### **The Humanitarian**

The Life Path 9 suggests that you entered this plane with an abundance of dramatic feelings coupled with a strong sense of compassion and generosity.

The key to the nature of a Life Path number 9 person is found in their humanitarian attitude.

The 9 Life Path is not apt to get rich since they are very generous, sometimes to a fault, and usually have an easy come, easy go attitude about money.

You have the ability to make friends very easily, as people are attracted to your magnetic, open personality. You meet people easily and are quickly befriended because of your openness and amiable demeanor.

Relationships can be difficult for you because it is hard to strike a balance that will work effectively. If your partner is one sharing your giving attitudes, the relationship will be happy and lasting. On the other hand, if you choose a partner whose focus is on material issues, problems will arise quickly.

The purpose of life for those with a 9 life path is often of a philosophical nature. Judges, spiritual leaders, healers and educators frequently have much 9 energy. The number is less inclined to the competitive business environment and may find this a struggle.

Because you are so giving you may find that your finances are not in the greatest shape. You may also have a tendency to be scattered. Your talents lie in so many different directions that you may find it difficult to focus on just one. If you are not following your Life Path and are instead pursuing only materialistic gains, you could feel a deep level of dissatisfaction with yourself.

### ***Expression (Destiny) Number: 7***

([659] numerologycalculator.online:) The number 7 Destiny suggests that the direction of growth in your lifetime will be toward thought, analysis, and the development of a mind skilled at searching out the truth.

You must become accomplished at analyzing, judging and discriminating, so that little escapes your observation and deep understanding.

In this you will become increasingly introspective, and value seclusiveness and solitude.

You are the type of person that can really get involved in a search for wisdom or hidden truths, and you must become an authority on whatever it is you are focusing on.

This can easily be of a technical or scientific nature, or it may be religious or occult, it matters very little, you pursue knowledge with the same sort of vigor.

You can make a very fine teacher, or because of a natural inclination toward the spiritual, you may become deeply emerged in religious affairs or even psychic explorations. You have excellent capabilities to study and learn really deep and difficult subjects, and to search for hidden fundamentals.

You tend to operate on a rather different wavelength, and many of your friends may not really know you very well. At full maturity you are likely to be a very peaceful and poised individual. You really like to work alone, at your own pace and in your own way. You neither show or understand emotions very well.

The positive aspects of the 7 Destiny are that you must be a true perfectionist in a very positive sense of the word. You are very logical, and usually employ a quite rational approach to most things you do. You can be so rational at times that you almost seem to lack emotion, and when you are faced with an emotional situation, you may have a bit of a problem coping with it.

If there is an over supply of the number 7 in your makeup, the negative aspects of the number may be apparent. The chief negative of 7 relates to the limited degree of trust that you may have in people.

A tendency to be highly introverted can make you a bit on the self-centered side, certainly very much self-contained. Because of this, you are not very adaptable, and you may tend to be overly critical and intolerant.

### ***Life Path - Expression Bridge Number: 2***

([660] numerology.center:) Number 2 gives you characteristic of a very loving and pleasant person. But the other people, generally, cannot notice that. You think that you are an open person and everybody understands you, but, unfortunately it is not like this. All people are different and you have to be more tactful towards others so that they can see your friendliness. In some situations, diplomacy and practicality may help as well. Sometimes you are not attentive enough to other people. It may hurt them and lead to further misunderstanding. You have to be more polite and open to make contacts with others and avoid conflicts, which doesn't definitely lead you to your dream's accomplishment. You have to be sure of your capabilities and not to repel other people. This is a recipe for your happiness and luck.

### ***Heart's Desire (Soul Urge) Number: 8***

([659] numerologycalculator.online:) People with the 8 heart's desire thrive on attaining power and wealth. They are very ambitious, goal oriented and competitive and thrive on challenge.

Your desire is to achieve what you have built up in your mind to be the pinnacle of success. You hunger – even lust – for things like power, wealth and material possessions. The only problem is that in your pursuit of these things you have a tendency to lack attention to pertinent details.

You will find yourself on a constant learning curve as you attempt to harness the aspects and characteristics present in all your core numbers.

There is no single part of you that will achieve the success you desire. Every facet of your personality and intellect will need to be employed if you are to achieve your goals. Many of your abilities will be sharpened and refined along the way. You will find that this personal evolution makes you an ever-increasingly good judge of other people's character and this trait is one that you must constantly strive to improve and develop.

### ***Personality Number: 8***

([659] numerologycalculator.online:) The eight personality is very ambitious and competitive, but typically good- natured about it.

They appear confident, lucky, and highly resourceful.

Eight people love to push themselves to reach consistently higher goals. They are very good at envisioning and developing projects. People see them as well rounded and having good business sense.

Their radiated strength, charisma and power makes others to see an executive or leader in them.

People with Personality Number 8 appreciate their reputation and image and make everything to have an image of a confident, capable, prosperous and successful winner. They are impartial, cool and can control and manage any possible problem due to their inborn endurance and stamina.

Besides overcoming challenges and obstacles they like to prove others they are capable of that.

They are attracted to the arenas of finance, business or politics and want to be involved in influential circles.

### ***Heart's Desire - Personality Bridge Number: 0***

([660] numerology.center:) This number brings you luck. You have a wondering ability to make people feel calm, happy and comfortable near you. They like to spend time with you and look for your company. You are a responsible person and you understand that success depends on your efforts. But sometimes it is impossible to control everything. Just accept it and don't give up. You have a tendency to be nervous if your plan is not fulfilled. If something goes wrong, you don't have to worry too much. With time, everything will come to be in its place.

### ***Quiescent Self Number: 8***

([661] affinitynumerology.com:) Quiescent Self — This chart position provides insight into what you consider to be an ideal existence. A quiescent period is being immersed in oneself with personal perceptions of ideal existence (without outside influences) and experiencing the feelings and rewards and activities as if they exist in actuality. (The "quiescent self" number sometimes is referred to as the "inner dreams" number.)

During quiet contemplations of an ideal life, people with quiescent-self number 8 are likely to imagine themselves as a moving force in building large physical structures or efficient procedural systems that have the potential to benefit society for a long time into the future.

The energy represented by the number 8 resonates with business and building remarkable and beneficial things. It is efficient. And it is a realistic energy.

Visualizations generally include the organization necessary to accomplish the goals of building structures and systems. It is common for visualizations to include being the executive director or on the board of international companies — with a dedicated staff sufficient to do business on a large scale.

The thoughts and pleasures of someone with this quiescent-self number tend to relate to accomplishing goals in an efficient manner — accomplishments recognized by individuals and society for their high caliber and their usefulness.

**Maturity Number: 7** = 9 + 7 = LPN + E(D)N

([662] feliciabender.com:) You're moving toward reevaluating what it means to work with introspection and spiritual contemplation. You're being called upon to work with your deep need to "know thyself" through solitude and specialization, scientific study or philosophical thought, and data analysis with intuition.

Where you'll be challenged: With this Maturity Number, there's often a shift in life bringing issues related to truth seeking to center stage. Situations will arise highlighting the need for isolated time for yourself, research or writing, and the search for inner peace and spiritual fulfillment.

What that might look like:

- A personal crisis that demands a re-evaluation of your beliefs.
- A choice to be unmarried or live with agreement around your need for solitude and contemplation.
- This can be a time where you share scientific breakthroughs, spiritual awareness, or psychological insights with others.

**Karmic Lesson Number: 2**

([664] worldnumerology.com:) Your 2 Karmic Lesson advises you to be diplomatic and tactful, to stay in the background at times, to accomplish something without the need for praise and reward. Learn to be part of a team.

Strive to be more sensitive to the needs and feelings of others. You will regularly find yourself in situations where the only road to success is through patience and attention, requiring you to work cooperatively with others. Working through this life lesson will bring you closer to others, which is its own reward.

The effect of this Karmic Lesson is diminished if you have at least one 2 among your other core numbers (Life Path, Birthday, Hearts Desire, Expression or Personality Number).

**Karmic Lesson Number: 6**

([664] worldnumerology.com:) Your 6 Karmic Lesson reveals an issue with commitment and responsibility in personal relationships. You have a difficult time committing to long-term and other important relationships. It is essential to practice conveying authentic emotion.

You may feel isolated and alone, but do not understand why. A missing 6 suggests you often form relationships yet remain guarded emotionally. This can make the bond between you and others superficial. Work on intimacy and communication in your relationships. Listen, and respond to the needs of others.

This lesson highlights the importance of close friends and committed relationships. Making a genuine effort to connect deeply with others - learning to give, and receive, and sacrifice at times, will bring a lifetime of joy.

The effects of this Karmic Lesson are diminished if you have at least one 6 among your other core numbers (Life Path, Birthday, Heart's Desire, and Personality Number).

***Karmic Lesson Number: 8***

([664] worldnumerology.com:) Your 8 Karmic lesson tells us you have the ability to attract a considerable amount of money and do well in business. But the missing 8 is likely to cause major ups and downs in your financial affairs, unless you are cautious about how you handle your resources.

You have the ability to attract money, but it has a tendency to slip through your fingers. This stems from a know-it-all attitude and stubborn behavior that prevents you from knowing your limits. Your desire to succeed can cause you to accept too much risk (and leave too little time to nurture important relationships). Balance is key to overcoming the deficit a missing 8 can bring.

This Karmic Lesson forces you to learn your limitations, and the limitations of your resources.

The effects of this Karmic Lesson are diminished if you have at least one 8 among your other core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

***First Pinnacle Cycle: 5***

(Month + Day) - from age 0 to 27 (based on LPN) - ([665] feliciabender.com:)

**General:** When you have a 5 Pinnacle, get ready for what I call an “ADHD experience.” This is a time for change and uncertainty. It feels as though you’re experiencing life without a filter. In this Pinnacle, vivacious, unbridled energy surrounds you and it’s hard to know what direction to go or what to grasp onto. Ultimately, this is a time for loosening up patterns of restriction you have held on to in the past. The 5 Pinnacle is all about developing a new sense of freedom, liberation, and adventure. This Pinnacle is all about change.

Change is the mantra for this period of your life—and that means change in everything from career direction and business decisions, to spirituality and health, marriage and divorce. You name it. It’s all up for review during this highly energized portion of your life. If you’re forward thinking and ready for a shakeup, this can be a brilliant time of transformation—but not without the pain associated with growth. This isn’t a time to nest or settle down; instead you’ll find yourself being drawn into the public world.

The major focus of a 5 Pinnacle is to learn to be adaptable and flexible. Remember: What you resist will persist. Don't resist this cataclysmic energy, yet also avoid impulsive decisions, including the strong urge to run away and avoid whatever you're experiencing.

**Pinnacle 1 Number 5:** First Pinnacle: A 5 First Pinnacle can be a difficult period because it's hard to find the stability to establish yourself, develop a sense of who you are, and set the foundations for what you want in adult life. Perhaps you end up moving quite often during this First Pinnacle and it requires that you change schools and friends often. The 5 energy invites you to live by your own rules in many ways during this early time, which can be great for you, if well managed. Most likely you'll find yourself getting into trouble. You're likely to experience a good amount of impulsiveness and a craving for unbridled independence during this early stage. The 5 is all about progressive thought and action – and also supports engagement with people and experiences that broaden your horizons.

**Warning:** Warning: Because the 5 Pinnacle is a time to expect the unexpected (and change is usually difficult for all of us) this period in your life can be exciting and yet unsettling. It'll often prove to be a transformational time accented with restlessness, activity, and a distinct desire to get outside of your own box. There also may be the tendencies to quit something before it's completed, to be promiscuous in your sexual life, or to habitually overindulge in food, drugs, alcohol, or gambling. Balance is key and a huge test during this Pinnacle.

### ***Second Pinnacle Cycle: 8***

(Year + Day) - from age 28 to 36 (based on LPN) - ([665] feliciabender.com:)

**General:** Money, business, authority, ethics, personal power, and abundance: These are the key elements in any 8 Pinnacle. This is the stage where you're bombarded with opportunities to embrace and define your personal relationship with power, money, and achievement. It has an intense focus on matters of responsibility, efficiency, power, authority, leadership, and management of financial affairs.

Sounds exciting, right? Yet under the influence of the 8 Pinnacle vibration your judgment will be tested over and over again and your career usually becomes your top priority. This isn't a particularly easy walk in the park. Chances are this Pinnacle will require you to make some substantial shifts in your life and your relationships. While your opportunities for achievement, recognition, and financial success are heightened, it'll require a lot of strength, courage, and tenacity to do so. This isn't an easy Pinnacle; it'll demand a lot from you and won't let up.

The 8 Pinnacle is also tricky because, while its vibration supports all things relating to money, power, and authority, its vibration is unyielding in its demands that you get there through the use of the utmost ethics, honesty, integrity, solid leadership, and feelings of

abundance—not just feelings of wanting to be “rich” or “wealthy.” The highest form of the Eight vibration has to do with giving as you’re receiving, with no strings attached, and from the clarity of your heart.

Aspects of the 8 Pinnacle are: status, success, recognition, business, and commercial activity. If you keep with it, this Pinnacle is set up to usher in improvements in your financial and personal power realms. The focus is on creative practicality with an emphasis on organizational and management skills and abilities. Emotions are downplayed and business acumen is at a peak.

**Pinnacle 2 Number 8:** Second or Third Pinnacle: If you encounter an 8 vibration during your Second or Third Pinnacle, you’re apt to find yourself in the executive world—or you could be married to an executive. You’re required to rely more on rational judgments and less on emotional impulses. You’re single-mindedly focused on your ambition and achievement of great financial success, power, and authority.

### ***Third Pinnacle Cycle: 4***

(1st Pinnacle + 2nd Pinnacle) - from age 37 to 45 (based on LPN) - ([665]  
feliciabender.com:)

**General:** A 4 Pinnacle is the period of your life where you’re being called to build your life with solid, stable foundations that’ll last. This is often a period of time where you’re drawn toward purchasing—or actually building—a home and concentrating your efforts on career and family.

This isn’t a particularly light-hearted and “fun” time because you’re learning and being tested by issues related to organizing, setting up good systems, patience, hard work, endurance, working step by step, and moving ahead methodically. This stage is for designing and pouring the proper foundation for your future. It’s a practical time where you’re putting your ideas into the material world and manifesting your vision with discipline and a serious attitude. This is a period of time where you’ll be tested in the realm of recognizing, moving through, and getting around limitations.

You’re being immersed in the energies that support a practical and realistic approach to life. So a demand for order, system building, and organization is key. The 4 Pinnacle encourages you to be dependable, conscientious, and reliable. Determined and somewhat relentless effort is required and you may feel a strong compulsion and emotional need to immerse yourself in work during this Life Stage. When you do, you’ll thrive on that energy.

**Pinnacle 3 Number 4:** Second or Third Pinnacle: A Second or Third Pinnacle with a 4 emphasis will fuel your ability to get ahead in the world and achieve—not so much because of innate talent as much as your drive and ability to out-work the competition. You might find some economic limitations during this Life Stage, set in your path to test

your commitment to building solid and steady foundations while not being beaten down by obstacles and limitations.

**Warning:** Warning: The 4 energy offers with it a bevy of teachers. As you're challenged to build something of lasting value, you're setting up your future relationship with money, your ability to meet deadlines, your ability to institute effective systems, and your way of dealing with limitations.

### ***Fourth Pinnacle Cycle: 5***

(Month + Year) - from age 46 (based on LPN) - ([665] feliciabender.com:)

*Segments General and Warning were already given for this pinnacle number.*

**Pinnacle 4 Number 5:** Fourth Pinnacle: The 5 energy that guides your Fourth Pinnacle results in a continuously fast-paced life. This won't be your road to a laconic retirement. Change and variety continue to present themselves and this can be an interesting stage of your life. In many cases, the 5 energy at the final stage of life brings with it freedom from overarching financial or domestic worries. Travel, adventure, change, and resilience define this final Pinnacle.

### ***First Period Cycle: 1***

(Month) from age 0 to 27 (based on LPN)

([666] worldnumerology.com:) The first three decades of your life represent a period of much intensity. It requires fortitude, courage, and flexibility. You will be forced to use every one of your talents in order to achieve your own personal individuality and independence.

This is a period of integration and focusing on your life's dream.

Your grip on your direction will be tested, but somehow the resources are available to overcome any obstacle and emerge from this time all the stronger. It is a time requiring independence, resilience, and strength, but these characteristics become integral part of your personality.

This cycle marks a time of progress.

### ***Second Period Cycle: 4***

(Day) from age 28 to 54 (based on LPN)

([666] worldnumerology.com:) The middle part of your life is a period of hard work and the rewards it can bring.

You are chiefly concerned with the practical aspects of life: career, family, and community. You are not given to pursuing idealistic or impractical goals during this time,

as you prefer to place your life on sound financial footing.

Find work you love, so your effort brings reward not only through promotion, success, and money, but also in joy and a sense of accomplishment.

This is a time dominated by discipline, order, and self-motivation, traits that will endear you to your family, co-workers, and community.

### ***Third Period Cycle: 22***

(Year) from age 55 (based on LPN)

([666] worldnumerology.com:) This cycle carries enormous potential for establishing a lasting institution or teaching that will greatly benefit others. You have the ability to manifest a concept, dream, or invention. Your talents as a builder, organizer, and visionary are at their peak.

You discern the needs of others and create constructive and practical plans to fulfill those needs. You commit yourself entirely to the work at hand.

For many, this dream lasts a lifetime and requires every ounce of energy and talent. An all-consuming role beckons but provides a great sense of personal accomplishment and reward. You possess an ability to make a lasting contribution to the well-being of humanity.

### ***First Challenge Number: 3***

(Day - Month or vice versa)

from birth until approximately the age of 30 to 35

([665] feliciabender.com:) If you have a 3 Challenge, you're learning to identify your feelings and to speak from your heart. It's a time where you're truly learning and mastering one of the major teachings of the 3 vibration: Your words have a profound impact on your life.

Sometimes the challenge resides in taking yourself and your feelings seriously; it may feel easier to use humor or criticism to mask your feelings. Or perhaps your challenge will be in taking yourself too seriously.

Some of the tendencies that the 3 vibration brings with it are the propensities for superficiality, exaggeration, self-centeredness, moodiness, and scattered energy. What this Challenge Number is inviting you to do is to use your creative energy to develop your positive, happy, loving, and inspirational spirit. Wasting 3 energy is like throwing away a priceless gift. It's the vibration of pure happiness.

You might feel the compulsion to do too many things at once during a Pinnacle that has a 3 Challenge. Despite your heightened imagination and gift for words—both written and verbal—this challenge will knock you over with a “block” when you want to express

yourself effectively and honestly.

Even though you know you should be “out there” cultivating friends and business associates, you’ll feel the urge to bury your head in the sand and a general malaise you can’t seem to shake—or at least not for long. Instead of experiencing the great joyous vibrations the Three has to offer, you’ll instead be bombarded with hopelessness or perhaps depression. You’ll struggle with feelings of negativity even to the point of becoming defensive and reclusive. You might also have a tendency for money to slip through your hands during this time.

You may have a talent or desire to practice your talents for writing, acting, or speaking, yet you’re reluctant to involve yourself with these activities because the thought of facing criticism is overwhelming. So you turn to expressing yourself with a negative emphasis as cynicism or ruthless judgment, or you might hide your creative talents behind a façade of withdrawal and feelings of shyness. You’re being called to develop yourself in a social and creative way. You must jump over the destructive landmines along your path.

#### Potential Destructive Aspects of the 3 Challenge

- Experiencing such a sense of self-doubt that you don’t move forward in your life
- Becoming an emotional sponge and experiencing severe emotional sensitivity
- Acting out of criticism and judgment
- Dwelling in negativity
- Shutting down, withdrawing, and becoming emotionally unavailable
- Attempting to get what you want through manipulation rather than stating it clearly
- Developing physical illness (especially in the intestinal tract) and depression

#### ***Second Challenge Number: 0***

(Day - Year or vice versa)

from the age of about 35 to 55/60

([665] feliciabender.com:) The 0 Challenge is called the Cipher Number. This number represents all or nothing, empty or full. You decide. With this number, you are given “a free pass,” so to speak. You’re being offered an enhanced dose of free will.

If you have a 0 Challenge, you can choose to amble idly along without a determined course or you can grab this profound opportunity to rise above your demons and achieve greatness. That is how powerful this energy can be for your Pinnacle. When you see a 0 in Numerology, it serves as an amplifier. To meet the challenge of the 0 vibration, you must have some sense of mastery over the constructive aspects of all the other numbers: independence, leadership, creativity, emotional self-expression, diplomacy, application, hard work, understanding, responsibility, wisdom, personal power, and humanitarian vision

It's suggested that a person who has a 0 Challenge number on their journey is a well traveled soul, so the 0 offers opportunities for you to use your compilation of soul knowledge during your lifetime.

There's great opportunity for expansion and growth under this Challenge. The obstacles you face during a 0 challenge may not be many or they may be coming at you from all directions. You can think of it this way: This is the Challenge of Choice. Therefore, choice feels more confusing and difficult during this period. The 0 is challenging you to have the utmost faith in your own abilities to the extent that you can form a healthy sense of detachment with which you can analyze a situation, make a choice, and then act on that choice with ease and comfort, unconcerned and neutral in feeling regarding the outcome.

Warning: If you have a 0 Challenge in your life, it should not be taken lightly or cavalierly, because, with this number, a decision must be made. We rarely make empowering choices by default. There is a lot of responsibility when any Pinnacle contains a 0 Challenge. Use its energy wisely and fiercely

### ***Third (Main) Challenge Number: 3***

(1st - 2nd Challenge Numbers or vice versa)

The Third Challenge carries much weight and will be felt throughout your life. For that reason, it is also called the Main Challenge. As you master this challenge, your life will come more and more under your own control. You will incorporate the positive aspects of the challenge into your character. This is its purpose in the first place. Therefore, there is implicit in the challenge a chance for great reward. In short, this may be the secret to your success.

This Challenge Number has already been explained previously. (above)

### ***Fourth Challenge Number: 3***

(Month - Year or vice versa)

from the age of approximately 55/60.

This Challenge Number has already been explained previously. (above)

### ***Personal Year Number (for 2022): 11 (04 + 01) + (2+0+2+2)***

([668] astro-seek.com:) Lessons of this Personal Year can be very spiritual in nature and under its influence people can attract inspirational energy at a higher level, and then they can use this energy to inspire others. These lessons or opportunities to learn usually happen in stormy situations that always occur during the first three months of the period, that is, within three months of your birthday.

If you've read this far then you know about my scepticism with which I see the subtle differences between vibrations eleven and two. If there is an aspect that proves to me that there is a real difference between them, then it is this one. In the first quarter of

Personal Year 11 there is a turn which does not occur during Personal Year 2; then, when the stirred up dust settles again, the following nine months of Personal Year 11 pass calmly and uneventfully and they suspiciously remind us of Personal Year 2.

During this period people get the chance to affect more subtle and hidden emotions of everyone they meet. They can also develop their intuitive skills to the point that they can detect and bring to the surface feelings that others are not able to express.

In the course of Personal Year 11 people will have the ability to recognize and release the latent qualities and opportunities of everything they encounter, and if they can patiently and comprehensively make use of everything they see around them, they will also be able to help others realize their dreams.

This year any stress will have very exhausting effects, but people who can use the intuitive features of Personal Year 11 to show friendliness and offer a helping hand may get a great satisfaction.

**Personal Year Number (for 2023): 3** (04) + (01) + (2+0+2+3)

([667] affinitynumerology.com:) The transition from one personal year's resonance to the next isn't a sudden change. It may be suddenly noticed, but the change happens gradually. Generally, the change begins a couple months before January, somewhere from mid-October to mid-November. The vibration of the upcoming personal year energy begins to commingle with the current personal year energy. The new energy becomes stronger the closer it gets to January 1st of the new year. By January 1st, the new energy is dominant. It may be a week or two into January before the previous year's energy is dissipated, leaving only the new year's energy.

The energy represented by the numerology personal year number 3 is a year of increased creative and inspirational energy.

Creative expression, creative inspiration, more opportunities for social interaction — all these tend to be more present.

Creative expression may be through personal artistic endeavors or a deeper association with the arts. Creative inspiration may be an expression of imagination. Enthusiasm is more abundant, as is a desire to entertain.

It's likely to be a colorful and eventful year.

(feliciabender.com:) This is a year of fun and creativity! Take center stage. Take a public speaking class or have a makeover. Live your life big and expansively. ## Cornerstone, Capstone, First Vowel and Keystone (Forename)

The letters of your surname or nickname have a meaning as well, if you filled in a nickname/callname, that one will be used instead of the first word of your full official name. There can also be a keystone, that's when your name has a middle letter.

These texts in between explaining the different parts comes from

'worldnumerology.com', sometimes a different source, then it will be noted.

Anytime 'spiritwalk.org' is used, it is always the general meaning of the letter, not meant specific to the place the letter is positioned at in the name.

**Cornerstone:** It provides general insight about your essential personality, and it has a lot to say about your approach to **challenges and opportunities**. The Cornerstone in your numerology chart is all about how you approach difficulties as well as upswings.

### **Cornerstone (first letter): P**

[670] [671] [672] [673] ([670] affinitynumerology.com:) The person is likely to have a self-determined spiritual, metaphysical, or philosophical approach to life.

([671] spiritwalk.org:) You are curious and like to remember different facts, even if they seem useless. It is easy for you to make an amazing first impression, but you see others through after the first few minutes of conversation, as your inner feeling is profound. Your main flaw is your impatience. Often you cannot wait for a right moment to act or to be silent.

([672] numerologist.com:) Cornerstone: You are intelligent, knowledgeable and seem confident but you have trouble getting things started. You can also be too impatient to do research or wait for the foundations of an idea to take root.

([673] numerologyzen.com:) Letter P. A cerebral and wavering letter, P is synonymous with philosophy, perception, progress, prestige and pretension. It is a difficult letter to characterize. Is it good or bad ? The person with this letter can have a great activity of reflection orientated towards the progress of the individual and the interest for fundamental questions. P is rather secret, reserved and has the tendency to be distant, but on the other hand, proud, professorial, with a taste for prestige. This doesn't mean that P doesn't feel anything, doesn't react or lacks intuition, on the contrary, but P is a letter which suffers the consequences of too much activity in the mental area, therefore an appearance of reserve and a lack of ease for the concrete and affective fields. In fact, very egoistically, P is interested in [his,her] internal problems (affective and intellectual). [He,She] cogitates and searches, if possible, to sublimate them in order to progress. As the graphism indicates with an expansion in the top part, P is pushed towards the paths of mind, and [he,she] will be able to discover a passion for studying. P likes to reflect tranquilly, far from agitation. Material contingencies bore [him,her], the world of sentiments and sensations seems [him,her] difficult to manage ; [he,she] often opts for a second degree existence, so much so that one asks oneself if anything or anyone is really important for [him,her]. Sometimes P protects [him,her]self by being sarcastic or mocking. This is a manner to slip away and not confront the obstacle for P, because he is often thrown. P can be tense, a bit unstable and need space and tranquility in order to function well. P constructs [his,her] inner world which satisfies [him,her] fully and he

looks very suspiciously at anyone who tries to penetrate [his,her] secret garden. P can sometimes seriously lack tact, because [he,she] isn't always very sure of what [he,she] experiences and finds it difficult to express or share feelings. P is a thinker, who would do well to become more flexible, to open up more and co-operate, especially if [he,she] wants to succeed materially and sentimentally. By wanting to protect [him,her]self too much, [he,she] ends up by cutting off the world, provoking misunderstandings and living periods of isolation and doubt.

**First Vowel:** This letter gets to your core. Think of the **deepest goals, urges and dreams** that drive you in all you do - this is the letter that offers a glimpse into the "window" of your soul! But this is a secretive letter, because few people wear what it really is they want on their sleeve. This first vowel in your name indicates something that only your closest friends and trusted family members might know about you ... You might know someone who for whatever reason changed the first vowel in their name. Although this is rare, it indicates a person who is uncomfortable with who they really are, at their core.

**Capstone:** This is the last letter of your name, and, fittingly, it demonstrates your **ability to see projects and ideas through to the end**. This translates into your "finishing" number.

***Capstone (last letter): U***

[678] [671] [672] ([678] affinitynumerology.com:) The person with capstone energy represented by the letter "U" tends to complete projects in a creative, transparent, and public manner. There's no feeling of a need for secrecy; the opposite, actually, as enjoyment of public appreciation.

([671] spiritwalk.org:) You work hard and you get decent money, but still you cannot save it. You need to learn to prioritize things that you need and that you want under any influence. Try to be more consistent and not to change places of work. You are tactful, kind, creative and have an amazing sense of style, so use your strengths.

([672] numerologist.com:) Capstone: Despite disadvantages and setbacks, the U Capstone person almost always makes it in life. They are brilliant when it comes to being in the right place at the right time.

(note:) When you look at your Cornerstone and Capstone - the letters that "bookend" your name - you can determine how easy it is for you to start and stop important processes and projects. It answers questions such as: are you a shaker and a mover? Are you a little bit flaky?

Extra: **Balance Number:** (numerologist.com:) It is the arithmantic sum of the Cornerstones. It shows a basic pattern in your life that you will tend to fall back on. It also shows how you stand your ground amidst chaos, confusion, distraction or other forces that could drag you off course.

(Note by me:) Will be shown with the comparison to the first cornerstone.

### Physical (Body) Plane

Physical Plane symbolizes body and physical form of a person. This Plane is governed by instinct, and relates to everything that is tangible, visible, and real. Practically no importance is attached to the imaginary and fanciful. Preference is given to what is already known, based on facts, and doesn't go beyond the bounds of reason. It is the pivot of life, as form and style of existence are maintained here. According to Numerology traditions, this Plane indicates one's natural capabilities. This alone reveals how the term "destiny" understood in Numerology: it is neither "doom", nor "fate", but a set of inherent features. It is active potential, and the process of making use of it is called life.

### 3 on the Physical Plane

You are incredibly charming, charismatic, and attractive. You have vivid imagination, a tendency to dramatize things, and unique artistic nature, that sometimes shows up in most unexpected ways. The need to work hard plunges you into depression, and you

fiercely oppose any attempts to make you do things you don't want to. You should control the energy you radiate as its effects can sometimes be unpredictable.

### **Mental (Mind) Plane**

Mental Plane represents the person's mind and reason. It is the level of intellectual interconnections, analysis, collecting and comparing facts. Even the most evident is not accepted here if it cannot be analyzed and proved. It is the Plane of will power, determination, confidence, and cold calculation that doesn't let imagination twist the facts. Fine mind, clear thinking, and management skills guarantee that you'll take a leading role and a high position.

#### ***1 on the Mental Plane***

Outstanding learning ability, originality of thought, intelligence and energy. You really like to be ahead, in shining armor. But don't place your stake on this, as once you don't see proper reaction to your actions, you can find yourself down with black melancholy. It's much better to rely upon your sense of humor and charm.

### **Emotional (Heart) Plane**

Emotional Plane is all about feelings and emotions. It is the level of kindness and sympathy. Here facts recede into the background and give way to imagination, inspiration, inner perception, and creativity devoid of any practical ground. It is not reason that governs actions and reactions to life or other people, but feelings of love and tenderness. People of the Emotional Plane don't have a particularly logical approach to making plans.

#### ***1 on the Emotional Plane***

Emotionality and permanent internal tension. You will defend your property rights, regardless of what is in question, with perseverance bordering on animosity. For personal relationships, which are so important for you, you need a partner with both strong will and certain flexibility. Otherwise, the "tyrant – victim" scenario is possible.

### **Intuitive (Spirit) Plane**

Intuitive Plane represents the spiritual level of internal knowledge. It is guided by insight and abstract impressions that go beyond the boundaries of both fact and imagination. Intuition helps man to express heavenly wisdom on the Physical, Mental, Emotional Planes of mind and action. Intuitive Plane is the plane of reverence for the Divine, piety, compassion, tolerance, ingenuity, and that inner guidance that enlivens all other existence levels. This is also known as God's grace.

#### ***2 on the Intuitive Plane***

For you, the most familiar way of thinking is floating up in the clouds. You don't build castles in the air, and your intuitive insights are often quite applicable to practice.

However, your extreme sensitivity doesn't allow you to bring them down to the status of real actions.

For the plane(s) with the most letters, note the "Value" number at the far right table column. Also note the "Value" number for that plane's dimension(s) with the most letters.)

#### **Value of Mental Plane (most letters) - 1**

*This has already been described accurately previously but let us look at the general meaning of the number in numerology.*

1. Alone — There is a sense of being separate, of existing alone. By definition, because it does exist, the essence includes self-determination and self-sufficiency. A leader might feel like this. #### **Dual Dimension of the mental plane (most letters) - 1**

## Pythagorean Square | Psychomatrix

([681] in-contri.com:) The so-called "psychomatrix", invented by the ancient Greek scientist Pythagoras, is one of the most popular calculations in numerology. It helps to define strength of character, energy, health, intelligence and other innate qualities. «To understand the world means to know the numbers controlling it,» Pythagoras asserted.

([682] tragos.net:) Pythagorean Square - is a separate area of numerology. In fact, this area of numerology goes back to the times of Egyptian priests. They were the ones who first began characterizing people's characters by using numbers. Pythagoras took this knowledge of numbers as a foundation and applied a mathematical approach to it, which is based on the harmony of the square.

Pythagoras and his followers expanded the capabilities of the original Egyptian system by supplementing the meanings of individual numbers with the meanings of the target lines of the Pythagorean square. Thus, a new approach was now able to help determine a possible goal of a person's life.

## **Main abilities (square's cells)**

### ***Character, will — 1111***

"The Leader" - you are always calm and confident. These two are predominant features of your character. You voice your opinion softly, but weightily, making others listen to you or even grow quiet. You can show yourself cruel rarely, but right on target. And people feel this cruelty in you. Most of the richest and influential people in politics, business, military and sport have 1111 and 11111 characters.

### ***Vital energy — 2***

"Energy deficiency" - you are only up to do the most important things. Large groups, wild nights, many days of hikes and monotonous work make you exhausted. But moderate involvement in sports, fitness, yoga and normal sleep are vital.

### ***Cognitive, creative — empty***

"Weak potential" - you don't have a propensity for the exact sciences, complex concepts and invention activities. Besides, you are not interested in anything like that.

### ***Health, beauty — 44***

"Normal health and beauty" In general, "44-health" makes it easier to have illnesses and recover after them. And "44-beauty" makes your appearance seem harmonious and attractive for the opposite sex. You have inclinations for sports or appearance-based work. Physical exercise, fitness and a healthy lifestyle will yield good results. But you shouldn't refuse to maintain health and rely only on the innate potential - age and bad habits ruin everyone.

### ***Logic, intuition — empty***

"Logic is not a forte" This is a trait of dreamers who are hovering in the clouds. They are not good with long chains of facts and reasoning. They can be easily confused, so they constantly run into the same trap. People without "5" are more emotional than rational.

### ***Labor, skill — empty***

"Will never be a jack of all trades" It is better not to take up an activity that looks complicated, painstaking and requires accuracy or technology compliances. However, people with 0 in this cell usually do not really like such spheres. Manual labor is not theirs.

### ***Luck — 7***

"With a talisman" - of course, 7 does not guarantee a jackpot after the first bet, but will save from minor troubles and sometimes help to catch luck in the nick of time.

### ***Duty — 8***

"Moderate sense of duty" - such people usually do not avoid duty to relatives and friends. But nothing more. Their initiative to give something to others and society is low.

But at least, they don't forget their friends and family. Self-sacrifice is also not about them.

***Intellect, memory — 999***

"Mind like a steel trap" - any study or work with information is very easily. And this often causes boredom and reluctance to learn. This person can become erudite too easily. But in fact they should look for a really interesting and profound subject to study, and the more difficult it is, the greater will be their curiosity and results.

**Secondary abilities (lines and diagonals)**

***Self-Esteem (Line «1-2-3») — 5***

"Very high" - this self-assessment allows a person to realize the most daring ambitions. This person, even if overestimates themselves, tries to meet the requirements they set to themselves. It is to be noted, that high and inflated self-esteem are the most real incentive to do things in a big way.

***Moneymaking (Line «4-5-6») — 2***

"Worrying" - thoughts about earning money lead to dismay. On the one hand, if possible, this person would be glad to not work at all. On the other hand, if it comes to the push, they agree to work for anyone who has money.

***Talent (Line «7-8-9») — 5***

If the person is evidently talented and works to unleash its potential (you can pay attention to other cells) then this figure indicates the potential development of this talent.

***Tenacity (Line «1-4-7») — 7***

"Idealist" - sometimes this person pursues frankly unattainable goals, because other variants do not cause interest. It takes a lot of energy, brings the sting of disillusionment, but never ends. The person believes that this time they will succeed. In the end they often become a loner, because a very few people are able to provide support on their difficult path.

***Domestic bliss (Line «2-5-8») — 2***

"Passive" - this person can even talk about wanting to start a family, but they make almost no tangible steps to this. They would like to get a marriage proposal instead of doing it.

***Stability (Line «3-6-9») — 3***

"Impulsive stability" - it looks like this person has strong habits and attachments, but one day this they change absolutely everything. That is their nature.

***Spirituality (Diagonal «1-5-9») — 7***

"Fanaticism" - high spirituality turns into idolatry. The edges of the sensible are blurred.

In words, the person speaks of a high, but in deeds becomes obsessed with the rudeness, injustice and dishonor of those around him. Also there is a risk of falling under the influence of cults.

### **Temperament (Diagonal «3-5-7») — 1**

"Cold" - a person with 1 in temperament is open to physical love, but also not concerned about it. Also this person is not too picky with partners and prone to cheating because they do it for their own self-affirmation. Men with this temperament often want seem like a lover boys and exaggerate their sexual stories.

**Empty and Full Arrows**

**from Astro-Seek [683]**

### **Empty Arrow 3-5-7 (Arrow of Skepticism/Vision)**

(Empty arrow is most commonly considered as a weakness, which creates challenges in your life. However it can be considered as a strength as well.)

These people are generous and perceptive. They are able to see so far ahead that some people consider it unusual. They use their intuition and can easily understand their dreams and premonitions. There is also a strong attraction to the theatre - and with even a small amount of talent, a measure of success in this field is assured.

KARMIC CHALLENGE for the Four of Heart: Apathy and Inertia

The pitfall for those born on a four of heart day is self-satisfaction. Indeed, the negative 4 of Heart can become very smug, taking all the credit for their success. And when this happens, their success is short-lived, for self alone has no power for this Card. All 4's represent a foundation, a base, a supportive energy that brings harmony and confluence. To reap the benefits of their good karma, a four of heart should never ask what can a person, job, or project do for them, but rather - what can I do for thee!

**Second Karma Card: Queen of Hearts** (metasymbology.com:)

This person or card shows your **best qualities**. Qualities that are expressed naturally and positively.

Hearts: Emotions - Relationships - Love  
Queen of Heart Meaning: The Sweetheart  
Karma for the Queen of Hearts - Emotional Discontent  
Water-Cups - Planets: Double Neptune

This is the Card of beauty, magnetism, affection and idealism. The women Queen of Hearts represent the much-loved mother, the sweetheart, the indispensable sister, the adored daughter. The men are sensitive, creative, sympathetic and understanding. If we did not have that inevitable negative side to deal with, this would be the most desirable card in the Little Book and its 52 pages.

The Queen of Heart natives are talented in some artistic line, even if it's just in their appreciation of beauty or art. They are often intense and dramatic, and can be very domineering in the family. They are also capable of deep devotion and loyalty. There is a strong streak of religion in all Queen of Hearts and they are often influenced by strong minded women, religious or spiritually inclined. Even when we should, we don't like to find fault with the Queen of Heart; they are too loving and desirable!

Eighteen cards are used to analyze your journey in life. Seven of them describe the conditions of your personality, named after the planets; they are the seven chapters that tell your life-story.

**MERCURY** describes your early years, and the experiences that shape your thought processes and communication with others. (from age 1 to age 13)

***Mercury Card: Five of Clubs***

(metasymbology.com:)

Clubs: Mind - Communication - Intelligence

Air-Swords - Planets: Mercury & Saturn

Restless Mentality, Changeable Mind-set: All FIVE'S have restless karma. The Club suit is symbolic of communication and how we think. The 5 of Club find it difficult to make up their minds, and need to learn not to tempt fate.

Versatile, restless, inquiring; forever seeking with an ever changing mind; the 5 of Club is a young soul who is never satisfied with the answers they find. They need constant movement and wide travel -- eager to go anywhere rather than remain where they are.

KARMIC CHALLENGE for the Five of Club: Honesty and Risk-taking

The positive natives of this card fight against their inherent restlessness, which otherwise lures them away from building a solid base. Those 5 of Club will then choose to educate themselves in some specialty that interests them, and will pursue it to a successful outcome.

Marriage is never easy for the 5 of Club as they are prone to jealousy and suspicion. They also experience changes in their mental attitudes towards their partner, which causes the marriage to falter.

The Five of Club must have an outlet for their natural keenness. Education is of supreme importance if they are to succeed in life. And peace of mind comes from a willingness to accept their life as it must be lived -- constructively!

**VENUS** describes your teens and early twenties. The cards in Venus show how you love and what makes you happy. (from age 13 to age 26)

***Venus Card: Three of Diamonds***

(metasymbology.com:)

Diamonds: Values - Security - Dharma

Fire-Wands - Planets: Mercury & Uranus

Personable, Illuminating, Worrisome: All 3's harbour a mistrust related to the meaning of their suit. The DIAMOND suit symbolizes financial and material values. Thus the 3 of Diamond are often mistrustful of financial institutions.

Be it in politics or on the podium, the Three of Diamond are bright and personable, optimistic and steadfast in their personal and worldly pursuits. Unfortunately, the overwhelming urge for self-protection in material interests can throw them back on stark uncertainty, and the insecurity of the number "3". Tripping over their own dark thoughts and a deep mistrust of others, the Three of Diamond often fall prey to trickery, and don't receive the appreciation they deserve.

During late teens and early twenties, 3 of Diamond people may become victims of unreliable friends or associates. If they have beauty, material security or some other

advantage, they are often subject to jealousy and gossip.  
Early marriage is usually filled with such serious obstacles and troubles, it's better for the 3 of Diamond to wait until late 20's before tying the knot.

**MARS** describes your vital young adult years. Here you will discover what drives you, how you respond to conflicts, and how you take charge. (from age 26 to age 39)

***Mars Card: Ace of Spades*** (metasymbology.com:)

SPADES: Physical - Work - Wisdom

ACE: Longing - Self

CHALLENGE: Covetousness

Earth-Pentacles - Planets: Mercury & Neptune

SPADE: The Spade personality enjoys being physically engaged in the world. The spirit of the spade is embodied in the instruments of labor, and it is earthy. The world compels the spade to dig deep into the hard soil to fulfill the needs of the soul.

ACE: The Ace has a value of one. One is self. The I am and I need. The personality of the Ace is driven toward fulfilling its own singular need.

JOURNEY OF THE SOUL: Their Soul Card is the 7 of Heart. This emblem is symbolic of overcoming emotional stress associated with jealousy or lack of appreciation.

In an ideal world, the Ace of Spade dives selflessly into work, without the need for accolades. They balance their work-related ambitions with the emotional needs of those who love them and understand the real journey of life is love.

Ace of Spade personalities are charismatic. They enjoy being physically active and have romantic expectations, which can keep them looking for their perfect love or soulmate. Starting in their late teens and early twenties, the Ace of Spade get a lot of calls for help, usually financial. This is especially true of the women in their life, friends or relatives who equate money with loyalty.

It's not easy being identified as the Ace of Spade. Much inner work is needed for them to overcome negative thinking habits and harness their restless, if not reckless behavior patterns.

In it's most spiritual interpretation, the Ace of Spade personality takes the soul on a journey of sacrifice; not as punishment, but to forgo the need for adulation and acquire victory over the little self.

**JUPITER** describes your adult life. The cards in Jupiter indicate your material/financial resources, your associates, and your fortune, or luck-of-the-draw. (from age 39 to age 52)

***Jupiter Card: Seven of Hearts*** (metasymbology.com:)

HEARTS: Love - Relationships - Faith

SEVEN: Sensitivity - Overcoming

CHALLENGE: Mastery

## Water-Cups - Planets: Mercury & Venus

HEART: The Heart personality is here to learn about human love and relationships. The spirit of heart navigates the turbulent waters of emotional energy. It is the area of life most difficult to master. The heart personality creates experiences that demonstrate love is the sole (soul) power behind all power.

SEVEN: The value of seven is victory. It is a sensitive vibration that rides the razor's edge of life's hard experiences. It is stressful and tense. It is the number of obstacles. The personality of the 7 is chosen to overcome adversity by rising above and beyond the challenges of their karma.

JOURNEY OF THE SOUL: Their Soul Card is the 8 of Heart. This emblem is symbolic of the healing power of love. It symbolizes restoration, and reconciliation. It radiates charm and magnetism. The wise 7 of Heart use their soul-power to attract the help they need. They turn obstacles into victories and harness their emotional stress as motivation to succeed.

Childhood experiences teach the young Seven of Heart that in order to overcome adversity, they must rise to the challenge quickly. They and their family receive many calls for help, usually financial, which creates an understanding of money as a necessary evil.

Seven of Heart personalities operate on a higher frequency. Their mind stuff is highly cognizant of light energy, which they tap for creative ways to release the incessant stresses of their youth. Many artists, singers and entertainers are born on a 7 of Heart day.

The most challenging karma for the 7 of Heart has less to do with the spirit of the heart than it does with learning how to use their fine minds. They have such broad viewpoints, it's difficult to narrow down the channels of thought. They are busy inventing and building bridges to progress while the rest of us mull over cause and effect.

There are those, of course, whose evolution is on a lower frequency of light. For those seven of Heart, mental frustrations create a lazy mind, unwilling to rise to the challenge. Emotionally wilful, there are no half measures for the 7 of Heart! For good or for worse, they are self-sacrificing and loyal to death do they part, or the romantic rebel, unwilling to take on the emotional work for a committed relationship.

**SATURN** describes your mature years. This cycle indicates where you are at with health related issues, your adversity and your "cross to bear". (from age 52 to age 78)

### **Saturn Card: Seven of Diamonds**

(metasymbology.com:)

Diamonds: Values - Security - Dharma

Seven of Diamond Meaning - Conflict Between Spirit and Matter

Karma for the 7 of Diamond - Harmonization of Money and Love

Fire-Wands - Planets: Double Venus

The 7 of Diamond is a card necessarily associated with money - for good or ill, little or

much. It is a card of power and accomplishment. And for those who have not acquired a sense of value, it is known as the Card of "Wine, Women and Song"

The lives of the Seven of Diamond people seem to follow cycles of 5 or 7 years; changes are often violent, always sudden.

There is a great love of home for all 7 of Diamonds, but they may have to wait for it, as their early life is filled with many changes.

The Seven of Diamond is one of the "swing cards", exchanging places with the 9 of Heart every other year. This symbolizes a challenge in balancing love with money. When their love life is running smoothly, the need for earning money becomes the priority - and when there is wealth, the stability of their home life tends to suffer!

After age 91 the cycles repeats.

***Cosmic Lesson Card: Two of Hearts*** (metasymbology.com:)

Hearts: Emotions - Love - Family

Two of Heart Meaning: Faith in Love

Karma for the 2 of Hearts - Fear of Financial Security

Water-Cups - Planets: Venus & Neptune

All TWO's represent an element of fear, based on the meaning symbolized by their suit. The HEART suit represents love and relationships. Thus the 2 of Heart tend to run from the very thing they need the most: emotional commitment.

KARMIC CHALLENGE for the Two of Heart: Cooperating with Loved Ones.

It is true, the meaning of the Two of Heart heralds the "union of love." But those born on a 2 of Heart Day are some of the least lovable types! Perhaps in spite of their obsessive need for an intimate relationship, Two of Heart are willful brainiacs, preoccupied with financial security, with a preference for associating with people of influence.

The essential nature of the 2 of Heart is to protect those whom they love and share the responsibilities of family and friends. They have brilliant minds, a firm command over their financial affairs, and rock solid work ethics. All Two of Heart strive for peace and will do whatever it takes to achieve it!

The Soul Card for the 2 of Heart is the ever curious Ace of Club. Hence an inherent conflict between their compelling need for emotional security (the 2♥), and their insatiable "need to know" (A♣)!

***Cosmic Reward Card: Nine of Spades*** (metasymbology.com:)

Spades: Wisdom - Labor - Acceptance

Nine of Spade Meaning: Spiritual Awareness

Karma for the 9 of Spade: Service

Earth-Pentacles - Planets: Venus & Uranus

Sensitive, idealist, unconventional - none of the 9 of Spades are undeveloped or unaware, and it's that very awareness that either disturbs them or inspires them.

## KARMIC CHALLENGE for the Nine of Spade: Hypersensitivity and Impersonality

Nine of Spade need to find positive philosophical or spiritual ideals to help them cope with their intense inner-emotional conflicts, as they prone to psychosomatic illnesses. All 9 of Spades have tremendous personal magnetism, and they have a strong paternal nature toward those they love.

Capable of managing large businesses, 9 of Spade are at their best when sitting in the drivers seat. When it comes to finding love, they are flirtatious and tend to lose interest quickly. Friendships are extremely important to them, and they enjoy learning and sharing their knowledge with others.

The Nine of Spades are often brought into contact with a wise and kindly man - a mentor who sets them back on their feet and instills in them the self-confidence that should never be lacking. These are truly gifted people with much to offer. If only they are made to realize it!

### ***Cosmic Moon Card: King of Hearts*** (metasymbology.com:)

Someone at a higher energetic vibration, there to assist you in your cosmic (spiritual) path.

Hearts: Emotions - Relationships - Love

King of Hearts Meaning: Paternal Love

Karma for the King of Hearts - Easy-going Inactivity

Water-Cups - Planets: Mercury & Mars

By nature, these people are the most desirable people on earth and the most worthy of love. They will respond to any true call for help from any quarter - and you can forget to thank them if you choose; it will make no difference to them.

The front they present to the world is kindly, friendly and magnetic. They give an impression not so much of power but of peace, protection and "safe harbor". Within themselves, however, they know they have the full power of love, a power invincible! Sometimes, we find the Kings of Heart are quarrelsome and overbearing. They are met with constant disappointment in others, and are frequently deceived or betrayed.

When we meet a King of Hearts on their own terms and tune into their love and kindness, they never bring us anything but joy. They are the heart and center of family life, and harmonizer of friends.

**Note:** If you would want to go deeper into this specific divination: there are different spreads for each year (of age), smaller cycles, at: 'knowyourdestinycards.com'. These are the cards from the lifespread, the largest cycle. But I skipped the cards for every 13 year cycle, there are seven of those.

## Mesoamerican Divination | Tzolkin System

The Day Sign, Galactic Tone, Trecena Sign and Night Lord.

The Trecena is more innate - like the Moon Sign in astrology - reveals deeper aspects of your personality: your emotions, your connections to others and society, and how you respond to things.

Day Sign would be like the Sun: something you work on, something that involves discomfort and effort. You can also have the same sign for the Day sign and the Trecena sign.

There are 20 signs and 13 galactic tones, which makes up for a 260-day cycle for the Trecena's. If you add in the Night Lords, you get the largest repeating cycle. (9 times 260)

**Day Sign: Cane**

/ Reed / Ben (Yucatan) / Aj (Kiche)

Ben types are often popular, knowledgeable, accomplished and competent, with strong opinions. they are often highly regarded by others for their talent or expertise.

In some cases they are simply way ahead of their competitors, or have made their mark on the field in which they work. In other cases, it is just a matter of general competency - the ability to excel at whatever it is they decide to do.

They are fighters for moral or ethical principles and are quick to take on challenges. At worst, they are opinionated.

These people will "stick to their guns" when under fire, keep a "stiff upper lip" when in trouble and, like a reed or cane stalk, remain firm in tense situations.

They can be intellectually rigid and prone to argue, however.

These people have a militant side, and although they don't deliberately seek conflict, they seem to thrive in it.

Persons born under Ben are usually popular and social, having deep knowledge of human nature. For some, this quality brings them well deserved fame; for others, it brings respect and recognition from their peers.

Although Ben types have enemies, even their enemies respect Ben's successful ways.

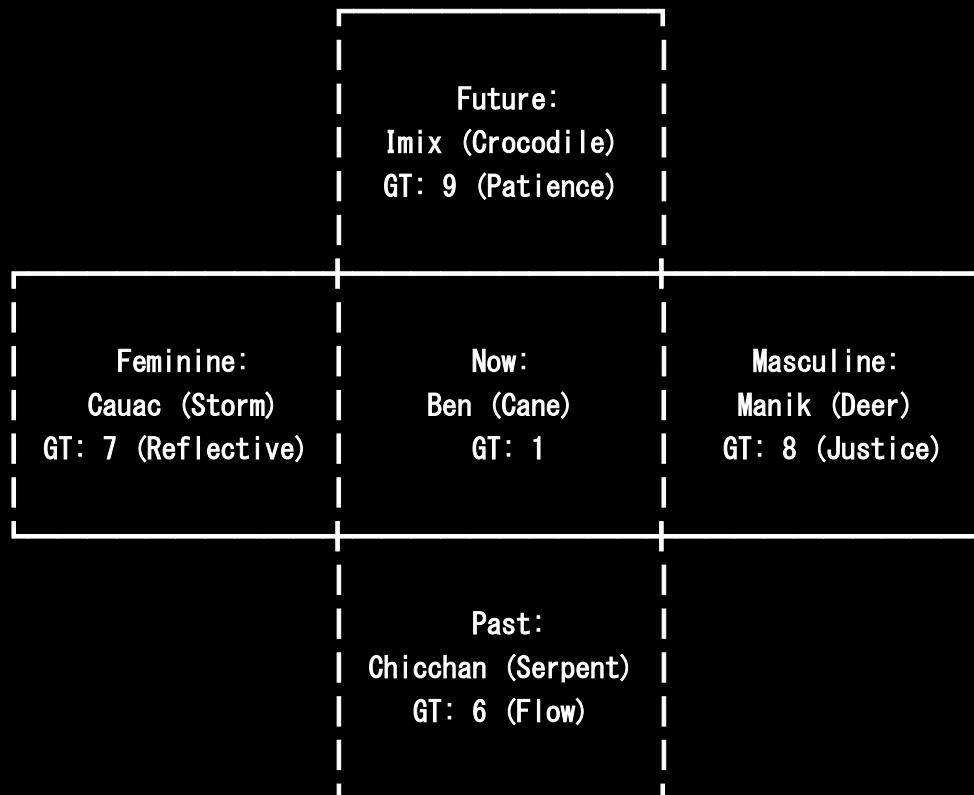

People born under the Ben sign are ambitious and clear about their goals and intentions.

Challenge:

Being opinionated or holding rigid attitudes.

Solution:

To understand human nature; to apply social skills.

#### ***Four Directions***

To be born on the day of Ben is a very fortunate occurrence. In the mythology of ancient Mexico, this was the birth-sign of Feathered Serpent, bringer of light, and a day the gods come down to earth.

These natives are productive. As community members they are leaders, and as parents they are alleged to be both fortunate and wise.

The book of Chilam Balam of Kaua insists that Ben natives tend to have many children.

They also may play a parental role for their extended families or entire communities.

They function like the staff of office (one of the principal symbols of this day-sign), the supportive pillar of the world.

In general these people are practical, earthy, and nurturing. Their good fortune, and joy in ordinary life may cause Ben natives to be a bit conservative or complacent. They have no need to rock a boat that carries them so gracefully. This is why our list of well-known Ben natives includes only a few names. It is a quiet day-sign that has little desire to seek the limelight.

Even the most fortunate day-sign has a dark side, and Bens tree of life includes a number of challenging influences. The presence of Chiccan as the past sign suggests

that many of these natives bring a great deal of sexual karma with them into this life. Cauac on the left hand generates a great deal of emotional turbulence especially regarding women. While Manik on the Right hand may sometimes function as a symbol of strength and inner power, the presence if Imix as the future sign shows that Ben natives face progressively more challenges as they develop along their path. Challenges that may include madness, illusion, and anger.

The Chilam Balam of Kaua also notes that in some cases children may be the only wealth of these natives, and that they may be otherwise of very modest means, perhaps even poor.

Despite their sometimes wild ups and downs, Ben people often possess a spirituality that goes beyond the confines of purely conventional religion; this is one of the birth signs that is considered favourable for prospective Calendar Shamans.

### ***Galactic Tone: 1***

(mymayansign.com:)

#### **Unity**

- \* Beginning of all things
- \* The First
- \* The Whole

Integrity is one of your key aspects. Tone 1 represents the stage of creation before duality.

You like to create because 1 is the tone of creation. You take action quickly and possess great power. You are confident and you like moving forward in life. You demonstrate successful performance when you come across an obstacle.

### ***Trecena Sign: Cane***

/ Reed / Ben (Yucatan) / Aj (Kiche)

Beneath the 1-Ben surface personality is a person who seeks constant self-improvement.

Such people have a strong need to persuade others, to conquer their enemies, and to achieve their objectives.

While they make good teachers and role models, they also have a tendency to be somewhat self-righteous and overconfident of their own opinions.

### ***Night Lord: 5***

This Lord is positioned at the midpoint of the series of nine. A person under the influence

of G5 seeks to be at the centre of a group and will sometimes use others to get there. One of G5's greatest challenges is to act from their centres and not to use or be used by others. People born under the influence of this lord become deeply involved in relationships but, for the most part, also struggle with them. They are sensitive people and they tend to be touchy about a number of things, including their own expectations. Because they seek perfection, they are sensitive to disappointments, and often need to develop more realistic expectations and avoid putting the burden of relationship failures onto others.

Idealistic and compromising by nature, G5 types are rarely content with the choices they have made.

Their dark side includes a tendency to hold distorted opinions or to have over-inflated expectations of others. At their worst, they can be blamers, blind to the reality that they are the cause of their own problems. Recognising this pattern can be a tremendous step forward in a G5's spiritual progress.

These types need to be with others who are stable and helpful, and avoid those who could worsen their fears. They also need to be accepting of others. It is their own beliefs about relationships that both their problems and their solutions lie.

*I'm personally theorizing that these night lords are simply the same energies as the 9 main objects (separate from the Sun) conjunct the Sun.*

*This one would be Jupiter conjunct the Sun.*

## **Celtic (Druid) Tree Sign**

The year is split into different periods. Usually, one tree is at two separate periods about 6 months apart. Except for when the equinoxes happen (every 21st of every 4 months), then there is a special tree for that. To find the right archetype for this divination, you have to know if you were born late or early.

(Note:) Celtic Druids did not determine Sign based on the actual date of birth but rather by the date of conception. For example, if you were born three weeks before the

scheduled date, you need to add these three weeks to the actual date of birth, in order to figure out the appropriate Sign.

I also read somewhere that the tree (or variant) has to be naturally available in your area.

### **Fir Tree**

**Strong keywords:** Dutifulness, Straightness

**Weak keywords:** Distrust, Moodiness

**Tree variants:** Spruce, Lily, Cereals

**Birthday:**

2 January – 11 January

3 July – 13 July

### **Characteristics and Personality**

The Fir people are very hardworking and talented, endowed with cool beauty and dignity. They can do any job or solve any problem with their special originality, and most of their efforts will lead to a successful end. They are able to learn and gain new insights quickly. They want to achieve something in their lives. Their sense for responsibility does not let them run away from their problems so they often find themselves in a job that does not match their abilities and expectations.

Fir people are withdrawn and distrustful when they deal with others. They do not risk and they never rely on other people. In spite of being introverts, Fir people are capable of selfless help to others. It is hard for them to meet people because they are reserved, and many people are discouraged by their distrust.

Fir people are quite moody, stubborn and argumentative. Their love life is also not easy. They find it difficult to find a partner who meets their high expectations. However, if they fall in love, their love has no limits.

Fir people do not have an easy life. Their directness gets them into frequent conflicts with people around them, even though they are right most of the time. This causes the most common health problems of these people, diseases that are caused by stress: high blood pressure and cardiovascular diseases. When they get old they are often affected

by long-term illnesses that make their life uncomfortable. Even though they have these problems, they usually live a long life.

In some countries, the fir tree population is usually taken over by spruce, which has many identical characteristics with the fir tree. If you are born in this period and the fir does not fit your characteristics, it is likely that the spruce is the tree you identify yourself with. In some sources this period is also given to yew tree, but yew tree has a different symbol of the Ogham, and also somewhat different inner characteristics. Yew tree was, and still is, considered to be the tree of death and a link with our ancestors and that is the reason why it does not appear among the trees in the Celtic horoscope.

What follows on the next page is the correct Natal Chart using the Usha/Shashi-Ayanāṁśa, and the 'whole house'-system. For simplicities sake, we could call that chart the "Transit(ory)-chart". Then to get the Chart that WILL SHINE through this document, we apply the 322th Harmonic to that (the right ascension values (Zodiac) are telling of the 322th Harmonic Version chart). Thus, both are needed to understand the self: One is fixed but constantly interacting with other fixed charts and the other constantly interacts with the Transiting planets. If you find yourself on that quest to understand yourself, it would be suggested to include declination as well as all the other divination techniques, such as numerology, and cartomancy, etc., up to the most seemingly insignificant part of the whole, like midpoints, or antiscia-aspects, in the whole picture. Understanding yourself better in respect to everything else has become very possible - and people might soon say even too easy - when the energetically encoded laws taken affect on our reality are understood.

**Ascendant ASC in ♉ Taurus 6° 7'**

([687] [astrohelp.com](http://astrohelp.com))

**Looks – Why are Taurus Ascendants so Attractive?**

Taurus is ruled by none other than the planet of beauty, Venus. As a result, Taurus ascendants have attractive bodies and killer looks.

A Taurus ascendant man has a strong body as that of a bull (the symbol of Taurus). They're neither too tall nor too short. More than their face, it's their enigmatic personality and confidence that make them irresistible. They're always the best-dressed men in a room. However, due to their love for food, they can get a bit stout around their bellies in

their mid- thirties.

### **Personality - Is Taurus Rising Rare?**

One might expect all the 12 zodiac signs to be exactly 30° apart. That's, however, not true. Out of the total 12 Zodiac signs, Taurus and Aries quadrants are much more narrow than the others. Needless to say, it makes Taurus rising very rare indeed.

1. They Love to Show Off – Taurus ascendants have exquisite taste in fashion and jewelry. They like to dress up and love it when others notice and admire them. It wouldn't be entirely inappropriate to call them materialistic.
2. They have a Knack for Expensive Things – A Taurus ascendant can put your entire collection of branded apparel and exquisite gems to shame. These people will always somehow end up placing their hands on the most expensive things in a store.
3. They can be very persistent – You might assume that beauty and luxury can blind or distract Taurus ascendants. That's, though, far from the truth. They are so driven to enjoy a luxurious lifestyle that they persistently chase their goal.
4. They Hoard Stuff – It's one of the drawbacks actually. Taurus ascendants end up hoarding so many things, expensive things, that it can lead them to financial troubles.
5. They are Stubborn - When a bull makes its mind, nobody can change it. Taurus ascendants are steady and so focused that it's just next to impossible to change their opinion.
6. They are Loyal – This is the exceptional quality of Taurus ascendants that attract other people around them. A Taurus ascendant never cheats. Period!
7. They are Possessive in Love – Taurus ascendants, both men and women, are possessive and jealous lovers. They aren't the spying kind of psychos though.

### **Love Life – Are Taurus Ascendants Lucky?**

Taurus ascendants aren't the type of people who blindly chase love. They live in the moment, especially Taurus ascendant men. They don't anticipate all their relationships to bloom.

1. Both Mars and Mercury should be well-placed for Taurus ascendants to enjoy a smooth love life and married life.
2. When they do fall in love, which can be just as rare as their rising, they expect loyalty more than anything else.
3. They might not be looking for love, but they do not believe in having meaningless sex either. They are very much emotionally present in a relationship whether or not they see their future in their current partners.

Whether or not they are lucky in love entirely depends upon the position of their Mercury. And, whether or not their marriage will be blissful depends upon their Mars.

### **Compatibility – Who should a Taurus Ascendant Marry?**

Taurus ascendant compatibility for marriage is something to ponder about. These people are special and it requires someone special to see beyond their materialistic facade. If you're anyone of the following, a Taurus ascendant is your true calling.

1. Capricorn ascendants and zodiac signs.

2. Taurus ascendants and zodiac signs.
3. Virgo ascendants and zodiac signs.
4. Pisces ascendants and zodiac signs.
5. Cancer ascendants and zodiac signs.
6. Scorpio ascendants and zodiac signs.

### **Health – Is Taurus Rising Bad?**

Taurus rising is one of the best times to be born. Taurus ascendants usually enjoy a very good disease-free life throughout their childhood and even in the later years of their life. Their taste for wine can be a cause of worry though.

There's a caution for Taurus ascendant men. Their love for exquisite cuisines can make them fat in their middle age. It's, therefore, very important that these men keep their eating habits in check. Also, these people can catch a cold and flu easily.

Diamond is the gemstone for Venus. Thus, astrologers always recommend that a Taurus ascendant should wear a high-carat diamond for good luck and good health.

### **Connection of Planets With Taurus Ascendants**

Venus, obviously, is a friend of Taurus ascendants being their Lagna Lord. Other than that, the following planets matter the most in the life of a Taurus ascendant.

1. Friendly Planets for Taurus Ascendant – Saturn is an amazing friend of Taurus ascendants. Mercury is another friendly planet since it's a friend of Venus.

Venus makes these people not just creative and focused, it also gives them the desire to earn wealth so that they can afford all the luxuries of life. On top of it, Saturn, the ruling planet of the 9th and 10th houses (the houses of wealth and career) is a friend of Venus. Needless to say, if these people put their heads and skills to use, they can become extremely successful and rich.

They flare best in fashion designing, jewelry designing, acting, singing, and painting. Also, agriculture, IT, and advertising are suitable sectors for a Taurus ascendant.

### ***Gemini Sun ☊ ♊ and ♏ ☾ Scorpio Moon man***

([746] i.thehoroscope.co)

Adaptable, the Gemini Sun Scorpio Moon personality hides a boldness and aggressiveness that only comes out in key moments.

The psyche of the Gemini Sun Scorpio Moon native will always try to find balance between concentration and flexibility.

People in these signs need to somehow make it possible for their intensity and wealth of emotions to tune in with their aspirations because they can become entrapped in their own feelings for too long.

They have to understand what duality means if they want to live peacefully and as deeply as they desire. If they won't have variety in their life, they will obsess over the same things for too long.

#### **A Confident Personality - In a nutshell:**

Positives: Elegant, astute and easy-going;

Negatives: Possessive, chaotic and proud;

Perfect partner: Someone who is emotional and lives intensely;

Advice: They should be more attentive to small details in life.

#### **Personality traits**

Add a Moon Scorpio to the unemotional and easygoing Sun Gemini, and you get people who feel things more intensely and deeply.

These natives can be great leaders if they don't allow other people's thinking to influence them. They will most likely not be able to finish what they have started.

It's essential they pay more attention to details and the little things that make their life a whole. Intelligent enough to do any job, Gemini Sun Scorpio Moon individuals may discover they don't really have a plan to follow.

They will most likely fall for someone who is as well very emotional and feels things intensely. When things in which they're involved get personal, they become more cautious.

People see them as adaptable and they are surely right. Gemini Sun Scorpio Moon natives can be very bold and sometimes aggressive. That's why they will differentiate themselves from the crowd.

They will notice other people too, because they are very observant. Proud of what they are able to notice and perceive, these natives are not afraid to analyze and study as much as they can.

While insightful and realistic, they still have a tendency to dramatize and exaggerate when they feel like having a conversation.

They are empathic, and their personality is magnetic. Very aware of their direction in life, these Geminis are more intense than other people in the same sign. Secretive, they have a mysterious aura that will attract many.

It's OK for them to get carried by their own inspiration and emotions. However, when things get out of hand, they tend to distort reality and no longer come up with efficient solutions.

It's very important they no longer exaggerate and that they are careful to what they are saying. Their relationships have to be studied with care if they want to identify when they have been destructive and change something about it.

Especially with those who have had a serious influence on their life, like their parents or siblings. Because they hold on to their opinions and principles, Gemini Sun Scorpio Moons can't let go as easily. And this may be a problem for them.

Opening up to someone, either a counselor or a friend, could be a solution to this issue. While not even realizing it, these natives are like sponges when it comes to absorbing information.

Straightforward and determined, Gemini Sun Scorpio Moon people can live their life independently of others. However, their friends and family can convince them to make some changes about their profession and love life, when they insist enough.

But don't expect these changes to be made easily. They need to feel the ideas and opinions of others deeply if they are to respect them.

Not to mention that going with what their instinct tells them is always best for them. They are more about receptivity from an emotional point of view when it comes to what others are saying. It's easy for them to adapt because they absorb information quickly.

### **Love characteristics**

In love, Sun Geminis need to experiment and filter everything through their intellect. They categorize and interpret things in a logical and literal way, which makes them witty and detached.

Their partner will enjoy talking to them because they are good conversationalists. However, they are not so good with deep emotions.

When someone starts to talk about feelings, all they want is to leave. If asked to make a declaration of love, they can change the subject or have nothing to say.

Gemini Sun Scorpio Moon lovers are capable of keeping sincere relationships, but don't expect too much drama and sweet words from their side. Moon Scorpions want a profound romance more than anything else.

Emotional sincerity is one of the things that makes them feel the most secure when with a partner. But these people don't trust others easily. It can take them a long time to open up to someone they barely know.

These Moons have to be in control if there is for them to trust. Therefore, their lover needs to work at the romance with them by paying attention to the terms imposed by the Moon Scorpions.

However, their lover needs to tell them everything about him or herself. They are too possessive and hate knowing their other half is hiding something from them. Not to mention they can become manipulative. If they will ever be crossed, expect them to get angry and vengeful.

### **Gemini Sun and Scorpio Moon man**

This man needs to explore himself and realize what makes him so dark sometimes. Recognizing and accepting these sides of his personality can make him realize that he has new resources he had no idea about.

His intellectual wit and deep emotions help him to be an adaptable and magnetic person. But he can exaggerate with everything in life. And this puts him at risk of indulging in the life's pleasures, which will consume all his energy.

It's easy for the Gemini Sun Scorpio Moon man to become a playboy. He's magnetic, sensitive and intuitive. He has an immense power over some people because he recognizes their weaknesses.

The more he will try to be a cold intellectual, the better he will be able to analyze and control others with diplomacy. But when he will seek for pleasure, others will begin to control him.

He is usually brilliant and careful with whom he chooses to live his life with. However, it's still easy for him to associate with evil characters. That's why he needs to be all the time careful with his associates. Especially since he usually becomes the people he loves.

So the more interesting his company, the better he becomes. If he's not careful, he can become a chameleon who changes colors chaotically.

Moreover, paying attention to where life takes him is also important for this guy because he tends to sink if the "wave" is too strong. It's not natural for him to be ambitious. He's

more like the type who goes with what life offers.

Eager to live intensely, he will probably never find his emotional happiness. It would be best if he would remain detached and as objective as possible.

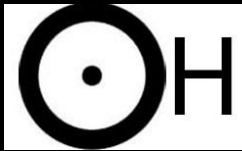

A tough attitude helps him progress at work, but not that much in his love life. He will have problems with women because he's possessive.

Better as a professional than as a businessman, he functions best when he approaches things personally and doesn't follow a routine.

If he will let his ego express itself in his artistic endeavors, he will probably be a successful musician, painter or designer.

Turning his pride into something constructive is the best idea for him and also allowing himself to daydream from time to time.

## ***Sun ☉ in II 2nd House***

([860] [i.thehoroscope.co](http://i.thehoroscope.co))

This placement of the Sun encourages people to keep their word and avoid making empty promises, as well as be practical and attentive with their money.

People born with the Sun in the second house in their birth chart will focus almost all of their energy on making money and accumulating as many possessions as possible. They surely are very preoccupied with wealth and want the power associated with being rich because this makes them feel secure and important.

It's essential for these people to take care of as many financial activities as possible as they're really talented when it comes to the material side of life and can be really successful with business.

These people will become financially independent from a very young age because the Sun's position in the 2nd house helps them a lot in this direction. But they are not the type to save money as they really take pleasure in everything life has to offer and love high-quality things.

### **Summary:**

Strengths: Sensual, intuitive and witty;  
Challenges: Possessive and somewhat controlling;  
Advice: They shouldn't let their pride cloud their judgment.

### **Self-confident charmers**

Sun in 2nd house people are very proud of how much money they've managed to make and need to feel financially secure.

They're always keeping their word and don't make empty promises, but the fact that they identify themselves with their possessions can't be too beneficial for them.

It's important for these natives to appreciate the value of people and relationships, not only the one of wealth. They should be proud of their family and friends because dreaming only of materials can really distort their view on life.

Individuals having this placement are usually spending their money just to feel better when depressed because going to the mall and using their credit cards to buy all sort of expensive things makes them happy, even if for a short period of time and afterwards gives them a feeling of guilt.

As soon as they'll realize everything that they bought is not that useful and that their pockets are empty, they will start to feel even more depressed than they used to.

But they won't stop from spending all over again, so this cycle can't be interrupted and no one can tell them anything about it because they'd get angry.

Not to mention how much they enjoy showing off their possessions and letting others know they're the only ones who have unique things they're not even using.

The aspects influencing their Sun position in the 2nd house can have other people taking advantage of them because they don't hesitate to let everyone know how much they have and that they're willing to help.

The items they're buying will always be extravagant as they like keeping up appearances and are very worried about what others think of them. Being a source of heat and energy, the Sun makes people having it in their 2nd house focus a lot on wealth.

Also ruling over family, speech and the right side of the head, this house is the home of Venus, which is the Sun's enemy.

They're usually lucky enough to get born in influential families of politicians or successful business people, being taught what compassion and generosity means ever since children.

But the same position of the Sun makes them egotistical, too self-confident and having many other personality issues that make others turn against them. Their ego can influence them to all the time argue with their family.

Because the 2nd house is mostly about wealth, they will mainly focus on obtaining financial security and materialistic pleasures. It's possible they'll have health problems with their eyes and some sort of speech impairment.

They may get married more than once but only because they're unlucky in love, not because they're in any way bad as spouses. These natives may be spoiled and rely a lot on their father for money because this is what they used to do in their childhood and their financial education has failed them.

All individuals having Sun in 2nd house will focus on their immediate needs and enjoy the good life while also stressing about stability.

That's why they have to always be on secure territories and to be around people they emotionally trust.

These individuals instinctively want to be part of a clan and to lead, but not by being authoritative as their nature is optimistic, generous and possessive.

### **The positives**

The main purpose in life for Sun in 2nd house individuals should be appreciating true value and putting their talent to work.

They function best when having a steady rhythm of development and have the opportunity to work hard for long-lasting and highly appreciated results.

As soon as they've found a profession to help them become better as human beings, they become more than happy to pursue it.

Because they're sensual and love everything that's beautiful, they feel perfectly in nature and when doing what brings them pleasure.

There's a risk for them to identify themselves with their possessions and bank accounts, but at least naturalness and simplicity dominates their existence.

These natives need to feel secure and are very generous with anyone who happens to be in their life.

Kind and open, they should learn how to exploit these traits more and to be less obsessed with money because giving their everything for wealth only can be a very

dangerous thing.

It's challenging for people having their Sun in the 2nd house to use their talents and not think of how much they're getting from this.

But if mature and wise enough, they can focus only on how to be more productive and at the same time giving. This position makes them courageous, noble and strong. These traits will be within themselves and mainly focused on establishing a secure and wealthy life that they can enjoy with their loved ones.

As a matter of fact, natives with this placement can make financial security their main goal. But they should learn that no one can offer it to them and that they're the only ones to get it for themselves.

When people having their Sun in the second house are pursuing a goal, they usually manage to attain it, no matter how much others have opposed them. Proud and stubborn, many of their traits belong to the Taurus, which the sign occupying the 2nd house.

### **The negatives**

While Sun in 2nd house individuals put a high price on financial security, they should be careful not to become too materialistic.

Good leaders, it's important they take some risks when required to because they have the tendency to overindulge and become complacent in a comfortable situation, refusing to expand their horizons.

The lesson on how money should be spent needs to be taught to them every month as they tend to spend everything they have in just one shopping session.

Their money should also be given to others because the favor may be returned and they'd never know when one of their friends can give them a hand with something very important.

However, people with the Sun in the 2nd house are usually generous, so they shouldn't worry they haven't given others a hand when supposed to.

When the Sun is in an afflicted position in their 2nd house, they'll think only wealth can make them seem important in the eyes of others, and not in any way their actions.

Therefore, it's very likely they'll do anything for money as their ego will be satisfied only when they have many possessions.

Very possessive and dependent on their loved ones, these people can be too clingy with

many of the people in their life. It's important Sun in 2nd house individuals determine what real value is when very young.

If they ignore this, it's possible for them to end up being too egotistical and thinking money can solve any problem.

Giving too much importance to possessions is never healthy because other people value different things. The more these people will determine what true value is, the more they'll have a well-established identity that's conditioned by nothing and no one.

## ***Moon ☾ in VII 7th House***

([878] i.thehoroscope.co)

People with the Moon in the 7th House don't hold very tightly to their emotions and desires, being quite versatile, especially when the wellbeing of those close is at stake.

Moon in 7th House people enjoy doing things in groups because they can't stand being alone. It would be a tragedy for them to have to go by themselves to the movies or to spend a day in nature without a companion.

They need to be emotionally supported and to have others around who can make their life more fun. When it comes to romantic relationships, they may change partners too often because they always rush to say that they have found the one and get disappointed along the way.

7th House natives are terrified of being on their own and they wouldn't mind just being with someone, no matter how in love and happy they may be feeling. It's also possible for them to stay in a relationship that doesn't actually look so good.

### **Summary:**

Strengths: Affectionate, dependable and soft;

Challenges: Skeptical and criticizing;

Advice: Leave the future aside and live more in the present.

### **Eager for reciprocation**

People with Moon in 7th House rely a lot on others in order to feel emotionally fulfilled, secure and protected. They are very vulnerable and have a need to belong to a person, to be spoiled and nurtured.

The Moon is all about how a person feels, its position in a sign and a House determining the way a person expresses him or herself when it comes to emotions.

The seventh House is responsible for the way people interact with others, their marriages, businesses and friendships. It also determines how they cooperate and interpret people, together with what their unconsciousness expects in terms of giving and taking.

Individuals having Moon in 7th House are dependent on being with someone because the Moon makes them eager to receive a response from another person, all the time.

This celestial body also indicates their partner should be the sensitive, nurturing and moody type. They may also dream of someone who likes to smother and to be very protective because they usually marry young, and people in their twenties are more in need of protection.

The Moon has great sensitivity and can easily adapt to what others need, but when in difficult aspects, it can become more difficult for natives to enter relationships.

Depending on which planets interact with the Moon in their chart, people will respond to life problems more or less emotionally. This celestial body also represents the Mother, so those who are more influenced by it will choose a spouse whom they can take good care of.

The same Moon makes them care about others' opinions and attentive to their needs and desires. It's normal for "lunar people" to stress about what their partner and others think of them, feeling great when appreciated and in the center of attention.

When the Moon is in good aspects, natives having it in 7th House are capable of great emotions and very receptive to what others need. If the aspects are negative, they are changeable and moody, going with the flow when it comes to emotions and their existence in public.

But all in all, they really are the ones who enjoy romantic gestures or being treated with affection and understanding. When in the seventh House, the Moon influences its natives to use their relationships as vehicles to what they want and need.

These people can't find their own desires in themselves because it's others that make them more aware. This is why they forever remain children in their heart, believing their partner should act more like parents and not lovers.

It can be a challenge for these people to fulfill their own needs without noticing how sensitive they are to the ones of others.

When they don't seem to hold on to their own feelings anymore, they simply take a look at their loved ones and get stimulated. Many will allow them to discover what they need and want with their help, so they won't have too many problems taking care of their own desires.

### **Searching for the right one**

People having Moon in 7th House are in need of human interaction and to be emotionally supported. It's impossible for them to enjoy life on their own.

Their partner may make them feel things they have never experienced before, and they need others to determine what their own needs or feelings may be. It's even difficult for them to take some time off between relationships because they are simply terrified of not ending up alone.

As they are versatile, many will like them for the way they act. One of their main concern should be to not become dependent on people or assume that others treat them the same way as they do. Their friends will be considered family, because they depend a lot on those who are closest to them.

Moon in 7th House indicates their moods and the way they are taking action are pretty much determined by their primary relationships. If they don't marry young, you can be sure they will be searching for the right one their entire life.

When married, they can feel the same things as their spouse because they're sensitive and think this is the way to make their other half's life easier.

People having Moon in seventh House are eager to get a response from others. It may seem destiny has something very special prepared for them, because their Moon is situated opposite of the Ascendant and in a square from the Midheaven, having them doomed to relive the same things all over again.

While this can be stressing, it also helps them be stronger from an emotional point of view. Learning how to go with the flow can influence them to stay away from sufferings but it may cause problems with their emotional and spiritual development.

Since the Moon is in opposition with their 1st House self, they are very balanced when it comes to their temper, being able to see both sides of a situation. This means they get along with everybody, being able to approach emotionally charged situations by being fair.

They are the best negotiators, but it's important for them not to get lost mediating all the time.

Responding to different challenges without expecting a certain response is something they should definitely learn, because they tend to instinctively guess what others may like or dislike, to anticipate their actions and to guess their feelings.

It's easy for them to adapt their reactions according to each individual, which means everyone will like them, having their emotional needs completely satisfied. It's very likely they'll marry more than once and have a profession that requires them to give a hand to others.

Their bosses may notice they have people skills and put them in positions in which they need to deal with the public. Of course, it's not only the Moon that influences them to be so helpful, for there are many other planets that influence its position, forming sextiles or trines and having big influences themselves.

The men with Moon in 7th House want a good wife who can be an amazing mother. They will practically transfer the emotions they have for the woman who raised them to their spouse.

The same position of the Moon indicates they are great at doing business, especially in the field of art. If many of the aspects are difficult, they may have their emotional and professional lives fluctuating.

Moon in the seventh House natives are very interested in their own image and how the public sees them. It's also possible for things to go the other way around, making them very protective of their own individuality.

They know what others want and need, so they are able to perform on stage and to become very successful as actors. However, they would never manipulate their public, as they are only aware of what those looking at them want and how they could be served.

The personal style of people with Moon in 7th House is determined by how others see them. Their success in the public sector could be tremendous, because it's like they're married to the ones that admire them.

Some of their partners may not understand this need they have for an audience, so the chances of break ups can appear more often than in other natives with the Moon in a different House.

### ***Moon ☾ - Fall in Scorpio***

([871] southfloridaastrologer.com:) An awkward expression of nurturing and emotion is found when the Moon is in Scorpio. It feels awkward and inappropriate to satisfy the Moon's need to nurture and express emotion through Scorpio, whose need is to gain power and control.

(0°00'-3°20' degrees Scorpio): Cancer navamsa. You are a sensitive and emotional soul. You express yourself openly, wearing your feelings on your sleeve. You can easily persuade others.

### ***Mercury ☿ in ☊ Cancer man 7° 54'***

([890] i.thehoroscope.co)

He may seem shy and reluctant in expressing his emotions but he's in fact very astute and controlled.

The Mercury in Cancer man is sensitive, emotional, not a little bit rational, and

instinctual. Everything he does, he does it because he feels like it because it would satisfy a certain desire, bring about a sense of inner accomplishment.

This man seeks security, stability, happiness in life, through personal and subjective appreciations. He may tend to be very reticent and reluctant in speaking to other people or engaging in too many social activities.

**In a nutshell:**

Positives: Intuitive and knowledgeable;

Negatives: Vain and overly-sensitive;

Soulmate: Someone who is sociable and decisive;

Life lesson: Getting organized in a routine does him good.

**Some escapist tendencies**

He is romantic, very affectionate, prone to extreme bouts of emotional explosions, depression, periods of great sadness, and so on.

He is shy, reluctant to reveal his emotions, fixed on false expectations and hesitant on demanding what's his.

However, all this emotional and intuitive energy passing through his veins has a lot of advantages as well. It makes him more knowledgeable, observant, endowing him with a keenness for details, vigilance, and faster reflexes.

He quickly figures out the critical parts of a problem and takes a firm decision as a follow-up. He knows what to do in order to make you feel secure, loved, but say something wrong and he'll take a defensive posture.

He must learn to keep himself emotionally balanced, so he must face his fears, take on challenges when they appear, and learn to take care of himself more.

Romantic and sensitive, the man born with Mercury in Cancer will take his sweet time in analyzing the options he has, making plans, taking into account the possible consequences, and, of course, overthinking.

He feels the need to free himself from any outside distraction when immersed in this activity because he may be intuitive and a fast learner, but outside influences will only slow him down.

He's honest and realistic about his own potential and possibility of self-development. Moreover, he loves culture, traditions, the relics and valuable elements of the past.

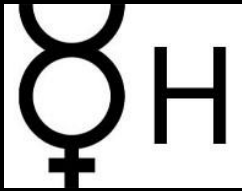

The Mercury in Cancer man needs to know there is a certain outline of his lifestyle, that he has everything structured, put in a certain order, that nothing chaotic will happen.

In other words, a routine is exactly what he needs in order to feel good. On the one hand, he is very kind and generous with other people, helping anyone anytime, but at the same time, he's very rough and harsh with himself, often ending up in a state of depression.

Whenever someone disagrees with him, he views it as a direct attack on his ego, an insult that must be punished.

He does love to talk and to take part in social events, but when someone steps on his toes, the pretenses are dropped and all hell breaks loose.

### ***Mercury ♀ in III 3rd House***

([910] i.thehoroscope.co)

This placement of Mercury encourages people to have some eclectic, diverse, and quite entertaining interests, but the downside is a loss of focus of what is most important.

Those born with their Mercury in the third house of their birth chart are exceptionally adept at using words to portray a complex vision of the world, to present their ideas in an expressive and suggestive manner.

They aren't necessarily the smartest people in the room or philosophers, but they do know how to best use their minds in order to adapt to new situations and make the most of their potential.

They're good communicators who find it very easy to converse with others, to exchange ideas and to reach a consensus through debates and verbal mediation.

#### **Summary:**

Strengths: Talented, pragmatic and charming;

Challenges: Sarcastic and arrogant;

Advice: They need to be careful what words they choose, not to offend people.

#### **A passion for knowledge**

The third house is naturally that of the Gemini natives, which we all know are the kings and queens when it comes to communication and sociable efficiency.

They can't stop themselves from joining in on random conversations, on imposing their viewpoint with an iron will and going so far as to suggest even more profound ideas.

Professionally, we can safely assume that those born with Mercury in this Geminian house are going to have a brilliant future in domains that capitalize on these traits, creativity, spontaneity, imagination, and communication.

Their interests are eclectic, diverse, and quite entertaining, but the downside is that they lose focus of what is most important, choosing to get involved in more than one activity.

They are interested in absolutely everything, from fashion to painting, nuclear physics to evolutionary biology, morality, philosophy, apiculture, and silk-worms.

There really isn't a limit to what they can achieve in terms of knowledge and cultural information. They like to know, that's it. Know what? Anything and everything.

In a discussion, you can barely utter a single idea that they have already delivered an entire speech and have already moved on to another subject, just like that. The passion of accumulating knowledge in and of itself is their highest goal in this life.

People with Mercury in the 3rd house are well-above the rest of people when it comes to intellectual capacity, and even in how they use that intelligence to achieve their goals and ascend the social ladder.

They are pragmatic, reasonable and rational, and have very good communication skills. Their creativity and imagination imply that they might also be good in artistic fields like painting, singing, writing even.

One thing is sure though, that they will never stop from cultivating their minds, learning everything there is to know about the world.

### **The positives**

They should be careful, though, to prioritize their important responsibilities and obligations, and leave other secondary activities in the end.

Things like having fun, reading a book, going to the theater, these are optional, activities to spend time with.

They might have problems in this regard, organizing their schedule and maintaining it to increase efficiency and productivity.

It's a result of their dynamic and overly-curious nature. They want to try everything, and that sense of immediate gratification is really strong in their case.

It's a given that they have to take a step back, relax and take another look at the whole picture, take care of themselves and try to self-develop.

Ideally, they have to find a way to do everything with the least expenditure of effort.

The Mercury in 3rd house natives are especially endowed with a mathematical mindset. They are able to quickly deconstruct, analyze and systematically arrange chunks of unadulterated data into concrete and comprehensible information.

This is made through the sheer power of reason and logic alone, the rationality that's practically oozing from their brains with maximum intensity.

The clarity and insight necessary for this kind of endeavor are titanic, but they manage to do that and much more.

It's a double-edged blade though because failure would mean a complete demonization of their general meaning of existence, their founding principles of life.

Mercury's third house is populated by individuals who are keen on learning, maybe too keen at times, but it's good that they begin this process from an early age, building the foundation of a good personality until later on when they finally get to achieve their goals.

They are called the jack of all trades, but master of one, and with good riddance as well because they pursue a lot of interests and passions, but don't get too far with any of them.

They are talkative in the sense that they speak when spoken to but otherwise they only say what is essential to be said.

### **The negatives**

One of the glaring flaws of the Mercury in 3rd house people is, evidently, this lack of focus and attention on their interests.

Because they try to increase their knowledge in as little time as possible by pursuing multiple goals, they fail to complete even 1% of what they've envisioned.

Instead, they are left with plenty of chaotic information about a wide range of topics which, although a sign of intelligence and curiosity, won't be of any significant aid in realistic terms.

They quickly make decisions when they have to, often spending very little time in actually thinking about the options and consequences.

They don't like to stay still in one place for too long. Dynamism and the eternal enthusiasm burn incessantly inside them, pushing toward new experiences, toward the expansion of understanding and the accumulation of new knowledge.

Socially, they are pretty talkative, too talkative in some cases, and often annoy people.

Another thing that's crawling inside their brains, gnawing on the neurons, is the fact that they don't extract a practice meaning from knowledge.

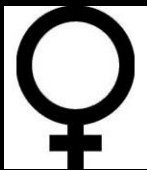

Rather, they perceive the process of knowing, in and of itself, as being particularly enlightening and greater than the end result. This causes chaos to envelop and engulf their mental stability.

When there are problems with them, the whole synchronization with the Mercurian third house energies is disrupted, ending in a whole deconstruction of their anchors.

Curious and knowledgeable as they might seem, it's really a matter of destiny, luck, and fate to get through these moments because they obviously can't control nor alter the movement of Mercury or its energies.

Harmony is sought for and desirable, but chaos and disharmony often occupy their lives from time to time.

**Venus ♀ in ♈ Aries man 15° 59'**

([921] i.thehoroscope.co)

He likes to be the one who inspires people to get out of their comfort zone.

The Venus in Aries man is the hunter of the zodiac, always on the prowl, looking for the next prey. When he falls in love, he expects the target to fight for her independence, to struggle against his advances, to not give up easily.

Only that would satisfy his desires, his need for adrenaline and the need to assert his dominance. Nothing stands in the way of his boldness and supreme confidence.

He wants to get physical right from the beginning, so don't even think that you can keep

him at a distance and still have him interested. Moreover, he wants his partner to be independent, to have her own plans, and not depend on him for living her life.

**In a nutshell:**

Positives: Straightforward and confident;

Negatives: Self-indulgent and vague;

Soulmate: Someone who is very honest and reliable;

Life lesson: Taking less risks and being kinder to himself.

**His love personalityHis love personality**

The Venus in Aries man is attracted by a direct, straightforward and confident woman who isn't afraid to say what she wants, to express her feelings, and to grab a hold of her potential.

He doesn't want someone who's anxious, highly emotive, afraid to speak her mind, and introverted. That would only bore him out of his minds and ultimately drive him away.

He's a fan of risky endeavors and dangerous adventures. He would never say no to such an opportunity because he knows what he wants from life.

In a relationship, he will assert his desires and expectations, while also going straight toward the point, asking for what's necessary to satisfy him.

He needs action, dynamic events, to go and take what's his, to release all his energy outward, and this may present itself as a healthy form of romance in a relationship.

This man wants to feel the rush of adrenaline course through his veins, to feel like the world ends if he doesn't react fast enough.

Everything must be pushed to the limits of the extreme, to the verges of possibility, in order for him to feel satisfied. Emotions, feelings, all are passionate and intense, and the routine is perceived as the enemy of life.

He's just like rocket fuel – an incredibly fast-paced start, followed by the most incredible course ever taken, with plenty of spontaneous and over-the-top reaction, just to deflate faster than a stung balloon.

He likes to be the one who inspires people to get out of their comfort zone, and in a relationship, he'll be romantic, incredibly affectionate, open-minded, and initiate energetic adventures to spice things up.

What this means is that once he's started something, he won't automatically take it all to an end. In fact, chances are he's never going to finish, just wave his hands in the air like a lunatic, in the beginning, appear extremely intrigued by this, but then quickly lose their

interest.

He's a very competitive partner and likes challenging bouts, debates, and arguments. He feels alive doing these things, being the one who takes the initiative, the one who takes the relationship to a new level, and also the one who leaves, if it comes to that.

Now, for his tastes, they are pretty simple, actually. It's not about physical attractiveness or the way she dresses specifically, it's just that she has to have a strong personality, go against his wishes if it comes to that, and never abandon her principles.

One of the problems this native has is that he doesn't really think things through, and he only ever thinks about the excitement and enthusiasm of stalking and seducing his prey.

When it all becomes normal, comfortable, and his lover starts getting used to his advances, then the Venus in Aries man gets bored and starts looking for entertainment once again.

What makes it even more complicated for the Venus in Aries man to have a peaceful relationship is that he can feel insulted very quickly.

He takes a lot of things personally, even though they were just said in the middle of a debate or in a heated discussion.

He really cannot hold his pants when his girl says something that he can interpret as an insult, and this is one of the reasons why he usually doesn't stay for too long in such a relationship. Immaturity is one of the reasons why he's so quick-tempered and has a flimsy ego.

### **Attracted by ...**

The Venus in Aries man is very intrigued by a girl who knows what she wants, and who puts everything away as she goes to fulfill her dreams.

Lively, outgoing, energetic, and very intense, this is what he wants from his dream girl. It would be good if she practiced sports or if he had a very healthy lifestyle in general.

This means that she cares about her own looks and general wellbeing and that she's not lazy. What's more, he wouldn't mind even if she were to take the lead in the relationship, as long as she makes the right decisions. He enjoys having a strong woman at his side, and you would do better to show that to him.

The man born with Venus in Aries needs constant challenges in his life, whether we're talking about his professional life, day-to-day chores, or his romantic life.

He needs to be pushed, to be at the edge of his seat, to see that there is someone better

than him.

This incentivizes him greatly and makes him wish for more, to overcome his limitations.

In a relationship, he wants to keep it alive, to go straight for the kill every time, never to hesitate or to wait for the right moment.

There is only one life, and you have to live it fully. He appreciates a straightforward and honest partner who doesn't beat around the bush.

### **In conclusion**

This man likes his woman direct, bold, and confident enough to make the first move and not feel sorry about it. He wants her to be dominant, to push away all the uncertainties and just do it.

If she gets all physical, that's going to drive him crazy with intrigue and anticipation, so think about that for a second. Surely you can grab the courage to give him a soft kiss next time you see him, just to incentivize him further.

About the Venus in Aries man himself, he is a very energetic and enthusiastic native brimming with confidence and vitality.

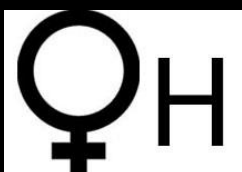

Naturally, his partner will feel all this energy unfolding right before her eyes, and it's impossible that she doesn't get affected by it. He will turn your fears into confidence, and he will support you even when no one else believes you can do it.

With this much impetus and determination at his disposal, it's really a surprise that he's not blogging about how man achieve whatever he wants as long as he so much as desires it.

What he needs to learn is that his partner also has his desires, wishes, likes and dislikes, her own opinions that he would do better to respect.

We all know he's domineering and fierce, but not everyone can run at the same distance as him, so do be careful when setting expectations.

## **Venus ♀ in XII 12th House**

([956] i.thehoroscope.co)

People having Venus in the 12th House want to build fulfilling relationships but aren't very good at establishing their romantic needs.

Venus in 12th House people are very romantic, because Venus is the planet of love and the 12th House rules over self-undoing. They will make their own world out of their partner and feel very hurt if not seeing where the limit between their own needs and the ones of their lover is.

Because they're very devoted, many will think to take advantage of them. Very attracted to eccentric people, they will probably fall in love with someone who has many secrets and does things in an unusual manner. Not at all open to express what they're feeling or their affection, they're usually terrified that their partner doesn't have the same feelings as them.

#### **Summary:**

Strengths: Unconventional, friendly and appreciative;

Challenges: Rushed and careless;

Advice: Take the chances that scare you a little.

#### **Serious about romance**

Venus in twelfth House people will express all their artistic, social and romantic abilities through the way they socialize, and form balanced relationships with others. They like being part of something bigger than themselves and are great group members.

These natives are very serious about romance and start living only for their partner as soon as they have fallen in love and got together with that person.

They may have a problem setting up some boundaries between their needs and the ones of their partner's, so it's easy for them to get hurt in love.

Being so loyal, many will take advantage of them, this not being at all a good thing. They like the type who's unusual and has an interesting personality, regardless of where they have met that person.

Those who think they're weak and not compassionate are the ones who will take advantage of them most of the time. It's like there's never a safe ground with them being affectionate and loving others, because they may feel like they aren't getting any responses to their love.

Attracted to any secret, they will probably get involved with married women or those who aren't available. It's like love has to come with sacrifice for them, and always need to renounce something in order to be with the person they're in love with.

Appearing mysterious even if they don't want to, Venus in twelfth House natives keep their romanticism well hidden, so this is what may cause them to seem enigmatic.

They should take a closer look at what they want from love, because they have this tendency to get involved in relationships that aren't equal and have a certain level of secrecy.

They also should make sure they aren't secretive themselves and that they're feeling worthy to make their love life public. Since Venus is about passion and the 12th House rules over the feet, they may feel the most sensitive in this area.

When the planet of love, which is Venus, is in the 12th House, the natives of this placement can have a very complicated love life. This is the House of Pisces, represented by two Fish that pull in different directions and don't seem to get anywhere.

Enjoying the ride and appreciating the feelings they get from life would be the best idea for people having Venus in the 12th House.

They can sometimes leave themselves behind because they're not feeling worthy, so it's important for these natives to come to terms with this issue, no matter how serious their relationship is.

They're very worthy of anything, including love, so settling for less shouldn't be in any way one of their options, as they tend to just go with something that doesn't make them happy and start living in a fantasy world.

It's easy for them to think of partners they've lost, to fall for someone who doesn't love them back or is very far away.

Poets at heart, they may not necessarily be talented at writing, but they can still have the deep emotions of a poet because no one beats them at being romantic.

Their ideals regarding love are high and it's sometimes normal for them to feel reality is not even close to their dreams. It can be disappointing to see things as they actually are, but dreaming too much can't be in any way healthy.

Individuals having Venus in the 12th House can love anyone very compassionately, which means they're mature when it comes to this feeling, but also dangerous, because the ones who aren't so evolved can start chasing people who will never land into their arms.

The others will not mind giving all of their unconditional love and will notice that The Universe sends them back a positive response.

### **Running away from loneliness**

The twelfth House is about secrets, things that can't be seen and locked feelings. Venus is like in exile here, so the natives having Venus in the 12th House will dream of taking their other half to a deserted island and just spend some romantic moments there, if only for an hour. It's very likely they will fall for the wrong person and get to live a forbidden relationship.

They should set some boundaries regarding how much they're giving in their love life because they tend to have the same feelings as their lover and to get easily hurt.

Caring a lot about the humanity, they think Divinity is in each and every person. Cruelty and suffering give them the ugliest feelings they can have and make them dream of an ideal world, after they have retreated and isolated themselves.

People having Venus in the 12th House want relationships but aren't very good at establishing their romantic needs.

It seems like their soul is always looking to get together with someone, in the most divine connection this world has ever seen. Only in the arms of their lover, do they get to feel like they're truly home.

They will spend some time alone and become as dark as a person could get, so they run away from loneliness, looking for relationships that can sometimes be disastrous and not at all advantageous for them.

They seem to disarm everyone with their impressive aura and great supportive character that also makes them great for a job in counseling or as therapists.

The twelfth House is also a ruler of isolation, so the natives with Venus here can make great friends for those who are locked up in either prisons or mental hospitals.

Because this is the House of Loneliness, they want to have their privacy and can enjoy some hobbies no one has any idea about. This is due to the fact that they would simply want to keep things to themselves.

If Venus forms an aspect with other creative and artistic planets, they will be very talented at something and not say a word about it. People with Venus in the 12th House feel guilty when wanting possessions or yearning for the materialistic side of the world.

Feeling shameful when they have to show their things or eat too much, they won't have to be in any way down, because they have worked hard to obtain what they were dreaming of and to afford the most expensive foods.

If Pluto or the planet Jupiter are in aspect with Venus, they may be obsessed with

shopping, but still feel guilty after a day at the mall. However, shopping sessions can stimulate them sexually, especially if they're buying something expensive for their hidden lover.

Their biggest secret is that they love sweets and candies. It can be a problem for them to express themselves in a relationship and even to be individualistic around many people. By interacting with others, they simply make a connection with the Divinity and can see the faces of all Gods in people.

They may have healing powers, because Venus gives them an affectionate and powerful touch. Venus may feel isolated in the 12th House, making its natives think like observers and spreaders of love who deliver and then disappear surrounded by mystery.

### **Venus ♀ - Detriment in Aries (& Scorpio)**

([871] southfloridaastrologer.com:) A restricted expression of sensuality and beauty is experienced when Venus is in Aries or Scorpio. Aries and Scorpio's need to exert their will and gain power are opposite Venus' need to be polite, sensual and enjoy beauty.

He just walks by you, and you find yourself filled with the desire to talk to him, to be near him. It's quite a magnetic aura, nothing else. Of course, his attitude and personality match his elusive charm flawlessly.

This man is also a perfectionist with exceedingly high standards and expectations. If people around fail to meet even one of his conditions, he's quickly out.

#### **In a nutshell:**

Positives: Knowledgeable and caring;

Negatives: Possessive and impetuous;  
Soulmate: Someone who can keep his attention for long;  
Life lesson: To fight more to preserve his principles.

### **A talented individual**

This man is cool, chic, and he likes to stay in touch with the new fashion. He is actually very interested in fashion, in how he dresses, and how he keeps on top of the game.

If you're asking yourself who actually wears the weird costumes that a lot of fashion designers think of, you have your answer.

The man born with Mars in Libra will, and he will be quite proud of his unorthodox tastes. He gets his confidence from looking good, from the admiration and gasps that most people nurture when passing by.

Moreover, he's very adept at talking to people and getting what he wants. Either through persuasion, manipulation or just a wink, he manages to coerce anyone into doing his will.

He might just make it on the front pages of the Times for a new technique in a musical orchestra or a fresh method of applying paint on canvas. The thing is, he can be extremely imaginative and creative.

Considering that he is greatly endowed, artistically speaking, as well as having a tendency to harmonize his ideas, it's not a surprise that he has a splendid future.

He can also take on the mantle of a professional writer, with the pen being his sole weapon, the creator of worlds and lives.

Public speaking is also good for him. Even weirder is the fact that he despises competition and conflict. Why can't everyone just get along and do their thing in perfect harmony?

If need be, he will try to outwit his adversary with cunning words or an ingenious strategy, but direct confrontation is out of the questions.

The Mars in Libra man wants to instill the sense of justice in the people's mind, for everything to be fair and square, no trickeries or injustices allowed.

He struggles hard for this goal, and he uses every bit of knowledge and method at his disposal to make his peers see the right path ahead.

He can easily substitute himself for someone else and see the world from another perspective. This is why he deeply understands the problem of injustice so well.

A higher cause is all they need to get to work. The emissary of peace and prosperity, equality and mutual understanding, this is what the Mars in Libra man is.

This astrological combination is quite ambiguous and hard to understand, and one could wonder how in the hell can this man lead a good life.

The problem is that Mars, being the planet of war, combat, and fiery energy, will drive him to take on the sword and shield, get out into the world and make a name of himself.

His upbringing taught him that patience and meticulousness are capital, that he should first take a good look at the situation, plan ahead, and only then descend on the battlefield.

He gets his way most of the time, but Mars in Libra constantly nudges him forward, toward aggressiveness, impetuosity, bravery. Also, he's a ladies man, always flirting with a lot of women.

### **Full of compassion**

The Mars in Libra man feels the need to show his appreciation to others, and no one can object. After all, who doesn't like to be praised? Now, to get to the surprise, find out now that this man can also be very affectionate and loving to his partner.

Guess why? Well, because his natural astrological planet is Venus, the planet we all know is connected to the power of love, belonging and harmony.

He'll be a very devoted and compassionate lover, willing to do anything to make the other happy. He might exaggerate and try to force his partner to see him as romantic and attractive by making use of his verbal manipulative skills.

He is polite and he knows how to take care of his woman, to fulfill her every desire, to make her feel protected, safe, happy, and most of all, satisfied with her lifestyle.

She'll take her from work, cook her dinner, serve her a morning breakfast, and generally wear a bright smile whenever she's around.

He's very intelligent and curious, so it would be incredibly satisfying to see his partner come up with an interesting subject, one that many others have debated.

He likes to brag about his culture and accumulated knowledge a lot because he wants his partner to know what kind of man he's with. He does tend to let her take the initiative and decide whatever they're going to do, and this is a big downside.

It becomes difficult and uncertain to pinpoint his romantic potential because he cares

about social acceptance quite a lot.

He wants his woman to be attractive, to know her way around social events, to be communicative, extroverted, and diplomatic, friendly and outgoing.

He is willing to let go of all other traits, positive characteristics, and even flaws if his woman will deliver him a good social standing. She should be dominative, reliable, confident, and bold. The Mars in Libra man prefers to be the sensitive and passionate one.

### **In conclusion**

He's basically a people-pleaser who does everything with the express thought of satisfying the social expectation and staying in line with the societal regulations.

If people appreciate and praise his efforts, he's fulfilled and doesn't need anything else. If the world doesn't agree with any of his endeavors or interests, then he might as well give it up.

He's very creative and intuitive, often coming up with great ideas, each more innovative and interesting than the last.

One of the few instances when he's willing to go against his better thought and confront the world is when he sees an injustice committed.

That's when all his instincts start crawling back out, and his perfectionism takes the reins. As long as his partner is affectionate, attentive, and devoted, he will sacrifice everything to make her happy, to bring a smile to her lips each and every day.

If his partner is disinterested and cold, he'll follow the code of equality and detach himself emotionally as well.

### ***Saturn ♄ in ♏ Scorpio man 1°21'***

([1024] i.thehoroscope.co)

The position of Saturn in your natal chart reveals how you deal with rules, responsibilities and limitations.

Those born with Saturn in Scorpio in their natal chart are the saluting soldiers of the zodiac, the ones benefiting from great discipline, who always try not to stray away from their principles.

Once they've put it in their mind to do something, nothing's going to stop them from achieving it. Of course, perseverance would be akin to stupidity if not for their intelligence and many abilities that make everything seem simple.

Life is just a walk in the park for them, contrary to the opinion of the majority, who can't even understand what they're doing, and how exactly they manage to stay in control so perfectly.

**In a nutshell:**

Style: Passionate and resourceful;

Top qualities: Loyal, stern and intense;

Challenges: Stubborn, too bold and cowardly;

Advice: Don't be reluctant in helping others, even if there is no end game for you.

**Personality traits**

Once again, the Saturnian Scorpio gets another boon from this planet in terms of inner depth. He can carefully hide his abilities from prying eyes, and also his weaknesses.

Being a vulnerable individual, just like everyone else, makes him uncertain of going all out, but now that Saturn brings guidance and rules to the mix, this won't be a problem anymore.

These natives become masters of their own destiny who work behind the shadows, no one noticing exactly how they accomplish miracle after miracle.

One thing that can define the Scorpions almost perfectly – intense enthusiasm. With an impetuous and unrestrained source of energy at their disposal, their naturally combative spirit comes out of hiding, biting anyone who doesn't pick up their pace.

Whoever can't keep up with them will have to suffer. They manage to control these instinctual reflexes when they have to formulate a plan.

Future goals are too important to be put under the pressure of such unpredictable behavior, and they understand this.

With their secretive nature, it wouldn't be surprising if they had some bizarre interests

like magic, necromancy, or some other controversial passion.

Moreover, this also makes them quite determined to achieve a state of perfect mental discipline, of exquisite willpower, so that no one can read them. Emotional stability is also something that they have to keep a look out for because all that intensity and volcanic personality will eventually boil over and burn everything in sight.

They prefer subterfuge to a direct confrontation, to weaken the enemy psychologically before delivering the coup de grace.

In this sense, they approach almost all situations, even if there is no enemy to speak off, but an idea, an object of their attention overall.

Their investigative powers are off the charts, and they can be very devilish and vile, to the point that a lot of people would remain awe-struck at their resourcefulness.

### **Love behavior**

Romantically, these natives have very contradictory feelings most of the time, born from their uncertainties and fears.

They may be very affectionate and intense in intimate bonding, craving for nothing but the most blissful of pleasures in bed, but the truth is that they are ridden by a constant nagging feeling of inaptitude, of self-pity, because they aren't sure if they're good enough.

Because of this, the Saturnian Scorpions will try to test their partners from time to time, to check the strength of their feelings, or how they're going to react when confronted with unruly accusations.

It's not something very pleasing or comfortable at all, so there's really no surprise when they start arguing over this matter. However, if they manage to stand face to face with your trust issues and prove themselves, what comes next is complete loyalty.

### **The good and the bad**

No matter how efficient they may be when acting inconspicuously, it has a bad effect on their whole temperament and overall emotional stability.

They feel the pressure of having too many secrets, a deep disappointment that no one really truly knows them, and this is one of the essential things they should work on.

They must let other people in and have a more open-minded attitude toward personal relationships.

Their naturally responsible and hard-working personality can help a lot with this

pressure, taking their attention away from it.

Saturn ensures that they are deeply committed to their goal, always vigilant and attentive to the smallest of details.

To them, acting under the cover of secrecy is not only a good professional technique, keeping the secrets of success safe under lock, as well as having a restrained attitude that does the job perfectly, but also in their day-to-day life.

There are plenty of manipulative people out there who only need a little bit of information to use against them. That little anchor that they've grabbed a hold of can possibly lead to a great disappointment, so these natives make sure that nothing essential is accessible to the outside world.

Even their emotions are tightly kept to a minimum, not letting the excess leak out. Love, affection, appreciation, sadness, these feelings could just as well make them vulnerable to attacks.

Because they feel so deeply, most of the time, an offense on that level would leave them dumbstruck for a long time.

It's better to avoid such situations from the start. Saturn is the one who makes sure that they never leak any information out by imposing a certain set of principles and rules.

### **The Saturn in Scorpio man**

Just like their female counterparts, these natives are hard to piss off, and they would rather prefer to get away for a time to calm themselves, rather than going all out and saying something they'll later regret.

In other words, they care about their family and friends a lot, and not even they would dare to put those relationships in danger.

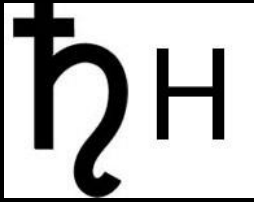

However, there is one exception when they'll not be able to control themselves from exploding. If he suspects his partner of adultery or just deceit in its rawest form, he won't take it standing and will likely issue an ultimatum.

Of course, being on a constant watch out for possible dangers will kill off any sort of opportunity for self-development, and happiness will be just a dream at night.

All these people have to do in order to escape this predicament is listen to what Saturn in Scorpio tells them about objective standards, using reason to create a certain set of guiding principles that he can fall on, in times of need.

## **Saturn ♄ in VII 7th House**

### **Often looking for some kind of validation**

Marriage and any other type of partnerships are among the areas influenced by the 7th house, which means this structure determines how people feel about both their closed ones and enemies.

Opposing the first house, the 7th is all about the energies natives project onto other individuals, and also about what they're looking for in a relationship.

It can be seen as the ruler of the feelings people want to get back from the ones that they love the most. It's related to Libra and its ruling planet Venus, which governs over love and kindness.

Saturn in 7th house people can be many things because this planet influences them in many directions, as a result of the energy it resonates.

They could be the type who only has a few meaningful relationships because the responsibility that comes with being involved overwhelms them.

It's also possible they may find it difficult to form connections with others, which can keep them as far away as possible from any kind of attachment.

They shouldn't let all these things rule their life and keep an eye on their predilections.

Taking relationships seriously and being responsible of another person can turn them into great partners if they just make an effort. Not to mention many would be very happy to be a part of their life.

They should be the type who doesn't hurry to commit but who does it seriously. Natives having Saturn in 7th house are very loyal and devoted, looking to only be with their lovers for a lifetime.

This is the house where Libra resides and which rules over marriages, enemies, friendships, business partnerships and romantic encounters.

It can be difficult for these people to find love, but at least Saturn influences them to be committed and never easygoing in matters of love.

They will question the way they care about their other half and feel inadequate for a relationship, but at least they'd never cheat.

When it comes to their social life, they're anxious and not at all themselves in the company of people. It's like they're always building up walls between themselves and others, deciding what to do about their relationships according to an irrational type of fear they have and never trusting the ones they love the most.

Individuals having Saturn in 7th house are always looking for the validation of their commitments and want a partner who's practical, stable or very calm.

That's why they may marry someone older and with a good social position, sometimes after their thirties. The orb of Saturn when it comes to relationships here suggests they may go through some desperate situations in which their partners are being abusive or not at all in love with them.

When it comes to work, they'd do a great job as politicians, business people, lawyers and brokers. They will connect with others just to repress the fact that they're feeling inadequate or inferior.

The cosmic alignment may force them to repeat the same mistakes until learning the most important life lessons and to always have a feeling of emptiness.

That's why they want someone who can deal with their inner life and at the same time dream of solitude.

They will probably have failed marriages until Saturn will do its first return, which is around their thirties. They're attracted to fixed and Earth signs and can encounter delays when it comes to love. These people will most likely be alone and feel like there's no one out there who can be called their other half, for a very long period of time.

### **The goods and the bads**

Saturn is the bully of all planets, the one who always comes with nasty obstacles and makes people think they can't make it in life.

When in the 7th house of partnerships, legal matters and marriage, it influences natives with this placement to get married later in life or even to never experience a serious relationship until their thirties.

They may be the type that marries for money and is later on haunted by this decision, only to decide at some point to end the relationship.

If Saturn in the 7th house is in good aspects, people who have this in their chart may become motivated to turn into responsible individuals as soon as married.

The same planet can also influence them to choose the wrong relationships and to be inhibited, stressing over things that others wouldn't even think of.

They will feel paralyzed when things become too intense or close to completion, so the solution for them is to develop strong connections in which others are willing to help them when feeling this way.

Some of the people with the Saturn in 7th house placement are too shy to just sit and have an one-on-one talk. They're also too reserved to make a new friend or to start a relationship because Saturn asks them for patience and wisdom.

If this planet would oppose some other that are related to personal issues, the natives of this opposition would have to face many obstacles when it comes to the way they interact with others.

Saturn is about going over the line and learning some lessons the hard way. It influences people to test their ground before romances and to not want something too "normal" because they're looking for originality and what's real, not in any way abstract.

It can be said this planet makes people wiser when it comes to love. All the natives having Saturn in 7th house are good at mitigating conflicts and know the difference between what's right and what's wrong.

They think justice is the most important thing in the world and are able to see both sides of a situation or the compromise that should be made when two people are arguing.

These natives are looking to bring peace and balance because Saturn keeps them in the right mindset. Their relationships will always be harmonious and stable, and they'll have partners who trust their sense of justice and the decisions they make.

The 7th house dictates how people get along with their public, while Saturn determines their level of commitment and responses, be it about emotions or just curiosity.

The public opinions of Saturn in 7th house individuals are strongly influenced by this planet, making them able to deal with their fear of speaking in public and always telling the truth.

They wouldn't get married with someone who doesn't match their personality and their love would be a lot about loyalty.

They should, however, realize there isn't such thing as a perfect relationship and rely more on the person who can help them be a better version of themselves.

Saturn may influence them to feel burdened about making a partnership working and at the same time too shy to get close to a person they like.

These people should know what give-and-take is and also how any union should be built, while allowing their other half to carry the responsibility of making things work, with their help.

Taking love seriously, they should believe in collaboration and enjoy their lover's company. It's also suggested that they rely more on feeling than on logic when choosing someone because happiness can only be attained by involving emotions.

## ***Uranus ♃ in ♋ Cancer man 19° 23'***

([1044] i.thehoroscope.co)

The position of Uranus in your natal chart reveals how forward-looking you are, on one hand, and on the other, how rebellious you are.

Those born with Uranus in Cancer in their natal chart are the homebodies of the zodiac. They are very attached to the concept of family and have strong bonds with their loved ones.

However, they may be tempted to try to change things a little bit, bring about the unconventional aspect here. The family they're most close to might not be their natural one, but a social group that they've invested time in.

The thing is, when they spend a lot of time with some people, and engage in activities together, a sense of fostering, of loving shelter starts blooming, and this feeling of tender comfort transforms into something permanent.

### **In a nutshell:**

Style: Insightful and compassionate;  
Top qualities: Generous and affectionate;  
Challenges: Not using your potential fully;  
Advice: Be careful about burning bridges with estranged friends.

### **Personality traits**

The Uranus Cancers are rather eccentric and out of place with their innovative perspective about family and home. They play it out quite safe in other domains, but when it comes to decorating their home, for example, they venture out into undiscovered lands, bringing in only the quirkiest and weirdest additions to the table.

New pieces of technology are welcomed as long as they are practical and have an established role. You can't dismiss this native that fast because their ideas are very intriguing and fun.

However, they can feel pretty disappointed when others don't appreciate their ideas or dismiss them from the get-go. They want them to at least try to understand them and be open to the new.

The truth is, the ideas themselves are not the reason people avoid them, but rather their chaotic and unrestrained behavior. Going to great lengths just to implement a plan is all fine and dandy, but when you don't have a pattern and seem to just try anything that comes to mind, people won't react nicely.

The Uranus Cancerians need to better manage their emotions, and not let themselves be taken down by one mean comment.

These people are very intuitive and instinctive, basing most of their decisions on how they feel at that moment, what seems to be right. In this sense, they are very enthusiastic and express themselves fully and with vitality, with nothing left out.

Most people could have a wrong impression about them, that they lead their life based on the howling of the wind, by the number of leaves fallen from a tree, but it's nothing of the sort.

They might involve themselves in some organizations that wish to change the aspect of society, to bring out new developments for the betterment of the people, and so on.

The reason they appear to be very annoyed and hurried is that they are very sensitive to the natural changes of the world. They are very responsible and self-aware individuals and don't dare to take anything for granted.

What others don't even look at, these natives hold in high regard or give it a significant role. Their irritability needs to subside in time, but they could help this process by finding the time to relax.

### **A challenging love**

Emotional instability makes them very difficult partners. A relationship should be based on devotion, affection, understanding, but when they get depressed and start crying from just being contradicted, that's not very healthy or desirable.

Moreover, difficult situations are very straining for them because they have many uncertainties, irrational fears that stop them from taking the proper decision.

What matters is that they let these feelings come and go, while they maintain the same

open-minded approach. There are conflicts and arguments in any relationship, and you don't see people breaking up after only two weeks of staying together.

Obviously, they can come to an agreement, either through empathy and emotional understanding or reasonable thinking.

### **The good and the bad**

When they're feeling under the weather and unappreciated, the Uranus Cancers can be very inefficient at their work, and even worse lovers.

So, to fix things up, try to show them how much you love them, to give them the much-needed support that's lacking. Maybe even suggest finding a job closer to home, or even work from home, as that would really take a lot of stress from their schedule.

A place that they've invested their time in, where they work day and night to keep nice and relaxing is the best place for them to work. It refills their battery constantly, and once they're at their best, nothing can stand in the way of these natives.

The best thing about that, that supernatural third eye that seems to sense the future is also one of their worst flaws, given their natural uncertainty.

It's not always good to have such a strong intuition because if you aren't resolute and confident, any slight disturbance in the natural order of the world will scare you out of your wits.

Their ideas are very productive and down to earth, with some being a little idealistic, but if they can't stand behind them until the very end, it's all for naught. If the slightest obstacle is enough to put you down, you have to work on resistance and confidence.

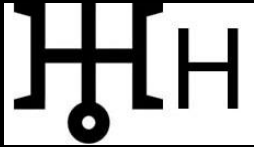

### **The Uranus in Cancer man**

The Uranus Cancer man feels everything at a completely different level than most of us do. He is affected by the workings of fate, by the words of other people, by his own failures, by a successful plan, and this heightened receptivity acts as both an incredible advantage and a downside.

On the one hand, he can solve almost any problem from the onset because he can see how it's going to evolve further down the road, so he has the perfect solution.

On the other hand, he can be really taken aback by other people criticizing or looking down on him, and he may need reassurance. Furthermore, he is split apart between the cold and rational influence of Uranus, as well as his innate emotional sensitivity.

### ***Neptune ♆ in ♋ Cancer man 18° 3'***

([1068] i.thehoroscope.co)

The position of Neptune in your natal chart reveals how intuitive and dreamy you are and whether your life takes any spiritual turn.

Someone who is born with Neptune in Cancer in their natal chart always plans things with their family in mind, with the wellbeing of their close ones as a priority.

No matter what they're doing, where they are, their first thought is the security and stability of the people they love. In fact, they are a part of many social groups, and are very attached to this concept in and of itself, being a part something greater than themselves.

Being interested in their own person comes at a later stage in life and allows them to explore their upbringing, emotional anchors and what led them to become the person they are. Breaking up with the past is one of the many ways to do this, pulling out all those memories, good or bad, that keep one chained and imprisoned in an old mindset.

**In a nutshell:**

Style: Idealistic and Sociable;

Top qualities: Stable, patriotic, gentle and understanding;

Challenges: Pessimism and the need to see everything with one's eyes;

Advice: You could support your friends in more practical ways.

**Personality traits**

Natives who were born under Neptune's watery mark are very comfortable and deeply connected to their sense of belonging to a community.

In this sense, they are very patriotic people, and will always support their country in times of need, even enlisting in the army wouldn't be a big surprise.

Traditionalism isn't far away either because they might also want to protect the generational ideas that have always been there. More practically, they are homely individuals who care a lot about the state of their domestic space.

Moreover, Neptune releases a lot of unused energy that will help them develop more than they would think, on a personal level.

This planet of the intuition and imagination bonds deeply with the Cancer's uncertainties. It gives this native the power to stop overthinking and instead find fulfillment where there is none to be found, when the situation is dire enough to awake feelings of self-loathing, self-pity, anger, disappointment.

Alongside the Moon, Neptune really cranks up this native's potential, bringing the search for inner peace to a perfect conclusion.

The concept of family is much more than that for the Neptunian Cancer. It actually holds a symbolic significance, one that transcends mere stereotypical ideas, that it's something which falls into a routine, a mere social construct meant to have a practical purpose.

For them, family represents closeness, spiritual and personal fulfillment, that place where the struggles of the world bounce off of, a safe refuge for when they lose their path.

Although they aren't exactly very knowledgeable about how relationships work, and how to deal with the oncoming problems, they have enough emotional depth and get to fix most things really quickly, intuitively.

The Neptunian Cancer is a very loving and empathetic individual who rarely misjudges a situation or doesn't understand the motivations of people around them.

They can not only use their intuition to notice the little details about a person's emotions but also find certain solutions to their problems. On a broader level of understanding, theirs is a highly sociable and communicative approach, which makes connecting to people much easier.

They are also prone to such emotional insecurities, and many times, the most recurring issue they have is tied to the inner breach caused by their many vulnerabilities and emotional weak spots.

They are afraid to be hurt and disappointed and try to build themselves a safe environment, a safe haven outside the confines of society.

They feel like they have to give vent to all the inner feelings that have gathered inside there for so long. Even more, they are more than willing to share this spiritual epiphany with everyone else.

A unity of being can only be achieved when one is in perfect harmony with his surroundings, and this is what Neptune teaches these natives above all else.

### **The positives**

The Neptunian Cancers would be quite efficient working as psychologists, psychiatrists, or professional counselors, due to their great intuition, deep empathic skills, and productive communication abilities.

They are in-synch with the world and understand the intricacies of the human psyche more than anyone else.

Why is that? Because they can experiment on themselves, they own a mind that is very complex and hard to manage anyways.

More than just to develop their professional expertise, they'll want to help their family and close ones develop in this sense as well.

### **The negatives**

Routine is something that the slow Neptune adheres to and is also to the liking of the emotional Cancer, so you can be clear that for the Neptune in Cancer individual, if something happens that changes their well-established order of things, they can get extremely annoyed, uncertain, and very anxious.

They have long-since gotten comfortable with a certain lifestyle, and to change it would be sacrilege committed against their own personal satisfaction.

In this sense, they will do everything in their power to uphold that state of permanence,

of constant comfort that brings so much personal fulfillment to them.

Even if this sort of means sabotaging themselves of even the development of those around. They are prepared to hide from change and transformation, if this means that their comfort is protected.

### **The Neptune in Cancer man**

If the level of empathy and emotional sensitivity would be directly proportional to the karmic ties of a person, then the Neptunian Cancers would straight-up shoot towards the level of a Buddha.

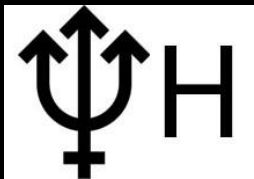

These natives feel much more intensely than most other men, and this is by no means a symbol of their weakness or lack of manly dominative characteristics. It just proves that their emotional intelligence is far higher compared to that of most of us.

However, they are also very vulnerable to emotional disappointments, and when the time comes that they are feeling desperate, lost, without a place in the world, they expect their partner to be there for them, with moral support and a warm embrace at the ready.

It's also a good idea for the man with Neptune in Cancer to take some time for themselves, take a step back and meditate on the particular reasons for the problems they have.

Relaxation is key here, a way out of the stressful routine. Escapism is underrated these days, but Neptune brings it all back together, the notion that solitude can eventually mend all spiritual wounds, especially for introspective individuals like this man.

Neptune is a planet surrounded by mystery and that brings many problems to those who have it in the 3rd house. In this position, it influences the natives' way of communication, their siblings, close-by neighbors and short-distance travels.

Furthermore, it makes them erratic and not at all able to deal with details. When it comes to abstract notions and creativity, however, their mind starts to be intuitive and to know what to do.

They should be very careful when signing contracts because they tend to forget what they need to write and often make mistakes because they simply cannot concentrate.

Neptune in 3rd house natives can be great writers and artists as their soul is full of poetry and mind of philosophical thinking.

When this planet is in good aspects with Venus, they have all the chances to follow a career in the art world or to become great dancers. Usually calm and likable, they attract a lot of sympathy and others always want to help them.

Many will think of these natives as cute and a little bit boring because they only seem lost in their own fantasy world. When it comes to the relationships with their siblings, it's possible for them to have stepbrothers and sisters they not know about.

They will treat their neighbors and friends as their siblings because they have this need to be like family with everyone. At least one of their brothers or sisters would be artists and perhaps addicted to drugs and alcohol, especially if their Neptune is in difficult aspects.

The third house is the ruler of pseudonyms, so the natives with this placement may use nicknames to identify themselves. This is even more possible if they're artists who wish for an alter-ego and to have a persona under which they can present their work.

The Neptune in the 3rd house aspect makes people with this position talented at astrology because they can understand how and why the stars are moving, all while looking at the big picture and really understanding something.

The 3rd house reveals how people can interact with their immediate surroundings, so the presence of Neptune here makes things agitated and even erratic when it comes to this type of interaction.

Therefore, people with this placement would probably forget all about their appointments and always be late. Like said before, when it comes to everyday issues, they simply can't deal with this type of tasks and have problems with studying because they can't concentrate.

When kids, they've probably read only fairy tales and fantasy stories because their imagination asked this of them. Preferring to be intuitive and to learn through images and their other senses, the conventional type of education is very boring for them.

Neptune is the planet of illusions amongst other things, so it gives natives rose-colored glasses, depending in which house it's placed.

When in the 3rd house of communication, its effects are influencing people to only see and hear what they want.

Dreaming and always late, they're still charming and good with communication because they have a great imagination and no one can beat them when it comes to writing or creating art pieces.

It's even easy for them to act, and if one of their siblings is addicted to drugs or alcohol, they may have had a difficult childhood due to this and to the fact that they weren't able to learn and focus.

When something isn't captivating and interesting enough, they simply can't keep their focus.

Caring about others and very intuitive with their feelings, they will always make their loved ones feel good. It's suggested they take a GPS with them in their short trips because they tend to get lost easier than others.

### **The goods and the bads**

When it comes to their career, natives having Neptune in 3rd house could teach because they're good at sharing their knowledge with others.

Very enthusiastic, they immediately attract people and inspire boldness as they're not scared of anything themselves.

When the unknown is presented to them, they become very curious and want to do anything to get all the information on a certain matter.

Since they're so good at expressing what goes through their mind, those around them will be inspired to do the same.

Their creativity and enthusiasm make everyone wanting to be the same as them. It's suggested they learn how to deal with details and keep notes of everything they have to do in order to no longer be late to meetings.

Their memory is quite short, so if they want to function properly in the society, they need to do something about it.

Dreaming big and making things happen is their own responsibility, and they're pretty capable of achieving great things because they know how and have the mind for it.

Being idealists, it's not easy for them to deal with the real world. They will always be dreaming about what to do and where to go, so they may sometimes have no more time to pay attention to what's happening around them.

The more aware of the fact that they have their head in the clouds, the more grounded they'll become.

## ***Pluto ♃ in ♓ Pisces man 21° 25'***

([1100] i.thehoroscope.co)

The position of Pluto in your natal chart reveals the transformations due to take place in your life and how you channel your core truths and restorative power.

Those born with Pluto in Pisces in their natal chart take into account the feelings of others when making a decision, often this being the most important factor for them to consider.

Sensitive and empathic, these natives don't want to fulfill their dreams on the account of others. Even more, they strive to understand their fellow humans, even further, from their motivations and what makes them react in a certain way to deeper traits of character that are harder to reveal.

**In a nutshell:**

Style: Compassionate and mystical;  
Top qualities: Kind, ambitious and creative;  
Challenges: Oversensitive and sometimes unmotivated;  
Advice: Empathy should be at the foundation of your social life.

### **Personality traits**

Plutonian Pisces natives are in danger of becoming depressive or of having bouts of sadness because of their skewed perception of failure. With idealistic goals such as theirs, failure is a constant element that they should learn to factor in their calculations.

The dream world takes so much of their time, in fact, that they soon forget to take care of their household, omit their responsibilities, and act with increased dizziness when asked what they've been doing for the past days. Their friends might want to keep their surreal tendencies in check.

With a high intuition and razor-sharp instincts, the Plutonian Pisces are basically undefeated when it comes to facing off difficult challenges and gritty opponents.

They immediately find out the crux of the issue, the weak spot that they can use to achieve their goal. However, they aren't very cruel or resolute in eliminating the competition because they understand why their fellow peers are doing whatever it is they are doing.

Pluto drives these people to search for the ultimate truth of this world, hidden deep behind the layers of social conformism.

### **The good and the bad**

However, what the Pisces zodiac sign is good at is making the world merrier, making it fall into a state of oblivious joy where nothing ever matters anymore.

Pluto Pisceans are the true jolly kids of the zodiac, ever-so-sweet and adorable with their high-paced rhythm that you must follow in order to see the other side of their world.

These giddy individuals don't know what restraint means, nor should they find out, because they are perfect as they are, innocent, with a pure vitality, and an endless charisma surrounding them.

One of their greatest perks is also their bane. If this sounds to you as paradoxical and contradictory, then you're right, it does sound like that.

But the reality is that these natives are so generous and kind to everyone they meet that they soon forget to watch out for any dangers.

There are plenty of people out there who don't care at all about what happens to others

as long as they achieve their goals. And these people are willing to step on bodies if that furthers their aims.

Those with Pluto in Pisces will most likely suffer as a result of becoming aware of how harsh the world really is.

### **Pluto in Pisces in love**

When these natives fall in love, the whole world rejoices at this magnificent event. The rivers start murmuring coolly, the trees rustle their leaves to reveal the birds chirping in a symphony of melodious sounds, all of this to embrace the native that can melt the heart of nature itself.

For them, love is the great enlightenment of the soul, the one true blissful state that fills you with the utmost fulfillment, and in this sense, they are incorrigible romantics.

Whenever Pluto shines upon these natives, their emotions are likely to be more powerful. They are the ones who can talk endlessly about love, having the impression that each partner should bring their own ideas in the mix.

If you're lucky enough to have a Plutonian Pisces fall in love with you, then you've all but reached the epitome of happiness.

There's little you could ever wish for after witnessing the sheer amount of love and affection that these natives hide within. Their greatest desire is to see you satisfied, fulfilled to the brim, and to achieve this, they're willing to do almost anything.

Nothing compares to the ravishing power of love that a Plutonian Piscean is capable of unleashing.

### **The Pluto in Pisces man**

Back when Pluto last transited Pisces, society had still not fully let its gender discrepancies go away as there were still differences made between men and women, albeit not as strongly as previous ones.

These men were just as spiritual and intelligent as their female counterparts, only they had more freedom of expression and more leeway. Obviously, there were many artists born during this period, as well as great thinkers, inventors, all inspired by the divine spark that Pluto embedded in them at birth.

Generous and kind individuals who didn't lower themselves to such a level as to get into fights, insult or even curse their enemies, they simply moved on, letting karma or destiny do its part.

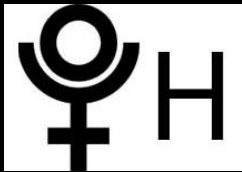

There wasn't enough time for them to waste on such trivialities because they had their

creative drive to satisfy. And there were many inventions made during that period.

With an open-minded approach towards failure and an adaptable personality, these men simply achieve their goals in a way that no one else is able to replicate.

Much of the world as we see it today is partly a result of the Plutonian Pisces natives.

## ***Pluto ♃ in XI 11th House***

([1111] i.thehoroscope.co)

This placement of Pluto makes people be exceptionally devoted to those dear and not only, ready to throw in a helping hand, whenever needed.

Those born with Pluto in the eleventh house of their birth chart are at the very extremes in terms of emotional stability. They will rage and wreak havoc on anyone who dares to go against them.

And when confronted with difficult situations that demand a calm approach, they will take out the sword and walk through rivers of blood. Grudges, mostly, are the way these people sink themselves in the swamp.

The great potential that they've been endowed with will always surface, stronger and deeper than ever. Moreover, their intuitive and psychic powers allow them a moment of respite and break from the waging war of the world.

### **Summary:**

Strengths: Responsible, kind and caring;

Challenges: Dismissive, opportunistic and stubborn;

Advice: They should strive towards being objective not judgmental.

### **Pathways to success**

These natives are going to go through one hell of a harsh time with regard to their social relationships to other people, social events, and the many group projects they're going to participate in.

Either they'll listen to the commands of others, adapt and follow orders, ply their trade according to certain regulations.

Or they realize the deep potential lying within their own genes, the great ideas and strong principles that others would simply admire, the game changes completely.

Now, they are the leaders, bringing everyone up to speed with new directives and pathways to success. Even more, now they won't readily accept to obey or submit themselves to the status quo.

They don't have that many friends. This happens as a result of the strong tendency to commit unconditionally to a friendship, to put every effort to develop and maintain it.

The Pluto in 11th house natives are literally exceptionally devoted and supportive whenever the case. However, they also expect the same kind of treatment from close people without having to ask for it.

The number of people who are this committed is not that large, to say the least. Moreover, they don't do well with large groups of people chanting or supporting an idea, simply because they abhor the herd mentality.

Holding something as being true without actually investigating that is blamable and worthy of distrust, ridicule, and mocking in their eyes.

One other reason they can't quite fit in groups is that they always distance themselves by going against the flow.

Where there is something fishy or suspicious, they will call it out, often against the will of the majority. This makes them the black sheep instantly.

In general, actually, they think in a different way than most, are attracted by things that the majority doesn't even know about and uses uncommon means to get to their goals.

They want to develop an objective point of view, outside of the confines that a herd mentality retains.

The only real reason why they would ever choose to become involved in any group activities is that they want to hone their skills or learn something. Or perhaps they want to bring a change in the world, help achieve some breakthroughs that would do a lot of good to many people.

Pluto in 11th house people should, however, be extremely careful about who they choose to trust because these groups are home to despicable individuals.

Especially political parties gather people of unspeakable pretense and fakery, snakes that are just waiting to attack you from the back. They are very sensitive to how others

react to their ideas, in general.

They will often wonder whether their actions or words affect the people around them, or better yet if they offend anyone.

This is an ill-begotten attitude that should be tempered, taken out of the equation because it only forces them to be subservient and weak.

If they could focus all this rampant energy toward let's say, humanitarian and altruistic ends, things could be very different. It's their responsibility to change something.

### **The goods and the bads**

They are offered very lucrative opportunities through their friends and close associates, the kind that they trust with their lives.

The Pluto in 11th house natives are very electrifying and have very intriguing personalities that will attract anyone to them like a magnet.

Because of their principles and generally kind attitude toward the helpless, many people admire them, including their followers. However, they can also have very high expectations. Hatred or admiration, it all depends on how they approach most situations and problems. If they strive to bring everyone out unscathed, then they'll bask in the glory of victory.

If they give out commands and dish out punishments for insubordination without taking anything else into consideration, then chances are they're going to be hated.

For them, knowledge and information are two of the most important aspects. Of what? Of everything. One can't do anything without having the necessary know-how, the basic principles, the logic and the reasonable mindset based on knowledge.

They take it upon themselves to eradicate ignorance, superficiality, to foster a sense of spiritual upliftment, to bring out the best in people.

They are very capable of adapting themselves to people from different social strata, to understand and explain. However, it's also true that one can't change the world just like that. Sometimes, most of the times, no matter how much effort you spend, it's never enough.

They can't control everything, and they can't dictate how people will react to certain events. Sure, when there are grander things afoot, bigger odds to play, then sure, the 11th house natives are just the right people for the job.

But when it's something relatively simple, with no enduring consequences, then they

should learn to be more tempered and back off. Otherwise, they will upset a lot of people by being too intrusive.

### ***Pluto ♄ in Rx retrograde movement***

[699] [920] ([699] mollysastrology.com:) Nearly half the world's population has this retrograde. Its effect is hard to determine except to say that these people generally have a harder time integrating themselves into the mainstream of society. When Pluto is very strong, they find themselves doing things without understanding why.

Also: ([920] cafeastrology.com:) People with Pluto retrograde in their birth charts may be more inclined to fear being controlled, manipulated, or betrayed by others than those with Pluto direct. There may be a tendency to keep these fears to themselves, as exposing them makes them feel more vulnerable. They don't as readily let others know their desire for power or control, and might not be in touch with this desire a lot of the time.

### ***North Node ♁ in ♌ Leo 28° 58'***

(Georges Muchery)

The Dragon's Head in Leo helps the native to realise his desires, which are of a lofty nature. He has a fine ambition; and even if he is not an artist, he is none the less a man of good taste, a lover of form and of everything that is fine and noble.

His fine imagination should enable him to discover or invent new, pleasing and attractive things, which will profit him. His enquiring mind makes him continually desire to know and learn everything new. This helps him to progress. The Dragon's Head in Leo enables the native to conquer the difficulties of life.

The Dragon's Tail in Aquarius causes the native to be easily deceived. He is inclined to be indolent. He does not react, nor know how to act wisely; and this is detrimental to him. People should be kind, but they should know how to discriminate, and this is not the case with the Dragon's Tail in Aquarius, as the native is too much inclined to listen to fine words. This position also indicates deceit over love matters; it is a sign of infidelity on the part of the native or his partner. It also upsets either the mental or the physical balance.

(Isabel Hickey)

North Node in Leo gives executive ability and qualities of leadership. Needs to be independent to do a good job. Has nobility and pride. The virtue hidden in pride is self-respect. To this, Leo has the right. If self-respect is lacking, the individual would have the ability to cultivate it in this life.

South Node in Aquarius shows the past habits have been to retreat from the world because of a snobbishness or distaste. Strong egocentric tendencies have to be overcome.

(Martin Schulman)

The Leo North Node symbolizes a struggle with the will. In this incarnation, the individual is learning to develop strength within himself. Conditions force him to stand alone, very often with the absence of shoulders to lean on. He eventually learns that if his life is to be better it must be created by himself. But before he can build any such creations he must overcome his lackadaisical carefree attitude.

He still continues a past-life tendency to spend too much time feeling sorry for himself at his lack of friends when he feels they are needed most. Somehow in moments of stress, others always seem to be absent. Long periods of loneliness, isolation and in many cases a good part of the time spent as a hermit are not uncommon.

Ultimately, when the mind is made up, there is little that can sway this individual from his destiny. He must learn that his isolation is a self-imposed prerequisite for gathering strength. Very capable of strong leadership in this life, he must learn to overcome all doubts within the self.

The continuance of his past-life desires for friendships actually weaken him, as they do little to build his individual confidence. He must learn how to become more goal-oriented rather than following his accustomed tendency to dissipate his energies. The interesting thing is that while he continues to think he needs others to answer his questions, he rarely takes their advice.

The friends that he does have will be from all walks of life. In a sense, this increases his scope, for they bring to him now the awarenesses that he earned in former incarnations.

Once determination takes root, there is no stopping the path towards success, for he does not like to settle for second best. Much thought is given to the future. In fact, he is used to living there, until one day he makes the realization that 'today is yesterday's tomorrow' and that nothing will exist in the future that is not created now!

He is not the easiest of people to understand, for he will do anything to retain and emphasize his own sense of individuality. In past incarnations, he developed a detachment from the majority of the world, allowing him to feel free to go his own way.

Now he takes pride in being unique and different, caring not as much for the traditions of society as for whatever rules he has set up for himself.

His main difficulty in this life is a lack of control. Without discipline he can generate his power into useless projects, until he realizes that nobody will stand over him with a whip.

If he builds on past-life knowledge, he has a great ability to do something for the human race, for he is capable of depersonalizing his actions for the good of all mankind.

Many with these Nodes live a rags-to-riches life, the big change coming after the tendency to overlook is turned into an ability to oversee! Their greatest amazement occurs when they discover prior-life talents in themselves that they never thought they had.

Happiness is reached once principles to which to dedicate the life are found. Furthermore, these principles must be unshakable so that the individual feels he is creating something solid. He will then identify his life in terms of the size of the principles to which he has attached himself.

Disturbed by the scattered activities of others, which remind him of his own past incarnations, he feels the strong need to see life moving along a directed course towards a specified goal. Still, he wants to retain his complete independence. As a result, he finds it difficult to tolerate others cramping his style. When they do, they will find him constantly testing limits.

The Aquarius South Node brings with it past life roots strongly embedded in the principles of fairness and equality. In the current life, the individual is given the opportunity to be on his own so that unhampered by others he may express his intrinsic beliefs. His job now is to show people as flamboyantly or as powerfully as he may choose the ways in which the world can overcome its burdens. His greatest achievements occur after he has surrendered his personal will to the service of humanity.

There is no question but that this is good leadership material so long as the ingrained past-life Aquarian sense of fairness is never violated. This individual is capable of making revolutionary changes in what was once established tradition. He is first, last and always amazed and fascinated by all the possibilities man can reach. At the same time, he is offended when he sees people pitying their self-imposed limitations, for well he knows the experience of pulling oneself up by one's bootstraps.

He aspires to stand tall and not be ridiculed for those beliefs which he has struggled so hard to express.

While his capabilities for love run deep, the rest of him is not too far below the surface.

The continuation of his past-life attractions to momentary fascinations keep throwing him off the track, making it difficult for him now to see the core of his true self clearly. And so, he must identify with his achievements as the only real barometer of his worth.

Though he may at times strongly wish to be alone, he could never live without people, for he thrives on their admiration of his achievements. He believes in firm justice, and yet he is quick to pardon once people have admitted they are wrong. He is never one to strike when a person is down. The sense of fair play has become such a part of his soul that although he feels he should be more competitive, it makes him uncomfortable to be part of any competition which involves foul play.

Things which wouldn't have bothered him in past incarnations suddenly become important as he starts to dig into life rather than disassociate from it. Although it is his present life karma to apply his Uranian ingenuity through practical and traditional Leonian outlets, he still struggles to maintain his unique character.

Some with this position spend the later years of their life alone. Others who are married still hold onto such a strong streak of independence that they tend to keep other family members on the periphery of their circle.

The house position of the South Node indicates the area where past-life needs for originality and freedom are still seeking expression.

The house position of the North Node shows the area through which all the chart energy can be focused into a new shining creation of substantial size and worth, a gift of generosity to the world. Truly these are the Nodes of the 'inventor'.

(Mohan Koparkar)

Previous incarnation for this person was spent in many unusual activities. He seldom had time to be individualistic. Most of the efforts were towards achieving things for others. In this time, he has decided to be substantially individualistic. Making his own name or getting the credit for his work is significant in this lifetime. Cultivation of personality, ego and general magnetism is noticed in this person. He will use his powers and connections to get where he wants to go in life. He may have to step on others; but he will look at that as a favor to them, and later on when he is up there, he will help those who indirectly were helpful to him. Strong self-conditioning and self-confidence is noticed in him in this life.

(Donnad van Toen)

You need to learn to love deeply. Your Aquarius South Node may reply: 'Who: me? Whaddaya mean? I love absolutely everybody. Except for my ex-best-friend and my ex-lover, and that snooty sales clerk who implied I had no taste....'

Your problems may include that you are looking for Utopia. Your ideals have frustrated your needs for love and companionship.

Possible reasons for these problems: You're inclined to be lazy about developing your creativity, preferring to idealize others' accomplishments at the expense of your own. You spend most of your time serving others' causes at the expense of fulfilling your own goals. Traumatic experiences have caused you to retreat from the world to some extent. Ingrained stubbornness hinders the formation of relationships. A subconscious superiority complex.

Possible solutions: Get in touch with your need for dignity, and channel it properly. Discover and use your fertile imagination. Learn to lie skillfully. Have a lot of lovers. Devote yourself totally to a humanitarian organization, cause, or activity.

\*\*\*

North Node in Leo almost always has some degree of untapped creativity. Sometimes shyness keeps it untapped. The shyness is in itself a manifestation of the untapped Leo north node potentials, since Leo is the sign of confidence. South Node in Aquarius encourages the individual to lose himself or herself in a whirl of friendships and acquaintance-making, or in some vast utopian ideal. In either case, the motivation is to avoid having to come to terms with his or her own individuality. These people are seldom recognized as shy, because their shyness manifests on a personal rather than a public level.

Another manifestation of Leo North Node - Aquarius South Node imbalance is seen in the person who leaves more prosaic creativities untapped while he or she searches for that great talent that will make a contribution to the world. The Leo North Noder isn't content to enjoy developing his or her creativity unless he or she can make a great artistic, dramatic or social contribution to posterity.

In my experience, people with an over-developed Aquarius South Node are generally: kept busy dealing with other people's problems; wanting to be in the spotlight, but they often find their contributions get obscured; egotistical in an unusual way - they emphasize equality and refuse to acknowledge that some people have more potential than others: in other words, you can't do any more than they can; intellectual at the expense of their emotions; spiteful; fond of shocking others; extremist in their work for change; contradictory, in that the brain doesn't know what the heart wants; averse to traditional marriage - women are often militantly liberated to the point where they resent or dislike men in general; and inclined to believe everything you tell them about themselves as long as it's flattering.

North Node in Leo would like to be seen as someone with a tremendous amount of

vitality. He or she wants to be known as someone who's attained creative or business success. He or she may aspire to be a famous movie star or politician, or may want to be known for his or her lovely home or lavish parties. He or she wants to be respected and able to impress others. This person is social and capable of expressing emotion, albeit in a rather detached way. He or she may have some rather funny loyalties or a misconception of loyalty. This may serve to prevent success, as the person is inclined to be afraid that his success might inconvenience or be unfair to others. This preoccupation with the good of the group, as opposed to his or her own good, can lead to unpredictable behavior that brings more controversy than respect.

Antidotes for Leo imbalance: psychodrama or dramatization of the nodal dilemma can be helpful if the repression is severe. Interior decorating, set design, etc. can be excellent antidotes if there's aptitude in these directions. Political involvement and involvement in community action programs are ideal for stimulating a sluggish node in this position. The client should be encouraged to accept leadership roles in any capacity for which he's suited.

The client should be engaged in a 'What would happen if...' dialogue in which he or she is asked to visualize the worst possible things that could result from developing the North Node. You should then help the client deal with these fears. This technique works best with clients who are able to laugh at themselves, since it's often necessary to point out the preposterousness of their fears.

You should make certain that the client hasn't confused ambition with ruthlessness, since this seems to be a frequent misconception with both Aquarius south node and north node in the fifth house. It seems to be less common with Sun square nodes, et al., although it sometimes manifests here as well.

(Haydn Paul)

For personal growth, you need to determine clearly your life direction and then focus and apply willpower to achieve objectives. This can be a challenge, as you tend to dissipate energies in different directions, partly due to a lack of future planning. You need to realize that you shape future experiences through the consequences of thoughts, actions, values and attitudes. What you do today creates your tomorrow; and a favorable future depends on choices and decisions in the present. If choices are misguided, you will face the inevitable disappointing consequences later.

To achieve this new life direction, you have to become more individual, breaking free from the consensual social conditioning indicated by the Aquarius South Node. This does not imply that you become eccentric or socially alienated, but rather that you become more self-reliant and independent, true to your own light and taking responsibility for your choices and life path. Positive gains from this can include selfconfidence and self-understanding. Moving beyond unnecessary doubts, you can

realize your potential once your life direction is determined and relatively few obstacles block your progress. Asking others for signposts may be unwise and weaken determination or send you in a wrong direction; unfolding this path from within becomes your source of guidance. Once this direction is clarified, meaning and purpose are discovered, and pursuing this task will engage your willpower.

Yet this is not a search for a self-centered path; it is one which combines independent self-expression with awareness of social relationship and interdependence. Your proposed growth should ideally benefit all, as well as yourself. Building a personal value structure is important, and you will try to stay true to those guiding life principles which provide a firm inner foundation.

Your new creative direction can be effectively released in the sphere of life indicated by the North Node's house; and as your new worldview develops, you may feel inspired to share your beliefs more widely. Your humanistic concerns will dampen as feelings of social responsibility and contribution expand. Your growing idealism and altruistic spirit will shine more clearly, reshaping life by your ideals, so that by pursuing your path, you also contribute to benefit others.

The main issue concerns individual and group growth, and may focus on social needs for fairness and equality. Once a direction is established, you may emerge as an inspirational leader, aiming to create constructive change within traditional social practices and thought. Such activity may prompt mixed reactions from others, especially as progressive attitudes may be 'before their time', and difficult to be integrated by contemporary society. But your independent spirit must be retained, so that your transformation and new socially creative expression indicates a way that society can also take. For yourself, purposefully direction energies in creative and productive ways will bring satisfaction. But you should never forget the existence and needs of others. Be true to them also, because, by your living your humanitarian ideals, your path is formed.

(Bruno and Louise Huber)

In the fixed sign Leo, we are concerned with gaining a secure position in life. Leo is also a Fire sign; and the Leo personality consumes for its own benefit the living space surrounding others. Leo wants to be a monarch, and to possess a realm of which it can be said: 'Here I am at home, and here I will carry out my activities. This is my territory, and I will never surrender it'. Leo always keeps a firm grip on a personal world that represents security in the changing scenes of life; and, of course, people play a decisive part in these scenes.

With the Node in Leo, we should adopt a positive, well-defined attitude to our environment. We ought to make ourselves known, place ourselves in the center of our world, and learn to cope with it. Usually the world does not leave us alone but is continually provoking confrontations. Anyway, this position of the Node helps to correct

our development, and brings us out into the open.

In charts indicating a certain hesitancy or nervousness over making one's presence felt, a Node with this placement may help to overcome this tendency. The Node here encourages the individual to come out of his or her shell and be willing to take a few risks. Finally, this Node urges us to test ourselves in the world, and be willing to experience euphoric self-realization, and the suffering of reverses, along with everything that lies in between. As a Leo, we may seem to ourselves and others to be very much on the offensive all the time; in reality, however, we are very much on the defensive, for Leo is a fixed sign, and only the Fire in it produces the touch of aggression.

### **North Node ♌ in IV 4th House**

(Georges Muchery)

The Ascending Node (Dragon's Head) in the fourth house gives a cheerful and happy home life, and harmonious relations with the family. The Father, or the marriage partner, occupies a prominent post. The Dragon's Head in the Nadir of Heavens is favourable for marriage, and will be a sign of happiness if the Moon is well-placed in the horoscope. It is also a sign of good heredity from the physical as well as the mental standpoint.

The Descending Node (Dragon's Tail) in the tenth house may be fortunate for material things if the horoscope on the whole is good. It may, however, bring at some period in life serious worries and troubles affecting things in general - losses and damage if the Moon is afflicted.

(Isabel Hickey)

The fourth house represents the midnight or deeply hidden depth of the personality. This is why it represents the soul powers; what we are in the depths is not what we always appear to be on the surface. In the depth of oneself (home) the inner powers must be released. Not for this one the acclaim of the public and the limelight. He has had it all in the past. He gained from it the sense of power that made him feel his importance as a person. Now he must grow a soul. Through his domestic surroundings, through a quiet withdrawal, and through the wise use of his emotions, he will find fulfillment.

(Bernice Grebner)

With the North Node in the fourth there should be a development of the domestic life. He needs to learn the art of going into seclusion. He must be alone with himself at times to develop his own depth of soul, to dig deep and get to the very roots. Possibly, he would have to learn the role of nurturing, helping another grow, as in helping to sustain life. This person would need to establish a home, to care for it and learn what it takes to do this. There may be a problem in connection with a parent, or an imbalance in his love for them - loving one more than the other - or it could give loss of one parent at an early age.

South Node in the tenth is the extrovert. With this position there is great ability to deal with the public as the person easily understands its needs. This is similar to the Moon in the tenth, but coupled with the innate genius in public affairs. He does not take time to relate on a personal basis because of an inner need for public acclaim. It also can bring disappointment and dissatisfaction with regard to his vocation, bringing in many changes. (If South Node is in Aquarius in the tenth, he can be a leader of unpopular causes.) The South Node here gives a tendency to resist control by others. At its best, the power and success attained in the world must be used to assist others. When the person is able to do this, then destiny for this person will be met. At its worst, when used for vain self-glory, he fails. Here the uppermost thought should be control of selfish desires for ambition and power.

(Mohan Koparkar)

This condition often signifies fairly close relationship with mother figure. At the most, the relationship with mother is closer than with father. For some reason, home or domestication is highly significant in their life. They may or may not like to be family-oriented, but that is the way their life has to be structured. Career is given a second priority in their life. Although they have strong self-displaying ego, circumstances may not give them the opportunity to be prominent in their field. The relationship with parents is that of a deep attachment; and they require a lot of effort to be free from their parental wing. Considerable sensitivity is seen in these people.

(Martin Schulman)

This individual must learn to overcome the karmic feeling that he is the vital center of all situations around him.

He comes into the current life with subconscious memories of a past sense of dignity, which leads him to believe that at least certain areas of life experience are beneath him.

His prior incarnations have put him in the position of being captain of his own ship, if not the commander of others. As a result, he is used to assuming an authoritative position

whenever the weakness of others triggers his powerful need to take charge.

He enjoys the role of protector and goes to extremes in filling his life with those whose very weaknesses put them under his dominion. By so doing, he is constantly testing his own power to stand tall.

This is a lonely position, for here the individual is so concerned with his self-appointed mission that he never allows others to see into his real self underneath. What he shows is a façade or the uniform of the role he feels obliged to play.

In the current life, he goes through experiences which teach him to come down off his skyscraper and make sure of the foundation underneath.

It is in the area of his most highly intimate relationships within his own family that the stage is set for his lifelong battle in an attempt to gain control of his own roots.

Many with these Nodes have one unusually demanding parent whose expectations encourage them to believe that they are truly destined to achieve a position of sitting on top of the world. As a result, they are discontented with whatever situation they are in, for always it falls short of what they feel they were meant to do.

The karmic lesson here is that 'A bird in the hand is worth two in the bush'. The individual must overcome his readiness to forsake what he has for the possibility of attaining what he doesn't.

So unwilling is he to see himself in a back-seat position that when circumstances force him to do so he may in extreme cases even contemplate suicide; for he firmly believes that without his achieving some great destiny, life is utterly worthless.

This incarnation brings him through the experience of facing the conflict between a career for himself and the demands of his family.

He must learn maturity, for with all his projected strength, power and dignity he is nearly a cripple when it comes to solving his own emotional problems. He must examine his roots, and, after pulling his head out of the clouds of his past, build a practical foundation for his future.

Eventually he learns that his organizing for others is merely a distraction from putting his own life in order.

The relationship established with parents early in life is more important in these Nodes than in any other position of the zodiac. Here the individual will spend much of his life energy attempting to be totally free and independent of his parents, yet always conscious of how much he needs them. Nevertheless, the reaction patterns to life

continue to show a definite parental defiance, masking a strong need for parental love.

This soul is at a point in karma where he feels unappreciated for all his efforts. The past incarnation residue is based on achievement for the sake of recognition and appreciation. Now, achievement is to be its own reward. The soul must stop trying to gain audience for its deeds, realizing that he audience will always be there if the deeds are great enough. It is in this process of seeking an audience that the individual tends to lose himself. He must literally transform his fourth house into a new birth of emotional attitudes, learning the lessons that when a man stands on tiptoes he is unsteady.

His life is like the beautiful orchid: a splendid sight to behold when raised and nourished under the most delicately controlled environmental conditions; but once the orchid is prepared for display, it is snipped from its roots, insuring wilting and certain death after a short time. This individual will be faced with the choice of being the overlooked orchid growing in a garden of thousands, or sacrificing his own happiness to be the beautiful flower on someone's lapel. As soon as he overcomes his past-life need for display, he can start to grow to the maturity he is so desperately seeking.

The sign which contains the South Node indicates the ways through which he still overemphasizes his importance. The sign which contains the North Node shows how he can grow to become in substance so emotionally fulfilled that he no longer has to equate his happiness with his soul memory of prior-life personal esteem.

(Donna van Toen)

Conflicts: Pleasant home life vs. pleasant career. Worries about career vs. attention to private life. Private doubts vs. public self-esteem.

Possible results of sacrificing North Node: Loss of dignity. Tendency to insist on getting recognition as boss. Tendency to take on a big daddy façade (no, this isn't strictly a male trait, even if it's thought of as a male stereotype).

Possible ways to integrate North Node: Develop maturity. Use your untapped potential to strengthen your foundations. Examine your roots, upbringing and prejudices for keys to the reasons for your self-doubts. Take notice of your domestic needs.

In the fourth house, there's a hang-up about developing or growing up when the North Node is present. This can take the form of excessive self-consciousness, or it can trigger a lust for power, depending on which node is allowed to dominate. In either case, the feelings of inferiority are based on illogical feelings. These are often a result of childhood experiences. Sometimes death of a parent plays a role. Other times the parent's immaturity or lack of common sense or stability has had a negative impact.

Those people who try to fulfill their excess needs for power often complain of lack of

recognition and / or sympathy from those who are in a position to offer advancement.

North Node in the fourth house wants a very loyal family and a home in which he or she will be the focal point and chief mover. Less frequently, this person dreams of developing some sort of powerful metaphysical abilities. Acknowledgement of some sort is a basic dream motif. This is a person of changing ambitions. Usually there are several career interests that are pursued in turn in an almost ruthless way. The dream of acknowledgement is often fulfilled, but the acknowledgement may not be the sort that was expected or wanted.

(Haydn Paul)

What tends to dominate is a sense of importance, authority, and decisiveness. You feel that you have a higher social standing than most, and that they should give you appropriate deference and respect. You may believe that certain tasks are 'beneath you'. You will have an aura of 'dignified aloofness' which can distance you from others.

How accurate are these feelings of importance? Or are they self-deceptive illusions? These feelings come from needing to control; and you hope to satisfy this as an authority or leader. You dislike having to adopt a follower's role or defer to another's authority, especially as this reminds you that your feelings of command could be illusions. This issue of authority needs to be confronted.

You may often assume a role of protector, attracting others who are more passive or personally weak, and who need someone to rely on. This role allows you to express leadership qualities. Yet, through identifying with this authority role, you often manage to avoid other aspects of yourself, those which may not fit your image of leadership. The authority role, however, does offer additional challenges which help you to grow and mature. Authority implies greater responsibility, and you need to feel convinced that you have the ability to succeed.

Part of this need derives from personal insecurity, probably formed during childhood, perhaps by excessive parental expectations that encouraged a belief that you had a natural right to lead others. If these expectations fail to be met in adult life, a growing dissatisfaction develops, as life fails to match the hopes and dreams absorbed from parents.

Problems related to choices between family obligations and work may occur within your adult family, especially if you reach a senior and responsible position. You tend to be adept at organizing for others, but, in doing so, you leave less time, energy, and interest to increase your self-understanding. This may be most noticeable in a tendency to be uneasy with emotional expression or uncomfortable with feelings. You may try to avoid intimate situations when these are exposed. Emotional problems pose difficulties, and generally you hope that they simply go away... and regret that you cannot organize them

into resolution!

Growth occurs when you accept your emotions and express rather than repress them. Your family and others will appreciate you more if emotions are allowed to flow more easily, rather than being submerged in role playing. Your achievements can be considerable, especially through career and work, but you should strive to achieve for achievement's sake, rather than for the 'applause of the audience', as this will serve only to reinforce identification with your role.

(Bruno and Louise Huber)

In the 4th house, emotional values are all-important. It is not enough, as in the 3rd house, simply to inquire about the meaning of something; one must be able to enter into it with feeling. With the Node here, we are like a bird that felt good in its cosy nest and was thrown out of it. Usually the chart will exhibit a tendency on the part of the native to lack balance and to be overeager to stress his or her own individuality. The lesson to learn is to be an ordinary human being among other human beings, and to be able to give and take emotionally.

Often the 4th-house Node is counterbalanced by the Sun, Uranus, or Pluto at the top of the chart; and this produces, by reflex action, the wish to be famous or a leader. When emotional imaginative pictures to do with the family or the group enter consciousness, these guiding images have to be clarified.

If planets in the 9th or 10th house show high ambition, this can be satisfied; but, with the Node in the 4th house, the native needs to keep close to home and roots. The feet need to be kept firmly on the ground. Bottlenecks, which hold up progress, are often encountered. Now, when blockages occur, the native's reaction is to try and forge ahead. In many cases, that would be the right thing to do; but with the Moon's Node in the 4th house, it is wrong. The proper course of action is to pull back and to live as one of the group, as one of the family. This is the only way to prepare to move forward again, to find room for manoeuvre, to gain access to those it is desired to lead. Then misunderstandings will be swept away and a fresh impetus will be given to upward development.

With Nodes in the 4th house that receive hard aspects, there can be a retreat into a pleasant ideal world of acceptance and domestic bliss. This 'warm nest' feeling has a very important function. It is one of the fundamentals of life; and we may well want to experience it at all costs. This makes us undifferentiated and dependent on the activities of the family. We are governed by these activities, and do not have a hand in shaping them but are sacrificed to the family's interests. In the worst scenario, our relatives assume the right to abuse us and to walk all over us.

When there is a planet in the 10th house, in opposition to the Node, the native will

readily part with a place in the nest in order, at least, to make sure of getting on in the world. Ambition, in whatever form it occurs, destroys the sense of domesticity. The natural need to be part of a bigger organism, group, or family, comes secondbest.

With a square from a planet on the Ascendant, the departure from normal is not excessive, but the native is too egotistic; with a square from the Descendant, the native defers to the partner. If, for the sake of personal development, the need to belong is allowed to wither, an essential human quality dies, and the individual becomes a loner and inclined to do wrong to others. For the ability to avoid unfairness is based on the nest-like environment of the 4th house.

#### North Node in 4th House or Cancer (James Braha)

If the North Node is in the fourth house or Cancer, the person's greatest growth, evolution, and fulfillment come through taking care of his home and family life. In previous incarnations, there may have been an overabundance of professional activities and social responsibility. Now the person must concentrate on his own soul growth and fulfillment of emotional needs. All activities involving land, property, and homes are favored. The person should develop his feminine and maternal energy, and seek to nurture all those in his presence. He should dedicate his life to family, children, relatives, and loved ones. He may do well in healing professions, nursing, cooking, catering, innkeeping, or any domestically-oriented jobs. Although career focus is neither psychologically significant nor a main objective of this life, the person is extremely concerned with the well-being of all members of his immediate community. He must do his best to see that everyone has a sense of belonging.

The person should not look for a life of profound philosophical meaning. His actions are not based upon compelling drives towards particularly ambitious goals. Rather, he is here to experience and appreciate the full value of his emotions, senses, passions, sensitivities, and vulnerabilities. His job is to keep his family and the human species alive and well. Tradition, rituals, and cultural values are of very great importance. The person is on a lifelong journey back to his roots. Spiritually, this means he is very well-advised to engage in meditation, contemplation, and all innerdirected self-development techniques. Also, he gains tremendous benefits from periods of self-imposed seclusion and isolation. On a more mundane level, the person wants to learn everything possible about the lives, history, and circumstances of his ancestors and predecessors. At the very beginning of life, the person is organically connected to the father. However, as his consciousness grows, he quickly realizes there is no progress to be made in this realm. He then shifts his attention to his mother and all other tenderhearted expressions of creation.

The person is devoted to practicalities, not ideals. He is wonderfully sympathetic, and functions as a magnificent support system to those in need. He is like a rock of stability, always emotionally available for others. In this lifetime the person is learning extreme devotion and loyalty to his loved ones. He may derive tremendous pleasure from

gardening, landscaping, or farming. Collectibles and material possessions are very important. The person must have absolute control over his daily environment. He should surround himself with beauty and whatever else appeals to his personal tastes. Living near water is preferred; and the person may wish to develop his psychic, sensitive nature to the fullest. He is here for a highly subjective, even sentimental, experience of life, and is now relinquishing his obsession with objective realities and ultimate truths. The person may do well in mining, archaeology, or any ecological vocation.

In ancient Hindu astrology, the North Node in the fourth house indicates problems with a forceful or domineering mother and troubles in gaining educational degrees. There are strong cravings in the heart, and a possibility of attaining large homes or mansions. The South Node in the tenth house reveals a good reputation and successful professional life. Careers may involve any spiritual activity which raises the consciousness of the common person. There is distinct talent in metaphysical or natural healing techniques. The sign positions of the nodes are of much less significance.

### ***(Black Moon) Lilith ♀ in ♈ Aries 12° 18'***

([1137] [elsaelsa.com](http://elsaelsa.com))

#### **Lone Pioneer**

If you have Lilith in Aries, the pressures you've encountered through your Lilith placement have made you independent, strong, and unlikely to take shit from anyone. Your wounds have taught you that if there is a problem, you will have to face it alone.

Regardless of what aspect of your life Lilith impacts (which is determined by the house she is found in – you have had to go it alone. When you have asked for help, no matter how reasonable the request, you were rejected or dismissed. You likely realized early on that your needs were treated as burdensome by the people meant to help you, so you learned to stop asking them.

But needs have to get met somehow, so you have become a master in getting what you want in other ways. You may find yourself hyper-focused on your goals, knowing that you are the sole power propelling you forward. You can only count on yourself, so you'd better step up, right? You may also find yourself saying "fuck it," and instead blatantly asking or even demanding what you need from others, even strangers. The worst they

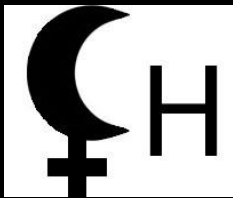

can do is reject you, and you definitely have dealt with enough of that in your life. But either way, you don't let your emotions get caught up in the outcome.

Emotions, that is, other than anger. With Black Moon Lilith in Aries, you carry with you a deep, seething rage. This belies the screaming pain of feeling like you've been left alone to fend for yourself in a cold world. It's cruel and unjust and sometimes you'd like to see the entire world burn down rather than let yourself or anyone else feel this kind of pain for another second.

Some of this can be alleviated by purposefully incorporating some of the energy from Libra, the sign opposite to Aries. Try to find a counterpart, a friend, a lover, someone who hears and validates your plight. Look for counterbalances and shades of gray in your otherwise black and white view of the world. And find someone who can help you without making you feel dependent.

There is, of course, so much to say about this placement. But let me close here: your pioneering spirit and anger are your superpower. Convert your rage into determination to blaze your own trail, leaving a path for the rest of us to follow. And remember – independence is wonderful, but if you find the right allies, you'll never have to be truly alone again.

## ***(Black Moon) Lilith ♀ in XII 12th House***

([1160] [elsaelsa.com](http://elsaelsa.com))

### **Gifts of Shadow**

If you have Lilith in the 12th house of your chart, her themes will manifest in terms of isolation, the shadow, and limitation. She becomes the energy that stands in our way even as she offers dark gifts.

In traditional astrology, the 12th house is known as the house of Bad Spirit. This is where our own shadow meets the shadow of the collective. Our darkness reigns here, and is it very difficult to face and utilize the energies of any planets here directly. With Lilith in the 12th, you may deny or minimize your own darkness until it comes erupting to the surface.

The 12th house is also associated with hidden enemies. With Lilith here, it feels like

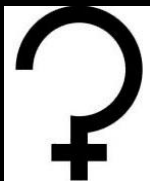

there are forces working against you, coming at you from every angle. You may build up resentment and paranoia, which will prove to be far more corrosive to your soul than your enemies ever could be.

The 12th house rules limitation and restriction of all kinds. You may have found yourself at some point in life feeling stuck, or maybe even literally trapped within institutions like hospitals, prisons, or psychiatric wards. And if you have, it is likely that you were falsely confined and had no business being there. But either way, you have been isolated in some manner and have had to pay the social price.

While I could easily write a book on this placement, I will end here. The 12th house does just hold our shadow. It holds our gifts. When you are able to be quiet and sit with your shadow, a magnificent flower begins to bloom. You are able to build compassion for humanity like none other, and it is here that you begin to find your freedom. Let your gifts grow.

The Natural Mother Instinct

### **Opportunities**

- Mothering comes naturally
- Having greater compassion

### **Challenges**

- Avoiding smothering relationships
- Maintaining an independent identity

### **Ceres in 1st House**

Ceres is concerned with both giving and receiving nurturing that comes naturally. The desire to take care of others is especially strong, but this placement also speaks to a need to self-nurture.

People with Ceres in 1st house can take on the role of “mother” without realizing it, so it is important to discern when someone would benefit from your attention versus when it becomes excessive.

It is just as necessary to provide motherly love as it is to allow for independence, which is a poignant lesson for someone with Ceres in first house. If your relationship with the mother figure in your life was imbalanced, it may be therapeutic to step into the role of parent and offer another human being unconditional love for who they are fully.

When located in first house, the Ceres archetype becomes a part of your personality. You likely project the qualities of Ceres without trying. For example, you may like to feed people or care for the sick.

You can nurture others instinctively by knowing what to do to meet their needs.

Becoming a parent or working in a social service field can help you channel the urge to provide for others. If you become too dependent on the role of “mother”, it will be necessary to turn that energy inward and nurture your own independence as a whole, sovereign being.

### ***Chiron ♄ in ♍ Virgo 20° 15'***

([1253] [astromajesty.com](http://astromajesty.com))

Chiron in Virgo is a complicated placement because these individuals have to heal a wound that's impossible to mend.

These individuals struggle with the pain of trying to be perfect. It is why, no matter what they do, they believe there is something inherently wrong with them.

People with Chiron in Virgo have self-worth issues. That reflects in perfectionism, criticism, and distorted body image. They are persons who strive to be immaculate, to do things right, and to fix every problem.

It is why it's not unlikely for them to be people-pleasers, to take everything personally, and to worry about other people's opinions 24/7.

They torment themselves with feeling incomplete, impure, or damaged. Virgo Chiron individuals were likely suffering from a terminal illness in a previous lifetime, or they saw someone close to them pass away after a long and painful disease.

Perhaps it's a past-life memory of dying young. Or maybe Virgo Chiron people witnessed the death of their parents at an early age.

However, it's an experience that left Virgo Chiron people traumatized and feeling like their life chapters never get the proper ending.

Virgo Chiron individuals believe that there is a part of them that's utterly broken, but they can't pinpoint which one. They don't feel comfortable showing their struggle to anyone, so they hide it and avoid confronting their fears.

Indeed, one of their biggest worries is that people will see them the way they see themselves: imperfect, flawed, and inferior. For Virgo Chiron people, that would be a confirmation of being unclean, not enough, and not "together."

Due to not avoiding sharing their pain and allowing others to help them, persons with Chiron in Virgo seek ways to fix themselves. That usually means that they desperately try to find a sense of completeness and contentment.

Yet, Virgo Chiron people don't know which path to take. That makes them feel more lost and incomplete.

Individuals with Chiron in Virgo manifest their agony through chasing perfection and working on their growth and looks.

That's usually a productive way to mend a wound, but not in a case when one never thinks it's enough. Hence, Virgo Chiron people won't stop. They will never think they are

beautiful, smart, or educated enough. It is why these persons are associated with hypochondria, OCD, and obsessive perfectionism.

Virgo Chiron individuals can be manic in maintaining their hair, body, and clothes, neat and tidy. These persons can spend a fortune on the latest trends or watch fashion and beauty video tutorials for hours. They are also meticulous about aligning their style with the occasion.

People with Chiron in Virgo are also likely to learn fun facts, small talk examples, and every world capital to ensure they are ready for every conversation. They also manifest their pain through verbal communication. Virgo Chiron people strive to know all the answers and how to talk with people effectively.

But Chiron in Virgo is not always centered around cleanliness and organization. Instead, these people can also be messy, chaotic, and disorganized. They can also be a mix of these two types.

Thus, they tend to criticize others because it's their way of preventing people from judging them.

Thus, individuals with Chiron in Virgo are also likely to go from one extreme to another. They struggle with seeing grey shades because it complicates life. Hence, these people prefer to label everything and everyone as either good or bad.

Regardless of how they express their pain, people with Chiron in Virgo seek control over their lives by focusing on one category.

Some will concentrate on their looks and others on relationships.

However, in the end, they all discover that control is not an effective way to eliminate their inner agony.

### **Men with Chiron in Virgo**

Males with Chiron in Virgo tend to be pragmatic, restrained, and emotionally detached. They control through organizing their life, house, shelves, garage, and anything they can tidy-up. Sometimes they get lost in these activities because they often exaggerate concerning cleaning, fixing, and arranging.

Like their female counterparts, control is their principal drive, and they manifest it in every aspect of their lives. Virgo Chiron men tend to control their partner and friends, and they are quite subtle in doing so.

However, they are intelligent, so their loved ones often end up doing what Virgo Chiron tells them. If Chiron is afflicted, these men can manipulate others into doing something

they don't want. And if Virgo Chiron males don't get others to follow their advice or rules, they will be infuriated or feel a sense of worthlessness.

The problem with men with Chiron in Virgo is that they repeat the same actions and habits without wondering why people don't listen to them. They should consider that perhaps their ways are not always the best, and that's why their controlling techniques fail.

Another way how Virgo Chiron men enforce their control is through exercise. They have a complicated relationship with their bodies and notice every imperfection. It is why they often start rigorous diets, work out until they pass out, or spend all day in a gym.

These men also tend to organize and control their emotions and thoughts. Some people might see them as robotic or emotionless because of that. But men with Chiron in Virgo don't like anything having control over them, including their feelings.

Due to being overly controlling, males with Chiron in Virgo suppress their fears. Yet, they might resurge as phobias.

It is why men with Chiron in Virgo must realize that it's impossible to have complete control even over menial things. That will free them and allow them to confront their struggles.

### **Summary**

People with Chiron in Virgo are usually born with inaccurate beliefs of being incomplete, unworthy, or damaged. These opinions appear at such an early age that they can't remember how it started.

For some reason, even as kids, they believed there is something wrong or broken within them. As they grew up, they manifested these beliefs, convincing people to think the same.

However, these thoughts don't always appear without any trigger. Sometimes parents had an impact on how Virgo Chiron people see themselves.

Perhaps their caregivers often criticized them or behaved toward Virgo Chiron in a way that made them believe they are damaged or incomplete.

As people with Chiron in Virgo tend to see everything as an insult or provocation, perhaps their parents never belittled or criticized them.

But Virgo Chiron individuals saw their parents' remarks or comments as criticism, which started accumulating negative self-perceptions.

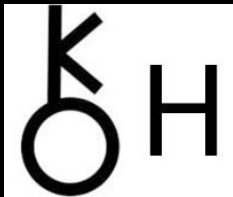

The truth is, no one can heal any Chiron wound fully. The placement is there to stay, and the pain makes a person who they are. Hence, they have to accept their vulnerability, imperfections, and fears.

People with Chiron in Virgo should embrace the idea they are already complete by being themselves. Yet, it is Chiron that makes them feel broken and incomplete.

These individuals should learn how to integrate their imperfections into their being because those fragments make them who they are. No part of their bodies or psyche is good or bad, but they all have a purpose.

Their life mission is to learn to love everything that makes their being because all those elements together make them whole.

### **Lack of acknowledgment in childhood**

It is not rare that people found them ordinary, average, and insignificant during their formative years. That made persons born with Chiron in the 5th house deal with mental pain which shattered their self-esteem.

However, their self-doubts almost always come from their childhoods. Maybe their parents or caregivers didn't recognize their uniqueness when they were children. Because of that, they might believe no one else will acknowledge them because they are not unique at all.

People born with Chiron in the 5th house likely went through bullying for their creative expression as children, or it was always their peers who got more appreciation and applause. It is what probably started their self-doubts that grew bigger with years.

On the other side, individuals born with this placement possibly had restrictive parents who didn't let them play or express themselves artistically.

These people are playful inside, and if they didn't get to explore that side of them as kids, it would create a deep hole within. Perhaps their parents wanted them to grow up fast and be more serious.

As a result, people born with Chiron in the 5th house weren't allowed to play and be like all the other kids.

Another possible scenario is that they were toddlers when their parents got another baby. Maybe individuals born with Chiron in the 5th house had to take care of their younger brother or sister and be babysitters instead of children.

In that case, they grew up with responsibilities reserved for adulthood, but they felt guilt whenever they craved being kids and playing for hours.

### **Hypersensitivity and self-esteem problems**

Whatever happened in their childhood and during their formative years left a scar on their souls.

People born with Chiron in the 5th house are likely silent in a group when everyone else is explaining their perspective on different topics. Even if they have a strong and captivating opinion inside their minds, they're too afraid of rejection.

Inside, they are still that same kid who was shut down, laughed at, or pushed aside. It is as if they have unfinished versions of their childhood-self, residing within. They still feel like that child who didn't get enough attention, acknowledgment, or time to be careless, play, or speak their minds.

It is why they're too hesitant to open up and show who they are and what makes them different.

### **Embracing the inner uniqueness**

Due to growing up scared and with many insecurities, they tend to become fearful adults who never let themselves relax and enjoy.

People born with Chiron in the 5th house fear letting go of their defense mechanisms. They believe that others would laugh at them. That takes a lot of joy and happiness from their lives, and they rarely manage to be who they are inside.

One of the essential lessons that they must learn is that they shouldn't look back and hold on to those who didn't acknowledge them, understand, or applaud.

Besides, people with Chiron in the 5th house should remember that many people go through the same struggle, not getting enough support from their parents or peers.

These individuals shouldn't let that steal their light and talent; they want to share with the world. They have to liberate themselves from the chain of past hurt and humiliation.

Individuals with Chiron in the 5th house should learn how to open up to the world, be free to be creative, and enjoy. They should do it for themselves and the pleasure they get from it, not because of acknowledgment or recognition. It is the only way how they could start healing their wound.

### ***Part of Fortune ☒ in VIII 8th House***

([1294] [astrolibrary.org](http://astrolibrary.org))

You will achieve your greatest satisfaction and fulfillment through what is granted to you by other people.

Others always teach you another way, another path, or another value system. And, every time you try them, you make new personal discoveries, making your experiences richer. You will see and experience new things, very different from those you already know. It represents a revolution of consciousness and getting a new perspective.

You must reexamine all those personal values that no longer serve, by observing what

stimulates them. Thus, by learning the art of flexibility, you will be able to give those values a new meaning. The more you can discover these values and apply them to your personal life, the more your experiences and your understanding of life will be enriched.

Since your Part of Fortune is in the eighth house of your birth chart, the second house is the opposite house. The second house teaches you to recognize your own values. You should perceive these values impartially, as if they were not yours completely or you did not possess them, so that they do not stop you from fulfillment or from sensing the stimulus that you receive from your environment and from others. This way, you can easily leave everything that no longer serves and does not cause growth in your life.

Your most beloved possessions and values should be those that survive, because they are totally real and true. This deep connection of what is personally valid to you, gives you an unshakable security in yourself. This leaves you with total freedom to explore and recognize the validity of the experience of others.

Other people in your life will teach you what weighs you down and what transcends temporary desires. You will learn to express the values of a divine nature.

Therefore, you must surrender much of your personal wants and desires, as well as your ego, in order to leave a legacy, be it money, ideas, new values, sexual enrichment, or a conscious realization of your essence. Understand that in this world, you are not alone, and that the most fortunate thing for a human being is to be able to share his life and his possessions with others. So, you get to be an intimate part of a common project that benefits all who are involved in it, even enriches the soul of humanity.

Learn humility. Do not be possessive of your own values. Learn to go with the flow of other systems of values and ideas that seem different from yours. These will be your greatest source of satisfaction.

Your fulfillment and happiness will come through all the people you deal with, through discovering the harmony in everything that seems alien to you, and through your soul's great regenerating force. A transformation of all the accumulated negativity is possible by being present in the Here and Now.

([570] 12andus.com:) Your nurturing style is open and transparent to all who meet you.

You wear your heart on your sleeve. Your affectionate and caring nature is obvious to everyone you meet, even on first encounter.

You easily gain popularity with others because of your kind and giving nature. You may appear to mother or nurture others and may remind others of their mother in comforting ways.

You have a warm personality and are known for your generosity. Others seek you out for advice and guidance and you steer them with love, compassion and sensitivity. When you need nurturing and compassion it shows not only in your appearance but also in your body language.

You may need to work through your emotions because you are so empathic and caring toward others.

2) ► **Midheaven** MC **Parallel** ♄ **Uranus** - (0°19') ♄2 | ♄3

([78] astromatrix.org:) Extreme Individualist

People should be prepared to encounter you as an extreme individualist. Even while you are very young, you insist on doing everything your way, and you strongly resist any pressures to conform. In fact, the best way to ensure that you will not do something is to try to force you to do it.

You are a rebel, and the established ways of living will not attract you particularly. On the other hand, you can be very creative with this aspect, because you have much originality and can see life in ways that others are blind to. You may be very inventive; in fact, this placement is characteristic of people who make a career in scientific or technological invention.

You may get a great deal of satisfaction from goading others. When you see people who are set in their ways, you cannot resist playing jokes or otherwise outraging them. Obviously if you are going to do this, you can expect to have problems with teachers and other authority figures, even your parents, who would prefer that you conform a bit more and stop rocking the boat. Teachers might find you quite difficult to deal with, not only because you insist on breaking rules, but also because you are very restless and hate to sit still for long. This placement may indicate a nervous disposition as well. Eventually, you should learn when it is worthwhile to rebel and when it is not. However, adults who

want to restrain you should not try to do so by force. If they do, you will develop a lifelong negative attitude toward authority.

3) ► **Midheaven MC Parallel ♅ Pluto** - (0°22') ♀2 | ☾11

([94] [astromatrix.org](http://astromatrix.org);) The Shape Shifter

During your life, you will go through many changes, but you will always have the desire to make an impact upon the world and to be regarded as a person of significance. The danger you must face is that you may want to go too far too fast and thereby alienate the people who have authority over you.

While you are young, this will mean mostly parents and teachers, but you might occasionally encounter police or government officials. You are likely to have a very intense relationship with one of your parents, and it is important that this be a good relationship as well. Unless it is constructive, guilt and other forms of emotional bondage may arise from it. You must be able to talk to that parent openly and honestly, and he or she must be able to let go as you become more mature.

Unfortunately, this placement often indicates that one of your parents tries to arrest your development at some point through being over possessive and domineering. Sometimes the method is very subtle, using self-sacrifice and guilt, instead of more open power tactics. But a positive and creative parent relationship will give you self-confidence and the desire to achieve something of great significance in your life.

One thought that you must always keep before you, however, is the necessity of doing everything openly and honestly. Otherwise, at some point in your life, all the negative consequences of your actions will be exposed, thus tearing down whatever good you have done. Nixon is an example of this type of person.

Your career path and spiritual ideals are intertwined. You may choose to devote yourself to a career path in which you are of service to others. You may work as a healer, mentor, counselor or spiritual leader.

You may be called to sacrifice a successful career path that would satisfy your material desires in order to follow a spiritual calling that brings you to serve others in a more humble way with greater benefit to those around you.

Though you may not receive the same recognition and wealth, you will be fulfilling your higher calling in the process. You may find greater success when you blend your career path and public image with your spiritual calling and devotional practices.

([160] [astromatrix.org](http://astromatrix.org);) Subconscious Need

Opportunities: 1. Working with Others 2. Creating Your Ideal Family Life

Challenges: 1. Not Overidentifying with Your Emotions 2. Discovering Your True Needs

When you have Moon Opposition Ascendant in your Natal Chart you will be more intuitive, understanding, sympathetic and generous to those around you, especially your loved ones. However, you may feel like you put too much emphasis on your emotions, and this can be quite problematic or draining your ability to connect with others. You will be very emotional and expressive in general, but you need to figure out what your deep down needs are, and not base your needs on other people especially if you have a tendency to be insecure in your own self-worth, which is a tendency of this placement.

You have probably been brought up with a lot of your security needs filled within your family life. Or occasionally, you may feel like you just want to be wanted. In your professional life it would be good to not work alone as you much prefer being around others, this is beneficial to your emotional well-being.

6) ► **Descendant DC Parallel ♄ Neptune - (0°12')** ♀7 | ♄3

([210] [astromatrix.org](http://astromatrix.org);) Idealistic Artist

Neptune Opposition your Natal Ascendant gives you a very emotional and sensitive personality. You are inclined to seek relationships through which you can live out some ideal. Just what this ideal is, you may not be too clear about; you may be attracted to people who have some sort of problem that you may think you can fix, thereby allowing you to express your compassion and understanding by helping them. Unfortunately, you will eventually realize that this person has no intention of changing, leaving you feeling let down and confused.

Be wary of your ideals, you may seek to find these ideals within society and be attracted to Gurus or other spiritual schools and environments. This is not necessarily a problem, unless you put too much emphasis on giving your own power and identity to these people or causes.

Your identity and ego are not properly formed and so you may seek to define it from your relationships with others. Instead of trying to live out your dreams through someone else try to live them out yourself, if they are not impossible dreams, then you may find that you attract someone who can fulfil your needs, and still be themselves.

([150] [astromatrix.org](http://astromatrix.org);) In Your Own World

Opportunities: 1. Embracing Your Journey of Self-Understanding 2. Judging Success on Your Terms

Challenges: 1. Finding Your Inner Security 2. Avoiding Co-Dependent Relationships

You are very concerned with your inner personal world and less influenced by others' ideals and expectations than most people. You are 'inner-directed' to an unusual extent,

and you rate the importance of matters in your world according to very personal reactions.

All of your life, you will be more subjective than most people. You are not principally concerned with achieving anything that others would consider great or significant. For you, it is important to have your personal world - your home, parents and family - operating smoothly. You may always be attached to the place where you grew up, and even if you move away you will have strong emotional and psychological ties to this place.

As you grow up, the ideal home situation is one in which there is very little turmoil; you need a more secure and stable home life than most. Without it, your self-confidence and ability to be independent will be severely hampered. You might even become dependent on someone else for the rest of your life. However, if you are allowed to develop in a secure environment, you will become a very strong person upon whom others can always lean.

Your success will come through self-understanding rather than through playing the games of the outside world. Self-esteem is more important to you than the esteem of others.

([171] [astromatrix.org](http://astromatrix.org);) Searching for Answers

Opportunities: 1. Learning from Other's Ideas 2. Creating Your Future

Challenges: 1. Accepting Your Past 2. Avoiding Being Overly Subjective

You will look deep within yourself for answers to the questions that come up in life. Your inner feelings will strongly influence your view of the world, and you will consider your own point of view to be the most important factor. But try not to get so wrapped up in your own way of seeing the world that you cannot imagine anyone else's point of view. Being too subjective is a serious danger with this aspect.

On the other hand, you will be able to communicate your ideas and feelings to others very easily, even while you are quite young. Your basic attitudes and opinions will take shape very early in life, and later it will be very difficult to change them. So, it is very important for you to be exposed to broad and sophisticated views of the world, because you will keep the ideas you learn now, even if they are narrow and intolerant.

You will think about your past a great deal, and you may spend too much time wondering if it could have been different. Do not worry about this, because you only have one past, and it is pointless to think about it, except to help you deal with the present. Because you are in touch with your feelings, you can react to a situation according to your real needs, but only if you concentrate on the present and future, not the past. It may be difficult, but you should examine your thinking and never take your feelings and ideas solely at face value. Probably your beliefs are based on what your

parents and family taught you instead of on your own observations.

([3] [astromatrix.org](http://astromatrix.org);) Mental Focus

Opportunities: 1. Building a Self-Directed Life 2. Living by Your Own Values

Challenges: 1. Showing Your Vulnerabilities 2. Bringing People Closer

This shows that your temperament is unilateral, or almost unaffected by conflicts with the will of others. Your personality is basically integrated, but this does not mean you will have a trouble-free life. It merely indicates that you are reasonably satisfied with yourself and with the goals you hope to realize.

You do not adapt to circumstances unless doing so will serve your best interests. Because you are highly motivated to achieve your objectives, success is more than likely. You waste very little effort in activities unless they will benefit you in some way. You know how to co-ordinate your available resources with your life pursuits, and always have the skills required to carry out any special task you choose.

No-one is allowed to interfere in your affairs; nor do you concern yourself with the affairs of others. You establish a barrier between yourself and others and do not permit anyone to intrude. You can become enormously successful in your own estimation, even if others can't judge your success. You don't measure your level of accomplishments by the same devices most people use when making comparisons. You can best succeed when you work alone or at least can determine for yourself how or when you do your work.

In spite of your seeming self-assurance, you are not too successful in relating to people except at the social level. You are so afraid to have your emotions trampled that you keep personal contacts at arm's length. Your sensitive nature is your Achilles tendon, which you try to protect.

You depend heavily on small quiet moments to give you the spiritual nourishment that your outer life feeds on. Irritated by the constant distractions and the hustle and bustle of competitive society, you must periodically rejuvenate your forces privately, perhaps in meditation.

10) ► **Sun** ☉ **Contra-Parallel** ♅ **Uranus** - (0°33') ♀2 | ☿3

([146] [astromatrix.org](http://astromatrix.org);) The Breaker Of Taboos

Both square and opposition aspects have a peculiar quality which is like an 'on-off switch'. Internal and external erratic behavior may be expected, which can lead to those dramatic and often drastic changes of behavior and lifestyle.

Within your hidden inner life, you are likely to feel undercurrents of restless activity, which, while peaking and troughing, are an ever-present participant in your nature. This can lead to nervous tensions and irritability, and an edgy tone to your energy which is

often psychically communicated or received by others and experienced as an intangible sense of unease. Your emotional and mental moods are erratic, unpredictable and temperamental, creating sudden confusing changes and relationships, or even contradicting statements that you have just made. Sometimes you may fail to be aware of this lack of continuity that you exhibit.

Individuality and independence will be emphasized, with insistence upon your own needs and freedom from all restrictions. This can manifest as a compulsion to display a rebellious antisocial attitude, mainly as a reactionary explosion of energy rather than any considered response which could also offer some viable alternative ways to follow. Your reactions are likely to be more negative in quality and content and may need a conscious degree of self-moderation to avoid an instinctive 'knee-jerk' response.

You may find that you obtain pleasure from seeing others react to your iconoclasm, as it can add some excitement to life, but it is unlikely to be inherently creative or positive action as you often fail to have anything of value which could replace whatever it is you are opposing. In many ways you are insecure, feeling lost and frustrated with both the world and you.

Your inner energy flow is uneven; sometimes you are highly charged and have difficulties dealing with that; other times the energy seems to be switched off, and life goes flat and colorless. You probably lack a stable cohesive center, missing the positivity of an adjusted planetary relationship to your Sun, and you may need to struggle towards establishing a firm, secure point of balance within your identity.

You can be hypersensitive but may tend to deny this aspect through feeling uncomfortable with your emotional nature and its ebb and flow, as this does not fit into that intellectualized self-image that you have developed. This can be quite illusory but is also a prop for you to center your identity around. These images can include considering yourself 'before your time', an unrecognized genius or artist, a cultural bohemian, a radical revolutionary, an important social adversary.

Glamorous images emerge from that high opinion of yourself and those peculiar insights and ideas that you attempt to communicate to others. There are likely to be some nuggets of gold scattered around, but often you fail to deliver, wisps of intentions dematerializing into the air. Your evaluations are often impractical, and due to diversions towards new glamorous ideas, or to an unfocused will, you often fail to develop fully any natural gifts.

While you tend to insist that your will is paramount, you really need to learn effective forms of social compromise, realizing your misapprehension of being the all-important center of the universe, which is symptomatic of an imbalanced Sun. Just learning to listen seriously to other points of view and perceptions on life can teach you much, in distinction to one of your behavior patterns which sees such contact and communication

as a form of competitive challenge, mentally pitting yourself as an adversarial opponent of another point of view.

You may need to stop tilting against windmills. Your heroic quest should not be externally directed but internalized to achieve an inner transformation. This is not to imply that the windmills are not there - they probably are - but you need an effort to redirect and redistilling your nature and energies so that your solar center becomes more powerful and integrative. A redefinition of rebellious spirit needs to be made by you, a re-channeling of your scattered energies.

Learning forms of relaxation or meditative techniques could become very important to your well-being and may help in this re-centering process of evoking the solar power. Highly strung nervous states are not beneficial to health. Relationships can also be fraught with problems, as your erratic hot and cold contributions are not always made in apt timing for your partner's behavior patterns.

You may need to be wary of making excessive emotional demands, especially as you may not be so balanced in your emotional nature, and you probably have a lack of understanding of that level. In many ways, it is likely to be an immature aspect of your nature and may require conscious development and further exploration. Attempts to restrict the freedom of others should also be guarded against.

11) ► **Sun** ☉ **Contra-Parallel** ♁ **Pluto** - (0°36') ♀2 | 0011

([148] [astromatrix.org](http://astromatrix.org);) The Transformer

This suggests that most of your problems and challenges will arise in the area of interpersonal relationships, often created or stimulated by your own unconscious expression of this energy, which requires a deeper understanding and inner adjustment to be achieved before you can consistently benefit from its power.

Your temperament can be assertive, aggressive and extremist, tending to use your powerful will like a sledgehammer to achieve objectives. You prefer to force situations so that you are ready to take the advantage before anyone else can or will act through impulse without fully considering the consequences of following your desires and aims.

To others, your will and personality can seem a little overbearing, provocative and dominating, especially as you always prefer to be in control of all situations, and hate to feel unsure of your ground or realize there is nothing you can do to influence circumstances in your favor. This is why you desire to be in a position of authority, calling the tune and writing the rules, yet are so rebellious when roles are reversed; you then use your influence to be subversive and manipulate others to resist authority.

You will feel a desire to change the world into your image, reflecting the way that you think it should be. As virtually everyone else is attempting the same in small or large ways, inevitably you may experience conflict with others who do not agree with your

panacea for the world's ills. If you attempt to dictate to people, by forceful expression, you may easily fail to get the right kind of support and co-operation, especially if it is made clear that you intend to be the kingpin and final arbiter.

The problem with dominating and forceful personalities is that usually they insist on having their own way, and are rarely, if ever, wrong. This usually ends in relationship conflict which leads to their more creative supporters quitting, leaving behind 'mere followers' who remain with the 'leader' in sycophantic acquiescence. Without proper awareness and understanding, these tendencies can become negatively expressed, eventually to your detriment. Yet equally they can become extremely positive qualities to be used in socially creative ways once excess self-interest is transcended, and you move towards the higher solar path of your individuality rather than just satisfying lower egoic needs and desires.

You will need to undergo a period of self-regeneration, to acknowledge the needs of others to be themselves, not as mere adjuncts to your dictates, but people equally able and right to assert themselves. More harmonious and successful relationships are possible, especially when your need for self-assertion diminishes through self-understanding and confidence in your own worth. This can involve learning to be self-reliant in achieving your own aims, rather than having to manipulate others into unconsciously aiding your private intentions. Inner changes leading to a less aggressive attitude and less suspicion in working with others, more co-operation to achieve mutual goals, and a degree of compromise in your attitudes, will certainly bring more benefit to you and others.

Gaining an understanding of the elements present in your psychology which desire for you to become an authority and leader can help to bring about an inner adjustment, and an ability to work with others can then emerge.

12) ► **Sun** ☉ **Contra-Parallel** ♋ **Vesta** - (0°28') ♀2 | ☿3

([609] 12andus.com:) You may have a strong desire to show your talents and gifts, yet also feel called to a sacred path that requires some sacrifice.

You may want to take center stage and receive recognition for your unique views and gifts. At the same time, your sacred mission may call you to a very different path. One in which you take on a humble role of service and charity.

You'll follow your sacred mission but may frequently wonder if you could have achieved fame and fortune if you only put yourself first. You won't follow such impulses but may feel conflicted when you're called to make a sacrifice, even one you believe in.

If you bring your desire for recognition and praise into balance with your desire to fulfill your sacred obligation, you'll find it easier to harmonize these opposing inner drives.

13) ► **Sun** ☉ **Parallel** ⊗ **Fortune** - (0°00') ♀2 | ♄8

([14] [astrotarot.net](http://astrotarot.net);) The one who takes steps ahead

Typical features that this conjunction brings: You have a “double dose” of the same sign. In other words, you have the double dose of the sun sign. This is good regarding the positive traits of the sun sign. You should watch out for the negative traits of the sun sign. That is because you have a double dose of those. So, you should try to focus on the positive traits of the sun sign. With this Natal Part of Fortune Sun aspects you are creatures of habit. You are attached to the past and to your tradition. You are also emotionally impulsive. And your actions express your emotional state. Above all, you possess admirable vitality. You don't have much patience for people who go through a lot of emotional ups and downs. You live and breathe the Sun and the Part of Fortune in tandem. The wants and the needs are aligned. Generally, you come across as rather uncomplicated regarding what you want out of life. You are able to make decisions without too much struggle. The emotions and feelings of the Part of Fortune are in harmony with the ego. You can easily express your feelings and meet your needs. But, on the negative side, you question your thoughts. This is not necessary for you. “But what if...” and “on the other hand...” are statements you can't help making.

- Positive traits: These Natal Part of Fortune – Sun aspects bring considerable individualism. You are sensitive, especially the men. You are energetic, optimistic, bold, fearless, stable, generous, spirited, assertive, courageous, and full of enthusiasm for action.

- Negative traits: you can also become self-centered and narrow-minded. You find it hard to cope with changes unless these changes benefit you. You have Aries energy and its negative traits.

14) ► **Moon** ☾ **Parallel** ♄ **Neptune** - (0°26') ♀7 | ♆3

([21] [astromatrix.org](http://astromatrix.org);) The Visionary

This conjunction emphasizes emotional sensitivity and vulnerability to others, especially through an impressionable, sympathetic psychic empathy. The nature of your environment will be highly influential in affecting your inner balance and well-being, so ideally you need to live and work within suitable places and with suitable people, or else you may discover that your spirit and vitality begin to wane through absorbing what are negative influences on your sensitivity.

As your heart is so open to experience life, it is equally likely to experience suffering, anguish and disappointments. Evolving ways of self-protection or essential filters to this sensitivity may be necessary over time, otherwise life could become too painful for you.

Through your innate understanding and sympathetic attitudes, you are likely to become a listener and confidante to others' problems; yet a degree of detached impersonal

objectivity needs to be developed or else you will take their problems and pain away with yourself. This is not a sacrifice that needs to be made, even though you are rightly willing to offer aid and assistance to those in need.

It may be that you are attracted towards employment in the spheres of social welfare and care, where you can serve deprived people and encourage them to take steps of advancement. Certainly, that compassionate heart will be a main motivating factor in your life, and it is probably through such a route that you can most easily display your most natural qualities and abilities.

Your influence can have a beneficial and catalytic effect on others, stimulating them towards either personal growth or resolving problems. Employment which fixes you into a repetitive mundane work pattern will not be satisfying and will ultimately be a denial of your talents and abilities. It is easy to recognize when you are stuck in the wrong place.

15) ► **Moon ☾ Contra-Parallel ♀ Ceres - (0°14')** ♀7 | ♀1

([559] 12andus.com:) Your emotions and intuition can make you highly sensitive.

You have the makings of a deeply nurturing and compassionate person but you may resist showing your love transparently. If you don't feel emotionally secure yourself, you may hold back from others.

You may also have a hard time balancing your emotional and nurturing needs and the needs of others. Rather than fighting your deeply caring nature, it is best to show others your strengths as an emotional caretaker but with boundaries so as not to neglect yourself.

You may find yourself attracted to people whose need for nurturing mirrors your own. By taking care of others you try to simultaneously care for your unmet needs. Balance in showing your love and caring for yourself is essential.

16) ► **Mercury ☿ Contra-Parallel ♂ Uranus - (1°15')** ☿3 | ☿3

([167] astromatrix.org:) The Deluded Egotist

With this opposition, you are likely to experience conflicts in your social relationships. The problem area will be in how you express yourself in communicating with others, and those inner attitudes which condition that style of communication. Whilst you will have considerable mental vitality, the difficulty will be in directing this into productive channels.

The tendency will be towards an erratic inner activity; the nature of your beliefs, ideals and thought patterns will be changeable; and the attractions of new stimulation will often tempt you away from completing existing projects. The challenge of the new redirects your energy and interests and so, your commitments and responsibilities may feel like restrictive liabilities.

Despite this erratic pattern of mind, you tend to insist that whatever you say, and think is valid, even though only a short time ago you were vehemently declaring an entirely opposite attitude, idea or belief. Obviously, this can lead to interpersonal conflict, as most people prefer dealing with relatively stable and consistent individuals, as it helps to develop trust and continuity. Yet if others challenge you by repeating past statements that you have made and are now contradicting, you tend to take offence, often attempting to deny that you ever did say that.

Essentially, your reaction is often to deny all prior expressions of yourself, refusing to take any responsibility for them. Having experienced this aspect of your nature, many people will begin to draw away from maintaining a relationship with you, because you seem unreliable and difficult to believe. This in a peculiar way reinforces a tendency in you to see yourself as unique and misunderstood, which you often use to justify a rejection of social compromise; and you never admit in any circumstances that you are wrong.

You appear to project the belief that you 'know it all', and probably succeed more in deluding yourself that you do than in persuading others of your expert knowledge. Underlying these more negative styles of expression is a personality which experiences inner confusion and insecurity yet attempts to hide this by a superficial image of intellectual superiority. Emotionally, there is likely to be immaturity and lack of ease with that level of your nature, and you are unlikely to touch others easily with the warmth of your personality. This lack of sensitivity and responsiveness to the more intangible 'feeling' aspect of human contact often leads to a tactless and blunt expression, where your ignorance of diplomacy can have negative consequences. How can you resolve or moderate these challenges within your relationships? The first important step is to acknowledge their presence, to admit that you often are this way. The fact that you may deny them to yourself does not mean that others do not see them clearly.

Often, others do see such problem areas, whilst the individual is apparently blind to their existence. They are personal delusions. Being willing to work with people, learning to compromise, and participating as an intellectual equal, will help to moderate these oppositional tendencies. It is a new sense of personal identity that you should attempt to develop, one founded upon the real you, and not the socially projected assertive one that others may react against. It will involve an acceptance of your inner vulnerability, dissolving that peculiar egotistical construction, and ceasing your attempts to impress people. By stopping that process, you may begin to find your center, resolve certain conflicts, and redirect the flow of the aspect energy towards personal renewal. Certainly, that inner erratic agitation could be more harmonized and adjusted, thus reducing that build-up of nervous tension from which you suffer.

17) ► **Mercury** ☿ **Contra-Parallel** ♅ **Pluto** - (1°12') ☾3 | 0011

([169] [astromatrix.org](http://astromatrix.org);) The Regenerative Mind

The energy of the opposition aspect creates considerable inner pressure and tension,

mentally and emotionally, and can be difficult to deal with constructively, as a considerable inner change is required before the energy can come under the control of an integrated personality.

Due to the inner agitation and anxiety, your perception of the world and your feelings response to events will be strongly colored by its activity. This is not necessarily to imply that your interpretation is wrong, but that your experience of it will affect you more deeply and influentially than it would most other people, who could possibly give it more sense of proportion than you can. Basically, the tone of your insight will be pessimistic and essentially depressive, and you will see the world as a place where disorder, pain and problems are rapidly multiplying.

Social problems feel personal and real to you, even if your own circumstances do not bring you into personal contact with them. Your sensitivity (or inner receptivity) leads you to see a world in crisis, makes you feel responsible for its problems, and offers little way out for you unless you become involved in efforts to improve matters. It is a 'social conscience written largely and painfully'.

The frustrating thing for you is that however effective you are, so much work still needs to be done in the world. You have to accept the fact that you cannot change anything, and that your role is to make your own contribution but not everyone else's. This sense of impatience in life creates a corresponding vibration in you that expresses itself as a brusque harshness in relating to others.

The contradiction is that whilst you intend to improve life and bring harmony into people's relationships, you often create the opposite reaction to your purpose. An interrogatory style in talking to others will create distance; and under pressure of your 'mission' you often lose sight of co-operative relationship with others. You need to learn more compromise and moderation, paying equal attention to the needs and feelings of co-workers or partners.

You have high ideals, yet are often lacking in self-confidence over your ability to express them or live up to them; generally, no one can live up to high ideals, so relax a little, create a little space between you and this inner obsession, and devote more time to internalizing this energy to transform yourself.

It is a difficult tension to live with, this feeling of interrelatedness with the world, a sense of responsibility and direction that you are 'summoned' to give aid to lighten the burden. You have to lighten your own burden first, which will improve the quality of your own life immensely and bring clarity and perspective into things.

You have a warm personality and are known for your generosity. Others seek you out for advice and guidance and you steer them with love, compassion and sensitivity. When you need nurturing and compassion it shows not only in your appearance but also in your body language.

You may need to work through your emotions because you are so empathic and caring toward others.

([12] [astromatrix.org](http://astromatrix.org);) Someone To Look Up To

Opportunities: 1. Being Your Own Boss 2. Being an Inspiration to Others

Challenges: 1. Controlling Your Irreverence 2. Being in Control of Your Life

Even while you are young, personal success and achievement will be very important.

You will want to shine among your friends and be someone to whom they can look up.

You will measure your success in life not so much by your inner sense of values, but by the impact you make on other people. This aspect often means that you will be socially successful, but you must work for it; such success is not automatic.

You have a great need to be in control of your life. As you get older, you will try to work in a business in which you can be your own boss. You are very independent and do not like working under someone, which can create problems while you are young. Thinking that you know better than your elders, you may rebel against their power over you. If you establish a pattern of rebellion, personal success will be hard to come by. You need help from others to get anywhere. So, you must avoid being arrogant, for that will alienate people. However, if you are willing to learn from others while you are young and put all your energies into developing skills that will be useful later, you will probably achieve something important in your own terms. In that case, you will know what you want to do and how to guide others.

You can enable others to fulfill their destiny as you fulfill yours. During childhood, the influence of your father or of a similar guide figure is especially important to you.

You may be in business with a partner or achieve some positive public reputation because of your connection to a partner. A partnership or marriage may help you ascend to a position of power and recognition or status that you gain may be because of your

connection to a partner

You may also easily attract a powerful or influential partner who helps to improve your reputation or expand your audience.

([160] [astromatrix.org](http://astromatrix.org);) Subconscious Need

Opportunities: 1. Working with Others 2. Creating Your Ideal Family Life

Challenges: 1. Not Overidentifying with Your Emotions 2. Discovering Your True Needs

When you have Moon Opposition Ascendant in your Natal Chart you will be more intuitive, understanding, sympathetic and generous to those around you, especially your loved ones. However, you may feel like you put too much emphasis on your emotions, and this can be quite problematic or draining your ability to connect with others. You will be very emotional and expressive in general, but you need to figure out what your deep down needs are, and not base your needs on other people especially if you have a tendency to be insecure in your own self-worth, which is a tendency of this placement.

You have probably been brought up with a lot of your security needs filled within your family life. Or occasionally, you may feel like you just want to be wanted. In your professional life it would be good to not work alone as you much prefer being around others, this is beneficial to your emotional well-being.

5) ► **Descendant DC Conjunction Saturn** - (4°46' S) ♀7 | ♀7

([201] [astromatrix.org](http://astromatrix.org);) Difficulty Asserting Yourself

The opposition between your Ascendant and Saturn affects the way you approach relationships and other people in general. There may be a deep sense of insecurity about the way other people perceive you, so you prefer to let other people come to you rather than going to them, as you can general fear rejection or other people's reactions. This affects the way people perceive you and your personality, which can inhibit your relationships.

You tend to be quite reserved and cautious in your approach with others and tend to not show your emotions unless you are very close. This causes you to not develop your intimate relationships until later on in your life, most likely after your Saturn Return. You may feel like you need others to approve the way you do things or feel like the way other people do things is better or more important. This is the area of life where you are required to develop self-mastery and maturity but the thought of opening up and being vulnerable to someone else can be a frightening prospect.

You may be drawn to those who display typical Saturnian traits such as business or someone who is solid and dependable; It can be helpful to look back at your own

parent's relationship to see how this may have impacted upon you. Because you may have taken fewer partners or fewer opportunities for love to blossom, but when the connection is there, you pay it the serious attention it deserves.

You are more realistic, so you are less inclined to be swept away by big promises and fairy tale romances but as a result, your partner has the benefit of the real you. This placement can generate a fear that you just aren't lovable enough or good enough to be with someone else resulting in loneliness and isolation. Issues around partners and even open enemies may test your limits.

([593] 12andus.com:) You make your devotion and desire for commitment clear.

Your longing to be a faithful and devoted partner is very much in keeping with your identity. You may see your partner or spouse as an extension of yourself. While you may feel like you easily connect with your partner, you also expect your partner to be stuck to you like glue.

When there is any doubt or discrepancy, or when your partner doesn't share your exact vision and opinion, you can take this to be a personal insult.

On the other hand, you will do anything to keep your partner happy and you make it your life's mission to use all your strengths and talents to uplift your partner and solidify the relationship.

8) ► **Moon** ☾ **Conjunct** ♄ **Saturn** - (0°56' S) ♋7 | ♋7

([19] astromatrix.org:) Melancholia

The Saturn-Moon combination is not a particularly harmonious one; and in these contacts the individual lunar nature is often detrimentally affected. You can display a sober, self-restrained, conservative personality.

Your social relationships can lack spontaneity, enthusiasm, and naturalness, inhibited by emotional defensiveness, reserve, and caution. Self-esteem is weakened by such attitudes, which fall like a shadow across your relationships and experiences. One source of this may have been childhood and early social conditioning.

Perhaps early childhood was influenced by family discipline, either through authoritarian controls, or through imposed religious, political, or social beliefs. Perhaps there were family upheavals and unsettling discord, or strong feelings that you were not really wanted or loved by your parents, whether or not this was actually true. This may have resulted in a fear of emotional expression, to others and even to yourself. This, coupled with a need to protect your sensitivity, has associated emotions with painful 'negative

experiences'.

In adult life, there may be one parent toward whom you still feel resentment, deeply contradictory attitudes, and powerful emotions. Emotional integration can be lacking; it is part of your nature that remains uncomfortable and relatively immature, and which will interfere with adult relationships that may prove difficult to develop beyond the early stages. A lack of self-confidence, and reluctance to reveal your vulnerable feelings to others, make you withdraw into negative behavior patterns whenever the possibility of a close relationship occurs.

Liberation from the past's chains will bring relief and release; it may not be easy yet could provide the keys to a bright new future. You may be surprised at how much past experience and conditioning have shaped your adult personality; looking for ways to heal and integrate your inner child would be extremely beneficial and transformative. Achieving this step could help improve the quality of your relationships.

Potential exists for you to enjoy mature contacts with other essentially serious and thoughtful partners, where the relationship has maturity and depth, with a gradual emotional release as mutual sharing increases across every level - physical, emotional, mental, and spiritual.

9) ► **Moon ☾ Conjunct Er Eros** - (7°45' A) ♀7 | ♀6

10) ► **Mercury ☿ Conjunct ♃ Neptune** - (10°09' A) ☿3 | ☿3

([33] [astromatrix.org](http://astromatrix.org);) The Illusionist

With the Mercury-Neptune contacts, it is the mind level that is primarily sensitized and activated, so that the imaginative quality is emphasized, and the main focus of life appreciation is through mental receptivity.

The conjunction indicates a channel between the conscious mind and the unconscious mind, and both the energy and information flowing through this conduit need to be carefully integrated if a variety of imbalances and distortions is not to be created. The faculty of imagination will be highly stimulated and developed, and this will certainly require appropriate channels to be focused on so that other problems of perception are not created.

The issue of mental realities is one which can make you unsettled, especially as you can tend to make mistakes in judgment based on misinterpreting facts and suggestive information. You have a mental process that can attempt to re-create experiences into more acceptable forms for personal absorption, a style of selective manipulation which excludes aspects of reality that you refuse to acknowledge. If this process becomes a regular pattern of mental behavior, then you are liable to create a distinctly personal reality that is a fusion of the real and unreal which can pose additional challenges when it comes to disentangling them. This is often amplified by a tendency to be mentally

escapist, avoiding the possibility of any painful experiences and situations by refusing to become involved in things.

Relationships are likely to be characterized by over-idealism of lovers, either through having the mental illusion of a perfect lover that is unlikely to exist, and comparing everyone to this perfect lover and so ensuring that they fail to match up, or by wrapping lovers in over-glamorized ideals, elevating them to a mental pedestal and so ensuring that at some time they will inevitably topple off. Your mental images will be shattered, yet this does not deny the real experiences of disappointment and disillusionment that you will suffer ... and continue to suffer unless you become more realistic in your evaluations within intimate relationships.

Part of this process can arise from the sense of personal inadequacy that you feel and which you try to alleviate by imitation of others you respect or sometimes through attempts to bask in the glow of reflected glamour by associating with publicly famous people, which allows inner fantasies to develop. You are likely to have some creative and artistic talent, and your cultural appreciation will be developed. Your ideal type of employment will offer channels for such forms of personal expression, and it may be that you do develop towards writing, arts, photography or film as you have a gift for visual imagination which also has some inner content.

Your approach will be intellectual and mentally resonant, rather than more emotionally evocative as with the Moon contacts. Training may be necessary to help draw out these talents, and your main talent may be related to giving an intellectual substance and context to artistic creations, as a critic does, although there you may need to be careful regarding a degree of intolerance in your attitudes. Another area of life that could be very attractive to you is that of a mental fascination with mystery, romantic illusions, the worlds of psychics, mystics and psychology.

([627] [astromatrix.org](http://astromatrix.org);) Breaking out of relationship stagnancy

Opportunities: 1. Embracing sexual experimentation 2. Increase in psychic awareness

Challenges: 1. Trusting your intuition 2. Letting go of control

In the birth chart, with Lilith Conjunct Venus you may attract opportunities of embarking on unconventional relationships. You're naturally a highly sexually charged being, and one of the best ways to channel this energy is to pump it into creative endeavors. You may be gifted in the creative realm, and to reach your potential in your relationships will be hard to ignore. You may become erotically fixated with a particular person, or vice versa. You may want to explore your sexual appetite in ways that are foreign to you, but regardless the desires want to be known. You may use your sexual energy during this time, to conduct sex magick and rituals to enhance your manifestations. Additionally, you may become more psychically intune with those around you.

You may want to change your relationship dynamics during this time, as you may feel as

though they have been stagnant for some time. Feel no shame in wanting to experiment more sexually during this time, as this can lead you into blissful new heights of pleasure.

Breaking conventions will be a strong theme. If you've been holding back on expressing who you are on a fundamental level due to societal expectations, this transit will set you free.

You may get fixated on these projects at all costs.

People may project "femme fatale" or "dangerous man" images on to you, as you're seen as a very sensual being who breaks the conventions of society. Additionally, you may have many sexual partners or you may be very particular who you share your sexual energy with.

There may be issues of control in your relationships, and you may be a rebel without a cause at times. Additionally, you may often feel suffocated in your relationships. Your need for space is natural to you, it's just key to communicate that when necessary.

The nature of this aspect will ask you to be true to your values in your relationships. Lilith teaches us to exercise our sovereignty in and outside of relationships. Venus understands that harmony and respected values are the stepping stones to fruitful relationships. Combining these energies together, it produces a cocktail of honoring our boundaries in relationships without compromising on our values.

([66] astromatrix.org:) Learning Moderation

With North Node conjunct Jupiter good deeds in the past bring opportunities for spiritual/material wealth. There is a healthy desire to acquire material things and many

advantages may result from developing financial self-sufficiency. There is a lot of optimism present but in its more negative effects there may be extravagance or over-optimism. The house position of Jupiter shows where there may be a degree of enthusiasm, over-optimism, optimism, or where things are taken for granted.

There may be some excessiveness or indulgence. This is pretty much fine though, because that house also shows where there is luck. Similar to North Node conjunct the Sun, there are blessings, benefits, protection, and often a life that is free of karmic debts. At its worst, there may be greed, though this is quite a benign aspect as far as any harm that may be caused to others. Sometimes the aspect offers more in the way of spiritual blessings than material ones, but Jupiter is expanding the effect of the Nodes, so it is more important to align yourself with this energy, especially for opportunities of deep growth and spirituality.

Attempts at expansion of the self or mind will be encouraged and accepted. This is a placement associated with karmic luck. Your generosity and optimism will help you and bring you good fortune. There is a tendency to take things for granted here. You may attain popularity very easily or achieve success so fast that you fail to properly value it. Another key issue this placement has to watch out for is the tendency to overdo things. Don't overindulge, don't be overly generous. Learn moderation.

23) ► **Venus ♀ Opposition ♂ Mars - (3°08' A)** ♍12 | ♋6

([173] astromatrix.org:) Friend Or Lover

Opportunities: 1. Having Less Turbulent Relationships 2. Knowing What You Want

Challenges: 1. Dealing with the Past 2. Overcoming Hypersensitivity

Either your relationship with one or both parents was difficult, or their relationship with each other was difficult. Impulsive and sometimes fickle, you tend to have a rather turbulent love life. Hypersensitivity is common when this aspect is present. You have an intense emotional nature.

Often your feelings about the opposite sex are ambivalent. In love, there's often a tinge of 'can't live with him / her; can't live without him / her'. You love passionately and hate passionately - sometimes the same person! There's a great deal of impatience in relationships - especially romantic relationships. This sometimes stems from a lack of trust in the opposite sex. Often this aspect signifies a person whose childhood was unhappy. This may have been a result of difficulties with the opposite-sex parent, a strife-filled or broken home, or being ridiculed or ignored by the opposite sex in the teenage years.

Occasionally it results from a too-early sexual experience that came before the person was mature enough to understand and handle it. Anyway, there's often a carry-over of these childhood experiences and the emotions stemming from them into the adult years. Often therapy can banish these 'ghost emotions' and lead to a more satisfactory love life.

Sometimes sexual / romantic energies are sublimated into artistic activities. For those who are inclined to be excessively intense, involvement in art or music can bring strong emotions down to a manageable level. If you have Venus opposing Mars by sign but not by aspect, the foregoing may apply to you. However, less energy would be expended in passionate hating; you'd be more inclined to just break up and go on.

24) ► **Venus ♀ Opposition ♀ Pallas** - (3°52' A) ♃12 | ♄6

([579] 12andus.com:) Your sense of comfort and desire for beauty and harmony can run counter to your sense of mission.

You may have to work through insecurities and obstacles in order to embrace the value of your insight and wisdom when it comes to mentoring others or offering valuable strategies.

You may also have great plans and insights about how to diplomatically appeal to others' better nature, only to over-reach or become complacent when you feel too comfortable.

It may take some practice exploring your own values and challenging yourself beyond your comfort zone before you realize how your creativity and talents can help you pursue your mission and cause. Your social network or connections to others may be instrumental to helping you create successful strategies to advocate for what you want, but you may have to overcome the desire to do things yourself first.

25) ► **Venus ♀ Opposition Er Eros** - (8°33' S) ♃12 | ♄6

26) ► **Mars ♂ Opposition ♀ Lilith** - (6°49' A) ♄6 | ♃12

([635] astromatrix.org:) Unpacking your desires

Opportunities: 1. Deeper understanding of sexual energy 2. Transforming areas of disempowerment

Challenges: 1. Dealing with triggering experiences 2. Postively transforming rage

With this aspect in your birth chart, you will often feel the polarity between your inner wild and your primal nature. Lilith acts on her own accord and can sometimes feel like a puppet master in your subconscious. Mars is driven by impulse and marking its territory wherever it decides to conquer. Certainly, it's highly likely that you are often led by your desires - some of which you may not always be able to understand with your logical mind. The opposition works like a see-saw effect. In one instance you may be inclined to rebel against the status quo to make a statement. However, this may be received poorly in intimate relationships as you may have a difficult relationship with surrendering to the "other".

Ask yourself the question "Are there areas of your life you feel disempowered in?" The best way to integrate these energies in your chart, is to take a deeper dive into understanding your relationship with your own power. It's important you speak your

truths, but perhaps they need to be timed more appropriately.

27) ► **Saturn** ♄ **Opposition** ♅ **Ceres** - (1°01' S) ♎7 | ♍1

([564] 12andus.com:) Your nurturing style is often misunderstood. Though you care about your loved ones, your nature is aloof.

You may stand back as others struggle, offering only basic guidance and allowing others to find their own way. You don't smother your loved ones with affection. Though your intentions are good, others may see you as detached.

You may also struggle to be emotionally available because you aren't in tune with your deeper feelings. Work through your fears and not let other's emotions overwhelm you.

You'll be able to show your nurturing energy when you're feeling personally secure.. You prefer to show your compassion in practical ways. You may look to money or materialism to convey your affection for others.

Your intentions may be good but your sense of timing may be off. Your best efforts may still be misinterpreted by those close to you.

([587] 12andus.com:) Your independent and free-spirited nature can hinder your progress when strategy and tact are needed.

You may have good intentions to use your intellect and intelligence to show your passionate side and advocate for others. Yet if you aren't careful, you may turn opportunities to collaborate and campaign for advancement into opportunities to rebel against the status quo just for the sake of expressing your inner rage.

You may be drawn to anarchist types of movements because your free expression and ability to be true to yourself is more central as compared to your desire to collaborate or work within existing systems.

This can undermine your objectives. If you are able to balance your need for personal self-expression and your need for intellectual strategies that help you achieve your goals, you can be powerful, assertive and successful.

43) ► **Midheaven** MC **Square** ♃ **Jupiter** - (4°51' A) ♋2 | ♏5

([437] astromatrix.org:) All About Me

You have a lot of energy, and you want to accomplish something in life, but you will have to learn how to balance your own interests with the interests of other people in your life. If you do that, you can have good relations with others and achieve what you want as well.

Sometimes this aspect indicates a very selfish attitude, a feeling that you are the only one who counts in this world. If you carry this too far, you will find that everyone you meet works against you because you seem so selfish and arrogant or just because you come on too strong. Sometimes this aspect means you have conflicts with authority figures, because they feel that you are trying to get above your proper place or that you are a threat to them.

While you are young, you should avoid getting a reputation as a smart aleck, because such people do not get many breaks from others, especially those above them. You have a very strong belief in right and wrong, but you must learn to have more compassion for those who are on the wrong track.

You are strongly tempted to preach to people who are in error, and you may do this at times. But then everyone will watch you to see what kinds of mistakes you make. If you can be humbler and realize that you do not have all the answers, you can convert the

negative elements of this aspect to a very positive energy.

Others will feel very good about you, knowing they can trust you to do whatever is right and necessary in a situation.

44) ► **Midheaven** MC **Square** ☊ **North-Node** - (4°39' S) ♀2 | ♎4

([455] [astromatrix.org](http://astromatrix.org);) Work Life Balance

With North Node square the Midheaven, success and monetary gain come through your domestic life. You always have a roof over your head, however temporary. You benefit through your parents and other family members. The timing of events in your domestic life with current social events brings good fortune, especially in your later years.

However, misfortune comes through blocked professional interests as you rarely get the recognition you sometimes deserve due to lack of poor timing. Societal restrictions or expectations may lead you into a career which brings you no fulfillment, yet you would rather go along with the flow than try to find something else. This may lead to problems with co-workers or employers since your self-expression is so constricted at work.

Your karmic path is not aligned with your ambitions; it is suggested that in a prior life that these people received plenty of recognition for your efforts or perhaps you attained power through inheritance or manipulation. You may have been in positions of authority where others would have helped you achieve great things or notorious things, much depends on the aspects to this position.

There is often a need to develop a sense of humbleness as well as a modest attitude where you will put emphasis on the home and family rather than making a name for yourself. You may have to take a humble stance in the material world and leave behind their need for recognition and achievement. You will be drawn too working within the family and home environment, developing yourself on a deep emotional level, which is quite different from your previous existence.

45) ► **Sun** ☉ **Square** ♃ **Jupiter** - (4°34' A) ♀2 | ♏5

([380] [astromatrix.org](http://astromatrix.org);) Wasting Energy

This implies confronting frustrations which have their roots in your nature and attitudes, and which can only be resolved through changes and modifications within yourself. The Jupiterian quality of expansiveness is very potent, stimulating excess expansion in your actions and attitudes, tempting you consistently to overreach your actual capabilities.

You may lack patience, planning abilities, self-discipline and persistence, and these will work against your ambitions succeeding, even though attaining your aims may be highly motivating. It is not that you are incapable of success, but that your approach sows' seeds of future failure as you pass. If this has happened in your life, then acknowledge it, and realize that future progress can be made if certain inner changes are taken.

The first step is to ensure that you determine your intentions and aims, and how you can proceed to accomplishment. As your desires and dreams can be varied and multiple,

focusing your path may prove difficult, and you may need to pursue a thorough re-evaluation of your priorities and major needs in order to gain clarity of purpose. Moving too quickly can often lead to failure due to ill-considered plans, so you may need to stop and think more deeply before jumping into action or pay more attention to the advice of others. A careful assessment of your current capabilities is required, so that they match the level needed for your goals; working with talents tends to expand latent potential, but a requisite level of skills is initially necessary.

A more realistic appreciation of time is essential, or else you will feel your frustrations rising if success does not happen quickly. Excessive optimism and enthusiasm may need to be warily reined back, as do restless tendencies for changes in life, which can become more disruptive than helpful unless properly understood.

The areas of life especially affected are the houses and signs which are ruled and occupied by the Sun and Jupiter, it is through those spheres that you may over-expand or seek fulfillment within. If you sincerely wish to transform any pattern of frustration in your life, then becoming more realistic, mature and self-controlled will begin to show benefits, especially if you are systematically disciplined to overcome obstacles as they arise.

Accepting that failure need never be permanent, or that success is never final or guaranteed, can offer you a more balanced perspective to view your progress. Modifying your attitudes towards life challenges so that they become opportunities for development and growth, instead of perpetuating attitudes of adversarial conflict imposed by a universe intent on thwarting your dreams, will ensure that every experience can bring something of potential value to use as a foundation for your eventual success.

Balance and moderation may need to be consciously developed in your nature and lifestyle, and extravagance or ostentatious tendencies may need to be controlled due to that pattern of excessive consumption that could be adopted as a compensation for other areas of personal failure. Learning to use your energies and time carefully is important, as you may waste them by futile pursuits. Unlocking latent creative potential may be difficult, yet if you can do so this may open several new doors of opportunity, liberating blocked inner energies and providing the key to future success.

In relationships, you may need to guard against tendencies to manipulate people, as this will rarely work to your ultimate advantage; there will always be some other puppet master capable of pulling your strings. Similarly, attempts to distort information for your own aims will equally be turned back against you by others also adroit at such tactics. Treating people honestly and directly is the best approach, and you should possess good communication skills which could be applied to transform blockages and obstacles.

You may find that if you rely solely on your 'luck' your progress will be restricted; but if you begin to change those problematic attitude areas and approaches then 'luck' will

begin to flow again in your favor. You have high expectations in intimate relationships, especially centered around the fulfillment of your needs and desires; remember that it takes two to make partnership and marriage, and that there is no law that asserts that your needs are paramount. Real love involves mutual sharing and co-operation, each helping to make the other happy, fulfilled and capable of reaching his / her highest potential, it should not be a one-way traffic.

Co-operation and interdependence may need developing, through a diminution of the insistent demands of your ego; otherwise, excessive self-indulgence can stimulate problems of health and corresponding illness. Make sure that your expectations and demands of a partner are equal to your own contribution, and to the degree of commitment and effort that you are applying to make the relationship work.

46) ► **Sun ☉ Square ♋ North-Node** - (4°56' S) ♀2 | ♎4

([387] astromatrix.org:) Thwarted Goals

With the North Node Square the Sun it is similar to the opposition where your mission requires making a sacrifice. It may be that the sacrifice is to bring attention to some matter that would be a considerable contribution to the world. You appear to give a lot of yourself to something greater and are not so ego driven.

You may have difficulty achieving your ambitions and although you may be a driven and goal-oriented person, it is best to slow down and the ego must be submerged to some degree. Though leadership talents are brought over, these can't be used to expand your own ego. One way or another, circumstances will force this if you do not do it consciously.

You can still receive recognition for your ambitions, it just may take longer than normal and however gifted you are at capturing attention and being true to yourself, your self-expression may be met with karmic obstacles and oppositions. Don't let this hold you back. Learn from it.

47) ► **Mercury ☿ Square ♁ Lilith** - (4°24' A) ♀3 | ♋12

([654] astromatrix.org:) Stressed Personality

Opportunities: 1. Validating emotions allows greater motivation 2. Strengthening head and heart connection

Challenges: 1. Comprehending others' expectations 2. Avoiding distractions by desires  
The placement of this aspect in your natal chart brings your overstated emotions to light and advises taming your behavior to refine your self-expression. Your self-limiting thoughts and doubts blur your vision and turn you into a confused and stressed person who fails not only to understand himself but also to others and society at large.

Being the planet of day-to-day expressions, when Mercury makes a square aspect to Black Moon Lilith's darkness, this dynamic duo urges you to follow your intuition and make decisions in the light of your deep-seated emotions and instincts. You have to trust

yourself and defy the fear of others' judgment and criticism.

Silence is not the remedy for every problem. You have to express yourself freely to make people understand your ideas. Remember, self-acceptance is the key to empowering yourself. Mercury square Lilith can work in your favor if you learn to take responsibility for your actions. People recognize you for your rude behavior, and this leads you to breakdown.

The influence of Mercury and Black Moon Lilith's favor steers you towards adaptability, refining your communication skills, and conveying your message without suppressing your beliefs.

The key themes associated with Mercury square Lilith in a birth chart are adjusting with varying scenarios, striving to be more active, and getting involved with your relationships.

48) ► **Mercury** ☿ **Square** ♄ **Spirit** - (3°24' A) ☿3 | ♄6

49) ► **Venus** ♀ **Square** ♅ **Uranus** - (3°24' A) ♀12 | ☿3

([418] [astromatrix.org](http://astromatrix.org);) Unconventional Lover

With square aspects, the tendency is for the individual to 'side' with one of the planets, and to partly reject and project the characteristics of the other planet onto other people. It is likely that the more dominating Uranian energy will condition you to the detriment of the Venus feeling nature. This will be revealed in your insistence upon being emotionally free, and in your reluctance to commit yourself to any single relationship and share in any responsibility arising from that.

Part of this wariness is derived from your awareness of a basically promiscuous attitude (whether practiced or not), and that often compulsive fascination that can sweep you away on the tides of sudden intense affairs. It is an innate curiosity that tempts you towards those individuals who appear to offer a mystery, something unusual in their life; and you feel the desire to discover and explore their secrets. This does not always lead you into favorable situations, and often can create extra problems in your life; yet you cannot resist the lure of excitement.

Once you have uncovered that particular secret, your interest may quickly decline, and you consider yourself to be open to the next fascination that comes along. You will be socially active, searching for novelty, new people, and new interests, and will be especially attracted towards unconventional or artistically orientated groups. You have a natural reaction against convention and social traditions, often dismissing their validity in a quite flippant manner.

You tend to see a mainstream, socially acceptable lifestyle as one to be avoided at all costs and can have a low opinion of those who live that way. To you, it is a denial of

individuality to submit to the social consensus, and you consider it important to promote the image of being different. Sometimes you can rebel for the sake of rebellion, to support a less mature image towards which you aspire.

You rarely analyze your anti-tradition stance in clear intellectual terms or express it in the form of a reasoned reaction against certain aspects of society; it is more of an instinctual reaction. You find it hard to maintain intimate relationships, even when interested in doing so, because part of you is running away from accepting and giving love. Love makes you feel uneasy; you fear that it will inhibit your freedom; and your emotions tend to be repressed to some degree. In extreme cases, the emotions can be almost rigid with inhibition, with a fear of acknowledging and releasing them.

Often you experience your affairs or relationships as superficially as possible, enabling you to fly like a butterfly to the next temporary stopping-place. Perseverance is not your strongest asset; and when situations arise requiring self-discipline in order to achieve personal aims, or to maintain a relationship through a difficult phase, you often display that lack of commitment, preferring the excitement of the unknown.

You are emotionally fickle, and with that feeling of restless irritation on that level, you may attempt to ignore its presence as much as possible, choosing physical excitement and mental curiosity as your prime directions to follow. As Uranus will distort that feeling nature over time, perverse feelings may begin to form as a kind of twisted inner compensation for an emotional denial. This can lead to unusual and varied sexual behavior, or the desire to experiment. In several ways, you probably need to reclaim that Venus feeling part of your nature.

Those emotions need to be released, to have freedom to breathe properly and to circulate through you. You have to feel those emotions, allow them to penetrate your inner depths, instead of limiting their emergence. Otherwise, over time, they will begin to poison you, affecting any relationships in a negative manner and ensuring that none truly satisfies. Being willing to open to vulnerability in your relationships is essential; to risk being hurt is a chance to take but can lead to a greater maturation and understanding of the transformative and healing qualities that intimacy can offer.

50) ► **Venus ♀ Square ♃ Neptune** - (2°04' A) ♈12 | ♎3

([419] [astromatrix.org](http://astromatrix.org);) Fooled By Love

With the square, there can be difficulties with the inhibition of emotions, creativity and relationships with others. Part of this difficulty arises from an extreme sensitivity of feelings which have never been properly integrated.

The square is one of the Neptune aspects that stimulates those emotional-level fogs and mists, creating a consequence of being unable to see clearly and of being liable to make misjudgments; and which fuels tendencies of self-deception and mental distortion. These factors tend to make you vulnerable to deception, prone to suffer from your own reality

projections and filters, and from the choices and actions of others who may be similarly psychologically influenced. Intimate relationships can be a source of challenges, especially when you have made some form of emotional commitment, as often your choice of lover or partner results from misjudgment.

You are basically idealistic, yet this is likely to attract you towards involvement with minority cults or foreign religions because of their glamour's and strange fascinations. In several ways, these are symptomatic of an inner need of transformation, of the need to redeem negative patterns dominating your life.

Sexuality as a powerful aspect of the impulse for relationships can be a prime area in which such dilemmas can be expressed. This can be revealed through needs for multiple partners, searching for a perfect though unattainable lover, yet being unprepared and unwilling to actually commit yourself to a real flesh-and-blood person. It may emerge through excessive sexual imagination, where unfulfilled sexual imagery and desires may be intertwined with underlying and repressed emotionally based complexes or are practiced secretly and conspire to build an area of denial in your life.

Changes are probably needed in order to integrate the Neptune energy into your life, so that it ceases to display its more negative face of irresolution. Your attitudes to others through relationships need to be redefined, so that any paranoia is dropped, as well as any tendencies toward exploitation by yourself or against yourself. Standing free and independent is preferable, at least as an initial cleansing process.

Turning within through meditation or forms of self-therapy is an ideal path to take, so that you begin to release the old patterns, discover a new center by cleaning out old illusions, and see through new eyes. Meditation is a deconditioning technique, sequentially liberating through practice, and redirecting the energy flow of the mind not inwards instead of outwards, so the energy acts as a penetrating disperser of restrictive psychological patterns.

51) ► **Mars** ♂ **Square** ♄ **Uranus** - (0°16' A) ♅6 | ♃3

([426] [astromatrix.org](http://astromatrix.org);) A Lightning Bolt

The square will be felt as an inner tension, you are torn between the Uranian search for freedom and a deep need to feel safe and secure. This is a clash between the familiar patterns of the known and the siren call of the potential of the unknown. This is likely to be felt as a fear of commitment and risk.

Whilst you will be attracted towards greater freedom, with the possibility of creating a context where you can be more fully yourself, the likelihood is that you will resist the impulse. As you analyze your options, you prefer to play safe, as you cannot obtain these cast-iron guarantees that you would like as to the future success of your choices. This inner frustration that is likely to build up can cause stress, as a part of your nature is being denied and repressed.

You are liable to feel some emotional unease, where you are afraid of allowing full emotional expression, or even properly acknowledging your emotional nature. It is a fear of 'letting go' that is the root of this difficulty, where emotional or material losses are to be avoided if at all possible. This may have arisen through childhood experiences of loss which deeply affected you, or through a pattern developing that too strongly identified yourself with people or possessions, so that with any withdrawal or removal of them from your life, you felt that you were losing part of yourself.

You will feel that you need to keep a tight control on life, trying to ensure that chance and predictability are fended off; in this sense, you accept the more grounding energy of Mars, whilst denying the unsettling but potentially liberating energy of Uranus. You apply the Mars energy in terms of conservation, ensuring a protection of your resources through prudent and cautious organization.

You intend to apply yourself diligently to your objectives, even if you expect that they will take longer to achieve without taking risks; the problem is that for varying reasons, your intentions often fail to be realized, perhaps through an impatient Uranus unraveling those attempts at persistent effort. Or your interest wanes as you reach a point where a riskier decisive step has to be taken.

When that journey of a thousand miles requires the taking of the first step, you may decide not to travel anywhere, preferring established security. Yet you may find that you are willing to allow the Uranian impulse to move freely in your life. This could initially arise as a result of a phase of denial where some external circumstance beyond your control throws you into a period of confusion and turmoil.

Redundancy or the sudden collapse of a marriage could be triggers for Uranus to break through that dam. Certainly, it will not be denied expression for all your life, and that side of the square will need to be accepted and integrated. There is potential that even while maintaining your relative control you could safely begin to open up to new horizons, to explore other interests, to expand and liberate your limiting conception of your nature and life. There are strong foundations there, and you should be able to build efficiently upon them.

To achieve those ambitions and personal desires, you will have to take some risks at some point. If you are not committed to achieving them, then it is unlikely that you will ever succeed, because your focus and energy flow will be too diffused and unconcentrated to generate the necessary momentum. That erratic will-power needs to be drawn through into a regular consistent direction.

If you can succeed in liberating that inner frustrating tension, you would be surprised how effectively that energy could be applied to reach your aims, instead of clashing within you. Your personal relationships would also improve as the stress began to

disperse, and you felt that a great weight was lifting away from your shoulders. Releasing that pent-up, potentially violent energy could mean the dawn of a new era of personal creative enrichment. To free yourself from the restrictions of this square aspect, you have to open up to life's insecurities and risks. It's your choice.

([427] [astromatrix.org](http://astromatrix.org);) The Obsessive Impluse

This is a challenging position, as you have difficulty trusting in your ability to go after things that you want in a direct manner. It may also be that you have difficulty pinpointing what it is that you want, or that part of you doesn't feel you deserve it due to a basic lack of self-confidence. You fear rejection as well as criticism, and often use roundabout means to go after what you want.

Your imagination is so powerful that it can be hard to trust your instincts. You easily imagine things going wrong, just as you easily fantasize about good things! Your desire nature is strong yet also very suggestible. You're attracted to mysteries and intrigue. Sexual experimentation is likely, as you are forever addicted to sensuality and unusual or perhaps even what many would consider perverted sexual scenarios. However, your sensual appetite might be much like a bottomless pit, and you could find yourself forever in a state of wanting more, tiring of regular sexual scenarios quickly, and endlessly searching for the next sensation.

If an addiction to fantasy is present, you can find yourself constantly chasing a new and more complicated fantasy. It is only when you get into touch with your heart and discover your true desires that you realize that sensations are merely sensations--not deeply satisfying or fulfilling.

Opportunities: 1. Learning from Difficulties 2. Embracing Ambiguity

Challenges: 1. Balancing Emotion and Reason 2. Working for the Common Good

The trine indicates an opportunity to reconcile the Moon's instinctive, emotional energies with the mental and communicative energies of Mercury. You should experience few direct conflicts between emotional messages and mental messages. A channel exists between the conscious and unconscious personality; yet these do not often pull you in different directions or amplify stress and psychological conflicts.

You recognize that all is not either light or darkness, but that much of life exists in the shadow or gray area between.

Instead of dwelling on the negative, you prefer to look toward more positive future possibilities, hoping to ensure that hard-won lessons from previous experience are applied when dealing with present situations. Experiences from the past can serve as stepping-stones taking you progressively onward. In social and intimate family relationships, you will be appreciated for your sympathetic understanding.

You have genuine concern and compassion for others, and a love of fairness and equality of opportunity. You help others less fortunate than yourself, and those who are passing through traumatic times of life disruption. Emotional anxieties are usually kept hidden, although, in your sharing and helping others, your previous experiences and lessons may be deliberately mentioned if they serve to support or illuminate problems. You are not the type, however, to unload any current difficulties onto the shoulders of others.

Reason and logic are strong personality components, although these are colored by your instinctive emotional valuations of people, situations, and circumstances, forming a

uniquely personal viewpoint.

([462] astrohealer.com:) "The sexual act is in time what the tiger is in space." - Georges Bataille

This configuration signals that one's drives and impulses may have been subtly affected by one's psychological vulnerabilities. In this case, the individual may want to achieve great things in life but at the same time may feel unable to act in the direction of her

goals, often for reasons not quite clear to the individual herself. Alternatively, a parental figure may carry a certain instinctual or sexual vulnerability (or even illness) that polarizes their view of themselves: on the one hand, they may display great bravado in the face of difficulties, and on the other hand, they may be unable to carry out the most ordinary tasks.

A similar polarization may also exist in the psyche of the individual herself: either one acts passionately or one acts only when provoked. This may symbolize an unconscious need to keep these two spheres (action and reaction) separate from one another, thus acting based on personal will in dire scenarios may seem impossible, or actions may be performed dispassionately and only in response to imposed circumstances.

The key to working with such an instinctual chasm is to recognize that one may indeed act passionately and autonomously even if the circumstances are imposed. One may still laugh in the face of misery, or die with an unrelenting attitude. Passion and personal will can indeed operate in the face of that which is obligatory, out of control, or simply unavoidable. A recognition of this possibility and acting accordingly signals the psychological integration and motion towards "healing" regarding one's will to live as autonomously as possible.

([488] [astromatrix.org](http://astromatrix.org);) Emotionally Tense

Your emotions are quite strong and are very important to you, but you will have to resolve certain tensions. First of all, your needs and feelings may often conflict with what other people seem to expect of you. Or you may feel like going one way even though you know it would be better to go the opposite way. The problem is, there is no one answer as to which way you should go each time. Your feelings are sometimes more correct than rational judgments, which may be based on ideas taught by others with no thought for your individuality.

You have to live with others, but at the same time you have to be yourself. If reason tells you to go one way and emotion says the opposite, think about your choices carefully. If the 'reasonable' path helps others but offers you very little, then your emotions may be trying to tell you what your real needs are. On the other hand, your feelings may come from old, outdated ideas and silly childish fears.

You may be reluctant to face the world of growing up. You will need the advice of a faithful friend, perhaps one of your parents, who can show you which choice is best for

you without having a stake in the result. As you get older, you should be able to make these decisions more easily.

Your emotions and ideas about your life should reinforce each other. Take your time growing up, however; you may take longer than others, because you have farther to go.

([530] [astromatrix.org](http://astromatrix.org);) Attacks Of Loneliness

You will have to learn how to co-operate and how to establish emotional bonds with others. While you are young, especially, you may feel that other people get in the way of what you want to do and resist your efforts. Consequently, you may withdraw and cut yourself off from others, or you may feel that they have withdrawn from you.

Often you feel that you are very much alone and that no-one really cares about you. This is not usually true, but by withdrawing emotionally, you have made it impossible for them to feel affection for you. It is also possible that you are surrounded by people who are not very friendly.

Perhaps it is your own family that seems to judge you harshly or make too many demands, but you can still go out into the world and find people who are willing to be your friends. But for your future, it is important not to simply retreat into yourself, because when you are older, it will be harder to meet people and establish connections, unless you learn the habit now. And later on, your attacks of loneliness will be much more severe. In addition, when you are older, inadequate contact with others could lead you to feel empty and meaningless. These feelings could emerge even if you are highly regarded by others, because they arise from your own sense of distance from people.

In any case, you may be more of a loner than most, which is perfectly all right within reason. If you have only a few friends, those you do have may be close and enduring.

90) ► **Sun** ☉ **Quincunx** ☾ **Moon** - (1°37' A) ♀2 | ♀7

([465] [cafeastrology.com](http://cafeastrology.com);) What you think you should do and how you feel about something are often at odds. You tend to act on your will at the expense of your feelings, and to act on your feelings at the expense of your will or ego—two things that certainly leave you feeling unsatisfied. Integration, of course, would be ideal. Uncertainty about what it is you want from life can be the source of much guilt, and guilt can fuel an automatic response of trying too hard to please others. Living up to the demands of others may too easily become a lifestyle for you. You might find that you are constantly making adjustments and compromises. In your relationships with others, you may offer too much to a person, and then feel like you are being taken advantage of. You seem to expect that you have to make compromises in life in order to get what you want, but in the process, you undervalue your own needs.

You tend to experience bursts of assertions of independence and autonomy, but when

you do so, you feel guilty. However, you are not happy with yourself when you are expressing dependency. You need to work on accepting both the Sun and the Moon (your needs for autonomy and self-expression as indicated by the Sun, and your needs for comfort and closeness as indicated by the Moon) in your personality in order to feel whole and to avoid sabotaging relationships (and life goals) with self-defeating attitudes.

[468] ([467] [astromatrix.org](http://astromatrix.org);) The Struggle For Success

It is easy for you to take on responsibilities that aren't yours while ignoring ones that are. Because you work hard and aren't always recognized or compensated for it, you often run out of steam before your work is done. Your life works best when you learn to take care of your most important responsibilities first.

([468] [astrologyking.com](http://astrologyking.com);) Sun quincunx Saturn natal creates an imbalance between free self-expression and a heavy sense of responsibility. A continuous struggle to fulfill your own personal needs without neglecting your obligations can lead to great inner tension. If the balance tips too far in one direction, a crisis can develop involving your self-confidence, physical or mental health, your career, or a significant relationship.

You are generally very self-reliant and reserved but can swing between this sober maturity and reckless disregard. By placing too much emphasis on your own needs and desires, you would tend to neglect yourself in other ways. Being free to enjoy yourself means something else has to suffer. It could be your job your partner, your kids, or your self-worth.

You may have numerous casual and serious relationships of varying lengths and intensity over your life, some of which may overlap. Alcoholism, drug addiction, and other destructive behaviors are possible. They may be a way of punishing yourself for being irresponsible but there could also be other causes.

Low self-esteem may also arise from an overly strict, critical, or absent father. Too much discipline and responsibility as a child can also result in a strong dislike of authority and tradition. Feeling discouraged, unsupported, lonely, and generally unworthy leaves you open to being taken advantage of in many ways.

Without self-respect, you are likely to become shy and timid. Others will sense this weakness as you do not place boundaries and defenses around your ego. An inability to say no because of a lack of self-assertion would see you take on unnecessary responsibilities. This could easily lead to physical and mental exhaustion while you end up neglecting your own responsibilities. The resulting self-loathing, yet another path to mental illness and self-destructive behaviors.

Although you may at times be inconsistent, you work well under pressure. You do have the determination and perseverance to come back from adversity. In fact, you may

actually need to overcome loss, hardship, and suffering in order to mature and reach your full potential. But it does not have to be this way. Self-abuse or abuse by others only happens if you remain fearful and allow it to happen.

The key to conquering Sun quincunx Saturn is responsibility. Attend to the most immediate and important matters in life first and do not procrastinate. Do not do more than you have to do, especially for others. Ignore the competition, ignore the critics, don't apologize, and follow your own path.

Hard work, self-discipline, and self-restraint will eventually lead to greater confidence, personal freedom, self-expression, and pride. Gaining self-respect and the respect of others comes through the achievement of personal and career goals.

## The Lots (Arabic Parts) (322th Harmonic)

There is not much information on these lots. Lots are points calculated almost always from the Ascendant and two Planets (or the Moon) or another one of the lots (then Schmidt's correction is used). The formulas used are based on Paulus Alexandrinus' and Robert Schmidt's work. Valens is another name that reoccurs with the information for these lots. (He might have slightly different formulas, but I think I took the best ones.) The texts are from 'astro.com' and 'astrology-x-files.com'.

### Lots used for ranking eminence:

When these lots and their rulers occupy each other's places it indicates personal power and social mobility (eminence).

The **Lot of Fortune** is in 7° **Sagittarius** 44' and in the **8th** house.  
Part of Fortune was already interpreted in detail.

The **Lot of Spirit (Daimon)** is in 4° **Libra** 30' and in the **6th** house.  
"higher intellect" "guardian spirit/angel" The Lot of Spirit is a point which has strong psychological and spiritual overtones, unlike the very physical-plane based Lot of Fortune. The Lot of Spirit has to do with the nature of the will, what you intend (as opposed to what merely happens to you), and also has much to do with career, but apparently more your career as a statement that you make about what you are in the world. It also has to do with illness, like the Lot of Fortune, but it would seem that with the Lot of Spirit we are talking about the spiritual bases of illness as opposed to the

physical bases.

"Spirit happens to be lord of soul, temper, mindfulness, and every power; and sometimes it also cooperates in the determination concerning what one does." - Paulus Alexandrinus

The **Lot of Basis** is in 2° **Pisces** 47' and in the **11th** house.  
Calculated from Asc, Fortune and Spirit.

The **Lot of Exaltation** is in 15° **Virgo** 28' and in the **5th** house.  
Valens says that it shows what the native is happy doing if it doesn't indicate eminence (by falling mediocre or amiss with little connection to spirit or fortune)

### **The Seven Hermetic Lots:**

Adding Fortune and Spirit makes them 7.

These 5 are calculated with Schmidt's correction formulas.

The **Lot of Eros** is in 24° **Libra** 32' and in the **6th** house.  
"Eros signifies the appetites and the voluntative desires. It becomes a contributing cause of friendship and mutual favor." - Paulus Alexandrinus

The **Lot of Necessity** is in 6° **Sagittarius** 16' and in the **8th** house.  
"Necessity signifies constraints, submissions, struggles, and wars, and makes enmities, hatreds, condemnations, all the other restrictive things befalling men as a result of their birth." - Paulus Alexandrinus

The **Lot of Courage** is in 17° **Pisces** 29' and in the **11th** house.  
Indicates fortitude (or lack thereof). It is based upon Fortune (the physical body) and Mars (actions). Where this lot is placed by house seems to show what we have to face and what we most fear. "Courage becomes a contributing cause of boldness, treachery, might, and every villainy." - Paulus Alexandrinus

The **Lot of Victory** is in 10° **Aries** 6' and in the **12th** house.  
"Victory becomes a contributing cause of trust, good expectation, contest, and every association; but sometimes it contributes to penalties and rewards." - Paulus Alexandrinus

The **Lot of Nemesis** is in 29° **Pisces** 44' and in the **11th** house.  
This lot seems to indicate what is most likely to bring the native down. "Nemesis becomes a contributing cause of subterranean fates and of everything which is ice-cold, of demonstration, impotence, exile, destruction, grief, and quality of death." - Paulus Alexandrinus

Nemesis in Pisces: indiscretion, being gullible

Nemesis in Eleventh house (Aquarius): large gatherings, loneliness, political

incorrectness

**Lots related to family:**

The **Lot of the Father** is in 8° **Sagittarius** 40' and in the **8th** house.

If the lord of the lot of the father is dignified and is pivotal (angular) the father is strong and fortunate and may be eminent. If in decline and debilitated, judge the opposite. - Paulus Alexandrinus

The **Lot of the Mother** is in 19° **Libra** 49' and in the **6th** house.  
Same as for father.

The **Lot of Siblings** is in 28° **Gemini** 59' and in the **2nd** house.

The **Lot of Children** is in 13° **Pisces** 14' and in the **11th** house.

The **Lot of Daughters** is in 13° **Sagittarius** 37' and in the **8th** house.

The **Lot of Sons** is in 5° **Pisces** 32' and in the **11th** house.

The **Lot of Marriage for Woman** is in 21° **Scorpio** 29' and in the **7th** house.

The **Lot of Marriage for Men** is in 20° **Libra** 45' and in the **6th** house.

The **Lot of Deceit in Marriage by Woman** is in 22° **Aries** 56' and in the **12th** house.

The **Lot of Deceit in Marriage by Men** is in 18° **Pisces** 11' and in the **11th** house.

The **Lot of Marriage (in general)** is in 28° **Virgo** 36' and in the **5th** house.

**Lots related to society:**

(Hellenistic)

The **Lot of Debt** is in 29° **Leo** 34' and in the **4th** house.  
Indicates what could be a source of financial losses or debt.

The **Lot of Theft** is in 20° **Cancer** 8' and in the **3rd** house.

The **Lot of Treachery** is in 20° **Sagittarius** 55' and in the **8th** house.  
Betrayal of trust

The **Lot of Accusation or Exile** is in 18° **Taurus** 21' and in the **1st** house.  
Lot of Being in a Foreign Land (exile), Lot of Accusation, also Lot of Police: indicate areas of life where someone may be accused of something, either falsely or truthfully.

The **Lot of the Destroyer** is in 11° **Capricorn** 43' and in the **9th** house.  
We have little systematic information of its use except that it seems to relate to the manner of death. I would urge astrologers not to be careless in the use of this lot.

## 322th Harmonic

### **Pholus | Sudden Life-Changing Events**

Pholus helps us achieve our soul contract and mission, the symbol of turning points (of no return), the catalyst, a small cause yielding a large effect, explosive results, transformation without premeditation, euphoria, self-destruction, awakening, curing addiction, release, searching, intensity, discovery.

Here, painful realizations of boundaries and responsibilities come as you grow. Pholus is where one absentmindedly, even blindly, goes about one's business until he sees the mortal light and crashes, grounded by confrontation of karma and responsibility.

### ***Pholus in Aquarius***

([canvasofthecosmos.tumblr.com](https://canvasofthecosmos.tumblr.com/);) Pholus in 11th House/Aquarius: You look high and low to find a cause to be passionate about, often becoming entranced by friends and anything you can invest hope in. The connections to make in groups opens a whole world of information to absorb. In this age of information, you thrive on the internet, as you love having immense information at the tap of a finger. You may lose yourself often in technology, as you find these newer ways to connect to the world around you astoundingly interesting. You associate yourself with people that you know will wind up doing something off the wall, which is what you live for, but you take responsibility for the group. This leads to problems with trying to balance many different strange people and still having the ability to be as weird as you want yourself, without feeling overwhelming to others or overwhelmed yourself. Pholus spends most of his orbit near Uranus, so you already accept the sudden change aspect he brings. Integrating these changes into your hopes and friends is needed.

### ***Pholus in 10th house***

([12andus.com](https://12andus.com/);) Your search for truth and wisdom leads you to try to establish security and a solid foundation.

You want to be in a career that provides purpose and allows you to do something meaningful. Your ideas and hard working nature lead to explosive transformation.

You can unleash a dramatic and powerful transformation when you work toward success in achieving your goals. You may become intoxicated by your desire for wealth and success. This can lead you to get so engrossed in the tediousness of work and career that you start to forget your purpose.

Dramatic and chaotic situations can be wake up calls, pulling you away from the

distractions and back to your true mission.

You may feel extra protective but find there is a major catastrophe from which you can't protect others. Learning to let go of control and putting your energy into what you can manage and ways you can be productive is part of your mission when a breakthrough is warranted.

### **Eros | Love, Desire, and Sexuality**

Where you break with logic and rationality in favor of desire, associated with bringing havoc, your most powerful turn ons. Is used a lot in synastry.

#### ***Eros in Pisces***

(12andus.com:) You are obsessed with the idea of transcending the physical body.

You may use sex as a vehicle for spiritual transformation as well as deep connection. You may fantasize about or use mind altering substances to enhance your sexual encounters.

You love to lose yourself and transcend boundaries in order to feel complete connection with a partner. You may be drawn to creating a mood with creature comforts and sensual music in order to feel completely entranced in the moment.

Fusing sexuality and metaphysical and occult pursuits is also arousing to you. You may fetishize some aspects of spirituality. You may also become codependent and obsessed with your partner.

#### ***Eros in 11th house***

(12andus.com:) Your sexual interests are varied and surprising.

You may be aroused by any number of things and your erotic fantasies may change one day to the next. You may have fantasies about having erotic encounters with numerous partners at once or about taboo sexual encounters.

You may be surprising and even extreme as your desires are unconventional and challenge the status quo. You may also have an intense desire for sexual exploration.

Your passions are triggered by intellectual connection and you may feel an intense connection to someone you just met, intuitively drawn to a partner without being able to explain why.

Even though you have a healthy sexual appetite, you aren't out to use erotic connection as a form of emotional bonding. In fact you can be independent or even indifferent about your sexual encounters.

You may use sexual exploration as a form of experimentation and test your own (and your partners') boundaries.

Finally, you'll come to adapt your expectations and make necessary changes to your ambition so that you can succeed on your path while also recognizing the crisis and turning point you are facing.

6) ► 9° Aquarius 8' **Pholus** ✎ **Square** ♀ **Ceres** 2° Taurus 22' - (6°46')

(12andus.com:) You may find it difficult to face your obligation to others during crises or turning points.

On some level you may feel it is important to provide for the comfort and security of those around you, but you also may resist facing the full scale of a crisis at first because it challenges your own personal sense of comfort and security.

When you adjust your expectations or perspective, you'll be better able nurture yourself and find security in the midst of crises.

With some adjustments to your expectations, you can find the motivation to act out of compassion and help others find the stability and comfort they need as well.

You can find ways to lead others and try to minimize the negative impact of large scale crises, though your efforts may take a personal toll.

You may run the risk of losing your footing or facing some backlash or consequences for trying to make the best of a bad situation. Even still, you can find dramatic breakthroughs through cataclysmic events that began with small steps or unexpected detours.

You won't intentionally set out to be a hero, but will find yourself in the right place at the right time. You will easily use your skills and gifts to respond to what is needed, not to what you preferred to do in your career.

Nevertheless, you'll be able to provide the protection and guidance others need and doing so will benefit your career path.

If you downplay or suppress the impact of the crisis it will be detrimental to yourself and others. ## 144 More Asteroids

### Hygiea | Health, Wellness

Health, cleanliness, and sanitation. [1] where the body is important to you

#### Hygiea in Scorpio (Rx)

(astrology.com:) Scorpio or in the eighth house: While sex seems like the obvious activity here, it's not pure release that this individual needs—facing fears helps their immune system thrive. When they take risks, they feel powerful, and when they feel powerful, they feel healthy. Sensitive souls, these individuals are subject to paranoia, like shadowboxing imaginary health scares. Trusting their intuition syncs the mind-body connection, and their wellbeing falls into place. What to be aware of: safety first!

#### Hygiea in 7th house

(astrology.com:) Libra or in the seventh house: The balance of this Hygiea placement depends on an inner sense of harmony. If that sounds vague—it is! These individuals seldom know what will keep them healthy and anxiety-free until they've found it, possibly stumbling upon it by accident or being referred to some technique, class, or health professional by a friend. Because they often feel blown about on the wings of chance, they must learn how to make committed and responsible choices without relying on others' opinions. Only then will they feel in control of their wellbeing.

Karma is your talent and the place where you can grow the most, or get handsomely rewarded. Why are you here? What do you need to finish? The sign tells you what and house tells you for what. Karma can indicate a negative balance OR positive balance through square Mars, Saturn or Pluto OR trine Jupiter, Venus or Sun. Feeling like suffering is fated when aspecting challenging areas of the chart. Negative Karmic events are like accidents, heart breaks, exposure to outbursts that seem unfair and losses. Positive Karmic events are sudden strokes of good fortune, chance meetings with a true love and so on.

### ***Karma in Sagittarius***

(whatsmyalternative.com:) Were you a religious fundamentalist or a social reformer? A

corporate cheat or a philanthropist? Watch for experiences that balance your clumsiness, your kindness, your luck, your manner of speech and your friendships. If you are unkind in words even if you meant otherwise, the asteroid Karma will still make you feel the other persons emotions at your words. In the highest level, such people can become great religious reformers.

### ***Karma in 8th house***

(smartyoungsters.com:) Karma in 8th house: You can reach your goals by digging out old graves. Your research, spying capacity, tantric knowledge, dead people, power, passion, mafia, sex can help you fulfill your duties. You become a secret agent, spy, recluse, mafia, taboo artist or tantric yoga. You gain rewards through someone dead or inheritance or powerful. Deja vu is feeling the energy of dead people when you go to places full of secret. Don't misuse your alchemical talent for the abuse of power.

### **Pandora | Foolish choices & Toxic curiosity**

Where one needs to see things as they really are.

[1] where one must provide masculine prowess or be considered a failure

### ***Pandora in Leo***

(astronomicallyaligned.tumblr.com:) A queens' most valuable possession is her jewelry box. Inside the box lies diamonds, tiaras, pearls, gold, silver, rubies, emeralds, sapphires, necklaces, rings, and other beauties. She guard her box with her life. The beauty and the glamour shines for her only. Other people will notice her shine. Like the sun on a gray day. If she opens her box, all it's contents will fall out. It will fall to the ground, crush and get dirty. It will loose all it's value. And the queen will be poor. She will loose her shine. And then it will be eternal darkness and night. What the queen could do, is to know that her shine comes from within, and not feel the need to open the box to prove it.

### ***Nessus***

(vamzzz.com:) Considering its complex and rather extreme nature, it is no wonder we see a large diversity in the collection of attributed characteristics; lessons in setting boundaries, seeing (one's own) limits, accepting limits; identification of hidden abuse patterns; complex cause and effect relationships, breakpoints in karmic cycles; revealing the truth, resolving a situation; taking responsibility for a confrontation, the perpetrator caught; desire; possessiveness, jealousy, being vindictive, manipulative or resorting to black magic for sexual or financial needs. Finally, several researchers associate Nessus with blood, diseases passed on by blood, or blood rituals, and superhuman strength or powers.

Philip Sedgwick characterized Nessus in astrology as "The ultimate Centaur bad boy", bearing the wounds of "greed, decadence, intimacy and sexuality". As positive Nessus properties he mentions: generosity, benevolence, compassion, willing to lend a helping hand, cooperation, respect for boundaries, aware of the power of life energy, healthy use of sexual energy. Concerning the latter: Taoist health trainer and teacher Mantak Chia has Nessus conjunct Sun opposition Hygeia!

My experience with Nessus transiting in hard aspect to the Sun is that this Centaur evokes an inner transformative crisis that demands clarity and decisive action based on "cut the crap". In the personal horoscope Nessus can be a player with violent impact. Forcing entry seems to be the core quality of this Centaur.

In harmonious aspects, this gaining access goes pretty easy, while in hard aspects,

where access is denied, it has to be forced open and in extreme cases violence is used. Thus, in line with these characteristics, Nessus also has to do with breakthrough, breakout, escape, rescue and hacking.

Computer hacking is a Nessus-thing *pur sang*, especially when combined with Mercury, Uranus, Vesta or Makemake. Also espionage, spies, officers, burglars, rapists, rape in general – mentally or emotionally -, black magic, executioners, cracking a closed system (be it a nut or oyster or bank vault, or mind frame), assassins and police raid teams reside under Nessus.

### ***Nessus in Aries (Rx)***

(smartyoungsters.com:) This is the scary Nessus. If he is not controlled by good aspects from Chiron or Saturn then this Nessus is an uncontrolled, indolent child who wants to fight to get things his way. He is the bully who won't let you have it your way. He is the control freak in a relationship. Somebody who also suffers from absolute obsession over "my way or highway policy". In a good sense, he is the leader of the pack, moving in the direction with absolute passion. Using all possible methods to reach his goal. He can be the match winner in sports needing lot of Physical energy. In love, he is the alpha male even when in a woman's chart!

If someone's Nessus falls in your first house, he will appear to you as a control freak, actually he will be the control freak for you. This is especially true if there are conjunctions.

### ***Nessus in 12th house***

(smartyoungsters.com:) This is the Nessus who is obsessed with spirituality, oldage homes, hospitals, photography, painting, art, nomadic lifestyle, dreams, healing, reiki and being a mystic living on mountain. This Nessus will be excessively fond of water and living besides it. Like the Nessus in Sag/9th house, he also is a compulsive traveler but of a mystic sort. He is a compulsive painter, photographer that is obsessive about capturing every single detail. He runs behind the mysteries of the Cosmos and keeps himself occupied with it. He has a compulsive desire to learn healing crafts like pranic healing and reiki. He can use these to manipulate his disciples, patients and followers. A guru who talks to spirits of the ancestors. He prefers living life his way avoiding bondage of any kind, slipping out of the hands like a fish. A person who avoids responsibility of any kind. When expressed positively, this is the "Adi Yogi" avatar of Lord Shiva who can cure with compassion, the world's first reiki master who can heal and turn "prana or chi" in the positive channels. He is also the alchemist. A dream interpreter, spirit medium, spiritual guru and master artist like Leonardo Da Vinci, is this Nessus. In love, he is detached, free from bondage and a nomad moving from place to place discovering the secrets of cosmos. He is intuitive, magician, mystic and tuned to the spirit world. He will need plenty of space.

### **Echeclus**

Cosmic picture vs. detail orientation. Abstract logic vs. linear logic.

Positive: Balanced perspective of overviews combined with essential detail.

Negative: Picky, judgmental, cantankerously weird, ungrounded.

Mark Andrew Holmes: turning point, stymied, conflict, beleaguered, endings, in a rut, bottled up, frustrated, at war with the world, taking on a lot, tilting at windmills, ability to handle frustration.

## Arachne

Sowing complex solutions to complex problems. Patience; the greater pattern.

Complexity; simplicity. Can indicate where you own gift lies, she also shows where you will be challenged to perfect your craft, where you must be able to do what you say you can do and where you may experience competitive clashes. Taps into the unknowable, even what 'should not' be known. Arachne may connect to the concept of playing God.

## Asbolus

Root chakra (or reptilian brain) awareness. Sombre, pessimistic, with a lot of depth (but tangled in a vortex-like manner of information processing). If dominant: usually having a lot of trouble receiving advice or compliments from others. Easily goes over the top, exaggerates protectionism, and isolates itself unnecessarily.

(vamzzz.com:) It represents the domain of Yin. Ontologically and sociologically it relates to the root of individualism, technology and in the worst case murders. Theologically it relates to the figure of Satan.

Six different ways Asbolus can work in a horoscope:

- One could distinguish six different types or subtypes of Asbolian influence. The first type detects the inhumane, the perversion or violation of human rights and the ethical. (Julian Assange, Jannis Varoufakis, Edward Snowden, Sahra Wagenknecht, Karl Marx et al.)
- The second type of Asbolus is not a strong influence, but acts more some kind of dull black spot in the chart.
- The third type corresponds with the seer and empowers clairvoyant faculties (James Van Praagh and Anton Pauwe).
- The fourth type shows Asbolus as a pit of horrors, darkness, psychopath inhuman features and atrocities (radix-horoscope USA, Madeleine Albright, Joris Demmink, Adolph Hitler, Barack Obama, Zbigniew Brezezinski, G.W. Bush, Hillary Clinton, Joseph Stalin et al.).
- In the fifth case Asbolus is a dark artistic inspirator in a creative horoscope, making an impact on the public by mingling the aesthetic with some distortive, taboo breaking, or intense Plutonian atmosphere (Ilona Staller, H.R. Giger, Georges Bataille).
- The sixth Asbolus is a crossbreed of two or more samples of the above. For example, one could be a loving person, socially very aware of ethical values, but also a master in writing short horror stories. When in league with evil, the outcome is never Asbolus responsibility alone, but a joint venture with the totality of the chart

## Gonggong

Chaos and attunement through (social) alchemical knowledge. Well directed mental efforts, trial and error, aiming at improvement/transmutation through social Alchemical knowledge in a sorta big brain mass psychology way, resulting in chaos, "tilting of earth", mental.

(Malvin Artley) In one of the myths Gonggong was said to be stupid, but what emerges from apparently ignorant actions is actually the road to truth and insight in the end and shows the promise of mental efforts well-directed and pointedly focused.

## Ixion

Very masculine energy, ingratitude, murder, passion for supplanting the prevailing system, haunting, loneliness, disorientation.

(synnisisigns.com:) It needs great loves and it's phantasmagoria will push him beyond the curtain of reality when circumstances are below his taste. In career, it must destroy existing concerns, clans, lobbies, lodges, clubs, factions, cabals, plots, allegiances, fraternities, cults, newsgroups, web-sites, teams, alliances, trusts, blocks, interest groups; and from the resulting chaos choose and pick his own few good men to form it's own enterprise, not without bitter struggle and a sword hanging over it's own head.

Religious fanatics are born along this line, those well meaning fellows that send humanities to death, schizoid nationalists, new hitlers, media magnates, islamic terrorists, highlanders, beings of war and chaos. In positive aspects (conjunct casanova and Uranus) it can prolong love making up to several (three) days, an unending erection. [1] how you order others around

What can we now build in its most glorious form that serves the self as well as others? How can we create a structure that works for everyone in its highest and best form? ## Panacea

(astrologyclub.org:) Panacea is “the cure”—but it’s not as simple as that. It’s “what you believe it takes to make things better.” Thus, what do you or others have to do in order to bring about an improvement. With Panacea in hard aspect to the Ascendant, a person would have to “be” different to bring about an improvement; they’d have to alter their routine and initial response. A retrograde Panacea might not really believe lots of things can be fixed.

### ***Persephone***

Where we are scared to take charge;

(YT: Tom Jacobs:) A theme of looking immature from the outside but being capable of maturing it through the inside. Have to make a change: a leap into a thing with boldness that might seem like a stretch or too much for us because we've never done it before. So some persephone people are timid, because they've had been put words into their mouth and have been told they can't take care of themselves. Sometimes they'll reject that, and they are quite confident because they had to at some point grow up overnight. Whether that was pleasant or unpleasant, whether that was a choice they drove or it was driven by other circumstances and other people.

So there is a sense of a Youthfull spirit and maybe some naivite but the appearance of naivite surely.

## Proserpina

(houseofinferno.com:) [...] but many of these deities have the same story with different names. Proserpina's name means "to emerge". (ref Persephone!)

She represented the irrepressible feminine spirit who would not be controlled or restricted. Some astrologers look to the asteroids Proserpina / Persephone in a person's natal chart to see where we give our power away, or have it taken from us, so we can use this information to not be so passive and assert ourselves properly so that we are not so easily controlled. What we could take from Proserpina's story is to honour the cycles and changing seasons within ourselves. Sometimes we are cast into the Underworld when something bad happens, and we should never spiritually bypass these situations.

We have to feel our pain and darkness to move through it. But when we are ready, we can emerge to cultivate something better for ourselves and let go of the things that don't serve us.

We should also be mindful of how we assert ourselves. We need to show ourselves love and respect by building healthy boundaries. We need to stand up for ourselves when we are being unfairly treated, and we also need to be mindful of how we do this to others. But we should also take care to know the difference between assertiveness and aggressiveness and make sure we achieve a healthy balance so we don't take away or restrict another's free will or cause unnecessary harm to others in the process.

(jessicaadams.com:) Proserpina shows where you are taken over, taken, then take back.

## Sisyphus

(leahwhitehorse.com:) Repeated mistakes, stuck in pattern through fear of change.  
To be admired for his outright refusal to accept death and for his ability to repeat a task that is doomed to fail for all time. In him we see the try, try and try again attitude.

Perhaps the positive side of this asteroid is the ability to keep going, even when we can't yet see the point. Essentially, he perhaps shows where we can find meaning in what we do on a daily basis, not just in our achievements or the winning of battles.

## Zhulong

Threatening chaos, breathing fire, external behaviors through internal emotions.

(markandrewholmes.com:) The harsh truth, self-deceit, brainwashing, refusing to acknowledge inconvenient or unpleasant truths, having the courage to act on these truths. It is described in classic Chinese literature as shining a torch over "the ninefold darkness."

## Latitude/Right Ascension (Position) (322th Harmonic)

Ordered from Aries to Pisces. Programmed in increments of 10' each, so, if two or more are in the same incement, they will be alphabetical too eachother, is only marginal tough.

Speed in °(degree)/day (eg. the Sun travels a little less than one degree in a day) and distance in Astronomical Units (AU) (which is the average distance between the Sun and Earth).

## Fixed Stars

Only conjunctions here. Now will, anything inside the orbs of the fixed stars behind the (moving) planets and other objects from the chart, be shown. I've taken the orbs of the star conjunctions from the following two websites: 'astrologyking.com' and 'fixedstarsastrology.wordpress.com'.

If the orb from the first website was biggest, I have left it like that. If the orb from the second website was the biggest I have changed it to the average of the two.

I also gave all the four Archangel stars (Aldebaran, Regulus, Antares and Fomalhaut) plus Sirius and Spica a bigger orb of 200 minutes (3°20'). Caput Algol, as a evil influence, I gave 3°.

A lot of these stars (297 in this script, plus the Galactic Center and the Great Attractor) are far away from the 12 Zodiac-constellations, so saying that the Zodiac has a certain height is not really usefull because it stretches all the way around Earth, in height (as well as in width via the Signs.

(NOTE from 'fixedstarsastrology.com':) — Do not let any of the negative descriptions for any stars that follow which may apply to you frighten you. If you live a good, clean life, good will be in store for you Rather than the darkness that may otherwise apply to you. Live your life with good conduct. ALSO — you can check your astrological chart's planets conjunctions with the stars you were born under to understand yourself better. Stars are rated based on my judgement (John Hebert) with (+) being good and (-) being not good, and the more of each one, the more positive and negative the star's influence.

[3] The fixed star Unuk (aka "Snake Heart"). This cunning fixed star seeks release in the seductive, unconscious and instinctive sexual/aggressive forces deep within us.

But as the energy cuts a swathe of darkness across the face of the Earth, the rhythm of this beating heart will stop for a few moments... and so with it the repressed coiled energies of the collective.

So seductive... and addictive, this uncontrolled and corrupt energy is potentially violent and criminal. However, if acknowledged, accepted and celebrated, the animal urges inherent in the human species and can be channelled into a new realm of possibilities... where the undulating vibrations of instinctive awareness are harnessed into higher awareness, offering supreme enlightenment and a gateway to bliss. This is the beginning of the shift of consciousness.

The fixed star Unuk marks the possibility of ascension. Individual efforts focused outwards. By entering the dark side of life, opens us to see the light. Like a moth to a flame. Once the light is found through the blackness a new path forward is forged.
