Life Path Number: 4 = (1+0) + (1+0) + (1+9+4+6)

([659] numerologycalculator.online:)

The Worker

The Life Path 4 suggests that you entered this plane with a natural genius for planning, fixing, building, and somehow, with practical application and cerebral excellence, making things work. You are one of the most trustworthy, practical, and down-to-earth of individuals; the cornerstone members of society. Indeed, as a Life Path 4, you are a builder of society.

Once a decision is made, it will be followed through to the conclusion, right, wrong, or indifferent.

You are very set in your ways and determined to handle things the way you are so certain that they should be handled.

Loyal and devoted, you make the best of your marriage, and you are always the good provider.

Friends may be few in number, but you are very close to them and once friendships are made, they often last a lifetime.

The negative 4 has a bad tendency to get caught up in the daily routine of affairs, missing the big picture and major opportunities that come along once in a while.

Expression (Destiny) Number: 7

([659] numerologycalculator.online:) The number 7 Destiny suggests that the direction of growth in your lifetime will be toward thought, analysis, and the development of a mind skilled at searching out the truth.

You must become accomplished at analyzing, judging and discriminating, so that little escapes your observation and deep understanding.

In this you will become increasingly introspective, and value seclusiveness and solitude.

You are the type of person that can really get involved in a search for wisdom or hidden truths, and you must become an authority on whatever it is your are focusing on.

This can easily be of a technical or scientific nature, or it may be religious or occult, it matters very little, you pursue knowledge with the same sort of vigor.

You can make a very fine teacher, or because of a natural inclination toward the spiritual, you may become deeply emerged in religious affairs or even psychic explorations. You have excellent capabilities to study and learn really deep and difficult subjects, and to search for hidden fundamentals.

You tend to operate on a rather different wavelength, and many of your friends may not really know you very well. At full maturity you are likely to be a very peaceful and poised individual. You really like to work alone, at your own pace and in your own way. You neither show or understand emotions very well.

The positive aspects of the 7 Destiny are that you must be a true perfectionist in a very positive sense of the word. You are very logical, and usually employ a quite rational approach to most things you do. You can be so rational at times that you almost seem to lack emotion, and when you are faced with an emotional situation, you may have a bit of a problem coping with it.

If there is an over supply of the number 7 in your makeup, the negative aspects of the number may be apparent. The chief negative of 7 relates to the limited degree of trust that you may have in people.

A tendency to be highly introverted can make you a bit on the self-centered side, certainly very much self-contained. Because of this, you are not very adaptable, and you may tend to be overly critical and intolerant.

Life Path - Expression Bridge Number: 3

([660] numerology.center:) Number 3 belongs to people, who are usually a little bit tense and stressed. They are very serious persons. It complicates their life. If 3 is your bridge numerology number, you have to communicate more and interact with others. Try to socialize and you'll feel that your life becomes easier. It doesn't mean that you don't have to be serious with the main aspects of your life. But, it is necessary to differentiate

important things and situations where you may just relax. Express yourself and apply your talents in some creative fields. It will help you to relax and direct your thoughts in a positive vector.

Heart's Desire (Soul Urge) Number: 4

([659] numerologycalculator.online:) People with this soul urge have a natural desire for order and are very good at working with their hands and tend to be tradespeople.

You have a need for stability and structure in your life. You want your life and everything that touches it to be orderly. You have a systematic way of doing virtually everything. You are often not satisfied unless you are working toward some kind of goal. This makes you focus too heavily on work at times so remember that stability also means having time for yourself.

All work and no play is not a recipe for structure or stability.

You are a very loving person but you struggle with your ability to express love outwardly. Don't assume the ones you love know that you love them. They need to be told and you need the practice of telling them. This will help you to achieve the emotional balance that you desire.

Personality Number: 3

([659] numerologycalculator.online:) Naturally lucky.

Creative and articulate, three people are seen as interesting and great story tellers.

Three people seem to have a knack for finding opportunities and can always see a silver lining in the clouds. People see them as creative thinkers who sometimes get carried away or may be prone to a bit of exaggeration to highlight their point.

People with 3 of Personality Number radiate enthusiasm, good cheer and warmth, and people who surround them often cannot resist it.

In social situations they are in the center of attention and play role of those who make parties really fun.

A Number 3 person is lively, gregarious, charming and entertaining conversationalist, who immensely enjoys people and always ready to have a good time as he/she thrives on own conviviality.

Heart's Desire - Personality Bridge Number: 1

([660] numerology.center:) This number forces you to be more of a hardworking person. To reach the aim is not so easy. A comfortable approach to things for you is not the best solution. Changes are necessary for you. You'll achieve success if you look for new

ways, work hard and remember all the time that everything depends on your efforts. The other people are waiting for open communication from your side. Unfortunately, in most cases they don't get it even if you think they do. Try to be more open with people. Express the thoughts in such a way that others can understand you. It is necessary to express yourself in a simple manner in order to make communication easier and to be on the same wavelength with others.

Quiescent Self Number: 3

([661] affinitynumerology.com:) Quiescent Self — This chart position provides insight into what you consider to be an ideal existence. A quiescent period is being immersed in oneself with personal perceptions of ideal existence (without outside influences) and experiencing the feelings and rewards and activities as if they exist in actuality. (The "quiescent self" number sometimes is referred to as the "inner dreams" number.)

During quiet contemplations of an ideal life, people with quiescent-self number 3 are likely to see themselves as being popular, especially in relation to creativity and artistic pursuits, and being in position to inspire others with their perpetual optimism.

The energy represented by the number 3 resonates with creative self-expression. Also social interaction and optimism. And tolerance. It is an inspiring energy.

Thus, there's a tendency for someone with this quiescent-self number to immerse themselves in visualizations of being successful in one or more artistic fields — designing, decorating, painting, acting, singing, sculpting, ... — and being socially inviting.

Their thoughts and contemplations lean toward spreading cheer wherever they go, as it comes natural to them, and seeding happiness with their optimistic inspiration.

Maturity Number: $11/2 = 4 + 7 = \text{LPN} + \text{E(D)N}$

([662] feliciabender.com:) The Master Numbers always indicate a higher sense of spiritual purpose – no matter how you define it. Plus more intense challenges! Just so you know, it ain't easy.

You're moving toward reevaluating what it means use your emotional sensitivity to the benefit of both yourself and others. You're being called upon to use diplomacy, to involve yourself with group dynamics, and to open yourself to relationships.

PLUS you will spar with ego, being an "introverted extrovert," and being called toward fame and leadership.

Where you'll be challenged: With this Maturity Number, there's often a shift in life bringing issues related to sensitivity, artistic creativity, and overcoming many obstacles to center stage. Challenges reside in the intensity in which you experience life, in the ways in which you'll be put to the test over and over again in the realms of personal

challenges, physical sensitivity, and emotional sensitivity.

Karmic Debt Number: 13/4

([663] mattbeech.com:) If you have a connection with path 13, it means that the biggest problem from your previous life was your lazy attitude. Laziness is the most dominant lesson associated with this path; this sign is telling you that you spent a majority of your previous life or lives in a wasteful state.

Those of you who have 13 as their karmic debt number need to focus all their talent and energy towards a **productive cause because there** is a lot of latent build-up from previous lives that need to be exercised.

If you're seeing this number, then you probably have a propensity to take one too many shortcuts in life, and you need to stop doing this immediately. There is no substitute for hard work, and this is the vital lesson that you need to take away from your associated number.

(astrobasic.com:) This Karmic Debt Number will create an obstacle in your life and force you to do hard work. You may feel burdened and frustrated due to this Karmic Debt number.

The recommended solution is to always focus on the task which you started. Because Karmic Debt number 13 will scatter your energy and don't allow you to focus.

Karmic Lesson Number: 4

([664] worldnumerology.com:) A missing 4 may find you rudderless and confused about your life's direction. To obtain focus and success you will need to establish a methodical, disciplined approach. It is important to create a foundation for your life to keep from feeling lost and tossed about by change.

You may have trouble finding the work you do best, as you tend to be somewhat impractical and disorganized. Without a strong inner compass, you will look to life's problems outside yourself rather than within. A new job may start off as "The Answer," but it won't hold the same appeal for long (as you discover the new work requires the same effort and perseverance as the last one, without the initial glamour).

Concentration and application need to be strengthened when the 4 is missing.

The effects of this Karmic Lesson are diminished if you have at least one 4 among your other core numbers (Life path, Birthday, Hearts Desire, Expression or Personality Number).

First Pinnacle Cycle: 2

(Month + Day) - from age 0 to 32 (based on LPN) - ([665] feliciabender.com:)

General: When this is your Pinnacle, you're being beckoned to envelop yourself in the elements of learning to cooperate, share, be considerate of others, and be at your best when you are in harmonious relationships without sacrificing yourself in the process.

2 is the number of partnerships, patience, balance, and keeping fairness at the helm. Therefore a Pinnacle is a time where love and group effort takes front seat, whether it's through marriage or partnership, parenting, or other experiences that have the elements of unconditional love at the core.

This is a time where you will be called upon to work on—and perfect—your subtle art of relating. The 2 energy also has to do with gathering and relating facts or data, perfecting details, and being a team player whose strength lies in being of service in a joyous and balanced way. Where precision and details are valued, you'll be happiest with your contributions.

A 2 Pinnacle immerses you in friendliness and harmony. This energy asks you to pay attention to details and practice patience and tact. It won't offer much recognition for all you do during this time, so you must turn to yourself for acknowledgment in order not to feel resentful.

Pinnacle 1 Number 2: First Pinnacle: If you experience a 2 First Pinnacle, count on being an overly-sensitive child who's easily hurt and who takes on the emotions of those around you. Yet, since you're so young, you won't realize you're feeling both your own emotions plus those of everyone else. You may have difficulties with both verbal and emotional expression since you are overloaded with feelings that you're not yet mature enough to recognize and filter out. Your mother is likely to be the strongest influence on you during this time.

Warning: Warning: The 2 energy is super-duper sensitive. If you don't work with this energy mindfully your tendency will be to get your feelings hurt often and deeply. If you take every little thing personally, instead of cultivating your ability to relate well with yourself and others, you'll experience a substantial amount of pain during this time—not to mention a battering of your self-esteem in the process.

Second Pinnacle Cycle: 3

(Year + Day) - from age 33 to 41 (based on LPN) - ([665] feliciabender.com:)

General: When a 3 Pinnacle comes, get ready to dig into your emotions and express yourself. This is a time to get to know your inner life intimately, to identify and deal with your emotions, and to cultivate your creativity in all its forms. You have no other choice except to dig deep to locate your underlying emotions and learn to communicate these with clarity and purpose. It's time to learn to speak your truth. If you attempt to hold your

feelings and ideas in, you'll implode. Now is the time to allow yourself and others to see the true creative and emotional you.

This Pinnacle is set up for light, enjoyable activities that support joy and expression. This energy is supportive of travel, social activities, friendships, and entertainment. You may feel affectionate and certainly you feel the push to be outgoing during a 3 Pinnacle. The foundation is being poured for growth and development of personal expression, particularly verbal expression. Even if you haven't felt particularly "artistic" or "creative" before, now you are likely to feel drawn toward participation in artistic creation of one kind or another.

The 3 vibration is aligned with the joy of the present moment. Long-term plans made during this stage might not come to fruition exactly the way you planned them. It's all about being with people, having some fun, and acting with a youthful attitude. It can be an "easy come, easy go" stage, where variety and movement trump hunkering down and making things happen. Think. Dream. Imagine. Create.

Pinnacle 2 Number 3: Second or Third Pinnacle: If you're in your Second or Third Pinnacle, the 3 energy pertains to good friends and happy relationships, joy, gratitude, the pleasures of life, and creative self-expression. This is a time where your responsibilities and accomplishments are greatly dependent on your social demeanor and communication skills. You may be presented with opportunities to write, speak, design, or take a job in the entertainment industry. This time is marked by imagination and feelings.

If you're nurturing this number's healthy aspects during your Pinnacle, it has a natural attraction for money and an easier life full of creativity where you're drawn to encourage and inspire others. You could even become interested in some aspect of the healing arts.

Warning: Warning: You'll feel that with the 3 energy, you can get easily scattered, distracted, and drained. The 3 energy is so curious, you'll want to learn something and then quickly move on to the next thing. You would benefit from developing more groundedness and a sense of self-discipline in order to take full advantage of this joyful and happy number.

Third Pinnacle Cycle: 5

(1st Pinnacle + 2nd Pinnacle) - from age 42 to 50 (based on LPN) - ([665]
feliciabender.com:)

General: When you have a 5 Pinnacle, get ready for what I call an "ADHD experience." This is a time for change and uncertainty. It feels as though you're experiencing life without a filter. In this Pinnacle, vivacious, unbridled energy surrounds you and it's hard to know what direction to go or what to grasp onto. Ultimately, this is a time for loosening

up patterns of restriction you have held on to in the past. The 5 Pinnacle is all about developing a new sense of freedom, liberation, and adventure. This Pinnacle is all about change.

Change is the mantra for this period of your life—and that means change in everything from career direction and business decisions, to spirituality and health, marriage and divorce. You name it. It's all up for review during this highly energized portion of your life. If you're forward thinking and ready for a shakeup, this can be a brilliant time of transformation—but not without the pain associated with growth. This isn't a time to nest or settle down; instead you'll find yourself being drawn into the public world.

The major focus of a 5 Pinnacle is to learn to be adaptable and flexible. Remember: What you resist will persist. Don't resist this cataclysmic energy, yet also avoid impulsive decisions, including the strong urge to run away and avoid whatever you're experiencing.

Pinnacle 3 Number 5: Second or Third Pinnacle: If in the Second or Third Pinnacle, the vibration of the 5 supports your ability to progress and achieve in a fast moving, highly fluctuating environment. Adaptability is critical to your healthy progress during this stage. Your desire for—and sense of—freedom is quite powerful and significant during this Pinnacle. You must be careful not to get too carried away and damage relationships or partnerships because of your unyielding urge for freedom, travel, and adventure.

Warning: Warning: Because the 5 Pinnacle is a time to expect the unexpected (and change is usually difficult for all of us) this period in your life can be exciting and yet unsettling. It'll often prove to be a transformational time accented with restlessness, activity, and a distinct desire to get outside of your own box. There also may be the tendencies to quit something before it's completed, to be promiscuous in your sexual life, or to habitually overindulge in food, drugs, alcohol, or gambling. Balance is key and a huge test during this Pinnacle.

Fourth Pinnacle Cycle: 3

(Month + Year) - from age 51 (based on LPN) - ([665] feliciabender.com:)

Segments General and Warning were already given for this pinnacle number.

Pinnacle 4 Number 3: Fourth Pinnacle: If a Number 3 shows up for your Fourth Pinnacle, there's a good possibility for travel and social activity. Often this is accompanied with a freedom from financial worry. It can be a very comfortable final stage in your life that is supportive of all your creative endeavors.

First Period Cycle: 1

(Month) from age 0 to 32 (based on LPN)

([666] worldnumerology.com:) The first three decades of your life represent a period of

much intensity. It requires fortitude, courage, and flexibility. You will be forced to use every one of your talents in order to achieve your own personal individuality and independence.

This is a period of integration and focusing on your life's dream.

Your grip on your direction will be tested, but somehow the resources are available to overcome any obstacle and emerge from this time all the stronger. It is a time requiring independence, resilience, and strength, but these characteristics become integral part of your personality.

This cycle marks a time of progress.

Second Period Cycle: 1

(Day) from age 33 to 59 (based on LPN)

([666] worldnumerology.com:) The middle years of your life (approximately ages 30 to 60) find you on an intense path of personal growth. You are required to adapt frequently to the many ups and downs in your life.

When 1 rules the second Period Cycle it focuses on self-empowerment.

To facilitate this, situations occur that force you to dig deep to find the courage required to face your challenges. You have love and support, but circumstances will often demand that you rely heavily on your own strengths.

Fortunately, throughout this approximately thirty-year period, you often have confirmation that your gut feelings are correct and feel you are moving in the right direction.

You will likely find yourself in a leadership position, strengthening your self-confidence even more.

Third Period Cycle: 2

(Year) from age 60 (based on LPN)

([666] worldnumerology.com:) The latter part of your life finds you increasingly intuitive, relying more on your heart than on your mind. You become less inhibited, as you gradually lose the fear of showing your true and deeper self.

You are more direct and less hesitant to express your feelings. You rely on your gut feelings more often. "If it feels right, it probably is," could become one of your stronger convictions. You are better at working with people and you become a master in the fine art of persuasion.

Younger people, and others, are drawn to you - especially those who live with difficult

circumstances and those who could use your help. You may well discover a talent you have not previously considered, perhaps in the visual arts.

First Challenge Number: 0

(Day - Month or vice versa)

from birth until approximately the age of 30 to 35

([665] feliciabender.com:) The 0 Challenge is called the Cipher Number. This number represents all or nothing, empty or full. You decide. With this number, you are given “a free pass,” so to speak. You’re being offered an enhanced dose of free will.

If you have a 0 Challenge, you can choose to amble idly along without a determined course or you can grab this profound opportunity to rise above your demons and achieve greatness. That is how powerful this energy can be for your Pinnacle. When you see a 0 in Numerology, it serves as an amplifier. To meet the challenge of the 0 vibration, you must have some sense of mastery over the constructive aspects of all the other numbers: independence, leadership, creativity, emotional self-expression, diplomacy, application, hard work, understanding, responsibility, wisdom, personal power, and humanitarian vision

It’s suggested that a person who has a 0 Challenge number on their journey is a well traveled soul, so the 0 offers opportunities for you to use your compilation of soul knowledge during your lifetime.

There’s great opportunity for expansion and growth under this Challenge. The obstacles you face during a 0 challenge may not be many or they may be coming at you from all directions. You can think of it this way: This is the Challenge of Choice. Therefore, choice feels more confusing and difficult during this period. The 0 is challenging you to have the utmost faith in your own abilities to the extent that you can form a healthy sense of detachment with which you can analyze a situation, make a choice, and then act on that choice with ease and comfort, unconcerned and neutral in feeling regarding the outcome.

Warning: If you have a 0 Challenge in your life, it should not be taken lightly or cavalierly, because, with this number, a decision must be made. We rarely make empowering choices by default. There is a lot of responsibility when any Pinnacle contains a 0 Challenge. Use its energy wisely and fiercely

Second Challenge Number: 1

(Day - Year or vice versa)

from the age of about 35 to 55/60

([665] feliciabender.com:) If the number 1 as a Challenge Number, you’re being called upon to stand up for yourself, be true to yourself, and be self-reliant. You’re truly being called upon to step up to the plate and become a leader. This won’t necessarily be a gift that simply falls into your lap; you will need to cultivate leadership qualities, trust in your

vision, and hone your people skills so you can be most effective in getting the job done.

During this time, you're likely to feel dominated by others in one way or another—either professionally or in your relationships. This feeling of being dominated might lead you to be competitive and you might experience an overwhelming sense of needing to achieve above all else. Your challenge lies in your ability to recognize when you're being pulled into this negative vortex and instead focus your energies on controlling the ego and keep self-righteousness in check.

You're learning about self-reliance and how to solve your own problems—and perhaps the problems of others—independently. You need to cultivate your wit and intelligence and cast tendencies toward argumentation and resentment aside. Also cultivate your confidence. This is a period where you'll come under fire by critics and detractors. Don't allow the naysayers to stand in your way or deflate your vision.

Potential Destructive Aspects of the 1 Challenge:

- Major or minor bouts with feelings of insecurity
- Becoming an aggressive “know-it-all”
- Getting caught up in “being right” at all costs
- Allowing addictions to overtake you
- Becoming extremely emotionally needy
- Feelings of ill health due to frustration

Third (Main) Challenge Number: 1

(1st - 2nd Challenge Numbers or vice versa)

The Third Challenge carries much weight and will be felt throughout your life. For that reason, it is also called the Main Challenge. As you master this challenge, your life will come more and more under your own control. You will incorporate the positive aspects of the challenge into your character. This is its purpose in the first place. Therefore, there is implicit in the challenge a chance for great reward. In short, this may be the secret to your success.

This Challenge Number has already been explained previously. (above)

Fourth Challenge Number: 1

(Month - Year or vice versa)

from the age of approximately 55/60.

This Challenge Number has already been explained previously. (above)

Personal Year Number (for 2022): 8 (10 + 10) + (2+0+2+2)

([667] affinitynumerology.com:) When the personal year number changes, the influence of the energy represented by the number also changes. Internal urges shift. Different things feel important. Opportunities seem different. Life is somehow changed. The

energy attracts certain type of events and circumstances during the calendar year. It affects the energy represented by the life path number, changing the experiences during the year — generally in a subtle way but sometimes in a way that can seem rather dramatic.

The energy represented by the numerology personal year number 8 brings energies related to business and material accumulation.

This tends to be a year of achievement, of reward — a year to make strides in business, organization of projects, employment, promotions, monetary compensation, or the accumulation of possessions. A year of accomplishment.

A desire to better one's financial condition comes with this year.

Monetary gains are likely. Material rewards come more easily because you tend to focus on them. Actionable opportunities are noticed more, again because the focus tends to be open to seeing opportunities. This is a year of action, efficiency, and material gain.

Personal Year Number (for 2023): 9 $(10) + (10) + (2+0+2+3)$

([667] affinitynumerology.com:) The transition from one personal year's resonance to the next isn't a sudden change. It may be suddenly noticed, but the change happens gradually. Generally, the change begins a couple months before January, somewhere from mid-October to mid-November. The vibration of the upcoming personal year energy begins to commingle with the current personal year energy. The new energy becomes stronger the closer it gets to January 1st of the new year. By January 1st, the new energy is dominant. It may be a week or two into January before the previous year's energy is dissipated, leaving only the new year's energy.

The energy represented by the numerology personal year number 9 brings idealism and humanitarianism. There is more concern for the welfare of humanity, and less prejudice and judgement. More compassion and tolerance and benevolence, less blame.

The energies of this year tend to bring out the philanthropic and generous aspects of a person. Broader interests and larger activities seem more natural. There's a more global consciousness.

The year tends to bring completion or fulfillment of projects or dreams — including letting go of the no longer desirable to make way for the new and now worthwhile.

There's an inclination to support individuals and organizations dedicated to the benefit of mankind.

(feliciabender.com:) This is a year of completion, of unraveling, of letting go of the old to make space for change. This change will be all-encompassing: possessions,

relationships, job, geographical location, spirituality, health. All of it. It is all under review this year. Life changes that are known to happen during a 9 Personal Year: divorce, being fired from your job, the death of a close family member, having a baby, graduating from school, making a big geographical move, or coping with a serious health crisis. This is the year that is inviting you to go on to an even more expansive cycle in your life if you choose to let go and allow what is no longer serving you to fall away. All of these hard experiences are pushing you to grow and evolve.

Cornerstone, Capstone, First Vowel and Keystone (Forename)

The letters of your surname or nickname have a meaning as well, if you filled in a nickname/callname, that one will be used instead of the first word of your full official name. There can also be a keystone, that's when your name has a middle letter.

These texts in between explaining the different parts comes from

'worldnumerology.com', sometimes a different source, then it will be noted.

Anytime 'spiritwalk.org' is used, it is always the general meaning of the letter, not meant specific to the place the letter is positioned at in the name.

Cornerstone: It provides general insight about your essential personality, and it has a lot to say about your approach to **challenges and opportunities**. The Cornerstone in your numerology chart is all about how you approach difficulties as well as upswings.

Cornerstone (first letter): R

[670] [671] [672] [673] ([670] affinitynumerology.com:) The person is prone to approach life with high determination and inner strength, accompanied with tolerance, efficiency, realism, self-determination, and compassion.

([671] spiritwalk.org:) You are very interesting person, with outstanding mind which leads to extraordinary life. You have your own set of morals and principles which makes you regarded in society. Try to always find some time for yourself in any workload. A person like you needs to relieve a constraint, so it would be nice for you to have a hobby not connected with your work.

([672] numerologist.com:) Cornerstone: You are intense, driven and can apply a lot of energy to launching a project. You are willing to sacrifice you time and energy to make things happen.

([673] numerologyzen.com:) Letter R. R is double. Both quick, impatient, rigid, sensitive and very emotive, all at the same time. [His,Her] need for power pushes [him,her] to govern, to be "the King" or "the Queen", while needing to be recognized and appreciated by others (especially for knowledge, know-how but also helpfulness). R moves a lot, in action as well as the intellect. So, R is a dynamic, willing, independent and direct person. [His,Her] apparent roughness and tendency for over activity is a way for [him,her] not to become submerged by sentiments or emotions. At heart, R is altruistic and has immense human qualities. [His,Her] nature pushes [him,her] towards others, to take account of other's needs and to show compassion. [He,She] must stay in return balanced and be careful of what [he,she] gives to whom because there will be people (family included) who will take advantage by trying to abuse R's kindness. R is an idealist who wants to

achieve big things on a high scale. R feels [his,her] emotions intensely and can't take critics, attacks or ingratitude. Even if [he,she] has affective difficulties or slightly lunatic phases, R knows how to take things in hand, to act and make other act, for their well-being (but sometimes interfering a bit too much on their territory). R is an example, [he,she] could be a "guide", but [he,she] is sometimes less efficient where [his,her] own affairs are concerned, having difficulty in making choices. R appreciates notoriety, relationships and contacts with foreign lands.

First Vowel: This letter gets to your core. Think of the **deepest goals, urges and dreams** that drive you in all you do - this is the letter that offers a glimpse into the "window" of your soul! But this is a secretive letter, because few people wear what it really is they want on their sleeve. This first vowel in your name indicates something that only your closest friends and trusted family members might know about you ... You might know someone who for whatever reason changed the first vowel in their name. Although this is rare, it indicates a person who is uncomfortable with who they really are, at their core.

First Vowel: E

[674] [671] [675] ([674] affinitynumerology.com:) Everything is interesting. Freedom and adventure tend to be dear to the person, thriving on excitement. They tend to be original and versatile.

([671] spiritwalk.org:) You are a independent, emphatic and active person. You are searching for your soul mate, real love. You are quite sociable and like to spend time in friendly company. You are intelligent and sharp. You are able to look at one situation from many diverse angles.

([675] numerologist.com:) The E reflects the energy of the number 5. When you have the E as your first vowel your tendency is to respond to the world with excitement, energy, and with an ultimate desire for freedom. Above all, you're instinctive and highly intuitive. You see yourself as emotions-based and curious. You have a quick mind and a highly magical energy about you. You have a drive to experience it all – with disparate interests, diverse talents, and sexual verve. Even though you love people and participate in the carnival of life – since you're so intuitive and emotional – you can easily become emotionally drained by other people.

Capstone (last letter): E

Extra: **Balance Number:** (numerologist.com:) It is the arithmantic sum of the Cornerstones. It shows a basic pattern in your life that you will tend to fall back on. It also shows how you stand your ground amidst chaos, confusion, distraction or other forces that could drag you off course.

Physical (Body) Plane

Physical Plane symbolizes body and physical form of a person. This Plane is governed by instinct, and relates to everything that is tangible, visible, and real. Practically no importance is attached to the imaginary and fanciful. Preference is given to what is already known, based on facts, and doesn't go beyond the bounds of reason. It is the pivot of life, as form and style of existence are maintained here. According to Numerology traditions, this Plane indicates one's natural capabilities. This alone reveals how the term "destiny" understood in Numerology: it is neither "doom", nor "fate", but a set of inherent features. It is active potential, and the process of making use of it is called life.

2 on the Physical Plane

You are able to see, remember what you've seen, and use your knowledge. Through the years, you'll grow confident, and this will help to take control over impulsive manifestations of your inner power, overcome shyness and excessive sensitivity (that

shows at times), and sense the rhythm of life, experience its harmony.

Mental (Mind) Plane

Mental Plane represents the person's mind and reason. It is the level of intellectual interconnections, analysis, collecting and comparing facts. Even the most evident is not accepted here if it cannot be analyzed and proved. It is the Plane of will power, determination, confidence, and cold calculation that doesn't let imagination twist the facts. Fine mind, clear thinking, and management skills guarantee that you'll take a leading role and a high position.

8 on the Mental Plane

Wanting more than you have is not reprehensible, is it? Who would blame you if all your abilities, strength and knowledge are aimed at the realization of this desire? You want to control people and manage big business. Good luck then! Just don't forget to suppress your arrogance that may show up at times, and be demanding of yourself to the same extent as to others.

Emotional (Heart) Plane

Emotional Plane is all about feelings and emotions. It is the level of kindness and sympathy. Here facts recede into the background and give way to imagination, inspiration, inner perception, and creativity devoid of any practical ground. It is not reason that governs actions and reactions to life or other people, but feelings of love and tenderness. People of the Emotional Plane don't have a particularly logical approach to making plans.

4 on the Emotional Plane

Your motto is imperturbability and constant self-control. You are almost devoid of emotions; the others' emotional expressions arouse your distrust and even outright irritation sometimes. Beware: next stages on this way are isolation and anger. Try to be more understanding to those whose mode of behavior differs from yours. Pedantry and meticulousness can make you an indispensable employee in business and management.

Intuitive (Spirit) Plane

Intuitive Plane represents the spiritual level of internal knowledge. It is guided by insight and abstract impressions that go beyond the boundaries of both fact and imagination. Intuition helps man to express heavenly wisdom on the Physical, Mental, Emotional Planes of mind and action. Intuitive Plane is the plane of reverence for the Divine, piety, compassion, tolerance, ingenuity, and that inner guidance that enlivens all other existence levels. This is also known as God's grace.

2 on the Intuitive Plane

For you, the most familiar way of thinking is floating up in the clouds. You don't build castles in the air, and your intuitive insights are often quite applicable to practice. However, your extreme sensitivity doesn't allow you to bring them down to the status of real actions.

11 on the Intuitive Plane

(numerology.center:) Your intuition is really developed. You can tell the upcoming events, and you don't guess, you tell what you feel. You can influence the disposition of people around.

Pythagorean Square | Psychomatrix

([681] in-contri.com:) The so-called "psychomatrix", invented by the ancient Greek scientist Pythagoras, is one of the most popular calculations in numerology. It helps to define strength of character, energy, health, intelligence and other innate qualities. «To understand the world means to know the numbers controlling it,» Pythagoras asserted.

([682] tragos.net:) Pythagorean Square - is a separate area of numerology. In fact, this area of numerology goes back to the times of Egyptian priests. They were the ones who first began characterizing people's characters by using numbers. Pythagoras took this knowledge of numbers as a foundation and applied a mathematical approach to it, which is based on the harmony of the square.

Pythagoras and his followers expanded the capabilities of the original Egyptian system by supplementing the meanings of individual numbers with the meanings of the target lines of the Pythagorean square. Thus, a new approach was now able to help determine a possible goal of a person's life.

Main abilities (square's cells)

Character, will — 111

"The Golden Mean" - your character is named like this because you are able to get along with all the other types of characters. You'll have an edge over a person with weaker willpower and will match someone who's stronger. However, you often act like a combative, challenging other leaders and society persons.

Vital energy — 2222

"Strong energy" - you have excess energy. Therefore, you are a donor for most people with low energy. You can become a politician, an artist, a musician, an athlete, and even a psychic with the potential of a healer. People around you feel your charisma. In posse, you can influence others' will. It's no wonder that in big companies and get-togethers you manage to attract persons of the opposite sex, especially with energy from 0 to 22.

Cognitive, creative — empty

"Weak potential" - you don't have a propensity for the exact sciences, complex concepts and invention activities. Besides, you are not interested in anything like that.

Health, beauty — 44

"Normal health and beauty" In general, "44-health" makes it easier to have illnesses and recover after them. And "44-beauty" makes your appearance seem harmonious and attractive for the opposite sex. You have inclinations for sports or appearance-based work. Physical exercise, fitness and a healthy lifestyle will yield good results. But you shouldn't refuse to maintain health and rely only on the innate potential - age and bad habits ruin everyone.

Logic, intuition — empty

"Logic is not a forte" This is a trait of dreamers who are hovering in the clouds. They are not good with long chains of facts and reasoning. They can be easily confused, so they constantly run into the same trap. People without "5" are more emotional than rational.

Labor, skill — 6

"Inclinations of diligence and skill" - capriciously this person can cope with any work that requires diligence, accuracy and technology compliances quite well. Of course, they will not become a "jeweler" at once, but whether it's building a house, repairing or something that does not require over-skillful hands, then, most likely, it will work out. And in the process this person will sharpen their skills.

Luck — empty

"Not the lucky one" - this person never gets help from above. They should make a lot of attempts without expecting sudden success if they want to do the trick. But you must admit that working hard and achieve success and have an accidental success are different things.

Duty — empty

"Owe nothing to anyone" - public or other duties are usually not familiar to this person. He or she can not be called a complete egoist, but all their goals are directed primarily at themselves. In their dreams, they strive for "freedom" and "independence", for which read absence of any kind of responsibility to anyone or anything.

Intellect, memory — 9

"Basic intelligence" - information is processed on the principle of "practice makes perfect". This person can't remember too many facts and things. Therefore, they should not overload themselves with superfluous knowledge - it will be forgotten. But in practice, they can perfectly use the information that they constantly work with.

Secondary abilities (lines and diagonals)***Self-Esteem (Line «1-2-3») — 7***

"Inflated" - the person highly estimates themselves. In addition, beliefs like "I deserve more", are very typical. It is to be noted, that high and inflated self-esteem are the most real incentive to do things in a big way. But one day most of these people look back with the benefit of hindsight and understand that they did not become what they wanted. And here they get depressed, or make a quantum leap forward.

Moneymaking (Line «4-5-6») — 3

"Rotational work"- for this person it is the ideal way to make money: earn a living quickly and effectively in a short time, and then relax. Most often, they look for efficiency wages.

Talent (Line «7-8-9») — 1

If the person is evidently talented and works to unleash its potential (you can pay attention to other cells) then this figure indicates the potential development of this talent.

Tenacity (Line «1-4-7») — 5

"Stubborn" - this person goes to the goal at all costs, even if in the end the result will be not a circumstance to the resources spent on its getting. They look for partners who also want to get more out of life and it look down their nose at those whose goals seem insignificant.

Domestic bliss (Line «2-5-8») — 4

"A good family man" - "family values" is not an empty phrase for this person. They consciously plan creating a family and then shows themselves as a loyal partner and want to live with someone who shares this goal.

Stability (Line «3-6-9») — 2

"Everything is under control" - this person is very light on their feet but controls the desire for change. Nevertheless, you can't say that this person is stable.

Spirituality (Diagonal «1-5-9») — 4

"High spirituality" - the predominance of spiritual values in this person attracts their soul mates. Together they begin to influence the surrounding inveterate materialists.

Temperament (Diagonal «3-5-7») — empty

"Very cold" - this person is indifferent to physical intimacy. On the one hand, it's not bad that they look for a partner not only for sexual fulfilment. On the other hand, only partners with 0 or 1 temperament are suitable. Surrounding people may seem sexually driven. But it also happens that following the expectations of society people with 0 temperament try to make show that they care about sex too.

SEVEN: The value of seven is victory. It is a sensitive vibration that rides the razor's edge of life's hard experiences. It is stressful and tense. It is the number of obstacles. The personality of the 7 is chosen to overcome adversity by rising above and beyond the challenges of their karma.

JOURNEY OF THE SOUL: Their Soul Card is the 8 of Heart. This emblem is symbolic of the healing power of love. It symbolizes restoration, and reconciliation. It radiates charm and magnetism. The wise 7 of Heart use their soul-power to attract the help they need. They turn obstacles into victories and harness their emotional stress as motivation to succeed.

Childhood experiences teach the young Seven of Heart that in order to overcome adversity, they must rise to the challenge quickly. They and their family receive many calls for help, usually financial, which creates an understanding of money as a necessary evil.

Seven of Heart personalities operate on a higher frequency. Their mind stuff is highly cognizant of light energy, which they tap for creative ways to release the incessant stresses of their youth. Many artists, singers and entertainers are born on a 7 of Heart day.

The most challenging karma for the 7 of Heart has less to do with the spirit of the heart than it does with learning how to use their fine minds. They have such broad viewpoints, it's difficult to narrow down the channels of thought. They are busy inventing and building bridges to progress while the rest of us mull over cause and effect.

There are those, of course, whose evolution is on a lower frequency of light. For those seven of Heart, mental frustrations create a lazy mind, unwilling to rise to the challenge. Emotionally wilful, there are no half measures for the 7 of Heart! For good or for worse, they are self-sacrificing and loyal to death do they part, or the romantic rebel, unwilling to take on the emotional work for a committed relationship.

After age 91 the cycles repeats.

Cosmic Lesson Card: Nine of Spades (metasymbology.com:)

Spades: Wisdom - Labor - Acceptance

Nine of Spade Meaning: Spiritual Awareness

Karma for the 9 of Spade: Service

Earth-Pentacles - Planets: Venus & Uranus

Sensitive, idealist, unconventional - none of the 9 of Spades are undeveloped or unaware, and it's that very awareness that either disturbs them or inspires them.

KARMIC CHALLENGE for the Nine of Spade: Hypersensitivity and Impersonality

Nine of Spade need to find positive philosophical or spiritual ideals to help them cope with their intense inner-emotional conflicts, as they prone to psychosomatic illnesses. All 9 of Spades have tremendous personal magnetism, and they have a strong paternal nature toward those they love.

Capable of managing large businesses, 9 of Spade are at their best when sitting in the drivers seat. When it comes to finding love, they are flirtatious and tend to lose interest quickly. Friendships are extremely important to them, and they enjoy learning and sharing their knowledge with others.

The Nine of Spades are often brought into contact with a wise and kindly man - a mentor who sets them back on their feet and instills in them the self-confidence that should never be lacking. These are truly gifted people with much to offer. If only they are made to realize it!

Cosmic Reward Card: Nine of Clubs (metasymbology.com:)

Clubs: Mind - Communication - Intelligence

Nine of Clubs Meaning: Mental Discord

Karma for the Nine of Club - Transcending Negativity

Air-Swords - Planets: Venus & Saturn

All NINE's need to transcend the intense challenges of their suit. The CLUB suit symbolizes the mind, and how we think. Thus the 9 of Club have difficulty letting go of negative thinking habits, and can suffer from mental laziness or procrastination.

As a rule, these people are warm and friendly with a keen sense of obligation. They like to keep promises and pay their debts. Those who succumb to mental lethargy or negativity feel powerless to realize their true potential.

The 9 of Club is known as the "Adventurer's Card". They like to gamble and are always willing to take a chance. They are intensely curious and when they apply their adventurous spirit to the field of knowledge, they are capable of making profound discoveries that benefit others on a universal scale.

Cosmic Moon Card: Two of Hearts (metasymbology.com:)

Someone at a higher energetic vibration, there to assist you in your cosmic (spiritual) path.

Hearts: Emotions - Love - Family

Two of Heart Meaning: Faith in Love

Karma for the 2 of Hearts - Fear of Financial Security

Water-Cups - Planets: Venus & Neptune

All TWO's represent an element of fear, based on the meaning symbolized by their suit. The HEART suit represents love and relationships. Thus the 2 of Heart tend to run from the very thing they need the most: emotional commitment.

KARMIC CHALLENGE for the Two of Heart: Cooperating with Loved Ones.

It is true, the meaning of the Two of Heart heralds the "union of love." But those born on a 2 of Heart Day are some of the least lovable types! Perhaps in spite of their obsessive need for an intimate relationship, Two of Heart are willful brainiacs, preoccupied with financial security, with a preference for associating with people of influence.

The essential nature of the 2 of Heart is to protect those whom they love and share the responsibilities of family and friends. They have brilliant minds, a firm command over their financial affairs, and rock solid work ethics. All Two of Heart strive for peace and will do whatever it takes to achieve it!

The Soul Card for the 2 of Heart is the ever curious Ace of Club. Hence an inherent conflict between their compelling need for emotional security (the 2♥), and their insatiable "need to know" (A♣)!

Note: If you would want to go deeper into this specific divination: there are different spreads for each year (of age), smaller cycles, at: 'knowyourdestinycards.com'. These are the cards from the lifespread, the largest cycle. But I skipped the cards for every 13 year cycle, there are seven of those.

Mesoamerican Divination | Tzolkin System

The Day Sign, Galactic Tone, Trecena Sign and Night Lord.

The Trecena is more innate - like the Moon Sign in astrology - reveals deeper aspects of your personality: your emotions, your connections to others and society, and how you respond to things.

Day Sign would be like the Sun: something you work on, something that involves discomfort and effort. You can also have the same sign for the Day sign and the Trecena sign.

There are 20 signs and 13 galactic tones, which makes up for a 260-day cycle for the Trecena's. If you add in the Night Lords, you get the largest repeating cycle. (9 times 260)

Empowerment (5) Imix

East (Red) glyph: Empowerment / Guidance

Day Sign: Crocodile

/ Imix (Yucatan) / Imox (Kiche)

Imix types are often constantly at work, usually trying to maintain the integrity of their world. They are energetic, rigid, creative, and initiating.

They have intense emotional power and a need to be deeply involved in whatever they do, a need that must be used creatively or it may become a source of problems in relationships. Imix types have strong nurturing instincts, are quite sensitive, and require privacy.

They are not always comfortable sharing feelings. They are protective and dominating in a parental way and often struggle psychologically with the voice of an internalised critical parent.

Persons born under Imix can be assertive and even aggressive in some ways. Many feel rejected by their families or parents, and in compensation, seek group friendships that make up for this loss. Some become founders of businesses, organisations or associations. They relate to the world around them through their feelings and not their intellect. This causes them to be quite reactive to any changes taking place around them, and they often rush in to keep the "dam from breaking", so to speak. This reactive nature is probably behind their tendency to initiate activities.

They are often found breaking new ground or starting projects from scratch. When motivated, the Imix type will work incessantly until emotional security has been restored and stabilised. When they do achieve emotional security, however, they may become extremely lazy and even lethargic.

Challenge:

To accept themselves completely and to become free from feelings of rejection by parents or other authority figures; to join with others on terms that are shared by the others; to refrain from being judgmental.

Solution:

Founding a business or creating a home. Learning to be independent.

Four Directions

At the beginning of any phase of consciousness, the ego or sense of individuality is still weak. Not yet fully separated from the deep waters of the collective mind, this emerging ego or self-consciousness is easily influenced by the prevailing spirit of the times.

Because the Imix represents that primordial energy that sleeps at the base of all things, those who were born under Imix power may find that their feelings for dreams, magic, and mystery is a great deal stronger than their sense of self or individuality.

The Maya say that Imix are "easily dominated by the Year Lord" - which means that they are easily influenced by the spirit of the times, in the form of every type of stimulus or media imagery around them.

Sometimes this domination by the time spirit may be beneficial, for Imix may become positive carriers for all that is best in the time spirit.

This is why The Book of Chilam Balam of Kaua calls them "the maize of the bread", the substance of the matter.

Imix can easily reflect everything that is valuable in the spirit of the society in which they live. This is especially true when they draw on their strong, positive family or ancestral/cultural roots, represented by Ben, their past sign.

The same positive spirit will manifest itself when they call upon Men, their right hand power, in order to act with strength and purpose in the outside world and increase their own sense of prosperity and authority.

They can also draw upon Manik, an equally intense but somewhat more mystical and mysterious (let's say intuitive) source of energy that constitutes their Left Hand Power. While the primal Imix can reflect what is best in society, it can also reflect what is worst. Fascinated by the magic play of images arising from the collective mind (movies, TV, and advertising in our own culture), they may easily be drawn into a psychic dreamworld. They are all too likely to get lost and drown in the depths - their future sign is Muluc, a notoriously difficult sign that points to immersion.

In many cases, only a sense of dedication towards the spiritual side of life will keep the Imix from slipping back into the primordial depths; if they make proper use of the strong positive forces which lie to their right and left and that are represented by Men and Manik.

Imix can learn to reflect the beauty and splendour that shine in that otherworldly lake where the primal crocodile (Imix) swims. In doing so, they can reach the most positive destiny implied by the day-sign Muluc that of the poet and mystic who reflects the pure and untroubled surface of the watery Muluc's cosmic depths.

- * Empowerment

You are an intelligent and strong organizer, communicator and a person who knows how to use resources well. Like the spider, you are a natural born webmaster, a networker that brings together all that is needed. You can be a good detective because you have a talent to get down to the core issue and look at things from a wider perspective.

You are a positive, dynamic, happy person. By supporting their positive aspects, you empower the people around you, encouraging them to bring out their best attributes

Trecena Sign: Earth

/ Caban (Yucatan) / No'j (Kiche)

Beneath the 1-Caban surface personality is a dreamer.

1-Caban people have a fertile imagination and often find ways to make fantasy pay off for themselves.

They may excel at one of the arts, or at least have a great appreciation for the arts.

The 1-Caban's greatest asset is the ability to find ways to practically apply their ideas, bridging the gap from fantasy to fact.

Night Lord: 4

Some people born under the influence of this Lord are teachers, some are healers, and some are over protective parents. Most seem to have a nervous disposition and a need to talk. They are intense guardians of one thing or another; other people, children, pets. Youth is often a fixation for them; they are drawn to children and perhaps even work with them in some capacity. Their nurturing instincts are quite strong, and they need to find healthy outlets to express this urge. Their darker side lies in understanding that their nurturing influence can become a detriment in many ways.

The communication skills of G4 types make them excellent teachers. They can be very

creative with their thinking, a quality that lends itself to art and writing. On the darker side, they think or talk incessantly and often struggle with ways to turn off their minds. By working as a teacher or communicator, they may be able to turn this tendency into positive activity.

G4 types have a tendency to scatter their energies and this inclination may lead to being a "jack of all trades but master of none."

I'm personally theorizing that these night lords are simply the same energies as the 9 main objects (separate from the Sun) conjunct the Sun.

This one would be Mercury conjunct the Sun.

Celtic (Druid) Tree Sign

The year is split into different periods. Usually, one tree is at two separate periods about 6 months apart. Except for when the equinoxes happen (every 21st of every 4 months), then there is a special tree for that. To find the right archetype for this divination, you have to know if you were born late or early.

(Note:) Celtic Druids did not determine Sign based on the actual date of birth but rather by the date of conception. For example, if you were born three weeks before the scheduled date, you need to add these three weeks to the actual date of birth, in order to figure out the appropriate Sign.

I also read somewhere that the tree (or variant) has to be naturally available in your area.

Rowan Tree

Strong keywords: Endurance, Responsibility

Weak keywords: Feeling of inferiority

Tree variants: none

Birthday:

1 April - 10 April

3 October - 11 October

Characteristics and Personality

People born under the rule of the Rowan are usually gentle and subtle, or at least they give us this impression. These people have a gentle and fragile appearance, but inside they are strong and determined people who can defend themselves against anything bad that await them. Rowan people have a good taste and they are often blessed with artistic talents. They give us the impression of closed people who do not like to be the centre of attention and who try to avoid big social events. They hate gossip so you can absolutely trust them that they will never blabber things they know about your private life.

Rowan people are ideal employees because they have a highly developed sense of responsibility. Although they can act absolutely independently and work with imagination, they are sometimes easy to manipulate. They often suffer from low self-confidence and the lower their self-confidence is the more they care about their dignity. Rowan people are good and reliable friends, they never talk much, but they never let somebody down. They will never betray you. On the contrary, they often take care of other people's problems while they forget to take care of themselves. But they are not naive and they do not let others use them.

Rowan people are passionate lovers who can give up everything for the person they are in love with. They are picky and demanding, their relationship is full of dramatic twists and often rather complicated, because they can quickly change their mind. You cannot expect Rowan people to be loyal. However, in marriage they usually show a sense for family life. Thanks to the strongly developed sense of responsibility they often become strict guardians of the family budget and no less strict educators of their children.

What follows on the next page is the correct Natal Chart using the Usha/Shashi-Ayanāṁśa, and the 'whole house'-system. For simplicities sake, we could call that chart the "Transit(ory)-chart". Then to get the Chart that WILL SHINE through this document, we apply the 322th Harmonic to that (the right ascension values (Zodiac) are telling of the 322th Harmonic Version chart). Thus, both are needed to understand the self: One is fixed but constantly interacting with other fixed charts and the other constantly interacts with the Transiting planets. If you find yourself on that quest to understand yourself, it would be suggested to include declination as well as all the other divination techniques, such as numerology, and cartomancy, etc., up to the most seemingly insignificant part of the whole, like midpoints, or antiscia-aspects, in the whole picture. Understanding yourself better in respect to everything else has become very possible - and people might soon say even too easy - when the energetically encoded laws taken affect on our reality are understood.

They eagerly want to express themselves and to be as original as possible, so it's very likely for them to have jobs as writers, actors, producers and even software developers.

Needing to be recognized for their efforts and appreciated, they may show off from time to time, so you can be sure they'll always present themselves impressively.

Optimistic and joyful, many people will want to be around them because they transmit a good disposition. They're not in any way scared of taking risks, so gambling is something that really interests them.

Summary:

Strengths: Original, eccentric and bold;

Challenges: Attention seeking and superficial;

Advice: They should try to be more sensitive with others.

A happy personality

Individuals having the Sun in the 5th house want to be recognized for their creativity and special talents. They're feeling very happy when expressing themselves with the help of imagination, and it's very likely others will all the time pay attention to them.

In love with sports and very dramatic, they're fun to be around but have a pride that can bother some people.

When trying to demonstrate why they're the best at what they may be doing, it's important they don't grab all the attention of the public because this can be pretty overwhelming.

It would be enough for them to just be happy as they usually are, and the creativity that makes them feel so good all the time will surface. The Sun rules over the self and influences the way people shine in the eyes of others.

When in the 5th house, it makes individuals fun and eager to have all the praise. The natives of this placement will dance at parties and talk to everyone, no matter where they may be.

It's possible for them to just take all the spotlight because they want too much to be number one and possess an ego that gets immediately hurt when not stroked enough.

While happy and positive, they may think of themselves as losers and can become depressive when not appreciated for their talents.

Their originality is famous, so if they happen to be artists, expect them to have immense success at some point in their career.

When it comes to sex, they're up to any new experience, but their main focus is on being parents and even the perfect aunts or uncles. A job in teaching would help them be more in contact with kids, which would make them truly happier.

The positives

Creativity is what makes Sun in 5th house natives thrive, so they'll most likely be appreciated artists or performers. Everybody sees them as original and they can really succeed if disciplined enough.

They develop more when out in the society, expressing themselves and taking risks. Because they love life and children, they can make the great party organizers for the birthdays of little ones.

As a matter of fact, they'd do a great job with any party as celebration makes them very happy. People with Moon in 5th house have a highly developed self-image, are proud and dignifying, their imagination getting expressed through the most original ideas that usually make them be appreciated in public all the time.

It's possible for them to focus too much on themselves and forget about others, but they immediately become generous again, as soon as they remember to consider their loved ones too.

It's suggested to let them do things their way, because they want friends only for companionship, not for being told what to do. Strong and bold, these natives are usually healthy and have all the elements in place: Earth focuses on their physique, Air on the mind, Water on emotions and Fire on their courage.

The 5th house influences their love life as well, making them true conquerors of hearts. Not all of their romantic relationships will be happy because Leo occupies the 5th house and influences them to be dramatic when it comes to love, feeling most of the time down because the appreciation of their partner is never enough.

They should be careful not to get involved with abusive people who want to take advantage of their loyalty and big capacity to love. Passionate and caring, they will be the perfect life companions for the person who praises them all the time.

Sun in 5th house natives have the attitude of celebrities and need spontaneity in order to be happy. It's like their main purpose on Earth is to exude radiance and to play the many roles life has prepared for them or their ego agrees with.

Seeing their name plastered all over and having all the attention on them makes these

individuals have even more energy and be very healthy from a psychological point of view.

Their optimism and joyful disposition will always have them surrounded by friends, but they can be too theatrical sometimes, especially when speculating.

Overconfident, they take risks without thinking of the consequences because it makes them feel alive.

They give a lot of importance to their hobbies and may end up opening up a business based on what they love doing the most in life.

Very romantic, natives with this placement love chasing their partner and being in a relationship that's exciting. The thrill of the courtship is really what makes their heart tick, together with creativity.

But they may love only for a short period of time as they're always looking to feel the excitement of conquering a new person's heart.

If they'll manage to keep their long-term relationships going, they will be able to express their love in a more efficient and profound way because just liking a person is not enough. The impact of romance has to be stronger and to put their charisma to good use.

The negatives

The main problem of individuals with the Sun in the 5th house is regarding their exaggerated pride, domineering attitude, arrogance and flamboyance. Not to mention they sometimes feel inferior to others when it is not the case.

If afflicted, the Sun in this house can make them great manipulators who make use of mischievous ways to capture the attention of the public.

They may even agree with bad publicity rather than no publicity at all, making their need to always be in the middle of things can be very annoying.

The more balanced ones will be respectful of both themselves and others, so they'd easily gain the appreciation of others.

It's possible for many of them to have too big egos and be selfish, presenting themselves in a pompous way because they'd think it's more dignifying to be this way.

It may be a challenge for them to become more sensitive with others and to use their charisma in an efficient way.

They may sometimes be too ebullient and not attentive to what roles they're playing, so it's suggested they decide on the performance that comes the most naturally to them.

Very confident, they would risk and speculate in any situation, making things dangerous for their financial stability. It's wiser for them to take breaks and think before taking any type of action.

The Sun in the 5th house makes them egotistical and interested in pleasures that have something to do with hedonism as ways to express their creativity.

They should develop without thinking only of themselves so much as this can't bring too many satisfactions.

These people may be innocently selfish, but thinking others' opinions and feelings matter too is important if they want to be perceived as mature.

They're dependent on others' praise and admiration because this is how they validate themselves.

Realizing their own worth would be better idea than just waiting on appreciation from outside. They identify themselves with what they're creating, so if artists, their work would pretty much represent them.

As parents, they may be obsessed to protect their children and impose their authority every step of the way.

They're neurotic about how others perceive them, taking big risks for the recognition of others to come their way, planning how to get the power and doing anything for gaining the admiration of their loved ones or being too focused only on how they express themselves.

([871] southfloridaastrologer.com:) A comfortable and easy expression of the ego is found when the Sun is in Aries. Aries' forthright and daring natures fosters the Sun's need to shine and proudly express the ego.

Moon ☾ in IX 9th House

([880] i.thehoroscope.co)

People with the Moon in the 9th House are always focused on a multitude of things, dreaming to make their ideals come true, no matter the obstacles.

People with the Moon in the ninth House sometimes think that different circumstances than the ones they're in would make their life better. They are never happy with their surroundings, so they're constantly moving, they prefer to just travel and to not belong to only one place.

What they can't understand is that happiness comes from inside. There's no place, person or thing to make them happy but themselves, this being what they have difficulties acknowledging.

Summary:

Strengths: Inquisitive, witty and adventurous;

Challenges: Mysterious and obsessive;

Advice: Not letting others take advantage of you.

Dreamy and true visionaries

Moon in 9th House natives need to be constantly stimulated, because routine and the mundane stresses them. They're philosophical creatures who have a natural curiosity about everything, including people and their cultures.

It's important for people with Moon in 9th House to stop believing the grass is always greener on the other side and to tend to their other needs, because the more they will look for happiness someplace else, the less they'll be able to find it.

It's possible they have been to destinations others wouldn't even dare think of and that their knowledge on different cultures and languages is very vast. The position of the Moon in the ninth House makes them aware and receptive of others' needs and feelings.

It also helps them be more dreamy and true visionaries; in other words, they're the individuals who want to change the universe and to get involved in different causes.

At the same time, this position gives them instability when it comes to the traits this House controls, which means they'll change their philosophy of life or their hobbies and interests more often than others change socks.

This means they aren't able to focus their spirituality on only one thing, being more the thinkers of things than the knowledgeable persons who are informed to the very last detail.

However, they will never specialize in something. If they have enough money to travel the world, they won't hesitate to do it. If not, you can be sure they'll travel mentally, so

don't be surprised if they're sometimes absent-minded when you're talking to them.

Their imagination is very rich, so they can fantasize about anything, creating all kinds of movies and stories in their head. This means they're romantic and able to create a more beautiful world than the one they are living in.

Not to mention they're perfectly capable of turning their dreams into reality, so all their fantasizing may not be at all in vain.

Moon in the 9th House natives are happier and more comfortable when doing something out of the ordinary; something creative.

They enjoy talking about philosophy, spirituality and even the occult. Their mind is inventive and always wanting to escape reality with the help of studying, traveling and having various conversations.

Loving to expand their own mind, these natives' imagination may give them psychic abilities that others don't even dream of having. The position of the Moon in the ninth House indicates they nurture their mind on their own.

They feed their higher self through emotions, and when they need to feel secure, they just start to rely on mere thought.

Thinking comes naturally to them, being an everyday habit, but their thoughts may change from one minute to the other. Capable of nurturing others with their thoughts, they're more than often considered wise and intelligent.

While this is one of their strong points, it can also be a weakness because many people can't appreciate a good advice and want concrete help, not to just be supported with a kind word, regardless of how encouraging and optimistic.

Not big fans of intimacies and emotions

People with Moon in the 9th House need to understand the world through their own philosophies. The position of the Moon in this House indicates they have absorbed every piece of information on religion, politics or another humanistic subject from their parents, ever since they were children.

Everything about them, including their emotions, is directed at understanding the higher subjects and each and every new culture they're stumbling upon in their travels.

Their way of life makes them more understanding and very comfortable when around strangers. Adventurous and wanting to discover new places, Moon in 9th House natives think of life as a journey and can't feel happy if they aren't all the time moving, learning and understanding.

These are not at all the type of people to need a comfort zone, not even if they're conservative Sun or Moon Tauruses. In this situation, they would take all the traits of this sign on the road with them.

This means they have an exciting life, but the downside would be that they're always restless and wondering if life in a different place would be better.

It wouldn't matter what religion they belong to; the meaning of their life would be all about believing in something and always moving forward with their level of understanding spiritual challenges.

The way they emotionally respond to different philosophical ideas is very much influenced by the Moon.

Even if their Moon sign is a very intense one, their passions still burn out quickly, moving on faster than the wind. When seeing others are not capable of doing the same thing, they'll become frustrated and won't try their best to change anything.

No matter their Sun sign, all of the people with Moon in 9th House are always seeking to nourish their insights on life.

They may feel self-righteous in their need to have an audience all the time. Their intentions are always good, but they tend to make their beliefs so solemn that others get turned off by their preaching.

However, they have high morals and are very honest, so don't expect them to ever sugar coat someone or to hide what they are feeling. It's like they can never lie about anything, because they are too transparent and others would immediately feel they're up to something.

Therefore, many will appreciate them for being straightforward and for not wanting to get engaged in all sorts of mind games. Some of them will be so honest that others find them rude. It's not their intention to hurt someone, they just feel emotionally free when being honest.

Moon in the ninth House individuals can be so objective about their own feelings that subjectivity can feel very intruding for their subconsciousness.

This also means they're terrified of getting too intimate with others because this could make them feel like their privacy has been invaded.

Another situation that makes them emotionally insecure is the one when they're displaying their own emotions as they think of feelings more as of a sport or something

adventurous. This is how they're protecting themselves from getting hurt.

Moon ☾ in 10th Nakshatra: Magha

0°-13°20' Leo

Short Version [2]

Strength: respectful of traditions, enjoys ceremony, follows chain of command, intelligent, optimistic, reliable, respectful, kind, well-balanced, compassionate, craves attention and likes being served, admired by many, performs well with praise and honor, enjoys full scale parties and a passionate love life.

Weakness: arrogant, short tempered, egotistical, jealous, bitter, disdainful, unreachable standards, susceptible to flattery, resentful, attached to material prosperity and social status, unkind to those who do not show respect, racial superiority.

Overview [1]

- Lord: Ketu (south lunar node)
- Symbol: A palanquin or royal throne. This represents royalty, nobility, power, and wealth.
- Power: To renounce. Although Maghas attract much material opulence and success, this nakshatra has the ability to let go. This power is also associated with the ultimate renunciation of the mortal body at death.

Strengths [1]

The nakshatra Magha is often considered "the mighty one." Magha natives are

individuals of great power. Leadership comes naturally to you, and your bravery, ambition, and industriousness will likely put you in a position of influence. Wealth and prosperity are yours for the taking.

You have a sharp intellect and are able to understand things on a deep level. You can reach to the depths of any subject, and this sets you apart from being merely intelligent — you are wise. You don't lead only with force and brawn, but with wisdom and warmth. People trust you because you are always straightforward and truthful. You don't hide your motives. You're unlikely to turn a blind eye to inconvenient facts, since you prefer to face difficulty directly — you take the truth head on and use it to bolster, rather than discourage, your optimism.

You are loyal and loving to your friends and family. You are fair and responsible and never let down the people who count on you. Generally well-behaved and modest, your personal qualities and big heart endear you to those who know you and, potentially, to the masses.

Weaknesses [1]

One of the greatest challenges Magha natives face is their own pride. The strong ego you require in order to achieve your ambitions can also lead to arrogance. Since you are more driven than most people, you will likely end up in positions of leadership — and this can lead you to feel that you are better than others.

When this egotistical nature gets the better of you, you may intentionally or unintentionally hurt others. You have a hot temper and dislike being threatened, and can respond explosively to perceived slights. You can be too outspoken and may be disdainful of others opinions, especially when you believe those opinions present a threat to your own position.

Ultimately, Maghas crave attention and approval. This may come as a surprise to outsiders who see only your strength and confidence. Your incredible drive and ambition stem largely from your need to gain approval from others and, more challengingly, from yourself. Nothing you do is ever good enough in your own eyes.

Your exacting perfectionism could leave you forever unsatisfied if you don't learn to fully accept yourself, flaws and failings included. Otherwise, you could go through your whole life doubting yourself and being resentful of those you compare yourself to.

Other Personality Traits [1]

- You are religious. You are drawn to spirituality and enjoy ceremony and ritual. You are loyal to your religious tradition.

- You like tradition. Tradition is something that you believe should be respected. In general, you have great appreciation for past generations and what they have established through their own endeavors. Family traditions are important to you and you will strive to uphold them throughout your life.

- You may feel racially superior. Your tendency towards arrogance can lead you to feel that your own racial or ethnic group is superior to others. Try to develop empathy for those who are different from you by establishing friendships with those from different backgrounds and exposing yourself to other cultures.

- You are well-served. Your leadership qualities make others naturally follow you. There will probably be many people who follow your instructions and do their best to please you.

- You can be authoritarian. You can fall into the habit of acting like your opinion is the only one that matters. This can make you boss others around without due consideration for their thoughts or feelings

Career [1]

Magha natives will shine in careers where their leadership abilities are utilized, and where there is the opportunity for growth and advancement. They should avoid careers where they have little or no independence.

Some ideal professions include:

- Entrepreneur, C-level executive, or manager
- Politician or lawyer
- Historian or librarian
- Public speaker or actor/actress

Health [3]

Generally healthy, many natives of the Nakshatra will be night-blind. Other common health issues include asthma and epilepsy.

Physical Appearance [3]

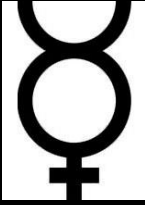

The Magha male is noted for his thick, luxurious hair and females are prone to thin hair and receding hairlines. Both genders are of average to tall height and have good bone structure. Known to have bloodshot eyes they often have a prominent mole or other feature on their hand or shoulder.

Pada [1]

Moon ☾ in third pada

You enjoy a good battle of wits and can think up a good plan for any situation. You are artistic and enjoy coming up with new ideas and utilizing your artistic talents in a number of ways.

Mercury ☿ in ☊ Cancer man 29° 35'

([890] i.thehoroscope.co)

He may seem shy and reluctant in expressing his emotions but he's in fact very astute and controlled.

The Mercury in Cancer man is sensitive, emotional, not a little bit rational, and instinctual. Everything he does, he does it because he feels like it because it would satisfy a certain desire, bring about a sense of inner accomplishment.

This man seeks security, stability, happiness in life, through personal and subjective appreciations. He may tend to be very reticent and reluctant in speaking to other people or engaging in too many social activities.

In a nutshell:

Positives: Intuitive and knowledgeable;

Negatives: Vain and overly-sensitive;

Soulmate: Someone who is sociable and decisive;

Life lesson: Getting organized in a routine does him good.

Some escapist tendencies

He is romantic, very affectionate, prone to extreme bouts of emotional explosions, depression, periods of great sadness, and so on.

He is shy, reluctant to reveal his emotions, fixed on false expectations and hesitant on demanding what's his.

However, all this emotional and intuitive energy passing through his veins has a lot of advantages as well. It makes him more knowledgeable, observant, endowing him with a keenness for details, vigilance, and faster reflexes.

He quickly figures out the critical parts of a problem and takes a firm decision as a follow-up. He knows what to do in order to make you feel secure, loved, but say something wrong and he'll take a defensive posture.

He must learn to keep himself emotionally balanced, so he must face his fears, take on challenges when they appear, and learn to take care of himself more.

Romantic and sensitive, the man born with Mercury in Cancer will take his sweet time in analyzing the options he has, making plans, taking into account the possible

consequences, and, of course, overthinking.

He feels the need to free himself from any outside distraction when immersed in this activity because he may be intuitive and a fast learner, but outside influences will only slow him down.

He's honest and realistic about his own potential and possibility of self-development. Moreover, he loves culture, traditions, the relics and valuable elements of the past.

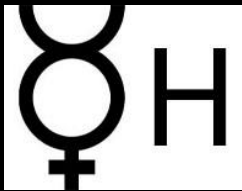

The Mercury in Cancer man needs to know there is a certain outline of his lifestyle, that he has everything structured, put in a certain order, that nothing chaotic will happen.

In other words, a routine is exactly what he needs in order to feel good. On the one hand, he is very kind and generous with other people, helping anyone anytime, but at the same time, he's very rough and harsh with himself, often ending up in a state of depression.

Whenever someone disagrees with him, he views it as a direct attack on his ego, an insult that must be punished.

He does love to talk and to take part in social events, but when someone steps on his toes, the pretenses are dropped and all hell breaks loose.

Mercury ♀ in VIII 8th House

([915] i.thehoroscope.co)

This placement of Mercury makes people know exactly what to say and when so this saves them a lot of hassle in life and helps them have an advantage on others.

Those born with their Mercury in the eighth house are especially endowed with a natural curiosity that makes them want to know exactly what's surrounding them, how it all came to be, how the people around them do what they do, and so on.

They're natural investigators, analyzing anything and everything, down to the very last details, only to satisfy their curiosities.

Of course, what ultimately matters for them is the truth because they won't be happy

having reached a conclusion only to find out later that it's only a lie or the result of fake attitudes.

Summary:

Strengths: Communicative, persuasive and attentive;

Challenges: Judgmental, gossipy and impulsive;

Advice: They should not share what is being said to them in private.

Meticulous people

If you're not the type to enjoy random rambling about the most curious of subjects, endless debates on existential dilemmas, and pretty much non-stop bantering, then the Mercury in eighth house natives are not for you.

They don't hesitate to beat around the bush when there's something to be said, and even when there's no need to say anything, they will still have to do it either way.

In other words, they absolutely love to engage in conversations, to have funny talks and to discover new ways of seeing the world, to get drunk on the power of words.

What's more, they are very much interested in sexual matters, kinky ideas, and would be too keen on having such conversations.

The Mercury in 8th house natives are very serious when it comes to communication, insisting that it's one of the most important elements of a good lifestyle, a successful business, and pretty much anything in-between.

Knowing how and what to say in some contexts can save you a lot of hassle, and they want to take control of their own impulses as much as possible, to be able to discipline themselves completely.

Moreover, they are also quite adept at reading other people, seeing their motivations and why they do things, their secrets and vulnerabilities.

They are very ambitious and meticulous people who know what they want to do and focus entirely on that. Nothing can make them stray from the established path.

Moreover, the Mercury in 8th house natives seem to be endowed with occult powers of observation and supernatural insight, a weird and special trait.

Anyway, they seem to be able to feel things, to know that something will happen before it does.

They know stuff, seemingly out of nowhere, and they act on it with complete certainty. Their awareness reaches unprecedented levels.

They know how to impose their will so that others listen and realize that it's the only reasonable choice to listen and obey.

Persuasive and manipulative, these people believe that everyone has a reason for why they did something, and that reason stands at the forefront of anyone's decisions, conscious or not.

Know that and you can control anyone. They are curious about this and will investigate it thoroughly, with rising interest and efficiency, all in order to form the perfect strategy.

The positives

What's good is that these natives never lack for attention or friends because basically everyone will gather around them, waiting to see what's going to happen next, what they're going to do or say.

Human curiosity wins in the end. Their mysterious agenda and demeanor bring a lot of people together, and this effect is amplified by their natural confidence and firm attitude.

However, and this is most importantly, why they are very good at discovering the secrets of other people, they are especially careful in keeping theirs hidden and away from prying eyes.

What happens as a result is that the people are even more intrigued and unconsciously attracted to them.

The mysterious and seemingly supernatural insight can make them the perfect research material for those who want to find out more about the world, those that want to understand the human psyche.

The Mercury in 8th house natives are very interested in witnessing the dynamic spectacle of moving bodies, the intellectual and verbal debauchery of every-day life, the mechanisms behind it all.

They not only use all the accumulated knowledge to make plans and build future prospects, but it also grants them an aura of authority, of a knowledgeable person, someone that you just have to listen to.

Professionally, if you want something to be done in an organized and systematic manner, a research or an analysis, they are your people for the job.

The negatives

It's a really good decision to keep themselves out of the spotlight with regard to their emotions. If they don't reveal themselves as much, they won't be as vulnerable and

weak anymore.

It's something people should do more often, as a matter of fact, because there are plenty of individuals out there who want to hurt people.

This is what they do, and protection is needed. However, in a relationship, this is no longer a good decision because you would think that the partner is someone whom they trust enough.

It's going to be very confusing for said partners to know what they're thinking. Ideally, they should become more open towards people they trust.

The eighth house is also known as the house of death. This means that these natives are in contact with the other side, with the forces of the occult, which they can use to cause harm to others, involuntarily, evidently.

Out of spite or anger, they might be left thinking that the other person should suffer or something bad should befall them.

Surprisingly, this actually becomes a reality, and it's more than likely a result of that random desire. Sending negative vibes is a thing, especially in their case.

The Mercury in 8th house natives might tap into the dark energy that surrounds their house and become a sinister version of themselves, especially in their relationships.

Possessiveness is taken to the extreme, emotional manipulation, the tendency to check on their partner out of unfounded suspicions, these can happen more often than not as a result of this dark energy oozing from Pluto, more likely.

Let's also remember that they are naturally more inclined to investigate and search for answers, to find the truth. With presuppositions leading their efforts, it's already going the wrong path.

Venus ♀ in ♎ Libra man 23° 19'

([933] i.thehoroscope.co)

He is very giving and offers quite a lot of his time and affection to a partner.

The Venus in Libra man won't feel fulfilled and accomplished without sharing his everything with someone. He craves for companionship, for a person to go alongside him amidst life's challenges.

He wants to hear opinions, advice, to give and to receive, to receive feedback, and most importantly, to know that there's always someone there to help at a moment's notice.

This man wants a harmonious and balanced relationship, one based on mutual respect, principled approaches, calm communication, and a patient advance toward the future.

In a nutshell:

Positives: Elegant and straightforward;

Negatives: Superficial and flirty;

Soulmate: Someone who is sensual and charming;

Life lesson: His fulfillment shouldn't only come from relationships.

His love personality

This man is attracted to feminine charm, to that inner beauty that exudes without having to do anything, and his ideal woman would also be polite, dignified, principled, and simplistic in her tastes.

He doesn't even want to hear her swear or get down to that level of degeneration. Most importantly, he wants her to be balanced, to know how to react in certain situations, and to try to uphold a sense of fairness in everything she does.

He will know when to compromise and when to ask for more from her, but in general, he will try to fulfill all her wishes and desires.

Even though he's been looking for the perfect relationship ever since the beginning, this doesn't mean that he didn't go through disappointments.

He's very giving, and he offers quite a lot of his time and affection to a partner. The Venus in Libra man feels like he can't ever find his fulfillment without a lover, a soul mate, without sharing his life with someone who understands him at a deeper level.

He sees his satisfaction and happiness in the reflection of a couple, and all the experiences shared together are just like clouds from paradise. A long-standing relationship is the only thing he'll commit to.

He doesn't hesitate or beat around the bush. With romantic gestures, he expresses his feelings from the get-go.

Of course, he is very concerned with how he appears, and how his offerings will be

perceived, so he tries to put on his best appearance. This isn't a problem, in general, because he has an innate artistic sense for beauty, an aestheticism that goes a long way in putting him miles away from other competitors.

The man born with Venus in Libra likes to be the first in everything or at least show some initiative in the beginning phases.

His vitality and enthusiasm are endless, and he will forcefully try to involve himself in social events, bring his friend around for some fun, and convince his beloved to accompany him on such an adventure.

When he's looking for the right girl, he might leave havoc in his wake, sexual one at that, because he's a really hot-headed individual who wants to please his senses.

Intense and passionate about it when the moment is right, and cold when he gets bored, he's quite the player, but he's looking for an easy-going and light-hearted woman.

Because they find their fulfillment and ultimate satisfaction in a relationship, they will try to maintain it on the floating line, to never get to a point of no return.

That's why the Venus in Libra men will hate arguments, conflicts, aggressive verbal debates or insults. They will instead praise their partners, compliment them, take care of them when they're feeling down or sick, and will generally be very kind and generous.

And just because they have a very advanced artistic sense, they love beauty and hand-crafted things, they might be a little superficial and spend a lot of money, but it's all good as long as they don't end up bankrupt.

Attracted by ...

He's very attracted by elegant women with good tastes in clothing, the kind who know exactly how to use all the elements at their disposal to look their best, with an air of mystery and charm hanging around them.

She must be feminine, cultivated, free-spirited, and it would be great if she had the basic rules of politeness fixed. Aggressive and overly-energetic women tend to be conflictual, to be emotionally unstable, and so he would rather avoid such women.

He wants to have a balanced and tranquil relationship, filled with plenty of sweet moments of love, affection, and compassion.

Arguing about the stupidest of things or entering a conflict just because you decided to buy something without asking her are the least things he would want. In general, he will try to save the situation before it gets too far, and he's very good at it.

With grace and charm, as well as a persuasive attitude, he manages to defuse almost all problems before they explode.

It's a good idea to take this man out to visit some cultural attractions like a library, a museum, a natural park, somewhere where you two can have lots of fun.

In conclusion

His greatest strength and advantage revolve around the fact that he strives for balance, for equilibrium, both in his life and in the lives of others.

Personally, he will make a lot of compromises to avoid sticky situations or problematic arguments, at the same time trying to make their partners happy and fulfilled.

They are really selfless, generous, and kind beyond reproach, and you can't even find anything bad about them that can top this.

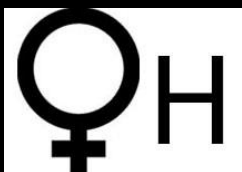

Moreover, this native wants to be appreciated for his efforts, to be liked and held in high regard, especially by women. He's not a womanizer at all, it's just that he likes flirting, pure and simple.

The man born with Venus in Libra could fall into a trap of his own making. He knows that he deeply desires a relationship, to feel the thrill of being loved, the sense of closeness, but this could turn into something bad. How could it ever reach that level?

Well, he could try so desperately to get a girlfriend that he may ignore his feelings. In other words, it might not be love that he commits to a relationship, but desperation, need, the urge to feel loved and appreciated.

He should be patient and wait for the perfect person for him because she's out there, just waiting for him to find her.

They tend to impulsively associate themselves with different individuals, not caring what implications their actions may have. The 11th House is about everything that gets done in a group, while Venus is the ruler of love, so it's very likely they'll meet the love of their life doing something jointly.

They may have many financial gains and a lot of connections from many of the groups they're involved in. Very diplomatic, they usually get along with everyone but make the mistake of confusing love with platonic connections.

Summary:

Strengths: Friendly, cheerful and devoted;

Challenges: Pretentious and inconsiderate;

Advice: Follow your gut feeling without doubting yourself.

Only a strong friendship will have them wanting more

People having Venus in the 11th House will express themselves socially, romantically and artistically through the harmonious friendships they have formed by participating at events or going to fraternity parties.

It's very likely for them to meet the love of their life at a group gathering, because they like people with the same interests as them. But for them to get involved romantically, they need to feel their partner is being honest.

Focusing only on qualities and what makes a person attractive, they're really the type who leaves negative traits behind.

If they want to keep their interest towards someone, they need to have a little bit of variety and to do unusual things. Their most erogenous zones are the ankles and the calves, so expect these parts of their body to be very attractive.

While valuing all kinds of relationships and affiliations, they may not be very responsible with their friends. Venus in 11th House individuals will be adored by the people in their life and they will like it.

Only a strong friendship will have them wanting more, because this is the only way for them to truly fall in love. They don't necessarily want someone to make them feel fulfilled, so any person who can reach their soul will have their heart after a few meetings as friends.

They only see what's good about a person and prefer to keep a certain level of variety in

each and every one of their relationships. There's no one to love friends more than them, so their lover may feel a little bit left out when not wanting to go out with their gang.

One of their favorite things is bringing people together, because only doing things with others can have them in their best mood.

They are really inspired by others and conversations about things they have in common with their interlocutors. It's very likely they'll belong to more than one group of friends and get along well with all of them.

Very good at changing their attitude according to whom they're spending their time with, Venus in 11th House natives fit in everywhere and are loved by many.

It's impossible for them to fall in love if the other person doesn't share their interests or doesn't come up with new subjects of conversation, doesn't get along with their friends or doesn't want to get involved in the same causes as them.

They can immediately change their focus from one person to another and don't stress that they may have hurt some feelings along the way.

Very loving, they can be interested in more than one person at a time, depending on the aspects and other signs in their chart. They are the ones who can adapt to different lovers and who marry their friend or wait their entire life for the perfect partner.

Very fun and interested in those who like to occupy their time with the same activities as them, people with Venus in eleventh House love to give their heart away and to spread their love.

This House is the ruler of Aquarius, so they will surely be great humanitarians who want to self-improve all the time.

The same House is also about what help friends are giving its natives, so the presence of Venus here would mean a lot. For example, they can have many wealthy people in their life, who will help them with money and even a home or a car.

When in positive aspects by Jupiter or Uranus, Venus helps these natives become rich with the help of one of their friends. It will be their main purpose to get included in what their close ones may do for a living.

Loving but a little naive

People having Venus in the 11th House will always have great friendships because this is what keeps them going in life. Even their romantic relationships start by being friends first, so if they no longer feel that their partner is also their companion, they can fall out

of love immediately.

It's not a lover they look for, but someone with whom they can have a great time and do fun things. The fact that they're always focusing on the positive traits of a person and can't see what's bad can be a very good thing for them.

The more variety they'll have in their life, the happier they will feel and they'll be able to live the way they dream of.

When it comes to how much they love their friends, this can confuse their partner because it's possible for them to not pay that much attention to their other half and to want to be only around their buddies.

They are the glue-people, those who bring others and groups together, so every gang should have one of them around. When out, they want to be sure everyone is having a great time and don't mind being fun themselves, either.

It seems like conversations with others simply inspire them, so finding they have similarities with people in their life is very encouraging to them.

When someone fights for the same cause as them, they simply don't want to part ways with that person anymore. But it's also very easy for them to fall out of love without feeling guilty or in any way affected by the situation.

All in all, they're loving but have a problem, because they can fall for more than one person at a time. It can be easily said they're the right candidates for open relationships.

If their best friends won't appear in their life for them to marry, they will just wait until this happens.

Loving to have fun and to give their love away, they will be appreciated for being so open with their feelings and caring.

They seem to have great talent with the arts, especially with music and theater. As a job, it would be very easy for them to sell beauty products or to be make-up artists, because they simply love talking about fashion and beauty.

If some "bad" planets are in the 5th House, they may have problems with their other half, because of their friendships. This is very likely to happen, especially when Pluto or Mars are in the fifth House.

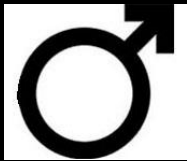

Very good at organizing people, Venus in 11th House natives will surely be in a community or social group and get treated as someone very important.

Pluto, Mars or Jupiter are strong in their chart and can influence them to be great leaders and very good at giving their best for the group's interests. They don't want to rule, they just seem to be perfect for it.

These are the people who want to help everyone, who will protest and picket in front of the government building for those who are less fortunate. Many will consider them weird because they are the most rebellious sign in the zodiac.

And their unpredictability makes them even more intriguing. When they are out in the world, they organize things and lead groups like true captains. As soon as they turn their charm and incredible enthusiasm on, they become everyone's favorites.

They are capable of getting people to do anything to support their cause, from cleaning the beaches to participating to dangerous protests.

Their behavior can also be different from that of others'. Usually calm, they are more about solving problems by applying intellectual solutions.

There will be nothing staying for too long in their way when they will want something. Creative and smart, they can dominate in a relationship without anyone realizing it but there are most certainly other signs, in which Mars resides, that are way more romantic.

Pretentious lovers

Mars Aquariuses have an open mind when it comes to love. They're not the most avid adepts of monogamy and find conventional relationships boring.

Their Mars makes them fall for several people at the same time. This is why they may

end up in open relationships or having more than one partner.

They need someone open-minded and not at all jealous of the fact that they have too many Facebook friends. Mars Aquariuses don't mind when their lovers are themselves because they appreciate individuality and freedom a lot.

Not the most sentimental people, they are cool and detached, no matter how intimate their relationship is. Good leaders, they wouldn't mind having control over their partner.

Natives having Mars in the 3rd House can't rest, because they're highly energetic and always nervous. They strongly believe in their own ideas and are always on the run, ambitious or eager to experience new things.

Their mental energy is contagious, but they need to learn how to be more analytical, because impulsiveness can't bring anything good their way. It's possible for them to have problems with the people they live with or their neighbors.

Summary:

Strengths: Outspoken, emotional and provocative;

Challenges: Forceful and hidden;

Advice: Being careful not to offend others with their opinions.

Pretty straightforward about expressing themselves

Mars in the 3rd House individuals are very energetic but usually end up having conflicts with people they spend most of their time with. If they'd learn to accept people have differences, they'd manage to accomplish more great things by collaborating with others.

Having strong opinions and getting involved in trivial arguments, they think what they believe in is correct and are struggling to convince people of the same thing, which can

cause them trouble. They would make a much better impression if they'd accept others' ideas and opinions.

Fast thinkers and very good at communicating, they're bold enough to express themselves. It's possible for them to work for a newspaper, because they love reporting different events.

Writing about crimes and violence would make them successful journalists, while making fiction could have them publishing a lot because many would read their stories.

Very honest and talented at doing things with their hands, they function better when working alone or playing the role of a leader.

They will probably move from one town to the next one or get hired at the railway because they simply love traveling short distances. As teachers, they'd inspire their students to be courageous and to always take action.

When it comes to their opinions and way of thinking, they're pretty straightforward about expressing themselves and love to talk about an issue that bothers them, sharing their ideas a little bit too much sometimes.

There's something very direct and clear in the way they socialize. Matters that seem unimportant for others can truly stress their mind and they love to debate about everything. People see them as confrontational and they may be aware of it, still not doing anything to stop it.

Very good with their hands, they prefer working on their own and not having any responsibilities. When happy, they're these passionate and motivated people who talk constantly and inspire determination.

Mars in 3rd House people will always stand behind their opinions and family and will struggle to keep themselves young. It seems they always have something to say about any subject, which can be bothering for those who think they're the only ones enlightened.

When others contradict them, they take it personally and keep believing only in what they know about. It's suggested they pay attention to what others have to say, because the information may be very important.

Expressing their thoughts makes them happy, but they should be careful not to become arrogant, as they have this tendency of becoming careless and too proud when someone is prepared to listen to them.

They may offend and hurt with the way they talk, because their sarcastic and provoking

ways are not always the smoothest. Not to mention they often speak first and think later. It's easy to annoy them, because Mars in the 3rd House of communication makes individuals with this placement nervous.

Practical aspects

Mars in third House people are always ready to speak their mind and can really hurt others with their opinions and ideas. They're very knowledgeable and love to share what they know, but the way they express themselves can be a little bit too direct.

It's easy to make them very passionate about things that don't even matter that much, because they're constantly looking for debates.

During their best days, they're fun and energetic, talking a lot and inspiring others to stay motivated. It's normal for them to always defend what they believe in and their loved ones because they're devoted creatures.

Their aggression gets transmitted through harsh words, so you wouldn't want to be their target when they're talking. People in their proximity will be the ones to feel their sharp tongue in the worst of ways. It can be difficult, but not impossible, to have them apologizing for what they've said.

Some of the violent hobbies like hunting or boxing will definitely be on their list of interesting things to do. Very active and unable to rest, they sometimes can't find a way to release all of their intellectual energy.

It's like their train of thoughts can't stop and they're always making harsh decisions, so a more analytical approach is definitely suggested for their peace of mind.

Only by being calm, can they learn how to deal with stress and avoid any mental trauma as these things seem to dominate their mind.

The downsides

Natives having Mars in the 3rd House are courageous and don't mind expressing all of their ideas, which makes them very intriguing. They would never back down when having an argument and usually start contradicting others as soon as feeling like no one understands them.

They should pay attention not to lose their friends and admirers because of this, so their thoughts are sometimes better when kept inside.

They should just use their adaptability and change the direction in which a bad discussion goes, making the exchange of ideas smoother, because they can get excited too easily when debating.

It's normal for them to talk about what doesn't even matter, as they think everything is important. Many will be bored of them and of how excited they always are about every little thing.

Mars in the 3rd House in a nutshell

These natives are a little bit too active and sometimes hostile. They like to think fast and in a practical way, but the way they jump to any conclusion can be very aggressive. Always talking clearly, honestly and directly, they may hurt others and argue with their family members.

It's difficult for them to admit they may be wrong, so don't expect to hear them saying they're sorry too often. When behind the wheel, people with Mars in the third House signal and swear a lot.

Matters of intellect turn them aggressive about their opinions and ideas, starting to talk faster and jumping from one idea to another, wanting to learn, to get inspired and to socialize more when around people. As a matter of fact, any social gathering makes them want more and to have as many friends as possible.

Always nervous, they wouldn't even know what a balanced life means. They should never speed, especially when on a motorcycle. The 3rd House also rules over transportation, so when Mars in it is in bad aspects, there's a high danger of accidents by car or any other vehicle.

They should pay twice the attention if Uranus is in their third House too, or if their Mars is afflicted by this planet. Safety always comes first, so showing off their new car by speeding is not the best idea, because it could shorten their life by a considerable number of years.

The secret with these people is to develop slowly and from the center. Jupiter's main purpose with them will be to help them grow and expand while being the most generous and abundant people in the zodiac. Development comes together with abundance, and growth is not possible if the person doesn't have enough for sustenance.

Where does their luck come from

Jupiter Cancers will be the luckiest if they will work in domains that have something to do with home or foods. So catering and real estate would be their perfect line of work because they will also have the possibility to help others.

As they are moody and tend to hold on to values that are no longer of actuality, they need to be surer of their feelings and progressive.

Friendly and sociable, these guys like going out and meeting new people. They will meet their best social ascension around middle age.

Because they have relations, they won't have problems taking on opportunities and making money. All of their ideas will be based on personal experience and their own philosophies on life.

However, they will become nervous when they'll be in unfamiliar environments. If they don't know anyone at a gathering, they need to reach to new people. Just like the other two Water signs Pisces and Scorpio, Cancers are highly intuitive. Jupiter influences them to be even more like this.

The more they will trust their intuition, the luckier Jupiter Cancers will be. When others will try to rationalize their feelings, these guys will allow themselves to be ruled by them.

If Jupiter Cancers will learn how to make use of their sixth sense more efficiently, they will only have successes in life. Sensitive and very family-oriented, they always take care of their loved ones like no one else.

And they can help strangers too so a career in nursing or child care would be great for them. Jupiter won't stand in their way when they'll want to build a nest or attain a higher level of financial security.

The Jupiter in Cancer man

The Jupiter Cancer man will make sure everyone he loves is safe. He will never turn down his family or friends. This guy is also the most generous out of all people with Jupiter in their sign. His ideals are high and his care for others can rarely be seen in other people.

Security is his main worry. Because Jupiter is in his sign, he will always go the extra mile to help others. And he'll be happy to do it. The more people will appreciate him for his efforts, the happier he will be.

Not to mention the same Jupiter will help him to know his way around the bedroom. But his partner needs to be careful not to spend too much money on useless things because he wants financial security badly.

This guy needs to know his bank account always has more than needed. He won't stand being with a woman who doesn't appreciate money. Talking about future plans and commitment makes him happy about his relationship.

Saturn ♄ in ♏ Scorpio man 10° 50'

([1024] i.thehoroscope.co)

The position of Saturn in your natal chart reveals how you deal with rules, responsibilities and limitations.

Those born with Saturn in Scorpio in their natal chart are the saluting soldiers of the zodiac, the ones benefiting from great discipline, who always try not to stray away from their principles.

Once they've put it in their mind to do something, nothing's going to stop them from achieving it. Of course, perseverance would be akin to stupidity if not for their intelligence and many abilities that make everything seem simple.

Life is just a walk in the park for them, contrary to the opinion of the majority, who can't even understand what they're doing, and how exactly they manage to stay in control so perfectly.

In a nutshell:

Style: Passionate and resourceful;

Top qualities: Loyal, stern and intense;

Challenges: Stubborn, too bold and cowardly;

Advice: Don't be reluctant in helping others, even if there is no end game for you.

Personality traits

Once again, the Saturnian Scorpio gets another boon from this planet in terms of inner depth. He can carefully hide his abilities from prying eyes, and also his weaknesses.

Being a vulnerable individual, just like everyone else, makes him uncertain of going all out, but now that Saturn brings guidance and rules to the mix, this won't be a problem anymore.

These natives become masters of their own destiny who work behind the shadows, no one noticing exactly how they accomplish miracle after miracle.

One thing that can define the Scorpions almost perfectly – intense enthusiasm. With an impetuous and unrestrained source of energy at their disposal, their naturally combative spirit comes out of hiding, biting anyone who doesn't pick up their pace.

Whoever can't keep up with them will have to suffer. They manage to control these instinctual reflexes when they have to formulate a plan.

Future goals are too important to be put under the pressure of such unpredictable behavior, and they understand this.

With their secretive nature, it wouldn't be surprising if they had some bizarre interests like magic, necromancy, or some other controversial passion.

Moreover, this also makes them quite determined to achieve a state of perfect mental discipline, of exquisite willpower, so that no one can read them. Emotional stability is also something that they have to keep a look out for because all that intensity and volcanic personality will eventually boil over and burn everything in sight.

They prefer subterfuge to a direct confrontation, to weaken the enemy psychologically before delivering the coup de grace.

In this sense, they approach almost all situations, even if there is no enemy to speak off, but an idea, an object of their attention overall.

Their investigative powers are off the charts, and they can be very devilish and vile, to the point that a lot of people would remain awe-struck at their resourcefulness.

Love behavior

Romantically, these natives have very contradictory feelings most of the time, born from their uncertainties and fears.

They may be very affectionate and intense in intimate bonding, craving for nothing but the most blissful of pleasures in bed, but the truth is that they are ridden by a constant nagging feeling of inaptitude, of self-pity, because they aren't sure if they're good enough.

Because of this, the Saturnian Scorpios will try to test their partners from time to time, to check the strength of their feelings, or how they're going to react when confronted with unruly accusations.

It's not something very pleasing or comfortable at all, so there's really no surprise when they start arguing over this matter. However, if they manage to stand face to face with your trust issues and prove themselves, what comes next is complete loyalty.

The good and the bad

No matter how efficient they may be when acting inconspicuously, it has a bad effect on their whole temperament and overall emotional stability.

They feel the pressure of having too many secrets, a deep disappointment that no one really truly knows them, and this is one of the essential things they should work on.

They must let other people in and have a more open-minded attitude toward personal relationships.

Their naturally responsible and hard-working personality can help a lot with this pressure, taking their attention away from it.

Saturn ensures that they are deeply committed to their goal, always vigilant and attentive to the smallest of details.

To them, acting under the cover of secrecy is not only a good professional technique, keeping the secrets of success safe under lock, as well as having a restrained attitude that does the job perfectly, but also in their day-to-day life.

There are plenty of manipulative people out there who only need a little bit of information to use against them. That little anchor that they've grabbed a hold of can possibly lead to a great disappointment, so these natives make sure that nothing essential is accessible to the outside world.

Even their emotions are tightly kept to a minimum, not letting the excess leak out. Love, affection, appreciation, sadness, these feelings could just as well make them vulnerable to attacks.

Because they feel so deeply, most of the time, an offense on that level would leave them dumbstruck for a long time.

It's better to avoid such situations from the start. Saturn is the one who makes sure that they never leak any information out by imposing a certain set of principles and rules.

The Saturn in Scorpio man

Just like their female counterparts, these natives are hard to piss off, and they would rather prefer to get away for a time to calm themselves, rather than going all out and saying something they'll later regret.

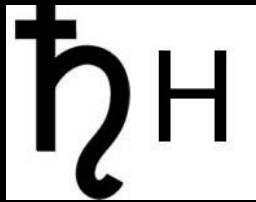

In other words, they care about their family and friends a lot, and not even they would dare to put those relationships in danger.

However, there is one exception when they'll not be able to control themselves from exploding. If he suspects his partner of adultery or just deceit in its rawest form, he won't take it standing and will likely issue an ultimatum.

Of course, being on a constant watch out for possible dangers will kill off any sort of opportunity for self-development, and happiness will be just a dream at night.

All these people have to do in order to escape this predicament is listen to what Saturn in Scorpio tells them about objective standards, using reason to create a certain set of guiding principles that he can fall on, in times of need.

Being afraid of what's about to come and completely overwhelmed by their own emotions, all these things may be what causes them to feel anxious.

It's bad enough that they don't accept to be helped and prefer to retreat in solitude when facing problems because others could really help them when they're feeling down.

However, they don't want to feel in any way weak or to seem like they're depending on people.

The result of this is separation and total loneliness. Very attracted to always be in control, it's also possible for them to discover that if they let others inside their inner world, they may be helped with their feeling of guilt, insecurities and the permanent anxiety that doesn't allow them to love their life to the maximum.

It's very important for natives having Saturn in the 12th house to embrace what makes them feel bad and to become free from all the guilt as soon as starting to accept themselves for who they are.

They should talk about the fact that they sometimes escape reality and question themselves by having long discussions with their alter ego.

The more they'll try this, the happier they'll get to be. This house is like a deserted island, so placements here can make people feel closed and wanting as many moments of loneliness as possible.

Their healing and communicative ways with the divinity can't be denied, and they surely understand what it means to be of service, devoted and self-sacrificing.

happy and working with a defense against what's hurtful can seem impossible for them.

In spite of the fact that they're loners, all the Saturn in 12th house individuals still have a need to become part of the collective.

They may become religious fanatics, spiritual guides and even junkies just because they're looking for happiness and to escape their constant feeling of guilt.

The house just mentioned is strongly related to self-sacrifice and brings a lot of anxiety when dealing with loss.

Natives with Saturn in the 12th house may feel they're going to lose everything they've worked for and there's no one to blame for this but themselves.

Luckily, Saturn will help them fight these thoughts, but it doesn't mean they won't be self-destructive to the point of disease and even illegality.

The 12th house rules also over prisons and hospitals, so you can only imagine what could come out of here.

Individuals having Saturn in 12th house would feel more relieved if dealing with matters of spirituality.

It can be tough to be them because the stability-searching Saturn is in the 12th house of Pisces that desires the last change to happen and to be given back to the divinity.

As soon as they'll surrender to the middle ground, wisdom will start coming towards them and they'd be able to bring their great contribution to the society.

The goods and the bads

Saturn will always limit people and place obstacles in their way, no matter the house in which it is placed. In the 12th house of self-undoing, it influences natives having this planet here to be dependable and always of help, regardless of the fact that they may not have someone on whom they could count on all the time.

These individuals have strong emotions and are always feeling like life overwhelms them. Being also the house of imagination and fantasy, people with this placement may have a great talent for the arts.

They'd be able to paint amazingly from their mind and to put their emotions into music. Their right brain is completely developed, so if they didn't train as artists, they should at least write.

While developing their mind in this direction, they may end up seeing a different world their imagination inhabits and take their guidance from here.

It is possible for them to think all they create with their mind is real, but with a little bit of self-control, reality will always be in place.

They will probably become very famous if they'll learn something having to do with the arts from an early age.

Talent and imagination need to be trained, so parents of Saturn in 12th house children should know what to do for their little ones to end up choosing their right path in life.

As adults, they're generous and flexible, so many different people will want to be their friends for a lifetime.

Because they'd accept everything others suggest, many people who scam others for a living will want to fool them. In this situation, only Saturn can help them gather their forces and say "No" when the situation s them to.

Either way, they should always pay attention to whom they're trusting. While the same planet makes them want pursue noble activities, they will always be terrified of letting others down. This is what will impede them from moving forward, no matter if it's about their career or personal life.

Analyzing a situation before taking action or realizing in some situations they can't act alone are also very good ideas for these people but they, however, hate to ask for any help and keep their feeling bottled up inside, which can start to become dangerous with time.

As a matter of fact, this is what causes them to be insecure and Saturn to always work

very hard to put them on the right track. If Pisces would be their Sun sign, the same things would be twice as difficult.

These people regret when losing control of situations, yet they shouldn't allow themselves to feel any remorse about this.

All in all, Saturn in 12th house natives deserve happiness and should be aware that self-sacrifice is never an option.

Talking to their friends and family can always have them dealing with problems more efficiently, so this is the strategy they should use.

Humanitarian and philanthropic, they might want to participate in voluntary activities, contribute towards helping poor people, help abandoned children, and many other such activities.

A feeling of deep satisfaction and personal fulfillment is to be found in bringing out one's empathetic tendencies, in showing one's inner generosity and kindness toward fellow humans.

Besides this enlightening interest in the possible avenues of salvation for the entire human race as a whole, on a more personal level, they crave for the peace, quiet and sense of belonging that their home offers.

Bonding with their lover on an intimate level, creating a safe and secure environment to call home was always one of their biggest dreams.

They fantasize about simple pleasures, warm embraces with the partner in front of the chimney, a good morning kiss on the forehead, the jolly image of their kids playing in the front yard.

Also, they promote the idea that physical health is directly proportional to one's emotional fulfillment.

In their attempts to eliminate all negative feelings and detrimental attitudes, they try to use reason and logic, as well as emotional depth and feelings.

Over time, these two mindsets can begin opposing each other, creating inner conflicts that indirectly lead to a state of annoyance, irritability, and they'll sometimes not know how to react to certain events.

It's that blank stare, poker face, a form of social inability to empathize with a given situation, the ineptitude to cope with it.

Seeing that it could lead to worse things, the Neptunian Virgos try to fix things up by appealing to their own sense of satisfaction and inner fulfillment.

By helping others and supporting people in need, they receive a sense of appreciation, of self-validation, of social acceptance and this greatly helps.

These natives are very responsible, thoughtful, and intelligent. They think about things greater than themselves, about the good of the many, about man's action on the environment, and how it will lead to our downfall eventually.

They instinctually know that great changes are in store and try to be the prophets of the new age. With self-made rules and firm principles, the Neptunian Virgo advances slowly but steadily toward a brilliant future.

Even though their intuition pulses constantly, informing them about possible events beforehand, they try to ignore it, instead of putting their whole attention on the power of reason, logic, objective research.

They prefer having a good reason to believe something, rather than feeling where the truth lies. However, the same doesn't apply in a relationship, where they must use their emotions more.

With a person expecting you to show affection, compassion, and empathy, you can't show the same cold and calculated rationality that is perfect for solving problems.

If you try to subdue your emotions and replace them with logical observations, the close bond between you and your partner will quickly fade away, just like the feelings.

You have to realize that a combination of reason and emotions will be a much better solution, and it will avoid all pesky problems.

The positives

The Neptunian Virgos are best when put to work, when they have to take care of something, to organize an event or plan out an escapade.

If you want to have a party at home, there's no one else to ask for help. You just have to

bring up the idea, and you'll see their eyes lighting up, an expression of pure joy and ecstasy plastered on their faces.

Just give them something to work with, and you don't have to worry about anything anymore. It'll be done with near-perfect accuracy, and according to the plans.

Moreover, they should learn to abandon their high-end expectations, and instead live the moment. Without any extraneous thought in mind, and without worrying about the future, just let life come naturally and bring about some surprises.

Controlling everything is an empowering feeling, that much is true, but it quickly turns into an obsession, and the lack of it brings a crisis of conscience, fear, uncertainty, and many other negative feelings. It's a good thing that they have firm ideas about their future and know exactly how to get there.

The negatives

Perfectionism is a Neptunian Virgo's worst flaw. They have high expectations of themselves and want to achieve only the best results, with the best methods, in the least amount of time.

If something goes wrong, self-pity and self-loathing come in, accompanied by a sense of inner disappointment, and the obligatory attempt to find a scapegoat.

If it's not their own person, then they'll blame someone else who helped them, even if it's unwarranted.

With an idealized vision of life in their heads, they forget the fact that the real world is not made up of perfect elements to build such a utopian place.

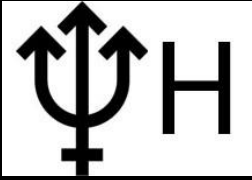

The Neptune in Virgo man

Results are what matters most to the man with Neptune in Virgo, and in order to achieve the best results, they are willing to work overtime, putting in the extra effort, and strive to complete the project with spare time.

In relationships, they'll be quite affected by Neptune's influence, especially when it goes into retrograde. They will feel the need for validation, for appreciation, and they will want to talk to you constantly, to see that they're doing the right things.

They may be confused and have some difficulties as far as finding the perfect job goes. They're never who they seem because their behavior completely opposes their personality.

It's possible for them to be too ambitious and to forget about what needs to be done in order to get their efforts recognized.

Summary:

Strengths: Hard-working, elegant and approachable;

Challenges: Perfectionistic and judgmental;

Advice: They need to dedicate more time to their families.

Careful about their dreams

Very intuitive when it comes to what's mainstream and what those around ask of them, individuals having Neptune in 10th house are very creative, true visionaries and artistic personalities.

It would be great for them to work with art, in the service of others or taking care of some charity events. In case Neptune is in challenging aspects in the 10th house, they don't know what direction to take in life and are not aware of their own goals.

In this situation, it may be very difficult for them to find their profession, and they'd do something they don't actually love because they fear perfection can't be attained in the domain they really care about.

It's suggested they take a look at their expectations and determine if these are too idealistic. Responsibility seems like a burden to them, and they don't want to get involved in other people's lives, no matter what.

It's possible they have been confused as children by one of their parents, and as adults, they find it difficult to take a certain direction in life.

When it comes to their career, they may not get credit for their work, so they aren't all the time recognized for their efforts.

This means they won't know their own value or that others will take credit for what they've done, or perhaps their superiors won't give them the rewards they deserve unless they start to trust themselves and their talents.

These people have to be careful with their reputation and to assess their abilities as accurately as possible. It's true they don't want fame, but still, knowing where they're standing would be a great idea for them.

Neptune in 10th house natives may want to get inspired in their professional life and have a passion for healing or doing something creative.

Therefore, it's possible for them to become very successful with design, art and medicine. A job as a counselor would be suited for them as well. It doesn't matter what they choose to do for a living, they always need to be inspired and feeling fulfilled because Neptune is the planet of dreams and ideals that have to be made a reality.

They want to make the world a better place, so their contribution to the society will always be meaningful.

Neptune in 10th house people need to be careful not to get disillusioned when chasing their dreams as they can have too higher ideals that aren't all the time possible to be made a reality.

The placement of Neptune here suggests they will always want something more and to feel important after working on their noble goals.

It's normal for individuals with this placement to feel unhappy with their professional life. What happens in their career is strongly related with how Neptune sits in the 10th house.

For example, when this planet is in good aspects, the effects would be astonishing and beneficial. On the other hand, when in negative aspects, it can become really malefic and cause the natives to no longer have control over their career.

The 10th house is rather a good host for this chaotic planet. Having Neptune here is more beneficial than having it in another house with a direct control over natives' life.

Limiting this planet's energy can be beneficial for the career of people having this placement, as long as they take on some jobs that are to the liking of the celestial body.

In short, Neptune won't help them in any way with a job that requires organization and

following a strict schedule. No matter how much individuals having Neptune in 10th house will struggle with a routine, they won't be successful.

Their perfect jobs are the ones related to arts and freedom of movement or speech. It's very likely one of their parents influenced them very much when they were children by being weak and confused regarding what authority and discipline mean.

Perhaps their mother or father hasn't been there for them or one of them was an alcoholic. Not having a role model, they wouldn't know how to fight for success and how to follow a career path.

At least they will know ever since very young that they need to adopt an unconventional approach, which makes it normal for them to change jobs and work as bartenders because Neptune is also the ruler of alcohol.

When it comes to love, it's normal for all the natives having Neptune in 10th house to fantasize about someone and to feel disillusioned because they haven't found the ideal person they thought their lover to be.

It goes the same way with their career because they want something perfect when it comes to their profession, and their goals are usually unattainable.

If they'll contribute to the greater good, they'll feel fulfilled and happy. However, things don't always unfold as they expect them to, so they should become as decisive as possible about their career.

Neptune, the planet of imagination, makes natives having it in the 10th house very creative. They could easily become writers or do something unusual for a living.

Since the same planet rules also over illusion, they may decide to become famous and use a pseudonym. There's as well the tendency to take on too many responsibilities at once, so they can end up running in circles and losing their minds because they can't handle what needs to get done.

They will work two jobs and won't focus too much at neither of them. In the meantime, they'll have high ideals and wish for success, whether under their name or a pseudonym.

The goods and the bads

Neptune in 10th house natives may have many interests that are very creative, so it can be very difficult for them to determine what they want in life.

Some get lucky and find something to do for a living ever since very young. However, these are the most evolved ones, those who are aware things in life are not always

perfect.

Others feel like they're not interested in anything, and they may end up procrastinating all of their life. It's okay to be indecisive about a career in the today's society as there are many ways to make money.

Therefore, they could do many jobs before finding out what they're passionate about. It's suggested that no matter what, they find the balance between their job and their hobbies.

These natives shouldn't insist on following their big dreams because as said before, these can be pretty unrealistic. The everyday responsibilities are more important as they support their existence.

Worrying too much about perfection will have them doing nothing, so their expectations should be a little bit lower because they can find motivation in everyday tasks as well.

Accepting that others don't dream the same as them is also indicated. Their creativity may help them attain great heights, but it's essential for them to have their goals defined.

It's also important they don't talk too much about their work because many can take the credit for what they've done.

It may be difficult for these people to express themselves so that others get to see the efforts they've done. All this means they have a problem with self-confidence or self-respect, which furthermore leads to difficulties advancing in their career.

Pluto ♅ in ♑ Capricorn man 1° 58'

([1098] i.thehoroscope.co)

The position of Pluto in your natal chart reveals the transformations due to take place in your life and how you channel your core truths and restorative power.

The native born with Pluto in Capricorn in their natal chart excels at doing things carefully, following a long-established routine, with a plan in mind. They have their room or workplace perfectly organized, in order to boost efficiency, and they take it step-by-step, systematically observing and analyzing the information at hand.

With ambition and perseverance, they go about solving any problem in what seems like a matter of seconds. Disorder turns into order, the rubbish is sorted out from the usable elements, while structure and order prevail.

In a nutshell:

Style: Disciplined and strong;
Top qualities: Persistent, thoughtful and ambitious;
Challenges: Overly cautious and stubborn;
Advice: Exercise caution when it comes to personal risks.

Personality traits

Plutonian Capricorn natives prefer working alone or at least having the choice of doing so. It's not that they believe themselves to be superior to everyone else, but they want to be free to make their own choices.

And in this respect, they might even fight against the rules imposed by society, acting as temporary anarchists. Eventually, they do observe the traditional rules.

They are analytic and perfectly know how to get to the bottom of a problem, taking out the flaws and downsides. The status-quo is respected as long as it doesn't inhibit their free will.

However, their built-in patient and cautious personality don't allow for explosive changes to occur. A revolution is out of the question then.

Ambition and willpower are the key components of this native's path through the world. They never abandon the boat once they've decided to pursue a course of action, even if the entire world may oppose them.

In this sense, Pluto's transformative powers are miraculous and just what these natives

need. They turn it all in their favor, eventually reaching the level they wanted from the very beginning, having the freedom to do as they see fit.

Moreover, under the influence of the Earthy Capricorn, it means that they are very preoccupied with material development and having a stable situation from this point of view has always been a primary focus of theirs.

They will want others to notice just how successful they are, but it's not a superficial tendency, but rather a confirmation of their potential.

With prudence and a meticulous approach, they pave the path towards a brilliant future with nothing but their willpower and perseverance to play with.

Not even the strongest obstacles could hope to ever put a stop to their advance. They aren't disappointed when stumbling over a challenging opponent or when faced with failure. Rather, they cherish any opportunity to evolve.

The good and the bad

A Plutonian Capricorn will always have his priorities set straight and won't waste any time if he wants to pursue his objectives.

With a resolute attitude and an ever-renewing enthusiasm for action, this native gives their all on furthering their own desires. If the Pluto Capricorn finds himself to have strayed from the envisioned path, it won't be long before a complete turn-around will take place, without any looking back.

This native is able to take on any opportunities to reanalyze their mindset and motivations, in order to check whether they're correctly calibrated.

It doesn't matter what obstacles present themselves because this native won't give up even in the face of impossible odds. Better to die pursuing your dreams than wither in a corner, filled with regrets and disappointments.

With pragmatism and reason, Plutonian Capricorns manage to break apart all the chaos standing in front of them.

Even though they are more intellectually elevated than most other people, always seeking for the truth of the world, for the deeper aspects hidden in hard-to-find places, these natives are also materialists who work better when they know a substantial reward awaits them at the end.

Moreover, they may also appear as tedious and unwilling to commit to action because they prefer to take it all slowly with a step-by-step approach. In this sense, there's no taking them out of their routine.

Pluto in Capricorn in love

Even though falling in love is an edifying experience for most people, and there are also plenty of reasons to believe love itself is a force to be reckoned with, those born with Pluto in Capricorn in their natal chart, don't really buy into this view.

They don't believe that love holds that great of importance to one's self-development because it doesn't really help with surviving in this cruel world. As such, they're going to put it on the backburner until they manage to create a situation for themselves.

The only way they could look at love in a different light is if the partner would agree with being a comrade in arms, ready to assist against the struggles of existence.

In the fight for supremacy and social status, there will be many collateral victims and many conflicts that render many crippled. Hope you understand that these natives are not about beauty and romantic experiences, but rather want a worthy life companion.

The Plutonian Capricorns see love as a partnership, a life-long commitment to aid one another in times of need. They are pragmatic like that.

The Pluto in Capricorn man

The last generation of Plutonian Capricorn men marked the appearance of the ever-so-serious individual with a razor-sharp focus, cool attitude, and immense ambition.

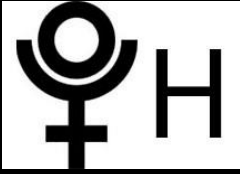

These men let nothing stand in their way and even lack some basic empathic skills as they rationally approach day to day interactions.

With challenges waiting around every corner, they are always prepared for the worst, always rowing forward through the difficult storms and whirlwinds of life.

Emotionally, these men are truly lacking when compared to women with Pluto in Capricorn, but this can also be considered to be a myth. The truth remains that there are still things that touch their hearts. It may even be that their sensibility increases with age. Plus, deep inside, these men know that empathy and emotions are essential in relationships.

They might learn it the hard way or completely avoid them but they are aware of their importance. No one says that you should start crying whenever a tough situation appears, but at least admit that you do have feelings as a reaction to it.

Pluto ♅ in II 2nd House

([1102] i.thehoroscope.co)

This placement of Pluto encourages people to adopt a rather businesslike approach to everything they do and to hate wasting any time.

Pluto is a strange planet indeed, and more than that, it's a very difficult and complex one as well. Natives born with Pluto in the second house will experience a lot of emotional distress and traits similar to a personality disorder.

Emotions are taken to an extreme, their appreciations and passions change by the minute, it's like they're a completely different person. Generally, money plays a major part in their vision for the future. It's either idealized as the most important thing in the world or completely ignored, for being just a piece of paper.

Summary:

Strengths: Observant, confident and ambitious;

Challenges: Moody, speculative and extravagant;

Advice: They shouldn't let themselves driven just by money.

Nothing truly puts them down

Usually, these natives are the ones creating all the problems, the only ones to blame for their misfortune.

They get sad all of a sudden, become unproductive, inefficient, unwilling to take on any other responsibilities and fulfill their obligations.

However, luck is on their side as they might strike gold and find a fortune lying around or find some good opportunities to shatter the negative bubble.

Sure, they could very well throw these chances to high wind and waste them. As quickly as they got rich, the fall is that much faster.

Because they tend to mess themselves up and lose any form of advantage they have, the Pluto in 2nd house natives tend to be very protective and possessive of their assets.

Money, for example, tends to be sacred to them. They can't stand it when people ask for a loan or take things from them without asking.

This becomes so annoying in fact, that they revolt sometimes. Enough is enough already! Great changes are afoot in their lives, particularly because they've lost

something or someone. They are the ones you go for advice on financial matters.

Even though they are quite “good” at losing their fortune and throwing opportunities aside, mainly because of relationships and emotional distress, they are also keenly aware and good at making do with what they have.

Nothing truly puts them down. Being down for a while could actually teach them something about life.

The Pluto in 2nd house natives are self-reliant and perseverant enough not to let themselves be taken down just like that. A lot of experiences will come to pass with them still looking for their own truth.

These natives are literally driven crazy by the financial situation that they have to establish in order to be safe, to have a secure and comfortable life with no worries.

They do whatever they can to reach a certain level and status, even making use of other people, cheating and lying.

Others may even lead a sub-par life, choosing to buy cheap and always think it through before throwing money away, just to be on the safe side.

Other natives might be the complete opposite, living in opulence and extravagance, just to show to the world that they're successful and still kicking.

After this period of self-gloating and money-driven journeys end, it's time for the true identity crisis to set in.

It's been a lot of time since this last happened, and this time, it's going to be the final one.

This is when they finally find the answers to what they truly want, what would make them happy, what form would fulfillment take in their case.

There are a lot of questions to ask, and the time is short. At the end of this process, the changes will be so obvious and so great, that the 2nd house natives will transform completely.

Confident, ambitious, resistant to stress and under full control of their emotions, they might make it after all. Also, they are sexual beings through and through.

Their powers of concentration are especially high and allow for continuous work without the feeling of fatigue.

If they were air-headed and lacking in determination, then Pluto takes care of this really quickly.

Their profession takes the crown as the most important thing there is, the very essence, and they will take it upon themselves to never have to go through trying times anymore. They'll either manage to strike big or fall trying.

Emotionally, everything will be blazing and intense, just like they like it. With partners who know how to appreciate the sensual and dominative personality, they will extract even more pleasure and satisfaction.

The goods and the bads

What is beautiful attracts and impresses them to such an extent that they would throw away all their money without even flinching.

This is the one thing that they aren't going to fuss about. A nice house, fitted with everything you could ever need, an aesthetically pleasing place where they can live the rest of their lives comfortably, now that's what we're talking about.

It's worth every penny. As we've said before, they have crazy instincts and intuitive powers when it comes to analyzing financial opportunities.

These natives will have the opportunity to direct those changes through, you guessed it, material resources, money.

Using the assets that they've so long strived to gather, they will now use to help themselves.

Regarding the choice of a profession, there are a lot of choices and opportunities that match their skills like volunteering, fighting the slow but steady environmental pollution.

While is worthy of praise and quite impressive on their part, the other side of the coin reveals itself quickly.

They might also involve themselves in illegal activities and with crooks, thieves, criminals. That greed for money and financial stability sometimes goes beyond what they can control.

Again, they will be extremely possessive about their personal objects and intimate things. This comes as a result of past transgressions, disappointments that deeply hurt them, resulting in a change of heart and mind.

There were many events that led to this. It's not even clear if it could happen again, seeing as though they keep on being disconcerted and uncertain about their own

identity.

However, as time goes on, Pluto in 2nd house natives will find that missing piece of their hearts, fill the void that was left there.

Moreover, stubbornness is one of the bigger problems these natives have. When it comes to adapting their ideas or changing their plans, they would better give up on everything rather than make those changes.

North Node ♌ in ♌ Leo 3° 45'

(Georges Muchery)

The Dragon's Head in Leo helps the native to realise his desires, which are of a lofty nature. He has a fine ambition; and even if he is not an artist, he is none the less a man of good taste, a lover of form and of everything that is fine and noble.

His fine imagination should enable him to discover or invent new, pleasing and attractive things, which will profit him. His enquiring mind makes him continually desire to know and learn everything new. This helps him to progress. The Dragon's Head in Leo enables the native to conquer the difficulties of life.

The Dragon's Tail in Aquarius causes the native to be easily deceived. He is inclined to be indolent. He does not react, nor know how to act wisely; and this is detrimental to him. People should be kind, but they should know how to discriminate, and this is not the case with the Dragon's Tail in Aquarius, as the native is too much inclined to listen to fine words. This position also indicates deceit over love matters; it is a sign of infidelity on the part of the native or his partner. It also upsets iether the mental or the physical balance.

(Isabel Hickey)

North Node in Leo gives executive ability and qualities of leadership. Needs to be independent to do a good job. Has nobility and pride. The virtue hidden in pride is self-respect. To this, Leo has the right. If self-respect is lacking, the individual would have the ability to cultivate it in this life.

South Node in Aquarius shows the past habits have been to retreat from the world because of a snobbishness or distaste. Strong egocentric tendencies have to be overcome.

(Martin Schulman)

The Leo North Node symbolizes a struggle with the will. In this incarnation, the individual is learning to develop strength within himself. Conditions force him to stand alone, very often with the absence of shoulders to lean on. He eventually learns that if his life is to be better it must be created by himself. But before he can build any such creations he must overcome his lackadaisical carefree attitude.

He still continues a past-life tendency to spend too much time feeling sorry for himself at his lack of friends when he feels they are needed most. Somehow in moments of stress, others always seem to be absent. Long periods of loneliness, isolation and in many cases a good part of the time spent as a hermit are not uncommon.

Ultimately, when the mind is made up, there is little that can sway this individual from his destiny. He must learn that his isolation is a self-imposed prerequisite for gathering strength. Very capable of strong leadership in this life, he must learn to overcome all doubts within the self.

The continuance of his past-life desires for friendships actually weaken him, as they do little to build his individual confidence. He must learn how to become more goaloriented rather than following his accustomed tendency to dissipate his energies. The interesting thing is that while he continues to think he needs others to answer his questions, he rarely takes their advice.

The friends that he does have will be from all walks of life. In a sense, this increases his scope, for they bring to him now the awarenesses that he earned in former incarnations.

Once determination takes root, there is no stopping the path towards success, for he does not like to settle for second best. Much thought is given to the future. In fact, he is used to living there, until one day he makes the realization that 'today is yesterday's tomorrow' and that nothing will exist in the future that is not created now!

He is not the easiest of people to understand, for he will do anything to retain and emphasize his own sense of individuality. In past incarnations, he developed a detachment from the majority of the world, allowing him to feel free to go his own way. Now he takes pride in being unique and different, caring not as much for the traditions of society as for whatever rules he has set up for himself.

His main difficulty in this life is a lack of control. Without discipline he can generate his power into useless projects, until he realizes that nobody will stand over him with a whip.

If he builds on past-life knowledge, he has a great ability to do something for the human race, for he is capable of depersonalizing his actions for the good of all mankind.

Many with these Nodes live a rags-to-riches life, the big change coming after the tendency to overlook is turned into an ability to oversee! Their greatest amazement occurs when they discover prior-life talents in themselves that they never thought they had.

Happiness is reached once principles to which to dedicate the life are found. Furthermore, these principles must be unshakable so that the individual feels he is creating something solid. He will then identify his life in terms of the size of the principles to which he has attached himself.

Disturbed by the scattered activities of others, which remind him of his own past incarnations, he feels the strong need to see life moving along a directed course towards a specified goal. Still, he wants to retain his complete independence. As a result, he finds it difficult to tolerate others cramping his style. When they do, they will find him constantly testing limits.

The Aquarius South Node brings with it past life roots strongly embedded in the principles of fairness and equality. In the current life, the individual is given the opportunity to be on his own so that unhampered by others he may express his intrinsic beliefs. His job now is to show people as flamboyantly or as powerfully as he may choose the ways in which the world can overcome its burdens. His greatest achievements occur after he has surrendered his personal will to the service of humanity.

There is no question but that this is good leadership material so long as the ingrained past-life Aquarian sense of fairness is never violated. This individual is capable of making revolutionary changes in what was once established tradition. He is first, last and always amazed and fascinated by all the possibilities man can reach. At the same time, he is offended when he sees people pitying their self-imposed limitations, for well he knows the experience of pulling oneself up by one's bootstraps.

He aspires to stand tall and not be ridiculed for those beliefs which he has struggled so hard to express.

While his capabilities for love run deep, the rest of him is not too far below the surface. The continuation of his past-life attractions to momentary fascinations keep throwing him off the track, making it difficult for him now to see the core of his true self clearly. And so, he must identify with his achievements as the only real barometer of his worth.

Though he may at times strongly wish to be alone, he could never live without people, for he thrives on their admiration of his achievements. He believes in firm justice, and yet he is quick to pardon once people have admitted they are wrong. He is never one to strike when a person is down. The sense of fair play has become such a part of his soul

that although he feels he should be more competitive, it makes him uncomfortable to be part of any competition which involves foul play.

Things which wouldn't have bothered him in past incarnations suddenly become important as he starts to dig into life rather than disassociate from it. Although it is his present life karma to apply his Uranian ingenuity through practical and traditional Leonian outlets, he still struggles to maintain his unique character.

Some with this position spend the later years of their life alone. Others who are married still hold onto such a strong streak of independence that they tend to keep other family members on the periphery of their circle.

The house position of the South Node indicates the area where past-life needs for originality and freedom are still seeking expression.

The house position of the North Node shows the area through which all the chart energy can be focused into a new shining creation of substantial size and worth, a gift of generosity to the world. Truly these are the Nodes of the 'inventor'.

(Mohan Koparkar)

Previous incarnation for this person was spent in many unusual activities. He seldom had time to be individualistic. Most of the efforts were towards achieving things for others. In this time, he has decided to be substantially individualistic. Making his own name or getting the credit for his work is significant in this lifetime. Cultivation of personality, ego and general magnetism is noticed in this person. He will use his powers and connections to get where he wants to go in life. He may have to step on others; but he will look at that as a favor to them, and later on when he is up there, he will help those who indirectly were helpful to him. Strong self-conditioning and self-confidence is noticed in him in this life.

(Donnad van Toen)

You need to learn to love deeply. Your Aquarius South Node may reply: 'Who: me? Whaddaya mean? I love absolutely everybody. Except for my ex-best-friend and my ex-lover, and that snooty sales clerk who implied I had no taste....'

Your problems may include that you are looking for Utopia. Your ideals have frustrated your needs for love and companionship.

Possible reasons for these problems: You're inclined to be lazy about developing your creativity, preferring to idealize others' accomplishments at the expense of your own. You spend most of your time serving others' causes at the expense of fulfilling your own goals. Traumatic experiences have caused you to retreat from the world to some extent.

Ingrained stubbornness hinders the formation of relationships. A subconscious superiority complex.

Possible solutions: Get in touch with your need for dignity, and channel it properly. Discover and use your fertile imagination. Learn to lie skillfully. Have a lot of lovers. Devote yourself totally to a humanitarian organization, cause, or activity.

North Node in Leo almost always has some degree of untapped creativity. Sometimes shyness keeps it untapped. The shyness is in itself a manifestation of the untapped Leo north node potentials, since Leo is the sign of confidence. South Node in Aquarius encourages the individual to lose himself or herself in a whirl of friendships and acquaintance-making, or in some vast utopian ideal. In either case, the motivation is to avoid having to come to terms with his or her own individuality. These people are seldom recognized as shy, because their shyness manifests on a personal rather than a public level.

Another manifestation of Leo North Node - Aquarius South Node imbalance is seen in the person who leaves more prosaic creativities untapped while he or she searches for that great talent that will make a contribution to the world. The Leo North Noder isn't content to enjoy developing his or her creativity unless he or she can make a great artistic, dramatic or social contribution to posterity.

In my experience, people with an over-developed Aquarius South Node are generally: kept busy dealing with other people's problems; wanting to be in the spotlight, but they often find their contributions get obscured; egotistical in an unusual way - they emphasize equality and refuse to acknowledge that some people have more potential than others: in other words, you can't do any more than they can; intellectual at the expense of their emotions; spiteful; fond of shocking others; extremist in their work for change; contradictory, in that the brain doesn't know what the heart wants; averse to traditional marriage - women are often militantly liberated to the point where they resent or dislike men in general; and inclined to believe everything you tell them about themselves as long as it's flattering.

North Node in Leo would like to be seen as someone with a tremendous amount of vitality. He or she wants to be known as someone who's attained creative or business success. He or she may aspire to be a famous movie star or politician, or may want to be known for his or her lovely home or lavish parties. He or she wants to be respected and able to impress others. This person is social and capable of expressing emotion, albeit in a rather detached way. He or she may have some rather funny loyalties or a misconception of loyalty. This may serve to prevent success, as the person is inclined to be afraid that his success might inconvenience or be unfair to others. This preoccupation with the good of the group, as opposed to his or her own good, can lead to unpredictable

behavior that brings more controversy than respect.

Antidotes for Leo imbalance: psychodrama or dramatization of the nodal dilemma can be helpful if the repression is severe. Interior decorating, set design, etc. can be excellent antidotes if there's aptitude in these directions. Political involvement and involvement in community action programs are ideal for stimulating a sluggish node in this position. The client should be encouraged to accept leadership roles in any capacity for which he's suited.

The client should be engaged in a 'What would happen if...' dialogue in which he or she is asked to visualize the worst possible things that could result from developing the North Node. You should then help the client deal with these fears. This technique works best with clients who are able to laugh at themselves, since it's often necessary to point out the preposterousness of their fears.

You should make certain that the client hasn't confused ambition with ruthlessness, since this seems to be a frequent misconception with both Aquarius south node and north node in the fifth house. It seems to be less common with Sun square nodes, et al., although it sometimes manifests here as well.

For personal growth, you need to determine clearly your life direction and then focus and apply willpower to achieve objectives. This can be a challenge, as you tend to dissipate energies in different directions, partly due to a lack of future planning. You need to realize that you shape future experiences through the consequences of thoughts, actions, values and attitudes. What you do today creates your tomorrow; and a favorable future depends on choices and decisions in the present. If choices are misguided, you will face the inevitable disappointing consequences later.

To achieve this new life direction, you have to become more individual, breaking free from the consensual social conditioning indicated by the Aquarius South Node. This does not imply that you become eccentric or socially alienated, but rather that you become more self-reliant and independent, true to your own light and taking responsibility for your choices and life path. Positive gains from this can include selfconfidence and self-understanding. Moving beyond unnecessary doubts, you can realize your potential once your life direction is determined and relatively few obstacles block your progress. Asking others for signposts may be unwise and weaken determination or send you in a wrong direction; unfolding this path from within becomes your source of guidance. Once this direction is clarified, meaning and purpose are discovered, and pursuing this task will engage your willpower.

Yet this is not a search for a self-centered path; it is one which combines independent self-expression with awareness of social relationship and interdependence. Your

proposed growth should ideally benefit all, as well as yourself. Building a personal value structure is important, and you will try to stay true to those guiding life principles which provide a firm inner foundation.

Your new creative direction can be effectively released in the sphere of life indicated by the North Node's house; and as your new worldview develops, you may feel inspired to share your beliefs more widely. Your humanistic concerns will dampen as feelings of social responsibility and contribution expand. Your growing idealism and altruistic spirit will shine more clearly, reshaping life by your ideals, so that by pursuing your path, you also contribute to benefit others.

The main issue concerns individual and group growth, and may focus on social needs for fairness and equality. Once a direction is established, you may emerge as an inspirational leader, aiming to create constructive change within traditional social practices and thought. Such activity may prompt mixed reactions from others, especially as progressive attitudes may be 'before their time', and difficult to be integrated by contemporary society. But your independent spirit must be retained, so that your transformation and new socially creative expression indicates a way that society can also take. For yourself, purposefully direction energies in creative and productive ways will bring satisfaction. But you should never forget the existence and needs of others. Be true to them also, because, by your living your humanitarian ideals, your path is formed.

In the fixed sign Leo, we are concerned with gaining a secure position in life. Leo is also a Fire sign; and the Leo personality consumes for its own benefit the living space surrounding others. Leo wants to be a monarch, and to possess a realm of which it can be said: 'Here I am at home, and here I will carry out my activities. This is my territory, and I will never surrender it'. Leo always keeps a firm grip on a personal world that represents security in the changing scenes of life; and, of course, people play a decisive part in these scenes.

With the Node in Leo, we should adopt a positive, well-defined attitude to our environment. We ought to make ourselves known, place ourselves in the center of our world, and learn to cope with it. Usually the world does not leave us alone but is continually provoking confrontations. Anyway, this position of the Node helps to correct our development, and brings us out into the open.

In charts indicating a certain hesitancy or nervousness over making one's presence felt, a Node with this placement may help to overcome this tendency. The Node here encourages the individual to come out of his or her shell and be willing to take a few risks. Finally, this Node urges us to test ourselves in the world, and be willing to experience euphoric self-realization, and the suffering of reverses, along with everything that lies in between. As a Leo, we may seem to ourselves and others to be very much on

the offensive all the time; in reality, however, we are very much on the defensive, for Leo is a fixed sign, and only the Fire in it produces the touch of aggression.

North Node ♌ in IX 9th House

(Georges Muchery)

This position is excellent for things of the mind. The native will constantly progress when the Dragon's Head occupies this house. His synthetic mind will enable him to undertake anything and succeed in everything, so long as the horoscope on the whole is favorable. In a woman's horoscope, it indicates marriage with a man above her station in life; and the husband will be 'somebody' from the pecuniary as well as the social standpoint. It is also fortunate for travelling, which will occur under comfortable and pleasant circumstances. For a man, this position is fortunate for taking up politics, as it enables him to emerge victorious in oratorical controversies through his facility of speech (provided Mercury is free from affliction), and especially through his ever-present common-sense.

The Descending Node (Dragon's Tail) in the third house causes serious disagreements with those around the native. With an evil aspect of Mars, it signifies blows and wounds received during a dispute. This position is not good for the native's education, and compels him to associate with low-class people, which may be to his detriment. It is also a token of disharmony with the parents, brothers, or brothers-inlaw, and is detrimental to the native's good reputation, gossip, slander and calumny being the fruits of the Dragon's Tail in the Third House.

(Isabel Hickey)

Too much emphasis on mind and not enough emphasis on superconscious power. Faith and devotion to an ideal needed. Separative tendency strong, for mind separates; heart unites. Faith is tied with feelings and with the heart. Inner philosophy along devotional lines needed to balance the intellectual faculties. Should travel, outwardly and inwardly, for expansion. Relatives are the source of difficulties, and it would be well to be away from them if possible.

(Bernice Grebner)

Many times when the North Node position in the ninth is not developed, it gives the person a tendency to defy the law in some way, or gives the inclination to find ways of working deviously within the law. This can indicate also a disregard for religion. The person may have a difficult time being ethical. Religion can be touched upon only subjectively. He needs to develop an interest in psychology, religion, and abstract philosophy. He must become more objective in his thinking and studying, expanding mentally and spiritually. The person with North Node in the ninth has to try to absorb and assimilate what is beyond his mental reach. He needs to become more objective in his interpretations within his immediate world.

South Node in the third is subjectivity. The person has the ability to express himself very well, and is keenly interested in mental pursuits. This gives a strong psychic tie to brothers and sisters, and could bring loss of one through death or separation. It can give writing ability with favorable aspects to Mercury, Venus, or Neptune. There is a strong urge to share knowledge with others. South Node here denotes a duty in caring for brothers and sisters who may continually drain the individual. There is also much involvement in activities for the community. It is most difficult for the person with South Node in this position to finish his formal education. The person would rather read and study on his own, or he goes back to school in an on-again, off-again way. This is an influence that gives impatience. There could be many small accidents if this Node is badly aspected. Involvement with neighbors is a continual problem.

(Mohan Koparkar)

This condition often signifies that one has to utilize all their philosophies and higher knowledge to cope with the situations in life. They have to learn a lot of lessons from their mistakes, and in many cases, they cannot even communicate their problems. Mental distortion or uncommon thinking is noticed in them. Affairs of brothers or sisters are very destined in their life whether they want to or not. They will get involved with publications, publicity or some 'foreign' affairs / activities in their lifetime due to strange coincidences. Either they have relatives living far away from them, or they often maintain a large gap between the relatives. Long-term relocation is often significant for them, even though they dislike short travel.

(Martin Schulman)

This individual is forever pulling himself out of webs of entanglement. Every relationship he enters becomes so complicated that he has to use all his energies to free himself. In past incarnations he developed a great need for people, and herein lies his weak spot, for as much as he now thinks he would like to be alone he feels an almost compelling need to reach for others

He listens to problems and likes to be in the position of giving advice. Often frustrated by

the multitude of problems dumped in his lap, he secretly thinks that if he had had more education he would be better equipped to cope with all the questions that befall him. He keeps trying to be as diplomatic as possible, and is constantly enmeshed in the after-thoughts of the words he has spoken to others.

Always conscious of the interpretation his words may be given, he nurtures an inner fear of being misunderstood. As a result, he keeps going back to yesterday's conversation to re-explain all that he meant.

He must understand the essence of truth without having to feel compelled to make truth smaller by trying to communicate it verbally to others.

One of his greatest problems is dealing with the karmic residue of an insatiable curiosity, which although it served him well in former incarnations now keeps leading him deeper into webs of details. His greatest crises occur each time he is forced to make decisions, for rather than relying on his intuition or his higher mind, he keeps seeking more facts and details in the hope that when he has all the information the decision-making process will be easier.

Constantly striving to achieve neutrality, he becomes a paradox to himself. In prior lives, he fell into the habit of identifying with catchy phrases, cute sayings and euphemisms to the point that he has now become a walking cliché.

Liking to read and explore a wonderland of knowledge that he sees around him, his life is a constant thirst for more understanding. He is convinced that this is the one path in life that has no end. Whatever he becomes keenly interested in he can make into a life-long study, particularly if the South Node is in a fixed sign.

He likes to feel worldly. As a result, he'll do things that others wouldn't, just for the sake of experiencing new understanding.

His current life is involved with so many people that hurt feelings are bound to fly, not because of any malicious intent but rather through the inability to keep up with everyone in whose life he has become involved. At the very deepest of levels, he has many inner doubts about himself which become amplified when he speaks with others, for if it were at all possible he would try to be all things to all people.

As a result of past-life habits, he spends too much time in 'lower mind'. He goes through more movement than he has to; and if this is not expressed physically, then he does it in thought. At times his merry-go-round of possibilities is so great that he thoroughly drains himself by thinking about what he should do. As a result he does nothing.

He will experience fears that he is sexually impotent. Once he starts questioning along this track, his enormous thirst for understanding can lead him into a promiscuous

behavior pattern until he is reassured that all is well and he is perfectly normal.

On his deepest level, he is not a sexual animal, but in fact so mentally inclined that he has fears of being shut out from the nitty-gritty of life because of his mental inclinations.

Like the young child afraid his peers will accuse him of being a bookworm, he will dare himself to prove that he can be accepted in a physically-oriented world. Nevertheless, his greatest subconscious need is one day to become a walking encyclopaedia so that he will never be caught short, lacking the right piece of information at the right moment.

His biggest growth comes when he learns how to make the karmic transition from lower to higher mind. As he drops his past-life attachment to trivia, his eyes begin to open wide to the enormous horizons before him.

The less he talks to others, the more faith he starts to develop.

He must learn how constantly to broaden his interests so that the scope of his knowledge is not limited by the demands of his immediate circle of relationships. He does well when he learns how to step back so that he can see the forest from the trees. When he does this, he also learns how to let things slide off his back, which gives him a new sense of peace that somehow always eluded his reach.

Travelling helps to broaden his perspective, and he meets his greatest successes far from his place of birth. For some, the life will be influenced greatly by a foreigner.

Through the ninth house North Node, enormous spiritual growth is possible once the individual has learned how to pull away from all his prior-life doubts and questions. He must take his mind out of a finite world and focus on an infinite consciousness.

He will lose friends by doing this, for there are few who will understand his sudden aloofness. But through those who stay with him he will learn the difference between a friend and an acquaintance. As he grows, he begins to focus on ideas rather than the words through which the ideas are expressed. He sees how others limit themselves by language, and tries to speak to their ideas rather than to their words. The sign which contains the South Node indicates the ways in which the soul memory of past incarnations is still too embedded in lower mind activities. The sign which contains the North Node shows the ways in which the individual can now free himself through the broadening influence of the higher mind.

(Donna van Toen)

Conflicts: Devotion to causes vs. the need for stable routine. Dreams vs. realities.
Psychic or intuitive mind vs. logical mind.

Possible results of sacrificing North Node: Entanglement in mazes of busy-work, gossip, family feuds, etc.. Problems with teachers, in-laws, foreigners. A tendency to take everything too literally; inhibition of the higher mind. Cynicism, agnosticism. Insatiable curiosity bordering on meddling.

Possible ways to integrate the North Node: Expand your mind by taking courses. Read about controversial issues and try to formulate opinions. Travel. Be selective about people; avoid gossips and crisis-prone erratic types. Take time out from routine activities to try new things.

In the ninth house, the hang-up centers around education or learning; and a lack of self-restraint invariably plays a major role. This person is often so easily swayed by his or her environment that life is spent moving from one bandwagon to another. A lack of continuity is often seen, too, making a little learning truly a potentially dangerous thing. Occasionally we find the reverse intellectual snob, one who values manual dexterity in just about any form but has no use for mental dexterity.

North Node in the ninth house dreams of being some type of teacher. He or she feels that education holds the key to tapping his or her fullest potentials. Success and progress are important themes of the dream motif. This person tends to let emotional factors stand in the way of success. While there may be a great amount of potential, as long as emotions take precedence over sense, the dream can't be fulfilled. Inconsistency is often a problem, since the mind rarely understands what the emotions are doing.

(Haydn Paul)

Your main concern is likely to be communication, relationships, mental development, and intellectual gathering of information. Relationships may become a source of conflict and confusion. You may not feel at ease with intimacy, and may prefer to break free from complications. As you are more mentally focused, you feel less comfortable with emotional and physical levels; sexual unease may also exist. This can be because you are less physically preoccupied than many, and so need intimate relationships less; sexual urges do not dominate your motivation or desires. You can learn to accept your sexuality as a natural expression, but within a context which values other aspects of relationships even more highly.

You can enjoy being alone, pursuing interests undistracted by others; yet there is also an impulse that seeks to communicate and relate with others. Balancing these tendencies can cause some difficulties.

People with emotional problems often turn to you for support, finding your detached mental perspective beneficial and calming. You help them find a more rational viewpoint

to deal with agitated emotions. You enjoy this role and try to be helpful, hoping that your supportive advice can be used by them for positive results; you are very careful with suggestions, and try to ensure that you are not misunderstood.

Sometimes your tendency to be diplomatic and neutral has negative effects on you. Using evasive and nonconfrontational words can eventually interfere with identifying your own thoughts and feelings; and you could lose sight of your perception. If this occurs, it may be better to become more true to yourself and ensure personal clarity. This could become more problematic if your social life builds into an ever-expanding web of relationships and contacts, making it inevitable that, at times, you will inadvertently upset someone. Relationship conflicts may happen, and this makes you confront inner doubts; if you have not been fully honest in your 'diplomacy', you will realize the futility of interfering with genuine communication. Through unnecessary relationship compromise and evasion of honest contact, you may become less true to yourself.

Keep conscious control of your life, or you may experience phases when its pace appears to increase, making you run faster on a treadmill just to keep in the same place. This could be the result of a social or mental whirl which makes you feel increasingly uncomfortable and could cause symptoms of ill-health and problems in decision-making. You are not always adept at making choices and decisions; you prefer gathering all facts and details prior to deciding. The difficulty lies in believing there are more facts to accumulate, and so postponing choice. Perhaps relying more on intuition or 'gut feeling' could be experimented with.

Stocking your mind with knowledge and information will become one of your favorite occupations; and the world appears to you as a treasure trove of facts, interests, and fascinations. You want to accumulate as many of these as possible; and your need to understand will be a lifelong preoccupation, with interests spanning human knowledge and never resting in the search for more pieces of the human puzzle. At least through mental journeys you will explore the world, although physical travel may also appeal, and would broaden your perspective. It may be that success will come through leaving your place of birth, or through foreign contacts.

You need to focus your information gathering, so that you can synthesize your knowledge into something usable, something that reveals important truths about the human condition and the nature of life. If you can do this, you will provide extra meaning to both your own life and others' lives, as you concentrate more on inclusive ideas and less on fragmentary facts. As your vision extends, your ability to communicate will also become more effective.

(Bruno and Louise Huber)

The 9th house has to do with the development of individual thought, or spiritual autonomy. What is involved here is the 3-9 (or thought) axis. In the 3rd house, our task

is to learn the language, and to absorb the knowledge, of the group. In childhood, we accept the thought-structures of our environment, of the group in which we live; and we are molded by the thinking of those around. The collective enshrines not only knowledge but also routine patterns of thought which are almost mechanical. Thinking in the 3rd house is fairly reflex, and travels along fixed lines.

In the 9th house, there is an awareness of, and an ability to distinguish, those thought structures and routines, those scripts or programs, which have become second nature. And not until this state of awareness is reached can we discard the things that do not tally with what we have worked out for ourselves. In the 9th house, we must create our own philosophy of life and strive for intellectual freedom. We must form a picture of the world that is as objective and as devoid of valuejudgements as possible, by examining things for ourselves, making up our minds about them, and so arriving at our own outlook on life. The evidence of our senses should provide food for thought. The ability to draw conclusions from what is observed, to follow the course of events, and to have clear ideas and a personal point of view, is typical of the 9th house. Our prerequisites are accurate observations and keen perceptions, from which valid results can be obtained, inferences made, and our own attitude developed. Muddled ideas carried over from the 3rd house can be full of prejudice, however, and may make it difficult to think clearly in the 9th house. Therefore, with the Node in the 9th house, we need to make a special effort to form our own opinions and to draw up a clear account of them. We should try to avoid being led astray by others either intentionally or unintentionally, or by automatic responses of our own that spoil clarity and obstruct freedom of thought. If we come across a good idea, it is not good because it is said to be good, or because it emanates from some authority; it is good only if we can verify it by obtaining the same results. Verification is the task of the 9th house.

Keen senses are absolutely vital for clear thought. Keen senses are symbolized by Jupiter, the ruler of Sagittarius, which is the counterpart of the 9th house. Obviously, there is a connection between observation and thought, and this connection is represented by the 9th house (and by Sagittarius). Our senses need to be in good working order before we can make clear judgements.

We require the courage of our convictions when putting forward our own ideas. We need to be self-confident to trust our own observations and feelings, and not to be persuaded by the crowd that we have seen, or should see, something different. The 9th house encourages us to stick to our point of view, and to the truth we have discovered for ourselves. Of course, we must not think that we are always right or that we can do anything. The progress indicated by the Node in the 9th house comes about through expanded awareness by means of original thinking, travelling, and philosophizing, etc., after we have left the route charted for us by others. When we take an independent line, query what we are told, and experience things for ourselves, we learn what life really is.

North Node in the ninth house or Sagittarius: (James Braha)

If the North Node is in the ninth house or Sagittarius, the person's greatest growth, evolution, and fulfillment come through pursuing religion, philosophy, and higher knowledge. In past lives the person was intellectual, analytical, meticulous, precise, and skeptical. Now he is to cultivate faith, and concentrate on ideals, paradigms, and the ultimate truth of existence. The person should use wisdom and seek broad viewpoints. He must give credence to his intuition, feelings, and inspirations. He must take his visions and prophecies seriously, and give little importance to the petty and inconsequential in daily life. The person gains his greatest happiness by devoting his energies to spiritual ideals, mystical movements, and enlightened gurus. He is exceedingly gifted in promoting religion or any other knowledge which raises the consciousness of the masses. Publishing, as a career, is greatly favored.

The person must continually discriminate between right and wrong, and even make a discipline of the process. He should seek freedom and liberation, and develop his soul conscience. Beliefs, principles, and morals are everything, and the person must maintain a positive outlook under all circumstance. The person is eternally concerned with profundities. He know the meaning of life is to find perfection with God. Money, possessions, and material comforts are of little consideration. The person should seek to increase his generosity and charitable nature. Travel is a source of evolution; and the person may wish to engage in foreign affairs. He should take fun and recreation seriously, and enjoy speculations when he feels the impulse.

The person may pay little attention to relationships with siblings and relatives. He must relinquish his previously constricted or microscopic way of thinking and allow his perception and insights to take him to the highest interpretation of life that is possible.

In Hindu astrology, the North Node in the ninth house indicates cravings for religion and higher knowledge, and great power after the age of forty-one. However, there may also be difficulties with the father and religious or spiritual teachers. The South Node in the third house means that the person is strong-willed, exciting and adventurous, and good at fulfilling his desires. It also signifies a spiritual, introspective, or introverted younger sibling. The nodes in the signs are much less significant.

(Black Moon) Lilith ♀ in ♏ Pisces 11° 11'

([1148] elsaelsa.com)

Street Saint

If you have Black Moon Lilith in Pisces, the pain you've experienced through your Lilith placement has made you compassionate and empathetic. You've learned to embody the kindness the world lacks.

However your Lilith wounds have played out (shown by the house your Black Moon Lilith is located in), you have become acutely sensitized to the harshness of the world. You see how many sharp edges, cruel consequences, and dirty tricks pile up in daily life, and you know in the depths of your soul that it absolutely does not have to be this way. Life can be good, people can be kind, and a loving, caring community of like-minded folks is hardly a pipe dream. So you make an effort to make connections, to show compassion, and to care for those on the margins of society. You reach out and draw the most vulnerable under your wing for protection. In some ways, you become a living avatar of compassion, an everyday bodhisattva spreading beauty through the grimy streets.

Of course, this isn't without risk. As you know (and as the world has been eager to remind you), there are all too many who would take advantage of that kindness. There are people who want you to fix them without doing any of the work it takes to be fixed. And perhaps even worse, there are people who are so rigid and blocked off that they can't react to your kindness with anything other than derision and judgement. You remind them of everything they're rejected in order to ensure their safety. Your softness becomes a repository for other people's fears about their own vulnerability.

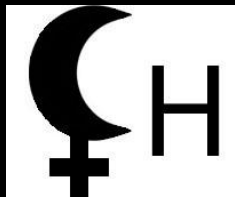

And when your beautiful balloons of compassion are popped by those jagged edges, you understandably just want to hide your head under the covers. You try and try to fix the world, but sometimes the world just doesn't want fixing. The world can be small and ugly and sharp while your soul is expansive and ethereal and free. So you sometimes decide you'd rather escape or transcend the world entirely. You may turn to drugs or religion or sex or sleep to find that all-encompassing feeling of connection. You may take to spinning fantasies that can't come true. You may just immerse yourself in fiction or art or beauty. In one way or another, though, you will always find yourself periodically in need of reconnecting to your core idealism. The key is to find a way to reconnect that genuinely inspires you long-term rather than just soothing the more immediate aches.

Another way to alleviate some of the pain of Black Moon Lilith in Pisces is to lean on the sign opposite to Pisces, Virgo. Virgo is just as driven to fix the brokenness of the world as you are. But Virgo recognizes that sometimes practical support means more than limitless compassion. Sometimes helping someone prepare for a job interview is a greater act of kindness than giving them a couch to sleep on forever. Sometimes telling someone they have a stain on their shirt so they can fix it is more effective than giving them the shirt off your own back along with speech about how we shouldn't be judging others by their clothes anyway. It's not that it's not true! We shouldn't judge over something that small! And if you want to work toward a world that abolishes clothing-

related status signaling, go for it. But in the moment, there is still a practical problem that requires a practical solution. And Virgo knows how to discern which is which.

While this placement is enormously complex and merits a chapter all its own, I'll close here. Just know that your intuition is right: Your compassion is exactly what the world needs most. Your willingness to look beyond the outer shell to the beauty that permeates all of us is your superpower, and you should never let it go. As you work to create a world that is truly rooted in kindness, your wisdom will be more necessary than ever. Just make sure that you direct your energy to where you can do the most good, and you will be a true force of nature.

(Black Moon) Lilith ♀ in IV 4th House

([1152] elsaelsa.com)

Deep Roots

If you have Lilith in the 4th house of your chart, her themes will manifest in the areas of home, family, and roots. Lilith's energy is deeply personal to you and is at the core of your being.

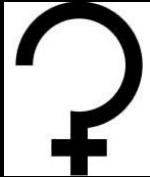

With this placement, you likely encountered your wound and rage early in life. It may have been caused by your parents or family, or at the least it was mishandled by them. Instead, you were made aware of how inconvenient your pain was to others and it was dismissed, controlled, and contained.

In traditional astrology, the 4th house is the subterranean angle. This is the deepest, darkest, most private part of you. It is your tap root, and it is the soil from which you spring. Having Lilith here shows that your primal fury and righteous indignation has been fundamental in forming the person you've become.

With Lilith in the 4th, "the personal is the political" is much more than a slogan. It is your deepest truth. While you might not be out waving signs at every protest, it is likely that you have organized your life to align with your beliefs, often in unseen ways. At the very least, you will strive to carve out a space in your life and your home for contemplation and to process your emotions in safety. As one 4th house native I know likes to say, "I am the priestess in my own den of spirit."

Though there is much more to say, I will end with this: though Lilith in the 4th house is most certainly painful, it comes with blessings as well. It provides courage and conviction. It gives a strength and resilience that can't be taught. In the immortal words of Tolkien, "Deep roots are not touched by the frost."

Ceres ♀ in ♋ Cancer man 24° 8'

([1164] astromajesty.com)

Ceres's placement shows our self-confidence, nurturing capacities, and how we express our affection.

In Cancer, it feels a bit conflicted, even though it gives sensitive people and welcoming hosts. They are emotional, like to be of service to people, and have an open heart.

Yet, individuals with Ceres in Cancer get offended easily, and they take things personally.

Being that caring and affectionate, they often give too much. If others don't behave in the same manner, they will hurt Ceres Cancer. They like to make people feel at home, and they are warmhearted and sincere.

People with Ceres in Cancer use words, actions, and gestures to express their care.

Ceres Cancer individuals often care too much, and they will go above and beyond to help others. Yet, when someone shows the same level of care, helpfulness, and affection, they feel uncomfortable.

Paradoxically, they still expect others to treat them the same way: with a lot of care and attention.

Individuals with Ceres in Cancer are hypersensitive but likely to have self-esteem issues and to question their worth. That results in inner confictions that reflect in their relationships.

Sometimes they tend to behave childishly. They want to have other people's attention, but not to seem like they asked for it. And if they don't get it, they will feel irritated.

If others don't give them enough affection, they can feel depressed, insulted, and undeserving of love. Persons with Ceres in Cancer have a task to learn how to manage their emotions and expectations. They are nostalgic and sentimental. Ceres Cancer also needs praise for its accomplishments.

Otherwise, self-doubts arise, and they start believing no one likes or understands them.

People with Ceres in Cancer experience food emotionally, and they use it to find solace and an escape from what troubles them. They are often demanding and need validation to feel confident.

Ceres in Gemini and childhood

Individuals with Ceres in Cancer likely had a complicated relationship with their parents or caregiver, usually with the mother figure.

Well-positioned Ceres speaks about a highly caring mother that was beneficial for the child.

But an afflicted Ceres Cancer indicates a lack of maternal figure and that a person was without the affection, love, and care they needed so much.

Unfavorable Ceres placements perhaps mean that one had younger siblings and that a mother made them her priority. A person with afflicted Ceres in Cancer couldn't rely on their parents.

On the other side, perhaps individuals with Ceres in Cancers had overprotective parents who failed to teach their child how to be self-reliable and independent.

The afflicted placement also indicates that one had to relocate many times as a child, which caused a lack of safety and stability.

They need to realize that even though real heartbreaks, betrayals, and rejections created the original wound, they are the ones that keep it open.

People with Chiron in the 11th house have to stop blocking others from their lives, or no one will ever show them that it's okay to trust.

Part of Fortune ☒ in ♍ Virgo 0° 7'

([1280] astrolibrary.org)

You feel happy finding a specific vocation. You want a calling with which you can be useful to society, and also give a sense of organized purity to your environment. You strive for cleanliness where you live and work, and in how you express your thoughts.

You are very sensitive to everything around you. You realize how much negative emotions affect you, whether they are your own or that of others.

Because Pisces is the sign opposite to your Part of Fortune in Virgo, you understand compassion. Although you understand the invisible and infinite forces, you must direct your life towards a conscious existence and personal control, living constantly in the Here and Now, which at the same time has a great transcendental sense. You must always keep busy and avoid being invaded by depressing and doubtful emotions, whether yours or others'.

Purity of mind and body are important for maintaining internal clarity. You should discipline yourself and direct the negative emotions and worries of Pisces towards peace and inner acceptance.

Your ultimate goal is to function absolutely towards a perfect development.

You worry a great deal over all the details of the present. Treating them efficiently helps you not to transfer problems from the past to the future. You need to feel that you are developing your potential in something dedicated to improving the environment and society.

Pisces opposite to your Part of Fortune in Virgo will give you an understanding of general human needs, as well as their effect on the present and the direction of energy flow.

You can become as efficient or as cold and calculating as a machine. For that reason, you sometimes look for emotions to prove that you are still capable of feeling.

But, you should not identify with the negative aspect of yourself, because you could get lost in a sea of illusions that would take you away from your conscious sense of the present and your practical nature. Your practical nature is what helps you keep your center and overcome depressions without identifying with the emotional problems of others, which would cause the loss of your ability to function in the Here and Now.

Your happiness is in what you are dealing with in each moment and in what you perceive with your senses.

Although you can see the infinite and intangible through Pisces, you must find richness in the tangible, in proper organization, care, and cleaning of the things of the world. Thus, impersonally, you infuse love into life and to the experience of the moment without limit. You will come to understand the limitations of the human being as a perfecting path towards beauty and purity.

Part of Fortune ☒ in X 10th House

([1296] astrolibrary.org)

You feel better when you do what gives you self-respect. You also inspire this behavior in others.

Everything in your life needs to bring concrete results. Your greatest satisfaction lies in fulfilling a specific goal that you have defined yourself.

You want to be accepted by others and by those in positions of authority, which is not easy, because you must develop great maturity, see the world without illusions, and maintain perseverance and continuous effort.

You see the reality of the world, so you understand the emotional needs that lead others to negativity and to have emotional dependencies. You must overcome the childishness of your reactions, the repetition of patterns, and excessive sensitivity, which only trap

you in the past.

Since your Part of Fortune is in the tenth house of your birth chart, the fourth house is the opposite house. Through the fourth house, you are aware of the needs of others. However, you must stay open to the needs of others and their emotions, without letting yourself be carried away by them. You can intuitively appreciate their actions, but do not identify yourself with them. This way, you'll be able to complete your projects and ideas through sustained effort and being consistent with your goal.

You gain a great sense of integrity to understand and respond to life's experiences.

Your Part of Fortune in the tenth house will be placed in positions of power, trust, and authority. You will take this into account as you guide the people around you, even if this involves solving problems about what is right and wrong, because you have inherited a strong sense of morality, religiosity, and discipline in your childhood.

But you should not let this hold you back. You must understand that what is right and wrong are not obstacles set in stone, but that they vary with time, place, and era, adding great amplitude to the mental and physical world. As long as you maintain a true sense of justice and personal integrity, the mere act of defining your goals will dictate what is good or not for you personally. Everything that brings you close to your goals and fulfillment is the right thing to do, and what moves you away from them is not.

The emotional level becomes the key to the material world, since it helps you take care of and nurture your ideas and first steps, which will then help you to complete them and reflect your personal mastery. Becoming mature on an emotional level will help you to recognize if the goal you have chosen really fits within your true individual nature. It will also give you the respect you need in order to reach self-fulfillment.

Your greatest happiness comes from feeling that you are capable of taking responsibility, carrying out social obligations, and possessing a force to create trust and respect from others, in order to help those who are still searching. Respecting yourself and defining your personal goals, which are integral to your inner being, will give you your greatest fulfillment and will serve as a guide to those around you.

([12] astromatrix.org;) Someone To Look Up To

Opportunities: 1. Being Your Own Boss 2. Being an Inspiration to Others

Challenges: 1. Controlling Your Irreverence 2. Being in Control of Your Life

Even while you are young, personal success and achievement will be very important. You will want to shine among your friends and be someone to whom they can look up. You will measure your success in life not so much by your inner sense of values, but by the impact you make on other people. This aspect often means that you will be socially successful, but you must work for it; such success is not automatic.

You have a great need to be in control of your life. As you get older, you will try to work in a business in which you can be your own boss. You are very independent and do not like working under someone, which can create problems while you are young. Thinking that you know better than your elders, you may rebel against their power over you. If you establish a pattern of rebellion, personal success will be hard to come by. You need help from others to get anywhere. So, you must avoid being arrogant, for that will alienate people. However, if you are willing to learn from others while you are young and put all your energies into developing skills that will be useful later, you will probably achieve something important in your own terms. In that case, you will know what you want to do and how to guide others.

You can enable others to fulfill their destiny as you fulfill yours. During childhood, the influence of your father or of a similar guide figure is especially important to you.

You may also easily attract a powerful or influential partner who helps to improve your reputation or expand your audience.

Your lucky breakthrough in your career path or business may be at least in part because of the influence of a strong and influential partner.

6) ► **Descendant DC Parallel ♀ Venus** - (1°46') ♋7 | ♎11

([179] astromatrix.org;) Unconscious Needs

Opportunities: 1. Knowing Your Desires 2. Gaining Confidence

Challenges: 1. Developing Your Independence 2. Understanding Yourself Better

With an opposition between Venus and your Ascendant you will seek to create a good impression on everyone you meet, and to focus on positive qualities. You will tend only to see the best in everyone and be deeply disappointed when they do not live up to expectations, but you are aware enough to realize that nobody is perfect, so you do not judge people by their faults. You may be interested in creativity, the arts or have a quite refined sophisticated character and dress well. You also appreciate others that have similar characteristics. Your marital life should be happy and full of love. If Venus is well-aspected, it indicates a long-lasting love even after the wedding. When Venus is adversely aspected, the spouse can be lazy and passive; nevertheless, this is not a real problem as love is a lot more important than such habits. On the surface you come across as confident and self-secure but deeper down you are quite dependent on your personal relationships to make you feel happy and content. It may come from a childhood where you were spoiled or over nurtured and you may expect that from your personal relationships.

7) ► **Imum-Coeli IC Parallel ♀ Pallas** - (1°49') ♎9 | ♋5

([589] 12andus.com;) You are wise and intellectual but your gifts for strategy tend to shine more at home or in your personal life rather than in your career.

You may get cold feet when it comes to asserting yourself in public spaces or in your career path. You may prefer to not rock the boat. You don't easily challenge the status quo in your professional life.

Yet in your private life you can be a visionary. You may need to become more confident in yourself and your visionary powers so that you can become more of a champion for change and mentor to others in your professional life.

If you don't you may undermine your mission and campaign. You may also bypass opportunities to become the leader you could be. You can be a strong influence on others when it comes to matters of injustice but you will first have to make some decisions about your priorities. Your own ambitions may have to take a back seat to the strategies for justice and change that you could promote.

8) ► **Sun** ☉ **Contra-Parallel** ♄ **Pallas** - (0°50') ♃5 | ♃5

([576] 12andus.com:) You want to be encouraging and empowering but may instinctively reject those who challenge your mission.

It takes some work to overcome your strong aversion to those who challenge your strategies and provoke your inner warrior. Yet when you truly feel confident in your mission, you can more easily appeal to the better nature of others.

You may become distracted by power struggles at first because you take your mission personally and see your campaign as an extension of yourself. Once you understand that those who aren't on board aren't specifically your personal enemy or opposition, you can work more effectively with them to create a united front.

You need to find a way to keep a moderate effort to encourage others to your cause without alienating or shying away from acting on the causes that personally appeal to you.

9) ► **Sun** ☉ **Parallel** ♃ **Juno** - (0°30') ♃5 | ♄11

([593] 12andus.com:) You make your devotion and desire for commitment clear.

Your longing to be a faithful and devoted partner is very much in keeping with your identity. You may see your partner or spouse as an extension of yourself. While you may feel like you easily connect with your partner, you also expect your partner to be stuck to you like glue.

When there is any doubt or discrepancy, or when your partner doesn't share your exact vision and opinion, you can take this to be a personal insult.

On the other hand, you will do anything to keep your partner happy and you make it your life's mission to use all your strengths and talents to uplift your partner and solidify the relationship.

10) ► **Moon** ☾ **Parallel** ♃ **Neptune** - (0°39') ♄9 | ♃10

([21] astromatrix.org:) The Visionary

This conjunction emphasizes emotional sensitivity and vulnerability to others, especially through an impressionable, sympathetic psychic empathy. The nature of your environment will be highly influential in affecting your inner balance and well-being, so

ideally you need to live and work within suitable places and with suitable people, or else you may discover that your spirit and vitality begin to wane through absorbing what are negative influences on your sensitivity.

As your heart is so open to experience life, it is equally likely to experience suffering, anguish and disappointments. Evolving ways of self-protection or essential filters to this sensitivity may be necessary over time, otherwise life could become too painful for you.

Through your innate understanding and sympathetic attitudes, you are likely to become a listener and confidante to others' problems; yet a degree of detached impersonal objectivity needs to be developed or else you will take their problems and pain away with yourself. This is not a sacrifice that needs to be made, even though you are rightly willing to offer aid and assistance to those in need.

It may be that you are attracted towards employment in the spheres of social welfare and care, where you can serve deprived people and encourage them to take steps of advancement. Certainly, that compassionate heart will be a main motivating factor in your life, and it is probably through such a route that you can most easily display your most natural qualities and abilities.

Your influence can have a beneficial and catalytic effect on others, stimulating them towards either personal growth or resolving problems. Employment which fixes you into a repetitive mundane work pattern will not be satisfying and will ultimately be a denial of your talents and abilities. It is easy to recognize when you are stuck in the wrong place.

11) ► **Mercury ♀ Parallel ♂ Mars** - (1°34') ☿8 | ♀3

([29] astromatrix.org;) Quick Tongue

Opportunities: 1. Working with Self-Expression 2. Gaining a Greater Grace

Challenges: 1. Looking After Your Body 2. Listening More

In the case of Mercury Conjunct Mars, the two planets are joined in a conjunction, they do astrologically become sort of a new planet, with its own distinct traits. The closer the conjunction is, the more this transformation is true. With Mercury Conjunct Mars, your ambitions, desires and ego drives fused with your intellect and mind. This can give an enthusiastic, incisive and energetic mind. You are practical and compulsive. You think quickly and draw your inferences from empirical observation. However, it can make you a little self-centered or inconsiderate towards other people especially when it comes to any strict opinions or perspectives you may have.

At times, you can be aggressive or too direct in your self-expression. You can also take things very personally, and your defensiveness can make it challenging for others to engage in healthy dialogue with you. Your mind is on fire, so you often express yourself with anger.

You have a natural talent for occupations involving change and physical movement. You

have very imaginative creative ideas and you bring them into reality if you can manage to have the patience to stay on target as the Martian energy can make you more impulsive or lack the commitment necessary to see things through. You may have a very strong ego, especially if the planets are in a fire element and you have to watch out for being pretentious, self-righteous or lacking the ability to accept you have made a mistake or are incorrect in your assumptions.

You believe you have all the answers and are always right, the fact is nobody is perfect and the humbler you can be the better. This is the biggest problem with this aspect and the more you can compromise with others, the more sympathetic and understanding, the more you will be able to be successful in your endeavors.

You are very witty, and often sarcastic. You are quick to offer an opinion and express your thoughts, often without much sensitivity. With your active mind, creative ideas, and aggressive disposition, you can succeed in many areas such as education, law, acting or literature, basically any career where you can be comfortable and free to express yourself.

Any occupation that can give you opportunity to show your talent. It is better to work on your own if you can because other people may not have the mental capacity or energy to keep up with you. Take more time to process your experiences, especially those where you may have felt let down or rejected by others. You should try to learn from the past as to how you can express yourself better to others and admit that you can improve your ability to communicate with more grace and diplomacy to enrich your relationships with others.

Your mind is healthy and high paced, watch out for overextending your body too far it may not be able to take the constant pressure, give yourself time to relax and process everything that is going on.

12) ► **Mercury** ☿ **Parallel** ♊ **Vesta** - (1°00') ☿8 | ♀10

([611] 12andus.com:) You are highly attuned to your spiritual mission. From an early age, you may feel a zealous connection to your sacred path.

You are easily inspired to share messages you feel are divinely inspired. You may write, speak or teach subjects that are focused on service to others.

You can become enthusiastic about your mission and everything about your mindset is dedicated to service and spreading knowledge about connection to a spiritual mission.

You easily find hope even in difficult situations and you believe it is your duty to help spread hope to others. You may be committed to educating others even at the sacrifice of subjects or lessons that were important to you.

You don't mind making this sacrifice, you are eager to do so.

13) ► **Venus** ♀ **Contra-Parallel** ⚡ **Uranus** - (1°37') ♄11 | ♀3

([176] astromatrix.org:) Rebellious Lover

Both the opposition and the square display the stronger influence of the Uranian energy dominating the easier, harmonious social style of Venus. Rebellious, unconventional attitudes appear; and with this opposition aspect, you will feel that you have to assert your own unique identity even though it may create discord between yourself and others.

You will often feel disturbed by emotional insecurity and an instability in the consistency of your feelings towards others. In intimate relationships, this will be displayed in swings between red-hot passions and ice-cold disinterest. This puzzles you, and can obviously confuse a partner, especially when the need for a deeper commitment arises. You wouldn't be sure what to do; and your lover would doubt your real feelings. Your desires can feel extremely powerful, demanding satisfaction; and the intensity of this energy can lead you to explore unconventional ways of life.

A certain impulsiveness and reckless spirit can take you into experiences that could be dangerous; and your choices for relationships may often create future problems for you. Your unconventional style and basically friendly nature will attract friends; but your own sense of attachment and commitment to them may be erratic. You will be too much drawn by the glamour of following your own unique light to maintain friendships; and some will fall by the wayside as you move ever onwards.

Most of your tendency to oppose will be directed towards authority and those who embody a traditional social structure. As a natural rebel, you will question the foundations of your society, challenge their effectiveness, and probably support the causes of those who are oppressed or disadvantaged by the dominant political attitudes. You have several characteristics which can be used positively, such as a strong will and determination, and an acceptance of intellectual responsibility (sometimes subverted by emotional instability). The use of these will depend upon your ability to be clear about your objectives, and to maintain enough emotional commitment to fuel your efforts to achieve them.

There is likely to be a need to learn greater compromise and consistency, especially within your intimate relationships, and to evoke the Venus energy to a higher degree. Provided that you pay attention, and consider the effects of your choices in life, you will realize that experience will teach you all you need to know, despite its often-painful impact.

As a rebel, you can learn much about the less publicized frontiers of life, become aware of the heights and depths that people can experience or endure. This will enrich you and increase your maturity. Eventually, you may have much that is of value to share with others.

14) ► **Venus ♀ Contra-Parallel ♅ Pluto** - (1°44') ♄11 | 132

([178] astromatrix.org;) Jealous Lover

The challenging aspects of square and opposition invariably display the dark face of the distorted Pluto energy, and require considerable individual transformation and self-understanding to mitigate the potentially negative impact on life that they will otherwise influence a person to experience.

It is important to remember that this influence to confront the darker side of the psyche is inherently positive and creatively beneficial if it is used to orientate your inner life, and that this is the hidden purpose of the Pluto impulses. It is likely that you will experience a repetitive pattern of sexual love and emotional affairs which either do not seem to satisfy and fulfill you, or collapse into failure, acrimony and suffering. This can lead to a jaded, cynical attitude founded upon a frustrated, demoralized emotionally battered perception of love.

Your emotional intensity and passion are likely to cause difficulties for you, as it often seems to run away out of your control and can take you into situations and encounters which from a clearer perspective you would consider to be undesirable. Certainly, you are looking for something; but your sexual and emotional desires can be too strong, creating distortions of inner energy and leading to compulsive behavior on your part - followed by an attempt at justification in the vein of 'I couldn't help myself...!'

Either you will feel driven to experiment in various relationships on a continuous basis, or, as a reaction, you may attempt to avoid entering any emotional affair as you are afraid of experiencing the old established pattern again. Problems can arise in your intimate relationships due to your tendency to introduce the element of domination. You tend to demand your own way or assume a dominating role, sometimes played out in potentially damaging sexual and emotional contexts, sometimes obvious, sometimes more subtle. Even if you assume a submissive role, it is only as a hidden way to manipulate and achieve your intentions through a subtle route; it is not your natural approach. Usually, you want your partners to change to suit you, and you can put intense pressure upon them, especially sexually and emotionally.

You will need to learn the necessity for mutual compromise in relationships, to understand your inner underlying desires and impulses which are conditioning and controlling you from the depths of your unconscious. It may be appropriate to study humanistic psychology or take part in a course or therapy designed to bring about safe release of hidden impulses into the light of conscious awareness.

Such impulses, and unconscious inner fantasy lives, are present to some degree in everyone; but with this aspect they will stimulate problems for you, which are resolvable if you are willing to confront them in an act of personal reintegration and transformation. This will also serve to balance out your erratic flow of emotional desires, which often

seems to confuse you and your partner, as you appear to 'blow very hot and very cold' in your responses to them; this is when your inner impulses arise and fall in some hidden rhythmic cycle, leading to uncontrollable emotional and sexual needs and intensity, or to a lack of response and to coldness.

Always, the choice is yours; potentially you can defuse many of the difficulties that usually face you in relationships, or you can continue hoping that they will lift of their own accord. Pluto is influencing you to take the positive approach, by facing you with the results of being passive to the inner forces and by remaining unconscious of their hidden promptings.

15) ► **Jupiter** ♃ **Parallel** ♄ **Saturn** - (1°56') ☿8 | ♀12

([60] astromatrix.org;) The Deep Thinker

The Jupiter Conjunct Saturn Aspect in your Natal chart occurs only once in every 20 years. Jupiter is about growth and amplification, so it increases the power and emphasis of Saturn on your personality. This makes you a much more serious person and are devoted to advancement in career or your professional goals and success.

You are a born leader with a very sound and far sighted judgment. You may be drawn towards to careers in teaching or management and authority. Religious or financial roles would be ideal for you. You are somewhat reserved and cautious in making career moves, but when you do, they are solid, responsible and based on firm reasoning.

You may be conservative, and cautious but after consistent effort and determination you will find eventual success and can inspire others to do the same. You are a keen learner and like to spend time reading and studying for your professional advancement. 16) ► **Jupiter** ♃ **Parallel** ♄ **North-Node** - (1°42') ☿8 | ♀9

([66] astromatrix.org;) Learning Moderation

With North Node conjunct Jupiter good deeds in the past bring opportunities for spiritual/material wealth. There is a healthy desire to acquire material things and many advantages may result from developing financial self-sufficiency. There is a lot of optimism present but in its more negative effects there may be extravagance or over-optimism. The house position of Jupiter shows where there may be a degree of enthusiasm, over-optimism, optimism, or where things are taken for granted.

There may be some excessiveness or indulgence. This is pretty much fine though, because that house also shows where there is luck. Similar to North Node conjunct the Sun, there are blessings, benefits, protection, and often a life that is free of karmic debts. At its worst, there may be greed, though this is quite a benign aspect as far as any harm that may be caused to others. Sometimes the aspect offers more in the way of spiritual

blessings than material ones, but Jupiter is expanding the effect of the Nodes, so it is more important to align yourself with this energy, especially for opportunities of deep growth and spirituality.

Attempts at expansion of the self or mind will be encouraged and accepted. This is a placement associated with karmic luck. Your generosity and optimism will help you and bring you good fortune. There is a tendency to take things for granted here. You may attain popularity very easily or achieve success so fast that you fail to properly value it. Another key issue this placement has to watch out for is the tendency to overdo things. Don't overindulge, don't be overly generous. Learn moderation.

17) ► **Jupiter** ♃ **Contra-Parallel** ♎ **Lilith** - (1°52') ☿ 8 | 004

([57] astromatrix.org;) I Did It My Way

Opportunities: 1. Following Your Goals Independently 2. Building a Physically Active Career

Challenges: 1. Learning to Cooperate 2. Learning from Advice

Very early in life, you will develop a firm determination to do everything your own way. You decide upon a course of action quite quickly, and you usually know just what you want to accomplish. If someone tries to stop you, you get very angry, feeling that you are the only one who really knows what is right for you and what isn't. Eventually this will be

true, but while you are young you should be a little less headstrong and listen to what others say. You won't always follow their advice, but at least give it a hearing.

However, you are not merely strong-willed, you also identify yourself very strongly with whatever you intend to do. If someone questions your moves, you take it very personally. You must realize that you are more than the sum of your actions, and that when someone challenges your decisions, that person is not challenging you personally. This aspect indicates that when you are older you should choose a career in which you can have a great deal of independence and expend a lot of physical energy.

If you work for someone else, you will frequently feel more like a competitor than an employee, and if you don't like the pace set by your employer, you will feel very angry and hostile. You would not be at your best working in a team situation, with the possible exception of an athletic team. This placement of Mars is very common among athletes, but even in a team sport you need to have opportunities to shine on your own in order to be happy.

([15] astromatrix.org;) The Busybody

Opportunities: 1. Expanding Your Consciousness 2. Aiming for Exponential Personal Growth

Challenges: 1. Seeing Other Perspectives 2. Accepting Criticism

All Moon-Mercury planetary contacts are concerned with the relationship and dynamics of the Moon's instinctual, feeling, and emotional tendencies, with the analytical, lower mind, and communicative abilities reflected by Mercury's natal chart position. This connection can imply the type of inner relationship between the more unconscious personality functions and those of the separative conscious mind and ego.

The close conjunction of Moon and Mercury suggests a relatively open channel between your unconscious mind and your rational mind; exactly how this relationship works may, however, be variable, with both the strengths and weaknesses of each planet displayed over time. Rationality assumes higher priority, and possible conflict may revolve around times when lunar messages contradict Mercury messages. Repressing either Moon or Mercury principles is always possible.

You can be friendly and sociable, with others relating to you easily, and often trusting you as a confidante, as they recognize your sympathetic understanding. The Mercury dimension appears as intellectual and imaginative abilities, as well as a positive attitude to life's experiences. You believe that lessons can be usefully learned from whatever happens and that 'experience' is truly the best teacher. You can benefit from formal study, as you are able to absorb information relatively easily, but the ideal type of study is one which also involves a positive emotional response, so that the Moon is also

included.

The main challenge is to unite both Moon and Mercury qualities consistently so co-operation results, and not conflict. You need to distinguish between opposing inner messages, identifying those associated with the Moon - habitual security, instinctual and emotional patterns - and those which the Mercury-influenced logical mind presents. These messages can be either complementary or conflicting and to evaluate which requires your self-understanding. Real success only comes when the partnership is harmonious.

([26] astromatrix.org;) Enhanced Imagination

The Moon has rule over our emotions and minds; therefore, these nodal conjunctions tend toward strong emotions linking to the senses and imagination. There may be exceptional psychic sensitivities, which may be exalted in the ability to predict trends or distorted and turned to suspicion and paranoia.

Wherever this conjunction is found by house, that house and the matters it governs are strengthened.

Your inner values are in tune with prevailing social trends and ideals, supporting your popularity and generosity with people. These qualities make it so that you can easily take advantage of these social trends and even become a spokesperson/public supporter of them. Be careful not to get too swept up in fads and learn to develop autonomy.

Having the support of a mother figure is important, and there is usually assistance from them. You may feel the want to nurture others and sometimes this is done in a big way. The North Node boosts the ability to gain the support of the public. You can have a mesmerizing effect on people, a definite asset in public and political life. Other people respond to their enthusiasm, and with an abundance of emotional strength they are comfortable dealing with large crowds.

([38] astromatrix.org;) Bright Ideas

North Node conjunct Mercury boosts the mental capacity and gives potential in areas calling for the use of the intellect. The higher powers have blessed you with previously untapped talents to communicate and to promote their bright ideas at just the right time to gain support and popularity.

In the past there may have been limited opportunities to go through learning processes or your communication might have been blocked. You may be a young soul and have a

youthful quality. You can introduce fresh new ideas and establish new or modern ways of doing things. You can display wit and a versatile mind that is quick and adaptable. You can be progressive and innovative, frequently showing early potential. A drawback with this conjunction is you may go along with what is popular at the moment, scattering your mental energies. Or you may like to gossip.

You are likely to be popular, expressive and a good communicator. For this reason, you can be very useful in making ideas become accepted and agreed on by the masses with your manner of communicating. However, your line of thinking is often in line with the status quo and isn't too controversial and in fact usually accepted. Be careful of getting swept up in popular ways of thinking that discourage progress. While endearingly inquisitive, you must learn to develop a more independent mind free of the input of others and social norms.

[142] (No interpretation because this is only possible in the Dvad/Harmonic -charts, not in Natal.)

Interpretation from transit:

([142] astrologyking.com:) It resembles the conjunction although the difference between them is that the opposition is fundamentally relational.

There is a greater need for love and affection. It can put a strain on love relationships because tensions spring forward easily.

It does favor sorting out any issues relation-wise because you are in touch with how you feel and can express how much you love or miss someone. Compensating for any loneliness by indulging in luxuries may only give short-term relief and put a strain on finances. The better way to channel Venusian energy is to contact people for a chat or getting out, even trying your hand at some creative activity.

17) ► **Sun ☉ Opposition ♄ Chiron** - (7°16' S) ♃5 | ♄11

([117] astrotarot.net:) Typical features that this opposition brings: your sense of self may have been challenged by your emotions. There is a shame in your soul as a result of the Chiron. In other words he knew he had to “pity” those who put him on the cross. In conclusion, you often feel cut off from the ordinary, imperfect crowd, as you could never be one of them. As you grow older, this gap between the head and the heart may seem easier to handle. You may develop a sophisticated understanding of relationship with your father, a homeland or your roots. You may be able to use this understanding in helping others come to terms with a similar sense of loneliness. Or you can use it to do a good work in the world without having an ego-centric necessity to be identified as the active agent behind such work. 18) ► **Moon ☾ Opposition ♂ Mars** - (7°23' A) ♄9 | ♃3

([154] astromatrix.org:) Don't Tred On Me

Opportunities: 1. Living Life with Less Volatility 2. Embracing Broader Perspective

Challenges: 1. Rebalancing Yourself 2. Admitting Your Flaws

Inner tensions and unresolved issues are likely to be projected into social relationships, this creates difficult experiences and a scene for crisis' or turning points. Your inner pressures are released within relationships, through arguments, dissension, provocation, and antagonism; you take advantage of even trivial issues to turn them into energy-filled confrontations and clashes.

This will obviously affect career prospects and domestic life; these rebellious feelings will always be stimulated by anyone imposing his or her will on you through authority, orders, or criticism. Anyone crossing this line and irritating your feelings is liable to be confronted by an extremely obstinate and stubborn character. Co-workers will soon lose patience with an emotionally erratic colleague, who can suddenly become aggressive when facing criticism or personal comment; people will learn to withdraw from contact if you behave in this way. You feel emotionally uncomfortable; others may find you hard to understand.

You need to resolve the difficulty of instincts and emotions co-operating with an active and assertive Martian energy. Sometimes you may favor one of the planets, when this is temporarily Mars, you are liable to act impulsively, making sudden decisions which could be irrational, foolish, and lacking in forethought. Yet such actions may sometimes allow you to break free from restrictive situations.

Expressing the lunar energy may encourage cautious self-protection, remaining with the status quo, and being afraid to move beyond familiar behavior patterns. The challenge is to unite both energies, honoring each as equally valid and necessary for a well-balanced personality. Part of this aggressive and assertive nature may be rooted in your relationship with your mother.

Childhood feelings may have been denied through a lack of emotional contact, or through having to submit to an oppressive home regime of duty and behavior. In adult life, you refuse to submit to this again, yet unconsciously repeat the pattern by attempting to impose your will on others. Hoping to gain superiority, you may be too assertive in your desire to become a leader and not a follower. This often results in a distorted self-image, both to yourself and to others, as you fall into the trap of becoming 'number one' and behaving in ways which are cold, arrogant, and overly assertive.

You hate others resisting your will and when this happens, you respond with a personal attack. Sometimes such an antagonistic stance may succeed; but eventually its costs far exceed those of other more moderate approaches. Yet your personality can appear attractive to many and there is certainly a validity that can intrigue some, even though it is often a distorted expression of the planetary energies.

Choosing companions, both friends and lovers, is one area where weaknesses may appear, as you are often attracted to people who turn out to be unsuitable characters with equally volatile emotional difficulties. Intimate relationships may be limited to

physical expression, or entered for material reasons, as you may repress the deeper emotional and subtler dimensions of interpersonal contact. Sustaining relationships is difficult as time passes and once initial attractions fade, relationships collapse; satiating superficial feelings is easier than dealing with your deeper needs; and you prefer to avoid these.

You are drawn toward 'exciting experiences' which lead into dubious areas of life, where 'excitement' may not prove beneficial. Much depends on your choice of fellow travelers, as personality tendencies can dissipate and deplete energies if efforts are not consistently made to reunify conflicting traits. In a similar way, you may fail to fulfill promises made to others through inner changeability and commitment, and responsible behavior may not be your strongest assets.

Routines and partnerships may fail to satisfy; reactions against fixed life-style patterns may pose relaxation difficulties, creating psychosomatic illnesses associated with stomach tensions and digestion problems. Repressing genuine feelings is not wise. You may need to acknowledge your lunar qualities more openly and find space in your life to allow proper expression.

Lessons are needed to discover how compromise is important in developing better relations. You may need to find new forms of self-assertion, which recognize that others exist too and should be given equal respect. This can help to moderate your overbearing tendencies.

Through greater insight, you can gain relationship clarity, with perspective, realism, and more positive attitudes proving highly transforming as self-centered behaviors diminish. Accepting the need to live harmoniously with others can readjust your sense of proportion and help you realize that you can contribute to the well-being of all, instead of merely indulging in alienated antagonism.

19) ► **Moon ☾ Opposition ♅ Uranus** - (7°24' S) ♄ 9 | ♀ 3

([157] astromatrix.org;) Freedom Or Security

Challenges will probably occur within intimate relationships. These will reflect the clash between old and new, between familiar behavior patterns and the attraction of renewal emerging from a chaotic unknown.

Your inner life may feel like a battleground, as these two different energies try to influence choices and decisions; and at times of crisis, you may feel almost torn apart. A tendency toward mental and emotional stress will exist, arising from emotional instability and problems created in relationships through unpredictable and frequent mood changes.

The impact of the Uranian vibration may create sudden changes in the erratic mutability of the lunar emotions. This can stir choppy seas into more dangerous storms. If you then

release this tension through conflict with those closest to you - which is a common behavior pattern - relationships could become quite stormy. Others' inability to rely upon and trust you will obviously affect the development of long-term relationships. Your need for variety can also cause problems. This can be felt inwardly, where you easily get bored and lose interest in your home, employment, marriage, lovers etc., and then enter a phase of frustration if your need for new stimulation is denied.

To break free from this tension, you may suddenly 'explode' toward new explorations, attempting to shatter all limitations and restrictions. This can lead to moving to a new house, changing employment or established careers to pursue other directions, or entering affairs or separating from marriage. You find responsibility and commitments hard to bear during times when the Uranian impulse is too strong and capable of breaking through the Moon's established defensive patterns.

What should be avoided is a repressive build-up of inner tensions, because if they 'explode' through you, their destructive quality will dominate, rather than their transformative intent. The first step lies in acknowledging this inner pressure, and then learning to release it slowly and with conscious control, directing it into suitable channels as a natural development of your life.

Accepting this impulse for new experiences and interests can be adequately handled, if a continuous element of exploration in your life is sensibly allowed to operate in appropriate ways. This is an essential 'safety valve' to develop for your well-being. Understanding this tendency will help in choosing a suitable partner, one who accepts this need of yours and is both capable and willing to compromise when necessary in helping you to find ways to safely release tensions.

Any progress made in integrating your emotions and mind into a functioning whole will reap considerable dividends. Self-help techniques devoted to personal wholeness could be explored, offering potential positive development. Attempts by you to impose either emotional or rational dominance on your inner life will lead to additional friction created by the ignored planetary energy. Feelings of instability that often persist also diminish your self-esteem, resulting in insecurity.

You may lack a firm personality center, fluctuating between Moon and Uranus, between emotion and logic, finding a home nowhere. You could find it useful to experience your emotional depths as deeply as possible. Let them rise to the surface; feel and understand their intensity, without cutting them off whenever they become unpleasant by an 'intellectual put-down' as inferior and not part of your preferred self-image.

Equally, your mental interests and pursuits should be emotionally resonant, drawing both levels together. As your nervous system is over amplified, attempts like this help moderate and balance the flow of combined energies, thus making it easier for you to live with others without frequently feeling a restless obsession for change.

20) ► **Mercury** ☿ **Opposition** ♂ **Uranus** - (1°43' A) ♄8 | ♀3

([167] astromatrix.org:) The Deluded Egotist

With this opposition, you are likely to experience conflicts in your social relationships. The problem area will be in how you express yourself in communicating with others, and those inner attitudes which condition that style of communication. Whilst you will have considerable mental vitality, the difficulty will be in directing this into productive channels.

The tendency will be towards an erratic inner activity; the nature of your beliefs, ideals and thought patterns will be changeable; and the attractions of new stimulation will often tempt you away from completing existing projects. The challenge of the new redirects your energy and interests and so, your commitments and responsibilities may feel like restrictive liabilities.

Despite this erratic pattern of mind, you tend to insist that whatever you say, and think is valid, even though only a short time ago you were vehemently declaring an entirely opposite attitude, idea or belief. Obviously, this can lead to interpersonal conflict, as most people prefer dealing with relatively stable and consistent individuals, as it helps to develop trust and continuity. Yet if others challenge you by repeating past statements that you have made and are now contradicting, you tend to take offence, often attempting to deny that you ever did say that.

Essentially, your reaction is often to deny all prior expressions of yourself, refusing to take any responsibility for them. Having experienced this aspect of your nature, many people will begin to draw away from maintaining a relationship with you, because you seem unreliable and difficult to believe. This in a peculiar way reinforces a tendency in you to see yourself as unique and misunderstood, which you often use to justify a rejection of social compromise; and you never admit in any circumstances that you are wrong.

You appear to project the belief that you 'know it all', and probably succeed more in deluding yourself that you do than in persuading others of your expert knowledge. Underlying these more negative styles of expression is a personality which experiences inner confusion and insecurity yet attempts to hide this by a superficial image of intellectual superiority. Emotionally, there is likely to be immaturity and lack of ease with that level of your nature, and you are unlikely to touch others easily with the warmth of your personality. This lack of sensitivity and responsiveness to the more intangible 'feeling' aspect of human contact often leads to a tactless and blunt expression, where your ignorance of diplomacy can have negative consequences. How can you resolve or moderate these challenges within your relationships? The first important step is to acknowledge their presence, to admit that you often are this way. The fact that you may deny them to yourself does not mean that others do not see them clearly.

Often, others do see such problem areas, whilst the individual is apparently blind to their

existence. They are personal delusions. Being willing to work with people, learning to compromise, and participating as an intellectual equal, will help to moderate these oppositional tendencies. It is a new sense of personal identity that you should attempt to develop, one founded upon the real you, and not the socially projected assertive one that others may react against. It will involve an acceptance of your inner vulnerability, dissolving that peculiar egotistical construction, and ceasing your attempts to impress people. By stopping that process, you may begin to find your center, resolve certain conflicts, and redirect the flow of the aspect energy towards personal renewal. Certainly, that inner erratic agitation could be more harmonized and adjusted, thus reducing that build-up of nervous tension from which you suffer.

[466] [374] [375] [402] (No interpretation because this is only possible in the Dwad/Harmonic -charts, not in Natal.)

Interpretation from transit:

([402] astromatrix.org:) Mental Energy

Opportunities: 1. Focusing Your Mental Energy 2. Observing Your Mind in Action

Challenges: 1. Accepting Feedback 2. Learning from Chaos

([466] 12andus.com:) Your confidence may be shaken because of a lukewarm reception by others. If others aren't as enthusiastic about your ideas and plans as you are, this can deflate your ego and cause you to doubt the path you are on.

Try not to take others' reactions as criticism, but rather as feedback. Are your ambitions out of touch with the reality of the situation? Are your expectations unreasonable?

You may have to rewrite a draft of a project, or revise written work in some way because of feedback from others. Take this as constructive and review your work. With adjustments you have likely success in communication, writing and performance ahead of you.

Miscommunications are likely. Don't let your optimism blind you to the need to edit your written work or choose your words carefully. You may need to discuss plans in detail to make sure everyone is on the same page.

Also, you may learn that some of your plans and ideas are more grandiose than you realized, be mindful that your ego may get in the way of your larger goals.

([374] astrologyking.com;) and ([375] thefutureminders.com;) Increases mental activity and communications but also adds friction and tension to these areas. Thinking can be nervous or rushed, which may lead to slip up's in conversations, not saying exactly what you mean. This in turn can lead to other people getting the wrong idea, an increased chance of arguments, or simply not having matters resolved.

This aspect can put you in a perpetual state of motion. Although this may be challenging, discussions are stimulating - if not heartfelt. While words and thoughts may disturb the certainty you maintain, being open to new ideas increases self-awareness; flexibility allows you to benefit from information that you may resist at first glance.

37) ► **Sun** ☉ **Square** ♂ **Uranus** - (3°42' A) ♀5 | ♂3

([382] astromatrix.org;) The Dogmatic Independant

The energy of the square aspect can feel highly frustrated and, in some cases, turn towards a more aggressive and potentially violent form of expression, if there is not a suitable channel for it to be released through.

Discovering adequate forms is important to anchor the Uranian energy successfully, so evoking that Sun center cohesiveness is essential in dealing with the highly charged Uranian energy and is common to all these aspects made to natal Uranus. This is a perpetual Sun-Uranian task.

You can be erratic, individualistic, restless and nervously agitated, desiring independence and freedom from all social restrictions. It is even likely that your tendency to dissent can lead you to become socially isolated and alienated from others or radical groups with whom you are in basic agreement. If unmodified, and released indiscriminately, this energy is quite capable of 'causing trouble in an empty house'.

Being the devil's advocate is a function that can often lead to confusion and loss of self, as eventually you either erode or lose sight of your own attitudes, beliefs or ideals, and this displaces you from strengthening your solar center. Even if the majority hold a certain opinion or belief, then that alone can require you to reject it and to oppose its validity.

From a more inclusive perspective there can be some truth in such a standpoint, as the majority viewpoint is often that of 'the lowest common denominator' and can reflect the most separative beliefs and opinions. You can be undisciplined, hating those predictable

routines of life and work, often finding it hard to act responsibly and with full commitment. You react against conforming to social rules, feeling that they constrain your freedom, and you often follow your choices, irrespective of the repercussions and costs of doing so. You will probably fail to listen to well-meaning advice, and a stubborn need for self-assertion can lead you towards those very experiences and problems that you were being warned against.

If you look honestly at your life, you will observe those times where you misjudged, making foolish decisions and choices often through sheer contrariness and by asserting your 'free individuality'. Without awareness, no-one is ever free, but is merely a prisoner to their own unconscious tendencies, a prey to them, like playthings of the inner gods. At times you may become a little paranoid, especially when your choices have been unwise, influenced by unconscious forces in your psyche. It does not have to be like that. You can choose to take a more direct conscious role in your life, and not be a victim of your own ignorance.

The square can be an aspect of frustrated blocked transformation and renewal; the inner personal revolution that both Sun and Uranus would like to bring is being blocked. These inner tensions can become potentially violent and need to be redirected into constructive positive channels. You need to release any tendencies towards impracticality, antisocial attitudes and hidden urges for personal power, to stop being antagonistic purely for the sake of performing the adversarial role and use the freed energies to renew your own life.

As is probably recognized, you like others to be submissive to you, yet tend to lose respect for their individuality when they fall into that pattern of behavior. You need to learn how to respect and elevate their uniqueness because that is the corollary of your 'trip' and 'philosophy'.

Emotional depths need to be stirred more, letting those poisons of frustration and emotional conflicts rise to the surface to be encountered and understood, releasing and transmuting them by accepting them as a shadow part of yourself which should be acknowledged and never denied.

38) ► **Sun** ☉ **Square** ♀ **North-Node** - (6°09' A) ♀5 | ♀9

([387] astromatrix.org;) Thwarted Goals

With the North Node Square the Sun it is similar to the opposition where your mission requires making a sacrifice. It may be that the sacrifice is to bring attention to some matter that would be a considerable contribution to the world. You appear to give a lot of yourself to something greater and are not so ego driven.

You may have difficulty achieving your ambitions and although you may be a driven and goal-oriented person, it is best to slow down and the ego must be submerged to some degree. Though leadership talents are brought over, these can't be used to expand your

own ego. One way or another, circumstances will force this if you do not do it consciously.

You can still receive recognition for your ambitions, it just may take longer than normal and however gifted you are at capturing attention and being true to yourself, your self-expression may be met with karmic obstacles and oppositions. Don't let this hold you back. Learn from it.

39) ► **Sun** ☉ **Square** ♀ **Ceres** - (3°28' S) ♈5 | ♄8

([558] 12andus.com:) Your nurturing style is optimistic, energetic but also direct.

You prefer to face conflict with assertiveness and aren't afraid to nurture others by calling out what you think they're doing wrong. Your intentions are to uplift and inspire but you may get into power struggles trying to get others to follow your lead.

You can try too hard sometimes and your interventions intended to help others can come across as too grandiose. You may also easily become disappointed if you feel others don't appreciate your efforts to show love.

40) ► **Moon** ☾ **Square** ♄ **Saturn** - (2°08' A) ♏9 | ♄12

([392] astromatrix.org:) The Cold Heart

Limitations and restrictions may occur on opportunities and experiences, often created by unresolved emotional patterns. The source of these may be sentimental attachments to the past, to memories, to experiences, and to earlier relationships.

You find it difficult to break free from the past; and previous experiences will influence present choices and attitudes. You may have grown up with a negative self-image, one which lessens self-confidence and also shapes restrictive worldviews. This may come from unsettling and disturbing childhood experiences. Perhaps you put up protective barriers to defend vulnerable feelings from damage; you may have believed you were not loved by your parents, or you were left with just one parent through separation, divorce, or death. Issues of emotional dependency may have grown, and a mother- or father-complex formed, making it difficult to cut the parental umbilical cord when you became an adult.

You tend toward pessimistic attitudes, linked to a reduced physical vitality, emotional moodiness, melancholic dissatisfaction, and depression. Lacking self-confidence and perhaps seeing the world as a harsh, loveless place, you may feel bitter and cynical, preferring isolation from relationship intimacy. Family ties bind you.

This could suggest that you are older than most when you leave home to become independent; or you could have the onerous duty of caring for an elderly parent. Your family life may turn into an imprisoning environment in some way, perhaps through children, economic hardship, or social isolation. You maintain tensions and frustrations

by refusing to release behavior patterns formed during childhood and within your parental relationship. It is your choice, if you wish, to continue limiting your life, but it is not inevitable; limitations are only imaginary parameters which we draw around ourselves as a barrier; they can be erased or expanded.

Your creativity is blocked by emotional repression. If you dissolve the barrier and redirect the energies toward positive and constructive channels, then much could be achieved. Finding additional interests and stimulation would be beneficial, showing that the world has much to offer if you open to its riches. Becoming involved with children could reveal new ways to see things; their enthusiasms and sense of wonder could be transmitted to you.

With contemporary self-help techniques, visualization, meditation, affirmation, and the availability of numerous ways to release blocked energies, you can transform your life to face the future with positivism and optimism. Once freed from past restrictions, you can uncover your latent potential.

41) ► **Mercury** ☿ **Square** ♀ **Venus** - (6°16' S) ☿8 | ♀11

[399] [400] [401] (No interpretation because this is only possible in the Dwad/Harmonic - charts, not in Natal.)

Interpretation from transit:

([401] astromatrix.com;) Self Indulgence

Opportunities: 1. Being Social 2. Communicating from the Heart

Challenges: 1. Dealing with Communication Difficulties 2. Maintaining Balance

Wanting to be intellectually stimulated, feeling good. Going to museums or movies, talking to loved ones.

([399] astrologyking.com;) Mercury square Venus transit can make you feel uncomfortable or awkward in social situations. Carelessness with your words and a tendency to be opinionated could lead to disagreements or embarrassment.

([400] astrology.com;) You may more easily become aware of desires emerging from within, which can begin to pull your interest in a direction that conflicts with your trajectory.

42) ► **Venus** ♀ **Square** ♀ **Ceres** - (0°49' A) ♀11 | ♀8

([561] 12andus.com;) Your nurturing style is compassionate and you are driven to share beauty with others.

Your desire to be a peacekeeper can lead to friction when you try too hard to please others. You may overlook your own value and needs in order to get others to feel loved. This leads to resentment in the long run.

When you can stay attuned to your own value and beauty and nurture others without

becoming possessive and materialistic, you can be quite caring and compassionate.

43) ► **Mars** ♂ **Square** ♄ **Saturn** - (5°15' S) ♁3 | ♄12

([425] astromatrix.org;) Frustration

With Mars Square Saturn you can be austere, callous and harsh and usually won't go out of your way to help others unless you gain by it. Your actions are frequently frustrated, leading to negativity and resentment and you must overcome these.

Conflict and hardship will transform your consciousness and redeem your past, and willingness to take discipline will set your soul free. You can be physically violent (or a victim of the same) or suffer an early loss of a parent. You may also experience physical hardship, broken bones and accidents, often in the workplace where harsh, dirty or even dangerous conditions exist, possibly even resulting in your death. You have health problems related to the signs of Mars and Saturn.

You have difficulty relating to others, especially in partnerships and marriage, and are apt to make enemies due to your lack of gentleness, patience and kindness. You must become loving and compassionate instead of passing judgment or criticizing. Since you alternate between aggression and apathy, you may be severely restricted in your career, which often involves politics or the military.

Your actions are not well regulated or properly directed and you lack a sense of sustained purpose. You often fail to follow through on projects you start, often gaining a reputation for being lazy or unreliable.

44) ► **Jupiter** ♃ **Square** ♄ **Pallas** - (1°43' A) ♃8 | ♃5

([581] 12andus.com;) Your ideals and zealous nature can lead you to clash with others when it comes to enacting your strategies and fighting for important causes.

You may have such high ideals that no plan anyone suggests can be perfectly enacted. You may also use your ideals and beliefs to walk fool heartedly into a poorly planned campaign, or to hide from taking action altogether.

It takes some additional planning and rehashing of ideas before you really strike an effective balance between your beliefs and the reality of the goals you are passionate about.

45) ► **Jupiter** ♃ **Square** ♄ **Juno** - (1°05' A) ♃8 | ♄11

([598] 12andus.com;) You may have to struggle to get through your desires for instant gratification and settle down in a partnership.

Though marriage and commitment may appeal to you, you also likely have a jealous streak and are easily distracted by temptation. You may also attract partners that have the potential for commitment but drama frequently enters your relationships.

With some effort you can work through your insecurities and learn to buckle down and follow through on your commitments.

You may also have to put some effort into finding the confidence to stick with one relationship rather than having a deeper fear of missing out.

46) ► **Saturn** ♄ **Square** ♀ **North-Node** - (7°05' S) ♎12 | ♏9

([444] astromatrix.org;) Pessimistic Attitude

With nodal squares, there can be these frustrating or even painful repeated themes that are continuously brought up in your life, to nudge you to fulfill your karmic lessons in this life since you failed to do so in the past (South Node).

With North Node square Saturn, this suggests you have learnt a good dose of Saturnine attitudes. While this can come out in a positive way, it is potentially a constricting aspect right from the start, due to the limiting and pessimistic nature of old, worrying Saturn.

You may have rigid habits or outlook, and your ambitions may be so far removed from what is the accepted norm by modern society that you could create a world of isolation, detached from life, ignoring social duties. This is potentially the hardest past-life life influence from which to escape.

It is easy for you to become stubborn or stuck in the past. You are bound to the old methods and mindsets, having many connections with elders. The house placement of Saturn shows where ideas or attitudes of the past keep you a prisoner. Your outlook may be gloomy, pessimistic or you may appear as miserly or selfish.

Major circumstances in your past life or early childhood may have caused you to develop a restricted, cynical worldview. Your judgmental, overly traditional, sour outlook will inspire much opposition in others.

Working on the positives of Saturn discipline, responsibility, organization and respect for boundaries, it provides the opportunity to do work of such remarkable mastery, precision, and expertise you can be in a class of your own, where the competition simply cannot touch you.

There can be an intuitive ability which offers you clear insights into situations, possibly even a degree of clairvoyance, which any exploration into yoga, meditation and ways of self-discovery could release and amplify. There may be a healing energy from you, possibly aiding others who can absorb excessive energy releases from you on an unconscious level, and you can be a reliable support to anyone who requires aid in resolving problems. You may benefit from what appears to be 'luck' in your life; this can come from inheritances, or by the ill fortune of others.

You have considerable creative potential, but to release this fully you may have to experience some inner transformation which dissolves any blocks which are initially frustrating your success. ([72] astromatrix.org;) Striving For Success

At a very early age you will learn that life requires hard work and ceaseless activity if you want to get ahead. Also, you want to be a person of significance when you are older, so you will start working while quite young to get where you want to go.

Since you have so much internal discipline, your parents won't have to impose it from the outside, nor should they make unrealistically high demands, because you will try very hard to fulfill them. Whenever you fail, you condemn yourself strongly, and if you decide you are a loser, it would be very difficult to change that belief.

This placement of Saturn can signify that you will be very successful or very unsuccessful, depending on how you experience success while you are young. You respect those in authority even when you feel they are giving you a hard time. You understand that they have earned the right to their position and that to challenge them you must earn that right as well.

Only if you have very negative experiences with authority while you are young - and your parents will have a lot to do with this - will you be negative about it when you are older. No matter what career you choose, you will be a teacher and a guide for others. You may be a teacher in the literal sense in some kind of school.

In any case, others will look to you for guidance when you achieve the goals that you set for yourself now. As you work to get ahead in life, however, be very careful not to neglect your friendships and other relationships. Otherwise you may be very lonely later on.

([52] astromatrix.org.) Knowing Your Limitations

In the case of Mars Conjunct Saturn, the two planets are joined in a conjunction, they do astrologically become sort of a new planet, with its own distinct traits. The closer the conjunction is, the more this transformation is true. Saturn tends to make Mars more cautious and conservative.

You have a strong drive for power and a lot of ambition but are often frustrated in achieving your goals by a poor sense of timing or holding yourself back because of fear or tension. The feeling can be something like driving a car with the brakes on. When active you're responsible to the extreme, taking on obligations and pushing yourself. Because of these perceived and real obstacles, you try too hard and tend to force things. Others may at times find your approach severe and hurtful.

Mars and Saturn may not sound like the most amiable dance partners, and in fact, there are plenty of negative potentials inherent in their shadow expressions. But if we look closer, we see that these planets can enhance each other in positive ways. Saturnian prudence can constructively temper rash Martian impulsiveness. Mars can help Saturnian caution or through deliberate actions that produce long-term results and success. Mars marks beginnings. It provides us with the energy to start projects, to take new actions, to innovate, instigate and move ahead. Saturn marks endings especially on a material level.

Saturn roadblocks might seem impossible to get around, leaving us feeling pessimistic and defeated. Mars and Saturn come together, and we may experience starts and stops, progress and setbacks, and constant stress of all kinds.

The impulsiveness of Mars is curtailed in the position, allowing you to make well planned decisions and stop you wasting time on nonproductive activities. It gives you much better understanding and judgment and you tend to know your limits and not overstep them. Many possible careers are possible with this aspect especially those that require extra staying power, determination and physical exercise.

The Lots (Arabic Parts) (322th Harmonic)

There is not much information on these lots. Lots are points calculated almost always from the Ascendant and two Planets (or the Moon) or another one of the lots (then Schmidt's correction is used). The formulas used are based on Paulus Alexandrinus' and Robert Schmidt's work. Valens is another name that reoccurs with the information for these lots. (He might have slightly different formulas, but I think I took the best ones.) The texts are from 'astro.com' and 'astrology-x-files.com'.

Lots used for ranking eminence:

When these lots and their rulers occupy each other's places it indicates personal power and social mobility (eminence).

The **Lot of Fortune** is in 0° **Virgo** 7' and in the **10th** house.
Part of Fortune was already interpreted in detail.

The **Lot of Spirit (Daimon)** is in 22° **Pisces** 19' and in the **4th** house.
"higher intellect" "guardian spirit/angel" The Lot of Spirit is a point which has strong psychological and spiritual overtones, unlike the very physical-plane based Lot of

Fortune. The Lot of Spirit has to do with the nature of the will, what you intend (as opposed to what merely happens to you), and also has much to do with career, but apparently more your career as a statement that you make about what you are in the world. It also has to do with illness, like the Lot of Fortune, but it would seem that with the Lot of Spirit we are talking about the spiritual bases of illness as opposed to the physical bases.

"Spirit happens to be lord of soul, temper, mindfulness, and every power; and sometimes it also cooperates in the determination concerning what one does." - Paulus Alexandrinus

The **Lot of Basis** is in 18° **Taurus** 56' and in the **6th** house.
Calculated from Asc, Fortune and Spirit.

The **Lot of Exaltation** is in 14° **Cancer** 4' and in the **8th** house.
Valens says that it shows what the native is happy doing if it doesn't indicate eminence (by falling mediocre or amiss with little connection to spirit or fortune)

The Seven Hermetic Lots:

Adding Fortune and Spirit makes them 7.

These 5 are calculated with Schmidt's correction formulas.

The **Lot of Eros** is in 12° **Cancer** 13' and in the **8th** house.
"Eros signifies the appetites and the voluntative desires. It becomes a contributing cause of friendship and mutual favor." - Paulus Alexandrinus

The **Lot of Necessity** is in 10° **Scorpio** 46' and in the **12th** house.
"Necessity signifies constraints, submissions, struggles, and wars, and makes enmities, hatreds, condemnations, all the other restrictive things befalling men as a result of their birth." - Paulus Alexandrinus

The **Lot of Courage** is in 27° **Taurus** 16' and in the **6th** house.
Indicates fortitude (or lack thereof). It is based upon Fortune (the physical body) and Mars (actions). Where this lot is placed by house seems to show what we have to face and what we most fear. "Courage becomes a contributing cause of boldness, treachery, might, and every villainy." - Paulus Alexandrinus

The **Lot of Victory** is in 28° **Pisces** 26' and in the **4th** house.
"Victory becomes a contributing cause of trust, good expectation, contest, and every association; but sometimes it contributes to penalties and rewards." - Paulus Alexandrinus

The **Lot of Nemesis** is in 21° **Aquarius** 56' and in the **3rd** house.
This lot seems to indicate what is most likely to bring the native down. "Nemesis becomes a contributing cause of subterranean fates and of everything which is ice-cold,

of demonstration, impotence, exile, destruction, grief, and quality of death." - Paulus Alexandrinus

Nemesis in Aquarius: large gatherings, loneliness, political incorrectness
Nemesis in Third house (Gemini): slander, the media, a duplicitous lifestyle

Lots related to family:

The **Lot of the Father** is in 27° **Taurus** 59' and in the **6th** house.
If the lord of the lot of the father is dignified and is pivotal (angular) the father is strong and fortunate and may be eminent. If in decline and debilitated, judge the opposite. - Paulus Alexandrinus

The **Lot of the Mother** is in 25° **Aquarius** 45' and in the **3rd** house.
Same as for father.

The **Lot of Siblings** is in 12° **Aries** 31' and in the **5th** house.

The **Lot of Children** is in 9° **Leo** 56' and in the **9th** house.

The **Lot of Daughters** is in 25° **Pisces** 0' and in the **4th** house.

The **Lot of Sons** is in 1° **Capricorn** 15' and in the **2nd** house.

The **Lot of Marriage for Woman** is in 28° **Sagittarius** 39' and in the **1st** house.

The **Lot of Marriage for Men** is in 23° **Scorpio** 42' and in the **12th** house.

The **Lot of Deceit in Marriage by Woman** is in 18° **Gemini** 31' and in the **7th** house.

The **Lot of Deceit in Marriage by Men** is in 6° **Gemini** 56' and in the **7th** house.

The **Lot of Marriage (in general)** is in 27° **Leo** 26' and in the **9th** house.

Lots related to society:

(Hellenistic)

The **Lot of Debt** is in 22° **Pisces** 28' and in the **4th** house.
Indicates what could be a source of financial losses or debt.

The **Lot of Theft** is in 24° **Aries** 20' and in the **5th** house.

The **Lot of Treachery** is in 22° **Aquarius** 44' and in the **3rd** house.
Betrayal of trust

The **Lot of Accusation or Exile** is in 5° **Virgo** 58' and in the **10th** house.

Lot of Being in a Foreign Land (exile), Lot of Accusation, also Lot of Police: indicate areas of life where someone may be accused of something, either falsely or truthfully.

The **Lot of the Destroyer** is in 11° **Sagittarius** 13' and in the **1st** house.

We have little systematic information of its use except that it seems to relate to the manner of death. I would urge astrologers not to be careless in the use of this lot.

Pholus | Sudden Life-Changing Events

Pholus helps us achieve our soul contract and mission, the symbol of turning points (of no return), the catalyst, a small cause yielding a large effect, explosive results, transformation without premeditation, euphoria, self-destruction, awakening, curing addiction, release, searching, intensity, discovery.

Here, painful realizations of boundaries and responsibilities come as you grow. Pholus is where one absentmindedly, even blindly, goes about one's business until he sees the mortal light and crashes, grounded by confrontation of karma and responsibility.

Pholus in Cancer

(canvasofthecosmos.tumblr.com;) Pholus in 4th House/Cancer: You may be, as your mother would describe in an endearing way, a "happy accident." She impacted you in a huge way, and you have strong feelings about her, one way or another. Her influence on you reverberates throughout your life, and if your relationship with her is left unresolved, you will find that you can never escape her. Either way, family and your proverbial home unleashed emotions you would rather not have bubble up to the surface at first. This is due to a strong resonance you have with your ancestral past, and try as you may, you can never escape your family's legacy, for better or worse. Regardless, when you find a house that actually feels like a home, you live it up like no other. Once you settle down and have a family of your own, the intensity of such responsibility can be intimidating. Fear not- each new edition to your home brings a fresh start, another way to explore your deep inner emotions and bring out the best, as you always seem to do in the end.

Pholus in 8th house

(12andus.com;) Your emotions and intense intuition can lead you to seek greater wisdom and truth.

Your desire for deeper understanding can lead you to unearth chaotic emotions or fallout that you didn't expect. When you least expect it, powerful transformation may come into your life. You may dredge up issues from your past that you didn't realize had as strong a pull on you as they do.

You may have dramatic awakenings that lead you to make significant changes in your life. Even if you are reluctant to let go, you may need to let go of the past in order to clear yourself of obsessions that have become toxic.

Dealing with grief effectively can be your key to freedom and healing. You can find

awakening and transformation as a result of crisis and loss. You may become obsessively addicted to power but this works against your ultimate goals.

On the other hand, you can find a closer connection to the spiritual realm through your search for truth. Your intuition and connection to Spirit can be heightened. You may also become more dramatically aware of your power and spiritual connection as a result of crisis.

Eros | Love, Desire, and Sexuality

Where you break with logic and rationality in favor of desire, associated with bringing havoc, your most powerful turn ons. Is used a lot in synastry.

Eros in Virgo

(12andus.com:) You are passionate about details.

You may be fixated on some specific details of your partner's personality or body. You may have specific routines related to your sexual expression and you seldom deviate from these routines.

You can be very health conscious and even germophobic and this can also keep you from fully expressing your sexuality in a dramatic way. You're careful about the sexual partners you choose.

You may insist on any partner getting cleared medically for STI's. You may also try to keep your sexuality pure and a bit vanilla.

You don't want to bring any physical risk to you or your partner. You may also insist on good hygiene and cleanliness before, during, and after sexual encounters.

Ironically, sexual encounters can help you feel renewed and purified and you may be drawn to sexual experiences for this sense of release.

Eros in 10th house

(12andus.com:) Your desires and sexual arousal is expressed through attraction to those in your career field.

You may have fantasies about erotic experiences with colleagues or leaders in your career. You may also have erotic fantasies about sexual encounters at the office.

You are aroused by material success and wealth. You may also have a fetish for people much older than you. You may have traditional views and values when it comes to sexuality.

At the same time, you want your sexual power and attraction energy to be recognized. You may easily display your sexual interests and erotic energy to the public. You may show your sexual interests and exploits publicly.

Public affairs, public scandal involving sexual encounters or having sex in public places may be arousing for you. You can be discreet about your sexual experiences, but you are also likely to flaunt your encounters, especially if it helps your status or image.

- 1) ► 12° Cancer 30' **Pholus** ✎ **Conjunct** ♌ **Jupiter** 9° Cancer 32' - (2°58')

(12andus.com:) You easily expand your beliefs during times of crisis and challenge.

Though life changing catastrophes can be disruptive, you will find ways to make the best

of even the most cataclysmic situations. You may find great enthusiasm and optimism for new prospects that are best illuminated by crises and challenges.

When others are panicking or succumbing to disruption and chaos, you find ways to further clarify your higher ideals and release distractions or toxic illusions. You may overestimate your ability to understand danger or challenges you face.

Yet once you come to understand clearly what is beyond your control, you can transcend difficulties and come to embrace your higher calling. Even knowing what is beyond your control ends up being empowering to you in the midst of crisis.

2) ► 12° Cancer 30' **Pholus** ✍ **Square** ♀ **Pallas** 7° Aries 49' - (4°41')
(12andus.com:) You can find it challenging to face crises and catastrophes that interfere with your bigger vision.

Your strength and dedication to following your instincts can make you resist needed actions during times of change. Turning points will at first feel like a threat to your vision and leadership potential.

Yet with effort, you can find the motivation to draw on your assertiveness and courage and act as a leader or mentor to others. You can find the motivation and energy you need to overcome obstacles because of the dramatic turning points you face.

3) ► 12° Cancer 30' **Pholus** ✍ **Square** * **Juno** 8° Libra 27' - (4°03')
(12andus.com:) You may find it challenging to uphold your commitment to your partner in the midst of major life turning points.

When you are first faced with a crisis, you may try to protect the security of your home and family. When you don't open up to the need for changes, your desire to protect your loved ones may backfire.

It may take some effort and struggle, but when you are able to adapt your plan to provide for your family and uphold your commitments to others, you'll be better able to navigate dramatic crisis situations.

4) ► 12° Cancer 30' **Pholus** ✍ **Trine** ♀ **Saturn** 10° Scorpio 50' - (1°40')
(12andus.com:) You may find it easy to step up to the plate and act as a leader or practical guide during a crisis.

Cataclysmic events and major life turning points can bring out the best in your sense of responsibility toward others and drive you to set a secure foundation for yourself and those around you.

Even when your attempts don't quite contain the crisis around you, you'll find powerful

new ways to rebuild and make the most of the situation, often using the upheaval to your advantage in work, business or finances.

5) ► 12° Cancer 30' **Pholus** ♄ **Trine** ♎ **Lilith** (Rx) 11° Pisces 11' - (1°19')
(12andus.com:) You may find it easy to navigate dramatic changes and crises because of your strong willpower and independence.

Your rebellious streak can actually help you follow your independent path and unleash your creativity and passion even during times of crisis and cataclysmic changes. Chaos and disruptive events can help you become true to yourself and understand your own needs, regardless of social pressures.

You can then find it easier to express yourself and follow your true desires without feeling confined or contained. Sometimes, it may seem like you need the disruptive energy of a crisis in order to unleash your deeper desires.

When you work to shift your perspective, you can find greater consistency among your erotic desires and outlets for your sexual desires regardless of changes happening around you.

10) ► 10° Virgo 32' **Eros** ♄ **Conjunct** ♄ **Neptune** 17° Virgo 34' - (7°02')

(12andus.com:) Your erotic nature is completely stoked by idealism, romantic notions and fantasies.

You may be more turned on by the idea of who you think someone is as opposed to who they actually are. You may easily confuse romantic and erotic love because your sense of eroticism is highly emotional. You can become intimately attached to people that you desire.

Your ideal erotic encounter would involve a blend of emotional connection, spiritual connection and even the feeling that you are losing yourself in the other person and your identities and energies are completely merging with each other.

You can express great tenderness, sensitivity and compassion in your erotic connection to others. You may have a purely idealistic and romantic vision of your intimate partner and this can interfere with your ability to face the music when it comes to practical matters in the relationship.

You can also easily allow dreams and fantasies to take over, losing yourself in an erotic moment and not stopping to consider the consequences or practical implications of the intimate connection.

11) ► 10° Virgo 32' **Eros** ♀ **Conjunct** ⊗ **Fortune** 0° Virgo 7' - (10°25')

12) ► 10° Virgo 32' **Eros** ♀ **Opposition** ♀ **Lilith** (Rx) 11° Pisces 11' - (0°39')

(12andus.com:) You may feel torn between your desire to break free from restrictions and confinement but also fear your deeper sexual desires.

You can find deep satisfaction in your desires and erotic fantasies but you may also fear losing control in intimate relationships. You may go overboard scaring your potential partners away or intimidating others in order to maintain control in sexual relationships.

You may have a difficult time claiming your sexual power and instead of being open, you may try to stifle your sexual energy and hide your deeper desires.

Until the time comes that you can no longer contain yourself, at which point you may unleash your erotic desires and become fascinated or fixated on sexual relationships that involve power, intensity and a high emotional charge.

13) ► 10° Virgo 32' **Eros** ♀ **Sextile** ♀ **Jupiter** 9° Cancer 32' - (1°00')

(12andus.com:) You may easily express your desires and idealism as part of your sexual nature.

You can expand your sexual repertoire easily and have an adventurous, independent side even in intimate relationships. You may be attracted to people from different cultures or walks of life. You may also have fantasies involving sacred rituals or different

cultural traditions.

You may eroticize things of a spiritual or philosophical nature or have fantasies about sexual encounters that make you feel uplifted and spiritually connected.

14) ► 10° Virgo 32' **Eros** ✎ **Sextile** ♄ **Saturn** 10° Scorpio 50' - (0°18')

(12andus.com:) You may find it easy to express your erotic love as long as others follow your boundaries and rules.

You need your erotic encounters to be consistent, predictable and practical. Physical contact is important to you. You don't like to indulge in fantasies or idealize your sexual encounters. You're more obsessed with the here and now.

The idea of status, success and stability are a turn on for you, however and you may become attracted to people who represent these qualities.

15) ► 10° Virgo 32' **Eros** ✎ **Square** ASC **Ascendant** 11° Sagittarius 13' - (0°41')

(12andus.com:) You may find it difficult to openly express your erotic side.

In particular, you may feel that you have to suppress your sexual nature and your erotic desires would come as a surprise even to those who know you well. Though it is not impossible for you to get your sexual needs met, it is challenging and requires some effort for you to become comfortable with your desires.

It may also be difficult for others to embrace and accept your sexual fantasies as they don't easily align with who you are outwardly. Yet this can cause friction that further arouses you and brings excitement to your intimate relationships.

With some effort you can balance your outward personality with your deeper erotic desires and fantasies.

17) ► 10° Virgo 32' **Eros** ✎ **Quincunx** ♀ **Pallas** 7° Aries 49' - (2°43')

(12andus.com:) You may find it challenging to assert your sexual nature.

You may prefer to tune out your erotic energy and instead focus all of your efforts on creating change and progress for others. You may focus your energy on your partner's sexual needs and ignore your own.

Yet when you work through deeper patterns of insecurity, you can learn to become more comfortable asserting your own desires. It may take some time to adjust to even admitting you have desires and erotic fantasies, but when you do accept them, you can become more confident showing your sexual nature.

Hygiea | Health, Wellness

Health, cleanliness, and sanitation. [1] where the body is important to you

Hygiea in Scorpio (Rx)

(astrology.com:) Scorpio or in the eighth house: While sex seems like the obvious activity here, it's not pure release that this individual needs—facing fears helps their immune system thrive. When they take risks, they feel powerful, and when they feel powerful, they feel healthy. Sensitive souls, these individuals are subject to paranoia, like shadowboxing imaginary health scares. Trusting their intuition syncs the mind-body connection, and their wellbeing falls into place. What to be aware of: safety first!

Hygiea in 12th house

(astrology.com:) Pisces or the twelfth house: These individuals are drawn to behind-the-scenes or private wellness activities. This could mean anything from faith-based practices like prayer, to reflecting on the days' events by keeping a diary, to esoteric divination like tarot and, yep, astrology. These people need a good night's sleep because they recuperate from stress through the REM cycle, and are generally excellent at decoding their dreams to indicate fortuitous future omens.

Pandora | Foolish choices & Toxic curiosity

Where one needs to see things as they really are.

[1] where one must provide masculine prowess or be considered a failure

Pandora in Pisces

(astronomicallyaligned.tumblr.com:.) Dreams, illusions, fantasy, subconsciousness, and mysteries fills your mind. In that box is the night sky and the dreamworld. You want to look into eternity and forever. The past and the future. In everybody's hearts and dreams. If you let loose the velvet starry night with scattered stars and crushed dreams, everyone will drown in their own mind. You want to share and attain the beautiful dreamworld, but you cause destruction by nothingness. People will see what they have never seen before, they will find all the hidden. No man or woman is ready for that. Use

that inner compass always searching for something, to add mystery and fantasy to your life instead. The big blue and salty waves, over your divine coast, connected to both the water and heaven. Will lead you into euphoria.

Nessus

(vamzzz.com:) Considering its complex and rather extreme nature, it is no wonder we see a large diversity in the collection of attributed characteristics; lessons in setting boundaries, seeing (one's own) limits, accepting limits; identification of hidden abuse patterns; complex cause and effect relationships, breakpoints in karmic cycles; revealing the truth, resolving a situation; taking responsibility for a confrontation, the perpetrator caught; desire; possessiveness, jealousy, being vindictive, manipulative or resorting to black magic for sexual or financial needs. Finally, several researchers associate Nessus with blood, diseases passed on by blood, or blood rituals, and superhuman strength or powers.

Philip Sedgwick characterized Nessus in astrology as "The ultimate Centaur bad boy", bearing the wounds of "greed, decadence, intimacy and sexuality". As positive Nessus properties he mentions: generosity, benevolence, compassion, willing to lend a helping hand, cooperation, respect for boundaries, aware of the power of life energy, healthy use of sexual energy. Concerning the latter: Taoist health trainer and teacher Mantak Chia has Nessus conjunct Sun opposition Hygeia!

My experience with Nessus transiting in hard aspect to the Sun is that this Centaur evokes an inner transformative crisis that demands clarity and decisive action based on

“cut the crap”. In the personal horoscope Nessus can be a player with violent impact. Forcing entry seems to be the core quality of this Centaur.

In harmonious aspects, this gaining access goes pretty easy, while in hard aspects, where access is denied, it has to be forced open and in extreme cases violence is used. Thus, in line with these characteristics, Nessus also has to do with breakthrough, breakout, escape, rescue and hacking.

Computer hacking is a Nessus-thing *pur sang*, especially when combined with Mercury, Uranus, Vesta or Makemake. Also espionage, spies, officers, burglars, rapists, rape in general – mentally or emotionally -, black magic, executioners, cracking a closed system (be it a nut or oyster or bank vault, or mind frame), assassins and police raid teams reside under Nessus.

Nessus in Libra (Rx)

(smartyoungsters.com:) This is the peace loving Nessus who is obsessed about maintaining peace, harmony and equilibrium at costs. This Nessus suffers from OCD when it comes justice and playing it fair. Justice is obviously on the side in which he is, a person with this placement will go to any extent for getting it. Using manipulation and preying on the weakness of the opposition, this Nessus gets it his way. A passionate lawyer who gets wins at all costs for his client. He is the most "dreaded" lawyer and deploys any method to win. When expressed positively, this person can win battles for those without a voice. He can restore faith in the judiciary. He can be the best peace ambassador for the country. Resolve conflicts and create harmony. In love, this is the Nessus that will strive to maintain peace at all costs and expect the same response from his partner. If the partner does not support him in this approach then there will be obsessive arguments that can go out of control. He can manipulate partner to get things his way, preying on the weakness. Commitment is an issue with this Nessus but once commitment break-up can become a big one.

This Nessus is also the abuser or obsessive partner in the relationship. He will want absolute control of the relationship and may excessively bully his/her partner. If someone's Nessus falls in your 7th house then that person will show the above qualities.

Nessus in 11th house

(smartyoungsters.com:) This is the Nessus who is always "active", he can't live without having a cause to fight for. He will be the initiator of an innovative NGO and will start movements against those in authority. He is a social media freak who starts movements by making use of the latest gadgets. In fact, some of them might be his own inventions in public interest. This Nessus has an OCD for innovation, activism, groupism, breaking laws and traditions. He uses his social skills and friends for manipulation. Preys on the weakness of the authorities, traditions, laws and old technology. When expressed positively, he can be a leader whom the world will thank for centuries to come. He will be the scientist that will come up with a breakthrough for deadly diseases, energy shortage

and climate change. A friend who stand by a weak friend and start a successful campaign for him to give him his rights. In love, this is the most erratic and eccentric Nessus who is like a gypsy with a OCD with "hippism". He would expect his partner to have similar traits or he will disappear in thin air after turning on his abusive best that is.

Europa | Laziness, Fall for Seduction

It's where we are most likely to be couch potatoes in our life and expect people to come to us. Where it falls will be where we cannot bear conflict and will avoid rocking the boat

if we possibly can. It is where we have a need to view everything in rose-tinted glasses.
[1] where you act to maintain a healthy balance between yourself and natural “entropy”

Echeclus

Cosmic picture vs. detail orientation. Abstract logic vs. linear logic.

Positive: Balanced perspective of overviews combined with essential detail.

Negative: Picky, judgmental, cantankerously weird, ungrounded.

Mark Andrew Holmes: turning point, stymied, conflict, beleaguered, endings, in a rut, bottled up, frustrated, at war with the world, taking on a lot, tilting at windmills, ability to handle frustration.

Hades | Underworld, Unknown

Emotional and spiritual concern and weighty emotional issues. Our emotional selves can cause "dis-ease" if we don't give them the utmost importance. But it's also in their resolution (unveiling) where a new awareness and growth can take place. This is where some of the most beautiful and positive manifestations of the Hades energy can be seen.

Arachne

Sowing complex solutions to complex problems. Patience; the greater pattern.

Complexity; simplicity. Can indicate where you own gift lies, she also shows where you will be challenged to perfect your craft, where you must be able to do what you say you can do and where you may experience competitive clashes. Taps into the unknowable, even what 'should not' be known. Arachne may connect to the concept of playing God.

Asbolus

Root chakra (or reptilian brain) awareness. Sombre, pessimistic, with a lot of depth (but tangled in a vortex-like manner of information processing). If dominant: usually having a lot of trouble receiving advice or compliments from others. Easily goes over the top, exaggerates protectionism, and isolates itself unnecessarily.

(vamzzz.com:) It represents the domain of Yin. Ontologically and sociologically it relates to the root of individualism, technology and in the worst case murders. Theologically it relates to the figure of Satan.

Six different ways Asbolus can work in a horoscope:

- One could distinguish six different types or subtypes of Asbolian influence. The first type detects the inhumane, the perversion or violation of human rights and the ethical. (Julian Assange, Jannis Varoufakis, Edward Snowden, Sahra Wagenknecht, Karl Marx et al.)
- The second type of Asbolus is not a strong influence, but acts more some kind of dull black spot in the chart.
- The third type corresponds with the seer and empowers clairvoyant faculties (James Van Praagh and Anton Pauwe).
- The fourth type shows Asbolus as a pit of horrors, darkness, psychopath inhuman

features and atrocities (radix-horoscope USA, Madeleine Albright, Joris Demmink, Adolph Hitler, Barack Obama, Zbigniew Brezezinski, G.W. Bush, Hillary Clinton, Joseph Stalin et al.).

- In the fifth case Asbolus is a dark artistic inspirator in a creative horoscope, making an impact on the public by mingling the aesthetic with some distortive, taboo breaking, or intense Plutonian atmosphere (Ilona Staller, H.R. Giger, Georges Bataille).

- The sixth Asbolus is a crossbreed of two or more samples of the above. For example, one could be a loving person, socially very aware of ethical values, but also a master in writing short horror stories. When in league with evil, the outcome is never Asbolus responsibility alone, but a joint venture with the totality of the chart

Ixion

Very masculine energy, ingratitude, murder, passion for supplanting the prevailing system, haunting, loneliness, disorientation.

(synnisisigns.com:) It needs great loves and it's phantasmagoria will push him beyond the curtain of reality when circumstances are below his taste. In career, it must destroy existing concerns, clans, lobbies, lodges, clubs, factions, cabals, plots, allegiances, fraternities, cults, newsgroups, web-sites, teams, alliances, trusts, blocks, interest groups; and from the resulting chaos choose and pick his own few good men to form it's own enterprise, not without bitter struggle and a sword hanging over it's own head. Religious fanatics are born along this line, those well meaning fellows that send humanities to death, schizoid nationalists, new hitlers, media magnates, islamic terrorists, highlanders, beings of war and chaos. In positive aspects (conjunct casanova and Uranus) it can prolong love making up to several (three) days, an unending erection. [1] how you order others around

What can we now build in its most glorious form that serves the self as well as others? How can we create a structure that works for everyone in its highest and best form? Panacea

(astrologyclub.org:) Panacea is “the cure”—but it’s not as simple as that. It’s “what you believe it takes to make things better.” Thus, what do you or others have to do in order to bring about an improvement. With Panacea in hard aspect to the Ascendant, a person would have to “be” different to bring about an improvement; they’d have to alter their routine and initial response. A retrograde Panacea might not really believe lots of things can be fixed.

Persephone

Where we are scared to take charge;

(YT: Tom Jacobs:) A theme of looking immature from the outside but being capable of maturing it through the inside. Have to make a change: a leap into a thing with boldness that might seem like a stretch or too much for us because we've never done it before. So some persephone people are timid, because they've had been put words into their mouth and have been told they can't take care of themselves. Sometimes they'll reject that, and they are quite confident because they had to at some point grow up overnight. Whether that was pleasant or unpleasant, whether that was a choice they drove or it was driven by other circumstances and other people.

So there is a sense of a Youthful spirit and maybe some naivete but the appearance of naivete surely.

Proserpina

(houseofinferno.com:) [...] but many of these deities have the same story with different names. Proserpina's name means "to emerge". (ref Persephone!)

She represented the irrepressible feminine spirit who would not be controlled or restricted. Some astrologers look to the asteroids Proserpina / Persephone in a person's natal chart to see where we give our power away, or have it taken from us, so we can use this information to not be so passive and assert ourselves properly so that we are not so easily controlled. What we could take from Proserpina's story is to honour the cycles and changing seasons within ourselves. Sometimes we are cast into the Underworld when something bad happens, and we should never spiritually bypass these situations.

We have to feel our pain and darkness to move through it. But when we are ready, we can emerge to cultivate something better for ourselves and let go of the things that don't serve us.

We should also be mindful of how we assert ourselves. We need to show ourselves love and respect by building healthy boundaries. We need to stand up for ourselves when we

are being unfairly treated, and we also need to be mindful of how we do this to others. But we should also take care to know the difference between assertiveness and aggressiveness and make sure we achieve a healthy balance so we don't take away or restrict another's free will or cause unnecessary harm to others in the process.

(jessicaadams.com:) Proserpina shows where you are taken over, taken, then take back.

(leahwhitehorse.com:) Repeated mistakes, stuck in pattern through fear of change.
 To be admired for his outright refusal to accept death and for his ability to repeat a task
 that is doomed to fail for all time. In him we see the try, try and try again attitude.

Perhaps the positive side of this asteroid is the ability to keep going, even when we can't yet see the point. Essentially, he perhaps shows where we can find meaning in what we do on a daily basis, not just in our achievements or the winning of battles.

Fixed Stars

Only conjunctions here. Now will, anything inside the orbs of the fixed stars behind the (moving) planets and other objects from the chart, be shown. I've taken the orbs of the star conjunctions from the following two websites: 'astrologyking.com' and 'fixedstarsastrology.wordpress.com'.

If the orb from the first website was biggest, I have left it like that. If the orb from the second website was the biggest I have changed it to the average of the two.

I also gave all the four Archangel stars (Aldebaran, Regulus, Antares and Fomalhaut) plus Sirius and Spica a bigger orb of 200 minutes (3°20'). Caput Algol, as a evil influence, I gave 3°.

A lot of these stars (297 in this script, plus the Galactic Center and the Great Attractor) are far away from the 12 Zodiac-constellations, so saying that the Zodiac has a certain height is not really usefull because it stretches all the way around Earth, in height (as well as in width via the Signs.

(NOTE from 'fixedstarsastrology.com':) — Do not let any of the negative descriptions for any stars that follow which may apply to you frighten you. If you live a good, clean life, good will be in store for you Rather than the darkness that may otherwise apply to you. Live your life with good conduct. ALSO — you can check your astrological chart's planets conjunctions with the stars you were born under to understand yourself better. Stars are rated based on my judgement (John Hebert) with (+) being good and (-) being not good, and the more of each one, the more positive and negative the star's influence.

obstacles. Most obstacles will provide spiritual lessons to take you further as a developing spiritual being. On the same token, there is a shadow side, these same obstacles may cause grief loss and despair.

If not challenged and taken care of early on in the peace. The message here is not to allow things to be delayed to the point of no return and explosion.
