, the personality of the Eight of Diamond administers its creative talent to enhance the world. A gentle, inner strength empowers others to shine light where there is darkness and beautify what is otherwise ugly in the world.

During their early years (age 1-13yrs) karma dictates the 8 of Diamond learn important lessons from an impatient, transient father or father figure. These early experiences and impressions encourage the personality of the 8 of Diamond to take on responsibility at an early age.

Eight of Diamond are independent and hard-working. They are able to penetrate through any perceived barrier to acquire the knowledge they seek. They lack patience with stupidity but are otherwise very patient.

Theirs is a gentle energy, enveloped in an aggressive desire to express themselves and create a better life. They appreciate beauty and strive to enhance it. They are the Sun Card, and like the sun, can help others grow and overcome limitations.

The inner nature of the 8 of Diamond is to nurture and protect, to love and be loved. They are trustworthy, but the personality deals with a deep mistrust of intimate relationships, at odds with the qualities of their soul.

Note: If you would want to go deeper into this specific divination: there are different spreads for each year (of age), smaller cycles, at: 'knowyourdestinycards.com'. These are the cards from the lifespread, the largest cycle. But I skipped the cards for every 13 year cycle, there are seven of those.

Mesoamerican Divination | Tzolkin System

The Day Sign, Galactic Tone, Trecena Sign and Night Lord.

The Trecena is more innate - like the Moon Sign in astrology - reveals deeper aspects of your personality: your emotions, your connections to others and society, and how you respond to things.

Day Sign would be like the Sun: something you work on, something that involves discomfort and effort. You can also have the same sign for the Day sign and the Trecena sign.

There are 20 signs and 13 galactic tones, which makes up for a 260-day cycle for the Trecena's. If you add in the Night Lords, you get the largest repeating cycle. (9 times 260)

Empowerment (5) Caban

East (Red) glyph: Empowerment / Guidance

Day Sign: **Earth**

/ Caban (Yucatan) / No'j (Kiche)

Caban types are mentally active, rationalising, clever but practical. They tend to believe that the world is ultimately reducible to logic and that rational solutions are the only solutions.

They can be brilliant engineers or strategists who pioneer new solutions to stubborn problems. For some, however, this capacity to rationalise everything they perceive leads to inaccurate judgments and poor choices.

Caban types are usually liberal and progressive. Their intense thinking often leads to views that are based on abstraction or unrealised ideals.

Many Caban personalities have great sense of humour. This may be due to the sharpness of their minds and their ability to make practical use of their insights into human nature. Strong convictions are found in those born under this day-sign.

They are fiercely independent and stubborn persons who cant stand being told what to do, and they frequently pay the price for this trait in their close relationships. As leaders, they are usually the status quo.

Caban types tend to seek out leadership positions or solo positions, possibly because they know how hard it is for them to follow the path of another.

Challenge:

To hold ones life together according to a reasonable plan.

Solution:

To become more flexible, tolerant, and patient.

Akbal (Night)	Caban (Earth)	Chuen (Monkey)
GT: 11 (Resolution)	GT: 5	GT: 12 (Understanding)
	Past:	
	Muluc (Water)	
	GT: 10 (Manifestation)	

Four Directions

The contemporary Mayan image of this day-sign is the thinker, and most of the meanings attached to it in divination are concerned with the process of thought. Caban people, however, are both reflective and active- their reflective mode, symbolised by the day-sign Akbal, constitutes their intuitive left hand power.

Their active mode, symbolised by Chuen, lies on the more assertive right hand. Their thoughts give birth to activity, and their activities give birth to reflection, in an endless cycle.

It is said that Caban people, whether male or female, will have a distinctly masculine "tone". The Maya, like so many other peoples, conceive of the process of thinking as essentially masculine; to use the Chinese term, it is a yang activity. The thought gives birth to the deed. Hence Caban people are doers, and often emerge as leaders in their community.

This day-signs talent for directed action functions on the spiritual as well as the material plane; Caban is regarded as a favourable sign for shamans and day-keepers.

Flashes of inspiration may be just as erratic as they are creative. Caban is a Year Lord, and sometimes a rather capricious one. There is no way to know beforehand whether the newest ideas devised in the clever brains of Caban people will be of benefit to the world or merely pipe dreams.

Caban people are just as likely to be argumentative, quarrelsome, or confused as they are to be meditative and visionary – the subtle Chiccan, often too clever for its own good, is the power that lies at the end of their road. Our thoughts are like sparks of energy surging forth out of the earth, and it is no wonder that so many of the peoples of ancient Mexico knew this day-sign as Earthquake. Like an earthquake, the flash of inspiration strikes with a random hand. This erratic side of Caban is especially noticeable whenever Muluc, sign of karmic past is overly strong.

Caban people need to focus their considerable mental powers in one direction to avoid becoming scattered, frazzled, or just plain spaced out. Considering their potential magical and spiritual gifts, meditation is of the greatest benefit to them, for it helps to awaken those gifts- the Maya used to call Caban "the brains of heaven".

Empowerment

- * Empowerment

You are an intelligent and strong organizer, communicator and a person who knows how to use resources well. Like the spider, you are a natural born webmaster, a networker that brings together all that is needed. You can be a good detective because you have a talent to get down to the core issue and look at things from a wider perspective.

You are a positive, dynamic, happy person. By supporting their positive aspects, you empower the people around you, encouraging them to bring out their best attributes

Trecena Sign: Road

/ Grass / Eb (Yucatan) / E' (Kiche)

Conflicting social needs influence the behaviour of those born during the 1-Eb trecena. One part of an 1-Eb personality is the inclination to work to please others; the other 1-Eb tendency is to feel resentment about the compromises that they are expected to make in those efforts.

Eb types have an interest in the deep, dark, recesses of the world and in the psyches of other people.

They may do well in a career that allows them to legitimately explore such areas.

Night Lord: 8

Those born here tend to have over simulated minds and are often obsessive talkers, in some cases being counsellors or psychologists. They are complex people who learn to face the inner world and who know how to get to the centre of things. They are drawn to the deeper, darker sides of life, and are sometimes caught up in struggles with negative thoughts of their own or those of others. This tendency means a G8 might choose a career as a psychotherapist or an investigator. This type reacts to stimuli very quickly, perhaps over-reacting some of the time.

G8 people are very clever, quick of mind, and fast on their feet. This facility may be a

boon in situations where decisiveness is valued, but it can cause trouble under more controlled conditions. Their need to talk is strong, and their powerful intellect is best used for research or investigation. One of their challenges is that they need to learn how to study effectively. In addition they need to be physically active by walking, running, or riding.

The planet Mercury, the sign of Gemini, and an emphasised ninth house are commonly found in the charts of those born here.

I'm personally theorizing that these night lords are simply the same energies as the 9 main objects (seperate from the Sun) conjunct the Sun.

This one would be Uranus conjunct the Sun.

Celtic (Druid) Tree Sign

The year is split into different periods. Usually, one tree is at two seperate periods about 6 months apart. Except for when the equinoxes happen (every 21st of every 4 months), then there is a special tree for that. To find the right archetype for this divination, you have to know if you were born late or early.

(Note:) Celtic Druids did not determine Sign based on the actual date of birth but rather by the date of conception. For example, if you were born three weeks before the scheduled date, you need to add these three weeks to the actual date of birth, in order to figure out the appropriate Sign.

I also read somewhere that the tree (or variant) has to be naturally available in your area.

Lime Tree

Strong keywords: Patience, Helpfulness, Popularity

Weak keywords: Jealousy

Tree variants: Blackthorn, Nettle, Basil, Hops

Birthday:

13 March – 20 March

14 September – 22 September

Characteristics and Personality

People born under the rule of Lime achieve their life goals relatively quickly and easily. It's hard to say why, they are just lucky. They achieve their success even though they tend to be comfortable and try to organise problem-free life for themselves. They try to avoid conflicts under all circumstances; they never go into direct conflict. They are people of compromise; they are often willing to make big concessions in order to avoid complications. At the same time, Lime people are very adaptable and they are able to live a full life even under very modest conditions.

Lime people are romantics, and they try to escape from the realities of everyday life and fulfil their unrealistic dreams, especially in their love life. The difference between reality and their fantasies are the cause of inner struggle that takes place within their souls. However, perhaps due to their luck, their seemingly wonderful dreams become a reality.

Even though they are predestined to experience success and recognition in life, in their love life they are usually not that lucky. People who are married to Lime people must expect that they will have to deal with their jealousy. They are unable to stop being jealous, all they can do is to try to hide it. Of course, their excessive jealousy complicates their life significantly. Frequent failures in the emotional area often lead to self-pity. If, exceptionally, Lime people struggle in their everyday life, they become lonely oddballs who shun away from the company of others.

Lime people are very popular. They are very good listeners and they are usually extremely patient and helpful. They are happy when they can help somebody by word or deed, and their help is usually absolutely selfless.

What follows on the next page is the correct Natal Chart using the Usha/Shashi-Ayanāṁśa, and the 'whole house'-system. For simplicities sake, we could call that chart the "Transit(ory)-chart". Then to get the Chart that WILL SHINE through this document, we apply the 322th Harmonic to that (the right ascension values (Zodiac) are telling of the 322th Harmonic Version chart). Thus, both are needed to understand the self: One is fixed but constantly interacting with other fixed charts and the other constantly interacts with the Transiting planets. If you find yourself on that quest to understand yourself, it would be suggested to include declination as well as all the other divination techniques, such as numerology, and cartomancy, etc., up to the most seemingly insignificant part of the whole, like midpoints, or antiscia-aspects, in the whole picture. Understanding yourself better in respect to everything else has become very possible - and people might soon say even too easy - when the energetically encoded laws taken affect on our reality are understood.

Looks – Why are Taurus Ascendants so Attractive?

Taurus is ruled by none other than the planet of beauty, Venus. As a result, Taurus ascendants have attractive bodies and killer looks.

A Taurus ascendant man has a strong body as that of a bull (the symbol of Taurus). They're neither too tall nor too short. More than their face, it's their enigmatic personality and confidence that make them irresistible. They're always the best-dressed men in a room. However, due to their love for food, they can get a bit stout around their bellies in their mid- thirties.

Personality - Is Taurus Rising Rare?

One might expect all the 12 zodiac signs to be exactly 30° apart. That's, however, not true. Out of the total 12 Zodiac signs, Taurus and Aries quadrants are much more narrow than the others. Needless to say, it makes Taurus rising very rare indeed.

1. They Love to Show Off – Taurus ascendants have exquisite taste in fashion and jewelry. They like to dress up and love it when others notice and admire them. It wouldn't be entirely inappropriate to call them materialistic.
2. They have a Knack for Expensive Things – A Taurus ascendant can put your entire collection of branded apparel and exquisite gems to shame. These people will always somehow end up placing their hands on the most expensive things in a store.
3. They can be very persistent – You might assume that beauty and luxury can blind or distract Taurus ascendants. That's, though, far from the truth. They are so driven to enjoy a luxurious lifestyle that they persistently chase their goal.
4. They Hoard Stuff – It's one of the drawbacks actually. Taurus ascendants end up hoarding so many things, expensive things, that it can lead them to financial troubles.
5. They are Stubborn - When a bull makes its mind, nobody can change it. Taurus ascendants are steady and so focused that it's just next to impossible to change their opinion.
6. They are Loyal – This is the exceptional quality of Taurus ascendants that attract other people around them. A Taurus ascendant never cheats. Period!
7. They are Possessive in Love – Taurus ascendants, both men and women, are possessive and jealous lovers. They aren't the spying kind of psychos though.

Love Life – Are Taurus Ascendants Lucky?

Taurus ascendants aren't the type of people who blindly chase love. They live in the moment, especially Taurus ascendant men. They don't anticipate all their relationships

to bloom.

1. Both Mars and Mercury should be well-placed for Taurus ascendants to enjoy a smooth love life and married life.
 2. When they do fall in love, which can be just as rare as their rising, they expect loyalty more than anything else.
 3. They might not be looking for love, but they do not believe in having meaningless sex either. They are very much emotionally present in a relationship whether or not they see their future in their current partners.
- Whether or not they are lucky in love entirely depends upon the position of their Mercury. And, whether or not their marriage will be blissful depends upon their Mars.

Compatibility – Who should a Taurus Ascendant Marry?

Taurus ascendant compatibility for marriage is something to ponder about. These people are special and it requires someone special to see beyond their materialistic facade. If you're anyone of the following, a Taurus ascendant is your true calling.

1. Capricorn ascendants and zodiac signs.
2. Taurus ascendants and zodiac signs.
3. Virgo ascendants and zodiac signs.
4. Pisces ascendants and zodiac signs.
5. Cancer ascendants and zodiac signs.
6. Scorpio ascendants and zodiac signs.

Health – Is Taurus Rising Bad?

Taurus rising is one of the best times to be born. Taurus ascendants usually enjoy a very good disease-free life throughout their childhood and even in the later years of their life. Their taste for wine can be a cause of worry though.

There's a caution for Taurus ascendant men. Their love for exquisite cuisines can make them fat in their middle age. It's, therefore, very important that these men keep their eating habits in check. Also, these people can catch a cold and flu easily.

Diamond is the gemstone for Venus. Thus, astrologers always recommend that a Taurus ascendant should wear a high-carat diamond for good luck and good health.

Connection of Planets With Taurus Ascendants

Venus, obviously, is a friend of Taurus ascendants being their Lagna Lord. Other than that, the following planets matter the most in the life of a Taurus ascendant.

Proud and confident people, those born with their Sun in Cancer and the Moon in Leo trust their own talents and capacities. Not to mention how much they want to make a good impression.

It wouldn't matter the situation, they would only try to act accordingly and to say the right things. Take the flamboyant and loud Moon Leo and add it to the reserved Cancer. What you get is a more open and fun Cancer native.

A Strong Personality - In a nutshell:

Positives: Ambitious, mannered and reflective;

Negatives: Fanatical, greedy and hedonistic;

Perfect partner: Someone who can appreciate them for who they really are;

Advice: They should be more agile in realizing when it's time for them to stop in certain situations.

Personality traits

Cancer Sun Leo Moon people think of themselves as special and are very focused on their family life. At heart, they're loyal and optimistic but when it comes to their behavior, they are very dramatic. If not appreciated or disrespected, they can completely eliminate someone from their life.

These natives love to have parties and to go on holiday. They charge their batteries when they're going in new adventures and are spending their time "playing" with friends.

Not that they have too many close friends. But they definitely have a lot of acquaintances with whom they get together for drinks.

They are disciplined and neat and when they see others being sloppy and careless, they think of these people as weak. It's also because they are taking themselves very seriously.

Not to mention they always think they're right. It's very important for them to get their

way and they really know how to sweet-talk people into doing what they desire.

Cancer Sun Leo Moon individuals are capable of a lot of compassion, goodness and caretaking. When they have the opportunity to express these traits, they're at their best. But they tend to advance slowly and to move around in circles.

Don't be fooled by their innocence because they always know what they are doing. They're not the type to express their agenda and realizations loudly, letting actions to speak for themselves.

There's no one to be more determined and more focused than them when they get attached to someone or want to accomplish something. And this can only work to their advantage because they'll get what they want.

It's like they're emotionally equipped to deal with any kind of situation. However, they may need to realize sometimes it is better for them to just let go.

The Moon Leo will use the Cancer Sun's light to make these natives more individualistic. Leos always feel the need to be loved for who they are.

While Cancers are more about what they can do to make others feel happy, Moon Leos want to be rewarded and given back as much as they have given.

These royals are all about being appreciated and valued. There's no one more interested in shining and being in the center of attention than them.

It may not seem like there's too much harmony between this Sun and Moon, but the personalities born under this combination surely are balanced. They are people who want to express themselves creatively.

It can be said they have multiple personalities too. For example, they are dramatic and selfish on one side, self-sacrificing and ready to give up their independence on the other.

They're aware they can become stronger when they are loving, but they would completely let go of someone who would make them shine less.

While able to put up with many nasty things and stubborn, Cancer Sun Leo Moon natives can't stand being criticized. And when they are failing, they're accepting defeat much harder than those who understand it's equally important for success.

It's because they're too stubborn to think they can't win. Also, there's no one to convince them they may not be right.

They are in fact appalled when someone questions them and their way of thinking. And

this makes them rigid, not at all open to learning or making changes. It can destroy them to suffer a defeat and when it comes to recovering, they are very slow.

Love characteristics

As soon as the Cancer Sun Leo Moon lover gains some confidence in their partner, they will start to overwhelm him or her with all their attention and affection.

If not parents, they will treat their lovers like their children. And this can cause many people to feel either suffocated or perhaps comfortable around them.

Very attentive and receptive, these natives can feel their other half's thoughts and emotions. They need someone to appreciate them for all the care they are giving.

When it comes to their ideal partner, he or she needs to be smart, always looking good and fun. Natives with their Sun in Cancer and their Moon in Leo are both givers and takers when it comes to love, also action-oriented and not necessarily introspective.

What makes them tick is their need to be nurturing, to take care of everyone and be of help. They will achieve this if they'll manage to develop intimate and emotional connections.

The more they'll understand and offer others unconditional love, the more they'll be allowed to nurture. Their relationships will always be strong and very flourishing.

Moon Leos are children in bodies of adults. They will always be like this, no matter the age. And they want to be praised more than anything.

When being paid a lot of attention, they become the kindest and most loving creatures. Ignore them and you will witness a lot of drama from their side.

But underneath it all, they are delicate creatures who only want to be loved and adored. If offered this, they will be sure to give everything back.

Cancer Sun and Leo Moon man

The Cancer Sun Leo Moon man knows what's in his mind and isn't scared of expressing himself. It sometimes looks like he doesn't have any inhibition.

This, added to the fact that he's attractive, magnetic and confident, will help him reach success. Because he has his Moon in Leo, this guy needs to be admired and offered a good position at work.

He's the representation of a more courageous Cancer and a more imaginative, sensitive Leo, a good combination indeed.

His success depends on how he works with his talents and commits. He's not that Cancer who wants to protect his feelings.

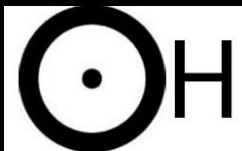

He believes only in being appreciated, respected and adulated. His imagination can help him come up with great ideas. That's why he would do a great job in the arts. Not that there aren't many other domains that interest him.

When he fails, he becomes this victim that no one can get along with anymore. He can't stop moaning and complaining about how the world doesn't recognize his talent.

But the Cancer Sun Leo Moon man needs to understand failure is another way to understand success. He should experience as much as possible. If he wants a good future. Also to be open to advice from others.

People will be drawn to him because he's confident and magnetic. But he needs to avoid manipulating others for his own good. He's nice and compassionate, but he always puts himself first. Some of his negative traits include pride and narcissism.

Sun ☉ in III 3rd House

([861] i.thehoroscope.co)

This placement of the Sun encourages people to always look for new experience and to feel in different ways, remaining open to other people too.

People born with the Sun in the third house in their birth chart are driven to get the power and love to analyze or use their mind as much as possible. They study everything, gaining a lot of knowledge and they don't mind to share what they've learned.

It's very likely these people will continue with their education until later in life, taking different classes and getting their PhD. Trips to faraway places and the study of different cultures makes them to continuously want more from life.

These natives are a little bit impatient around people who don't have the same enthusiasm towards gaining knowledge as them. As the most effective teachers, creative writers and successful journalists, they really know how to communicate and always say the right things.

Summary:

Strengths: Creative, pragmatic and bold;

Challenges: Agitated, pessimistic and unpredictable;

Advice: They should pay more attention to the needs of their loved ones.

A spontaneous personality

Agitated and always on the go, Sun in 3rd house people need variety in their life or they can become really bored.

Very proud of their mental abilities and the friends they've made, these natives easily adapt, no matter the circumstances and people who enter their life. There's no one more eager to express knowledge and to learn than them.

Curious about everything, they feel good when discussing on intellectual subjects and the latest news.

These natives don't mind speaking in public and are very happy when someone appreciates the way they communicate or write because they really have a witty style that makes people want to know more.

Sun in 3rd house people have big dreams and use their communication skills whenever around influential individuals, in the hope they'll get their hands on an opportunity and obtain a chance at climbing the social ladder or scoring with some of their business ideas.

As children, they probably started talking earlier than others, in a very elevated manner. Knowing more than one foreign language, they probably used this against their siblings when trying to get the attention of their parents.

They're spontaneous and can't stay in one place for too long. It's suggested they respect their own ideas and thoughts more because they have the tendency to only appreciate what others are saying.

Very enthusiastic about learning something new, expect them to enroll to anthropology classes and to attend night school.

The 3rd house rules over the immediate surroundings, which makes natives having the Sun in 3rd house wanting to be appreciated by their close friends and family.

The positives

People with Sun in 3rd house are experts at transmitting information and making stories come to life. The position of the Sun indicates they love being intellectually stimulated and are always curious about what's new in every domain.

They'd make great translators, journalists and bloggers, but also efficient teachers because they're childish and eager to communicate what they know.

The Sun represents a person's self and awareness, brightly shining when it comes to the way natives experience with every little detail of life.

Therefore, all people with Sun in 3rd house want is to get to know the world by first-hand experiences as only this way they're feeling that they have control over their own life.

Concerned only about the present, these natives really know how to live in the moment and are eager to discover more about people or their own surroundings.

Their ambitions are usually related to their intellectuality and mental development as they strongly believe knowledge is the only thing that brings power to people.

That's why they have great talent at science, literature and academics in general. Their ego is expressed through communication and the exchange of valuable knowledge.

It wouldn't matter how intelligent and open for talks they'd be, the feeling there's room for more will always exist in their heart and mind.

The presence of the Sun in the 3rd house makes people with this placement interested in interacting and being stimulated by others. They prefer quality over quantity and intelligence rather than beauty.

For them, all the life's energy is about exchanging meaningful information and they can't stand small talk, even if they're very good at it.

It's important for them to have something to do and to study all the time or else they get to feel life is getting sucked right out of their soul.

It can be challenging for these natives to discover variety beyond their own curiosity because they may think their knowledge is wide enough to cover a little bit of everything.

When discovering something completely new, they get to be surprised and still curious. Because they're such good friends, many will want to spend their time with them.

If they won't have a sibling to whom to dedicate a lot of their time, they will develop at least one relationship of brother or sisterhood with one of their friends, which will most likely be a male.

Even their neighbors will love them because they're always nice and knowledgeable of all the news. When it comes to politics, they will discuss it in groups and get to be the center of attention, which is very much to their liking.

All natives with Sun in 3rd house love school and having colleagues with the same interests as them, so they'll continue their studies until very old. They're not necessarily interested in grades and degrees if their Sun sign isn't Capricorn, as they're more eager to gain knowledge.

They will however, want to have at least the basic diplomas considering a certain level of education is required for the good jobs.

If their first few years as students will be enjoyable, they'll get to be more ambitious and compete in school. But if their experience will be bad, they'll focus on learning how to read and write, only to study what they like on their own, at home.

Since they're obsessed with knowledge and communication, their upbringing will always have a consistent form of education, whether self-taught or accumulated in school.

The negatives

Because they're highly adaptable, natives having Sun in 3rd house tend to identify themselves with their environment, whether in an active or passive way.

Without realizing, they get defined by friends, family and the places where they're living. When circumstances and environments are changing, they're doing the exact same thing, so their identity is never stable and always depending on other factors.

They should invest all of their intellectual abilities into something constructive, even if some of them find this difficult because they're only curious and forget to also do anything else besides learning.

The fact that they need to communicate so much can have them talkative to the extreme, so many won't stand having them around. If the position of their Sun would be afflicted, they'd have problems during their first years of school, fight with their siblings and be so intellectually arrogant that they'd push their own ideas onto others.

It shouldn't be too difficult for them to change all this considering their Sun's position and the intelligence it brings. Since the 3rd house rules also over siblings, it's very likely they won't accept living in the shadow of their brothers and sisters.

But many of these issues depend on their Sun sign and the aspects in their chart. Mercury makes them easily adaptable and open towards communication of any kind.

Sun in 3rd house people should make an effort to not become rigid because they'd no longer efficiently communicate when not open to also listen.

Their opinion will usually be valuable as they know many things on subjects others

wouldn't even think of addressing. For the same reason, they'd have many perspectives from which they're looking at life, so constant change in their way of thinking would be something others should get used to.

They can understand other people's points of view, even if they think their own opinions are the only ones that matter. Talking about their dreams and objectives will motivate them to also do something about these things.

They don't mind working hard, but problems may appear when trying to convince their superiors of new ideas they may have.

However, they will still advance in their career, even if they may need to sometimes compromise and to do things the way they wouldn't on their own.

Helping others would have the favors returned to them, so they should definitely make an effort for those who may need them to.

Moon ☾ in IV 4th House

([875] i.thehoroscope.co)

People with the Moon in the 4th House focus all their emotions on their families and homes so it's impossible to get along with them if you don't accept the aforementioned.

The Moon is at home in the fourth House, so its influence is dramatically increased on people having it here in their birth chart. Moon in 4th House individuals will be melancholic, attached to their home and very similar to the sensitive Cancer, which is ruled by the Moon and retreats in difficult situations.

They will have mood swings ever since young, this being something that gets accentuated in them with every passing year. Moon in 4th House natives will always keep their father in mind, being very loving with this person.

When the Moon in 4th House moves all the time, they won't be able to settle in one place, realizing that home can be anywhere in the world. Their favorite places are near water and they have a need for change in their environment, so it's possible for them to change houses or rearrange furniture as often as possible.

Summary:

Strengths: Resourceful, funny and caring;
Challenges: Emotional and overly nostalgic;
Advice: Learn to prioritize so you don't feel overwhelmed.

A lasting emotional impression

The House where the Moon is placed in a birth chart determines how that native expresses his or her emotional needs and how supportive is with others. Responsive and sensitive when it comes to the traits that specific House rules, each and every one of the characteristics influenced by this celestial body will have great impact on the collective.

Moon in 4th House people give a great importance to home and family, needing to always feel emotionally secure. They usually have a deep connection with their father, and the place where they have their roots has a great impact on them.

These are the most patriotic natives, the ones who need a settled spirit and really love the place where they have been born and raised.

Everything about their personality has ties with their family's origin because the fourth House is also a ruler of ancestry. Therefore, they will feel happy when dealing with issues about their heritage and land.

It's very possible they'll pursue a career in archeology or history, while everything they have experienced in childhood, together with their relationship with their parents, is going to be everything they need in order to feel secure and anchored in reality.

Many will consider them to be too changeable and not at all reliable. The Moon represents the mother and has a strong feminine influence, being associated with the important females in a person's life.

That's why these natives may inherit a consistent fortune from their aunt, grandma or mother.

While family and home are essential aspects of their life, they are very appreciative about anything that has to do with them. It doesn't matter that they're freedom-loving like the independent Aquarius, they'll still want to dedicate their life to the domestic realm.

All of their emotions and love will be focused on their home and family. It's impossible to get along with them if you don't like their loved ones, because their devotion to these people is very deep, which means only something very dramatic can have them detached from these people.

Many will see Moon in 4th House natives as the caretakers who also have a great relationship with the ones they're looking after. The problem with them is that they can

find it difficult to leave their parents' home and even to change their ways.

For example, Moon Libras won't be able to realize that keeping things balanced and the peace are not all the time that important. Breaking the old habits may be something problematic and almost impossible to get done for them.

They will find security only in what they are used in, because Moon in 4th House people can feel very insecure too often. Their emotions are always changing and their moods reflect the Moon's influence very well.

At least they have a great intuition that helps them provide what their loved ones want from them, from an emotional point of view.

Very caring and sensitive, natives having Moon in fourth House crave intimacy and to be warm with their most loved ones. It can be difficult to get to their inner world, but once you do, you can be sure of their never-ending love.

They won't be themselves until becoming parents, because up to that moment, the Moon's energy wouldn't be properly channeled and they may use it in an irrational way.

The coming to the world of their children will have them more down-to-earth and fulfilled as they would have someone to care for. However, they would still need to establish some boundaries when it comes to how much they spoil their kids.

Dependent on the ones they love

It doesn't matter how much they move around, individuals with the Moon in the 4th House still need to belong somewhere, so their life can be really agitated because they are searching for the perfect place. That's why they may change their home or its furniture very often.

It can be healthy for them to move, because they'd be emotionally satisfied, but if they'd regret doing it afterwards, this would be a sign of restlessness and a search for perfection that can't end. Therefore, it would be more important for them to find out they belong to themselves first.

Many of them will be emotionally immature and never want to take care of themselves, being very attached to their family and all kinds of childhood traditions.

It's not natural for Moon in 4th House people to have one-night stands because they want something stable and a spouse who's nurturing. If emotionally happy with someone, they will spend their entire life with that person.

The man with Moon in this House will look for a woman just like his mother. He's the feminine type, as the Moon gives him sensitivity and a lot of spirit.

If people having Moon in the 4th House have a mother who drinks, they will be very affected by this, their trauma being noticeable in the way they speak and move. It's like they'd be copying the woman who raised them, in her most embarrassing moments.

You can only imagine what an effect a partner whom they love very much would have on them, seeing how influenced they get by those of whom they're very emotionally attached.

They're usually very dependent on the ones they love and worried about their finances. Thinking only financial security brings them happiness, they also believe their family needs to approve their romantic relationships.

It's essential for them to establish some precise goals and to seriously work towards them. Their success can be tremendous and they can gain security only if they plan ahead.

As said before, Moon in 4th House natives are always changing their home or renovating, so people in their family may be a little bit exhausted by all of this.

Everything wrong with a home they don't like will be a reminder of the things they felt the most insecure about as children. It can be a challenge for individuals having Moon in fourth House to live on their own, especially when they're always looking for their parents to approve of their actions.

As soon as they're ready to be financially and emotionally independent, they will find it easier to choose their profession and succeed.

Don't think they need to be indifferent to those they care about, it's just important for them to think of their entire life as something they have to deal with by themselves.

Their partner could help them take initiative when required to, if he or she is supportive. These people need to be appreciated and reminded that their career matters. Accepting the fact that competition is healthy will help them enjoy sweet victories and a lot of success.

- You may go into debt. Because of your love for living life to the fullest, you might live above your means. Be mindful to keep track of your expenses, and be ready to limit yourself sometimes. A budget might be helpful.

Making something with your own hands can be extremely taxing and exhausting, but the feeling of satisfaction and pleasure that you get once finished is priceless.

They can earn a living as speakers, debaters just like new reporters, using their communicative skills and persuasion tendencies to reach the pinnacle of success.

Romantically, this man wants something serious, stable, a loving and comfortable relationship where he can relish and feel satisfied. He can be a very flirtatious individual as well.

Mercury ☿ in I 1st House

([908] i.thehoroscope.co)

This placement of Mercury makes people great at reading between the lines and also often admired for their natural confidence.

Those born with their Mercury in the first house of their birth chart are very intelligent individuals with a deep mind. They are inquisitive and curious and seek to widen the scope of their understanding by accumulating all the knowledge in the world.

They have an expansive personality; an open-minded perspective and they are visionaries above all else. Everything is worth a second look because there are secrets everywhere, just waiting to be found.

Moreover, these people are quite flexible and versatile in their approach, changing their ways instantly if need be. Communication and the sharing of information are two of their greatest traits.

Summary:

Strengths: Communicative, driven and spontaneous;

Challenges: Intriguing, disrespectful and speculative;

Advice: Their uninhibited confidence might also give them the wrong image.

Great public speakers

These people are immensely curious about the nature of the world and like to engage in endless debates and discussions about such deep subjects.

They are so intrigued and interested, in fact, that you will almost have no time to say anything because they monopolize the whole conversation.

Even more, when you think they've finally exhausted their ideas and arguments, they immediately change the subject or whip out a parallel line of argumentation, in-synch with the previous one.

However, they do keep silent in some moments, and that's when they're gathering their thoughts when a fresh topic turns up. With their adaptative and flexible minds, that won't be a problem.

Mercury is strongly connected to one's ability to communicate and share ideas, to interact with the surrounding people, and this applies to those born with this aspect too.

They are exceptionally endowed with this talent for speaking, public speaking even, to construct their arguments in such a way that it reaches the understanding of almost everyone.

True rhetoricians and orators, these people are so talkative and enthused about dialoguing that it's really a mystery how they remember to breathe.

Those born with Mercury in the 1st house love getting in debates and competitions where they can flaunt their intelligence, verbal intelligence especially.

These people never get sidetracked or blocked by the innovative elements, by something new that appears in their field of view.

Different does not equal negative, in their perspective. Hence, they are readily accepting it curiously, just to find out what it's all about, and even more when they have no prior knowledge of it.

However, just as they can be greatly focused on the topic at hand, they can also get distracted and start digressing incessantly, going from subject to subject, just to make some far-fetched comparisons.

The positives

One of the best things about natives with Mercury in the 1st house is that they are simply too curious to leave an opportunity to pass them without being all over it.

The world is such a marvelous place to explore, with secrets hidden behind every nook and cranny. The thrill of adventuring into lands unknown, the sound of victory waiting around the corner, all the ancient knowledge foretold in chronicles of ancient civilizations, these are too powerful for them to ignore.

Another great thing about them is their versatility and adaptative nature. Literally, nothing can surprise or put them down because they will change with the wind, finishing a project even if the end-goal is no longer the same.

Mercury in the first house symbolizes the beginning of a journey, one of initiation, the entrance to a new world where these natives must fight, struggle, and strive to become the best of what they can be.

It's the connection to the Ascendant element of their astrological diagram that instills in them this great drive and willpower, the idea that they need to peer into the veil of the world in order to fulfill themselves.

This is very important since there are stark differences between the various natives of other astrological signs, all in the first house. It depends on their original individual

characteristics.

For example, 1st house Sagittarius natives will build their perspective on life around their natural spontaneity and visionary overview of the world.

Pisceans will put more emphasis on emotions and sensitivity, and so on. In general, these natives are very able at transmitting information, at giving advice and at perceiving the true motivations and states of people around them.

In some cases, they might find it hard to express their ideas, but the need to communicate remains just as strong.

In reality, what they can clearly explain or put into words, it has little to no importance for them. This also means that they will try to further deepen their abilities and learn philosophy, psychology, broaden their linguistic and cultural knowledge in order to be able to talk about multiple subjects with ease.

They are very good at analyzing and summarizing information from a text or a speech, emphasizing the core elements of the arguments.

Depending on their elemental upbringing, they may be differently disposed of in this sense, some preferring images and artistic representations of ideas. Moreover, they are physically fit and in a good form most of the times.

The negatives

One of the worst things that they do pretty much all the time is that they don't take the time to listen to other arguments and ideas.

No matter who's talking, they will be thinking about their next lines and arguments, rather than paying attention to what that person is saying.

This clearly shows their exaggerated focus and that they are distracted, also a little disrespectful. They don't beat around the bush and always do what they say they will.

With a blunt attitude and the spirit of a pioneer, they will involve themselves in countless projects, winning everyone's admiration. Finishing them, that's a different discussion.

However, if they find themselves in conflict with equally intelligent or challenging people, they will quickly lose their focus and self-esteem.

This natural confidence of theirs that manifests in such uninhibited and glorious acts, something that everyone admires, is a result of being clearly superior to many other people.

When someone on the same level appears, they quickly lose faith in their abilities, all the accumulated knowledge, everything.

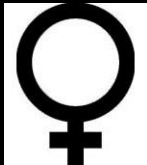

Moreover, they tend to revolt against the world for being in a certain way, fighting a losing battle, the don Quixote way, against the unshakeable principles of the natural world.

Mercury ☿ in Rx retrograde movement

[699] [920] ([699] mollysastrology.com:) These people absorb thoughts and ideas through repetition and osmosis rather than careful, deliberate study. More capable of dealing with abstractions and impressions than those with Mercury direct.

([920] cafeastrology.com:) The thinking processes are generally more acute, and the sense of humor rather quirky. People with Mercury retrograde take in information differently than those with Mercury direct in their natal charts. Some people with this position struggle with doubts about their perceptions or their ability to learn, and there can be a lot of thinking, double-checking, and reviewing of thoughts and ideas before communicating them. This man wants a harmonious and balanced relationship, one based on mutual respect, principled approaches, calm communication, and a patient advance toward the future.

In a nutshell:

Positives: Elegant and straightforward;
Negatives: Superficial and flirty;
Soulmate: Someone who is sensual and charming;
Life lesson: His fulfillment shouldn't only come from relationships.

His love personality

This man is attracted to feminine charm, to that inner beauty that exudes without having to do anything, and his ideal woman would also be polite, dignified, principled, and simplistic in her tastes.

He doesn't even want to hear her swear or get down to that level of degeneration. Most importantly, he wants her to be balanced, to know how to react in certain situations, and to try to uphold a sense of fairness in everything she does.

He will know when to compromise and when to ask for more from her, but in general, he will try to fulfill all her wishes and desires.

Even though he's been looking for the perfect relationship ever since the beginning, this doesn't mean that he didn't go through disappointments.

He's very giving, and he offers quite a lot of his time and affection to a partner. The Venus in Libra man feels like he can't ever find his fulfillment without a lover, a soul mate, without sharing his life with someone who understands him at a deeper level.

He sees his satisfaction and happiness in the reflection of a couple, and all the experiences shared together are just like clouds from paradise. A long-standing relationship is the only thing he'll commit to.

He doesn't hesitate or beat around the bush. With romantic gestures, he expresses his feelings from the get-go.

Of course, he is very concerned with how he appears, and how his offerings will be perceived, so he tries to put on his best appearance. This isn't a problem, in general, because he has an innate artistic sense for beauty, an aestheticism that goes a long way in putting him miles away from other competitors.

The man born with Venus in Libra likes to be the first in everything or at least show some initiative in the beginning phases.

His vitality and enthusiasm are endless, and he will forcefully try to involve himself in social events, bring his friend around for some fun, and convince his beloved to accompany him on such an adventure.

When he's looking for the right girl, he might leave havoc in his wake, sexual one at that,

because he's a really hot-headed individual who wants to please his senses.

Intense and passionate about it when the moment is right, and cold when he gets bored, he's quite the player, but he's looking for an easy-going and light-hearted woman.

Because they find their fulfillment and ultimate satisfaction in a relationship, they will try to maintain it on the floating line, to never get to a point of no return.

That's why the Venus in Libra men will hate arguments, conflicts, aggressive verbal debates or insults. They will instead praise their partners, compliment them, take care of them when they're feeling down or sick, and will generally be very kind and generous.

And just because they have a very advanced artistic sense, they love beauty and hand-crafted things, they might be a little superficial and spend a lot of money, but it's all good as long as they don't end up bankrupt.

Attracted by ...

He's very attracted by elegant women with good tastes in clothing, the kind who know exactly how to use all the elements at their disposal to look their best, with an air of mystery and charm hanging around them.

She must be feminine, cultivated, free-spirited, and it would be great if she had the basic rules of politeness fixed. Aggressive and overly-energetic women tend to be conflictual, to be emotionally unstable, and so he would rather avoid such women.

He wants to have a balanced and tranquil relationship, filled with plenty of sweet moments of love, affection, and compassion.

Arguing about the stupidest of things or entering a conflict just because you decided to buy something without asking her are the least things he would want. In general, he will try to save the situation before it gets too far, and he's very good at it.

With grace and charm, as well as a persuasive attitude, he manages to defuse almost all problems before they explode.

It's a good idea to take this man out to visit some cultural attractions like a library, a museum, a natural park, somewhere where you two can have lots of fun.

In conclusion

His greatest strength and advantage revolve around the fact that he strives for balance, for equilibrium, both in his life and in the lives of others.

Personally, he will make a lot of compromises to avoid sticky situations or problematic arguments, at the same time trying to make their partners happy and fulfilled.

They are really selfless, generous, and kind beyond reproach, and you can't even find anything bad about them that can top this.

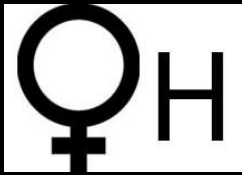

Moreover, this native wants to be appreciated for his efforts, to be liked and held in high regard, especially by women. He's not a womanizer at all, it's just that he likes flirting, pure and simple.

The man born with Venus in Libra could fall into a trap of his own making. He knows that he deeply desires a relationship, to feel the thrill of being loved, the sense of closeness, but this could turn into something bad. How could it ever reach that level?

Well, he could try so desperately to get a girlfriend that he may ignore his feelings. In other words, it might not be love that he commits to a relationship, but desperation, need, the urge to feel loved and appreciated.

He should be patient and wait for the perfect person for him because she's out there, just waiting for him to find her.

It's important for them to realize they're too giving and that this is not the way for a romantic affair to evolve. They should be with someone who appreciates their love and generous nature, a person who's ready to serve and to give them lots of love.

Summary:

Strengths: Affectionate, practical and dependable;

Challenges: Demanding and prone to worrying;

Advice: Sometimes, in life, you just need to give it time.

Very talented at anything visual

People with Venus in the sixth House function at their best when having to express themselves romantically, socially or artistically.

Developing great relationships with their friends and co-workers, they may find the love of their life in the workplace.

Others usually love and respect them, no matter if they're criticizing and can't stand any vulgarity or ugly behavior.

Practical and supportive in the way they're expressing their affection, these natives are always of service to those who are important to them. As a matter of fact, they are the type who would go over themselves to make their loved ones happy and comfortable.

While these people don't like to bring flowers and to express their love in public, they're always of help and available for doing something. They will do all the practical things in a relationship, being very thoughtful their partner doesn't stress him or herself with anything.

Very talented at anything visual and artsy, they are looking for harmony and want to make all things whole. If they won't pay enough attention, they may end up passing by true love and going for practical relationships, thinking they can't find something better for themselves.

It's normal for them to give their love away to people who don't deserve it, so they should be more decisive about going for what they want.

Natives having Venus in the 6th House are the type who want a routine and to enjoy as much balance in their life as possible, because this is what makes them happy.

Putting in the extra work for it doesn't bother them in any way as they need to feel very proud about what they've achieved. Having a highly developed sense of duty, they are the best employees, who prefer having everything organized and looking perfectly.

Being disciplined is what characterizes them, so they may expect others to not generate chaos or to wish for perfection, just like they do. All this happens because the 6th House is being ruled by Virgo, so their desire for excellence is something that is always present in their life.

Enjoying routine and wanting a daily schedule that makes their life more efficient, it's possible for them to stress too much or be negative.

Venus in sixth House individuals are eager to express themselves and to show off their talents, even if they're not the most expressive when it comes to love. However, the person who's with them will get to witness many practical ways in which they show that they care.

There's no one to take actions that express love better than them, but if Venus is not evolved enough, they may expect their other half to do many things for them and still feel like nothing is enough for them to feel really loved and appreciated.

However, they are mostly the type who wants to be of service and enjoy helping anyone, even strangers they have just met down the street because they have this theory that being useful is the only way for love and peace to be brought in the world. At the same time, it's important for them to realize that being too giving can have their kindness being taken advantage of.

All the people having Venus in the 6th House can convince others to do different things and approach love very realistically. Anyone can manipulate them with a few nice words because they have very low self-esteem and want to keep others next to them for as long as possible.

Providing all the time for their lover can't be called love as they need someone who can really appreciate them for what they do and want to contribute. It's possible to find love even when taking care of themselves and while not trying so hard to always be perfect.

The placement of Venus in the sixth House makes it more possible for the natives of this placement to fall in love at work, because Venus will influence them here, bringing in a special magnetism coupled with a flirtatious mood.

Obsessed with perfection

The position of Venus in this House means these people need to be very proud of what they've achieved, so expect them to always want to do their duty and to put in great efforts in their endeavors. Their bosses and co-workers will appreciate them for their hard work and for always organizing, so that perfection is attained.

They are very disciplined because Virgo rules the 6th House, so their wish for everything to be done the right way can't be seen in others. Their ideal partner is the one who can follow their routine and makes their life more fun.

Those who are too negative, stressed and emotional turn them off as they need to be next to someone who has time to appreciate them for their talents and work.

It's not their type to be very expressive when it comes to love, but you can be sure their actions will always show how devoted and affectionate they actually are. This is because they are people of action and not of words.

Many may not understand them, but their love will always be transmitted in the most practical way. As said before, a Venus that hasn't evolved enough in the 6th House can have them very pretentious and expecting their partner to do everything for them.

When not seeing that action is taken for the love towards them to be expressed, they start thinking that no one cares about their fate. But all in all, they want to be of help and think this is the only way for love to get spread.

However, it's important for them to realize that giving too much of themselves is not always in their benefit. Not to mention how obsessed they are with perfection when it comes to both themselves and those who happen to be in their life at some point.

The position of Venus in the 6th House has an impact over their metabolism, so they should pay great attention to what they are eating.

This planet makes people crave sweets and sugars, so they should be very careful not to overindulge in eating desserts. More than this, it's the planet of all life's pleasures, so they will probably want to have lots of sex, eat too much or drink, which is very unhealthy.

Venus in sixth House individuals love animals and all the joy these bring, so they will have their pets simply loving them.

Venus ♀ - Ruled by Libra (& Taurus)

([871] southfloridaastrologer.com:) The most authentic expression of sensuality and beauty is experienced when Venus is in Taurus or Libra. These two very polite and considerate signs are at home expressing their sensuality and beauty when Venus is in Libra or Taurus.

Mars ♂ in ♈ Capricorn man 4° 10'

([975] i.thehoroscope.co)

He usually despises rules and regulations and will try to go around them every time he has the chance.

The Mars in Capricorn man is a very carefree and uninhibited individual who doesn't care about the problems of the world. He's doing his own thing and he feels good about having the prerogative to lead his own life however he wants.

Comfortable and amiable in general, he's not looking to change the world or save the whales. Instead, he wants to pursue his own goals on his own terms, using his own principles.

Material success is pretty important to this man, so much that he sometimes forgets about succumbing to worldly pleasures. He should learn to take a step back and relax from time to time.

In a nutshell:

Positives: Competitive and reliable;

Negatives: Rigid and boastful;

Soulmate: Someone who has a healthy lifestyle;

Life lesson: Material success is not everything in life.

Living in harmony with the surrounding

You don't just mingle with a Mars in Capricorn man and get out unscathed, without some of his free-flowing and unorthodox ideas nudged deep within yourself.

He despises rules and regulations that society imposes down on him, and he would rather destroy the status quo, rebel against everyone than follow those damn rules.

He's a hedonist as well, following his own sense of pleasure, and this means that he's also a bit ambiguous, morally speaking. Not even he knows what he could do to satisfy his cravings and senses.

Any vices are acceptable, money is desirable, sex is absolutely delicious and necessary, and pretty much any extravagance goes for the Mars in Capricorn man.

He has a healthy lifestyle and he likes to live in harmony with Mother Nature. Protecting the environment, planting trees for a healthier future, fighting against deforestation, he's into all of these things.

What's more, you wouldn't expect such humanitarian and moral ideas from someone whose sole aim is to get his fair share of joy, satisfaction, and fulfillment.

Most of the time, he's passionate, impulsive, brash, but ambitious and perseverant all

the way, until he gets what he wants.

Even when things are not working as they should and he gets angry, he still finds a way to avert his rage from causing any victims.

Mars' combative and raw energy output gets toned down, taken through a shredder to make it easier to absorb by this man.

Otherwise, he would burn from the inside out, considering how fiery and volcanic the man born with Mars in Capricorn in his chart is.

He manages to hold his own against these outpours of terrifying energy by focusing it on exercise, sports, the healthy lifestyle that we've mentioned before, he won't go out of his way and take part in competitions or try to be a culturist, but he does want to be in top shape.

A big problem that they have has to do with their behavior when around their lover. Even though, in general, these men are very unrestrained and free-flowing, they get all giddy and shy when she shows up.

This happens because they have everything planned out from the beginning, and the possibility that something might happen haunts them day and night.

Rigidity and a lack of flexibility, even creativity. It should be essential for the Mars in Capricorn man to work on this.

When confronted directly, he resorts to the unspeakable and spiteful methods to take care of his competitor. He won't hesitate to trick, con, deceive and otherwise hurt his adversary no matter the cost.

A dominant lover

The Mars in Capricorn man wants to be taken seriously. He is a dependable and reliable person, someone who works days and night to achieve his goals, a perseverant and hard-working man.

And this is how he wants to be seen, especially by his partner. Mutual respect is a must, and he wants to ensure that his partner knows exactly who he's dealing with, that he's not one to be trifled with.

Even when asking someone out, he is in control of the situation, knows exactly what he's going to do, where he's going to go, and how he should behave. He knows how to have fun as well, and his preferences are really extravagant, to say the least.

Romantically, he's the dominant one who takes care of everything important, watches

over the natural comings and goings of his partner's life, and generally deals with all the responsibilities.

Thus, he would prefer a woman who knows when to bow down and submit. He doesn't have great luck though, and he meets a lot of women who can't appreciate his dedication.

There are also those who won't agree to be controlled. All in all, he's had many relationships, most of them failed miserably, but one thing remains. All of his exes agreed that he's a total beast in the bedroom.

Sex is not the same thing anymore after doing it with him, and doing it with someone else feels dull and uninteresting already.

In conclusion

Personally, he is very organized and has a systematic mindset. All the details are carefully taken into consideration, all the potential paths, and with a calm attitude that exudes confidence, he slowly makes his way towards the goal.

He's reliable, ambitious, and he knows what he wants from life. He's also very disciplined and practical, letting no stupid ideas ruin his professional course. The social ladder likes him very much.

His bosses, not so much. Why is that? Because he wants to overcome his limitations, to ascend the hierarchy, to get to the top. He's not going to be gentle or take feelings into consideration. The world of business is a jungle, and you have to be a ferocious and merciless predator to come out alive.

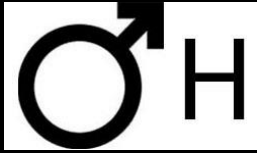

Moreover, he doesn't put in all this effort to impress someone, or just to increase his social standing. He does it because that's his nature, a hard-working and ambitious one that doesn't feel grateful for having a decent lifestyle.

If the only way toward success is by mowing down the competition, leaving bodies in his wake, a bloody battlefield filled with the remains of the unlucky bastards that dared stand in his way, then so be it.

His partner should perceive him as a man who knows what he's doing, a reliable and dominative individual who understands how the world works.

Also, know that he's ready to get out of his way to make you happy, to fix your problems and support you whenever necessary.

The fact that they're lightheaded means they also have many ideas in a minute, their energy being endless and very useful if they'd do something constructive with it.

If they were more organized, they would also make their friends and colleagues happier while not affecting in any way the joyful way in which they live their life.

Mars in the 9th House in a nutshell

Mars in 9th House people will always make good jokes and laugh a lot, while their passion for life would be unequaled.

It's like they can change the world with their enthusiasm and boldness. They know they only live once and the good aspects of Mars can give them many rewards in life. These people will do bungee jumping, go skydiving and take all the possible risks just to have great fun.

It's possible they'll want to relocate to a far-away place, to a city or town that makes them feel spiritually enriched. Therefore, it's possible for them to move in order to change their religion or to learn a new language. It's like their heart is one of a missionary in search of the Absolute Truth.

What they'll discover in their travels will make their life richer and they'll get to know themselves better through all the experiences they gain on the road.

They should be careful not to impose their own beliefs in others and to understand there is no Absolute Truth that works for everyone. If they respect this concept, they'll be able to reach an inner balance and satisfy their thirst for knowledge in a more efficient way.

While good entrepreneurs, these people get distracted each time a new and big idea

emerges. If they will have their own business, it's very likely they will hire others to take their plans to the finish line and they will be the ones taking care of setting the working way.

The newest concepts will be interesting to them, but they need to be careful not to lose themselves in the details. Jupiterian Aries are natural born leaders who have great ideas and are good at public speaking.

In a nutshell:

Style: Fast-paced and empowering;

Top qualities: Innovative, assertive and fortunate;

Weaknesses: Lack of patience and mood alterations;

Advice: Allow yourself some time to relax.

The impact on personality

Confident and energetic, Jupiter Arieses believe in themselves more than in any other people. They have a good impression of themselves, and the more others respect them, the more they respect themselves.

But they need to be aware of the fact that their self-confidence can sometimes be too much. Because they know how to promote their talents and personality, they could be very successful at running their own business.

However, this skill is also good in managerial and publishing positions. Proud of their morals and principles, Jupiter Arieses will always take the clean road. Their honesty and larger-than-life attitude could help them become great leaders. People will appreciate them for being optimistic and generous.

Not to mention how loved they will be for being able to see and tell things as they actually are. But in order for them to be efficient and successful, they need a lot of freedom and to engage in all sort of adventures.

Jupiter in their sign makes them more self-sufficient and focused than others. Others only dream of being as confident as they are. And when they'll realize their own power, they will be even more determined to achieve things in life.

Everywhere these guys will travel, they will want to learn new things and to experience different cultures. And they will travel a lot. They are not the ones to sit quietly in a corner and listen, they are more the type who jumps in and does things.

Everything the world has to offer is interesting and exciting for them. They are among the few who realize that only experience can help people expand their mind for them to have a better future.

Don't expect these guys to just sit around and wait. They are the dreamers of dreams and the doers of things. As soon as an idea will go through their mind, they will immediately be ready to put it into practice. This means they will make many discoveries along the way, but will also suffer a few disappointments.

People will admire them for being so bold. However, it would be healthier for them if they would sometimes temper their enthusiasm and see things in a more skeptical way.

When they will fail, no one will be able to stop them from getting it back together. The more challenging life will be for them, the more they will become knowledgeable and find new opportunities.

It's not normal for Jupiter Aries to be shy, doubtful or scared of something. But because they will focus too much on themselves, they may have problems in their relationships with others.

Not that their confidence won't be good. It's their ego that may spoil things. It would be perfect if every now and then, they would find some humility and pay more attention to others. Only this way, they will enrich their connections with their loved ones.

The fiery aspects behind their reactions

These natives can feel like anything is possible if they channel the lucky nature of their Jupiter in Aries transit. These people are always ready for anything and take good care of themselves.

Imagine what happens when this warrior side combines with the visionary Jupiter. But the power brought on by this association comes with great responsibility. The dangers involved can also be greater than one can imagine.

At least they will always be enthusiastic about new adventures and projects, no matter how hard life will hit them. And they will persevere to succeed. Jupiter's imagination can help them have great ideas. However, the real world is more about normality and less about brilliance. Their inspiration and spirit will fade in favor of the monotony.

That's why Jupiter Arieses need to collaborate with others who can help them see their ideas put into practice. It can be said Aries natives are determined enough to not need Jupiter. But when this planet's luck and expansiveness gets together with the Ram's impulsiveness, ambition and generosity, the people born under this transit get to be the hardest working, ambitious and kind hearted.

If you go out to dinner with them, allow them to pay the check. It will be their pleasure and a way for them to feed their ego. But the waiters will have to be fast for Jupiter Arieses can be impatient and snappy.

When they have to wait, they can throw serious tantrums. Their attitude in life can be compared with how the entire nature explodes in the Spring.

Just like the Spring Equinox, they are only moving forward towards sunnier days. Jupiter brings them enthusiasm, the Aries rules the head and makes sure self-confidence is present.

As a matter of fact, Jupiter can make anyone feel too big. When in Aries, things can become too difficult to handle. The people lucky to have been born with this aspect will start fires nobody will be able to put off.

They are the most optimistic when they have to start a new project and they will shine when they will take risks to make things work. They will always be sure things will start again if they'll fail.

These natives would love being teachers because they would meet new faces and thus, new challenges, all the time. Because they are so in love with new beginnings, they can lose themselves in the process of doing things.

The Jupiter in Aries man

The Jupiter Aries man is disciplined like a soldier when approaching problems. He will never give in under pressure. When busy, he'll be able to eliminate any distraction and accomplish what he has set his mind to.

When it comes to the bedroom, this guy will get the job done and won't mind taking orders. His main purpose will be to please, Jupiter is definitely helping him with generosity in this case.

Because he's opportunistic, he will probably work the stock market. Not that he won't do a great job running his own business either.

The more successful he'll be at work and in his personal life, the happier he will be. A risk-taker, he'll enjoy sports like bungee-jumping and zip-lining. So expect to have the fun of your life with him. Especially when Jupiter will be in his life.

Jupiter ♈ in XII 12th House

([1016] i.thehoroscope.co)

This placement of Jupiter encourages people to be generous and giving but at the same time eager to accumulate as much wealth as possible.

People born with Jupiter in the twelfth house are usually lucky because this aspect in the house of self-undoing, makes any type of obstacle in their way seem unimportant and easy to overcome.

These natives seem to enjoy good fortune, especially if they'll get involved with any type of artistic activities. They may get inspired while meditating, introspecting and being secluded. It doesn't matter what their 12th house influences them to pay attention to, they will, at some point in their life, feel like self-sacrifice is absolutely necessary for them to become happy and even successful.

All the luck Jupiter comes with will protect them from any physical abuse, especially when they'll get threatened by their enemies. They may have many moments in their life when they'll be on the edge, but they won't stress that much and relax, having problems just pass by them.

Summary:

Strengths: Relaxed, confident and hard-working;

Challenges: Distracted, unpredictable and cynical;

Advice: They should be careful at the things they share with others.

Compassionate and open-minded

Jupiter in 12th house may raise problems for natives having this placement because this house represents expenditure.

If the Great Benefic Jupiter is in positive aspects, those having it in the last house of the zodiac will love to travel, engage in scientific pursuit, buy expensive things and even become great editors.

Jupiter in 12th house natives are very giving and at the same time eager to accumulate as much wealth as possible. Their friends will always be beside them and they may get married twice, give their money away, struggle during their first and second period of their life.

They may achieve success only after taking over the enemies. Because Jupiter in the twelfth house usually influences people in a negative way, those with this placement will have a big ego that gets satisfied when they will be spending a lot of money. Therefore, they may need to borrow all the time from their friends and family because they don't have enough.

If the Great Benefic in 12th house is in Sagittarius, Virgo or Pisces ascendant, they may

build a home for themselves in a different country than their own.

An Aquarius Ascendant suggests they may make money by traveling. People with Jupiter in the 12th house are very compassionate and open to offer their help to anyone.

Jupiter's presence here means they have great intuition and want to know as much as possible on the subjects of healing and psychology.

Since the 12th house rules over the subconscious of the many and the natives' deep thinking, the presence of Jupiter here means a great desire for knowledge and for understanding how the human mind works.

Those with this placement want to study metaphysics and will be protected by Jupiter when it comes to negative energies or influences of a sick imagination.

This planet in the house that rules over vulnerabilities and secrets among other things means the natives with this placement will have a problem holding onto hidden things, no matter if these would be theirs or others'.

In the situation when Jupiter is placed in good aspects with Mercury, these natives should really be careful with what they're revealing about themselves because they may cause confusion.

Usually, when the Great Benefic is in this difficult house, it offers people great help when unpredictable things will happen. This planet will protect natives from those with bad intentions and even make their enemies feel like they're doing something wrong.

Expect Jupiter in 12th house people to receive many apologies from the ones who have crossed them.

What they don't know is that Jupiter usually brings positive things when it comes to such events. A combination of Neptune and Jupiter can bring many miracles into their life, in the forms of manifestation of their most secret wishes and some experiences with the spiritual realm that they're not even dreaming of.

A lot of these great things will happen when they'll try to be alone and also to meditate. They should be careful when talking to others about all this because their spiritual life should rather happen in private.

The more sensitive and emphatic they become, the more spiritually protected they'll get to be. It's possible for them to become free of self-destruction and unexplainable fear because Jupiter functions like their guardian angel.

They're more able than others to interact with their subconscious. If they'll be open to

give and volunteer with different charity organizations, they'll get to feel more rewarded than ever.

Jupiter in 12th house individuals will most likely benefit from a higher form of education. Choosing a job well that would have them helping others can make them very happy.

The dreamers of the zodiac, these natives are highly intuitive and can give good advice when asked. If they'll learn how to meditate and relax, they'll be more able to regenerate and become more energetic.

It's possible for them to be dream interpreters or to study metaphysics. Usually, they get all the help they need in life, and their faith is that good things are supposed to happen to them.

The goods and the bads

Jupiter in the house of Pisces means people with this placement will be fascinated by many of the life's mysteries. They want to be alone more than others and are usually very sensitive to the most subtle energies.

These natives are the type who believes in progress and God. It's suggested they do something in life that asks for their emotions to be involved.

Being free and letting go of the past should be their main focus. Jupiter in 12th house individuals are big dreamers and can see the good in any situation.

They usually feel good about life and help others deal with problems more easily. It's like their world is more beautiful and harmonious because they believe everyone should see things more optimistically.

It's important for them to know how to take control of their own life and also how to make things happen more efficiently.

Since being mature happens only after more experienced has been accumulated, they need to allow themselves to go through both good and bad situations while working hard on making their dreams come true.

It's important for them to sometimes recharge their batteries and organize their thoughts, so they shouldn't just run away from their problems and deal with them by meditating and reflecting on what life is. Abandoning the ship and not making any efforts for things to take the right turn would be disastrous for them.

Individuals having Jupiter in 12th house should not allow people to take advantage of them because their luck may turn bad with such a situation.

Standing up for themselves and being honest is what they should in fact do all the time. It's sometimes too easy for them to just step on others to get things done their way, but this doesn't mean they shouldn't protect themselves from those who have bad intentions with others.

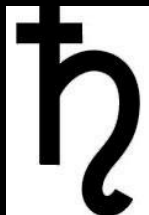

No matter what, these natives should always continue being optimistic. It may be difficult for them to have things in their mind organized this way, but with a little bit of effort, they can imagine anything and keep up a good attitude.

Being fearful that they may fail and not having confidence in themselves will make their luck disappear.

The more they'll look to get spiritually fulfilled and meditate in seclusion, the more there'll be inspired to do great things. It's possible for these natives to make at some point in their life a great sacrifice in order to make some of their dreams come true, but they should forget all about it as soon as it will be done.

Their curiosity about science and healing, or even the occult, can have them searching for knowledge and wanting to know more about many different things connected with these subjects.

Saturn ♄ in ♋ Cancer man 12° 24'

([1020] i.thehoroscope.co)

The position of Saturn in your natal chart reveals how you deal with rules, responsibilities and limitations.

Those born with Saturn in Cancer in their natal chart put a lot of attention on the wellbeing of close friends and family. They care deeply about personal relationships and want to develop them as best as possible.

They may have suffered when they were young because those close didn't seem to care as much for them and in adult life, they are trying to overcompensate that. Anyway, they have certain inhibitions and uncertainties about them, a feeling of estrangement toward getting too close to people.

Emotionally, they are very sensitive and vulnerable, which is one of the main reasons why they take a very long time to open up to someone, and by that time, it's too late. The lack of emotional instincts makes it quite difficult to find a proper way of expression.

In a nutshell:

Style: Domestic and comfortable;

Top qualities: Generous, acceptant and calm;

Challenges: Pessimistic and impatient;

Advice: Don't allow your inhibitions rule over you.

Personality traits

Emotional showdown is the very opposite of a Saturnian Cancer, in that they rarely fully express themselves. It's better to internalize those feelings and fight them squarely without anyone seeing.

In any case, close relationships are very important to them, and if any member of their family encounters a problem, they'll be the first ones to act, regardless of the risks involved.

You would think that they have some very developed communication skills and that they could level up with anyone as far as emotional matters go. However, the situation is much different altogether. Although they don't like it one bit, they need constant reassurance.

With these natives, a big problem is represented by the past, and the bad influence it has on them. They feel repressed and inhibited, scarred by what happened in their childhood, the many situations where they felt like no one loved them.

These things have had a strong impact on the development of their current self. The Saturnian Cancer women, for example, might feel stifled by the societal expectations and roles that a woman has to take on in today's society.

A homely mother, taking care of children, doing house chores, being always tender, affectionate and loving, is potentially an image they don't identify with and this frustrates them a lot.

They need to realize that these things are only stereotypes, and only by sheer force of will would they ever manage to escape this predicament. Saturn makes sure of that in the long run and it does this with a few sprinkles of organizational skills.

With this planet's influence, the powerless and unconvinced nature of anyone can be picked up from the ground, rise up to the challenge, and fight for justice, for the betterment of the needy and poor.

It's a power embedded in themselves, which has continually grown until now. The essential here is that they manage to detach themselves from the stagnant effect of dwelling on the past. What happened back then stays back then, and they have to concentrate on the present, even on the future.

A devoted lover

When these natives commit to a long-term relationship, they will find the fulfillment they've been looking for, or at least the prospect of it.

As such, they will become extremely focused on the happiness and security of their partner. It's just like another chance at life has appeared. They're not going to kick it away.

Very devoted, loyal, and loving with the person they care for the most, there may be a problem with how they keep their deepest feelings to themselves most of the time.

Afraid to be hurt once more, it's more of an instinctual protective mechanism, one that spells indifference to some people, the lack of love for others. But these natives are definitely not willing to compromise about this aspect.

Their partner might see it as a refusal to open up, and they won't like it at all. Time will tell if Saturn's influence is enough to point in the right direction.

The good and the bad

Saturn's standing in astrology is that of a strict and rigid parental figure who compels you to obey certain rules and principles of life. The same happens to the native, under the Saturn in Cancer influence, who is usually a very unrestrained and unexpected individual, not caring about what others think in the slightest.

Well, this time, he will have to stay his impulses and emotional outbursts, because Saturn orders it. Peace, order, patience, a critical overview of the whole situation, these are the enforced guiding posts.

This planet's influence greatly enhances the protective instincts of the Cancers. Either with family or loved ones, they will always take on the role of defenders, enforcers of secure environments, problem solvers, the front-line soldiers who take on the most dangerous enemies.

Moreover, they will also apply that sense of vitality and wellbeing to their own lives as well, taking care of all impending issues, and even making sure that the future holds the best prospects.

They have many repressed emotions hiding within, most of them being the result of past disappointments or even childhood traumas.

In order to move past them, they will need to find someone to talk to, a confidant, or to transform them all together into something constructive. It's not a shame to confess their problems to those they trust, after all.

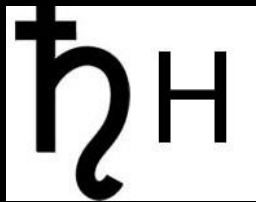

The Saturn in Cancer man

The moment a Saturn Cancer man meets the love of his life, Saturn washes healing waters over him, the kind that makes him more responsible, loving, a thoughtful and tender individual overall.

His partner won't ever feel like something's missing, because she will have all the love she can carry. Also, he is, from early on in life, thinking about fathering a child, and his abilities would really attest to his efficiency in this regard.

Because he will try his best in making you feel loved, welcomed, and appreciated, it would be a good idea to reciprocate those feelings, because he direly needs these affirmations.

Saturn ħ in III 3rd House

([1031] i.thehoroscope.co)

This placement of Saturn makes people have highly analytical and precise minds, love to dwell in many different interests and often impress others.

People born with Saturn in the third house in their birth chart are precise, resilient and capable of seeing things in depth. They can organize very efficiently and deal with life in the most traditional and conservative way.

It's possible they'll have an inclination towards mathematics and logic, their mind being very capable of developing great strategies when put in such a situation.

These people don't like to waste too much time with a project and prefer to be alone because they sometimes feel like people can only bring them trouble. This is because they may encounter problems with communication and can't find the way to express themselves clearly all the time.

Summary:

Strengths: Knowledgeable, dependable and kind;

Challenges: Insecure, shy and distant;

Advice: They should be braver about their opinions.

A dislike for superficiality

The main purpose of the 3rd house sits in the subconscious functioning of the natives' mind, when these are dealing with their most comfortable surroundings.

This house refers to the purest way people behave and communicate or how they function when interacting, so with that in mind, it's obvious that it doesn't deal with the unconscious.

It seems the small things people say and do unconsciously are the ones that present who they actually are!

Saturn in 3rd house natives may seem shy and distant. Some can be turned off by them, so they should listen and actually use what they have learned.

This way, they won't need to do a lot of talking, still their loved ones will adore them for listening.

Saturn in 3rd house individuals have some serious difficulties when communicating.

These natives believe their opinions will get seriously criticized, therefore, they're insecure and wouldn't even think of trying to talk about their feelings or thoughts.

Because of this, they're unwilling to communicate and are scared of making a mistake. It's normal for them to be shy and always concerned with others' opinion of them.

Talking is frequently a challenge for them and they could have dealt with some kind of speech impairment when young.

Saturn in 3rd house people aren't necessarily spontaneous as far as learning goes, small-talk and day-to-day discussions about the latest news.

They simply don't have a lot of interest in simple subjects and are all the time serious because they dislike superficiality in all its forms.

They may be very good when it comes to research, but are often scared or not at all bold enough to deal with the new and the methods that haven't been tested.

With Saturn here, things generally refer to a highly analytical and precise mind, which can be the effect of many principles taught to them during their first years of school.

From a young age, some of them have been educated to respect every rule, so they may seem insecure when dealing with the unknown as they take their time to act and are cautious.

Many of them have only studied and thought of nothing else, while others were denied to attend a college with strict regulations, where they'd have felt really good.

As children, they probably felt unappreciated for their way of thinking and even called dumb. If disregarded and told their opinions don't matter, it's possible they may have learned to remain silent and to open only when thinking they have something very interesting to say.

The psychological buildup of people usually depends upon what's known, tested and appreciated.

Saturn in 3rd house individuals deal with cognitive activities by insisting and striving for perfection, security for them being attained only when the truth is understood and every little detail has been studied.

If not, any form of advice coming from others can intimidate them. The slow movement of Saturn supplies many problems in matters relating to home and family members.

Natives having Saturn in 3rd house typically start speaking at an older age than other children, could have a somewhat sluggish and fearful speech or can be exaggeratedly timid to talk about their own ideas.

They may take a while to process all the information coming towards them, and while their intelligence isn't lower when compared to others', Saturn often makes them seem less smart.

Even if they may possess a high intellect, their surroundings would make them feel too scared to talk, which they accept as a reality until seeing what their speech can do.

It doesn't matter if men or women, they could be late bloomers who use only their own pace. Saturn makes these natives extremely stable when it comes to the knowledge they've obtained throughout the years.

What they have heard is strongly fixated in their mind and generates new ideas, which can produce an even more developed mind in the long run, a greater understanding than the one of somebody who absorbs data fast, yet in a chaotic manner.

The goods and the bads

Saturn is the bully of all planets, making people with it in the 3rd house seem distant or

too shy. Situations in which communication is needed can make them feel uneasy, but since they don't necessarily say too many things, they have this great way of listening.

And it's not that they want to be this way, they just are! Don't even think they will ever speak in public, yet Saturn in the 3rd house makes them silent and ready to develop great observational skills that eventually lead them to success.

They prefer to work in the shadows, sometimes as journalists or scientists and are disciplined or very well coordinated, finding those who happen talkative and unorganized very bothersome.

They have probably been discouraged to talk when young, possibly because their parents considered some things should never be discussed.

Saturn in the 3rd house can even briefly disrupt them in school as well, however, they will surely devote a lot of their time and efforts to the aspects of life related to education.

They may need to study twice as hard, but at least they have their own strategies when it comes to working towards reaching their objectives.

It's possible they'll want to achieve great successes in research, but for this to happen, fighting their own anxieties would become very important.

It's good that Saturn provides patience and endurance, so these would be two of their advantage when it comes to accomplishing any type of task.

Their communication is lacking a lot of heart and soul, therefore, they won't call or text a person until initially determining what they want to say.

This can be terrific for some professions, especially those that require the employees to be as discreet as possible.

Natives with Saturn in the 3rd house are fantastic at managing confidential information and working for newspapers, or for tasks where they don't need to interact that much with their colleagues and superiors.

They're also cautious and manage to obtain results faster than others because they're always minding their own business.

It's suggested they spend some more time examining other individuals and their desires because this can help them determine what they want too and they surely are capable of good relationships.

They should use their instincts and have significant talks with both their family and

friends.

Relaxing and letting their few communication abilities unfold will put them in the ideal direction, so they'll eventually learn how to talk more openly, which can be their life's challenge.

Saturn ♄ in Rx retrograde movement

[699] [920] ([699] mollysastrology.com:) These people may doubt their worthiness as human beings. May avoid taking responsibility for their mistakes and be fearful of taking chances. There is often subconscious fear of rejection and loss. Their limitations and burdens are self-imposed. This may be the most difficult retrograde.

([920] cafeastrology.com:) There can be more than usual experiences of guilt and self-doubt when Saturn is retrograde in the birth chart. Fears are internalized and they might put on a brave front so that others don't see them as vulnerable. There can also be a strong fear of letting others down or of not filling their responsibilities – essentially of making poor choices. Sometimes the childhood was not very disciplined or orderly. In some ways, having Saturn retrograde in the chart tends to function much like a strong Uranus, where the native is uncomfortable with an overly orderly or disciplined life. People born with Saturn retrograde might feel especially anxious or nervous when they are in situations that call for protocol, etiquette, or specific sets of standards and rules.

Saturn ♄ - Detriment in Cancer (& Leo)

([871] southfloridaastrologer.com:) A restricted expression of Saturn's need for structure and rules is found when Saturn is in Cancer or Leo. Cancer and Leo's need for raw, authentic expression of emotion and behavior is opposite Capricorn's attention to rules and restrictions.

Uranus ♅ in ♍ Virgo man 17° 22'

([1046] i.thehoroscope.co)

The position of Uranus in your natal chart reveals how forward-looking you are, on one hand, and on the other, how rebellious you are.

Those born with Uranus in Virgo in their natal chart keep coming up with new ideas, always think of multiple ways to approach a situation, and often end up with the most inventive and surprising of methods.

They can improvise so well because they are resourceful, creative, interested in gaining more knowledge, analytic, and they are born to change the world as we know it.

Science attracts them the most because it has the greatest potential to bring about a new era for mankind and they most certainly want to be part of this.

In a nutshell:

Style: Sensual and sympathetic;

Top qualities: Observant, reliable and modest;

Challenges: Fussy and easily offended;

Advice: Physical exercise is really good for you.

Personality traits

These natives are very meticulous and analytic individuals. They will spot the inconsequential details right from the start, and they will focus on the most important aspects of a given situation.

This makes them more efficient, productive, and it reduces the risks involved. What's even more admirable is that they aren't going to brag about their success, and won't act in self-righteous ways to promote their ideas. A simple gesture of appreciation will suffice to validate their efforts.

Thanks to their deeply critical mindset, these natives will often find many diverse methods to approach a problem, all stemming from all the analyses they've done on the subject.

With this much research, as well as the intellectual flexibility, these natives won't wait long before trying to create entirely new avenues of scientific study.

They are very creative and inventive workers who use their own experience and intuition to ease work and convert any tension into production power.

Naturally, the Virgo is one of the Earth signs, and this means that they're not likely to accept change in their midst.

Changing their routines would take from the comfort of leading a life filled with a sense of the familiar. Social conformism would come easily to them, if not for Uranus' influence which brings them the raw energy of a star coursing through their veins.

Now, staying in-doors and feeling fulfilled with a boring lifestyle would be a death sentence. They become innovative, flexible, adaptative, the type who wants to change as many things as possible, just to see what happens.

They could let others come in to help, if only with just some advice because this native doesn't trust people that much.

Even though the Uranus Virgoans don't wish for their efforts to be put into the spotlight, they wouldn't reject the opportunity to work in PR, for example, or in high positions where they have to take on the role of a leader.

In fact, these positions would ensure that their abilities are perfectly used to get the best results. The new intrigues them, and this includes technology, innovative additions brought to the fields of medicine, environmental health, tech stuff that puts most people at odds with their intelligence.

They are respected by everyone because of their amazing self-control and professional attitude.

The Uranus Virgo natives have split apart between their love for the new technology rising fast, for the prospect of experimenting with the upcoming digital age, and the spiritual connection with nature, with what comes before anything man-made.

They will revere and respect Mother Nature and its manifestations, even going so far as to organize marches for the protection of trees, of near-extinct species of animals.

They'll likely choose to alternate their lifestyle, going full vegan, and paying close attention to their relationship with the environment.

A non-conformist lover

In love, the Uranus Virgos won't accommodate their beliefs to age-old traditions, and won't subdue their freedom of thinking just to have a "normal" relationship.

The non-conformism manifests in the unusual type of bond that one has with their partner. These people will have their own way of going about doing things, their decisions are their own, and they won't expect their partner to agree with them unconditionally.

Each individual has their own perspective on things, and both of them will have fought on through life with a certain type of principles that differentiate them from everyone else.

It couldn't be better because the Uranus Virgo capitalizes on this boldness and working power to take the relationship to the next level.

The good and the bad

The Uranus Virgo natives are very responsible individuals who never let themselves get distracted by anything, no matter how passionate they might be about that subject.

Responsibilities and day-to-day tasks are essential for a stable lifestyle, and it's also the fact that having something to do keeps them on their toes, always ready if something unexpected happens.

With this much raw energy burning down inside them, ready to be unleashed at the slightest sign of danger, these are itchy to release it and often find the opportunity to do it in creative endeavors or put it toward their observation skills.

Their greatest flaw is the obsessive need to be in control of everything and everyone. When they feel like something's bound to slip from their grasp, these natives lose focus, start getting anxious, annoyed, and end up doing stupid things.

This is how it works when they're planning something and they expect the validation of others. Because they can't control what other people feel and think, they want to be sure that everything's in order.

Of course, it's not that they actually pay attention or take into consideration exterior advice, but that validation and appreciation are paramount to their potential.

The Uranus in Virgo man

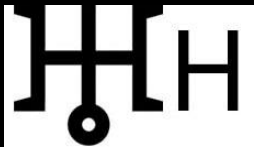

The Uranus in Virgo transit influences this native in a peculiar way, making him become really efficient at deconstructing a certain problem into its barest parts, in order to find out exactly what the best solution is.

But it also made him uncertain of his own ideas, with an urge to seek outside validation.

Although there is a lot of untapped potential deep within him, with the raw energies spilling forth into everything he does, this one aspect puts everything to shame.

Also, this man never settles with the simple explanation, with what appears to be insufficiently complex, and wants to conduct research on his own.

Uranus ☿ in V 5th House

([1057] i.thehoroscope.co)

This placement of Uranus encourages people to express their creative thoughts in unusual ways so often they manage to keep those close on their toes.

People born with Uranus in the fifth house in their birth chart usually do things their way and have very creative minds. It's easy for them to deal with change, and as a matter of fact, when things are not stuck in a routine in their life, they seem to get pretty inspired.

Because the 5th house is about love and Uranus is placed here, they may be the most unusual people. It's also possible for them to enter a relationship and soon after to end it abruptly. The more original and eccentric people are, the more they feel attracted to them. It becomes essential for these natives to have a lot of freedom when it comes to romance, or else they simply run away as soon as feeling tied down.

Because they're charming, these people attract many admirers and like to pursue their relationships with enthusiasm. If they're to be parents, expect their children to also be inventive, individualistic and even rebellious. Because they don't mind taking risks, they'll probably do extreme sports and get involved in all sorts of activities that might put their lives in danger.

Summary:

Strengths: Ingenious, thoughtful and warm-hearted;

Challenges: Restless and procrastinating;

Advice: They should learn how to cope with boredom too.

Keen to experiment

Natives having Uranus in the 5th house will always express their creativity in the most unusual way. Really uninhibited and free, they know how to live their life and usually don't care that much about the rest.

When having to express themselves spontaneously, they're the happiest. Very playful, these individuals don't mind casual romances and can leave behind any person that seems dull and unenthusiastic.

Many will be in love with them and they won't mind in any way to be in the center of attention. They need to be seen as unique individuals because this makes them feel they can bring their contribution to the world in a more efficient manner.

Everything in their life has to be experimental and to have something to do with the new or to get them involved with others belonging to different cultures. The soul of these people needs to be free and to love whomever it wants.

In case Uranus in their chart is in an angular position from Saturn or this latter planet isn't in high aspects, the natives of this position get to be very romantic and wanting to play with love like they would do with a game.

However, things can be different if they have many planets in Capricorn. Their

relationships are usually considered to be unusual because their heart needs to be involved in something controversial when it comes to displaying affection.

They can also move from partner to partner as they're very spontaneous and being constant does not at all come natural for them.

When Saturn isn't in any way strong in their chart, they will feel bored when not challenged all the time by a romantic affair.

The 5th house is the ruler of love, flirtation and one-night stands. Uranus here means natives with this placement have an erratic romantic life because they're all the time changing partners and deal with all kind of an expected situations.

They're the type who falls in love at first sight because Uranus makes things move faster. But don't think their relationships will last long considering the same planet can cause unexpected things to happen and for beautiful affairs to end without any reason.

Not to mention these people are not at all emotional and seem to enjoy being the ones who end things with their loved ones. Expect them to just want to break up out of the blue, so if you happen to be with one of them, make sure you understand his or her psychology.

Individuals with Uranus in the 5th house should be aware of the fact that they can hold on too long to a relationship, so they should establish from the start if they're only looking for a fling and not to get involved.

This way, they won't break any heart. Obviously, when Uranus is in difficult aspects with some other planets in their chart, the natives of such placements can be very dramatic, the type who ends things abruptly and who enjoys extreme situations.

Their eccentric ways may cause problems even after their relationship has ended, so breaking up from them isn't easy. The main reason why they don't want to be involved for too long is that they're feeling all the time constricted or repressed, so they want to rebel against what's happening.

Uranus is the planet of the unusual and at the same time of individuality. Usually, everything that happens with this celestial body is weird and strange. Its 5th house placement drives natives to be shocking in order to see how others react to them. Not to mention it's possible for teenagers with this placement to fall in love with older people, yet their affairs wouldn't last for too long.

Blessings

Not very serious, natives with Uranus in the 5th house need to be free and to do what they want. In conclusion, they're very independent and should have friends or partners

who understand them for who they are.

They like their opinion to be considered, so if one of their loved ones wouldn't ask them for advice regarding something serious, they'd get to be very upset.

When Uranus feels comfortable in the 5th house, the natives of this placement really know how to love themselves and they're very objective when it comes to what they can do and their own limits.

They can also see the uniqueness in others and want to make friends with those who have the same hobbies as them.

These people know what works for the masses and usually don't look to observe what actually works for themselves. That's why they make great team players who love to work for the greater good.

Many would want them to lead because they demand respect and truly have consideration for others. What these people need to learn is that relationships involve compromise, which isn't always a bad thing.

Having a big ego can often work against them, they should be aware of how to pay attention to others and also of how to listen more often because many don't want anything to do with them when they're not struggling to become better.

Challenges

People with Uranus in 5th house love being in relationships because they think it's fun and their flirtatious nature doesn't let them to not enjoy love, no matter if they'd just be thinking their connection with the partner is something casual or long-term.

Magnetic and charming, they're always surrounded by people who want them to lead. Uranus makes them quirky, but not everyone will get them for whom they truly are.

Those who really know them can't deny they're the most irresistible people on Earth. Always wanting to do something special that differentiates them from others, they attract adventure and people who don't mind living new experiences with them.

In case Uranus is in a challenging position with the Sun in their chart, the natives of this placement may feel like their father doesn't appreciate them.

Therefore, they can have the father complex and always want to perform to prove the man that raised them that they're the best. This usually happens with many artists who become famous just to show their father who they are and what abilities they have.

It's important for people having a challenging Sun-and-Uranus position to be aware of

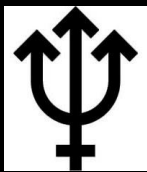

the fact that not being recognized doesn't have anything to do with love.

The more they'll learn to appreciate themselves without needing the approval of their father, the better they'll deal with their memories of being rejected, which can be buried in their childhood or even past lives.

The same thing would help them be in contact with their creative side and become really effective when it comes to making art.

They usually learn how to obtain what they want when children, so they don't have any problem finding a partner or attaining their goals when adults. Uranus will always help them explore each and every option they may have in life.

Neptune ♆ in ♉ Taurus man 13° 58'

([1066] i.thehoroscope.co)

The position of Neptune in your natal chart reveals how intuitive and dreamy you are and whether your life takes any spiritual turn.

One who is born with Neptune in Taurus in their natal chart, borrows from the indulging nature of the latter and the tendency towards dreaming and introspection of the former.

They love the idea of living in a luxurious and comfortable house with a glam and expensive design, and they are able to get it by working passionately their entire life.

Of course, achieving wealth is really hard to be done, but once they will fix their passive attitude and start seeing their dreams as reality, they will pass every obstacle, even if it's a financial or personal one, and they will end up fulfilling their dreams and living a happy life.

In a nutshell:

Style: Patient and understanding;

Top qualities: Romantic, dreamy, reliable;

Challenges: Possessive and materialistic;

Advice: Physical exercise could help you get out away from monotony.

Personality traits

It's definitely true! Neptune Taurus natives can be classified as dreamers, and they have many thoughts about how much expensive their possessions should be.

Their intelligence and ambition will help them get more than they will propose initially because they are materially-oriented.

This materialism will make them manage every situation properly because their practical mind acts as an incredible ability which overcomes any challenge and always fixes their problems in a productive way.

When it comes to their personal life, they might be a little bit more insistent, because once they fall in love, it's going to be hard for them to let the partner go.

Their ideas are best when put into practice, and they are very practical when it comes to this, preferring to build upon realistic plans, rather than going forward with improbable and idealistic desires.

Usually, they capitalize on their artistic sense and the sense of aesthetic construction that animates each and every one of their ideas.

However, these natives are not good when it comes to organizing their financial situation, but due to their highly adaptable personality, they will eventually reach an acceptable level in this domain as well. Moreover, they are flexible enough to survive in almost any environment.

The Neptunian Taurians might try to convince others of the truth of their own ideas, in a constant process of persuasion, a holy war of some sorts that they fight endlessly.

This is not exactly the ideal path for them, since the sense of satisfaction that they get when someone validates their perspective is not truly a reason to be happy. True happiness and fulfillment come from one's own revelation, from the individual enlightenment, not from making others see the truth.

Helping others reach their own understanding of the world is better than imposing your own viewpoint, and it leads to a greater satisfaction later on.

Moreover, their aesthetic skills are off the charts, and they will try to create their own understanding of the world through their own peculiar methods.

The positives

Those natives dominated by Neptune in Taurus have such great artistic abilities, being art lovers, that they use their artistic eyes to reflect the perfection in their material possessions.

They also use, as a veritable source of inspiration, their beloved partners which are the most angelic creatures on Earth, in their eyes.

You will see that once they are in love with someone, they get in touch with nature very often, and they start to appreciate their beauty at a high level.

All this makes them feel, from head to toe, a beautiful sense of freedom, which will definitely entertain their happiness and satisfaction. They are definitely the ones that best know how to enjoy their spare time.

The negatives

Because they are born with the assurance that everything will work perfectly every time, even their craziest dream will become reality, just imagine how disappointed they will become when they will realize that life sometimes punches you in the face and destroys all your dreams.

There is a big risk for these natives with Neptune in Taurus to start getting depressive and anxious, and even having confused states, not realizing why their perfect picture about the future got broken.

It is very hard for them to move on after a breakup, and there are a lot of chances for them to become angry and frustrated.

They have a really patient attitude, but if you pass the limits, you will have in your face a totally different person. At the end of the day, they will find the power to get up and start everything from scratch but before they do this, they will take all their negative feelings out.

The Neptune in Taurus man

These men are truly one of a kind when it comes to relationships. They love very passionately and with great intensity. This can be seen from their overall attitude and how they take care of their partner.

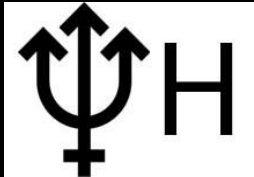

Most of the time, they'll be willing to give up on their own comfort, just to bring a little bit of extra comfort to their lover. Moreover, they extract great working energies from that sense of personal fulfillment of having someone to help and support them.

Relationships really bring out the best in them, both professionally and emotionally. You may notice that the man with Neptune in Taurus puts a lot of effort into taking care of you, and he would greatly appreciate it if you express your affection in return.

They tend to overlook the importance and significance of their efforts, and it's always good to hear words of appreciation from others. Little things matter the most, and what is simple has always attracted their attention.

Telling them you love them early in the morning, cooking for them when you know they're coming late from work, these are small things that matter a lot to these men.

Neptune ♃ in I 1st House

([1077] i.thehoroscope.co)

This placement of Neptune makes people benefit from an immense imagination and power of self-definition but prevents an easy communication.

People born with Neptune in the first house of their birth chart are only indirectly affected by this planet, so the influences of this celestial body are not quite noticeable in them.

Highly intuitive, they're always employing their spirituality and transcendental abilities to deal with the everyday life. It's normal for these people to sometimes feel deceived about themselves, disillusioned and confused.

Neptune in 1st house natives don't really know who they are, therefore, the support of others is essential for them. It's not like they don't have a great mind, they simply don't know how to use it. They may not have clear objectives in life, so many of the opportunities that reveal themselves to them will be missed.

Summary:

Strengths: Subtle, mysterious and relaxed;

Challenges: Suspicious, insisting and negative;

Advice: They should refrain from trying to control everyone around them.

They seem to absorb the way people feel

People having Neptune in 1st house can be great artists because they dream a lot and usually act very gently as their sensitive nature asks them to be kind.

This can happen especially when Neptune's position is very close to their Ascendant.

Very aware of their surroundings, they can also make the wrong impression on people, so many see them in different ways that sometimes oppose each other.

These people don't mind encouraging the wrong perceptions, so they're aware of their

adaptability and always really trying to work with it in order to be to the liking of many.

Loving peace, these natives don't all the time reveal their strength and are interpreted as subtle, mysterious or alluring.

Many are attracted to them and think they really understand what's in their mind, but in fact they can be very moody and trying to escape problems by feeling sorry for themselves and acting helpless.

Not sure of who they are, Neptune in 1st house natives don't know how to impress by using their own skills. They seem to absorb the way people feel and have an imagination that is very strong.

When it comes to worldly problems, they prefer to be relaxed and to just let life happen. As said before, their identity is not very well-shaped and they really don't have any idea about what they want to do with themselves.

When it comes to self-definition and awareness, they're struggling to be grounded and surer of themselves. Their Ascendant will influence their personality a lot, but the position of planets in their 1st house has a lot to say about who they are because this house rules over the self and the way natives approach life.

Neptune placed here creates individuals who are sensitive, imaginative, enigmatic and interested in their own appearance. In astrology, this planet reflects the unconscious needs and how people play many different roles in life.

Its influence is usually over avoiding reality and seeing only what one wants to see. Therefore, this celestial body rules over dreams and delusions.

When in the 1st House, natives with this placement always see life the way they want to because Pisces is the sign that is ruled by Neptune.

Many think of them as sensitive, dreamy and poetic because they only seem to live in a world of imagination.

This is the result of them changing their ways according to whom they are meeting. Others are intrigued and in the same time attracted to them because they have a way to make other people's problems their own.

These are the natives most prone to suffer from alcohol and drug abuse, seeing these as ways to escape their reality. Neptune makes it easier for people with this planet in the 1st house to dream and also interact with different planes of reality.

Not to mention these natives are very aware of their surroundings as they seem to

strongly perceive feelings and to merge with different people or situations in a way no one can.

This can also be a downside for them because they'd absorb negative energies amongst other things. It's important they continue developing the traits Neptune brings them, but they should pay attention not to become dependent on drugs or alcohol in order to escape what's real and painful.

Idealistic without limits

Neptune develops personalities that don't want to be grounded, so dreaming is something that Neptune in 1st house people are always doing.

In case this planet is in positive aspects and protected by other celestial bodies, the natives with such placements will try to understand how the Universe works and be very interested in everything that's strange.

However, they should keep this about them under control because once again, it may lead them to become dependent on different substances.

One thing to note about Neptune in 1st house is that it gives natives a special magnetism and a stare that could conquer anyone's heart.

Their look always seems to be different than that of others' and they can read minds like others read books. Meanwhile, no one can see what's really happening in their minds.

It's difficult to betray them because they know when someone is lying but no one could guess if they're themselves not telling the truth.

These people should feel less guilty about everything because they tend to think bad things are happening in the world because of them. This is also what makes them feel like victims, so they'll give their best to be saviors.

It's good to be altruistic, but protecting oneself is also necessary because many people are not so well-intentioned. Only this way, they'll be able to really help others and be as giving as they can only be.

When around other people, Neptune in 1st house individuals can really understand feelings and emotions. For example, as soon as entering a room, they start attracting energies just like light attracts moths.

It would be good for them to once every few days spend some time alone and renew their aura because their psychic abilities can really wear them down.

Not to mention how, during this period, they could reflect and determine who they really

are or what traits can help them become better. Holding on to other people's feelings is not at all a good idea for them.

The goods and the bads

Neptune in 1st house people are very sensitive and attract many others with this trait. Their friends see them differently and they usually have a very busy social life.

This is the reason why they all the time have many dating opportunities or people waiting to get together with them.

Being tolerant, they usually accept anyone in their social circle. These natives don't mind others wanting to be with them because they're aware of their generous and mysterious attitude, and have the most easygoing personality.

They need to research on their own how their life can become more peaceful or how they could be more productive because letting others control their life is not at all a good idea for them.

Therefore, they should always focus on themselves. Taking on responsibilities will make them more confident and sure of themselves that they can do anything.

It can be hard for them to find a partner who can get used with how much attention they get from others, so they should pay attention to their loved one's feelings.

Natives with Neptune in 1st house are not that flirtatious, but they surely are nice, therefore, the wrong impression can always be given to those who are their lovers.

It's important to let their partner know where they're standing, no matter how much they want to just go with the flow and not give explanations.

Fighting all the time with their lover would truly disturb their life. They shouldn't be with someone whom they feel is always bringing problems in the relationship.

These people need to talk about their issues so their other half doesn't feel he or she is guilty of something.

Not to mention there are things that can grow very big when held inside for too long.

Their partner would deserve to know their problems and they shouldn't hide in fantasy when life becomes too hard. It would be wise for them to use their intuition and ability to observe if they want to determine what's wrong in their life.

Pluto ♄ in ♋ Cancer man 19° 41'

([1092] i.thehoroscope.co)

The position of Pluto in your natal chart reveals the transformations due to take place in your life and how you channel your core truths and restorative power.

Those born with Pluto in Cancer in their natal chart will have to learn, from an early age, to cooperate with other people in order to properly make use of their full potential. If they will just stay cooped up in a prison of their own making, they'll only make things worse, and even reach a state of depression and great sadness.

It is very hard to give up their own personal security and emotional stability in this regard, but it's a necessary thing to do, if this means the better for everyone. Pluto brings great risks, but also incredible opportunities.

In a nutshell:

Style: Instinctual and protective;

Top qualities: Stable, generous and caring;

Challenges: Pessimistic and worrisome;

Advice: Transformation only comes when abandoning comfort zone.

Personality traits

These natives are very emotional individuals who put a lot of importance on their gut feelings, on what their intuition tells them.

While it works for most of the times, offering impeccable information pertaining to a lot of situations, it's still not a one-shot technique that works every time. They can still fail horrendously, and it's not exactly pleasant.

They care about their friends and family in a more profound sense that most of us, searching for an ultimate communion of the souls, for security and stability. Nothing is more comfortable and fulfilling than having a place to call home.

To such one-sided individuals who only want stability and a homely environment steeped in routine, change is evil, in whatever form it may come. They have to eventually get used to seeing the world change around them, and they should also realize that nothing stays the same for too long.

Change is natural, and not only that, it's welcomed and a sign that evolution is underway. Of course, no one guarantees that everything will lead to beneficial situations, and there might be problems further down the road, but that's nothing surprising.

This is how life works, and they need to get used to this. Their close ones will offer support, while they use those Plutonian emotions and instincts to patch themselves up.

The good and the bad

What's good about these natives is that they take good care of their loved ones. Loving, affectionate, loyal, and devoted to the bitter end, nothing stops them from creating a safe environment for their dearest.

Even though Pluto instills them with deep emotions, thus putting some vulnerabilities in there, they try not to show that they are weak sometimes. Taking control of the situation is the best choice they have, this being their motto all along.

Plutonian Cancer natives are very vulnerable to change, that much has been covered, and the only way to salvage this situation, to make the best of what they have, is to gain control. In what sense? In every sense, even manipulating and deceiving people to agree with them counts as being in control.

If the alternative is to fall into a pit of desperation, they won't hesitate for too long, and just go ahead with what comes as natural to them no matter how blameworthy this might sound to others.

They aren't malevolent in this respect, but they do it out of necessity. If they didn't, their emotions could potentially be blasted to smithereens.

Pluto in Cancer in love

The last time Pluto transited Cancer, social norm dictated the gender discussions and debates. A period of great changes and new perspectives on love matters, these natives began to look at marriage as something more than just a social contract. They began to see it as a form of spiritual bonding, a manifestation of the love between both partners, women especially having this viewpoint.

This is why, based on this heritage, the Plutonian Cancer is a native who believe in equality and in offering equal status to the man and the woman, in love matters.

This native may care more about stability and security and less about whirlwind romance, even at an early age. But this is not to say that they are not prone to falling in temptation, they are human after all and a bit of excitement won't break them.

Having a family comes as a bit responsibility so the Plutonian Cancer will think more

than twice before committing, perhaps will even postpone this step for later in life, despite finding the one and despite, this hesitance of theirs, actually threatening the relationship.

The Pluto in Cancer man

This is a man with varied beliefs who will not really talk freely about them, unless provoked. He is a great storyteller, so a great social companion but can also be rather blunt and sometimes doesn't adhere to social norms.

Contrary to many men, he knows exactly how he wants his house to look like and will be very invested in this. He might even design and build his own home.

With an amazing resistance to failure, he is not one to wallow in self-pity and will pick himself up, dust his clothes of any unfortunate event and just move one.

Pluto's transformative influence might bring a bit of pessimism to his life and this cautiousness will surface, especially in areas he is not very comfortable with.

This planet brings clarity, a crystal-clear perspective on the world, thus allowing them to see the inherent flaws of a relationship. However, nothing is a real deal-breaker with this man and he can persevere, if given the slightest chance, especially in love.

Pluto ♄ in III 3rd House

([1103] i.thehoroscope.co)

This placement of Pluto makes people want to solve mysteries, to increase their knowledge and to expand their minds, all of this against the normal flow of society.

Pluto in the third house is responsible with how one communicates, how the sharing of ideas goes through in a harmonious and responsible way.

Their social relationships are usually very good and efficient because of this talent for communications. Of course, things could go haywire instantly, without any apparent reason, just because their planet sent too many negative vibes.

If something attracts their attention, or someone for that matter, it will turn into an obsession right away. With them, it's either all in or nothing at all.

Summary:

Strengths: Witty, curious and enthusiastic;

Challenges: Impulsive, stubborn and indecisive;

Advice: They need to be careful with the risks they are taking.

People of great intellectual depth

One of the things that set these natives apart from the rest of the people is that they never take everything at face value. It seems like skepticism is an innate trait, but it doesn't matter either way.

They will try to reach their own version of the truth, to investigate and inquire into the nature of things, to find out whether the presented information is accurate or not. It's no use telling them anything, they won't listen to you.

The Pluto in 3rd house natives want to solve mysteries, to increase their knowledge and to expand their minds, all of this against the normal flow of society and its members.

They can take on any profession, especially if it has to do with one's spirit of observation and analysis skills.

They can make an excellent psychologist just as they would shock the world with their ideas as a scientist.

A criminal mastermind as well as a physicist, a mind-reader and a hypnotist, or even a cryptographer, they can become anything they want.

Even if they might appear as distant or disinterested at times, you can be sure that they are actively listening and registering everything.

Depending on the ruling sign in the third house, they can have many different preoccupations and personality types.

These natives are people of great intellectual depth and have a deep curiosity, seething with passion and endless interest in exploring the world.

They want to experience as much of it as possible, learn and accumulate knowledge, establish their own principles and understand their own identity.

This path of initiation, of self-revelation and self-reflection, will create some issues though, mainly related to how they must eliminate the old to receive the new.

This conflict that goes on inside of them is called cognitive dissonance, the contradiction between what the individuals know to be true and new information that goes against his

knowledge.

This expansion of the mind translates to an increase in words spouted per second. Just kidding, but the Pluto in 3rd house natives are notorious for ranting and rambling on and on, constantly, until you shut them up forcefully.

Communication and harmonious exchange of information, these are the basic founding principles in their case. The process of assimilation never stops, knowledge keeps pouring in, and their needs get even more substantial.

Inspiration comes from their philosophical method of perceiving the world, what they attribute to being the essential thing in life.

Being in equilibrium with this mindset and with the world itself is the proper path toward the self-illumination that these natives want to achieve.

The goods and the bads

The good thing about Pluto's influence and energy is that it allows these natives to become better, happier, superior, and to achieve a higher level of existence by accumulating knowledge, by seeking to answer life's greatest and most profound questions.

Why do we exist? What should a man do in order to be happy? The meaning of life is still a matter a debate, as it has been ever since man had the first thought.

The bad things, on the other hand, have to do with their tendency to search for a dark and sinister answer. Even more, they are naturally attracted to the morbid and mysterious aspect of life, the unknown and the abyssal.

The feeling of empowerment that comes with knowing things that the vast majority of people don't know is too fulfilling to kick aside.

They have an unbelievable capacity to absorb information, and an endless curiosity to put to good use.

What do you think the Pluto in 3rd house natives do when they're confronted with difficulties or the path to their objective is fraught with obstacles? Do they stop or retreat?

This is the last thing they would do, in fact. Whatever catches their intrigue and interest is as good as taken, and they will not stop until they have either succeeded or exhausted their potential.

Generally, they become extremely focused and aware of their surroundings, being able

to make split-second decisions and deal with anything coming their way.

If it's about inquiring about the very nature of something, then the Pluto in 3rd house natives are the most profound ones out there.

These natives are very sure on their own thoughts and opinions, so much so that people admire and respect their confidence and let them speak without interrupting.

It's just like an orator holding a speech with everyone listening to every word, dying to hear the next parts.

They tend to digress and focus on the details, a little too much in fact, and this may detract from the attention and interest that the others give them.

They need to realize that there are a lot of things to be considered on the path toward self-development and evolution. The higher levels of existence are attained through awareness and insight.

In communications, they have to take a step back, pay attention to the topic, and to what they were going to say.

Sometimes, they have to soften it a bit or make it more aggressive, based on the present situation. Anyway, their choice of words and tone must be managed before unleashing the torrent of ideas.

And it is a torrent because the natives with Pluto in the 3rd are overly-dynamic and ecstatic. About what? Anything and everything, really.

The only real problem they will ever encounter is if a subject turns up that they know nothing about. That's when their confidence drops by a large margin and those existential questions start popping up.

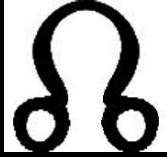

Pluto ♅ in Rx retrograde movement

[699] [920] ([699] mollysastrology.com:) Nearly half the world's population has this retrograde. Its effect is hard to determine except to say that these people generally have a harder time integrating themselves into the mainstream of society. When Pluto is very strong, they find themselves doing things without understanding why.

Also: ([920] cafeastrology.com:) People with Pluto retrograde in their birth charts may be more inclined to fear being controlled, manipulated, or betrayed by others than those with Pluto direct. There may be a tendency to keep these fears to themselves, as exposing them makes them feel more vulnerable. They don't as readily let others know their desire for power or control, and might not be in touch with this desire a lot of the

time.

North Node ♏ in ♎ Libra 18° 38'

(Georges Muchery)

The Dragon's Head in Libra is a sign of balance and harmony in the native's life as a whole. It also gives stability in regard to the affections; the gratification of noble desires is shown in all things. The native has a fine intellect as well as great courage. Progress will be rapid; and wealth as well as honor will be acquired. The Dragon's Head in Libra is favourable for the children and for the family ties.

The Dragon's Tail in Aries is often a sign of lack of conscience, or, at all events, of in consequence. The native acts too precipitately; what he has decided to do must be done forthwith, and this leads to want of due reflection, which is detrimental to his affairs. He may suffer material losses, or experience trouble in other directions, due to his lack of cautiousness. This position inclines to fits of anger, but also gives great physical courage; and if the horoscope generally is good, the Dragon's Tail in Aries will not be so unfortunate.

(Isabel Hickey)

North Node in Libra implies spiritual integration which comes from moving from self to others; from personality levels to the soul levels. Emphasis should be on loving others and getting away from self-love.

South Node in Aries means an over-assertion of self has been the problem in the past, and personality should become the servant of others in this lifetime.

(Martin Schulman)

This nodal position requires much learning about self-sacrifice and the needs of other people. All the lifetimes of work spent on building self-confidence and esteem must now be transferred to others. The Libra North Node keeps the individual from adding to his sense of self-identity any further. He must guard against strong ego influencing his current life actions.

His long-standing me-first attitude now brings him sharp and painful experiences as he is learning the lessons of co-operation. He must slow down and make sure that all he

works for is meaningful, in his marriage and close partnerships as well as all his relations with others. He has to learn to take the sharp edges out of his life and start to balance. While the center road seems less attractive to him, it is still the only path he can have towards happiness.

Ultimately he must learn the very subtle lesson that his strong pioneering individualism isn't actually meant for himself at all, but rather to equip him better so that he can provide others with a more harmonious life. Many individuals with these Nodes have a tendency to be contrary. The experience of listening to other people is a new one which they find objectionable when they feel it hampers their forward motion.

In past incarnations, progress was all-important, and getting there first was part of the highly competitive Arian drive. This carries over into a definite closedmindedness which the Libra North Node will ultimately open, showing to the individual the other side of the coin which he had never before thought was important enough to recognize.

Selfishness and vanity of all sorts must be curbed unless the individual wishes to find himself alone. Usually he feels himself being driven towards something, yet he doesn't understand what or why. Through the Libra North Node, he is now to reconsider his goals and objectives so that his Arian energy is put to some useful purpose.

He changes his mind often; and allegiance to a single cause is not one of his finer attributes. Past incarnations have made him accustomed to a constant impatient restlessness that still has a tendency to keep him on the move. He knows that he is to give rather than to receive in the current life, yet he finds it difficult to cope with such karma with his full heart.

The Martian quality of the South Node impatiently pushes him in new directions. Upon arrival at each destination, however, he finds the gossamer cloud of Libra in the middle of the seesaw, and is surprised to see that the goal was not a goal at all, nor was the destination the end of the journey. Puzzled and confused, he sits in the middle, trying to evaluate the circumstances which he hopes will point the way towards his next successful drive. And yet each goal, each ambition, each sprint of running and striving brings him to Libra - the half-way point!

Finally, out of sheer exhaustion he makes the amazing realization that the second half of the journey involves other people. He is to learn the karmic lesson that he is not alone. Until he learns to share, something always comes up to put the brakes on his efforts. Eventually he is brought to the realization that winning or losing the game is much less important than the fairness with which it is played.

Many individuals with these Nodes are highly opinionated as a result of selfish or bigoted past-life attitudes. Now it is time for the shoe to be worn on the other foot. Much of the current life's events are painful blows to the ego. The individual has to guard against

becoming embittered as he sees many of his own wants and desires being taken away from him and given to others. At first his natural tendency is to be jealous. He wants to fight back for all those things he feels he has lost; yet the more he fights, the more he loses. Eventually, drained of much of his inner resources, he must surrender his selfish ego and accept living in a world built on sharing.

Until he overcomes his South Node, his biggest frustration is the witnessing of other people receiving all for which he himself had wished. He doesn't quite yet understand how this works, and is puzzled at why all the things he has ever wanted are coming to people around him and yet not to himself. He hardly realizes that all his desires, wants and wishes are actually designed for others.

He is mentally energizing the wishes of people around him so that he can ultimately be an instrument for their fulfillment. In actuality, he is earning himself a new place in the world by living through the karma of selflessness. Still, the insistent urges of the South Node keep pulling him backwards, often making him feel that this is a lesson he would rather not yet learn.

He must try to resist past-life tendencies to make waves, for he is now capable of witnessing disharmonies between people without taking sides. Often he is thrown into the position of referee, whereby in helping others to become more objective, he in fact helps himself. The more he can get others to co-operate, the more he can learn to do it himself.

Underneath all the hustle and bustle, this individual is learning to see the consequences of his actions before taking them. In effect, he must learn to look before he leaps!

For many with this Nodal position, there is a deep-seated anger coming out of past-life memories of frustrations which block the self-expression.

In this life, there is usually a very pleasing physical appearance, which is part of the karmic lesson in vanity that the Aries South Node is here to overcome. Any narcissistic residue also causes difficulty in marriage as this is the battleground where the war between love of another and needs of the self must be fought.

The balance between Aries / Mars and Libra / Venus is a difficult one to achieve. The Aries South Node constantly seeks to assert its needs, while the Libra North Node needs nothing for itself but to love others, regardless of their demands. This individual can feel love for others best only after his own needs are fulfilled.

Until the desires of past incarnations are left behind, the incessant pulling of his subconscious demands continues to be so strong that he has a tendency to drain energy from other people, actually putting them to sleep. In effect, he is a walking anaesthetic, constantly wondering why people avoid talking with him for more than a few minutes. He

would like to talk for hours, if only to continue the focus of attention on himself. But in his private moments, he is deeply saddened by a sense of loneliness and the knowledge that his relationships with others are so far short of what he would like them to be.

There is nothing subtle about this Nodal polarity. Happiness comes only after he is forced to re-evaluate his desires and truly discovers that they involve other people. The ego-self must be abandoned, and with it a heightened sensitivity to the needs of others acquired.

The Libra North Node is one of the most difficult to achieve because the Aries selflove looms as such a large hurdle to overcome. Still, the individual must overcome if there is to be a new cycle for him; and he will find the key to this new cycle as he begins to reflect back upon himself through the eyes of others.

The house position of the South Node indicates the area where insatiable desires of past incarnations are still demanding priority. The house position of the North Node shows how fulfillment can be reached through self-sacrifices, co-operation and the expression of unselfish love to others.

(Donna van Toen)

You need to learn to co-operate and get along better with others. Your Aries South Node may reply 'Yeah, but they never want to go along with my plans'.

Your problems may include that you have an exaggerated need to prove yourself; that you tend to be uncomfortable; and that, because of your upbringing, you've come to place too high a value on assertiveness.

Possible solutions: Stabilize your relationships in terms of give and take. Learn to differentiate between caring and controlling. Learn to let others have a chance to decide for themselves. Stifle your need for others, and look out for yourself.

South Node in Aries often complains of having been forced into something which has irrevocably fouled up his or her life. This could be a too-early marriage, a career, a specific mode of behavior, etc.. In any case, he or she, as a result of this experience, justifies his or her reluctance to co-operate in other areas. Aries South Node generally hasn't developed his or her ability to commit himself or herself in a longterm situation. He or she wants fast results. If these aren't forthcoming, co-operation is curtailed. Aries South Node is also generally unwilling to take responsibility for the effects of his or her actions on other people. He or she is sometimes unwilling to share. The Aries South Node generally wants exclusive rights to the things in which he or she is interested. He or she feels that future well-being depends on immediate gratification and success.

However, goals can often be attained only when the Libra North Node's ability to co-operate is tapped and developed.

Signs of an over-balanced Aries South Node are: high blood pressure; impulsiveness; hyperactivity; a cold, critical attitude towards others' accomplishments; argumentativeness; a tendency to brag about accomplishments and be a poor loser; an insistence on leading; an unco-operative attitude; difficulty in finishing what he or she has started; and boredom or a short attention span.

North Node in Libra dreams of happiness and harmony. He or she would like to be known as a very sociable person. Others play a very important role in this person's dreams. In contrast, this is an enthusiastic, emotionally active person whose selfishness may interfere with social interaction and harmony in general.

Antidotes for Libra imbalance: The client should be advised to get a complete beauty treatment, including new hair style, in preparation for developing a new lifestyle. Even men can benefit from a new hairstyle. Likewise, shopping for a new wardrobe or new furnishings can be a beneficial antidote, as any purchase would tend to remind the client that a new lifestyle is beginning. For best results, color selection should be geared to the imbalance. Dancing is a good antidote. If the client has any physical symptoms, a medical check-up should be advised, since this is another one of the imbalances that's most capable of triggering illness. Boating, cruises, and water sports can be helpful antidotes.

The client should be advised to consciously seek out activities that stress partnership and teamwork, rather than trying to do everything himself or herself.

If career advice is sought, the following could be recommended if other factors in the chart show aptitude: hairdresser or barber, artist, interior decorator, lawyer, stewardess or pilot.

(Mohan Koparkar)

Previous incarnation for this person was spent with a lot of physical actions, temper and aggression. He had, in that life, achieved and lost many things as he could not learn to understand the significance of balance. In this life time, he will definitely learn and be able to use the concept of balance as applied to 'soul growth'. Everything he undertakes in this life will have a definite sense of justice, priority and deeper significance. His diplomatic talents are well worth noting in this life. He will achieve things without fighting for them; and often others will surrender to him just by his senses and magnetism. Utilization of mental energies is strongly noticed in this person in this life. Although he may not be after material success, he always manages to be plentiful in that respect.

North Node ♁ in VI 6th House

(Georges Muchery)

The Ascending Node (Dragon's Head) in the Sixth House is good for the native's health, and even when he is ailing, or seriously ill at some time of his life, the Dragon's Head will help him to get over his illness, so that if his life should be despaired of he will have a chance of recovery. It also implies good fortune derived from employees; and if the horoscope on the whole predicts it, it confirms gain through an inheritance from an uncle or aunt.

The Descending Node (Dragon's Tail) in the Twelfth House is one of its most unfortunate positions. It causes incessant worries and troubles during the whole period of occupying this house, or when it passes through it again, unless benefic aspects from other planets are in operation at the same time. It causes loss of money, and unsatisfactory business transactions. It makes powerful enemies and merciless creditors, and is also a sign of ill-health and troubles of all kinds.

(Isabel Hickey)

Integration only comes to this individual through service. Must come out of his shell and work. Has been isolated through self-undoing in the past. Either enforced seclusion, or restrictions due to lack of compassion in the past, has made it easy to retreat this time. Fulfillment comes to this individual through serving others and losing the sense of separateness. Humility, the last virtue to be attained, can be the keynote of his life if the individual is willing to serve others with no concern about the self. In order for any of us to become something, we have to be willing to be nothing. This is the message of the sixth house.

(Bernice Grebner)

With North Node in the sixth, he needs to work and to be of service to others. He must learn to do for others with no regard for himself. He needs to lose the self-interest toward which he tends to gravitate. This also includes learning discrimination, attention to details, and discipline from too much daydreaming. He also must concentrate on health matters for the protection of his physical body. He needs to bring compassion down to the practical level.

South Node in the twelfth is sensitivity. Here is the person with a talent for working with the sick or mentally insecure. It gives a drive to seek seclusion and an inclination to meditate. With bad aspects it could give an alienation from society. This position seems to be karmic; and there is a very definite secret, sacrificial service of some kind involved, depending upon sign and aspects. The person with the South Node in the twelfth house may have a martyr complex, which must be used at its highest in sacrificial service and delving into the secrets of the subconscious, bringing them to the light of the conscious mind. This position gives many nurses and doctors.

(Mohan Koparkar)

This condition often signifies work-related areas and importance in life. For some reason, they are highly inspired to do things others may not want to do. For spiritual growth, this is quite a good position of the North Node. For some reason, their interest in life is not tremendous but just a passing stage in the Karmic line-up. Physical health is maintained considerably well, and they may even get into diet foods, meditation and related areas. In their prior life, they came fairly close to achieving the secret of the universal escape, but missed it by a short margin. This aspect often provides self-confining tendencies to elevate one's position in the universal race.

(Martin Schulman)

This individual spends most of his time in deep thought. He likes to be left alone so that uninterrupted by others he can let his inner reflections sift through the karmic memories of all his past incarnations. This is not to say that he doesn't like company, or that he's even aware of what he's doing. The fact is that he goes so deep as to become totally oblivious to anything he is thinking about! He loses himself in himself.

Always the conscious reason for going inward is based on logical intention, but the individual tends to reach the point where all logic eludes him. The Neptunian subtlety of the depths he reaches remains a mystery even to him!

One of his greatest problems is that while he stays inside himself he is preventing others from stabilizing his mental journeys. As a result, he accumulates enormous past-life fears, having no idea whether they are real or imagined, or just a compressed collection of the mental scenery on his inward journeys.

Still the basis of his outward life is built on fear and imagination, and regardless of how strong the rest of the chart is, he keeps having moments of not being able to find confidence in himself.

He is a lot like the turtle constantly peeking out of his shell. People close to him see his life as a tendency to avoid all that seems real.

He spends most of his time watching others from behind a see-through mirror. Ultimately he comes to believe that the rest of the world is viewing him with the same scrutiny. There is a latent paranoia built into this Nodal position.

In areas of work he is an unusually poor organizer, leaving many scattered ends behind him and always feeling that there are not enough hours in the day to complete his chores. His problem is that he doesn't know how to budget his time, and as a result he is constantly trying to catch up to the present.

Much like the rabbit with the clock in 'Alice in Wonderland', he keeps throwing himself into the position of having to rush to avoid being late.

Part of his life will at one time be involved with hospitals, institutions or organizations which demand him to structure his ways. He needs this in order to come out of his inner self.

The big karmic lesson is for him to learn responsibility instead of feeling sorry for all the woes that seem to beset him. More than any other house in the zodiac, he cries at the slightest hurt either real or imagined. Sometimes the crying is inward, but always it is there, for on the very deepest levels he feels that the love he has to give goes unnoticed and unappreciated. Because he thinks this way, he becomes his own creator of gloom; and woe to the person who tries to pull him out, for then he will have a receptive ear for all the past-life hurts, fears and worries he has not yet even verbalized!

Underneath all else, he is a bottomless well of fretting, with not enough deep faith in the positive outcome of events. He must work on building trust so that he can have the strength to come out of his shell. Once he does, he is one of the most compassionate, beautiful and useful people in the zodiac.

His sixth house North node gives him great pleasure in helping others, but he cannot do this well until he realizes and accepts the fact that in this incarnation he has chosen a life of sacrifice.

He must learn how to organize his thoughts, his work and his diet, for he is a naturalborn healer, capable of defying the limits of practical medicine with his own more mystical methods of curing. But a talent is not a talent until it is developed, and an individual is not more than he thinks he is. Ultimately he will come to learn that his greatest gift is faith. But he will work long and hard to reach that awareness!

Part of the current life will be spend nursing or coping with physical or mental illness, either in himself or in others close to him. His major growth occurs when he realizes that all illness is no more than a disharmony in the body reflecting disharmony in thought. Something inside himself is constantly trying to tell him this, and he must learn not to

allow his past-life fears to block what is now being opened for him.

Many with these Nodes go through experiences of illnesses that miraculously disappear, to the amazement of medical doctors, dentists and other professional practitioners. The karmic lesson here is to learn the higher reason why, for as soon as understanding is reached, the new-born faith starts to heal. Once he becomes aware of the power of his faith, he becomes a veritable dynamo.

As he builds in more positive thought currents, he automatically learns not to criticize others for the lack of perfection he sees in them.

His outlook on life remains clinical: scrutinizing and diagnosing all with which he comes in contact.

Of all the Nodal positions, this is the most difficult one to open up to past incarnations. The twelfth house South Node has completed a karmic path, the details of which are to remain forever sealed in past times, even though the subtle Akashic essence still remains.

Lifetimes of escaping from inner torment have been completed. The individual must come to realize that most of his inner negativity is not related to the current life, but only exists through his continuing to think along a track which has already ended.

He still has inner feelings of being persecuted which he must learn to bury once and for all, for the more he allows himself to dwell in such thoughts, the more he will inadvertently recreate such circumstances.

He should learn to realize the past for exactly what it is: no more than a memory, and no more real than a photograph in his mind, which he now has the free choice of holding on to for the sake of its misery or discarding so that he may step out into a productive new world.

Once he can put his entire state of consciousness into a positive and productive outlook on life, he will be able to start experiencing a new meaning to his existence. The sign which contains the South Node shows the ways in which the individual blocks his current-life advancement by withdrawing into karma he has already completed.

The sign which contains the North Node indicates the ways in which he can now develop a fruitful life through service.

(Donna van Toen)

Conflicts: Physical health vs. spiritual health. Efficiency vs. debilitating worries. Pride in work vs. feelings of inferiority.

Possible results of sacrificing North Node: Reclusive tendencies. Feelings of alienation. Escapism. Paranoia. Lack of detachment.

Possible ways to integrate North Node: Learn to take pleasure in helping others. Organize and discipline your mind. Accept appreciation. Be willing to work for others. Develop practical goals.

In the sixth house there can be hang-ups about imperfections, dedication, or service. Narrow-mindedness and intolerance are frequently at the root of these hang-ups. A lack of confidence and a strong fear of rejection are common side effects. Everything must be black or white; gray is intolerable; 'almost' doesn't count at all. This holds true both in self-judgement and in judgement of other people.

Total success is this person's ultimate goal; nothing else is acceptable. There's a tendency to frequently test other people's dedication by throwing out obstacles or challenges which must be met if the tested person wants to retain the esteem and respect of the testee (note that the tester may also be the testee). Extreme urgency is a keynote - there's always some crisis to be solved or some need that must be filled immediately. Otherwise, dissatisfaction sets in.

Sometimes, the person may retreat from the real world entirely either via the nervous breakdown route or through involvement in some idealistic pursuit.

Typically, this person makes excessive demands on himself or herself and talks a great deal about 'good' and 'bad' people, things, and attitudes. He or she is generally disappointed in friends, work and everything else because expectations are set at such an unreasonably high level.

North Node in the sixth house dreams of being vital, energetic, and physically and mentally healthy. They may want to be actively involved in some sort of healing art or profession. They dream of becoming psychic healers, doctors, renowned herbalists, or people noted for their healthy, attractive bodies. They dream of finding a way to take care of their body without foregoing self-indulgence and hope of being able to pass this way on to others. Sometimes mental health is emphasized rather than physical health. This person wants very much to be thought of as perceptive. He or she typically feels isolated from others and has difficulty finding emotional satisfaction. Much time is spent examining both emotions and the physical state, hoping to find a key that will allow him or her to feel more in tune with others. Self-deceit or attempts to deceive others may keep perceptions and well-being blocked or lead to misguided or self-defeating action.

(Haydn Paul)

You may experience slipping back into the depths of your unconscious mind, moving beyond rational thought, and accessing irrational and imaginative sources. You tend to be introverted, often with a distracted attention as you prefer to avoid involvement in the mundane world. This could either become a form of escapism - and evasion of responsibility and duties - or more positively and creatively be directed toward meditation, contemplation, and a creative artistic spirit. Results depend upon application and choice. You may feel that life is a dreamlike state; this depends on how effectively you separate inner activity from external reality.

This inward mental attention does affect daily life. You may be less efficient and organized at work or when performing domestic tasks. Through diverting energy and interest toward inner realms, you often leave work unfinished and then claim the excuse of insufficient time. This can become a normal behavior pattern. Even if you had more time, however, you may still fail to complete tasks as your attention suddenly fades. To change this tendency, and to become more mundanely anchored, you could benefit from an organizational structure which requires self-discipline and shows how careful planning and a focused will can be efficient.

There may be various inner fears and indistinct worries which preoccupy your mind and make you feel sorry for yourself. What may be needed is greater self-responsibility, and an effort to become more positive and trusting of life, so that fears can be banished. Then you can feel confident to dare to face the real world. You are quite capable of doing this; but any avoidance habit may inhibit progress, since you do prefer retreating into a private inner world, especially at times during relationships when you believe your love for another is unappreciated.

You need to be helpful to others, but may be reticent in moving beyond a protective shell. Your usefulness depends on passing beyond these restrictive behavior patterns. Reaching out to embrace life, accepting your total nature, and improving communication with others is your way forward.

There may be a phase of illness - either your own or that of someone else close to you - which offers a lesson that much illness, being psychosomatic in nature, is caused by states of inner disharmony of thought, emotions, attitudes and values. This can be through emotional repression which generates physical side-effects, tension, and stress. If you can perceive the cause behind the obvious symptoms, identify the real underlying problem, and make a conscious, deliberate effort to transform and resolve the problem, amazing healings can occur. The path of healing may then attract your attention, and you could have healing abilities which can be awakened. Linking your observational abilities and empathic contact to your personal growth, and introducing more positive attitudes, could help transform you into a 'healer', especially in the alternative medicine field. Once you deal with your problems, you should experience a more fulfilling sense of meaning and purpose, especially when you share yourself with others.

(Bruno and Louise Huber)

Here our problems are existential, and we are concerned with maintaining ourselves - unlike the situation in the 5th house, where we simply stand and make our presence felt and where being is more important than doing. However, even the 6th house is not primarily concerned with doing, but with getting a clear idea of what one is capable of doing.

The 6th house is a mutable (cadent) house; and mutable houses always have to do with realization. It employs the process of realization to find its own 'untapped market'. It prompts us to ask, 'Where are abilities like mine in demand, where am I needed, where would I fit in?' The question may appear to be academic, but it is real enough, for a 6th house presupposes a 5th - i.e., it presupposes that we already possess 5th-house self-assurance and enjoy a certain status.

In the 6th house we are concerned with being able to make proper use of the I that has been put to the test in the 5th house. Thus we are concerned with becoming part of the environment, and with making a personal contribution to it, while earning a living at the same time. Basically, in the 6th house - especially if the Node is posited there - we should look on ourselves as a supplier who can satisfy a demand, saying, 'I wish to make a contribution to my local community. Now where is this contribution required?' It is a question of putting others first, because the 6th house is a house of service.

The principle of service should be recognized as a valid principle. Leo rules, and Virgo serves, but their roles can be seen in reverse, as when it is said of a king that he is the chief servant of his people. Similarly, the 6th house does not necessitate servility, or passive, compliant acceptance. It calls for a positive contribution, provided our contribution meets a real need; for this is what service is all about. Often we have to do hard work, and make an effort that taxes our strength and may even seem to be bad for us; but, with the Node in the 6th house, such experiences are a necessary part of life. We can grit our teeth and say, 'I know this is no good to me. Nevertheless, I will do it, because the situation calls for it'. If we are harboring some illusion about our abilities, the Node in the 6th house will undeceive us, and will show us the truth about what we can and cannot do.

In the 6th house, it is important to perform, as briskly and as cheerfully as possible, the task that lies to hand. We need to resist the temptation (held out to us by the Neptunian 12th house) to sit and dream. Success in the 6th house comes by tackling a job oneself, without waiting for someone else to do it. One should do one's best, even if the task seems to be beneath one's dignity, or leaves us feeling that we always have to do everything ourselves, because it is by our personal participation that everything gets underway and is organized. The whole secret of the 6th house lies in the continual fulfillment of obligations, and in a wholehearted application of one's abilities to achieve

common goals.

North Node in the 6th house or Virgo (James Braha)

If the North Node is in the sixth house or Virgo, the person's greatest growth, evolution, and fulfillment come through routine service, daily work, and attention to details. In past lives, the person has been dreamy, idealistic, religious, and spiritual. Now he must focus on practical matters and learn to deal with boundaries, essentials, and necessities. Careers involving nursing, cooking, haircutting, etc. are all favored. Or the person may fulfill his destiny in any pursuit dealing with knowledge and information. He may be a good writer, editor, accountant, or bookkeeper. The person must investigate, analyze, and evaluate on a daily basis.

The person may have been born wanting to help everyone else, with little concern for his own personal needs. Now he is here to focus on self-improvement, progress, and full development of his talents. He should take care of the quality of his appearance and the food he eats. Health matters are important, and the person should exercise and learn about preventative medicine and healing techniques. He has to relinquish his easygoing ways, and make a lifestyle of discriminating, judging, and attaining perfection in earthly matters. He should work on precision, manual dexterity, technical skills, and any crafts of his choice. Duty and discipline are crucial in this lifetime.

The person should be picky. He should be cautious and careful, and intensely examine all issues. He should seek to understand the details and mechanics of things. The more knowledge he gains, the happier he will be. His task is to categorize and compartmentalize, and create order wherever chaos exists. He should leave wisdom, idealism, and broad perspectives to philosophers. His efforts should be directed toward solving problems and overcoming obstacles. Old tendencies of profound, compassionate sacrifice should be avoided. The person is here for minor service, and he will suffer if he acts the part of 'savior', or allows others to take advantage of his generous nature. Enjoyment of small pets is favored. Purity and innocence are essential, and the person must never function out of improper motives.

In Hindu astrology, the North Node in the sixth house indicates extremely good health and a powerful appetite. The person defeats his enemies and competitors with ease, and therefore may reach the top of his chosen field with little interference or resistance. The South Node in the twelfth is good for spiritual growth and enlightenment. The nodes in the signs are of much less significance.

(Black Moon) Lilith ♀ in ♍ Leo 29° 54'

([1141] elsaelsa.com)

Resilient Bloom

If you have Black Moon Lilith in Leo, the pain you've experienced through your Lilith placement has taught you that you shine at your own risk. Your very identity tends to draw fire, so you've had to learn to be careful about who sees your true self.

However your Black Moon Lilith wounds have played out (shown by the house your Lilith is in), you have become a reluctant expert in the realm of visibility. It has always felt like a game you couldn't win. If you shine too brightly, you draw fire from those who would prefer to see you humbled. If you shrink away from the spotlight, you open up space for others to project their darkness upon you. You may have been raised with the expectation that you make yourself small, being seen and not heard. Or you may have had the opposite experience, in which you were thrust into the spotlight and expected to entertain or be the sunshine that distracted people from their problems. But either way, the choice of when to be visible never seemed to be yours.

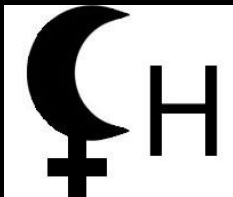

This also made it difficult to express your true self to anyone. Your very personhood seems to exist for others' consumption, leaving you feeling like love and approval are things you have to audition for, or like you always have something to sell. So you may have learned to display only the version of yourself you think other people want to see while hiding your true essence. You are the perfect embodiment of the old struggle between the rewards of being loved and the mortifying ordeal of being known. In this way, you buy acceptance at the cost of your own authenticity.

The same is true of your creative expression. In Leo, your Lilith wants to express herself and shine for who she is. But every time you have tried to create something, the world says, "No, not like that." There's no right way to be yourself! And there's no right way to create.

But that's the beauty of it. If we look to Leo's opposite sign, Aquarius, for guidance, we see that society's refusal to accept anything you put out into the world actually offers enormous freedom. If there's no right way to do things, then there's no wrong way either. If the world will reject you anyway, you might as well do what you want. Aquarius understands that it's not personal. You might not fit into someone else's system, but maybe they don't fit into yours either! Aquarius rewrites the rules. And because Aquarius is the sign of the Sun's detriment, they are experts in constructing their identities from scratch, knowing full well it won't match any other mold. By incorporating Aquarian principles, you can learn to shine whether people like it or not.

Because that is ultimately your job in this life. I could write forever about this placement, but that really is the essence. Because you have had to struggle so much to be fully yourself, you are in a unique position to help others in the same way. You can cultivate a beautiful garden, with each person blooming in their own authentic way. And you'll be the brightest flower of all.

(Black Moon) Lilith ♀ in IV 4th House

([1152] elsaelsa.com)

Deep Roots

If you have Lilith in the 4th house of your chart, her themes will manifest in in the areas of home, family, and roots. Lilith's energy is deeply personal to you and is at the core of your being.

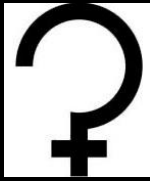

With this placement, you likely encountered your wound and rage early in life. It may have been caused by your parents or family, or at the least it was mishandled by them. Instead, you were made aware of how inconvenient your pain was to others and it was dismissed, controlled, and contained.

In traditional astrology, the 4th house is the subterranean angle. This is the deepest, darkest, most private part of you. It is your tap root, and it is the soil from which you spring. Having Lilith here shows that your primal fury and righteous indignation has been fundamental in forming the person you've become.

With Lilith in the 4th, "the personal is the political" is much more than a slogan. It is your deepest truth. While you might not be out waving signs at every protest, it is likely that you have organized your life to align with your beliefs, often in unseen ways. At the very least, you will strive to carve out a space in your life and your home for contemplation and to process your emotions in safety. As one 4th house native I know likes to say, "I am the priestess in my own den of spirit."

Though there is much more to say, I will end with this: though Lilith in the 4th house is most certainly painful, it comes with blessings as well. It provides courage and conviction. It gives a strength and resilience that can't be taught. In the immortal words of Tolkien, "Deep roots are not touched by the frost."

Ceres ♀ in ♏ Scorpio man 23° 35'

([1168] astromajesty.com)

Ceres is about the depth of our emotions, care, and dedication. Considering that Scorpio is one of the most emotional signs, Ceres feels comfortable in the eighth house.

Scorpio is mysterious and capable of deep feelings. They are sensitive and highly intuitive, so they can read with ease what other people feel and whether they are sincere.

Being as sentimental as they are, Scorpio Ceres wants others to show them their affection through caring touch and words. They want passion, dedication, and unquestionable loyalty. They don't forgive and forget when someone lies to them or hurt them.

These people want to develop and nurture genuine connections with people in their lives. It is love and passion that makes them feel alive, and they would give their all to make loved ones happy and safe.

Material things and temporary pleasures don't mean anything to Ceres in Scorpio compared to the love they have toward their partner and family.

Both Scorpio Ceres individuals need to receive both emotional and physical affection to feel complete.

When they care, they make sure others know they are loved. Ceres in Scorpio will express intense emotions. They love to kiss, hug, and make love.

Even though Scorpio Ceres is capable of profound feelings, they have a dark side and find the occult, obscure, and unknown compelling.

Karma, death, and spiritualism thrill them. But they also want to learn about personal transformations and help others go through that process.

They are expressive, but if necessary, they can control their emotions just as well.

Thus, Ceres in Scorpio can teach others how to do the same. They are emotionally

demanding, and if their loved ones don't show their care, Ceres Scorpio will feel something is wrong. Hence, they become jealous and even possessive.

Scorpio Ceres might express their feelings openly, but they will only do it with people they feel they can trust. But high standards means high expectations.

Their loved ones should give ultimate devotion and loyalty, or Ceres in Scorpio might turn against them.

Ceres in Scorpio and childhood

People with Ceres in Scorpio likely grew up with parents whose emotions and affection went from one extreme to another. Sometimes Scorpio Ceres felt as if they were the most loved child in the world.

- 1) ► **Sun ☉ Contra-Parallel ♀ Pallas** - (0°42') ☿3 | ♀1

([576] 12andus.com:) You want to be encouraging and empowering but may instinctively reject those who challenge your mission.

It takes some work to overcome your strong aversion to those who challenge your strategies and provoke your inner warrior. Yet when you truly feel confident in your mission, you can more easily appeal to the better nature of others.

You may become distracted by power struggles at first because you take your mission personally and see your campaign as an extension of yourself. Once you understand that those who aren't on board aren't specifically your personal enemy or opposition, you

can work more effectively with them to create a united front.

You need to find a way to keep a moderate effort to encourage others to your cause without alienating or shying away from acting on the causes that personally appeal to you.

2) ► **Moon** ☾ **Contra-Parallel** ⚡ **Uranus** - (1°53') ♈4 | ♏5

([157] astromatrix.org;) Freedom Or Security

Challenges will probably occur within intimate relationships. These will reflect the clash between old and new, between familiar behavior patterns and the attraction of renewal emerging from a chaotic unknown.

Your inner life may feel like a battleground, as these two different energies try to influence choices and decisions; and at times of crisis, you may feel almost torn apart. A tendency toward mental and emotional stress will exist, arising from emotional instability and problems created in relationships through unpredictable and frequent mood changes.

The impact of the Uranian vibration may create sudden changes in the erratic mutability of the lunar emotions. This can stir choppy seas into more dangerous storms. If you then release this tension through conflict with those closest to you - which is a common behavior pattern - relationships could become quite stormy. Others' inability to rely upon and trust you will obviously affect the development of long-term relationships. Your need for variety can also cause problems. This can be felt inwardly, where you easily get bored and lose interest in your home, employment, marriage, lovers etc., and then enter a phase of frustration if your need for new stimulation is denied.

To break free from this tension, you may suddenly 'explode' toward new explorations, attempting to shatter all limitations and restrictions. This can lead to moving to a new house, changing employment or established careers to pursue other directions, or entering affairs or separating from marriage. You find responsibility and commitments hard to bear during times when the Uranian impulse is too strong and capable of breaking through the Moon's established defensive patterns.

What should be avoided is a repressive build-up of inner tensions, because if they 'explode' through you, their destructive quality will dominate, rather than their transformative intent. The first step lies in acknowledging this inner pressure, and then learning to release it slowly and with conscious control, directing it into suitable channels as a natural development of your life.

Accepting this impulse for new experiences and interests can be adequately handled, if a continuous element of exploration in your life is sensibly allowed to operate in appropriate ways. This is an essential 'safety valve' to develop for your well-being. Understanding this tendency will help in choosing a suitable partner, one who accepts

this need of yours and is both capable and willing to compromise when necessary in helping you to find ways to safely release tensions.

Any progress made in integrating your emotions and mind into a functioning whole will reap considerable dividends. Self-help techniques devoted to personal wholeness could be explored, offering potential positive development. Attempts by you to impose either emotional or rational dominance on your inner life will lead to additional friction created by the ignored planetary energy. Feelings of instability that often persist also diminish your self-esteem, resulting in insecurity.

You may lack a firm personality center, fluctuating between Moon and Uranus, between emotion and logic, finding a home nowhere. You could find it useful to experience your emotional depths as deeply as possible. Let them rise to the surface; feel and understand their intensity, without cutting them off whenever they become unpleasant by an 'intellectual put-down' as inferior and not part of your preferred self-image.

Equally, your mental interests and pursuits should be emotionally resonant, drawing both levels together. As your nervous system is over amplified, attempts like this help moderate and balance the flow of combined energies, thus making it easier for you to live with others without frequently feeling a restless obsession for change.

3) ► **Moon ☾ Contra-Parallel ♄ Lilith** - (1°38') ♌4 | ♌4

[105] ([632] astromatrix.org.)

You regularly repress your dark, taboo, or aberrant qualities out of discomfort and insecurity. Above all, you are afraid of fully expressing your feelings. You avoid expressing yourself and being free in your individuality. Also, you shy away from situations that prompt you to stand out. 4) ► **Moon ☾ Contra-Parallel ♅ Ceres** - (1°40') ♌4 | ♍7

[559] 12andus.com.) Your emotions and intuition can make you highly sensitive.

may hold back from others.

You may find yourself attracted to people whose need for nurturing mirrors your own. By taking care of others you try to simultaneously care for your unmet needs. Balance in showing your love and caring for yourself is essential.

5) ► **Mercury** ☿ **Contra-Parallel** ♀ **Venus** - (1°28') ☿1 | ♀6

[163] (No interpretation because this is only possible in the Dwad/Harmonic -charts, not in Natal.)

Interpreted from transit:

([163] 12andus.com:) You may find that your charm is slightly offset. Still social encounters will be relatively good because you are agreeable enough and friendly enough to smooth over any friction that arises.

You are more outgoing and social and crave interactions with others, yet you may feel less secure about your social or romantic standing.

Communicate openly even if doing so creates vulnerability. Don't just go with the flow when your mind is not aligned with your heart. Take time to get clear about what you want.

6) ► **Mercury** ☿ **Parallel** ♀ **North-Node** - (0°08') ☿1 | ♀6

([38] astromatrix.org:) Bright Ideas

North Node conjunct Mercury boosts the mental capacity and gives potential in areas calling for the use of the intellect. The higher powers have blessed you with previously untapped talents to communicate and to promote their bright ideas at just the right time to gain support and popularity.

In the past there may have been limited opportunities to go through learning processes or your communication might have been blocked. You may be a young soul and have a youthful quality. You can introduce fresh new ideas and establish new or modern ways of doing things. You can display wit and a versatile mind that is quick and adaptable. You can be progressive and innovative, frequently showing early potential. A drawback with this conjunction is you may go along with what is popular at the moment, scattering your mental energies. Or you may like to gossip.

You are likely to be popular, expressive and a good communicator. For this reason, you can be very useful in making ideas become accepted and agreed on by the masses with your manner of communicating. However, your line of thinking is often in line with the

status quo and isn't too controversial and in fact usually accepted. Be careful of getting swept up in popular ways of thinking that discourage progress. While endearingly inquisitive, you must learn to develop a more independent mind free of the input of others and social norms.

Being too much of a concrete thinker can make it difficult for you to imagine how to use your talents to advocate for others and work for a cause. You may also have to work harder to see issues from others' perspectives. An important issue may appeal to you after you have overcome cognitive dissonance or once you have received important information.

You don't mind making this sacrifice, you are eager to do so.

9) ► **Venus** ♀ **Parallel** ♋ **South-Node** - (1°36') ♋6 | ♋12

([181] astromatrix.org:) Artistic Talents

With Venus Opposition North Node, a lot of artistic talents are brought over that often show up at an early age. You have been working on developing artistic flair of a particular sort. The house position of Venus points to a reservoir of past artistic inspiration or knowledge. There are talents here that can be used to help others and

contribute in some way. On the other hand, the love life suffers, and you may have difficulty understanding your emotions when it comes to love. This is often a sign of someone who has suffered heartbreak either in this lifetime or past ones.

You may have been self-indulgent in the past and now efforts are required to balance out this area of relationships. Finding happiness in marriage is not easy. Even with considerable success in other areas, this is often the weak spot. Relationships with the opposite sex may be difficult to impossible. When it comes to the sexual energies, those energies must be converted into developing higher consciousness.

You may have difficulties or obstacles when it comes to expressing affection due to major circumstances in your past life or early childhood, but you care deeply and have a great love for your family, friends, partners and the world. You have a sincere appreciation for beauty and the arts and likely have some form of artistic talent. Your way of expressing yourself socially and how you display affection, however, may invite conflict and tension from others. Your soul's lesson is to learn to balance your love for peace with some initiative. Don't become lazy and complicit.

10) ► **Venus ♀ Contra-Parallel ♃ Vesta** - (0°21') ♄6 | ♃9

([612] 12andus.com:) You may feel torn between your materialistic, pleasure seeking and sensual side and your calling to serve others even if self-sacrifice is required.

You may have a deeply devoted side and want to dedicate yourself to your calling. Yet at the same time, you can't help indulging in your material desires. You may struggle between following religious or spiritual restrictions that are part of an important calling and giving in to your passions and desires.

When you learn to balance your desire for pleasure, beauty and intimacy and your spiritual calling, you will be able to serve others in a more productive way.

Balancing your hedonistic side and your need to find spiritual purity and connection, you'll be able to fulfill your calling.

11) ► **Saturn ♄ Contra-Parallel ♆ Neptune** - (0°07') ♄3 | ♆1

([199] astromatrix.org:) Subterfuge

What occurs with the opposition is the projection outwards of inner attitudes, so that life reflects that inner state back to you. Usually this includes elements of distortion, which with Saturn and Neptune tends to involve fears of failure, suspicions of motives, cloudy judgments, deceit, caution and wariness.

These are the more negative qualities of blocked planetary energies, and yet you often fail to realize that the world you are perceiving is a mirror image of your own attitudes. Take another look. Do the world and people reflect your own views? Are they pessimistic and perhaps threatening or frightening? Do you feel that you have to be extremely self-

protective? These may, of course, be genuine fears, and can depend on the environment in which you live, but equally they may be illusionary and self-created. This fear of failure is inhibitory to some degree, and it is likely that you will withdraw from situations of competition, retreating into feelings of inadequacy, imagining various types of conspiracy being hatched against you in secret. You don't really trust people, and that attitude is communicated intangibly to others, so that a vicious circle is perpetuated.

Your relationships can lack depth, human warmth and real contact, often staying unsatisfyingly superficial, in that you are afraid that others may take advantage of you. The problem is that this may well happen (or has in the past), and since then you have been too wary and too aware of your vulnerability to risk deeper relationships. Certainly, you are vulnerable emotionally and financially to people, and one lesson that may need learning is that you should look closely at the nature of others before you become committed in any way.

Saturn's barriers are firmly established for self-protection, yet they also block many valid experiences and opportunities for self-development. Neptune remains partially released, but liable to display its presence through experiences of persecution and martyr / victim complexes in your life. The results can be that you isolate yourself, become a solitary loner, immune in your imprisoning cocoon of self-protection, perhaps feeling the repercussions of your choice through depressive emotions or psychosomatic illnesses.

You can look out onto the world and secretly want status and involvement yet be self-restrictive in actually attempting to achieve those ambitions. Or you may perhaps resort to cunning, subterfuge and devious behavior, believing that is the way everyone else achieves their desires. The fact that your world analysis may be incorrect could hold a solution to your frustrated energies.

The world holds all shades of behavior and attitude, and whilst there are many who accurately embody reasons for your cautious perspective, there are others who are not like that at all. You need to find a bridge to contact those people of goodwill, and then you may realize that your interpretation of the world is only partially accurate; the others hold a key to your transformation.

If you can find an intimate partner who does not let you down and is supportive, then that frustrated ideal may be reborn, and in accepting another as they are, you discover that this is the way for healing and mutual love to occur. The nature of relationship in your life can be renewed and re-perceived through more optimistic eyes; Neptune has replaced the barriers of Saturn. Sometimes Neptune plays a stronger role than Saturn, and if this is the case, then the relationship inhibitions and distortions may be less evident. The focus will be transferred towards that of social duty and obligation, where the lesson deals with responsibility.

You may experience a feeling of 'social guilt', a personal responsibility to put right social

evils, a personal crusade which you need to follow in order to absolve yourself from this inner feeling of guilt that haunts you. For some reason, you know that this is your duty, and that some form of social service needs to be done in response to an inner compulsion. Some may consider this to be 'a rectification of karma', but whatever, it can be an inner pressure and related to the Neptunian tendency to sacrifice in the social sphere of Saturn.

The battleground is seen to be the world, but the source of the battle is within your own nature. Check this out thoroughly before you go tilting against any windmills; try to isolate those conditioning projections and discover what you may be really fighting against. It could be your own unintegrated aspects, Neptunian ideals versus Saturnian realities, and the middle path of wise balance may be the most suitable way to follow.

[36] ([35] astromatrix.org.)

Opportunities: 1. Being Productive 2. Excelling in Communication

Challenges: 1. Listening as Much as Speaking 2. Remaining Empathetic

([36] cafeastrology.com:) Those with Mercury conjunct the Ascendant come across as youthful, active, and busy. They are usually ready to chat, although if Mercury is in the twelfth house they may need some encouragement at first. These natives can be quite fidgety and restless, and often move quickly. Their faces are quite expressive and there is a twinkle in the eye. Their expressiveness is not as warm as that of Moon-Ascendant people. Instead, it has a distinctly mischievous quality.

Others get a distinct first impression from a person with Mercury conjunct the Ascendant of a curious, youthful, intelligent, mischievous, or nervous individual. Writing and/or speaking figures strongly in their lives, although listening skills may not be as well developed. They are typically very forthcoming with information about themselves. They might identify strongly with their intelligence or ability to make connections with others. They are at ease with almost anyone, and easily put others at ease. Always curious, they pick up a lot from their immediate environment—sometimes too much.

These are “busy bees” who are insatiably curious. They love to relate personal stories. Their charm is of a youthful, mischievous, and lively kind. They thrive on change, social contact, and communication. Some are noticeably nervous.

2) ► **Ascendant ASC Conjunct ♀ Neptune** - (9°44' A) ♀1 | ♀1

([86] astromatrix.org:) Social Sympathy

Any planets that are conjunct your Ascendant will influence your appearance and personality greatly. Neptune is no exception and due to its boundless and dreamy nature your personality will be less solidified and perhaps fragmented, especially if you have other challenging aspects to Neptune. If Neptune is in your 12th house, you will be more secretive by nature and you may enjoy solitude in order to recharge your energies.

Occasionally, you may feel as though interaction with others can be draining and it's important to avoid too much negative energy in your environment. You will have an elusive and dream-like quality about you, and other people will never be quite sure whether you are showing them your true self or reflecting what you feel they want to see. This is hardly surprising since you are never quite sure yourself.

The influence of Neptune ranges from unrealistic dreaming and illusion to the highest spiritual awareness and self-surrender, the trick is to find some kind of balance between these two poles. You can act like a chameleon at times, by changing your personality and self-image to match your environment and people around you.

It is best to look at what you fear especially when it comes to your identity and ego energies. These fears may be holding you back from integrating a more whole and solid identity. Avoid escaping reality into your own dreamworld, it is easy for you to do this as your imagination is quite strong. You have a strong intuition and possible psychic talents.

You have more compassion and sympathy, especially for people who are oppressed. It can be good to work in a social area where you can help and assist people in need.

3) ► **Midheaven MC Conjunct ☿ Mercury** - (4°37' S) ♃1 | ♃1

([37] astromatrix.org;) This aspect means that you have a very sharp mind, which you will use to get ahead. Very early in your life, you will learn to look at the world clearly and objectively, and you will learn to communicate in ways that are very advanced for your age.

You may or may not become an intellectual when you are older, but you will use your mind continually, always searching for stimulating and exciting experiences. Because you cannot stand boredom, you are sometimes very restless. Your most important task is to be more disciplined, so that you stick to a task long enough to get some real benefit from it. There is a real danger that your interest in any subject will be shallow.

Another possible problem, which may seem less serious but is actually greater, is that you prefer to deal with the world through your mind rather than your feelings. This will keep you from really being in touch with some experiences in life - such as love and sensitivity to beauty - for which your mind alone is not enough. Also, you cannot really get in touch with other people through your mind alone.

Unless you develop your emotions along with your mind, you may feel lonely and cut off from others. With your lively mind, you may enjoy playing practical jokes on people. This is fine if you are careful not to hurt people who are more sensitive than you.

4) ► **Midheaven MC Conjunct ♆ Neptune** - (5°40' S) ♃1 | ♃1

([87] astromatrix.org;) The Psychic

This aspect presents many opportunities and many challenges. You are very sensitive to whatever happens around you, and you seem to soak up impressions like a sponge. But you do not always know what these impressions mean or what to do with them.

Consequently, there is a real danger that you will be confused much of the time, especially about who you are and where you are going.

Unfortunately, with this aspect you tend to get discouraged and depressed about yourself, feeling that you will never get a real grasp of what is happening in your life. One of your parents, at least, should be able to lovingly but firmly guide you through life and point out the difference between realities and illusions. This position is often associated with psychic ability, which may be the source of the impressions that seem so confusing and hard to understand.

Your parents should accept the fact that your so-called fantasies are actually based on a reality that is not easy to understand. They should help you learn to interpret this reality rather than saying that you are only dreaming or making it all up. It won't be easy to find

the right course to follow in life, but this position provides a few clues.

First of all, you should feel that you are working for a cause higher than yourself, whether it is serving or taking care of others in some way or working for an idea or faith. This aspect has a very strongly religious dimension. But it is more mystical than orthodox, and even while you are young you will be attracted to mystical and otherworldly ideals.

5) ► **Midheaven MC Conjunct ♀ Pallas** - (8°31' A) ♃1 | ♃1

([589] 12andus.com:) You can be a strong leader with a powerful vision and sense of right and wrong.

You easily align your beliefs and ideals. You don't have to work hard to establish yourself as a mentor or leader. Your visionary strategies help you ascend to positions of power and authority.

Your career path or public image may involve some forms of advocacy or activism and it's natural for you to get involved in work that requires you to see the bigger picture and recognize injustices that you then work to resolve.

Your career path is marked by your easy ability to assert your ideas and stand apart from the crowd as an intellectual and also intuitive visionary. You may recognize patterns that others miss and this can lead you to be successful in business. Even if you are successful, you are usually more concerned with the social impact of your ideas and strategies rather than your own ambitions.

6) ► **Midheaven MC Conjunct Sp Spirit** - (9°15') ♃1 | ♃1

7) ► **Imum-Coeli IC Conjunct ♀ Ceres** - (3°57' A) ♎7 | ♎7

([571] 12andus.com:) Your caring and nurturing energy is best expressed at home.

When it comes to work and career you may have a difficult time showing your true compassionate and personal nature. You may try to be professional rather than caring.

As a result you may be drawn to professions that don't require you to reveal your compassionate side. You may resist going into work settings where you have the responsibility to be the caretaker for others.

You're very nurturing, but you show the best of this strength in your private life, at home or among family. It's only if you get really comfortable and close to coworkers or colleagues that you show your deeper caring nature.

Your colleagues may think you're cold but they would be mistaken. Instead you are just very guarded at work. You try to not show too much of yourself and your personal,

caretaking nature at work.

8) ► **Imum-Coeli** IC **Conjunct** ♁ **Chiron** - (10°26' A) ♀7 | ♃8

([126] 12andus.com:) It is difficult for you to see how your past traumas and unresolved wounds are interfering with your ability to thrive in your chosen career path. Ironically, it is because you deny or minimize your past wounds that you tend to avoid facing the need for deeper healing, which only serves to further limit your career success. In order to live up to your higher potential, you need to accept and work through your own past wounds and traumas. In doing so you are better able to advance in your own career and help others move through their difficulties as well.

9) ► **Sun** ☉ **Conjunct** ♄ **Saturn** - (10°05' S) ♄3 | ♄3

([7] astromatrix.org:) The Builder

Your potential success is dependent on personal qualities of perseverance, self-discipline, organization and your ability to maximize the effectiveness of all your available resources. Ambition is likely to be a powerful motivating force within your personality, and, once your aims have been clarified, careful planning and application can help you to achieve them. Persistence and hard work may be the keys to later success, and it is unlikely that progress will be swift or aims realized at an early age.

As Saturn implies limitations and barriers, it is probable that even when following your solar path there will be obstacles and frustrations confronting you, and there may be periods when you begin to feel the inhibitions of your nature and path acutely. You can lack sufficient confidence, adopting a self-deprecating attitude as justifying any lack of progress.

Temperamentally, you are serious and reserved, often taciturn in expression, controlled and disciplined and viewing life with an uneasy attitude. To you, life demands effort and application, and nothing comes easy or free. So, you believe that to become materially comfortable you may have to deny certain feelings or needs in order to concentrate and focus on your aims. Unfortunately, through self-denial and austere attitudes, you may repress self-expression, creating inner imbalances which have later negative side-effects. These could become more predominant if you enter a phase of frustrations, where disappointments generate tensions, stresses, angry thoughts and emotional attitudes.

Disorders of the digestive system may be associated with this, and you may need to increase relaxation in your life, perhaps by consciously dismantling any fixity of lifestyle and daily habit patterns that may be unconsciously erected around yourself as a form of protective barrier. The house position of the conjunction is a sphere of opportunity and of limitation for you, depending on the inner changes that you can consciously make.

Success can result from applying your strengths, which are likely to be in areas of organization, self-reliance, discipline, persistence and determined application. The

theme of consolidation and building is associated with this aspect, where existing resources are used in ways which take greater advantage of their potential, expanding from a secure foundation but not overly risky or speculative. Careers in management, politics, law, scientific research, teaching, local government may be attractive, especially if you are able to use an ability to assume responsibility within your employment.

Your earlier childhood development will have been influenced by the relationship to your father. Look at the attitudes towards life that your parents expressed and see if these have become your dominating attitudes and values too. You may have received a highly ordered and strict parental discipline, encouraging conformity to parental desires and codes of conduct; moralistic or religious attitudes may have conditioned your worldview.

There may have been a lack of parental approval or response to your unique childhood nature, perhaps a lack of emotional affinity (perceived or actual) which made you feel more isolated and independent; certainly, you would have experienced an early inner maturation process. Have you become what your parents wanted you to be? And is this in accordance with your desires and dreams? You may need to break free from these earlier psychological programs that are still operating in you, so that you can move in new directions or transcend those restrictions in life that are acting as barriers to fulfillment and success.

You have much of value to share with the world, but this may need greater releasing. For instance, you may feel that everyone makes their own destiny (and certainly, to some degree this is correct), but this should not stop you being generous if you have financial abundance in your life; you could help others to help themselves. There may be a belief that there is a lesson or message within every life experience, but this should never stop feelings of love and friendliness flowing out naturally from you to others. Acknowledging others in a different way may be necessary, so that you are more aware of their needs and qualities, and this can divert you from your self-preoccupations.

Certainly you will require a compatible intimate partner who recognizes your need for achievement, and who is willing to support your endeavors; but equally, you should not forget that your partner also has their own life path to follow, and you should not forget their needs either. Mutual aid is the ideal approach. Loosen the chains of your self-imposed limitations, and you may be surprised by how your life can favorably change. Saturnian Power Alien Construct; creative manifestation from the heart, create sacred forms and altars.

10) ► **Sun** ☉ **Conjunct** ♅ **Pluto** - (2°48' S) ☾3 | ☾3

([10] astromatrix.org;) The Evolutionary

Your ambitions and desires will be highly influenced by your natal Sun sign, and these can be achieved by applying the Pluto energy to amplify your solar will power. Pluto offers the potential of regeneration and rebirth, which is also reflected in the pattern of solar myths, so you should be able to transform yourself and also to some degree your

immediate environment to match your purpose.

You find it difficult to be balanced, especially in tolerating and understanding the frailties of humanity. You can probably adopt a fairly hardline philosophy, having the opinion that people can change their lives and be self-sufficient if they want to, instead of being weak and relying upon others, although you tend to resist change yourself.

You may use manipulation and psychological pressure tactics as levers to guarantee winning in the midst of any power struggles with others; your one-pointed ruthlessness can bring apparent success but may also bring an increasing number of 'enemies' in its wake.

Much of your energy will carry a sexual potency, and, irrespective of your physical sex, will have a penetrative quality to it and an aggressive masculine nature. Emotional understanding is likely to be a weak spot until certain transformations have occurred within you to break down self-preoccupation. you can also strongly react to social injustices and may be attracted towards the alleviation of social problems.

Movement in this direction is dependent upon the degree to which you become aware of the needs of others, and a corresponding diminution of your own need for power and success. The key issue is whether you are self-oriented or other-oriented.

11) ► **Mercury ♀ Conjunct ♀ Neptune** - (1°03' A) ♀1 | ♀1

([33] astromatrix.org;) The Illusionist

With the Mercury-Neptune contacts, it is the mind level that is primarily sensitized and activated, so that the imaginative quality is emphasized, and the main focus of life appreciation is through mental receptivity.

The conjunction indicates a channel between the conscious mind and the unconscious mind, and both the energy and information flowing through this conduit need to be carefully integrated if a variety of imbalances and distortions is not to be created. The faculty of imagination will be highly stimulated and developed, and this will certainly require appropriate channels to be focused on so that other problems of perception are not created.

The issue of mental realities is one which can make you unsettled, especially as you can tend to make mistakes in judgment based on misinterpreting facts and suggestive information. You have a mental process that can attempt to re-create experiences into more acceptable forms for personal absorption, a style of selective manipulation which excludes aspects of reality that you refuse to acknowledge. If this process becomes a regular pattern of mental behavior, then you are liable to create a distinctly personal reality that is a fusion of the real and unreal which can pose additional challenges when it comes to disentangling them. This is often amplified by a tendency to be mentally escapist, avoiding the possibility of any painful experiences and situations by refusing to

become involved in things.

Relationships are likely to be characterized by over-idealism of lovers, either through having the mental illusion of a perfect lover that is unlikely to exist, and comparing everyone to this perfect lover and so ensuring that they fail to match up, or by wrapping lovers in over-glamorized ideals, elevating them to a mental pedestal and so ensuring that at some time they will inevitably topple off. Your mental images will be shattered, yet this does not deny the real experiences of disappointment and disillusionment that you will suffer ... and continue to suffer unless you become more realistic in your evaluations within intimate relationships.

Part of this process can arise from the sense of personal inadequacy that you feel and which you try to alleviate by imitation of others you respect or sometimes through attempts to bask in the glow of reflected glamour by associating with publicly famous people, which allows inner fantasies to develop. You are likely to have some creative and artistic talent, and your cultural appreciation will be developed. Your ideal type of employment will offer channels for such forms of personal expression, and it may be that you do develop towards writing, arts, photography or film as you have a gift for visual imagination which also has some inner content.

Your approach will be intellectual and mentally resonant, rather than more emotionally evocative as with the Moon contacts. Training may be necessary to help draw out these talents, and your main talent may be related to giving an intellectual substance and context to artistic creations, as a critic does, although there you may need to be careful regarding a degree of intolerance in your attitudes. Another area of life that could be very attractive to you is that of a mental fascination with mystery, romantic illusions, the worlds of psychics, mystics and psychology.

12) ► **Venus ♀ Conjunct ♁ North-Node** - (1°23' S) ♁6 | ♁6

14) ► **Jupiter** ♃ **Conjunct** ♎ **South-Node** - (4°13' A) 112 | 112

But, you are not especially sympathetic on a more personal level. You are too emotionally excitable, self-absorbed and brusque to be considered gentle and sympathetic. Also, you are brave and you value personal freedom. Routine bores you. And you are inclined to seek out excitement in some form. You do not like to conform, you love to travel, do business and get involved in research activities. Your temper is quick, but it can disappear just as rapidly. Also, you may find it difficult not to let your strong emotions out, which has given this aspect a reputation of giving emotional rashness and a hot temper. But, this is simply a side effect of having such enthusiasm and energy for life.

- Positive traits: With Natal Jupiter – Part of fortune aspects, the potency of Jupiter will be enhanced in all of its positive forms. You will be naturally optimistic, certain that all situations will turn out fine, and in general happy with every day as you take it closer to success and wealth and joy.

16) ► **Saturn h Conjunct P Pluto** - (7°17' S) ☿3 | ☿3

([70] astromatrix.org;) Breaking Free

Saturn implies restrictions and limitations, which serve as a barrier to progress until certain changes are made or lessons learnt; and when in association with Pluto, the way forward is conditioned by the need for an inner transformation to occur. With this aspect, it is likely that you will experience some degree of frustration in achieving your objectives, or a sense of invisible blockages facing you that require you to discover some way to pass them or dissolve them through penetration.

As you have a strong ambitious nature, you will need to make full use of all the resources available to you, applying accumulated knowledge and experience to a determined persistent effort to succeed. Patience will be an essential quality for you to develop, as it is unlikely that you will have rapid immediate success in your objectives. Usually you have to wait and undergo the experience of frustration and not knowing if your goals will be realized; and this can be a testing and transformative phase, especially as it is likely to be repeated periodically throughout your life.

You will be attracted towards power and status, although it may be that instead of

reaching a position where you 'possess' such attributes, you are required to gain a new perspective and understanding of influence in the world, rather than demonstrating it yourself.

Much depends upon your ability to apply your talents and resources practically; potentially, your ideas and schemes can have a noticeable impact upon the world and your immediate environment, especially when you are working through an established structure and social system. This is because you feel more naturally in tune with existing organizations, preferring traditional approaches and attitudes as a reflection of 'stability and foundation'.

You often resist accepting new trends or social changes, as you are inherently wary of them, preferring to follow your established path unless the impulse for change is naturally arising within yourself; and even then the likelihood is that you will attempt to resist and block its movement as a reaction to its unsettling effect.

You will have a conservative nature and perception of life, respecting traditions and the consensus social attitudes, being suspicious of those who need to experiment, and challenge accepted attitudes. The socially subversive nature of Pluto is unlikely to be too evident, as Saturn will overlay it too much, although it can erupt in your inner and personal life, potentially stimulating a collapse in your 'secure foundations', forcing you to re-evaluate yourself and your life. Such a radical impact is unlikely, however, unless you are capable of undergoing the cathartic transformation that could occur, because Saturn will maintain your inner structure to prevent this happening.

You will be a private person, serious and secretive in nature, not openly revealing your thoughts and particularly your emotions, which you may try to avoid and keep tightly sealed away in a 'locked drawer'. Emotions imply fluctuation and change to you; and this does not fit easily with your world view and perception of self, making you feel uncomfortable.

A healthier approach to emotions should be encouraged, as it would prevent any energy repression on the emotional level, or else you may find that Pluto takes that route to make its presence felt. In intimate relationships, you will be a firm, reliable partner, and you will prefer a traditional approach to marriage and mutual commitment, so you should choose wisely.

You will not be overly demonstrative of emotions (on the surface), but you should avoid any tendency to fix the relationship in limiting and binding ties, and instead allow it space to change and evolve. Remember that your partner is a unique individual with a potential to unfold, so allow the necessary freedom for him or her to do so and encourage the process too.

Security in a 'straitjacket' situation is a false situation, and inimical to growth and

development, so despite your tendency in that direction, it is wiser to accept change and unpredictability so that energies can flow healthily.

- Individuals with too many conjunctions: Many astrologists think that having conjunctions everywhere is a good thing because it is a positive aspect. It would mean that the person with all the conjunctions is even more like the sign in which everything seems conjunct in. Positive traits and negative traits are much more apt to being magnified than if they only had one planet in that specific sign. But it is always good to have a certain balance or aspects. It makes a person more grounded and sane.

you retreat into your own world or lose yourself in work.

You'll need to learn to recognize your potential for wishful thinking and escapism, seeing the world, for what it is rather than projecting your ideals on to others.

([230] astromatrix.org:) Clear Objectives

Opportunities: 1. Pursuing Goals over the Long-Term 2. Cultivating Many Interests

Challenges: 1. Making Sacrifices 2. Balancing Independence and Cooperation

Throughout your life, you will probably have a clear idea of where you are headed and

what your objectives are. And in finding your way, you will get help from authority figures, such as parents and teachers.

You are able to avoid serious conflict with others as you pursue your life goals, because you are willing to make compromises and to work with others so that all of you can achieve your goals. Although you are interested in getting ahead in life, you are not so caught up in yourself that you cannot help others. If necessary, you will even make real sacrifices for someone in whom you believe. Also, you are able to use other people's help in such a way that everyone benefits.

You are able to be independent and get along with others at the same time. Although you are not a follower, you don't need to dominate over others either. Your objective is to make your life worthwhile, but you can feel successful without having great popular acclaim.

You have your own standards and goals, and you have enough self-awareness to know when you are on the right track. While you are young, you may not understand fully what you are doing with your life, but do not be impatient, for this understanding will come. You may have a number of different interests, but each of them will probably help you understand what you eventually should do.

([294] astromatrix.org;) Ambitious To Succeed

This aspect denotes that you are ambitious to succeed and to be a person of some significance in later life. But it also suggests that you have certain talents that will be especially useful in this regard. In particular, you enjoy getting to the heart of any mystery and finding out what is really going on.

You are very fond of puzzles and solving puzzles of some kind may be the basis of your profession when you are older. This aspect also indicates a natural ability in psychology, an understanding of people's inner motivations, which will be useful no matter what you do. On the positive side, you will discover as you get older that you enjoy helping people who need advice or guidance. This will become more pronounced when you are an adult and keep encountering people whose lives need to be reconstructed in some way.

You will derive great satisfaction from assisting in this process. While you are young, you will very much enjoy salvaging discarded objects and making something useful out of them, demonstrating the potential of what others regard as waste. Because of this, you may be surrounded by a great deal of clutter, but the results can be quite spectacular.

However, as you get older and begin focusing this pattern on people rather than on objects, a great danger can arise. You gain a great deal of power when you help others - power to influence and to make others live up to what you want. In trying to help someone, always be careful that your main concern is the other person's benefit. Do not

manipulate others' lives for trivial reasons.

([233] astromatrix.org:) Popularity

Opportunities: 1. Helping Children 2. Keeping Family Close

Challenges: 1. Finding the Right Partner 2. Taking Financial Risks

The sextile is a favorable aspect for domestic and partnership issues; and intimate relationship will be especially important and meaningful for you. Finding a successful relationship will be a powerful motivation; and much of your earlier adult social contact may be directed toward this aim. This need may emerge from a close and satisfying early life, where you highly valued the positive aspects of family life, a state which you hope to rediscover in adult relationships.

Maintaining close family associations will remain important to you. Temperamentally, you are able to sustain long relationships; and once your feelings have been committed to someone, rarely will that commitment be broken, or feelings fade and wither away. You may possess an innate knowledge and understanding of relationships and identify whatever is necessary for them to continue.

Communication is vital within your relationships; and the sextile indicates an ability to clearly express whatever you think or whatever is affecting your emotions. You prefer to share and talk through any individual or relationship difficulties, as this creates clarity and mutual understanding. Your genuine loving concern for partners builds a foundation which is secure enough to withstand passing storms. Faith in the power of mutual love and your optimism that all will be well are vital factors in your relationship. They will ensure that energies are used creatively and productively rather than dissipated in anxiety and insecurity fears.

Usually you have a sense of life direction, and this helps to generate mutual purpose, provided that your partner is included in your plans. Considerable relationship benefits emerge from discussions and sharing the journey together. Yet you are also willing to

compromise or adapt your ways if clashes of will or habit patterns begin to disturb equilibrium. You expect your partner to do likewise if necessary, as you view continuing the partnership as being of greater importance than individual assertion.

For relationship benefits, you are always willing to apply your qualities, so that your innate resources, intelligence, sensitivity, love, and affectionate understanding are ready to be shared as often as possible. You will hate misunderstandings or personal frictions and will be eager to resolve any that may arise naturally over time, using common sense, reason, and mutual concession to heal any contentious situation.

In your social life and career, you have considerable confidence in your abilities, and mix easily and fluently with many others, preferring to see the good qualities in all you meet. Your imaginative and artistic abilities may prove invaluable to your progress; and it may be advisable to discover a life path that makes use of your talents. Financial acumen is likely, as is an effective use of whatever resources you possess, although you may be biased toward caution, which may discourage you from taking advantage of all opportunities because of a stronger need to first ensure the protection and security of family needs.

Children are likely to play an important role; and you will probably display a natural affinity with them, perhaps seeing them as the foundation stone of your relationship. You may become involved with other people's children too, perhaps as stepchildren or through groups or organizations which include elements of teaching and sharing.

Hating to see unnecessary suffering in life, you may try to share your life experience, knowledge, and understanding with maturing children, hoping they may learn certain lessons without having to experience the pain of doing so themselves. You recognize that these are the adults of the future and that if their future is to be positive and constructive, they need careful guidance during childhood.

41) ► **Saturn** ♄ **Sextile** ♂ **Uranus** - (4°58' S) ☿3 | ♅5

([278] astromatrix.org:) The Progressive

The Uranus attraction towards ideas finds fluent expression with this aspect, where there is the ability to make use of all information and knowledge that has been gained through education and experience.

You will enjoy mental stimulation and intellectual pursuits and have a high regard for the human development of mind, giving it precedence in importance, especially when it can have practical application. You will probably have an approach which searches for and collates all necessary information that you need either for a practical project, or in order to become informed and capable of forming a personal opinion about a specific topic.

42) ► **Saturn** ♄ **Sextile** ♆ **Neptune** - (1°34' S) ☿3 | ♆1

([279] astromatrix.org:) The Social Activist

Working successfully with the sextile aspect often involves action related to that strong sense of social responsibility and duties that you recognize. This sensitivity to a social role that requires performance is a major component of your motivation, and one that should not really be denied. There can be a tendency to acknowledge its presence and then fail to actually do anything about it, but ideally this should be overcome by more deliberate action. At least you can always help by funding those socially active groups whose ideals you can support. This characteristic is a combination of Saturn duty and the Neptunian social collective ideal.

The element of careful discursive planning should be evident where the right foundations for future action are established, and efficient organization is seen as necessary for a successful conclusion. There are likely to be strategic skills which can be exploited in order to achieve those intentions, whether purely personal or socially orientated.

Consistency and determination are usually well applied, and your schemes are characterized by their realism and achievability; Neptunian over-expansiveness is tempered by Saturnian caution and a sense of stability and limitation. W

hat can inspire many of your efforts is a reaction against social injustice and foolishness. Fairness is one attitude that you support and opposing social aspects where unfairness and injustices is being expressed can almost become a personal crusade. Social discrimination and taking social advantage of those unable to resist can cause your passions to rise, leading to social activism designed to resist such encroachments on individual rights and liberties.

You dislike seeing the waste of resources, social and material ones as well as the waste of human potential. This can lead to supporting human-potential-raising groups, or ecological activists calling for new attitudes towards the excessive negative exploitation of nature's reserves.

You tend to have a social vision of harmony, where equity is achieved and social respect for all is found, rather than any unbalanced divisive situation of haves and have-nots. Concepts of the values of community or global thinking will be preferred, and you like to believe that what you are attempting is beneficial to others. If you become active in such ways at an early age - perhaps through a career choice - then you may find that it absorbs most of your energy; it is a never-ending task. This may affect your intimate relationships, especially when a partner needs to hold similar viewpoints to your own.

Ideals are important to you, and you try to live in a way that maintains rather than opposes or compromises them. Your passions are firmly fixed on issues of social concern, and even within personal love relationships your energy is too diffuse to focus just on one partner; it flows out as a feeling of social relationship too, and you often fail to understand why society is as it is, and why people are so passive in allowing negativity and indifference to flourish, even in those in high and powerful social positions of influence.

Concentration and visualization abilities should be present and can be applied through contemplation of issues or meditation. You may become effective if working in occult or socially active affinity groups committed to generating beneficial change. There is little ego gratification in such work for you, and you tend to expect a high degree of probity and idealism from others engaged in similar self-chosen roles.

48) ► **Midheaven** MC **Square** ☾ **Moon** - (2°30' S) ♃1 | ☾4

([397] astromatrix.org:) Emotionally Tense

Opportunities: 1. Finding Your Direction in Life 2. Getting a Friend's Advice

Challenges: 1. Growing Up 2. Balancing Reason and Emotion

Your emotions are quite strong and are very important to you, but you will have to resolve certain tensions. First of all, your needs and feelings may often conflict with what other people seem to expect of you. Or you may feel like going one way even though you know it would be better to go the opposite way. The problem is, there is no one answer as to which way you should go each time. Your feelings are sometimes more

correct than rational judgments, which may be based on ideas taught by others with no thought for your individuality.

You have to live with others, but at the same time you have to be yourself. If reason tells you to go one way and emotion says the opposite, think about your choices carefully. If the 'reasonable' path helps others but offers you very little, then your emotions may be trying to tell you what your real needs are. On the other hand, your feelings may come from old, outdated ideas and silly childish fears.

You may be reluctant to face the world of growing up. You will need the advice of a faithful friend, perhaps one of your parents, who can show you which choice is best for you without having a stake in the result. As you get older, you should be able to make these decisions more easily.

Your emotions and ideas about your life should reinforce each other. Take your time growing up, however; you may take longer than others, because you have farther to go.

49) ► **Sun** ☉ **Square** ♀ **Venus** - (2°28' A) ☾3 | ♄6

[376] [377] [378] [403] (No interpretation because this is only possible in the Dwad/Harmonic -charts, not in Natal.)

Interpretation from transit:

([403] astromatrix.org:) Waiting For Better Weather

Opportunities: 1. Being Loving 2. Channeling Creative Energy

Challenges: 1. Avoiding Overindulgence 2. Dealing with Disagreements

([376] astrotransits.com:) In general, unwise spending, passivity, and laziness are the theme here.

([377] thefuture reminders.com:) Motivated by pleasure, you tend to look for people and things that gratify you. While generally an enjoyable day, certain conditions may make you aware of what is missing in your life. By recognizing any discord, you can take steps to harmonize whatever is out of tune. Expressing happiness often depends on being noticed and appreciated. When unfulfilled for any reason, you may prefer to indulge yourself - especially with sweets. Love yourself and others regardless of the conditions.

([378] astrologyking.com:) There is a need for love and affection but you have to make the effort by first giving the love. Things will only turn ugly if you use people to satisfy your need for pleasure, or if you spend too much money on things for short-term enjoyment. The need to express Venus's energy can also be positively channeled through art and craft.

50) ► **Sun** ☉ **Square** ♀ **North-Node** - (3°51' S) ☾3 | ♄6

([387] astromatrix.org:) Thwarted Goals

With the North Node Square the Sun it is similar to the opposition where your mission

requires making a sacrifice. It may be that the sacrifice is to bring attention to some matter that would be a considerable contribution to the world. You appear to give a lot of yourself to something greater and are not so ego driven.

You may have difficulty achieving your ambitions and although you may be a driven and goal-oriented person, it is best to slow down and the ego must be submerged to some degree. Though leadership talents are brought over, these can't be used to expand your own ego. One way or another, circumstances will force this if you do not do it consciously.

You can still receive recognition for your ambitions, it just may take longer than normal and however gifted you are at capturing attention and being true to yourself, your self-expression may be met with karmic obstacles and oppositions. Don't let this hold you back. Learn from it.

51) ► **Moon ☾ Square ♀ Mercury** - (2°07' S) ♏4 | ♍1

([388] astromatrix.org.) Where To Go And Why

Opportunities: 1. Healing Yourself Through Communication 2. Projecting Your Focus Externally

Challenges: 1. Overcoming Your Inner Conflicts 2. Get Past Your Defensiveness

The square aspect between the Moon and Mercury indicates inner tension, stress, and frustration, and a need for a radical inner adaptation to rebalance these two conflicting energies. Conscious change is required to overcome conflict between your conscious mind and protective lunar habit patterns.

One likely imbalance is an unconscious lunar domination of your rational mind, where thought processes are subverted by deep emotions and feelings, with a consequence that decisions, judgments, or objective evaluation are influenced by emotionally charged attitudes. Such unconscious attitudes and values - possibly absorbed during early childhood or from parents - can condition present choices, where issues of the past still dominate your current life. Simply put, head and heart can be in constant conflict within you; decisions may be made according to which is dominant at any given time.

This temporary supremacy can vary, like a pendulum movement, and may also be related to the sign, house, and element that each planet is in. It may be that one planet consistently dominates, and the other one becomes repressed. If Mercury dominates, then the Moon activity can sink deeper into the unconscious mind, influencing you more subtly and pervasively from a hidden position where the emotional coloration is less noticeable to you than to others. If Mercury is repressed, then rationality and logic may diminish, and choices may be influenced by insistent emotions, instincts, and feelings; habit patterns may often be security biased. Sometimes you may observe that, when attempting to restore inner balance, Mercury begins to excessively rationalize feelings and emotions. If this is allowed to persist, you may start to deny the validity of your emotions and feelings, and in so doing repress your Moon sensitivity, creating another

imbalance.

Inner tension can reflect insecurity and self-doubt, creating highly nervous activity prompted by disharmony between the personality's conscious and unconscious levels. Sometimes this can manifest as psychosomatic illness, especially nervous illness, digestive problems, and diseases related to the activity of body fluids. Another problem could emerge from self-centeredness and separative ways of living and expression. You may rely on fixed attitudes, thoughts, beliefs, and values for a sense of stable security, but these can also create relationship difficulties if you act inflexibly. Whenever someone else's opinion differs from yours, you may react with aggressive defensiveness, without first considering the value of another point of view.

You hate suggestions from others that you may be wrong, as this makes you feel insecure. Your response to this is often defiant and compulsively assertive. Paranoid feelings often accompany this reaction; and you can be very touchy emotionally, often triggering off misunderstandings and communication breakdown. With strangers you always feel insecure and on the defensive; even with closer friends, acquaintances, and family this pattern persists, although with less belligerence. Yet even in the family home, you react against having to change to accommodate others. Self-centeredly, you believe they should change to suit you; the fact that they may not wish to do so is apparently of little concern to you.

You can often communicate quite well with those with whom you feel safe, often revealing a touching if slightly immature and sentimental emotionality about such relationships. Your hidden dependency on such intimates may not always be realized or acknowledged. Relationships would improve if you were less self-preoccupied, seeing others' needs as being as important as your own, and giving to others what you are so busy taking for yourself.

Attention needs to be directed externally for you to become aware that others have equal needs and difficulties. Through mutual support, all can benefit and have a more enjoyable life. Sometimes your needs and concerns can become obsessive; and you rarely see that this represents immaturity and lack of integration. Ways that you evade making necessary inner changes can include obsessions with trivia and matters of inconsequence, continual chatter, which can create unsatisfactory relationships and wastes energy instead of using it positively to change internal stress through self-understanding.

Mercury is often repressed by a dominant Moon whenever issues of personal security dominate life, much like a demanding infant wanting immediate satisfaction. Because of this, you can lack rationality and objectivity, as noted in signs of immaturity, a lack of self-understanding, and a surfeit of emotional bias. Sometimes your ability to discriminate between reality and illusion, fact and fiction, is weak.

You can often be full of unresolved questions, uncertain of what you really think and feel about life and people, even though you defend whatever thoughts you are presenting. There can be a state of 'life-confusion' which persist

52) ► **Moon** ☾ **Square** ♀ **Neptune** - (3°10' S) ♁4 | ♃1

([394] astromatrix.org;) The Hallucinator

The main challenge facing you with the square aspect is that of discrimination between reality and unreality, between fact and fiction, and the consequences of confusion when these are not correctly perceived and established within consciousness.

Volatile and tidal emotions and feelings are often intertwined with your imagination so that your perceptions are clouded by personal bias and fantasies. Attempts to warp realities, especially those concerning others, are never welcomed and are a source of conflict within relationships. Insisting that you are right - even against the recall of several others - will eventually generate antagonism, as no-one enjoys having their reality and memory threatened by others, even if they are family members.

You often feel uncomfortable with your feelings and emotions as they are not easily assimilated and integrated by you and being liable to moods you find it difficult to feel centered in any stable emotional pattern of responses to people and life. There may have been some emotionally based difficulties in your parental relationships, especially to your mother, where emotional needs were not satisfied or where you imagine failings to have occurred.

Changes can be successfully made by working with those intrinsic assets which you may have blocked so far, or whose presence you may have denied, rather than acknowledging them as gifts. Imagination is present; this can be used in positive ways. What you need to do is to build positive images of a 'new you' who has less of a chip on your heart, and who is prepared to change into a more creative and loving person.

Understanding your own nature is the first step towards being tolerant of others' weaknesses and strengths, so some form of inner psychological inquiry is required. Releasing pent-up emotional tension is essential, and should be carefully done, probably with the aid of trained counselors or psychotherapists, because too great and sudden an emotional explosion of pressures may be more damaging than healing. Types of body work, manipulation and massage could possibly be additionally beneficial too.

Be more open and honest in relationships concerning any feelings of confusion; try not to let them fester inside. Organize your life more consciously. Work with others, so that you realize that all need support and guidance at times in their lives from others who may be perceptive on a clearer level. Believe in your own potential and determine to allow it access into your life. In so doing, you can transform the negative aspects of the square into positive assets.

Preferably work with more down-to-earth schools of therapy, which can then ground you better, rather than following a natural tendency towards more imaginative escapism, which can result in involvement with any religious / mystical cults that aim to fly in holy skies of grandeur and hallucinations rather than experience real life.

53) ► **Moon** ☾ **Square** ♄ **Ceres** - (6°27' A) ♁4 | ♀7

([559] 12andus.com:) Your desire for security and emotional connection is often at odds with your desire to nurture others.

You may want to show your compassionate, loving side but feel like doing so subsequently drains your emotional energy.

Being mindful of your boundaries and tending to your own emotional needs can help you feel more stable. Once you do, you easily overcome obstacles to sharing your emotional connection and love with others.

You may be attracted to people that have a challenging need for nurturing and by overcoming obstacles to connecting with them, you also learn to tend to your own emotional needs.

54) ► **Venus** ♀ **Square** ♇ **Pluto** - (0°20' S) ♁6 | ♄3

([420] astromatrix.org:) Bossy Lover

Pluto introduces an element of fate into your emotional affairs, which are likely to be a source of problems in your life. Your intense emotions are liable to dictate the nature of your choices, and you may experience difficulties through being unable to control your desires and passions.

You are probably too self-centered in relationship, eagerly taking but giving less in return, and yet discovering that you are still not experiencing the peaks of emotional and sexual intensity that you imagine are there; this builds a feeling of frustration over time, which dissipates much of your ability to enjoy and causes you to begin a process of withdrawal from your commitment and responsibility, mentally, emotionally and physically. A conflict that you encounter is that of chasing your desires or chasing your needs.

You may need to spend some time actually deciding what your real needs actually are, as opposed to desires. Crises associated with relationship and emotions are likely, providing you with the possibility of transformation and understanding of the energies of love, emotion and sex within yourself.

This can break down your self-preoccupation, making you able to give and compromise more with your partner, to resolve the dangers of negative relationship and to have more conscious control over your strong impulsive drives and desires. One way to channel this energy is in artistic expression, as you should discover that you possess some talent

in that area which may be lying latent.

55) ► **Venus ♀ Square ♄ Vesta** - (1°17' A) ♄6 | ♄9

57) ► **Jupiter ♃ Square ♄ Saturn** - (2°01' S) ♄12 | ♄3

([432] astromatrix.org:) Lacking Inner Conviction

With Jupiter Square Saturn you can be conscientious, restless and materialistic but lack direction and drive. You're unable to recognize your own limitations, so you plod steadily

forward in the face of great adversity. You have poor judgment and bad timing-- you're never in the right place at the right time.

Long range goals lack proper planning, causing difficulties in business and financial affairs. Your career may also suffer through misfortune or lack of opportunities. If Saturn is weak, you lack the initiative and confidence to take advantage of any opportunities. You must learn to pursue long range goals steadily yet flexibly. You initiate activities or take on responsibilities without enough preparation and then fail to follow through or evade those responsibilities.

If Jupiter is strong and Saturn is weak, you have too little discipline and experience. If Saturn is strong and Jupiter weak, you work hard and patiently but can't get much done because you can't gain others' cooperation. You're often a slave to dull routine, appearing as a stick in the mud to others. You must stop comparing yourself to others since you feel you always come up short. You must recognize your own self-worth and use your talents now, or else in later years, you'll be full of regret at opportunities missed.

Freedom to act is often limited by family or professional oppression and you will have responsibilities with older people at some point in your life. Success comes in late life. Your religious, philosophic and educational values are rigid and religious beliefs tend to be extreme, often causing problems. You may be in danger from a natural disaster.

58) ► **Jupiter** ♃ **Square** ♇ **Pluto** - (5°16' A) ♈12 | ♁3

([435] astromatrix.org;) The False Prophet

This indicates that your personal philosophy and attitudes will condition your life, and because they tend to be fixed and dogmatic can serve to bring you into conflict with others. This philosophy or set of beliefs will either be 'self-created' or tend to reflect older, more traditional religious dogma; either of them is likely to be out of phase with much of contemporary life and social development.

You will either express a peculiarly unique and personally individual outlook or be willingly absorbed within a traditional structure. Basically, you are likely to be antagonistic to the modern world, believing that it is taking the wrong direction, and will be inclined towards a desire to reform the outer world and people so that they begin to conform to your world vision.

There is a tendency towards mental arrogance, a certainty of your own way being right as opposed to the ways of others; and you are unlikely to be receptive to alternative beliefs and new ideas. You will be an active exponent of your way, expressing it forcefully to others, either by a challenging of their beliefs or by attempts at conversion; you feel that you have a mission to perform, and this conviction gives you the inner strength to continue.

If rejection occurs, you tend not to use that experience to re-evaluate your beliefs, but inwardly reassert your own sense of righteousness. Whilst it may appear that your own system of belief is intellectually founded, the truth is that it is rooted deep in your emotions, and you feel its personal meaning very intensely, thus whilst attempting to challenge and persuade others, you maintain a barrier to outer challenges against yourself.

You are afraid that if your belief structure cracked and began to fall apart, then your inner cohesiveness as a personality would too, as your identity is so intertwined with your own beliefs.

To some degree, most people are in a similar situation to yourself, where self-identity is defined by beliefs, opinions, attitudes, thoughts, emotions and body; in defending personal convictions you are defending yourself. It may be that your belief is not obviously religious; it could easily be political.

With nodal squares, there can be these frustrating or even painful repeated themes that are continuously brought up in your life, to nudge you to fulfill your karmic lessons in this life since you failed to do so in the past (South Node).

With North Node square Saturn, this suggests you have learnt a good dose of Saturnine attitudes. While this can come out in a positive way, it is potentially a constricting aspect right from the start, due to the limiting and pessimistic nature of old, worrying Saturn.

You may have rigid habits or outlook, and your ambitions may be so far removed from what is the accepted norm by modern society that you could create a world of isolation, detached from life, ignoring social duties. This is potentially the hardest past-life life influence from which to escape.

All Moon-Mercury planetary contacts are concerned with the relationship and dynamics of the Moon's instinctual, feeling, and emotional tendencies, with the analytical, lower mind, and communicative abilities reflected by Mercury's natal chart position. This connection can imply the type of inner relationship between the more unconscious personality functions and those of the separative conscious mind and ego.

The close conjunction of Moon and Mercury suggests a relatively open channel between your unconscious mind and your rational mind; exactly how this relationship works may, however, be variable, with both the strengths and weaknesses of each planet displayed over time. Rationality assumes higher priority, and possible conflict may revolve around times when lunar messages contradict Mercury messages. Repressing either Moon or Mercury principles is always possible.

You can be friendly and sociable, with others relating to you easily, and often trusting you as a confidante, as they recognize your sympathetic understanding. The Mercury dimension appears as intellectual and imaginative abilities, as well as a positive attitude to life's experiences. You believe that lessons can be usefully learned from whatever happens and that 'experience' is truly the best teacher. You can benefit from formal study, as you are able to absorb information relatively easily, but the ideal type of study is one which also involves a positive emotional response, so that the Moon is also included.

The main challenge is to unite both Moon and Mercury qualities consistently so co-operation results, and not conflict. You need to distinguish between opposing inner messages, identifying those associated with the Moon - habitual security, instinctual and emotional patterns - and those which the Mercury-influenced logical mind presents. These messages can be either complementary or conflicting and to evaluate which requires your self-understanding. Real success only comes when the partnership is harmonious.

([21] astromatrix.org.) The Visionary

This conjunction emphasizes emotional sensitivity and vulnerability to others, especially through an impressionable, sympathetic psychic empathy. The nature of your environment will be highly influential in affecting your inner balance and well-being, so

ideally you need to live and work within suitable places and with suitable people, or else you may discover that your spirit and vitality begin to wane through absorbing what are negative influences on your sensitivity.

As your heart is so open to experience life, it is equally likely to experience suffering, anguish and disappointments. Evolving ways of self-protection or essential filters to this sensitivity may be necessary over time, otherwise life could become too painful for you.

Through your innate understanding and sympathetic attitudes, you are likely to become a listener and confidante to others' problems; yet a degree of detached impersonal objectivity needs to be developed or else you will take their problems and pain away with yourself. This is not a sacrifice that needs to be made, even though you are rightly willing to offer aid and assistance to those in need.

It may be that you are attracted towards employment in the spheres of social welfare and care, where you can serve deprived people and encourage them to take steps of advancement. Certainly, that compassionate heart will be a main motivating factor in your life, and it is probably through such a route that you can most easily display your most natural qualities and abilities.

Your influence can have a beneficial and catalytic effect on others, stimulating them towards either personal growth or resolving problems. Employment which fixes you into a repetitive mundane work pattern will not be satisfying and will ultimately be a denial of your talents and abilities. It is easy to recognize when you are stuck in the wrong place.

([61] astromatrix.org;) The Quest For Knowledge

The expansionary characteristics of Jupiter tend to merge well with the forward-orientated direction of Uranus; and the essential personality outlook should be optimistic and positive. You will tend to believe that there is always 'something good' waiting for you just around the corner, a faith that your future will be rewarding. In some ways, this can become a self-fulfilling prophecy; a positive mental attitude attracts your dreams towards you, enabling their manifestation to proceed more smoothly.

There are likely to be sudden or surprising opportunities arising in your life, which offer the potential of development and expansion. The opening of new horizons can be personal, through relationships and family, educational, through further study, or financial and business ventures. You may have to be ready to take full advantage of these, as they can occur sometimes without any conscious effort expended in creating new potential expressions.

You will be very attracted towards exploring human knowledge. You have an avid

curiosity; and you believe that all knowledge that you acquire offers more mental freedom and interest, and more personal power, and greatly enriches life. Often, you develop a personal program for further study in specific areas of enquiry. This is so you can gain some expertise, so that the information absorbed can be used as a foundation and springboard to launch some kind of project whereby you are able to exploit your own personal potential.

You like to create options and alternatives that you could follow, if you so choose, and often mentally build a variety of potential schemes and projects. The problem may lie in being able or willing to actually manifest any of them. Sometimes a fertile mind can circle around a multitude of attractive ideas yet fail to develop any of them. A more one-pointed discipline may be required. It is likely that in your quests for expansion and growth you will begin to ally yourself with those more progressively minded people and groups devoted to social change.

New political thinking and social alternative lifestyles will attract, especially as your bias will be against the established traditional social order. You will have a reformist outlook, not excessively radical or revolutionary, but still more future-directed than the majority. As an independent thinker, you will serve as an advocate for new horizons in life; and in sowing such seeds you can help to enrich lives by encouraging others to break free of those limiting, stagnating patterns of life. You welcome the new and unknown; you experience little fear when the winds of change begin to blow and are ready to embrace their liberating influence.

The Lots (Arabic Parts) (322th Harmonic)

There is not much information on these lots. Lots are points calculated almost always from the Ascendant and two Planets (or the Moon) or another one of the lots (then Schmidt's correction is used). The formulas used are based on Paulus Alexandrinus' and

Robert Schmidt's work. Valens is another name that reoccurs with the information for these lots. (He might have slightly different formulas, but I think I took the best ones.) The texts are from 'astro.com' and 'astrology-x-files.com'.

Lots used for ranking eminence:

When these lots and their rulers occupy each other's places it indicates personal power and social mobility (eminence).

The **Lot of Fortune** is in 7° **Aries** 31' and in the **12th** house.
Part of Fortune was already interpreted in detail.

The **Lot of Spirit (Daimon)** is in 28° **Taurus** 53' and in the **1st** house.
"higher intellect" "guardian spirit/angel" The Lot of Spirit is a point which has strong psychological and spiritual overtones, unlike the very physical-plane based Lot of Fortune. The Lot of Spirit has to do with the nature of the will, what you intend (as opposed to what merely happens to you), and also has much to do with career, but apparently more your career as a statement that you make about what you are in the world. It also has to do with illness, like the Lot of Fortune, but it would seem that with the Lot of Spirit we are talking about the spiritual bases of illness as opposed to the physical bases.
"Spirit happens to be lord of soul, temper, mindfulness, and every power; and sometimes it also cooperates in the determination concerning what one does." - Paulus Alexandrinus

The **Lot of Basis** is in 14° **Pisces** 50' and in the **11th** house.
Calculated from Asc, Fortune and Spirit.

The **Lot of Exaltation** is in 28° **Scorpio** 38' and in the **7th** house.
Valens says that it shows what the native is happy doing if it doesn't indicate eminence (by falling mediocre or amiss with little connection to spirit or fortune)

The Seven Hermetic Lots:

Adding Fortune and Spirit makes them 7.

These 5 are calculated with Schmidt's correction formulas.

The **Lot of Eros** is in 13° **Sagittarius** 5' and in the **8th** house.
"Eros signifies the appetites and the voluntative desires. It becomes a contributing cause of friendship and mutual favor." - Paulus Alexandrinus

The **Lot of Necessity** is in 9° **Gemini** 40' and in the **2nd** house.
"Necessity signifies constraints, submissions, struggles, and wars, and makes enmities, hatreds, condemnations, all the other restrictive things befalling men as a result of their birth." - Paulus Alexandrinus

The **Lot of Courage** is in 28° **Capricorn** 50' and in the **9th** house.
Indicates fortitude (or lack thereof). It is based upon Fortune (the physical body) and Mars (actions). Where this lot is placed by house seems to show what we have to face and what we most fear. "Courage becomes a contributing cause of boldness, treachery, might, and every villainy." - Paulus Alexandrinus

The **Lot of Victory** is in 19° **Pisces** 46' and in the **11th** house.
"Victory becomes a contributing cause of trust, good expectation, contest, and every association; but sometimes it contributes to penalties and rewards." - Paulus Alexandrinus

The **Lot of Nemesis** is in 7° **Leo** 3' and in the **4th** house.
This lot seems to indicate what is most likely to bring the native down. "Nemesis becomes a contributing cause of subterranean fates and of everything which is ice-cold, of demonstration, impotence, exile, destruction, grief, and quality of death." - Paulus Alexandrinus

Nemesis in Leo: pride and arrogance, excessive visibility, water
Nemesis in Fourth house (Cancer): insecurity or attachment, large crowds, getting lost

Lots related to family:

The **Lot of the Father** is in 14° **Taurus** 18' and in the **1st** house.
If the lord of the lot of the father is dignified and is pivotal (angular) the father is strong and fortunate and may be eminent. If in decline and debilitated, judge the opposite. - Paulus Alexandrinus

The **Lot of the Mother** is in 7° **Cancer** 7' and in the **3rd** house.
Same as for father.

The **Lot of Siblings** is in 2° **Leo** 7' and in the **4th** house.

The **Lot of Children** is in 6° **Aquarius** 15' and in the **10th** house.

The **Lot of Daughters** is in 9° **Scorpio** 50' and in the **7th** house.

The **Lot of Sons** is in 4° **Gemini** 50' and in the **2nd** house.

Pholus | Sudden Life-Changing Events

Pholus helps us achieve our soul contract and mission, the symbol of turning points (of no return), the catalyst, a small cause yielding a large effect, explosive results, transformation without premeditation, euphoria, self-destruction, awakening, curing addiction, release, searching, intensity, discovery.

Here, painful realizations of boundaries and responsibilities come as you grow. Pholus is where one absentmindedly, even blindly, goes about one's business until he sees the mortal light and crashes, grounded by confrontation of karma and responsibility.

Pholus in Cancer (Rx)

(canvasofthecosmos.tumblr.com;) Pholus in 4th House/Cancer: You may be, as your mother would describe in an endearing way, a "happy accident." She impacted you in a huge way, and you have strong feelings about her, one way or another. Her influence on you reverberates throughout your life, and if your relationship with her is left unresolved, you will find that you can never escape her. Either way, family and your proverbial home unleashed emotions you would rather not have bubble up to the surface at first. This is due to a strong resonance you have with your ancestral past, and try as you may, you can never escape your family's legacy, for better or worse. Regardless, when you find a house that actually feels like a home, you live in it like no other. Once you settle down and have a family of your own, the intensity of such responsibility can be intimidating. Fear not- each new addition to your home brings a fresh start, another way to explore your deep inner emotions and bring out the best, as you always seem to do in the end.

Pholus in 3rd house

(12andus.com;) You may move a lot or frequently change your interests and intellectual connections with others.

Small moves that take place can lead to dramatic changes in attitude and ideas. You may frequently be on the move. You may also develop a toxic fixation with ideas and attitudes that undermine your true intellect.

You will have the chance to go through transformative awakenings that can help you rebalance your perspective and return to a logical state of mind. You may be susceptible to toxic ideas or fanatic beliefs that lead you to get in over your head and need to find greater understanding again.

You may have a brilliant mind and knack for languages but your skills fail you in the

moment you need the most. It takes transcending or overcoming difficulties with communication to find your greater message and mission.

Careless communication can lead you to say things you regret or speak before thinking. Small details can lead you to end up with a larger problem on your hands and it will take the same skills of communication and intellect to reverse the momentum of chaos and confusion.

Eros | Love, Desire, and Sexuality

Where you break with logic and rationality in favor of desire, associated with bringing havoc, your most powerful turn ons. Is used a lot in synastry.

Eros in Aquarius

You're aroused by anyone who breaks the rules. You may also fantasize about sexual encounters in unusual places. Having sex in public, in taboo settings or in places that are outside of the social norms may appeal to you.

You may also have a fetish for rule breaking and challenging tradition. You'll want to explore the outer limits of your sexuality. You may love surprising sexual encounters and need spontaneity. You're sensitive to partners who are rebellious and creative.

You may be able to go for long periods of time with little sexual or romantic interest but then suddenly feel the need to explore all of your fantasies and act with great intensity or impulsivity.

Your sexual interests may even come as a surprise to you. You have a dramatic and shocking way of expressing your sexual interests.

Eros in 10th house

(12andus.com:) Your desires and sexual arousal is expressed through attraction to those in your career field.

You may have fantasies about erotic experiences with colleagues or leaders in your career. You may also have erotic fantasies about sexual encounters at the office.

You are aroused by material success and wealth. You may also have a fetish for people much older than you. You may have traditional views and values when it comes to sexuality.

At the same time, you want your sexual power and attraction energy to be recognized.

You may easily display your sexual interests and erotic energy to the public. You may show your sexual interests and exploits publicly.

Public affairs, public scandal involving sexual encounters or having sex in public places may be arousing for you. You can be discreet about your sexual experiences, but you are also likely to flaunt your encounters, especially if it helps your status or image.

1) ► 12° Cancer 30' **Pholus** ✍ **Conjunct** ☉ **Sun** 22° Cancer 29' - (9°59')

(12andus.com:) Your identity is intertwined with your experiences of major, life changing events.

You may have a tendency to shoot yourself in the foot because you become too confident in your strengths and have grandiose expectations. You may overestimate yourself and overplay your strengths.

Hubris can lead you to exaggerate your skill level and make you think you have the talents to make a significant breakthrough. When the breakthrough arises, it may be such a small detail, but will expose the ways in which you don't yet have all of your bases covered.

Fortunately, you have a gift for being creative and even when small twists and turns turn into cataclysmic, life-changing events, you know how to rise to the occasion. You may lead others through a period of dramatic times and you can remain positive even when dramatic crises are going on.

Your enthusiasm to lead others and confidence in yourself can lead you to leap before you've looked carefully enough to get a sense of your surroundings. Your attempts to help others may lead to dramatic unintended consequences for yourself.

2) ► 12° Cancer 30' **Pholus** ✍ **Conjunct** ♄ **Saturn** (Rx) 12° Cancer 24' - (0°06')

(12andus.com:) You can easily merge self-discipline and responsibility during times of dramatic upheaval and crisis.

When you are faced with cataclysmic and life changing milestones, you look to tradition and work to try to create security and stability. You may naturally have an instinct for persevering during difficult times.

You can naturally step into roles of responsibility or own your own work, responsibilities and maturity as a result of major milestones and lifechanging crises.

Even when you try to be protective and do all the right things to set a solid foundation, circumstances beyond your control can lead you to realize how limited your abilities are.

Rather than despairing, you can instead find greater endurance and strength. Challenges bring out your inner strength and fortitude.

3) ► 12° Cancer 30' **Pholus** ✍ **Conjunct** ♄ **Pluto** (Rx) 19° Cancer 41' - (7°11')

(12andus.com:) Your deep, dramatic urge to transform and be a catalyst for change is

ushered in by milestones and turning points.

Even situations outside of your control are likely to be harnessed as catalysts for deeper personal transformation. You can find your inner power, clarifying your focus and finding greater authority during times of cataclysmic change and crises.

Though you have powerful protective instincts, you will also find that you can't always dominate the circumstances around you. When milestones and turning points threaten your sense of security and foundation, you rise to the occasion and act as an authority figure.

You can also help others walk through these periods of dramatic change and transformation and may see even small catalysts as much bigger turning points leading to a symbolic death and rebirth phase for you.

4) ► 12° Cancer 30' **Pholus** ♄ **Conjunct** Vx **Vertex** 10° Cancer 29' - (2°01')
5) ► 12° Cancer 30' **Pholus** ♄ **Opposition** ♂ **Mars** 4° Capricorn 10' - (8°20')
(12andus.com:) You may feel easily torn between your ambitions and courageous side and your inability to truly contain large scale crises.

Rather than allowing disruptive challenges to wipe the slate clean and help you advance by starting all over again, you may try to hold on to power and control, insisting on having your way or trying to rescue others.

The bigger lesson is often that it is not up to you to rush in and save the day. Instead of preventing crises from erupting, you may be better off learning to respond to crisis by seeking opportunity for growth and new perspective.

If you try to see large scale challenges as important life turning points rather than as crises to be minimized or contained, you can become more successful protecting yourself and those you love to the extent you can, while also embracing dramatic changes.

6) ► 12° Cancer 30' **Pholus** ♄ **Opposition** ♄ **Vesta** 21° Capricorn 18' - (8°48')
(12andus.com:) You may find it challenging to draw on your spiritual calling to serve others during times when it is most needed.

When you are facing cataclysmic events or catastrophic turning points, you may resist awakening to your connection with Spirit. Your hesitation stems from an intuitive sense that something great will be asked of you and a sacrifice will need to be made.

If you don't feel suited to making the sacrifice needed, you may run from your calling at first. But you won't be able to hide from your greater responsibilities.

Eventually, when you do come forward and fulfill your obligation by serving others, you'll find greater spiritual connection and understanding in the process.

You'll be able to balance your need to serve others and your need to respond to the crisis or catastrophe by finding greater comfort in your spiritual mission.

7) ► 12° Cancer 30' **Pholus** ✍ **Sextile** ♀ **Mercury** (Rx) 15° Taurus 1' - (2°31')
(12andus.com:) You may need to purge your thoughts or use inspired writing or speaking to clear your mind.

When you are faced with dramatic crises or loss of control, you may try to rush in to save the day as a mediator or spokesperson. Yet in doing so, you may unintentionally get caught up in thinking or attitudes that are part of the problem.

Though you can't get through a crisis completely unscathed, you can more easily express yourself cathartically and find catastrophic periods to be cleansing and healing on the whole.

8) ► 12° Cancer 30' **Pholus** ✍ **Sextile** ♂ **Uranus** 17° Virgo 22' - (4°52')
(12andus.com:) You may find it easy to draw on your intense, erratic nature to adapt to dramatic circumstances.

When situations beyond your control erupt and demand a reaction, your intelligence and intuition combine to help you plan for innovation and change needed for the future.

Though you may not be able to completely contain or minimize the impact of cataclysmic events happening around you, you will be able to use your unique individualistic instincts to help navigate through these turning points and turn dramatic events into milestones.

9) ► 12° Cancer 30' **Pholus** ✍ **Sextile** ♀ **Neptune** 13° Taurus 58' - (1°28')
(12andus.com:) You may find it easy to express your nurturing, compassionate energy during times of crisis and cataclysmic change.

You can easily find higher meaning and spiritual connection in light of and sometimes because of crises or changes that form larger turning points. These turning points bring opportunities for you to reflect on a deeper level and find your higher calling as a healer or spiritual guide to others.

Though you may not be able to contain the larger crises or events beyond your control, you will be able to embrace your calling to help others and show compassion while serving others.

10) ► 12° Cancer 30' **Pholus** ✍ **Square** ♂ **Jupiter** 14° Aries 25' - (1°55')

(12andus.com:) You may find it challenging to expand your thinking during times of crisis.

You may not realize the limitations of your beliefs until you are faced with a disruptive challenge or cataclysmic event. Your beliefs may expand and change in unexpected ways after you are faced with widespread calamity or unexpected disruptive milestones.

You may try to be protective or advocate for others only to find that your positive attitude is either limited or insufficient during a crisis. It may come across like you're giving empty platitudes.

You may have to adjust your beliefs in order to truly adapt to the shifting reality you face during a crisis.

11) ► 12° Cancer 30' **Pholus** ✎ **Square** ☊ **North-Node** 18° Libra 38' - (6°08')

(12andus.com:) You may find it challenging to live up to your full potential and follow your higher calling during times of dramatic change and upheaval.

You may find it difficult to advance personally during times of crisis. Instead of stretching outside of your comfort zone and adapting to the changes that critical turning points require of you, you may first resist your calling or go into routines from the past that are comfortable.

But repeating what is familiar, when change and adaptation are needed, will get you nowhere. Eventually this becomes obvious and you will be able to adjust your reaction and embrace your higher calling as a result of cataclysmic events.

18) ► 18° Aquarius 9' **Eros** ✎ **Opposition** ☾ **Moon** 17° Leo 8' - (1°01')

(12andus.com:) You may find it challenging to express your erotic desires if you don't feel secure first.

It's not a good idea for you to try to have a sexual relationship without an emotional connection. Even if you tell yourself you can handle a "friends with benefits" relationship, you'll inevitably develop an emotional attachment.

When this happens, you may come to expect that your partner will naturally fall in love because of the amazing sexual energy and chemistry, but this is not guaranteed. You can feel conflicted about how to find security and emotional connection and also reveal your sexual side.

You may have to work through an emotional hang up in order to embrace your sexual desires and pursue your fetishes. In order to fully explore your fantasies, you first need to feel confident and secure.

19) ► 18° Aquarius 9' **Eros** ♀ **Sextile** ♃ **Jupiter** 14° Aries 25' - (3°44')

(12andus.com:) You may easily express your desires and idealism as part of your sexual nature.

You can expand your sexual repertoire easily and have an adventurous, independent side even in intimate relationships. You may be attracted to people from different cultures or walks of life. You may also have fantasies involving sacred rituals or different cultural traditions.

You may eroticize things of a spiritual or philosophical nature or have fantasies about sexual encounters that make you feel uplifted and spiritually connected.

20) ► 18° Aquarius 9' **Eros** ♀ **Square** ☿ **Mercury** (Rx) 15° Taurus 1' - (3°08')

(12andus.com:) You may have a challenging time expressing your desires.

Your erotic desires are hard for you to convey. You may have difficulty asserting yourself or describing what brings you pleasure. As a result you may become passive or detached from your own sexual desires.

Yet at times, if you take the initiative to express what you desire and work to overcome communication blocks between yourself and your partner, you can come to express your desires and fantasies.

21) ► 18° Aquarius 9' **Eros** ♀ **Square** ♆ **Neptune** 13° Taurus 58' - (4°11')

(12andus.com:) You may find it challenging to express your erotic love because you have such high ideals.

You may feel like you have to wait for a partner who knows exactly how to please you but in doing so may project high standards. As if you expect someone to read your mind, you may dismiss or reject partners who don't instinctively understand your fantasies.

If you make adjustments to your mindset, you can better accept and appreciate your deep emotional bond and connection with your potential partners while also accepting that they, and you, don't have to be perfect.

If you can embrace the spontaneity of romance and eroticism, you can better explore your deeper desires, rather than waiting for things to be perfect.

22) ► 18° Aquarius 9' **Eros** ✎ **Square** MC **Midheaven** 19° Taurus 38' - (1°29')
(12andus.com:) You may find it challenging to express your erotic desires because you feel the need to protect your status.

Your career path can require you to stifle your sexual nature or you may even create a scandal or friction if you are too open about your eroticism or sexuality. This tension can lead you to hide or obscure your sexual nature in order to focus on conveying a public image that aligns more easily with your career path.

You may have to adjust some aspects of your beliefs or ideas about sexuality and eroticism so that you can embrace your sexual nature without endangering your career path.

23) ► 18° Aquarius 9' **Eros** ✎ **Square** ♀ **Ceres** 23° Scorpio 35' - (5°26')
(12andus.com:) You may have to make adjustments or changes to your beliefs from family or early childhood so that you can open up to your erotic desires.

A parent or early caregiver may have had strong beliefs that still have a stifling influence on your attitude toward sexual pleasure. You may feel hindered from showing your erotic desires because of attitudes about practicality in relationships, feeling the need to be securely in a marriage before enjoying a sexual connection, for example.

Yet you may eventually enjoy a more fulfilling sex life if you are able to adjust your ideas and opinions regarding sexual relationships and erotic pleasure.

24) ► 18° Aquarius 9' **Eros** ✎ **Trine** ♀ **Venus** 20° Libra 1' - (1°52')
(12andus.com:) You can easily express both your romantic love and erotic desire for others.

You need to have emotional connection and love in order to open up and share your intense inner desires. You can become infatuated with your love interest and need to have a healthy, vibrant sex life in order to feel secure.

You need to create beauty, comfort and harmony in order to share your sexual fantasies and may be drawn to partners who are beautiful or can pamper you and make you feel valued.

25) ► 18° Aquarius 9' **Eros** ✎ **Trine** ☾ **North-Node** 18° Libra 38' - (0°29')
(12andus.com:) You may easily express your erotic nature and find great harmony in your sexual relationships.

You have no problem exploring your desires and fantasies and in doing so, you may find a deeper connection with your intimate partner. You may feel like you are destined to meet key people who help you understand yourself and your unique gifts but who also help you accept and embrace your erotic desires and fantasies.

You easily attract the ideal partner you need to fulfill your personal mission and explore your deeper fantasies.

26) ► 18° Aquarius 9' **Eros** ♀ **Quincunx** ⚙ **Uranus** 17° Virgo 22' - (0°47')
(12andus.com:) You may find it difficult to embrace your intense and erratic nature when it comes to sexuality.

You can be creative and spontaneous and may have to work through deep insecurities so you can come to embrace your creative and unusual sexual fantasies. You may desire unusual experiences but will have to work through hang ups related to your unconventional interests.

Once you've come to embrace your fetishes and desires, you can gain greater confidence and will have no problem exploring your desires and fantasies.

27) ► 18° Aquarius 9' **Eros** ♀ **Quincunx** ♀ **Pluto** (Rx) 19° Cancer 41' - (1°32')
(12andus.com:) You may feel awkward about pursuing your intimate desires.

Upbringing or social standards can lead you to fear or not trust your deep and powerful erotic fantasies and desires. You may try to ignore your sexual nature or downplay the level of intensity you feel.

However when you take the time to work through the subconscious messages you've come to believe about power and sexuality, you may feel like you're completely rewriting the rulebook. You may be transformed as you embrace your power and authority to indulge in your erotic fantasies.

Hygiea | Health, Wellness

Health, cleanliness, and sanitation. [1] where the body is important to you

Hygiea in Pisces

(astrology.com:) Pisces or the twelfth house: These individuals are drawn to behind-the-scenes or private wellness activities. This could mean anything from faith-based practices like prayer, to reflecting on the days' events by keeping a diary, to esoteric divination like tarot and, yep, astrology. These people need a good night's sleep because they recuperate from stress through the REM cycle, and are generally excellent at decoding their dreams to indicate fortuitous future omens.

Hygiea in 11th house

(astrology.com:) Aquarius or in the eleventh house: These individuals evolve their approach to wellness over time by observing what motivates others. It's best that they surround themselves with a network of health-conscious people, even if their methods or modalities are seemingly counterintuitive. These natives must be aware of how absorbent they are when exposed to new information. If around those who neglect their minds and bodies, they may fall into similar traps out of unconscious solidarity.

Psyche | Soul, Entrance to Self

[1] where you've almost certainly seen the dark side of things

Psyche in Pisces

(fauxastrology.tumblr.com:) Psyche in Pisces/ 12th house: My soul's climbing up the Beanstalk towards a castle in the sky, swimming in the clouds, going to places where time & space don't exist, where you're hearing a distant melody but it's like a half-forgotten dream, far away & untouchable. My soul's searching for something that will

reach me through this world I created.

Psyche in 11th house

(fauxastrology.tumblr.com:) Psyche in Aquarius/ 11th house: My soul's been looking for a home even since I came here; I keep asking the same question each person I meet, every place I go to - is it you is it you? and there's never an answer. I speak to the stars, ask them why did you send me here, why do I feel like an exile, isn't this supposed to be my home, and I only hear my own voice echoed back.

Eris | Soul Warrior

Exhibiting the power of action and choice, when fierce is warranted, right rage, creating a better world. Whistleblower, poetic justice. [1] self-validation

Eris in Aquarius (Rx)

(synnisisigns.com:) Eris in the eleventh house of organizations and friends, you either do or will come to understand the necessity of a cooperative role within the group. You may be confronted with situations that place you outside the group for a time to experience the feeling of “odd man out.” In a cooperative society there is no room for pushing people to an outsider’s position. When you come to understand this yourself, you can teach the rest of your brothers and sisters.

Eris in 10th house

(synnisisigns.com:) When Eris resides in the tenth house of authority and power, you are here to understand your role in taking care of the those with less power than you. Should you not have a natural understanding of this role, Eris will make sure you experience the consequences of the bigger fish eating the smaller fish. You will experience why some people insist on “survival of the fittest” and you will not necessarily be the one considered “fit”. When you grow in wisdom in this role, you will be a fine steward of the needs of the people.

Karma | Attention Point (per Past Lives)

Karma is your talent and the place where you can grow the most, or get handsomely rewarded. Why are you here? What do you need to finish? The sign tells you what and house tells you for what. Karma can indicate a negative balance OR positive balance through square Mars, Saturn or Pluto OR trine Jupiter, Venus or Sun. Feeling like suffering is fated when aspecting challenging areas of the chart. Negative Karmic events are like accidents, heart breaks, exposure to outbursts that seem unfair and losses. Positive Karmic events are sudden strokes of good fortune, chance meetings with a true love and so on.

[1] aspect of your character against which, when people interact with it, significantly alters the circumstances you share

Karma in Aquarius

(whatsmyalternative.com:) Destined to balance their capabilities for humanitarian causes and to find guidance for individual reform. Were you a thinker who was too lazy? A mad scientist? An eccentric engineer who burnt his inventions because he did not get a patent? These natives will be prodded in this life with experiences that settle the old debts of neglect and inspire ideas of benefit. Negatively, they may have made many people uncomfortable with unrestrained wildness/rebelliousness in the name of individual freedom and in this life, their freedom may be curtailed. One must be wary of sudden events and accidents if there is a square to Uranus or Mars.

Karma in 10th house

(whatsmyalternative.com:) (I can not find interpretation for the 10th house.) Karma in Capricorn (or 10th House): A difficult placement. Retrograde and negatively aspected this placement might indicate a corporate white collar criminal or big billionaire conspirator against the masses in a past lifeline. Greedy ambition and status consciousness that sacrifices ethics and truth leads to humbling balances in this life. The native must practice generosity, inner and outer. He must treat all people with

respect and must not be condescending to others. No misdeeds like ratting on fellow employees for promotions, for instant karmic punishment will follow. One must be wary of taxation problems and legal problems.

The native must balance career and affection to family, and not let career be the only objective in life. Once positive loops are set and old karmic debts erased, this placement can bring large financial rewards. This will then become the new test. Is social service funded with the rewards? Is egotistical reputation concern mellowed? Is status still given importance or character of people? Is ambition under control or do the past bad habits of power trips raise their ugly head again? These natives can become nation builders or global corporate/financial/legal reformers in the highest positive level.

Pandora | Foolish choices & Toxic curiosity

Where one needs to see things as they really are.

[1] where one must provide masculine prowess or be considered a failure

Pandora in Virgo

(astronomicallyaligned.tumblr.com:) You want to open the box in order to be the image of perfection. Eternal knowledge, perfection, intelligence, dilligence, and admiration. Inside you are all these things. But you might not know it. In your quest for perfection, you would sell your soul. You open the box in curiosity as to what is inside. Because you don't know that you already possess these traits! As they're let loose, tunnel vision, stormy clouds, and insecurity is let onto the soft and scarily world. But if you know and understand what is in the box, you will feel at peace. Self-love for yourself is extra important here. Don't compare yourself to others, only try your best at self-improvement.

Pandora in 5th house

(astronomicallyaligned.tumblr.com:) You're curious about creations, humanmade, or naturemade. Creativity, fun, drama, children, animals, romance, yourself, and games. Pandora in this house can get really intense about having fun and playing games.

Nessus

(vamzzz.com:) Considering its complex and rather extreme nature, it is no wonder we see a large diversity in the collection of attributed characteristics; lessons in setting boundaries, seeing (one's own) limits, accepting limits; identification of hidden abuse patterns; complex cause and effect relationships, breakpoints in karmic cycles; revealing the truth, resolving a situation; taking responsibility for a confrontation, the perpetrator caught; desire; possessiveness, jealousy, being vindictive, manipulative or resorting to black magic for sexual or financial needs. Finally, several researchers associate Nessus with blood, diseases passed on by blood, or blood rituals, and superhuman strength or powers.

Philip Sedgwick characterized Nessus in astrology as "The ultimate Centaur bad boy", bearing the wounds of "greed, decadence, intimacy and sexuality". As positive Nessus properties he mentions: generosity, benevolence, compassion, willing to lend a helping hand, cooperation, respect for boundaries, aware of the power of life energy, healthy use of sexual energy. Concerning the latter: Taoist health trainer and teacher Mantak Chia has Nessus conjunct Sun opposition Hygeia!

My experience with Nessus transiting in hard aspect to the Sun is that this Centaur evokes an inner transformative crisis that demands clarity and decisive action based on "cut the crap". In the personal horoscope Nessus can be a player with violent impact. Forcing entry seems to be the core quality of this Centaur.

In harmonious aspects, this gaining access goes pretty easy, while in hard aspects, where access is denied, it has to be forced open and in extreme cases violence is used. Thus, in line with these characteristics, Nessus also has to do with breakthrough, breakout, escape, rescue and hacking.

Computer hacking is a Nessus-thing pur sang, especially when combined with Mercury, Uranus, Vesta or Makemake. Also espionage, spies, officers, burglars, rapists, rape in general – mentally or emotionally -, black magic, executioners, cracking a closed system (be it a nut or oyster or bank vault, or mind frame), assassins and police raid teams reside under Nessus.

Nessus in Libra (Rx)

(smartyoungsters.com:) This is the peace loving Nessus who is obsessed about maintaining peace, harmony and equilibrium at costs. This Nessus suffers from OCD when it comes justice and playing it fair. Justice is obviously on the side in which he is, a person with this placement will go to any extent for getting it. Using manipulation and preying on the weakness of the opposition, this Nessus gets it his way. A passionate lawyer who gets wins at all costs for his client. He is the most "dreaded" lawyer and deploys any method to win. When expressed positively, this person can win battles for those without a voice. He can restore faith in the judiciary. He can be the best peace ambassador for the country. Resolve conflicts and create harmony. In love, this is the Nessus that will strive to maintain peace at all costs and expect the same response from his partner. If the partner does not support him in this approach then there will obsessive arguments that can go out of control. He can manipulate partner to get things his way, preying on the weakness. Commitment is an issue with this Nessus but once commitment break-up can become a big one.

This Nessus is also the abuser or obsessive partner in the relationship. He will want absolute control of the relationship and may excessively bully his/her partner. If someones Nessus falls in your 7th house then that person will show the above qualities.

Nessus in 6th house

(smartyoungsters.com:) This is the cleanliness and neatness obsessed Nessus, the one who cares too much for hygiene. Nessus in this place is a doctor that washes his hands till the time real color fades away. A person with this Nessus is fanatically obsessed with his diet, health and work. This Nessus works too much and expects the same from everyone else. This can also be the Nessus that as a doctor can manipulate patients to get things his way. He can prey on the fear of his patients and employers. When positively expressed this Nessus can create most dedicated healers, doctors and employees who go to extra lengths to please. In love, this Nessus will obsess about their partner's health and well-being. They can be extra critical regarding hygiene and following diet and exercise routines. People with this Nessus have a tendency to nag uncontrollably if their partner does not adhere to their "guidelines".

Echeclus

Cosmic picture vs. detail orientation. Abstract logic vs. linear logic.

Positive: Balanced perspective of overviews combined with essential detail.

Negative: Picky, judgmental, cantankerously weird, ungrounded.

Mark Andrew Holmes: turning point, stymied, conflict, beleaguered, endings, in a rut, bottled up, frustrated, at war with the world, taking on a lot, tilting at windmills, ability to handle frustration.

Asbolus

Root chakra (or reptilian brain) awareness. Sombre, pessimistic, with a lot of depth (but tangled in a vortex-like manner of information processing). If dominant: usually having a lot of trouble receiving advice or compliments from others. Easily goes over the top, exaggerates protectionism, and isolates itself unnecessarily.

(vamzzz.com:) It represents the domain of Yin. Ontologically and sociologically it relates to the root of individualism, technology and in the worst case murders. Theologically it relates to the figure of Satan.

Six different ways Asbolus can work in a horoscope:

- One could distinguish six different types or subtypes of Asbolian influence. The first type detects the inhumane, the perversion or violation of human rights and the ethical. (Julian Assange, Jannis Varoufakis, Edward Snowden, Sahra Wagenknecht, Karl Marx et al.)
- The second type of Asbolus is not a strong influence, but acts more some kind of dull black spot in the chart.
- The third type corresponds with the seer and empowers clairvoyant faculties (James Van Praagh and Anton Pauwe).
- The fourth type shows Asbolus as a pit of horrors, darkness, psychopath inhuman features and atrocities (radix-horoscope USA, Madeleine Albright, Joris Demmink, Adolph Hitler, Barack Obama, Zbigniew Brezezinski, G.W. Bush, Hillary Clinton, Joseph Stalin et al.).
- In the fifth case Asbolus is a dark artistic inspirator in a creative horoscope, making an impact on the public by mingling the aesthetic with some distortive, taboo breaking, or intense Plutonian atmosphere (Ilona Staller, H.R. Giger, Georges Bataille).
- The sixth Asbolus is a crossbreed of two or more samples of the above. For example, one could be a loving person, socially very aware of ethical values, but also a master in writing short horror stories. When in league with evil, the outcome is never Asbolus responsibility alone, but a joint venture with the totality of the chart

Gonggong

Chaos and attunement through (social) alchemical knowledge. Well directed mental efforts, trial and error, aiming at improvement/transmutation through social Alchemical knowledge in a sorta big brain mass psychology way, resulting in chaos, "tilting of earth", mental.

(Malvin Artley) In one of the myths Gonggong was said to be stupid, but what emerges from apparently ignorant actions is actually the road to truth and insight in the end and shows the promise of mental efforts well-directed and pointedly focused.

Ixion

Very masculine energy, ingratitude, murder, passion for supplanting the prevailing system, haunting, loneliness, disorientation.

(synnisisigns.com:) It needs great loves and it's phantasmagoria will push him beyond the curtain of reality when circumstances are below his taste. In career, it must destroy existing concerns, clans, lobbies, lodges, clubs, factions, cabals, plots, allegiances, fraternities, cults, newsgroups, web-sites, teams, alliances, trusts, blocks, interest groups; and from the resulting chaos choose and pick his own few good men to form it's own enterprise, not without bitter struggle and a sword hanging over it's own head. Religious fanatics are born along this line, those well meaning fellows that send humanities to death, schizoid nationalists, new hitlers, media magnates, islamic terrorists, highlanders, beings of war and chaos. In positive aspects (conjunct casanova and Uranus) it can prolong love making up to several (three) days, an unending erection. [1] how you order others around

Orcus | The Feminine Complementary of Pluto

(vamzzz.com:) Self-integrity issues: to what extent do we really live our live the way we dreamed it?

(arwenmclaughlin.com:) True unconditional love energy that knows itself to be unconditional energy, and therefore has strict boundaries. It does not allow anything into it's life that is not authentic, or that would compromise it's integrity. Thus it is not interested in the past, or anything that came before, it is only interested in, what comes next in love? What can we create now? What can we now build in its most glorious form that serves the self as well as others? How can we crate a structure that works for everyone in its highest and best form? Humanitarian, new frequencies of energy, new and higher forms of energy, the vibration of the alchemist, creator love energy, miracles and overwhelming acts of kindness, "the Change", "the New energy", healing with energy, light, and sacred geometry.

Panacea

(astrologyclub.org:) Panacea is “the cure”—but it’s not as simple as that. It’s “what you believe it takes to make things better.” Thus, what do you or others have to do in order to bring about an improvement. With Panacea in hard aspect to the Ascendant, a person would have to “be” different to bring about an improvement; they’d have to alter their routine and initial response. A retrograde Panacea might not really believe lots of things can be fixed.

Persephone

Where we are scared to take charge;

(YT: Tom Jacobs:) A theme of looking immature from the outside but being capable of maturing it through the inside. Have to make a change: a leap into a thing with boldness that might seem like a stretch or too much for us because we've never done it before. So some persephone people are timid, because they've had been put words into their mouth and have been told they can't take care of themselves. Sometimes they'll reject that, and they are quite confident because they had to at some point grow up overnight. Whether that was pleasant or unpleasant, whether that was a choice they drove or it was driven by other circumstances and other people.

So there is a sense of a Youthfull spirit and maybe some naivite but the appearance of naivite surely.

Proserpina

(houseofinferno.com:) [...] but many of these deities have the same story with different names. Proserpina's name means "to emerge". (ref Persephone!)

She represented the irrepressible feminine spirit who would not be controlled or restricted. Some astrologers look to the asteroids Proserpina / Persephone in a person's natal chart to see where we give our power away, or have it taken from us, so we can use this information to not be so passive and assert ourselves properly so that we are not so easily controlled. What we could take from Proserpina's story is to honour the cycles and changing seasons within ourselves. Sometimes we are cast into the Underworld when something bad happens, and we should never spiritually bypass these situations.

We have to feel our pain and darkness to move through it. But when we are ready, we can emerge to cultivate something better for ourselves and let go of the things that don't serve us.

We should also be mindful of how we assert ourselves. We need to show ourselves love and respect by building healthy boundaries. We need to stand up for ourselves when we are being unfairly treated, and we also need to be mindful of how we do this to others. But we should also take care to know the difference between assertiveness and aggressiveness and make sure we achieve a healthy balance so we don't take away or restrict another's free will or cause unnecessary harm to others in the process.

(jessicaadams.com:) Proserpina shows where you are taken over, taken, then take back.

Sisyphus

(leahwhitehorse.com:.) Repeated mistakes, stuck in pattern through fear of change.
 To be admired for his outright refusal to accept death and for his ability to repeat a task
 that is doomed to fail for all time. In him we see the try, try and try again attitude.

Perhaps the positive side of this asteroid is the ability to keep going, even when we can't
 yet see the point. Essentially, he perhaps shows where we can find meaning in what we
 do on a daily basis, not just in our achievements or the winning of battles.

Latitude/Right Ascension (Position) (322th Harmonic)

Ordered from Aries to Pisces. Programmed in increments of 10' each, so, if two or more

are in the same incement, they will be alphabetical too eachother, is only marginal tough.

Speed in °(degree)/day (eg. the Sun travels a little less than one degree in a day) and distance in Astronomical Units (AU) (which is the average distance between the Sun and Earth).

Fixed Stars

Only conjunctions here. Now will, anything inside the orbs of the fixed stars behind the

(moving) planets and other objects from the chart, be shown. I've taken the orbs of the star conjunctions from the following two websites: 'astrologyking.com' and 'fixedstarsastrology.wordpress.com'.

If the orb from the first website was biggest, I have left it like that. If the orb from the second website was the biggest I have changed it to the average of the two.

I also gave all the four Archangel stars (Aldebaran, Regulus, Antares and Fomalhaut) plus Sirius and Spica a bigger orb of 200 minutes (3°20'). Caput Algol, as a evil influence, I gave 3°.

A lot of these stars (297 in this script, plus the Galactic Center and the Great Attractor) are far away from the 12 Zodiac-constellations, so saying that the Zodiac has a certain height is not really usefull because it stretches all the way around Earth, in height (as well as in width via the Signs.

(NOTE from 'fixedstarsastrology.com':) — Do not let any of the negative descriptions for any stars that follow which may apply to you frighten you. If you live a good, clean life, good will be in store for you Rather than the darkness that may otherwise apply to you. Live your life with good conduct. ALSO — you can check your astrological chart's planets conjunctions with the stars you were born under to understand yourself better. Stars are rated based on my judgement (John Hebert) with (+) being good and (-) being not good, and the more of each one, the more positive and negative the star's influence.

[1] (+++) august 30-september 1 Saturn-/Martian - artistic, emotional, somber, penetrating and analytical, many friends, devoted/melancholy, introverted, may be to dependent on others for support

[3] Penetrating but subtle and emotional energy is released. Shows a depth of character. Artistic skills and a passion for all the arts are found lingering in the Thuban star. Living a life where your talents are regularly seen and heard is a pathway offered here. Singing, preaching, writing and general leader are all promising with Thuban in your astrology chart.

Thuban fixed star does also indicate a hard time with family. Situations where a lack of understanding and compromise spoil the mood for reconciliation. Although with patience the Thuban star energy will take over and all love connections grow due to the complications.

On the shadow side of Thuban if the star's energy is used negatively it backfires on us. If our intentions with our fellow man are not honest and forthcoming an anger sets in. Creating mistakes and broken promises. Be sure to handle all things in this time calmly with gratitude. Remind yourself the universe is testing you and act accordingly.

Caught in a pattern of forces over which we have no control and restless for change, this energy is best focussed on analyzing the current situation. Travel opportunities and finances are favoured, especially if others are included. Just don't be a slave to the addiction of emotional highs and lows... since this will isolate and divide.

The stormy cluster of fixed stars known as Hyades (aka "the weepers" or "to rain"). Highly provocative, creates a volatile, dark and libidinous vibration... hungry for release.

Satisfaction and success are guaranteed if this stalking, obsessive and compulsive force is harnessed, however, if left unbridled to run amok then expect the unexpected... for there will be tears. This is turbulent and manipulative energy best kept in liquid motion... So look to the element of water, falling or flowing, to soothe even the most savage and permissive psyche.

Midheaven Hyades position brings disgrace and ruin, often leading to a violent death. It also augers insight, ambition and eccentric behaviour. Beware of the mask these people wear. Sun in Hyades has a similar energy to the midheaven, although there seems to be sexual perverseness about this position.

The moon in Hyades stirs the emotions like no other. These aspects are prone to depression, anxiety and schizophrenia. Often this is a challenging aspect leading to knowing the self but not really wanting to change themselves for the better.

[4] Saturn and Mercury (profound liar, thief, blackguard, scandal and slander.). They give tears, sudden events, violence, fierceness, poisoning, blindness, wounds or injuries to the head by instruments, weapons or fevers, and contradictions of fortune.

Elsbeth Ebertin noted several cases in which the Sun connected with Zaurak brought long, drawn-out illnesses and difficult times in life. Vehlow described the last degrees on Taurus and first degrees of Gemini as "an unfortunate corner".

[3] The Hyades fixed star group has a similar energy to Saturn and Mercury. Bringing out the prolific liar and scandalous thief. Violence aggression and weapons of destruction are indicated in a chart with Hyades prominent.

The stormy cluster of fixed stars known as Hyades (aka "the weepers" or "to rain"). Highly provocative, creates a volatile, dark and libidinous vibration... hungry for release.

Satisfaction and success are guaranteed if this stalking, obsessive and compulsive force is harnessed, however, if left unbridled to run amok then expect the unexpected... for there will be tears. This is turbulent and manipulative energy best kept in liquid motion... So look to the element of water, falling or flowing, to soothe even the most savage and permissive psyche.

Midheaven Hyades position brings disgrace and ruin, often leading to a violent death. It also augers insight, ambition and eccentric behaviour. Beware of the mask these people wear. Sun in Hyades has a similar energy to the midheaven, although there seems to be sexual perverseness about this position.

The moon in Hyades stirs the emotions like no other. These aspects are prone to depression, anxiety and schizophrenia. Often this is a challenging aspect leading to knowing the self but not really wanting to change themselves for the better.

[4] Saturn and Mercury (profound liar, thief, blackguard, scandal and slander.). They give tears, sudden events, violence, fierceness, poisoning, blindness, wounds or injuries to the head by instruments, weapons or fevers, and contradictions of fortune.

[6] Prima Hyadum rules straight across the shoulder line from left to right in the human body.

ASELLUS AUSTRALIS (18° Cancer 28') is (**1°13'**) of (1°30') close to **Pluto** (19° Cancer 41').

[1] (- - - -) august 1-3 Sun-/Martian - eye trouble, mass murder, horrors, self-willed, uncooperative, dramatic /choleric, introverted, romantic/individualist, possible histrionic

[3] Both north (Borealis) and south (Australis) stars influence the effects and perhaps double the power of the Sun and Mars in one's astrology chart. The stars are a positive power in conjunction with an Ascendant, Midheaven or Stellar bodies of Sun and Mars.

The fixed stars known as the North and South Asellus are two stars that are read together as a team to reach a conclusion. This stormy stellar double-header releases powerful psychic energy, which if harnessed and projected calmly will guarantee success.

This is a great time for dealing with the public and influential people... and generally getting ahead with a little help from friends. Remember that positive thoughts and actions will reap positive results and positive rewards. This is a challenging aspect to have in one's astrology chart, but if well managed and enough self-awareness shown. The growth of the person will be tremendous. Shifting from a young soul to an old soul this lifetime around.

Shadow Side

The energy of these two stars shows an aggressive and frustrated mood. With bursts of dark experiences of low self-esteem and depression. Violence and anger seem to follow this star around like a black cloud.

When these stars show in your chart you really have to knuckle down and focus to achieve a positive outcome. But it turns out all worth it, in the end. With personal gratification amping up the next chapter of projects in your life.

[4] Both these fixed stars correspond to the effects of Sun and Mars. They are therefore a positive influence if in conjunction Ascendant, Midheaven or stellar bodies of the same character, and especially if with Sun and Mars. These people have an aggressive nature, and will not take insults easily. They may, by their own lack of caution or by being dare-devils, put their life in danger, and will not hesitate to use brutal and violent means. The strong Mars influence, emanating from the Aselli, must not necessarily be thought of as a destructive element. If a person is able to sublimate the Mars energy, then extraordinary output of achievement is possible.

[6] Asellus Australis rule the top of the heart in the human body.

GIANSAR (20° Cancer 5') is (**0°24'**) of (1°30') close to **Pluto** (19° Cancer 41').

[5] Fixed Star Mimosa releases determined and persistent energy... energy which can persevere in the face of trials and responsibilities.

This is a serious time of change. It is time to resolve and complete a cycle... leave behind old goals, awareness, and self-expression so that a new door can open to a deeper dimension. Embrace change. Let go. Transform like the butterfly.

HAMAL (17° Aries 25') is **(1°13')** of (2°10') close to **South Node (Ketu)** (18° Aries 38').

[1] (- - -) april 25-29 Mars-/Saturnian - violent, brutish, cruel, premeditated crimes, portends events concerning sacred rites and the worship of God, restlessness, drive to excel, rebelliousness, competitiveness, use of unorthodox methods to achieve your goals, power to overcome obstacles with concentration and persistence, warns against being inconsiderate of others and using force to get your own way, encourages practicing patience to develop skills, talents, and abilities, warns against putting priority on money, strong will, headstrong independent action, will not take 'no' for an answer, patience, discipline, hard work, concentrated energy, leadership, the healer, leisurely, solitary, melancholic, phlegmatic, serious, extraverted or introverted, can be passive aggressive or depressive

[3] Fixed star Hamal (aka the "Head"). Sensual but sadistic, this independent stellar warrior seeks satisfaction through self-indulgent and aggressive action, with a strong and immediate desire to dominate and control. But without a direct outlet for this cruel and debauched energy, it is forced inwards and manifests as frustration and resentment.

Angry and with no opportunity to express, do not attempt any daring or risky business as it is highly unlikely to succeed, and could end in a scandal... or devastation. However with awareness, self-restraint, and patience, then this powerful energy can be harnessed

as a protective force, offering leadership and success.

If this energy is channelled positively and constructively it becomes a force of personal power. When the storm rages inside, it's time to take a look at what's going on in the mind. This type of personality engages in self-destructive behaviour. With time spent on working on the self, a certain type of intelligence is found.

Hamal fixed star meaning is one restrained and controlled aggression towards positive outcomes. But only if harnessed and approached with extreme care and attention. Hamal appears in an astrology chart when things are about to get serious. A certain situation grows to boiling point and action is needed. If any sort of constructive energy is to prevail.

Hamal star also indicates working in the confines of the law. Judgement and interference from others could bring a major project to its end. When working with others insure their integrity before sealing any business deal.
