([659] numerologycalculator.online:)

The Leader

Your nature is charged with individualistic desires, a demand for independence, and the need for personal attainment.

You are very good at getting the ball rolling; initiating new projects is your forte.

You are at your best when confronted with obstacles and challenges, as you combat these with strength and daring.

As a natural leader you have a flair for taking charge of any situation. You are considered very good company, friendly, good-natured, and a wonderful conversationalist.

In your personal relationships, you are capable to live alone. You are a good person to talk to. You have good communication skills, however, you don't have a strong need for very close relationships. You know that you are always alone in this Universe. You can give an impulse in a relationship but will not spend much energy on maintaining the feelings. You can dedicate all your energy to your work or idea, so it is important if your partner supports you and is able to yield to the choices made by you.

You're a pioneer, an innovator, and capable of great success and achievement in the world.

You need to be in charge and managing in some way. You would make a great entrepreneur or inventor. Often the highest and best use of your abilities is when you mastermind a project, get it up and running, make sure management systems are in place, and then you're off to the next venture. You might feel stagnant if you don't allow yourself to tackle new challenges.

You're full of creative energy, so embrace your creativity and understand that this is your gift. Imagine new things, introduce new concepts, and then delegate the details and either move on with another project or continue developing your project while taking it to the next level of success. However you define it, you enjoy being on the move and having a variety of things to do.

You always have the potential for greatness as a leader, but you may fail as a follower. Unfortunately, sometimes you have to follow for a while before you are allowed to lead and this can be a difficult time.

Expression (Destiny) Number: 6

([659] numerologycalculator.online:) The number 6 Destiny suggests that the direction of growth in your lifetime will be toward a greater sense of responsibility, love, and balance. Development in life must make you more helpful, conscientious, and capable of rectifying and balancing any sort of inharmonious situation. You must be a person very much inclined to give help and comfort to those in need. You have a natural penchant for working with the old, the young, the sick, or the underprivileged.

As the saying goes, charity begins at home, and the home is where you must be a special person. The qualities of the 6 make the finest and most concerned parent, and one who is often deeply involved in domestic activities.

Openness and honesty is apparent in your approach to all relationships, particularly close family relationship.

A happy home life is the goal of Destiny 6, and if you live up to the promises of this number, you will reap this reward most likely with some degree of luxury and grace.

Although you may have considerable creative and artistic talents, the chances are that you will devote yourself to an occupation that shows concern for the betterment of the home and of the community at large.

The destiny of the 6 is often a career in medicine, welfare work, education, dealing in the arts, furniture, decorating, landscaping, home construction, religious endeavors, or scientific fields.

The positive side of the number 6 suggests that you are very loving, friendly, and appreciative of others. You have a depth of understanding that produces much sympathetic, kindness, and generosity.

If there is an excess of the number 6 in your makeup, you may exhibit some of the negative traits associated with this number. This can include stubbornness, self-righteousness, or dominance. There may be a tendency for you to be too exacting and demanding of yourself, too.

In this regard, you may at times sacrifice yourself (or your loved ones) for the welfare of others. Many with the Destiny of the number 6 worry much too much. In some cases, the over zealous 6 has difficulty distinguishing helping from interfering.

Life Path - Expression Bridge Number: 5

([660] numerology.center:) Number 5 means that you are a person whose choices don't distinguish with originality. You are rather predictable in your actions. People with the bridge number 5 usually don't realize their innovative nature. But it lets them succeed in numerous fields. If 5 is your number, it is necessary just to hear your inner voice and to experiment with different approaches. Try to express your point of view braver. Sometimes it is even necessary to take risks and to be more open with your ideas. From time to time you are too stiff and inflexible. These are not the best traits for successive achievements. Try to change it and become more tolerant and able to find a middle ground.

Life Path 6 and Expression 1 or vice versa:

There are two extraordinary extremes in your character. One of them is self-sacrifice and another one is selfishness. It is necessary to achieve balance between these two totally different lines of behavior. Your nature requires independence. For your success to manifest it's better not to be dependent on others.

Heart's Desire (Soul Urge) Number: 5

([659] numerologycalculator.online:) These are your non-conventional adventure seekers who don't like to be confined by limitations or limited by societal norms. People with this soul urge long to travel and thrive on change and a variety of experience.

Freedom is an essential element for your happiness to be complete. You love traveling, seeing new places, meeting new people, trying new things.

Whenever a new idea comes to you, it gets you excited and your enthusiasm is infectious. This is a valuable leadership ability and one that you must work to continually cultivate and develop.

Be careful in your pursuit of change and be mindful of where your desire for freedom leads you. This part of your nature can make you extremely impetuous. This is especially true when it comes to finishing things you start. The goal can become an obsession that keeps you from seeing how to best to achieve it and that will tend to frustrate you.

Frustration can only hold you back and that sense of disappointment can make you become very reserved emotionally.

Don't be afraid to release the passion that wells up within you.

Fives are very passionate, they just have trouble finding appropriate outlets for their passion. When you find them, you will be unstoppable.

Personality Number: 1

([659] numerologycalculator.online:) Ambitious, strong willed and determined.

A natural leader who commands attention and usually rises to the forefront of the group. When they have a strong sense of purpose they are very inspiring and motivating. When they don't they can appear egotistical or attention starved.

Number 1 will prefer an atmosphere where the one can freely express his/her thoughts.

Heart's Desire - Personality Bridge Number: 4

([660] numerology.center:) Nature influences you beneficially. Spending time outdoors and enjoying the beauty of nature brings you calmness. It is useful for you to become more systematic. Success is impossible without a methodical, comprehended system of steps. One more essential thing is to understand the real state of affairs because, sometimes, your imagination gives the wrong picture about things.

Other people will understand you better if you understand yourself and become assured in such central things as the meaning of your life and your principles. Reliability and punctuality are the things which are important to work at.

Quiescent Self Number: 1

([661] affinitynumerology.com:) Quiescent Self - This chart position provides insight into what you consider to be an ideal existence. A quiescent period is being immersed in oneself with personal perceptions of ideal existence (without outside influences) and experiencing the feelings and rewards and activities as if they exist in actuality. (The "quiescent self" number sometimes is referred to as the "inner dreams" number.)

During quiet contemplations of an ideal life, people with quiescent-self number 1 are likely to envision themselves as independent and self-sufficient.

The energy represented by the number 1 resonates with self-determination and self-reliance.

Thus, there's a tendency for someone with this quiescent-self number to immerse themselves in visualizations of exploration, determining better ways of doing things, and accomplishing things by themselves that have never before been achieved. There may be immersion in the satisfaction of leading others to experience things that are discovered

during the exploration.

When visualizing being and doing things by themselves, feelings of being alone is generally a satisfying feeling.

Maturity Number: 7 = 1 + 6 = LPN + E(D)N

([662] feliciabender.com:) You're moving toward reevaluating what it means to work with introspection and spiritual contemplation. You're being called upon to work with your deep need to "know thyself" through solitude and specialization, scientific study or philosophical thought, and data analysis with intuition.

Where you'll be challenged: With this Maturity Number, there's often a shift in life bringing issues related to truth seeking to center stage. Situations will arise highlighting the need for isolated time for yourself, research or writing, and the search for inner peace and spiritual fulfillment.

What that might look like:

- A personal crisis that demands a re-evaluation of your beliefs.
- A choice to be unmarried or live with agreement around your need for solitude and contemplation.
- This can be a time where you share scientific breakthroughs, spiritual awareness, or psychological insights with others.

Karmic Debt Number: 14/5

([663] mattbeech.com:) The karmic debt number 14 is directly related to the **notion of control**. Either you lack control or you seek far too much control than what's good for you. It is tied into notions of power and your personality being drawn towards this attitude no matter what the cost.

It is quite likely that you spent your past lives wrestling control away from other people. If you feel like you lack control in your current life, it is probably the result of these actions bearing consequence now.

You can begin to take control and erase your karmic debt by focusing on **principles of modesty** and attempting to maintain emotional awareness at all times. You have to be aware of the result of your actions on others and try and contribute meaningfully to the lives of people around you.

(astrobasic.com:) This Karmic Debt number will create instability in your life. You will always encounter an unexpected situation and an unplanned event in your life.

The recommended solution is to start living an orderly life and try to make a commitment to the orderly life you have decided. The unexpected event will come and go but your

commitment will help you to overcome that situation.

Karmic Debt Number: 19/1

([663] mattbeech.com:) Those who are tied to this path were possibly quite selfish in their previous lives, and the debt being carried over is related to the damage caused by their selfish attitude.

If you're finding yourself being drawn to this number by either your life path or personality number, it is important that you remember that the lesson for you here is to **focus less on yourself** and more on the world around you.

The message is clear that you need to broaden your inner world and let the greater world in. This helps reduce your superficial tendencies and allows you to build more meaningful relationships with the people around you.

(astrobasic.com:) This Karmic Debt number will teach you to learn independence. Due to this Karmic Debt number, you will be forced to stand for yourself, and you may feel alone.

The recommended solution is to start to give respect to all human beings. The more you connect with another soul the less loneliness you will feel.

Karmic Lesson Number: 2

([664] worldnumerology.com:) Your 2 Karmic Lesson advises you to be diplomatic and tactful, to stay in the background at times, to accomplish something without the need for praise and reward. Learn to be part of a team.

Strive to be more sensitive to the needs and feelings of others. You will regularly find yourself in situations where the only road to success is through patience and attention, requiring you to work cooperatively with others. Working through this life lesson will bring you closer to others, which is its own reward.

The effect of this Karmic Lesson is diminished if you have at least one 2 among your other core numbers (Life Path, Birthday, Hearts Desire, Expression or Personality Number).

Karmic Lesson Number: 3

([664] worldnumerology.com:) This Karmic Lesson indicates you are highly self-critical. When you find yourself at the center of attention, you often judge your performance to be entirely inadequate or embarrassing. You tend to measure yourself against an impossible standard of perfection. Try to refrain from constant self-evaluation.

It is important for you to recognize no one is flawless. Feeling the need to act impeccably

can prevent you from doing what you enjoy in life. Practice being more optimistic and cheerful - enjoy this "messy" life and share your joy with others.

Life will place you in situations that require imagination and communication. You will be tested in these areas and forced to face your feelings of inadequacy. Missing 3's often produces artists - but their success will require consistent effort and perseverance.

The effect of this Karmic Lesson is diminished if you have at least one 3 among your other core numbers (Life Path, Birthday, Hearts Desire, Expression or Personality Number).

Karmic Lesson Number: 4

([664] worldnumerology.com:) A missing 4 may find you rudderless and confused about your life's direction. To obtain focus and success you will need to establish a methodical, disciplined approach. It is important to create a foundation for your life to keep from feeling lost and tossed about by change.

You may have trouble finding the work you do best, as you tend to be somewhat impractical and disorganized. Without a strong inner compass, you will look to life's problems outside yourself rather than within. A new job may start off as "The Answer," but it won't hold the same appeal for long (as you discover the new work requires the same effort and perseverance as the last one, without the initial glamour).

Concentration and application need to be strengthened when the 4 is missing.

The effects of this Karmic Lesson are diminished if you have at least one 4 among your other core numbers (Life path, Birthday, Hearts Desire, Expression or Personality Number).

Karmic Lesson Number: 8

([664] worldnumerology.com:) Your 8 Karmic lesson tells us you have the ability to attract a considerable amount of money and do well in business. But the missing 8 is likely to cause major ups and downs in your financial affairs, unless you are cautious about how you handle your resources.

You have the ability to attract money, but it has a tendency to slip through your fingers. This stems from a know-it-all attitude and stubborn behavior that prevents you from knowing your limits. Your desire to succeed can cause you to accept too much risk (and leave too little time to nurture important relationships). Balance is key to overcoming the deficit a missing 8 can bring.

This Karmic Lesson forces you to learn your limitations, and the limitations of your resources.

The effects of this Karmic Lesson are diminished if you have at least one 8 among your other core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

First Pinnacle Cycle: 4

(Month + Day) - from age 0 to 35 (based on LPN) - ([665] feliciabender.com:)

General: A 4 Pinnacle is the period of your life where you're being called to build your life with solid, stable foundations that'll last. This is often a period of time where you're drawn toward purchasing—or actually building—a home and concentrating your efforts on career and family.

This isn't a particularly light-hearted and "fun" time because you're learning and being tested by issues related to organizing, setting up good systems, patience, hard work, endurance, working step by step, and moving ahead methodically. This stage is for designing and pouring the proper foundation for your future. It's a practical time where you're putting your ideas into the material world and manifesting your vision with discipline and a serious attitude. This is a period of time where you'll be tested in the realm of recognizing, moving through, and getting around limitations.

You're being immersed in the energies that support a practical and realistic approach to life. So a demand for order, system building, and organization is key. The 4 Pinnacle encourages you to be dependable, conscientious, and reliable. Determined and somewhat relentless effort is required and you may feel a strong compulsion and emotional need to immerse yourself in work during this Life Stage. When you do, you'll thrive on that energy.

Pinnacle 1 Number 4: First Pinnacle: Experiencing a 4 First Pinnacle sets you up for a demanding childhood and adolescence. You might find your economic circumstances demand more concerted effort and hard work. This can also be a stage of life devoted to the pursuit of your education. In either event, it's unlikely you'll be involved in the normal frivolity of life because of the intensity of your schedule.

Warning: Warning: The 4 energy offers with it a bevy of teachers. As you're challenged to build something of lasting value, you're setting up your future relationship with money, your ability to meet deadlines, your ability to institute effective systems, and your way of dealing with limitations.

Second Pinnacle Cycle: 4

(Year + Day) - from age 36 to 44 (based on LPN) - ([665] feliciabender.com:)

Segments General and Warning were already given for this pinnacle number.

Pinnacle 2 Number 4: Second or Third Pinnacle: A Second or Third Pinnacle with a 4

emphasis will fuel your ability to get ahead in the world and achieve—not so much because of innate talent as much as your drive and ability to out-work the competition. You might find some economic limitations during this Life Stage, set in your path to test your commitment to building solid and steady foundations while not being beaten down by obstacles and limitations.

Third Pinnacle Cycle: 8

(1st Pinnacle + 2nd Pinnacle) - from age 45 to 53 (based on LPN) - ([665]
feliciabender.com:)

General: Money, business, authority, ethics, personal power, and abundance: These are the key elements in any 8 Pinnacle. This is the stage where you're bombarded with opportunities to embrace and define your personal relationship with power, money, and achievement. It has an intense focus on matters of responsibility, efficiency, power, authority, leadership, and management of financial affairs.

Sounds exciting, right? Yet under the influence of the 8 Pinnacle vibration your judgment will be tested over and over again and your career usually becomes your top priority. This isn't a particularly easy walk in the park. Chances are this Pinnacle will require you to make some substantial shifts in your life and your relationships. While your opportunities for achievement, recognition, and financial success are heightened, it'll require a lot of strength, courage, and tenacity to do so. This isn't an easy Pinnacle; it'll demand a lot from you and won't let up.

The 8 Pinnacle is also tricky because, while its vibration supports all things relating to money, power, and authority, its vibration is unyielding in its demands that you get there through the use of the utmost ethics, honesty, integrity, solid leadership, and feelings of abundance—not just feelings of wanting to be “rich” or “wealthy.” The highest form of the Eight vibration has to do with giving as you're receiving, with no strings attached, and from the clarity of your heart.

Aspects of the 8 Pinnacle are: status, success, recognition, business, and commercial activity. If you keep with it, this Pinnacle is set up to usher in improvements in your financial and personal power realms. The focus is on creative practicality with an emphasis on organizational and management skills and abilities. Emotions are downplayed and business acumen is at a peak.

Pinnacle 3 Number 8: Second or Third Pinnacle: If you encounter an 8 vibration during your Second or Third Pinnacle, you're apt to find yourself in the executive world—or you could be married to an executive. You're required to rely more on rational judgments and less on emotional impulses. You're single-mindedly focused on your ambition and achievement of great financial success, power, and authority.

Fourth Pinnacle Cycle: 3

(Month + Year) - from age 54 (based on LPN) - ([665] feliciabender.com:)

General: When a 3 Pinnacle comes, get ready to dig into your emotions and express yourself. This is a time to get to know your inner life intimately, to identify and deal with your emotions, and to cultivate your creativity in all its forms. You have no other choice except to dig deep to locate your underlying emotions and learn to communicate these with clarity and purpose. It's time to learn to speak your truth. If you attempt to hold your feelings and ideas in, you'll implode. Now is the time to allow yourself and others to see the true creative and emotional you.

This Pinnacle is set up for light, enjoyable activities that support joy and expression. This energy is supportive of travel, social activities, friendships, and entertainment. You may feel affectionate and certainly you feel the push to be outgoing during a 3 Pinnacle. The foundation is being poured for growth and development of personal expression, particularly verbal expression. Even if you haven't felt particularly "artistic" or "creative" before, now you are likely to feel drawn toward participation in artistic creation of one kind or another.

The 3 vibration is aligned with the joy of the present moment. Long-term plans made during this stage might not come to fruition exactly the way you planned them. It's all about being with people, having some fun, and acting with a youthful attitude. It can be an "easy come, easy go" stage, where variety and movement trump hunkering down and making things happen. Think. Dream. Imagine. Create.

Pinnacle 4 Number 3: Fourth Pinnacle: If a Number 3 shows up for your Fourth Pinnacle, there's a good possibility for travel and social activity. Often this is accompanied with a freedom from financial worry. It can be a very comfortable final stage in your life that is supportive of all your creative endeavors.

Warning: Warning: You'll feel that with the 3 energy, you can get easily scattered, distracted, and drained. The 3 energy is so curious, you'll want to learn something and then quickly move on to the next thing. You would benefit from developing more groundedness and a sense of self-discipline in order to take full advantage of this joyful and happy number.

First Period Cycle: 6

(Month) from age 0 to 26 (based on LPN)

([666] worldnumerology.com:) The first one-third of your life is a time of family, responsibility, and duty. The issues of commitment, marriage, and family all come into sharp focus. When the commitments are made and one responds lovingly and with acceptance, this is a period of much harmony and support.

You are greatly needed by those around you.

You will be loved and appreciated. This is the best cycle for marriage. In the same way, partnerships go well and much progress is made from joint activities.

Conversely, if commitments are not deeply made or are broken, separation and divorce often occur. Any artistic talent you possess will surface and new opportunities for self-expression will present themselves.

You are also under very supportive influences for starting a business. This is a time of progress through flexibility, cooperation, and compromise.

Second Period Cycle: 7

(Day) from age 27 to 53 (based on LPN)

([666] worldnumerology.com:) A 7 Period Cycle during the middle years of your life produces a period of intellectual depth and contemplation. It is a time to concentrate on the big questions of life. You are attracted to science, technology, philosophy, and/or metaphysics.

This cycle requires that you focus your energies and thoughts. Regardless of the course you choose, you must immerse yourself and specialize to become an expert in your field.

This is a period of inner development; meditation, contemplation, and self-reflection are your keys to enrichment and wisdom.

Relationships seem burdensome at times due to your desire to spend time alone. There is also resistance to sharing your deeper feelings with others.

Sharing your knowledge by teaching, counseling, or simply talking to others is beneficial.

Third Period Cycle: 6

(Year) from age 54 (based on LPN)

([666] worldnumerology.com:) The latter part of your life finds you primarily focused on family matters. It is likely you will continue to care for others well into your sixties (or longer), which will provide great satisfaction.

You may be more involved in the arts through volunteering or teaching and engaged in community affairs or local politics. Artistic talents you possess are enhanced, and you find opportunities to express them.

This is a cycle of stability in relationships (although not necessarily romantic relationships). Partnerships or family-run businesses have a significant chance for success.

First Challenge Number: 1

(Day - Month or vice versa)

from birth until approximately the age of 30 to 35

([665] feliciabender.com:) If the number 1 as a Challenge Number, you're being called upon to stand up for yourself, be true to yourself, and be self-reliant. You're truly being called upon to step up to the plate and become a leader. This won't necessarily be a gift that simply falls into your lap; you will need to cultivate leadership qualities, trust in your vision, and hone your people skills so you can be most effective in getting the job done.

During this time, you're likely to feel dominated by others in one way or another—either professionally or in your relationships. This feeling of being dominated might lead you to be competitive and you might experience an overwhelming sense of needing to achieve above all else. Your challenge lies in your ability to recognize when you're being pulled into this negative vortex and instead focus your energies on controlling the ego and keep self-righteousness in check.

You're learning about self-reliance and how to solve your own problems—and perhaps the problems of others—independently. You need to cultivate your wit and intelligence and cast tendencies toward argumentation and resentment aside. Also cultivate your confidence. This is a period where you'll come under fire by critics and detractors. Don't allow the naysayers to stand in your way or deflate your vision.

Potential Destructive Aspects of the 1 Challenge:

- Major or minor bouts with feelings of insecurity
- Becoming an aggressive “know-it-all”
- Getting caught up in “being right” at all costs
- Allowing addictions to overtake you
- Becoming extremely emotionally needy
- Feelings of ill health due to frustration

Second Challenge Number: 1

(Day - Year or vice versa)

from the age of about 35 to 55/60

This Challenge Number has already been explained previously. (above)

Third (Main) Challenge Number: 0

(1st - 2nd Challenge Numbers or vice versa)

The Third Challenge carries much weight and will be felt throughout your life. For that reason, it is also called the Main Challenge. As you master this challenge, your life will come more and more under your own control. You will incorporate the positive aspects of the challenge into your character. This is its purpose in the first place. Therefore, there is implicit in the challenge a chance for great reward. In short, this may be the

secret to your success.

([665] feliciabender.com:) The 0 Challenge is called the Cipher Number. This number represents all or nothing, empty or full. You decide. With this number, you are given “a free pass,” so to speak. You’re being offered an enhanced dose of free will.

If you have a 0 Challenge, you can choose to amble idly along without a determined course or you can grab this profound opportunity to rise above your demons and achieve greatness. That is how powerful this energy can be for your Pinnacle. When you see a 0 in Numerology, it serves as an amplifier. To meet the challenge of the 0 vibration, you must have some sense of mastery over the constructive aspects of all the other numbers: independence, leadership, creativity, emotional self-expression, diplomacy, application, hard work, understanding, responsibility, wisdom, personal power, and humanitarian vision

It’s suggested that a person who has a 0 Challenge number on their journey is a well traveled soul, so the 0 offers opportunities for you to use your compilation of soul knowledge during your lifetime.

There’s great opportunity for expansion and growth under this Challenge. The obstacles you face during a 0 challenge may not be many or they may be coming at you from all directions. You can think of it this way: This is the Challenge of Choice. Therefore, choice feels more confusing and difficult during this period. The 0 is challenging you to have the utmost faith in your own abilities to the extent that you can form a healthy sense of detachment with which you can analyze a situation, make a choice, and then act on that choice with ease and comfort, unconcerned and neutral in feeling regarding the outcome.

Warning: If you have a 0 Challenge in your life, it should not be taken lightly or cavalierly, because, with this number, a decision must be made. We rarely make empowering choices by default. There is a lot of responsibility when any Pinnacle contains a 0 Challenge. Use its energy wisely and fiercely

Fourth Challenge Number: 0

(Month - Year or vice versa)

from the age of approximately 55/60.

This Challenge Number has already been explained previously. (above)

Personal Year Number (for 2022): 1 (07) + (06) + (2+0+2+2)

([667] affinitynumerology.com:) When the personal year number changes, the influence of the energy represented by the number also changes. Internal urges shift. Different things feel important. Opportunities seem different. Life is somehow changed. The energy attracts certain type of events and circumstances during the calendar year. It affects the energy represented by the life path number, changing the experiences during the year — generally in a subtle way but sometimes in a way that can seem rather

dramatic.

The energy represented by the numerology personal year number 1 is a year of new beginnings and more energy.

The year generally provides opportunities for starting new projects and the energy to follow the inclination. More so than last year, the person feels a desire to move forward, to improve situations, to assert their individuality, and to get on with life.

This tends to be an active year with many decisions to make.

In some respects, life feels like it's beginning anew.

Personal Year Number (for 2023): 2 (07) + (06) + (2+0+2+3)

([667] affinitynumerology.com:) The transition from one personal year's resonance to the next isn't a sudden change. It may be suddenly noticed, but the change happens gradually. Generally, the change begins a couple months before January, somewhere from mid-October to mid-November. The vibration of the upcoming personal year energy begins to commingle with the current personal year energy. The new energy becomes stronger the closer it gets to January 1st of the new year. By January 1st, the new energy is dominant. It may be a week or two into January before the previous year's energy is dissipated, leaving only the new year's energy.

The energy represented by the numerology personal year number 2 is a year of attention on relationships — social, romantic, friend, sibling, business, teamwork. The year tends to encourage participation in team projects.

Cooperative associations are more important. There's a tendency to use diplomacy and tact to repair or strengthen relationships. Intuition, emotions, and sensitivity tend to be enhanced. It can be a busy year, with seemingly endless demands on your time.

The year can revitalize peace of mind. It is a good time to strengthen sincere friendships.

(feliciabender.com:) This is a year to focus on your emotions. Last year = career. This year = love and emotions. Concentrate on intimacy and relationships, fostering appreciation for yourself and your loved ones, and speaking your truth gently yet firmly. Expect this year to feel very slow-moving.

Cornerstone, Capstone, First Vowel and Keystone (Forename)

The letters of your surname or nickname have a meaning as well, if you filled in a nickname/callname, that one will be used instead of the first word of your full official name. There can also be a keystone, that's when your name has a middle letter. These texts in between explaining the different parts comes from

'worldnumerology.com', sometimes a different source, then it will be noted. Anytime 'spiritwalk.org' is used, it is always the general meaning of the letter, not meant specific to the place the letter is positioned at in the name.

Cornerstone: It provides general insight about your essential personality, and it has a lot to say about your approach to **challenges and opportunities**. The Cornerstone in your numerology chart is all about how you approach difficulties as well as upswings.

Cornerstone (first letter): N

[670] [671] [672] [673] ([670] affinitynumerology.com:) The person gravitates toward an approach to life with originality, creativity, and a genuine enjoyment of living — and an honest thrill when interacting with others.

([671] spiritwalk.org:) You are a creative person, a little bit out of this world. You like things having their place and order. It is important for you to systematize your life a little bit, maybe in a form of diary, or summing up your day when you are about to fall asleep.

([672] numerologist.com:) Cornerstone: You are intuitive, creative and love to brainstorm. However you rarely find the money or resources to build something that is great in life.

([673] numerologyzen.com:) Letter N. N has a sense of adventure, a great ability to adapt and a rapid reasoning. N zigzags, [his,her] temperament is quite elusive. N expresses movement and energy. One passes quickly from the mental to the physical level by the intermediary of this diagonal which links the two great pillars. One feels that this letter contains a lot of dynamism and psychic intensity which makes N attractive and magnetic. It is a very versatile letter. N makes [his,her] experiences a daily thing, all being, according to [him,her], good to live and to try. Stability isn't fundamentally [his,her] strong point and N can live periods of hesitation, worry and even guilt. N needs variety, sometimes excitement, and [he,she] can adapt like a chameleon. [His,Her] closeness isn't a sign of calm or tranquility. N is a mentally demanding letter and [his,her] faculties of analyzing situations and people are good. N relativizes, knows how to juggle with words and is interested in a lot of subjects. N establishes [his,her] criteria of life in an absolutely personal way but can change these frequently and without warning. Others sometimes have difficulty in adapting to [him,her], but one mustn't hold it against [him,her], it is the price for [his,her] eclecticism. However, too much flightiness could lead others to think that N is a butterfly flying from flower to flower and taking only what is of interest.

N knows exactly how to put [him,her]self forward, to sell and to sell [him,her]self. [He,She] knows how to argue, to convince without ever being short of replies. All situations which put [him,her] in contact with the public suit N perfectly. However, although open to discussion, N often stays on guard and never lets [him,her]self go completely. N will have to be careful of [his,her] fickleness, which can lead [him,her] to live unstable situation and sudden changes, which are not necessarily positive.

First Vowel: This letter gets to your core. Think of the **deepest goals, urges and dreams** that drive you in all you do - this is the letter that offers a glimpse into the

"window" of your soul! But this is a secretive letter, because few people wear what it really is they want on their sleeve. This first vowel in your name indicates something that only your closest friends and trusted family members might know about you ... You might know someone who for whatever reason changed the first vowel in their name. Although this is rare, it indicates a person who is uncomfortable with who they really are, at their core.

First Vowel: O

[674] [671] [675] ([674] affinitynumerology.com:) Open nurturer.

Harmony, a happy home, and moral standards tend to be highly important. Respect for rules and acceptable behavior are also likely to be important.

([671] spiritwalk.org:) You have a stable set of principles and moral values. It is really hard to persuade you in something that contradicts with your beliefs. You are sensitive and sincere about your feelings. Try not to compare yourself to others, and learn to live your life fully and be self-sufficient.

([675] numerologist.com:) The O reflects the energy of the number 6. When you have the O as your first vowel your tendency is to respond to the world with contradiction. You can appear humble yet strong-willed, independent yet helpless, wise yet self-righteous. You're innately magnetic, protective of friends and family, service-oriented, and nurturing – especially in the home and family realm. You have challenges modulating your overweening sense of responsibility and can become agitated when others make demands on you and yet don't take your advice. You benefit when you allow time to step back and find creative solutions to problems rather than immediately reacting. Your highest and best use is when you're leading others in a position of authority.

Keystone: ([676] ezinearticles.com:) It is the middle letter of your use name; the common name you go by. Note that many names don't have a Keystone letter; only names with an odd number of letters will have this feature. The Keystone letter doesn't have the power over you that a Cornerstone or first vowel letter does; but the influence is still there. This letter, if you have one predicts what may be a **compulsion** or an **obsession** for you; a place **where your life lacks balance**.

([677] taniagabrielle.com:) The center letter is the pivot point helping to carry out the initial action of the first letter.

Keystone (middle letter): R

([676] ezinearticles.com:) This letter indicates that some form of personal achievement could become an obsessive behavior for you.

Capstone: This is the last letter of your name, and, fittingly, it demonstrates your **ability to see projects and ideas through to the end**. This translates into your "finishing" number.

Capstone (last letter): A

[678] [671] [672] ([678] affinitynumerology.com:) The person with capstone energy

represented by the letter "A" tends to persist until a project is completed decisively.
([671] spiritwalk.org:) You are an independent person who loves freedom and appreciates the individuality of others. You are a self-sufficient person and do not need the opinion of any authorities to make a decision. You have leading skills and always need to have a goal in life to succeed. Person like you may need more flexibility through life.
([672] numerologist.com:) Capstone: You know how to deliver on your promises. You have no problem striking out on your own to get things done if necessary.

(note:) When you look at your Cornerstone and Capstone - the letters that "bookend" your name - you can determine how easy it is for you to start and stop important processes and projects. It answers questions such as: are you a shaker and a mover? Are you a little bit flaky?

Extra: **Balance Number:** (numerologist.com:) It is the arithmantic sum of the Cornerstones. It shows a basic pattern in your life that you will tend to fall back on. It also shows how you stand your ground amidst chaos, confusion, distraction or other forces that could drag you off course.

(Note by me:) Will be shown with the comparison to the first cornerstone.

All having certain interpretations. Based on first full official birth name. Table came from 'affinitynumerology.com', but that's not on the web anymore. interpretations for the planes from the [680] 'numeroscop.net'-calculator.

Mental	A	1	N	5			2	6
Emotional	OR	6					2	6
Intuitive			Y	7			1	7
Total	3	7	3	8			6	6

Physical (Body) Plane

Physical Plane symbolizes body and physical form of a person. This Plane is governed by instinct, and relates to everything that is tangible, visible, and real. Practically no importance is attached to the imaginary and fanciful. Preference is given to what is already known, based on facts, and doesn't go beyond the bounds of reason. It is the pivot of life, as form and style of existence are maintained here. According to Numerology traditions, this Plane indicates one's natural capabilities. This alone reveals how the term "destiny" understood in Numerology: it is neither "doom", nor "fate", but a set of inherent features. It is active potential, and the process of making use of it is called life.

5 on the Physical Plane

You are constantly in a state of red alert to collisions, emergency situations, and vicissitudes of life. You are physically strong, flexible, and fast in response. Changes, new places, and new people – all these are the raw material for creative work of thought.

Well-trodden paths never attract you. Whatever you eventually come to, your way is unique.

Mental (Mind) Plane

Mental Plane represents the person's mind and reason. It is the level of intellectual interconnections, analysis, collecting and comparing facts. Even the most evident is not accepted here if it cannot be analyzed and proved. It is the Plane of will power, determination, confidence, and cold calculation that doesn't let imagination twist the facts. Fine mind, clear thinking, and management skills guarantee that you'll take a leading role and a high position.

6 on the Mental Plane

You are chosen as a companion by those who go on a reconnaissance mission. You are a perfect friend: reliable, responsible, and committed. You have excellent prospects to become the deputy head of the company who really is, in fact, the mainstay of everything, be it director of studies, first mate of the Captain, Vice President. The fact that you are not indifferent to beauty and harmony is only a benefit.

Emotional (Heart) Plane

Emotional Plane is all about feelings and emotions. It is the level of kindness and sympathy. Here facts recede into the background and give way to imagination, inspiration, inner perception, and creativity devoid of any practical ground. It is not reason that governs actions and reactions to life or other people, but feelings of love and tenderness. People of the Emotional Plane don't have a particularly logical approach to making plans.

6 on the Emotional Plane

People like you make the backbone of the world. You are the cornerstone of any society you belong to – be it your family, circle of friends, or colleagues. All your emotions are directed towards people around you; you truly empathize when you say it, and you are always ready to lend a shoulder for others to lean on, even if it's contrary to your personal interests. Your concepts of honor, justice, and responsibility are clearly formulated. Most suitable professions for you are a doctor and a teacher, as they involve ability and desire to share knowledge with others. And your willingness to get something in return does not devalue your readiness to “give the shirt off your back.”

Intuitive (Spirit) Plane

Intuitive Plane represents the spiritual level of internal knowledge. It is guided by insight and abstract impressions that go beyond the boundaries of both fact and imagination. Intuition helps man to express heavenly wisdom on the Physical, Mental, Emotional Planes of mind and action. Intuitive Plane is the plane of reverence for the Divine, piety, compassion, tolerance, ingenuity, and that inner guidance that enlivens all other

existence levels. This is also known as God's grace.

7 on the Intuitive Plane

You are capable of seeing the essence of things – through abstract thinking. Don't try to rationalize your intuitive feelings somehow – it has no practical sense. Trust your intuition, use your inventive mind, and you'll find your way to a creative career.

Pythagorean Square | Psychomatrix

([681] in-contri.com:) The so-called "psychomatrix", invented by the ancient Greek scientist Pythagoras, is one of the most popular calculations in numerology. It helps to define strength of character, energy, health, intelligence and other innate qualities. «To understand the world means to know the numbers controlling it,» Pythagoras asserted.

			Self-Esteem: 4 line «1-2-3»

			Spirituality: 6 diagonal «1-5-9»
			Temperament: 3 diagonal «3-5-7»
–	6	9	
cognitive, creative	labor, skill	intellect, memory	

([682] tragos.net:) Pythagorean Square - is a separate area of numerology. In fact, this area of numerology goes back to the times of Egyptian priests. They were the ones who first began characterizing people's characters by using numbers. Pythagoras took this knowledge of numbers as a foundation and applied a mathematical approach to it, which is based on the harmony of the square.

Pythagoras and his followers expanded the capabilities of the original Egyptian system by supplementing the meanings of individual numbers with the meanings of the target lines of the Pythagorean square. Thus, a new approach was now able to help determine a possible goal of a person's life.

Main abilities (square's cells)

Character, will — 111

"The Golden Mean" - your character is named like this because you are able to get along with all the other types of characters. You'll have an edge over a person with weaker willpower and will match someone who's stronger. However, you often act like a combative, challenging other leaders and society persons.

Vital energy — 2

"Energy deficiency" - you are only up to do the most important things. Large groups, wild nights, many days of hikes and monotonous work make you exhausted. But moderate involvement in sports, fitness, yoga and normal sleep are vital.

Cognitive, creative — empty

"Weak potential" - you don't have a propensity for the exact sciences, complex concepts and invention activities. Besides, you are not interested in anything like that.

Health, beauty — 4

"An initial health stock" One "4" usually goes either to health or beauty. Therefore, if your reflection in the mirror seems to be good, pay attention to health, to possible hidden ailments - it is important to find them on time. If your health is pretty good, then it's most likely you should not count on a modeling career.

Logic, intuition — 55

"Good logic" - Your logic allows you to be a good analyst or a programmer. And thanks to intuition, person like you could disclose complex crimes as an investigator. You are able to build a profitable business in any field.

Labor, skill — 6

"Inclinations of diligence and skill" - capriciously this person can cope with any work that requires diligence, accuracy and technology compliances quite well. Of course, they will not become a "jeweler" at once, but whether it's building a house, repairing or something that does not require over-skillful hands, then, most likely, it will work out. And in the process this person will sharpen their skills.

Luck — 7

"With a talisman" - of course, 7 does not guarantee a jackpot after the first bet, but will save from minor troubles and sometimes help to catch luck in the nick of time.

Duty — 8

"Moderate sense of duty" - such people usually do not avoid duty to relatives and friends. But nothing more. Their initiative to give something to others and society is low. But at least, they don't forget their friends and family. Self-sacrifice is also not about them.

Intellect, memory — 9

"Basic intelligence" - information is processed on the principle of "practice makes perfect". This person can't remember too many facts and things. Therefore, they should not overload themselves with superfluous knowledge - it will be forgotten. But in practice, they can perfectly use the information that they constantly work with.

Secondary abilities (lines and diagonals)***Self-Esteem (Line «1-2-3») — 4***

"High" - this person does not want to be like everyone else, put themselves above the rest. People with 4 in self-esteem think they deserve more than they have, strive to achieve big goals and make efforts to get what they want. It is to be noted, that high and inflated self-esteem are the most real incentive to do things in a big way.

Moneymaking (Line «4-5-6») — 4

"Bread-and-butter man" - a high desire to make enough money for themselves and their families. They do not afraid of difficult and responsible work for good remuneration. Moreover: such a job literally searches for them.

Talent (Line «7-8-9») — 3

If the person is evidently talented and works to unleash its potential (you can pay attention to other cells) then this figure indicates the potential development of this talent.

Tenacity (Line «1-4-7») — 5

"Stubborn" - this person goes to the goal at all costs, even if in the end the result will be not a circumstance to the resources spent on its getting. They look for partners who also want to get more out of life and it look down their nose at those whose goals seem insignificant.

Domestic bliss (Line «2-5-8») — 4

"A good family man" - "family values" is not an empty phrase for this person. They consciously plan creating a family and then shows themselves as a loyal patpner and want to live with someone who shares this goal.

Stability (Line «3-6-9») — 2

"Everything is under control" - this person is very light on their feet but controls the desire for change. Nevertheless, you can't say that this person is stable.

Spirituality (Diagonal «1-5-9») — 6

"Fanaticism" - high spirituality turns into idolatry. The edges of the sensible are blurred. In words, the person speaks of a high, but in deeds becomes obsessed with the rudeness, injustice and dishonor of those around him. Also there is a risk of falling under the influence of cults.

Temperament (Diagonal «3-5-7») — 3

"Impulsive" - this temperament will help to adapt to almost any partner: to damp the arbor with a partner whose temperament is lower, and, conversely, be hotter with those whose temperament is higher. If there is no soul mate, this person will not be above one-night stand. Also they often try to seem very hot.

Those born on a 7 of Club day are keenly aware of what they - and the world needs - to be a better place. They are eclectic, spontaneous thinkers and can be highly intuitive. They also have a knack for commercializing their ideas and publicizing their unique

perspective.

The young and impressionable Seven of Club must find ways to stabilize the unstable environment of their youth. Fluctuating finances create volatility at home; the root cause of their incessant worrying later in life. To cope, the 7 of club develop an inventive mentality and sense of irony.

None of the 7's have it easy and the Seven of Club is no exception. Stress is a constant and a cause of psychosomatic health issues. The 7 of Club personality resists dogma and the conventions of religion, preferring science over blind faith.

Women 7 of Club need their independence but want to nurture. If the gender is male, a rakish attitude often spirals into cheerful irresponsibility. Relationships are characterized by rough-cut gems. Not one to shy away from conflict, the rebel within will surprise even those who know them well.

Cosmic Moon Card: Queen of Spades (metasymbology.com:)

Someone at a higher energetic vibration, there to assist you in your cosmic (spiritual) path.

Spades: Wisdom - Labor - Acceptance

Queen of Spades Meaning: The Crown of Labor

Karma for the Queen of Spades - Self Mastery

Earth-Pentacles - Planets: Mercury & Uranus

Queen of Spade have come to lead and direct. They are co-rulers with the highest authority - the King of Spade. When they find themselves in a subordinate position, they feel frustrated and miserable because they know they don't belong there!

Queen of Spade is one who must work especially hard in life. They have good mental balance, right judgment of values, and an eagerness to work without sparing themselves. These people know where they belong, and are continually struggling to get back to the Crown.

The Queens of Spade feels best in business for themselves, and they will hire out anything they dislike to do. They are excellent managers for others, (when keeping their dictatorial attitude in check!), and the men make excellent doctors.

Note: If you would want to go deeper into this specific divination: there are different spreads for each year (of age), smaller cycles, at: 'knowyourdestinycards.com'. These are the cards from the lifespread, the largest cycle. But I skipped the cards for every 13 year cycle, there are seven of those.

Mesoamerican Divination | Tzolkin System

The Day Sign, Galactic Tone, Trecena Sign and Night Lord.

The Trecena is more innate - like the Moon Sign in astrology - reveals deeper aspects of your personality: your emotions, your connections to others and society, and how you respond to things.

Day Sign would be like the Sun: something you work on, something that involves discomfort and effort. You can also have the same sign for the Day sign and the Trecena sign.

There are 20 signs and 13 galactic tones, which makes up for a 260-day cycle for the Trecena's. If you add in the Night Lords, you get the largest repeating cycle. (9 times 260)

Resolution (11) Imix

East (Red) glyph: Empowerment / Guidance

Day Sign: Crocodile

/ Imix (Yucatan) / Imox (Kiche)

Imix types are often constantly at work, usually trying to maintain the integrity of their world. They are energetic, rigid, creative, and initiating.

They have intense emotional power and a need to be deeply involved in whatever they do, a need that must be used creatively or it may become a source of problems in relationships. Imix types have strong nurturing instincts, are quite sensitive, and require privacy.

They are not always comfortable sharing feelings. They are protective and dominating in a parental way and often struggle psychologically with the voice of an internalised critical parent.

Persons born under Imix can be assertive and even aggressive in some ways. Many feel rejected by their families or parents, and in compensation, seek group friendships that make up for this loss. Some become founders of businesses, organisations or associations. They relate to the world around them through their feelings and not their intellect. This causes them to be quite reactive to any changes taking place around them, and they often rush in to keep the "dam from breaking", so to speak. This reactive nature is probably behind their tendency to initiate activities.

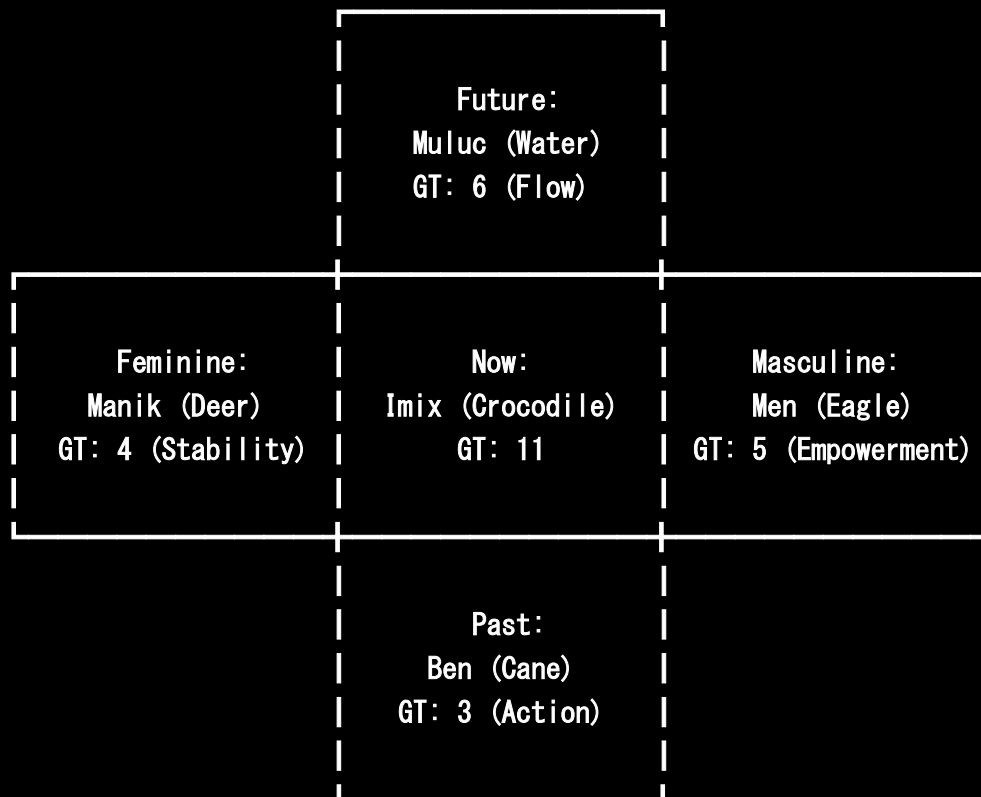

They are often found breaking new ground or starting projects from scratch. When motivated, the Imix type will work incessantly until emotional security has been restored and stabilised. When they do achieve emotional security, however, they may become extremely lazy and even lethargic.

Challenge:

To accept themselves completely and to become free from feelings of rejection by parents or other authority figures; to join with others on terms that are shared by the others; to refrain from being judgmental.

Solution:

Founding a business or creating a home. Learning to be independent.

Four Directions

At the beginning of any phase of consciousness, the ego or sense of individuality is still weak. Not yet fully separated from the deep waters of the collective mind, this emerging ego or self-consciousness is easily influenced by the prevailing spirit of the times.

Because the Imix represents that primordial energy that sleeps at the base of all things, those who were born under Imix power may find that their feelings for dreams, magic, and mystery is a great deal stronger than their sense of self or individuality.

The Maya say that Imix are "easily dominated by the Year Lord" - which means that they are easily influenced by the spirit of the times, in the form of every type of stimulus or media imagery around them.

Sometimes this domination by the time spirit may be beneficial, for Imix may become positive carriers for all that is best in the time spirit.

This is why The Book of Chilam Balam of Kaua calls them "the maize of the bread", the substance of the matter.

Imix can easily reflect everything that is valuable in the spirit of the society in which they live. This is especially true when they draw on their strong, positive family or

ancestral/cultural roots, represented by Ben, their past sign.

The same positive spirit will manifest itself when they call upon Men, their right hand power, in order to act with strength and purpose in the outside world and increase their own sense of prosperity and authority.

They can also draw upon Manik, an equally intense but somewhat more mystical and mysterious (let's say intuitive) source of energy that constitutes their Left Hand Power. While the primal Imix can reflect what is best in society, it can also reflect what is worst. Fascinated by the magic play of images arising from the collective mind (movies, TV, and advertising in our own culture), they may easily be drawn into a psychic dreamworld. They are all too likely to get lost and drown in the depths - their future sign is Muluc, a notoriously difficult sign that points to immersion.

In many cases, only a sense of dedication towards the spiritual side of life will keep the Imix from slipping back into the primordial depths; if they make proper use of the strong positive forces which lie to their right and left and that are represented by Men and Manik.

Imix can learn to reflect the beauty and splendour that shine in that otherworldly lake where the primal crocodile (Imix) swims. In doing so, they can reach the most positive destiny implied by the day-sign Muluc that of the poet and mystic who reflects the pure and untroubled surface of the watery Muluc's cosmic depths.

Galactic Tone: 11

(mymayansign.com:)

Resolution

- * Potential
- * Change
- * Connection
- * Resolution
- * Progress

Tone 11 is identified by change and maybe sometimes too much of it. Change must occur for new ideas to give fruit. Tone 10 is about the materialization of what was once a dream. However, the evolution has not yet come to perfection. Your purpose is to bring the change and resolution, opening up new space for the evolution to continue.

Trecena Sign: Monkey

/ Chuen (Yucatan) / B'atz (Kiche)

Beneath the 1-Chuen surface personality is a strong need to be in the limelight, or at

least to gain the attention of the public.

People born in this trecena are instinctively attracted to activities like teaching, performance, and presentations of all kinds.

They love to play and usually have several hobbies in which they engage when they are not working.

Night Lord: 6

Persons born under G6 Night Lord seem to be self-controlled, practical, traditional, and markedly entrepreneurial. They often create a self-sufficient kind of lifestyle or career and may be self-employed. They have a strong desire to build things and are very hard workers.

Their work is rarely of a solitary nature; more often than not, they deal directly with the public, perhaps as a consultant or counsellor.

They take responsibility for themselves and are very self-reliant, but this makes other people less important for them in the process of achieving happiness.

They are strongly motivated by fame and worldly success, and they hold themselves to high standards of performance. They are driven to success in the world because they strive to be accepted by others. Their drive for independence and approval is part of a quest for self-worth.

This inner insecurity is their dark side, and they need to ask why they drive themselves so hard. They are sensitive to the rhythms and nuances of life and may develop a special interest in and respect for the feminine side of life.

Overall, however, their intentions are good and others recognise this fact.

I'm personally theorizing that these night lords are simply the same energies as the 9 main objects (separate from the Sun) conjunct the Sun.

This one would be Saturn conjunct the Sun.

Celtic (Druid) Tree Sign

The year is split into different periods. Usually, one tree is at two separate periods about

6 months apart. Except for when the equinoxes happen (every 21st of every 4 months), then there is a special tree for that. To find the right archetype for this divination, you have to know if you were born late or early.

(Note:) Celtic Druids did not determine Sign based on the actual date of birth but rather by the **date of conception**. For example, if you were born three weeks before the scheduled date, you need to add these three weeks to the actual date of birth, in order to figure out the appropriate Sign.

I also read somewhere that the tree (or variant) has to be naturally available in your area.

Hornbeam Tree

Strong keywords: Responsibility, Diligence, Honesty

Weak keywords: Indecision, Mistrust

Tree variants: Plane tree

Birthday:

31 May – 10 June

1 December – 10 December

Characteristics and Personality

People born under the rule of Hornbeam do great in professions such as bank clerks or civil servants, or in military and police functions. They have a great sense of order, responsibility and justice. It is easy for them to conform to a set system or order and they like to ensure strict adherence to laws and generally accepted rules. They try to be honest and fair under any circumstances. They are never sloppy and they never try to avoid challenges.

However, from their honest approach to the fulfilment of their obligations streams their indecision and lack of initiative, often because they are afraid that they will make wrong decisions. Hornbeam people do not like to leave the beaten track and proven methods. In the company of others they are nice and pleasant people who never behave inappropriately. They are slowed down by their deeply rooted distrust of people they will never completely get rid of and that makes their lives difficult.

Disciplined and hardworking Hornbeam people always appreciate when they are valued

for what they do. Moral recognition is more important to them than financial rewards. That is why they are often ambitious, have a desire for glory and the need to build a career. The success of others sometimes provokes envy in them, which they cannot hide very well. In their love life they always want to experience something big and unusual. They always feel very pleased when the opposite sex shows interest in them. When they get married, they are usually loyal because the marriage promise and generally accepted social rules are almost sacred to them.

Hornbeam people have great dreams - whether they are personal, artistic, career or fame - and they often escape from reality and daydream. There is often a striking difference between the reality and the life they dream about. Many Hornbeam people use their dreams to create music or pieces of art, and there are many people with artistic talents among them. If their artistic talent is combined with their proverbial diligence and self-discipline, it is no wonder that we find many famous composers among them.

What follows on the next page is the correct Natal Chart using the Usha/Shashi-Ayanāṁśa, and the 'whole house'-system. For simplicities sake, we could call that chart the "Transit(ory)-chart". Then to get the Chart that WILL SHINE through this document, we apply the 322th Harmonic to that (the right ascension values (Zodiac) are telling of the 322th Harmonic Version chart). Thus, both are needed to understand the self: One is fixed but constantly interacting with other fixed charts and the other constantly interacts with the Transiting planets. If you find yourself on that quest to understand yourself, it would be suggested to include declination as well as all the other divination techniques, such as numerology, and cartomancy, etc., up to the most seemingly insignificant part of the whole, like midpoints, or antiscia-aspects, in the whole picture. Understanding yourself better in respect to everything else has become very possible - and people might soon say even too easy - when the energetically encoded laws taken affect on our reality are understood.

rich because this makes them feel secure and important.

It's essential for these people to take care of as many financial activities as possible as they're really talented when it comes to the material side of life and can be really successful with business.

These people will become financially independent from a very young age because the Sun's position in the 2nd house helps them a lot in this direction. But they are not the type to save money as they really take pleasure in everything life has to offer and love high-quality things.

Summary:

Strengths: Sensual, intuitive and witty;

Challenges: Possessive and somewhat controlling;

Advice: They shouldn't let their pride cloud their judgment.

Self-confident charmers

Sun in 2nd house people are very proud of how much money they've managed to make and need to feel financially secure.

They're always keeping their word and don't make empty promises, but the fact that they identify themselves with their possessions can't be too beneficial for them.

It's important for these natives to appreciate the value of people and relationships, not only the one of wealth. They should be proud of their family and friends because dreaming only of materials can really distort their view on life.

Individuals having this placement are usually spending their money just to feel better when depressed because going to the mall and using their credit cards to buy all sort of expensive things makes them happy, even if for a short period of time and afterwards gives them a feeling of guilt.

As soon as they'll realize everything that they bought is not that useful and that their pockets are empty, they will start to feel even more depressed than they used to.

But they won't stop from spending all over again, so this cycle can't be interrupted and no one can tell them anything about it because they'd get angry.

Not to mention how much they enjoy showing off their possessions and letting others know they're the only ones who have unique things they're not even using.

The aspects influencing their Sun position in the 2nd house can have other people taking advantage of them because they don't hesitate to let everyone know how much they have and that they're willing to help.

The items they're buying will always be extravagant as they like keeping up appearances and are very worried about what others think of them. Being a source of heat and energy, the Sun makes people having it in their 2nd house focus a lot on wealth.

Also ruling over family, speech and the right side of the head, this house is the home of Venus, which is the Sun's enemy.

They're usually lucky enough to get born in influential families of politicians or successful business people, being taught what compassion and generosity means ever since children.

But the same position of the Sun makes them egotistical, too self-confident and having many other personality issues that make others turn against them. Their ego can influence them to all the time argue with their family.

Because the 2nd house is mostly about wealth, they will mainly focus on obtaining financial security and materialistic pleasures. It's possible they'll have health problems with their eyes and some sort of speech impairment.

They may get married more than once but only because they're unlucky in love, not because they're in any way bad as spouses. These natives may be spoiled and rely a lot on their father for money because this is what they used to do in their childhood and their financial education has failed them.

All individuals having Sun in 2nd house will focus on their immediate needs and enjoy the good life while also stressing about stability.

That's why they have to always be on secure territories and to be around people they emotionally trust.

These individuals instinctively want to be part of a clan and to lead, but not by being authoritative as their nature is optimistic, generous and possessive.

The positives

The main purpose in life for Sun in 2nd house individuals should be appreciating true value and putting their talent to work.

They function best when having a steady rhythm of development and have the opportunity to work hard for long-lasting and highly appreciated results.

As soon as they've found a profession to help them become better as human beings, they become more than happy to pursue it.

Because they're sensual and love everything that's beautiful, they feel perfectly in nature and when doing what brings them pleasure.

There's a risk for them to identify themselves with their possessions and bank accounts, but at least naturalness and simplicity dominates their existence.

These natives need to feel secure and are very generous with anyone who happens to be in their life.

Kind and open, they should learn how to exploit these traits more and to be less obsessed with money because giving their everything for wealth only can be a very dangerous thing.

It's challenging for people having their Sun in the 2nd house to use their talents and not think of how much they're getting from this.

But if mature and wise enough, they can focus only on how to be more productive and at the same time giving. This position makes them courageous, noble and strong. These traits will be within themselves and mainly focused on establishing a secure and wealthy life that they can enjoy with their loved ones.

As a matter of fact, natives with this placement can make financial security their main goal. But they should learn that no one can offer it to them and that they're the only ones to get it for themselves.

When people having their Sun in the second house are pursuing a goal, they usually manage to attain it, no matter how much others have opposed them. Proud and stubborn, many of their traits belong to the Taurus, which the sign occupying the 2nd house.

The negatives

While Sun in 2nd house individuals put a high price on financial security, they should be careful not to become too materialistic.

Good leaders, it's important they take some risks when required to because they have the tendency to overindulge and become complacent in a comfortable situation, refusing to expand their horizons.

The lesson on how money should be spent needs to be taught to them every month as they tend to spend everything they have in just one shopping session.

Their money should also be given to others because the favor may be returned and they'd never know when one of their friends can give them a hand with something very

important.

However, people with the Sun in the 2nd house are usually generous, so they shouldn't worry they haven't given others a hand when supposed to.

When the Sun is in an afflicted position in their 2nd house, they'll think only wealth can make them seem important in the eyes of others, and not in any way their actions.

Therefore, it's very likely they'll do anything for money as their ego will be satisfied only when they have many possessions.

Very possessive and dependent on their loved ones, these people can be too clingy with many of the people in their life. It's important Sun in 2nd house individuals determine what real value is when very young.

If they ignore this, it's possible for them to end up being too egotistical and thinking money can solve any problem.

Giving too much importance to possessions is never healthy because other people value different things. The more these people will determine what true value is, the more they'll have a well-established identity that's conditioned by nothing and no one.

Moon ☾ in XI 11th House

([882] i.thehoroscope.co)

People with the Moon in the 11th House can achieve great things in their lives.

The 11th House rules over friendship, making the natives of this placement very needy when it comes to the support of their friends. People having Moon in 11th House are very helpful and, just like the Moon has an effect on the sea and changes its tides, it also influences them to be quite unstable emotionally.

Full of dreams and possessing a good heart, they can change their objectives according to their moods, so it's very unlikely their goals will be attained too soon. Very good friends with those who are their family, their connections are the strongest with individuals who think the same as them.

It's essential for these to form relationships with other people besides their family. When

it comes to their interactions, these can be intuitive and built on charm. However, they can attract sad and moody individuals, or people who are not at all reliable, this causing them to be involved in all sort of scandals.

Summary:

Strengths: Friendly, creative and idealistic;

Challenges: Changeable and distracted;

Advice: Work more in collaboration with others.

Acting quite sentimentally

The Moon's position in the 11th House indicates its natives need to belong with someone and to be supported by the members of the groups to which they belong.

They don't mind giving all of their help and couldn't stand not having any social life at all or their friends to change all the time. This can have them emotionally agitated and unstable in their relationships, going through subsided feelings for those around them.

Their dreams and goals are big, because they have high hopes for their future. Most of the Moon in eleventh House people are generous and kind, but very changeable when it comes to their objectives and moods. This means it can be difficult for them to work towards a specific goal and to fulfill their dreams.

The more they're involved in groups and all sort of activities with other people, the more they feel emotionally fulfilled. Their friends are very important to them, and they're usually best friends with people in their family and those who are always sharing their way of thinking.

However, they should have other individuals in their life besides their relatives. With the Moon in this position, they will have many members of the opposite sex close to them.

As a matter of fact, they are ruled by a feminine energy, acting rather sentimentally in all kind of situations, especially when having to deal with others.

When the Moon is in negative aspects, too many emotions can get involved and disturb the relationships of the ones it influences. Therefore, the natives with this in their natal chart can have many conflicts with others and especially women or witness many tensions between ladies.

If the Moon is afflicted, their reactions can be hysterical and their emotional outbursts exaggerated. But they usually immediately forget such moods because the Moon changes its cycles very often.

For the same reason, Moon in 11th House people may make new friends very often, because the Moon brings more and more people in their life.

Their old acquaintances will disappear from their life according to how the Moon changes its cycles, but no matter what, they will always be enthusiastic when dealing with new friends, forgetting about what happened with others.

They mostly rely on their intuition when choosing whom to spend their time with, and their intense emotions will disappear as soon as they get used more to a person. However, many Moon in eleventh House people can also revive their old friendships very easily, which may seem strange for others.

No matter what, they would hate being lonely and spending their time inside, this being one of the main reasons for their depression.

What they need the most is to be surrounded by people, and when they're Moon Scorpios or have a conjunction with Pluto, they may even suck on the energies of the groups they belong to.

They would obviously do this unconsciously, others being confused and wondering why they no longer have any energy left after meeting with other Moon in 11th House individuals.

Because they can be easily impressed, they should be very careful when choosing their friends or business associates. Also, they should avoid being very dependent on always getting approval from their close ones.

Other aspects and placements of planets or signs can change all these things more or less, but things will be pretty similar with all the natives having Moon in the eleventh sign.

If the position of the Moon is afflicted, they may have conflicts with their mother when discussing things relating to the eleventh House. It's normal for them to associate their lady friends with their caretakers and treat them as such.

The influence of the people in their life can be either positive or negative, because some of their acquaintances can't be in any way trustworthy or not at all as close as they would want them to be to the idea of friendship.

It's also possible for many of their friends to be changeable or to not appreciate and care about them in any way.

The unconventional types

When not around people they know, Moon in 11th House people feel lost and truly upset because their security is established by their relationships and also because they feel warmer when in the company by others. For men, women friends are something normal

because they can get along with anyone.

One good thing about the way they are is they can get together with very influential people who help them succeed and achieve great things in their career.

In case they have some insecurities inside their mind, they will identify themselves as much as possible with the group of which they're a member, losing all of the identity they may have left. It's possible for them to give in to peer pressure because they simply can't go against their friends as if these are their family.

Natives having Moon in the eleventh House are very interested in fitting in and have a need to be a part of a collective. When people reject them, they start to feel depressed and no longer want to hear about anyone and anything. It's normal for them to feel alone sometimes, no matter how many people surround them.

That's why they may not conform to social norms and practice the unconventional type that characterizes their Moon sign.

Moon in 11th House individuals may surprise others with how controversial they are, puzzling and making them shake their head in disapproval when doing something out of the ordinary. This is why they may feel like they're not actually fitting in and that no one understands them.

But this can also make them extremely free, as the Moon in this placement influences these natives to be very independent anyway. These individuals can deal with what their Moon needs without caring what others think of them.

While they express the energy of the Moon and never judge what it's asking of them, they can be so uncaring that they don't even realize how they're being influenced by it.

When making friends, they always rely on intuition and avoid being alone as much as possible. They will always approach those who feel left out and haven't been accepted in groups. As a matter of fact, the more rejected a person, the more interesting he or she will seem to them.

It wouldn't matter what culture others would belong to, or what language these will speak, they will befriend them and come up with many ideas on how to spend some quality time. Their personal lives are private, and what they're doing alone will be kept a secret.

They can look beyond what most people see, peer into the profundity of the analyzed object, see the details, learn about their structure, organize and arrange all the data, make valuable appreciations based on these details.

This attention for the small things spreads in their personal lives as well, and knowing that they care about health and hygiene, guess what happens?

That's right, they obsess about the smallest hints of sickness. Nervousness and irritation get to them faster than stress and tension from overworking.

The positives

What's good, splendid even, is that these Mercury in 6th house natives work a lot, and this is an understatement. They are literally one of the most responsible and hardworking natives of the entire zodiac.

They will never abandon or fall due to pressure, but instead, they will struggle, analyze, organize, and finally finish their assignments.

However, this takes quite a lot of time and energy which could have been used to go out, have fun, enjoy life.

Their friends miss them quite a lot. Social problems will appear, but their creative and adaptative personalities will find solutions to this as well.

Their professional expertise is based on this ability to analyze and organize data, to acquire information and knowledge in the quickest and most efficient way.

Intellectually, there can't be anyone smarter or more in-synch with their intuition and

reason than these natives. It's very useful that they have a mathematical intelligence, one that creates logical connections between elements, thus making it easier to work with them.

Moreover, the Mercury in 6th house natives are very good communicators as well, able to share complex ideas with ease. However, they are much more suited in a challenging and fast-paced environment where one has to make decisions on the fly.

Actually, the most problems that they struggle with are those coming from their own inner conflicts and inadequacies, all the packed-up unnecessary clutter and the tension.

They have to take a step back, leave everything as is, forget about work, about responsibilities and obligations, and just take some time off, relax and find some comfort in the idea that everyone needs rest from time to time.

They are good people with good hearts, smart and intelligent, ambitious and perseverant, so everything will play out just fine in the end.

The negatives

What happens is that Mercury in the 6th house natives often concentrate too hard on achieving perfection, the best results, doing everything as good as possible, and this leads to long-term unhappiness, dissatisfaction.

Sure, people do appreciate their efforts and perseverance, but when it truly comes to the matter at hand, to what it really matters, this pales in comparison to their own mental stability and fulfillment.

It might be satisfying to have their efforts validated and to be appreciated, but knowing when to stop and spend some time with family and friends is equally, if not more important.

They should learn to speak about their problems, share their griefs and sadness to people who can understand and support them.

By being so obsessed and focused on doing a perfect job, they will open themselves to emotional instability, unhappiness, depression, and massive confusion.

This doesn't only make it harder and harder to lead a healthy lifestyle but it also affects their professional productivity. They need to think about themselves as well, about all the pressure that they're shouldering, a self-made choice.

They're going to start researching how they can develop their bodies, increase their stress tolerance, learn everything they can about how the human mind works, and how to best use it.

Paranoia, incessant worrying and overthinking, hypochondria, unreasonable uncertainties and anxieties, unnecessary stressing and the freaky obsession with hygiene and cleaning.

These are the most basic problems that they will have to deal with. The 6th house Mercury natives have a lot of working to do on themselves, to refurbish their entire inner world in order to reach a satisfactory level, to dispense with all the future problems, all the stress, and fears.

Venus ♀ in ♈ Aries man 16° 28'

([921] i.thehoroscope.co)

He likes to be the one who inspires people to get out of their comfort zone.

The Venus in Aries man is the hunter of the zodiac, always on the prowl, looking for the next prey. When he falls in love, he expects the target to fight for her independence, to struggle against his advances, to not give up easily.

Only that would satisfy his desires, his need for adrenaline and the need to assert his dominance. Nothing stands in the way of his boldness and supreme confidence.

He wants to get physical right from the beginning, so don't even think that you can keep him at a distance and still have him interested. Moreover, he wants his partner to be independent, to have her own plans, and not depend on him for living her life.

In a nutshell:

Positives: Straightforward and confident;

Negatives: Self-indulgent and vague;

Soulmate: Someone who is very honest and reliable;

Life lesson: Taking less risks and being kinder to himself.

His love personalityHis love personality

The Venus in Aries man is attracted by a direct, straightforward and confident woman who isn't afraid to say what she wants, to express her feelings, and to grab a hold of her potential.

He doesn't want someone who's anxious, highly emotive, afraid to speak her mind, and introverted. That would only bore him out of his mind and ultimately drive him away.

He's a fan of risky endeavors and dangerous adventures. He would never say no to such an opportunity because he knows what he wants from life.

In a relationship, he will assert his desires and expectations, while also going straight toward the point, asking for what's necessary to satisfy him.

He needs action, dynamic events, to go and take what's his, to release all his energy outward, and this may present itself as a healthy form of romance in a relationship.

This man wants to feel the rush of adrenaline course through his veins, to feel like the world ends if he doesn't react fast enough.

Everything must be pushed to the limits of the extreme, to the verges of possibility, in order for him to feel satisfied. Emotions, feelings, all are passionate and intense, and the routine is perceived as the enemy of life.

He's just like rocket fuel – an incredibly fast-paced start, followed by the most incredible course ever taken, with plenty of spontaneous and over-the-top reaction, just to deflate faster than a stung balloon.

He likes to be the one who inspires people to get out of their comfort zone, and in a relationship, he'll be romantic, incredibly affectionate, open-minded, and initiate energetic adventures to spice things up.

What this means is that once he's started something, he won't automatically take it all to an end. In fact, chances are he's never going to finish, just wave his hands in the air like a lunatic, in the beginning, appear extremely intrigued by this, but then quickly lose their interest.

He's a very competitive partner and likes challenging bouts, debates, and arguments. He feels alive doing these things, being the one who takes the initiative, the one who takes the relationship to a new level, and also the one who leaves, if it comes to that.

Now, for his tastes, they are pretty simple, actually. It's not about physical attractiveness or the way she dresses specifically, it's just that she has to have a strong personality, go against his wishes if it comes to that, and never abandon her principles.

One of the problems this native has is that he doesn't really think things through, and he only ever thinks about the excitement and enthusiasm of stalking and seducing his prey.

When it all becomes normal, comfortable, and his lover starts getting used to his

advances, then the Venus in Aries man gets bored and starts looking for entertainment once again.

What makes it even more complicated for the Venus in Aries man to have a peaceful relationship is that he can feel insulted very quickly.

He takes a lot of things personally, even though they were just said in the middle of a debate or in a heated discussion.

He really cannot hold his pants when his girl says something that he can interpret as an insult, and this is one of the reasons why he usually doesn't stay for too long in such a relationship. Immaturity is one of the reasons why he's so quick-tempered and has a flimsy ego.

Attracted by ...

The Venus in Aries man is very intrigued by a girl who knows what she wants, and who puts everything away as she goes to fulfill her dreams.

Lively, outgoing, energetic, and very intense, this is what he wants from his dream girl. It would be good if she practiced sports or if he had a very healthy lifestyle in general.

This means that she cares about her own looks and general wellbeing and that she's not lazy. What's more, he wouldn't mind even if she were to take the lead in the relationship, as long as she makes the right decisions. He enjoys having a strong woman at his side, and you would do better to show that to him.

The man born with Venus in Aries needs constant challenges in his life, whether we're talking about his professional life, day-to-day chores, or his romantic life.

He needs to be pushed, to be at the edge of his seat, to see that there is someone better than him.

This incentivizes him greatly and makes him wish for more, to overcome his limitations.

In a relationship, he wants to keep it alive, to go straight for the kill every time, never to hesitate or to wait for the right moment.

There is only one life, and you have to live it fully. He appreciates a straightforward and honest partner who doesn't beat around the bush.

In conclusion

This man likes his woman direct, bold, and confident enough to make the first move and not feel sorry about it. He wants her to be dominant, to push away all the uncertainties and just do it.

If she gets all physical, that's going to drive him crazy with intrigue and anticipation, so think about that for a second. Surely you can grab the courage to give him a soft kiss next time you see him, just to incentivize him further.

About the Venus in Aries man himself, he is a very energetic and enthusiastic native brimming with confidence and vitality.

Naturally, his partner will feel all this energy unfolding right before her eyes, and it's impossible that she doesn't get affected by it. He will turn your fears into confidence, and he will support you even when no one else believes you can do it.

With this much impetus and determination at his disposal, it's really a surprise that he's not blogging about how man achieve whatever he wants as long as he so much as desires it.

What he needs to learn is that his partner also has his desires, wishes, likes and dislikes, her own opinions that he would do better to respect.

We all know he's dominative and fierce, but not everyone can run at the same distance as him, so do be careful when setting expectations.

Venus ♀ - Detriment in Aries (& Scorpio)

([871] southfloridaastrologer.com:) A restricted expression of sensuality and beauty is experienced when Venus is in Aries or Scorpio. Aries and Scorpio's need to exert their will and gain power are opposite Venus' need to be polite, sensual and enjoy beauty.

Mars ♂ in ♊ Gemini man 5° 0'

([961] i.thehoroscope.co)

He may often find himself troubled by the excessive energy coursing through his veins.

The Mars in Gemini man loves to play with the mind of his loved ones, but not in a manipulative, mocking way. Instead, he likes to put them to the test, to see how they can face up against his mind-twisting wordplays.

He's an intelligent individual who just can't get enough of exploring the world. He's curious, skeptical, rational, and he won't back off from an interesting conversation. Rather, he's the one starting them.

In a nutshell:

Positives: Free-spirited and easy-going;

Negatives: Skeptical and contradictory;

Soulmate: Someone who is mysterious and challenging;

Life lesson: Avoiding to leave things only half-completed.

A penchant for mind games

This man is very amusing, witty, with a startling panache for putting his interlocutors in intellectual deadlocks. He just can't get enough of it.

Free-spirited and with an expansive mind, he will flirt with any woman as long as he's intrigued enough. Their style is very subjective, flexible, fitting with their adaptive personality. He can do any style, depending on the type of social context he's going at.

Moreover, he can be extremely persuasive and good with words when he's put in situations that he must deflate quickly.

Against his opponents, he will often try to put them down with mind games and psychological tricks before resorting to anything else.

Of course, there are also those who won't be tricked by such simple tricks that they're putting forward, and these enemies are those who can match them intellectually.

The Mars in Gemini man is always troubled by his excessive energy coursing through his veins. He feels the need to be intellectually stimulated, to keep himself occupied with challenging interest, and this also means that once something turns into routine, he'll be appalled and become disinterested.

This is why most of his projects will only go completed half-way, with the rest being suspended for an unknown time. One singular focus would kill him. He needs diversity, many simultaneous points of interest, each with its own level of difficulty, to really satisfy his needs.

Multi-tasking is how he finds fulfillment. He's extremely able and dexterous, nimble with doing the more detailed things that other people would throw a fit over.

They can be very contradictory at times because Mars' combative influence gets them going at times when their natural disposition would choose another way to go.

They could, for example, choose to act with a strong impetus instead of trying to talk their ways out, and the other way around, in totally incompatible situations. Moreover, their logical and rational mindset often gets in the way of how they express their emotions.

Thorough analysis is needed, and you'll often see them space out at times, probably thinking about how they should react.

Fun fact – because they are so observant and meticulous, they can be the best sportsmen because they will literally study every little aspect and technique in order to perfect themselves.

Quite a joyful lover

The native born with Mars in Gemini tends to be a complete mess in his younger years, at least in terms of love. He's moving from relationship to relationship, not really knowing what he's looking for.

Uncertain, with a visceral hate for organization and structure, he won't be able to always reach his goals because he abandons them half-way.

However, all these intellectual comings and goings will eventually turn into a very beneficial thing for him because he'll accumulate plenty of knowledge, focus on a specific interest that he'll later get to turn in a lucrative profession.

As for his ideal partner, that remains a mystery for most of the time. It's going to be someone who can take his intellectual mind games and retort in her own way, that much is sure.

His endless energy can only be exhausted one way, and that is intellectual activity, more specifically by discussions and debates.

If you see them constantly bringing up a topic, you'd better realize right then and there that they are very prepared to take out their colossal amount of knowledge and beat you

with it. They can get very ecstatic and giddy about this sort of things.

They are tensed and agitated, always looking for something to do. Their passion and intensity manifest in the most surprising of ways, certainly not in a violent way, but a free-spirited and cool manner.

Intimately, he can be a very joyful man, always willing to try something to spice things up, but you can really turn him on with kinky words as well. Seduce him with honesty and romanticism, and you'll have a loving partner for life.

However, his levels of honesty and directness aren't welcomed by many women. This is why he's become apprehensive to keep silent about certain things.

He can be very uncertain about the course that he wants to choose for the relationship, so expect a sudden change of perspective with him.

One of the ways in which you can know for sure this native is serious about you is noticing how much time he's willing to invest.

Also, you should know that he's a casual flirter, and he won't resist the temptation to get close to other women, just for the fun of it.

In conclusion

He is a very active and multifaceted individual who is both spontaneous and bright-looking. Optimism is his middle name, and he won't ever despair over spilled milk.

Rather, he's going to move forward and try to overcome the challenge (by talking his way out of it, most of the time). He's a talkative character, and this is an underestimation. He can literally talk his enemies to death.

He might have strong principles that he'll want to uphold for the rest of his life. He's both socially active and communicative, respectful to women, and diplomatic. You won't ever have to complain about him making a scene in public.

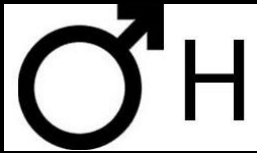

If he seems to be uncertain and apprehensive about moving forward with the relationship, it's not an illusion, he really is unsure.

He first wants to know that you won't just up and go at the first sign of danger or that you would be scared of his inner thoughts and emotions. First get to know him, and then he'll open more to you, gradually.

He's a multi-tasker, an erudite, someone with eclectic interests who just can't focus on one single goal at a time. He needs activity, multiple activities to take part in, group projects, hobbies, passions, and so on.

However, he must really learn to complete his tasks once he starts them. The tendency to leave them like that will be a huge disadvantage in the future.

Mars ♂ in VII 7th House

([987] i.thehoroscope.co)

People with Mars in the 7th House need to be stimulated and are quite argumentative at times, although their intentions are in no way bad on those occasions.

Individuals having Mars in 7th House are very independent and do things only their way. They should learn diplomacy and how to not offend everyone, because they really don't know how to cooperate with others.

They love being in a relationship, because this really prompts them to be more active. They want an energetic lover who can help them deal with the difficulties in their life, challenge them to keep going, support them when in need and compete with them in order to make things exciting.

Because they have a lot of romantic energy, it's important for these natives to learn how to channel their forces in a constructive direction. The fact that they want to compete with their lover could, for example, be used when dealing with other people.

Summary:

Strengths: Genuine, dynamic and elegant;

Challenges: Argumentative and impulsive;

Advice: Try to put personal priorities first as well.

Optimistic and charming

Mars in 7th House people may be a little bit tense sometimes, but you can be sure they will always come up with creative ideas and have a lot of energy.

They really like being challenged, so keeping their life active is the only way for them to be happy. It's normal for these people to provoke others just to see their reaction.

It's difficult for them to cooperate with others because they simply can't compromise, no matter if they're contradicting with their other half or their parents, or if peace could be brought to a fiery discussion.

If they don't struggle to change all this and understand how the misaligned energy of Mars works, they'll continue to be aggressive and domineering.

They only analyze themselves when involved in a relationship or when interacting one-on-one. These natives may start many conflicts when married, because they like their partner to be opinionated and their energy is very conflicting.

This is also one of the reasons why they find it difficult to work in teams, coupled with the fact that they always want to be the leaders.

Being less straightforward and a little bit more charming would really help them, while some compromises would make their life sweeter than sugar. When being so confrontational, they can attract many enemies and offend people they truly care about.

It wouldn't matter how devoted and hardworking they'd be when it comes to relationships, these could still get easily destroyed with a wrong word. When marrying, they do it for a lifetime and are the most supportive spouses or even friends.

Mars in seventh House individuals have the planet of war in the House of partnerships. That's why they may focus only on themselves and not care about what others think or want.

However, they will still invest a lot of their time and energy into their relationships, no matter how much they're arguing with their friends or partners.

Because they're very independent and eager to lead, many may not understand who they really are. As said before, they should try and be more charming and less tactful. Always wanting to fight is not at all in their advantage, so a little bit of diplomacy would only do them good.

When in love, they're more into the chase than into what this game brings them in the end. Supporting fair play and eager to always take action, they're not in any way depressed when losing a fight.

It's very likely they'll marry someone optimistic, energetic, independent, bold and capable of standing on his or her own two feet. It's like they're looking for someone who can play hero for them. Mars makes natives with this planet in the 7th House very passionate and devoted when it comes to love.

Their partner can trust them to be loyal and faithful for a lifetime, because they love playing the hero and remaining true to those they love the most.

However, the position of Mars in the 7th House may create some problems for their

marriage and business relationships, because it makes them impulsive and a little bit violent.

They will probably marry very young and in a rush, so the chances for tension to appear between them and their spouse are very high. The same placement makes them very good salespeople and marketers, because they really love to compete.

If they choose a profession in one of these fields, they will most likely deal with the most difficult situations early in their career. As they always want to be first, their success is almost guaranteed.

Practical aspects

Very sexual and energetic, Mars in 7th House natives seem to never stop after they get started. That's why they need a challenging partner who can stand his or her ground.

Loving conflict, these people will always try to argue with their friends and lover, showing their aggressive side. If they want a more peaceful and harmonious life, they have to compromise more, because it's normal for them to just start fighting instead of carefully listening to what others may have to say.

The energy of Mars is very intense in them, so they need stimulation and to have small quarrels all the time. The type of people who just agree bore them to death, because they want to be contradicted and presented strong arguments they can attack. Those who can't stand up for themselves will never have these natives' respect.

Their personal relationships will all be with people they have had big arguments as this is the way they make friends. Not at all empathetic or able to see situations from another point of view than their own, Mars in 7th House people simply refuse to think there are alternatives to what they want.

They're very attracted by natives who have a strong Aries or Mars influence in their birth chart. Their attitude makes them great military employees, so it's not impossible for many of them to wear a uniform, be it of army, law enforcement or the fire department.

They immediately become angry when provoked, having a solid figure that seems to never put on too much weight. Many people will be attracted to the way they look and the sex appeal they exude.

When meeting a person as sexual as them, they become blindly in love and start dreaming only of making love with that person.

If were in a too harmonious marriage, they would think that something is wrong. Some of them will look for a partner who's their opposite and just go with the flow of the relationship.

If Mars is in good aspects, they'll most likely be sports people or have hobbies that require them to get physically engaged. The thing is, they need to somehow use their Mars' energy and do something constructive.

They will travel everywhere with their partner, do skydiving or ocean diving to study strange species of fish. While competing with their other half, they will still love sincerely and work hard for their marriage or relationship to work.

The downsides

Individuals with Mars in the 7th House are made very aggressive by this planet. They can insist on the same matter forever and can't seem to keep it together when annoyed.

Learning how to relax and no longer looking to argue with their partner would make their life more peaceful and harmonious. Slowing down and not rushing to fight can make them happier and more appreciated by others.

If they're always excited with contradictions, their lover may want to run away from them.

Relaxing and enjoying the little moments of rest would make their partner love them more and they'd no longer be so stressed about a very possible break up.

Mars is considered the planet of mischievous actions and aggressiveness. When in a negative aspect, it makes the natives having it in the seventh House very tense regardless the situation they may be involved in.

When in the House of marriage, expect natives with this placement to have real problems with their spouses. But no matter the aspects of Mars, people having this planet in their 7th House will always want a partner to compete with.

Passive individuals bore them, as they're looking for someone who always has a story and is ready for a fight at 2 am in the morning. Of course, people can be different, and things are not necessarily the same with every personality, but Mars' influence is always strong, so discovering it may require a lot of passion and patience.

Mars in the 7th House in a nutshell

One thing is sure: individuals having Mars in the 7th House need to learn what compromise is, because they're desperate to get involved in conflicts and are continuously looking to pick up a fight.

Their friends and family may not agree with all of this, so they risk losing people who love them if they keep looking for arguments everywhere.

It's very possible they'll end up without any help from others because of their attitude.

The world doesn't revolve around them, so challenges are a means of self-improvement, not of finding reasons for arguing.

Getting busy may help them forget all about wanting conflict in their life. It's suggested they listen to what others have to say before starting to argue. It can be very surprising for them to discover different solutions than their own are also very effective.

Being more open-minded can change their entire perspective on the world. They don't have to give up on their beliefs, but they can identify great opportunities by listening to others a little more.

Mars ♂ in Rx retrograde movement

[699] [920] ([699] mollysastrology.com:) Less competitive than usual Mars energy, and often in competition with themselves. Tends to internalize anger and leak it out rather than express it directly. Mars retrograde women often choose men who are dependent, troubled, irresponsible, or social misfits.

([920] cafeastrology.com:) There might often be roundabout ways of going after your desires. The desire nature runs deep, but is often misunderstood by others. Timing might often be off, or you could express your desires (or anger) in bursts rather than more flowingly, whereby you keep these things to yourself and let them build until you explode. You may come on too strong some of the time, and not enough at other times, often thinking of the better thing to say or do only later, when you're no longer under pressure. Competition can unnerve you, and you are usually better off setting your own pace than working by schedule or with others. You might come up with very creative ways of expressing yourself physically as you mature, or channel your energy into unusual but effective areas. (or because of the new chart from Saturn return)

Jupiter ♃ in ♒ Aquarius man 7° 49'

([1003] i.thehoroscope.co)

If you have Jupiter in Aquarius think more about how you can use your natural luck.

Those born with Jupiter in Aquarius in their natal chart hate being restricted because they like to live their life on the edge. They will be the center of attention in any group, challenging others to think outside the box.

The most rebellious in the zodiac, they are also open-minded and love to fight for causes that are more or less lost. They are the humanitarians and at the same time the underdogs who want to make the world a better place.

Because Jupiter is the planet of entrepreneurship and new beginnings, they could have their own business that also has a global mission. For example, they could run a shop with green energy items.

In a nutshell:

Style: Unique and sociable;

Top qualities: Broad-minded, progressive and witty;

Weaknesses: Stubborn and rather too direct;

The combination between Saturn and Pisces is quite interesting and has a powerful relationship with the human destiny.

Why? Because Saturn represents time and starting with this symbolism, it leads the person dominated by this planet to an awareness about their past, their present, and finally their future.

One thing that should worry you is your lack of confidence. You are really good at taking care of others and making them feel loved, but when it comes to the opposite, you have that old mentality thinking that you don't deserve so much love and attention.

This is not true, it is fine to involve yourself in social activities and help humans, but make sure that you are first helping yourself, and that you always work to fix your personal life issues.

Find a balance on these things and learn that sacrifice should be optional, and not the standard choice. You may also find that releasing yourself from imagined responsibilities will give you more breadth to dream higher.

If their parents didn't pay them enough attention when they were little, it's very likely Saturn in 4th house natives will want to compensate all this and act extremely caring with those who come into their life at a later age.

Always honest and wanting to discover the truth before anything else, these people will be very serious when it comes to saying what's in their mind and feel like it's their duty to always speak the truth.

Studying from far away, the 4th house rules over the neighborhood, the town and even the country from which people come.

When Saturn is here, individuals with this placement become very attached to their homeland and would never betray their country.

Also, they're all the time looking to live a complex inner life, so they need their own home, a place where to retreat from the world because having their own place is of utmost importance for their psyche, ever since children.

They may sometimes feel like it's a responsibility for them to take care of others, not at all an enjoyable thing done out of love. In case they've experienced abandonment when little, expect them to be very reserved as soon as out in the world.

They will also have problems determining who they really are and will refrain themselves from talking freely. However, if getting to know their inner world, you can discover amazing things about their personality or the way they're seeing life.

It's possible for them to never want any memory of their history and to change homes when feeling a place has brought a certain amount of pain in their life.

It's like their inner world is a deserted island that sometimes makes them feel invisible, cold and terrified of emotions.

Because they feel healed when at home, Saturn in 4th house people will always look to have a good domestic life that offers them the stability they so much need. Only those of them strongly influenced by Pluto, Uranus and Neptune won't be the same.

Some of them will try to live as far away from their parents as possible, others will find it difficult to stay for too long in the same place and change houses every few years.

But no matter what, what they've experienced in their childhood relating to family and home will always influence them in either a conscious or unconscious way.

Some of them will be defensive with all the new people in their life, others will want

whom they can't have.

The 4th house is also the home of the parent that is less domineering, those having Saturn here feeling like they weren't emotionally supported in their childhood by this person who raised them, in particular, no matter how much love and even money they have actually been offered.

As a matter of fact, this will give them determination to build a quiet and settled family life for themselves, one in which emotions aren't denied by anyone. It's normal for them to develop and work on their own psyche based on their ancestral background.

If Saturn is in the 4th house, all the natives with this placement find it the most challenging to interact with their own soul and emotions.

Cancer is the natural occupier of this house, being is a Water sign and a force when it comes to anything relating to the emotional side of people.

Therefore, Saturn in 4th house natives will always be able to feel what's wrong with their family, but they'll try to discipline feelings and set some limits when it comes to matters of the soul.

Their spouse and children will be the only ones in their life to truly drive them crazy, so they'll struggle to be as authoritative as possible with them.

They may need to go back to their roots and identify their own problems, but all in all, their domestic life will offer them a feeling of belonging, which is what they're craving all the time.

The goods and the bads

Saturn is the bully of the solar system, putting all kind of obstacles and limits, no matter where it may be placed in the birth chart.

When positioned in the 4th house of home, natives with this placement will feel unloved as children, no matter how affectionate their parents actually are.

They want their own family just to compensate for what they think have missed when little, so they'll look everywhere for a partner and the perfect place to settle.

These people are highly responsible and tend to impose all kind of rules on others. Most likely resentful of their own legacy and ties with ancestors, they also don't want to settle with someone until mature of age or even later.

The women in their life will be very important for them, but also the individuals who caused their problems to accentuate, or at least this is how they'd feel. It's difficult for

them to show their feelings and may protect themselves from all kind of motherly influences because they feel like this would bring them trouble.

Intimacy can be really adventurous for Saturn in 4th house natives because they don't want to seem vulnerable by opening up. However, they will still be realistic and realize at some point that relationships can't resist without a certain level of communication.

Seeming to not need to be anywhere else besides their home, comfort and security are the things they focus on most of their life, working hard to attain the goals relating to a happy domestic life.

They're not only interested to reside in a cozy environment with their family, they also want friends to come over their place because they make the perfect hosts and hostesses.

It's normal for them to pressure themselves at social gatherings for everything to take place smoothly as Saturn influences them to be very responsible when it comes to being with other people.

The past is present in each and every cell of their body and deeply rooted in their psyche. It's like their memories push them forward through life, making them think all the time of their childhood years.

Saturn teaches them that only by facing matters of inheritance, they can mature their present relationships. Because it takes them a while to find a good home for themselves, they may settle after their thirties and still think of the pressure they used to feel in their parents' house.

Some of them may have been forced to become adults sooner in life or had instability at home, where their parents would have been always fighting or caring about their work only. The planet Saturn would support them to care for themselves from both an emotional and material point of view.

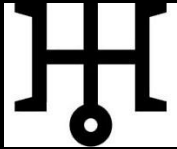

When in the 4th house, it influences people with this placement to put pressure on their own ways with relationships to the point of no longer remembering whom they actually are as individuals. It's suggested they're less hard on themselves when it comes to their interpersonal connections, or they'll end up too stressed.

Worrying too much about what makes their loved ones happy can't bring them anything good. While responsible because Saturn influences them be this way, they may not succeed so much in life because they're not willing to take any risks.

These natives hate change and are feeling forced to accept what's coming towards them, no matter how much a new experience could bring. It would be a great idea for

them to enjoy a little bit of adventure from time to time.

However, their passions are not always worthy of being presented in public, nor would they be appreciated to their full extent.

There are plenty of ways to have fun and impress others, and they are trying to find all of them, sometimes focusing too much on one of them, even risking being mocked.

These natives won't like to have their creative reflexes inhibited by anyone or anything. If need be, they'll even revolt against the social order, try to organize meetings to fight against this oppression.

Involving themselves in many diverse fields of art, ever-evolving toward their goal of

achieving an even higher artistic sense.

Uranus' influence when residing in the sign of the Leo, refers to the individual and its subjective self-matters much more than in other transits, to the point that the Leo might be perceived as eccentric, egocentric, or narcissistic.

There is a very high potential for success here, as a result of the elevated levels of raw energy rumbling through their bodies.

The Leo Fire sign doesn't like to get out his comfort zone, and even though he is a very enthusiastic and welcoming individual. The influence of Uranus makes one individual quite impervious to change.

Rational, logical, with a certain lack of empathy to allow for precise calculations and observations, this native efficiently paves the way to their goals, avoiding any sort of distraction, of the emotional sort mainly.

Confidence and self-awareness are intensified and become the very guiding posts of the Uranus Leo through life.

With a creative power at their fingertips, that even artists would shudder to witness, these people would be ignorant not to use this flair of theirs to reach for the skies, to fulfill their innermost dreams, and to achieve their fullest potential.

There are plenty of outlets that would allow them to express this artistic force, and it would raise their self-confidence by many-a-fold. At the same time, they protect their ideas with reckless abandon, letting no one get in the way of their advance.

The sheer spontaneity of the Uranus Leo makes it so that these people can't stay in one place for too long, and they won't allow others to control them.

It would be one based on completely new principles, ones sunken in art, the sciences, communion, and so on.

Love matters

When the Uranus Leo falls in love with someone at first sight, it's bound to lead to a

streak of crazy events that should, in theory, be good for the future.

However, these people are very unrestrained and don't really care about what others think about them. If they want to make a change, they will do it just like that, and if something seems to be amiss, they won't hesitate at all.

If at first, they are going to profess their eternal love and shout it to the moon, after just a couple of weeks, they could come to the conclusion that it was a rushed decision after all.

With a dramatic approach to most situations, this native just loves to be at the center of attention and to shock everyone else.

No chains shall hold this one down! Boring and tedious relationships where there is no potential for further development are quickly abandoned.

This native wants to have fun, to live life to the peak of pleasure and entertainment, to experience the world like no one else has before.

The good and the bad

Those with the Uranus in Leo transit in their natal chart will never give up before trying their best. Success only comes to those who want to achieve it, and with their skill set, they don't need anything else than strong willpower.

They are creative and have many great ideas, a lot of friends who would help at a moment's notice, so the rest is up to them.

Egocentrism, a complex of superiority, sometimes going so far as to evolve into a God complex, a ruthless attitude in front of opponents.

These are the major negative traits of the Uranus Leo. Whenever he's not trying to overshadow everyone else with their perfect plan, they're doing their best to destroy the efforts of their enemies, completely eradicate any chance of the latter taking their spotlight.

Actually, because they love being in the center of attention so much, they are capable of the utmost cruelty against competitors.

The Uranus in Leo man

This man needs empathy so much that anything else is secondary. When he sets his mind on a plan, he becomes very embroiled in its making that he loses focus of other people's feelings.

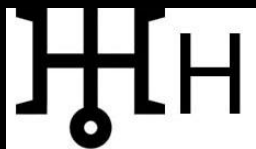

It would be far easier to enlist the help of other like-minded individuals to help with the

implementation of an idea, but with the way he's acting, no one's going to stay for too long near him.

He could create quite a brilliant situation for him, filled with everything he could ever wish for if only he would avoid getting into pointless conflicts with everyone he meets.

These aggressive distractions are nothing but an obstacle in the path of his unstoppable march towards the future.

People they will meet can influence them to adopt new philosophies and to think differently. It's not their style to develop a philosophy of their own that is traditional.

When it comes to religion and politics, they're complete liberals and want to talk about and conventional methods. It's possible some of them will interrupt their higher education because they want to travel.

Uranus is a strange planet, which in the 9th house that rules over the mind makes people having this placement interested in the most unusual subjects and unorthodox approaches.

They're amongst the most open-minded individuals in the zodiac, so expect them to always be ready for new adventures and to come up with ideas that expand the mind of others.

The more they will deal with people like them, the happier they will feel. One of their biggest hobbies is reading because they like to think and to learn as much as they can.

When it comes to putting into practice what they've read, they can really combine ideas from books and manuals, filter them with their mind and come up with something completely new.

Their philosophies are regarded as too radical and liberal by those who think more conservatively. As a matter of fact, around such people, Uranus in 9th house natives feel trapped and useless.

It's in their nature to always test the limits of what society suggests and to rebel just to be different than others.

They're never conventional or respect traditions, so expect them to feel proud if they have done something no one has ever done before.

These natives want to be free more than anything else in the world and to express their thoughts or beliefs without being limited.

As children, they have probably been rebellious and went against what their parents told them. When it comes to their spirituality, they like the new and the unconventional as well.

You'll never see them going for the dogma and sometimes, when their own ideas become old, they prefer to just give up on them.

Others will consider them heretics because they think of astronomy and like to learn about the paranormal or about astrology.

And the subjects they may be interested in are philosophy, social studies and even religion, so don't be surprised if they've published a book with their own thoughts about how the world works.

They're not the type to ask money for what they have wrote, so they'll perhaps use the Internet to just give their materials for free as Uranus is also the ruler of technology.

Feeling very good in the 9th house, just like in any other house situated up in a birth chart, this planet can sometimes be chaotic and even malefic, therefore, it's better to have it in the upper side, so it doesn't become a problem when it comes to the everyday life of the natives.

When in a negative aspect, it will obviously bring a lot of difficulties into the life of people having it in the 9th house, but these individuals will still be able to solve their problems because reality involves difficulties as well, after all.

When situated close to the horizon, those having this placement will have many of this planet's traits, especially when young.

Things about their character will often change and there will be nothing they can do about it. While Uranus in 9th house individuals can be real geniuses, they also have problems with their education because they don't like learning in a structured environment, so even if this planet would be in good aspects in the 9th house, they would still quit University or drop it for a while.

As I said before, Uranus is the ruler of technology, so it may make people having it in the 9th house hackers.

But if they will stick to school, they may become amazing programmers and computer science teachers. They will always look to get their information from beyond what's been established as tradition and culture as they love being unique and giving a personal touch to everything surrounding them, even when talking about God.

Because they're always looking for the truth and to be imaginative, they will start to create something for a better understanding of what the big picture is and how the world works.

Blessings

Uranus in 9th house people think traditions are way behind their time and want to deal with the new or to adopt morals that have just been launched.

This is the reason why they love to travel and to meet new people who can teach them something. Any new experience makes them become better and merges with their

personality.

These natives simply love to open their mind and to come up with ideas that provoke people around them. They don't know how to get bored because they just don't have the time to sit around.

The world is a big place that has many challenges for them and they know it. When Uranus is in good positions in the 9th house, they will be only observers when it comes to what they believe in.

Objective regarding the truth, they understand every human being has a destiny to at least be subjective when it comes to what's real. Therefore, they don't believe everyone has an obligation to search for the truth and to idealize some concepts in life.

This means they'll understand and respect other people's culture, religion, opinions and ideas, without being biased.

That's why they can make friends with anyone and disregard any type of prejudice, which makes conservative people shriek around them. They have the good morals that will help them evolve.

Challenges

The most difficult thing for Uranus in 9th house individuals is balancing their travels with their romantic life.

Having many friends, they love going out and meeting new people with whom they can make good friends. Very interested in dating all the time, they would rather not tie themselves to only one person or one place.

However, at some point, their life will start to feel pointless as coming back an empty home can be painful.

If Uranus is in a challenging position in their 9th house, they may have traumas from their past lives when it comes to searching for the truth and believing in something.

For example, they may have been persecuted during more religious times because of blasphemy or because they had connections with the occult.

It's also possible they've confessed their religion or beliefs and others didn't accept them for this, which could have happened in one of their past lives and even in this one.

They truly believe that a person's culture, race and religion don't matter in knowing the truth and prefer to not listen to the spiritual guides or political figures who ask people not to question them.

When it comes to the idealistic nature of Uranus, it manifests in these natives when they're searching for the truth and think of what's right and wrong.

As a matter of fact, these natives can take such thinking to the extreme because they want to know everything in detail. This will help them have a good understanding of their own spirituality.

When Uranus is in a challenging position in the 9th house and related to Jupiter, the natives of this placement will be terrified of traveling long distances, so they may never fly or cruise.

They should find a partner who doesn't mind when they're leaving without even saying a word because they've just discovered there's a new and rare book at a library in a country far away.

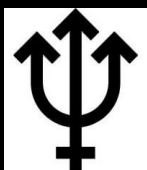

They wouldn't mind having a travel companion, so they should find someone with money and enough time. Uranus in 9th house can be creative and come up with many solutions for them, so they can have it all in life, but not in an easy way.

Uranus ☿ in Rx retrograde movement

[699] [920] ([699] mollysastrology.com:) Here is a natural-born rebel. Strong reformer instincts — for everybody else. These folks have a strong inner need and desire to persistently test their personal abilities against those of others. They must constantly prove themselves to themselves. In seeking greater freedom for themselves, they may limit the freedom of others.

([920] cafeastrology.com:) Uranus retrograde can point to a fear of change or a latent mistrust of new technologies or improvements. These people might hide their eccentricities, while Uranus direct natives are more inclined to flaunt them, or at least to be proud of them. In some ways, having Uranus retrograde is like having Saturn strong in the chart. There can be pent up energy with this position, so that while they may be following rules for some time, at a certain point they bust out with a fit of rebellion before going back to a more orderly, law-abiding lifestyle.

Neptune ♆ in ♈ Aries man 10° 49'

([1065] i.thehoroscope.co)

The position of Neptune in your natal chart reveals how intuitive and dreamy you are and whether your life takes any spiritual turn.

When one has Neptune in Aries in their natal chart you can expect immense creativity from their side. These natives have boundless energy to put forward, as well as the necessary inspiration to help turn all that potential into raw creations of pure utility.

They never hesitate and are not afraid at all to start new projects, to come up with new ideas, and present them to the whole world. However, some situations that appear to look as opportunities, for them, if rushed into, could lead to great disappointments.

In a nutshell:

Style: Impulsive and energetic;

Top qualities: Soul-searching, resilient, generous;

Challenges: Insensitive, stubborn and arrogant;

Advice: Be mindful of how others interpret you.

Personality traits

The Arian's fiery nature doesn't end up in a harmonious relationship with the cold and calculated aura that Neptune exudes. This could translate in practice with natives who have Neptune in Aries exhibiting a contradictory nature.

Impetuousness gets replaced with patience, spontaneity with caution, the explosive temper turns to the rational and calculated approach that we see in successful people.

This influence comes at the expense for this native's inner ego being turned on its head, taken apart limb by limb, and transformed into a shadow of its former self, quite possibly a more developed variant of himself.

These natives are very deeply attracted to religious matters, and the philosophy inherent in every religious theory resonates with their souls on a deeper level.

They may be trying to convince other people of the truth of a certain religion and spread it around the world. They are spiritual in this sense, but they may not necessarily have faith in a traditional religion.

The Neptunian Arians tend to attract a lot of attention with these otherworldly instincts of theirs. Their inventiveness is unparalleled, and so is their determination to capitalize on this strength.

They make plans, wild ones if fact, that no one would believe stand a chance at taking form, but they don't care about how many odds are stacked against them.

It would have been way worse if they didn't even try in the first place. Moreover, these natives are innovators, breakers of old traditions, the harbingers of the new ways.

The future holds no mysteries for them, and they're the ones bringing unusual ideas to the table. Combative and with the souls of ancient warriors, they take it upon themselves to fight for what they believe is right, with unending energy.

Neptune is in direct connection to the supernatural strata of the world, it incentivizes its natives to look beyond the veil, to see the world for what it truly is, made up of countless planes, spiritual ones, magical ones.

Natives with Neptune in Aries are very religious and have firm beliefs that there are forces out there that go way beyond the understanding of mere humans.

They are very emotional, to begin with, and don't approve of the strict rational limits that some people fill the world with. These only serve to blind one from seeing the truth, from tapping into the forgotten powers that are hidden out there.

Neptune is what's called a slow planet, meaning that it has a more diluted influence on the Aries, it doesn't cause mind-blowing changes to occur within natives who are born with this transit.

This means that perspectives are changed bit by bit rather than overnight and the intuition of Neptune Arieses grows exponentially. They become less egocentric and individualistic, instead putting more emphasis on a collective understanding of their environment, acknowledging that there's more than meets the eye, much more.

The positives

Neptunian Aries natives are exceptional when it comes to dealing with tough situations. They never hesitate if a decision must be made, and usually have great ideas that comply perfectly with the situation at hand.

They may be impetuous at times, even aggressive when others don't agree with their decision, but more of than not, everything quickly calms down before long, and they can act as they see fit, with a better future in mind.

What matters is that they manage to concentrate on the task at hand and not get distracted by other extraneous interests. This of course, when they are really invested in a situation.

The negatives

The problem with focus of natives with Neptune in Aries is like this: not only do they find it hard to calmly plan things out, but sometimes, they even forget about certain aspects, let alone paying attention to the little details.

They leave them out altogether, instead concentrating on the bigger picture, but it's a fact that these insignificant aspects are sometimes the key elements of the whole strategy, and leaving them out will lead to disaster.

Offering advice during this period of time doesn't seem to work either, because they're very certain about the way they plan things out.

How could they be wrong? Intuition plays out a major role in this process, and we all know that Neptune fiddles with it constantly, feeding it with boundless transcendent energy.

Remember that it's not a good idea to stand against them when they are so convinced of their own righteous ideals.

The Neptune in Aries man

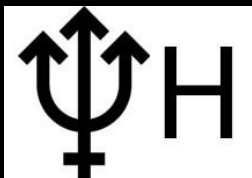

This man is very childlike, and his playfulness extends deeply into his character. He might want to hold your hand while walking down the street, he may even want to buy you a stuffed bear, which he'll then play with at his discretion, but this is his nature, and there's no changing it.

It doesn't mean that when a serious situation appears, the man with Neptune in Aries will behave in the same way, running away without any sort of responsibility sense.

Quite the contrary, actually, they can be very serious when it comes to solving a problem, and they'll put their whole attention toward any issue.

They may get annoyed from time to time, seemingly out of nowhere, but it's just a fading fire that doesn't cause too much damage. If their partner truly loves them, they'll manage to get over this and understand that they too have issues to deal with.

Wherever Neptune is placed in a birth chart, it shows the ideals and dreams of natives. It's also the planet that's responsible with influencing people to wear rose-colored glasses, which means it has a lot to do with denial and with making individuals see and hear only what they want.

The 5th house of love, children sex and gambling is influenced by Neptune to bring in a lot of imagination when it comes to all these things.

Those having this planet here would idealize their partner and think of many possibilities they could have with romantically unavailable people.

They may also not see the bad in others and think people who've done them really nasty things had a reason for being the way they were or perhaps have rehabilitated.

These natives can only see what's good about a person and think those who have ugly things to say about others are in fact either envious or extreme.

As they only see what they want, they may think of their relationships as being something more than they actually are.

Therefore, while their partner would be cheating and lying to them, they'd avoid believing all this and staying next to that person for as long as possible. It's very likely for them to be in relationships that don't make them happy.

These natives are the type who wants to rescue, so they'll only grow to be attached those whose life seems to go downhill.

They simply love drama and, even if they don't admit it, they're loud, exhausting and too much for others to handle.

When it comes to what the 5th house deals with, they will be very secretive and in the same time overjoyed, no matter if all that's happening with them is only in their mind, considering they tend to fantasize and be disillusioned.

Obviously, the aspects in which Neptune is with other planets matters a lot when talking about the traits individuals with Neptune in 5th house have.

This planet is a not too clear mirror that reflects the energies received from different other celestial bodies. Therefore, when in positive aspects with planets, it has a great influence over the traits belonging to either house or a planet.

Neptune in negative aspects can be malefic, passive and only a receiver. Amongst other things, the 5th house rules over joy and relaxation, so natives with this placement may really appreciate things related to these aspects of life.

They simply love dancing and if women, can be very seductive in their movements. It's like water flows through their body and they can dance to any type of music.

It's also possible for them to be great poets, depending on the aspects in which Neptune is. Also ruling children, the 5th house influences people with this planet here to have dreamy sons and daughters.

These little ones will be fantasizing all the time, and not really care about everyday issues. This means they'd make great artists and could achieve success without even struggling.

But at the same time, they'd be very sensitive and always charged with strong emotions, which will also be a sign they're good psychics and in school, they can rely on their intuition all the time.

Neptune in 5th house natives will be very secretive about their children. Men with this placement may have one kid and not know anything about him or her, while women would say their relationship with the little ones is complicated.

When Neptune is in bad aspects with Pluto, Mars and other malefic presences, the women with these placements may suffer miscarriages or can have many abortions.

That's why they should avoid using drugs as these could either make them pregnant when they don't want to, or cause them to abort the child they'd want.

It's normal for them to have many friends and to change partners like others change their socks. They don't see a problem in being like this because falling in love seems to be their favorite thing to do.

And they're very good at it, considering their partners are always happy and fulfilled. It's in their style to spoil their lover and to want appreciation in return.

As a matter of fact, Neptune in 5th house natives can exaggerate with the way they're pampering their other half, making it difficult for many to be able to return the favor.

When not appreciated for what they're doing, these natives get to feel disappointed and even hurt. It's important they don't allow their partner to become as dramatic as them, especially when it comes to problems that don't even matter that much.

Having a quick temper and a big ego, they may actually be difficult to deal with when in a long-term relationship.

They should pay attention and not fall in love with dose who aren't meant for them because they tend to idealize people and to fantasize about things that aren't real just for the sake of drama.

Pluto ♃ in ♎ Sagittarius man 28° 55'

([1097] i.thehoroscope.co)

The position of Pluto in your natal chart reveals the transformations due to take place in your life and how you channel your core truths and restorative power.

People born during a time when Pluto transited Sagittarius are significantly more spiritually attuned to the world than the rest of us, being able to tap into a form of ancestral power hidden deep within themselves.

This is connected to religion and any other form of spirituality, giving them the potential to bring about a true spiritual rebirth, or pave a new direction for the whole world to take.

In a nutshell:

Style: Principled and exploring;

Top qualities: Trustworthy, resourceful and spiritual;

Challenges: Superficiality and lack of tact;

Advice: You need to keep close to family ties.

Personality traits

This native has a free-flowing personality, always searching for the next adventure to partake in, for the next thrilling escapade to create memories about.

The Plutonian Sagittarius envisions a great future for oneself, a future marked by a change of perspective, by a lot of traveling to exotic places and other foreign territories.

Freedom and open-mindedness are this native's greatest perks, and they make full use of them with the help of Pluto.

The dynamic planet enhances this native's communication skills even further through the series of adventures and people that they meet along the way.

Pluto is associated with a state of inner illumination through knowledge, the elevation of one's spirit and status by acquiring and assimilating bits and pieces from all around the world.

Plutonian Sagittarius natives are literally obsessed with having new experiences from which they can extract even the tiniest bit of information.

Self-development was never this fun and exciting, and as long as nothing gets in their way or bars their path, the Plutonian Sagittarians will keep on going forever. With every piece of knowledge acquired, they expand their minds even further, learning to accept much more of the world.

On the one hand, the spirited and spontaneous personality of this native is a good thing, ensuring that one doesn't stay for too long in one place and that one doesn't try to take

control or dominate a situation.

Once this native notices that there's nothing else to learn, they quickly depart for the next adventure with nothing but their excitement and intuition to guide the road.

The good and the bad

The Plutonian Sagittarius seems to always be evolving from the experiences that they go through, further developing skills through the knowledge they acquire.

However, changes in the worldview don't mean that this native changes what they perceive the essence to be. Yes, they might view things slightly differently, but their life principles are basically immovable.

The one born with Pluto in Sagittarius has a morality system deeply engrained in their subconscious and there is no ounce of arrogance or egocentrism in what one does.

This native's most glaring flaw is that he never fully thinks about his next course of action, instead, letting it all come naturally. This lack of self-awareness and planning may get anyone in trouble, but mistakes are opportunities to learn from, and if the Pluto Sagittarius realizes this, everything should be alright.

Moreover, in order to better continue on the path toward self-development, one should think about being more flexible with their life rules and not being too tied to their comfort zone.

Pluto in Sagittarius in love

The Plutonian Sagittarius tends to have a very peculiar approach to social relationships and love matters. They tend to trivialize them, never grant them the importance they deserve because of their highly spirited and spontaneous personality.

Unrestrained and a freedom-seeker, these natives pass through the world at break-neck speed, just like a vanishing shadow or a sprinting leprechaun, always looking for the next excitement. Especially when they are young, their dynamism and high-paced enthusiasm takes them far from any commitment or serious bonding.

This doesn't mean that the Plutonian Sagittarius never takes a relationship seriously because they can become reliable and even slightly romantic companions.

These natives care very much about their friends and family, even if they don't always show it. They are most demonstrative in key moments, when their support and attention is crucial to the situation at hand.

Eventually, they will meet someone who will make them put aside everything else and reveal his feelings. That's the moment this guy finally commits and becomes incredibly

devoted.

The Pluto in Sagittarius man

Compared to their female counterparts, these men are not exactly very interested in reclaiming their emotional side. Rather, they would like to embrace just a little of the softness and tenderness innate to romance.

The last time in history when Pluto transited Sagittarius, these men were at the top of their social game, always engaging in heated debates, having long discussions about the most controversial topics of the time, and mostly focused on bringing change to the world.

Being willing to share one's ideas with the world may now be perceived as only natural and a mark of great intelligence, but it was not always like this.

The last time that Pluto roamed the Sagittarius, society was especially against this type of attitude, discrediting it again and again. Those who had the courage to break these barriers were mercilessly mocked and their valued demeaned to no end.

This means that the Plutonian Sagittarius men still have these attitudes engrained in their subconscious and feel the need to fight to have their voices heard.

Pluto ♄ in I 1st House

([1101] i.thehoroscope.co)

This placement of Pluto makes people go about their lives with vigilance and heightened awareness but this is not to say that they don't have a lot of fun too.

Those born with Pluto in the first house of their birth chart are very intuitive and very intense, in the sense that they are searching for the truth, whatever form it may take.

As such, don't even think about deceiving or lying to them. It's not going to fly for too long because they'll quickly discover your subterfuges.

These natives are very suspicious and wary of people and new situations, afraid as they are, of getting hurt or disappointed. Nothing can lull them into a false sense of security because they never drop their guard.

Summary:

Strengths: Charming, warm-hearted and observant;

Challenges: Aloof, moody and suspicious;

Advice: They need to relax more and simply go with the flow.

On a path towards freedom

Pluto in the 1st house natives exude a natural aura of authority and intensity that keeps everyone wary.

This impression of strength and boundless mystery is what's giving them some breathing room in this busy world where everything is against them.

This reality is too harsh and incompatible with their vision, and so they want to avoid being hurt or going through harrowing experiences.

This form of isolation that they live in is self-imposed, a state of constant vigilance and suspicion. They don't give their trust easily to anyone. Usually, they want to know what they're dealing with before taking any actions.

They're doing their own thinking without paying attention to the rest of the world. Other people might believe them to be crazy or unconventional, but they don't care.

As the eternal lone wolves of the zodiac, the Pluto in 1st house natives break apart all conventions and rules, doing everything for their own development and evolution.

On the path towards freedom, independence, and comfort, they will have to adapt to the many situations that appear, but they aren't very keen on doing that.

All in all, in spite of their solitary natures, they still need other people to validate their feelings and thoughts. Plus, they also want a relationship.

Strangely enough, the process of falling in love and getting close to someone is fraught with mood changes and issues.

Affection, indifference, love, hate, all of these feelings will mingle around and create spontaneous transformations and emotional turmoil.

In a relationship, these natives tend to expect a lot from their partners, but they aren't prepared to offer much in return.

There will be a lot of arguments and conflicts, each of them getting harder and harder to manage. This process takes a long time and, hopefully, it will end in them learning about selflessness.

One of their greatest fears is being dominated, held up against their will, marked by the inability to pursue their callings.

However, despite this, they are still looking to fall in love and establish a relationship.

The sense of belonging is probably too strong to ignore. A lot of people learn from mistakes and failures, so the same goes for them in such short-term relationships.

By putting themselves out there and going through any break-ups, they will learn to live with themselves just as well, to embrace their nature.

Essentially, the only way this is going to happen is by learning to treat other people fairly, to stand tall against the winds of change and avoid getting emotionally unstable and angry out of nowhere.

Pluto is putting enough negative energy in them as it is, so being so distant and edgy will only make it worse.

These people can go very far though, and this can be seen from how curious and inquisitive they are. Literally, nothing goes past them without being taken for a detailed perusal. Perhaps, there are mysteries to be discovered.

Sometimes, it could be that the Pluto in 1st house natives feel the need to be in control, to have authority over someone, to dictate and give orders.

This comes as a result of the rampant spirit wreaking havoc inside them, courtesy of Pluto. Although it can be directed toward a sexual release or even better, toward pursuing their goals, many times it just explodes outward.

Anyway, the strong sense of dissatisfaction and grief that accompanies failures is too strong to resist, especially in their precarious condition.

These traits must find a way to coexist peacefully, for harmony to be attained if they are to reach their full potential.

The goods and the bads

The Pluto in first house natives can only manage to get over these inner contradictions and escape this existential dilemma by finding some answers, questioning existence itself for the problems they are dealing with.

Only by satisfying this need will they even manage to take control of their lives. Their identity is forming just about now, and there will be many times where they just lose it, feelings of regret and sadness.

They might even resort to unsavory methods to get what they want, like lying, stealing, manipulating people, and this is also a result of this identity crisis.

People have different opinions of them, each more negative than the last, but this won't last for too long.

One of the good things about these people is that they usually don't waste any time with small talk or uncertainties.

If something must be done, you can be sure that they will start doing it right now.

One's obligations and responsibilities are incredibly important, a hallmark of personal firmness and maturity. Moreover, they are very intuitive and are able to predict what will happen in some situations.

This gives them the opportunity to try to change or avoid problems. Putting this to good work will make the difference in the future.

These natives are control-freaks, in that they want everything to go by the book, according to the rules. The unexpected and spontaneous events annoy and scare them.

In general, they are perfectionists and want to do their job splendidly, putting incredible amounts of effort into it. Also, being the first in everything is one of the primary goals of these natives.

However, what this does is put even more pressure on them, instill emotional tension and make life not worth living anymore.

They need to take a step back, relax, let everything flow naturally. What is unknown and mysterious will reveal itself eventually, and they don't have to fret about it so hard.

North Node ♌ in ♌ Leo 12° 48'

(Georges Muchery)

The Dragon's Head in Leo helps the native to realise his desires, which are of a lofty nature. He has a fine ambition; and even if he is not an artist, he is none the less a man of good taste, a lover of form and of everything that is fine and noble.

His fine imagination should enable him to discover or invent new, pleasing and attractive things, which will profit him. His enquiring mind makes him continually desire to know and learn everything new. This helps him to progress. The Dragon's Head in Leo enables the native to conquer the difficulties of life.

The Dragon's Tail in Aquarius causes the native to be easily deceived. He is inclined to be indolent. He does not react, nor know how to act wisely; and this is detrimental to him. People should be kind, but they should know how to discriminate, and this is not the case with the Dragon's Tail in Aquarius, as the native is too much inclined to listen to fine words. This position also indicates deceit over love matters; it is a sign of infidelity on the part of the native or his partner. It also upsets iether the mental or the physical balance.

(Isabel Hickey)

North Node in Leo gives executive ability and qualities of leadership. Needs to be independent to do a good job. Has nobility and pride. The virtue hidden in pride is self-respect. To this, Leo has the right. If self-respect is lacking, the individual would have the ability to cultivate it in this life.

South Node in Aquarius shows the past habits have been to retreat from the world because of a snobbishness or distaste. Strong egocentric tendencies have to be overcome.

(Martin Schulman)

The Leo North Node symbolizes a struggle with the will. In this incarnation, the individual is learning to develop strength within himself. Conditions force him to stand alone, very often with the absence of shoulders to lean on. He eventually learns that if his life is to be better it must be created by himself. But before he can build any such creations he must overcome his lackadaisical carefree attitude.

He still continues a past-life tendency to spend too much time feeling sorry for himself at his lack of friends when he feels they are needed most. Somehow in moments of stress, others always seem to be absent. Long periods of loneliness, isolation and in many cases a good part of the time spent as a hermit are not uncommon.

Ultimately, when the mind is made up, there is little that can sway this individual from his destiny. He must learn that his isolation is a self-imposed prerequisite for gathering strength. Very capable of strong leadership in this life, he must learn to overcome all doubts within the self.

The continuance of his past-life desires for friendships actually weaken him, as they do little to build his individual confidence. He must learn how to become more goaloriented

rather than following his accustomed tendency to dissipate his energies. The interesting thing is that while he continues to think he needs others to answer his questions, he rarely takes their advice.

The friends that he does have will be from all walks of life. In a sense, this increases his scope, for they bring to him now the awarenesses that he earned in former incarnations.

Once determination takes root, there is no stopping the path towards success, for he does not like to settle for second best. Much thought is given to the future. In fact, he is used to living there, until one day he makes the realization that 'today is yesterday's tomorrow' and that nothing will exist in the future that is not created now!

He is not the easiest of people to understand, for he will do anything to retain and emphasize his own sense of individuality. In past incarnations, he developed a detachment from the majority of the world, allowing him to feel free to go his own way. Now he takes pride in being unique and different, caring not as much for the traditions of society as for whatever rules he has set up for himself.

His main difficulty in this life is a lack of control. Without discipline he can generate his power into useless projects, until he realizes that nobody will stand over him with a whip.

If he builds on past-life knowledge, he has a great ability to do something for the human race, for he is capable of depersonalizing his actions for the good of all mankind.

Many with these Nodes live a rags-to-riches life, the big change coming after the tendency to overlook is turned into an ability to oversee! Their greatest amazement occurs when they discover prior-life talents in themselves that they never thought they had.

Happiness is reached once principles to which to dedicate the life are found. Furthermore, these principles must be unshakable so that the individual feels he is creating something solid. He will then identify his life in terms of the size of the principles to which he has attached himself.

Disturbed by the scattered activities of others, which remind him of his own past incarnations, he feels the strong need to see life moving along a directed course towards a specified goal. Still, he wants to retain his complete independence. As a result, he finds it difficult to tolerate others cramping his style. When they do, they will find him constantly testing limits.

The Aquarius South Node brings with it past life roots strongly embedded in the principles of fairness and equality. In the current life, the individual is given the opportunity to be on his own so that unhampered by others he may express his intrinsic beliefs. His job now is to show people as flamboyantly or as powerfully as he may

choose the ways in which the world can overcome its burdens. His greatest achievements occur after he has surrendered his personal will to the service of humanity.

There is no question but that this is good leadership material so long as the ingrained past-life Aquarian sense of fairness is never violated. This individual is capable of making revolutionary changes in what was once established tradition. He is first, last and always amazed and fascinated by all the possibilities man can reach. At the same time, he is offended when he sees people pitying their self-imposed limitations, for well he knows the experience of pulling oneself up by one's bootstraps.

He aspires to stand tall and not be ridiculed for those beliefs which he has struggled so hard to express.

While his capabilities for love run deep, the rest of him is not too far below the surface. The continuation of his past-life attractions to momentary fascinations keep throwing him off the track, making it difficult for him now to see the core of his true self clearly. And so, he must identify with his achievements as the only real barometer of his worth.

Though he may at times strongly wish to be alone, he could never live without people, for he thrives on their admiration of his achievements. He believes in firm justice, and yet he is quick to pardon once people have admitted they are wrong. He is never one to strike when a person is down. The sense of fair play has become such a part of his soul that although he feels he should be more competitive, it makes him uncomfortable to be part of any competition which involves foul play.

Things which wouldn't have bothered him in past incarnations suddenly become important as he starts to dig into life rather than disassociate from it. Although it is his present life karma to apply his Uranian ingenuity through practical and traditional Leonian outlets, he still struggles to maintain his unique character.

Some with this position spend the later years of their life alone. Others who are married still hold onto such a strong streak of independence that they tend to keep other family members on the periphery of their circle.

The house position of the South Node indicates the area where past-life needs for originality and freedom are still seeking expression.

The house position of the North Node shows the area through which all the chart energy can be focused into a new shining creation of substantial size and worth, a gift of generosity to the world. Truly these are the Nodes of the 'inventor'.

(Mohan Koparkar)

Previous incarnation for this person was spent in many unusual activities. He seldom had time to be individualistic. Most of the efforts were towards achieving things for others. In this time, he has decided to be substantially individualistic. Making his own name or getting the credit for his work is significant in this lifetime. Cultivation of personality, ego and general magnetism is noticed in this person. He will use his powers and connections to get where he wants to go in life. He may have to step on others; but he will look at that as a favor to them, and later on when he is up there, he will help those who indirectly were helpful to him. Strong self-conditioning and self-confidence is noticed in him in this life.

(Donnad van Toen)

You need to learn to love deeply. Your Aquarius South Node may reply: 'Who: me? Whaddaya mean? I love absolutely everybody. Except for my ex-best-friend and my ex-lover, and that snooty sales clerk who implied I had no taste....'

Your problems may include that you are looking for Utopia. Your ideals have frustrated your needs for love and companionship.

Possible reasons for these problems: You're inclined to be lazy about developing your creativity, preferring to idealize others' accomplishments at the expense of your own. You spend most of your time serving others' causes at the expense of fulfilling your own goals. Traumatic experiences have caused you to retreat from the world to some extent. Ingrained stubbornness hinders the formation of relationships. A subconscious superiority complex.

Possible solutions: Get in touch with your need for dignity, and channel it properly. Discover and use your fertile imagination. Learn to lie skillfully. Have a lot of lovers. Devote yourself totally to a humanitarian organization, cause, or activity.

North Node in Leo almost always has some degree of untapped creativity. Sometimes shyness keeps it untapped. The shyness is in itself a manifestation of the untapped Leo north node potentials, since Leo is the sign of confidence. South Node in Aquarius encourages the individual to lose himself or herself in a whirl of friendships and acquaintance-making, or in some vast utopian ideal. In either case, the motivation is to avoid having to come to terms with his or her own individuality. These people are seldom recognized as shy, because their shyness manifests on a personal rather than a public level.

Another manifestation of Leo North Node - Aquarius South Node imbalance is seen in the person who leaves more prosaic creativities untapped while he or she searches for that great talent that will make a contribution to the world. The Leo North Noder isn't

content to enjoy developing his or her creativity unless he or she can make a great artistic, dramatic or social contribution to posterity.

In my experience, people with an over-developed Aquarius South Node are generally: kept busy dealing with other people's problems; wanting to be in the spotlight, but they often find their contributions get obscured; egotistical in an unusual way - they emphasize equality and refuse to acknowledge that some people have more potential than others: in other words, you can't do any more than they can; intellectual at the expense of their emotions; spiteful; fond of shocking others; extremist in their work for change; contradictory, in that the brain doesn't know what the heart wants; averse to traditional marriage - women are often militantly liberated to the point where they resent or dislike men in general; and inclined to believe everything you tell them about themselves as long as it's flattering.

North Node in Leo would like to be seen as someone with a tremendous amount of vitality. He or she wants to be known as someone who's attained creative or business success. He or she may aspire to be a famous movie star or politician, or may want to be known for his or her lovely home or lavish parties. He or she wants to be respected and able to impress others. This person is social and capable of expressing emotion, albeit in a rather detached way. He or she may have some rather funny loyalties or a misconception of loyalty. This may serve to prevent success, as the person is inclined to be afraid that his success might inconvenience or be unfair to others. This preoccupation with the good of the group, as opposed to his or her own good, can lead to unpredictable behavior that brings more controversy than respect.

Antidotes for Leo imbalance: psychodrama or dramatization of the nodal dilemma can be helpful if the repression is severe. Interior decorating, set design, etc. can be excellent antidotes if there's aptitude in these directions. Political involvement and involvement in community action programs are ideal for stimulating a sluggish node in this position. The client should be encouraged to accept leadership roles in any capacity for which he's suited.

The client should be engaged in a 'What would happen if...' dialogue in which he or she is asked to visualize the worst possible things that could result from developing the North Node. You should then help the client deal with these fears. This technique works best with clients who are able to laugh at themselves, since it's often necessary to point out the preposterousness of their fears.

You should make certain that the client hasn't confused ambition with ruthlessness, since this seems to be a frequent misconception with both Aquarius south node and north node in the fifth house. It seems to be less common with Sun square nodes, et al., although it sometimes manifests here as well.

(Haydn Paul)

For personal growth, you need to determine clearly your life direction and then focus and apply willpower to achieve objectives. This can be a challenge, as you tend to dissipate energies in different directions, partly due to a lack of future planning. You need to realize that you shape future experiences through the consequences of thoughts, actions, values and attitudes. What you do today creates your tomorrow; and a favorable future depends on choices and decisions in the present. If choices are misguided, you will face the inevitable disappointing consequences later.

To achieve this new life direction, you have to become more individual, breaking free from the consensual social conditioning indicated by the Aquarius South Node. This does not imply that you become eccentric or socially alienated, but rather that you become more self-reliant and independent, true to your own light and taking responsibility for your choices and life path. Positive gains from this can include selfconfidence and self-understanding. Moving beyond unnecessary doubts, you can realize your potential once your life direction is determined and relatively few obstacles block your progress. Asking others for signposts may be unwise and weaken determination or send you in a wrong direction; unfolding this path from within becomes your source of guidance. Once this direction is clarified, meaning and purpose are discovered, and pursuing this task will engage your willpower.

Yet this is not a search for a self-centered path; it is one which combines independent self-expression with awareness of social relationship and interdependence. Your proposed growth should ideally benefit all, as well as yourself. Building a personal value structure is important, and you will try to stay true to those guiding life principles which provide a firm inner foundation.

Your new creative direction can be effectively released in the sphere of life indicated by the North Node's house; and as your new worldview develops, you may feel inspired to share your beliefs more widely. Your humanistic concerns will dampen as feelings of social responsibility and contribution expand. Your growing idealism and altruistic spirit will shine more clearly, reshaping life by your ideals, so that by pursuing your path, you also contribute to benefit others.

The main issue concerns individual and group growth, and may focus on social needs for fairness and equality. Once a direction is established, you may emerge as an inspirational leader, aiming to create constructive change within traditional social practices and thought. Such activity may prompt mixed reactions from others, especially as progressive attitudes may be 'before their time', and difficult to be integrated by contemporary society. But your independent spirit must be retained, so that your transformation and new socially creative expression indicates a way that society can also take. For yourself, purposefully direction energies in creative and productive ways will bring satisfaction. But you should never forget the existence and needs of others. Be true to them also, because, by your living your humanitarian ideals, your path is formed.

(Bruno and Louise Huber)

In the fixed sign Leo, we are concerned with gaining a secure position in life. Leo is also a Fire sign; and the Leo personality consumes for its own benefit the living space surrounding others. Leo wants to be a monarch, and to possess a realm of which it can be said: 'Here I am at home, and here I will carry out my activities. This is my territory, and I will never surrender it'. Leo always keeps a firm grip on a personal world that represents security in the changing scenes of life; and, of course, people play a decisive part in these scenes.

With the Node in Leo, we should adopt a positive, well-defined attitude to our environment. We ought to make ourselves known, place ourselves in the center of our world, and learn to cope with it. Usually the world does not leave us alone but is continually provoking confrontations. Anyway, this position of the Node helps to correct our development, and brings us out into the open.

In charts indicating a certain hesitancy or nervousness over making one's presence felt, a Node with this placement may help to overcome this tendency. The Node here encourages the individual to come out of his or her shell and be willing to take a few risks. Finally, this Node urges us to test ourselves in the world, and be willing to experience euphoric self-realization, and the suffering of reverses, along with everything that lies in between. As a Leo, we may seem to ourselves and others to be very much on the offensive all the time; in reality, however, we are very much on the defensive, for Leo is a fixed sign, and only the Fire in it produces the touch of aggression.

North Node ♋ in IX 9th House

(Georges Muchery)

This position is excellent for things of the mind. The native will constantly progress when the Dragon's Head occupies this house. His synthetic mind will enable him to undertake anything and succeed in everything, so long as the horoscope on the whole is favorable. In a woman's horoscope, it indicates marriage with a man above her station in life; and the husband will be 'somebody' from the pecuniary as well as the social standpoint. It is also fortunate for travelling, which will occur under comfortable and pleasant

circumstances. For a man, this position is fortunate for taking up politics, as it enables him to emerge victorious in oratorical controversies through his facility of speech (provided Mercury is free from affliction), and especially through his ever-present common-sense.

The Descending Node (Dragon's Tail) in the third house causes serious disagreements with those around the native. With an evil aspect of Mars, it signifies blows and wounds received during a dispute. This position is not good for the native's education, and compels him to associate with low-class people, which may be to his detriment. It is also a token of disharmony with the parents, brothers, or brothers-in-law, and is detrimental to the native's good reputation, gossip, slander and calumny being the fruits of the Dragon's Tail in the Third House.

(Isabel Hickey)

Too much emphasis on mind and not enough emphasis on superconscious power. Faith and devotion to an ideal needed. Separative tendency strong, for mind separates; heart unites. Faith is tied with feelings and with the heart. Inner philosophy along devotional lines needed to balance the intellectual faculties. Should travel, outwardly and inwardly, for expansion. Relatives are the source of difficulties, and it would be well to be away from them if possible.

(Bernice Grebner)

Many times when the North Node position in the ninth is not developed, it gives the person a tendency to defy the law in some way, or gives the inclination to find ways of working deviously within the law. This can indicate also a disregard for religion. The person may have a difficult time being ethical. Religion can be touched upon only subjectively. He needs to develop an interest in psychology, religion, and abstract philosophy. He must become more objective in his thinking and studying, expanding mentally and spiritually. The person with North Node in the ninth has to try to absorb and assimilate what is beyond his mental reach. He needs to become more objective in his interpretations within his immediate world.

South Node in the third is subjectivity. The person has the ability to express himself very well, and is keenly interested in mental pursuits. This gives a strong psychic tie to brothers and sisters, and could bring loss of one through death or separation. It can give writing ability with favorable aspects to Mercury, Venus, or Neptune. There is a strong urge to share knowledge with others. South Node here denotes a duty in caring for brothers and sisters who may continually drain the individual. There is also much involvement in activities for the community. It is most difficult for the person with South Node in this position to finish his formal education. The person would rather read and study on his own, or he goes back to school in an on-again, off-again way. This is an influence that gives impatience. There could be many small accidents if this Node is

badly aspected. Involvement with neighbors is a continual problem.

(Mohan Koparkar)

This condition often signifies that one has to utilize all their philosophies and higher knowledge to cope with the situations in life. They have to learn a lot of lessons from their mistakes, and in many cases, they cannot even communicate their problems. Mental distortion or uncommon thinking is noticed in them. Affairs of brothers or sisters are very destined in their life whether they want to or not. They will get involved with publications, publicity or some 'foreign' affairs / activities in their lifetime due to strange coincidences. Either they have relatives living far away from them, or they often maintain a large gap between the relatives. Long-term relocation is often significant for them, even though they dislike short travel.

(Martin Schulman)

This individual is forever pulling himself out of webs of entanglement. Every relationship he enters becomes so complicated that he has to use all his energies to free himself. In past incarnations he developed a great need for people, and herein lies his weak spot, for as much as he now thinks he would like to be alone he feels an almost compelling need to reach for others

He listens to problems and likes to be in the position of giving advice. Often frustrated by the multitude of problems dumped in his lap, he secretly thinks that if he had had more education he would be better equipped to cope with all the questions that befall him. He keeps trying to be as diplomatic as possible, and is constantly enmeshed in the after-thoughts of the words he has spoken to others.

Always conscious of the interpretation his words may be given, he nurtures an inner fear of being misunderstood. As a result, he keeps going back to yesterday's conversation to re-explain all that he meant.

He must understand the essence of truth without having to feel compelled to make truth smaller by trying to communicate it verbally to others.

One of his greatest problems is dealing with the karmic residue of an insatiable curiosity, which although it served him well in former incarnations now keeps leading him deeper into webs of details. His greatest crises occur each time he is forced to make decisions, for rather than relying on his intuition or his higher mind, he keeps seeking more facts and details in the hope that when he has all the information the decision-making process will be easier.

Constantly striving to achieve neutrality, he becomes a paradox to himself. In prior lives, he fell into the habit of identifying with catchy phrases, cute sayings and euphemisms to

the point that he has now become a walking cliché.

Liking to read and explore a wonderland of knowledge that he sees around him, his life is a constant thirst for more understanding. He is convinced that this is the one path in life that has no end. Whatever he becomes keenly interested in he can make into a life-long study, particularly if the South Node is in a fixed sign.

He likes to feel worldly. As a result, he'll do things that others wouldn't, just for the sake of experiencing new understanding.

His current life is involved with so many people that hurt feelings are bound to fly, not because of any malicious intent but rather through the inability to keep up with everyone in whose life he has become involved. At the very deepest of levels, he has many inner doubts about himself which become amplified when he speaks with others, for if it were at all possible he would try to be all things to all people.

As a result of past-life habits, he spends too much time in 'lower mind'. He goes through more movement than he has to; and if this is not expressed physically, then he does it in thought. At times his merry-go-round of possibilities is so great that he thoroughly drains himself by thinking about what he should do. As a result he does nothing.

He will experience fears that he is sexually impotent. Once he starts questioning along this track, his enormous thirst for understanding can lead him into a promiscuous behavior pattern until he is reassured that all is well and he is perfectly normal.

On his deepest level, he is not a sexual animal, but in fact so mentally inclined that he has fears of being shut out from the nitty-gritty of life because of his mental inclinations.

Like the young child afraid his peers will accuse him of being a bookworm, he will dare himself to prove that he can be accepted in a physically-oriented world. Nevertheless, his greatest subconscious need is one day to become a walking encyclopaedia so that he will never be caught short, lacking the right piece of information at the right moment.

His biggest growth comes when he learns how to make the karmic transition from lower to higher mind. As he drops his past-life attachment to trivia, his eyes begin to open wide to the enormous horizons before him.

The less he talks to others, the more faith he starts to develop.

He must learn how constantly to broaden his interests so that the scope of his knowledge is not limited by the demands of his immediate circle of relationships. He does well when he learns how to step back so that he can see the forest from the trees. When he does this, he also learns how to let things slide off his back, which gives him a new sense of peace that somehow always eluded his reach.

Travelling helps to broaden his perspective, and he meets his greatest successes far from his place of birth. For some, the life will be influenced greatly by a foreigner.

Through the ninth house North Node, enormous spiritual growth is possible once the individual has learned how to pull away from all his prior-life doubts and questions. He must take his mind out of a finite world and focus on an infinite consciousness.

He will lose friends by doing this, for there are few who will understand his sudden aloofness. But through those who stay with him he will learn the difference between a friend and an acquaintance. As he grows, he begins to focus on ideas rather than the words through which the ideas are expressed. He sees how others limit themselves by language, and tries to speak to their ideas rather than to their words. The sign which contains the South Node indicates the ways in which the soul memory of past incarnations is still too embedded in lower mind activities. The sign which contains the North Node shows the ways in which the individual can now free himself through the broadening influence of the higher mind.

(Donna van Toen)

Conflicts: Devotion to causes vs. the need for stable routine. Dreams vs. realities. Psychic or intuitive mind vs. logical mind.

Possible results of sacrificing North Node: Entanglement in mazes of busy-work, gossip, family feuds, etc.. Problems with teachers, in-laws, foreigners. A tendency to take everything too literally; inhibition of the higher mind. Cynicism, agnosticism. Insatiable curiosity bordering on meddling.

Possible ways to integrate the North Node: Expand your mind by taking courses. Read about controversial issues and try to formulate opinions. Travel. Be selective about people; avoid gossips and crisis-prone erratic types. Take time out from routine activities to try new things.

In the ninth house, the hang-up centers around education or learning; and a lack of self-restraint invariably plays a major role. This person is often so easily swayed by his or her environment that life is spent moving from one bandwagon to another. A lack of continuity is often seen, too, making a little learning truly a potentially dangerous thing. Occasionally we find the reverse intellectual snob, one who values manual dexterity in just about any form but has no use for mental dexterity.

North Node in the ninth house dreams of being some type of teacher. He or she feels that education holds the key to tapping his or her fullest potentials. Success and

progress are important themes of the dream motif. This person tends to let emotional factors stand in the way of success. While there may be a great amount of potential, as long as emotions take precedence over sense, the dream can't be fulfilled. Inconsistency is often a problem, since the mind rarely understands what the emotions are doing.

(Haydn Paul)

Your main concern is likely to be communication, relationships, mental development, and intellectual gathering of information. Relationships may become a source of conflict and confusion. You may not feel at ease with intimacy, and may prefer to break free from complications. As you are more mentally focused, you feel less comfortable with emotional and physical levels; sexual unease may also exist. This can be because you are less physically preoccupied than many, and so need intimate relationships less; sexual urges do not dominate your motivation or desires. You can learn to accept your sexuality as a natural expression, but within a context which values other aspects of relationships even more highly.

You can enjoy being alone, pursuing interests undistracted by others; yet there is also an impulse that seeks to communicate and relate with others. Balancing these tendencies can cause some difficulties.

People with emotional problems often turn to you for support, finding your detached mental perspective beneficial and calming. You help them find a more rational viewpoint to deal with agitated emotions. You enjoy this role and try to be helpful, hoping that your supportive advice can be used by them for positive results; you are very careful with suggestions, and try to ensure that you are not misunderstood.

Sometimes your tendency to be diplomatic and neutral has negative effects on you. Using evasive and nonconfrontational words can eventually interfere with identifying your own thoughts and feelings; and you could lose sight of your perception. If this occurs, it may be better to become more true to yourself and ensure personal clarity. This could become more problematic if your social life builds into an ever-expanding web of relationships and contacts, making it inevitable that, at times, you will inadvertently upset someone. Relationship conflicts may happen, and this makes you confront inner doubts; if you have not been fully honest in your 'diplomacy', you will realize the futility of interfering with genuine communication. Through unnecessary relationship compromise and evasion of honest contact, you may become less true to yourself.

Keep conscious control of your life, or you may experience phases when its pace appears to increase, making you run faster on a treadmill just to keep in the same place. This could be the result of a social or mental whirl which makes you feel increasingly uncomfortable and could cause symptoms of ill-health and problems in decision-making. You are not always adept at making choices and decisions; you prefer gathering all facts and details prior to deciding. The difficulty lies in believing there are more facts to

accumulate, and so postponing choice. Perhaps relying more on intuition or 'gut feeling' could be experimented with.

Stocking your mind with knowledge and information will become one of your favorite occupations; and the world appears to you as a treasure trove of facts, interests, and fascinations. You want to accumulate as many of these as possible; and your need to understand will be a lifelong preoccupation, with interests spanning human knowledge and never resting in the search for more pieces of the human puzzle. At least through mental journeys you will explore the world, although physical travel may also appeal, and would broaden your perspective. It may be that success will come through leaving your place of birth, or through foreign contacts.

You need to focus your information gathering, so that you can synthesize your knowledge into something usable, something that reveals important truths about the human condition and the nature of life. If you can do this, you will provide extra meaning to both your own life and others' lives, as you concentrate more on inclusive ideas and less on fragmentary facts. As your vision extends, your ability to communicate will also become more effective.

(Bruno and Louise Huber)

The 9th house has to do with the development of individual thought, or spiritual autonomy. What is involved here is the 3-9 (or thought) axis. In the 3rd house, our task is to learn the language, and to absorb the knowledge, of the group. In childhood, we accept the thought-structures of our environment, of the group in which we live; and we are molded by the thinking of those around. The collective enshrines not only knowledge but also routine patterns of thought which are almost mechanical. Thinking in the 3rd house is fairly reflex, and travels along fixed lines.

In the 9th house, there is an awareness of, and an ability to distinguish, those thought structures and routines, those scripts or programs, which have become second nature. And not until this state of awareness is reached can we discard the things that do not tally with what we have worked out for ourselves. In the 9th house, we must create our own philosophy of life and strive for intellectual freedom. We must form a picture of the world that is as objective and as devoid of valuejudgements as possible, by examining things for ourselves, making up our minds about them, and so arriving at our own outlook on life. The evidence of our senses should provide food for thought. The ability to draw conclusions from what is observed, to follow the course of events, and to have clear ideas and a personal point of view, is typical of the 9th house. Our prerequisites are accurate observations and keen perceptions, from which valid results can be obtained, inferences made, and our own attitude developed. Muddled ideas carried over from the 3rd house can be full of prejudice, however, and may make it difficult to think clearly in the 9th house. Therefore, with the Node in the 9th house, we need to make a special effort to form our own opinions and to draw up a clear account of them. We

should try to avoid being led astray by others either intentionally or unintentionally, or by automatic responses of our own that spoil clarity and obstruct freedom of thought. If we come across a good idea, it is not good because it is said to be good, or because it emanates from some authority; it is good only if we can verify it by obtaining the same results. Verification is the task of the 9th house.

Keen senses are absolutely vital for clear thought. Keen senses are symbolized by Jupiter, the ruler of Sagittarius, which is the counterpart of the 9th house. Obviously, there is a connection between observation and thought, and this connection is represented by the 9th house (and by Sagittarius). Our senses need to be in good working order before we can make clear judgements.

We require the courage of our convictions when putting forward our own ideas. We need to be self-confident to trust our own observations and feelings, and not to be persuaded by the crowd that we have seen, or should see, something different. The 9th house encourages us to stick to our point of view, and to the truth we have discovered for ourselves. Of course, we must not think that we are always right or that we can do anything. The progress indicated by the Node in the 9th house comes about through expanded awareness by means of original thinking, travelling, and philosophizing, etc., after we have left the route charted for us by others. When we take an independent line, query what we are told, and experience things for ourselves, we learn what life really is.

North Node in the ninth house or Sagittarius: (James Braha)

If the North Node is in the ninth house or Sagittarius, the person's greatest growth, evolution, and fulfillment come through pursuing religion, philosophy, and higher knowledge. In past lives the person was intellectual, analytical, meticulous, precise, and skeptical. Now he is to cultivate faith, and concentrate on ideals, paradigms, and the ultimate truth of existence. The person should use wisdom and seek broad viewpoints. He must give credence to his intuition, feelings, and inspirations. He must take his visions and prophecies seriously, and give little importance to the petty and inconsequential in daily life. The person gains his greatest happiness by devoting his energies to spiritual ideals, mystical movements, and enlightened gurus. He is exceedingly gifted in promoting religion or any other knowledge which raises the consciousness of the masses. Publishing, as a career, is greatly favored.

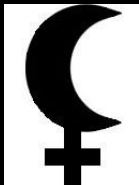

The person must continually discriminate between right and wrong, and even make a discipline of the process. He should seek freedom and liberation, and develop his soul conscience. Beliefs, principles, and morals are everything, and the person must maintain a positive outlook under all circumstance. The person is eternally concerned with profundities. He knows the meaning of life is to find perfection with God. Money, possessions, and material comforts are of little consideration. The person should seek to increase his generosity and charitable nature. Travel is a source of evolution; and the person may wish to engage in foreign affairs. He should take fun and recreation

seriously, and enjoy speculations when he feels the impulse.

The person may pay little attention to relationships with siblings and relatives. He must relinquish his previously constricted or microscopic way of thinking and allow his perception and insights to take him to the highest interpretation of life that is possible.

In Hindu astrology, the North Node in the ninth house indicates cravings for religion and higher knowledge, and great power after the age of forty-one. However, there may also be difficulties with the father and religious or spiritual teachers. The South Node in the third house means that the person is strong-willed, exciting and adventurous, and good at fulfilling his desires. It also signifies a spiritual, introspective, or introverted younger sibling. The nodes in the signs are much less significant.

If you have Black Moon Lilith in Cancer, the struggles you've encountered through your Lilith placement have made you adept at dealing with emotion. You learned that feelings can be a powerful tool when wielded properly.

However your Lilith wounds have manifested (which is determined by the house your Black Moon Lilith is located in), you've learned that safety is an illusion. Even the places and people around whom you feel most at home can change or be taken from you at any moment, and you never forget it. And yet, safety is what you crave the most. A quote I once read seems very fitting here: "I once mistook the feeling of safety for the condition of safety and I've been looking for someone to blame ever since."

To push back against the great insecurity this placement can bring, you have become an emotional wizard. You are hyper-vigilant, aware of the slightest shift in mood or atmosphere. When something is off, you are quick to nurture, comfort, or otherwise save the day. Allowing painful emotions to fester is anathema to you. You want to fix your loved ones' problems NOW and get back to the comfort you so deeply desire.

You are also driven to hold things together. It sometimes feels like your life will fly apart

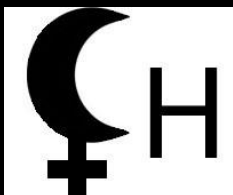

into a thousand pieces the moment you let your guard down. You spend so much time trying to keep things together – yourself, your relationships, your family, etc – that you are perpetually ready to crack under the weight. The fear of having everything fall apart is such a powerful force that you are willing to sacrifice almost anything to preserve what you have. By actively managing the emotions of the people around you, you create at least an illusion of security. In this way, you buy safety at the expense of your own inner peace.

Spending so much time managing other people's emotions creates an unusual relationship with your own. On the one hand, you are loath to assert your needs and emotions, preferring to keep them bottled up to avoid rocking the boat, and only letting them out when you are sure that it is safe and they'll be received well. But when all else fails, you are willing to weaponize your sensitivity as a last resort. In these rare moments, you'll plead with all the ferocity your deep emotional well can muster, appealing to the other person's higher nature or loyalty. The danger, of course, is that such displays leave you vulnerable. And if the other person fails to respond in the way you'd hoped, you're left feeling horribly betrayed and with no other cards to play.

One of the easiest ways to reduce the risk is to channel Cancer's opposite sign, Capricorn. Capricorn is just as sensitive as Cancer, but they prioritize differently. While Cancer may react to small changes in feelings, hoping to head any difficulty off at the pass, Capricorn is more concerned with actions. Capricorn says, "So they're in a bad mood. So what? Did they still take out the trash? Did they still, in ways large and small, show up for me? Then we're fine until they say we're not." Capricorn avoids much of the daily turmoil by ignoring the small ups and downs. Additionally, while Capricorn is also concerned with security, they approach it differently. For Cancer, security comes from the people around them. For Capricorn, security comes from relying on themselves. In that way, Cancer can redefine safety by incorporating self-reliance.

I could easily write a book on this placement alone, but let me end with this: Your uncanny ability to sense emotions and hold space for others' vulnerability is such a beautiful quality. It's also your superpower. As you work to build a world of safety and security, your skills will be needed more than ever. Just make sure that you build your own internal sense of safety first. You, too, deserve to be nurtured.

(Black Moon) Lilith ♀ in VIII 8th House

([1156] elsaelsa.com)

Fertilizer Bomb

If you have Lilith in the 8th house of your chart her themes will manifest in terms of fear, other people's money, psychology, and forces outside your control. This house brings to fruition many of the most intense aspects of the Lilith myth.

With Lilith in the 8th, there are wounds in terms of money, particularly the type of money you have to ask for and claim. You have likely been jerked around, treated unfairly, or outright denied by creditors, lenders, insurance companies, or in matters of inheritance. In one way or another, your rightful claim as been rejected.

In traditional astrology, the 8th house is known as the Idle House, or the house of lowering to the ground. It is where the vibrance of the Midheaven slowly sets until it has little power to affect the world. For this reason, it is also associated with death, taxes, and all powers that are greater than us and beyond our capacity to control. These are forces we can't mitigate or soften. We can't do anything but react. And with Lilith here, that feeling of powerlessness creates a primal rage. Lilith was victimized early on by forces outside her control, and the entire rest of her myth is the story of trying to harness her impotent fury into something she could use. With Lilith here, you, too, will rage and wail in frustration as your anger butts up against immovable objects over and over.

This is why Lilith in the 8th house also affects psychology. When all that righteous fury can find no external purchase, it is forced to turn inward. Here Lilith digs her talons into the fertile soil of the subconscious, and here she begins to find her power. With Lilith in the 8th, your own psyche is both a power to be feared and a source of infinite growth. As you churn the soil internally, new seeds begin to sprout. Seeds of freedom, of personal power, of spiritual resurrection.

There is so much to discuss with this placement – more than I could ever hope to convey in one post. But I will try to sum it up. When you encounter injustice at the hands of external powers far beyond what you could ever hope to control, it's natural to rage, fight, and flail. But that same fury has the capacity to become the greatest nourishment for your soul. Allow it to fertilize the darkest corners of your mind, and find in yourself a power that dwarfs that which sought to oppress you. Learn to wield that power and let it set you free.

Vesta in 10th House

When Vesta, the asteroid and keeper of the eternal flame, comes into your 10th house of your career as well as the way you are perceived in your career, this can indicate that traditional careers that require the same amount of energy and time each day may not be for you. You're much better off doing something that allows you to take time away as often as you need to. You thrive in the fields of healing, energy work, counseling and anything where you're being creative or of service to others.

The 10th house can also relate to bosses ~ the energy of someone you're working for is very important, if you're not working for yourself, which comes highly recommended. You don't do well working under someone who is going to micromanage you or contact you outside of work hours.

Chiron ♄ in ♋ Cancer 2° 7'

([1251] astromajesty.com)

Chiron in the fourth house is associated with family and relationships as Cancer is the hypersensitive and family-oriented sign. As Chiron is the element that represents healing and suppressed wounds, this placement speaks about pain that manifests in feelings of abandonment.

People with Chiron in Cancer care about their families more than anything. They are the source of happiness but also fears and personal issues.

Chiron in Cancer centers around emotions and love, which means that these individuals don't feel loved and protected. Their wounds come from family issues and childhood traumas.

Feeling unloved is the principal pain people with Chiron in Cancer struggle with throughout their life. Someone likely abandoned them when they were kids or they experienced a loss that they never managed to process fully.

Perhaps their parents divorced or a family member died, leaving them alone and without protection. It might even be that Cancer Chiron individuals lost a pet as kids, which is why they associate love with pain and loss. They experienced emotional trauma at an early age, and that's at the core of their greatest wound.

Despite everything, Cancer Chiron people are hopelessly romantic and they believe finding true love will cure their suffering. But they suppressed their pain so deeply that they find themselves unable to access it. Hence, they are unaware of what makes them feel so unlovable.

Due to believing that they don't deserve love, they like the idea of a relationship, but they are too afraid to pursue it. That creates endless feelings of loneliness and emptiness they don't know how to cure. Even when they try to confront their fear of love, they might be unable to find it.

Persons with Chiron in Cancer often didn't have the nurture one child deserves, which caused low self-confidence and self-esteem. They likely didn't receive the needed care and attention when it was crucial for healthy growth and development. That is the source of their feeling of unworthiness.

As grown-ups, they don't believe they deserve love and support, so they might avoid what can be the medicine for them. But even if they find a romantic partner or profound friendship, they usually still feel something is missing.

That is because they didn't address their primal wound and uncovered what caused it in the first place.

Cancer Chiron individuals tend to sabotage any possibility of relationships because they fear it will end in failure. On the other side, it's also not unlikely for them to suffocate others with affection and being too emotionally demanding.

Deep inside, these persons are hurt and in need of saving, but they often decide to save others instead.

They often help underprivileged groups, helpless people, and abandoned animals. Rescuing and providing these souls with support and resources allows Cancer Chiron people to give all the love they have.

However, they believe that's also a safe love to give and receive without being hurt in the process.

Even though people with Chiron in Cancer are usually gentle, sincere, and loving, if the placement is afflicted, they can be possessive and go to extreme lengths to keep someone. It is why it's not an utter surprise if Cancer Chiron people lie, manipulate, and cheat to make someone stay with them and feel loved.

Nevertheless, some Cancer Chiron individuals will avoid love and pursue unavailable or incompatible partners. Unconsciously, they seek people who will reinforce the belief that they are not worthy of love.

Sometimes Cancer Chiron people will imagine a relationship with persons who gave clear signals that they don't like them. They do that to confirm their idea of not deserving love.

The other type of Cancer Chiron people are the ones who need constant validation and attention from their partner. They need other persons to fill the emotional void, so they'll do whatever they can to achieve that.

That often means Cancer Chiron individuals will go beyond idealizing their loved one. Once the relationship ends, persons with Chiron in Cancer feel their world is shattered and there are no more reasons for life.

As they are highly emotional and sensitive, people with Chiron in Cancer tend to suffer from psychosomatic illnesses, such as stress, anxiety, and chronic fatigue syndrome.

Men with Chiron in Cancer

Males with Chiron in Cancer are likely to have a complicated relationship with their father. On the other side, their mother was probably the central figure and the source of support and love.

However, Cancer Chiron men found their dad disapproving, cold, or emotionally

detached. The lack of that connection caused a wound that they desperately want to heal.

On the flip side, the father was perhaps absent due to the passing at an early age or because he divorced from the mother.

However, the circumstances didn't allow Cancer Chiron men to develop a deep relationship with their dads. In some cases, the absent or unloving parent was the mother.

Regardless of which scenario is the one affecting Cancer Chiron men, they tend to chase unavailable partners who would fill the childhood needs their parents didn't. They usually fall in love deeply and fast.

But if they do find a person who genuinely gives them love and nurture, Cancer Chiron men can become too attached and clingy.

Chiron in Cancer placement also indicates that these men either see their fathers as superheroes or villains.

Hence, they tend to idealize and want to be like them, or to feel hate and aversion. In both cases, there is a strong bond and attachment, whether they like it or not.

These men also likely had bossy fathers who wanted their sons to choose a particular career or life path.

As a result, Cancer Chiron men are either avoiding anything that their father would approve or they are trying to meet all their expectations.

That can also manifest in the choice of their partner. Men with Chiron in Cancer tend to seek partners who would either infuriate or impress their parent.

Cancer Chiron males have to learn to look for partners who they will like and accept, not use them as means to provoke their family.

Thus, they need to confront their primal wound of feeling unloved or neglected to break the pattern of seeking wrong partners.

Summary

Cancer Chiron individuals are empaths, sensitive souls, and affectionate partners. They tend to have unresolved family issues and conflictious relationships with their parents.

These people likely had an absent or emotionally detached parent, which created the idea of not deserving love and being unworthy.

They care deeply about others, but depending on their emotional trauma, they tend to use friends and partners as a relief from their pain, or a way to confirm their fear that they will never be loved. It is why they often seek unattainable partners who will never commit or genuinely love them.

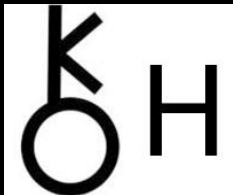

As family is at the core of their pain, distrust in people, and lack of faith in love, Cancer Chiron people have one task. They should find the quintessential Mother, the one who provides unconditional love.

However, that love is within themselves, and they need to uncover that everything they need is already there.

People with Chiron in Cancer need to learn that how they love themselves will reflect in their relationships.

Hence, these individuals have to accept that regardless of their past, they're already good enough and they deserve love.

Chiron ♄ in VIII 8th House

([1267] astromajesty.com)

People born with Chiron in the 8th house typically struggle with sexuality, intimacy, and mortality. It is a perplexing placement, and it may indicate experiencing a traumatic loss, death, or financial issues.

Anyway, this position will likely manifest through intimacy problems, not accepting death, or inheritance and tax complications.

Those with Chiron in the 8th house almost always have to go through life-changing events and occurrences that will leave them with trauma or emotional scars. It is the placement that forcefully makes one transform, grow, and develop.

These are not inherently this life's traumas. It can also be a memory, energy, or karma from the past life. Thus, the pain is typically related to dying, being abused, or losing a loved one.

However, it could also be that one is terrified of dying or experiencing the death of their family, friends, or partner.

Fear of death and illnesses

Yet, when they unite, the 8th house and Chiron usually bring one's most challenging fears to life. It is why these natives are likely to see someone die at an early age or have a near-death experience early in life. They also tend to be afraid of getting sick or have nightmares of their dear ones dealing with a life-threatening illness.

Chiron in the 8th house natives could also have a fascination with death, occultism, and kabbalism.

Thus, they could be curious about self-afflicted pain, provoking death and accidents. The darkness and danger often excite them and trigger their deep interest. It is what could lead them to turn to self-destruction or hurt others to see their response.

They are typically emotionally demanding in relationships and have issues with how they express their sexuality.

Those with Chiron in the 8th house tend to find it hard to relax with others, let go of their restraints, and be in the moment. They don't trust anyone, or they fear in advance that everyone will leave them.

It is what also makes them act awkward, shy, or embarrassed in front of potential lovers. Yet, they would do everything for others to like them, so they'll try hard and often do something that doesn't make them feel comfortable.

That results in not being sexually satisfied and generating frustration, self-doubts, and growing concerns of inadequacy. On the other side, they typically manage to satisfy their partners because they are highly intuitive and empathetic.

Those born with Chiron in the 8th house typically don't talk too much. They are observers and have analytical minds. It is why they will evaluate someone's posture and behavior before engaging in interaction.

These individuals are great at reading other people and picking up on their signals and cues. Others could perceive them as weird or scary, but that's usually due to their investigative personality.

Thus, as they question everything and everyone, they can see how others manipulate people and pull the right strings to get what they want.

But Chiron in the 8th house natives doesn't fall easily into those situations because they

anticipate and identify who could lie to them and use them.

Yet, they don't act as a judge because they understand why people do what they do. It doesn't mean that they won't become mad or disappointed, but they will consider the situation.

People born with Chiron in the 8th house are especially fond of children, animals, and those they perceive as innocent but caught up in unfavorable scenarios.

Thus, they often end up as healers of those on the margins and struggling in life.

Primal responses and feelings

They are much more complicated in love and lust connections because those relations trigger primal emotions and instincts in them. It is why they tend to become controlling, jealous, and manipulative.

If they doubt their partner and their loyalty, they can be full of rage and resentment or become obsessive and hysterical.

However, they mostly become hot-tempered or conniving because that's what they use to hide their insecurities and fear losing their partner. They try to control their loved ones and direct every move because they see it as the only way of ensuring their devotion.

Hence, their manipulation and mind-controlling games are a consequence of their vulnerability and lack of self-love.

If they manage to relax in intimate moments, they could find healing in their sexual expression or share the most vulnerable part of themselves with their partner. On the other side, sex can also be a lethal weapon that destroys their ego or self-esteem.

These individuals tend to perceive everything as a power struggle, including love and connections. They are afraid that one wrong move or word could make them look weak or chase their loved one away.

Healing potential

Their fear of giving in and being intimate likely tends to come from a traumatic experience concerning sexuality, including sexual violence, threat, or humiliating situation. These natives usually hide that trauma from everyone or even from themselves.

As a result, Chiron in the 8th house natives can't connect with anyone on a more profound level.

Regardless of how hard they try their defense mechanisms sabotage their effort. That is

especially significant regarding physical intimacy. They are afraid of others seeing them without their protective layers.

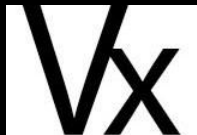

Nevertheless, these natives could use that pain to help others heal. If they learn how to overcome their inner troubles and fears, they could become healers.

But that requires confronting their inner demons and finding ways to overcome them.

Chiron ♄ in Rx retrograde movement

([1272] advanced-astrology.com:) Chiron retrograde natal suggests that you find it challenging to accept that humans are imperfect and vulnerable. This is not an easy lesson to learn at all for any of us, however, it's an organic part of human existence. Sometimes we hurt, just because we happened to be in the wrong place at the wrong time. There are uncomfortable truths that need to be faced, but also that things don't always work out, and injustice is a big part of human existence. When something bad happens, it's even worse when we feel that it's unfair. Chiron retrograde natal teaches us to accept the imperfections, because by acknowledging that you are hurt, you become whole sooner again.

By accepting this wisdom and not being strict in your ideals, nor judging those who still do not understand the higher truth, you will gain the trust of those whom you want to teach and with whom you want to communicate.

You do not judge other people, you just try to understand them and get to know them. This helps you accept that which is contrary or different from yourself. You have something important to say without forcing your ideas on anyone, or on those who are not ready to accept them. You learn to have much tolerance.

You also learn to recognize when is the right time to say things. You must give your

You have a highly developed intuitive faculties and can tap into super conscious levels of knowledge. You're often a leader in revolutionary activities or social, philosophical and scientific breakthroughs or changes. You're generally broad-minded, progressive and tolerant and your responses are alert, individualistic and quick. You will reject any role that is pushed upon you by family or society, insisting on your right to be and act according to you own inner truth and intuition. You will be unconventional, both in your appearance and in your outlook on life, the values of the past and of society in general do not appeal to you.

The pull of the future and the search for new values to meet ever changing conditions are more important. If the first house is involved, you're original, magnetic, independent and unpredictable and you may be prone to accidents or circulatory problems. If the twelfth house is involved, you have struggles and tensions on an unconscious level and may become addicted to secret cults and unusual societies, often causing psychological conflicts.

2) ► **Descendant** DC **Parallel** ☉ **Sun** - (0°28') ♏7 | ♌2

([149] astromatrix.org;) Seeking Approval

Opportunities: 1. Working in Teams 2. Leveraging Your Empathetic Skills

Challenges: 1. Finding Your Inner Security 2. Choosing Better who You Admire

The Sun opposite your Ascendant shows that you have a need to seek approval from others in order to feel good about yourself. The Sun is our self, what we essentially are, with the Sun on the 7th house cusp you need constant feedback from the world in order to feel that you are all right in the eyes of others, and so maintain your self-confidence and sense of self-worth. This can be quite problematic, and your solar center can lack cohesiveness.

You will attempt to find yourself through others, you can be quite good at decision making, negotiations, therapy, and other situations where being able to slip into another's shoes is advantageous. Decision-making is enjoyed best when shared with another person. You may tend to look up to and admire people who are really no better than yourself. You find it difficult to admire and respect yourself, so you project this on to other people.

If your Sun is in the 7th house, you will seek through marriage a relationship with the father archetype, either by playing the role of father or by expecting the 'other' to do it for you. If the Sun is in your 6th house, you may consider working partnerships to be especially important. You maybe 'fathering' others in the sense of providing some sort of identity for them. You are very proud of your partnerships.

Work on your own self confidence and inner security, inner child meditation and more self-love can help you integrate your Solar energies and give you more power to be yourself. You may feel as though life is not important without other people in your life especially a partner. In work you may also be a quite good investigator or analyst, and with that specialist role you would work well in a team. Work on your own self confidence and inner security. Inner child meditation and more self-love can help you integrate your solar energies and give you more power to be yourself. You may, however, still feel as though life is not important without other people in your life, especially a romantic partner.

So if you don't have one, start seeking. But always from a place of fullness. Only then will you be able to find what you seek.

3) ► **Descendant DC Parallel ♅ Neptune** - (0°48') ♁7 | ♃5

([210] astromatrix.org;) Idealistic Artist

Neptune Opposition your Natal Ascendant gives you a very emotional and sensitive personality. You are inclined to seek relationships through which you can live out some ideal. Just what this ideal is, you may not be too clear about; you may be attracted to people who have some sort of problem that you may think you can fix, thereby allowing you to express your compassion and understanding by helping them. Unfortunately, you will eventually realize that this person has no intention of changing, leaving you feeling let down and confused.

Be wary of your ideals, you may seek to find these ideals within society and be attracted to Gurus or other spiritual schools and environments. This is not necessarily a problem, unless you put too much emphasis on giving your own power and identity to these people or causes.

Your identity and ego are not properly formed and so you may seek to define it from your relationships with others. Instead of trying to live out your dreams through someone else

try to live them out yourself, if they are not impossible dreams, then you may find that you attract someone who can fulfil your needs, and still be themselves.

4) ► **Imum-Coeli** IC **Parallel** ☾ **Moon** - (1°07') ♀6 | ♄11

([161] astromatrix.org;) The Possessive

Opportunities: 1. Having a Family 2. Surrounding Yourself with the Right People

Challenges: 1. Using Your Energy Well 2. Sharing Your Inner Security

You are strongly attached to your home and your childhood. All your life, you will prefer familiar situations and objects and people you know well. You want to feel that you belong to a place and to someone, because belonging gives you a sense of security.

While you are young, it is extremely important that you have a sense of inner strength and security. If your life is confused and uncertain now, you will find it very difficult to overcome the effects of this problem when you are older. You would be very insecure and possessive of those you love. You would be jealous of anyone around you paying attention to someone else, fearing that they will stop paying attention to you. You would never feel 'good' enough, and your inner self would always be in uproar, with your emotions working against you.

Most of all, it would be difficult to get ahead in life, because you would be constantly trying to resolve your childhood problems. But if your home life is good and secure and your parents are caring and helpful, you will grow into a warm, loving and generous person. You will enjoy taking care of others and seeing that everyone's needs are met.

You will be able to express your feelings more powerfully than most people can, and you will have an inner security that can be shared by others wherever you go. Your love of the old and traditional will always be strong, and you will very much want to have a family of your own.

5) ► **Imum-Coeli** IC **Parallel** ☿ **Mercury** - (0°54') ♀6 | ♀6

([171] astromatrix.org;) Searching for Answers

Opportunities: 1. Learning from Other's Ideas 2. Creating Your Future

Challenges: 1. Accepting Your Past 2. Avoiding Being Overly Subjective

You will look deep within yourself for answers to the questions that come up in life. Your inner feelings will strongly influence your view of the world, and you will consider your own point of view to be the most important factor. But try not to get so wrapped up in your own way of seeing the world that you cannot imagine anyone else's point of view. Being too subjective is a serious danger with this aspect.

On the other hand, you will be able to communicate your ideas and feelings to others very easily, even while you are quite young. Your basic attitudes and opinions will take shape very early in life, and later it will be very difficult to change them. So, it is very important for you to be exposed to broad and sophisticated views of the world, because you will keep the ideas you learn now, even if they are narrow and intolerant.

You will think about your past a great deal, and you may spend too much time wondering if it could have been different. Do not worry about this, because you only have one past, and it is pointless to think about it, except to help you deal with the present. Because you are in touch with your feelings, you can react to a situation according to your real needs, but only if you concentrate on the present and future, not the past. It may be difficult, but you should examine your thinking and never take your feelings and ideas solely at face value. Probably your beliefs are based on what your parents and family taught you instead of on your own observations.

6) ► **Imum-Coeli** IC **Parallel** ♀ **Pallas** - (1°53') ♃6 | ♎5

([589] 12andus.com:) You are wise and intellectual but your gifts for strategy tend to shine more at home or in your personal life rather than in your career.

You may get cold feet when it comes to asserting yourself in public spaces or in your career path. You may prefer to not rock the boat. You don't easily challenge the status quo in your professional life.

Yet in your private life you can be a visionary. You may need to become more confident in yourself and your visionary powers so that you can become more of a champion for change and mentor to others in your professional life.

If you don't you may undermine your mission and campaign. You may also bypass opportunities to become the leader you could be. You can be a strong influence on others when it comes to matters of injustice but you will first have to make some decisions about your priorities. Your own ambitions may have to take a back seat to the strategies for justice and change that you could promote.

7) ► **Sun** ☉ **Contra-Parallel** ♂ **Uranus** - (1°01') ♃2 | ♎9

([146] astromatrix.org:) The Breaker Of Taboos

Both square and opposition aspects have a peculiar quality which is like an 'on-off switch'. Internal and external erratic behavior may be expected, which can lead to those dramatic and often drastic changes of behavior and lifestyle.

Within your hidden inner life, you are likely to feel undercurrents of restless activity, which, while peaking and troughing, are an ever-present participant in your nature. This can lead to nervous tensions and irritability, and an edgy tone to your energy which is often psychically communicated or received by others and experienced as an intangible sense of unease. Your emotional and mental moods are erratic, unpredictable and temperamental, creating sudden confusing changes and relationships, or even contradicting statements that you have just made. Sometimes you may fail to be aware of this lack of continuity that you exhibit.

Individuality and independence will be emphasized, with insistence upon your own

needs and freedom from all restrictions. This can manifest as a compulsion to display a rebellious antisocial attitude, mainly as a reactionary explosion of energy rather than any considered response which could also offer some viable alternative ways to follow. Your reactions are likely to be more negative in quality and content and may need a conscious degree of self-moderation to avoid an instinctive 'knee-jerk' response.

You may find that you obtain pleasure from seeing others react to your iconoclasm, as it can add some excitement to life, but it is unlikely to be inherently creative or positive action as you often fail to have anything of value which could replace whatever it is you are opposing. In many ways you are insecure, feeling lost and frustrated with both the world and you.

Your inner energy flow is uneven; sometimes you are highly charged and have difficulties dealing with that; other times the energy seems to be switched off, and life goes flat and colorless. You probably lack a stable cohesive center, missing the positivity of an adjusted planetary relationship to your Sun, and you may need to struggle towards establishing a firm, secure point of balance within your identity.

You can be hypersensitive but may tend to deny this aspect through feeling uncomfortable with your emotional nature and its ebb and flow, as this does not fit into that intellectualized self-image that you have developed. This can be quite illusory but is also a prop for you to center your identity around. These images can include considering yourself 'before your time', an unrecognized genius or artist, a cultural bohemian, a radical revolutionary, an important social adversary.

Glamorous images emerge from that high opinion of yourself and those peculiar insights and ideas that you attempt to communicate to others. There are likely to be some nuggets of gold scattered around, but often you fail to deliver, wisps of intentions dematerializing into the air. Your evaluations are often impractical, and due to diversions towards new glamorous ideas, or to an unfocused will, you often fail to develop fully any natural gifts.

While you tend to insist that your will is paramount, you really need to learn effective forms of social compromise, realizing your misapprehension of being the all-important center of the universe, which is symptomatic of an imbalanced Sun. Just learning to listen seriously to other points of view and perceptions on life can teach you much, in distinction to one of your behavior patterns which sees such contact and communication as a form of competitive challenge, mentally pitting yourself as an adversarial opponent of another point of view.

You may need to stop tilting against windmills. Your heroic quest should not be externally directed but internalized to achieve an inner transformation. This is not to imply that the windmills are not there - they probably are - but you need an effort to redirect and redistilling your nature and energies so that your solar center becomes

more powerful and integrative. A redefinition of rebellious spirit needs to be made by you, a re-channeling of your scattered energies.

Learning forms of relaxation or meditative techniques could become very important to your well-being and may help in this re-centering process of evoking the solar power. Highly strung nervous states are not beneficial to health. Relationships can also be fraught with problems, as your erratic hot and cold contributions are not always made in apt timing for your partner's behavior patterns.

You may need to be wary of making excessive emotional demands, especially as you may not be so balanced in your emotional nature, and you probably have a lack of understanding of that level. In many ways, it is likely to be an immature aspect of your nature and may require conscious development and further exploration. Attempts to restrict the freedom of others should also be guarded against.

8) ► **Sun** ☉ **Parallel** ♅ **Neptune** - (0°20') 132 | 75

([9] astromatrix.org;) The Dreamer

Any Neptune aspect to the Sun is likely to have a distinct impact on the individual expression of personal power, identity and life direction, so it becomes important to create a positive approach to the Neptunian energy and especially so with the more influential aspects of the conjunction, square and opposition. The difficulty with an unintegrated or repressed Neptune is that its influence often appears to be negative, and with the conjunction aspect it is imperative to discover a way of joining this energy to the natural form of expression that the Sun sign indicates.

You will probably experience an ongoing challenge of self-confidence and of establishing a suitable and satisfying lifestyle and sense of purpose. The nebulous influence of Neptune's sea mists tends to confuse you, dissolving many of your intentions away, and making your sense of individual identity almost transparent at times as that personality center seems to ebb and flow in tune with an inner tidal rhythm.

Because of an inner experience associated with insubstantiality, you can lack the strength of a firm and fixed individuality, and this has the effect of diminishing confidence regarding your actual capabilities and will to achieve any objectives. You can find it hard to be consistent and to persevere through self-discipline and application for long periods of time. Your identity can appear to be periodically submerged by the powerful Neptune energy, dissolving plans and ambitions, and then leaving you washed ashore in another inner place wondering what to do next even before you have completed the last project.

That ethereal Neptunian music will invade your conscious mind, acting as a diverting distraction, and in some cases can influence the listener to become lost in the swirling of your own hyperactive imagination, leading to self-delusions. Confronting the stark realities of life is not always easy with a prominent Neptune. There is a tendency to build a private reality, one which excludes the dark sides of self and the world, establishing a

veiled and limiting perspective of life which only generates activity by additional repression into the unconscious mind.

Personal responsibility is avoided if possible, and all experiences are filtered through this restrictive veil, a state that if prolonged leads to inner and outer alienation. Often these forms of self-delusion emanate from personal desires, emotions and sensitive feelings, as Neptune is associated with the plastic and pliable astral level. You may develop unusual needs and desires which are subtle, intangible yet peculiarly persistent, and you may feel inwardly driven to experience or actualize them in some way. For many, such hard-to-define feelings and yearnings create more confusion and self-deception, especially when attached to idealistic images of perfection and unrealistic expectations which can only bring disillusionment and disappointment in their wake.

For the few, Neptune may bring genuine inspiration, although, even in such cases, this may become mixed with desires of self-elevation and ambitions, especially in the sphere of the conjunction's house. One of the hardest lessons for anyone with a close Neptune aspect is facing the realities of life. Neptune finds such confrontations almost inimical to its sensitivities, preferring to slide away instead of looking. You may have noticed such evasiveness in your life, manifesting in a variety of disguises through the years.

9) ► **Moon ☾ Parallel ♀ Mercury - (0°13')** ♄11 | ♃6

([15] astromatrix.org;) The Busybody

Opportunities: 1. Expanding Your Consciousness 2. Aiming for Exponential Personal Growth

Challenges: 1. Seeing Other Perspectives 2. Accepting Criticism

All Moon-Mercury planetary contacts are concerned with the relationship and dynamics of the Moon's instinctual, feeling, and emotional tendencies, with the analytical, lower mind, and communicative abilities reflected by Mercury's natal chart position. This connection can imply the type of inner relationship between the more unconscious personality functions and those of the separative conscious mind and ego.

The close conjunction of Moon and Mercury suggests a relatively open channel between your unconscious mind and your rational mind; exactly how this relationship works may, however, be variable, with both the strengths and weaknesses of each planet displayed over time. Rationality assumes higher priority, and possible conflict may revolve around times when lunar messages contradict Mercury messages. Repressing either Moon or Mercury principles is always possible.

You can be friendly and sociable, with others relating to you easily, and often trusting you as a confidante, as they recognize your sympathetic understanding. The Mercury dimension appears as intellectual and imaginative abilities, as well as a positive attitude to life's experiences. You believe that lessons can be usefully learned from whatever happens and that 'experience' is truly the best teacher. You can benefit from formal study, as you are able to absorb information relatively easily, but the ideal type of study

is one which also involves a positive emotional response, so that the Moon is also included.

The main challenge is to unite both Moon and Mercury qualities consistently so co-operation results, and not conflict. You need to distinguish between opposing inner messages, identifying those associated with the Moon - habitual security, instinctual and emotional patterns - and those which the Mercury-influenced logical mind presents. These messages can be either complementary or conflicting and to evaluate which requires your self-understanding. Real success only comes when the partnership is harmonious.

10) ► **Moon** ☾ **Contra-Parallel** ♂ **Mars** - (1°50') ♄11 | ♀7

([154] astromatrix.org;) Don't Tred On Me

Opportunities: 1. Living Life with Less Volatility 2. Embracing Broader Perspective

Challenges: 1. Rebalancing Yourself 2. Admitting Your Flaws

Inner tensions and unresolved issues are likely to be projected into social relationships, this creates difficult experiences and a scene for crisis' or turning points. Your inner pressures are released within relationships, through arguments, dissension, provocation, and antagonism; you take advantage of even trivial issues to turn them into energy-filled confrontations and clashes.

This will obviously affect career prospects and domestic life; these rebellious feelings will always be stimulated by anyone imposing his or her will on you through authority, orders, or criticism. Anyone crossing this line and irritating your feelings is liable to be confronted by an extremely obstinate and stubborn character. Co-workers will soon lose patience with an emotionally erratic colleague, who can suddenly become aggressive when facing criticism or personal comment; people will learn to withdraw from contact if you behave in this way. You feel emotionally uncomfortable; others may find you hard to understand.

You need to resolve the difficulty of instincts and emotions co-operating with an active and assertive Martian energy. Sometimes you may favor one of the planets, when this is temporarily Mars, you are liable to act impulsively, making sudden decisions which could be irrational, foolish, and lacking in forethought. Yet such actions may sometimes allow you to break free from restrictive situations.

Expressing the lunar energy may encourage cautious self-protection, remaining with the status quo, and being afraid to move beyond familiar behavior patterns. The challenge is to unite both energies, honoring each as equally valid and necessary for a well-balanced personality. Part of this aggressive and assertive nature may be rooted in your relationship with your mother.

Childhood feelings may have been denied through a lack of emotional contact, or through having to submit to an oppressive home regime of duty and behavior. In adult

life, you refuse to submit to this again, yet unconsciously repeat the pattern by attempting to impose your will on others. Hoping to gain superiority, you may be too assertive in your desire to become a leader and not a follower. This often results in a distorted self-image, both to yourself and to others, as you fall into the trap of becoming 'number one' and behaving in ways which are cold, arrogant, and overly assertive.

You hate others resisting your will and when this happens, you respond with a personal attack. Sometimes such an antagonistic stance may succeed; but eventually its costs far exceed those of other more moderate approaches. Yet your personality can appear attractive to many and there is certainly a validity that can intrigue some, even though it is often a distorted expression of the planetary energies.

Choosing companions, both friends and lovers, is one area where weaknesses may appear, as you are often attracted to people who turn out to be unsuitable characters with equally volatile emotional difficulties. Intimate relationships may be limited to physical expression, or entered for material reasons, as you may repress the deeper emotional and subtler dimensions of interpersonal contact. Sustaining relationships is difficult as time passes and once initial attractions fade, relationships collapse; satiating superficial feelings is easier than dealing with your deeper needs; and you prefer to avoid these.

You are drawn toward 'exciting experiences' which lead into dubious areas of life, where 'excitement' may not prove beneficial. Much depends on your choice of fellow travelers, as personality tendencies can dissipate and deplete energies if efforts are not consistently made to reunify conflicting traits. In a similar way, you may fail to fulfill promises made to others through inner changeability and commitment, and responsible behavior may not be your strongest assets.

Routines and partnerships may fail to satisfy; reactions against fixed life-style patterns may pose relaxation difficulties, creating psychosomatic illnesses associated with stomach tensions and digestion problems. Repressing genuine feelings is not wise. You may need to acknowledge your lunar qualities more openly and find space in your life to allow proper expression.

Lessons are needed to discover how compromise is important in developing better relations. You may need to find new forms of self-assertion, which recognize that others exist too and should be given equal respect. This can help to moderate your overbearing tendencies.

Through greater insight, you can gain relationship clarity, with perspective, realism, and more positive attitudes proving highly transforming as self-centered behaviors diminish. Accepting the need to live harmoniously with others can readjust your sense of proportion and help you realize that you can contribute to the well-being of all, instead of merely indulging in alienated antagonism.

15) ► **Venus** ♀ **Contra-Parallel** ♄ **Saturn** - (0°52') ♀5 | ♀4

([175] astromatrix.org;) Underestimating Selfworth

The opposition between Venus and Saturn shows emotional frustrations. This is a difficult aspect as the harshness of Saturn weighs heavily on the affairs of Venus such as happiness, harmonious relationships, artistic endeavors, and financial security.

You may look at your accomplishments with continuous dissatisfaction, underestimating your self-worth. You may not have received the encouragement that you needed when you were younger, and you tend to shy away from competition because of a resulting lack of confidence.

Your circumstance didn't give you the chance to receive emotional nurturing as a child, you may still be living the life of emotional self-denial, unconsciously believing this is what you deserve. You may have to make concessions to others to maintain normal relations. Often you wonder if it's really worth the effort.

Avoid a tendency to undervalue yourself and your ability to make a worthwhile contribution. The development of a positive attitude can be your most valuable asset. This is not an easy task and what needs to be done is to find out how to meet your own emotional needs not from other people. Try to also listen and be more receptive to others emotional needs and how they differ from your own, how can you realign your needs with others.

You tend to suppress your emotional side and the more you can work on being expressive and vulnerable the more success you will have. Your mature and responsible attitude is a positive aspect of this sign, but it can cause depression and self-loathing.

Because you think of being a child as immature or inferior you do not allow yourself to feel the joy of childlike innocence. Learning to accept all emotions within yourself can help you loosen the tight hold you have over your emotions.

18) ► **Venus ♀ Contra-Parallel ♄ Chiron** - (0°45') ♈5 | ♉8

([120] astrotarot.net:) Typical features that this opposition brings: this aspect is almost always more about the relationship to yourself than the relationship to others. 19) ► **Mars** ♂ **Contra-Parallel** ♅ **Pluto** - (0°28') ♀7 | ♃1

([186] astromatrix.org;) To Win At Any Cost

The opposition aspect tends to reflect an inner conflict in you, that of a clash between your personal desires and a possible contributing positive role in society, as represented by the opposition between the personal Mars desires and the more socially orientated Pluto.

You probably require a greater understanding of the nature of personal power, the right application of it to benefit the group rather than to satisfy purely personal aims and desires, especially as you may have the tendency to take advantage of a group's power and influence to further your own ambitions.

Your nature will express a forceful will, which can be experienced by others as aggressiveness, making them avoid too close a contact with you; in fact, you often appear to be quite unaware of your effect on people; and a greater sensitivity to the rights and reality of others is a quality that you could do well to help develop. This would help minimize any negative effect you may have on others, especially those in close relationship to you, whom you often attempt to dominate.

Control in an intimate context is attractive to you; and you are likely to have an intense and powerful sexual nature, which at times can lead towards an affinity with forms of potentially violent passion and sexual undertones. You tend to link sex with power as an exaltation of personal force; and this can stimulate certain problems, although some potential partners can find the sheer physicality extremely exciting and provocative. This, plus the psychological manipulation that you attempt, can lead to stormy relations; and you are probably wiser to moderate and discipline your release of energy through a controlled awareness of its impact on others.

You may observe that your flow of sexual energy can be erratic and irregular, where your passions are either 'hot' or very 'cold', and you are basically unable to regulate them according to demand or switch them on. In your home life, you may find problems arising in the spheres of financial management, and power struggles, and on the emotional levels of relationships. You probably find that your emotions are driven by the force of passion and sexual energy, and that you have a lack of real understanding of their nature, as they tend to be swept along on the tide. Perhaps this is why you often demonstrate little awareness of the emotions of others in everyday life, as yours are often held in a state of suspended repression, like waters blocked from following their natural route by a dam wall.

If the emotional level was released carefully and consistently in a healthy way, the blocked Pluto energy operating on that level could be freed, and many of your problems would begin to dissolve, leading to personal transformation. This would then adjust the level of force and suppressed violence in you, so that you would deal with your power more positively.

This would lead to a clearer perception of self and others, allowing partners more personal freedom through mutual agreement and compromise, rather than your previous imposition of will. Taking such a course could develop also towards greater social involvement, using your energy in positive and creative channels, realizing that if you can change from living mainly to satisfy purely personal desires at the expense of others, then there is the potential for a self-centered violent society to change from exploitation to co-operation and mutual benefit.

20) ► **Mars** ♂ **Parallel** ♀ **Ceres** - (0°21') ♃7 | 004

([562] 12andus.com:) Your passion for others shows in your nurturing style. You can be direct and focused on those you love.

When you care about someone you want to act as their protector. You'll advocate for them and may go over the top to show how you feel. Others may be intimidated by your intense desire to intervene on their behalf.

You may find it difficult to hold back when you care about someone. You can be highly motivated to act as a champion for your loved ones. To nurture yourself you know just when and how to set boundaries and assert what you need.

21) ► **Mars** ♂ **Contra-Parallel** ♀ **Pallas** - (1°04') ♃7 | ♃1

([580] 12andus.com:) You are ambitious and strong willed. Though you try to fight for what you believe in, you sometimes lose your focus.

You may become too distracted by how your mission reflects on you rather than the purpose and goal in general. You may become so lost in the "fight" that you forget what you are fighting for.

It may take patience and practice for you to find a balance between strategizing for your campaign or mission as opposed to fighting only for an image you want to maintain. You may work against your best goals and prospects because of the tendency to burn bridges.

When you soften your approach you can remain focused and determined, passionate and outspoken yet also win over allies rather than alienating them. You can be otherwise narrowly focused.

If you need to strategize a way to promote your mission, you find it easier to jump right

into the fray and take action. Your efforts may be noble but if you have not taken the time to analyze or collaborate, you may expend energy better directed in other ways. Slowing down can help you assert your ideas and remain energized while having better overall results.

22) ► **Jupiter** ♃ **Parallel** ♌ **North-Node** - (1°27') ♀3 | ♎9

([66] astromatrix.org;) Learning Moderation

With North Node conjunct Jupiter good deeds in the past bring opportunities for spiritual/material wealth. There is a healthy desire to acquire material things and many advantages may result from developing financial self-sufficiency. There is a lot of optimism present but in its more negative effects there may be extravagance or over-optimism. The house position of Jupiter shows where there may be a degree of enthusiasm, over-optimism, optimism, or where things are taken for granted.

There may be some excessiveness or indulgence. This is pretty much fine though, because that house also shows where there is luck. Similar to North Node conjunct the Sun, there are blessings, benefits, protection, and often a life that is free of karmic debts. At its worst, there may be greed, though this is quite a benign aspect as far as any harm that may be caused to others. Sometimes the aspect offers more in the way of spiritual blessings than material ones, but Jupiter is expanding the effect of the Nodes, so it is more important to align yourself with this energy, especially for opportunities of deep growth and spirituality.

Attempts at expansion of the self or mind will be encouraged and accepted. This is a placement associated with karmic luck. Your generosity and optimism will help you and bring you good fortune. There is a tendency to take things for granted here. You may attain popularity very easily or achieve success so fast that you fail to properly value it. Another key issue this placement has to watch out for is the tendency to overdo things. Don't overindulge, don't be overly generous. Learn moderation.

24) ► **Saturn** ♄ **Parallel** ☾ **South-Node** - (1°30') 004 | ♁3

([203] astromatrix.org;) Rigid Habits

An outer planet in conjunction with one of the lunar nodes is a planet of special significance. This increases the importance of Saturn in your life.

With North Node opposition Saturn, this suggests you have learnt a good dose of Saturnine attitudes. While this can come out in a positive way, it is a potentially constricting aspect right from the start, due to the limiting and pessimistic nature of old, worrying Saturn.

You may have rigid habits or outlook, and your ambitions may be so far removed from what is the accepted norm by modern society that you could create a world of isolation, detached from life, ignoring social duties. This is potentially the hardest past-life life influence from which to escape.

It is easy for you to become stubborn or stuck in the past. You are bound to the old methods and mindsets, having many connections with elders. The house placement of Saturn shows where ideas or attitudes of the past keep them a prisoner. Your outlook may be gloomy, pessimistic or you may appear as miserly or selfish.

Major circumstances in your past life or early childhood may have caused you to develop a restricted, cynical worldview. Your judgmental, overly traditional, sour outlook will inspire much opposition in others.

Working on the positives of Saturn discipline, responsibility, organization and respect for boundaries, it provides the opportunity to do work of such remarkable mastery, precision, and expertise you can be in a class of your own, where the competition simply cannot touch you.

25) ► **Saturn** ♄ **Contra-Parallel** ♀ **Juno** - (0°37') 004 | ♃10

([599] 12andus.com;) You may feel torn between your desire for a mature and serious partnership and your desire for complete control over your destiny.

You will take your partnerships seriously and may look to partnerships to provide stability, yet you also feel a great obligation to your own preferences and priorities.

When your personal priorities or sense of control clashes with the needs of your relationship, you may feel conflicted and even sabotage the relationship.

You need your feelings of stability and security to be assured and a relationship that doesn't guarantee that will face conflicts. You may place work, money or career ambitions above even your most cherished partnerships and relationships.

When you find greater security within yourself and in your partnership, you can let go of some of the controlling antics and desires for wealth, status and achievements that otherwise makes you feel secure.

When you reach this point, your relationships may be more harmonious and you won't feel the need, to be as controlled and disciplined about your partnerships.

You may have a unique and independent style of expressing your connection to the

spiritual world as well. When you are following your rebellious and powerful inner nature, you're also following into step with your larger spiritual calling.

([25] astromatrix.org;) Emotional Power

Opportunities: 1. Capitalizing on Your Sensitivity 2. Getting the Emotional Support You Need

Challenges: 1. Changing as You Go Through Life 2. Building an Empathetic Career
Your emotions are very powerful, and you are quite sensitive to the feelings of others as well. What happens while you are young will have a very strong effect on your future life, so that the attitudes and patterns you pick up in youth will be very hard to change as you get older.

It is also likely that the career you choose will be influenced by your ideas in youth. Your mother may have more to do with the career you choose than your father. If your relationship with your mother is not good, it could cause psychological problems throughout your life that would affect your work and your goals in life very badly. You need her emotional support very much.

Be careful not to believe passively that the world will surely take care of you. You probably will receive a great deal of help from others, especially women, but, like anyone else, you will have to work to make the best of it. You should be very good at getting along with the public, because you can make people feel that you belong with them.

You have genuine sympathy for people, especially those who remind you of people you knew when you were young. This placement can indicate that in your career you will work with the public or large groups of people. Your profession might involve protecting and taking care of people, or you might be in advertising or public relations.

([187] astromatrix.org;) Lacking Confidence

Opportunities: 1. Creating a Nice Home 2. Surrounding Yourself with Beauty

Challenges: 1. Dealing with Life's Practicalities 2. Knowing Yourself

The placement of Mars Opposition to your natal Ascendant creates a tense and volatile personality. This may be seen in yourself or projected onto your outside environment and people close to you. You like competition and challenging situations; you tend to

attract people who will oppose your ideas or opinions.

Your self-image is distorted and too much worth is put on outside interactions, especially with one on one partnerships. Compromise and co-operation are key themes that need learning with this position, you tend to argue first and ask questions later, and this can make you hard to get along with at times. While you may see compromise as something for the weak, it actually takes great strength of character to meet others halfway.

It is often the case that we experience the difficulties of an opposition aspect through the behavior of other people, or actually seek that quality in another. This is particularly true here, since an opposition to the Ascendant places Mars on the 7th house cusp, the house of relationships. Hence, you may often attract people who express the qualities described above, who challenge you in some way, forcing you to stand up for yourself and develop your qualities of independence and self-determination.

([171] astromatrix.org;) Searching for Answers

Opportunities: 1. Learning from Other's Ideas 2. Creating Your Future

Challenges: 1. Accepting Your Past 2. Avoiding Being Overly Subjective

You will look deep within yourself for answers to the questions that come up in life. Your inner feelings will strongly influence your view of the world, and you will consider your own point of view to be the most important factor. But try not to get so wrapped up in your own way of seeing the world that you cannot imagine anyone else's point of view. Being too subjective is a serious danger with this aspect.

On the other hand, you will be able to communicate your ideas and feelings to others very easily, even while you are quite young. Your basic attitudes and opinions will take shape very early in life, and later it will be very difficult to change them. So, it is very important for you to be exposed to broad and sophisticated views of the world, because you will keep the ideas you learn now, even if they are narrow and intolerant.

You will think about your past a great deal, and you may spend too much time wondering if it could have been different. Do not worry about this, because you only have one past, and it is pointless to think about it, except to help you deal with the present. Because you are in touch with your feelings, you can react to a situation according to your real needs, but only if you concentrate on the present and future, not the past. It may be difficult, but you should examine your thinking and never take your feelings and ideas solely at face value. Probably your beliefs are based on what your parents and family taught you instead of on your own observations.

13) ► **Moon** ☾ **Opposition** ♀ **Mercury** - (2°56' A) ♀11 | ♀6

([152] astromatrix.org.) Where To Go And Why

Opportunities: 1. Gaining Greater Inner Harmony 2. Perceiving the World More Clearly

Challenges: 1. Rebalancing Yourself 2. Admitting Your Flaws

With the opposition, friction between Moon and Mercury results in emotions, instincts, and feelings pulling in one direction, and rationality, logic, and conscious mind moving in an opposite direction. This inner disharmony is then reflected through projection onto the external world, influencing your relationships. While this inner division remains unresolved, relationship conflicts will persist.

Decision-making can prove difficult, and you may rely on others deciding for you, as you cannot determine which path to follow, whether to choose instincts, emotions, or rationality. Inner unity, when both messages coincide, is a rare experience for you. This situation can stultify actions and choices, distorting perceptions and judgment. Confusion often results, with regular changes of mind or heart which disturb and disrupt relationships.

Sometimes attempting to break through an impasse may force you to act impulsively and instinctively with variable results. Equally, responses can be emotionally biased, devoid of rational evaluation or common sense. Alternatively, Mercury can dominate, with an extremely cold perception which succeeds mainly in temporarily denying any emotional feeling at all.

You can be insensitive and offensive to others, unaware of a lack of tact, sensitivity, and diplomacy, although you are quick to rise to others who criticize you personally. Like everyone else, there are times (many, many times) when you will be 'wrong' in life, as no-one is infallible. You may need to learn how to admit mistakes, however. Increasingly imbalanced, unconscious emotional patterns can distort inner messages and life perceptions, diminishing your ability for clear thinking and clear communication.

Compulsive talking can occur as a compensation for effective relationship, although what is often noticeable is that this lacks depth and content. What is required is self-understanding and integration between your emotional and rational nature. Clarity and awareness are needed regarding these lunar patterns of emotional need, dependency,

and the reliance of security and stability.

With the Mercury influence, rationality and objectivity are required to help rebalance inner disharmony. The challenge is to integrate these two opposing messages. Until some progress is made, self-expression can be restricted and distorted. Favoring either planet creates conflict; honoring each planet is the route to wholeness, and the key to resolving this psychological imbalance.

14) ► **Mars** ♂ **Opposition** ♀ **Pallas** - (9°55' S) ♃7 | ♃1

([580] 12andus.com:) You are ambitious and strong willed. Though you try to fight for what you believe in, you sometimes lose your focus.

You may become too distracted by how your mission reflects on you rather than the purpose and goal in general. You may become so lost in the "fight" that you forget what you are fighting for.

It may take patience and practice for you to find a balance between strategizing for your campaign or mission as opposed to fighting only for an image you want to maintain. You may work against your best goals and prospects because of the tendency to burn bridges.

When you soften your approach you can remain focused and determined, passionate and outspoken yet also win over allies rather than alienating them. You can be otherwise narrowly focused.

If you need to strategize a way to promote your mission, you find it easier to jump right into the fray and take action. Your efforts may be noble but if you have not taken the time to analyze or collaborate, you may expend energy better directed in other ways. Slowing down can help you assert your ideas and remain energized while having better overall results.

15) ► **Jupiter** ♃ **Opposition** ♄ **Uranus** - (8°10' A) ♃3 | ♃9

([191] astromatrix.org:) The Unsatisfied Seeker

Most of the challenges that are likely to face the individual with this aspect will be centered on personal beliefs and expression, and relationships with others. You are likely to have a bright, alert, intellectual mind, and a sense of self-assurance which can be expressed with enthusiasm and dynamic energy.

Over time you will amass a large storehouse of knowledge, which you can use in your efforts to become successful and creative. What is likely to disrupt the results of such natural assets is the influence of the Uranian opposition, which essentially distorts the outer expression. It is in the spheres of judgment and sensitivity that you may find difficulties occurring.

Under the expansionist tendencies of both Jupiter and Uranus, you can easily become over-enthusiastic about ideas, business schemes or unconventional beliefs. Allied to an erratic, restless tendency, this can lead you to become involved in highly speculative business ventures where your obsession with the project idea can override any real rational analysis of financial feasibility.

Often your attachment to ideas veers towards investing them with elements of fantasy and imagination, which can lack a real applicability within daily life, also adding a distorting factor. There is likely to be some conflict with established traditional beliefs and social attitudes, especially in the areas of religion and politics; and you may become involved with radical politics or more unusual religious and spiritual beliefs. These will hold considerable personal meaning for you; and you will feel impelled to share these with others. Often despite that clever mind, there is an element of simplicity and faith in you, which can become naivety at times. If a belief resonates with that point of imagination within, you can accept it then with little questioning, because really you are looking for a sense of center and security; and a belief structure appears to offer this. You may need to be wary of an urge to convert others to your beliefs which, whilst genuinely held, may not be suitable for everyone.

If others oppose you, this serves to reinforce your support of your beliefs against any odds; you can feel that this often validates them. There can be a tendency to be too domineering in expression, founded on that strong self-assurance; and in relating there is often a lack of tact and sensitivity to the feelings and abilities of others. Not everyone has your ability to be so focused on achieving important objectives; many vacillate, or sit on the fence, instead of choosing to be on one side or the other. Also, others have different requirements for life experience from yours, different challenges; and they may be following their path as much as you are following yours.

Eventually, you may find that the Uranus action causes you to revolt against any belief structures to which you have bound yourself. At least for a period, you may have to stand alone and adrift from security in beliefs; this can occur as a result of disillusionment and a collapse in your faith in a specific belief. Yet this can be liberating, since in the experience of such a phase of inner darkness, your own light may be perceived and contacted, enabling you to live more freely and attuned to your own life pattern through later life. Identification with outer belief structures can be personally inimical and restrictive.

You are sensitive to others' feelings and feel responsibly concerned to encourage social reform to improve the quality of life.

You may enter work involving public service, perhaps in an administrative role rather than in a directly caring position, as you have business and organizational skills. In directing your life, you believe in the principle that 'energy follows thought'; and visualizing your intention is the first step toward making it real. 34) ► **Jupiter** ♃ **Sextile** ♄ **Neptune** - (3°00' S) ♃3 | ♄5

([273] astromatrix.org;) The Magician

The sextile includes several of the themes of the conjunction, but often develops and defines them more clearly within the individual, and so they are probably easier to deal with and apply in daily life.

In personal relationships, that tendency towards gullibility is still present, aided and abetted by powerful sensitive feelings and emotions that encourage you to believe in the commitment of your partner who satisfies your needs and desires. Your evaluation of the status of your intimate relationships may be unrealistic, and there are bound to be times when your belief in the aptness of your choices is later seen to be merely self-deception; wherever your emotions are involved, they are the source for many illusions and much vulnerability. Standing beside you in the shadows of love is always the prospect of disappointment. Take more time to know someone, be more cautious and check with them how they feel about the relationships too; do not just assume that because you feel in love and happy, they feel the same. They may... but the rising divorce rate seems to indicate that the reverse is, regrettably, often the real situation.

The theme that is more defined in the sextile is that of optimism, imagination and idealism. The likelihood is that this will be more focused within your mind, and that your lifestyle will reflect this more clearly. In you, faith and trust become a more optimistic spirit looking towards future prospects and opportunities. The sphere of expansion is in that direction, and much attention is likely to be paid to contemporary social problems. This vision is probably radical in nature, and often veering to the 'New Age' perspective. You are alert and aware enough of social conditions, desires and needs, yet you also add a broader perspective to what is currently occurring and what needs to occur in order to build a brighter future.

You are capable of an analysis of modern social problems, seeing intrinsic dangers there, and can be articulate in raising these issues. You may become involved in groups that are public voices for such concerns, those minority pressure groups that perform such an essential public service in the Western world. The failings of established political, religious and social power blocs should be recognized, although you may choose to work within them as an influence for inner change.

You value individualism highly and see how others can be unconsciously swept along by powerful ideologies and socially acceptable ways of behaving. This can encourage you to make your own stand against any negative social ideologies that are currently powerful, even those emanating from governments and the churches. You may become a publicist for your ideas and those of affinity groups in an attempt to alert public attention to what is occurring.

Idealism will be vitally important to you, and you will feel quite passionate about those ideals. Yet what can let you down is the fact that you are essentially a theorist, in that activity is via a mental perspective, and the ability to ground your vision is often lacking in basic common sense and practicality. At worst, you may recognize social problems, acknowledging that you do have a social responsibility and then fail to take any action about it. Your innate altruistic and humanitarian nature can remain inhibited. If this is happening, and it is partly a symptom of an unintegrated Neptune which dissolves the will to act, then you may need to give yourself a shake. Certainly, social change does need visions and theories, but ultimately these have to be anchored on this level, and that inevitably involves a transformation of their nature, often compromising the initial pristine vision. They never come through pure; and they often come through channels and areas of life that are surprising and unexpected.

There are 'thinkers and doers', and ideally the two need to work together, but even the thinkers can become more practical, even if thinking is their real task and not just an excuse for doing nothing. One simple step is to transfer money towards those who are 'doing' and support them in that way. Or you can evaluate your skills and resources; you should have an articulate imagination, which could be positively applied in the publicizing of vital issues, be inspirational, or express positive social ideals. These are possible channels for you to work along which will be beneficial to yourself and others and will avoid any tendency to retreat into isolated reactive theories, a private monastery of the mind.

We can all complain about aspects of life; but the issue is 'what are we doing about them?' We can all do something, and even if our contribution is apparently small and insignificant, collectively we can make a difference.

41) ► **Ascendant ASC Square ♄ Saturn** - (5°20' A) ♄1 | ♀4

([442] astromatrix.org;) Afraid Of Opposition

The Ascendant and Saturn in a square aspect indicate some difficulty in expressing yourself as freely as you would like. You tend to be hesitant and reserved when meeting new people, a reaction that you find intensely frustrating since you don't feel that you are getting across the real you. Perhaps when you were a child you felt unable to express yourself openly to your parents, your natural childhood enthusiasm had to be tempered with rules and limitations on your behavior.

It may take you sometime to develop your self-confidence when you are dealing with other people. It is important to do this so you can improve your relationship and communication abilities. 43) ► **Midheaven MC Square ♃ Jupiter** - (7°04' A) ♃12 | ♃3

([437] astromatrix.org;) All About Me

You have a lot of energy, and you want to accomplish something in life, but you will have to learn how to balance your own interests with the interests of other people in your life. If you do that, you can have good relations with others and achieve what you want as well.

Sometimes this aspect indicates a very selfish attitude, a feeling that you are the only one who counts in this world. If you carry this too far, you will find that everyone you meet works against you because you seem so selfish and arrogant or just because you come on too strong. Sometimes this aspect means you have conflicts with authority figures, because they feel that you are trying to get above your proper place or that you are a threat to them.

While you are young, you should avoid getting a reputation as a smart aleck, because such people do not get many breaks from others, especially those above them. You have a very strong belief in right and wrong, but you must learn to have more

compassion for those who are on the wrong track.

You are strongly tempted to preach to people who are in error, and you may do this at times. But then everyone will watch you to see what kinds of mistakes you make. If you can be humbler and realize that you do not have all the answers, you can convert the negative elements of this aspect to a very positive energy.

Others will feel very good about you, knowing they can trust you to do whatever is right and necessary in a situation.

44) ► **Sun** ☉ **Square** ♀ **Venus** - (0°59' A) 132 | 75

[376] [377] [378] [403] (No interpretation because this is only possible in the Dwad/Harmonic -charts, not in Natal.)

Interpretation from transit:

([403] astromatrix.org:) Waiting For Better Weather

Opportunities: 1. Being Loving 2. Channeling Creative Energy

Challenges: 1. Avoiding Overindulgence 2. Dealing with Disagreements

([376] astrotransits.com:) In general, unwise spending, passivity, and laziness are the theme here.

([377] thefutureminders.com:) Motivated by pleasure, you tend to look for people and things that gratify you. While generally an enjoyable day, certain conditions may make you aware of what is missing in your life. By recognizing any discord, you can take steps to harmonize whatever is out of tune. Expressing happiness often depends on being noticed and appreciated. When unfulfilled for any reason, you may prefer to indulge yourself - especially with sweets. Love yourself and others regardless of the conditions.

([378] astrologyking.com:) There is a need for love and affection but you have to make the effort by first giving the love. Things will only turn ugly if you use people to satisfy your need for pleasure, or if you spend too much money on things for short-term enjoyment. The need to express Venus's energy can also be positively channeled through art and craft.

45) ► **Sun** ☉ **Square** ♀ **Neptune** - (4°40' S) 132 | 75

([383] astromatrix.org:) Self Deception

This indicates tendencies of psychologically based inhibitions, restrictions and frustrations which pose considerable challenges that need overcoming before the more positive characteristics of Neptune and the Sun emerge.

You tend to lack confidence in your identity and ability to achieve your ambitions. Part of this may have been derived from your parental relationships, especially with the father, as your developing nature may have experienced conflict through lack of understanding or of perceived love; it may have been that by asserting your own individuality you

clashed with the stronger parental will. The results are that your self-confidence has fragmented, and that your application of will is less focused and effective, and consequently you have developed psychological defenses against others and from facing personal failure. This is displayed in escapism, and avoidance of responsibilities and of the need for self-discipline, unless a powerful Saturn in your chart can re-balance this tendency.

Preferring to run away from confronting reality leads to distorted perceptions, which make careful evaluation of options difficult as well as generating fears of making decisions which may prove to be unwise. At its worst, this can create inertia through fear of taking deliberate action. These inner images of failure tend to create external failures, and so emphasize a repetitive vicious circle. Yet by linking this pattern of failure within aims and ambitions that are probably beyond your current capabilities to achieve, you also succeed in evading the realization that you are creating most failures in your life. This is exacerbated by the dreams of the unintegrated and unfulfilled Neptune, who may be noticed as a thread of guilt related to your lack of achievement, and as an ongoing sensation of discontent.

Your solar power is being diverted and dissolved by the activity of an unintegrated Neptune, and, unless you can begin to reassert this solar center and face your Neptunian challenges, this unsatisfactory condition may continue. These challenges can be mitigated by a decision to make sufficient effort to connect to your hidden solar center, to move beyond those superimposed images of guilt, failure and inferiority that have developed as a defensive response to emotional pain. Such a reorientation may not be easy to make, as you will be opposing established patterns of behavior, yet the gains that can be made are likely to transform your life.

The first step is self-acceptance, to cease any self-judgment and condemnation. Then, if you really want it to happen, feel confident that any change can occur. You have sufficient inner creativity, imagination and potential waiting to be released from imprisonment, although finding appropriate channels of expression may still take a little longer. However, you need to define any ambitions within a more realistic perspective than previously. Possibly some form of counseling may be effective in helping you gain more clarity regarding your self-potential, or workshops in self-assertion and decision-making / goal setting. In effect, you are being asked to see yourself as a young child, ready to enter adulthood, and you are expected to recreate yourself into a new and more suitable identity.

Take smaller and easily achievable steps in this process of recreation; acknowledge that occasional failures are inevitable, but try not to turn them into traumatic dramas, and realize that success will not happen without the parallel risk of failure side by side. Everybody is a failure at something, and that isn't an excuse to condemn yourself again. As your self-confidence grows, your life will begin to take a more positive shape. It will not happen overnight, as transforming long-established behavior patterns cannot be

achieved that quickly; but persevere, and changes can happen. Perhaps using techniques like creative visualization and affirmations, or subliminal programming encoded on self-development cassette tapes, could strengthen this process.

The essential realization is that change is possible, and that you can achieve this in your own way; in hope lies the fountainhead of the waters of potential and transformation. Such improvements can benefit your intimate relationships too, as well as enhance your self-image, confidence and decision-making abilities. Generally, you are emotionally vulnerable, possibly exploited or abused by others, deceived or manipulated in various ways; but if these tendencies exist, they are reflections of those dominating patterns within you.

There can be unusual emotional needs and desires linked with romantic idealism that are expressed in physical sexuality; these may require healing and cleansing in some way. But the proposed transformation and refinement that is implied by resolving the conflict of the Sun and Neptune would simultaneously deal with that level too. There can be an attraction towards occultism and mysticism.

73) ► **Mercury** ☿ **Trine** ♃ **Pluto** - (3°19' A) ♀6 | ♂1

([328] astromatrix.org;) The Transcendental Mind

The energy of the trine aspect can often be too 'rarified' to be fully used, as it is too subtle to be correctly grasped and applied by many people. Its natural affinity tends to be towards higher science or metaphysics, where the interface between mind and reality is explored and understood in terms of consciousness and energy. It relates more to a trained intellect working in spheres of abstract contemplation, or the connection between the intuitive flash of direct 'knowing' and the grounding through intellectual earthing in a pragmatic application.

In the everyday world, you will find that your main preoccupation will be with developing the ability to concentrate, to improve the use of your mind and ways of expressing yourself. Unless you are able to achieve the higher flights of this aspect, you will have to ground the energy in more mundane concerns, endeavoring to channel it by determined concentration. Otherwise, it tends to fly high and make you a little scatterbrained and mentally undisciplined.

The unknown will fascinate you though, and you will be curious to explore more; but ensure that you are fully grounded before commencing. You are likely to be quite inventive in your ideas, potentially quite creative if you have enough control over your mind to exploit them fully and effectively.

The Mercury energy will give you analytical and investigative skills which can be turned to your advantage; but you will have to guard against the tendency to believe that you know it all. You enjoy the challenge of competition; and you always intend to win. Failure leads you to brood and to scheme your next move; and here the Pluto energy implies manipulation to undermine your challengers; mentally, you can have a ruthless streak that people may not expect.

You prefer full involvement and participation in things; you need to be interested enough so that a process of absorption can occur for a full experience; and if this is not happening, then your contribution rapidly dwindles to being less than zero, even becoming negative as you begin to look for ways out to find a new, more promising area to explore. You find it hard to motivate yourself in such a situation. In personal relationships, you can be a little authoritarian, especially as you believe that you have a clear sense of 'right and wrong' and can become fixed in your attitudes.

You are able to penetrate through social appearances into people, to sense their true attitudes and motives. This guides you in life, both to be wary of some, and to work with others whose genuine potential you are able to stimulate. This can lead to an involvement with coordinating groups where your energy serves both to stimulate new thinking and to open it out to new insights entering the group, or new ways of applying current ideas in practical application. You can be a little too mentally self-absorbed and lack the sense of social concern and responsibility that the Pluto energy amplifies in most people who are responding to its lighter side.

Ideally, your personal partners should be basically similar in mind and attitude to yourself. This is because your energy qualities do not mix easily with the opposite and conflicting views, and if you do enter into a relationship with someone of dissimilar views, then much time will be spent in direct confrontation, generally leading to its collapse.

You will be willing to pour a lot of energy into a positive partnership, but you will also have high standards and expectations of your mate; choosing wisely is the key, through awareness of your own nature and knowledge of what is compatible with it.

74) ► **Mercury** ☿ **Trine** ♀ **Vesta** - (2°08' S) ♃6 | ♀10

75) ► **Venus** ♀ **Trine** ♄ **Uranus** - (0°29' S) ♃5 | ♀9

The social sphere of life will be of considerable importance to you, both as a personal need for contact with others, and in the enjoyment that you derive from it.

Whilst you develop your own individuality and style, you have a 'community attitude'; your ideal is to live in a way that both succeeds in satisfying your needs and has a beneficial effect upon the wider world. The ability to have positive relationships with people may be used through work which brings you into broader contact with the public. This can be through teaching or communication in some way. Possibly your talents can be expressed via artistic creations or music, which embody your Venusian sense of harmony and beauty.

In your intimate partnerships, you find it easy to express your feelings, and these will remain more consistent than with the conjunction aspect. With these Venus-Uranus aspects, though, there is the tendency to be affectionate and sympathetic with the majority of people, a form of diffused love which is universal rather than individually orientated. Without change, stimulation, or excitement, your inner tension will rise. You have creative energy, and you need to channel it into work or play. This electric energy is often felt as nervous tension. As you begin to anticipate change you may become irritable and jumpy. If you don't put this

You can change how you express your energy through your identity. Above all, you have abundant creative intelligence that can manifest in a positive way. Do your own thing within reason. A tendency toward openness can cause unwanted drama, exposure, loss of face, and ostracism.

Your lesson is to learn to make adjustments in your self-expression if you want to find acceptance within societal norms. You are very creative. But, your creative energies often feel blocked by circumstances often out of your control. Your North Node advice is to cultivate your ability to live in the present! When under stress, you are apt to seek refuge in imagining that the grass is greener elsewhere. You rather do that than work with what is at hand. Secondly, Having an overall vision for your life and aligning your daily activities so that they support your larger purpose, is a significant step in your personal unfolding.

([474] astromatrix.org:) Thwarted Goals

With the North Node Inconjunct the Sun it is similar to the opposition where your mission requires making a sacrifice. It may be that the sacrifice is to bring attention to some matter that would be a considerable contribution to the world. You appear to give a lot of yourself to something greater and are not so ego driven.

You may have difficulty achieving your ambitions and although you may be a driven and goal-oriented person, it is best to slow down and the ego must be submerged to some degree. Though leadership talents are brought over, these can't be used to expand your own ego. One way or another, circumstances will force this if you do not do it consciously.

You can still receive recognition for your ambitions, it just may take longer than normal and however gifted you are at capturing attention and being true to yourself, your self-expression may be met with karmic obstacles and oppositions. Don't let this hold you back. Learn from it.

It can show you how you get blindsided as your natural timing is thrown off and you (subtly) doubt your abilities. Instead of taking on their doubt about yourself – send them love and detach from creating heated (ego) entanglements and other (sidetracking) dramas. (Transit ... not Natal !)

([453] astromatrix.org;) Learning to Trust

With North Node square Pluto, you have an incredible amount of power, as a result of having weathered some tough storms in the past. Now this power is to be distributed carefully. There is a pact with the higher forces about how the power is to be used, and this should not be for selfish purposes. You are not so concerned with what is happening on the surface as with what is going on beneath it. You can be questioning, curious, and probing, often aware of the underlying motivations behind people's actions.

However, there is difficulty getting this energy properly harnessed so that it doesn't work against you. Holding onto memories of some old crisis can make you suspicious so you may become manipulative as a way to stay one-up on others. This could be your greatest undoing. You may have a distracting preoccupation with sex and the sensual side of life. Or, there is an intense fascination with death-with the morbid or strange.

Major circumstances in your past life or early childhood may have caused you to become resourceful, self-reliant and distrustful of authority. You likely question prevailing societal values and remain unaffected by trends. This may ignite much opposition in others and resentment within you. Your desire for transformations, deep thinking and intensity clashes with current social mores. Stop letting opposition to your ideas isolate you.

([199] astromatrix.org;) Subterfuge

What occurs with the opposition is the projection outwards of inner attitudes, so that life reflects that inner state back to you. Usually this includes elements of distortion, which with Saturn and Neptune tends to involve fears of failure, suspicions of motives, cloudy judgments, deceit, caution and wariness.

These are the more negative qualities of blocked planetary energies, and yet you often fail to realize that the world you are perceiving is a mirror image of your own attitudes. Take another look. Do the world and people reflect your own views? Are they pessimistic and perhaps threatening or frightening? Do you feel that you have to be extremely self-protective? These may, of course, be genuine fears, and can depend on the environment in which you live, but equally they may be illusionary and self-created. This fear of failure is inhibitory to some degree, and it is likely that you will withdraw from situations of competition, retreating into feelings of inadequacy, imagining various types of conspiracy being hatched against you in secret. You don't really trust people, and that attitude is communicated intangibly to others, so that a vicious circle is perpetuated.

Your relationships can lack depth, human warmth and real contact, often staying unsatisfyingly superficial, in that you are afraid that others may take advantage of you. The problem is that this may well happen (or has in the past), and since then you have been too wary and too aware of your vulnerability to risk deeper relationships. Certainly, you are vulnerable emotionally and financially to people, and one lesson that may need learning is that you should look closely at the nature of others before you become committed in any way.

Saturn's barriers are firmly established for self-protection, yet they also block many valid experiences and opportunities for self-development. Neptune remains partially released, but liable to display its presence through experiences of persecution and martyr / victim complexes in your life. The results can be that you isolate yourself, become a solitary loner, immune in your imprisoning cocoon of self-protection, perhaps feeling the repercussions of your choice through depressive emotions or psychosomatic illnesses.

You can look out onto the world and secretly want status and involvement yet be self-restrictive in actually attempting to achieve those ambitions. Or you may perhaps resort to cunning, subterfuge and devious behavior, believing that is the way everyone else achieves their desires. The fact that your world analysis may be incorrect could hold a solution to your frustrated energies.

The world holds all shades of behavior and attitude, and whilst there are many who accurately embody reasons for your cautious perspective, there are others who are not like that at all. You need to find a bridge to contact those people of goodwill, and then you may realize that your interpretation of the world is only partially accurate; the others hold a key to your transformation.

If you can find an intimate partner who does not let you down and is supportive, then that frustrated ideal may be reborn, and in accepting another as they are, you discover that this is the way for healing and mutual love to occur. The nature of relationship in your life can be renewed and reperceived through more optimistic eyes; Neptune has replaced the barriers of Saturn. Sometimes Neptune plays a stronger role than Saturn, and if this is the case, then the relationship inhibitions and distortions may be less evident. The focus will be transferred towards that of social duty and obligation, where the lesson deals with responsibility.

You may experience a feeling of 'social guilt', a personal responsibility to put right social evils, a personal crusade which you need to follow in order to absolve yourself from this inner feeling of guilt that haunts you. For some reason, you know that this is your duty, and that some form of social service needs to be done in response to an inner compulsion. Some may consider this to be 'a rectification of karma', but whatever, it can be an inner pressure and related to the Neptunian tendency to sacrifice in the social sphere of Saturn.

The battleground is seen to be the world, but the source of the battle is within your own nature. Check this out thoroughly before you go tilting against any windmills; try to isolate those conditioning projections and discover what you may be really fighting against. It could be your own unintegrated aspects, Neptunian ideals versus Saturnian realities, and the middle path of wise balance may be the most suitable way to follow.

([566] 12andus.com:) Your nurturing style vacillates between deep devotion and confusion about your boundaries.

You're loving, sensitive and compassionate toward others. You feel deeply and emotionally connected to everyone around you. This can lead you to be overwhelmed by the feelings of others.

Yet as much as you are deeply intuitively connected to others, you sometimes suppress this connection. You can become overwhelmed and consumed by your relationships with others.

If you can keep your boundaries clear and strong, you can show the best of your strengths as a nurturer and caretaker. You can be a compassionate healer and facilitator for growth and rebirth for those you love.

You'll need to learn to recognize your potential for wishful thinking and escapism, seeing the world, for what it is rather than projecting your ideals on to others.

([98] astrotarot.net:) Typical features that this opposition brings: you worry about changes that may turn your life upside-down. The key to healing your inner wounds is not to worry. The Lots (Arabic Parts) (322th Harmonic)

There is not much information on these lots. Lots are points calculated almost always from the Ascendant and two Planets (or the Moon) or another one of the lots (then Schmidt's correction is used). The formulas used are based on Paulus Alexandrinus' and Robert Schmidt's work. Valens is another name that reoccurs with the information for these lots. (He might have slightly different formulas, but I think I took the best ones.) The texts are from 'astro.com' and 'astrology-x-files.com'.

Lots used for ranking eminence:

When these lots and their rulers occupy each other's places it indicates personal power and social mobility (eminence).

The **Lot of Fortune** is in 28° **Aquarius** 45' and in the **3rd** house.
Part of Fortune was already interpreted in detail.

The **Lot of Spirit (Daimon)** is in 26° **Virgo** 28' and in the **10th** house.
"higher intellect" "guardian spirit/angel" The Lot of Spirit is a point which has strong psychological and spiritual overtones, unlike the very physical-plane based Lot of Fortune. The Lot of Spirit has to do with the nature of the will, what you intend (as opposed to what merely happens to you), and also has much to do with career, but apparently more your career as a statement that you make about what you are in the world. It also has to do with illness, like the Lot of Fortune, but it would seem that with the Lot of Spirit we are talking about the spiritual bases of illness as opposed to the physical bases.
"Spirit happens to be lord of soul, temper, mindfulness, and every power; and sometimes it also cooperates in the determination concerning what one does." - Paulus Alexandrinus

The **Lot of Basis** is in 15° **Taurus** 2' and in the **6th** house.
Calculated from Asc, Fortune and Spirit.

The **Lot of Exaltation** is in 24° **Aries** 59' and in the **5th** house.
Valens says that it shows what the native is happy doing if it doesn't indicate eminence (by falling mediocre or amiss with little connection to spirit or fortune)

The Seven Hermetic Lots:

Adding Fortune and Spirit makes them 7.
These 5 are calculated with Schmidt's correction formulas.

The **Lot of Eros** is in 22° **Taurus** 44' and in the **6th** house.

"Eros signifies the appetites and the voluntative desires. It becomes a contributing cause of friendship and mutual favor." - Paulus Alexandrinus

The **Lot of Necessity** is in 16° **Aquarius** 2' and in the **3rd** house.

"Necessity signifies constraints, submissions, struggles, and wars, and makes enmities, hatreds, condemnations, all the other restrictive things befalling men as a result of their birth." - Paulus Alexandrinus

The **Lot of Courage** is in 18° **Pisces** 49' and in the **4th** house.

Indicates fortitude (or lack thereof). It is based upon Fortune (the physical body) and Mars (actions). Where this lot is placed by house seems to show what we have to face and what we most fear. "Courage becomes a contributing cause of boldness, treachery, might, and every villainy." - Paulus Alexandrinus

The **Lot of Victory** is in 23° **Aries** 54' and in the **5th** house.

"Victory becomes a contributing cause of trust, good expectation, contest, and every association; but sometimes it contributes to penalties and rewards." - Paulus Alexandrinus

The **Lot of Nemesis** is in 1° **Capricorn** 48' and in the **2nd** house.

This lot seems to indicate what is most likely to bring the native down. "Nemesis becomes a contributing cause of subterranean fates and of everything which is ice-cold, of demonstration, impotence, exile, destruction, grief, and quality of death." - Paulus Alexandrinus

Nemesis in Capricorn: carelessness, neglect

Nemesis in Second house (Taurus): the love of money

Lots related to family:

The **Lot of the Father** is in 10° **Libra** 9' and in the **11th** house.

If the lord of the lot of the father is dignified and is pivotal (angular) the father is strong and fortunate and may be eminent. If in decline and debilitated, judge the opposite. - Paulus Alexandrinus

The **Lot of the Mother** is in 29° **Taurus** 50' and in the **6th** house.

Same as for father.

The **Lot of Siblings** is in 22° **Capricorn** 55' and in the **2nd** house.

The **Lot of Children** is in 2° **Scorpio** 23' and in the **12th** house.

The **Lot of Daughters** is in 21° **Aquarius** 19' and in the **3rd** house.

The **Lot of Sons** is in 7° **Pisces** 4' and in the **4th** house.

The **Lot of Marriage for Woman** is in 14° **Scorpio** 15' and in the **12th** house.

The **Lot of Marriage for Men** is in 11° **Capricorn** 3' and in the **2nd** house.

The **Lot of Deceit in Marriage by Woman** is in 18° **Cancer** 27' and in the **8th** house.

The **Lot of Deceit in Marriage by Men** is in 13° **Pisces** 38' and in the **4th** house.

The **Lot of Marriage (in general)** is in 3° **Libra** 59' and in the **11th** house.

Lots related to society:

(Hellenistic)

The **Lot of Debt** is in 28° **Libra** 30' and in the **11th** house.

Indicates what could be a source of financial losses or debt.

The **Lot of Theft** is in 15° **Aquarius** 12' and in the **3rd** house.

The **Lot of Treachery** is in 23° **Cancer** 8' and in the **8th** house.

Betrayal of trust

The **Lot of Accusation or Exile** is in 25° **Virgo** 43' and in the **10th** house.

Lot of Being in a Foreign Land (exile), Lot of Accusation, also Lot of Police: indicate areas of life where someone may be accused of something, either falsely or truthfully.

The **Lot of the Destroyer** is in 1° **Taurus** 25' and in the **6th** house.

We have little systematic information of its use except that it seems to relate to the manner of death. I would urge astrologers not to be careless in the use of this lot.

Pholus | Sudden Life-Changing Events

Pholus helps us achieve our soul contract and mission, the symbol of turning points (of no return), the catalyst, a small cause yielding a large effect, explosive results, transformation without premeditation, euphoria, self-destruction, awakening, curing addiction, release, searching, intensity, discovery.

Here, painful realizations of boundaries and responsibilities come as you grow. Pholus is where one absentmindedly, even blindly, goes about one's business until he sees the mortal light and crashes, grounded by confrontation of karma and responsibility.

Pholus in Sagittarius

(canvasofthecosmos.tumblr.com:) Pholus in 9th House/Sagittarius: When you finally find something to believe, you have forcefully strong opinions on the subject. You get inspired to acquire knowledge when information shakes you to the core. With travel and secondary schooling comes strong changes in perspective. In fact, you're always expanding your perspective by reading books and articles on what fascinates you, debating with others, or just by leaving your house and absorbing the world around you! Secondary education and long-distance travel may be a painful awakening on how little you know and how far you have to go. However, instead of letting this petrify you, you take it as a personal challenge and push through, no matter how many tearful nights it takes. You are fascinated with other cultures and points of view. However, don't forget that you're human, like everyone else. We all make mistakes and believe things that are biased, sometimes to the detriment of others. The reason we make mistakes is to learn from them, and if your point of view doesn't match up with someone else's, it doesn't always mean that you're better than them. Share your patience and determination with others by teaching them, helping them to understand differences and bridge the gap, not just looking down on them.

Pholus in 1st house

(12andus.com:) You may have a very mobile and transient lifestyle. You can be a strong advocate for healing but also a catalyst for dramatic change for others.

Difficulty and hardship can influence your outward personality and physical image. At the same time, small efforts you make through your personality, body language and outward appearance, can trigger significant events to unfold in your life.

These events can be miraculous or catastrophic, but regardless will lead to breakthroughs or awakenings. Facing issues with image, appearance and identity will

lead you to greater breakthroughs. Restrictions or issues with deception can undermine your image or identity.

You may have a toxic flaw that influences your sense of self or you may have to heal from a toxic and inaccurate self-image. Steps you make to try to assuage your insecurities, especially your self-image, can prove to be damaging in or toxic to your well being in other ways.

Eros | Love, Desire, and Sexuality

Where you break with logic and rationality in favor of desire, associated with bringing havoc, your most powerful turn ons. Is used a lot in synastry.

Eros in Gemini

(12andus.com:) You may become obsessed with communication and visual fantasies.

Yet the actual relationship with a real flesh and blood person is less exciting. Your ability to envision and idealize a partner is very much an important part of your sexual attraction.

Even when you're satisfied in a personal relationship, you'll become obsessed with the idea of maintaining connection and conversation that excites you sexually. You will look to images or superficial connections online to satisfy your sexual desires.

This can include watching or looking at pornography and activating your imagination. You may also love it when a partner talks about sex and describes their sexual fantasies. You may be less turned on by the actual sex act than by the discussion of sex.

You may be attracted to settings where you can have a fantasy sexual relationship such as online dating or online role playing communities.

Eros in 7th house

(12andus.com:) You are obsessed with the idea of the ideal romantic partner.

Any actual partner may not match your fantasy image and this can lead you to become frustrated with a significant long term partner. You may feel that your life is not complete unless you are involved in a romantic affair.

Yet when you become intimate with someone, all of the harsh realities of intimacy and relationship can cast a dark cloud over your fairy tale fantasy image of love.

You glorify beauty and romance and may lose patience for partners who are too real and less ideal.

You may also feel great admiration for partners who portray a certain image of beauty that you hold up as ideal. You may become obsessed with the idea of the perfect partner and try to turn your partner into a more romanticized version of themselves so they fit your image.

(12andus.com:) You may naturally feel comfortable unleashing controversial topics as part of your identity.

You don't mind making others feel uncomfortable, especially if you believe you are saying what must be said. You may think that you need to be a dramatic catalyst for change and so aren't afraid to shake things up.

You also may not realize the impact your actions and words have in the long run. You may casually make comments or decisions that have long term ramifications that you are hardly consciously aware of in the moment.

When the dust settles, you'll look at how the cataclysmic changes you set into motion have benefitted you or others and will laugh it off as if you meant to do that.

Yet you don't always realize how much damage is done when you slip on the proverbial banana peel and take down the whole table setting with you.

2) ► 11° Sagittarius 25' **Pholus** ♄ **Conjunct** ♀ **Pallas** 14° Sagittarius 55' - (3°30')

You may feel moved to lead others and even become militant and protective of a cause or mission in the midst of crises and upheaval as well. You may feel energized about your mission or campaign when you are faced with a crisis or cataclysmic event.

Your bigger vision may be vague at first but crises can help you refine your understanding of your purpose. Your intuition and intellect can help you lead others during times of crisis as well.

You may jump at the opportunity to follow your passion and lead others and so you may be sought out as a guide or leader as others try to navigate through unprecedented times of dramatic change.

(12andus.com:) You may feel easily torn between your ambitions and courageous side and your inability to truly contain large scale crises.

Rather than allowing disruptive challenges to wipe the slate clean and help you advance by starting all over again, you may try to hold on to power and control, insisting on having your way or trying to rescue others.

The bigger lesson is often that it is not up to you to rush in and save the day. Instead of preventing crises from erupting, you may be better off learning to respond to crisis by seeking opportunity for growth and new perspective.

If you try to see large scale challenges as important life turning points rather than as crises to be minimized or contained, you can become more successful protecting yourself and those you love to the extent you can, while also embracing dramatic changes.

Yet when you do change your approach and adjust your expectations, you'll be much better able to take responsibility and address your needs in the moment. You may also take the helm and try to serve others through your work or practical planning.

Your disciplined nature will help you navigate times of great upheaval if you accept your limitations in the course of the crisis.

Exhibiting the power of action and choice, when fierce is warranted, right rage, creating a better world. Whistleblower, poetic justice. [1] self-validation

Eris in Scorpio

(synnisisigns.com:) Eris in your eighth house of death [transformation] creates situations where you experience people trying to take away your resources. Inheritances, insurance payments and loans can be contentious and difficult experiences, especially if you are elected to be the conservator/distributor of those funds. You may have to share a partnership role in the disbursement of funds, but do not have final say in where they are to go. In the area of sexual development you may have sexual experiences that are incomplete or unsatisfying due to one partner or the other demanding a control of the sexual experience.

Eris in 12th house

(synnisisigns.com:) In the twelfth house of connection with the your higher sources, Eris gives you a voice to speak about how this dimension's experience does not necessarily mirror all of reality. You have a powerful prophetic voice that holds much wisdom and truth. You can channel the wisdom of higher realms and have the ability to access the Akashic records without the guidance of the guardians from the other side. However, because your voice is at dissonance with the drum beat of your time, often you are not listened to, like Cassandra of Trojan War fame.

Karma | Attention Point (per Past Lives)

Karma is your talent and the place where you can grow the most, or get handsomely rewarded. Why are you here? What do you need to finish? The sign tells you what and house tells you for what. Karma can indicate a negative balance OR positive balance through square Mars, Saturn or Pluto OR trine Jupiter, Venus or Sun. Feeling like suffering is fated when aspecting challenging areas of the chart. Negative Karmic events are like accidents, heart breaks, exposure to outbursts that seem unfair and losses. Positive Karmic events are sudden strokes of good fortune, chance meetings with a true love and so on.

[1] aspect of your character against which, when people interact with it, significantly alters the circumstances you share

Karma in Libra

(whatsmyalternative.com:) One of the most challenging placements. Destined to balance and balance and balance, mentally or physically. Every thought that is wrong may instantly be balanced by contradictory evidence. You may judge someone as wicked and proof may come that he is good. Watch out for guilt trips and pricks to the conscience. Best to never judge or label anyone but instead objectively analyse and assess with disclaimers.

Negative karmic experiences here include heart breaks owing to being too flirtatious in the past. Positive debts may mean a wonderful spouse and relationship in this life, wonderful surroundings and so on.

Karma in 11th house

(whatsmyalternative.com:) (I can not find interpretation for the 11th house.) Karma in Aquarius (or 11th House): Destined to balance their capabilities for humanitarian causes

and to find guidance for individual reform. Were you a thinker who was too lazy? A mad scientist? An eccentric engineer who burnt his inventions because he did not get a patent? These natives will be prodded in this life with experiences that settle the old debts of neglect and inspire ideas of benefit. Negatively, they may have made many people uncomfortable with unrestrained wildness/rebelliousness in the name of individual freedom and in this life, their freedom may be curtailed. One must be wary of sudden events and accidents if there is a square to Uranus or Mars.

Pandora | Foolish choices & Toxic curiosity

Where one needs to see things as they really are.

[1] where one must provide masculine prowess or be considered a failure

Pandora in Cancer

(astronomicallyaligned.tumblr.com:) A woman has lost her husband. She is filled with grief and sorrow. As she's singing her lonely melodies, luring you to look inside and let her out, the waves crash against the beach. Shells are being crushed into dust. Into the sand covering the beach. If you let yourself be lured by her enchanting tunes, sadness and tears will turn into oceans and rivers, covering the entire earth. She wants them all to feel her sorrow. Her pain. To understand her, so she won't feel lonely anymore. Use that melancholy and melody as a beautiful narrative in life's gray path. Color the flowers.

Pandora in 8th house

(astronomicallyaligned.tumblr.com:) You're curious about sexuality, intimacy, secrets, mystery, death, and cash. Pandora in this house can also be very powerful. Possibly dangerous or destructive.

Nessus

(vamzzz.com:) Considering its complex and rather extreme nature, it is no wonder we see a large diversity in the collection of attributed characteristics; lessons in setting boundaries, seeing (one's own) limits, accepting limits; identification of hidden abuse patterns; complex cause and effect relationships, breakpoints in karmic cycles; revealing the truth, resolving a situation; taking responsibility for a confrontation, the perpetrator caught; desire; possessiveness, jealousy, being vindictive, manipulative or resorting to black magic for sexual or financial needs. Finally, several researchers associate Nessus with blood, diseases passed on by blood, or blood rituals, and superhuman strength or powers.

Philip Sedgwick characterized Nessus in astrology as "The ultimate Centaur bad boy", bearing the wounds of "greed, decadence, intimacy and sexuality". As positive Nessus properties he mentions: generosity, benevolence, compassion, willing to lend a helping hand, cooperation, respect for boundaries, aware of the power of life energy, healthy use of sexual energy. Concerning the latter: Taoist health trainer and teacher Mantak Chia has Nessus conjunct Sun opposition Hygeia!

My experience with Nessus transiting in hard aspect to the Sun is that this Centaur evokes an inner transformative crisis that demands clarity and decisive action based on "cut the crap". In the personal horoscope Nessus can be a player with violent impact. Forcing entry seems to be the core quality of this Centaur.

In harmonious aspects, this gaining access goes pretty easy, while in hard aspects, where access is denied, it has to be forced open and in extreme cases violence is used. Thus, in line with these characteristics, Nessus also has to do with breakthrough, breakout, escape, rescue and hacking.

Computer hacking is a Nessus-thing *pur sang*, especially when combined with Mercury, Uranus, Vesta or Makemake. Also espionage, spies, officers, burglars, rapists, rape in

general – mentally or emotionally -, black magic, executioners, cracking a closed system (be it a nut or oyster or bank vault, or mind frame), assassins and police raid teams reside under Nessus.

Nessus in Virgo

(smartyoungsters.com:) This is the cleanliness and neatness obsessed Nessus, the one who cares too much for hygiene. Nessus in this place is a doctor that washes his hands till the time real color fades away. A person with this Nessus is fanatically obsessed with his diet, health and work. This Nessus works too much and expects the same from everyone else. This can also be the Nessus that as a doctor can manipulate patients to get things his way. He can prey on the fear of his patients and employers. When positively expressed this Nessus can create most dedicated healers, doctors and employees who go to extra lengths to please. In love, this Nessus will obsess about their partner's health and well-being. They can be extra critical regarding hygiene and following diet and exercise routines. People with this Nessus have a tendency to nag uncontrollably if their partner does not adhere to their "guidelines".

Nessus in 10th house

(smartyoungsters.com:) This is the corporate Nessus who will do anything to keep his reputation. He has a OCD for maintaining his high status and public image. This Nessus can never "compromise" on that. In fact, his hunger to keep growing that reputation never stops. For that purpose, he will make everyone work and no excuses will work for this "boss". He manipulates his employees by sheer power of his disciplined approach. He has obsession for discipline, order and structure and will use all tactics to get it from those under him. In fact, anybody whom he knows and who knows his ambitions become his employees who must work in tandem to help him reach his goals. This is a slave driving Nessus who gets annoyed and abusive if his word is not adhered to. He will cut anyone to size who tries to play with his reputation and will take more than extra care to maintain a sparkling white reputation. When controlled by Saturn and Chiron, this is the most respected person in the family who is the father figure. He has an extended family and provides shelter to the frightened eyes and old people. In love, he is the provider and you better be "AWARE". Nobody other than him will provide and he will expect you to be his support system, even if you are a man and Nessus is a woman. It will always be about his public image and his reputation.

Uranians/ Hypothetical Trans-Neptunian Planets

From the Hamburg School of Astrology. Alfred Witte and Friedrich Sieggren. Out of the turbulent times of WWII.

Cupido | Partnership and Companionship

Organizations, family, social relations, clubs, corporations, many different kinds of structural partnerships. On its own, Cupido is a fairly neutral and accommodating planet, so we really need to see what else it's dancing with in a chart to get a realistic picture of how it is operating.

Arachne

Sowing complex solutions to complex problems. Patience; the greater pattern.

Complexity; simplicity. Can indicate where you own gift lies, she also shows where you will be challenged to perfect your craft, where you must be able to do what you say you can do and where you may experience competitive clashes. Taps into the unknowable, even what 'should not' be known. Arachne may connect to the concept of playing God.

Asbolus

Root chakra (or reptilian brain) awareness. Sombre, pessimistic, with a lot of depth (but tangled in a vortex-like manner of information processing). If dominant: usually having a lot of trouble receiving advice or compliments from others. Easily goes over the top, exaggerates protectionism, and isolates itself unnecessarily.

(vamzzz.com:) It represents the domain of Yin. Ontologically and sociologically it relates to the root of individualism, technology and in the worst case murders. Theologically it relates to the figure of Satan.

Six different ways Asbolus can work in a horoscope:

- One could distinguish six different types or subtypes of Asbolian influence. The first type detects the inhumane, the perversion or violation of human rights and the ethical. (Julian Assange, Jannis Varoufakis, Edward Snowden, Sahra Wagenknecht, Karl Marx et al.)
- The second type of Asbolus is not a strong influence, but acts more some kind of dull black spot in the chart.
- The third type corresponds with the seer and empowers clairvoyant faculties (James Van Praagh and Anton Pauwe).
- The fourth type shows Asbolus as a pit of horrors, darkness, psychopath inhuman features and atrocities (radix-horoscope USA, Madeleine Albright, Joris Demmink, Adolph Hitler, Barack Obama, Zbigniew Brezezinski, G.W. Bush, Hillary Clinton, Joseph Stalin et al.).
- In the fifth case Asbolus is a dark artistic inspirator in a creative horoscope, making an impact on the public by mingling the aesthetic with some distortive, taboo breaking, or intense Plutonian atmosphere (Ilona Staller, H.R. Giger, Georges Bataille).
- The sixth Asbolus is a crossbreed of two or more samples of the above. For example, one could be a loving person, socially very aware of ethical values, but also a master in writing short horror stories. When in league with evil, the outcome is never Asbolus responsibility alone, but a joint venture with the totality of the chart

Asclepius | Health, Healing of others

(alexasteroidastrology.com:) Healing mental or physical ills, attraction towards alternate healing methods.

(astroalive.com:) Asclepius can also represent where we are driven to “survive” so also where we may be “unhealthy” in some sense. It may point to both problems with our personal health, but also in what areas of life we are determined to continue on despite all odds.

Ixion

Very masculine energy, ingratitude, murder, passion for supplanting the prevailing system, haunting, loneliness, disorientation.

(synnisisigns.com:) It needs great loves and it's phantasmagoria will push him beyond the curtain of reality when circumstances are below his taste. In career, it must destroy existing concerns, clans, lobbies, lodges, clubs, factions, cabals, plots, allegiances, fraternities, cults, newsgroups, web-sites, teams, alliances, trusts, blocks, interest groups; and from the resulting chaos choose and pick his own few good men to form it's own enterprise, not without bitter struggle and a sword hanging over it's own head. Religious fanatics are born along this line, those well meaning fellows that send humanities to death, schizoid nationalists, new hitlers, media magnates, islamic terrorists, highlanders, beings of war and chaos. In positive aspects (conjunct casanova and Uranus) it can prolong love making up to several (three) days, an unending erection. [1] how you order others around

Orcus | The Feminine Complementary of Pluto

(vamzzz.com:) Self-integrity issues: to what extent do we really live our lives the way we dreamed it?

(arwenmclaughlin.com:) True unconditional love energy that knows itself to be unconditional energy, and therefore has strict boundaries. It does not allow anything into its life that is not authentic, or that would compromise its integrity. Thus it is not interested in the past, or anything that came before, it is only interested in, what comes next in love? What can we create now? What can we now build in its most glorious form that serves the self as well as others? How can we create a structure that works for everyone in its highest and best form? Humanitarian, new frequencies of energy, new and higher forms of energy, the vibration of the alchemist, creator love energy, miracles and overwhelming acts of kindness, "the Change", "the New energy", healing with energy, light, and sacred geometry.

Panacea

(astrologyclub.org:) Panacea is “the cure”—but it’s not as simple as that. It’s “what you believe it takes to make things better.” Thus, what do you or others have to do in order to bring about an improvement. With Panacea in hard aspect to the Ascendant, a person would have to “be” different to bring about an improvement; they’d have to alter their routine and initial response. A retrograde Panacea might not really believe lots of things can be fixed.

Persephone

Where we are scared to take charge;

(YT: Tom Jacobs:) A theme of looking immature from the outside but being capable of maturing it through the inside. Have to make a change: a leap into a thing with boldness that might seem like a stretch or too much for us because we've never done it before. So some persephone people are timid, because they've had been put words into their mouth and have been told they can't take care of themselves. Sometimes they'll reject that, and they are quite confident because they had to at some point grow up overnight. Whether that was pleasant or unpleasant, whether that was a choice they drove or it was driven by other circumstances and other people.

So there is a sense of a Youthfull spirit and maybe some naivite but the appearance of naivite surely.

Proserpina

(houseofinferno.com:) [...] but many of these deities have the same story with different names. Proserpina's name means "to emerge". (ref Persephone!)

She represented the irrepressible feminine spirit who would not be controlled or restricted. Some astrologers look to the asteroids Proserpina / Persephone in a person's natal chart to see where we give our power away, or have it taken from us, so we can use this information to not be so passive and assert ourselves properly so that we are not so easily controlled. What we could take from Proserpina's story is to honour the cycles and changing seasons within ourselves. Sometimes we are cast into the Underworld when something bad happens, and we should never spiritually bypass these situations.

We have to feel our pain and darkness to move through it. But when we are ready, we can emerge to cultivate something better for ourselves and let go of the things that don't serve us.

We should also be mindful of how we assert ourselves. We need to show ourselves love and respect by building healthy boundaries. We need to stand up for ourselves when we are being unfairly treated, and we also need to be mindful of how we do this to others. But we should also take care to know the difference between assertiveness and aggressiveness and make sure we achieve a healthy balance so we don't take away or restrict another's free will or cause unnecessary harm to others in the process.

Sisyphus

(leahwhitehorse.com:.) Repeated mistakes, stuck in pattern through fear of change.

To be admired for his outright refusal to accept death and for his ability to repeat a task that is doomed to fail for all time. In him we see the try, try and try again attitude.

Perhaps the positive side of this asteroid is the ability to keep going, even when we can't yet see the point. Essentially, he perhaps shows where we can find meaning in what we do on a daily basis, not just in our achievements or the winning of battles.

Latitude/Right Ascension (Position) (322th Harmonic)

Ordered from Aries to Pisces. Programmed in increments of 10' each, so, if two or more are in the same incement, they will be alphabetical too eachother, is only marginal tough.

Speed in $^{\circ}$ (degree)/day (eg. the Sun travels a little less than one degree in a day) and distance in Astronomical Units (AU) (which is the average distance between the Sun and Earth).

Fixed Stars

Only conjunctions here. Now will, anything inside the orbs of the fixed stars behind the (moving) planets and other objects from the chart, be shown. I've taken the orbs of the star conjunctions from the following two websites: 'astrologyking.com' and 'fixedstarsastrology.wordpress.com'.

If the orb from the first website was biggest, I have left it like that. If the orb from the second website was the biggest I have changed it to the average of the two.

I also gave all the four Archangel stars (Aldebaran, Regulus, Antares and Fomalhaut) plus Sirius and Spica a bigger orb of 200 minutes (3°20'). Caput Algol, as a evil influence, I gave 3°.

A lot of these stars (297 in this script, plus the Galactic Center and the Great Attractor) are far away from the 12 Zodiac-constellations, so saying that the Zodiac has a certain height is not really usefull because it stretches all the way around Earth, in height (as well as in width via the Signs.

(NOTE from 'fixedstarsastrology.com':) — Do not let any of the negative descriptions for any stars that follow which may apply to you frighten you. If you live a good, clean life, good will be in store for you Rather than the darkness that may otherwise apply to you. Live your life with good conduct. ALSO — you can check your astrological chart's planets conjunctions with the stars you were born under to understand yourself better. Stars are rated based on my judgement (John Hebert) with (+) being good and (-) being not good, and the more of each one, the more positive and negative the star's influence.

So seductive... and addictive, this uncontrolled and corrupt energy is potentially violent and criminal. However, if acknowledged, accepted and celebrated, the animal urges inherent in the human species and can be channelled into a new realm of possibilities... where the undulating vibrations of instinctive awareness are harnessed into higher awareness, offering supreme enlightenment and a gateway to bliss. This is the beginning of the shift of consciousness.

The fixed star Unuk marks the possibility of ascension. Individual efforts focused outwards. By entering the dark side of life, opens us to see the light. Like a moth to a flame. Once the light is found through the blackness a new path forward is forged.

[3] This restless and hot-tempered star seeks release in fast and furious action... bestowing a strong physical drive and a sharp mind. Rise and success are granted by this feisty star, but only if patience is practised and good judgment exercised. Anger issues and unresolved pain from the past are indicated with Procyon in our astrology chart. This however is a good thing, as there is a huge chance these lessons are used to better oneself.

Procyon explodes our already given talents to new heights. But only if we embrace our inner truth and live that truth. This fixed star also indicates creative events, town fairs and community gatherings. A time to share our talents.

Remember that any enterprise created in haste will not last but those who plan and wait will be rewarded with victory. With a combination of mercury and mars energy, the fixed star Procyon is strong and compelling. Enticing change through the chaos is at our lowest point where we are open to the greatest change.

Ruling the left eye, Procyon is a symbol of insight and foresight. A psychic protection eye of sorts. Vision and foresight are needed your journey to success and freedom. Don't allow setbacks or obstacles to clutter your path. See clearly only the goal you have set for yourself. Control your over assertiveness with a calm resolution of the mind.

[4] Foretells wealth and renown, and in all classical astrology has been much regarded. Procyon gives activity, violence, sudden and violent malevolence, sudden preferment by exertion, elevation ending in disaster, danger of dog bites and hydrophobia, and makes

its natives petulant, saucy, giddy, weak-natured, timid, unfortunate, proud, easily angered, careless and violent.

[6] Procyon rules below the left eye in the human body.
