The Worker

The Life Path 4 suggests that you entered this plane with a natural genius for planning, fixing, building, and somehow, with practical application and cerebral excellence, making things work. You are one of the most trustworthy, practical, and down-to-earth of individuals; the cornerstone members of society. Indeed, as a Life Path 4, you are a builder of society.

Once a decision is made, it will be followed through to the conclusion, right, wrong, or indifferent.

You are very set in your ways and determined to handle things the way you are so certain that they should be handled.

Loyal and devoted, you make the best of your marriage, and you are always the good provider.

Friends may be few in number, but you are very close to them and once friendships are made, they often last a lifetime.

The negative 4 has a bad tendency to get caught up in the daily routine of affairs, missing the big picture and major opportunities that come along once in a while.

Expression (Destiny) Number: 8

([659] numerologycalculator.online:) The number 8 Destiny suggests that the direction of growth in your lifetime will be a move up the ladder of attainment in the material world, to achieve financial security, and status amongst your peers.

The positive 8 Destiny produces individuals that are very ambitious and goal-oriented. If you are expressing the positive qualities of 8, you are an outstanding manager because you can plan, initiate, and complete projects; you are very dependable and determined.

The 8 Destiny makes you well-equipped to develop and grow in a managerial sense.

You have outstanding potential for organizational and administrative responsibilities.

You have the potential for considerable achievement in business or other powerful positions such as government leadership roles. You have the skill and abilities to establish or operate a business with great efficiency.

You can expect to receive the financial and material rewards. You have good judgment when it comes to money and commercial matters, and you understand how to build and accumulate material wealth.

Much of your success must come due to your ability to judge character. With the number 8 Destiny, you must exercise sound judgment in most of your affairs; you must be realistic and practical in your approach to business matters.

No one has any more energy than a person with the 8 Destiny who has a plan laid and is starting to work. No one has any more self-confidence, either.

If you have too much of the 8 energy in your makeup, you may express some of the negative attitudes.

A negative 8 can be very rigid and stubborn. Ambition sometimes has a way of becoming over-ambition, and you may express an unreasonable impatience with the lack of progress. If your negative side is showing, you may be too exacting, both of yourself and of others. Sometimes this can even become a case of intolerance.

The Destiny 8 is on a quest for status and power. Neither of these drives are inherently negative unless they are taken to an extreme. You must avoid the tendency to strain after money, material matters, status, or power, to the detriment of the other important factors in your life.

Heart's Desire (Soul Urge) Number: 9

([659] numerologycalculator.online:) This soul urge number speaks of the idealistic philanthropist who desires to build people up. They are called by a strong need to serve mankind as a whole and to nourish their communities etc.

Your greatest desire is to champion humanitarian causes and serve others.

You are the quintessential perfectionist and you have a truly utopian vision for how life could be. In these idealistic pursuits, your desire for other people's approval will prove to be every bit as important to you as your need to serve. You need to believe completely in whatever you do and have the ability to visualize in your mind the good your efforts can accomplish. Believe and you will achieve.

As a nine, artistic and creative outlets will be vital to your ability to achieve your goals. They will give you a strong sense of accomplishment and satisfaction which will motivate you in all your endeavors.

Your emotional nature will also tend to make you moody. You will find yourself clinging to people at times and wanting to withdraw and be left alone at others. Your biggest challenge will be in learning how to balance meeting the needs of the masses with your own personal responsibilities, particularly to family. Your satisfaction comes in serving others and making sacrifices for them. Be sure that this begins close to home with the ones you love and care for most.

Heart's Desire - Personality Bridge Number: 1

([660] numerology.center:) This number forces you to be more of a hardworking person. To reach the aim is not so easy. A comfortable approach to things for you is not the best solution. Changes are necessary for you. You'll achieve success if you look for new ways, work hard and remember all the time that everything depends on your efforts. The other people are waiting for open communication from your side. Unfortunately, in most cases they don't get it even if you think they do. Try to be more open with people. Express the thoughts in such a way that others can understand you. It is necessary to express yourself in a simple manner in order to make communication easier and to be on the same wavelength with others.

Quiescent Self Number: 8

([661] affinitynumerology.com:) Quiescent Self — This chart position provides insight into what you consider to be an ideal existence. A quiescent period is being immersed in oneself with personal perceptions of ideal existence (without outside influences) and experiencing the feelings and rewards and activities as if they exist in actuality. (The "quiescent self" number sometimes is referred to as the "inner dreams" number.)

During quiet contemplations of an ideal life, people with quiescent-self number 8 are likely to imagine themselves as a moving force in building large physical structures or efficient procedural systems that have the potential to benefit society for a long time into the future.

The energy represented by the number 8 resonates with business and building remarkable and beneficial things. It is efficient. And it is a realistic energy.

Visualizations generally include the organization necessary to accomplish the goals of building structures and systems. It is common for visualizations to include being the executive director or on the board of international companies — with a dedicated staff sufficient to do business on a large scale.

The thoughts and pleasures of someone with this quiescent-self number tend to relate to accomplishing goals in an efficient manner — accomplishments recognized by individuals and society for their high caliber and their usefulness.

Maturity Number: 3 = 4 + 8 = LPN + E(D)N

([662] feliciabender.com:) You're moving toward reevaluating what it means to be

creative, expressive, and full of joy. You're being called upon to step into your creativity, enjoy socializing, and express with joyful and artful communication.

Where you'll be challenged: With this Maturity Number, there's often a shift in life bringing issues related to creativity to center stage. Situations will arise highlighting your sense of joy and enthusiasm, communication on all levels, and social interaction.

What that might look like:

- Breaking free of repression and expressing through artistic creativity (writing, performing, presenting, anything that uses your creative self-expression) – you have permission to play more!
- Expansive sense of joy and purpose or debilitating emotional ups and downs.
- This Maturity Number points to ease, luck, and abundance in your latter years when you are in alignment with your creative expression.

Karmic Lesson Number: 3

([664] worldnumerology.com:) This Karmic Lesson indicates you are highly self-critical. When you find yourself at the center of attention, you often judge your performance to be entirely inadequate or embarrassing. You tend to measure yourself against an impossible standard of perfection. Try to refrain from constant self-evaluation.

It is important for you to recognize no one is flawless. Feeling the need to act impeccably can prevent you from doing what you enjoy in life. Practice being more optimistic and cheerful - enjoy this "messy" life and share your joy with others.

Life will place you in situations that require imagination and communication. You will be tested in these areas and forced to face your feelings of inadequacy. Missing 3's often produces artists - but their success will require consistent effort and perseverance.

The effect of this Karmic Lesson is diminished if you have at least one 3 among your other core numbers (Life Path, Birthday, Hearts Desire, Expression or Personality Number).

Karmic Lesson Number: 4

([664] worldnumerology.com:) A missing 4 may find you rudderless and confused about your life's direction. To obtain focus and success you will need to establish a methodical, disciplined approach. It is important to create a foundation for your life to keep from feeling lost and tossed about by change.

You may have trouble finding the work you do best, as you tend to be somewhat impractical and disorganized. Without a strong inner compass, you will look to life's problems outside yourself rather than within. A new job may start off as "The Answer," but it won't hold the same appeal for long (as you discover the new work requires the same effort and perseverance as the last one, without the initial glamour).

Concentration and application need to be strengthened when the 4 is missing.

The effects of this Karmic Lesson are diminished if you have at least one 4 among your other core numbers (Life path, Birthday, Hearts Desire, Expression or Personality Number).

Karmic Lesson Number: 7

([664] worldnumerology.com:) The 7 Karmic Lesson speaks to the need to deepen your knowledge and talent in a specific discipline. A superficial understanding of important matters will prevent you from experiencing the satisfaction of your full potential.

With the 7 missing, you may lack the determination and effort it takes to perfect a talent you possess. Study, practice, and learn to self-critique (without condemnation).

Avoid accepting things at face value. The lesson the 7 brings will help you look keenly at your life, interests, and potential. Do the work it takes to develop proficiency and fully develop your abilities.

The effects of this Karmic Lesson are diminished if you have at least one 7 among your other core numbers (Life Path, Birthday, Hearts Desire, Expression and Personality Number).

First Pinnacle Cycle: 9

(Month + Day) - from age 0 to 32 (based on LPN) - ([665] feliciabender.com:)

General: If you have a 9 Pinnacle, you're expected to show the world what a true humanitarian looks and acts like on a day-to-day basis. You're developing the attributes of compassion, love, ethics, and tolerance—combined with a big dose of inspiring and uplifting others through your wisdom and love. If this sounds like a big order to fill, it is. You're learning the fine art of both giving and receiving. The 9 Pinnacle is marked by emotional crises because you're being asked to end and let go of all matters in your life that no longer serve you and your higher purpose. No matter how scared you are—and it will bring up a reservoir of fear—this is a time for gaining wise maturity and healing your emotional issues.

Because of the intensity of this vibration and the over-arching perseverance and wisdom it requires, this isn't considered an easy Pinnacle. It's a segment of life that demands the ultimate releasing of all that has held you back, of all of the painful stories you have continued to tell yourself about your past—particularly those that relate to your family relationships. The ultimate healing can take place during this Pinnacle if you invite it in.

Remember: While this may be a Pinnacle that appears to be thankless and filled with obstacles, it all depends on perspective. There's plenty of potential for anything you want

during this time when you're fully committed to playing your role in letting go. When you surrender, all good things come to you. This is a time where you can literally create your own reality. Money, good fortune, loving relationships, vibrant health, purposeful living: These are all possible during a 9 Pinnacle.

Pinnacle 1 Number 9: First Pinnacle: With a 9 Pinnacle at the beginning of your life, the influence of its vibration may be barely noticeable. Selflessness is an attribute that's developed over time and young children must first learn their identity for themselves before doing selfless service in a healthy and productive manner. Yet when you experience a 9 First Pinnacle, you may be a child who is the friend to the "underdog," who's a protector of the kids who get bullied, those who are handicapped, or those who are ostracized in some way by other kids. You may be a bit of an outsider yourself as you attend to those on the fringes.

Warning: Warning: If your 9 Pinnacle is in your early years, this will be a rough period, full of losses and heavy challenges that bring early maturity. In the middle years, the 9 Pinnacle is a time for integrating yourself with the higher principles of wisdom, selfless service, and giving back to the world. If you have saved your 9 Pinnacle to the end, you are required to rise above the fray and become a humanitarian in whatever capacity you choose.

Second Pinnacle Cycle: 4

(Year + Day) - from age 33 to 41 (based on LPN) - ([665] feliciabender.com:)

General: A 4 Pinnacle is the period of your life where you're being called to build your life with solid, stable foundations that'll last. This is often a period of time where you're drawn toward purchasing—or actually building—a home and concentrating your efforts on career and family.

This isn't a particularly light-hearted and "fun" time because you're learning and being tested by issues related to organizing, setting up good systems, patience, hard work, endurance, working step by step, and moving ahead methodically. This stage is for designing and pouring the proper foundation for your future. It's a practical time where you're putting your ideas into the material world and manifesting your vision with discipline and a serious attitude. This is a period of time where you'll be tested in the realm of recognizing, moving through, and getting around limitations.

You're being immersed in the energies that support a practical and realistic approach to life. So a demand for order, system building, and organization is key. The 4 Pinnacle encourages you to be dependable, conscientious, and reliable. Determined and somewhat relentless effort is required and you may feel a strong compulsion and emotional need to immerse yourself in work during this Life Stage. When you do, you'll thrive on that energy.

Pinnacle 2 Number 4: Second or Third Pinnacle: A Second or Third Pinnacle with a 4 emphasis will fuel your ability to get ahead in the world and achieve—not so much because of innate talent as much as your drive and ability to out-work the competition. You might find some economic limitations during this Life Stage, set in your path to test your commitment to building solid and steady foundations while not being beaten down by obstacles and limitations.

Warning: Warning: The 4 energy offers with it a bevy of teachers. As you're challenged to build something of lasting value, you're setting up your future relationship with money, your ability to meet deadlines, your ability to institute effective systems, and your way of dealing with limitations.

Third Pinnacle Cycle: 4

(1st Pinnacle + 2nd Pinnacle) - from age 42 to 50 (based on LPN) - ([665] feliciabender.com:)

Segments General and Warning were already given for this pinnacle number.

Pinnacle 3 Number 4: Second or Third Pinnacle: A Second or Third Pinnacle with a 4 emphasis will fuel your ability to get ahead in the world and achieve—not so much because of innate talent as much as your drive and ability to out-work the competition. You might find some economic limitations during this Life Stage, set in your path to test your commitment to building solid and steady foundations while not being beaten down by obstacles and limitations.

Fourth Pinnacle Cycle: 4

(Month + Year) - from age 51 (based on LPN) - ([665] feliciabender.com:)

Segments General and Warning were already given for this pinnacle number.

Pinnacle 4 Number 4: Stage Four: A Fourth Life Stage imbued with the 4 energy will most likely not allow you to slow down or retire in the way you might desire or expect. 4 isn't a leisurely vibration, so it doesn't even recognize the notion of "retire" or "slow down." The important factor here is to do the work and feel good about the sense of accomplishment. There is a possibility that economic conditions will control your ability to slow down or retire.

The 4 Pinnacle teaches you that your effort is what counts. The upside: If you take this energy seriously and build a strong foundation, you'll reap the benefits for the rest of your life.

First Period Cycle: 9

(Month) from age 0 to 32 (based on LPN)

([666] worldnumerology.com:) This is a period in which a broad view of humanity and a sincere concern for the well being of others will be developed. Tolerance, acceptance, and universal love are the goals of this 9 Cycle, and while such perfection will not be fully achieved, the person under this influence will grow toward these ideals.

Humanitarian principles and social service are the keys to personal happiness.

All work directed toward the improvement of the general welfare will bring great personal rewards, as well. Hard work directed toward higher ideals is rewarded.

Creative talent is also enhanced, especially when it is joined with some larger social purpose or message. There is an element of sacrifice or letting go, as one is asked to forgive past grievances and let go of negative attachments.

The person is being asked to live according to a higher ethical standard, with much spiritual and personal enrichment as his reward.

Second Period Cycle: 9

(Day) from age 33 to 59 (based on LPN)

([666] worldnumerology.com:) This is a period where you develop a broad view of humanity and sincere concern for the well-being of others. Tolerance, acceptance, and universal love are the goals of a 9 Cycle, and people under its influence move toward those ideals.

Humanitarian principles and social service are the keys to personal happiness in a 9 Period. Hard work directed toward higher ideals is rewarded. Creative talent is enhanced, especially when joined by a larger social purpose or message.

There is an element of sacrifice or letting go, as you are asked to forgive past grievances and part with negative attachments.

You are inspired to live according to a higher ethical standard, with personal enrichment as reward.

Third Period Cycle: 22

(Year) from age 60 (based on LPN)

([666] worldnumerology.com:) This cycle carries enormous potential for establishing a lasting institution or teaching that will greatly benefit others. You have the ability to manifest a concept, dream, or invention. Your talents as a builder, organizer, and visionary are at their peak.

You discern the needs of others and create constructive and practical plans to fulfill those needs. You commit yourself entirely to the work at hand.

For many, this dream lasts a lifetime and requires every ounce of energy and talent. An all-consuming role beckons but provides a great sense of personal accomplishment and reward. You possess an ability to make a lasting contribution to the well-being of humanity.

First Challenge Number: 0

(Day - Month or vice versa)

from birth until approximately the age of 30 to 35

([665] feliciabender.com:) The 0 Challenge is called the Cipher Number. This number represents all or nothing, empty or full. You decide. With this number, you are given “a free pass,” so to speak. You’re being offered an enhanced dose of free will.

If you have a 0 Challenge, you can choose to amble idly along without a determined course or you can grab this profound opportunity to rise above your demons and achieve greatness. That is how powerful this energy can be for your Pinnacle. When you see a 0 in Numerology, it serves as an amplifier. To meet the challenge of the 0 vibration, you must have some sense of mastery over the constructive aspects of all the other numbers: independence, leadership, creativity, emotional self-expression, diplomacy, application, hard work, understanding, responsibility, wisdom, personal power, and humanitarian vision

It’s suggested that a person who has a 0 Challenge number on their journey is a well traveled soul, so the 0 offers opportunities for you to use your compilation of soul knowledge during your lifetime.

There’s great opportunity for expansion and growth under this Challenge. The obstacles you face during a 0 challenge may not be many or they may be coming at you from all directions. You can think of it this way: This is the Challenge of Choice. Therefore, choice feels more confusing and difficult during this period. The 0 is challenging you to have the utmost faith in your own abilities to the extent that you can form a healthy sense of detachment with which you can analyze a situation, make a choice, and then act on that choice with ease and comfort, unconcerned and neutral in feeling regarding the outcome.

Warning: If you have a 0 Challenge in your life, it should not be taken lightly or cavalierly, because, with this number, a decision must be made. We rarely make empowering choices by default. There is a lot of responsibility when any Pinnacle contains a 0 Challenge. Use its energy wisely and fiercely

Second Challenge Number: 5

(Day - Year or vice versa)

from the age of about 35 to 55/60

([665] feliciabender.com:) The challenge inherent in the 5 is that you’ll feel a little crazy. This energy is highly charged and quite intense. Think about how you’ve felt during the 5

Personal Years you've already lived through in your Personal Year Cycle: That's just a small glimpse of the feelings surrounding this longer segment of your life. Impatience, restlessness, and a relentless desire for personal freedom are at the core of your challenge. This is the time to mindfully become free from limiting behaviors. The problem with that is that under this challenge, being mindful is particularly hard.

With this challenge, you'll find yourself being extremely impulsive and unstable. You'll want to try everything at least once, so there's a chaotic and uncontrollable aspect to this vibration. Change will be inevitable, yet it must be handled in a thoughtful, meaningful, and controlled manner. The 5 is all about freedom through self-discipline – the constructive and focused use of freedom.

You'll be pulled toward evading responsibility rather than committing to healthy and constructive change. All in all, this challenge requires that you learn, as early on as possible, to reign in your reckless tendencies and to monitor your impulses.

Potential Destructive Aspects of the 5 Challenge

- Feelings of chaos resulting in either emotional paralysis or bad judgment
- Living a life of pure self-indulgence and lack of discipline
- Being irresponsible and unfocused
- Becoming fully immersed in addiction to food, sex, alcohol, drugs, or overwork
- Living with a victim mentality and flitting from relationship to relationship, job to job
- Health issues, including mental health, adrenal system burnout, injuries, and accidents

Third (Main) Challenge Number: 5

(1st - 2nd Challenge Numbers or vice versa)

The Third Challenge carries much weight and will be felt throughout your life. For that reason, it is also called the Main Challenge. As you master this challenge, your life will come more and more under your own control. You will incorporate the positive aspects of the challenge into your character. This is its purpose in the first place. Therefore, there is implicit in the challenge a chance for great reward. In short, this may be the secret to your success.

This Challenge Number has already been explained previously. (above)

Fourth Challenge Number: 5

(Month - Year or vice versa)

from the age of approximately 55/60.

This Challenge Number has already been explained previously. (above)

Personal Year Number (for 2022): 6 (09 + 09) + (2+0+2+2)

([667] affinitynumerology.com:) When the personal year number changes, the influence

of the energy represented by the number also changes. Internal urges shift. Different things feel important. Opportunities seem different. Life is somehow changed. The energy attracts certain type of events and circumstances during the calendar year. It affects the energy represented by the life path number, changing the experiences during the year — generally in a subtle way but sometimes in a way that can seem rather dramatic.

The energy represented by the numerology personal year number 6 brings additional attention to domestic affairs and family-related responsibilities. It is a year of home, harmony, beliefs, and responsibility.

It also tends to be a duty year, so to speak — being needed in many directions and people making more demands. It is also a year when maintaining harmony in the home tends to matter more. And being neighborly.

There are likely to be enhanced feelings of goodwill.

There tends to be more responsibility, love, self-sacrifice, protection of family members, sympathy, and compassion. And beauty.

Personal Year Number (for 2023): 7 (09) + (09) + (2+0+2+3)

([667] affinitynumerology.com:) The transition from one personal year's resonance to the next isn't a sudden change. It may be suddenly noticed, but the change happens gradually. Generally, the change begins a couple months before January, somewhere from mid-October to mid-November. The vibration of the upcoming personal year energy begins to commingle with the current personal year energy. The new energy becomes stronger the closer it gets to January 1st of the new year. By January 1st, the new energy is dominant. It may be a week or two into January before the previous year's energy is dissipated, leaving only the new year's energy.

The energy represented by the numerology personal year number 7 brings contemplation and introspection.

It's a year with a higher likelihood of personal reflection and attention on becoming ever more perfect — a year of introspection, of understanding more about spiritual nature. There's a tendency to analyze everything, to figure out more of one's life purpose.

There's also a tendency to spend more time alone, by choice, getting acquainted with new inner vistas and enhanced intuition, including a better understanding of personal emotions and spiritual essence.

There's a higher appreciation of quality in products and services, and in honest expression during communication with others.

(feliciabender.com:) The energy of last year was a perfect segue into the internal, contemplative energies of your 7 Personal Year. While you may still see yourself functioning fairly “normally,” this is a year where you will be heavily involved in deep inner work. It’s a spiritual year; meaning, you’ll have many opportunities to test your sense of spirituality, however you define it. This is a year where your faith and trust could be tested.

Cornerstone, Capstone, First Vowel and Keystone (Forename)

The letters of your surname or nickname have a meaning as well, if you filled in a nickname/callname, that one will be used instead of the first word of your full official name. There can also be a keystone, that’s when your name has a middle letter.

These texts in between explaining the different parts comes from

'worldnumerology.com', sometimes a different source, then it will be noted.

Anytime 'spiritwalk.org' is used, it is always the general meaning of the letter, not meant specific to the place the letter is positioned at in the name.

Cornerstone: It provides general insight about your essential personality, and it has a lot to say about your approach to **challenges and opportunities**. The Cornerstone in your numerology chart is all about how you approach difficulties as well as upswings.

Cornerstone (first letter): N

[670] [671] [672] [673] ([670] affinitynumerology.com:) The person gravitates toward an approach to life with originality, creativity, and a genuine enjoyment of living — and an honest thrill when interacting with others.

([671] spiritwalk.org:) You are a creative person, a little bit out of this world. You like things having their place and order. It is important for you to systematize your life a little bit, maybe in a form of diary, or summing up your day when you are about to fall asleep.

([672] numerologist.com:) Cornerstone: You are intuitive, creative and love to brainstorm. However you rarely find the money or resources to build something that is great in life.

([673] numerologyzen.com:) Letter N. N has a sense of adventure, a great ability to adapt and a rapid reasoning. N zigzags, [his,her] temperament is quite elusive. N expresses movement and energy. One passes quickly from the mental to the physical level by the intermediary of this diagonal which links the two great pillars. One feels that this letter contains a lot of dynamism and psychic intensity which makes N attractive and magnetic. It is a very versatile letter. N makes [his,her] experiences a daily thing, all being, according to [him,her], good to live and to try. Stability isn't fundamentally [his,her] strong point and N can live periods of hesitation, worry and even guilt. N needs variety, sometimes excitement, and [he,she] can adapt like a chameleon. [His,Her] closeness isn't a sign of calm or tranquility. N is a mentally demanding letter and [his,her] faculties of analyzing situations and people are good. N relativizes, knows how to juggle with words and is interested in a lot of subjects. N establishes [his,her] criteria of life in an absolutely personal way but can change these frequently and without warning. Others sometimes have difficulty in adapting to [him,her], but one mustn't hold it against

[him,her], it is the price for [his,her] eclecticism. However, too much flightiness could lead others to think that N is a butterfly flying from flower to flower and taking only what is of interest.

N knows exactly how to put [him,her]self forward, to sell and to sell [him,her]self. [He,She] knows how to argue, to convince without ever being short of replies. All situations which put [him,her] in contact with the public suit N perfectly. However, although open to discussion, N often stays on guard and never lets [him,her]self go completely. N will have to be careful of [his,her] fickleness, which can lead [him,her] to live unstable situation and sudden changes, which are not necessarily positive.

First Vowel: This letter gets to your core. Think of the **deepest goals, urges and dreams** that drive you in all you do - this is the letter that offers a glimpse into the "window" of your soul! But this is a secretive letter, because few people wear what it really is they want on their sleeve. This first vowel in your name indicates something that only your closest friends and trusted family members might know about you ... You might know someone who for whatever reason changed the first vowel in their name. Although this is rare, it indicates a person who is uncomfortable with who they really are, at their core.

First Vowel: O

[674] [671] [675] ([674] affinitynumerology.com:) Open nurturer.

Harmony, a happy home, and moral standards tend to be highly important. Respect for rules and acceptable behavior are also likely to be important.

([671] spiritwalk.org:) You have a stable set of principles and moral values. It is really hard to persuade you in something that contradicts with your beliefs. You are sensitive and sincere about your feelings. Try not to compare yourself to others, and learn to live your life fully and be self-sufficient.

([675] numerologist.com:) The O reflects the energy of the number 6. When you have the O as your first vowel your tendency is to respond to the world with contradiction. You can appear humble yet strong-willed, independent yet helpless, wise yet self-righteous. You're innately magnetic, protective of friends and family, service-oriented, and nurturing – especially in the home and family realm. You have challenges modulating your overweening sense of responsibility and can become agitated when others make demands on you and yet don't take your advice. You benefit when you allow time to step back and find creative solutions to problems rather than immediately reacting. Your highest and best use is when you're leading others in a position of authority.

Capstone: This is the last letter of your name, and, fittingly, it demonstrates your **ability to see projects and ideas through to the end**. This translates into your "finishing" number.

Capstone (last letter): E

[678] [671] [672] ([678] affinitynumerology.com:) The person with capstone energy represented by the letter "E" tends to complete projects quickly. There are so many

other fun things to do.

([671] spiritwalk.org:) You are a independent, emphatic and active person. You are searching for your soul mate, real love. You are quite sociable and like to spend time in friendly company. You are intelligent and sharp. You are able to look at one situation from many diverse angles.

([672] numerologist.com:) Capstone: You feel you must be in charge at all times or a project will not succeed. As you refuse to take advice from others, your projects often fail.

(note:) When you look at your Cornerstone and Capstone - the letters that "bookend" your name - you can determine how easy it is for you to start and stop important processes and projects. It answers questions such as: are you a shaker and a mover? Are you a little bit flaky?

Extra: **Balance Number:** (numerologist.com:) It is the arithmantic sum of the Cornerstones. It shows a basic pattern in your life that you will tend to fall back on. It also shows how you stand your ground amidst chaos, confusion, distraction or other forces that could drag you off course.

(Note by me:) Will be shown with the comparison to the first cornerstone.

Physical (Body) Plane

Physical Plane symbolizes body and physical form of a person. This Plane is governed by instinct, and relates to everything that is tangible, visible, and real. Practically no importance is attached to the imaginary and fanciful. Preference is given to what is already known, based on facts, and doesn't go beyond the bounds of reason. It is the pivot of life, as form and style of existence are maintained here. According to Numerology traditions, this Plane indicates one's natural capabilities. This alone reveals how the term "destiny" understood in Numerology: it is neither "doom", nor "fate", but a set of inherent features. It is active potential, and the process of making use of it is called life.

5 on the Physical Plane

You are constantly in a state of red alert to collisions, emergency situations, and vicissitudes of life. You are physically strong, flexible, and fast in response. Changes, new places, and new people – all these are the raw material for creative work of thought.

Well-trodden paths never attract you. Whatever you eventually come to, your way is unique.

Mental (Mind) Plane

Mental Plane represents the person's mind and reason. It is the level of intellectual interconnections, analysis, collecting and comparing facts. Even the most evident is not accepted here if it cannot be analyzed and proved. It is the Plane of will power, determination, confidence, and cold calculation that doesn't let imagination twist the facts. Fine mind, clear thinking, and management skills guarantee that you'll take a leading role and a high position.

5 on the Mental Plane

Your mindset allows you to absorb huge amount of information, as you distinguish what is important from minor details. This, however, does not mean that you are capable of looking for an omitted comma in an accounting report with enthusiasm. You'll never adapt to what is initially unacceptable to you, and any attempts to make you do this are doomed to failure. But this is what often prevents you from completing tasks you started.

Emotional (Heart) Plane

Emotional Plane is all about feelings and emotions. It is the level of kindness and sympathy. Here facts recede into the background and give way to imagination, inspiration, inner perception, and creativity devoid of any practical ground. It is not reason that governs actions and reactions to life or other people, but feelings of love and tenderness. People of the Emotional Plane don't have a particularly logical approach to making plans.

5 on the Emotional Plane

If someone can be described as "a good head on shoulders" or "neat-handed", then you by the same right can be called "eyes wide open." You are observant, curious, and always ready to absorb new experiences, and take equal interest in unfamiliar places, people, and situations. But this constant craving for the new makes it hard for you to maintain any long-term relationship. So even a temporary standstill can result in depression. You can try yourself as a natural scientist or a traveling salesman with equal success.

Intuitive (Spirit) Plane

Intuitive Plane represents the spiritual level of internal knowledge. It is guided by insight and abstract impressions that go beyond the boundaries of both fact and imagination. Intuition helps man to express heavenly wisdom on the Physical, Mental, Emotional Planes of mind and action. Intuitive Plane is the plane of reverence for the Divine, piety, compassion, tolerance, ingenuity, and that inner guidance that enlivens all other existence levels. This is also known as God's grace.

2 on the Intuitive Plane

For you, the most familiar way of thinking is floating up in the clouds. You don't build castles in the air, and your intuitive insights are often quite applicable to practice. However, your extreme sensitivity doesn't allow you to bring them down to the status of real actions.

Pythagorean Square | Psychomatrix

([681] in-contri.com:) The so-called "psychomatrix", invented by the ancient Greek scientist Pythagoras, is one of the most popular calculations in numerology. It helps to define strength of character, energy, health, intelligence and other innate qualities. «To understand the world means to know the numbers controlling it,» Pythagoras asserted.

			Self-Esteem: 3 line «1-2-3»
1	4444	–	Moneymaking: 4 line «4-5-6»
character, will	health, beauty	luck	Talent: 4 line «7-8-9»
			Tenacity: 5 line «1-4-7»
22	–	8	Domestic bliss: 3 line «2-5-8»
vital energy	logic, intuition	sense of duty	Stability: 3 line «3-6-9»
			Spirituality: 4 diagonal «1-5-9»
			Temperament: 0 diagonal «3-5-7»
–	–	999	
cognitive, creative	labor, skill	intellect, memory	

([682] tragos.net:) Pythagorean Square - is a separate area of numerology. In fact, this area of numerology goes back to the times of Egyptian priests. They were the ones who first began characterizing people's characters by using numbers. Pythagoras took this knowledge of numbers as a foundation and applied a mathematical approach to it, which is based on the harmony of the square.

Pythagoras and his followers expanded the capabilities of the original Egyptian system by supplementing the meanings of individual numbers with the meanings of the target lines of the Pythagorean square. Thus, a new approach was now able to help determine a possible goal of a person's life.

Main abilities (square's cells)

Character, will — 1

"Selfish" - you have a desire to make decisions and assume responsibility, but this desire is hidden somewhere deep in your soul and works only for your own precious self. It's not easy for you to influence and control people. And sometimes it makes you behave like a resentful person. Therefore, the best way is to fulfill someone's will or the law. You have strong skills in diplomacy and able to bypass conflicts. Also you like to argue for the sake of arguing.

Vital energy — 22

"Normal energy" - you can handle any ordinary activity and make an effort of will. With this energy level, you can engage in social work, speak to the audience, be a musician or an athlete. But please, do it without fanaticism, otherwise there is a risk of "burnout". Sometimes you can even share energy with others if you have "22" in your psychomatrix.

Cognitive, creative — empty

"Weak potential" - you don't have a propensity for the exact sciences, complex concepts and invention activities. Besides, you are not interested in anything like that.

Health, beauty — 4444

"Perfect health and beauty." Intrinsically you have health and body of a professional athlete, actor or model. You'll remain the same until an extreme old age, if you won't waste your natural data. Usually the fours go either to health or to appearance. Therefore, almost no one has super health and super beauty rolled into one. But either one thing or the other will definitely help 4444-person and is worth to rely on.

Logic, intuition — empty

"Logic is not a forte" This is a trait of dreamers who are hovering in the clouds. They are not good with long chains of facts and reasoning. They can be easily confused, so they constantly run into the same trap. People without "5" are more emotional than rational.

Labor, skill — empty

"Will never be a jack of all trades" It is better not to take up an activity that looks complicated, painstaking and requires accuracy or technology compliances. However, people with 0 in this cell usually do not really like such spheres. Manual labor is not theirs.

Luck — empty

"Not the lucky one" - this person never gets help from above. They should make a lot of attempts without expecting sudden success if they want to do the trick. But you must admit that working hard and achieve success and have an accidental success are different things.

Duty — 8

"Moderate sense of duty" - such people usually do not avoid duty to relatives and friends. But nothing more. Their initiative to give something to others and society is low. But at least, they don't forget their friends and family. Self-sacrifice is also not about them.

Intellect, memory — 999

"Mind like a steel trap" - any study or work with information is very easily. And this often causes boredom and reluctance to learn. This person can become erudite too easy. But in fact they should look for a really interesting and profound subject to study, and the more difficult it is, the greater will be their curiosity and results.

Secondary abilities (lines and diagonals)***Self-Esteem (Line «1-2-3») — 3***

"Unstable" - sometimes this person shows a completely normal self-esteem. But in some moments, they clearly overestimate themselves and set absolutely unrealistic goals. Then there are two ways: either the goal is abruptly rejected, or, after it was not achieved, the person starts to look for someone to blame.

Moneymaking (Line «4-5-6») — 4

"Bread-and-butter man" - a high desire to make enough money for themselves and their families. They do not afraid of difficult and responsible work for good remuneration. Moreover: such a job literally searches for them.

Talent (Line «7-8-9») — 4

If the person is evidently talented and works to unleash its potential (you can pay attention to other cells) then this figure indicates the potential development of this talent.

Tenacity (Line «1-4-7») — 5

"Stubborn" - this person goes to the goal at all costs, even if in the end the result will be not a circumstance to the resources spent on its getting. They look for partners who also want to get more out of life and it look down their nose at those whose goals seem insignificant.

Domestic bliss (Line «2-5-8») — 3

"Spontaneous" - this person may say that they will never enter marriage or it is not for them. But one day they'll send invitations to their wedding, and everything will seem to be ok till the day when they suddenly apply for divorce.

Stability (Line «3-6-9») — 3

"Impulsive stability" - it looks like this person has strong habits and attachments, but one day this they change absolutely everything. That is their nature.

Spirituality (Diagonal «1-5-9») — 4

"High spirituality" - the predominance of spiritual values in this person attracts their soul mates. Together they begin to influence the surrounding inveterate materialists.

Temperament (Diagonal «3-5-7») — empty

"Very cold" - this person is indifferent to physical intimacy. On the one hand, it's not bad that they look for a partner not only for sexual fulfilment. On the other hand, only partners with 0 or 1 temperament are suitable. Surrounding people may seem sexually driven. But it also happens that following the expectations of society people with 0 temperament try to make show that they care about sex too.

Cartomancy (Cards of Illumination)

This divination is based on a normal card-playing deck. Every birthDAY get's a particular card assigned, which automatically assigns other cards to different functions, which will be listed here.

The cards (or people) in the suit of Hearts, are like children (Love), in Clubs; like students (Knowledge), in Diamonds; like adults (Manifestation) and in Spades; like old persons (Understanding).

Birth Card: Two of Diamonds

([684] metasymbology.com:)

This is your most important card and will stay the same for your whole life. The Birth Card is linked to the Karma Cards.

Diamonds: Values - Security - Dharma

Two of Diamond Meaning: Financial Security

Karma for the 2 of Diamond - Fear of Lack

Fire-Wands - Planets: Mars & Saturn

The Two of Diamond need to overcome an inherent fear of not having enough money. Power is always available to them in whatever career they choose, so their obsession with poverty, and their fear of not having enough, is basically unfounded.

KARMIC CHALLENGE for the Two of Diamond: Fixation on money and prestige.

One's first impression of a 2 of Diamond person is that they are self confident, and socially very much in-the-know. It is only when a Two of Diamond feels their status is threatened that they become self-defensive and will stop at nothing to regain their self-esteem. Fixation is a problem for the Two of Diamond, and they will get stuck wielding their own power until they are forced out of their situation, wondering how they ever let it get that far in the first place!

Two of Diamond believe they know best. They make excellent parents and leaders.

They are also excellent traders and merchandisers- especially in areas of glamour, or foreign investments. Entertainers often end up drifting through life, or being content with a mediocre performance, though not true of the women.

First Karma Card: Six of Clubs

(metasymbology.com:)

This person or card reflects qualities that are **not very strong** in your birth card. When you meet this person you should give to them, by giving to them you also help yourself.

Clubs: Mind - Communication - Intelligence

Six of Club Meaning: The Messenger

Karma for 6 of Clubs - Cultivation of Intuition

Air-Swords - Planets: Saturn & Neptune

This is the "Messenger's Card", and yet there are many 6 of Club who are unwilling to take the time or trouble to develop their greatest gift - the gift of intuition.

All Six of Club feel an obligation toward duty and they take their responsibilities seriously. Trouble is, the 6 of Club also symbolize inertia and easygoing lethargy. Hence

many people born with Six of Club karma find it difficult to gain enough momentum to get up to speed and fulfill their lofty dreams. On the plus side, when a Six of Club does manage to overcome this karma, they have the unique ability to stay with a project, circumstance, or relationship until all obstacles are overcome.

Peace of mind is very important to all 6 of Club people, and they will make many sacrifices to attain that peace. All 6's are worriers and the 6 of Clubs is no exception. They worry about doing less than is expected of them; they worry about not being able to fully commercialize their talents - and most of all, they worry about the happiness and progress of their loved ones.

Their intuitive faculties are truly second to none if only they learn to live by their intuitive gifts!

Second Karma Card: Ace of Diamonds (metasymbology.com:)

This person or card shows your **best qualities**. Qualities that are expressed naturally and positively.

DIAMONDS: Assets - Worth - Creative Fire

ACE: Pursuit - Acquisition

CHALLENGE: Prestige

Fire-Wands - Planets: Jupiter & Neptune

DIAMOND: The Diamond personality is geared toward resources. The spirit of this diamond ignites the fire of acquisition. Its purpose is to acquire, amass and amalgamate. It is the fire element: activating, and consuming.

Fire is the flame of creation, forging materials from metal, illuminating the fire of the diamond within us. It is the value and worth of materialism.

ACE: The Ace has a value of one. It is singular and resonates independence. Ace is the I want, and the I need. The personality of the Ace is marked by their determination to get what they want and need.

JOURNEY OF THE SOUL: Their Soul Card is the 2 of Diamond. This emblem is symbolic of negotiation and the fear of doing just that.

In a balanced world, the Ace of Diamond understands that "to give is to get". They choose goodwill over manipulation and negotiate on that level to get what they need.

The lineup of cards are all influenced by Mars: the planet of passion, martial energy and aggression. Mars gives the Ace of Diamond the vitality and drive to stay focused and razzmatazzle their competitors.

In their heart of hearts, the Ace of Diamond are unaware of the effect they have on the many. They become so focused on personal progress, they don't see the forest for the trees.

The soul-nature of the Ace of Diamond has come to understand debt and money. It has set itself up to overcome mistrust of authority and find creative faith-based ways to deal with nagging uncertainty.

Ace of Diamond often want to change the direction of their careers or alter the course of

their projects during the Jupiter years age 39 to 52. When sufficiently creative, the doors to new ventures and opportunities fly open.

Eighteen cards are used to analyze your journey in life. Seven of them describe the conditions of your personality, named after the planets; they are the seven chapters that tell your life-story.

MERCURY describes your early years, and the experiences that shape your thought processes and communication with others. (from age 1 to age 13)

Mercury Card: Jack of Spades (metasymbology.com:)

Spades: Wisdom - Labor - Acceptance

Jack of Spades - A Neophyte in Wisdom

Karma for the Jack of Spades - Right Choice of Objectives

Earth-Pentacles - Planets: Mars & Uranus

All Jacks are Neophytes, learning and experimenting with the esoteric meaning of their suit. The Spade Suit symbolizes the balance between wisdom and hard- work; spirituality and the physical world. The royal Jack of Spade is well positioned for success, but it is this very blessing that often leads to their demise.

KARMIC CHALLENGE for the Jack of Spade: Arrogance and Manipulation

The positive Jack of Spade have equipped themselves with education and training. They work for the love of their art or their job, not just the pay check, and they strive to give their best to the task at hand.

The negatives among these people destroy the inherent protection that surrounds them through irresponsibility and cunning. Indeed - the Jack of Spade is sometimes known as the con man of the deck. Should this be the unfortunate turn of the Card, Jacks of Spade are subject to scandal, disgrace, and misinterpretation of their motives on a very big scale. (think: Mel Gibson)

All Jack of Spade should want to take advantage of the wonderful opportunities provided by the sequence of their cards, for theirs is one of the most fortunate of all. And like all Jacks, they are charismatic, talented and youthful.

After age 91 the cycles repeats.

Cosmic Lesson Card: Queen of Diamonds (metasymbology.com:)

Diamonds: Values - Security - Dharma

Queen of Diamond Meaning: Domination in the Realm of Values

Karma ~ Financial Security At All Cost

Fire-Wands - Planets: Mercury & Saturn

Some of our greatest philanthropists are the Queen of Diamonds. In the world of art, some of our greatest poets, painters and musicians have contributed their wealth. It is

these Queen of Diamond people that have learned the true meaning of value. They are people fitted for authority and should have it!

The path for the Queen of Diamond is a hard one - so beset with difficulties and obstacles - they are continually sapped of strength as they struggle to overcome one thing after the other.

Those born under this card are diligent and dependable. They are strong of character, and determined, but they must guard against hardness and domination. They have much to contend with, and much should be forgiven them.

The men strive to provide their partners with security, but can be overly sensitive and prone to temper tantrums (think Tom Cruise). The women enjoy sharing in their partner's business affairs.

Cosmic Reward Card: Ace of Diamonds (metasymbology.com:)

DIAMONDS: Assets - Worth - Creative Fire

Cosmic Moon Card: Five of Hearts

(metasymbology.com:)

Someone at a higher energetic vibration, there to assist you in your cosmic (spiritual) path.

Hearts: Emotions - Relationships - Love

Five of Hearts - Changing Affections

Karma for the 5 of Heart - Dissatisfaction With Personal Life

Water-Cups - Planets: Venus & Saturn

Five of Heart want complete and total satisfaction in everything. No half measures!

Trouble is, things never seem to happen that way - so all the good stuff must be elsewhere. Not!

KARMIC CHALLENGE for the Five of Heart: Restlessness and Uncertainty

The people born with this Card tend to seek, then change, then experiment, then scatter their forces to the wind. When their position in the charts brings obstacles and difficulties, they often blame it on their environment or associations, and they fondly imagine they can escape it all by moving on. Socially, the 5 of Heart are oh so vibrant, fun, and full of spit and vinegar! On the inside however, their quandaries tax their health and leave them gasping for air.

There are of course, those 5 of Hearts who have learned to accept their circumstances and make the very best of them. There are also the "lucky" 5 of Hearts; ones who profit by gifts and inheritance!

Note: If you would want to go deeper into this specific divination: there are different spreads for each year (of age), smaller cycles, at: 'knowyourdestinycards.com'. These are the cards from the lifespread, the largest cycle. But I skipped the cards for every 13 year cycle, there are seven of those.

Mesoamerican Divination | Tzolkin System

The Day Sign, Galactic Tone, Trecena Sign and Night Lord.

The Trecena is more innate - like the Moon Sign in astrology - reveals deeper aspects of your personality: your emotions, your connections to others and society, and how you respond to things.

Day Sign would be like the Sun: something you work on, something that involves discomfort and effort. You can also have the same sign for the Day sign and the Trecena sign.

There are 20 signs and 13 galactic tones, which makes up for a 260-day cycle for the Trecena's. If you add in the Night Lords, you get the largest repeating cycle. (9 times 260)

Imix

East (Red) glyph: Empowerment / Guidance

Day Sign: Crocodile

/ Imix (Yucatan) / Imox (Kiche)

Imix types are often constantly at work, usually trying to maintain the integrity of their world. They are energetic, rigid, creative, and initiating.

They have intense emotional power and a need to be deeply involved in whatever they do, a need that must be used creatively or it may become a source of problems in relationships. Imix types have strong nurturing instincts, are quite sensitive, and require privacy.

They are not always comfortable sharing feelings. They are protective and dominating in a parental way and often struggle psychologically with the voice of an internalised critical parent.

Persons born under Imix can be assertive and even aggressive in some ways. Many feel rejected by their families or parents, and in compensation, seek group friendships that make up for this loss. Some become founders of businesses, organisations or associations. They relate to the world around them through their feelings and not their intellect. This causes them to be quite reactive to any changes taking place around them, and they often rush in to keep the "dam from breaking", so to speak. This reactive nature is probably behind their tendency to initiate activities.

They are often found breaking new ground or starting projects from scratch. When motivated, the Imix type will work incessantly until emotional security has been restored and stabilised. When they do achieve emotional security, however, they may become extremely lazy and even lethargic.

Challenge:

To accept themselves completely and to become free from feelings of rejection by parents or other authority figures; to join with others on terms that are shared by the others; to refrain from being judgmental.

Solution:

Founding a business or creating a home. Learning to be independent.

Four Directions

At the beginning of any phase of consciousness, the ego or sense of individuality is still weak. Not yet fully separated from the deep waters of the collective mind, this emerging ego or self-consciousness is easily influenced by the prevailing spirit of the times.

Because the Imix represents that primordial energy that sleeps at the base of all things, those who were born under Imix power may find that their feelings for dreams, magic, and mystery is a great deal stronger than their sense of self or individuality.

The Maya say that Imix are "easily dominated by the Year Lord" - which means that they are easily influenced by the spirit of the times, in the form of every type of stimulus or media imagery around them.

Sometimes this domination by the time spirit may be beneficial, for Imix may become positive carriers for all that is best in the time spirit.

This is why The Book of Chilam Balam of Kaua calls them "the maize of the bread", the substance of the matter.

Imix can easily reflect everything that is valuable in the spirit of the society in which they live. This is especially true when they draw on their strong, positive family or ancestral/cultural roots, represented by Ben, their past sign.

The same positive spirit will manifest itself when they call upon Men, their right hand power, in order to act with strength and purpose in the outside world and increase their own sense of prosperity and authority.

They can also draw upon Manik, an equally intense but somewhat more mystical and mysterious (let's say intuitive) source of energy that constitutes their Left Hand Power. While the primal Imix can reflect what is best in society, it can also reflect what is worst. Fascinated by the magic play of images arising from the collective mind (movies, TV, and advertising in our own culture), they may easily be drawn into a psychic dreamworld.

They are all too likely to get lost and drown in the depths - their future sign is Muluc, a notoriously difficult sign that points to immersion.

In many cases, only a sense of dedication towards the spiritual side of life will keep the Imix from slipping back into the primordial depths; if they make proper use of the strong positive forces which lie to their right and left and that are represented by Men and Manik.

Imix can learn to reflect the beauty and splendour that shine in that otherworldly lake where the primal crocodile (Imix) swims. In doing so, they can reach the most positive destiny implied by the day-sign Muluc that of the poet and mystic who reflects the pure and untroubled surface of the watery Muluc's cosmic depths.

Galactic Tone: 3

(mymayansign.com:)

Action

- * Playfulness
- * Active
- * Joyful
- * Weightlessness
- * Happiness

Tone 3 represents movement and communication. You are very successful in expressing yourself. Your presence brings about more communication, more expression, more action and stirring up of things. Feeling the core of vibrations make you a rhythmic being in our universe. Due to your personality, you are a very cheerful, active, light-filled and vivacious person. Dance is a great way to express yourself.

Trecena Sign: Storm

/ Rain / Cauac (Yucatan) / Kawoq (Kiche)

Beneath the 1-Cauac surface personality lies a self that can become too dependent on others.

Such people have a strong need to feel that they are part of a family.

They also have an independent streak that causes them to need time alone, apart from the world. In this respect, they experience many internal contradictions.

Night Lord: 2

These types are dedicated to their work regardless of whether they are employees, run their own business, do volunteer work, or merely do work around their own homes.

G2's sense of responsibility is quite high. Others may perceive them as obsessive and compulsive and inclined to do more than needs to be done.

G2 people are hard workers, stubborn and often quite thorough about attending to details.

Personal sacrifice comes naturally to them and one of their most basic reactions in any situation is to stand aside for others who assert themselves.

G2's are ambivalent about being the boss, and they manoeuvre themselves into jobs or situations where they can take orders from above. Most people see them as polite, accommodating, considerate and respectful. An important life lesson for G2 types lies in making their personal sacrifices meaningful.

Another lesson comes from learning to focus their tremendous capacity for giving. Their dark side lies in excessive self denial.

I'm personally theorizing that these night lords are simply the same energies as the 9 main objects (separate from the Sun) conjunct the Sun.

This one would be Venus conjunct the Sun.

Celtic (Druid) Tree Sign

The year is split into different periods. Usually, one tree is at two separate periods about 6 months apart. Except for when the equinoxes happen (every 21st of every 4 months), then there is a special tree for that. To find the right archetype for this divination, you have to know if you were born late or early.

(Note:) Celtic Druids did not determine Sign based on the actual date of birth but rather by the **date of conception**. For example, if you were born three weeks before the scheduled date, you need to add these three weeks to the actual date of birth, in order to figure out the appropriate Sign.

I also read somewhere that the tree (or variant) has to be naturally available in your area.

Willow Tree

Strong keywords: Sensitivity, Perception, Imagination

Weak keywords: Moodiness, Whims

Tree variants: Mandrake, Lily of the valley, Water lily

Birthday:

3 March – 12 March

4 September – 13 September

Characteristics and Personality

Willow people have a complex nature. On the one hand, they are very sensitive, responsive and perceptive. On the other hand, they are always restless, unsatisfied and moody. Willow people have a lot of imagination, sometimes they like to daydream and they are able to understand exactly how other people feel. They are very good psychologists and they can use this ability for their advantage. It is not a good idea to get into conflict with them because they fight persistently and they will use every weakness of their opponents. Only the threat of physical force will stop them because that is what they are afraid of.

People born under the rule of Willow can enjoy life to the fullest; they know exactly what they need in their life and where to find it. They are able to manipulate others to help them pursue their goals, while they often do not even realise they have been manipulated. From time to time these people become restless without reason and this restlessness forces them to change jobs, frequently move from one place to another and to make various other changes in their lives. Melancholic and introvert Willow people often do not feel appreciated and understood. Living with Willow people is not easy because they have many whims and high demands on other people.

In their love life they experience lot of bitterness, which surprisingly disappears when they get married. Despite their instability, they are very honest and principled under any circumstances. They literally shock others with courageous and honest acts that do not benefit them. Their adaptability and tolerance allows them to eat at one table with beggars or kings without having to pretend anything.

Willow people usually live a long life and they become respected elders. When they get old, they settle down and because of their rich life full of changes they become a rich

source of inspiration for other people.

Willow is associated with silver colour and Willow people like to wear silver jewellery.
The protective animal of Willow people can be a dog, a hare, a deer, a boar or a horse.

What follows on the next page is the correct Natal Chart using the Usha/Shashi-Ayanāṁśa, and the 'whole house'-system. For simplicities sake, we could call that chart the "Transit(ory)-chart". Then to get the Chart that WILL SHINE through this document, we apply the 322th Harmonic to that (the right ascension values (Zodiac) are telling of the 322th Harmonic Version chart). Thus, both are needed to understand the self: One is fixed but constantly interacting with other fixed charts and the other constantly interacts with the Transiting planets. If you find yourself on that quest to understand yourself, it would be suggested to include declination as well as all the other divination techniques, such as numerology, and cartomancy, etc., up to the most seemingly insignificant part of the whole, like midpoints, or antiscia-aspects, in the whole picture. Understanding yourself better in respect to everything else has become very possible - and people might soon say even too easy - when the energetically encoded laws taken affect on our reality are understood.

Aries Sun ☉ ♈ and ♍ ♏ Virgo Moon man

([720] i.thehoroscope.co)

Determined, the Aries Sun Virgo Moon personality is not bothered by high risks and responsibilities and wishes to have an impact on other people's lives.

The Sun in Aries and the Moon in Virgo can be a strange combination, because the Virgo influence is obsessed with order and carefulness whilst the Aries influence is creative and predisposes to lack of control.

Natives with this astral combination are known for living in the moment and for preferring to relax on their own.

An Inspirational Personality - In a nutshell:

Positives: Witty, original and resilient;

Negatives: Challenging, judgmental and impatient;

Perfect partner: Someone who will offer them stability and trust;

Advice: They need to understand that their contradicting nature prevents them from being liked.

Personality traits

With the Aries Sun Virgo Moon people, you can expect head and instincts working in conjunction. These people will always calculate the risks and assess correctly. They are wise and never lose their way when they have a good plan.

But they need to realize life doesn't always come with guarantees. However, their efforts will always be rewarded.

They have a contradicting personality because of the signs in which their Sun and their Moon are positioned. It is likely that the natives with these signs in their birth chart will be inflexible, very determined and not at all emotional.

Active, aggressive and often argumentative, the Aries Sun Virgo Moon individuals will analyze any problem from more than one point of view. It can't be said they enjoy going out or that they are the geniuses of the zodiac. While reserved and quiet, they are still capable of making friends and forming relationships.

But they will always be rigid and difficult, not to mention precise and a little bit pretentious. It's very hard to make them happy because they want perfection more than anything else.

While they seem confident and sure of themselves from the outside, they are not at all like this on the inside.

As bosses, they are always prepared but not appreciated because they are tough. Intuitive and perceptive, it's easy for them to guess their loved ones' feelings and

thoughts. They will fight to make others happy because they are attentive and considerate.

One thing they need to pay attention to is their way of being difficult with others' vulnerabilities. The fact that they're judgmental can be dangerous, because they will act like they know everything and they're the most moral people on Earth.

Keep in mind that judging needs to be made by own standards is important for these people. But they usually identify their own problems and get to the truth easily.

These people won't cease to be active and wait for the circumstances to be perfect in order to take action.

When they decide to do something, they won't be bothered by high risks and responsibilities. Virgos have some emotional needs, but Arieses are impulsive and bold enough to always have a great impact wherever they may be going. This is why their own comfort will often be left behind.

Achievers, Aries Sun Virgo Moon people will always put their plans in motion. They may not be the most original and creative people, but they surely know how to use their knowledge in the most effective way.

They won't overlook any details of a problem. Because they are so precise, others will find it difficult to work for them.

They also have a tendency to express their unhappiness very openly. Many will see them as harsh, and they are often unfair with themselves, too. But it's difficult to notice this about them because they are always hiding their true feelings.

Emotional sensitivity and powerlessness won't be detected in these people; the more they pretend to be OK, the stronger they will seem in other people's eyes. For them, emotions are a sign of vulnerability. That's why they may seem disinterested, but not passive.

Judgmental and analytical, it would be better if they went for the scientific method rather than the creative one. Their mental strength gives them authority and the capability to look good as executives.

But if they want success, they need to pay attention to details and the scientific method. Only facts will help them reap the benefits of their work. Scientists, lawyers or doctors: you can find them doing any of these jobs.

They are also good businesspeople, but they need to be properly educated and trained if they want to be successful doing any of this. If they can't go to school, they should study

on their own because they have the necessary curiosity.

These people will never want to stop learning. They will always want more knowledge, fact and details. Working with all of these things will help them see more viewpoints and possibilities.

Love characteristics

Aries Sun Virgo Moon natives can be selfish in love; and this is a fact, not a judgment. Arieses need to establish their identity before doing anything else. They identify their partner's needs only through these people's reactions to what they may be doing or saying.

Their ideal lover is someone challenging and independent. Spending too much time together with their other half can make Aries Sun natives feel claustrophobic. They will soon lose their temper and leave the relationship.

Moon Virgos are only interested in perfection. And this is not at all good for the situation in which their romance is chaotic and messy.

People can't be controlled and perfect, so the Moon Virgos will probably be constantly disappointed. At least they'll support their partner to self-improve.

Ruled by Mercury, these people need communication very much, but they only open when they are feeling comfortable around someone. The negative side of this can be the fact that they are nagging and can get easily hurt.

Aries Sun and Virgo Moon man

The Aries Sun Virgo Moon man is cool, criticizing and analytical; he can also be suspicious. In love with routine, this guy will want to control everything; if he could have his family punch cards when they are coming home, he would be the happiest.

This man acts like he is doing these jobs all the time anyway. He lives his life under a strict code.

Like a real boss, he will always ask the "Why?" question. He won't let employees take care of his responsibilities because he'll be the one with authority and the executive position.

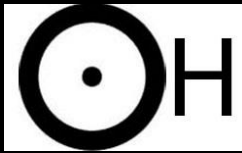

A hypochondriac, he will carry medicine with him everywhere. Not only he won't trust too many doctors, he will also self-diagnose.

As a husband, he will always question what his wife is doing. His lady will have to explain everything. This is how he feels he's in control in a relationship: by understanding why his partner has done things the way she did.

At a party, you can easily recognize him because he sits alone, twisting his hands. He simply doesn't like crowded places.

The bold Aries in his chart will sometimes take charge and make him wild, but it won't last too long. What's good about him is that he will never leave a mess behind or forget about important events.

Sun ☉ in X 10th House

([868] i.thehoroscope.co)

This placement of the Sun makes people work hard for their objectives and to want to reach a certain status because power gives them a real high.

Natives having the Sun in the tenth house want fame, to live an honorable life and they sometimes get involved in scandals. They're determined to have a position of power and authority, not getting bothered by the responsibility this thing would imply.

They're usually politicians, dignified army people or any other role that gives them power. Being good examples for others because they're motivated to make a name for themselves, it's very likely they will manage to build a very good reputation.

Only a few Sun in 10th house people remain in obscurity because these natives have a special need to be respected and appreciated in society. It's like they've been born for nobility and for inspiring others to be greater people.

Summary:

Strengths: Responsible, sensual and hardworking;

Challenges: Superficial, tyrannical and vain;

Advice: They need to learn to balance career and personal life.

Beyond ambitious

People with the Sun in the tenth house like to work hard for their goals, success and feeling of accomplishment because power is in their blood.

They hate taking orders and have a need to be the ones with authority at work. It's important for them to evolve in a career where they're the ones who manage, not those being managed.

These people should deal with the fact that they're ambitious, but not create a fake image of themselves and try to act as if they have a higher position than they actually do.

Sun in 10th house natives are determined to succeed and most of them will, but not until their thirties or even a little bit later.

They may have problems at home because they're always putting career first and are too ambitious about their professional life rather than the family one.

These individuals have all that it takes to be great leaders, even if others see them as arrogant and tyrannical.

The 10th house rules over recognition from the public, the incapacity to take orders and the need to be in control of things.

While the Sun can be unusual when it comes to career, natives having it in their 10th house are thirsty for the attention of their public and have the ability to succeed at any career they may choose.

It doesn't matter their profession, their Sun in the 10th house will be at peace if they're the ones who pull the ropes and everyone admires them for being such hard workers.

Relating to the public image, the house just mentioned makes people with their Sun in it very aware of how others perceive them.

These people are very ambitious to obtain all the respect in the world, whether they're CEOs or just starting at a job.

As said before, many of them are politicians, so power is another thing they'll certainly struggle to get their hands on.

However, they should be careful not to become obsessed with it because a life that is only centered on self-image and power is superficial and not in any way satisfying.

The positives

Sun in 10th house individuals are driven to have as many achievements as possible, from a very young age.

They're hard workers and strong characters who can overcome any obstacle, no matter how difficult.

These people are recognized by the public as responsible and determined to succeed

individuals. It's important they learn how to relax and create a balance between their professional and personal lives.

Having a good time while also being successful is possible if they become more willing to also play from time to time.

More focused on what's happening outside their environment and on asserting what their main qualities are, they will use everything they know to obtain a high social position and to get acknowledged at work.

The Sun in the 10th house motivates them to have a strong influence and to get recognized while they're also satisfying their thirst for power and make their dreams come true.

This means they will fight for a good career and a good place in the society, usually managing to obtain a status where they have many responsibilities and get to be recognized by others.

The placement of the Sun in the 10th house influences them to want to put their talents to use and to be better than the crowd, also to lead rather than to follow.

Everything meant to help them advance in their career will fascinate them. They may have an identity that is highly influenced by their job and other things that brought them success or helped them attain their goals.

Usually involved in public matters such as the ones relating to politics and speaking for the masses, these will be of the utmost importance for them.

If they won't have the opportunity to be participants in the public life, they will identify themselves as someone who does, while secretly dreaming to have important people's roles.

They really don't like being private and alone because this limits their opportunities to become successful and achieve many things in life.

It's like something is pressuring them to succeed and to become someone whom they're proud of, often seeming that success and achievements are life-and-death matters to them.

That's why they'll always have high goals and work hard to achieve them. It's more likely for them to go to a job that allows anyone to advance rather than a place where there isn't too much room for climbing the ladder, like in bartending.

They really want to be appreciated and admired for their efforts because this is what

builds up their self-esteem. Their goals will be precise and their approach to achieve them methodical.

These natives are the incarnation of professional success, all the negative aspects in their chart being sometimes too difficult to counteract. But usually, they're composed, proud of themselves, authoritative and charismatic people whom others respect and even admire, no matter how reserved and shy they may seem.

It may seem for many that these individuals don't even make an effort to advance in their career because they're all the time in the right place, at the perfect moment.

Dignifying and honorable, natives having their Sun in the 10th house are usually respected and even an example for others.

Usually in leadership positions, as if their Sun would be in the 1st House, they hate being commanded and second place.

It's like all the ambition in the world has gathered in them, so their goals will be reached more or less easily, depending on how difficult these may be.

It's important for them to have ambitions, yet they should pay attention because a rapid professional evolution can also bring them many enemies.

Not that they shouldn't chase their dreams anymore, they should just be more aware that some of their colleagues may try to impede them from succeeding.

The negatives

The Sun in 10th house individuals tend to identify themselves with what they've accomplished in life. If they won't realize they're more than the sum of their successes, they will all the time believe only career is important.

Their profession may also be a big part of their identity, making them feel very proud if it's a noble one and they have managed to get recognized for being good at it.

If they haven't achieved that much at work, they will think less of themselves, but still have their work done in a perfect way.

If the Sun in the 10th house is afflicted, the natives with this placement may be tyrannical and abuse their power in order to deal with their insecurities.

It's also possible they'll work around the rules and step on others to get where they want, causing Saturn to become angry and to remind them through its negative influence that they should be more honorable.

The fact that they want success may have something to do with their kept-away insecurity, but the Sun's energy would have them overcoming this issue and become more stable, able to find their center and also turning their assertive or exploiting ways into a need to cooperate and make things better for everyone.

If insecure, they may feel only professional success can save them. As they appreciate themselves based only on what's not all the time in their control, they may feel not worthy when their boss doesn't give them the position that they're working so hard for.

In this situation, they may push themselves to the extreme, until feeling there's only emptiness in their life. Just success makes them feel authentic and happy, this being sometimes problematic when working with others.

Another way through which their insecurity expresses itself is when they become so intimidated by their need to be the best that they no longer know what standards should try to work by and thus, fail all the time.

This means they'd start having a low self-esteem and no matter how much they may try, anxiety and stress would be the only ones ruling over them.

Authority is what makes them weak as well because they want to have it too badly. They should be mature enough and leave their pride aside as this is the only way for them to develop in an efficient manner and from inside out.

In case they'll manage to attain a certain level of maturity, they will certainly turn into models of power and responsibility for others.

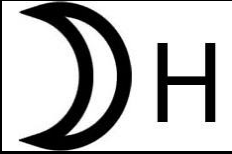

The Sun in their tenth house makes them oppose authority while commanding it themselves. This would be a downside because they may bother some important and influential people in their life and not obtain what they want the most, which is success.

It can be challenging for them to be parents because they're too authoritative, but at least they'll be appreciated at work for this.

Sun ☉ - Exalted in Aries

([871] southfloridaastrologer.com:) A comfortable and easy expression of the ego is found when the Sun is in Aries. Aries' forthright and daring natures fosters the Sun's need to shine and proudly express the ego.

Moon ☾ in III 3rd House

([874] i.thehoroscope.co)

Although rational, people with the Moon in the 3rd House will also take their emotions into account and prefer to forge real connections with their close ones.

The Moon is all about sensitivity and emotions, and the third House rules over communication. This way, individuals having the Moon in the 3rd House have absolutely no problem sharing what's in their heart and mind.

As a matter of fact, they may have too much openness and their emotions can sometimes be too strong. Learning how to communicate less may be their life lesson, because some people don't want to hear everything from their interlocutors.

Natives with the Moon in the third House tend to be more sentimental than their peers. These people are very attached to the places where they have been raised, so taking them where they used to live would be a good idea.

Summary:

Strengths: Curiosity, responsivity and affection;

Challenges: Nervousness and restlessness;

Advice: Try slowing down and focus more on what is said.

Keen on what the world has to offer

Moon in 3rd House people love to listen, to talk and to learn new things. They are great with new languages and at impersonating others.

There are two ways with them: they either become great intellectuals who filter everything through their mind or become too emotional. Many of them are both these things at the same time, managing to achieve a balance with age.

They can change the way they think very often because they're always taking others' opinions and make them their own. It's not that they want to copy anyone, but more that they're open to anything.

It's normal for them to be agitated and nervous, especially when spending too much time in one place. Their decisions are often based on what they're feeling and emotions, determined by what makes them feel comfortable and not by logic.

Believing rationality is the main thing that characterizes their way of thinking, they're in fact only relying on intuition and feelings. It's not a problem for them to talk about emotions and things that are personal, so people can trust them with their secrets. Not to

mention they will also confess theirs and provide the best insight anyone ever could.

When it comes to the third House, this is where planets and signs deal with the consciousness of an individual. Since the Moon is all about what's hidden and mysterious, people with Moon in 3rd House will be dreamy and aware of their own imagination.

This celestial body brings the conscious and the unconscious together, making its natives more melancholic and stuck in the past, but also deep in their way of thinking and very resourceful when it comes to ingenious ideas. For them, the world is a place that has plenty of useful information to offer.

When in the 3rd House, the Moon puts an emphasis more on the mental aspect than on the emotional one. Therefore, even if these natives are very sensitive, they still can understand a lot of the logical and intellectual data in their environment.

Their intuition is present in their learning and observational processes, but relies more on relational aspects than on other things.

Their instincts help them know what to expect from their social surroundings, and they don't mind conforming to what's around them without even thinking too much about it.

The problem here is that they may absorb too much information, and not in the empathetic way of the Moon in the 3rd House natives. Their mind seems to be continuously racing and to absorb information that isn't necessarily too useful for them or anyone else.

This is why they sometimes worry too much, being nervous about what is going to happen and what consequences their actions will have.

People having Moon in 3rd House can't simply tell their minds to just rest, so the danger of thinking too much and pointlessly is very present in their life. The good thing about all of this is that they can react very fast and solve problems more easily than others.

Their mind is always clear and can respond almost instantly to any type of stimulation. That's why it's easy for them to understand what others may be going through, especially when it comes to matters of the mind.

But they need to be constantly challenged and encouraged to talk because this is what makes them feel good. Loving to interact and to verbalize matters of the heart, they often prefer to rely on their gut rather than on facts and logical arguments.

As this house is also a ruler of movement, it's possible they will work as travel agents or guides. Because they love to accumulate information and then share it, they will make

great counselors.

Expressing their most inner thoughts comes naturally to them, so expect to hear many things about their feelings or to find out they're keeping a diary after coming back from work.

These people can make great connections between the mental and emotional realm, but they do it privately, recording all of their feelings, just as a live commentator would.

Knowledge is what feeds their soul and mind

Moon in 3rd House individuals are communicative, open and allow their emotions to rule over their thoughts. They make friends immediately and get along with anyone, because keeping in touch with others comes naturally for them.

Their need for communication is what characterizes them the most. The Moon is also related to family ties, memories and feeling things deeply. Those who have it in the 3rd House can accumulate knowledge on any type of subject without too much effort.

Many of the things they're studying can be related to the past, like history and anthropology. They need to be intellectually stimulated because knowledge is what feeds their soul and mind.

Curious and always interested in knowing more, natives with this aspect are the eternal students who seem to wish for a higher education, all the time.

They feel like they're having a strong connection with all the Universe's secrets ever since their childhood. The environment around them is always well understood and interpreted in the correct way, but they're pretty changeable when it comes to their opinions and the way they're seeing things.

Eloquent and intelligent, it can be said these natives have the greatest mind gifts of all the people with Moon in different other Houses. Besides this, their interests are many and well established, so you can ask them about anything; the answer they'll give will be correct.

There can be times when they're confused about their thoughts and feelings, so don't be surprised if there's subjectivity in their opinions or their judgment is sometimes clouded.

The Moon determines what a person feels in the most profound sense. It's about how people are the most comfortable, so it's pretty much related with what's private and doesn't get shown to others.

The talents it rules over are the most natural ones, together with the habits they feel the most relaxed with.

Communicative, these natives won't mind telling what they're feeling, no matter if they're happy or depressed.

Because the Moon is connected with the strongest emotions, this means those with it in 3rd House are always worried about what may be going on in their hearts.

Natives having Moon in 3rd House of communication are great students who love to write and exchange ideas by discussing for long hours. The same celestial body makes them changeable according to its phases, so expect them to have moods and to not keep their train of thoughts on the same route.

This means they're restless and continuously thinking about what to do or the subject they should learn about next.

Also ruling over movement, the 3rd House influences how people change their mind. It also influences how much they like to travel and how good they're feeling in the place where they have been raised. The Moon in third House people are always on the go and jumping from one idea to another.

Sometimes, the position of the Moon in this House can influence individuals to feel more secure and, in their element, when knowing more about their environment, so it's a matter of Sun sign and aspects that determines the lunar influence here.

- Lord: Chandra (Moon)
- Symbol: Hand or fist. This represents power, dexterity, communication, and blessings. The open hand is traditionally used as a symbol of blessing in Vedic culture.
- Power: To attain what is sought. Hasta has the ability to bring goals to life quickly and place tangible results in hand.

Strengths [1]

The influence of the Moon, as well as that of Virgo's ruling planet, Mercury, places a strong emphasis on the mind. Hastas are intellectually creative and able to come up with original ideas and new ways of doing things. Skilled in speech and writing, your eloquence allows you to share your ideas effectively with others. Your creativity may also express itself through your hands — you have natural talent in arts and craftsmanship and will likely have a variety of skills.

The presence of Hasta natives is calming. You are down to earth and not easily ruffled. You are patient and sensible, and rarely waste your time on ill-conceived pursuits. You have incredible foresight, able to predict the outcome of various courses of action with accuracy. As a result, the things you dedicate your energy to usually succeed.

Hastas wield a good deal of power — the strength of your personal character and your shrewdness make you a force to be reckoned with. When you work toward something, you do it with industriousness and determination and usually have a solid plan in place. You are disciplined and don't get easily agitated or thrown off course.

Hastas are generally well-liked. You have an aptitude for healing — which may manifest in subtle ways — and for helping others. Charming, polite, and always eager to do the right thing, you draw people to you with your personality as well as your attractive

appearance.

Weaknesses [1]

The shadow side of Hasta is a competitive nature that values success at any cost. This results in an inclination to outwit and circumvent obstructions in ways that might not be ethical — you can be merciless in your determination to reach your goals. You may be excessively critical when under stress and lose your natural patience.

Hastas often do have to deal with stress in their lives — you might feel overburdened or repressed, and may struggle with your self-esteem. In your early life, you could experience hardship and might feel that there are endless barriers to achieving success. Your success will probably come later in life. Finding a path that offers spiritual fulfillment, rather than just material success, will create a positive shift for Hastas.

The external and internal struggles you face can make you give in to your lower impulses. If you start to indulge your every sensual desire, you could fall into a lifestyle that is morally and physically unhealthy.

You may struggle with your health throughout life. Hasta natives are sensitive and easily affected by subtle hazards. Be mindful of the environment around you. Spending time in nature regularly can be a great healing agent.

- You will probably have wealth. Although it might not happen immediately, it's likely that you will achieve success and prosperity.
- You are martial. You have qualities that are reminiscent of a warrior. You have a militant discipline and determination and a combative personality.

Career [1]

Hastas' intelligence, range of abilities, and communication skills make them suited for many careers. Roles where they feel they are truly accomplishing something will be the most fulfilling. They should avoid positions that are too routine and might bore them.

Some ideal professions include:

- Artist or craftsman
- Teacher, researcher, professor, or writer

These individuals are confronted with few health issues. They may be prone to persistent coughs, colds and asthma. At times of great challenge, they require adequate support to maintain their mental health.

He's not willing to admit that other people might be right, and that he might be wrong. This goes against his pride as the king around these parts. He does nothing wrong and he's always correct.

His enthusiastic and dynamic personality wants to feel in control, in a position of authority where he has access to everyone's dirty little secrets.

The harbinger of a new era is here, the Mercury in Leo man will bask in the glory of his own realizations.

Mercury ☿ in II 2nd House

([909] i.thehoroscope.co)

This placement of Mercury makes people choose their words carefully and think things through before saying something.

Those born with their Mercury in the second house of their birth chart have an innate economic sense so they are likely meant to be bankers, financial advisors, or work in sales.

They know what is most profitable, how to get to that sweet spot, what to ask for in a deal, and they know the value of money. They know it represents the great machinery that drives the world and know how to oil the gears essentially.

Summary:

Strengths: Pragmatic, resourceful and kind;

Challenges: Indecisive, moody and shy;

Advice: They need to refrain from giving up so early into something.

They choose their words carefully

The Mercury in the 2nd natives are not unlike those of the first house in that they prioritize their studious abilities to the maximum degree, to the apex of their possibility.

As much knowledge and information their brains holds, that's how much they'll accumulate. There's really no limit to this curiosity and insatiable thirst for knowledge.

Even more, this time, they will use it toward material end-goals as well. As we've said before, these people are innately aware of how money transactions work, how they can put themselves out there to take a hold of the pie. Communication, as ruled by Mercury, plays, yet again, an essential role in this endeavor.

They know how to approach most situations and what to invest their money in so that the rewards are double the initial sum. They observe the market stocks and make a decision based on the changes and the probable income of an investment.

This time, these natives are not great talkers, or they aren't that impulsive and spontaneous. They choose their words carefully and think things through before saying something.

This is what makes them able to make money out of thin air, as if it grows in trees. They are practical, pragmatic, clever, and they use that famed intelligence to build themselves an empire.

Reason and logic are their weapons against any challenge and problem. Also, they remain focused on one single thing until they have dealt with it.

The positives

With Mercury in the second house, people are incredibly adept at seeing the details, reading between the lines and paying attention to the essence of a certain element.

What appears complex and incomprehensible to most people, they do it like a walk in the park, simplicity itself.

This is why they give off the impression elusiveness, mystery, a total enigma, and it's the other way around as well.

These people also don't understand how others can't do the same, how they can't systematically arrange the data out and proceed to solve the problem.

Entrepreneurs, this is the future of these natives because they put every single strand of mental energy toward the economic and financial comings and goings of a business.

Even more, they can be people of great imagination and inventiveness, changing the face of the world with their innovative and grand ideas. Ideally, this is going to make them filthy rich as well.

They can be teachers, accountants, teachers, public speakers or business entrepreneurs, all in the span of a few years if they put their mind to work.

Even though there are multiple differences in Mercury in the 2nd house, depending on

other placements, in general, these natives are concerned with their material safety.

They want to have a personal sense of self-worth, a value in the world, to a stable and safe lifestyle. Materialism comes too easily for them.

It's entirely within their power to get to a certain understanding of their own identity in relation to the world, their sense of belonging and self-worth when interacting with other people.

This will also be of great help on the path toward independence and intellectual evolution.

They need to realize that material and physical objects, those obtained through hard-work, monetary gains, aren't the ones in control.

They are only extraneous objects, tools, not goals by themselves, they are the means to an end.

Obviously, they prefer thinking, doing intellectual work, rather than physically working.

Using their brains is indeed more taxing, most of the times, as it exerts a lot of mental energy in shorter times, but it's much more productive and lucrative than working in constructions, for example.

Building an empire seems like the most logical choice. Of course, this doesn't mean that they will simply roll over and die because of the lack of physical activity.

Exercising is one of their prized interests. Discipline and intelligent design will help create a healthy schedule.

Moreover, they use the money to further deepen their abilities and accumulate more knowledge, at least that's the main goal. This makes it entirely possible for them to become incredibly smart and cultivated.

The negatives

They hate it when people rush them to do something because they know they can't fully concentrate and focus.

It's going to be done in a hurry, full of imperfection, and moreover, they are their own persons, not someone's lackey.

However, when they have to make a decision at the moment, they don't step back or abandon the boat.

Instead, they dedicate themselves totally to analyzing the logically reasoning the ups and downs of the given options.

Controlling everything is impossible, so they make do with what they have on hand.

Usually, we as humans find it excruciatingly hard to choose between things that we care about, objects of our interest that captivate and enthrall us.

It's very difficult to consciously make that choice because, by choosing one thing, we automatically give up on something else.

And this is not something that they can live with easily. However, in life, they will have to make a lot of such choices, so they need to steel themselves, to prepare in advance.

They have to discover what really matters to them in order to ease this process.

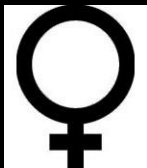

They tend to be too stubborn, to build a rigid and unchangeable mindset for them in order to face against the toughest challenges, and this is obviously bad in the long-term.

They give up on flexibility and adaptation for stability and comfort. Sure, it's a sort of immediate gratification that plays out just fine in the present, but what about the future?

What if there's something that completely turns their life upside down, all the painfully constructed foundation?

They have to start from the beginning, and it would be good if their mindset were a little more flexible.

Life lesson: Should value their friendships more.

His love personality

The man born with Venus in Taurus is very resolute, unwavering in his convictions and beliefs, as well as immutable when he is fixed on an idea.

If you are even thinking of convincing him of the contrary when debating a controversial subject, you can say goodbye to any chance of victory. He's going to maintain his opinion no matter how forceful you become.

In romantic relationships, he values devotion and loyalty above all else, and he sets the pace in the first place.

Flirty, pretty simple in tastes, and very affectionate, he wants a long-standing and deep relationship, one that will evolve into a full-fledged marriage preferably. He might be a materialist, just because he likes to be spoiled and to fulfill his desires.

With Venus passing through the Taurus astrological space, the men born under this sign are even more sensual and traditional.

They will prefer their partners to be calm, patient, with principles stemming from traditional places, and not impulsive or over-the-top women.

They are very simple individuals who like doing what they enjoy, and their sensuality reaches the heavens when you know how to approach them.

They are observant and meticulous with their seductive techniques, preferring to go for physical contact as soon as their love interest is available.

One thing can be said about this native, that he's totally worth it, but it's going to take a very patient partner to truly discover this aspect of his.

He's very calm and takes it slow because he wants to be sure that he's not going to waste his time or get hurt.

Once it's clear that the relationship is not just another adventure, and that there are deep feelings involved, he will throw away all his hesitations and become the perfect lover.

Even then, he likes to set his own pace, build the bond in time through experiences, mutual trust, and understanding. Stability is all he wants, and he's prepared to wait a lot to gain it.

Don't expect to be taken to fancy restaurants or on a cruise to the tropical islands by the Venus in Taurus man.

He likes to take things slowly, and he likes it simple and to the point. He likes to maximize pleasure in the short term, a form of instant gratification that comes as a result of sensual pleasures.

For this reason, he will cook for you, and he will bring you a lot of gifts, maybe even flowers, to cheer up the atmosphere.

In general, he's very easy-going and relaxed, acting with a natural grace that is hard to copy. Nothing can get him out of his comfort zone, almost, and he spends most of his time at home, in the comfort of his own space.

Attracted by ...

In terms of the ideal partner, this man likes a good-looking woman who knows how to take care of herself.

Not too skinny, but also not an overweight person, just the middle category, someone with forms.

As for the perfect personality and character, he wants a traditional woman who takes her social expectations for granted, a calm, patient, and obedient woman, not someone who makes a scene every time she breaks a nail.

Steady-minded, down-to-earth women who know how to make use of their feminine allure to fulfill his innermost desires.

Most importantly, that special someone must like comfort, routine, the feeling that no other place is better than home.

He doesn't want an adventurer, someone who craves for action and adrenaline, someone who takes him out to town every day and expects him to maintain the same energetic attitude all day long.

He hopes he can tame such women through sweet affection and warm physical contact, but he could also achieve the same result by showing that he's the man of the house, the protector, the one who brings security and stability to the relationship.

He just wants to build a stable financial situation, to live comfortably, and for that, he will put a lot of effort at work.

In conclusion

Counts your lucky cards if you've been eyed by a Venus in Taurus native because you're in for something special, enduring and sublime.

He won't give up until he gets to know you, to see whether you're good enough for him and once he establishes that, he will begin warming up to you, prove that he can be the best lover and husband.

In the beginning phases, just focus on showcasing your best traits, how creative and imaginative you are, how interested you are in taking care of yourself, and how much you like comfort.

Essentially, with him, you will never have to worry about hiding things, or that something unpredictable will happen. Everything will be clear right from the get-go.

These natives can be one of the most reliable and trustworthy natives of the entire zodiac because of their firm and steady personality.

They aren't going to call it quits at the first sign of trouble, nor are they going to waver when the situation turns critical. However, their stubborn nature can sometimes go too far.

He might not realize that his pleasures and interests are not shared by everyone else, especially his partner. Compromise comes as a hard thing to do because he's just unwilling to do so.

Egotism, selfishness, it could be called many things, but the cause is their hellish stubbornness that's just going to bring ruin to their relationships unless taken care of.

Venus is the planet of elegance, love and pleasure, so when it's in the 11th House in the natal chart, these natives are always looking for interesting friends, because their curiosity about others has them sustaining great relations.

They tend to impulsively associate themselves with different individuals, not caring what implications their actions may have. The 11th House is about everything that gets done in a group, while Venus is the ruler of love, so it's very likely they'll meet the love of their life doing something jointly.

They may have many financial gains and a lot of connections from many of the groups they're involved in. Very diplomatic, they usually get along with everyone but make the mistake of confusing love with platonic connections.

Summary:

Strengths: Friendly, cheerful and devoted;

Challenges: Pretentious and inconsiderate;

Advice: Follow your gut feeling without doubting yourself.

Only a strong friendship will have them wanting more

People having Venus in the 11th House will express themselves socially, romantically and artistically through the harmonious friendships they have formed by participating at events or going to fraternity parties.

It's very likely for them to meet the love of their life at a group gathering, because they like people with the same interests as them. But for them to get involved romantically, they need to feel their partner is being honest.

Focusing only on qualities and what makes a person attractive, they're really the type who leaves negative traits behind.

If they want to keep their interest towards someone, they need to have a little bit of variety and to do unusual things. Their most erogenous zones are the ankles and the calves, so expect these parts of their body to be very attractive.

While valuing all kinds of relationships and affiliations, they may not be very responsible

with their friends. Venus in 11th House individuals will be adored by the people in their life and they will like it.

Only a strong friendship will have them wanting more, because this is the only way for them to truly fall in love. They don't necessarily want someone to make them feel fulfilled, so any person who can reach their soul will have their heart after a few meetings as friends.

They only see what's good about a person and prefer to keep a certain level of variety in each and every one of their relationships. There's no one to love friends more than them, so their lover may feel a little bit left out when not wanting to go out with their gang.

One of their favorite things is bringing people together, because only doing things with others can have them in their best mood.

They are really inspired by others and conversations about things they have in common with their interlocutors. It's very likely they'll belong to more than one group of friends and get along well with all of them.

Very good at changing their attitude according to whom they're spending their time with, Venus in 11th House natives fit in everywhere and are loved by many.

It's impossible for them to fall in love if the other person doesn't share their interests or doesn't come up with new subjects of conversation, doesn't get along with their friends or doesn't want to get involved in the same causes as them.

They can immediately change their focus from one person to another and don't stress that they may have hurt some feelings along the way.

Very loving, they can be interested in more than one person at a time, depending on the aspects and other signs in their chart. They are the ones who can adapt to different lovers and who marry their friend or wait their entire life for the perfect partner.

Very fun and interested in those who like to occupy their time with the same activities as them, people with Venus in eleventh House love to give their heart away and to spread their love.

This House is the ruler of Aquarius, so they will surely be great humanitarians who want to self-improve all the time.

The same House is also about what help friends are giving its natives, so the presence of Venus here would mean a lot. For example, they can have many wealthy people in their life, who will help them with money and even a home or a car.

When in positive aspects by Jupiter or Uranus, Venus helps these natives become rich with the help of one of their friends. It will be their main purpose to get included in what their close ones may do for a living.

Loving but a little naive

People having Venus in the 11th House will always have great friendships because this is what keeps them going in life. Even their romantic relationships start by being friends first, so if they no longer feel that their partner is also their companion, they can fall out of love immediately.

It's not a lover they look for, but someone with whom they can have a great time and do fun things. The fact that they're always focusing on the positive traits of a person and can't see what's bad can be a very good thing for them.

The more variety they'll have in their life, the happier they will feel and they'll be able to live the way they dream of.

When it comes to how much they love their friends, this can confuse their partner because it's possible for them to not pay that much attention to their other half and to want to be only around their buddies.

They are the glue-people, those who bring others and groups together, so every gang should have one of them around. When out, they want to be sure everyone is having a great time and don't mind being fun themselves, either.

It seems like conversations with others simply inspire them, so finding they have similarities with people in their life is very encouraging to them.

When someone fights for the same cause as them, they simply don't want to part ways with that person anymore. But it's also very easy for them to fall out of love without feeling guilty or in any way affected by the situation.

All in all, they're loving but have a problem, because they can fall for more than one person at a time. It can be easily said they're the right candidates for open relationships.

If their best friends won't appear in their life for them to marry, they will just wait until this happens.

Loving to have fun and to give their love away, they will be appreciated for being so open with their feelings and caring.

They seem to have great talent with the arts, especially with music and theater. As a job, it would be very easy for them to sell beauty products or to be make-up artists, because

they simply love talking about fashion and beauty.

If some “bad” planets are in the 5th House, they may have problems with their other half, because of their friendships. This is very likely to happen, especially when Pluto or Mars are in the fifth House.

Very good at organizing people, Venus in 11th House natives will surely be in a community or social group and get treated as someone very important.

Pluto, Mars or Jupiter are strong in their chart and can influence them to be great leaders and very good at giving their best for the group’s interests. They don’t want to rule, they just seem to be perfect for it.

Venus ♀ - Ruled by Taurus (& Libra)

([871] southfloridaastrologer.com:) The most authentic expression of sensuality and beauty is experienced when Venus is in Taurus or Libra. These two very polite and considerate signs are at home expressing their sensuality and beauty when Venus is in Libra or Taurus.

Mars ♂ in ♎ Libra man 7° 6'

([969] i.thehoroscope.co)

He has quite some eccentric tastes and loves to surprise others with his choices, revelling even in the criticism he attracts.

The Mars in Libra man is someone who impresses everyone he meets. With what, you’re asking? That’s just the thing, not even he knows that. His entire person is attractive, charming, interesting, and a lot of women swarm in on him as a result.

He just walks by you, and you find yourself filled with the desire to talk to him, to be near him. It’s quite a magnetic aura, nothing else. Of course, his attitude and personality match his elusive charm flawlessly.

This man is also a perfectionist with exceedingly high standards and expectations. If people around fail to meet even one of his conditions, he’s quickly out.

In a nutshell:

Positives: Knowledgeable and caring;
Negatives: Possessive and impetuous;
Soulmate: Someone who can keep his attention for long;
Life lesson: To fight more to preserve his principles.

A talented individual

This man is cool, chic, and he likes to stay in touch with the new fashion. He is actually very interested in fashion, in how he dresses, and how he keeps on top of the game.

If you're asking yourself who actually wears the weird costumes that a lot of fashion designers think of, you have your answer.

The man born with Mars in Libra will, and he will be quite proud of his unorthodox tastes. He gets his confidence from looking good, from the admiration and gasps that most people nurture when passing by.

Moreover, he's very adept at talking to people and getting what he wants. Either through persuasion, manipulation or just a wink, he manages to coerce anyone into doing his will.

He might just make it on the front pages of the Times for a new technique in a musical orchestra or a fresh method of applying paint on canvas. The thing is, he can be extremely imaginative and creative.

Considering that he is greatly endowed, artistically speaking, as well as having a tendency to harmonize his ideas, it's not a surprise that he has a splendid future.

He can also take on the mantle of a professional writer, with the pen being his sole weapon, the creator of worlds and lives.

Public speaking is also good for him. Even weirder is the fact that he despises competition and conflict. Why can't everyone just get along and do their thing in perfect harmony?

If need be, he will try to outwit his adversary with cunning words or an ingenious strategy, but direct confrontation is out of the questions.

The Mars in Libra man wants to instill the sense of justice in the people's mind, for everything to be fair and square, no trickeries or injustices allowed.

He struggles hard for this goal, and he uses every bit of knowledge and method at his disposal to make his peers see the right path ahead.

He can easily substitute himself for someone else and see the world from another

perspective. This is why he deeply understands the problem of injustice so well.

A higher cause is all they need to get to work. The emissary of peace and prosperity, equality and mutual understanding, this is what the Mars in Libra man is.

This astrological combination is quite ambiguous and hard to understand, and one could wonder how in the hell can this man lead a good life.

The problem is that Mars, being the planet of war, combat, and fiery energy, will drive him to take on the sword and shield, get out into the world and make a name of himself.

His upbringing taught him that patience and meticulousness are capital, that he should first take a good look at the situation, plan ahead, and only then descend on the battlefield.

He gets his way most of the time, but Mars in Libra constantly nudges him forward, toward aggressiveness, impetuosity, bravery. Also, he's a ladies man, always flirting with a lot of women.

Full of compassion

The Mars in Libra man feels the need to show his appreciation to others, and no one can object. After all, who doesn't like to be praised? Now, to get to the surprise, find out now that this man can also be very affectionate and loving to his partner.

Guess why? Well, because his natural astrological planet is Venus, the planet we all know is connected to the power of love, belonging and harmony.

He'll be a very devoted and compassionate lover, willing to do anything to make the other happy. He might exaggerate and try to force his partner to see him as romantic and attractive by making use of his verbal manipulative skills.

He is polite and he knows how to take care of his woman, to fulfill her every desire, to make her feel protected, safe, happy, and most of all, satisfied with her lifestyle.

She'll take her from work, cook her dinner, serve her a morning breakfast, and generally wear a bright smile whenever she's around.

He's very intelligent and curious, so it would be incredibly satisfying to see his partner come up with an interesting subject, one that many others have debated.

He likes to brag about his culture and accumulated knowledge a lot because he wants his partner to know what kind of man he's with. He does tend to let her take the initiative and decide whatever they're going to do, and this is a big downside.

It becomes difficult and uncertain to pinpoint his romantic potential because he cares about social acceptance quite a lot.

He wants his woman to be attractive, to know her way around social events, to be communicative, extroverted, and diplomatic, friendly and outgoing.

He is willing to let go of all other traits, positive characteristics, and even flaws if his woman will deliver him a good social standing. She should be dominative, reliable, confident, and bold. The Mars in Libra man prefers to be the sensitive and passionate one.

In conclusion

He's basically a people-pleaser who does everything with the express thought of satisfying the social expectation and staying in line with the societal regulations.

If people appreciate and praise his efforts, he's fulfilled and doesn't need anything else. If the world doesn't agree with any of his endeavors or interests, then he might as well give it up.

He's very creative and intuitive, often coming up with great ideas, each more innovative and interesting than the last.

One of the few instances when he's willing to go against his better thought and confront the world is when he sees an injustice committed.

That's when all his instincts start crawling back out, and his perfectionism takes the reins. As long as his partner is affectionate, attentive, and devoted, he will sacrifice everything to make her happy, to bring a smile to her lips each and every day.

If his partner is disinterested and cold, he'll follow the code of equality and detach himself emotionally as well.

Mars ♂ in IV 4th House

([984] i.thehoroscope.co)

People with Mars in the 4th House benefit from an immense emotional strength that helps them fight for what they want and overcome any obstacles.

Natives having Mars in 4th House want to be independent and at the same time feel the need for the security of having a home of their own. The relationships in their family may be tense because they're very demanding with those they love the most.

It's important for them to overcome their need to argue and to antagonize. Not to mention they have to find a way to deal with their strong emotions by doing some garden work or by exercising.

Summary:

Strengths: Protective, empathic and domestic;

Challenges: Instinctual and passive-aggressive;

Advice: Being even more attentive to the needs of those close.

Doing what makes them happiest

People with Mars in the 4th House can think too much of the past and act in a compulsive or inappropriate way because of this. They sometimes fight just for the sake of it, not understanding what's being discussed.

It's important for them to control their emotions, because others may avoid them for being too passionate. A good way for them to forget about their feelings is to do things around their home.

Having too strong opinions and pushing people around is never a solution for them, so they should compromise more in difficult situations.

Not confronting people and keeping themselves out of quarrels at either their home or workplace can make them more insightful and can change their negative behavior.

They may not want to settle with someone and continue their road towards adventure, whether men or women.

It's possible they've been brought up in a very strict family, and for this reason they fought a lot with their parents, which made their leaving home a reason for celebrating. This is why they may have problems building their own family later in life.

But no worries, they can usually overcome this and eventually do what makes them the happiest. They may at some point want to separate themselves from their parents and family traditions, because going alone helps them to be more excited about the future.

Mars in 4th House individuals have great energy underneath their passive exterior, so you can trust them to always want action, productivity and a lot of spirit.

However, they may need to control all of their enthusiasm, because it can work in both their advantage and detriment to act solely on feeling and to be constantly engaged in

something soliciting.

The emotional interior they have gives them great strength to fight for what they want and the energy to stand up to any obstacle. The more independent, ambitious and willful they act, the better for them.

They can impress with their beliefs and wishes, which are sometimes strange. Their direction in life will need to be adjusted sometimes, because they may still be restricted by what their parents imposed on them.

Being their own bosses and calling the shots at home is something they truly wish for, in a healthy way. Their own place will always make them feel more emotional and vulnerable, while their romantic relationships will give them a little bit of tension.

When outraged, their partner will get to feel their fury in its rawest form, which can be scary. It can be surprising to see them angry and always fighting, but it's very possible for their emotions to take this direction as well.

Astrological studies say Mars is all about aggressiveness and assertiveness, so when having something to do with the domestic life, it makes people more prone to experience negative emotions towards those who are close to them.

They will break up and make up with their lover, because they have no idea what they're feeling.

The fourth House will hold their childhood's feelings and the image they've made created for themselves. They will control their ability to give and receive through here, isolate themselves when things may go wrong and be cold when not getting what they want.

Practical aspects

Individuals having Mars in the 4th House are very protective of their loved ones. They can feel anger very deeply and sometimes hide their feelings, making it difficult for others to know their real motives.

They're the passive-aggressive type, which can make them feel resentment, because they're not expressing themselves directly when wanting something.

They want an active family and can have many arguments with their spouse or children, because they're very pretentious with them out of too much love.

Their energy should be invested in domestic activities as this would relax them more. Relying on instincts, they can recognize manipulators, so no one can lie to them. They will want to be the leaders at home, so their family should allow for this to happen.

What people with Mars in the 4th House should learn is to no longer wait for their negative feelings to pile up. It's very likely they didn't get along with their father if he has been too strict, aggressive and especially abusive. Mars will inspire action in them when they'll be at a mature age, having them doing things slowly but steadily.

When it comes to their psychological upbringing, they should work on how they feel at home and how their emotions develop when they're with their family.

A Fire planet in a Water House like in this situation can be complicated, because all Water Houses are about emotions and the soul, ruling over things people aren't usually aware of, and Mars can be violent.

When young, Mars in 4th House natives probably used to fight and be violent without even realizing they were doing something wrong and they used to have an unexplained anger. If they had a parent who was the same, they probably used to think life at home is more about war than love.

As parents, they're strict, focused on themselves and even competitive with their children. Since the fourth House is also about ancestry and family heritage, they may have witnessed many fights over land and property.

Their neighborhood was probably dangerous, and they were raised in terror. Individuals having Mars in the 4th House are prone to suffer from home accidents or to catch on fire, because the energy in this House is fiery.

It's also possible they had an active family who was always up to something to make their heart pound faster and their body to move more while outside in the Sun.

It's a challenge for them to learn how to deal with their anger and the past that guides them towards the future, because they can be very angry with their partner for no reason.

It may be necessary for them to travel in the past and identify what made them this way in the first place, because the rage of Mars is silent and can't be set aside.

When out in the world, they may hide all this about them until they're back home, where their passion and strong emotions get released. It can be a problem to always have them saying nasty things and confusing their partner with one of their parents.

All in all, the placement of Mars in the 4th House brings a lot of energy and competitiveness but can also have many hidden influences that are very ugly.

The downsides

They think no one can trash their loved ones but themselves. These natives are very

controlling when it comes to their home and family. Some will appreciate this in them, others will find it annoying.

It's important for these people to ask their spouse and children what they want before taking any type of action. They will get to be less stressed and resentful if they'll just sit in the back and allow others to rule.

It can be difficult for them to let their leading position go when at home, but it's something necessary if they don't want their problems to get bigger and bigger.

Mars in the 4th House in a nutshell

These natives will spend a lot of their energy on their family and home. They need to feel secure and that they belong to a nation and a community.

The position of the red planet indicates they love to argue and that they may never want to get married. They're also very good at repairing things and bringing order to the busiest and most chaotic environments.

Because this position is also related to the Earth element, they may want to spend as much time as possible in nature, performing aggressive and very soliciting physical activities. They're strong people, no matter their age and the hours spent at the gym.

Their love of home and domestic work finds them staying inside when others are in bars. They like to study traditions and history, and they probably have a mother that has influenced their life a lot, because they've always seen this lady as being the biggest lecturer in their life.

Mars ♂ - Detriment in Libra (& Taurus)

([871] southfloridaastrologer.com:) A restricted expression of power and will is found when Mars is in Libra or Taurus. Libra and Taurus' need to be polite, sensual and enjoy beauty is opposite Mars' need for power and to express its will.

Jupiter's influence can make them open to any new project, but at the same time easily bored. It's possible Jupiter Geminis will start a lot of things but won't have the patience to finish them. If you take a look inside their home, you will notice they have many projects they have worked on.

Furniture halfway done, scrapbooks that aren't finished and collections with only a few items, these are all things you can find in their room or in their garage. And their yard would probably look the same. Just like Jupiter Libras, Jupiter Geminis will never find their time to organize their things.

It's because they would rather spend their time making new friends and communicating. The activities of visiting and sending emails or texts are their favorite. If they were to clean their house, they would be the best procrastinators.

They could have all the fun they want and hire a Jupiter Virgo to do their cleaning for them as Jupiter Virgos are the most organized people the zodiac has ever seen.

But let's get back to the Jupiter Geminis, who have a deep connection with nature and

can sometimes communicate telepathically. They also like to get informed from TV or the Internet they are like a mobile data provider who's all the time connected to a device.

Also, a job that would require them to travel the world. If they want to get the best out of life, they should learn how to appreciate others' needs.

They will only have problems when too many opportunities will arise because they won't know what to pick. It will be impossible for them not to want everything at once.

The Jupiter in Gemini man

The Jupiter Gemini man can have a double personality because his sign is dual. But this is not absolutely a bad thing. It means he could adapt to any kind of person and situation without too much trouble. He could be generous with others or only think about himself.

It's possible he will forgive someone else's mistakes and won't forgive his own mistakes. However, when Jupiter is ruling over his trust, he can have all his negative traits and vulnerabilities exposed.

It's because on the outside he'd be very trusting, but his inner Twin wouldn't rely on anyone or anything.

Jupiter ♊ in XII 12th House

([1016] i.thehoroscope.co)

This placement of Jupiter encourages people to be generous and giving but at the same

time eager to accumulate as much wealth as possible.

People born with Jupiter in the twelfth house are usually lucky because this aspect in the house of self-undoing, makes any type of obstacle in their way seem unimportant and easy to overcome.

These natives seem to enjoy good fortune, especially if they'll get involved with any type of artistic activities. They may get inspired while meditating, introspecting and being secluded. It doesn't matter what their 12th house influences them to pay attention to, they will, at some point in their life, feel like self-sacrifice is absolutely necessary for them to become happy and even successful.

All the luck Jupiter comes with will protect them from any physical abuse, especially when they'll get threatened by their enemies. They may have many moments in their life when they'll be on the edge, but they won't stress that much and relax, having problems just pass by them.

Summary:

Strengths: Relaxed, confident and hard-working;

Challenges: Distracted, unpredictable and cynical;

Advice: They should be careful at the things they share with others.

Compassionate and open-minded

Jupiter in 12th house may raise problems for natives having this placement because this house represents expenditure.

If the Great Benefic Jupiter is in positive aspects, those having it in the last house of the zodiac will love to travel, engage in scientific pursuit, buy expensive things and even become great editors.

Jupiter in 12th house natives are very giving and at the same time eager to accumulate as much wealth as possible. Their friends will always be beside them and they may get married twice, give their money away, struggle during their first and second period of their life.

They may achieve success only after taking over the enemies. Because Jupiter in the twelfth house usually influences people in a negative way, those with this placement will have a big ego that gets satisfied when they will be spending a lot of money. Therefore, they may need to borrow all the time from their friends and family because they don't have enough.

If the Great Benefic in 12th house is in Sagittarius, Virgo or Pisces ascendant, they may build a home for themselves in a different country than their own.

An Aquarius Ascendant suggests they may make money by traveling. People with Jupiter in the 12th house are very compassionate and open to offer their help to anyone.

Jupiter's presence here means they have great intuition and want to know as much as possible on the subjects of healing and psychology.

Since the 12th house rules over the subconscious of the many and the natives' deep thinking, the presence of Jupiter here means a great desire for knowledge and for understanding how the human mind works.

Those with this placement want to study metaphysics and will be protected by Jupiter when it comes to negative energies or influences of a sick imagination.

This planet in the house that rules over vulnerabilities and secrets among other things means the natives with this placement will have a problem holding onto hidden things, no matter if these would be theirs or others'.

In the situation when Jupiter is placed in good aspects with Mercury, these natives should really be careful with what they're revealing about themselves because they may cause confusion.

Usually, when the Great Benefic is in this difficult house, it offers people great help when unpredictable things will happen. This planet will protect natives from those with bad intentions and even make their enemies feel like they're doing something wrong.

Expect Jupiter in 12th house people to receive many apologies from the ones who have crossed them.

What they don't know is that Jupiter usually brings positive things when it comes to such events. A combination of Neptune and Jupiter can bring many miracles into their life, in the forms of manifestation of their most secret wishes and some experiences with the spiritual realm that they're not even dreaming of.

A lot of these great things will happen when they'll try to be alone and also to meditate. They should be careful when talking to others about all this because their spiritual life should rather happen in private.

The more sensitive and emphatic they become, the more spiritually protected they'll get to be. It's possible for them to become free of self-destruction and unexplainable fear because Jupiter functions like their guardian angel.

They're more able than others to interact with their subconscious. If they'll be open to give and volunteer with different charity organizations, they'll get to feel more rewarded than ever.

Jupiter in 12th house individuals will most likely benefit from a higher form of education. Choosing a job well that would have them helping others can make them very happy.

The dreamers of the zodiac, these natives are highly intuitive and can give good advice when asked. If they'll learn how to meditate and relax, they'll be more able to regenerate and become more energetic.

It's possible for them to be dream interpreters or to study metaphysics. Usually, they get all the help they need in life, and their faith is that good things are supposed to happen to them.

The goods and the bads

Jupiter in the house of Pisces means people with this placement will be fascinated by many of the life's mysteries. They want to be alone more than others and are usually very sensitive to the most subtle energies.

These natives are the type who believes in progress and God. It's suggested they do something in life that asks for their emotions to be involved.

Being free and letting go of the past should be their main focus. Jupiter in 12th house individuals are big dreamers and can see the good in any situation.

They usually feel good about life and help others deal with problems more easily. It's like their world is more beautiful and harmonious because they believe everyone should see things more optimistically.

It's important for them to know how to take control of their own life and also how to make things happen more efficiently.

Since being mature happens only after more experienced has been accumulated, they need to allow themselves to go through both good and bad situations while working hard on making their dreams come true.

It's important for them to sometimes recharge their batteries and organize their thoughts, so they shouldn't just run away from their problems and deal with them by meditating and reflecting on what life is. Abandoning the ship and not making any efforts for things to take the right turn would be disastrous for them.

Individuals having Jupiter in 12th house should not allow people to take advantage of them because their luck may turn bad with such a situation.

Standing up for themselves and being honest is what they should in fact do all the time. It's sometimes too easy for them to just step on others to get things done their way, but

this doesn't mean they shouldn't protect themselves from those who have bad intentions with others.

No matter what, these natives should always continue being optimistic. It may be difficult for them to have things in their mind organized this way, but with a little bit of effort, they can imagine anything and keep up a good attitude.

Being fearful that they may fail and not having confidence in themselves will make their luck disappear.

The more they'll look to get spiritually fulfilled and meditate in seclusion, the more there'll be inspired to do great things. It's possible for these natives to make at some point in their life a great sacrifice in order to make some of their dreams come true, but they should forget all about it as soon as it will be done.

Their curiosity about science and healing, or even the occult, can have them searching for knowledge and wanting to know more about many different things connected with these subjects.

Jupiter ♃ - Detriment in Gemini (& Virgo)

Saturn ♄ in ♐ Sagittarius man 19° 39'

([1025] i.thehoroscope.co)

The position of Saturn in your natal chart reveals how you deal with rules, responsibilities and limitations.

Those born with Saturn in Sagittarius in their natal chart go through an interesting transformation in their life and once they find their best self, they become truly humanitarian with brilliant plans for the future, a future where all humans live happily under the strict supervision of imposed rules and regulations.

But these laws are equitable, balanced, and no one receives any preferential treatment. This is because these natives are principled, just, and have a very knowledgeable nature. On top of all this, they refuse to bend themselves to irrationality or to initiate any sort of project that has no reasonable chance to succeed.

Whatever doesn't ascribe to their scientific mindset, what can't be proven to exist in this material plane has no bearing on their decisions, but they still can sometimes exaggerate in many regards.

In a nutshell:

Style: Truthful and exploring;

Top qualities: Direct, knowledgeable and justitiary;

Challenges: Tactless and prone to anger outbursts;

Advice: Remember that mind beats intuition when it comes to risk.

Personality traits

To begin with, there is one main aspect of this native that makes Saturn's influence that much effective. This individual is a natural pragmatist who plans for every small detail in advance.

They may not be the most imaginative of natives, but whatever they think of, they can probably materialize it, even ideas that could be cataloged as purely idealistic.

Thus, Saturn is the catalyst that empowers their steady-minded abilities, acting as a form of focusing crystal, a lens that maximizes their potential tenfold.

Their main interests are humanistic in general, ranging from theology to philosophy and psychology. Moreover, through all this continuous study, they have long since formed a set of rigorous principles that they can no longer abandon.

They believe that man ennoble oneself through constant learning, through effort put towards the achievement of a goal, the most exquisite of them all, gaining knowledge.

Unfortunately, they aren't very open-minded in some respects, where existential questions are concerned because they are firm with their stance and aren't very liable to change their opinions unless proper proof is presented.

Also on this line, they tend to overlook the beauty of the world, the simplistic pleasures, emotional ones mainly, that nature offers each day.

Because they are filled with rational thoughts and only ever look on the outside with a reasonable and logical perspective, it comes as quite difficult for them to appreciate the little things.

They are naturally more suspicious of other ideas and of different opinions, which they don't trust until a later point. Even with people, they aren't going to open up until they've fully determined that they are trustworthy people.

Socially, they are desirous, but unfortunately, they also lack empathy, that intuition of reading emotions, situations, the know-how necessary to get the hang of social interactions. Saturn's rules are sweetened a bit, getting looser and looser with the Sagittarian's naturally joyous personality.

Behavior in love

This astrological make-up makes this native crave for novelty, for trying out new things, and for experiencing new avenues of pleasure. However, this contradicts their conservatism, their firm resolve, and rigid principles.

The rationality inside of them yells danger whenever something untested and unproved presents itself as being important. This can ruin a lot of moments with their partner, in fact.

You aren't afraid at all to say exactly what you're thinking because that would defy the expectations one would have about serious relationships.

If you can't even be honest with your partner, what's the use of having one? Most probably, the other person will be someone with the exact same type of character and won't get offended easily.

At the same time, the Saturnian Sagittarius is intrigued when their partner is a source of constant mystery, an unexplored land worth discovering.

This makes it clear why most natives with this transit in their chart fall in love with foreigners, or people with radically different perspectives overall.

The good and the bad

They are intellectuals above all else, using their rational mindset to analyze every little detail of all the things they come across, and extracting all the knowledge hidden within.

This curiosity and thorough attitude makes them so efficient and productive, as well as keeps them well above others in terms of personal prowess.

Of course, all this intellectual sprinting requires a good environment to be fostered in, and in their case, it must be organized, with a known structure and everything in perfect order.

Sure, once they settle in this kind of environment, it's hard to leave it again, so their

partner will usually have to take this upon them.

The Saturnian Sagittarius are, most importantly, the adventurers of the zodiac, ever looking for the next opportunity to satisfy their inner cravings, the urge to feel the adrenaline coursing through their veins.

Seeking this refuge from the tediousness of the world, they will shatter every single obstacle in their path, break apart the shackles of societal regulations, and follow their singular goal until they succeed in attaining it.

Even if they come across difficult situations that seem to go beyond their abilities, they can clearly adapt, evolve and overcome them.

Moreover, even this mentality to begin with, that they are good enough to survive anything will change with time, transforming into precaution, patience, predictive instincts.

The way these natives do their research is simple. They tend to push anything aside and focus solely on that one topic until it's taken care of.

They exhaust all the information at their disposal, reading it again and again, analyzing it fully, in the meantime giving off the vibes of a robot, cold and calculated who only does what it's been ordered to.

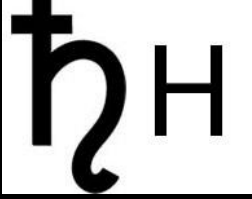

The Saturn in Sagittarius man

Being very gentle and reliable individuals who do well in straining situations, and are very resistant to stress, these men would make for one hell of a husband material.

Moreover, they can be extremely loving and affectionate to those they deem worthy. They are household people, meaning that they could very well settle at home and take care of the house because they want you to take some time for yourself, to enjoy a little solo time.

And, again, with their self-imposed rules and principles, these natives have a very defined plan for the future, one they will pursue relentlessly, and they want you to be a part of it.

But all in all, they're dependable, practical, hardworking and very good with details. Having a highly developed sense of duty, they still may not be able to respect strict deadlines.

Summary:

Strengths: Productive, attentive and pragmatic;

Challenges: Anxious, criticizing and shy;

Advice: They should learn to relax from time to time.

A relentless personality

When in the 6th house, Saturn feels the most comfortable because this placement is all about duty, service to others and the body. This is the house that rules as well over self-denial, influencing natives to not enjoy life's pleasures.

Individuals having Saturn in the 6th house will sometimes be reluctant to have fun because they're only dreaming about work. Not that it's enjoyable for them to do their job, they're just too responsible not to.

For this reason, it can be said this house belongs completely to Saturn, making people with this placement in their chart true workaholics. They won't only think work is meant to bring them money as they will simply live for it.

Servicing others and keeping their word comes naturally to them, so many will truly want to be by their side for the many advantages they could gain.

Very worried about their health and what they're eating, natives with Saturn in 6th house will spend a lot of their time at the organic food market.

Everything this house rules over will be accentuated in them, so expect their conversations to be about work or the everyday responsibilities.

Their own anxiety may all the time be in their way, but at least they're very disciplined and can put up with any challenge by organizing their forces in the most efficient manner.

The 6th house is all about social responsibility, work, everyday tasks, servicing others and even health.

When Saturn is here, expect people with this placement to feel like they're being challenged at their workplace and to have amazing skills relating to the practical side of life.

However, in spite of being productive and always pragmatic, they'll still get anxious about their job or who-knows-what everyday matters.

It seems like they're never satisfied with themselves and can't enjoy any of the pleasures life has to offer. There's no one more interested in health and nutrition than them and it seems that any excess can get them sick in a moment.

Feeling unhappy with their performance at work, they'll always strive to be better at what they are doing for a living.

Saturn may have them interested in a career in medicine, law or law enforcement as they'd have to be precise and very conscientious doing these jobs.

The position of this planet in the 6th house makes natives with this placement very hard on themselves, all the time criticizing with what they have done or said, and never happy of their own achievements.

They know how to work hard and have probably dealt with responsibilities ever since children. It can be challenging for them to balance their professional and personal lives.

Saturn casts on them a shadow of relentlessness with both others and themselves. They won't want to work less and usually think they're not worthy of attention if their tasks are not being done properly.

It's important for them to appreciate themselves more and to give up a job if they don't like it because this situation could get them sick.

There may be delays in having their talent recognized because Saturn makes things this way, so they should be patient and not turn into workaholics.

A more relaxed pace and balance should all the time be kept in their life, because this way, recognition won't fail to come their way as well.

They may face problems like underpayment or work accidents, but this doesn't mean they won't get to be later on appreciated for everything they've done. Saturn may have influenced their childhood to be chaotic and for them to develop a fear of animals.

Hypochondria and other mental diseases are also influenced to develop when Saturn is involved.

Individuals with Saturn in 6th house will have problems following diets, exercising and feeling secure their professional life is going the right direction.

They may all the time have the need to prove themselves in the workplace because their own thoughts will remind them of their defects and weaknesses. All this can turn them into anxious and isolated people.

Perfectionists, these natives can't stand sloppiness and chaos. While making promises of a world in which magic rules over everything, Saturn pushes people into all sort of trouble and gives individuals their life lessons.

The goods and the bads

Saturn always places obstacles in people's path, so in the 6th house, it creates problems when it comes to what people having this placement do for a living.

For example, their efforts at the job may not get recognized for years, which will lead to all sort of frustrations and a wish to do something else that brings the beginning of the same cycle.

Saturn in 6th house natives are hardworking and disciplined, always ready to learn from their own mistakes and what usually makes them weak.

They know their way with money and will always save for a secure future. The position of Saturn in the 6th house indicates they want to be of help and don't give up until knowing they've done things perfectly.

Proud of their analytical mind and the way they can deal with every little detail, these natives expect others to appreciate them for what they're doing for a living.

However, in their heart, they will feel like their work is pointless and are ashamed for dreaming to get recognized. They deserve to be praised and should never think they're

not good at their job because they tend to do it.

Saturn in 6th house individuals put a lot of pressure on themselves to attain perfection and can even get sick when feeling things are not going their way.

Worrying too much can't be in any way beneficial, so they should avoid getting upset over little mistakes as other people actually appreciate them for who they are.

It's also important they don't take things so seriously and relax from time to time because life can be beautiful. Making sure that things are going the right way can have them missing out on all the fun.

Everyone relaxes from time to time, so they should do the exact same thing and let go of thinking about perfection all the time.

Most of the best times in life happen in the heat of the moment and are messy, so planning everything can't bring by the most enjoyable moments.

Being all the time in control is not a solution either, so they should just allow people they love to be themselves and situations to unfold in front of them.

While the position of Saturn in the 6th house may cause some health problems because this planet is also responsible with death and aging, they shouldn't think too much of how everything in their life is meant to make them hurt or get sick.

It's true they should be a little bit more careful than others when it comes to health, but an independence of mind and body is absolutely necessary for them to feel free.

Science attracts them the most because it has the greatest potential to bring about a new era for mankind and they most certainly want to be part of this.

In a nutshell:

Style: Sensual and sympathetic;
Top qualities: Observant, reliable and modest;
Challenges: Fussy and easily offended;
Advice: Physical exercise is really good for you.

Personality traits

These natives are very meticulous and analytic individuals. They will spot the inconsequential details right from the start, and they will focus on the most important aspects of a given situation.

This makes them more efficient, productive, and it reduces the risks involved. What's even more admirable is that they aren't going to brag about their success, and won't act in self-righteous ways to promote their ideas. A simple gesture of appreciation will suffice to validate their efforts.

Thanks to their deeply critical mindset, these natives will often find many diverse methods to approach a problem, all stemming from all the analyses they've done on the subject.

With this much research, as well as the intellectual flexibility, these natives won't wait long before trying to create entirely new avenues of scientific study.

They are very creative and inventive workers who use their own experience and intuition to ease work and convert any tension into production power.

Naturally, the Virgo is one of the Earth signs, and this means that they're not likely to accept change in their midst.

Changing their routines would take from the comfort of leading a life filled with a sense of the familiar. Social conformism would come easily to them, if not for Uranus' influence which brings them the raw energy of a star coursing through their veins.

Now, staying in-doors and feeling fulfilled with a boring lifestyle would be a death sentence. They become innovative, flexible, adaptative, the type who wants to change as many things as possible, just to see what happens.

They could let others come in to help, if only with just some advice because this native

doesn't trust people that much.

Even though the Uranus Virgoans don't wish for their efforts to be put into the spotlight, they wouldn't reject the opportunity to work in PR, for example, or in high positions where they have to take on the role of a leader.

In fact, these positions would ensure that their abilities are perfectly used to get the best results. The new intrigues them, and this includes technology, innovative additions brought to the fields of medicine, environmental health, tech stuff that puts most people at odds with their intelligence.

They are respected by everyone because of their amazing self-control and professional attitude.

The Uranus Virgo natives have split apart between their love for the new technology rising fast, for the prospect of experimenting with the upcoming digital age, and the spiritual connection with nature, with what comes before anything man-made.

They will revere and respect Mother Nature and its manifestations, even going so far as to organize marches for the protection of trees, of near-extinct species of animals.

They'll likely choose to alternate their lifestyle, going full vegan, and paying close attention to their relationship with the environment.

A non-conformist lover

In love, the Uranus Virgos won't accommodate their beliefs to age-old traditions, and won't subdue their freedom of thinking just to have a "normal" relationship.

Each individual has their own perspective on things, and both of them will have fought on through life with a certain type of principles that differentiate them from everyone else.

It couldn't be better because the Uranus Virgo capitalizes on this boldness and working power to take the relationship to the next level.

The good and the bad

The Uranus Virgo natives are very responsible individuals who never let themselves get distracted by anything, no matter how passionate they might be about that subject.

Responsibilities and day-to-day tasks are essential for a stable lifestyle, and it's also the fact that having something to do keeps them on their toes, always ready if something unexpected happens.

With this much raw energy burning down inside them, ready to be unleashed at the slightest sign of danger, these are itchy to release it and often find the opportunity to do it in creative endeavors or put it toward their observation skills.

Their greatest flaw is the obsessive need to be in control of everything and everyone. When they feel like something's bound to slip from their grasp, these natives lose focus, start getting anxious, annoyed, and end up doing stupid things.

This is how it works when they're planning something and they expect the validation of others. Because they can't control what other people feel and think, they want to be sure that everything's in order.

Of course, it's not that they actually pay attention or take into consideration exterior advice, but that validation and appreciation are paramount to their potential.

The Uranus in Virgo man

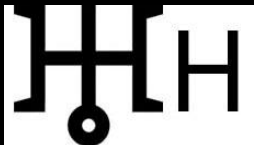

The Uranus in Virgo transit influences this native in a peculiar way, making him become really efficient at deconstructing a certain problem into its barest parts, in order to find out exactly what the best solution is.

But it also made him uncertain of his own ideas, with an urge to seek outside validation.

Although there is a lot of untapped potential deep within him, with the raw energies spilling forth into everything he does, this one aspect puts everything to shame.

Also, this man never settles with the simple explanation, with what appears to be insufficiently complex, and wants to conduct research on his own.

With plenty of intellectual powers at their disposal, the Neptunian Geminis might be interested in the mysteries hidden beyond the natural world, and this is clearly a result of their highly-developed intuition.

Inspiration comes to them quite naturally, seemingly out of nowhere, and they can choose to use it in creative endeavors like painting, singing, writing, and so on. The truth is, they can excel in any domain, as long as they manage to focus on it.

They hold the most important trait of all for an intellectual individual, and that is curiosity, in great doses. With a deep love for learning and accumulating knowledge, these natives are interested in much more than the natural sciences explained rationally.

Courtesy to the influence of Neptune, they hold an undying interest in the supernatural, those fields of knowledge that go beyond the material of the scientific method.

They aren't very religious people because they don't really believe the dogma accompanying such beliefs. Thus, you will find yourself in an endless discussion with them if you just bring up a controversial subject about the existential dilemmas that have plagued mankind for millennia or a mysterious and unexplained issue.

As far as relationship material goes, the Neptunian Gemini wants to find someone who emphasizes communication as much as hem, a person who wants to explore the unknown avenues of the mind with them, someone also interested in thinking for thinking's sake.

These natives believe that you can discover most of the world like this, through sharing ideas, debating a certain topic and getting to the truth by means of communication.

Also, their ideal partner won't be afraid or uncertain about taking the extra step in a dangerous and unexplored place and will always be optimistic about their future. It's clear that this native cares a lot about spiritual development.

Attaining oneness with yourself comes very naturally, as a follow-up result of all the intellectual sprinting you've done so far.

Through the power of words, verbalized or in written form, you strive towards breaking apart the barriers that hold you imprisoned, the shackles of your dual self.

Being under Gemini's influence, you are marred by deep inner contradictions caused by the innate duality of your soul. It's easy to believe that this duality will automatically lead to a feeling of disparity, of forceful separation, but this is not true in the slightest.

In truth, just as you learn about the equilibrium residing in the world, so can you discover a way to unite your two selves into a coexisting entity, thus achieving the perfection of the self.

The positives

The sheer passion of the Neptunian Geminis for exploring the hidden mysteries of the world inspires a lot of people in the first place.

The fact that they also decide to share all their knowledge with everyone else just adds to this great passion and makes them truly satisfied with themselves.

Social butterflies, they are very sociable and communicative, so they could go for a teaching career since it appears as though they would thrive in this sort of environment.

Their multifaceted personality and immense breadth of knowledge attract people from all walks of life, each more curious than the other, but this is just one of their charms. This is why they easily manage to be in the spotlight even when they don't necessarily want it.

The negatives

The same positive characteristics can transform into negative traits in just a split second.

As such, though it may be good for them to be so open-minded and passionate about untried ideas, this can also be their downfall because they can easily get tricked by someone with a hidden agenda.

People with Neptune in Gemini are naturally curious about the world, but they should also have a small dose of realism and rationality at the ready, for when people try to deceive them.

Moreover, their lackadaisical attitude can work against them if they don't manage to focus on the whole picture as well, not just the intricate details.

Neptune may raise their spiritual awareness and intuition, but they have to carefully administer them, especially when it comes to their interactions with other people.

The Neptune in Gemini man

Just like their female counterparts, these Neptunian Gemini men are constantly attacked by their own failures and mistakes, their consciousness always ridden with thoughts of self-pity and admonishments.

They need validation, to be shown that they do more than enough and that failures are just a way to gain experience and knowledge.

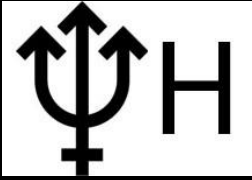

If they decide to share their thoughts and uncertainties with you, don't disappoint them by brushing these problems aside. Really listen to them and you'll have gained an amazing companion in your life.

These natives are very adventurous, but not in the proper sense of the word. They aren't very keen on actually traveling to other places, but rather explore the world through their minds.

The man with Neptune in Gemini will surprise you with each passing moment because they have unimaginable amounts of knowledge, and the curiosity to amass more in time.

In relationships, they are willing to try many new things with the scope to satisfy their partner. Neptune doesn't really change with time, as it's a slow planet, and this can be quite reflective of the way these men act, with definite and determined resolution.

Neptune ♃ in XII 12th House

([1088] i.thehoroscope.co)

This placement of Neptune makes people be very compassionate and kind, but not to express all this directly, so they may be misunderstood by others.

Neptune in the twelfth house natives have all kind of fears from their past because this planet here has nasty effects over the unconscious mind. They tend to focus on what's wrong with their life and when it comes to interacting with others, they only seem to absorb what's negative.

It's suggested these people focus more on their own happiness and don't stress that much about everyday issues.

Summary:

Strengths: Creative, indulgent and generous;

Challenges: Overly emotional and pessimistic;

Advice: They need to show to those close that they can be depended upon.

Very compassionate and kind

Very intuitive and strong in their heart, people having Neptune in the 12th house can surprise with their easygoing attitude and shyness.

While very compassionate and kind, they don't express all these things directly, and many people may not get the chance to understand them or worse, might feel hurt regarding their attitude.

They need to acknowledge their spirituality or else they can end up being very unhappy and unfulfilled.

It's possible for them to feel weak in front of the usual changes life has to offer because they're thinking they can't handle working with something new.

The truth is, their faith will always help them, so being fearful doesn't make any sense for them. They should believe in themselves because otherwise, they can escape in a world of fantasy and avoid reality, which isn't in any way healthy.

Some of them will discover they're capable of great spirituality when they'll get older. Others will be aware of their profundity, but won't be able to express it until their identity doesn't get formed.

The 12th house is the most sensitive for the placement of Neptune because it is the home of this planet. Therefore, when here, this celestial body has great influence over the unconscious of natives.

People with this placement are very sensitive to the society as a whole and sometimes feel like victims of chaos and immorality.

The same planet here has the capacity to turn collective ideas into pure art. One of the most famous individuals with Neptune in 12th house is Salvador Dali, whose paintings are very intense and imaginative.

These natives are all very kind and open to different emotions, no matter whom they may be dealing with. They have psychic abilities and can guess what other people are thinking or feeling.

The planet Neptune can make their ego feel overwhelmed because it's always open to external stimuli.

They may be vulnerable because they don't have any protective fences to surround their sensitivity and also because Neptune doesn't have any boundaries when being here, in the house of images and feelings of the collective.

At the same time, this planet gives them abundant creativity and the wish to become great artists. Very talented with music, poetry, painting, photography and other forms of self-expression, natives having Neptune in 12th house can become very famous in the art world.

Furthermore, they have a need to be with others, to merge and to feel the love of the collective. They're also very connected with the Universe as the 12th house and Neptune are both spiritual and resonate with what lays within people.

It can be difficult to describe them and their feelings because they're all the time overwhelmed in their unconscious, which is ruled by the 12th house.

This house can have them feeling deeply about many things in their life, including their ancestors, as it rules over the past and the conscious memories.

Neptune will always feel at home in the here. Even negative aspects of this planet won't stay in these people's way when it comes to spirituality.

The 12th house goes over everything that's beyond the conscious mind, and is ethereal enough to have the natives with Neptune in it connected to deeper meanings and the unconscious mind of the collective.

Individuals having Neptune in 12th house could be great psychologists, but this quality would be stronger in them if some planets in their 10th or 6th houses would be in good aspects.

If so, the natives with these placements will choose to deal with other people's thoughts and emotions as a career and if not, they will still make great friends who are always ready to talk about their own problems.

They're so good at dealing with different realities because they're good clairvoyants and psychics. They may even dream what's about to happen or in symbols that transmit them messages.

That's why they should study mysticism and learn how to interpret their dreams. The problem with this is that also negative things from the other side can enter their world, in this reality.

Because Neptune is very passive and would allow for this to happen, their sensitivity may increase, and they'd absorb all the pain and suffering of the world.

People love them for being empathic and for easily perceiving their thoughts or feelings, but this can have negative effects over their own health.

What they should be careful with is their unexplained guilt as it can truly wear them down. Wanting to help everyone, they'll never get to make this dream of theirs come true because there is no way someone can help so many people as they would want to.

Each time a person around them is going through some bad times, they tend to blame themselves and have an enormous amount of guilt creeping on them.

Therefore, they may end up not helping or causing the situation to be worse. If they really want to give a hand, they need to first establish who they are and how they can manage their own life.

It's the same situation as the one with doctors as these professionals need to be very cold and balanced in order to do their job.

Another problem they may have is the fact that they're prone to become addicted to alcohol or drugs.

In the situation in which Neptune is in square position with Mars, Venus and Jupiter, they would have a tendency to abuse everything that helps them enter a fantasy world and leave reality behind.

Neptune will love having them overindulging, but this can cause real problems for their

body and health in general.

While the Ascendant is the one that's rules over physicality, Neptune in a position too close to this sign would only cause the dependence on substances to be stronger on them.

Because this planet is at home in the 12th house, it influences the areas of life this house governs, in a great manner. People with this astral placement are highly intuitive and very strong in their heart.

They may seem passive, but when needed to, they can become fierce. These natives love the role of the underdog and to give a hand to those who need it the most.

However the 12th house can be pretty suppressive, so they won't be too focused on taking action and most of the time feel guilty for nothing.

What Neptune does is put rose-colored glasses in front of the eyes of the natives, making them see and hear only what they want.

The goods and the bads

Neptune in 12th house people need to work on their self-confidence and to think of themselves as independent creatures who can handle any problem without too much help.

They're very supportive and helpful themselves, so they'd do a great job as doctors or healers. Because they like to listen and to find solutions to problems, they would also be efficient as psychologists and even firefighters.

It's easy for them to calm people down and to give hope everything is going to be okay. However, before focusing on others, they need to work on themselves and to make sure they're grounded in reality, just enough to be able to help.

Their compassion makes them strong, so they should learn how to use it. Change mustn't be something that terrifies them because it can only help their life to move forward.

It's important for them to deal with problems directly, especially when these are about work. They're sometimes so overwhelmed by the everyday life that they just want to hide and to escape reality.

This is the explanation to why they're always shy and trying to run from difficult situations, which means they're not always able to develop from an emotional and spiritual point of view.

When they can't seem to get a grasp of the knowledge transmitted by what they're experiencing, they should take a step that and look for their level of maturity.

In the situation in which they can't express themselves the way they want to, Neptune in 12th house individuals start to feel very upset and even guilty.

They should learn how to talk about conflicts and discuss the feelings they get from others' actions or words because holding things inside will only cause them to be more hurt.

Pluto ♄ in ♒ Aquarius man 27° 43'

([1099] i.thehoroscope.co)

The position of Pluto in your natal chart reveals the transformations due to take place in your life and how you channel your core truths and restorative power.

Those born with Pluto in Aquarius will go their own way and pave a road for themselves through life. With their independent persona and innovative ideas, they're sure to ignore outside rules, break open the barriers that society imposes, and soar toward the skies.

Even if others may see them as completely impulsive and will not understand their motivations or actions, it'll come a time when all the dots will connect, and the Plutonian Aquarius will bring about great changes to the world.

In a nutshell:

Style: Original and independent;
Top qualities: Adaptable, relaxed and eager;
Challenges: Extremist and undecided;
Advice: Beware of compulsive behaviors.

Personality traits

To begin with, the Aquarius astrological sign is one linked to change, massive transformations on great scales, or a personal metamorphosis that brings forth a shift in the natural balance of the world through the action of this native.

Our star planet here, Pluto, is associated with the concept of nirvana, of death and rebirth, of a complete resurrection from oblivion.

Now, combining these two, we have the Plutonian Aquarius native, an individual who can transcend their own limits, reach the next level, and bring about societal or even greater change.

The last time this happened, these natives were yelling “Liberté, Egalité, Fraternité”, for it was the time of the French Revolution. These natives naturally feel the need to modify their surroundings to match their ever-increasing intellectual breadth, and the mobility of Pluto offers such an opportunity.

In fact, they are very passionate about the prospect of a free, just world where each individual is morally superior, where everyone is in communion with one another, and where the single most important goal is gaining knowledge, becoming better than your previous self.

Pluto Aquarians want to give their all, in order to help change the world into such a place. Either through the pointy tip of the sword (anarchy) or the sharp end of a pen (diplomacy), this will happen because the Plutonian Aquarians are the natural game-changers of this world.

The good and the bad

The humanitarian and philanthropic tendencies of the Plutonian Aquarius, as well as their deep hatred for injustice and unfairness make these natives truly one of a kind.

With their imagination and creativity, they believe that one can solve any problem as long as they think things through without being impeded by ignorance, superficiality, presuppositions or stereotypes.

In other words, one should possess an expansive and open mind to reach such an ideal world. Even if others may not see their plan for what it's worth in the beginning, with time this will surely change, and they will eventually gain the respect they deserve.

These natives are sick and tired of listening to the old tunes of a dying generation, to settle with untested knowledge, with the old explanations that are unsatisfactory.

In order to find the truth behind those claims, they are willing to devote most of their time buried in books, studying, analyzing the bits and pieces left behind by more informed people.

This journey of the mind can become an obsession quite quickly, and this is one of the Plutonian Aquarians' negative traits. They forget about everything else, including personal relationships, loved ones, responsibilities, and so on.

In this regard, they must learn to peacefully coexist with other people, and understand

that they aren't the only ones willing to follow the path of self-development.

This means that a tough lesson for these natives to learn refers to understanding that others can have opinions just as valid as theirs and that they shouldn't dismiss people on a whim.

Pluto in Aquarius in love

Plutonian Aquarians are one of the most devoted lovers in the entire zodiac. Their feelings are so intense and pure that their partners will experience the liveliest emotions ever.

With a shower of love and affection falling down on them, it's not a surprise that most people perceive these natives to be the perfect companions.

They're going all-in every time because they want a partner for life, someone that isn't just looking for a one-time adventure.

Affectionate and trusting toward their partners, these natives will always treat them with the utmost kindness. When something doesn't work as it should, sorting things out through communication comes very easily to these intellectually honest individuals.

Being similar in character and personality to your partner should be something everyone is looking for, but this doesn't even come close to the truth.

A lot of people pick their partners on superficial factors like beauty or material situation. However, these natives understand that intelligence is actually the most important element.

The mental aspect makes up for the majority of the most successful relationships, and also for the ones that fail as well. If you aren't on the same wavelength as your partner, then eventually things will fall apart. That's why they tend to marry later in their life.

The Pluto in Aquarius man

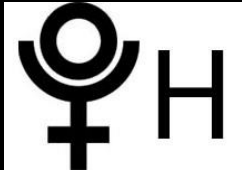

Just like their female counterparts, Plutonian Aquarius men are beaming with radiance, of the intellectual type. They have brilliant ideas that are revered upon and many literary critics, painters, artists were of this astrological ascendance.

They are adepts of teaching people that hard work is key to success, as well as developing their survival instincts. Practicing what he preaches, this man can calmly adapt to all manners of situations.

The Aquarius zodiac sign has innate anarchic tendencies because of his natural planet, Uranus, and it's no surprise that the Pluto Aquarians receive some of these non-conformist ideas.

This man doesn't like to waste any time when he's got something on his mind. He has his principles that he rarely strays from and his virtuosity is both mocked and acclaimed.

Pluto ♄ in VIII 8th House

([1108] i.thehoroscope.co)

This placement of Pluto makes people very self-aware and conscious of their own limitations and flaws but also loving and devoted.

Those born with Pluto in the eighth house of their birth chart have a certain flair for seeing what others cannot see, for spotting the other side of the world, the hidden and the mysterious.

This applies not only to their surroundings, to be able to analyze and make deductions, but also intuitively perceive what other people think.

They attract unusual events, weird and intriguing people, great opportunities to enlarge and broaden their perspectives. This proclivity can be used both for doing good things, helping and healing others, or destructively, manipulation and coercion.

Summary:

Strengths: Sensual, attractive and understanding;

Challenges: Conflictual, judgmental and possessive;

Advice: They need to be careful about the things they develop obsession about.

Great resilience and attention

As we've said before, the Pluto in 8th house natives are marked by an endless curiosity and insatiable fascination with the occult and the mysterious. Psychology attracts them the most out of all the other domains that deal with the study of the world.

They want to understand how the man thinks, what motivates and shapes his character, the process of development and evolution.

In this regard, they will dedicate all their time on studying, observing people, engaging in as many such activities as possible.

Sexual intimacy comes harder for these people because they are too afraid to reveal themselves. In their search for a truly emotional and deep relationship, they forget to give it their all.

The Pluto in 8th house aspect gives to these people great resilience and resistance to stress, the ability to come face to face with their worst fears, the hardest and most dangerous challenges, and come out unscathed, albeit on the losing side.

They are, in other words, very capable at surviving even insurmountable odds stacked up against them.

They might change their perspective drastically or they might adopt other ideas that they would have otherwise shunned or discarded from the very start.

They are very self-aware and conscious of their own limitations and flaws. That's not the problem. The problem is that they are yet incapable of making up for those flaws, in repairing or replacing them with great traits.

Of course, they want to do that, to become superior and develop personally. A lot of them are incredibly attracted toward the taboo, the unexpected and the unorthodox.

Sex is something they partake in with great pleasure, they find it curious, all-consuming, an opportunity to create a union, an equilibrium of forces.

They are in a constant search for their identity and personal subjectivity, the only thing that makes them unique and singular from all others.

They are looking to define themselves, and this sparks a conflict between the inner world, that of the self, and the outer world, that of society and its expectations.

There will many conflicts, arguments and bouts of self-deprecating contemplation, moments of sadness, thoughtfulness.

It makes quite a lot of sense for them to become psychologists or anything in this field, studying the human mind and its ontology, its metamorphosis and the processes that animate it.

They are getting better and better at reading people, at finding out why they're doing some things, in predicting a certain behavior or reaction.

In matters of romantic courtship, relationships to speak plainly, the Pluto in 8th house natives want to be consumed as a whole through the burning love of their partner, but they also feel the need to escape, to manifest their own will and individuality.

It would take someone incredibly attractive, sensual, and emotionally understanding to find someone like this, and not only that, someone that notices them.

Naturally, these natives are very interested in the dark side of life, in all that is grievous, terrifying, fear-inducing and blood-curdling, what is unknown and filled with dread, the unconventional and the unexplained.

They find it fascinating, the underlying enigmatic character just waiting to be found, and even more, the aura of uncertainty and otherworldly atmosphere.

They can become obsessed with these things, just as they can become too embroiled in the carnal debauchery of sex, the pure joy of the dancing bodies, and the sensual feelings that come in-between.

A restoration of the world and the death of another, the cycle of rebirth followed by the final decay, these are constants in their lives.

The goods and the bads

The way those with the Pluto in 8th house aspect are going to get better and regain their confidence, change their negative ways, is by following their passions and interests.

No matter how dark, mysterious or otherwise absurd they may look like to others, it's their dream and personal appreciation, nothing else.

It would not be surprising now that they're always thinking about the big questions of life, and they give off the impression that life is like an open book to them.

They know everything that's going to come to pass, they are aware and possibly even tapping into the powers of another plane of existence.

Romantically, all they want is someone who understands them, nothing else. The rest can be obtained on the way. Honesty and a straightforward attitude are key in forming long-standing relationships that are bound to last for the rest of time.

When there is trust between partners, one based on mutual thoughts and ideas, deep knowledge of each other, then there are no more serious problems worth worrying about.

Usually, those of the Pluto in 8th house natives are nothing if not impulsive, chatty, spontaneous and very stubborn.

They don't take shit from anyone, but when the interlocutor is plain stupid, ignorant and superficial, they're not even going to bother explaining or defending their viewpoint.

Either they'll find someone they can control and manipulate emotionally, some who wants to be dominated or feels good in that position, or someone who exudes the same energy as them.

Someone who wants to go on adventures, who wants to talk about deep subjects.

However, given all this, they will still want to live life at the maximum, to have memorable memories, happy and joyful ones, they have a rich sexual life, and to have meaningful connections.

They dislike being childish and playful because that takes away their normally serious nature, the intensity, and passion. This is admirable and good, to want this, but it's also annoying and irritating to some.

North Node ♌ in ♈ Aries 20° 20'

(Georges Muchery)

The Dragon's Head in Aries enables the native to undertake daring deeds with every chance of success; and he should not hesitate to go forward. Fortune favours him. This position indicates rashness that is profitable. It is also lucky for love; but after much torment on this account. In a critical situation, the Dragon's Head in Aries helps the native to extricate himself from trouble. It is similar to the Square in an unfortunate hand; it is the antidote to misfortune.

The Dragon's Tail in Libra prophesies lawsuits connected with material questions. It also means disputes in the home and danger of separation. It is not a good position for the spiritual evolution of the native, as it makes him practical (often too practical), which may lead to trouble with the law, or with those with whom he comes into contact. This position, especially in the fifth house, shows anxiety on account of a child. Nevertheless, if the Dragon's Tail is in the third decanate of Libra and is well aspected, it is sometimes an indication of material abundance and increase of possessions. But money does not always bring happiness, and the native will realise this.

(Isabel Hickey)

North Node in Aries gives self-assertion and a progressive nature. Should develop independence and stand on their own convictions. Personality should be brought to full development. Before you can give yourself away, you have to have a self to give.

South Node in Libra shows there has been too much emphasis on leaning on others and letting them run the life. Now this person must make his own decisions whether they are right or wrong. Growth comes through one's own expression and experience.

(Martin Schulman)

Here the soul is learning the lessons of self-consciousness on the most elemental levels. Experiences in prior incarnations did not permit the Self to form as a singular identity. Now the individual is paying the price for the indecisiveness of his former lives as well as learning how to rise out of his confusion by developing 'onemindedness'.

Highly susceptible to flattery, he goes far out of his way to do the things he believes will please others; but because he has not yet himself gone through ego identification, he becomes confused as to what course of action to take. Always trying to balance those around him, he finds himself to be the eternal referee between two or more opposing ideas, people, or conditions. Standing in the middle, he assumes the role of the buffed trying desperately to bring harmony to both sides at the same time. From moment to moment and day to day, he seesaws from one side to the other, hoping that he will never be required to take a definite stand!

In prior lives he judged his happiness by the successes or failures of those close to him. Now he continues to identify his life through others. His confidence can easily be shattered, for he hardly yet knows who he is. By confusing the collective needs of others with his own unrealized desires, he makes himself susceptible to long states of depression. Still, no matter how drained he feels, he continues this past-life pattern of seeking out people with whom he can identify.

At times he develops resentment at his inability to pull the opposite parts within himself together. Yet he is so used to entertaining solutions to contrary ideas that he keeps creating more.

He is attracted to music and the arts, feeling comfortable in an environment that is gracefully delicate. When circumstances around him become coarse or brittle he loses control.

He doesn't like to live alone but desires to be left alone. For his own peace and tranquillity, he must learn to overcome his enormous sensitivity to all the disharmonious needs of those around him. He does this best by dropping the attitude that he must fight for his very survival and refocusing his attention on what positive thoughts help him to develop his own identity.

In past incarnations there was great sacrifice to others which was not fully appreciated. Now the soul reincarnates with traces of resentment at not reaping the rewards of its

efforts. This brings out the contrariness of the Libra South Node and actually prevents the individual from finding his real Self! The North Node can come out only when the South Node is brought to the highest possible karmic level. Thus, this individual will achieve his greatest potential after he learns to serve willingly, without desiring any rewards beyond his own self-growth.

He was impressionable in other lifetimes. Now he spends at least the first half of this life coping with the leftover residue of his own gullibility. As the years pass, he becomes an avid reader, which helps him to crystallize his thoughts. Still, there are so many past-life habits of indecisiveness that he finds it extremely difficult to make concrete decisions.

Always liking to see both sides of everything, he divides himself in half at every crossroad. When these divisions become so painful that he can no longer bear his own indecision, he starts to reach for his Aries North Node.

Ultimately he learns not to be afraid of taking a stand for what his higher Self senses is Truth. He reaches this by teaching himself to be an individual, rather than an extension of somebody else. Still, he must build on his prior incarnations which taught him how to love rather than hate. Thus, as he starts to find himself, he must still be mindful of how his newly-discovered assertiveness influences those close to him.

For short periods of time, he will have to isolate himself in order to gather his strength.

His biggest lessons center around learning how to make his head rule his heart, for he still melts too easily at the slightest attention.

Of all the zodiac, this individual has the least amount of past-life experience in examining himself. Now he must find out who he really is!

In the current life he is destined to make the transition from the reaper to the sower, whereupon every thought becomes a creative seed for his new beginning.

The house which contains the South Node shows the area in life where too much past identification with others inhibited self-development. The house which contains the North Node designates the area where the Self is now experiencing its birth. Once a new sense of Self-identity is achieved, this individual will feel like Columbus discovering America; and the most amazing part of his discovery is reaching the awareness that it was there all along, but he never knew it.

(Mohan Koparkar)

Previous incarnation for this person was very easy-going and in considerable luxurious surroundings. Good things in life were the main pursuits for this soul. Learning on a mental level was very important for him. In this lifetime, he has to work with actions and

aggression. Things are not always balanced for him now. As a result of this, he has to utilize all the means he can within his energies to carry through his wishes. Impatience and lack of tolerance can cause frustrations for him in this life. His job is tough as he has to keep his feet on the ground and at the same time watch for what goes on well above him. Failure to keep both ends tied up may cause loss of many successful opportunities in this lifetime.

(Donna van Toen)

You need to learn to do things for yourself. Your Libra South Node may respond: 'Yeah, but it's much easier to let others do things for me. Every time I try to do my own thing, either somebody takes advantage of me or I wind up getting somebody mad at me'.

Your major problem is that you are not rational when it comes to relationships.

Possible reasons: You have such a hang-up about being fair to everybody that you bend over backwards for others at the expense of your own individuality. You've stifled your leadership abilities because using them led to friction or discord. You're unable to get started on things without help, due to lack of ambition or self-motivation. Life experiences have over-emphasized the value of leaning on others and encouraged passivity as a means of gaining acceptance.

Possible solutions: Force yourself to undertake leadership roles. Dare to be enthusiastic about your beliefs and interests. Cultivate spontaneity. Do things on your own once in a while. Find a guru to follow. Find a big strong man (or good woman) to lean on.

With Libra south node, decision-making is often a problem. This is because with Libra south node, there's a tendency to overdevelop logic to the point that it smothers the Aries feeling and acting functions. However, feelings can't be totally ignored. They have a way of coming out and moving you in certain directions whether you choose to be aware of them or not. If they're denied positive expression through individuality and assertiveness, they'll be forced to take a negative route through insincerity, meddling or dependence. With Libra south node, rationalization can lead to irrationality, since feelings get lost in the shuffle. Usually, this dependency on passive intellectualizing is the result of some traumatic experience where feelings have let the individual down. Often he or she has been ridiculed or rejected for reasons that were never clearly understood, and from that point on has decided that feelings can't be trusted. So figuring out strategies replaces feelings. The Libran south noder takes great pains to be sure that all decisions about marriage, job and life style in general are formulated logically and planned thoroughly. The trouble is that logic without feeling leads to marriage without love, prestige without satisfaction, and existence without living. Eventually depression sets in and logic ceases to function. At that point, Libra south node is forced to get in touch with

his or her feelings and take appropriate action, thus attaining a nodal balance between Aries and Libra.

In my experience, the person with an over-developed Libra south node dislikes being alone; asks for help and advice, but then seems resentful of it; spends a great deal of time and money on grooming, cosmetics, clothing etc.; speaks in a monotone or a very tiny voice; is indecisive; is extremely co-operative to the point of being a door mat; has an inferiority complex; is a gracious host or hostess whose door is invariably open to everyone at all times; works hard at romance; and feels sorry for single people, regardless of their circumstances.

North Node in Aries wants to be outgoing. He or she wants to be a self-started, well able to lead and assertive enough to get what he or she wants. In contrast, this person is generally well-liked but inclined to see himself or herself as passive or too shy. There's usually an interest in or talent for art, fashion, editing, publicizing, or some other Libra-ruled talent; but because the person seldom challenges that talent by doing anything innovative, he or she is passed by when the acclaim gets handed out, and may begin to feel resentful. He or she can be sympathetic to the point of becoming a doormat, and may become so enmeshed in others' struggles for success and happiness that his or her own needs remain unfulfilled.

Antidotes for Aries imbalance: Psychological counselling (particularly assertiveness training) is often helpful in learning to utilize the Aries North Node. The client might be advised to write or tape a statement of his or her philosophy of life, including a list of goals for the next year. You may then help the client determine how to best express this philosophy while fulfilling the goals. Scientific study, particularly in the field of physics or physical development, may be recommended if the client shows aptitude along these lines. Any sort of discipline program - from Scouting to the National Guards - could prove beneficial. Travel - preferably alone - is recommended. Leadership roles - particularly in the work sphere - should be accepted.

For any type of Aries imbalance, the catch-phrase should be 'Try something new'. This 'something new' should naturally coincide with some untapped talent, as shown in the chart.

For many reasons, clients may not be ready to embark on a totally new life style. In these cases, a new hobby could prove beneficial. Among the hobbies I'd recommend for Aries nodal imbalance are: any sort of nature activities, from hunting to photographing wildlife, football or soccer, hockey, boxing or karate, enamel work.

You may need to be more independent and not be reliant on relationships or others' perceptions of you. You should avoid shaping your identity by assuming others'

attitudes, beliefs, and values. Lacking self-confidence can result in confusion and indecision, especially when important decisions are required. At times, it may appear that you allow others to decide for you.

Relationships can provide security and stability; and you try to please those on whom you depend. Yet, through lacking self-knowledge, you may fail to acknowledge and respect your own needs, desires, and aims.

Be wary of more dominant influences; you may be gullible and impressionable. If so, you need to outgrow this and assume responsibility for evaluating situations and options. Relying on others will interfere with your choices and major decisions. At times of crisis, a divided self only offers additional confusion and pain; and you need to be decisive to resolve issues.

Try to follow inner promptings - perhaps previously ignored or dismissed 'messages'. Move in the direction toward which intuition guides you. Through developing faith in this process, you can release potential and be true to your nature. In so doing, you can discover how to honor your whole self.

When overly sensitive to others' needs or tending to confuse them with your unrealized and unfulfilled desires, you may experience weakened vital energies, which can create occasional depression. Acknowledge and assert your requirements, and take responsibility to satisfy them, as these are important for integration and personal growth. While a concept of service to others may remain a motivating force, your first priority must be to yourself, so that you integrate your whole being, instead of diminishing yourself through relationship dependency. Once this is achieved, you could serve from a different yet more effective perspective. When you attain inner harmony, energies radiating from you will also embody this quality to benefit others, even though some may find these energies uncomfortable due to their own disharmonious state.

Your new assertiveness also needs to respect relationships, connecting self and others for mutual benefit. You need to be true to yourself and to discover how to cooperate with others. By acknowledging your nature, you can explore relationships to greater depth, enriching them through shared understanding. Often, the Libran energy is activated when you try to unify people, ideas, and situations, operating like a central balance between opposite conditions. The new balance required from you is 'self and others', where you develop balanced attitudes, individuality, and independence, while creating interdependent relationships. The key to this is to transform dependent behavior patterns.

Aries is the cardinal Fire sign. It is 'the' sign par excellence, in which selfmanifestation takes place. Here, the 'I' must stand out against the world, and especially against the

'You'. We must be able to say 'Yes' to ourselves, and to express this attitude in our lifestyle. Nevertheless, the way in which the desire for selfassertion is expressed by the Aries native will depend on our state of awareness. Or, to put it another way, the hazier the picture we have of ourselves, the more we resort to force; but the more differentiated our consciousness is, the more subtly we proceed. Yet even when being fairly subtle we still use 'push' - we have plenty of that. The 'I' tends to manifest itself in what may be pictured as a series of pulsations. The same is true when the Moon's Node is in Aries: we try to bring our personality to bear on the world in order to make things happen. This placement of the Node is usually a fairly strong incentive to be creative. Someone with the Node in Aries is incapable of settling down to routine work, even when output would increase. Increased output is not a consideration with Aries; what matters is creating something unlike anything anyone else can create. To produce something creative that is completely personal is the ultimate in self-expression for this sign.

With hard aspects to the Node, there is a danger of over-producing like some sort of 'Stakhanovite'. The native engages in hectic activity, and revels in quantity instead of being creative. However, the individual with the Node in Aries can produce an enormous amount of truly creative work.

North Node ♌ in X 10th House

(Georges Muchery)

The Ascending Node (Dragon's Head) in the Tenth House gives full and complete success generally. There will always be progress towards better things, as the native is truly gifted from the time of birth, and these gifts will develop, since the Dragon's Head passes (owing to its movement) into the Ninth House. It is a lucky position, and the native may undertake anything; he will succeed, and attain to a high position with honours, fame and riches.

The Descending Node (Dragon's Tail) in the Fourth House is not good for domestic life, which is founded upon exaggerated selfishness; the couple think about themselves in preference to their family, so that the inharmonious home is likely to be broken up, thus indicating separation and disagreements. It also means pecuniary losses, an inheritance wasted in order to gratify sometimes very unworthy desires.

(Isabel Hickey)

This soul has had his soul powers developed. He has withdrawn and lived in a quiet, reserved manner. Now he must come out into the public and the limelight and give himself in some public way to the world. In a career he will find his fulfillment. If he tries to cling to home, it will in some manner fall apart. Unconscious desire to retreat has to be overcome. Has to learn to be with people rather than retreat from them.

(Bernice Grebner)

A vocation should be followed, sometimes to the point of sacrificing home and domestic life. This means working for or with the public in some way. Through very sustained effort and great exertion, success in public life will be attained, but requires personal sacrifice. The area of sacrifice can be ascertained by the aspects to this nodal position. When this Node is balanced finally with the South Node in the fourth, then the fulfillment of the great-person status will be obtained, and not before. This position, when followed, will give the urge to be a protector of great masses of people, to be a leader among them. Naturally, the influence of all of these nodal positions in the houses is dependent upon the signs involved. If the sign were Leo in the tenth, it would deal with children or some creative project, and the theater may possibly bring fame. One cannot read simply North Node in the tenth, but always must interpret the signs and aspects. If the aspects are trines and sextiles, the arrival at the North Node will come more easily; but if aspects are squares and oppositions, the arrival at the North Node may take more time and trouble.

South Node in the fourth is the introvert. This position of the South Node gives a seeking after perfection, especially in domestic matters, and gives a great depth of soul. It can cause many changes of residence for the individual. There is great dissatisfaction in this area, with a constant desire for a Shangri-la. The person wants to live a quiet, retired life in seclusion and peace. There exists a shyness about him; and he would like to retreat from the public. He probably will adopt a parental role by trying to hold people too closely. He is usually very talented at repairing things around the home. If a woman, she is usually a good cook.

(Mohan Koparkar)

This condition often signifies stronger success in the professions or career area. However, some drawbacks are noticed in the home affairs. Here, the individual converts all the domestic energies into professional direction. Thus, satisfactions and fulfillments through the home are fairly low for him. Their individuality and strong ego are worth noticing. Often difficulties during childhood bring about a distorted mother / father complex to this person. These people are a lot closer to their father than to the mother. However, some of the hostilities or lack of mother element are due to recent past life complications with her. Sensitivity and emotionalism is something they have to

overcome, and they have to show an image of tough practicality in this life. Their first half of life is not very enjoyable compared to the second half of life.

(Martin Schulman)

Here the individual finds that much of his time is needed for the demands of his family. Constantly he feels held down, as if he is being prevented from realizing his own individuality. The fact is that he comes into the current life with much karma owed to his family.

In past incarnations he ignored the hands that fed him. Now he is locked into the lesson of becoming those feeding hands himself. In the current life he finds his mate and children just as highly unappreciative of all he tries to do for them. Still he will do more if he is ever to grow past his karma. At times, the burdens become so heavy that he has to fight himself to keep from feeling an inner resentment.

The female with these Nodes will have problems with at least one child, which will demand most of her time, effort, energy and concern for she is to learn on the very deepest of levels the responsibilities of parenthood. To enforce the karma still deeper, the spouse is either not present or so lacking in character that this individual must ultimately become mother and father at the same time.

Whether positive or negative, the emotions never leave the family. This individual constantly feels the need to break out and be free; yet his past-life memories of self-enforced chains never quite permit him to do this.

Nearly all of his energy is spent on untangling the web of relations that he sees around him.

In some instances, he experiences great conflict with other family members over real estate.

He must learn not to let circumstances weigh him down with feelings of hopelessness, for the needs of his family are constantly compounding themselves, to the point that from time to time they become considerably more than he bargained for.

Often, he is caught by surprise through the actions of those closest to him, for although he can develop strong outer worldliness, he still remains almost childishly naive when it comes to the emotions he feels about those close to him.

Some with these Nodes have to go out to work, becoming the sole source of family support. Others are put into the position of becoming the family supervisor.

Always this individual is caught between the conflict of the things he would like to do for

himself and the things he knows he must do for his loved ones.

Constantly faced with situations which tempt him to react childishly, he must learn how to mature. He must rise above family harmony and do all he can to achieve a role of self-dignity.

When the needs of his loved ones are understood, only then can he have the freedom to experience a career life of his own.

As he makes the switch to his tenth house North Node, he is ultimately forced into the position of assuming the dominant role. He must learn how to keep his life focused in a direction above and beyond all the scattering needs of his close family members.

Paradoxically, he escapes from one family by creating another, until ultimately every person he meets and likes gets pulled closer to him in a type of pseudo-universal family. As the years build up the life starts to resemble the 'old woman who lived in a shoe'.

His greatest happiness comes from being in a position to be able to offer shelter to others.

In later years he joyously re-invites others to lean on him. His mission to move away from emotional immaturity and in the direction of responsibility tells him that each person he moves along the path represents another payment for his own ticket towards soul evolution.

The sign which contains the South Node shows the ways in which he allows immaturity on the part of others as well as himself to block his potentialities for achievement. The sign which contains the North node indicates the ways in which he can develop maturity by pointing his life in a meaningful direction.

(Donna van Toen)

Conflicts: Authority vs. need for private life. Conscious vs. subconscious. Ambitions for power vs. ambitions for self-understanding.

Possible results of sacrificing North Node: Family demands are used as an excuse for not developing your fullest potentials. Neglect of career. Parenting or domesticity takes up most of your time. Others take you for granted.

Possible ways to integrate North Node: Untangle yourself from domestic and parental traps. Involve yourself in your community instead of staying home all the time. Develop a more positive outlook. Make contact with people outside your family milieu. Go out to work, even if it's only part-time or volunteer work.

In the tenth house, the hang-up is connected with respect or integrity, which may mask a basic dislike of people and / or social functions. This person subconsciously fears authority figures, and is uncomfortable in society unless he or she can come out decked in all the trappings of success - and even then there may be doubts as to the worth of that success. Reclusiveness or deep introversion may manifest as a means of coping with these fears.

Often there's been an early struggle with authority figures or society in general. Difficulties with one or both parents are common. Usually the early upbringing involves a heavy dose of moralistic philosophy. Less frequently, one or both parents was maladjusted, and the offspring has to live down their misdeeds or grows up feeling a need to make amends for his or her parents' failure to contribute to society.

North Node in the tenth house generally dreams of success in life. This involves overcoming limitations and rising above his or her station in life through gaining the support of authority figures or others who are in a position to help. This person tends to get trapped in a comfortable, mildly pleasant rut due to emotional ties. A parent or other family member may be instrumental in keeping the dream from being fulfilled. This usually isn't because of outright opposition; generally, it's because of subconscious fear or guilt on the part of North Node in the tenth. Clannishness, bigotry, or class-consciousness can keep the person from making contacts that would be instrumental in fulfilling the dream.

(Black Moon) Lilith ♀ in ♐ Sagittarius 10° 56'

([1145] elsaelsa.com)

Divine Seeker

If you have Black Moon Lilith in Sagittarius, the pain that you've faced through your Lilith placement has made you broad-minded and free. You have learned that boxes are for pizzas, not people, and you won't be reined in.

However your Lilith experience has manifested (shown by the house Lilith is in), you have reacted by searching. You know that your life is a glorious adventure, and you want

to put your pain into context. You want to find out what it means. So you have researched and read and studied. You have exposed yourself to different cultures, stories, faiths, academic disciplines, anything to illuminate the larger narrative. You know that your suffering can't be completely senseless. You can sense the grand design. You know, somehow, deep in your soul, that the truth is out there. And you know you'll find it.

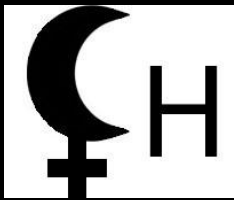

And this optimism in the face of real pain has left others in awe. How on earth can you keep going, they wonder. How can you keep up the search? But while they may not understand, and they may even scoff and dismiss your quest, they also come to rely on your sense of perspective. In fact, your happiness can become a sustaining force. You may even be made to feel as if you owe others your joy. So your sunny disposition becomes performative, crafted for other people's comfort. They don't understand that the happiness is in the search, but it isn't the goal itself. The treasure you're seeking is much more meaningful.

And when you do feel trapped, hemmed in, misunderstood, or unduly obligated, you default to the one thing ever Sagittarius keeps in their bag of tricks: you leave. You ramble on in search of greener pastures, of more profound answers, and of people and places that allow you to feel free. Your pain is bad enough. The last thing you need is to have an anchor tied to your waist while you try to heal. And if the next place, person, or idea doesn't feel right, you move on to the next. Over and over you travel, whether literally or metaphorically, always in search of that golden nugget of wisdom that will soothe your throbbing heart. But as you find out time and again, while a rolling stone gathers no moss, it doesn't gather much gold, either.

To help ease your soul, draw perspective from Gemini, the sign opposite to Sagittarius. Gemini gathers information just like you do, but they use it to work out the answers internally. Gemini asks, "What if the solution isn't out there? What if it has been right under your nose all along? What if the portal to OZ is your own front door?" Gemini also knows that people have to earn access to your authenticity. If people in your life are consistently dismissing your pain or your search, or if they are demanding that you perform certain emotions for them, you don't necessarily have to leave. You can stay put and deflect. No one is owed the details of your inner world. Only those who support your freedom need apply.

There is much more to this very complex and sometimes paradoxical placement. But what I want to stress is that the desire for meaning is not only noble, it is fundamental to human nature. As you seek a better world, you'll find others in pain who need your perspective. Your ability to turn wounds into a catalyst for a new adventure is an absolute superpower. Remember to look inward every now and then, but keep up the search. We're all waiting to see what you find.

(Black Moon) Lilith ♀ in VI 6th House

([1154] elsaelsa.com)

Champion of the Weak

If you have Lilith in the 6th house of your chart, her themes will manifest in terms of health, service, and work. You will be tasked with reclaiming your power and standing up for those who need it most.

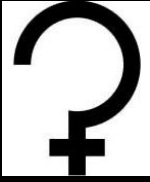

In traditional astrology, the 6th house is known as the house of Bad Fortune. The 6th house is where things outside our control happen to us. Illness, pain, and disability simply happen sometimes, and no one is to blame. But with Lilith here, you have been blamed for your own misfortune, asked to answer for the unanswerable. You may have experience with ableism or other types of discrimination, and have been expected to overcome insurmountable odds while your challenges were minimized and dismissed.

The 6th house is also associated with common people. This is where we as average, everyday people come into contact with those who have power over us. Bosses, landlords, administrators, etc. In an ideal world, those people would use their power judiciously and look out for us and our needs. But if you have Lilith in the 6th, this is rarely the case. Instead, you are regularly on the receiving end of abuse of power.

With Lilith in the 6th, wounds and trauma can turn inward, very literally making you sick. If your pain and frustration don't have some kind of outlet, it can become truly debilitating. Luckily, you can put this pain to good use, advocating for the powerless. I know a good number of people with this placement who have done very good work with animals, at-risk youth, and the elderly. Others have become labor organizers and social workers. One way or another, your wounds must take on a higher form.

While there is much more to be said, I'll leave you with this: You above all can see exactly how power corrupts. You can see the way the weak are stepped upon. You feel their helplessness and outrage. The world needs you to stand up and make things right. To restore order and balance. You have the power to heal us all.

Yet, as they are likely to develop deep connections with people, their loved ones and friends usually notice something is wrong. These persons are likely to tell them it's nothing, so in the end, their dear ones feel their pain more than Aries Chiron people themselves.

Nevertheless, these individuals expect the same from others concerning struggles and pain.

People with Chiron in Aries are likely to tell others to stand up and take it when hurt because everyone goes through some pain, adversity, or trauma. They believe that, otherwise, people will lose themselves in misery instead of moving on.

These people are usually born during years of conflict or socioeconomic changes and transitions (e.g., generations born between 1918-1927 and 1968-1977). Things change often and quickly during their childhood. That teaches Aries Chiron individuals to don't get attached and to move on fast.

Individuals with Chiron in Aries usually experience struggles in childhood that hurt them a lot, but all they could do is suck it up and focus on the future.

Chiron ♄ in X 10th House

([1269] astromajesty.com)

People born with Chiron in the 10th house typically struggle with their reputation, career, and work.

Although it might sound benign and easy to mend, it is not that simple. These people have an inner urge to be heard, known, and accepted. They crave recognition, social status, and admiration.

Since they've been little, they probably felt that there is something unique about them.

These individuals usually have big egos. They tend to believe they are different and often better than everyone else. It is why they demand respect and that the world knows their name. It could be that their parents raised them to believe that they could do anything they want and that they will be rewarded for their effort.

However, life rarely goes as we plan. These persons often realize that the reality doesn't match their parents' stories and their childhood dreams. Those born with Chiron in the 10th house tend to become so convinced that the world owes them the recognition that they forget they have to work for it.

In that case, they become lost, disappointed, and struggle to find their career path. They might wonder what do they do to get it if success is not a given? Do they follow their passion, or what will pay off?

On the other side, people born with Chiron in the 10th house could be overwhelmed with a feeling of ineptitude and lack of self-worth. They could feel inadequate and ashamed of themselves. That is often related to their relationship with their parents, mostly with their fathers.

Nevertheless, if their mother was the dominant one in the family, then the issues will steam from that relation.

Authority figures

These individuals look up to those they find powerful, authority, and recognized. Since they crave having a strong influence in society, they idolize those that have significant roles in their community.

Persons born with Chiron in the 10th house often believe that being a medic, lawyer, teacher, or police officer inherently brings a beneficial status and perks other people don't have.

They don't think much about the issues that could come with those roles or whether that will affect their private lives. These individuals often decide to pursue dominant professions for profit or recognition only.

Individuals born with Chiron in the 10th house want to have a door name tag that implies their significance.

Thus, they dream about having their enterprise, office, or employees who respect them. They will seek careers that promise that kind of success and try to fit in that world.

Yet, they tend to end up unhappy or dissatisfied because these roles don't fulfill them.

Parents of those with Chiron in the 10th house have a crucial position in their lives. If those born with this placement had a stay-at-home mother who depended on their husband, they loathe having to rely on others.

These individuals will likely blame their mothers for not being more ambitious or dedicating their lives to family. In that case, persons with Chiron in the 10th house will do everything they can to avoid becoming like their mothers.

As a result, these individuals want to be seen and taken seriously. They want to control their lives and possessions. Feeling powerless disturbs them.

In many cases, that will grow into an obsession with having admirers and followers. It is no surprise that many celebrities that entered the world of showbusiness have this placement in their natal charts.

But perhaps those born with Chiron in the 10th house had demanding parents who never thought it's enough. They always wanted more from their child. Maybe their father or mother called them inept, not enough, or even stupid, forming a life-long trauma.

If the crucial figures in one's life find them inadequate, that individual will likely grow feeling that whatever they good is not sufficient.

As a result, they grow up to be hungry for power and acceptance to prove to themselves and their parents they're worthy.

Careers that ensure respect

Those born with Chiron in the 10th house seek careers that ensure others will respect them and give them benefits and perks.

Due to not feeling worthy as children, their self-worth as grown-ups depends on their profession, reputation, and money. It is because it's measurable and visible: no one can deny if they are successful or well-off.

Those born with Chiron in the 10th house believe it is how people will pay them respect or perceive them as superior.

Their deepest fears are to fail and to be humiliated or embarrassed in front of people. Persons born with Chiron in the 10th house don't like losing or being seen as weak. It is why they choose careers that make them look professional, intelligent, or capable.

These people crave leadership positions because they are tired of someone having control or power over them.

If Chiron is afflicted or other aspects in the natal chart imply it, these individuals could become self-centered, arrogant, greedy, and pompous. They are, indeed, stellar in managerial roles, but it can be dangerous for them to have too much influence on people. It could corrupt them because they never felt good enough.

Nevertheless, it's possible that regardless of how hard they try, they never get enough recognition at work. People born with Chiron in the 10th house could go through many career struggles and obstacles.

The problem is, these individuals will never think they did sufficiently. No matter which position, role, or salary they reach, they will think someone else has it better than them.

Self-unworthiness and inadequacy

Persons born with Chiron in the 10th house continuously compare themselves to others. That makes them believe that they are always stagnating while other people have better jobs, houses, partners, or backyards.

Whatever it is, individuals with Chiron in the 10th house think the grass is greener on the other side, forgetting to water their own.

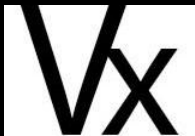

It is what drives their unhappiness. People with Chiron in the 10th house are too afraid to look into their souls and confront their trauma and wounds. They refuse to admit they feel unworthy, unloved, or that they blame their parents for their feelings of inadequacy.

That sense of unworthiness or holding grudges doesn't let them move on and find what genuinely makes them happy.

Instead, they chase someone else's dreams or try to keep up with all the expectations of society. No matter if they fail or manage to achieve everything, they still feel a void inside.

That hole comes from not giving themselves enough love and looking for it in the wrong places.

([155] astromatrix.org;) Unexploited Potential

One difficulty for your self-esteem and ability to exploit potential is unease caused by diminished self-confidence. Energy can seep away through self-doubt and a tendency toward unproductive questioning which reduces achievement.

Emotionally, you feel unable to evaluate your abilities or creative efforts; they are too close to you, determining your state of well-being. You protect vulnerable emotions and sensitivity and may eventually realize that most of your pain in life comes from relationships. This can include friction with parents (either during childhood or in later life), unsuccessful love affairs and romances, being taken advantage of by unscrupulous colleagues or friends, or disputes in your family home, such as with children.

You prefer to think well of everybody, giving them the benefit of any doubt and relying on mutual trust; unfortunately, deception is common. Your evaluation of character can often be misguided or lacking in perception. You may discover a suitable channel for your social concerns by working for people's welfare; a sense of civic responsibility is well-developed, and you may see community activity as the moral duty of a responsible citizen. Certainly, working for social betterment will fulfill you in many ways, and provide reassurance for your self-esteem.

You may need to reduce restless feelings that disturb your inner state and relationships with others. Whenever you feel this dissatisfaction, discovering new areas of interest and activity can productively redirect your energies.

9) ► **Mercury** ☿ **Parallel** ♊ **Neptune** - (0°16') ♏2 | ♏12

([33] astromatrix.org;) The Illusionist

With the Mercury-Neptune contacts, it is the mind level that is primarily sensitized and activated, so that the imaginative quality is emphasized, and the main focus of life

appreciation is through mental receptivity.

The conjunction indicates a channel between the conscious mind and the unconscious mind, and both the energy and information flowing through this conduit need to be carefully integrated if a variety of imbalances and distortions is not to be created. The faculty of imagination will be highly stimulated and developed, and this will certainly require appropriate channels to be focused on so that other problems of perception are not created.

The issue of mental realities is one which can make you unsettled, especially as you can tend to make mistakes in judgment based on misinterpreting facts and suggestive information. You have a mental process that can attempt to re-create experiences into more acceptable forms for personal absorption, a style of selective manipulation which excludes aspects of reality that you refuse to acknowledge. If this process becomes a regular pattern of mental behavior, then you are liable to create a distinctly personal reality that is a fusion of the real and unreal which can pose additional challenges when it comes to disentangling them. This is often amplified by a tendency to be mentally escapist, avoiding the possibility of any painful experiences and situations by refusing to become involved in things.

Relationships are likely to be characterized by over-idealism of lovers, either through having the mental illusion of a perfect lover that is unlikely to exist, and comparing everyone to this perfect lover and so ensuring that they fail to match up, or by wrapping lovers in over-glamorized ideals, elevating them to a mental pedestal and so ensuring that at some time they will inevitably topple off. Your mental images will be shattered, yet this does not deny the real experiences of disappointment and disillusionment that you will suffer ... and continue to suffer unless you become more realistic in your evaluations within intimate relationships.

Part of this process can arise from the sense of personal inadequacy that you feel and which you try to alleviate by imitation of others you respect or sometimes through attempts to bask in the glow of reflected glamour by associating with publicly famous people, which allows inner fantasies to develop. You are likely to have some creative and artistic talent, and your cultural appreciation will be developed. Your ideal type of employment will offer channels for such forms of personal expression, and it may be that you do develop towards writing, arts, photography or film as you have a gift for visual imagination which also has some inner content.

Your approach will be intellectual and mentally resonant, rather than more emotionally evocative as with the Moon contacts. Training may be necessary to help draw out these talents, and your main talent may be related to giving an intellectual substance and context to artistic creations, as a critic does, although there you may need to be careful regarding a degree of intolerance in your attitudes. Another area of life that could be very attractive to you is that of a mental fascination with mystery, romantic illusions, the

worlds of psychics, mystics and psychology.

11) ► **Mars** ♂ **Contra-Parallel** ♄ **Saturn** - (0°10') ♄4 | ♃6

([183] astromatrix.org.) The Stop And Go

With Mars Opposition Saturn you can alternate between aggression and apathy, often lacking purpose and having a tendency to drift. Your enthusiasm is sudden but doesn't last long. You need to gain an inner respect for the stabilizing quality of Saturn.

In order to learn to channel energy properly and finish what you start, concentrate on matters related to the house Saturn is in. You're often frustrated, oppressive, resentful and often use aggressive, violent actions to hide your fear of personal inadequacy. Your attempts to act are thwarted by others and your professional ambitions are often stifled by misfortune or by those in authority. You may seek status or power in destructive or undesirable ways or be the victim of others doing the same. You may have problems with joint finances or corporate resources, resulting in strained relationships.

Relationships with your parents, especially your father, are not good and you may lose a parent early. There's some possibility of physical violence (done to you or by you) and in extreme cases, you may be cruel or tend toward criminal activity. You won't go out of your way to help others and they won't help you. You may have psychological difficulty in reconciling your masculine and feminine sides.

12) ► **Mars** ♂ **Parallel** ♃ **South-Node** - (0°39') ♄4 | ♄4

([189] astromatrix.org.) Controlling Energy

With North Node opposition Mars, Mars-ruled talents and instinctual abilities are brought over that must be utilized in a harmonious way. If not, the dynamic and highly combustible Mars energy may turn inward, causing neurosis, obsession, or fighting some demon or adversary within. While there are excellent resources to draw from, the Mars energy is most in need of direction.

This aspect presents a delicate situation because you must learn to use the energy in a more diluted form than what is really possible. A sort of brake is applied to the degree of aggression you are allowed to express. You are learning to release the controlling energy at a gentler, more subdued or graceful pace. If you can't learn to curb these energies, it will be done for you, most likely in unfavorable circumstances.

Be careful of expressing very temperamental or angry feelings or becoming overly aggressive physically. Your health may start out as robust, but there is a tendency to put excessive strain on the body, which weakens it, causing eventual weariness or breakdown.

There is a tendency to find yourself on the disagreeing side of things. You may find that you arouse a lot of opposition in others because of this, feeling alienated in your values as a result. You might find yourself almost pre-disposed to acting on your own or making the decisions in group settings, upsetting the group dynamic with the way you do things.

You must learn to be less defensive, not everyone is out to get you or fight you, and you must stop using this as an excuse to be aggressively self-involved and inconsiderate of others' values. To fulfill your soul's purpose, channel your tendency to be defensive of your beliefs into more constructive channels.

([62] astromatrix.org:) The Painter Of Dreams

This conjunction occurs approximately every thirteen years and tends to create characteristics that are often similar to the Pisces temperament, where both the positive and the negative qualities of both planets are present and highly active.

Tendencies towards excess, idealism, creativity and naivety will be evident. The Jupiter impulse of expansion may encourage you to reach beyond your actual capabilities. The sphere of relationships is likely to be a source of many lessons for you, and to reflect back several of your own tendencies towards those less realistic qualities of Jupiter and Neptune that are present in an unintegrated personality.

Yet this ideal of relationships will still persist, often despite many disappointing

experiences over the years. It is probably wiser to be more careful in your more personal and intimate relationships, because unless you are aware of what is occurring, your love life could be painful. Many relationships flounder today due to mutual self-ignorance, where inner projections of illusions and the anima-animus patterns overlay the real nature of the participants, until time dissolves them, and each partner wakes up to realize that they are living with a stranger.

When disappointment strikes you, there is a tendency to retreat into a private fantasy world. This can be positively used as a self-healing technique, but you must avoid any temptation to use this purely as an escape, for if you do so you risk losing contact with reality.

18) ► **Sun** ☉ **Opposition** ♂ **Mars** - (8°30' S) ♃10 | ♃4

([143] astromatrix.org;) The Challenger

You probably have a view that perceives life as a challenge, a fight between yourself and the world for supremacy, and you adopt this combative and assertive stance in an attempt to prove your self-worth. Underlying this attitude is a clashing of inner energies, which are projected out as shadow-adversaries in the external world, so that arguments, dissention and conflict almost seem to follow in your footsteps.

There is little tranquility in your world; it becomes more of a battlefield where you believe you can 'win your spurs' proving your capabilities. You are fired by the competitive spirit, intending to win and be number one, although the quality of your aggressive vibration tends to attract similar people into your life, and this can result in power struggles in working or domestic environments.

Applying extra force may leave you in a position of superiority yet can also increase the number of adversaries that you leave in your wake; your genuine friendships can be few if you act in this manner. You have a powerful desire nature, you easily become fixated on attaining these desires, whether they are lovers, positions of executive status, or whatever, even if your energies are focused only temporarily in such specific directions. These desires can reflect the themes of the houses and signs of Mars and the Sun, and often contain the issues that you feel most combative about.

There can be an aura of 'danger' surrounding you, possibly with a sexual magnetism and aggressive power that some can find extremely attractive, although this energy can overflow through displays of irascible temper and potential violence if uncontrolled. You are very physically responsive and will have a developed visual and sensual appreciation of life. You may have to ensure that your desires do not become compulsive or obsessive in nature. In relationships, you may lack sensitivity to others' feelings and needs, and may need to transform expectations of a partner so that they conform more closely to a realistic appreciation, rather than providing fuel for later disillusionment.

A wise choice of partner is required; otherwise your domestic life could become volatile

and traumatic; a partner who evokes your higher nature and qualities is probably more ideal than one who just stimulates your passionate and vigorous nature. Finding a suitable companion, who is strong enough not to allow you to dominate, would probably help in modifying your attitude towards life.

A danger can lie in a tendency to make impulsive decisions or actions, and then regret them later. It may be that experience eventually influences you to make changes in your style of expression, and this may not occur until later in life, perhaps after the age of thirty and through developing maturity. It is to be hoped that there will come a point when you lessen that driving feeling of insecurity and lack of worth, so that you can recognize your real value and potential.

Once that self-imposed pressure to challenge and compete has diminished, and acknowledgement of your performance has been achieved, then new life directions may open. When this occurs take the opportunity to dismantle your combative attitudes, by broadening your world view beyond those limiting tendencies of yours to perceive life in stark black-and-white distinctions. This could develop to include involvements with social causes and pressure groups, where your partisan approach and abundant energies could be put to positive use, providing that you can maintain a balanced perspective on your beliefs and attitudes, and do not attempt a forceful proselytizing or fanatical expression.

19) ► **Moon ☾ Opposition ♀ Ceres** - (1°47' S) 1173 | 009

([559] 12andus.com:) Your emotions and intuition can make you highly sensitive.

You have the makings of a deeply nurturing and compassionate person but you may resist showing your love transparently. If you don't feel emotionally secure yourself, you may hold back from others.

You may also have a hard time balancing your emotional and nurturing needs and the needs of others. Rather than fighting your deeply caring nature, it is best to show others your strengths as an emotional caretaker but with boundaries so as not to neglect yourself.

You may find yourself attracted to people whose need for nurturing mirrors your own. By taking care of others you try to simultaneously care for your unmet needs. Balance in showing your love and caring for yourself is essential.

20) ► **Moon ☾ Opposition ♀ Juno** - (7°55' S) 1173 | 009

([594] 12andus.com:) You may feel instinctively drawn to particular loved ones or partners.

Yet your intuitive sense of being deeply emotionally connected may not always be aligned with what your partner is feeling. You may feel a stronger connection and

struggle with devotion to people who aren't as emotionally connected to you in return.

You may also feel like it is your responsibility to tend to the emotional needs of people who are themselves emotionally unavailable to you. When you have greater confidence in yourself and your intuition, you'll learn the difference between being loyal to those who have a strong emotional connection to you and giving your love and affection to those who haven't truly earned it.

You can bring your strong, nurturing and intuitive instincts into balance with your desire to be devoted to someone and settle down in a romantic relationship that leads to family but first you may need to be clear about the signals you're getting.

([190] astromatrix.org;) Evaluation Of Worth

Like most Oppositions there is a polarization between the two planets that cause you to bounce from one pole to the other and Jupiter Opposition Saturn is no exception.

You tend to move from being very cautious and conservative to boundlessly optimistic and progressive. Or you may adopt one role and project the other on to some close associate and enact the felt dichotomy in that way. You may find it difficult to balance discipline and responsibility with hope, confidence and positive action. You might tend to dream grand and somewhat unrealistic dreams, and yet neglect to lay a firm foundation for the future you are attempting to create.

You are very unsure of your own self-worth and identity and need others to reassure you of your own worth. This has probably come from some important role models in your life such as previous teachers, parents or even partners. You constantly seek the approval of others and want people to like you at all costs which causes you to get involved with the wrong types of people or if they don't appreciate you or make you feel better about yourself you may reject them. You need to develop a stronger sense of self-worth and work on your self-esteem. Realize that you are quite talented, and you don't need others to clarify it. Your attitudes and perspectives need to be changed and transformed.

By accepting reality and responsibility for your actions and be more sympathetic towards other people and their own particular viewpoints and attitudes. Do not doubt your own abilities just realize you need to work and be determined in order to obtain your goals. It will be more productive for you to set a series of small, attainable goals, and build toward the greater vision than to over commit and then feel overwhelmed by the magnitude of the task you have set for yourself.

24) ► **Jupiter** ♃ **Opposition** ♁ **Lilith** - (6°01' S) ♀12 | ♃6

It will also take you away from depression and closer to satisfaction. The placement of Jupiter opposition Lilith becomes your support if you practice self-control and listen to others' opinions.

Do not pay heed to what people will say about you. Your judgemental and imaginative nature puts you to imagine a situation even before it happens.

25) ► **Jupiter** ♃ **Opposition** ♄ **Spirit** - (4°04' S) ♃12 | ♄6

26) ► **Saturn** ♄ **Opposition** ♆ **Neptune** - (7°12' S) ♄6 | ♆12

([199] astromatrix.org;) Subterfuge

What occurs with the opposition is the projection outwards of inner attitudes, so that life reflects that inner state back to you. Usually this includes elements of distortion, which with Saturn and Neptune tends to involve fears of failure, suspicions of motives, cloudy judgments, deceit, caution and wariness.

These are the more negative qualities of blocked planetary energies, and yet you often fail to realize that the world you are perceiving is a mirror image of your own attitudes. Take another look. Do the world and people reflect your own views? Are they pessimistic and perhaps threatening or frightening? Do you feel that you have to be extremely self-protective? These may, of course, be genuine fears, and can depend on the environment in which you live, but equally they may be illusionary and self-created. This fear of failure is inhibitory to some degree, and it is likely that you will withdraw from situations of competition, retreating into feelings of inadequacy, imagining various types of conspiracy being hatched against you in secret. You don't really trust people, and that attitude is communicated intangibly to others, so that a vicious circle is perpetuated.

Your relationships can lack depth, human warmth and real contact, often staying unsatisfyingly superficial, in that you are afraid that others may take advantage of you. The problem is that this may well happen (or has in the past), and since then you have been too wary and too aware of your vulnerability to risk deeper relationships. Certainly, you are vulnerable emotionally and financially to people, and one lesson that may need learning is that you should look closely at the nature of others before you become committed in any way.

Saturn's barriers are firmly established for self-protection, yet they also block many valid experiences and opportunities for self-development. Neptune remains partially released, but liable to display its presence through experiences of persecution and martyr / victim complexes in your life. The results can be that you isolate yourself, become a solitary loner, immune in your imprisoning cocoon of self-protection, perhaps feeling the repercussions of your choice through depressive emotions or psychosomatic illnesses.

You can look out onto the world and secretly want status and involvement yet be self-restrictive in actually attempting to achieve those ambitions. Or you may perhaps resort to cunning, subterfuge and devious behavior, believing that is the way everyone else achieves their desires. The fact that your world analysis may be incorrect could hold a solution to your frustrated energies.

The world holds all shades of behavior and attitude, and whilst there are many who accurately embody reasons for your cautious perspective, there are others who are not like that at all. You need to find a bridge to contact those people of goodwill, and then you may realize that your interpretation of the world is only partially accurate; the others hold a key to your transformation.

If you can find an intimate partner who does not let you down and is supportive, then that frustrated ideal may be reborn, and in accepting another as they are, you discover that this is the way for healing and mutual love to occur. The nature of relationship in your life can be renewed and re-perceived through more optimistic eyes; Neptune has replaced the barriers of Saturn. Sometimes Neptune plays a stronger role than Saturn, and if this is the case, then the relationship inhibitions and distortions may be less evident. The focus will be transferred towards that of social duty and obligation, where the lesson deals with responsibility.

You may experience a feeling of 'social guilt', a personal responsibility to put right social evils, a personal crusade which you need to follow in order to absolve yourself from this inner feeling of guilt that haunts you. For some reason, you know that this is your duty, and that some form of social service needs to be done in response to an inner compulsion. Some may consider this to be 'a rectification of karma', but whatever, it can be an inner pressure and related to the Neptunian tendency to sacrifice in the social sphere of Saturn.

The battleground is seen to be the world, but the source of the battle is within your own nature. Check this out thoroughly before you go tilting against any windmills; try to isolate those conditioning projections and discover what you may be really fighting against. It could be your own unintegrated aspects, Neptunian ideals versus Saturnian realities, and the middle path of wise balance may be the most suitable way to follow.

([294] astromatrix.org;) Ambitious To Succeed

This aspect denotes that you are ambitious to succeed and to be a person of some significance in later life. But it also suggests that you have certain talents that will be especially useful in this regard. In particular, you enjoy getting to the heart of any mystery and finding out what is really going on.

You are very fond of puzzles and solving puzzles of some kind may be the basis of your profession when you are older. This aspect also indicates a natural ability in psychology, an understanding of people's inner motivations, which will be useful no matter what you do. On the positive side, you will discover as you get older that you enjoy helping people who need advice or guidance. This will become more pronounced when you are an adult and keep encountering people whose lives need to be reconstructed in some way.

You will derive great satisfaction from assisting in this process. While you are young, you will very much enjoy salvaging discarded objects and making something useful out of them, demonstrating the potential of what others regard as waste. Because of this, you may be surrounded by a great deal of clutter, but the results can be quite spectacular.

However, as you get older and begin focusing this pattern on people rather than on objects, a great danger can arise. You gain a great deal of power when you help others - power to influence and to make others live up to what you want. In trying to help someone, always be careful that your main concern is the other person's benefit. Do not manipulate others' lives for trivial reasons.

33) ► **Sun** ☉ **Sextile** ♃ **Jupiter** - (1°21' A) ♈10 | ♃12

([224] astromatrix.org;) The Cosmic Blessing

You should find that you are able to keep focused on your aims and ambitions and linking these with your innate optimism and self-confidence should ensure success. You

may be especially attracted towards opportunities associated with the media and communication, or in the generation of ideas for schemes and projects which improve the quality of life in society.

You feel the need to develop a suitable personal lifestyle in which there are opportunities for freedom, growth, and creative development, enabling you to diminish those less enjoyable aspects of life, consciously replacing them by activities that evoke your strengths and talents.

Seeking wealth may not engage your wholehearted participation, but the abundance and prosperity of a suitable lifestyle will attract your creative endeavors. This could be through creating a more simplified, natural lifestyle, provided it fulfils your need for enjoyment. You may find many standard forms of employment restrictive, as they often prove to be inimical to creativity and the application of intelligence, through being repetitive and limiting the exploitation of natural talents and personal qualities. You may need to look for new employment avenues or move into your self-directed path for real satisfaction and greater opportunities. Your communicative skills could be usefully employed, and this opens areas of education, teaching, public relations, consultancy, law, media and theatre work for possible consideration.

As your focus is probably on your mental level engaged in intellectual activity, you can easily manage to study and learn, and over time this increases your inner storehouse of knowledge and information, giving you a 'well-stocked' mind. Applying this can create opportunities for your persuasive skills, convincing arguments and displays of logic, associating these with a taste for dramatic expression could turn you into a 'character' capable of personality projection through media channels.

Verbal articulacy is a valuable skill to possess, and if you feel comfortable with this skill, then look for suitable opportunities for expression. You feel an inner resonance with the problems and pain of social issues, both nationally and globally, and your temperament is naturally sympathetic and caring. You prefer to act and live in ways which are beneficial to everyone and underlying this is a philosophical or religious nature which forms your own worldview.

While you may be directed towards attaining your personal aims, you do not choose to achieve by taking advantage of others, and your tendency is to look for the path by which constructive co-operation can be achieved to resolve difficulties, rather than attempt to manipulate for your own gains. This quality could offer paths of conflict resolution, whereby applying your creative thinking abilities you can bring about the healing of differences through mutual contact and adjustments.

Integrity and ethical issues may become important, and you will carefully choose your intimate partners and friends according to certain guidelines and methods of evaluation. Acquaintances will be many, but the select circle will be more exclusively chosen, and

will be composed of similarly confident and self-actualizing individuals.

Doors open for you, and you may feel that your life is guided and protected by an invisible guardian angel, helping you to take the opportunities that enter your life. Travel may become important too, or contact with other nationalities, as you open to the richness of the world and its varying rainbow colors of different cultures.

Periods of contemplation and temporary withdrawal from the whirl of life may be worthwhile, as they enable you to gain a renewed perspective and recharge those inner batteries by reconnecting to your deeper self, especially if your lifestyle requires considerable contact with other people or 'personality projection'.

Your basic attitude is to put a lot of energy into living because life will return that amplified, increasing your appreciation and enjoyment. Providing you can create a suitable lifestyle, then you will recognize that your life has been blessed, and that even your earlier childhood had helped to sow the seeds for your future benefit.

34) ► **Sun** ☉ **Sextile** ♅ **Neptune** - (3°09' S) ♈10 | ♊12

([227] astromatrix.org;) The Inspirer

Unlike the conjunction aspect, which poses the problem of dealing with both the positive and negative influences of Neptune on the individual life, the sextile is an easier aspect to live with.

The themes of creativity through art, music, crafts, writing, and drama are highlighted, as are the inner paths of mysticism and psychic sensitivity as ways of co-operating with the Neptunian impulse and moving towards the solar center. You are likely to be aware of your own creative potential, and inclined to allow this natural expression. One ability that you may possess is creating vivid mental images, which through the process of creative visualization can be used either in the building of your own future path, or by being offered for the stimulation and enjoyment of others through music, art and literature.

Manifesting these evocative images into a tangible form is a very important gift, and can be applied in a variety of ways, for self-aggrandizement, for the accumulation of wealth and power, or to benefit others. This issue of selfish versus selfless actions is one which may confront you, influencing your decisions and motivations. The art of visualization is a powerful merging of mind-will-imagination and is the source of creation.

Your sensitivity to others and world pain will be strong, connected to a reasonably well-developed awareness of social responsibility, whereby empathic feelings you believe that you should and could aid in the alleviation of human suffering. Yet this psychic absorption of pain can also make you turn away from actually doing anything about this social awareness, so you may register and acknowledge its existence yet attempt to deny your role in healing.

It is unlikely that you will be capable of dealing with the causes of suffering, but you may prefer to hold a soothing and healing balm to the symptoms of the pain. You hope that others who are stronger and perhaps less sensitive than yourself will deal with the negative causes in society. You may be of value by communication inspiration, perhaps through writing for publication or through the media. Linking your grasp of social responsibility with a good dramatic expression could bring aspects of society that need transforming to the attention of others; crusading journalism and TV documentaries are prime examples of such work. This is an asset that you could apply; and, if you choose to develop this, then your imagination and inspiration will be rekindled.

This need to maintain relationships with people, which also involves a broader social sphere than that of just friendship, is a route through which Neptune works, leading you towards your solar purpose. With most people, you experience a laissez-faire relationship, where tolerance and empathy dominate, and interpersonal pressures are not imposed. While your sensitivity is ever-present, you are not overly demanding or tied to impossible expectations of others, although you do prefer self-confident companions whose associations force you to firm up any tendency towards Neptunian nebulousness and indecision.

You have a humanitarian spirit, relating freely and easily to a wide range of human types, seeing value in all and not just in those who are 'successful' in terms of social evaluation. There is an element of a chameleon nature about you, a malleability enabling you to fit into a variety of situations and social scenes, an inner flexibility whereby your attitudes and expression mold themselves to any specific environment and take over from deeper personal preferences.

This is a Neptunian water quality in your personality, where you 'take the shape of any container'. It can be advantageous, yet equally can lead to losing your distinct identity due to repeated chameleon transformations. This may therefore need to be carefully monitored or guarded against if your personality begins to fragment and dissolve; although, if you are following a mystical path, your aim becomes dissolving into the 'ocean', where the droplet of the separate self loses all boundaries and disappears into the universal ocean of life.

35) ► **Mercury** ♀ **Sextile** ♂ **Mars** - (2°32' S) 8 2 | 4

([244] astromatrix.org;) The Technician

Opportunities: 1. Leveraging Your Communication Skills 2. Working with Groups

Challenges: 1. Channeling Your Multiple Interests 2. Balancing Selfishness and Empathy

With Mercury Sextile your Natal Mars your mind is very restless, and you will never cease to learn. You are quick, practical, perceptive, brave and can easily detect the weaknesses of others. You are very creative and you can excel both in writing and communicating. You can be very productive when you're focused, spending less time on work that others labor over. You're quick, perceptive, practical, trustworthy and brave

but, if Mars is too strong, you may be reckless too. You never stop learning and are able to seriously study, but you must apply yourself since you tend to be restless. You can find another's weakness and use it to your advantage. You're a good debater with a dramatic delivery. You are great at communicating and you go out of your way not to offend others when you are speaking. Your ability to plan makes you effective and productive and your ideas are put to practical use. You're creative, literary and good at crafts, mechanical things and engineering since you have good manual and mechanical dexterity.

You have great potential to achieve your goals as you are aware of your talents and abilities.

You can be a little self-centered at times which can impair your ability to succeed. Mainly because if you are not interested in what you are doing you just won't want to do it. Therefore success is determined on your own intentions and desires to want it, so even though you are quite capable of many possible careers and work opportunities especially those that involve your intellect such as politics, law, writing, advertising, journalism or social media, the most important part is to have the desire and interest in those subjects. You can work well by yourself and with others because you come across as quite a friendly and helpful person, in fact you may end up getting the most contentment and satisfaction working with groups where your talents can be fully utilized.

36) ► **Mercury** ☿ **Sextile** ♄ **Neptune** - (2°49' A) ♄2 | ♆12

([248] astromatrix.org;) The Inspirational Thinker

The sextile offers a more fluent and easily flowing contact between Neptune and Mercury than the conjunction, one which can be better expressed in daily life and where the faculty of imagination can be beneficial both to yourself and to others.

Neptune adds an emotionally vitalizing quality to your mental creations, and to areas where an intuitive insight can sometimes offer surprising solutions to personal dilemmas. There is less evidence of the illusions which are often associated with Neptune contacts, and you help to dispel the build-up of any by having a fairly discursive and evaluative mind which carefully sifts through experience and information and attempts to transform it into usable knowledge.

There is likely to be an inherent curiosity at work, able to explore behind appearances and not being susceptible to accepting ideas or people at face value. This aspect is often found in the charts of successful writers, creative individuals or those involved in media communications, those who have an ability to perceive clearly and broadly, to represent a variety of opinions, attitudes and beliefs, and who have a wide and tolerant perspective on life. The spheres that the creative potential of this aspect can attract you towards include journalism, education, media, art, social programs and welfare.

As there is a natural intelligence, this often implies the pursuit of more advanced

knowledge or skills through college / university education. This can tend to lead to associations with others who have an intellectual bias, and those with a developed sense of social responsibility. There are idealistic tendencies within you, but less glamour than most, and you should ensure that you succeed in maintaining a realistic perspective with your social optimism.

Your fertile imagination and keen perception can lead to contributing towards expressions of social change, of alerting the general public to possible or existing social dangers. Within relationships, you are able to maintain a close and loving partnership and family, and friendships are similarly rich and rewarding, as you are relatively easy to get on with and good company.

You have the potential of inspirational qualities, and if these are developed, then you may become a leader or spokesperson for some affinity group, representing it ably. There can be a subtlety to your thinking and strategic planning that some may find surprising, yet it can be carefully evolved to avoid direct confrontational opposition, especially with more powerful social adversaries.

The only points that you may need to be wary of are being distracted by others and losing your momentum by following side-tracks. If this happens, it is partly your own fault as you are obviously not clear enough regarding what you intend to do, and you may need to clarify your intentions and aims sufficiently so that such false routes are rarely taken again. These cases apart, you have a lot of scope in taking personal advantage of what this aspect can offer to you.

37) ► **Venus ♀ Sextile ♄ Pluto** - (3°03' A) ♀11 | ♃8

([258] astromatrix.org;) Intense Emotions

The sextile aspect is an easier one to experience than the conjunction or the challenging square and opposition. The state of a more harmonious inner balance is easier to find; and there is a more realistic appreciation and understanding of the nature of human love and relationships.

The experience of your feelings and emotions will be strong but will be able to be absorbed into a personal integration rather than be a compulsive dominating energy driving your life. This means that you should be able to gain some perspective upon the patterns of your emotional life, to see the rhythmic cycle, and to apply common sense, logic, and rationality to moderate any obsessive tendencies emanating from that level.

Understanding is a key for you; and you have an insight into the potentially transformative and beneficial power of love in a human life. To you, having a successful intimate relationship is a high priority, although you will tend to be very careful in your choice of partners. What you require is a partner who is capable of developing with you, as the relationship matures and changes over time, where there is a natural love and respect for each other, with mutual or compatible interests, and where both will benefit

from each other's company. Running through the partnership will be a thread of purpose and meaning, perhaps a joint life direction to be aimed towards, which is nourished by a high degree of real communication and sharing.

Your ideals are high but are achievable in real life; the key to success lies in right mutual choice; and this can come about through a series of events that could imply that the partnership is 'fated' to occur. Feeling this way can give a strength and inner commitment to the relationship at those times when mutual adjustment and personal change are required for the relationship to progress and deepen over the years.

Sexuality will be important to you, but not compulsively so, as you will see it as a natural, enjoyable aspect of adult life, and are unlikely to have any damaging feelings of unease about physical expressions of love and affection.

Talents in the arts or music are at least latent in you; and if you draw these out strongly enough, you may discover that you have quite an original creative ability to display.

With North Node sextile Jupiter good deeds in the past bring opportunities for

spiritual/material wealth. There is a healthy desire to acquire material things and many advantages may result from developing financial self-sufficiency. The house position of Jupiter shows where there may be a degree of enthusiasm, over-optimism, optimism, or where things are taken for granted.

46) ► **Ascendant** ASC **Square** ☉ **Sun** - (5°33' S) ☾1 | ♈10

([385] astromatrix.org;) Inability To Face The Facts

Opportunities: 1. Forming Healing Relationships 2. Becoming Socially Graceful

Challenges: 1. Knowing Yourself Better 2. Embracing Your Personality Changes

With the square between your Ascendant and Sun it may indicate some conflict between the way you express yourself, and your sense of self-identity. There may be a feeling of blocked energy, and a sense of frustration that you do not come across to others as you really are. Your attitude may be quite harsh or misunderstood, and it can take some years to develop your personality, so you don't tend to upset other people or come across as overbearing or offensive. You will compromise when there is no alternative.

It is hard for you to accept that you may be wrong or that you need to improve yourself, which makes this aspect very difficult to transform. Firstly, you must accept that there may be a problem and have more awareness around your interactions with others and listen to their perspective. This attitude may have a lot to do with your relationship with your parents perhaps they could not express themselves well or you couldn't communicate with them in a positive manner. Awareness of this important, otherwise the defense mechanism can worsen over time, and natives of this aspect can meet with problems in your career and in personal relationships. Softening the manner and the attitude does wonders to smooth over relationships of all kinds. If you realize that it's not your abilities but the way you express yourself that offends people, you will succeed in your goals and be rewarded for your efforts.

47) ► **Ascendant** ASC **Square** ♁ **North-Node** - (0°49' S) ☾1 | ♈10

([454] astromatrix.org;) Alternative Perspectives

With North Node square the ascendant Your personality can often clash with social norms making you unpopular. When dealing with the public you can be difficult or even obstructive.

Your karmic path is not aligned with your identity and ego, which stops your personality

to grow and evolve. You may feel like an outsider or that many people are against you. Your ego may be strong or rigid and this aspect is trying to cause problems in order for you to be more flexible and modify and change your behavior and identity. The best way to deal with this aspect is to be more open minded when it comes to alternative perspectives, opinions or viewpoints especially when it revolves around how you act with others.

48) ► **Midheaven MC Square ♂ Mars** - (5°06' A) 137 | 4

([430] astromatrix.org:) The Dominator

Opportunities: 1. Being Equals with Others 2. Playing the Long Game

Challenges: 1. Getting Past Defensiveness 2. Dealing with Authority Figures

You will tend to work against yourself until you really understand who you are and what you are doing. Your immediate desires, especially if they are compulsive and urgent, may actually prevent you from getting where you want to go in the long run.

Try not to be shortsighted, and do not assume that people who warn you of this are simply trying to hold you back. You may be rather suspicious of such people and assume that they are just trying to dominate you. This is because you sometimes try to dominate others for no particular reason. Also, you sometimes pick a fight just because you are suspicious of someone. You try to seem confident and self-assured; probably you will be when you are older, but now your aggressiveness comes from a lack of self-assurance, from a fear that others will see your inner weakness and take advantage of you. Actually, most people don't want to bother; the aggressiveness you see in others is really a reflection of your own.

Your relationships with male authority figures may be quite difficult, because you see them as challenging rather than trying to help you. It is difficult for you to acknowledge that someone has a right to be above you. This could be a serious source of trouble with employers. Basically, the challenge of this aspect is to learn about yourself and your limitations, so that you can have self-confidence. Then you will no longer see need to challenge others for no reason, and you won't fear challenges from them.

49) ► **Midheaven MC Square ♄ Chiron** - (1°42' S) 137 | 10

([126] astrotarot.net:) Until you deal with your own inner wounds and challenges related to security, productivity and legacy, you may struggle to make your mark. Healing crises, emotional wounds and past traumas are likely to play out in your life in ways that challenge your ability to succeed in your career. Aftershocks from health or emotional wounds can damage your career reputation and potential for advancement until you use these tribulations as motivation to tend to your inner wounds and overcome past traumas and obstacles. When you do, you will gain a heightened sensitivity to the plight of others and may also build your career success around channeling this energy to help and heal others.

50) ► **Moon ☾ Square ♃ Jupiter** - (1°29' A) 113 | 12

([391] astromatrix.org;) The Procastinator

The square indicates possible difficulty in uniting your sensitive feelings and emotions with your impulse to expand and manifest potential; the two sets of inner messages either conflict or fail to combine, reducing purpose and motivation. For example, you may possess creative ability, yet fail to demonstrate this tangibly due to not making sufficient effort to develop latent talents.

You tend to resist hard work, and can display a lazy, apathetic attitude at times, especially if you have little interest in the work to be done. You may believe that life should be easy, with few worries, allowing you to be self-indulgent. This attitude may have grown from your parents who served and overindulged you, or made you feel special and perhaps encouraged a belief that the world would take care of you.

You react to the world through powerful emotions which condition perceptions and evaluations of experiences. As you prefer to follow instincts and emotional messages, you may be reluctant to listen to your intellect. Adopting such an approach may not always work to your advantage; over time you may realize that relying on emotional responses alone may prejudice actions, choices and decisions, often leading you in unsuitable directions that might have been avoided if you had taken a more rational approach.

As emotions can wax and wane, consistency may be lacking in your attitudes and relationships. Limitations may be self-created if you listen only to your feelings. While they can provide a good guide at times, their reactions are not always suited to every choice; more time spent in careful thought and consideration could be useful for your future.

A tendency to make impulsive and emotional decisions needs to be superseded by deliberate planning; rushing to satisfy immediate desires may later be regretted. You may require more realistic attitudes, both with people and in dealing with the world. Sometimes you can project overly optimistic emotions into relationships, feeling that this is 'the greatest love of all time'. Or genuine generosity may leave you financially bankrupt, perhaps through extravagance, lending to the wrong people, or just a lack of financial acumen. Be extremely careful not to overestimate business prospects. You may benefit from receiving expert financial advice, although even then discrimination is needed to avoid choosing the wrong type of advisor.

Intimate and social relationships may be erratic at times, as you can fluctuate between extroverted moods and introspection, depending on the relative strengths of either Jupiter or Moon. With an independent spirit, you may often feel you do not need much social contact, and so friendships may become characterized by infrequent contact, indifference, and fickleness at times. You will do your own thing, either with complete enthusiasm and temporary commitment, or by slipping into apathetic disinterest. These fluctuating tendencies can be changed if you choose to do so.

The approach needed is one of self-determination and concentrated application, once you decide on a suitable direction that offers potential for greater meaning and purpose. In your early life, you may not have been particularly ambitious, preferring freedom, acting with little responsibility, and moving in and out of situations and relationships as it pleased you, directed by your inner emotional pendulum. This could have been a phase of wandering and exploration, lacking any distinct aim. This phase may continue with varying emphasis until you face the need for responsibility in life, perhaps encountered through settling into marriage, financial commitments, and the raising of a family.

Having to 'shape up' may shock you into several realizations. You may make greater efforts to make life stimulating, preventing it from becoming staid and restrictive and realize that planning and organization can make routines flow more smoothly, with less conflict and fewer painful experiences.

Social awareness may deepen, as you become less self-preoccupied; any tendencies toward extravagant fantasies are modified as you recognize the limitations of real life. When reality intrudes, illusions should dissipate; if they persist, then reality is being ignored and evasiveness will exact its own price later. As maturity depends, you may move in new social directions, reflecting your growing awareness and sensitivity, and releasing previously latent talents. Social concern and activity may replace your earlier desire for emotional freedom; and you may work to benefit those who are socially deprived. If you come to this direction through religious or political paths, you may need awareness of any imbalanced attitudes which may persist.

Your emotional power could be transferred into zealous proselytizing; you may perhaps become obsessive about your newly chosen path and lose sight of realism and perspective due to overenthusiasm. Learn how to moderate any such tendency and allow others to be free.

51) ► **Moon ☾ Square ♄ Saturn** - (4°11' A) ♀3 | ♃6

([392] astromatrix.org;) The Cold Heart

Limitations and restrictions may occur on opportunities and experiences, often created by unresolved emotional patterns. The source of these may be sentimental attachments to the past, to memories, to experiences, and to earlier relationships.

You find it difficult to break free from the past; and previous experiences will influence present choices and attitudes. You may have grown up with a negative self-image, one which lessens self-confidence and also shapes restrictive worldviews. This may come from unsettling and disturbing childhood experiences. Perhaps you put up protective barriers to defend vulnerable feelings from damage; you may have believed you were not loved by your parents, or you were left with just one parent through separation, divorce, or death. Issues of emotional dependency may have grown, and a mother- or father-complex formed, making it difficult to cut the parental umbilical cord when you

became an adult.

You tend toward pessimistic attitudes, linked to a reduced physical vitality, emotional moodiness, melancholic dissatisfaction, and depression. Lacking self-confidence and perhaps seeing the world as a harsh, loveless place, you may feel bitter and cynical, preferring isolation from relationship intimacy. Family ties bind you.

This could suggest that you are older than most when you leave home to become independent; or you could have the onerous duty of caring for an elderly parent. Your family life may turn into an imprisoning environment in some way, perhaps through children, economic hardship, or social isolation. You maintain tensions and frustrations by refusing to release behavior patterns formed during childhood and within your parental relationship. It is your choice, if you wish, to continue limiting your life, but it is not inevitable; limitations are only imaginary parameters which we draw around ourselves as a barrier; they can be erased or expanded.

Your creativity is blocked by emotional repression. If you dissolve the barrier and redirect the energies toward positive and constructive channels, then much could be achieved. Finding additional interests and stimulation would be beneficial, showing that the world has much to offer if you open to its riches. Becoming involved with children could reveal new ways to see things; their enthusiasms and sense of wonder could be transmitted to you.

With contemporary self-help techniques, visualization, meditation, affirmation, and the availability of numerous ways to release blocked energies, you can transform your life to face the future with positivist and optimism. Once freed from past restrictions, you can uncover your latent potential.

52) ► **Moon** ☽ **Square** ♄ **Neptune** - (3°01' S) ♀3 | ♀12

([394] astromatrix.org;) The Hallucinator

The main challenge facing you with the square aspect is that of discrimination between reality and unreality, between fact and fiction, and the consequences of confusion when these are not correctly perceived and established within consciousness.

Volatile and tidal emotions and feelings are often intertwined with your imagination so that your perceptions are clouded by personal bias and fantasies. Attempts to warp realities, especially those concerning others, are never welcomed and are a source of conflict within relationships. Insisting that you are right - even against the recall of several others - will eventually generate antagonism, as no-one enjoys having their reality and memory threatened by others, even if they are family members.

You often feel uncomfortable with your feelings and emotions as they are not easily assimilated and integrated by you and being liable to moods you find it difficult to feel centered in any stable emotional pattern of responses to people and life. There may

have been some emotionally based difficulties in your parental relationships, especially to your mother, where emotional needs were not satisfied or where you imagine failings to have occurred.

Changes can be successfully made by working with those intrinsic assets which you may have blocked so far, or whose presence you may have denied, rather than acknowledging them as gifts. Imagination is present; this can be used in positive ways. What you need to do is to build positive images of a 'new you' who has less of a chip on your heart, and who is prepared to change into a more creative and loving person.

Understanding your own nature is the first step towards being tolerant of others' weaknesses and strengths, so some form of inner psychological inquiry is required. Releasing pent-up emotional tension is essential, and should be carefully done, probably with the aid of trained counselors or psychotherapists, because too great and sudden an emotional explosion of pressures may be more damaging than healing. Types of body work, manipulation and massage could possibly be additionally beneficial too.

Be more open and honest in relationships concerning any feelings of confusion; try not to let them fester inside. Organize your life more consciously. Work with others, so that you realize that all need support and guidance at times in their lives from others who may be perceptive on a clearer level. Believe in your own potential and determine to allow it access into your life. In so doing, you can transform the negative aspects of the square into positive assets.

Preferably work with more down-to-earth schools of therapy, which can then ground you better, rather than following a natural tendency towards more imaginative escapism, which can result in involvement with any religious / mystical cults that aim to fly in holy skies of grandeur and hallucinations rather than experience real life.

53) ► **Moon ☾ Square ♀ Lilith** - (4°32' S) ♀3 | ♀6

70) ► **Midheaven** MC **Trine** ♀ **Venus** - (1°14' S) ♀7 | ♏11

([339] astromatrix.org:) Idoliser Of Beauty

Opportunities: 1. Creating Beauty 2. Working in Teams

Challenges: 1. Learning to Be Alone 2. Dealing with Conflict

This aspect means that you love working with and owning beautiful things, so that later you may have a career in art, crafts, decorating or another field involving beauty. But it also means that you have a harmonious nature, that you like to have a good time with others.

You are not especially aggressive, preferring to give in or smooth over a possible dispute rather than fight. This is not because you lack self-confidence, but because you hate conflict. You are very warmhearted and friendly, and you like your relationships to be smooth. Your relationship with your parents should be quite positive, and your early life should be very pleasant. When you are older, you will have happy memories of these years.

You also get along well with persons in authority over you, such as teachers and employers. If you want, you can easily charm and flatter them, but you shouldn't do this ordinarily, because others will lose respect for you.

You do not like to be alone very much, for you find it difficult to amuse yourself, feeling that nothing is really worth doing unless you share it with someone else. So, you always try to have friends around you.

When you are older, you will seek out relationships with the opposite sex so that you are never alone for any length of time. This trait also makes you a good team worker, because you know how to bring together the various interests of people in a group for everyone's benefit.

71) ► **Midheaven MC Trine** ☿ **Uranus** - (0°14' S) ♄7 | ♀3

([363] astromatrix.org.) Progressive Thinker

Probably your beliefs and ideas are different from those of the people around you, and you put a different value on physical objects as well. You do not like to be tied to possessions that you must take care of. This means that eventually you will prefer to have as few possessions as possible so that you can go wherever you want without any worries.

Very early in life, you will decide that you have to follow a path that is uniquely your own and does not follow anyone else's ideas about what is good for you. You want to break new ground, but in order to get there you won't have to battle others, especially your parents or other authority figures.

You should be sufficiently creative so that you can make them see the desirability of letting you have your way to a reasonable extent. You may change your mind several times about what you want to do with your life, not so much because your mind is unstable but because it is so difficult to find exactly what you need. Incidentally, this can be a sign of an interest in or, later, a career in a technical field, such as electronics, computers, engineering or science. Or you may be interested in the occult and astrology.

You like a certain amount of excitement in your life, to keep from getting bored. You prefer anything new to what is old, so you will not be particularly interested in keeping in touch with your childhood and your past once you are finished with it. You are future-oriented, always looking ahead to the next thing to come along.

72) ► **Midheaven MC Trine** ♀ **Vesta** - (1°02' S) ♄7 | ♀11

to your spiritual path.

Your integrity and idealism can feed your desire to be of service to others. When you act according to your higher wisdom, your career will thrive.

74) ► **Sun** ☉ **Trine** ♀ **Saturn** - (4°03' A) ♈10 | ♎6

([304] astromatrix.org;) The Architect

The trine helps to reconcile these two planetary energies more successfully, and there is less evidence of any underlying Saturnian tendency to restrict and limit. The positive qualities and abilities of Sun-Saturn contacts are present; responsibility, self-discipline, practicality, patience, organization, reliability, concentration, determination, persistence and honesty. These can all be used to further your ambitions, although you may need to be wary of innate Saturn tendencies towards caution which may prevent you taking advantage of all opportunities.

Determining your solar purpose and tapping into that power will be most important in applying these energies and qualities and gaining insight into your life direction may be a necessary first step to achieve before this trine can be used positively. As you can move through life smoothly without facing obstructive challenges, you may not always feel the need to draw upon your full potential.

You are attracted towards having a 'comfortable life', and with your self-confidence and creativity expect that this will naturally come to pass. You should be able to use personal qualities and resources effectively, especially to produce an intended practical result, and you probably have a sense of appropriate timing which ensures that your actions are successful. This can be used in a variety of employments and careers, especially management, law, politics, conservation, financial services and organizational posts.

You will enjoy assuming any positions of responsibility, but you may experience inner

resistances in any environment that is undergoing rapid change due to social or technological progress, as this can clash with your innate conservatism and preference for the familiar. Your lifestyle is likely to reflect mainstream social attitudes, and you will try to develop it in a moderate and balanced manner, looking to create solid foundations and financial security. You prefer life to feel stable and almost predictable and will take each step onwards with a patient attitude, usually rejecting any chances that may lead to speedier progress, yet which also may lead to failure.

A personal philosophy and value system will be established, and once you feel comfortable with your unique worldview you may evade situations which offer valid alternatives to your chosen perspective. In this context, the Saturnian rigidity may act as a limitation, but as your conformity is grounded within established social values, this should not work against you in achieving your ambitions.

Choosing a right partner is important, as he / she needs to be similar in nature to yourself, either wholeheartedly supporting your aims, or alternatively pursuing his / her own ambitions. Career and social involvement are the probable sphere of mutual endeavor, and personal honesty and integrity are qualities that are expected, as is stability and responsibility in your partnership.

Balance and moderation are two keynotes that will apply across your whole nature and lifestyle, and this will be reflected in your good health and sense of well-being. Feeling respected and loved by others, and acknowledging your own talents, will amplify your self-worth so that you can move confidently onwards on your solar path.

78) ► **Venus** ♀ **Trine** ♂ **Uranus** - (1°00' A) ♃11 | ♃3

([335] astromatrix.org;) The expression of the trine has several similarities to that of the sextile, and usually enables these two planetary energies to work well together. The social sphere of life will be of considerable importance to you, both as a personal need for contact with others, and in the enjoyment that you derive from it.

Whilst you develop your own individuality and style, you have a 'community attitude'; your ideal is to live in a way that both succeeds in satisfying your needs and has a

beneficial effect upon the wider world. The ability to have positive relationships with people may be used through work which brings you into broader contact with the public. This can be through teaching or communication in some way. Possibly your talents can be expressed via artistic creations or music, which embody your Venusian sense of harmony and beauty.

In your intimate partnerships, you find it easy to express your feelings, and these will remain more consistent than with the conjunction aspect. With these Venus-Uranus aspects, though, there is the tendency to be affectionate and sympathetic with the majority of people, a form of diffused love which is universal rather than individually orientated. This can cause some unease and confusion within a partner who fails to be convinced of your specific love for him or her.

79) ► **Venus ♀ Trine ♀ Pallas** - (1°03' A) ♃11 | ♋6

([579] 12andus.com:) Your charm and creativity easily help you influence others.

You can be an influential mentor because of the personal connection you make with others. You easily help others feel comfortable and secure, and this makes it easy for them to buy into your views.

80) ► **Mars ♂ Trine ♀ Neptune** - (5°21' A) ♄4 | ♆12

([344] astromatrix.org:) The Practical Idealist

The energies of the trine should enable you to become a practical idealist, where the spheres of personal relationships and social obligations are highlighted in your experience. Mars will provide you with a powerhouse of energy to use, and Neptune will indicate suitable directions for expression. This will be through a heart sensitivity to the problems of others, either individually or on a more impersonal, collective scale, and you will feel motivated to share in aspects of social responsibility.

Fortunately, most of your personal aims can be achieved within such a framework, and so you may be attracted towards socially orientated work, especially in the fields of welfare, medicine, community aid and physical therapy. In such ways, you feel able to share your energy by supporting others who may be struggling in life, perhaps through ill-health, disadvantaged social conditions, or family problems.

There is a natural sympathy, and your compassionate approach will often lead to many sharing their problems with you. It may be that at times you will need to cleanse yourself of 'accumulated suffering' absorbed from such work, and forms of negativity-releasing meditations or psychic protection are advised, otherwise, you may experience your level of vitality dropping under the burdens that you choose to take.

Even if you do not adopt the Neptunian way as a profession, your closer social friends will recognize this quality of support within you, and will often turn to you for a helping hand and a listening heart, coming away feeling less burdened, more inspired and sharing in your confident energy that all will be right (or that they can at least cope successfully). This is an aspect of a healing energy that you can transmit, and which is often connected to an acute inner sensitivity to the environment and people's emotions. This empathy is a key to your potential effectiveness in relationships, an intuitive knowing of how to respond and what type of support can be offered. Some may consciously gravitate towards areas of spiritual / occult healing techniques, and this could be an effective channel to explore.

Your intimate love life should be reasonably satisfying, often with a strong emphasis on physical and heart energies, possibly with some intense and passionate romances. Once you settle with a stable partner, you will appreciate those deep emotional bonds, those subtle empathies and feelings of real relationship that can be established through mutual love. Generally, your partnerships are honest and direct.

90) ► **Venus** ♀ **Semi-Sextile** ♄ **Chiron** - (0°28' S) ♃11 | ♎10

([461] astrohealer.com:) "Of all forms of caution, caution in love is perhaps the most fatal to true happiness." - Bertrand Russell

This configuration signals that one's sensual reactions and relationship needs may have been subtly affected by one's sense of pathos. Alternatively, a lover or partner may carry a certain sentimental or emotional vulnerability that polarizes their view of relationships: for them, either one is in a romantic relationship, or one is in a realistic relationship. Synthesizing the two may seem not only impossible but also unnecessary.

Same polarization may also exist in the individual herself: either one loves passionately or one loves practically. This may create an unconscious need to keep these two spheres separate from one another, thus loving what one already has may seem impossible, and falling in love may be possible only with that which one cannot have.

The key to working with such a Chironic cleft is to recognize that one may indeed fall in love with the familiar, every-day, comfortable aspect of existence, and not just the absolutely new. On the other hand, one may fail to feel comfortable in an exclusively passionate relationship, yet again, there is always a possibility of bringing comfort to that which seems unsettling at first: one has to just come out of this polarity and see love as a spectrum of various colors rather than a monochromatic, quantifiable value.

93) ► **Ascendant** ASC **Quincunx** ♄ **Saturn** - (1°30' S) ♄1 | ♎6

([529] astromatrix.org:) Afraid Of Opposition

The Ascendant and Saturn in a inconjunct aspect indicate some difficulty in expressing yourself as freely as you would like. You tend to be hesitant and reserved when meeting new people, a reaction that you find intensely frustrating since you don't feel that you are getting across the real you. Perhaps when you were a child you felt unable to express yourself openly to your parents, your natural childhood enthusiasm had to be tempered with rules and limitations on your behavior.

It may take you sometime to develop your self-confidence when you are dealing with other people. It is important to do this so you can improve your relationship and communication abilities. Because you are very discipline, rigid and cautious you may miss out on opportunities where you feel there is too much risk. Try to take more risks in your life, realize that success and failure is not so important, and experience of life and its many colors can expand your mind and personality.

You tend to act on your will at the expense of your feelings, and to act on your feelings at the expense of your will or ego—two things that certainly leave you feeling unsatisfied. Integration, of course, would be ideal. Uncertainty about what it is you want from life can be the source of much guilt, and guilt can fuel an automatic response of trying too hard to please others. Living up to the demands of others may too easily become a lifestyle for you. You might find that you are constantly making adjustments and compromises. In your relationships with others, you may offer too much to a person, and then feel like you are being taken advantage of. You seem to expect that you have to make compromises in life in order to get what you want, but in the process, you undervalue your own needs.

You tend to experience bursts of assertions of independence and autonomy, but when you do so, you feel guilty. However, you are not happy with yourself when you are expressing dependency. You need to work on accepting both the Sun and the Moon (your needs for autonomy and self-expression as indicated by the Sun, and your needs for comfort and closeness as indicated by the Moon) in your personality in order to feel whole and to avoid sabotaging relationships (and life goals) with self-defeating attitudes.

Opportunities: 1. Leveraging Your Stability 2. Expressing Your Emotions

Challenges: 1. Understanding Others' Emotions 2. Finding a Partner

With Sun Conjunct Moon in your Natal Chart means you were born under a New Moon, especially if the orb is less than a few degrees. The classical astrology meaning of a conjunction is that the powers involved merge, so that their characters mix and form a new character, it depends on the planets characteristics as to how this can affect the individual and is one of the most difficult aspects to understand.

In the case of Sun Conjunct Moon, there is a merging of your Vital energies and ego with your emotion self. This can make you quite a stable and centered individual. It can make you more self-centered than normal but its more that you do't need anyone else to make you feel whole (unless your sun and moon is in Libra). But you are very much in touch with your need for others, or at least a significant other.

You can be quite sensitive and emotional; you should look out for transits that may aspect your sun and moon to know when you may be more affected by your moods and emotions. They live and breathe the Sun and the Moon in tandem, so the drive to find a partner is powerful. Because your will and emotions are aligned together you have the ability to know what you want and how to get it with less inner conflicts.

In general, what you desire makes you feel happy and content, you are comfortable with your emotions and are able to express them well unless you have some difficult aspects to your ascendant or sun. The way you manage your own psychological and emotional response to the world might however be quite different when it comes to your intuition about others.

You may have a difficult time understanding why other people seem to get lost in their feelings and are unable to clearly define emotional experience in their lives. Because the Sun and Moon are quite important in defining your personality, having these two planets in the same sign (unless it's on the cusp) gives much more emphasis on that sign and will be important in defining your personality. You are able to make decisions without too

much struggle, simply because it is not their tendency to spread themselves around in order to find all of their options.

([178] astromatrix.org;) Jealous Lover

The challenging aspects of square and opposition invariably display the dark face of the distorted Pluto energy, and require considerable individual transformation and self-understanding to mitigate the potentially negative impact on life that they will otherwise influence a person to experience.

It is important to remember that this influence to confront the darker side of the psyche is inherently positive and creatively beneficial if it is used to orientate your inner life, and that this is the hidden purpose of the Pluto impulses. It is likely that you will experience a repetitive pattern of sexual love and emotional affairs which either do not seem to satisfy and fulfill you, or collapse into failure, acrimony and suffering. This can lead to a jaded, cynical attitude founded upon a frustrated, demoralized emotionally battered perception of love.

Your emotional intensity and passion are likely to cause difficulties for you, as it often seems to run away out of your control and can take you into situations and encounters which from a clearer perspective you would consider to be undesirable. Certainly, you are looking for something; but your sexual and emotional desires can be too strong, creating distortions of inner energy and leading to compulsive behavior on your part - followed by an attempt at justification in the vein of 'I couldn't help myself...!'

Either you will feel driven to experiment in various relationships on a continuous basis, or, as a reaction, you may attempt to avoid entering any emotional affair as you are afraid of experiencing the old established pattern again. Problems can arise in your intimate relationships due to your tendency to introduce the element of domination. You tend to demand your own way or assume a dominating role, sometimes played out in potentially damaging sexual and emotional contexts, sometimes obvious, sometimes more subtle. Even if you assume a submissive role, it is only as a hidden way to manipulate and achieve your intentions through a subtle route; it is not your natural approach. Usually, you want your partners to change to suit you, and you can put intense pressure upon them, especially sexually and emotionally.

You will need to learn the necessity for mutual compromise in relationships, to understand your inner underlying desires and impulses which are conditioning and controlling you from the depths of your unconscious. It may be appropriate to study humanistic psychology or take part in a course or therapy designed to bring about safe release of hidden impulses into the light of conscious awareness.

Such impulses, and unconscious inner fantasy lives, are present to some degree in everyone; but with this aspect they will stimulate problems for you, which are resolvable if you are willing to confront them in an act of personal reintegration and transformation.

This will also serve to balance out your erratic flow of emotional desires, which often seems to confuse you and your partner, as you appear to 'blow very hot and very cold' in your responses to them; this is when your inner impulses arise and fall in some hidden rhythmic cycle, leading to uncontrollable emotional and sexual needs and intensity, or to a lack of response and to coldness.

Always, the choice is yours; potentially you can defuse many of the difficulties that usually face you in relationships, or you can continue hoping that they will lift of their own accord. Pluto is influencing you to take the positive approach, by facing you with the results of being passive to the inner forces and by remaining unconscious of their hidden promptings.

The Lots (Arabic Parts) (322th Harmonic)

There is not much information on these lots. Lots are points calculated almost always from the Ascendant and two Planets (or the Moon) or another one of the lots (then Schmidt's correction is used). The formulas used are based on Paulus Alexandrinus' and Robert Schmidt's work. Valens is another name that reoccurs with the information for these lots. (He might have slightly different formulas, but I think I took the best ones.) The texts are from 'astro.com' and 'astrology-x-files.com'.

Lots used for ranking eminence:

When these lots and their rulers occupy each other's places it indicates personal power and social mobility (eminence).

The **Lot of Fortune** is in 21° **Aquarius** 16' and in the **8th** house.
Part of Fortune was already interpreted in detail.

The **Lot of Spirit (Daimon)** is in 21° **Sagittarius** 1' and in the **6th** house.
"higher intellect" "guardian spirit/angel" The Lot of Spirit is a point which has strong psychological and spiritual overtones, unlike the very physical-plane based Lot of Fortune. The Lot of Spirit has to do with the nature of the will, what you intend (as opposed to what merely happens to you), and also has much to do with career, but apparently more your career as a statement that you make about what you are in the world. It also has to do with illness, like the Lot of Fortune, but it would seem that with the Lot of Spirit we are talking about the spiritual bases of illness as opposed to the physical bases.

"Spirit happens to be lord of soul, temper, mindfulness, and every power; and sometimes it also cooperates in the determination concerning what one does." - Paulus Alexandrinus

The **Lot of Basis** is in 20° **Taurus** 54' and in the **11th** house.
Calculated from Asc, Fortune and Spirit.

The **Lot of Exaltation** is in 17° **Capricorn** 13' and in the **7th** house.
Valens says that it shows what the native is happy doing if it doesn't indicate eminence (by falling mediocre or amiss with little connection to spirit or fortune)

The Seven Hermetic Lots:

Adding Fortune and Spirit makes them 7.

These 5 are calculated with Schmidt's correction formulas.

The **Lot of Eros** is in 11° **Pisces** 24' and in the **9th** house.

"Eros signifies the appetites and the voluntative desires. It becomes a contributing cause of friendship and mutual favor." - Paulus Alexandrinus

The **Lot of Necessity** is in 9° **Capricorn** 30' and in the **7th** house.

"Necessity signifies constraints, submissions, struggles, and wars, and makes enmities, hatreds, condemnations, all the other restrictive things befalling men as a result of their birth." - Paulus Alexandrinus

The **Lot of Courage** is in 6° **Pisces** 59' and in the **9th** house.

Indicates fortitude (or lack thereof). It is based upon Fortune (the physical body) and Mars (actions). Where this lot is placed by house seems to show what we have to face and what we most fear. "Courage becomes a contributing cause of boldness, treachery, might, and every villainy." - Paulus Alexandrinus

The **Lot of Victory** is in 17° **Capricorn** 5' and in the **7th** house.

"Victory becomes a contributing cause of trust, good expectation, contest, and every association; but sometimes it contributes to penalties and rewards." - Paulus Alexandrinus

The **Lot of Nemesis** is in 19° **Taurus** 31' and in the **11th** house.

This lot seems to indicate what is most likely to bring the native down. "Nemesis becomes a contributing cause of subterranean fates and of everything which is ice-cold, of demonstration, impotence, exile, destruction, grief, and quality of death." - Paulus Alexandrinus

Nemesis in Taurus: the love of money

Nemesis in Eleventh house (Aquarius): large gatherings, loneliness, political incorrectness

Lots related to family:

The **Lot of the Father** is in 17° **Scorpio** 6' and in the **5th** house.

If the lord of the lot of the father is dignified and is pivotal (angular) the father is strong and fortunate and may be eminent. If in decline and debilitated, judge the opposite. - Paulus Alexandrinus

The **Lot of the Mother** is in 6° **Pisces** 21' and in the **9th** house.

Same as for father.

The **Lot of Siblings** is in 23° **Capricorn** 45' and in the **7th** house.

The **Lot of Children** is in 18° **Capricorn** 28' and in the **7th** house.

The **Lot of Daughters** is in 4° **Gemini** 52' and in the **12th** house.

The **Lot of Sons** is in 13° **Virgo** 44' and in the **3rd** house.

The **Lot of Marriage for Woman** is in 10° **Pisces** 1' and in the **9th** house.

The **Lot of Marriage for Men** is in 2° **Sagittarius** 16' and in the **6th** house.

The **Lot of Deceit in Marriage by Woman** is in 12° **Leo** 47' and in the **2nd** house.

The **Lot of Deceit in Marriage by Men** is in 6° **Leo** 19' and in the **2nd** house.

The **Lot of Marriage (in general)** is in 7° **Virgo** 20' and in the **3rd** house.

Lots related to society:

(Hellenistic)

The **Lot of Debt** is in 1° **Sagittarius** 10' and in the **6th** house.

Indicates what could be a source of financial losses or debt.

The **Lot of Theft** is in 22° **Libra** 10' and in the **4th** house.

The **Lot of Treachery** is in 29° **Capricorn** 38' and in the **7th** house.

Betrayal of trust

The **Lot of Accusation or Exile** is in 3° **Libra** 41' and in the **4th** house.

Lot of Being in a Foreign Land (exile), Lot of Accusation, also Lot of Police: indicate areas of life where someone may be accused of something, either falsely or truthfully.

The **Lot of the Destroyer** is in 15° **Gemini** 18' and in the **12th** house.

We have little systematic information of its use except that it seems to relate to the manner of death. I would urge astrologers not to be careless in the use of this lot.

Pholus | Sudden Life-Changing Events

Pholus helps us achieve our soul contract and mission, the symbol of turning points (of no return), the catalyst, a small cause yielding a large effect, explosive results, transformation without premeditation, euphoria, self-destruction, awakening, curing addiction, release, searching, intensity, discovery.

Here, painful realizations of boundaries and responsibilities come as you grow. Pholus is where one absentmindedly, even blindly, goes about one's business until he sees the mortal light and crashes, grounded by confrontation of karma and responsibility.

Pholus in Sagittarius (Rx)

(canvasofthecosmos.tumblr.com:) Pholus in 9th House/Sagittarius: When you finally find something to believe, you have forcefully strong opinions on the subject. You get inspired to acquire knowledge when information shakes you to the core. With travel and secondary schooling comes strong changes in perspective. In fact, you're always expanding your perspective by reading books and articles on what fascinates you, debating with others, or just by leaving your house and absorbing the world around you! Secondary education and long-distance travel may be a painful awakening on how little you know and how far you have to go. However, instead of letting this petrify you, you take it as a personal challenge and push through, no matter how many tearful nights it takes. You are fascinated with other cultures and points of view. However, don't forget that you're human, like everyone else. We all make mistakes and believe things that are biased, sometimes to the detriment of others. The reason we make mistakes is to learn from them, and if your point of view doesn't match up with someone else's, it doesn't always mean that you're better than them. Share your patience and determination with others by teaching them, helping them to understand differences and bridge the gap, not just looking down on them.

Pholus in 6th house

(12andus.com:) You may be going about your business, involved in day to day tasks when you accidentally stumble into a rabbit hole that leads to major awakening.

An unintended accident, one small detail in your work, a seemingly mundane action will unleash consequences you weren't initially expecting.

This can mean that you end up entangled in a conflict that escalates dramatically. You may become toxically obsessed with mundane details, work or tedious matters. You may want to find security, health and stability but your desires will lead you to getting

embroiled in tedious and unproductive tasks.

You can find great success through mundane work and doing things with your hands. Your efforts to fix or make things and your service to others can lead you to make dramatic life changes.

You may accidentally stumble into a situation that leads to success in your work or good health. You can use your attention to detail to work your way out of a messy situation.

Eros | Love, Desire, and Sexuality

Where you break with logic and rationality in favor of desire, associated with bringing havoc, your most powerful turn ons. Is used a lot in synastry.

Eros in Pisces

You may use sex as a vehicle for spiritual transformation as well as deep connection. You may fantasize about or use mind altering substances to enhance your sexual encounters.

You love to lose yourself and transcend boundaries in order to feel complete connection with a partner. You may be drawn to creating a mood with creature comforts and sensual music in order to feel completely entranced in the moment.

Fusing sexuality and metaphysical and occult pursuits is also arousing to you. You may fetishize some aspects of spirituality. You may also become codependent and obsessed with your partner.

Eros in 9th house

(12andus.com:) You have an idealistic style of expressing your erotic nature.

Your sexuality is expressed through your desire for intimacy with a vast array of different partners. You may become bored easily with just one partner. You also may fetishize people from different cultures or some aspects of different cultures.

You easily fantasize about your love interests and may have a strong desire for adventure as part of your sexual exploration. You may find legs to be particularly erotic.

You may also have a desire to explore sexuality in many locations around the world. Poetry, culture and the arts appeal to your sexual desires. You may also have fantasies about erotic encounters in institutions of higher learning or involving people who are established gurus or academic leaders.

New information and new settings arouse your passions. You may have an erotic attraction to mentors or teachers in your life as well.

- (12andus.com:) You can easily merge self-discipline and responsibility during times of dramatic upheaval and crisis.

When you are faced with cataclysmic and life changing milestones, you look to tradition

and work to try to create security and stability. You may naturally have an instinct for persevering during difficult times.

You can naturally step into roles of responsibility or own your own work, responsibilities and maturity as a result of major milestones and lifechanging crises.

Even when you try to be protective and do all the right things to set a solid foundation, circumstances beyond your control can lead you to realize how limited your abilities are.

Rather than despairing, you can instead find greater endurance and strength. Challenges bring out your inner strength and fortitude.

2) ► 12° Sagittarius 26' **Pholus** ✎ **Conjunct** ♀ **Lilith** (Rx) 10° Sagittarius 56' - (1°30') (12andus.com:) Your independent nature and rebellious side can fuel unexpected crises.

You can make small decisions to promote your independence or rebel against the status quo and not realize the full impact of what your decisions unleash.

Even during crises or cataclysmic events, you may be more focused on your own individual needs and what the crisis means to your individual freedom rather than considering the ramifications of the crisis to others.

For you, dramatic crises and cataclysmic events can serve as a wake up call, reminding you of your personal needs or centering your focus on yourself.

Crises can be the impetus for you to pay more attention to your own needs and following an independent path rather than trying to please others.

3) ► 12° Sagittarius 26' **Pholus** ✎ **Conjunct** Sp **Spirit** 21° Sagittarius 1' - (8°35')

4) ► 12° Sagittarius 26' **Pholus** ✎ **Opposition** ♃ **Jupiter** 16° Gemini 57' - (4°31') (12andus.com:) You may feel an inner tension between your beliefs and ideals and the challenges you face in the midst of crises and turning points in your life.

You can find higher perspective and empowerment through crises and challenges because you see the limitations of your dreams and ideals in the face of situations beyond your control. This can potentially be humbling and re-energizing.

You may need to work through the temptation to be overconfident or overoptimistic in order to more accurately see the impact of major life turning points and crises.

If you can work to embrace these phases as transitions to helping you fulfill your ideals and larger mission, you can find empowerment through a shift in how you see yourself rather than expecting external situations to shift to fit your needs.

5) ► 12° Sagittarius 26' **Pholus** ✎ **Opposition** ♄ **Neptune** 12° Gemini 27' - (0°01')
(12andus.com:) You may feel torn between your desire to show love, empathy and compassion and the illusions that protect you from really facing dramatic crises.

When you do face your role as healer or spiritual guide during a time of unprecedented, cataclysmic changes, you will be able to draw on your sensitive, intuitive and compassionate side and help guide others to advance spiritually during a critical time of change and turmoil.

You can grow to align your mystical nature and your role as protector or healer in order to serve others during a period of cataclysmic change and disruption once you overcome your personal fears and focus instead on the larger spiritual ramifications for these times of change.

6) ► 12° Sagittarius 26' **Pholus** ✎ **Sextile** ♋ **Vertex** 8° Aquarius 13' - (4°13')

7) ► 12° Sagittarius 26' **Pholus** ✎ **Square** ☾ **Moon** 15° Virgo 28' - (3°02')

(12andus.com:) You find it challenging to deal with the emotional backlash of dramatic, life changing events.

You may feel like you have crises or situations all under control yet conflicts you face can have a much broader emotional impact than you originally anticipated. You may try to be a helper, counselor or confidant for others but the impact crises can have on your own psyche and emotions can be dramatic.

You'll have to work harder to challenge yourself so that you can connect with others emotionally in times of crisis and follow your intuition. This can lead you to mitigate damage during times of dramatic change.

8) ► 12° Sagittarius 26' **Pholus** ✎ **Square** ♅ **Ceres** 13° Pisces 41' - (1°15')

(12andus.com:) You may find it difficult to face your obligation to others during crises or turning points.

On some level you may feel it is important to provide for the comfort and security of those around you, but you also may resist facing the full scale of a crisis at first because it challenges your own personal sense of comfort and security.

When you adjust your expectations or perspective, you'll be better able nurture yourself and find security in the midst of crises.

With some adjustments to your expectations, you can find the motivation to act out of compassion and help others find the stability and comfort they need as well.

Your past experiences and traumas give you a healthy respect for the power of your erotic nature. You are fully aware of how infatuated you can become when your instincts are triggered.

You are closely connected to the wounds of your past and can easily recall the lessons about what can happen when you let yourself go and lose yourself in the moment. You have powerful erotic energy and your past traumas and wounds can have a dramatic influence on how you express your erotic nature.

You may get lost repeating past patterns if you don't acknowledge the wounds you carry but at the same time, being attuned to these past wounds can also help you blend the best of both worlds, using your intuition and wisdom from being burned so you can express your erotic side while not repeating past mistakes.

15) ► 22° Pisces 13' **Eros** ✎ **Opposition** ☾ **Moon** 15° Virgo 28' - (6°45')

(12andus.com:) You may find it challenging to express your erotic desires if you don't feel secure first.

It's not a good idea for you to try to have a sexual relationship without an emotional connection. Even if you tell yourself you can handle a "friends with benefits" relationship,

you'll inevitably develop an emotional attachment.

When this happens, you may come to expect that your partner will naturally fall in love because of the amazing sexual energy and chemistry, but this is not guaranteed. You can feel conflicted about how to find security and emotional connection and also reveal your sexual side.

You may have to work through an emotional hang up in order to embrace your sexual desires and pursue your fetishes. In order to fully explore your fantasies, you first need to feel confident and secure.

16) ► 22° Pisces 13' **Eros** ♄ **Square** ♊ **Jupiter** 16° Gemini 57' - (5°16')

Yet if you shift your perspective and come to embrace the vast array of desires and fantasies you have, you can find greater confidence in your sexuality and learn to appreciate your desires.

If you are able to challenge yourself to see past the limited view of sex or eroticism you have inherited from other generations, you may be better able to embrace your sexual desires and express erotic love.

18) ► 22° Pisces 13' **Eros** ♄ **Square** ♐ **Spirit** 21° Sagittarius 1' - (1°12')
(12andus.com:)

(12andus.com:) You may find it challenging to express your intense erotic desires.

Your focus and militant nature may lead you to prioritize your mission or campaign for change and ignore your sexual nature. Your erotic nature may seem extraneous and not important to your larger cause. You may feel like you have to suppress your erotic side in order to maintain an image of power or neutrality.

Though you give greater emphasis to your intellect and creativity, you may find that you can channel your visionary nature and use your intuition to express your erotic desires.

Your deeper desires and fantasies can also come to inspire your bigger mission as you can find patterns and connections between many things.

Hygiea | Health, Wellness

Health, cleanliness, and sanitation. [1] where the body is important to you

Hygiea in Aquarius

(astrology.com:) Aquarius or in the eleventh house: These individuals evolve their approach to wellness over time by observing what motivates others. It's best that they surround themselves with a network of health-conscious people, even if their methods or modalities are seemingly counterintuitive. These natives must be aware of how absorbent they are when exposed to new information. If around those who neglect their minds and bodies, they may fall into similar traps out of unconscious solidarity.

Hygiea in 8th house

(astrology.com:) Scorpio or in the eighth house: While sex seems like the obvious activity here, it's not pure release that this individual needs—facing fears helps their immune system thrive. When they take risks, they feel powerful, and when they feel powerful, they feel healthy. Sensitive souls, these individuals are subject to paranoia, like shadowboxing imaginary health scares. Trusting their intuition syncs the mind-body connection, and their wellbeing falls into place. What to be aware of: safety first!

Psyche in Leo

(fauxastrology.tumblr.com:) Psyche in Leo/ 5th house: My soul comes alive when the lights go out in the theatre, when I hear "And action!", when I can feel all eyes on me; I am most at home when I get lost in art & forget about the world around me, when I let emotion guide my hand, voice, body.

Eris | Soul Warrior

Exhibiting the power of action and choice, when fierce is warranted, right rage, creating a better world. Whistleblower, poetic justice. [1] self-validation

Eris in Aquarius (Rx)

(synnisisigns.com:) Eris in the eleventh house of organizations and friends, you either do or will come to understand the necessity of a cooperative role within the group. You may be confronted with situations that place you outside the group for a time to experience the feeling of “odd man out.” In a cooperative society there is no room for pushing people to an outsider’s position. When you come to understand this yourself, you can teach the rest of your brothers and sisters.

Eris in 8th house

(synnisisigns.com:) Eris in your eighth house of death [transformation] creates situations where you experience people trying to take away your resources. Inheritances, insurance payments and loans can be contentious and difficult experiences, especially if you are elected to be the conservator/distributor of those funds. You may have to share a partnership role in the disbursement of funds, but do not have final say in where they are to go. In the area of sexual development you may have sexual experiences that are incomplete or unsatisfying due to one partner or the other demanding a control of the sexual experience.

Pandora | Foolish choices & Toxic curiosity

Where one needs to see things as they really are.

[1] where one must provide masculine prowess or be considered a failure

Pandora in Pisces

(astronomicallyaligned.tumblr.com:) Dreams, illusions, fantasy, sunconsciousness, and mysteries fills your mind. In that box is the night sky and the dreamworld. You want to look into eternity and forever. The past and the future. In everybody's hearts and dreams. If you let loose the velvet starry night with scattered stars and crushed dreams, everyone will drown in their own mind. You want to share and attain the beautiful dreamworld, but you cause destruction by nothingness. People will see what they have never seen before, they will find all the hidden. No man or woman is ready for that. Use that inner compass always searching for something, to add mystery and fantasy to your life instead. The big blue and salty waves, over your divine coast, connected to both the water and heaven. Will lead you into euphoria.

Pandora in 9th house

(astronomicallyaligned.tumblr.com:) You're curious about higher education, knowledge, wisdom, exploring, discovering, philosophy, and morals. You could open a bottomless pit in people that could make them do anything for knowledge. Sometimes you even open that pit in yourself.

Nessus

(vamzzz.com:) Considering its complex and rather extreme nature, it is no wonder we see a large diversity in the collection of attributed characteristics; lessons in setting boundaries, seeing (one's own) limits, accepting limits; identification of hidden abuse patterns; complex cause and effect relationships, breakpoints in karmic cycles; revealing the truth, resolving a situation; taking responsibility for a confrontation, the perpetrator caught; desire; possessiveness, jealousy, being vindictive, manipulative or resorting to black magic for sexual or financial needs. Finally, several researchers associate Nessus with blood, diseases passed on by blood, or blood rituals, and superhuman strength or powers.

Philip Sedgwick characterized Nessus in astrology as "The ultimate Centaur bad boy", bearing the wounds of "greed, decadence, intimacy and sexuality". As positive Nessus properties he mentions: generosity, benevolence, compassion, willing to lend a helping hand, cooperation, respect for boundaries, aware of the power of life energy, healthy use of sexual energy. Concerning the latter: Taoist health trainer and teacher Mantak Chia has Nessus conjunct Sun opposition Hygeia!

My experience with Nessus transiting in hard aspect to the Sun is that this Centaur evokes an inner transformative crisis that demands clarity and decisive action based on "cut the crap". In the personal horoscope Nessus can be a player with violent impact. Forcing entry seems to be the core quality of this Centaur.

In harmonious aspects, this gaining access goes pretty easy, while in hard aspects, where access is denied, it has to be forced open and in extreme cases violence is used. Thus, in line with these characteristics, Nessus also has to do with breakthrough, breakout, escape, rescue and hacking.

Computer hacking is a Nessus-thing pur sang, especially when combined with Mercury, Uranus, Vesta or Makemake. Also espionage, spies, officers, burglars, rapists, rape in general – mentally or emotionally -, black magic, executioners, cracking a closed system (be it a nut or oyster or bank vault, or mind frame), assassins and police raid teams reside under Nessus.

Nessus in Gemini (Rx)

(smartyoungsters.com:) This is the verbal Nessus that may use his communication abilities to manipulate. A compulsive, opinionated journalist with an "uncontrolled pen or tongue" is this Nessus. He can be the bully in the house who manipulates his siblings by gossiping to get things his way. Blackmailing by using his writing skills, investigative journalist, crime journalist using pen for fulfilling his desire is this Nessus. When controlled positively by Saturn and Chiron, this Nessus can bring in much desired change in the society through their passionate verbal and writing skills. In love, this Nessus is a creative manipulator who talks his way through arguments. He doesn't fight, he negotiates smartly but compulsively to earn his partner's faith.

Nessus in 12th house

(smartyoungsters.com:) This is the Nessus who is obsessed with spirituality, oldage homes, hospitals, photography, painting, art, nomadic lifestyle, dreams, healing, reiki and being a mystic living on mountain. This Nessus will be excessively fond of water and living besides it. Like the Nessus in Sag/9th house, he also is a compulsive traveler but of a mystic sort. He is a compulsive painter, photographer that is obsessive about capturing every single detail. He runs behind the mysteries of the Cosmos and keeps himself occupied with it. He has a compulsive desire to learn healing crafts like pranic healing and reiki. He can use these to manipulate his disciples, patients and followers. A guru who talks to spirits of the ancestors. He prefers living life his way avoiding bondage of any kind, slipping out of the hands like a fish. A person who avoids responsibility of any kind. When expressed positively, this is the "Adi Yogi" avatar of Lord Shiva who can cure with compassion, the world's first reiki master who can heal and turn "prana or chi" in the positive channels. He is also the alchemist. A dream interpreter, spirit medium, spiritual guru and master artist like Leonardo Da Vinci, is this Nessus. In love, he is detached, free from bondage and a nomad moving from place to place discovering the secrets of cosmos. He is intuitive, magician, mystic and tuned to the spirit world. He will need plenty of space.

Positive: Balanced perspective of overviews combined with essential detail.

Negative: Picky, judgmental, cantankerously weird, ungrounded.

Mark Andrew Holmes: turning point, stymied, conflict, beleaguered, endings, in a rut, bottled up, frustrated, at war with the world, taking on a lot, tilting at windmills, ability to handle frustration.

Arachne

Sowing complex solutions to complex problems. Patience; the greater pattern.

Complexity; simplicity. Can indicate where your own gift lies, she also shows where you will be challenged to perfect your craft, where you must be able to do what you say you can do and where you may experience competitive clashes. Taps into the unknowable,

even what 'should not' be known. Arachne may connect to the concept of playing God.

Asbolus

Root chakra (or reptilian brain) awareness. Sombre, pessimistic, with a lot of depth (but tangled in a vortex-like manner of information processing). If dominant: usually having a lot of trouble receiving advice or compliments from others. Easily goes over the top, exaggerates protectionism, and isolates itself unnecessarily.

(vamzzz.com:) It represents the domain of Yin. Ontologically and sociologically it relates to the root of individualism, technology and in the worst case murders. Theologically it relates to the figure of Satan.

Six different ways Asbolus can work in a horoscope:

- One could distinguish six different types or subtypes of Asbolian influence. The first type detects the inhumane, the perversion or violation of human rights and the ethical. (Julian Assange, Jannis Varoufakis, Edward Snowden, Sahra Wagenknecht, Karl Marx et al.)
- The second type of Asbolus is not a strong influence, but acts more some kind of dull

black spot in the chart.

- The third type corresponds with the seer and empowers clairvoyant faculties (James Van Praagh and Anton Pauwe).

- The fourth type shows Asbolus as a pit of horrors, darkness, psychopath inhuman features and atrocities (radix-horoscope USA, Madeleine Albright, Joris Demmink, Adolph Hitler, Barack Obama, Zbigniew Brezezinski, G.W. Bush, Hillary Clinton, Joseph Stalin et al.).

- In the fifth case Asbolus is a dark artistic inspirator in a creative horoscope, making an impact on the public by mingling the aesthetic with some distortive, taboo breaking, or intense Plutonian atmosphere (Ilona Staller, H.R. Giger, Georges Bataille).

- The sixth Asbolus is a crossbreed of two or more samples of the above. For example, one could be a loving person, socially very aware of ethical values, but also a master in writing short horror stories. When in league with evil, the outcome is never Asbolus responsibility alone, but a joint venture with the totality of the chart

Gonggong

Chaos and attunement through (social) alchemical knowledge. Well directed mental efforts, trial and error, aiming at improvement/transmutation through social Alchemical knowledge in a sorta big brain mass psychology way, resulting in chaos, "tilting of earth", mental.

(Malvin Artley) In one of the myths Gonggong was said to be stupid, but what emerges from apparently ignorant actions is actually the road to truth and insight in the end and shows the promise of mental efforts well-directed and pointedly focused.

Ixion

Very masculine energy, ingratitude, murder, passion for supplanting the prevailing system, haunting, loneliness, disorientation.

(synnisigns.com:) It needs great loves and it's phantasmagoria will push him beyond the curtain of reality when circumstances are below his taste. In career, it must destroy existing concerns, clans, lobbies, lodges, clubs, factions, cabals, plots, allegiances, fraternities, cults, newsgroups, web-sites, teams, alliances, trusts, blocks, interest

groups; and from the resulting chaos choose and pick his own few good men to form it's own enterprise, not without bitter struggle and a sword hanging over it's own head. Religious fanatics are born along this line, those well meaning fellows that send humanities to death, schizoid nationalists, new hitlers, media magnates, islamic terrorists, highlanders, beings of war and chaos. In positive aspects (conjunct casanova and Uranus) it can prolong love making up to several (three) days, an unending erection. [1] how you order others around

(arwenmclaughlin.com:) True unconditional love energy that knows itself to be unconditional energy, and therefore has strict boundaries. It does not allow anything into its life that is not authentic, or that would compromise its integrity. Thus it is not interested in the past, or anything that came before, it is only interested in, what comes next in love? What can we create now? What can we now build in its most glorious form that serves the self as well as others? How can we create a structure that works for everyone in its highest and best form? Humanitarian, new frequencies of energy, new and higher forms of energy, the vibration of the alchemist, creator love energy, miracles and overwhelming acts of kindness, "the Change", "the New energy", healing with energy, light, and sacred geometry.

Panacea

(astrologyclub.org:) Panacea is “the cure”—but it’s not as simple as that. It’s “what you believe it takes to make things better.” Thus, what do you or others have to do in order to bring about an improvement. With Panacea in hard aspect to the Ascendant, a person would have to “be” different to bring about an improvement; they’d have to alter their routine and initial response. A retrograde Panacea might not really believe lots of things can be fixed.

Persephone

Where we are scared to take charge;

(YT: Tom Jacobs:) A theme of looking immature from the outside but being capable of maturing it through the inside. Have to make a change: a leap into a thing with boldness that might seem like a stretch or too much for us because we've never done it before. So some persephone people are timid, because they've had been put words into their mouth and have been told they can't take care of themselves. Sometimes they'll reject that, and they are quite confident because they had to at some point grow up overnight. Whether that was pleasant or unpleasant, whether that was a choice they drove or it was driven by other circumstances and other people.

So there is a sense of a Youthful spirit and maybe some naivete but the appearance of naivete surely.

Proserpina

(houseofinferno.com:) [...] but many of these deities have the same story with different names. Proserpina's name means "to emerge". (ref Persephone!)

She represented the irrepressible feminine spirit who would not be controlled or restricted. Some astrologers look to the asteroids Proserpina / Persephone in a person's natal chart to see where we give our power away, or have it taken from us, so we can use this information to not be so passive and assert ourselves properly so that we are not so easily controlled. What we could take from Proserpina's story is to honour the

cycles and changing seasons within ourselves. Sometimes we are cast into the Underworld when something bad happens, and we should never spiritually bypass these situations.

We have to feel our pain and darkness to move through it. But when we are ready, we can emerge to cultivate something better for ourselves and let go of the things that don't serve us.

We should also be mindful of how we assert ourselves. We need to show ourselves love and respect by building healthy boundaries. We need to stand up for ourselves when we are being unfairly treated, and we also need to be mindful of how we do this to others. But we should also take care to know the difference between assertiveness and aggressiveness and make sure we achieve a healthy balance so we don't take away or restrict another's free will or cause unnecessary harm to others in the process.

(jessicaadams.com:) Proserpina shows where you are taken over, taken, then take back.

Sisyphus

(leahwhitehorse.com:) Repeated mistakes, stuck in pattern through fear of change. To be admired for his outright refusal to accept death and for his ability to repeat a task that is doomed to fail for all time. In him we see the try, try and try again attitude.

Perhaps the positive side of this asteroid is the ability to keep going, even when we can't yet see the point. Essentially, he perhaps shows where we can find meaning in what we do on a daily basis, not just in our achievements or the winning of battles.

Latitude/Right Ascension (Position) (322th Harmonic)

Ordered from Aries to Pisces. Programmed in increments of 10' each, so, if two or more are in the same incement, they will be alphabetical too eachother, is only marginal tough.

Speed in °(degree)/day (eg. the Sun travels a little less than one degree in a day) and distance in Astronomical Units (AU) (which is the average distance between the Sun and Earth).

Fixed Stars

Only conjunctions here. Now will, anything inside the orbs of the fixed stars behind the (moving) planets and other objects from the chart, be shown. I've taken the orbs of the star conjunctions from the following two websites: 'astrologyking.com' and 'fixedstarsastrology.wordpress.com'.

If the orb from the first website was biggest, I have left it like that. If the orb from the second website was the biggest I have changed it to the average of the two.

I also gave all the four Archangel stars (Aldebaran, Regulus, Antares and Fomalhaut) plus Sirius and Spica a bigger orb of 200 minutes (3°20'). Caput Algol, as a evil influence, I gave 3°.

A lot of these stars (297 in this script, plus the Galactic Center and the Great Attractor) are far away from the 12 Zodiac-constellations, so saying that the Zodiac has a certain height is not really usefull because it stretches all the way around Earth, in height (as well as in width via the Signs.

(NOTE from 'fixedstarsastrology.com':) — Do not let any of the negative descriptions for any stars that follow which may apply to you frighten you. If you live a good, clean life, good will be in store for you Rather than the darkness that may otherwise apply to you. Live your life with good conduct. ALSO — you can check your astrological chart's planets conjunctions with the stars you were born under to understand yourself better. Stars are rated based on my judgement (John Hebert) with (+) being good and (-) being not good, and the more of each one, the more positive and negative the star's influence.

[1] (- - - -) april 25-29 Mars-/Saturnian - violent, brutish, cruel, premeditated crimes, portends events concerning sacred rites and the worship of God, restlessness, drive to excel, rebelliousness, competitiveness, use of unorthodox methods to achieve your goals, power to overcome obstacles with concentration and persistence, warns against being inconsiderate of others and using force to get your own way, encourages practicing patience to develop skills, talents, and abilities, warns against putting priority on money, strong will, headstrong independent action, will not take 'no' for an answer, patience, discipline, hard work, concentrated energy, leadership, the healer, leisurely, solitary, melancholic, phlegmatic, serious, extraverted or introverted, can be passive aggressive or depressive

[3] Fixed star Hamal (aka the "Head"). Sensual but sadistic, this independent stellar warrior seeks satisfaction through self-indulgent and aggressive action, with a strong and immediate desire to dominate and control. But without a direct outlet for this cruel and debauched energy, it is forced inwards and manifests as frustration and resentment.

Angry and with no opportunity to express, do not attempt any daring or risky business as it is highly unlikely to succeed, and could end in a scandal... or devastation. However with awareness, self-restraint, and patience, then this powerful energy can be harnessed as a protective force, offering leadership and success.

If this energy is channelled positively and constructively it becomes a force of personal power. When the storm rages inside, it's time to take a look at what's going on in the mind. This type of personality engages in self-destructive behaviour. With time spent on working on the self, a certain type of intelligence is found.

Hamal fixed star meaning is one restrained and controlled aggression towards positive outcomes. But only if harnessed and approached with extreme care and attention. Hamal appears in an astrology chart when things are about to get serious. A certain situation grows to boiling point and action is needed. If any sort of constructive energy is to prevail.

Hamal star also indicates working in the confines of the law. Judgement and interference from others could bring a major project to its end. When working with others insure their integrity before sealing any business deal.
