### **The Humanitarian**

The Life Path 9 suggests that you entered this plane with an abundance of dramatic feelings coupled with a strong sense of compassion and generosity.

The key to the nature of a Life Path number 9 person is found in their humanitarian attitude.

The 9 Life Path is not apt to get rich since they are very generous, sometimes to a fault, and usually have an easy come, easy go attitude about money.

You have the ability to make friends very easily, as people are attracted to your magnetic, open personality. You meet people easily and are quickly befriended because of your openness and amiable demeanor.

Relationships can be difficult for you because it is hard to strike a balance that will work effectively. If your partner is one sharing your giving attitudes, the relationship will be happy and lasting. On the other hand, if you choose a partner whose focus is on material issues, problems will arise quickly.

The purpose of life for those with a 9 life path is often of a philosophical nature. Judges, spiritual leaders, healers and educators frequently have much 9 energy. The number is less inclined to the competitive business environment and may find this a struggle.

Because you are so giving you may find that your finances are not in the greatest shape. You may also have a tendency to be scattered. Your talents lie in so many different directions that you may find it difficult to focus on just one. If you are not following your Life Path and are instead pursuing only materialistic gains, you could feel a deep level of dissatisfaction with yourself.

### ***Expression (Destiny) Number: 6***

([659] numerologycalculator.online:) The number 6 Destiny suggests that the direction of growth in your lifetime will be toward a greater sense of responsibility, love, and balance. Development in life must make you more helpful, conscientious, and capable of rectifying and balancing any sort of inharmonious situation. You must be a person very much inclined to give help and comfort to those in need. You have a natural penchant for working with the old, the young, the sick, or the underprivileged.

As the saying goes, charity begins at home, and the home is where you must be a special person. The qualities of the 6 make the finest and most concerned parent, and one who is often deeply involved in domestic activities.

Openness and honesty is apparent in your approach to all relationships, particularly close family relationship.

A happy home life is the goal of Destiny 6, and if you live up to the promises of this number, you will reap this reward most likely with some degree of luxury and grace.

Although you may have considerable creative and artistic talents, the chances are that you will devote yourself to an occupation that shows concern for the betterment of the home and of the community at large.

The destiny of the 6 is often a career in medicine, welfare work, education, dealing in the arts, furniture, decorating, landscaping, home construction, religious endeavors, or scientific fields.

The positive side of the number 6 suggests that you are very loving, friendly, and appreciative of others. You have a depth of understanding that produces much sympathetic, kindness, and generosity.

If there is an excess of the number 6 in your makeup, you may exhibit some of the negative traits associated with this number. This can include stubbornness, self-righteousness, or dominance. There may be a tendency for you to be too exacting and demanding of yourself, too.

In this regard, you may at times sacrifice yourself (or your loved ones) for the welfare of

others. Many with the Destiny of the number 6 worry much too much. In some cases, the over zealous 6 has difficulty distinguishing helping from interfering.

***Life Path - Expression Bridge Number: 3***

([660] numerology.center:) Number 3 belongs to people, who are usually a little bit tense and stressed. They are very serious persons. It complicates their life. If 3 is your bridge numerology number, you have to communicate more and interact with others. Try to socialize and you'll feel that your life becomes easier. It doesn't mean that you don't have to be serious with the main aspects of your life. But, it is necessary to differentiate important things and situations where you may just relax. Express yourself and apply your talents in some creative fields. It will help you to relax and direct your thoughts in a positive vector.

***Heart's Desire (Soul Urge) Number: 6***

([659] numerologycalculator.online:) People with a 6 soul urge place more importance on domestic/family matters than career and need to feel valued and needed by others. They tend to be drawn towards service to others.

There is nothing in your life that is more important than the people you love and your life is about taking care of them. You obsess over meeting their needs even unto the neglect of your own. Fortunately, you find far greater pleasure in giving than receiving.

You often find yourself making sacrifices so that others don't have to. You do not, however, have trouble with your sense of self.

Although your benevolence and desire to see others around you happy are huge motivators, you also have a need to be recognized for all the good you do. You desire to be appreciated. You want to be loved in return.

People often seek you out for counsel, but you worry whether or not the advice you give is sound. The solution is to never stop listening, learning or observing. It will be through observing others that you will learn the most about yourself.

Sixes are the most apt to maintain fidelity in relationships and understand better the concept of unconditional love than any other number.

***Personality Number: 9***

You have many talents and you deserve to be respected, happy and feel comfortable in any company. All the fields connected with arts fit you greatly.

### ***Quiescent Self Number: 9***

([661] affinitynumerology.com:) Quiescent Self — This chart position provides insight into what you consider to be an ideal existence. A quiescent period is being immersed in oneself with personal perceptions of ideal existence (without outside influences) and experiencing the feelings and rewards and activities as if they exist in actuality. (The "quiescent self" number sometimes is referred to as the "inner dreams" number.)

During quiet contemplations of an ideal life, people with quiescent-self number 9 are likely to imagine doing things that profoundly affect the welfare of humanity. They generally see themselves as a great humanitarian, eager to be of service for the betterment of all humanity.

The energy represented by the number 9 resonates with humanitarianism, compassion, philanthropy, idealism, and tolerance.

benefitted within an atmosphere of compassion and tolerance.

**Maturity Number: 6** = 9 + 6 = LPN + E(D)N

([662] feliciabender.com:) You're moving toward reevaluating what it means to work with loving service and within your family. You're being called upon to work with your call toward duty and service to others, delight in home and family, and compassion and affection.

Where you'll be challenged: With this Maturity Number, there's often a shift in life bringing issues related to modulating responsibility to center stage. Situations will arise highlighting self-righteousness or meddling behaviors, the strength of your intimate relationships and friendships, and in providing compassionate service to others.

What that might look like:

- Often this Maturity Number points to financial freedom through marriage or inheritance allowing for a comfortable and sometimes luxurious latter part of life.
- Involvement in home and family – with grandchildren, friends, and family of choice.
- Involvement in artistic creativity, counseling, or heart-centered service.

**Karmic Lesson Number: 1**

([664] worldnumerology.com:) The 1 Karmic Lesson indicates you need to show more initiative in your life, to be more determined in your efforts. You will need to make your own decisions and learn to be more independent, things that are not as easy with a missing 1.

Life will bring many strong-willed people into your life with whom you will struggle. You will need to assert yourself or be suppressed by these forceful people. The 1 Karmic Lesson is here to help you become more forceful and dynamic. Try not to concern yourself with what others think. Practice promoting yourself, work on self-confidence and faith in your judgment and abilities. Overcome the tendency to procrastinate.

The effect of this Karmic Lesson is diminished if you have at least one 1 among your other core numbers (Life Path, Birthday, Heart's Desire, Expression, or Personality Number).

**Karmic Lesson Number: 6**

([664] worldnumerology.com:) Your 6 Karmic Lesson reveals an issue with commitment and responsibility in personal relationships. You have a difficult time committing to long-term and other important relationships. It is essential to practice conveying authentic emotion.

You may feel isolated and alone, but do not understand why. A missing 6 suggests you often form relationships yet remain guarded emotionally. This can make the bond

between you and others superficial. Work on intimacy and communication in your relationships. Listen, and respond to the needs of others.

This lesson highlights the importance of close friends and committed relationships. Making a genuine effort to connect deeply with others - learning to give, and receive, and sacrifice at times, will bring a lifetime of joy.

The effects of this Karmic Lesson are diminished if you have at least one 6 among your other core numbers (Life Path, Birthday, Heart's Desire, and Personality Number).

### ***First Pinnacle Cycle: 2***

(Month + Day) - from age 0 to 27 (based on LPN) - ([665] feliciabender.com:)

**General:** When this is your Pinnacle, you're being beckoned to envelop yourself in the elements of learning to cooperate, share, be considerate of others, and be at your best when you are in harmonious relationships without sacrificing yourself in the process.

2 is the number of partnerships, patience, balance, and keeping fairness at the helm. Therefore a Pinnacle is a time where love and group effort takes front seat, whether it's through marriage or partnership, parenting, or other experiences that have the elements of unconditional love at the core.

This is a time where you will be called upon to work on—and perfect—your subtle art of relating. The 2 energy also has to do with gathering and relating facts or data, perfecting details, and being a team player whose strength lies in being of service in a joyous and balanced way. Where precision and details are valued, you'll be happiest with your contributions.

A 2 Pinnacle immerses you in friendliness and harmony. This energy asks you to pay attention to details and practice patience and tact. It won't offer much recognition for all you do during this time, so you must turn to yourself for acknowledgment in order not to feel resentful.

**Pinnacle 1 Number 2:** First Pinnacle: If you experience a 2 First Pinnacle, count on being an overly-sensitive child who's easily hurt and who takes on the emotions of those around you. Yet, since you're so young, you won't realize you're feeling both your own emotions plus those of everyone else. You may have difficulties with both verbal and emotional expression since you are overloaded with feelings that you're not yet mature enough to recognize and filter out. Your mother is likely to be the strongest influence on you during this time.

**Warning:** Warning: The 2 energy is super-duper sensitive. If you don't work with this energy mindfully your tendency will be to get your feelings hurt often and deeply. If you take every little thing personally, instead of cultivating your ability to relate well with

yourself and others, you'll experience a substantial amount of pain during this time—not to mention a battering of your self-esteem in the process.

### ***First Pinnacle Cycle: 11***

(Month + Day) - from age 0 to 27 (based on LPN) - ([665] feliciabender.com:)

**General:** 11: If you're working with the Eleven energy, you're developing an extraordinary connection with your intuition and sensitivity. The pressure to wear your "psychic shield" will be at an all-time high under this Master Number since it creates quite a bit of volatility in the midst of enormous personal and spiritual growth. Optimally, the 11/2 Pinnacle allows you to catapult yourself into a creative, intuitive, service-oriented realm in whatever capacity you desire. The 11 is a more artistic and creative vibration (as opposed to the 22) which favors outlets such as media work, music, art, dance, poetry or anything that involves a visionary and future-leaning focus.

Remember also that the influence felt with the 11 energy is somewhat philosophic in nature and ultimately connected with spiritual and metaphysical study and illumination. Therefore, you could feel compelled to work in the arenas of social reform, philosophy, or social welfare. You may also feel a bit detached from the day-to-day practicalities of the world. With the higher vibration presented by the number 11, you may feel a constant underlying sense of nervousness, tension or restlessness.

**Warning:** 11: Warning: There is a chance for fame or being placed in the spotlight as a result of this Pinnacle. This is a time for sudden and sometimes repeated changes in all realms of your life. If the Eleven vibration is too intense, this Master Life Stage will feel more like a 2 energy to you. Either way, hypersensitivity is one of your primary and consistent challenges during this Pinnacle. Understand also that this is the number of the Wounded Healer and the number of Illumination – therefore you'll usually have intense life experiences that are geared toward making you walk the walk and talk the talk. You'll use all of the difficulties you experience to help and heal others.

### ***Second Pinnacle Cycle: 1***

(Year + Day) - from age 28 to 36 (based on LPN) - ([665] feliciabender.com:)

**General:** During this Pinnacle, you are focused on developing independence, self-reliance, and individuality. The primary energy during this phase of your life is to achieve mastery in these areas. This is a time spent developing your ability to express your individuality by cultivating original ideas, by leading and directing others, by attaining success and achievement in the material world, and by gaining recognition for those achievements.

**Warning:** Warning: When you're being groomed by the Universe for a leadership position, you'll be required to be an intern first. This means that it's unlikely for you to magically be handed golden opportunities for success—and if you are, take them and

run with them. Usually you'll have to construct your own opportunities through desire, focus, self-determination, and the ability to take a punch, get up, shake it off, and keep going.

### ***Third Pinnacle Cycle: 2***

(1st Pinnacle + 2nd Pinnacle) - from age 37 to 45 (based on LPN) - ([665] feliciabender.com:)

*Segments General and Warning were already given for this pinnacle number.*

**Pinnacle 3 Number 2:** Second or Third Pinnacle: A Second or Third Pinnacle with a 2 influence will surround your life in the energies associated with working in balance with other people. This is a time that isn't so much "me" focused as "us" focused. When you master your ability to promote harmony in all things, show patience and a willingness to forgo credit based on your contributions to the whole, you'll be operating optimally. The work you engage in during this time is likely to be quite detailed and demanding. If you've been a content stay-at-home mom, for instance, it wouldn't be surprising to see this number in your Second or Third Pinnacle.

### ***Fourth Pinnacle Cycle: 2***

(Month + Year) - from age 46 (based on LPN) - ([665] feliciabender.com:)

*Segments General and Warning were already given for this pinnacle number.*

**Pinnacle 4 Number 2:** Fourth Pinnacle: If you have 2 energy in your Fourth Pinnacle, it's an opportunity to cultivate harmony. You can retire or continue to work, yet the key to feeling satisfaction and fulfillment will be patience, tact, and cooperation. Again, you'll need to control a tendency toward sensitivity. It doesn't serve you well to be at the mercy of overwrought emotions.

### ***First Period Cycle: 8***

(Month) from age 0 to 27 (based on LPN)

([666] worldnumerology.com:) You are under an extremely benevolent period for work, career, and financial reward starting at an early age and continuing into your mid-thirties. The key is hard work and the willingness to rededicate yourself after setbacks or difficulties.

You will have greatly enhanced abilities as a manager, organizer, and financial planner. You have a gift for seeing the broad picture and carrying out bold plans. You can gain financial freedom during this period. Business and career activities go well, but require much attention and commitment.

You are being pushed to take control of your career or enterprise and bring it to new

heights.

It is a time when power falls to you, but must be used wisely and with purpose.

### ***Second Period Cycle: 3***

(Day) from age 28 to 54 (based on LPN)

([666] worldnumerology.com:) The middle part of your life is a time of heightened self-expression and social support. Abilities you possess in the arts, especially in writing, acting, or dance, are enhanced.

You are more social than you have been in the past, and others are attracted to your charm and charisma.

Although this is a time of maturing, you feel as though you are becoming mentally younger and more creative.

Staying focused on practical goals may be challenging.

### ***Third Period Cycle: 7***

(Year) from age 55 (based on LPN)

([666] worldnumerology.com:) A 7 Period Cycle, especially in your later years, centers on wisdom and contentment. This is a time of spiritual/internal and intellectual growth, of discovering the beauty and harmony that underlie creation.

However, it is often one of the most difficult last cycles, due in large part to society's lack of appreciation for the intangible qualities of this number.

Socially, you may feel distant and isolated. Interacting with similarly minded people through book clubs, art events, theater sponsorships, or other intellectually and spiritually stimulating activities can help you feel more connected.

Although this is the latter part of your life, it may well be your most exciting time of discovery and personal growth.

### ***First Challenge Number: 5***

(Day - Month or vice versa)

from birth until approximately the age of 30 to 35

([665] feliciabender.com:) The challenge inherent in the 5 is that you'll feel a little crazy. This energy is highly charged and quite intense. Think about how you've felt during the 5 Personal Years you've already lived through in your Personal Year Cycle: That's just a small glimpse of the feelings surrounding this longer segment of your life. Impatience, restlessness, and a relentless desire for personal freedom are at the core of your challenge. This is the time to mindfully become free from limiting behaviors. The problem

with that is that under this challenge, being mindful is particularly hard.

With this challenge, you'll find yourself being extremely impulsive and unstable. You'll want to try everything at least once, so there's a chaotic and uncontrollable aspect to this vibration. Change will be inevitable, yet it must be handled in a thoughtful, meaningful, and controlled manner. The 5 is all about freedom through self-discipline – the constructive and focused use of freedom.

You'll be pulled toward evading responsibility rather than committing to healthy and constructive change. All in all, this challenge requires that you learn, as early on as possible, to reign in your reckless tendencies and to monitor your impulses.

#### Potential Destructive Aspects of the 5 Challenge

- Feelings of chaos resulting in either emotional paralysis or bad judgment
- Living a life of pure self-indulgence and lack of discipline
- Being irresponsible and unfocused
- Becoming fully immersed in addiction to food, sex, alcohol, drugs, or overwork
- Living with a victim mentality and flitting from relationship to relationship, job to job
- Health issues, including mental health, adrenal system burnout, injuries, and accidents

#### ***Second Challenge Number: 4***

(Day - Year or vice versa)

from the age of about 35 to 55/60

([665] feliciabender.com:) When you're met with a Number 4 Challenge, you are meant to learn about the value of discipline, organization, practicality, hard work, and thrift. Take this to heart: This isn't an easy challenge. It's full of restrictions and limitations that are demanding you learn how to succeed and work within these boundaries.

It's also a time where you're challenged with learning to set your own personal boundaries with others, learning to temper impatience, stubbornness, narrow-mindedness, and self-righteousness. With the 4 Challenge, you are being pulled to slow down, create a clear plan with obtainable goals, and then work tirelessly to achieve them.

The 4 Challenge also suggests a difficulty with work. Either you are challenged with not wanting to work at all, not liking the work you are "forced" to do, or problems completing tasks and working with efficiency. You may also exhibit tendencies to be careless and lack a sense of practicality. With this number, it's difficult not only to focus on work and obligations, but equally as difficult even to see what the real issues surrounding work and obligations are. You might not feel that you're being lazy. You might feel you're just unlucky. Or make excuses about it. You get the idea.

With a 4 Challenge, it's vital to learn patience, understanding, and the practical and effective way to deal with what you might consider mundane responsibilities. You'll most likely also be challenged to learn the importance of working within the parameters of a time schedule, showing up on time and when you say you will, and managing your downtime constructively.

#### Potential Destructive Aspects of the 4 Challenge

- Feelings of discouragement and confusion, often resulting in you feeling like a victim
- Being undependable, uncommitted, lazy, and irresponsible
- Making the same mistakes over and over again
- Allowing your relationships within your family to influence decisions negatively
- Avoidance of, and difficulties with, systems and processes
- Being prone to panic attacks when feeling overwhelmed

#### ***Third (Main) Challenge Number: 1***

(1st - 2nd Challenge Numbers or vice versa)

The Third Challenge carries much weight and will be felt throughout your life. For that reason, it is also called the Main Challenge. As you master this challenge, your life will come more and more under your own control. You will incorporate the positive aspects of the challenge into your character. This is its purpose in the first place. Therefore, there is implicit in the challenge a chance for great reward. In short, this may be the secret to your success.

([665] feliciabender.com:) If the number 1 as a Challenge Number, you're being called upon to stand up for yourself, be true to yourself, and be self-reliant. You're truly being called upon to step up to the plate and become a leader. This won't necessarily be a gift that simply falls into your lap; you will need to cultivate leadership qualities, trust in your vision, and hone your people skills so you can be most effective in getting the job done.

During this time, you're likely to feel dominated by others in one way or another—either professionally or in your relationships. This feeling of being dominated might lead you to be competitive and you might experience an overwhelming sense of needing to achieve above all else. Your challenge lies in your ability to recognize when you're being pulled into this negative vortex and instead focus your energies on controlling the ego and keep self-righteousness in check.

You're learning about self-reliance and how to solve your own problems—and perhaps the problems of others—independently. You need to cultivate your wit and intelligence and cast tendencies toward argumentation and resentment aside. Also cultivate your confidence. This is a period where you'll come under fire by critics and detractors. Don't allow the naysayers to stand in your way or deflate your vision.

#### Potential Destructive Aspects of the 1 Challenge:

- Major or minor bouts with feelings of insecurity
- Becoming an aggressive “know-it-all”
- Getting caught up in “being right” at all costs
- Allowing addictions to overtake you
- Becoming extremely emotionally needy
- Feelings of ill health due to frustration

***Fourth Challenge Number: 1***

(Month - Year or vice versa)

from the age of approximately 55/60.

This Challenge Number has already been explained previously. (above)

***Personal Year Number (for 2022): 8 (03 + 08) + (2+0+2+2)***

([667] affinitynumerology.com:) When the personal year number changes, the influence of the energy represented by the number also changes. Internal urges shift. Different things feel important. Opportunities seem different. Life is somehow changed. The energy attracts certain type of events and circumstances during the calendar year. It affects the energy represented by the life path number, changing the experiences during the year — generally in a subtle way but sometimes in a way that can seem rather dramatic.

The energy represented by the numerology personal year number 8 brings energies related to business and material accumulation.

This tends to be a year of achievement, of reward — a year to make strides in business, organization of projects, employment, promotions, monetary compensation, or the accumulation of possessions. A year of accomplishment.

A desire to better ones financial condition comes with this year.

Monetary gains are likely. Material rewards come more easily because you tend to focus on them. Actionable opportunities are noticed more, again because the focus tends to be open to seeing opportunities. This is a year of action, efficiency, and material gain.

***Personal Year Number (for 2023): 9 (03) + (08) + (2+0+2+3)***

([667] affinitynumerology.com:) The transition from one personal year's resonance to the next isn't a sudden change. It may be suddenly noticed, but the change happens gradually. Generally, the change begins a couple months before January, somewhere from mid-October to mid-November. The vibration of the upcoming personal year energy begins to commingle with the current personal year energy. The new energy becomes stronger the closer it gets to January 1st of the new year. By January 1st, the new energy is dominant. It may be a week or two into January before the previous year's energy is dissipated, leaving only the new year's energy.

The energy represented by the numerology personal year number 9 brings idealism and humanitarianism. There is more concern for the welfare of humanity, and less prejudice and judgement. More compassion and tolerance and benevolence, less blame.

The energies of this year tend to bring out the philanthropic and generous aspects of a person. Broader interests and larger activities seem more natural. There's a more global consciousness.

The year tends to bring completion or fulfillment of projects or dreams — including letting go of the no longer desirable to make way for the new and now worthwhile.

There's an inclination to support individuals and organizations dedicated to the benefit of mankind.

(feliciabender.com:) This is a year of completion, of unraveling, of letting go of the old to make space for change. This change will be all-encompassing: possessions, relationships, job, geographical location, spirituality, health. All of it. It is all under review this year. Life changes that are known to happen during a 9 Personal Year: divorce, being fired from your job, the death of a close family member, having a baby, graduating from school, making a big geographical move, or coping with a serious health crisis. This is the year that is inviting you to go on to an even more expansive cycle in your life if you choose to let go and allow what is no longer serving you to fall away. All of these hard experiences are pushing you to grow and evolve.

### **Cornerstone, Capstone, First Vowel and Keystone (Forename)**

The letters of your surname or nickname have a meaning as well, if you filled in a nickname/callname, that one will be used instead of the first word of your full official name. There can also be a keystone, that's when your name has a middle letter.

#### ***Cornerstone (first letter): R***

[670] [671] [672] [673] ([670] affinitynumerology.com:) The person is prone to approach life with high determination and inner strength, accompanied with tolerance, efficiency, realism, self-determination, and compassion.

([671] spiritwalk.org:) You are very interesting person, with outstanding mind which leads to extraordinary life. You have your own set of morals and principles which makes you

regarded in society. Try to always find some time for yourself in any workload. A person like you needs to relieve a constraint, so it would be nice for you to have a hobby not connected with your work.

([672] numerologist.com:) Cornerstone: You are intense, driven and can apply a lot of energy to launching a project. You are willing to sacrifice your time and energy to make things happen.

([673] numerologyzen.com:) Letter R. R is double. Both quick, impatient, rigid, sensitive and very emotive, all at the same time. [His,Her] need for power pushes [him,her] to govern, to be "the King" or "the Queen", while needing to be recognized and appreciated by others (especially for knowledge, know-how but also helpfulness). R moves a lot, in action as well as the intellect. So, R is a dynamic, willing, independent and direct person. [His,Her] apparent roughness and tendency for over activity is a way for [him,her] not to become submerged by sentiments or emotions. At heart, R is altruistic and has immense human qualities. [His,Her] nature pushes [him,her] towards others, to take account of other's needs and to show compassion. [He,She] must stay in return balanced and be careful of what [he,she] gives to whom because there will be people (family included) who will take advantage by trying to abuse R's kindness. R is an idealist who wants to achieve big things on a high scale. R feels [his,her] emotions intensely and can't take critics, attacks or ingratitude. Even if [he,she] has affective difficulties or slightly lunatic phases, R knows how to take things in hand, to act and make other act, for their well-being (but sometimes interfering a bit too much on their territory). R is an example, [he,she] could be a "guide", but [he,she] is sometimes less efficient where [his,her] own affairs are concerned, having difficulty in making choices. R appreciates notoriety, relationships and contacts with foreign lands.

**First Vowel:** This letter gets to your core. Think of the **deepest goals, urges and dreams** that drive you in all you do - this is the letter that offers a glimpse into the "window" of your soul! But this is a secretive letter, because few people wear what it really is they want on their sleeve. This first vowel in your name indicates something that only your closest friends and trusted family members might know about you ... You might know someone who for whatever reason changed the first vowel in their name. Although this is rare, it indicates a person who is uncomfortable with who they really are, at their core.

### ***First Vowel: E***

[674] [671] [675] ([674] affinitynumerology.com:) Everything is interesting. Freedom and adventure tend to be dear to the person, thriving on excitement. They tend to be original and versatile.

([671] spiritwalk.org:) You are an independent, emphatic and active person. You are searching for your soul mate, real love. You are quite sociable and like to spend time in friendly company. You are intelligent and sharp. You are able to look at one situation from many diverse angles.

([675] numerologist.com:) The E reflects the energy of the number 5. When you have the E as your first vowel your tendency is to respond to the world with excitement, energy,

and with an ultimate desire for freedom. Above all, you're instinctive and highly intuitive. You see yourself as emotions-based and curious. You have a quick mind and a highly magical energy about you. You have a drive to experience it all – with disparate interests, diverse talents, and sexual verve. Even though you love people and participate in the carnival of life – since you're so intuitive and emotional – you can easily become emotionally drained by other people.

**Capstone:** This is the last letter of your name, and, fittingly, it demonstrates your **ability to see projects and ideas through to the end**. This translates into your "finishing" number.

**Capstone (last letter): E**

[678] [671] [672] ([678] affinitynumerology.com:) The person with capstone energy represented by the letter "E" tends to complete projects quickly. There are so many other fun things to do.

([671] spiritwalk.org:) You are a independent, emphatic and active person. You are searching for your soul mate, real love. You are quite sociable and like to spend time in friendly company. You are intelligent and sharp. You are able to look at one situation from many diverse angles.

([672] numerologist.com:) Capstone: You feel you must be in charge at all times or a project will not succeed. As you refuse to take advice from others, your projects often fail.

(note:) When you look at your Cornerstone and Capstone - the letters that "bookend" your name - you can determine how easy it is for you to start and stop important processes and projects. It answers questions such as: are you a shaker and a mover? Are you a little bit flaky?

Extra: **Balance Number:** (numerologist.com:) It is the arithmantic sum of the Cornerstones. It shows a basic pattern in your life that you will tend to fall back on. It also shows how you stand your ground amidst chaos, confusion, distraction or other forces that could drag you off course.

(Note by me:) Will be shown with the comparison to the first cornerstone.

### Physical (Body) Plane

Physical Plane symbolizes body and physical form of a person. This Plane is governed by instinct, and relates to everything that is tangible, visible, and real. Practically no importance is attached to the imaginary and fanciful. Preference is given to what is already known, based on facts, and doesn't go beyond the bounds of reason. It is the pivot of life, as form and style of existence are maintained here. According to Numerology traditions, this Plane indicates one's natural capabilities. This alone reveals how the term "destiny" understood in Numerology: it is neither "doom", nor "fate", but a set of inherent features. It is active potential, and the process of making use of it is called life.

#### **1 on the Physical Plane**

The habit to live with your own mind and ignore others' attempts to influence the situation is present in everything you do. Perseverance, courage, determination, and commitment help you achieve the set goal, be it in business or in any other sphere of

life. Your hidden power is in your charm and wit.

### **Mental (Mind) Plane**

Mental Plane represents the person's mind and reason. It is the level of intellectual interconnections, analysis, collecting and comparing facts. Even the most evident is not accepted here if it cannot be analyzed and proved. It is the Plane of will power, determination, confidence, and cold calculation that doesn't let imagination twist the facts. Fine mind, clear thinking, and management skills guarantee that you'll take a leading role and a high position.

#### ***4 on the Mental Plane***

You are always attentive to details, precise, and practical. These are certainly valuable qualities in any chosen field of activity. But you shouldn't nurture this attention to details too much – you risk not seeing the wood for the trees. Don't be distracted from the essential. This is what differs a leader from dictator-tyrant.

### **Emotional (Heart) Plane**

Emotional Plane is all about feelings and emotions. It is the level of kindness and sympathy. Here facts recede into the background and give way to imagination, inspiration, inner perception, and creativity devoid of any practical ground. It is not reason that governs actions and reactions to life or other people, but feelings of love and tenderness. People of the Emotional Plane don't have a particularly logical approach to making plans.

#### ***2 on the Emotional Plane***

Your worst enemy is loneliness. The prospects of remaining all by yourself scare and depress you. Quite the opposite, with a large crew of friends you feel like a duck to water. Your weaknesses include excessive sensitivity and vulnerability in some cases, while your strength is your innate ability of soft influence. Relying on this ability will help you to feel constant self-confidence.

#### ***11 on the Emotional Plane***

(numerology.center:) You are very instinctive and adhere to your inner feelings. You love so much that you can get lost in the other person. You can say for sure what the motives and main purposes of other people are.

### **Intuitive (Spirit) Plane**

Intuitive Plane represents the spiritual level of internal knowledge. It is guided by insight and abstract impressions that go beyond the boundaries of both fact and imagination. Intuition helps man to express heavenly wisdom on the Physical, Mental, Emotional Planes of mind and action. Intuitive Plane is the plane of reverence for the Divine, piety, compassion, tolerance, ingenuity, and that inner guidance that enlivens all other

existence levels. This is also known as God's grace.

## **8 on the Intuitive Plane**

You are an outstanding psychologist. Intuition never fails you when it comes to identifying hidden character traits of people around you. You can, as they call it, see people through. These qualities give you every reason to try yourself in big business or politics.

## Pythagorean Square | Psychomatrix

([681] in-contri.com:) The so-called "psychomatrix", invented by the ancient Greek scientist Pythagoras, is one of the most popular calculations in numerology. It helps to define strength of character, energy, health, intelligence and other innate qualities. «To understand the world means to know the numbers controlling it,» Pythagoras asserted.

			<b>Self-Esteem: 6</b> line «1-2-3»
11	–	7	<b>Moneymaking: 1</b> line «4-5-6»
character, will	health, beauty	luck	<b>Talent: 4</b> line «7-8-9»
			<b>Tenacity: 3</b> line «1-4-7»
22	–	8	<b>Domestic bliss: 3</b> line «2-5-8»
vital energy	logic, intuition	sense of duty	<b>Stability: 5</b> line «3-6-9»
			<b>Spirituality: 4</b> diagonal «1-5-9»
			<b>Temperament: 3</b> diagonal «3-5-7»
33	6	99	
cognitive, creative	labor, skill	intellect, memory	

([682] tragos.net:) Pythagorean Square - is a separate area of numerology. In fact, this area of numerology goes back to the times of Egyptian priests. They were the ones who first began characterizing people's characters by using numbers. Pythagoras took this knowledge of numbers as a foundation and applied a mathematical approach to it, which is based on the harmony of the square.

Pythagoras and his followers expanded the capabilities of the original Egyptian system by supplementing the meanings of individual numbers with the meanings of the target lines of the Pythagorean square. Thus, a new approach was now able to help determine a possible goal of a person's life.

## **Main abilities (square's cells)**

### ***Character, will — 11***

"Gentle" - you are willed enough and have a level head. You can be a leader without any diktat or aggression, and able to be a compliant, enterprising and patient managee. You prefer to avoid severe conflicts.

### ***Vital energy — 22***

"Normal energy" - you can handle any ordinary activity and make an effort of will. With this energy level, you can engage in social work, speak to the audience, be a musician or an athlete. But please, do it without fanaticism, otherwise there is a risk of "burnout". Sometimes you can even share energy with others if you have "22" in your psychomatrix.

### ***Cognitive, creative — 33***

"Basic abilities" - having this potential, you can master the exact sciences, techniques, algorithms. Or become an artist, a writer, an actor. Thanks to your imagination, you are able to generate original ideas. But you really have to work hard and do your best if you want to receive recognition from the public.

### ***Health, beauty — empty***

"Low health reserves" - the health is weak and it is not necessary to exert excessive stress on it. Fitness, yoga, proper nutrition, prevention are the best friends. Do not rely on looks and beauty. It is better to pay attention to other strong qualities and focus on them.

### ***Logic, intuition — empty***

"Logic is not a forte" This is a trait of dreamers who are hovering in the clouds. They are not good with long chains of facts and reasoning. They can be easily confused, so they constantly run into the same trap. People without "5" are more emotional than rational.

### ***Labor, skill — 6***

"Inclinations of diligence and skill" - capriciously this person can cope with any work that requires diligence, accuracy and technology compliances quite well. Of course, they will not become a "jeweler" at once, but whether it's building a house, repairing or something that does not require over-skillful hands, then, most likely, it will work out. And in the process this person will sharpen their skills.

### ***Luck — 7***

"With a talisman" - of course, 7 does not guarantee a jackpot after the first bet, but will save from minor troubles and sometimes help to catch luck in the nick of time.

### ***Duty — 8***

"Moderate sense of duty" - such people usually do not avoid duty to relatives and

friends. But nothing more. Their initiative to give something to others and society is low. But at least, they don't forget their friends and family. Self-sacrifice is also not about them.

***Intellect, memory — 99***

"Good intelligence" - a good head given to the heedless student. This person can be perfect at all exact sciences, but then gives it up after loss of interest. They remember everything quickly and for a long time. Success comes to this person if they work over something constantly, but not on and off.

**Secondary abilities (lines and diagonals)**

***Self-Esteem (Line «1-2-3») — 6***

"Inflated" - the person highly estimates themselves. In addition, beliefs like "I deserve more", are very typical. It is to be noted, that high and inflated self-esteem are the most real incentive to do things in a big way. But one day most of these people look back with the benefit of hindsight and understand that they did not become what they wanted. And here they get depressed, or make a quantum leap forward.

***Moneymaking (Line «4-5-6») — 1***

"Not independent" - this person will do everything to stay under the wing of their parents as long as possible. And then they will look for a spouse who can bring home the bacon.

***Talent (Line «7-8-9») — 4***

If the person is evidently talented and works to unleash its potential (you can pay attention to other cells) then this figure indicates the potential development of this talent.

***Tenacity (Line «1-4-7») — 3***

"Unpredictable" - the person likes to set goals, and then suddenly change them. By the way, achieving goals is not their favorite occupation - they prefer to dream of patronage over the world than to conquer it. Sometimes they tend to overestimate themselves.

***Domestic bliss (Line «2-5-8») — 3***

"Spontaneous" - this person may say that they will never enter marriage or it is not for them. But one day they'll send invitations to their wedding, and everything will seem to be ok till the day when they suddenly apply for divorce.

***Stability (Line «3-6-9») — 5***

"Very stable" - practically never change their habits and surroundings, remain loyal to familiar things, even if the new ones are better. What is it: tediousness or predictability? Anyway, some of the surrounding people appreciate this, the others do not. But it is believed that this person is worth to trust.

### ***Spirituality (Diagonal «1-5-9») — 4***

"High spirituality" - the predominance of spiritual values in this person attracts their soul mates. Together they begin to influence the surrounding inveterate materialists.

### ***Temperament (Diagonal «3-5-7») — 3***

"Impulsive" - this temperament will help to adapt to almost any partner: to damp the arbor with a partner whose temperament is lower, and, conversely, be hotter with those whose temperament is higher. If there is no soul mate, this person will not be above one-night stand. Also they often try to seem very hot.

**Empty and Full Arrows**

**from Astro-Seek [683]**

### ***Full Arrow 3-6-9 (Arrow of Intellect)***

These people are very intelligent and educated. They naturally display sympathy for others. They can understand the feelings of others, they are attentive and kind. But they may not be the best student.

Water-Cups - Planets: Jupiter & Uranus

All ACE's represent a wish or a desire. The HEART symbolizes relationships and love. The meaning of the Ace of Heart is an intense desire to be loved. Notice the operative word is to "be" loved, not to simply love.

The Ace is the number of self and often translates into selfishness. Negatively expressed, the Ace of Heart will flirt and skirt around the object of their desire, until they see what love can do for them.

The Soul Card for the Ace of Heart is the Ace of Diamond, another wish card - except this time - a wish for money. The result is an ambitious drive for material gain which is their prime motivating factor when it comes to relationships.

KARMIC CHALLENGE for the Five of Heart: Restlessness and Uncertainty

The people born with this Card tend to seek, then change, then experiment, then scatter their forces to the wind. When their position in the charts brings obstacles and difficulties, they often blame it on their environment or associations, and they fondly imagine they can escape it all by moving on. Socially, the 5 of Heart are oh so vibrant, fun, and full of spit and vinegar! On the inside however, their quandaries tax their health and leave them gasping for air.

There are of course, those 5 of Hearts who have learned to accept their circumstances and make the very best of them. There are also the "lucky" 5 of Hearts; ones who profit by gifts and inheritance!

After age 91 the cycles repeats.

Diamonds: Values - Security - Dharma

5 of Diamonds - Fluctuation in Finances

Karma for the 5 of Diamonds - Accepting Reality

Fire-Wands - Planets: Saturn & Neptune

Money consciousness is strong for these people, and when it's regarded as a means, not an end, finances are usually at their disposal.

KARMIC CHALLENGE for the Five of Diamond: Illusions and Irresponsibility

Limitations and restrictions in regard to their financial security come through troubling health, or a hampering physical affliction; through difficulties with children, or through a loved one who is faced with trials that cannot be shared.

The 5 of Diamonds must choose their course and stick to it. They must seek a place in life where they can forget themselves and make a contribution, and they must learn to

abolish their constant uncertainty. They must also guard against creating a separate reality that's out of sync with the reality of those around them!

***Cosmic Reward Card: Seven of Clubs*** (metasymbology.com:)

CLUBS: Mind - Perception - Ideas

SEVEN: Tension - Analysis

CHALLENGE: Worry

Fire, Wands - Planets: Saturn & Uranus

CLUB: The Club personality is used to further the adventures of thought. The spirit of the club traverses the network of ideas. Its energy is attracted toward mental pursuits. It is the air element designed to convey the boundless potentials of the mind.

SEVEN: The function of seven is to evaluate. It is a vibration that resonates with the analytical attributes of the personality. It is tense and worrisome. The personality of the 7 is attracted to situations that require introspection and progressive ideas.

JOURNEY OF THE SOUL: Their Soul Card is the 8 of Diamond. This emblem is symbolic of dominion over the material and monetary world. It has the illuminating and creative power of Sun. In an ideal world, the 7 of Club use this higher frequency of their soul's light-energy to clarify worrisome thoughts. A happy 7 of Club illuminates their analytical pursuits with creative ideas to overcome obstacles that stand in the way of progress.

Those born on a 7 of Club day are keenly aware of what they - and the world needs - to be a better place. They are eclectic, spontaneous thinkers and can be highly intuitive. They also have a knack for commercializing their ideas and publicizing their unique perspective.

The young and impressionable Seven of Club must find ways to stabilize the unstable environment of their youth. Fluctuating finances create volatility at home; the root cause of their incessant worrying later in life. To cope, the 7 of club develop an inventive mentality and sense of irony.

None of the 7's have it easy and the Seven of Club is no exception. Stress is a constant and a cause of psychosomatic health issues. The 7 of Club personality resists dogma and the conventions of religion, preferring science over blind faith.

Women 7 of Club need their independence but want to nurture. If the gender is male, a rakish attitude often spirals into cheerful irresponsibility. Relationships are characterized by rough-cut gems. Not one to shy away from conflict, the rebel within will surprise even those who know them well.

***Cosmic Moon Card: Queen of Spades*** (metasymbology.com:)

Someone at a higher energetic vibration, there to assist you in your cosmic (spiritual) path.

Spades: Wisdom - Labor - Acceptance

Queen of Spades Meaning: The Crown of Labor

Karma for the Queen of Spades - Self Mastery  
Earth-Pentacles - Planets: Mercury & Uranus

Queen of Spade have come to lead and direct. They are co-rulers with the highest authority - the King of Spade. When they find themselves in a subordinate position, they feel frustrated and miserable because they know they don't belong there!

Queen of Spade is one who must work especially hard in life. They have good mental balance, right judgment of values, and an eagerness to work without sparing themselves. These people know where they belong, and are continually struggling to get back to the Crown.

The Queens of Spade feels best in business for themselves, and they will hire out anything they dislike to do. They are excellent managers for others, (when keeping their dictatorial attitude in check!), and the men make excellent doctors.

**Note:** If you would want to go deeper into this specific divination: there are different spreads for each year (of age), smaller cycles, at: 'knowyourdestinycards.com'. These are the cards from the lifespread, the largest cycle. But I skipped the cards for every 13 year cycle, there are seven of those.

## Mesoamerican Divination | Tzolkin System

The Day Sign, Galactic Tone, Trecena Sign and Night Lord.

The Trecena is more innate - like the Moon Sign in astrology - reveals deeper aspects of your personality: your emotions, your connections to others and society, and how you respond to things.

Day Sign would be like the Sun: something you work on, something that involves discomfort and effort. You can also have the same sign for the Day sign and the Trecena sign.

There are 20 signs and 13 galactic tones, which makes up for a 260-day cycle for the Trecena's. If you add in the Night Lords, you get the largest repeating cycle. (9 times 260)

*Reflective (7) Manik*

*West (Blue) glyph: Challenge / Strengthen*

### **Day Sign: *Deer***

/ Manik (Yucatan) / Kej (Kiche)

The Manik type is peaceful, generous, cooperative, artistic and inspiring. While they are generally placid people, they can also be very bold in speaking up for what they feel to be right.

They can be mentally powerful and, as one would expect, are not easily convinced or swayed from their intellectual positions. Manik people need companionship.

For these natives, community and family are of great importance, but so is their freedom to follow their nomadic instincts.

Manik is a sign of participation in the community. Those born under it are often deeply involved with family traditions, and in some cases, socio-political traditions. Family or community based completely on these elements.

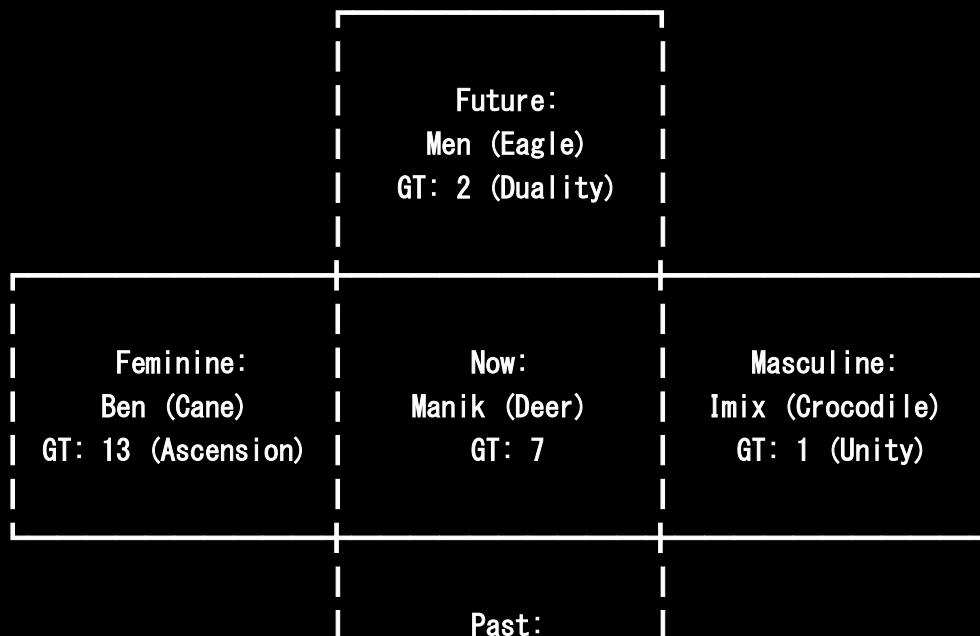

Manik types are also very sensual, artistic, and even eccentric. Their aesthetic sense is usually highly developed, and they often dabble in one or other of the arts. Those born on this day-sign are very sensual and sexually inclined, yet are also quite intuitive and very sensitive to the needs and concerns of other beings.

Challenge:

To be free, independent and secure in relationships.

Solution:

To accept and be comfortable with their own individuality, no matter what strange characteristics it may entail.

	Cauac (Storm)	
	GT: 12 (Understanding)	

### ***Four Directions***

Those born on the day of the Manik have a special ability to embody and express a sense of the holiness of life. They may, however express themselves with so much power that they come on like a locomotive.

It should be remembered that the Manik is one of the four Lords of the Year. Two of these Year Lords, Caban and Eb, are considered gentle, whereas Ik and Manik are intrinsically powerful and intense.

Most Manik natives express their power quite forcefully and directly and bear absolutely no resemblance to the stereotypes of the timid, gentle deer. Rather they are like the powerful stag who is the "lord of the forest", and tend to dominate most situations. Their power is both spiritual and worldly (this is the day of the earth gods).

In Guatemala , a Manik native may well become a powerful shaman or civic leader, the latter role equally applicable in our own society.

For Manik natives, the primary issue in life if most likely to be use of power. With Cauac as their past sign, many Manik people have had a difficult childhood or troubled family. If the past overshadows them and clouds their spirit, they may find their world and ungovernable right hand power, the Imix , acquiring too much influence in their lives and urging them to seek power and dominate others purely for the sake of power.

Their future is represented by Men, the sign of wisdom and success and if they lean towards their left hand power, the auspicious day sign of Ben they will be able to grown in wisdom as well as in power.

How does one lean towards the day sign Ben? The Ben represents the benevolent power of authority, whether in ones family or in ones community. According to Maya thinking (indeed, all tribal thinking) authority is benevolent when it is dedicated to the common good.

It is important for Manik natives to always question their goals. Are they truly using their tremendous inner resources for the good of others, or do they have their own hidden, selfish agendas?

Manik people are called to spiritual leadership as often as to more worldly pursuits. In divination, the day sign Manik may often indicate the involvement of a shaman, or, in our own culture, some other exceptionally powerful individual. It is one of the day-signs believed to be specially endowed with "body lightning".

When Manik people suspect that they have unusual psychic talents and abilities, they're usually right. But these abilities, like all facets of the Manik power, must be used with care.

### ***Galactic Tone: 7***

### **Reflective**

- \* Mysterious
- \* Magic
- \* Beyond the realms of the worlds
- \* Reflective
- \* The flow of divinity
- \* Dreams
- \* Purpose
- \* Arrow

The Tone 7, which is right in the middle of the thirteen tones, creates a bridge between the spiritual world; similar to the top of the pyramid that extends to the sky. You are involved in spiritual matters since birth. Intuition and ability to receive guidance through dreams are your strong aspects. The 7 energy is a mirror that divides the light and darkness. It also is a door that opens to dreams, mysteries and the unknown.

### ***Trecena Sign: Crocodile***

/ Imix (Yucatan) / Imox (Kiche)

Beneath the 1-Imix surface personality is an emotional power house.

These people have strong creative urges and feel an instinctive need to nurture others. For many, this need is actually the reflection of a desire to have a family to protect, although this need can also be met through pets and friends.

Those born during this period can be emotionally dominating, in an unconscious way, and others may have problems with this personality characteristic.

### ***Night Lord: 1***

This powerful lord rules the Centre. Persons born under it tend to be direct, assertive, and even combative toward others. As a result of this intensity, they tend to experience strong, forceful events in their lives.

They are often driven by very basic or primal needs. Leadership is one of their greatest challenges; they must learn to utilise leadership skills. G1 people can quickly move to the centre of things, but once there, they are not sure that others will follow them. If they don't learn to be more sensitive to how others perceive them and develop an understanding of social norms, they will lose followers.

G1 types want to be where the action is and their contribution of energy and enthusiasm is usually vital to the groups in which they participate.

Father-related issues often play into a G1's leadership dysfunction. Having a distant or

abusive father sometimes results in inadequate training for leadership. Sometimes even a good paternal relationship can cause stress for a G1, who then tries to reach real or perceived high standards. In either case, an understanding of the father is probably very important to a G1's self understanding.

The dark side displayed by these people has to do with uncontrollable urges to put oneself first.

*I'm personally theorizing that these night lords are simply the same energies as the 9 main objects (seperate from the Sun) conjunct the Sun.*

*This one would be Mars conjunct the Sun.*

## **Celtic (Druid) Tree Sign**

The year is split into different periods. Usually, one tree is at two seperate periods about 6 months apart. Except for when the equinoxes happen (every 21st of every 4 months), then there is a special tree for that. To find the right archetype for this divination, you have to know if you were born late or early.

(Note:) Celtic Druids did not determine Sign based on the actual date of birth but rather by the date of conception. For example, if you were born three weeks before the scheduled date, you need to add these three weeks to the actual date of birth, in order to figure out the appropriate Sign.

I also read somewhere that the tree (or variant) has to be naturally available in your area.

## **Cypress Tree**

**Strong keywords:** Tolerance, Sociability

**Weak keywords:** Laziness

**Tree variants:** Hawthorn, Juniper, Camomile

**Birthday:**

23 January – 31 January

25 July – 4 August

### **Characteristics and Personality**

People born under the rule of Cypress are tolerant, resourceful and faithful. However, they are also quite lazy and inclined to oppress the weak in their surroundings. They have the ability to endure the adversity of fate, which does not break them; on contrary, they learn from the experience. The nature of people born under the rule of Cypress is very rare, because they are able to intensively enjoy everything that life brings. These people have a strong will to find a solution to a problem even if it means their discomfort. Perhaps that is why they do not lose their head, goodwill and hope that things will get better, even in the worst situations.

Just like cypress trees, these people like the Sun and they cannot stand any restrictions on their personal freedom. If you force them to live in confined conditions, whether in a physical or spiritual sense, they will soon become grumpy and they will make life miserable even for the greatest optimists around them. They do not like being alone and they avoid solitude. They prefer spending time in their family circle or with good friends. They need both, their family and friends, in order to be happy in their lives. Cypress people are popular because their presence has a calming effect on other people.

These people love nature, they like to wander around and they are very keen travellers. Their main interest is getting to see new places and learning about the customs of the people living there. People born under the rule of Cypress just want to be happy. They are not really interested in anything else; they do not attach special importance to success in life or to material values. They are therefore not successful traders, politicians or entrepreneurs. The most suitable profession for them is a job that requires constant contact with people, but where they can also work independently and nobody limits their vigour and enthusiasm. They are very good tour guides, truck drivers and pilots, for example. Their career, however, is not sky-high, because they are not making a very good effort to climb up the career ladder. On the contrary, they carefully avoid everything

that can cause a problem that may disturb their happiness.

Cypress people are daydreamers and they let their life take its natural course. They organise their lives only in case of extreme inevitability and with great self-denial. The biggest obstacle of their journey to happiness is their effort to avoid any challenging and stressful situations. They do not realize that in life it is sometimes necessary to stand up for yourself and take risks, otherwise it is not possible to move forward.

Cypress people are not good managers because they tend to be too bossy and procrastinate when a problem has to be solved. They are strict and uncompromising with their subordinates. They usually lack organizational talent so their efforts often lead to confusion, chaos and quarrels, in which everybody accuses everybody else.

They behave the same way in their marriage; sometimes they require a submissive subordination and boundless devotion from their partner. If their current partner cannot or does not want to give it to them, they will break up with them and find another partner without mercy. In love, they are wild and sensual. They will change many romantic partners before they find a person who will conform to them. But once they find the right person, they love them with all their heart. In that case, they are faithful to them until the day they die.

Cypress people are just as healthy as their tree, which is strong and beautiful. As they get older they may become hypochondriacs under the influence of other people. They may start looking for diseases that everybody has at that age.

What follows on the next page is the correct Natal Chart using the Usha/Shashi-Ayanāṁśa, and the 'whole house'-system. For simplicities sake, we could call that chart the "Transit(ory)-chart". Then to get the Chart that WILL SHINE through this document, we apply the 322th Harmonic to that (the right ascension values (Zodiac) are telling of the 322th Harmonic Version chart). Thus, both are needed to understand the self: One is fixed but constantly interacting with other fixed charts and the other constantly interacts with the Transiting planets. If you find yourself on that quest to understand yourself, it would be suggested to include declination as well as all the other divination techniques, such as numerology, and cartomancy, etc., up to the most seemingly insignificant part of the whole, like midpoints, or antiscia-aspects, in the whole picture. Understanding yourself better in respect to everything else has become very possible - and people might soon say even too easy - when the energetically encoded laws taken affect on our reality are understood.

They won't be the great leaders they're supposed to be because their Virgo makes them reserved. If they want all the attention and admiration, they need to be of help first.

While shy, he will always struggle to please. He's proud and would never do what's wrong. Maybe he will sometimes do it just to see the effects of his actions.

Discriminating, insightful and always useful, the guy with this combination will always look to improve and make things perfectly.

He's not tactful, but will learn this quality with age. However, he is polite and charming. If he will use it to his advantage, he'll be very successful in everything he will do.

Optimistic and joyful, many people will want to be around them because they transmit a good disposition. They're not in any way scared of taking risks, so gambling is something that really interests them.

### **Summary:**

Strengths: Original, eccentric and bold;

Challenges: Attention seeking and superficial;

Advice: They should try to be more sensitive with others.

### **A happy personality**

Individuals having the Sun in the 5th house want to be recognized for their creativity and special talents. They're feeling very happy when expressing themselves with the help of imagination, and it's very likely others will all the time pay attention to them.

In love with sports and very dramatic, they're fun to be around but have a pride that can bother some people.

When trying to demonstrate why they're the best at what they may be doing, it's important they don't grab all the attention of the public because this can be pretty overwhelming.

It would be enough for them to just be happy as they usually are, and the creativity that makes them feel so good all the time will surface. The Sun rules over the self and influences the way people shine in the eyes of others.

When in the 5th house, it makes individuals fun and eager to have all the praise. The natives of this placement will dance at parties and talk to everyone, no matter where they may be.

It's possible for them to just take all the spotlight because they want too much to be number one and possess an ego that gets immediately hurt when not stroked enough.

While happy and positive, they may think of themselves as losers and can become depressive when not appreciated for their talents.

Their originality is famous, so if they happen to be artists, expect them to have immense success at some point in their career.

When it comes to sex, they're up to any new experience, but their main focus is on being parents and even the perfect aunts or uncles. A job in teaching would help them be more in contact with kids, which would make them truly happier.

### **The positives**

Creativity is what makes Sun in 5th house natives thrive, so they'll most likely be appreciated artists or performers. Everybody sees them as original and they can really succeed if disciplined enough.

They develop more when out in the society, expressing themselves and taking risks. Because they love life and children, they can make the great party organizers for the birthdays of little ones.

As a matter of fact, they'd do a great job with any party as celebration makes them very happy. People with Moon in 5th house have a highly developed self-image, are proud and dignifying, their imagination getting expressed through the most original ideas that

usually make them be appreciated in public all the time.

It's possible for them to focus too much on themselves and forget about others, but they immediately become generous again, as soon as they remember to consider their loved ones too.

It's suggested to let them do things their way, because they want friends only for companionship, not for being told what to do. Strong and bold, these natives are usually healthy and have all the elements in place: Earth focuses on their physique, Air on the mind, Water on emotions and Fire on their courage.

The 5th house influences their love life as well, making them true conquerors of hearts. Not all of their romantic relationships will be happy because Leo occupies the 5th house and influences them to be dramatic when it comes to love, feeling most of the time down because the appreciation of their partner is never enough.

They should be careful not to get involved with abusive people who want to take advantage of their loyalty and big capacity to love. Passionate and caring, they will be the perfect life companions for the person who praises them all the time.

Sun in 5th house natives have the attitude of celebrities and need spontaneity in order to be happy. It's like their main purpose on Earth is to exude radiance and to play the many roles life has prepared for them or their ego agrees with.

Seeing their name plastered all over and having all the attention on them makes these individuals have even more energy and be very healthy from a psychological point of view.

Their optimism and joyful disposition will always have them surrounded by friends, but they can be too theatrical sometimes, especially when speculating.

Overconfident, they take risks without thinking of the consequences because it makes them feel alive.

They give a lot of importance to their hobbies and may end up opening up a business based on what they love doing the most in life.

Very romantic, natives with this placement love chasing their partner and being in a relationship that's exciting. The thrill of the courtship is really what makes their heart tick, together with creativity.

But they may love only for a short period of time as they're always looking to feel the excitement of conquering a new person's heart.

If they'll manage to keep their long-term relationships going, they will be able to express their love in a more efficient and profound way because just liking a person is not enough. The impact of romance has to be stronger and to put their charisma to good use.

### **The negatives**

The main problem of individuals with the Sun in the 5th house is regarding their exaggerated pride, domineering attitude, arrogance and flamboyance. Not to mention they sometimes feel inferior to others when it is not the case.

If afflicted, the Sun in this house can make them great manipulators who make use of mischievous ways to capture the attention of the public.

They may even agree with bad publicity rather than no publicity at all, making their need to always be in the middle of things can be very annoying.

The more balanced ones will be respectful of both themselves and others, so they'd easily gain the appreciation of others.

It's possible for many of them to have too big egos and be selfish, presenting themselves in a pompous way because they'd think it's more dignifying to be this way.

It may be a challenge for them to become more sensitive with others and to use their charisma in an efficient way.

They may sometimes be too ebullient and not attentive to what roles they're playing, so it's suggested they decide on the performance that comes the most naturally to them.

Very confident, they would risk and speculate in any situation, making things dangerous for their financial stability. It's wiser for them to take breaks and think before taking any type of action.

The Sun in the 5th house makes them egotistical and interested in pleasures that have something to do with hedonism as ways to express their creativity.

They should develop without thinking only of themselves so much as this can't bring too many satisfactions.

These people may be innocently selfish, but thinking others' opinions and feelings matter too is important if they want to be perceived as mature.

They're dependent on others' praise and admiration because this is how they validate themselves.

Realizing their own worth would be better idea than rather than just waiting on appreciation from outside. They identify themselves with what they're creating, so if artists, their work would pretty much represent them.

As parents, they may be obsessed to protect their children and impose their authority every step of the way.

They're neurotic about how others perceive them, taking big risks for the recognition of others to come their way, planning how to get the power and doing anything for gaining the admiration of their loved ones or being too focused only on how they express themselves.

### ***Sun ☉ - Ruled by Leo***

Very delicate, they are aware of how their body is functioning and what every small pain in their body means.

But all in all, they are the nicest people, always prepared to give a hand and to show their affection. Many will come to them with different problems and they won't hesitate to help without expecting anything in return.

It's possible for them to even look for those in need because it's in their nature to improve others' lives and to change things for the best.

For them, there's only action to be taken when it comes to expressing affection and concern. They care a lot about the mundane, so you can be sure their bills are always going to be paid.

They can even use what they feel about people and situations to deal with all kind of life problems and to find great solutions. It's not in their nature to wallow, so expect them to go on with everything in the most effective way.

They will want to solve others' problems as well, because this is how they show their care and affection. The way they address issues depends a lot on what their Moon sign is.

For example, a Scorpio Moon will dig deep and find out where the root of a matter is. He or she will make a plan and find the best solution according to what they've assessed.

There is no unsolvable problem for people with Moon in 6th House, because it's in their nature to fix things and even to look for what may be wrong and deal with it.

And they won't want to search only outside of themselves as they're very good at working hard self-improving along the way.

The days when their life is a mess have a lot to do with the Moon's phases, so if they study when this planet is putting them in a specific state of mind, they will understand when to let go and when to pay more attention to how they may be feeling.

If the Moon is in a difficult aspect with Mars, Uranus or Saturn, they should pay attention to their mental health and notice if they have a tendency to be bipolar.

Because they study a lot on the subject of health, they will be very knowledgeable on how the mind and the body are functioning together, sharing their discoveries with the rest of the world and suggesting different kind of medical treatments to those who have problems.

That's why they would make good doctors and health practitioners. They will probably have difficulties adapting their lifestyle to a healthy routine as life is often unpredictable and demands changes or for things to be a little bit slower. The Moon in 6th House people have a need to help their peers more than others.

## ***Moon ☾ in 13th Nakshatra: Hasta***

10°-23°20' Virgo

### **Short Version [2]**

Strength: creative, clever, practical, witty, pleasant, charming, attractive, attains wealth later in life, influential, cordial, careful with words to avoid expressing anger, driven in control, values social rituals and consideration of others, provides service, industrious, takes advantage of opportunities in foreign lands, intelligent, persuasive, unattached and has several relationships.

Weakness: enjoys competition and disputes, restless, changeable, charlatan, selfish, emotionally unsettled, low self-opinion, critical, overindulgent, shameless, mistrustful, repressed, health problems, nasty, drug abuse, controlling, use alcohol or food as coping mechanism, desires spiritual experience.

### **Overview [1]**

- Lord: Chandra (Moon)
- Symbol: Hand or fist. This represents power, dexterity, communication, and blessings. The open hand is traditionally used as a symbol of blessing in Vedic culture.
- Power: To attain what is sought. Hasta has the ability to bring goals to life quickly and place tangible results in hand.

### **Strengths [1]**

The influence of the Moon, as well as that of Virgo's ruling planet, Mercury, places a strong emphasis on the mind. Hastas are intellectually creative and able to come up with original ideas and new ways of doing things. Skilled in speech and writing, your eloquence allows you to share your ideas effectively with others. Your creativity may also express itself through your hands — you have natural talent in arts and craftsmanship and will likely have a variety of skills.

The presence of Hasta natives is calming. You are down to earth and not easily ruffled. You are patient and sensible, and rarely waste your time on ill-conceived pursuits. You have incredible foresight, able to predict the outcome of various courses of action with accuracy. As a result, the things you dedicate your energy to usually succeed.

Hastas wield a good deal of power — the strength of your personal character and your shrewdness make you a force to be reckoned with. When you work toward something, you do it with industriousness and determination and usually have a solid plan in place. You are disciplined and don't get easily agitated or thrown off course.

Hastas are generally well-liked. You have an aptitude for healing — which may manifest in subtle ways — and for helping others. Charming, polite, and always eager to do the right thing, you draw people to you with your personality as well as your attractive appearance.

### **Weaknesses [1]**

The shadow side of Hasta is a competitive nature that values success at any cost. This results in an inclination to outwit and circumvent obstructions in ways that might not be ethical — you can be merciless in your determination to reach your goals. You may be excessively critical when under stress and lose your natural patience.

Hastas often do have to deal with stress in their lives — you might feel overburdened or repressed, and may struggle with your self-esteem. In your early life, you could experience hardship and might feel that there are endless barriers to achieving success. Your success will probably come later in life. Finding a path that offers spiritual fulfillment, rather than just material success, will create a positive shift for Hastas.

The external and internal struggles you face can make you give in to your lower impulses. If you start to indulge your every sensual desire, you could fall into a lifestyle that is morally and physically unhealthy.

You may struggle with your health throughout life. Hasta natives are sensitive and easily affected by subtle hazards. Be mindful of the environment around you. Spending time in nature regularly can be a great healing agent.

### **Other Personality Traits [1]**

- You give good advice. You are able to perceive all angles of a situation and to predict possible outcomes. This allows you to offer sound solutions to those who come to you for help.

- You are a good listener. An excellent communicator on all fronts, you possess not only the gift of speaking but a gift for listening. You know that to communicate well, it's even more important to listen than to speak.

- You may have a volatile life. Although you may achieve great things, you may also have great struggles. Your life has many ups and downs and you experience many changes.

- You will probably have wealth. Although it might not happen immediately, it's likely that you will achieve success and prosperity.

- You are martial. You have qualities that are reminiscent of a warrior. You have a militant discipline and determination and a combative personality.

### **Career [1]**

Hastas' intelligence, range of abilities, and communication skills make them suited for many careers. Roles where they feel they are truly accomplishing something will be the most fulfilling. They should avoid positions that are too routine and might bore them.

Some ideal professions include:

- Artist or craftsman
- Teacher, researcher, professor, or writer
- Business or personal advisor
- Doctor, nurse, chiropractor, masseuse, or alternative healer

### **Health [3]**

These individuals are confronted with few health issues. They may be prone to persistent coughs, colds and asthma. At times of great challenge, they require adequate support to maintain their mental health.

### **Physical Appearance [3]**

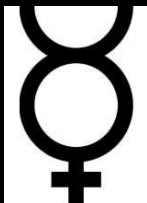

Ruggedly handsome men and similarly pleasing women, the Hasta natives are general tall. Well-developed bones and a stocky stature are common. Their hands are said to be short and many have an identifying feature on the back of the right hand or shoulder.

### **Pada [1]**

#### ***Moon ☾ in first pada***

(10°00'-13°20' degrees Virgo): Aries navamsa. You have a seemingly inexhaustible energy. You are always doing something and love a new challenge. Even more competitive than other Hastas, you are always ready for an argument and may seem to create conflict out of thin air. You are intelligent but may be prone to act deceitfully. You can be sharp in your speech

#### ***Mercury ☿ in ♊ Sagittarius man 2° 17'***

([900] i.thehoroscope.co)

He is very charming socially and loves to discover what others think and what their plans are.

The Mercury in Sagittarius native believes in a grand cause that he wants to pursue all costs, an ideal goal that will lead to the development of himself and the world.

Larger things are afoot when he starts thinking about possible ideas to put into practice. And when he's set his sights on something, he will stay with it until either he perfectly attains it or he finds out that it's entirely impossible.

**In a nutshell:**

Positives: Outgoing and attentive;

Negatives: Flirty and superficial;

Soulmate: Someone who can bring a fresh perspective in his life;

Life lesson: Allowing some room for chance, not planning everything.

**An adventurous man**

One thing is true though, about the man born with Mercury in Sagittarius, he needs to be independent and free in order to fully make use of his creativity.

He is knowledgeable, and he wants to find out as many things as possible about the world, no matter how difficult it is to get to that perfect level.

Adventure and risk are coursing through his blood, and he will stop at nothing to achieve his dreams. Don't judge him for some apparently stupid decisions because he has his reasons, and most of the time he's trying to escape the societal expectations and rules.

He will use all the accumulated experience and information in the creation of his plans.

Communications is the greatest enjoyment these guys have other than actually going outside and experiencing the world. For them, engaging in a discussion with strangers is nothing if not fun and entertaining.

Because they get to discover how others think, their mindset, perspective, and a contradictory debate never hurt anyone.

This cultural mingling, exchanging tips and tricks, fun facts and knowledge are one of the ways he satisfied his curiosity.

The Mercury in Sagittarius man is very thorough and analytic in his approach. He knows that most people are laymen, incapable of seeing the truth behind some revolutionary ideas.

So, when he comes up with such plans for the future, he takes care to clarify and present them in the best possible light, to polish it for the public.

Personally, though, he lives a life full of unorthodox and unconventional pleasures,

connected to his eclectic tastes in culture and fashion. These preferences are his way of disconnecting himself from the tedious society.

He is outgoing and sociable, almost too sociable for his own good. Straightforward, the Mercury in Sagittarius man never hesitates in stating his thoughts and in protecting his principles to the last breath.

Pretty words and academic speeches? Not for him. Blunt, straight-to-the-face statements are where it's at.

For the same reason, he hates fake people who stick a knife in your back when you're not careful. Just say it upfront or don't say it at all, but at least don't sneak around the back like a common thief.

He is very thoughtful and careful about hurting others, but he can't stand it when people are dishonest and rude.

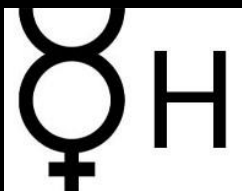

This native seems to be in a world of his own making all the time, thinking about possible paths of escape.

Romantically, he flirts with pretty much anyone, any type of woman, but that doesn't mean he will accept just about anyone in his life. He prefers women who are charming, seductive, with an extraordinary attitude, the type who impresses just with her presence.

He wants a partner who can stand face to face with him, who can resist his impetuous and adventurous spirit without calling it quits.

More importantly, he wants to disperse the air of routine and boredom that most couples eventually fall in. Surprises, a lot of them, and constant flirting are required here, even when the relationship is serious.

## ***Mercury ♀ in IX 9th House***

([916] i.thehoroscope.co)

This placement of Mercury prompts one to be the eternal wanderer, the permanent student of life and to never get tired of experiencing new things.

The Mercury in the ninth house birth chart aspect is associated with the desire to know, to gather knowledge and to expand one's mind beyond the confines of the norm.

These natives are going to likely become writers, reporters, scientists or ideologists. Seeing how they have such firm ideas and principles, accumulated through endless debates and painstaking researching efforts, it's obvious why their words have a great impact on everyone else.

**Summary:**

Strengths: Analytical, observing and generous;

Challenges: Cynical, cautious and aloof;

Advice: They should put greater effort in understanding others.

**A great mental capacity**

We can safely say that there is no one who can match these natives when it comes to intelligence, natural curiosity, cultural knowledge, and pretty much anything associated with the development of one's mind.

This aspect combines Mercury, the planet of communication, with the ninth house of higher learning, of intellectual stimulation. This can only be called the luckiest and most unfair (for how lucky it is) coincidence.

These people are endowed with analytic and observational aptitudes, great adaptative powers, and a great talent to solve problems with little to no effort.

They find it very refreshing to talk to people, share their ideas and convince others of the veracity of their claims. It's very fulfilling and satisfying when others change in good as a result of their advice.

These 9th house Mercury natives are the eternal wanderers, the permanent students and people who genuinely believe they always have something to learn, that the world is boundless and filled with an immense quantity of knowledge.

They are the people who would instantly choose knowledge or mental capacity if they had a choice to be offered a boon.

Philosophy, theology, science, ethics, and existentialism, are but a few of their interests, some of the most expansive and interesting.

If a journey has to be made, great efforts have to be put at the altar of knowledge, they will not hesitate. Moreover, the truth has to be anchored in logic and reason for them to perceive it as such.

They will never get bored or ever stop learning because it's such an interesting and

fascinating thing to do. Absolutely everything in this world, even the simplest of things, hide immeasurable interesting things within it, untold mysteries that no one knows of.

And they are interested in these potential explanations, in the insight that you get once you research something for long enough.

Enthusiastic, searching for inspiration, they are capable of seeing the grand scope of things, to use their knowledge for good, to solve problems and offer advice.

### **The positives**

Mercury in the 9th house natives are efficient in society, good at making decisions, resistant under pressure, and an invaluable contribution to any project or a joint effort.

They know what to do and how to do it, regardless of what it is, and you will quickly learn to depend on these people for pretty much everything.

They are adaptative and flexible so that nothing really surprises them. They are also a source of inspiration, an ideal to follow, someone to look up to because of their incredible thirst for knowledge and lifelong achievements as a result of this trait.

They're different from the other people in that they are open to anything new, to changes and transformations, to cultural enrichment.

Traditions and societal regulations, stereotypes or narrow-minded approaches mean absolutely nothing to them.

These people are unique, broad-minded, flexible, tolerant and interested in knowing everything, in establishing healthy relationships with other cultures and learning other languages.

It's highly possible that these natives will choose to become teachers, spiritual advisors or people who guide others toward the truth.

Their knowledge, curiosity and communicative nature make them perfect for this position.

They are not only able to do this but also quite keen on sharing what they know with others, in an attempt to change and illuminate the minds of everyone else.

They want to inspire others to aspire for more, to overcome their limitations and reach for the skies, to achieve their full potential.

Obviously, they tend to perceive the spotlight as a natural birthright, and there is no lack of arrogance or self-confidence.

Religion is also one of the domains where they could actively involve themselves since theology is a great field of knowledge that they have surely researched about.

However, they will need to seriously analyze themselves, to discover whether they are ready to pursue this path with all honesty and purity of reason.

Otherwise, if they are still plagued by egotism and arrogance, it would be better to let it go.

### **The negatives**

One of the downsides to being so interested and passionate about learning and accumulating knowledge is that they often dismiss things as unimportant, put them on the backburner and ignore them, just to pursue their interests.

These are the details of day-to-day life, the chores, and responsibilities that one must do. They just can't pay attention to the little details or seriously take them all into consideration.

They only have so much focus and concentration power that they choose to direct toward the more important or pleasing goals.

It's advisable for them not to take any decision before thoroughly analyzing and doing a solid research. Facts are essential to an educated decision.

Because they are still human, with only limited potential and only so much memory to put a limited amount of information in, they will choose to specialize in one given domain, one that they excel in.

Sure, they do have a ton of knowledge on absolutely everything that you can think of stocked in their brains.

There's simply not enough time to become adept in multiple subjects because, to them, excelling in something refers to something completely different than what most people think of.

There is also the danger of turning principles and ideas into ideologies, being stubborn and preaching in order to convince people of the veracity of their claims, without taking the time to take their beliefs into consideration.

Understanding, tolerance, humbleness, and open-mindedness toward other opinions are all needed in order for the Mercury in 9th house natives to reach for the skies, but the potential is surely there.

## **Mercury ♀ - Detriment in Sagittarius (& Pisces)**

([871] southfloridaastrologer.com:) A restricted expression of analytic thought and ability to communicate is found when Mercury is in Sagittarius or Pisces. Sagittarius and Pisces' need for boundless, universal thinking is opposite Mercury's need to analyse and communicate details and facts.

He will know when to compromise and when to ask for more from her, but in general, he

will try to fulfill all her wishes and desires.

Intense and passionate about it when the moment is right, and cold when he gets bored, he's quite the player, but he's looking for an easy-going and light-hearted woman.

Because they find their fulfillment and ultimate satisfaction in a relationship, they will try to maintain it on the floating line, to never get to a point of no return.

That's why the Venus in Libra men will hate arguments, conflicts, aggressive verbal debates or insults. They will instead praise their partners, compliment them, take care of them when they're feeling down or sick, and will generally be very kind and generous.

And just because they have a very advanced artistic sense, they love beauty and hand-crafted things, they might be a little superficial and spend a lot of money, but it's all good as long as they don't end up bankrupt.

**Attracted by ...**

He's very attracted by elegant women with good tastes in clothing, the kind who know exactly how to use all the elements at their disposal to look their best, with an air of mystery and charm hanging around them.

She must be feminine, cultivated, free-spirited, and it would be great if she had the basic rules of politeness fixed. Aggressive and overly-energetic women tend to be conflictual, to be emotionally unstable, and so he would rather avoid such women.

He wants to have a balanced and tranquil relationship, filled with plenty of sweet moments of love, affection, and compassion.

Arguing about the stupidest of things or entering a conflict just because you decided to buy something without asking her are the least things he would want. In general, he will try to save the situation before it gets too far, and he's very good at it.

With grace and charm, as well as a persuasive attitude, he manages to defuse almost all problems before they explode.

It's a good idea to take this man out to visit some cultural attractions like a library, a museum, a natural park, somewhere where you two can have lots of fun.

**In conclusion**

His greatest strength and advantage revolve around the fact that he strives for balance, for equilibrium, both in his life and in the lives of others.

Personally, he will make a lot of compromises to avoid sticky situations or problematic arguments, at the same time trying to make their partners happy and fulfilled.

They are really selfless, generous, and kind beyond reproach, and you can't even find anything bad about them that can top this.

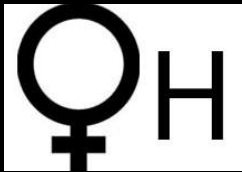

Moreover, this native wants to be appreciated for his efforts, to be liked and held in high regard, especially by women. He's not a womanizer at all, it's just that he likes flirting, pure and simple.

The man born with Venus in Libra could fall into a trap of his own making. He knows that he deeply desires a relationship, to feel the thrill of being loved, the sense of closeness, but this could turn into something bad. How could it ever reach that level?

Well, he could try so desperately to get a girlfriend that he may ignore his feelings. In other words, it might not be love that he commits to a relationship, but desperation, need, the urge to feel loved and appreciated.

He should be patient and wait for the perfect person for him because she's out there, just waiting for him to find her.

Having a special charm and loving with all their heart, it's easy for them to convince others to do things the way they want them to. Many will see them as their perfect match because they're giving and kind.

### **Wishing to be respected and appreciated**

Being at home in the seventh House, Venus receives a lot of influence from the Libra. It's somehow easy for others to take advantage of them, so they need someone who's caring and knows how to invest love in a relationship, because they are very kind and supportive personalities.

It's possible they'll become dependent on their lover and focus their entire life on the person they most care about, which is their partner.

Always positive, they're not in any way looking for the negative traits their partner has, usually putting people they love on a pedestal and having the wrong impressions about them. The position of Venus in the 7th House makes them want to give and receive respect, because this makes them feel powerful and confident.

Because Venus is the planet of beauty and love, natives having it in the 7th House should do their best to put their talents to use. But, if you are male, when the ladies 'call' you, it is hard to resist their call. If you are a woman, sometimes it is vanity beyond any level. Venus Ascendant without aspects shows alternating outbursts of emotions and material desires. Venus' charm is still strong, but owing to her uncontrolled characteristics, some degree of indolence or passivity sometimes prevents you from achieving active or conquering life. You may seem too quiet. In the long run, these sentimental fluctuations, or this vulnerability to material desires may also lead to some degree of introversion.

Even Quincunx and Semi-sextile aspects included.

### **Mars ♂ in ♊ Sagittarius man 3° 15'**

([973] i.thehoroscope.co)

The Mars in Sagittarius man is one of the liveliest natives of the zodiac. You'll always spot him in the middle of a social event, being in the center of attention, doing something crazy, worthy of his reputation.

He's a great talker and he communicates very easily with people from all walks of life. If you've got the luck to find him alone, be prepared to be taken for a spin. He's an intellectual and he'll want to cause some mischief using witty sayings and confusing ideas.

**In a nutshell:**

Positives: Communicative and ambitious;

Negatives: Sneaky and self-indulgent;

Soulmate: Someone who is patient and understanding with him;

Life lesson: He should find his purpose to fight for.

**A charming companion**

He's a shape-shifter, an emotional hurricane that runs amok across the world, putting everything he sees into mortal danger, either because he's trying to pick it apart, to see how it works, or he's going to wreak havoc anyway.

He will want to experiment and try everything at least once. On his path, he might appear as a fiendish brute who just wants to have fun at the expense of others, or as a cultivated and polite young man who's looking to enlarge his perspective on the world.

Saying that his native likes to have fun is like saying the Earth spins around the Sun. It's common knowledge, and what's more, he takes it all to a whole new level every time he gets the chance to.

He's the one who brings the joy and enthusiasm at a social event, and he's also capable of anything in order to satisfy his desires.

Reason and logic will get covered up by these impulses and cravings, so he won't realize what he's doing during this time.

Moreover, he's the type who has a greater cause to fight for, either personal or societal, and he pursues it with his own means, abiding by no rules.

First off, the man born with Mars in Sagittarius is brimming with energy and confidence that he just wants to release outwards.

He can't wait any longer to have some fun. Usually, he's the type who grows a beard, a manly and masculine one to reflect his strong principles and firm convictions.

Moreover, he can be a very good sportsman with all that drive pushing him forward, but

he also takes care not to put himself in harm's way too much.

Secondly, this guy's decisions last as long for a few days, and then he comes to the conclusion that he wants an entirely different thing.

He's impulsive, spontaneous, but also determined and ambitious to achieve his goals. The only problem remains the same though, that he can't hold on to his ideas for too long.

In a few days, he'll be up and running with a new plan, leaving the old one to fester and die.

He wants to make friends with those of the same disposition as him, the eternal adventurers who never refuse an opportunity to travel the world and have some fun.

He wants to fuel his own ambition and passion because he's not a very patient man. What else to do other than pack his bags and for a trip on the other side of the world?

He loves having friendly competitions with his close ones, but he gets too involved most of the time, and he forgets that he might hurt somebody if he plays too rough.

Moreover, he expects everyone to follow his ideas to the letter because they would result in a lot of fun. When someone disagrees, he gets annoyed because he was naively sure that no one would object.

### **Not a big fan of commitment**

He asks for a lot, expects a lot, and he is generally a very dynamic individual who can't stay in one place for too long, even mentally if not physically.

Money is simply the means to an end, and he doesn't hesitate for too long before spending it on something that really matters.

Romantically, he's not as impulsive and spontaneous, surprisingly, in that he usually doesn't fall in love at first sight.

He does fall in love with his ideal outgoing woman after a series of meetings where he gets the chance to know her intimately. Rejections don't sadden him one bit, and he even befriends that person, only to try again a couple of years.

These men are usually quite frightened of committing to a relationship. They know their freedom will get hacked apart once that happens, even more so if the partner is possessive, dominative, and jealous.

With a carefree and free-flowing personality, they would rather have fun at a time, and

only then think about taking things to the next level.

In this sense, nothing stops them from meeting a lot of women, in the search for the right one. Of course, this approach hurts a lot of people along the way, but they don't seem to care.

He wants to appear as a funny and entertaining man who knows how to have fun. A straightforward, tolerant, and intelligent individual who loves adventures.

This is how he wants to be seen by his partner, and he will want to share his ideas with her, in an attempt to impress.

In a relationship, he is very devoted and loyal, but he also realizes that freedom is actually the most important, in both cases. He wants to respect her decisions and desires, but he expects the same in return.

### **In conclusion**

Basically, the Mars in Sagittarius man is open-minded, honest, enthusiastic, and passionate about doing his thing.

He wants to have fun, and he can be very unexpected and irresponsible as a result of going overboard with this desire.

Because he tends to speak his mind without hesitating one bit, a lot of people will feel insulted by his opinions, but that's their problem, right? Why would he be blamed for speaking the truth?

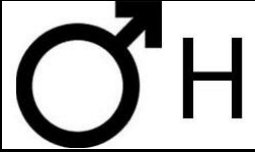

He has strong religious and political views that could turn into fanaticism in a split second if he doesn't control his zeal and enthusiasm. Also, he tends to be a very introspective and meditative man.

He's going to need a romantic and affectionate woman who knows how to please him and satisfy his sexual desires.

He prefers a sensitive and lascivious woman to a proud and confident one who makes a show every time you say something wrong.

He is also very tolerant and open-minded, accepting different opinions and ideas like they were his own, even though he tries to maintain a few traditional principles.

Mars here means there's always space for more openness of the mind. The natives of this placement simply love talking about different subjects and even contradicting others. They're the type who wants to travel for knowledge and for discovering new cultures.

When not able to go places themselves, they keep asking people who've been there how it's been or study materials on the destination. They just love to be in foreign countries and interact with people who speak a different language.

However, even if enthusiastic about new cultures, people from other countries may struggle to understand their ways. Almost all of their energy is spent on learning and they are very enthusiastic about heated discussions.

### **Practical aspects**

The 9th House is one of the best positions for Mars when it comes to what it can bring the natives having this placement in their birth chart.

It's suggested they avoid becoming self-righteous and uncaring of others' opinions, because they're too enthusiastic to just speak truths.

When it comes to sex, they love to play and have a lot of stamina, treating lovemaking more like a sport. Sometimes too honest and straightforward, they can make people laugh with a good joke and a harsh truth told in a funny way.

Many will find them attractive for this and for the way they laugh or are eager to live their life to the maximum. The person who makes them laugh with all their heart will be their lifetime partner.

Very in love with life and optimistic, they always have a comeback for when being made fun of. If they go to good schools just like they want to, they will very likely succeed from a professional point of view and live a very honorable life.

### **The downsides**

Mars in the 9th House makes individuals with this placement want to spread their wings. Always moving around and doing something, they are the type who forgets about meetings or that they have to go out.

Discipline is not at all their main strength, so they need to take a break and organize their schedule every day. There are many apps to help them do just this.

The fact that they're lightheaded means they also have many ideas in a minute, their energy being endless and very useful if they'd do something constructive with it.

If they were more organized, they would also make their friends and colleagues happier while not affecting in any way the joyful way in which they live their life.

### **Mars in the 9th House in a nutshell**

Mars in 9th House people will always make good jokes and laugh a lot, while their passion for life would be unequaled.

It's like they can change the world with their enthusiasm and boldness. They know they only live once and the good aspects of Mars can give them many rewards in life. These people will do bungee jumping, go skydiving and take all the possible risks just to have great fun.

It's possible they'll want to relocate to a far-away place, to a city or town that makes them feel spiritually enriched. Therefore, it's possible for them to move in order to change their religion or to learn a new language. It's like their heart is one of a missionary in search of the Absolute Truth.

What they'll discover in their travels will make their life richer and they'll get to know themselves better through all the experiences they gain on the road.

They should be careful not to impose their own beliefs in others and to understand there is no Absolute Truth that works for everyone. If they respect this concept, they'll be able to reach an inner balance and satisfy their thirst for knowledge in a more efficient way.

## ***Jupiter ♃ in ♓ Pisces man 1° 17'***

([1004] i.thehoroscope.co)

If you have Jupiter in Pisces you are using your intuition to achieve what you want.

People with Jupiter in Pisces are intuitive and good healers because they play with the subconscious a lot, whether their own or that of other people.

Jupiter has no limits and the Pisces sign is empathetic, so it can be very easy for people born with this transit in their natal chart to get lost in what others are dreaming.

That's why they need to set some limits and use crystals or sage that can clean their energetic field. Not to mention they are also prone to different addictions.

Jupiter Pisces will always be the hedonists of the zodiac. The fact that they are also romantic will make them relentlessly search for their true love their entire life.

As they are fascinated by the human mind, they could be great as yoga instructors, astrologist and even hypnosis-therapists. They are also good musicians or dancers.

Basically, anything that has something to do with creativity would suit them.

As the second ruler of the Pisces, Jupiter is in power in this sign, together with Neptune. Jupiter Pisces are mystical and spiritual. They could easily guide others towards living a better life. It's easy for them to support people in their most difficult moments in life.

**In a nutshell:**

Style: Spiritual and compassionate;

Top qualities: Imaginative, loving and expansive;

Weaknesses: Fixed nature and oversensitivity;

Advice: Pay attention to the explanations of those close.

**The impact on personality**

The generous Jupiter can make everyone more aware of their consciousness. But because Jupiter is the neighbor of Neptune, the planet ruling Pisces, it's very unlikely the changes this planet can make are going to be very dramatic and noticeable.

However, the transition will bring a quiet type of knowledge, no matter if the natives will meditate or just have a walk. They will probably dream and have visions of all kinds.

It will be a mystery how truth will reveal itself to them. And they won't be able to explain their experiences with the surreal. Either way, Jupiter Pisces will still get great ideas from another plane of existence.

But they will think with their heart, not with their head. We have to gain our own access to the first and most important experiences in our lives. We have to exist as separate personalities to identify our needs.

However, Jupiter Pisces believe more in the wisdom obtained from compassion because for individuality we need to be fearless and less prejudiced. But don't think that if Jupiter is in Pisces, these people's problems will immediately cease to exist.

However, for an entire year while the passage will happen, Jupiter Pisces will be more compassionate, forgiving and balanced when it comes to their relationships with others.

But their artistic side will nourish their soul, while making them more capable to work hard towards a tangible purpose. The more compassionate, tender and devoted Jupiter Pisces will be, the more luck and good things they will attract.

They love to help anyway. It's like they need to give a hand to the less fortunate. Empathetic, these guys can feel others' pain. And all they want is to make things better for everyone. Their imagination and creativity will help them be great artists.

Any occupation involving the art of healing would be perfect for them. Their interest in

the occult and fantasies can't be seen in other signs. Not interested in the material world, they're religious and deep. Not to mention they prefer seclusion over big groups.

They don't want to be in the center of attention, so they'll most likely work from behind the scenes. Sensitive and easygoing, they will probably not have too big ambitions. People will take advantage of them because they are very giving.

But many will like them just the way they are because they have a thing that just gets to others' soul. It may be the fact that they are good listeners, kind people and idealistic dreamers.

Out of all the signs in the zodiac, Jupiter Pisces are the most likely to develop psychic abilities. It can be said they have a large vision and that they are able to understand this life is nothing but a stage for us, the actors, to play our roles on.

Spiritual people, they will most likely know all kind of religious rituals for soul-searching and cleaning. Jupiter Pisces are expansive and want as many people as possible in their life. It's easy for them to get together with others and they are very tolerant with their friends.

No one will be excluded from their life and they will be the shoulder on which everyone cries. And they will understand every problem because they are intuitive and good psychics. They can't stand to see people in pain and are known to get satisfaction from making selfless acts.

### **Understanding the main tendencies**

Being of help makes Jupiter Pisces natives shine as they are empathetic and sensitive, the most nurturing and kindhearted sign in the zodiac. And Jupiter makes them even more like this.

That's why they would be great as social workers, veterinarians, counselors. In general, they feel good when they are helping people or animals in need. Expect them to give a hand to any creature that comes their way with a problem.

They are good psychics, but just like the Jupiter Cancers, they can be insecure about their abilities and instincts. So they may not allow what they are best at to work in their favor.

A negative way in which Jupiter influences them is that they can become escapists and see things only the way they want to see them. They can have these rose colored glasses all the time. It's normal for them to build their own reality and not be able to distinguish fantasy from reality anymore.

When Jupiter transits a Water sign, those affected may try to escape the real world by

abusing alcohol or drugs even more than those with the Sun in Pisces. If it happens that both Jupiter and the Sun are in this sign, expect people with this transit in their natal chart to be extremely sensitive to substance abuse.

Not to mention they could get depressed very easily. But after all, they are the artists, the poets and the dreamers of the zodiac. Jupiter helps them dream big, because they are so good with people, you can find them volunteering for the homeless and the poor.

It's their fantasy world and their sensitivity to drug and alcohol that makes them drift away. When it comes to their own good, they may not know what's best for them. When it comes to consistency, they surely don't have it.

But with some meditation sessions, they can become better and even escape what stresses them. If they want to be luckier, they need to be sensitive only when it really matters. Not trying to escape reality would be helpful as well.

### **The Jupiter in Pisces man**

It can be difficult to read the Jupiter Pisces man. Not only he's dual and conflicting, he's also mystical and this will be felt in his love life. As a matter of fact, it may be interesting in the beginning but it can become a problem with time.

The best thing with this guy is to ask him his honest opinion every time. He will always be interested in the deepest life problems and will give sound advice. Because he's a big philosopher, he will often be lonely.

Jupiter will help him develop his relationships with others. Mysterious but loyal, he's also progressive and familiar, especially when he gets encouraged by the Jupiter Pisces transit.

Because Jupiter in the twelfth house usually influences people in a negative way, those with this placement will have a big ego that gets satisfied when they will be spending a lot of money. Therefore, they may need to borrow all the time from their friends and family because they don't have enough.

If the Great Benefic in 12th house is in Sagittarius, Virgo or Pisces ascendant, they may build a home for themselves in a different country than their own.

An Aquarius Ascendant suggests they may make money by traveling. People with Jupiter in the 12th house are very compassionate and open to offer their help to anyone.

Jupiter's presence here means they have great intuition and want to know as much as

possible on the subjects of healing and psychology.

Since the 12th house rules over the subconscious of the many and the natives' deep thinking, the presence of Jupiter here means a great desire for knowledge and for understanding how the human mind works.

Those with this placement want to study metaphysics and will be protected by Jupiter when it comes to negative energies or influences of a sick imagination.

This planet in the house that rules over vulnerabilities and secrets among other things means the natives with this placement will have a problem holding onto hidden things, no matter if these would be theirs or others'.

In the situation when Jupiter is placed in good aspects with Mercury, these natives should really be careful with what they're revealing about themselves because they may cause confusion.

Usually, when the Great Benefic is in this difficult house, it offers people great help when unpredictable things will happen. This planet will protect natives from those with bad intentions and even make their enemies feel like they're doing something wrong.

Expect Jupiter in 12th house people to receive many apologies from the ones who have crossed them.

What they don't know is that Jupiter usually brings positive things when it comes to such events. A combination of Neptune and Jupiter can bring many miracles into their life, in the forms of manifestation of their most secret wishes and some experiences with the spiritual realm that they're not even dreaming of.

A lot of these great things will happen when they'll try to be alone and also to meditate. They should be careful when talking to others about all this because their spiritual life should rather happen in private.

The more sensitive and emphatic they become, the more spiritually protected they'll get to be. It's possible for them to become free of self-destruction and unexplainable fear because Jupiter functions like their guardian angel.

They're more able than others to interact with their subconscious. If they'll be open to give and volunteer with different charity organizations, they'll get to feel more rewarded than ever.

Since being mature happens only after more experienced has been accumulated, they need to allow themselves to go through both good and bad situations while working hard on making their dreams come true.

It's important for them to sometimes recharge their batteries and organize their thoughts, so they shouldn't just run away from their problems and deal with them by meditating and reflecting on what life is. Abandoning the ship and not making any efforts for things to take the right turn would be disastrous for them.

Individuals having Jupiter in 12th house should not allow people to take advantage of them because their luck may turn bad with such a situation.

Standing up for themselves and being honest is what they should in fact do all the time. It's sometimes too easy for them to just step on others to get things done their way, but this doesn't mean they shouldn't protect themselves from those who have bad intentions with others.

No matter what, these natives should always continue being optimistic. It may be difficult

for them to have things in their mind organized this way, but with a little bit of effort, they can imagine anything and keep up a good attitude.

Being fearful that they may fail and not having confidence in themselves will make their luck disappear.

The more they'll look to get spiritually fulfilled and meditate in seclusion, the more there'll be inspired to do great things. It's possible for these natives to make at some point in their life a great sacrifice in order to make some of their dreams come true, but they should forget all about it as soon as it will be done.

Their curiosity about science and healing, or even the occult, can have them searching for knowledge and wanting to know more about many different things connected with these subjects.

### ***Saturn ♄ in ♏ Pisces man 3° 13'***

([1028] i.thehoroscope.co)

You may feel deeply confused, you may feel that your life is really difficult, you may also feel depressed, thinking that people don't treat you properly, but you have one mission to fulfill.

You have to get up and live your life, forget your past disappointments and if you can't, then put them aside. Forgive all the people who may treat you unfairly, they are just confused and unsatisfied.

Live your life, constantly learn new things, grow up every day physically and emotionally, work on the things that you are interested in, work to gain your success, and most importantly, work on yourself to be a better person.

The combination between Saturn and Pisces is quite interesting and has a powerful relationship with the human destiny.

Why? Because Saturn represents time and starting with this symbolism, it leads the person dominated by this planet to an awareness about their past, their present, and finally their future.

The problem comes when the past is the one that dominates the Pisces's life and makes them confused about what they should do in their future.

**In a nutshell:**

Style: Mystical and trustworthy;

Top qualities: Creative, spiritual and endearing;

Challenges: Oversensitive and pessimistic;

Advice: Leaving the past aside will do you great good.

**Personality traits**

Those born with Saturn in Pisces in their natal chart may feel a lot of sensibilities, and sometimes this might surface frustration and a sense of inadequacy, as they don't feel they can express their emotions in words.

These sensitive reactions may make these natives have a tendency to see the negative things first. Because they will sometimes feel like hurting, they will need security and

protection, and that's the reason for their choice to embrace religion and spirituality.

The spiritualism and Saturn will lead them on the right path, and help them give up on their egotism and defensive feelings, being willing to sacrifice their lives and cooperate with the order of the world.

Saturnian Pisces have to start working on themselves, and they have to know that failing a task or doing it correctly will not change the fate of humanity. There is no need for them to blame themselves for past errors.

It is time to let them go, they have to accept that they can't have everything. Accept themselves, develop their confidence, and moreover live with the present moment in mind, and choose to be happy. Happiness is a choice, trust yourself, you are amazing.

Those lead by planet Saturn in Pisces are described in two simple words, patience and self-sacrifice. Their sympathy may be a problem if they don't learn how to separate their love and detachment at the same time.

It is ok to help others, but this needs to have a limit, and not affect their personal life. Saturn will make them grow emotionally and feel the need for compassion, that's why they will feel that they must help the less fortunate, and they will do that through social work.

### **Needs in love**

When it comes to love, the Saturnian Pisces have to face the same fears and difficulties as in their personal life, because by having that tendency to live in the past, sometimes they will come face to face with their own insecurities, because it is really hard to leave them behind.

They need a partner who will love them deeply, and who will understand their way of living. A partner with their feet on the ground, and with a realistic mind.

A partner who can easily bring them back to the surface when the Pisces will fall in yet another depression episode, and a partner who can totally influence their life, and show them that you can create happiness with your own hands.

### **The good and the bad**

The main thing Saturn Pisces need to remember is to take breaks from time to time. Do something which will relax you, and make you feel rested and comfortable.

The world will still keep going even if you are there or not. You shouldn't worry so much about it. Pamper yourself, go to a spa, watch a TV show, go on a trip, do something adventurous, make yourself smile.

You have a perfect intuition which allows you to work very good with people, so it's time to use your intuition to allow you to work with yourself.

Your communication skills and your compassion will provide you with a very successful career, because you have the power to inspire everything and transform it into a creative mix, so you will give others the inspiration to make a difference.

One thing that should worry you is your lack of confidence. You are really good at taking care of others and making them feel loved, but when it comes to the opposite, you have that old mentality thinking that you don't deserve so much love and attention.

This is not true, it is fine to involve yourself in social activities and help humans, but make sure that you are first helping yourself, and that you always work to fix your personal life issues.

Find a balance on these things and learn that sacrifice should be optional, and not the standard choice. You may also find that releasing yourself from imagined responsibilities will give you more breadth to dream higher.

**Summary:**

Strengths: Flexible, generous and creative;

Challenges: Stern, superficial and manipulative;

Advice: There is no need to pretend they are happy when they are not feeling it.

**A different view of the world**

Every planet enclosed in the 12th house deals with the energies people deny. When Saturn is here, the natives with this placement will have to deal with setbacks early in their life, so they'll always want to place some harsh realities they may have been dealing with into their unconscious.

Being afraid of what's about to come and completely overwhelmed by their own emotions, all these things may be what causes them to feel anxious.

It's bad enough that they don't accept to be helped and prefer to retreat in solitude when facing problems because others could really help them when they're feeling down.

However, they don't want to feel in any way weak or to seem like they're depending on people.

The result of this is separation and total loneliness. Very attracted to always be in control, it's also possible for them to discover that if they let others inside their inner world, they may be helped with their feeling of guilt, insecurities and the permanent anxiety that doesn't allow them to love their life to the maximum.

It's very important for natives having Saturn in the 12th house to embrace what makes them feel bad and to become free from all the guilt as soon as starting to accept themselves for who they are.

They should talk about the fact that they sometimes escape reality and question themselves by having long discussions with their alter ego.

Understanding the real world with what this requires and brings in terms of happiness is also essential for them to have a correct perception over what's real.

The more they'll try this, the happier they'll get to be. This house is like a deserted island, so placements here can make people feel closed and wanting as many moments of loneliness as possible.

Their healing and communicative ways with the divinity can't be denied, and they surely understand what it means to be of service, devoted and self-sacrificing.

Surrounded by shadows, Saturn makes them feel a guilt they can't escape, so being happy and working with a defense against what's hurtful can seem impossible for them.

In spite of the fact that they're loners, all the Saturn in 12th house individuals still have a need to become part of the collective.

They may become religious fanatics, spiritual guides and even junkies just because they're looking for happiness and to escape their constant feeling of guilt.

Saturn in 12th house indicates people with this placement will spend a lot of time alone and even in exile as loneliness simply makes them feel better.

Because they can't express their thoughts very clearly and are often misunderstood, it's very likely they'll want even more to be left alone.

They will fear letting themselves go to a higher power but will still believe the Universe is awake and working.

Saturn guides people meticulously, and when in the 12th house, it asks for satisfaction through mysticism and lonely moments of complete hollowness.

The house just mentioned is strongly related to self-sacrifice and brings a lot of anxiety when dealing with loss.

Natives with Saturn in the 12th house may feel they're going to lose everything they've worked for and there's no one to blame for this but themselves.

Luckily, Saturn will help them fight these thoughts, but it doesn't mean they won't be self-destructive to the point of disease and even illegality.

The 12th house rules also over prisons and hospitals, so you can only imagine what could come out of here.

Individuals having Saturn in 12th house would feel more relieved if dealing with matters of spirituality.

It can be tough to be them because the stability-searching Saturn is in the 12th house of

Pisces that desires the last change to happen and to be given back to the divinity.

What would make people with this placement more confident is inhabiting both the real and the fantasy world. This way, they'd get to know themselves and their hidden ways.

As soon as they'll surrender to the middle ground, wisdom will start coming towards them and they'd be able to bring their great contribution to the society.

### **The goods and the bads**

Saturn will always limit people and place obstacles in their way, no matter the house in which it is placed. In the 12th house of self-undoing, it influences natives having this planet here to be dependable and always of help, regardless of the fact that they may not have someone on whom they could count on all the time.

These individuals have strong emotions and are always feeling like life overwhelms them. Being also the house of imagination and fantasy, people with this placement may have a great talent for the arts.

They'd be able to paint amazingly from their mind and to put their emotions into music. Their right brain is completely developed, so if they didn't train as artists, they should at least write.

While developing their mind in this direction, they may end up seeing a different world their imagination inhabits and take their guidance from here.

It is possible for them to think all they create with their mind is real, but with a little bit of self-control, reality will always be in place.

They will probably become very famous if they'll learn something having to do with the arts from an early age.

Talent and imagination need to be trained, so parents of Saturn in 12th house children should know what to do for their little ones to end up choosing their right path in life.

As adults, they're generous and flexible, so many different people will want to be their friends for a lifetime.

Because they'd accept everything others suggest, many people who scam others for a living will want to fool them. In this situation, only Saturn can help them gather their forces and say "No" when the situation s them to.

Either way, they should always pay attention to whom they're trusting. While the same planet makes them want pursue noble activities, they will always be terrified of letting others down. This is what will impede them from moving forward, no matter if it's about

their career or personal life.

Analyzing a situation before taking action or realizing in some situations they can't act alone are also very good ideas for these people but they, however, hate to ask for any help and keep their feeling bottled up inside, which can start to become dangerous with time.

As a matter of fact, this is what causes them to be insecure and Saturn to always work very hard to put them on the right track. If Pisces would be their Sun sign, the same things would be twice as difficult.

These people regret when losing control of situations, yet they shouldn't allow themselves to feel any remorse about this.

All in all, Saturn in 12th house natives deserve happiness and should be aware that self-sacrifice is never an option.

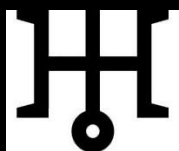

Talking to their friends and family can always have them dealing with problems more efficiently, so this is the strategy they should use.

***Uranus ♅ in ♌ Leo man 28° 6'***

[[1045] i.thehoroscope.co)

**In a nutshell:**

Style: Creative and proud;

Top qualities: Agile, strong and talented;

Challenges: Arrogant and moody;

Advice: Creativity can occur even in the dullest of moments.

**Personality traits**

The Uranus in Leo native is deeply conflicted, as, when beset by their artistic impulses asking for materialization, they don't know how they should proceed, not to mention the moments when they crave endless praise from everyone.

However, their passions are not always worthy of being presented in public, nor would they be appreciated to their full extent.

There are plenty of ways to have fun and impress others, and they are trying to find all of them, sometimes focusing too much on one of them, even risking being mocked.

These natives won't like to have their creative reflexes inhibited by anyone or anything. If need be, they'll even revolt against the social order, try to organize meetings to fight against this oppression.

Involving themselves in many diverse fields of art, ever-evolving toward their goal of achieving an even higher artistic sense.

Uranus' influence when residing in the sign of the Leo, refers to the individual and its subjective self-matters much more than in other transits, to the point that the Leo might be perceived as eccentric, egocentric, or narcissistic.

There is a very high potential for success here, as a result of the elevated levels of raw energy rumbling through their bodies.

The Leo Fire sign doesn't like to get out his comfort zone, and even though he is a very

enthusiastic and welcoming individual. The influence of Uranus makes one individual quite impervious to change.

Rational, logical, with a certain lack of empathy to allow for precise calculations and observations, this native efficiently paves the way to their goals, avoiding any sort of distraction, of the emotional sort mainly.

Confidence and self-awareness are intensified and become the very guiding posts of the Uranus Leo through life.

With a creative power at their fingertips, that even artists would shudder to witness, these people would be ignorant not to use this flair of theirs to reach for the skies, to fulfill their innermost dreams, and to achieve their fullest potential.

There are plenty of outlets that would allow them to express this artistic force, and it would raise their self-confidence by many-a-fold. At the same time, they protect their ideas with reckless abandon, letting no one get in the way of their advance.

The sheer spontaneity of the Uranus Leo makes it so that these people can't stay in one place for too long, and they won't allow others to control them.

They only need a purpose to follow, and everything will fall into its place. With enough passion and self-awareness to outdo most people, these natives are perfectly suited for bringing down the social charade, to change the world and bring it to a whole new level of existence.

It would be one based on completely new principles, ones sunken in art, the sciences, communion, and so on.

### **Love matters**

When the Uranus Leo falls in love with someone at first sight, it's bound to lead to a streak of crazy events that should, in theory, be good for the future.

However, these people are very unrestrained and don't really care about what others think about them. If they want to make a change, they will do it just like that, and if something seems to be amiss, they won't hesitate at all.

If at first, they are going to profess their eternal love and shout it to the moon, after just a couple of weeks, they could come to the conclusion that it was a rushed decision after all.

With a dramatic approach to most situations, this native just loves to be at the center of attention and to shock everyone else.

No chains shall hold this one down! Boring and tedious relationships where there is no potential for further development are quickly abandoned.

This native wants to have fun, to live life to the peak of pleasure and entertainment, to experience the world like no one else has before.

### **The good and the bad**

Those with the Uranus in Leo transit in their natal chart will never give up before trying their best. Success only comes to those who want to achieve it, and with their skill set, they don't need anything else than strong willpower.

They are creative and have many great ideas, a lot of friends who would help at a moment's notice, so the rest is up to them.

Egocentrism, a complex of superiority, sometimes going so far as to evolve into a God complex, a ruthless attitude in front of opponents.

These are the major negative traits of the Uranus Leo. Whenever he's not trying to overshadow everyone else with their perfect plan, they're doing their best to destroy the efforts of their enemies, completely eradicate any chance of the latter taking their spotlight.

Actually, because they love being in the center of attention so much, they are capable of the utmost cruelty against competitors.

### **The Uranus in Leo man**

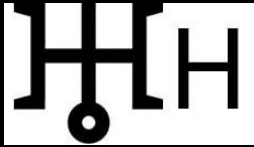

This man needs empathy so much that anything else is secondary. When he sets his mind on a plan, he becomes very embroiled in its making that he loses focus of other people's feelings.

It would be far easier to enlist the help of other like-minded individuals to help with the implementation of an idea, but with the way he's acting, no one's going to stay for too long near him.

He could create quite a brilliant situation for him, filled with everything he could ever wish for if only he would avoid getting into pointless conflicts with everyone he meets.

These aggressive distractions are nothing but an obstacle in the path of his unstoppable march towards the future.

## ***Uranus ♃ in V 5th House***

([1057] i.thehoroscope.co)

This placement of Uranus encourages people to express their creative thoughts in unusual ways so often they manage to keep those close on their toes.

People born with Uranus in the fifth house in their birth chart usually do things their way and have very creative minds. It's easy for them to deal with change, and as a matter of fact, when things are not stuck in a routine in their life, they seem to get pretty inspired.

Because the 5th house is about love and Uranus is placed here, they may be the most unusual people. It's also possible for them to enter a relationship and soon after to end it abruptly. The more original and eccentric people are, the more they feel attracted to them. It becomes essential for these natives to have a lot of freedom when it comes to romance, or else they simply run away as soon as feeling tied down.

Because they're charming, these people attract many admirers and like to pursue their relationships with enthusiasm. If they're to be parents, expect their children to also be inventive, individualistic and even rebellious. Because they don't mind taking risks, they'll probably do extreme sports and get involved in all sorts of activities that might put their lives in danger.

### **Summary:**

Strengths: Ingenious, thoughtful and warm-hearted;

Challenges: Restless and procrastinating;

Advice: They should learn how to cope with boredom too.

### **Keen to experiment**

Natives having Uranus in the 5th house will always express their creativity in the most unusual way. Really uninhibited and free, they know how to live their life and usually don't care that much about the rest.

When having to express themselves spontaneously, they're the happiest. Very playful, these individuals don't mind casual romances and can leave behind any person that seems dull and unenthusiastic.

Many will be in love with them and they won't mind in any way to be in the center of attention. They need to be seen as unique individuals because this makes them feel

they can bring their contribution to the world in a more efficient manner.

Everything in their life has to be experimental and to have something to do with the new or to get them involved with others belonging to different cultures. The soul of these people needs to be free and to love whomever it wants.

In case Uranus in their chart is in an angular position from Saturn or this latter planet isn't in high aspects, the natives of this position get to be very romantic and wanting to play with love like they would do with a game.

However, things can be different if they have many planets in Capricorn. Their relationships are usually considered to be unusual because their heart needs to be involved in something controversial when it comes to displaying affection.

They can also move from partner to partner as they're very spontaneous and being constant does not at all come natural for them.

When Saturn isn't in any way strong in their chart, they will feel bored when not challenged all the time by a romantic affair.

The 5th house is the ruler of love, flirtation and one-night stands. Uranus here means natives with this placement have an erratic romantic life because they're all the time changing partners and deal with all kind of an expected situations.

They're the type who falls in love at first sight because Uranus makes things move faster. But don't think their relationships will last long considering the same planet can cause unexpected things to happen and for beautiful affairs to end without any reason.

Not to mention these people are not at all emotional and seem to enjoy being the ones who end things with their loved ones. Expect them to just want to break up out of the blue, so if you happen to be with one of them, make sure you understand his or her psychology.

Individuals with Uranus in the 5th house should be aware of the fact that they can hold on too long to a relationship, so they should establish from the start if they're only looking for a fling and not to get involved.

This way, they won't break any heart. Obviously, when Uranus is in difficult aspects with some other planets in their chart, the natives of such placements can be very dramatic, the type who ends things abruptly and who enjoys extreme situations.

Their eccentric ways may cause problems even after their relationship has ended, so breaking up from them isn't easy. The main reason why they don't want to be involved for too long is that they're feeling all the time constricted or repressed, so they want to

rebel against what's happening.

Uranus is the planet of the unusual and at the same time of individuality. Usually, everything that happens with this celestial body is weird and strange. Its 5th house placement drives natives to be shocking in order to see how others react to them. Not to mention it's possible for teenagers with this placement to fall in love with older people, yet their affairs wouldn't last for too long.

### **Blessings**

Not very serious, natives with Uranus in the 5th house need to be free and to do what they want. In conclusion, they're very independent and should have friends or partners who understand them for who they are.

They like their opinion to be considered, so if one of their loved ones wouldn't ask them for advice regarding something serious, they'd get to be very upset.

When Uranus feels comfortable in the 5th house, the natives of this placement really know how to love themselves and they're very objective when it comes to what they can do and their own limits.

They can also see the uniqueness in others and want to make friends with those who have the same hobbies as them.

These people know what works for the masses and usually don't look to observe what actually works for themselves. That's why they make great team players who love to work for the greater good.

Many would want them to lead because they demand respect and truly have consideration for others. What these people need to learn is that relationships involve compromise, which isn't always a bad thing.

Having a big ego can often work against them, they should be aware of how to pay attention to others and also of how to listen more often because many don't want anything to do with them when they're not struggling to become better.

### **Challenges**

People with Uranus in 5th house love being in relationships because they think it's fun and their flirtatious nature doesn't let them to not enjoy love, no matter if they'd just be thinking their connection with the partner is something casual or long-term.

Magnetic and charming, they're always surrounded by people who want them to lead. Uranus makes them quirky, but not everyone will get them for whom they truly are.

Those who really know them can't deny they're the most irresistible people on Earth.

Always wanting to do something special that differentiates them from others, they attract adventure and people who don't mind living new experiences with them.

In case Uranus is in a challenging position with the Sun in their chart, the natives of this placement may feel like their father doesn't appreciate them.

Therefore, they can have the father complex and always want to perform to prove the man that raised them that they're the best. This usually happens with many artists who become famous just to show their father who they are and what abilities they have.

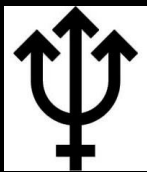

It's important for people having a challenging Sun-and-Uranus position to be aware of the fact that not being recognized doesn't have anything to do with love.

The more they'll learn to appreciate themselves without needing the approval of their father, the better they'll deal with their memories of being rejected, which can be buried in their childhood or even past lives.

The same thing would help them be in contact with their creative side and become really effective when it comes to making art.

They usually learn how to obtain what they want when children, so they don't have any problem finding a partner or attaining their goals when adults. Uranus will always help them explore each and every option they may have in life.

## **Neptune ♆ in ♉ Taurus man 19° 30'**

([1066] i.thehoroscope.co)

The position of Neptune in your natal chart reveals how intuitive and dreamy you are and whether your life takes any spiritual turn.

One who is born with Neptune in Taurus in their natal chart, borrows from the indulging nature of the latter and the tendency towards dreaming and introspection of the former.

They love the idea of living in a luxurious and comfortable house with a glam and expensive design, and they are able to get it by working passionately their entire life.

Of course, achieving wealth is really hard to be done, but once they will fix their passive

attitude and start seeing their dreams as reality, they will pass every obstacle, even if it's a financial or personal one, and they will end up fulfilling their dreams and living a happy life.

**In a nutshell:**

Style: Patient and understanding;

Top qualities: Romantic, dreamy, reliable;

Challenges: Possessive and materialistic;

Advice: Physical exercise could help you get out away from monotony.

**Personality traits**

It's definitely true! Neptune Taurus natives can be classified as dreamers, and they have many thoughts about how much expensive their possessions should be.

Their intelligence and ambition will help them get more than they will propose initially because they are materially-oriented.

This materialism will make them manage every situation properly because their practical mind acts as an incredible ability which overcomes any challenge and always fixes their problems in a productive way.

When it comes to their personal life, they might be a little bit more insistent, because once they fall in love, it's going to be hard for them to let the partner go.

Their ideas are best when put into practice, and they are very practical when it comes to this, preferring to build upon realistic plans, rather than going forward with improbable and idealistic desires.

Usually, they capitalize on their artistic sense and the sense of aesthetic construction that animates each and every one of their ideas.

However, these natives are not good when it comes to organizing their financial situation, but due to their highly adaptable personality, they will eventually reach an acceptable level in this domain as well. Moreover, they are flexible enough to survive in almost any environment.

The Neptunian Taurians might try to convince others of the truth of their own ideas, in a constant process of persuasion, a holy war of some sorts that they fight endlessly.

This is not exactly the ideal path for them, since the sense of satisfaction that they get when someone validates their perspective is not truly a reason to be happy. True happiness and fulfillment come from one's own revelation, from the individual enlightenment, not from making others see the truth.

Helping others reach their own understanding of the world is better than imposing your own viewpoint, and it leads to a greater satisfaction later on.

Moreover, their aesthetic skills are off the charts, and they will try to create their own understanding of the world through their own peculiar methods.

### **The positives**

Those natives dominated by Neptune in Taurus have such great artistic abilities, being art lovers, that they use their artistic eyes to reflect the perfection in their material possessions.

They also use, as a veritable source of inspiration, their beloved partners which are the most angelic creatures on Earth, in their eyes.

You will see that once they are in love with someone, they get in touch with nature very often, and they start to appreciate their beauty at a high level.

All this makes them feel, from head to toe, a beautiful sense of freedom, which will definitely entertain their happiness and satisfaction. They are definitely the ones that best know how to enjoy their spare time.

### **The negatives**

Because they are born with the assurance that everything will work perfectly every time, even their craziest dream will become reality, just imagine how disappointed they will become when they will realize that life sometimes punches you in the face and destroys all your dreams.

There is a big risk for these natives with Neptune in Taurus to start getting depressive and anxious, and even having confused states, not realizing why their perfect picture about the future got broken.

It is very hard for them to move on after a breakup, and there are a lot of chances for them to become angry and frustrated.

They have a really patient attitude, but if you pass the limits, you will have in your face a totally different person. At the end of the day, they will find the power to get up and start everything from scratch but before they do this, they will take all their negative feelings out.

### **The Neptune in Taurus man**

These men are truly one of a kind when it comes to relationships. They love very passionately and with great intensity. This can be seen from their overall attitude and how they take care of their partner.

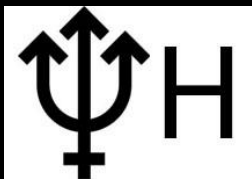

Most of the time, they'll be willing to give up on their own comfort, just to bring a little bit of extra comfort to their lover. Moreover, they extract great working energies from that sense of personal fulfillment of having someone to help and support them.

Relationships really bring out the best in them, both professionally and emotionally. You may notice that the man with Neptune in Taurus puts a lot of effort into taking care of you, and he would greatly appreciate it if you express your affection in return.

They tend to overlook the importance and significance of their efforts, and it's always good to hear words of appreciation from others. Little things matter the most, and what is simple has always attracted their attention.

Telling them you love them early in the morning, cooking for them when you know they're coming late from work, these are small things that matter a lot to these men.

## **Neptune ♃ in II 2nd House**

([1078] i.thehoroscope.co)

This placement of Neptune influences people to behave in less practical ways and so their money will always get spent on more or less useful things.

While they don't like to admit it, people born with Neptune in the second house of their birth chart have problems with their wealth and possessions. They tend to spend too much, so their life pretty much revolves around having to pay debts.

It's like they don't have any financial judgment, which means they should have someone to do their accounting for them. It's also suggested they're not dishonest because this can cause them more problems with money as Neptune in 2nd house wouldn't allow anything illegal to happen.

### **Summary:**

Strengths: Elegant, indulgent and sociable;

Challenges: Unrealistic, resentful and superficial;

Advice: They should beware of too much speculation.

### **A challenging position**

As said before, Neptune in 2nd house people prefer to say they don't care about money,

so perhaps karma gives them many problems when it comes to owning things and bringing in the cash.

It's possible for them to pursue an interesting career, but they shouldn't trust too much their own ideas because these are usually unrealistic.

They should advice regarding their finances because they lack practicality and don't seem to have any luck when trying to hold on to a budget.

It's like they can't think of solutions to generate a good income as they're always using their intuition and don't pay too much attention to what logic is telling them.

These people dream wealth will come to them one day, and that they'll get to be very rich. Maybe this will work, especially if they'll trust themselves to be able to accomplish something in their life.

In case they struggle to make a living, it's suggested for them to revise their attitude towards money and to appreciate themselves for their own true value.

When Neptune is in good aspects while residing in the 2nd house, the natives with this placement may feel they're rich regardless of how much money they have.

This is a good attitude to have because great things regarding their finances may happen one day for them.

The situation in which Neptune is in challenging positions, they may not ever be practical and their money will always get spent on useless things. They can even be too generous, so they should avoid situations in which they may need to give away their money or to negotiate business.

Therefore, Neptune in 2nd house individuals are impractical, confused and even chaotic when it comes to the financial aspect.

This position also suggests they may have dreams about earning a lot, but this can't be in any way beneficial for them because if they wouldn't do anything about it.

They're also easy to trick and usually get involved in schemes that promise them quick earnings.

Many people will tell them about opportunities for tremendous wealth, and they'll invest without taking a closer look at what's being presented.

It sometimes seems impossible for these natives to see reality as far as money goes. If they'd be more discriminating and interested in materials, they'd also be able to identify

opportunities that can bring them everything they want.

It's also important for these people to learn how to say no when someone is asking for their financial help because they're usually the type that would give up everything so that others become emotionally available with them.

Not to mention they're also sympathetic with those who happen to have less. It's the planet Neptune that gives them this compassion and that in the same time drives them to give up what they have until ending up depending on others for money.

Often times, the placement of Neptune indicates where natives are the most helpless in life. The house with this planet reveals the areas that leave people unhappy with their achievements.

### **Creativity enhanced**

Neptune in 2nd house people are quite detached, which means they can face many financial difficulties because they have either literally lost what was in their wallet or gave it away to those who don't deserve it.

As a matter of fact, Neptune's role in the 2nd house is to make them very imaginative and not the at all lucky when it comes to materials. It's like these natives are the victims of bad fortune.

They'll have unpaid bills and prefer not to think of them until one day, they'll wake up without electricity or water. Banks will repossess their house or car and they'll think there's still a way out of the situation.

There is also the possibility when Neptune is in a beneficial position in the 2nd house, which means the natives will manage to get their hands-on money, no matter how rarely they'd be thinking about this issue.

This is a great thing, considering Neptune rules over creativity and makes people poets, artists and sometimes addicted to alcohol and drugs.

Therefore, some Neptune in 2nd house natives can make a lot of money from painting or writing books. Many of them will be nurses or pharmacy assistants because they're good at dealing with different substances.

As a passive celestial body in astrology, Neptune is definitely not ideal for the financial aspect when it's placed in the second house.

Needless to say it again that it makes people resentful towards material gain and fortune. Individuals with Neptune in 2nd house lack practicality more than any other people who have this planet in a different house.

They will not pay attention to how much they're spending and definitely not think about their finances as of a priority.

If it happens for them to be very wealthy, expect excessive spending and for them to give away their money without thinking too much.

In case Neptune is in negative aspects with Mercury or Mars, it is influencing natives to be easily tricked by all sort of religious charlatans. They will spend money on books saying they should change their faith, but also on concerts and many other forms of entertainment.

This happens because Neptune needs to be satisfied when in the 2nd house, and its desires can be pretty expensive to satisfy.

When it comes to art, this planet has the finest tastes. It's often that people with Neptune in 2nd house give their last penny for tickets to a concert rather than keeping it for food or something else they may urgently need.

This is a behavior that leads to bankruptcy, but still, it won't make them feel in any way desperate or depressive as they wouldn't even care they no longer have anything left

If Neptune in the 2nd house is in trine with any of the planets that bring fame or even the Moon and the Sun, and these would be in the 10th House, the natives with such placements can become famous for their generosity and availability to give everything they have to others.

Another problem individuals with this placement have is not knowing their own value and for how much their work should be appreciated.

In the situation in which they'd be artists, everything coming out of their hands would have a spiritual note because this is the direction their personality tends to take.

### **The goods and the bads**

Natives with Neptune in 2nd house are full of ideas and have great taste, which means they also have a special way of seeing the world.

Many will be impressed by their vision and encourage their career or hobbies. It's important for them to believe in themselves because only this way, others will get to recognize their efforts.

Neptune in 2nd house indicates that if they'd have clear objectives, they would also be able to work hard and make their dreams come true.

These people shouldn't let anyone tell them that what they have in mind is impossible. If they want to join a cause or charity organization, they should just not care about what others have to say and just do it.

Their energy needs to be invested in something they actually love, no matter if this brings them any money or not. Being happy seems to be enough for them, so they should go ahead and do what their heart is telling them to do.

Furthermore, they need to pay attention and not rely too much on their intuition as far as business goes. Their great ideas on how to make more money are not always the most realistic ones, so they should count on others to suggest them what they have to do for more wealth.

In case they refuse to do so, they may need study a lot and watch their strategies are, in order to be as effective as possible.

Living only in a world of dreams won't do them any good. In case they have been raised in a wealthy family, they should think carefully what needs to be done for their finances to remain the same as they can have a too optimistic attitude when used to have everything they need.

When feeling things are not going in the right direction from a financial point of view, they should take a look at what responsibilities they have because it's possible they may still be able to come up with a remedy on their own.

## **Pluto ♇ in ♊ Gemini man 12° 37'**

([1091] i.thehoroscope.co)

The position of Pluto in your natal chart reveals the transformations due to take place in your life and how you channel your core truths and restorative power.

The natives born with Pluto in Gemini in their natal chart are incredibly intelligent people who roam through life uninhibited, winning out the social games, and planning further down the road for their future.

With innovative ideas and a panache for getting down to the barest of details when confronted with a problem, they always seem to find the simplest solutions to the most

complex problems.

This innovative attitude comes as no surprise, however, because when looking at the sheer amount of knowledge they have amassed, it becomes obvious why they find out exactly what's wrong in any given situation.

**In a nutshell:**

Style: Versatile and curious;

Top qualities: Attentive, adaptable and inspired;

Challenges: Superficial and rushed;

Advice: Don't go the moment boredom gets installed.

**Personality traits**

Because they are detail-oriented, witty, analytic, and communicative, the Plutonian Gemini natives thrive in society when surrounded by people, discussing the many existential dilemmas, investigating the latest gossip, and so on.

Interested in the things that not many would look at for a second time, the mysterious and the enigmatic, they sate their curiosity with whatever they find fit, without much concern about what others believe of them.

The problem appears when they have to focus on going forward with a plan for a prolonged period of time or even getting through half-way. Usually, if they even have the inspiration to initiate a project, they'll quickly lose interest if things don't advance as quickly as they imagined they would.

When these contradictions appear in their thinking, making it harder and harder to concentrate on a singular idea, they get their energy from social interaction.

Love and affection are also very beneficial to their state, as it points to them they are appreciated and that it's worth it to have a bright outlook for the future.

In this sense, they want to help create a better world for everyone else as well, and if they can make the smallest contribution, they won't hesitate anymore. Considering how curious and flexible they are, changes around the world would intrigue them for the most part, before being an inconvenience.

They adapt pretty quickly to new situations, always modifying their approach to achieve the best result, and some would even be shocked by their sheer versatility.

**The good and the bad**

One of the best things about the Plutonian Geminis is that they never stay the same person you once knew.

Constantly immersing themselves in deeper and more intense experiences than ever before, they reshape their thinking patterns continuously, ever evolving, ever becoming better. As for whether this is something annoying or irritating for others, it's not.

You just can't get bored with one of these natives around. They will twist your brain with mind-numbing information, and knowledge you never even knew existed.

They should learn to take a step back, and look at the general picture, instead of obsessively analyzing the details.

In a relationship, they can be very understanding and tolerant, because they have seen everything there was to see, and they are also very keen on trying new things.

### **Pluto in Gemini in love**

When Pluto last transited Gemini's astrological space, it was a time of relative freedom for youngsters as far as sexual matters went. They were free to marry whoever they wanted for the most part, and this was a sign of the ever-growing expansive mindset of society.

This period of great evolution on this front has changed the perspectives on love of both women and men and should translate in a very relaxed attitude of the future Pluto in Gemini natives.

They perceive romantic relationships as having all to do with how one feels and not with material motivations. They are flirty and young at heart and will walk hand in hand with their significant others.

Sometimes, in a couple, they talk as if there wasn't enough time in the whole world, each of them living in the moment.

### **The Pluto in Gemini man**

These men have most certainly learned the lesson of their ancestors and will resort to peaceful negotiations and persuasion.

They will make you go their way without you even realizing that you are being convinced and that is not really your opinion.

The Plutonian Gemini man might be viewed as lazy and not very interested in the betterment of society, especially given their changeable nature.

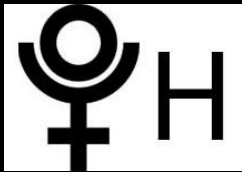

But there is nothing falsier than this, he will tick his fair share and beyond, but he does this in a rather inconspicuous manner.

Some men may fall prey to pessimism and loathing the state their life has reached but it

is important that they don't break social contact during these times because this is their ever-to-go-to pick up.

Pluto's influence, along with the two-sided nature of Gemini, grant this man the ability to overcome the most desperate situations and change their outlook to a more optimistic one, perhaps in a matter of days.

## ***Pluto ♇ in III 3rd House***

([1103] i.thehoroscope.co)

This placement of Pluto makes people want to solve mysteries, to increase their knowledge and to expand their minds, all of this against the normal flow of society.

Pluto in the third house is responsible with how one communicates, how the sharing of ideas goes through in a harmonious and responsible way.

Their social relationships are usually very good and efficient because of this talent for communications. Of course, things could go haywire instantly, without any apparent reason, just because their planet sent too many negative vibes.

If something attracts their attention, or someone for that matter, it will turn into an obsession right away. With them, it's either all in or nothing at all.

### **Summary:**

Strengths: Witty, curious and enthusiastic;

Challenges: Impulsive, stubborn and indecisive;

Advice: They need to be careful with the risks they are taking.

### **People of great intellectual depth**

One of the things that set these natives apart from the rest of the people is that they never take everything at face value. It seems like skepticism is an innate trait, but it doesn't matter either way.

They will try to reach their own version of the truth, to investigate and inquire into the nature of things, to find out whether the presented information is accurate or not. It's no use telling them anything, they won't listen to you.

The Pluto in 3rd house natives want to solve mysteries, to increase their knowledge and to expand their minds, all of this against the normal flow of society and its members.

They can take on any profession, especially if it has to do with one's spirit of observation and analysis skills.

They can make an excellent psychologist just as they would shock the world with their ideas as a scientist.

A criminal mastermind as well as a physicist, a mind-reader and a hypnotist, or even a cryptographer, they can become anything they want.

Even if they might appear as distant or disinterested at times, you can be sure that they are actively listening and registering everything.

Depending on the ruling sign in the third house, they can have many different preoccupations and personality types.

These natives are people of great intellectual depth and have a deep curiosity, seething with passion and endless interest in exploring the world.

They want to experience as much of it as possible, learn and accumulate knowledge, establish their own principles and understand their own identity.

This path of initiation, of self-revelation and self-reflection, will create some issues though, mainly related to how they must eliminate the old to receive the new.

This conflict that goes on inside of them is called cognitive dissonance, the contradiction between what the individuals know to be true and new information that goes against his knowledge.

This expansion of the mind translates to an increase in words spouted per second. Just kidding, but the Pluto in 3rd house natives are notorious for ranting and rambling on and on, constantly, until you shut them up forcefully.

Communication and harmonious exchange of information, these are the basic founding principles in their case. The process of assimilation never stops, knowledge keeps pouring in, and their needs get even more substantial.

Inspiration comes from their philosophical method of perceiving the world, what they attribute to being the essential thing in life.

Being in equilibrium with this mindset and with the world itself is the proper path toward the self-illumination that these natives want to achieve.

### **The goods and the bads**

The good thing about Pluto's influence and energy is that it allows these natives to become better, happier, superior, and to achieve a higher level of existence by accumulating knowledge, by seeking to answer life's greatest and most profound questions.

Why do we exist? What should a man do in order to be happy? The meaning of life is still a matter a debate, as it has been ever since man had the first thought.

The bad things, on the other hand, have to do with their tendency to search for a dark and sinister answer. Even more, they are naturally attracted to the morbid and mysterious aspect of life, the unknown and the abyssal.

The feeling of empowerment that comes with knowing things that the vast majority of people don't know is too fulfilling to kick aside.

They have an unbelievable capacity to absorb information, and an endless curiosity to put to good use.

What do you think the Pluto in 3rd house natives do when they're confronted with difficulties or the path to their objective is fraught with obstacles? Do they stop or retreat?

This is the last thing they would do, in fact. Whatever catches their intrigue and interest is as good as taken, and they will not stop until they have either succeeded or exhausted their potential.

Generally, they become extremely focused and aware of their surroundings, being able to make split-second decisions and deal with anything coming their way.

If it's about inquiring about the very nature of something, then the Pluto in 3rd house natives are the most profound ones out there.

These natives are very sure on their own thoughts and opinions, so much so that people admire and respect their confidence and let them speak without interrupting.

It's just like an orator holding a speech with everyone listening to every word, dying to hear the next parts.

They tend to digress and focus on the details, a little too much in fact, and this may detract from the attention and interest that the others give them.

They need to realize that there are a lot of things to be considered on the path toward

self-development and evolution. The higher levels of existence are attained through awareness and insight.

In communications, they have to take a step back, pay attention to the topic, and to what they were going to say.

Sometimes, they have to soften it a bit or make it more aggressive, based on the present situation. Anyway, their choice of words and tone must be managed before unleashing the torrent of ideas.

And it is a torrent because the natives with Pluto in the 3rd are overly-dynamic and ecstatic. About what? Anything and everything, really.

The only real problem they will ever encounter is if a subject turns up that they know nothing about. That's when their confidence drops by a large margin and those existential questions start popping up.

### **North Node ♏ in ♈ Aries 20° 31'**

(Georges Muchery)

The Dragon's Head in Aries enables the native to undertake daring deeds with every chance of success; and he should not hesitate to go forward. Fortune favours him. This position indicates rashness that is profitable. It is also lucky for love; but after much torment on this account. In a critical situation, the Dragon's Head in Aries helps the native to extricate himself from trouble. It is similar to the Square in an unfortunate hand; it is the antidote to misfortune.

The Dragon's Tail in Libra prophesies lawsuits connected with material questions. It also means disputes in the home and danger of separation. It is not a good position for the spiritual evolution of the native, as it makes him practical (often too practical), which may lead to trouble with the law, or with those with whom he comes into contact. This position, especially in the fifth house, shows anxiety on account of a child. Nevertheless, if the Dragon's Tail is in the third decanate of Libra and is well aspected, it is sometimes an indication of material abundance and increase of possessions. But money does not always bring happiness, and the native will realise this.

(Isabel Hickey)

North Node in Aries gives self-assertion and a progressive nature. Should develop independence and stand on their own convictions. Personality should be brought to full development. Before you can give yourself away, you have to have a self to give.

South Node in Libra shows there has been too much emphasis on leaning on others and letting them run the life. Now this person must make his own decisions whether they are right or wrong. Growth comes through one's own expression and experience.

(Martin Schulman)

Here the soul is learning the lessons of self-consciousness on the most elemental levels. Experiences in prior incarnations did not permit the Self to form as a singular identity. Now the individual is paying the price for the indecisiveness of his former lives as well as learning how to rise out of his confusion by developing 'onemindedness'.

Highly susceptible to flattery, he goes far out of his way to do the things he believes will please others; but because he has not yet himself gone through ego identification, he becomes confused as to what course of action to take. Always trying to balance those around him, he finds himself to be the eternal referee between two or more opposing ideas, people, or conditions. Standing in the middle, he assumes the role of the buffed trying desperately to bring harmony to both sides at the same time. From moment to moment and day to day, he seesaws from one side to the other, hoping that he will never be required to take a definite stand!

In prior lives he judged his happiness by the successes or failures of those close to him. Now he continues to identify his life through others. His confidence can easily be shattered, for he hardly yet knows who he is. By confusing the collective needs of others with his own unrealized desires, he makes himself susceptible to long states of depression. Still, no matter how drained he feels, he continues this past-life pattern of seeking out people with whom he can identify.

At times he develops resentment at his inability to pull the opposite parts within himself together. Yet he is so used to entertaining solutions to contrary ideas that he keeps creating more.

He is attracted to music and the arts, feeling comfortable in an environment that is gracefully delicate. When circumstances around him become coarse or brittle he loses control.

He doesn't like to live alone but desires to be left alone. For his own peace and tranquillity, he must learn to overcome his enormous sensitivity to all the disharmonious needs of those around him. He does this best by dropping the attitude that he must fight for his very survival and refocusing his attention on what positive thoughts help him to develop his own identity.

In past incarnations there was great sacrifice to others which was not fully appreciated. Now the soul reincarnates with traces of resentment at not reaping the rewards of its efforts. This brings out the contrariness of the Libra South Node and actually prevents the individual from finding his real Self! The North Node can come out only when the South Node is brought to the highest possible karmic level. Thus, this individual will achieve his greatest potential after he learns to serve willingly, without desiring any rewards beyond his own self-growth.

He was impressionable in other lifetimes. Now he spends at least the first half of this life coping with the leftover residue of his own gullibility. As the years pass, he becomes an avid reader, which helps him to crystallize his thoughts. Still, there are so many past-life habits of indecisiveness that he finds it extremely difficult to make concrete decisions.

Always liking to see both sides of everything, he divides himself in half at every crossroad. When these divisions become so painful that he can no longer bear his own indecision, he starts to reach for his Aries North Node.

Ultimately he learns not to be afraid of taking a stand for what his higher Self senses is Truth. He reaches this by teaching himself to be an individual, rather than an extension of somebody else. Still, he must build on his prior incarnations which taught him how to love rather than hate. Thus, as he starts to find himself, he must still be mindful of how his newly-discovered assertiveness influences those close to him.

For short periods of time, he will have to isolate himself in order to gather his strength.

His biggest lessons center around learning how to make his head rule his heart, for he still melts too easily at the slightest attention.

Of all the zodiac, this individual has the least amount of past-life experience in examining himself. Now he must find out who he really is!

In the current life he is destined to make the transition from the reaper to the sower, whereupon every thought becomes a creative seed for his new beginning.

The house which contains the South Node shows the area in life where too much past identification with others inhibited self-development. The house which contains the North Node designates the area where the Self is now experiencing its birth. Once a new sense of Self-identity is achieved, this individual will feel like Columbus discovering America; and the most amazing part of his discovery is reaching the awareness that it was there all along, but he never knew it.

Previous incarnation for this person was very easy-going and in considerable luxurious surroundings. Good things in life were the main pursuits for this soul. Learning on a mental level was very important for him. In this lifetime, he has to work with actions and aggression. Things are not always balanced for him now. As a result of this, he has to utilize all the means he can within his energies to carry through his wishes. Impatience and lack of tolerance can cause frustrations for him in this life. His job is tough as he has to keep his feet on the ground and at the same time watch for what goes on well above him. Failure to keep both ends tied up may cause loss of many successful opportunities in this lifetime.

(Donna van Toen)

You need to learn to do things for yourself. Your Libra South Node may respond: 'Yeah, but it's much easier to let others do things for me. Every time I try to do my own thing, either somebody takes advantage of me or I wind up getting somebody mad at me'.

Your major problem is that you are not rational when it comes to relationships.

Possible reasons: You have such a hang-up about being fair to everybody that you bend over backwards for others at the expense of your own individuality. You've stifled your leadership abilities because using them led to friction or discord. You're unable to get started on things without help, due to lack of ambition or self-motivation. Life experiences have over-emphasized the value of leaning on others and encouraged passivity as a means of gaining acceptance.

Possible solutions: Force yourself to undertake leadership roles. Dare to be enthusiastic about your beliefs and interests. Cultivate spontaneity. Do things on your own once in a while. Find a guru to follow. Find a big strong man (or good woman) to lean on.

\*\*\*

With Libra south node, decision-making is often a problem. This is because with Libra south node, there's a tendency to overdevelop logic to the point that it smothers the Aries feeling and acting functions. However, feelings can't be totally ignored. They have a way of coming out and moving you in certain directions whether you choose to be aware of them or not. If they're denied positive expression through individuality and assertiveness, they'll be forced to take a negative route through insincerity, meddling or dependence. With Libra south node, rationalization can lead to irrationality, since feelings get lost in the shuffle. Usually, this dependency on passive intellectualizing is the result of some traumatic experience where feelings have let the individual down. Often he or she has been ridiculed or rejected for reasons that were never clearly understood, and from that point on has decided that feelings can't be trusted. So figuring out strategies replaces feelings. The Libran south noder takes great pains to be sure that all decisions about marriage, job and life style in general are formulated logically and planned

thoroughly. The trouble is that logic without feeling leads to marriage without love, prestige without satisfaction, and existence without living. Eventually depression sets in and logic ceases to function. At that point, Libra south node is forced to get in touch with his or her feelings and take appropriate action, thus attaining a nodal balance between Aries and Libra.

In my experience, the person with an over-developed Libra south node dislikes being alone; asks for help and advice, but then seems resentful of it; spends a great deal of time and money on grooming, cosmetics, clothing etc.; speaks in a monotone or a very tiny voice; is indecisive; is extremely co-operative to the point of being a door mat; has an inferiority complex; is a gracious host or hostess whose door is invariably open to everyone at all times; works hard at romance; and feels sorry for single people, regardless of their circumstances.

North Node in Aries wants to be outgoing. He or she wants to be a self-started, well able to lead and assertive enough to get what he or she wants. In contrast, this person is generally well-liked but inclined to see himself or herself as passive or too shy. There's usually an interest in or talent for art, fashion, editing, publicizing, or some other Libra-ruled talent; but because the person seldom challenges that talent by doing anything innovative, he or she is passed by when the acclaim gets handed out, and may begin to feel resentful. He or she can be sympathetic to the point of becoming a doormat, and may become so enmeshed in others' struggles for success and happiness that his or her own needs remain unfulfilled.

Antidotes for Aries imbalance: Psychological counselling (particularly assertiveness training) is often helpful in learning to utilize the Aries North Node. The client might be advised to write or tape a statement of his or her philosophy of life, including a list of goals for the next year. You may then help the client determine how to best express this philosophy while fulfilling the goals. Scientific study, particularly in the field of physics or physical development, may be recommended if the client shows aptitude along these lines. Any sort of discipline program - from Scouting to the National Guards - could prove beneficial. Travel - preferably alone - is recommended. Leadership roles - particularly in the work sphere - should be accepted.

For any type of Aries imbalance, the catch-phrase should be 'Try something new'. This 'something new' should naturally coincide with some untapped talent, as shown in the chart.

For many reasons, clients may not be ready to embark on a totally new life style. In these cases, a new hobby could prove beneficial. Among the hobbies I'd recommend for Aries nodal imbalance are: any sort of nature activities, from hunting to photographing wildlife, football or soccer, hockey, boxing or karate, enamel work.

(Haydn Paul)

You may need to be more independent and not be reliant on relationships or others' perceptions of you. You should avoid shaping your identity by assuming others' attitudes, beliefs, and values. Lacking self-confidence can result in confusion and indecision, especially when important decisions are required. At times, it may appear that you allow others to decide for you.

Relationships can provide security and stability; and you try to please those on whom you depend. Yet, through lacking self-knowledge, you may fail to acknowledge and respect your own needs, desires, and aims.

Be wary of more dominant influences; you may be gullible and impressionable. If so, you need to outgrow this and assume responsibility for evaluating situations and options. Relying on others will interfere with your choices and major decisions. At times of crisis, a divided self only offers additional confusion and pain; and you need to be decisive to resolve issues.

Try to follow inner promptings - perhaps previously ignored or dismissed 'messages'. Move in the direction toward which intuition guides you. Through developing faith in this process, you can release potential and be true to your nature. In so doing, you can discover how to honor your whole self.

When overly sensitive to others' needs or tending to confuse them with your unrealized and unfulfilled desires, you may experience weakened vital energies, which can create occasional depression. Acknowledge and assert your requirements, and take responsibility to satisfy them, as these are important for integration and personal growth. While a concept of service to others may remain a motivating force, your first priority must be to yourself, so that you integrate your whole being, instead of diminishing yourself through relationship dependency. Once this is achieved, you could serve from a different yet more effective perspective. When you attain inner harmony, energies radiating from you will also embody this quality to benefit others, even though some may find these energies uncomfortable due to their own disharmonious state.

Your new assertiveness also needs to respect relationships, connecting self and others for mutual benefit. You need to be true to yourself and to discover how to cooperate with others. By acknowledging your nature, you can explore relationships to greater depth, enriching them through shared understanding. Often, the Libran energy is activated when you try to unify people, ideas, and situations, operating like a central balance between opposite conditions. The new balance required from you is 'self and others', where you develop balanced attitudes, individuality, and independence, while creating interdependent relationships. The key to this is to transform dependent behavior patterns.

(Bruno and Louise Huber)

Aries is the cardinal Fire sign. It is 'the' sign par excellence, in which selfmanifestation takes place. Here, the 'I' must stand out against the world, and especially against the 'You'. We must be able to say 'Yes' to ourselves, and to express this attitude in our lifestyle. Nevertheless, the way in which the desire for selfassertion is expressed by the Aries native will depend on our state of awareness. Or, to put it another way, the hazier the picture we have of ourselves, the more we resort to force; but the more differentiated our consciousness is, the more subtly we proceed. Yet even when being fairly subtle we still use 'push' - we have plenty of that. The 'I' tends to manifest itself in what may be pictured as a series of pulsations. The same is true when the Moon's Node is in Aries: we try to bring our personality to bear on the world in order to make things happen. This placement of the Node is usually a fairly strong incentive to be creative. Someone with the Node in Aries is incapable of settling down to routine work, even when output would increase. Increased output is not a consideration with Aries; what matters is creating something unlike anything anyone else can create. To produce something creative that is completely personal is the ultimate in self-expression for this sign.

With hard aspects to the Node, there is a danger of over-producing like some sort of 'Stakhanovite'. The native engages in hectic activity, and revels in quantity instead of being creative. However, the individual with the Node in Aries can produce an enormous amount of truly creative work.

### ***North Node ♌ in I 1st House***

(Georges Muchery)

The Ascending Node (Dragon's Head) in the First House is good for the native; it brings him a measure of support which will enable him to succeed in life. It is also a sign of wealth from the intellectual standpoint: a practical imagination, an inventive and fruitful mind. This position is good for the health.

The Descending Node (Dragon's Tail), being in the Seventh House, signifies worries and troubles regarding partners. It often indicates a very material union, so that if the planets are well-placed in the Horoscope this position will be fortunate for money and material things, but where marriage is concerned, not for the emotions.

(Isabel Hickey)

Person must develop his own initiative and his own personal power. Has relied too much on other people in the past, and has been dependent on or dominated by others. Now he must hew and carve out his own destiny. Through his own efforts and his own actions, he will gain the confidence and self-reliance he needs.

(Bernice Grebner)

This person tends to learn to do things for himself, to rely on his own initiative. Life seems to force him constantly into situations where he will have to act under his own volition. He should develop a personality that the public identifies as being individual; and he needs to take a personal stand on things. North Node in the first is forced constantly to project himself, depending upon the sign position. The sign would indicate the reason for the projection of self. He will need to accomplish things through the power of his personality, and to develop self-sufficiency.

South Node in the seventh is self-abnegation. There is danger here that the individual will try to indulge in all kinds of relationships. His partnerships can become so involved that he may lose his individuality in other. This gives the probability that the person will marry successfully later in life. There is always a secret fear of losing the marriage partner. It gives innate knowledge and talent of how to be a good partner. Along with this comes dissatisfaction because of the South Node person's overly idealistic image of a partner. Marriage in this ideal sense may be tried many times and many times denied. He is not rational where partnerships are concerned, especially when South Node is in the sign of Libra. South Node in Scorpio in the seventh is troubled with sexual idealism and / or the partner's financial status. The person is capable of counselling others despite his own personal problems, or more probably because of them.

(Mohan Koparkar)

This condition signifies that the personal values are more important than general public or partnership(s). Individuality is self-propelled; and this person may or may not take heavy partnership responsibility. In reality, the partnership activities are often a drag for them in many ways, but they have to learn to cope with that. Strong aggressive tendencies are displayed, and the personality can be action-oriented. Other people or partnerships become a medium of learning experiences with or without choice. In their recent past life, they have been too much marriage-oriented or in deeper public involvement.

(Martin Schulman)

This individual is here to go through experiences which challenge the self. In former incarnations, he fell into the trap of depending upon undependable people.

Spending too much time trying to help others understand themselves, he never stopped to reflect on how their same situations and circumstances played an important role in his own identity. As a result of putting the accent outside the self, it now becomes difficult for him to see who he really is. This is particularly strong if Neptune is found near the Ascendant.

These Nodes indicate past incarnations in which the individual submerged his identity in the affairs of others. Marriage and partnerships are so deeply rooted in his way of doing things that his quest of self is constantly viewed through other people's eyes. He therefore allows their thoughts and opinions of him to influence his own sense of identity.

Ultimately he must come out of the bondage of trying to be all things to all people, and, in the light of his own singular vibration, establish who he really is. He must escape from living in the shadow of other people's lives.

His soul memories of co-operation and teamwork are so strong that every time he falls back on them, he actually extinguishes himself in the causes of others.

His first house North Node now brings to him the awareness that somehow he has lost his identity. Submerged in the desire to please, he has made himself a reflection of an ideal peculiarly opposite to his own basic nature. This causes him much current life pain as he desires to come out of himself while at the same time not inflict hurt upon those near him.

He must ultimately learn how to assume gracefully the role of leadership. This is extremely difficult, because he has had so much prior-life experience in being submissive. He has sacrificed himself so that others could achieve their goals.

All of his important experiences revolved around docile acquiescence. Now the highest growth potential is to establish a sense of self without shutting off completely the benefits of marriage and partnerships. Too often when he becomes aware of all he has sacrificed through his South Node, he becomes an extremist, feeling that one state of existence inhibits the other. He starts focusing every part of the life energy around the desire to lead rather than to be led. Through an instinctive knowledge that his Achilles heel or weak spot is in the ways that he can allow himself to be put into the position of being taken advantage of in marriage, he develops the tendency to become too over-assertive. He tries too hard to make up for what he feels he has lost.

To achieve happiness in the current life, he must learn how to balance equally his own needs with those around him. He must deliberately try not to rush his own growth and independence, with the understanding that the most beautiful flower takes time to blossom, while only the weed grows quickly!

The sign which contains the South Node indicates the ways in which the individual during former incarnations submerged himself in others. The sign which contains the North Node shows the ways in which he can now establish his own sense of identity.

(Donna van Toen)

Conflicts: Good self-projection in terms of being true to self vs. good projection in terms of appealing to others. Excessive worry about partner's well-being vs. attention to your own well-being. Self-generated vitality vs. dependency on others for stimulating vitality.

Possible results of sacrificing North Node: You become dependent on the cooperation of others. You lose awareness of your own feelings about things. You lose your identity. You sacrifice yourself so that others can achieve their goals.

Possible ways to integrate North Node: Learn to accept leadership roles occasionally. Remain sensitive to your environment, but try to avoid being overly influenced by it. Travel - preferably on your own. Seek direct, honest contact with others. Seek out new experiences.

\*\*\*

In the first house, there's a hang-up about leadership. This person is inherently strong and probably highly motivated, but often lacks moderation in his or her attempts to fulfill a leadership role. There's a fluctuation between playing the dictator - which invariably proves unsuccessful - and a strong lack of confidence in your abilities. You feel if you can't be the ultimate leader you may as well just put your life in other people's hands. Either extreme produces clashes with others, since neither the dictator nor the pawn proves to be a totally comfortable role.

A less common tendency is to not care about how you look. This person, rightly or wrongly, wants to be accepted on the basis of his or her inner qualities. However, again rightly or wrongly, in our society relationships are often initiated on the basis of an attractive appearance. For this reason, those who neglect to develop this facet of their personality quite often don't get to first base when it comes to forming relationships.

It's interesting to note that in the process of balancing the first / seventh nodal axis, the person may for a time develop an almost narcissistic preoccupation with grooming and appearance.

North Node in the first house wants to be thought of as ambitious, energetic, and lucky. In contrast, ambitions may have been thwarted by an early marriage or an unfortunate marriage that was based more on transitory romantic feelings than real love. Feelings about relationships and life in general are changeable, and often make a drain on energy, so that when opportunities arise, motivation to act on them is lacking.

Sometimes there are problems from laziness or passivity.

(Haydn Paul)

Your focus for personal development will concern identity and relationship issues. You may become dependent on others and, in so doing, submerge your identity in the process, perhaps by displaying a passivity to their will, desires, and needs. You may lack self-esteem, as your self-image often reflects others' perceptions and evaluations of you. This can be misleading, perhaps creating a distorted self-perception, particularly since you allow others' views and opinions to influence your actions and behavior. Yet relationships will be important, and you can devote much time trying to satisfy these partnership needs.

You need freedom from dependency on others. Learn how to be more independent and forge a unique identity, instead of relying on others to define it for you. Through self-understanding, you can live by your own light. But, until this is achieved, you probably will remain too influenced by another's persuasion. What may occur is that, through your desire to please others, you deny and repress your own identity, needs and desires; and through misplaced self-sacrifice, lose contact with your deeper being.

While you recognize the value of relationship co-operation and harmony, being too passive and submissive to more assertive personalities becomes damaging. There are alternate ways of relating, however, which can benefit all concerned. Discovering this alternate path is your challenge. You may have to assert your needs and desires in a way which does not create conflict. Perhaps due to previously relying on others to decide actions, when you become more assertive, you encounter friction with those who have almost taken you for granted. They may find it difficult to deal with the emerging 'new you'. Such difficulties must be faced, and relationships must be rebalanced and adjusted; reverting to a submissive or passive attitude will be detrimental to inner growth.

Ideally, this developing self-expression will be balanced with an openness to experience the richness and complexity offered by relationships. Initially, this may cause relationship challenges; and your assertiveness may be inappropriate at times. Careful moderation may be necessary, especially if you suddenly act as a 'new you' overnight, or try to dominate others. You need awareness of how you are treating others as you move from a passive to an active role in your relationships. Care is required as you unfold your personality, and when harmonizing your needs with those of partners. For some, the transition could involve dissolving older relationships and later forming new ones more suitable to the old phase. Growth rarely happens overnight; it will come slowly and with considerable effort. But retain faith that your struggles will create great personal benefit and freedom.

***(Black Moon) Lilith ♀ in ♍ Virgo 23° 37'***

([1142] elsaelsa.com)

**Reluctant Angel**

If you have Black Moon Lilith in Virgo, the pressure you've faced through your Lilith placement have made you thorough, practical, and whip-smart. Your wounds have taught you that "almost" only counts in horseshoes and hand grenades.

However your Lilith wounds have manifested (which is shown through the house placement), you found out early on that the best way to stave off the pain was perfection. Maybe you were the "good" child, or maybe the world around you was so chaotic and messy that you felt you were the only person who was willing or able to clean it up. Regardless, you learned that appearing perfect and not making waves was the best way to survive.

But that knowledge came with a price. You had to partition off whole sections of yourself to maintain that angelic image. And because of this, resentment has begun to grow. Why is it, you can't help but wonder, that everyone is allowed to be flawed but you? Why do other people get to have a dark side while you are stuck polishing your halo? Why have you had to sacrifice your authenticity in service of other people's convenience?

And speaking of service, life can have you feeling a little like a panicking Cinderella, always cleaning up other people's messes because they somehow don't see how bad things are. You see the ways that everything is broken and you try, try, try to fix it all, but things keep falling apart. Or even worse, your attempts to save people from themselves are taken as criticism, leaving people too defensive to accept your aid. It's like you see a tornado barreling toward the town, but everyone around you is out of their front porch just watching it come. Why can't they see what you see?

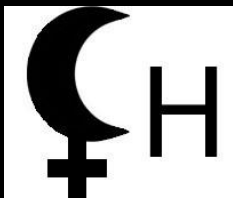

And that's the other real pain of Black Moon Lilith in Virgo. You do see the writing on the wall, but because no one else does, you have no support. You're left alone with your worry and anxiety. You feel a little like Cassandra, blessed with prophecy but cursed to never be believed.

To attenuate this pain, the best bet is to bring in principles from Virgo's opposite sign, Pisces. Pisces trusts and transcends. Pisces trusts that, no matter what kind of chaos threatens to befall you and your loved ones, everything is still working out as it should.

The worst-case scenario rarely happens, and when it does, people still find a way to go on. Pisces also knows that people often need to learn the hard way, so if they choose not to listen, maybe that's part of their path in this life. After all, Pisces is less concerned with serving people's material needs than it is with serving the soul. And sometimes the soul needs to find its own way. Pisces is also a master of wholeness. Pisces is interested in the universal. For this reason, they would never section off parts of their own identity. If everything is one, then what purpose could separation possibly serve? Everything you are is worthy because it is you.

While this is a complex placement and so much more could be written, I'll close here. Just remember. Your generous service is a beautiful thing, and the world needs more of it. But you can't truly serve unless you yourself are whole. Own every piece of yourself and trust that things will sometimes work out on their own, and you will truly be unstoppable.

### ***(Black Moon) Lilith ♀ in VI 6th House***

([1154] [elsaelsa.com](http://elsaelsa.com))

#### **Champion of the Weak**

If you have Lilith in the 6th house of your chart, her themes will manifest in terms of health, service, and work. You will be tasked with reclaiming your power and standing up for those who need it most.

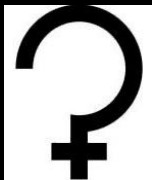

In traditional astrology, the 6th house is known as the house of Bad Fortune. The 6th house is where things outside our control happen to us. Illness, pain, and disability simply happen sometimes, and no one is to blame. But with Lilith here, you have been blamed for your own misfortune, asked to answer for the unanswerable. You may have experience with ableism or other types of discrimination, and have been expected to overcome insurmountable odds while your challenges were minimized and dismissed.

The 6th house is also associated with common people. This is where we as average, everyday people come into contact with those who have power over us. Bosses, landlords, administrators, etc. In an ideal world, those people would use their power judiciously and look out for us and our needs. But if you have Lilith in the 6th, this is rarely the case. Instead, you are regularly on the receiving end of abuse of power.

With Lilith in the 6th, wounds and trauma can turn inward, very literally making you sick. If your pain and frustration don't have some kind of outlet, it can become truly debilitating. Luckily, you can put this pain to good use, advocating for the powerless. I know a good number of people with this placement who have done very good work with animals, at-risk youth, and the elderly. Others have become labor organizers and social workers. One way or another, your wounds must take on a higher form.

While there is much more to be said, I'll leave you with this: You above all can see exactly how power corrupts. You can see the way the weak are stepped upon. You feel their helplessness and outrage. The world needs you to stand up and make things right. To restore order and balance. You have the power to heal us all.

The Unconventional Nurturer

### **Opportunities**

- Inventing new nurturing practices
- Inspiring others to embrace uniqueness

### **Challenges**

- Allowing yourself to be vulnerable
- Embracing your uniqueness

### **Ceres in 11th House**

The nurturing function of Ceres is applied to the collective when in eleventh house.

Instead of nurturing on an individual or partnership basis, the focus turns toward groups of people. An example of this would be running a support group for single parents, a Ceres ruled population.

This is a placement that may like to lead community projects, such as gardens to grow and share food. Building sustainable communal care is important to Ceres' cause.

There is also potential to create new models of nurturing by advocating for creative solutions to current challenges in our societal systems. The possibility of birthing new ideas and frameworks for collective healing is strong.

This can be channeled through social service jobs involved with childcare, family therapy, food services and healthcare.

Friendships can be a source of nurturing, assuming individuality is respected and celebrated. Great power lies in creating networks, sharing resources and fostering

healthy interdependence.

## **Chiron ☿ in ♍ Virgo 1° 27'**

([1253] [astromajesty.com](http://astromajesty.com))

Chiron in Virgo is a complicated placement because these individuals have to heal a wound that's impossible to mend.

These individuals struggle with the pain of trying to be perfect. It is why, no matter what they do, they believe there is something inherently wrong with them.

People with Chiron in Virgo have self-worth issues. That reflects in perfectionism, criticism, and distorted body image. They are persons who strive to be immaculate, to do things right, and to fix every problem.

It is why it's not unlikely for them to be people-pleasers, to take everything personally, and to worry about other people's opinions 24/7.

They torment themselves with feeling incomplete, impure, or damaged. Virgo Chiron individuals were likely suffering from a terminal illness in a previous lifetime, or they saw someone close to them pass away after a long and painful disease.

Perhaps it's a past-life memory of dying young. Or maybe Virgo Chiron people witnessed the death of their parents at an early age.

However, it's an experience that left Virgo Chiron people traumatized and feeling like their life chapters never get the proper ending.

Virgo Chiron individuals believe that there is a part of them that's utterly broken, but they can't pinpoint which one. They don't feel comfortable showing their struggle to anyone, so they hide it and avoid confronting their fears.

Indeed, one of their biggest worries is that people will see them the way they see themselves: imperfect, flawed, and inferior. For Virgo Chiron people, that would be a confirmation of being unclean, not enough, and not "together."

Due to not avoiding sharing their pain and allowing others to help them, persons with Chiron in Virgo seek ways to fix themselves. That usually means that they desperately

try to find a sense of completeness and contentment.

Yet, Virgo Chiron people don't know which path to take. That makes them feel more lost and incomplete.

Individuals with Chiron in Virgo manifest their agony through chasing perfection and working on their growth and looks.

That's usually a productive way to mend a wound, but not in a case when one never thinks it's enough. Hence, Virgo Chiron people won't stop. They will never think they are beautiful, smart, or educated enough. It is why these persons are associated with hypochondria, OCD, and obsessive perfectionism.

Virgo Chiron individuals can be manic in maintaining their hair, body, and clothes, neat and tidy. These persons can spend a fortune on the latest trends or watch fashion and beauty video tutorials for hours. They are also meticulous about aligning their style with the occasion.

People with Chiron in Virgo are also likely to learn fun facts, small talk examples, and every world capital to ensure they are ready for every conversation. They also manifest their pain through verbal communication. Virgo Chiron people strive to know all the answers and how to talk with people effectively.

But Chiron in Virgo is not always centered around cleanliness and organization. Instead, these people can also be messy, chaotic, and disorganized. They can also be a mix of these two types.

Thus, they tend to criticize others because it's their way of preventing people from judging them.

Thus, individuals with Chiron in Virgo are also likely to go from one extreme to another. They struggle with seeing grey shades because it complicates life. Hence, these people prefer to label everything and everyone as either good or bad.

Regardless of how they express their pain, people with Chiron in Virgo seek control over their lives by focusing on one category.

Some will concentrate on their looks and others on relationships.

However, in the end, they all discover that control is not an effective way to eliminate their inner agony.

### **Men with Chiron in Virgo**

Males with Chiron in Virgo tend to be pragmatic, restrained, and emotionally detached.

They control through organizing their life, house, shelves, garage, and anything they can tidy-up. Sometimes they get lost in these activities because they often exaggerate concerning cleaning, fixing, and arranging.

Like their female counterparts, control is their principal drive, and they manifest it in every aspect of their lives. Virgo Chiron men tend to control their partner and friends, and they are quite subtle in doing so.

However, they are intelligent, so their loved ones often end up doing what Virgo Chiron tells them. If Chiron is afflicted, these men can manipulate others into doing something they don't want. And if Virgo Chiron males don't get others to follow their advice or rules, they will be infuriated or feel a sense of worthlessness.

The problem with men with Chiron in Virgo is that they repeat the same actions and habits without wondering why people don't listen to them. They should consider that perhaps their ways are not always the best, and that's why their controlling techniques fail.

Another way how Virgo Chiron men enforce their control is through exercise. They have a complicated relationship with their bodies and notice every imperfection. It is why they often start rigorous diets, work out until they pass out, or spend all day in a gym.

These men also tend to organize and control their emotions and thoughts. Some people might see them as robotic or emotionless because of that. But men with Chiron in Virgo don't like anything having control over them, including their feelings.

Due to being overly controlling, males with Chiron in Virgo suppress their fears. Yet, they might resurge as phobias.

It is why men with Chiron in Virgo must realize that it's impossible to have complete control even over menial things. That will free them and allow them to confront their struggles.

### **Summary**

People with Chiron in Virgo are usually born with inaccurate beliefs of being incomplete, unworthy, or damaged. These opinions appear at such an early age that they can't remember how it started.

For some reason, even as kids, they believed there is something wrong or broken within them. As they grew up, they manifested these beliefs, convincing people to think the same.

However, these thoughts don't always appear without any trigger. Sometimes parents had an impact on how Virgo Chiron people see themselves.

Perhaps their caregivers often criticized them or behaved toward Virgo Chiron in a way that made them believe they are damaged or incomplete.

As people with Chiron in Virgo tend to see everything as an insult or provocation, perhaps their parents never belittled or criticized them.

But Virgo Chiron individuals saw their parents' remarks or comments as criticism, which started accumulating negative self-perceptions.

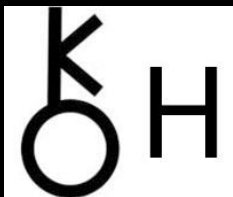

The truth is, no one can heal any Chiron wound fully. The placement is there to stay, and the pain makes a person who they are. Hence, they have to accept their vulnerability, imperfections, and fears.

People with Chiron in Virgo should embrace the idea they are already complete by being themselves. Yet, it is Chiron that makes them feel broken and incomplete.

These individuals should learn how to integrate their imperfections into their being because those fragments make them who they are. No part of their bodies or psyche is good or bad, but they all have a purpose.

Their life mission is to learn to love everything that makes their being because all those elements together make them whole.

Because of your compassionate desire to help create a more beautiful and spiritual world for humankind, anything you can imagine will become your reality and your happiness.

You have contact with your inner being and with possibilities not yet developed in human

beings. This helps you to develop a less materialistic and much more spiritual perspective. Your fulfillment and happiness come from knowing that this can be developed by all human beings and that it will put them in touch with the divine essence of their own nature.

## ***Part of Fortune ☒ in XII 12th House***

([1298] [astrolibrary.org](http://astrolibrary.org))

You feel everything in your environment with a lot of intensity and depth. You are intimately attuned to everything.

Your greatest fulfillment will come when you are attentive to your inner being. You can satisfy your desire to understand the invisible forces of the Universe and your personal unity with the Whole, by realizing the unity of all seemingly separate realities.

In any case, you must function in the everyday world with its apparent limitations, which you see, while you realize the unity of all people and circumstances, how they are related, and how they work together. This will help you not to identify yourself with these limitations, actions, and programmed circumstances.

You really realize that negative conditions arise when one selfishly pretends to experience only positive things. Likewise, you must experience everything from a neutral and impersonal plane, where there is no negative or positive, turning your life into an example of a deep freedom from all those apparent effects of outside influences.

By maintaining a detachment from the material world you can allow yourself to flow through situations and emotions without personalizing them, seeing them as common to the human psyche. Thus, you understand the truth of life. Periods of solitude are very beneficial for you to gather strength, get in touch with your inner being, and begin to feel the essence of everything, because this is the source of your spiritual strength.

Since your Part of Fortune is in the 12th house of your birth chart, the sixth house is the opposite house. Through the sixth house, you must learn to function in the world efficiently and take up the calling to serve Humanity.

However, the greatest truths will be revealed through periods of meditation and silence. This is when you are able to approach and communicate with a mystical experience and understand the deep secrets of the human being and life. You learn to realize the

unlimited experience of the human being, and to escape from the material prison that most people impose on themselves through their emotions and obligations.

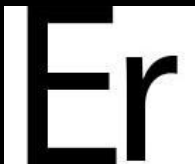

You understand a higher meaning for human responsibility and for the effort and work that must be done in the material world. The Part of Fortune in the 12th house helps you transcend all limitations and obligations of the human being. It gives you the opportunity to know that your soul is free, that everything is truly a unity, that behind every experience there is a great truth, and likewise, that suffering has a very deep purpose and meaning.

Being in the Here and Now will undoubtedly bring you an inner illumination. And, it will give you the opportunity to know God and trust that everything we need is within our reach because it belongs to this total and universal energy. You learn to enjoy all the experiences of life. You understand the superior sense of spiritual growth that all crises offer as humans mature and evolve.

([100] [astromatrix.org](http://astromatrix.org);) Transforming Personality

With North Node conjunct the ascendant you are able to shape your personality to be in harmony with prevailing social trends. This can make you popular, but also superficial. Your actions aren't based on fundamental convictions but on popularly accepted behavior. You're often tall, lanky, cheerful, optimistic and jovial. Your effusive outgoingness often prevents close personal relationships or lasting partnerships by making others feel inhibited and suspect a lack of sincerity. You can be serious and calculating when dealing with the public or partners.

Your karmic path is combined with your identity and ego, which allows your personality to align well with your growth and evolution. Be careful not to use your charm or popularity for selfish gains but for helping others. Also, since the South Node is connected to your Descendant, it is important to choose your partner wisely as many times they can represent your past karma may cause a block or hold you back in any transformation or growth you seek within this lifetime.

2) ► **Midheaven** MC **Parallel** ♄ **Saturn** - (0°49')    ♏11 | ♏12

([72] [astromatrix.org](http://astromatrix.org);) Striving For Success

At a very early age you will learn that life requires hard work and ceaseless activity if you want to get ahead. Also, you want to be a person of significance when you are older, so you will start working while quite young to get where you want to go.

Since you have so much internal discipline, your parents won't have to impose it from the outside, nor should they make unrealistically high demands, because you will try very hard to fulfill them. Whenever you fail, you condemn yourself strongly, and if you decide you are a loser, it would be very difficult to change that belief.

This placement of Saturn can signify that you will be very successful or very unsuccessful, depending on how you experience success while you are young. You respect those in authority even when you feel they are giving you a hard time. You understand that they have earned the right to their position and that to challenge them you must earn that right as well.

Only if you have very negative experiences with authority while you are young - and your parents will have a lot to do with this - will you be negative about it when you are older. No matter what career you choose, you will be a teacher and a guide for others. You may be a teacher in the literal sense in some kind of school.

In any case, others will look to you for guidance when you achieve the goals that you set for yourself now. As you work to get ahead in life, however, be very careful not to neglect your friendships and other relationships. Otherwise you may be very lonely later on.

3) ► **Midheaven MC Parallel ♋ Vesta** - (1°33') ♋11 | ♏5

([622] 12andus.com:) A powerful surge of devotion and attention to detail fuels your spiritual mission and helps you succeed in your career.

Your career path and spiritual ideals are intertwined. You may choose to devote yourself to a career path in which you are of service to others. You may work as a healer, mentor, counselor or spiritual leader.

You may be called to sacrifice a successful career path that would satisfy your material desires in order to follow a spiritual calling that brings you to serve others in a more humble way with greater benefit to those around you.

Though you may not receive the same recognition and wealth, you will be fulfilling your higher calling in the process. You may find greater success when you blend your career path and public image with your spiritual calling and devotional practices.

4) ► **Descendant DC Parallel \* Juno** - (0°32') ♎7 | ♊10

([605] 12andus.com:) You may desire a marriage or long term relationship with a committed partner.

However, at the same time, your outward personality, appearance or some aspects of your reputation, can make it difficult for you to settle down. You may insist on following your own ambitions rather than compromising with your partner.

You may lose yourself in relationships or find it difficult to commit to relationships that may stand in the way of your personal goals or desires. You may find it difficult to collaborate with your love interests because you are unsure about your level of commitment.

Your jealousies or insecurities can also undermine your potential relationships.

When you work to create harmony between your desires for marriage and partnership and your desire to follow your own ambition, you can find a stronger connection and potential for an ideal, solid partnership commitment.

5) ► **Descendant DC Parallel ♏ Chiron** - (0°28') ♎7 | ♏6

([218] 12andus.com:) You have the potential to be a strong, authentic spokesperson for healing and change based on your own experiences with your inner wounds, yet you are likely to avoid this opportunity because it is difficult for you to accept who you genuinely

are.

You may try to hide from or downplay your wounds and in doing so you may overcompensate with a façade of confidence or ambition that is not genuine. By working to heal your fears, insecurities and past traumas, you are more effective as a leader and healer for others.

Acceptance and self love are necessary first steps in this process. Until you have learned these lessons, you may project your own wounds onto others around you and fear or resent those who remind you of your limitations.

6) ► **Imum-Coeli** IC **Parallel** ♌ **Jupiter** - (1°05') 85 | 0012

([196] astromatrix.org:) Achiever Of Goals

Your home and family are very important to you as a refuge that you can retreat to when the outer world is too harsh. You will always remember your childhood as one of the best times of your life, and you will have great respect for your parents, especially the one who gave you the most emotional support.

As you get older, you will remember what you had when you were younger, and you will love anything that reminds you of home. Wherever you go, you will try to find a community like the one you grew up in. And if you can't find such a community, you will seek one in which people are as close as they were where you grew up.

All your life, you will have great respect for traditions and customs, even if they are very different from your own, not because you are narrowly conservative, but because you know they give people positive emotional support. Temperamentally you are quite liberal, and you enjoy the experience of new places and different worlds.

All of your life you will prefer rather large and elegant homes surrounded by lots of open space. You hate to be cramped, physically or emotionally, so you avoid close relationships with people who are very jealous or possessive, because they would restrict your inner freedom. Normally this aspect signifies a high degree of emotional security, which enables you to withstand any difficult times and even offer help to others when they are in trouble.

7) ► **Sun** ☉ **Contra-Parallel** ♌ **Moon** - (0°25') 85 | 1176

([140] astromatrix.org:) Me Or You

Opportunities: 1. Discovering what You Want 2. Gaining Fulfilment from Within

Challenges: 1. Balancing Order and Chaos 2. Having Relationships for the Right Reasons

People born when the Sun opposes the Moon have an internal struggle between their needs and their wants. In contrast to the Sun-Moon conjunction personality, the Full Moon personality is inclined towards lack of focus and indecision. Their ability to be objective is both an asset and a liability, simply because when they decide on one route,

they are pulled in another direction at the same time. Something tugs at them, and they begin to question their stance. “But what if...” and “on the other hand...” are statements they can’t help making and that plague them. While Sun conjunct Moon people have an Aries style about them, Sun opposition Moon natives have a distinct Libra energy about them, in that they are always aware of the opposing point of view, the other side of the coin, and so forth.

Their inner struggle is most obvious in their vitality, as both the Sun and the Moon strongly influence the vitality. They have many ups and downs, and it is hard to know if it is physical or emotional. In fact, it’s likely both. These people might spend a week working hard, and the following week they lack motivation and find it hard to accomplish much. Their energy fluctuates more than most people, and it is very much a reflection of what is going on inside.

The messages they received in their early lives in terms of what was expected of them were conflicting, and even opposite. Some people born under the Full Moon viewed their parents as two very different and separate individuals who each wanted something very different from their child. Their parents or parent figures “stood for” two very different things, and their child internalized this. There may have been some emotional frustration in connection with the father and a stifling of the go by the mother.

It is hard for Sun opposition Moon people to find happiness within themselves. They tend to look outside of themselves for fulfillment. They are inclined to form serious relationships at an early age, simply because of this tendency to try to find an answer to happiness from an “other”. They are prone to divorce, partly because of this prematurity, and partly because their needs are complicated. Full Moon people are also more apt to seek counseling because of this need to find answers.

These people appear to be very self-aware. They entertain a myriad of different points of view and perspectives. They are excellent psychologists and are able to read character and uncover motivations—but with an important caveat: if they are too emotionally close to the situation, they fumble. The truth is, although they appear to know much about how people tick, they spend a good part of their lives uncovering more of themselves and learning about themselves. Generally, this is done through comparisons or through the mirror of relationships.

They can most certainly frustrate the people who are close to them with their indecisiveness and frequent changes of mind (and of heart). A word to those who deal with this on a day-to-day basis: their changes of heart are not a form of insincerity—they are the result of an internal struggle that is very real and very confusing to live with! Sun opposition Moon people can be temperamental, insecure, and very sensitive. The ability to put themselves in someone else’s shoes, and to consider other points of view, is a true asset. However, at some point in their lives, they need to uncover what it is they truly want. This comes easy to New Moon people and can be a life-long struggle for Full

Moon people. On the other hand, it is extremely easy for a Full Moon personality to understand others' points of view—something that doesn't come as easily to a New Moon personality. Sun opposition Moon people are generally interesting and complex. Born under a Full Moon, they can be a bit “loony”, perhaps manifesting itself in a unique sense of humor.

Look for a planet that might trine and sextile the Sun-Moon opposition for a way to release the tension the opposition creates. Somehow, some way, through that planet, its sign, and its house position, the Sun opposition Moon person can find an “answer” to the struggle. Look also to the sign polarity involved for more details of the struggle. If it's Aries and Libra, for example, there is a conflict between two equal drives to be independent and to depend on others.

8) ► **Sun** ☉ **Parallel** ♀ **Mercury** - (1°46')    ⚡5 | ⚡9

([3] [astromatrix.org](http://astromatrix.org);) Mental Focus

Opportunities: 1. Building a Self-Directed Life 2. Living by Your Own Values

Challenges: 1. Showing Your Vulnerabilities 2. Bringing People Closer

This shows that your temperament is unilateral, or almost unaffected by conflicts with the will of others. Your personality is basically integrated, but this does not mean you will have a trouble-free life. It merely indicates that you are reasonably satisfied with yourself and with the goals you hope to realize.

You do not adapt to circumstances unless doing so will serve your best interests. Because you are highly motivated to achieve your objectives, success is more than likely. You waste very little effort in activities unless they will benefit you in some way. You know how to co-ordinate your available resources with your life pursuits, and always have the skills required to carry out any special task you choose.

No-one is allowed to interfere in your affairs; nor do you concern yourself with the affairs of others. You establish a barrier between yourself and others and do not permit anyone to intrude. You can become enormously successful in your own estimation, even if others can't judge your success. You don't measure your level of accomplishments by the same devices most people use when making comparisons. You can best succeed when you work alone or at least can determine for yourself how or when you do your work.

In spite of your seeming self-assurance, you are not too successful in relating to people except at the social level. You are so afraid to have your emotions trampled that you keep personal contacts at arm's length. Your sensitive nature is your Achilles tendon, which you try to protect.

You depend heavily on small quiet moments to give you the spiritual nourishment that your outer life feeds on. Irritated by the constant distractions and the hustle and bustle of competitive society, you must periodically rejuvenate your forces privately, perhaps in

meditation.

9) ► **Sun** ☉ **Parallel** ♂ **Mars** - (1°43') 8\5 | 4+9

([5] [astromatrix.org](http://astromatrix.org);) The Fighter

Opportunities: 1. Taking on Leadership Roles 2. Taking on Big Challenges

Challenges: 1. Being More Selfless in Relationships 2. Empathy Toward Others

This indicates the presence of an energy that is 'masculine' in essence, being highly vitalized, vigorous, forceful and assertive. The application and exploitation of your powerful will becomes a major impulse that demands expression, often resulting in a more self-centered level of preoccupation, focused on satisfying your desires and ambitions.

You may have an aggressive, combative temperament, which can respond quickly to any hint of a threat or potentially competitive situations, seeing these as an opportunity to display your force and innate abilities and talents. You will feel a need to prove yourself to the world through achieving, or at least rise to a higher social profile than the majority. You may tend to assume attitudes of superiority, which is often derived from a sense of self-confidence, and inwardly you hold a self-image as a leader in some capacity.

An urge to battle lies near the surface of your personality, and you can approach life as if it is a challenge, almost provoking encounters by 'throwing down the gauntlet' as a testing of your strength and power. To some, you may seem overly assertive, and your presence may threaten them by its forceful vibration. You may acquire several adversaries in the course of your journey through life, especially as you are liable to be insensitive to others' feelings. This may occur particularly within your employment or business life, where you are likely to contact other powerful individuals.

You intensely enjoy applying your willpower and may need to pay extra attention to your relationship manner and style of expression, as this could become a source of contention and downfall if it is misapplied. A liability to anger quickly may need some control too, or words spoken in haste may ruin relationships or friendships. You react against limitations and restrictions and find adherence to the status quo or repetitive routines anathema to your volatile spirit.

You love action, and the adrenaline rush of physical or dangerous sports and activities is highly appealing. Your enthusiasms can be spontaneous and impulsive, and you prefer to leave space in your lifestyle for sudden decisions and changes of direction which can renew vitality and add a touch of freshness when life becomes jaded and familiar. You may be attracted to share this love of life and excess energy with others, stimulating them to break free of their self-imposed ruts and shake off their apathy. Some may not appreciate your endeavors though, and you may need to recognize when your efforts will fall on stony ground.

There is an opinionated streak in your character that can take offence if anyone challenges your attitudes, values, thoughts or beliefs, and you take this as a personal attack, rather than a sharing of differing points of view. You can adopt an attitude of 'I'm right, and you're wrong' in such encounters, and refuse to consider alternative perceptions; this can be a restriction of your openness to life's many wonders and infinite variety of perceptions.

In relationships, you do not easily compromise, as you tend to be self-centered and concerned about reaching for your desires; this could become a problem unless it is carefully modified, or you have an extremely passive and supportive partner. A strong sexual drive and inflamed passions are likely factors in your relationships, and you may be especially attracted to sudden love affairs, particularly if that theme of 'conquest' is paramount in your nature.

While you are likely to possess considerable creative abilities, you may have difficulties in focusing these constructively and consistently, and despite your high level of activity you may waste energy that could be more positively applied. Part of this is due to an impulsiveness that prefers action to forethought and planning, and this tendency may need tempering by better managements of your resources and less haste in charging towards your objectives. Listen to the advice of others or take professional suggestions; you may not always know best.

Your focus is power through action, and the main areas that this can be released through are the conjunction house, and the houses ruled by both Sun and Mars in your chart. Look at these, as they may offer additional opportunities for a successful use of your talents and energies, especially when you begin to handle them with greater self-understanding.

12) ► **Moon** ☾ **Contra-Parallel** ♀ **Venus** - (1°38')    ♏6 | ♏7

([153] astromatrix.org:) Social Inappropriateness

Opportunities: 1. Helping Those with the Same Difficulties 2. Developing a More Open Social Persona

Challenges: 1. Taking Social Risks 2. Dropping Your Self-Protections

This opposition indicates that a major source of dissatisfaction will occur in social relationships. You may feel emotionally blocked in dealing with others, and uneasy in social company. This may be a pattern persisting since childhood, when you may have felt unloved and misunderstood by your parents, especially your mother.

You have a tendency to feel unloved; and this insecurity is communicated in subtle ways to others, who may sense that you are 'hiding something'; this, in turn, casts doubt on your sincerity. As distance enters your relationships, your negative feelings and fears of being disliked are reinforced, and the cycle perpetuates itself. Because vitalizing and harmonizing feelings are inwardly blocked, they fail to enter your social relationships.

People may perceive you as cold, unfriendly, or distant, and find it too much effort to spend time and energy slowly getting to know you. Your attempts to share and communicate are erratic, often superficial, and lack a recognizable warmth. Even when you are admiring someone's achievements or making gestures of appreciation, there can be an unconvincing delivery, as though you are going through socially acceptable motions but not putting any heart into it. As you know, this isn't the truth; but the inability to communicate your sensitive emotional nature to others creates a misleading impression of your character.

You may make compensatory attempts to avoid confronting your emotional unfulfillment; and these can include a preoccupation with material possessions, money, and comforts. You may attempt to form an identity and self-worth founded on physical acquisitions, or through a lifestyle which reflects Venusian tendencies toward sensuality and luxury. despite your need for closeness, it is your unconscious behavior which pushes people away.

Inner barriers need dismantling; and moving beyond your inhibiting patterns requires some risks and overcoming security needs. Be open to contact; be more friendly and less distant; share yourself more easily; drop expectations about people; be less judgmental. Try to relate intellectually rather than just emotionally, because your emotions still need cleansing and healing before their agitative vibration becomes more settled.

Learn how to co-operate better by making effective adjustments and mutual concessions. The likelihood is that, over time, the quality of your relationships will improve, enabling blocked emotional energies to be released gradually and safely, as you feel able to open to a new type of contact with people and the environment. Then you may discover that you possess something of great value which can be shared with others for mutual benefit. If you can make the transition, perhaps you can help others who also have difficulty in relating socially.

13) ► **Moon** ☾ **Contra-Parallel** ⚡ **Uranus** - (1°56')    ♀6 | ♏5

([157] [astromatrix.org](http://astromatrix.org).) Freedom Or Security

Challenges will probably occur within intimate relationships. These will reflect the clash between old and new, between familiar behavior patterns and the attraction of renewal emerging from a chaotic unknown.

Your inner life may feel like a battleground, as these two different energies try to

influence choices and decisions; and at times of crisis, you may feel almost torn apart. A tendency toward mental and emotional stress will exist, arising from emotional instability and problems created in relationships through unpredictable and frequent mood changes.

The impact of the Uranian vibration may create sudden changes in the erratic mutability of the lunar emotions. This can stir choppy seas into more dangerous storms. If you then release this tension through conflict with those closest to you - which is a common behavior pattern - relationships could become quite stormy. Others' inability to rely upon and trust you will obviously affect the development of long-term relationships. Your need for variety can also cause problems. This can be felt inwardly, where you easily get bored and lose interest in your home, employment, marriage, lovers etc., and then enter a phase of frustration if your need for new stimulation is denied.

To break free from this tension, you may suddenly 'explode' toward new explorations, attempting to shatter all limitations and restrictions. This can lead to moving to a new house, changing employment or established careers to pursue other directions, or entering affairs or separating from marriage. You find responsibility and commitments hard to bear during times when the Uranian impulse is too strong and capable of breaking through the Moon's established defensive patterns.

What should be avoided is a repressive build-up of inner tensions, because if they 'explode' through you, their destructive quality will dominate, rather than their transformative intent. The first step lies in acknowledging this inner pressure, and then learning to release it slowly and with conscious control, directing it into suitable channels as a natural development of your life.

Accepting this impulse for new experiences and interests can be adequately handled, if a continuous element of exploration in your life is sensibly allowed to operate in appropriate ways. This is an essential 'safety valve' to develop for your well-being. Understanding this tendency will help in choosing a suitable partner, one who accepts this need of yours and is both capable and willing to compromise when necessary in helping you to find ways to safely release tensions.

Any progress made in integrating your emotions and mind into a functioning whole will reap considerable dividends. Self-help techniques devoted to personal wholeness could be explored, offering potential positive development. Attempts by you to impose either emotional or rational dominance on your inner life will lead to additional friction created by the ignored planetary energy. Feelings of instability that often persist also diminish your self-esteem, resulting in insecurity.

You may lack a firm personality center, fluctuating between Moon and Uranus, between emotion and logic, finding a home nowhere. You could find it useful to experience your emotional depths as deeply as possible. Let them rise to the surface; feel and

understand their intensity, without cutting them off whenever they become unpleasant by an 'intellectual put-down' as inferior and not part of your preferred self-image.

Equally, your mental interests and pursuits should be emotionally resonant, drawing both levels together. As your nervous system is over amplified, attempts like this help moderate and balance the flow of combined energies, thus making it easier for you to live with others without frequently feeling a restless obsession for change.

Opportunities: 1. Deeply understanding human motivations 2. Channeling sexual energy into creativity

Challenges: 1. Being emotionally open to others 2. Overcoming obsessive desires

([105] [astrotarot.net](http://astrotarot.net).) Typical features that opposition brings – you are emotionally upset by rejection. Also, you may cling to tradition or other metaphorical “safety blankets” developed in childhood in order to avoid social discord. You regularly repress your dark, taboo, or aberrant qualities out of discomfort and insecurity. Above all, you are afraid of fully expressing your feelings. You avoid expressing yourself and being free in your individuality. Also, you shy away from situations that prompt you to stand out. Or you will rebel and will retreat into a shell of reservations when faced with the opportunity to break a standard. With this Natal Moon- Lilith aspects the emotional equilibrium is ravaged by criticism, exclusion and alienation. Also, you feel painfully isolated. What to do to make Lilith work in your favor – Firstly, try to be yourself in the way you communicate. Secondly, working on self-acceptance is the key to empowerment.

16) ► **Mercury** ☿ **Parallel** ♂ **Mars** - (0°03')    ♃9 | ♃9

([29] [astromatrix.org](http://astromatrix.org).) Quick Tongue

Opportunities: 1. Working with Self-Expression 2. Gaining a Greater Grace

Challenges: 1. Looking After Your Body 2. Listening More

In the case of Mercury Conjunction Mars, the two planets are joined in a conjunction, they do astrologically become sort of a new planet, with its own distinct traits. The closer the conjunction is, the more this transformation is true. With Mercury Conjunction Mars, your ambitions, desires and ego drives fused with your intellect and mind. This can give an enthusiastic, incisive and energetic mind. You are practical and compulsive. You think quickly and draw your inferences from empirical observation. However, it can make you a little self-centered or inconsiderate towards other people especially when it comes to any strict opinions or perspectives you may have.

At times, you can be aggressive or too direct in your self-expression. You can also take things very personally, and your defensiveness can make it challenging for others to engage in healthy dialogue with you. Your mind is on fire, so you often express yourself with anger.

You have a natural talent for occupations involving change and physical movement. You have very imaginative creative ideas and you bring them into reality if you can manage to have the patience to stay on target as the Martian energy can make you more impulsive or lack the commitment necessary to see things through. You may have a very strong ego, especially if the planets are in a fire element and you have to watch out for being pretentious, self-righteous or lacking the ability to accept you have made a mistake or are incorrect in your assumptions.

You believe you have all the answers and are always right, the fact is nobody is perfect and the humbler you can be the better. This is the biggest problem with this aspect and the more you can compromise with others, the more sympathetic and understanding, the more you will be able to be successful in your endeavors.

You are very witty, and often sarcastic. You are quick to offer an opinion and express your thoughts, often without much sensitivity. With your active mind, creative ideas, and aggressive disposition, you can succeed in many areas such as education, law, acting or literature, basically any career where you can be comfortable and free to express yourself.

Any occupation that can give you opportunity to show your talent. It is better to work on your own if you can because other people may not have the mental capacity or energy to keep up with you. Take more time to process your experiences, especially those where you may have felt let down or rejected by others. You should try to learn from the past as to how you can express yourself better to others and admit that you can improve your ability to communicate with more grace and diplomacy to enrich your relationships with others.

Your mind is healthy and high paced, watch out for overextending your body too far it may not be able to take the constant pressure, give yourself time to relax and process everything that is going on.

17) ► **Mercury** ♀ **Parallel** ♀ **Pluto** - (1°37') ♄9 | ♃3

([34] [astromatrix.org](http://astromatrix.org);) The Spy

You should have a powerful, penetrating and incisive mind, which is attracted towards delving deeply behind appearances. Whether these are social facades or intellectual theories or philosophies, your innate curiosity will enable you to look beneath the surface.

As you tend to see your mind as a resource which you can utilize, you often collect many fragments of information on your searches, which you attempt to collate together into a workable source. You feel 'at home' in your mind, enjoying applying it to a multitude of challenges and problems, confident in your ability to resolve them or make some kind of sense out of them.

Following your natural investigative ability, you have an inner process occurring whereby you attempt to extract meaning from your studies and experience, hidden meanings that are mostly relevant only to yourself, although some may be of value to a wider audience too. There is a purist streak in your mind which prompts you to take quite an impersonal attitude to people and events, especially attaching a high value to 'truth' over the social games that people play; your directness is likely to stimulate reactions from others.

As usual with the Pluto energy, there will be an unknowable depth and dimension to your mind, with a tendency towards powerfully expressed extremism and assertiveness as you proceed to manifest your objectives. Your ability to concentrate your willpower and sustain it for as long as necessary will aid you in achieving your dreams. Your beliefs and opinions will tend to be fixed; and you will be difficult to shake from any position that you have decided to take, preferring a vigorous expression of your standpoint against any opponents.

As you hate to be seen to have a weaker or fallacious argument, you tend to be well-prepared and confident upon any theme that you may be challenged upon; otherwise you have already prepared some way to evade a confrontation if you feel that you could be defeated. There may be a tendency to hold a grudge against any who have opposed you, or who stand in your way; and you will remember them, waiting for a suitable time to settle the scores. Unnecessary social problems and suffering for people will draw out a sense of aggrieved anger in you, as will social and political hypocrisy. You will tend to respond to these feelings by becoming more involved in reorienting your energies into channels which directly oppose those who appear to be creating or amplifying such problems.

You feel that you can contribute towards changing things for the better; and this can lead you towards involvement with radical politics. The nature of your political views will depend on your personal analysis of causes; but in extreme cases may tend towards anarchism. Any tactics of subversion will appeal to the Pluto energy, as will the

emphasis upon change and transformation. If the social emphasis of Pluto dominates, then much of your life will be directed by the theme of transformation, social and political.

You will tend to be demanding in your personal relationships, expecting a high quality and strength from any partner. But even though you may attempt to force him or her to submit to you psychologically, it will be much better for you if you fail, for a good relationship needs equality and mutual respect. You often tend to use your persuasive power to influence others to agree with you; but you have to learn more tolerance and a broader understanding of the freedom and rights of others to hold their own views. Ideally your long-term partner should be similar to you in outlook, motivation and interests, because you may tend to turn the relationship into a form of intellectual power struggle, which would probably turn it sour before long if you did not have these in common.

The obsessive tone of Pluto may cause some difficulties, both in your mental preoccupations, and in your relationship, especially if you are unaware of this aspect to yourself, which can easily turn you towards being excessively self-centered if unmoderated. The positive side of a relationship is that it can break down such tendencies and open up the awareness of 'the other'; certainly, you should learn to appreciate any relationship as bringing a more expansive quality into your life.

18) ► **Mercury** ☿ **Parallel** ♀ **Pallas** - (0°32') ♄9 | ♏5

([578] 12andus.com:) You use your keen intellect to strategize your mission.

You may be moved to act on campaigns that appeal to your desire to help others create understanding. You can be fair and diplomatic because you see every aspect of the situation.

You can also end up as a spokesperson on issues that are important to you. You can easily appeal to the rationale and logic of others who could be allies in your campaign.

You believe it is important to communicate in order to come to a compromise. It is easy for you to articulate issues that strike a nerve with you. You are a strong advocate and may use storytelling to educate others about important issues.

You may be a planner or consultant for others who share your mission and can easily set up creative but informative campaigns for issues you care about.

19) ► **Venus** ♀ **Parallel** ♂ **Uranus** - (0°18') ♅7 | ♏5

([44] astromatrix.org:) Unconventional Artist

Aspects made between Venus and Uranus emphasize the spheres of social and intimate relationships, with the energy focus turned towards exploring the outer world through an extroverted personality. The dominating influence will be the urge for excitement, the stimulation of the unknown and the thirst for the richness of life's experiences.

You will not be an introvert; and your main preoccupation will be ensuring that your life is 'interesting', occupying yourself with a multitude of interests and explorations so that there is no time or space left for inner enquiry. The Uranian influence is the stronger partner of the two, and can give you an inner restlessness, which you try to release in social activity and interaction with friends.

However, the development of your creative, artistic, unorthodox individuality may lead to adaptation problems in mainstream society, where you react against being employed in mundane, repetitive jobs, or refuse to feel imprisoned in traditional social attitudes, beliefs and lifestyles. You insist on being free to be yourself, and to do as you please. At times, this can reflect an immature, seemingly adolescent attitude, which can be too self-centered and lack real awareness of others. You see your need for freedom to be important, and so you tend to resist any attempt to make you give a serious commitment.

Your emotions may only be touched on a superficial level, and rarely fully engaged with another, which can also lead to periods when you are tempted to become promiscuous in a search for variety and new experience. Sudden affairs are quite possible, and also satisfy that urge for excitement and even danger, where you can express yourself even more freely than usual. Certainly, your love life will have an erratic quality, similar to the flow of your sex drive, which will confuse others.

20) ► **Venus ♀ Parallel ♀ Lilith** - (0°52') ♄7 | ♀6

([627] [astromatrix.org](http://astromatrix.org).) Breaking out of relationship stagnancy

23) ► **Jupiter** ♃ **Contra-Parallel** ♄ **Saturn** - (0°16') ♀12 | ♀12

([190] astromatrix.org:) Evaluation Of Worth

Like most Oppositions there is a polarization between the two planets that cause you to bounce from one pole to the other and Jupiter Opposition Saturn is no exception.

You tend to move from being very cautious and conservative to boundlessly optimistic and progressive. Or you may adopt one role and project the other on to some close associate and enact the felt dichotomy in that way. You may find it difficult to balance discipline and responsibility with hope, confidence and positive action. You might tend to dream grand and somewhat unrealistic dreams, and yet neglect to lay a firm foundation for the future you are attempting to create.

You are very unsure of your own self-worth and identity and need others to reassure you of your own worth. This has probably come from some important role models in your life such as previous teachers, parents or even partners. You constantly seek the approval of others and want people to like you at all costs which causes you to get involved with the wrong types of people or if they don't appreciate you or make you feel better about yourself you may reject them. You need to develop a stronger sense of self-worth and work on your self-esteem. Realize that you are quite talented, and you don't need others to clarify it. Your attitudes and perspectives need to be changed and transformed.

By accepting reality and responsibility for your actions and be more sympathetic towards other people and their own particular viewpoints and attitudes. Do not doubt your own abilities just realize you need to work and be determined in order to obtain your goals. It will be more productive for you to set a series of small, attainable goals, and build toward the greater vision than to over commit and then feel overwhelmed by the magnitude of the task you have set for yourself.

24) ► **Jupiter** ♃ **Parallel** ♇ **Pluto** - (1°12') ♀12 | ♀3

([63] astromatrix.org:) The Alchemist

This is a favorable aspect, which should allow you the opportunity to unfold your natural talents relatively easily, applying them in a concentrated and determined approach towards achieving your ambitions.

You have the fortunate ability to evoke a response from your 'inner storehouse' of gifts, and create an open channel enabling you to manifest these in an objective context. Those who are close to you or who work daily with you may be inspired by this ability; and you are likely to display certain leadership qualities.

You will approach life with zest and vitality, pouring your energy wholeheartedly into satisfying your aims and your need for success. You seem to feel that your success is guaranteed; and whilst you may often feel impatient, or temporarily frustrated in your purpose, you have too much self-confidence and determination to believe that you could

fail.

The opportunities are certainly there for you; and your inner gifts are there to be actively expressed and exploited by you to achieve success. You may find that you express and explore your talents in several potentially lucrative areas, as your gifts can be applicable in a variety of ways. This can mean that you are likely to change direction several times throughout your life, possibly in a radical style, or just to find new areas to experience.

You may not have a specific goal in mind - such as a senior managerial position in one company - but could become influenced by 'the inner storehouse' of innate talents to search for new directions in order to find suitable channels of release for as yet latent gifts; you may even find a problem arising out of the very multiplicity of choices available to you. Ideally, you should look for a way of life which actually offers you a variety of channels through which to express yourself, where there is a potential for a renewal of challenges and for a demand of personal growth.

Working closely with people is likely to attract you, and interpersonal relationships can be a constant sphere of creativity and growth; much can be shared and transmitted even in creating and maintaining positive human relations at work.

In an intimate relationship, you should ensure that equality is developed, building a balance, as you may have a tendency to play the role of dominating leader too often. Development of each partner is also important; and you partner's needs and abilities should be clearly recognized and valued, helping each other to actualize hidden potentials. Change in the relationship and in your partner should arise naturally and easily; never attempt to force any process, as a natural evolution is safest, especially when in truth you cannot really understand the inner process and life experience / perception of another.

The best use of your abilities will be towards benefiting others in some way. Whilst Pluto is likely to 'co-operate' with you using this energy for personal success, if you tend to apply it in a way that exploits or abuses others through your becoming obsessed with self-satisfaction and desires, you may find that Pluto becomes more subversive and undermines your purposes, stimulating failure as a natural result of your own distorted form of expression, thus creating your own downfall as Pluto forces you to look at the need for transformation.

25) ► **Jupiter** ♃ **Contra-Parallel** ⊗ **Fortune** - (0°08') 0012 | 0012

([67] [astrotarot.net](http://astrotarot.net/).) Typical features that opposition brings: you are a passionate and emotional person. Also, you are a fighter but can suffer from being too aggressive or defensive. That kind of spirit makes you very competitive. Your instinct is simply to have what you want. You are prone to a short temper when you don't get what you want. Regardless of the rights or wrongs of a situation, you will often win because of your passion and energy. Patience is definitely not your strong point. Your responses are

quick, and you are very passionate. Winning at any cost will come at a price. With this Natal Jupiter – Part of fortune aspects your intimate relationships suffer the most. So, you must choose your battles with more care and consideration. Always try to think before reacting. In conclusion, with some self-control, you can learn to live with some minor irritations. Cooperation and letting little things ride are not signs of weakness. Also, you can apply your aggressive instincts into hard work. Standing up for the rights of vulnerable people is great way to channel your fighting spirit. Accepting the need to live harmoniously with others can readjust your sense of proportion and help you realize that you can contribute to the well-being of all, instead of merely indulging in alienated antagonism.

- Positive traits: This Natal Jupiter – Part of fortune aspects makes you precocious, animated and passionate. Also, you seek emotional excitement in your lives. And you are very brave.

- Negative traits: Your competitive nature means that you won't give up easily. That can cause bad moods, arguments, aggression, and conflict. Also, you hate others resisting your will. 26) ► **Saturn** ♄ **Contra-Parallel** ♅ **Pluto** - (1°28')    ♀12 | ♀3

([200] [astromatrix.org](http://astromatrix.org);) Destructure Or Restructure

Like those with the square, you may feel that you have been mysteriously penalized by environmental deprivation, socially or parental, real or imagined. There was never any 'silver spoon' for you, and you tend to hold a brooding resentment for those who have not had to face the same problem.

The opposition is often associated with the themes of oppression and violence, physical and psychological, and with the tendency to be a victim of such forms of human negativity on others. For whatever reason, you may feel yourself to be a victim of persecution; and this would color your perception of people and the world, probably making you inwardly defensive and possibly outwardly aggressive towards others as a form of pre-emptive defense.

Your ease of self-expression and creativity is likely to be blocked, and you are always wary of revealing too much of yourself to others, in case they begin to take advantage of you; and in any case, you lack self-confidence and inner stability. Emotionally, you may be quite unstable, probably repressing much of your feeling life, because that is what has been damaged previously. This leads you to attempt to create a life of predictability and stability as a counterpoint to those feelings of emotional flux and vulnerability.

Certainly you are quite resistant to change, especially within relationships, as you rely on those few close ones in your life to give a sense of security; and because of this fear,

you suppress inner movement or outer change until a crisis point is reached where a 'releasing explosion' is the only way for the blocked energy to move.

As with the square, you need to initiate a process of inner change, to transform the restrictive attitudes and self-image that act as a frustrating factor in your life. Somehow, you need to develop more personal confidence so that you can begin trusting more and feel secure enough to come to terms with your feelings and emotions, to allow them to fertilize and water those inner barren lands.

Through such an approach, Pluto can act to give you a new birth, to almost resurrect you from the dead and to allow you the opportunity to enjoy life much more fully and appreciatively.

Your inner life is not fixed in unchangeable stone, as the prospect of transformation is ever-present in every life. Initially, it may be difficult to dissolve such long-established barriers; but it can be done, enabling a new you to flower and fulfill your hidden potential.

([150] [astromatrix.org](http://astromatrix.org);) In Your Own World

Opportunities: 1. Embracing Your Journey of Self-Understanding 2. Judging Success on Your Terms

Challenges: 1. Finding Your Inner Security 2. Avoiding Co-Dependent Relationships

You are very concerned with your inner personal world and less influenced by others' ideals and expectations than most people. You are 'inner-directed' to an unusual extent, and you rate the importance of matters in your world according to very personal reactions.

All of your life, you will be more subjective than most people. You are not principally concerned with achieving anything that others would consider great or significant. For you, it is important to have your personal world - your home, parents and family - operating smoothly. You may always be attached to the place where you grew up, and even if you move away you will have strong emotional and psychological ties to this place.

As you grow up, the ideal home situation is one in which there is very little turmoil; you need a more secure and stable home life than most. Without it, your self-confidence and ability to be independent will be severely hampered. You might even become dependent on someone else for the rest of your life. However, if you are allowed to develop in a secure environment, you will become a very strong person upon whom others can always lean.

Your success will come through self-understanding rather than through playing the games of the outside world. Self-esteem is more important to you than the esteem of others.

#### 8) ► **Mercury ♀ Conjunct ♂ Mars** - (0°58' S) ♄9 | ♄9

([29] [astromatrix.org](http://astromatrix.org);) Quick Tongue

Opportunities: 1. Working with Self-Expression 2. Gaining a Greater Grace

Challenges: 1. Looking After Your Body 2. Listening More

In the case of Mercury Conjunct Mars, the two planets are joined in a conjunction, they do astrologically become sort of a new planet, with its own distinct traits. The closer the conjunction is, the more this transformation is true. With Mercury Conjunct Mars, your ambitions, desires and ego drives fused with your intellect and mind. This can give an enthusiastic, incisive and energetic mind. You are practical and compulsive. You think quickly and draw your inferences from empirical observation. However, it can make you a little self-centered or inconsiderate towards other people especially when it comes to any strict opinions or perspectives you may have.

At times, you can be aggressive or too direct in your self-expression. You can also take things very personally, and your defensiveness can make it challenging for others to engage in healthy dialogue with you. Your mind is on fire, so you often express yourself with anger.

You have a natural talent for occupations involving change and physical movement. You have very imaginative creative ideas and you bring them into reality if you can manage to have the patience to stay on target as the Martian energy can make you more impulsive or lack the commitment necessary to see things through. You may have a very strong ego, especially if the planets are in a fire element and you have to watch out for being pretentious, self-righteous or lacking the ability to accept you have made a mistake or are incorrect in your assumptions.

You believe you have all the answers and are always right, the fact is nobody is perfect and the humbler you can be the better. This is the biggest problem with this aspect and the more you can compromise with others, the more sympathetic and understanding, the more you will be able to be successful in your endeavors.

You are very witty, and often sarcastic. You are quick to offer an opinion and express your thoughts, often without much sensitivity. With your active mind, creative ideas, and aggressive disposition, you can succeed in many areas such as education, law, acting or literature, basically any career where you can be comfortable and free to express yourself.

Any occupation that can give you opportunity to show your talent. It is better to work on your own if you can because other people may not have the mental capacity or energy to keep up with you. Take more time to process your experiences, especially those where you may have felt let down or rejected by others. You should try to learn from the past as to how you can express yourself better to others and admit that you can improve your ability to communicate with more grace and diplomacy to enrich your relationships with others.

Your mind is healthy and high paced, watch out for overextending your body too far it may not be able to take the constant pressure, give yourself time to relax and process everything that is going on.

When it comes to the sexual energies, those energies must be converted into developing higher consciousness.

You may have difficulties or obstacles when it comes to expressing affection due to major circumstances in your past life or early childhood, but you care deeply and have a great love for your family, friends, partners and the world. 27) ► **Moon** ☾ **Opposition** ♃ **Jupiter** - (9°23' S) ♁6 | ♁12

([155] astromatrix.org:) Unexploited Potential

One difficulty for your self-esteem and ability to exploit potential is unease caused by diminished self-confidence. Energy can seep away through self-doubt and a tendency toward unproductive questioning which reduces achievement.

Emotionally, you feel unable to evaluate your abilities or creative efforts; they are too close to you, determining your state of well-being. You protect vulnerable emotions and sensitivity and may eventually realize that most of your pain in life comes from relationships. This can include friction with parents (either during childhood or in later life), unsuccessful love affairs and romances, being taken advantage of by unscrupulous colleagues or friends, or disputes in your family home, such as with children.

You prefer to think well of everybody, giving them the benefit of any doubt and relying on mutual trust; unfortunately, deception is common. Your evaluation of character can often be misguided or lacking in perception. You may discover a suitable channel for your social concerns by working for people's welfare; a sense of civic responsibility is well-developed, and you may see community activity as the moral duty of a responsible citizen. Certainly, working for social betterment will fulfill you in many ways, and provide reassurance for your self-esteem.

You may need to reduce restless feelings that disturb your inner state and relationships with others. Whenever you feel this dissatisfaction, discovering new areas of interest and activity can productively redirect your energies.

28) ► **Moon** ☾ **Opposition** ♄ **Saturn** - (7°27' S) ♁6 | ♁12

([156] astromatrix.org:) The Oppressor

It is probable that the restrictions and limitations which you encounter are mainly derived from other people or environmental pressures, and that relationship difficulties will occur.

Childhood experiences and parental or social conditioning will have greatly affected you; and your attitudes and worldview are likely to have been molded by duty, obligation, and responsibility. You see their requirements as necessary for the socially mature individual, but instead of gradually developing as a result of real maturation, these have been imposed on you, probably during childhood before you were able to properly integrate them. Parental pressure or environmental circumstances may have forced you to 'act grown up' before you were ready, having to conform to these demands.

You may have reacted against the discipline of restraining attitudes and imposed rigid behavior and may have seen your parents as lacking love or understanding for you. Life presents a vista of duty and obligation; it is viewed as a serious affair in which 'doing the right thing' becomes important, even if this means ignoring your feelings, instincts, and emotions... or so it seems to you. One result could have been a controlling of childhood feelings, exuberance, and enthusiasm, of not being allowed time for childish play and 'silliness', acting out imaginative fantasies, or refusing to conform.

By adult life, this may have consequences of moodiness, bleak depressions, and negativity. You may display emotional inflexibility, endure phases of stagnation, and have fears of people, experiences, and situations. If this occurs, it is symptomatic of unconscious emotional repression, which now influences your everyday consciousness and reality through interference.

Sensing this repression, others may avoid closeness with you, as they sense that your social stiffness inhibits relationships; as your vibration is that of a loner, they may feel uncomfortable. Negative attitudes can become restrictive and limiting; opportunities can be lost through refusing to take chances, or relationships denied through social unease or fear of emotional intimacy. If you can redirect your attitudes in a more positive and constructive direction, things will open up; making such a shift is likely to prove difficult, yet, if achieved, will be highly rewarding.

Clarifying your life direction is important, enabling energies to be targeted at achieving specific personal aims. While the 'duty and obligation' program dominates you, there can be antagonism toward authority figures such as employers or managers, especially if they provoke your feelings or wound your sensitivity. If you chose not to become self-employed, then work related to medicine, research, social welfare, community service, law, or government may attract.

Relationships can prove problematic. You find difficulty letting down your emotional drawbridge to others, and struggle to express feelings. Sometimes embryonic relationships are destroyed by your allowing previous relationship experiences to interfere, by prejudging people according to past disillusionments. Emotions are protected; and this can prevent intimacy from developing.

Older partners may attract, as may those who display a maturity which you believe you lack. Be careful of becoming dependent on others. It may be inevitable that you fall in love with someone who displays affection but not love for you. This leaves you emotionally vulnerable; and powerful but painful feelings are encountered. Such experiences could prove uncomfortable and traumatic, yet releasing emotions is the healthiest action. If a relationship develops, then you may become less defensive, and your hidden potential may unfold with a loving partner.

Children may help to open you, providing a relationship into which you can pour love, helping you to feel at ease with displaying feelings in a less threatening context. You may find that family obligations create limitations, due to financial constraints and parenting responsibilities. A balanced approach to fulfilling responsibilities in a more relaxed, emotionally responsive manner is required; and much depends on transforming attitudes and feelings. If this is achieved, limitations will progressively dissolve as emotional stress is released, and a new feeling of liberation grows.

With emotional freedom comes the dismantling of those inner barriers which have prohibited creativity and imagination; and taking these steps may reveal previously unexplored and unrecognized talents and abilities.

29) ► **Moon ☾ Opposition ☿ Fortune** - (3°07' A) ♀6 | 0012

([27] [astrotarot.net](http://astrotarot.net).) Typical features that this opposition brings – You have a big to “find yourself” through other people. This aspect signifies close one to one relationships. Actually, you need a companion to make you feel complete. You are still your own unique person, but you are simply more comfortable when you are with someone else. Most of you, with this aspect, are in partnership with a close personal friend. The opposition has a Libra flavor. If you have this Natal Moon- Part of fortune aspects you truly come alive when one-on-one. This makes you good at negotiations, therapy and other situations where being able to slip into another’s shoes is advantageous. You enjoy in decision-making when it is shared with another person. Also, you are the first to call on a close personal friend or the spouse whenever a decision needs to be made. The exchange helps you to find an answer within. So, this comes back to seeing yourself through others’ perspectives. You are not the type of people who go to movies or restaurants alone. In other words, you just feel more powerful and happy with someone. But, you do not give your power away to others. However, you do not readily “own” your power without feedback from others.

- Positive trades: This aspect does suggest you like being around others and that you are sociable and well-liked. Working in partnership gives you the confidence to fully express your own identity.

30) ► **Venus ♀ Opposition Sp Spirit** - (4°47' S) ♄7 | ♃1

31) ► **Mars ♂ Opposition ♅ Pluto** - (9°22' A) ♃9 | ♅3

([186] [astromatrix.org](http://astromatrix.org);) To Win At Any Cost

The opposition aspect tends to reflect an inner conflict in you, that of a clash between your personal desires and a possible contributing positive role in society, as represented by the opposition between the personal Mars desires and the more socially orientated Pluto.

You probably require a greater understanding of the nature of personal power, the right application of it to benefit the group rather than to satisfy purely personal aims and desires, especially as you may have the tendency to take advantage of a group's power and influence to further your own ambitions.

Your nature will express a forceful will, which can be experienced by others as aggressiveness, making them avoid too close a contact with you; in fact, you often appear to be quite unaware of your effect on people; and a greater sensitivity to the rights and reality of others is a quality that you could do well to help develop. This would help minimize any negative effect you may have on others, especially those in close relationship to you, whom you often attempt to dominate.

Control in an intimate context is attractive to you; and you are likely to have an intense and powerful sexual nature, which at times can lead towards an affinity with forms of potentially violent passion and sexual undertones. You tend to link sex with power as an exaltation of personal force; and this can stimulate certain problems, although some potential partners can find the sheer physicality extremely exciting and provocative. This, plus the psychological manipulation that you attempt, can lead to stormy relations; and you are probably wiser to moderate and discipline your release of energy through a controlled awareness of its impact on others.

You may observe that your flow of sexual energy can be erratic and irregular, where your passions are either 'hot' or very 'cold', and you are basically unable to regulate them according to demand or switch them on. In your home life, you may find problems arising in the spheres of financial management, and power struggles, and on the emotional levels of relationships. You probably find that your emotions are driven by the force of passion and sexual energy, and that you have a lack of real understanding of their nature, as they tend to be swept along on the tide. Perhaps this is why you often demonstrate little awareness of the emotions of others in everyday life, as yours are often held in a state of suspended repression, like waters blocked from following their natural route by a dam wall.

If the emotional level was released carefully and consistently in a healthy way, the blocked Pluto energy operating on that level could be freed, and many of your problems would begin to dissolve, leading to personal transformation. This would then adjust the

level of force and suppressed violence in you, so that you would deal with your power more positively.

This would lead to a clearer perception of self and others, allowing partners more personal freedom through mutual agreement and compromise, rather than your previous imposition of will. Taking such a course could develop also towards greater social involvement, using your energy in positive and creative channels, realizing that if you can change from living mainly to satisfy purely personal desires at the expense of others, then there is the potential for a self-centered violent society to change from exploitation to co-operation and mutual benefit.

32) ► **Jupiter** ♃ **Opposition** ⚡ **Uranus** - (3°11' A)    0012 | 85

([191] [astromatrix.org](http://astromatrix.org);) The Unsatisfied Seeker

Most of the challenges that are likely to face the individual with this aspect will be centered on personal beliefs and expression, and relationships with others. You are likely to have a bright, alert, intellectual mind, and a sense of self-assurance which can be expressed with enthusiasm and dynamic energy.

Over time you will amass a large storehouse of knowledge, which you can use in your efforts to become successful and creative. What is likely to disrupt the results of such natural assets is the influence of the Uranian opposition, which essentially distorts the outer expression. It is in the spheres of judgment and sensitivity that you may find difficulties occurring.

Under the expansionist tendencies of both Jupiter and Uranus, you can easily become over-enthusiastic about ideas, business schemes or unconventional beliefs. Allied to an erratic, restless tendency, this can lead you to become involved in highly speculative business ventures where your obsession with the project idea can override any real rational analysis of financial feasibility.

Often your attachment to ideas veers towards investing them with elements of fantasy and imagination, which can lack a real applicability within daily life, also adding a distorting factor. There is likely to be some conflict with established traditional beliefs and social attitudes, especially in the areas of religion and politics; and you may become involved with radical politics or more unusual religious and spiritual beliefs. These will hold considerable personal meaning for you; and you will feel impelled to share these with others. Often despite that clever mind, there is an element of simplicity and faith in you, which can become naivety at times. If a belief resonates with that point of imagination within, you can accept it then with little questioning, because really you are looking for a sense of center and security; and a belief structure appears to offer this. You may need to be wary of an urge to convert others to your beliefs which, whilst genuinely held, may not be suitable for everyone.

If others oppose you, this serves to reinforce your support of your beliefs against any

odds; you can feel that this often validates them. There can be a tendency to be too domineering in expression, founded on that strong self-assurance; and in relating there is often a lack of tact and sensitivity to the feelings and abilities of others. Not everyone has your ability to be so focused on achieving important objectives; many vacillate, or sit on the fence, instead of choosing to be on one side or the other. Also, others have different requirements for life experience from yours, different challenges; and they may be following their path as much as you are following yours.

Eventually, you may find that the Uranus action causes you to revolt against any belief structures to which you have bound yourself. At least for a period, you may have to stand alone and adrift from security in beliefs; this can occur as a result of disillusionment and a collapse in your faith in a specific belief. Yet this can be liberating, since in the experience of such a phase of inner darkness, your own light may be perceived and contacted, enabling you to live more freely and attuned to your own life pattern through later life. Identification with outer belief structures can be personally inimical and restrictive.

33) ► **Jupiter** ♃ **Opposition** ♀ **Pallas** - (3°55' S) 0012 | 85

([581] 12andus.com:) You have big vision and grand ideals, but you don't always analyze the steps between dreams and reality.

As a result you may become passionately committed to a cause but not have the proper grounding to effectively plan for success. Your idealism and lofty plans may fall short of logistic realities.

When you learn to balance your passions and ideals with your grand vision of how things could be, you'll easily be able to advocate for and lead others. You can be influential and convincing as a mentor as well.

You have a diplomatic, wise and spiritual side and you employ these aspects of your personality to needed changes. Your larger than life ideas need consistency to come into fruition. You'll have to fight against your potential for boredom and desire to chase the next exciting thing in order to stick with your plans long enough to see them realized.

34) ► **Jupiter** ♃ **Opposition** ♄ **Chiron** - (0°10' A) 0012 | 116

([122] astrotarot.net:) Typical features that this opposition brings: this aspect is in fact the process of transformation from broken to whole. Before you integrate the wound, you will feel broken, and separated from the world. You may periodically vacillate between a desire for expansion and a fear of experiencing or inflicting pain as a result of expansion. When you integrate the wound into your being, you will feel whole again. Jupiter will help this process. That is because it has the unique quality to bring separate parts into a unified principle. This opposition aims to bring out the best out of two planes. Jupiter is optimistic, generous and coherent. Chiron is the healer, compassionate but also unconventional. This Natal Jupiter – Chiron aspects are about accepting yourself with all

your scars and imperfections, and helping other people accept themselves too. Identifying your own “sore points” and learning how to feel awkward” or out of place without hating or blaming yourself will be the beginning of a long process of healing. The potential for ideological healing through a significant relationship, especially with a mentor or teacher figure, remains high throughout your life. You need to look deeply into your own past, particularly those events that continue to create problems for you. Jupiter opposite Chiron will aid you in understanding.

- Positive traits: With this Natal Jupiter – Chiron aspects you are optimistic and generous, compassionate and also unconventional. Jupiter opposite Chiron in your chart is a signature for people who can make a great teacher.

- Negative traits: you often feel that you are not good enough or that you are strange to others. Yet the experience of distress, hardship, and tribulation can provoke you to push past limiting thoughts and awaken the unrealized potential from within.

### 35) ► **Saturn** ♄ **Opposition** ♅ **Uranus** - (5°07' A)    ♀12 | ♄5

([198] [astromatrix.org](http://astromatrix.org);) The Activist

With the opposition, you will tend to project inner tensions outwards onto others through your social and intimate relationships. These tensions arise as a result of the clash of the Saturn and Uranus energy patterns within you and will continue to remain operating until you succeed in resolving the causes of the inner friction, through transforming the relationship of Saturn to Uranus.

You may feel torn between two polarized directions, past-future, order-chaos, orthodox-unorthodox, stability-change. This may make it difficult for you to decide on life directions, or you may become biased towards one pole to the repeated exclusion of the other, and some degree of repression of the ignored planetary qualities will occur. This can give you a hard edge to your personality, which is partly a result of trying to maintain a fixed inner center against the other inner planetary attraction.

You prefer to remain clearly in control but can express this with what seems to others an overly aggressive approach. There can be a lack of relaxed relationships, partly because you have a competitive attitude and desire to become personally important and authoritative in a social sense. It is doubtful if you will have many close friendships, because of an attitude of exclusion and distancing that you put up around yourself.

One area that can create conflict for you is a lack of openness to others, and that attitude of righteous knowing; this can block any real relationship from occurring, and often will generate antagonism from others, who look for opportunities to 'bring you down'. Learning to listen more to what others have to say is one lesson you need to apply; there is something of value to be gained from communication with every person, because the wisdom of the whole is reflected through each individual, and the routes that guidance and messages can take are infinite in variety.

If you are not open to the world and people, you will miss them, and just circle around in your own limited world. Life can be greatly enriched by sharing with others in an attitude of equality. Co-operation and compromise should then flow by such an adjustment in your attitude to others, as you break down that restrictive egocentric shell. It is likely that the Uranian energies will be less expressed than the Saturnian ones, so some degree of rebalancing may be required to free that planetary influence.

This can be released through personal creativity and allowing yourself to be freer and less tightly bound. This can involve the dissolution of limiting self-images, and an inner granting of freedom to others, so that you do not insist that they conform to your image of them. Often you attempt to direct their lives for them, especially in the more personal sphere of relationships, because it makes you feel able to control life. In the way that you are applying this, the results just inhibit a vibrant life.

The Uranian characteristics can also emerge if you become involved in social reforming groups, where you may release that aspect of your nature in an active manner through questioning the Establishment. What you may have to be wary of is a bias towards Uranus that leads to losing the awareness of the essential Saturn values in life.

What you should be aiming towards is a way to create a workable balance between these energies within your own nature and through relationships, so that the positive aspects of each can shine through.

36) ► **Saturn** ♄ **Opposition** ♀ **Pallas** - (5°51' S)    0012 | 8.5

([582] 12andus.com:) Your approach to strategy and getting what you need is rooted in tradition and practicality.

Yet sometimes you need to be willing to try something new. When you need to assert your ambitions and fight for your principles and goals, you can be determined, stubborn and meticulous.

You may stumble though when you need to break with tradition in order to succeed in your goals. You don't fully trust any plan you can't physically see and need to have tangible proof of how your ideas will pan out. You may need to find balance between your hard working nature and your need to be open minded in order to make your dreams come true.

Your determination and patience can make you an effective and trusted mentor. You are dependable and this helps others feel they can count on you. You can find traditional solutions that help you ground yourself and find stability and security. This helps you create strategies that further your goals.

37) ► **Saturn** ♄ **Opposition** ♂ **Chiron** - (1°46' A)    0012 | 17.6

([123] [astrotarot.net](http://astrotarot.net);) Typical features that this opposition brings: there is a strong tendency to try to achieve and work hard, to mend the original wound of inadequacy. You have a strong fear of rejection as a wound too. These Natal Saturn – Chiron aspects are usually quite typical of a very wounding relationship to the father and to authority figures in general. Your father is often strict, unfair, or simply absent or wounded himself. You tend to shoulder the traumas and issues of your family. Also, you tend to feel that you are solely responsible for healing the family's inherited trauma. Sometimes, you will literally take on debts from the family. Also, you are often highly educated. Often, family only represents pain for you. It's hard for you to conceive of a family that embodies pleasure, love, or safety. Because families are defined by pain, you can forget that imagining joy is a part of healing. It's easy for you to get trapped at home, working to pay off your family debt or redeem your family purpose. You have a responsibility to solve the problematic impulses that everyone else is just acting out. As with all wounds, trying to force the wound to release itself will do nothing. You have to be gentle with it. Being gentle around the wound, while indicating that you know it's there, encourages you to release the wound.

- Positive traits: With this Natal Saturn – Chiron aspect you are compassionate and also unconventional. Saturn opposite Chiron in your chart is a signature for people who can make a great teacher.

- Negative traits: you often feel that you are not good enough. Yet the experience of distress, hardship, and tribulation can provoke you to push past limiting thoughts and awaken the unrealized potential from within.

Even while you are very young, you insist on doing everything your way, and you strongly resist any pressures to conform. With this Natal Uranus – Part of fortune aspects your responses are quick, and you are very passionate. Your intimate relationships suffer the most. So, you must choose your battles with more care and consideration. Always try to think before reacting. In conclusion, with some self-control, you can learn to live with some minor irritations. - Negative traits: this aspect challenges you to acquire a more realistic outlook on life and to look for practical or pragmatic solutions to your concerns rather than just hoping for magical solutions.

Your calling may require you to act in nurturing ways with others even when you are not able to get your own needs met.

You can find it easier to fulfill your spiritual calling when you balance your desire for pampering and the purpose of your higher calling.

([128] astrotarot.net:) Typical features that opposition brings: there's a lot of work that can be done to make you grow as a person. The sign and house placement of Part of Fortune show qualities that you should be able to express easily. In other words, your innate abilities and talents, as well as indications of your vocation and career, and how you can gain worldly success, and improved health. This will help you determine how much effort you will need in creating a compromise between the two forces in your own personality. 41) ► **Sun** ☉ **Sextile** ♅ **Pluto** - (3°06' S)    ♄ 5 | ♀ 3

([228] astromatrix.org:) Self Integration

You should be able to use your Sun-Pluto energies in a positive resourceful and constructive manner, believing that with clear motivation, direction, and focused will you can attain your ambitions.

There will be considerable powers of endurance, and this will help perseverance through tapping your inner resources. You have several natural talents, which can be used both for your own benefit and for others. Communication is one talent, where you should be able to transmit your thoughts to others clearly, fluently and with style.

It is likely that you will work closely with groups, possibly through mutual ideologies aimed towards resolving social problems, as you feel a responsibility to add your support towards social betterment. You particularly dislike those social aspects which reveal a lack of natural justice for the 'underdog', and where disorder and chaos rule; you prefer to approach such challenges by direct encounter, using will and perseverance and believing that eventually your intensity will win through. You can evolve into a spokesperson for such a group endeavor, as you give inspiration to people who respond well to the aura of powerful energy that you emit, creating confidence in your integrity and abilities to further the cause.

For your immediate associates, the energy has a harmonizing and vitalizing effect. You tend to use it as a personal guide to determine the right approach to take in situations, almost as a form of psychic intuition, taking the place of logic and analysis; you rely on this sense of directive feeling to make necessary decisions, although it can be difficult to express your reasons to others in a convincing way. This joining of your solar path with the social concerns for transformation which emanate from Pluto can be potentially dynamic, forming a life direction which fulfils and continues to stimulate, even though it may be highly challenging, and results may seem slow in coming.

A natural understanding of the life process eventually requires the releasing of any old restrictive patterns, which you are able to do without much trauma as part of your process of regeneration. You have a capacity for ongoing creative growth in your relationships, achieved without unnecessary drama or crisis, almost as a natural evolutionary expression of the sextile's energy operating through your personality.

You may need to review your relationships and social activity periodically to ensure that directional clarity is still present, but this serves to satisfy the Plutonic impulse to

transform when necessary and is consciously absorbed into your solar path without undue force or pressure. By adopting this approach, you can ensure that your Sun and Pluto remain co-operative and mutually support your endeavors.

([599] 12andus.com:) You may easily attract mature and serious partners because you value your relationships and always set the foundation for security.

With what seems like little effort, you can attract your ideal partner and even your potential marital partner. Of course, you are putting forth effort, yet the effort is invisible because you thrive in a serious partnership and even the tedious aspects of the relationship are joyful for you.

In other words, even if you have ups and downs in a partnership or commitment, you never let others see you sweat and so your achievements of marriage or commitment seems easy.

47) ► **Juno** \* **Sextile** ⊗ **Fortune** - (0°58' S)    ♄10 | ♀12

48) ► **Ascendant** ASC **Square** \* **Juno** - (3°59' A)    ♃1 | ♄10

([605] 12andus.com:) You may want to be in a steady relationship but fear commitment.

You don't want to make commitments that jeopardize your ambition and you may feel it is difficult to sort between your desires to be with someone for life. Your partnerships may be rocky.

With some mindfulness and work, you can work through the difficulties that lead you to doubt your ability to commit or follow through on your commitments. You can find your ideal partner if you work through fears about your need for independence.

49) ► **Sun** ☉ **Square** ♄ **Neptune** - (3°47' A)    ♄5 | ♃2

([383] astromatrix.org:) Self Deception

This indicates tendencies of psychologically based inhibitions, restrictions and frustrations which pose considerable challenges that need overcoming before the more positive characteristics of Neptune and the Sun emerge.

You tend to lack confidence in your identity and ability to achieve your ambitions. Part of this may have been derived from your parental relationships, especially with the father, as your developing nature may have experienced conflict through lack of understanding or of perceived love; it may have been that by asserting your own individuality you clashed with the stronger parental will. The results are that your self-confidence has fragmented, and that your application of will is less focused and effective, and consequently you have developed psychological defenses against others and from facing personal failure. This is displayed in escapism, and avoidance of responsibilities and of the need for self-discipline, unless a powerful Saturn in your chart can re-balance this tendency.

Preferring to run away from confronting reality leads to distorted perceptions, which make careful evaluation of options difficult as well as generating fears of making decisions which may prove to be unwise. At its worst, this can create inertia through fear of taking deliberate action. These inner images of failure tend to create external failures, and so emphasize a repetitive vicious circle. Yet by linking this pattern of failure within aims and ambitions that are probably beyond your current capabilities to achieve, you also succeed in evading the realization that you are creating most failures in your life. This is exacerbated by the dreams of the unintegrated and unfulfilled Neptune, who may be noticed as a thread of guilt related to your lack of achievement, and as an ongoing sensation of discontent.

Your solar power is being diverted and dissolved by the activity of an unintegrated Neptune, and, unless you can begin to reassert this solar center and face your

Neptunian challenges, this unsatisfactory condition may continue. These challenges can be mitigated by a decision to make sufficient effort to connect to your hidden solar center, to move beyond those superimposed images of guilt, failure and inferiority that have developed as a defensive response to emotional pain. Such a reorientation may not be easy to make, as you will be opposing established patterns of behavior, yet the gains that can be made are likely to transform your life.

The first step is self-acceptance, to cease any self-judgment and condemnation. Then, if you really want it to happen, feel confident that any change can occur. You have sufficient inner creativity, imagination and potential waiting to be released from imprisonment, although finding appropriate channels of expression may still take a little longer. However, you need to define any ambitions within a more realistic perspective than previously. Possibly some form of counseling may be effective in helping you gain more clarity regarding your self-potential, or workshops in self-assertion and decision-making / goal setting. In effect, you are being asked to see yourself as a young child, ready to enter adulthood, and you are expected to recreate yourself into a new and more suitable identity.

Take smaller and easily achievable steps in this process of recreation; acknowledge that occasional failures are inevitable, but try not to turn them into traumatic dramas, and realize that success will not happen without the parallel risk of failure side by side. Everybody is a failure at something, and that isn't an excuse to condemn yourself again. As your self-confidence grows, your life will begin to take a more positive shape. It will not happen overnight, as transforming long-established behavior patterns cannot be achieved that quickly; but persevere, and changes can happen. Perhaps using techniques like creative visualization and affirmations, or subliminal programming encoded on self-development cassette tapes, could strengthen this process.

The essential realization is that change is possible, and that you can achieve this in your own way; in hope lies the fountainhead of the waters of potential and transformation. Such improvements can benefit your intimate relationships too, as well as enhance your self-image, confidence and decision-making abilities. Generally, you are emotionally vulnerable, possibly exploited or abused by others, deceived or manipulated in various ways; but if these tendencies exist, they are reflections of those dominating patterns within you.

There can be unusual emotional needs and desires linked with romantic idealism that are expressed in physical sexuality; these may require healing and cleansing in some way. But the proposed transformation and refinement that is implied by resolving the conflict of the Sun and Neptune would simultaneously deal with that level too. There can be an attraction towards occultism and mysticism.

50) ► **Moon** ☾ **Square** ♂ **Mars** - (7°25' S)    ♀6 | ♀9  
([390] [astromatrix.org](http://astromatrix.org/);) Going Your Own Way

Opportunities: 1. Advancing in Life 2. Growing Through Action

Challenges: 1. Keeping Your Ego in Check 2. Connecting with Others

You can be self-centered, intent on pursuing your way irrespective of the impact it has on others. Sometimes you use Martian energies aggressively to gain your way, refusing adjustments and compromises with others, demanding that they appease your will and needs while denying any validity to theirs.

Often instincts and emotional needs clash with your will for action, and you may feel confused regarding which to choose. This inability to know which way to turn increases frustration.

Men may try to be too forceful and aggressive with women, playing a 'macho' role without much understanding and sensitivity to the female temperament, oppressing through asserting raw power without sympathy, and overidentifying with the Mars energy and denying the Moon.

51) ► **Moon** ☾ **Square** ♁ **Pluto** - (1°57' A) ♏6 | ♉3

([395] [astromatrix.org](http://astromatrix.org);) The Need To Purify

Intimate relationships may be difficult, with emotions intense and extreme. An atmosphere of emotional brooding may surround you; and others may prefer to withdraw as they sense elemental danger.

Needs for control influence choices and actions; you believe your environment and emotions need controlling to avoid 'threats' from others. This increases your preference for relationship dominance, often demanding that others acquiesce to your desires and wishes, yet this will inevitably imbalance relationships. You intend to rule and will never willingly be submissive. If forced to do so by partner or employer, you will later try to undermine their dominance by subversive efforts to regain control. You can react almost violently toward anyone trying to change you and may deliberately act in more extreme ways when displaying the behavior that another hopes to change.

You are a natural loner, impatient and potentially aggressive in attitude unless carefully controlled and moderated. Self-expression is often direct, with a style lacking in social graces and diplomacy, sometimes abrasive and brusque, especially with those you do not respect. This can create work and social problems; but these do not particularly bother you, as you prefer to be true to yourself. What you do need is to retain self-integrity and discover how to maintain a positive relationship with others.

You hate feeling restricted, and chafe against any imprisoning bonds, even if these were self-imposed for reasons which existed at the time. You are ambivalent toward the past, and often want to forget it as having little relevance; at other times, you display an attachment to it, attempting to reinvolve it. At least you know the past; the future sometimes scares you, stirring uneasy feelings, especially as this cannot be controlled. You may find difficulty dealing with powerful feelings of destructive energy, an urge to

smash and break down obstacles that prevent you from enjoying freedom.

This inner state generates tensions and pressures which you control and repress, afraid that, if unleashed at an appropriate time, much damage could be caused. It can be hard for others to understand how this sensation of destructive emotional energy shapes and restricts you. You also find it difficult to discover how to release this energy constructively; but it is essential that relationship conflicts be reduced. You may often force issues, releasing this energy in confrontations which create sudden and dramatic life changes, despite intending this simply to release inner pressures which increase whenever you feel as if you are not in control.

Your tendency is to explode - or to implode - to stimulate a necessary transformation that can create space for changes to occur. You need to trust more - your family, intimate partners, and others. Try to communicate your feelings and difficulties so that others can help you to release them less abrasively.

Compromise is essential; the world does not revolve around your needs and desires and living together requires mutual benefit and support. Redirecting self-preoccupation toward helping others could become a way for emotional intensity to flow safely outward, reducing inner pressure.

A deeper self-understanding, perhaps through courses and study in psychology, occultism, meditation, and self-exploration, would benefit you considerably, and give insight into the energies and levels of consciousness which create the complexity of the human personality.

52) ► **Mercury** ☿ **Square** ♀ **Jupiter** - (1°00' S) ☿9 | 0012

([405] [astromatrix.org](http://astromatrix.org);) The Exaggerator

With Mercury Square your Natal Jupiter you normally promise more than you can deliver, you tend to exaggerate with your communications with others. You tend to have good intentions in what you are doing but you also can lack common sense at times.

You really like to express yourself and your ideas with others, but you can lack discrimination and critical thinking. It is easy for you to be misled or deceived by others as you tend to trust them without following through on the details. While your intentions are generally good, you might overestimate what you are capable of, and promise more than you can deliver.

Be careful not to develop a reputation for being unreliable, simply because you desire to make others happy with what you say or promise. You may also become bored easily and you avoid responsibility. If there are other difficult aspects to Mercury or Jupiter, the problems with this aspect could be worse where you may start to manipulate the truth when it comes to getting your way as you prefer the easy road and may be jealous of other people. Even if you don't lie to others, it's also easy to deceive yourself in believing

you are better than you are and deserve more than you think you do.

You need to realize that life is not an easy road to riches and that hard work, persistence and dedication to your work will allow you to succeed. You just need more patience to realize this, your impatience can make you want everything too quickly, or wonder why you are not successful yet.

You are capable of learning and studying, with Jupiter expanding your mind and expression, you can accomplish a lot when you put your mind to it. Consequently, it is possible for you to become successful in fields such as Education, Teaching, Marketing, Law or Media. Basically, anywhere where your mind and communicative talents can be utilized. You possess an acute but disorderly mind; you can come to rapid conclusions without knowing all the facts. You must learn to be more disciplined, to concentrate more on details and to be more persistent with your projects.

53) ► **Mercury** ☿ **Square** ♄ **Saturn** - (0°56' A) ☿9 | 0012

([406] [astromatrix.org](http://astromatrix.org);) The Worrier

With Mercury Square Saturn you are intelligent, traditional, reserved, shy, hardworking, ambitious, responsible, narrow-minded, pessimistic and, in some cases, scheming and deliberately dishonest

You may have a difficult childhood due to problems with your father, which may make you defensive, suspicious, insecure or depressed. You can be mentally inhibited or too tied to traditional thinking and may be unnecessarily rigid in adhering to discipline and observing law and order. You may have dental and/or hearing problems and shouldn't smoke. This aspect is good for big businessmen and politicians. You tend to work excessively and are too concerned with trivial details

You lack imagination, but when you have an original idea, it doesn't gain acceptance with traditional thinkers. Your education may be rigidly disciplined, but your poor memory causes many problems with your studies. This can be overcome with patience and persistence

Your tendency to be jealous, fear of change and anticipation of danger or failure means you have few real friends. In positions of authority, you may belittle others' ideas. You're likely to get in trouble with written communications and contracts.

54) ► **Mercury** ☿ **Square** ♅ **Uranus** - (4°11' S) ☿9 | 015

([407] [astromatrix.org](http://astromatrix.org);) The Scattered Mind

The square has several characteristics similar to the opposition. In both we find eccentric thought-patterns, intellectual superiority, the 'know it all' syndrome, and a changeability of mind and emotions which can both confuse and antagonize others.

The main difference with the square's influence is the dominance of the Uranian 'rebel'

attitude, which will condition your social expression. Your initial reaction to most social traditions, rules, and beliefs will be a belligerent opposition, even if you hide most of this activity within your own thoughts. A 'rebel of the mind!'. There are at least two sorts of rebel those who just oppose, and those who oppose and offer radical solutions to social problems.

You are likely to have the tendency to be the 'opposer', as your ideas are often erratic and impractical, lacking in the ability to be easily applied by people in everyday life. This can be frustrating for you; but until you come to better terms with contemporary life, it may be inevitable. Part of this problem is your inability to acquiesce in social rules and accepted ways of behavior, allied to an innate resistance to authority.

You fail to see why you have to live in certain ways, acting and behaving according to a social code of conduct, or thinking within predictable and conventional parameters. You have enough of a sense of freedom to know that life does not have to be the way your parents, teachers, employers, politicians and priests tell you. So, you become an outsider. Alienation from society can vary in degree; but you may have to be careful that your tendency is not just negative in nature but possesses a positive creative ability for social change.

You may have to realize that the only person who is responsible for you is yourself! The responsibility for your choices and actions lies with you, no-one else; and it is a foolish denial of personal power to pretend otherwise, or to seek to blame society or someone else for the repercussions of your choices. Basically, what you are looking for is a personal state of freedom. The freedom to live in a world that suits you; and there can lie the problem. How to move from a restrictive world into liberation?

One approach is to transfer the energy flow from opposing 'out there' to being turned within, to experience fully the contradictions in your nature, accept them and attempt to resolve or rebalance them. Techniques from the humanistic schools of psychotherapy and creative visualization could prove useful in this act of recreation. The social rebel has to undergo an inner revolution.

61) ► **Mars** ♂ **Square** ♄ **Uranus** - (5°09' S) ♄ 9 | ♄ 5

([426] astromatrix.org:) A Lightning Bolt

The square will be felt as an inner tension, you are torn between the Uranian search for freedom and a deep need to feel safe and secure. This is a clash between the familiar patterns of the known and the siren call of the potential of the unknown. This is likely to be felt as a fear of commitment and risk.

Whilst you will be attracted towards greater freedom, with the possibility of creating a context where you can be more fully yourself, the likelihood is that you will resist the impulse. As you analyze your options, you prefer to play safe, as you cannot obtain these cast-iron guarantees that you would like as to the future success of your choices. This inner frustration that is likely to build up can cause stress, as a part of your nature is being denied and repressed.

You are liable to feel some emotional unease, where you are afraid of allowing full emotional expression, or even properly acknowledging your emotional nature. It is a fear of 'letting go' that is the root of this difficulty, where emotional or material losses are to be avoided if at all possible. This may have arisen through childhood experiences of loss which deeply affected you, or through a pattern developing that too strongly identified yourself with people or possessions, so that with any withdrawal or removal of them from your life, you felt that you were losing part of yourself.

You will feel that you need to keep a tight control on life, trying to ensure that chance and predictability are fended off; in this sense, you accept the more grounding energy of

Mars, whilst denying the unsettling but potentially liberating energy of Uranus. You apply the Mars energy in terms of conservation, ensuring a protection of your resources through prudent and cautious organization.

You intend to apply yourself diligently to your objectives, even if you expect that they will take longer to achieve without taking risks; the problem is that for varying reasons, your intentions often fail to be realized, perhaps through an impatient Uranus unraveling those attempts at persistent effort. Or your interest wanes as you reach a point where a riskier decisive step has to be taken.

When that journey of a thousand miles requires the taking of the first step, you may decide not to travel anywhere, preferring established security. Yet you may find that you are willing to allow the Uranian impulse to move freely in your life. This could initially arise as a result of a phase of denial where some external circumstance beyond your control throws you into a period of confusion and turmoil.

Redundancy or the sudden collapse of a marriage could be triggers for Uranus to break through that dam. Certainly, it will not be denied expression for all your life, and that side of the square will need to be accepted and integrated. There is potential that even while maintaining your relative control you could safely begin to open up to new horizons, to explore other interests, to expand and liberate your limiting conception of your nature and life. There are strong foundations there, and you should be able to build efficiently upon them.

To achieve those ambitions and personal desires, you will have to take some risks at some point, If you are not committed to achieving them, then it is unlikely that you will ever succeed, because your focus and energy flow will be too diffused and unconcentrated to generate the necessary momentum. That erratic will-power needs to be drawn through into a regular consistent direction.

If you can succeed in liberating that inner frustrating tension, you would be surprised how effectively that energy could be applied to reach your aims, instead of clashing within you. Your personal relationships would also improve as the stress began to disperse, and you felt that a great weight was lifting away from your shoulders. Releasing that pent-up, potentially violent energy could mean the dawn of a new era of personal creative enrichment. To free yourself from the restrictions of this square aspect, you have to open up to life's insecurities and risks. It's your choice.

([488] astromatrix.org:) Emotionally Tense

Your emotions are quite strong and are very important to you, but you will have to resolve certain tensions. First of all, your needs and feelings may often conflict with what other people seem to expect of you. Or you may feel like going one way even though you know it would be better to go the opposite way. The problem is, there is no one answer as to which way you should go each time. Your feelings are sometimes more correct than rational judgments, which may be based on ideas taught by others with no thought for your individuality.

You have to live with others, but at the same time you have to be yourself. If reason tells

you to go one way and emotion says the opposite, think about your choices carefully. If the 'reasonable' path helps others but offers you very little, then your emotions may be trying to tell you what your real needs are. On the other hand, your feelings may come from old, outdated ideas and silly childish fears.

You may be reluctant to face the world of growing up. You will need the advice of a faithful friend, perhaps one of your parents, who can show you which choice is best for you without having a stake in the result. As you get older, you should be able to make these decisions more easily.

Your emotions and ideas about your life should reinforce each other. Take your time growing up, however; you may take longer than others, because you have farther to go.

([444] astromatrix.org:) Pessimistic Attitude

With nodal squares, there can be these frustrating or even painful repeated themes that are continuously brought up in your life, to nudge you to fulfill your karmic lessons in this life since you failed to do so in the past (South Node).

With North Node square Saturn, this suggests you have learnt a good dose of Saturnine attitudes. While this can come out in a positive way, it is potentially a constricting aspect right from the start, due to the limiting and pessimistic nature of old, worrying Saturn.

You may have rigid habits or outlook, and your ambitions may be so far removed from what is the accepted norm by modern society that you could create a world of isolation, detached from life, ignoring social duties. This is potentially the hardest past-life life influence from which to escape.

It is easy for you to become stubborn or stuck in the past. You are bound to the old methods and mindsets, having many connections with elders. The house placement of Saturn shows where ideas or attitudes of the past keep you a prisoner. Your outlook may be gloomy, pessimistic or you may appear as miserly or selfish.

Major circumstances in your past life or early childhood may have caused you to develop a restricted, cynical worldview. Your judgmental, overly traditional, sour outlook will inspire much opposition in others.

Working on the positives of Saturn discipline, responsibility, organization and respect for boundaries, it provides the opportunity to do work of such remarkable mastery, precision, and expertise you can be in a class of your own, where the competition simply cannot touch you.

([431] [astromatrix.org](http://astromatrix.org);) Learning Grace

With North Node square Mars, Mars-ruled talents and instinctual abilities are brought over that must be utilized in a harmonious way. If not, the dynamic and highly combustible Mars energy may turn inward, causing neurosis, obsession, or fighting some demon or adversary within. While there are excellent resources to draw from, the Mars energy is most in need of direction.

This aspect presents a delicate situation because you must learn to use the energy in a more diluted form than what is really possible. A sort of brake is applied to the degree of aggression you are allowed to express. You are learning to release the controlling energy at a gentler, more subdued or graceful pace. If you can't learn to curb these energies, it will be done for you, most likely in unfavorable circumstances.

Be careful of expressing very temperamental or angry feelings or becoming overly aggressive physically. Your health may start out as robust, but there is a tendency to put excessive strain on the body, which weakens it, causing eventual weariness or breakdown.

There is a tendency to find yourself on the disagreeing side of things. You may find that you arouse a lot of opposition in others because of this, feeling alienated in your values as a result. You might find yourself almost pre-disposed to acting on your own or making the decisions in group settings, upsetting the group dynamic with the way you do things.

You must learn to be less defensive, not everyone is out to get you or fight you, and you must stop using this as an excuse to be aggressively self-involved and inconsiderate of others' values. To fulfill your soul's purpose, channel your tendency to be defensive of your beliefs into more constructive channels.

Antiscia when Gemini, Cancer or Sagittarius, Capricorn is used.

**Antiscia:** For simplicity's sake we're gonna explain it like Conjunction.

([26] [astromatrix.org](http://astromatrix.org).) Enhanced Imagination

The Moon has rule over our emotions and minds; therefore, these nodal conjunctions tend toward strong emotions linking to the senses and imagination. There may be exceptional psychic sensitivities, which may be exalted in the ability to predict trends or distorted and turned to suspicion and paranoia.

With North Node conjunct the Moon, the imagination is enhanced, and the mind is stable and strong, with accurate psychic sensitivities and reliable impressions. This contributes to creative talents. Wherever this conjunction is found by house, that house and the matters it governs are strengthened.

Your inner values are in tune with prevailing social trends and ideals, supporting your popularity and generosity with people. These qualities make it so that you can easily take advantage of these social trends and even become a spokesperson/public supporter of them. Be careful not to get too swept up in fads and learn to develop autonomy.

Having the support of a mother figure is important, and there is usually assistance from them. You may feel the want to nurture others and sometimes this is done in a big way. The North Node boosts the ability to gain the support of the public. You can have a mesmerizing effect on people, a definite asset in public and political life. ([211] [astromatrix.org](http://astromatrix.org).) Intuitive Sensitivity

This aspect indicates great sensitivity, but for this energy to work positively, your earliest childhood must be reasonably peaceful and serene. You are very sensitive to the hidden energies in your home and between your parents or other members of your family and any kind of ongoing negative feelings can cause you to become insecure and lacking in self-confidence.

Later on, you may feel that you cannot easily cope with life's challenges, because inside you cannot depend upon your emotions and your spontaneous actions to make everything come out right. Your relationship with one of your parents may be rather difficult. Often this aspect signifies that one of your parents is too weak psychologically to play his or her role in your life.

This might lead you later to seek out someone who can be a guide and a loving parent figure for you. The problem is that such a relationship would displace your search for normal adult relationships. However, even if both parents are strong, you may go to the other extreme and idealize the more influential one.

In that case you would compare everyone you meet to that parent, instead of dealing with each person as an individual. This is not so bad as the first alternative, because at least you have strong ideals that you can believe in. Later in life this may turn into a strong belief in God. Because you are so sensitive, you may eventually develop a strong psychic and intuitive ability.

## The Lots (Arabic Parts) (322th Harmonic)

There is not much information on these lots. Lots are points calculated almost always from the Ascendant and two Planets (or the Moon) or another one of the lots (then Schmidt's correction is used). The formulas used are based on Paulus Alexandrinus' and Robert Schmidt's work. Valens is another name that reoccurs with the information for these lots. (He might have slightly different formulas, but I think I took the best ones.) The texts are from 'astro.com' and 'astrology-x-files.com'.

### Lots used for ranking eminence:

When these lots and their rulers occupy each other's places it indicates personal power

and social mobility (eminence).

The **Lot of Fortune** is in 7° **Pisces** 33' and in the **12th** house.  
Part of Fortune was already interpreted in detail.

The **Lot of Spirit (Daimon)** is in 27° **Aries** 33' and in the **1st** house.  
"higher intellect" "guardian spirit/angel" The Lot of Spirit is a point which has strong psychological and spiritual overtones, unlike the very physical-plane based Lot of Fortune. The Lot of Spirit has to do with the nature of the will, what you intend (as opposed to what merely happens to you), and also has much to do with career, but apparently more your career as a statement that you make about what you are in the world. It also has to do with illness, like the Lot of Fortune, but it would seem that with the Lot of Spirit we are talking about the spiritual bases of illness as opposed to the physical bases.  
"Spirit happens to be lord of soul, temper, mindfulness, and every power; and sometimes it also cooperates in the determination concerning what one does." - Paulus Alexandrinus

The **Lot of Basis** is in 22° **Taurus** 30' and in the **2nd** house.  
Calculated from Asc, Fortune and Spirit.

The **Lot of Exaltation** is in 3° **Libra** 28' and in the **7th** house.  
Valens says that it shows what the native is happy doing if it doesn't indicate eminence (by falling mediocre or amiss with little connection to spirit or fortune)

#### **The Seven Hermetic Lots:**

Adding Fortune and Spirit makes them 7.

These 5 are calculated with Schmidt's correction formulas.

The **Lot of Eros** is in 27° **Virgo** 49' and in the **6th** house.  
"Eros signifies the appetites and the voluntative desires. It becomes a contributing cause of friendship and mutual favor." - Paulus Alexandrinus

The **Lot of Necessity** is in 27° **Sagittarius** 14' and in the **9th** house.  
"Necessity signifies constraints, submissions, struggles, and wars, and makes enmities, hatreds, condemnations, all the other restrictive things befalling men as a result of their birth." - Paulus Alexandrinus

The **Lot of Courage** is in 28° **Sagittarius** 12' and in the **9th** house.  
Indicates fortitude (or lack thereof). It is based upon Fortune (the physical body) and Mars (actions). Where this lot is placed by house seems to show what we have to face and what we most fear. "Courage becomes a contributing cause of boldness, treachery, might, and every villainy." - Paulus Alexandrinus

The **Lot of Victory** is in 6° **Aquarius** 20' and in the **11th** house.

"Victory becomes a contributing cause of trust, good expectation, contest, and every association; but sometimes it contributes to penalties and rewards." - Paulus Alexandrinus

The **Lot of Nemesis** is in 28° **Pisces** 16' and in the **12th** house.

This lot seems to indicate what is most likely to bring the native down. "Nemesis becomes a contributing cause of subterranean fates and of everything which is ice-cold, of demonstration, impotence, exile, destruction, grief, and quality of death." - Paulus Alexandrinus

Nemesis in Pisces: indiscretion, being gullible

Nemesis in Twelfth house (Pisces): indiscretion, being gullible

### **Lots related to family:**

The **Lot of the Father** is in 15° **Virgo** 0' and in the **6th** house.

If the lord of the lot of the father is dignified and is pivotal (angular) the father is strong and fortunate and may be eminent. If in decline and debilitated, judge the opposite. - Paulus Alexandrinus

The **Lot of the Mother** is in 14° **Taurus** 36' and in the **2nd** house.

Same as for father.

The **Lot of Siblings** is in 4° **Aries** 32' and in the **1st** house.

The **Lot of Children** is in 0° **Aries** 34' and in the **1st** house.

The **Lot of Daughters** is in 23° **Scorpio** 59' and in the **8th** house.

The **Lot of Sons** is in 3° **Capricorn** 30' and in the **10th** house.

The **Lot of Marriage for Woman** is in 13° **Leo** 3' and in the **5th** house.

The **Lot of Marriage for Men** is in 22° **Scorpio** 3' and in the **8th** house.

The **Lot of Deceit in Marriage by Woman** is in 25° **Gemini** 5' and in the **3rd** house.

The **Lot of Deceit in Marriage by Men** is in 9° **Gemini** 38' and in the **3rd** house.

The **Lot of Marriage (in general)** is in 11° **Leo** 7' and in the **5th** house.

### **Lots related to society:**

(Hellenistic)

The **Lot of Debt** is in 3° **Cancer** 32' and in the **4th** house.  
Indicates what could be a source of financial losses or debt.

The **Lot of Theft** is in 2° **Pisces** 15' and in the **12th** house.

The **Lot of Treachery** is in 15° **Sagittarius** 4' and in the **9th** house.  
Betrayal of trust

The **Lot of Accusation or Exile** is in 2° **Cancer** 34' and in the **4th** house.  
Lot of Being in a Foreign Land (exile), Lot of Accusation, also Lot of Police: indicate areas of life where someone may be accused of something, either falsely or truthfully.

The **Lot of the Destroyer** is in 25° **Gemini** 5' and in the **3rd** house.  
We have little systematic information of its use except that it seems to relate to the manner of death. I would urge astrologers not to be careless in the use of this lot.

## 322th Harmonic

### **Pholus | Sudden Life-Changing Events**

Pholus helps us achieve our soul contract and mission, the symbol of turning points (of no return), the catalyst, a small cause yielding a large effect, explosive results, transformation without premeditation, euphoria, self-destruction, awakening, curing addiction, release, searching, intensity, discovery.

Here, painful realizations of boundaries and responsibilities come as you grow. Pholus is where one absentmindedly, even blindly, goes about one's business until he sees the mortal light and crashes, grounded by confrontation of karma and responsibility.

### ***Pholus in Scorpio (Rx)***

([canvasofthecosmos.tumblr.com](https://canvasofthecosmos.tumblr.com/);) Pholus in 8th House/Scorpio: You search for something that will open the doors to intimacy, but get closer to others than you could ever hope for. You often joke about how emotional you are fully aware of how deeply your wounds hurt, and you learn that laughter is the best medicine at an early age. You may absorb others' passions for your own gain. You expect the most out of your relationships because that's exactly what you bring to the table. When you do let someone in and get attached, you share what you have in hopes that the return will be higher. You don't let go without years of resentment put behind you, should someone let you down. This placement makes you as quick to hate as to love, as these emotions go hand in hand for you. You have premonitions of the end and want to quickly get the grieving process over with before something even dies. Remember that change is inevitable and the grieving process is far from linear, as your explosive emotions may get the better of you until you learn to keep them in check.

### ***Pholus in 8th house***

([12andus.com](https://12andus.com/);) Your emotions and intense intuition can lead you to seek greater wisdom and truth.

Your desire for deeper understanding can lead you to unearth chaotic emotions or fallout that you didn't expect. When you least expect it, powerful transformation may come into your life. You may dredge up issues from your past that you didn't realize had as strong a pull on you as they do.

You may have dramatic awakenings that lead you to make significant changes in your life. Even if you are reluctant to let go, you may need to let go of the past in order to clear yourself of obsessions that have become toxic.

Dealing with grief effectively can be your key to freedom and healing. You can find awakening and transformation as a result of crisis and loss. You may become obsessively addicted to power but this works against your ultimate goals.

On the other hand, you can find a closer connection to the spiritual realm through your search for truth. Your intuition and connection to Spirit can be heightened. You may also become more dramatically aware of your power and spiritual connection as a result of crisis.

### **Eros | Love, Desire, and Sexuality**

Where you break with logic and rationality in favor of desire, associated with bringing havoc, your most powerful turn ons. Is used a lot in synastry.

#### ***Eros in Capricorn***

(12andus.com:) You may be obsessed with materialism and success.

You may have a sexual desire involving affairs with a boss or colleague or involving sexual encounters in the workplace. You may also be sexually attracted to older partners or partners who are discreet, practical and old fashioned.

You may fetishize an affluent lifestyle and will be turned on by the wealth of your partner. You may be specifically attracted to a sexual partner because of their wealth or perceived power as well.

You are also drawn to status. You fantasize about how a sexual connection or romantic affair can lead to a dramatic change in your own social status. If your partner showers you with luxury and expensive gifts, you will become more sexually aroused.

You may be receptive to a partner who treats you to luxurious weekends away or who is able to provide for your material needs.

#### ***Eros in 10th house***

(12andus.com:) Your desires and sexual arousal is expressed through attraction to those in your career field.

You may have fantasies about erotic experiences with colleagues or leaders in your career. You may also have erotic fantasies about sexual encounters at the office.

You are aroused by material success and wealth. You may also have a fetish for people much older than you. You may have traditional views and values when it comes to sexuality.

At the same time, you want your sexual power and attraction energy to be recognized.

You may easily display your sexual interests and erotic energy to the public. You may show your sexual interests and exploits publicly.

Public affairs, public scandal involving sexual encounters or having sex in public places may be arousing for you. You can be discreet about your sexual experiences, but you are also likely to flaunt your encounters, especially if it helps your status or image.

1) ► 22° Scorpio 4' **Pholus** ✎ **Conjunct** ♀ **Mercury** 2° Sagittarius 17' - (10°13')  
(12andus.com:) Your entire thought process may easily become derailed during times of crisis and disruptive change.

When your life is impacted by unexpected cataclysmic events, you may have to completely abandon everything you know. You can't move forward and find healing or release while you're hanging on to old ideas or ways of thinking.

Small decisions can have explosive ramifications for you. You may have the best of intentions when it comes to protect others but your plans or ideas may backfire easily. You may have unrealistic expectations about your mental prowess. You may think you can talk your way out of any situation.

This may be true until a time comes in which dramatic changes unleash a change in thoughts and attitudes and when this happens, there is no turning back. All you can do is try to let the breakthroughs lead you to new understanding.

2) ► 22° Scorpio 4' **Pholus** ✎ **Opposition** ♄ **Neptune** 19° Taurus 30' - (2°34')  
(12andus.com:) You may feel torn between your desire to show love, empathy and compassion and the illusions that protect you from really facing dramatic crises.

When you do face your role as healer or spiritual guide during a time of unprecedented, cataclysmic changes, you will be able to draw on your sensitive, intuitive and compassionate side and help guide others to advance spiritually during a critical time of change and turmoil.

You can grow to align your mystical nature and your role as protector or healer in order to serve others during a period of cataclysmic change and disruption once you overcome your personal fears and focus instead on the larger spiritual ramifications for these times of change.

3) ► 22° Scorpio 4' **Pholus** ✎ **Sextile** ♀ **Lilith** (Rx) 23° Virgo 37' - (1°33')  
(12andus.com:) You may find it easy to draw on your power and sense of independence during times of cataclysmic change.

You have no problem following your independent path and protecting your own freedom and self-interest during times of disruptive challenges and crises around you. Your passions and desire to rebel can lead you to unintentionally set into motion decisions that have dramatic and far reaching results.

You may unintentionally be a catalyst for higher initiation or changes even if your actions

are the result of careless self-expression or rebellion.

You can find greater strength and advancement through crises by following your own interests and desires.

4) ► 22° Scorpio 4' **Pholus** ✎ **Square** ☉ **Sun** 15° Leo 43' - (6°21')

(12andus.com:) You can find it challenging to face dramatic, life changing events because you will naturally feel that some aspect of your identity and self-esteem are at stake.

When you face the conflicts and consequences of dramatic events that significantly change your life, you can find greater personal strength. You can potentially become a leader or inspiration for others.

Yet first you will have to take responsibility and embrace the ways dramatic issues affect you personally. You may try too hard to save the day and your attempts can backfire. You can try to protect others but unintentionally feed into the chaos all around you.

When you finally face the consequences of dramatic events, you can find it easier to play a productive role in transcending the issues unleashed by the crisis.

5) ► 22° Scorpio 4' **Pholus** ✎ **Square** ♅ **Uranus** 28° Leo 6' - (6°02')

(12andus.com:) You may find it challenging to break away from traditions and expectations and adapt to cataclysmic changes on the horizon.

You may feel like your individualistic nature and intuition are leading you on the right path, yet when faced with dramatic situations beyond your control, you may mislead yourself because you are reluctant to face the responsibility you have as an individual to society at large.

You may find it difficult to see past your own immediate needs at first. Yet when you tap into your intuition and accept the dramatic and intense changes that are underway because of major milestones, you'll be able to find the insight and motivation to turn catastrophic events into opportunities to advance and create needed changes.

6) ► 22° Scorpio 4' **Pholus** ✎ **Square** ♄ **Ceres** 14° Aquarius 47' - (7°17')

(12andus.com:) You may find it difficult to face your obligation to others during crises or turning points.

On some level you may feel it is important to provide for the comfort and security of those around you, but you also may resist facing the full scale of a crisis at first because it challenges your own personal sense of comfort and security.

When you adjust your expectations or perspective, you'll be better able nurture yourself

and find security in the midst of crises.

With some adjustments to your expectations, you can find the motivation to act out of compassion and help others find the stability and comfort they need as well.

7) ► 22° Scorpio 4' **Pholus** ✎ **Square** ♄ **Pallas** 27° Leo 22' - (5°18')

(12andus.com:) You can find it challenging to face crises and catastrophes that interfere with your bigger vision.

Your strength and dedication to following your instincts can make you resist needed actions during times of change. Turning points will at first feel like a threat to your vision and leadership potential.

Yet with effort, you can find the motivation to draw on your assertiveness and courage and act as a leader or mentor to others. You can find the motivation and energy you need to overcome obstacles because of the dramatic turning points you face.

8) ► 22° Scorpio 4' **Pholus** ✎ **Square** ♃ **Vesta** 17° Leo 47' - (4°17')

(12andus.com:) You find it challenging to sacrifice yourself to service for the greater good.

Yet in times of struggle and crisis, you can find the motivation you need to make the effort to fulfill your path of service to your spiritual calling. Major cataclysmic events may also serve as turning points, helping you to forge a stronger connection with your spiritual Source.

You may also find it easier to push yourself outside of your comfort zone during a crisis and in so doing can stand out as a healer or guide to others. You can come to embrace the sacrifice or adjustments that must be made during times of change and unrest.

9) ► 22° Scorpio 4' **Pholus** ✎ **Semi-Sextile** ♀ **Venus** 22° Libra 46' - (0°42')

(12andus.com:)

10) ► 22° Scorpio 4' **Pholus** ✎ **Quincunx** ♁ **North-Node** 20° Aries 31' - (1°33')

(12andus.com:) You may find it challenging to adapt to dramatic crises and cataclysmic events.

At first, you may try to play it safe and hold on to the past, denying the changing circumstances that require you to adjust your perspective.

When you do start to adapt to dramatic changes brought about by crises outside of your control, you'll first have to examine your own insecurities and fears so that you can step up to the plate and find your higher calling.

When you turn your attention inward, you'll be able to rise to fulfill your full potential during times of crisis and dramatic upheaval. You may become a leader for others or draw on your greater talents to navigate dramatic crises.

It may also be difficult for others to embrace and accept your sexual fantasies as they don't easily align with who you are outwardly. Yet this can cause friction that further arouses you and brings excitement to your intimate relationships.

#### Hygiea in Libra

(astrology.com:) Libra or in the seventh house: The balance of this Hygiea placement depends on an inner sense of harmony. If that sounds vague—it is! These individuals seldom know what will keep them healthy and anxiety-free until they've found it, possibly stumbling upon it by accident or being referred to some technique, class, or health professional by a friend. Because they often feel blown about on the wings of chance, they must learn how to make committed and responsible choices without relying on others' opinions. Only then will they feel in control of their wellbeing.

### **Pandora | Foolish choices & Toxic curiosity**

### ***Pandora in Libra***

(astronomicallyaligned.tumblr.com:) A box of glitter is sitting on your vanity. Glittering and reflecting in the mirror and the moonlight. You don't really know what's inside it. You're just curious what it might be. Who knows? Stars? The sky? Planets? Diamonds? Lipstick? Secrets? Mysteries? The truth? Love? The utter nothingness? As you put your manicured hands on the gold plated box, it is all released. Who knows what is it. We will not know until it's too late. Instead, keep that little spark alive in yourself. It will make you stand out like the starlet you are.

## Nessus

(vamzzz.com:) Considering its complex and rather extreme nature, it is no wonder we see a large diversity in the collection of attributed characteristics; lessons in setting boundaries, seeing (one's own) limits, accepting limits; identification of hidden abuse patterns; complex cause and effect relationships, breakpoints in karmic cycles; revealing the truth, resolving a situation; taking responsibility for a confrontation, the perpetrator caught; desire; possessiveness, jealousy, being vindictive, manipulative or resorting to black magic for sexual or financial needs. Finally, several researchers associate Nessus with blood, diseases passed on by blood, or blood rituals, and superhuman strength or powers.

Philip Sedgwick characterized Nessus in astrology as "The ultimate Centaur bad boy", bearing the wounds of "greed, decadence, intimacy and sexuality". As positive Nessus properties he mentions: generosity, benevolence, compassion, willing to lend a helping hand, cooperation, respect for boundaries, aware of the power of life energy, healthy use of sexual energy. Concerning the latter: Taoist health trainer and teacher Mantak Chia has Nessus conjunct Sun opposition Hygeia!

My experience with Nessus transiting in hard aspect to the Sun is that this Centaur evokes an inner transformative crisis that demands clarity and decisive action based on "cut the crap". In the personal horoscope Nessus can be a player with violent impact. Forcing entry seems to be the core quality of this Centaur.

In harmonious aspects, this gaining access goes pretty easy, while in hard aspects, where access is denied, it has to be forced open and in extreme cases violence is used. Thus, in line with these characteristics, Nessus also has to do with breakthrough, breakout, escape, rescue and hacking.

Computer hacking is a Nessus-thing pur sang, especially when combined with Mercury, Uranus, Vesta or Makemake. Also espionage, spies, officers, burglars, rapists, rape in general – mentally or emotionally -, black magic, executioners, cracking a closed system

(be it a nut or oyster or bank vault, or mind frame), assassins and police raid teams reside under Nessus.

### ***Nessus in Aries***

(smartyoungsters.com:) This is the scary Nessus. If he is not controlled by good aspects from Chiron or Saturn then this Nessus is an uncontrolled, indolent child who wants to fight to get things his way. He is the bully who won't let you have it your way. He is the control freak in a relationship. Somebody who also suffers from absolute obsession over "my way or highway policy". In a good sense, he is the leader of the pack, moving in the direction with absolute passion. Using all possible methods to reach his goal. He can be the match winner in sports needing lot of Physical energy. In love, he is the alpha male even when in a woman's chart!

If someone's Nessus falls in your first house, he will appear to you as a control freak, actually he will be the control freak for you. This is especially true if there are conjunctions.

bottled up, frustrated, at war with the world, taking on a lot, tilting at windmills, ability to handle frustration.

### Hades | Underworld, Unknown

Emotional and spiritual concern and weighty emotional issues. Our emotional selves can cause "dis-ease" if we don't give them the utmost importance. But it's also in their resolution (unveiling) where a new awareness and growth can take place. This is where some of the most beautiful and positive manifestations of the Hades energy can be seen.

### ***Arachne***

Sowing complex solutions to complex problems. Patience; the greater pattern.

Complexity; simplicity. Can indicate where you own gift lies, she also shows where you will be challenged to perfect your craft, where you must be able to do what you say you can do and where you may experience competitive clashes. Taps into the unknowable, even what 'should not' be known. Arachne may connect to the concept of playing God.

## Asbolus

Root chakra (or reptilian brain) awareness. Sombre, pessimistic, with a lot of depth (but tangled in a vortex-like manner of information processing). If dominant: usually having a lot of trouble receiving advice or compliments from others. Easily goes over the top, exaggerates protectionism, and isolates itself unnecessarily.

(vamzzz.com:) It represents the domain of Yin. Ontologically and sociologically it relates to the root of individualism, technology and in the worst case murders. Theologically it relates to the figure of Satan.

Six different ways Asbolus can work in a horoscope:

- One could distinguish six different types or subtypes of Asbolian influence. The first type detects the inhumane, the perversion or violation of human rights and the ethical. (Julian Assange, Jannis Varoufakis, Edward Snowden, Sahra Wagenknecht, Karl Marx et al.)
- The second type of Asbolus is not a strong influence, but acts more some kind of dull

black spot in the chart.

- The third type corresponds with the seer and empowers clairvoyant faculties (James Van Praagh and Anton Pauwe).

- The fourth type shows Asbolus as a pit of horrors, darkness, psychopath inhuman features and atrocities (radix-horoscope USA, Madeleine Albright, Joris Demmink, Adolph Hitler, Barack Obama, Zbigniew Brezezinski, G.W. Bush, Hillary Clinton, Joseph Stalin et al.).

- In the fifth case Asbolus is a dark artistic inspirator in a creative horoscope, making an impact on the public by mingling the aesthetic with some distortive, taboo breaking, or intense Plutonian atmosphere (Ilona Staller, H.R. Giger, Georges Bataille).

- The sixth Asbolus is a crossbreed of two or more samples of the above. For example, one could be a loving person, socially very aware of ethical values, but also a master in writing short horror stories. When in league with evil, the outcome is never Asbolus responsibility alone, but a joint venture with the totality of the chart

## **Ixion**

Very masculine energy, ingratitude, murder, passion for supplanting the prevailing system, haunting, loneliness, disorientation.

(synnisisigns.com:) It needs great loves and it's phantasmagoria will push him beyond the curtain of reality when circumstances are below his taste. In career, it must destroy existing concerns, clans, lobbies, lodges, clubs, factions, cabals, plots, allegiances, fraternities, cults, newsgroups, web-sites, teams, alliances, trusts, blocks, interest groups; and from the resulting chaos choose and pick his own few good men to form it's own enterprise, not without bitter struggle and a sword hanging over it's own head. Religious fanatics are born along this line, those well meaning fellows that send humanities to death, schizoid nationalists, new hitlers, media magnates, islamic terrorists, highlanders, beings of war and chaos. In positive aspects (conjunct casanova and Uranus) it can prolong love making up to several (three) days, an unending erection. [1] how you order others around

(vamzzz.com:) Self-integrity issues: to what extent do we really live our lives the way we dreamed it?

(arwenmclaughlin.com:) True unconditional love energy that knows itself to be unconditional energy, and therefore has strict boundaries. It does not allow anything into its life that is not authentic, or that would compromise its integrity. Thus it is not interested in the past, or anything that came before, it is only interested in, what comes next in love? What can we create now? What can we now build in its most glorious form that serves the self as well as others? How can we create a structure that works for everyone in its highest and best form? Humanitarian, new frequencies of energy, new and higher forms of energy, the vibration of the alchemist, creator love energy, miracles and overwhelming acts of kindness, "the Change", "the New energy", healing with energy, light, and sacred geometry.

## Panacea

(astrologyclub.org:) Panacea is “the cure”—but it’s not as simple as that. It’s “what you believe it takes to make things better.” Thus, what do you or others have to do in order to bring about an improvement. With Panacea in hard aspect to the Ascendant, a person would have to “be” different to bring about an improvement; they’d have to alter their

routine and initial response. A retrograde Panacea might not really believe lots of things can be fixed.

### ***Persephone***

Where we are scared to take charge;

(YT: Tom Jacobs:) A theme of looking immature from the outside but being capable of maturing it through the inside. Have to make a change: a leap into a thing with boldness that might seem like a stretch or too much for us because we've never done it before. So some persephone people are timid, because they've had been put words into their mouth and have been told they can't take care of themselves. Sometimes they'll reject that, and they are quite confident because they had to at some point grow up overnight. Whether that was pleasant or unpleasant, whether that was a choice they drove or it was driven by other circumstances and other people.

So there is a sense of a Youthfull spirit and maybe some naivite but the appearance of naivite surely.

## Proserpina

(houseofinferno.com:) [...] but many of these deities have the same story with different names. Proserpina's name means "to emerge". (ref Persephone!)

She represented the irrepressible feminine spirit who would not be controlled or restricted. Some astrologers look to the asteroids Proserpina / Persephone in a person's natal chart to see where we give our power away, or have it taken from us, so we can use this information to not be so passive and assert ourselves properly so that we are not so easily controlled. What we could take from Proserpina's story is to honour the cycles and changing seasons within ourselves. Sometimes we are cast into the Underworld when something bad happens, and we should never spiritually bypass these situations.

We have to feel our pain and darkness to move through it. But when we are ready, we can emerge to cultivate something better for ourselves and let go of the things that don't serve us.

We should also be mindful of how we assert ourselves. We need to show ourselves love and respect by building healthy boundaries. We need to stand up for ourselves when we are being unfairly treated, and we also need to be mindful of how we do this to others. But we should also take care to know the difference between assertiveness and aggressiveness and make sure we achieve a healthy balance so we don't take away or restrict another's free will or cause unnecessary harm to others in the process.

(jessicaadams.com:) Proserpina shows where you are taken over, taken, then take back.

### ***Sisyphus***

(leahwhitehorse.com:) Repeated mistakes, stuck in pattern through fear of change.

To be admired for his outright refusal to accept death and for his ability to repeat a task that is doomed to fail for all time. In him we see the try, try and try again attitude.

Perhaps the positive side of this asteroid is the ability to keep going, even when we can't yet see the point. Essentially, he perhaps shows where we can find meaning in what we do on a daily basis, not just in our achievements or the winning of battles.

## Varda

(markandrewholmes.com:) The meaning of Varda seems to be "be careful what you wish for"

(according to Phil Sedgwick) Positive: cooperative, receptive, able to negotiate, ability to remain strong in conviction while perceiving another's point of view, relationship oriented, perception of shared resources in relationship, "my house is your house," ability to "get over oneself".

Negative: possibly selfish, intractable, uncooperative, unyielding, emotionally self-referential, self-serving.

(takeastrology.com:) Keywords: queen of the stars, star-kindler, deity whom created the stars/constellations (always comes to late)

Neutral: rose color, pinks, negotiation, arbitration, counseling, blessings

## Fixed Stars

Only conjunctions here. Now will, anything inside the orbs of the fixed stars behind the (moving) planets and other objects from the chart, be shown. I've taken the orbs of the star conjunctions from the following two websites: 'astrologyking.com' and 'fixedstarsastrology.wordpress.com'.

If the orb from the first website was biggest, I have left it like that. If the orb from the second website was the biggest I have changed it to the average of the two.

I also gave all the four Archangel stars (Aldebaran, Regulus, Antares and Fomalhaut) plus Sirius and Spica a bigger orb of 200 minutes (3°20'). Caput Algol, as a evil influence, I gave 3°.

A lot of these stars (297 in this script, plus the Galactic Center and the Great Attractor) are far away from the 12 Zodiac-constellations, so saying that the Zodiac has a certain height is not really usefull because it stretches all the way around Earth, in height (as well as in width via the Signs.

(NOTE from 'fixedstarsastrology.com':) — Do not let any of the negative descriptions for any stars that follow which may apply to you frighten you. If you live a good, clean life, good will be in store for you Rather than the darkness that may otherwise apply to you. Live your life with good conduct. ALSO — you can check your astrological chart's planets conjunctions with the stars you were born under to understand yourself better. Stars are rated based on my judgement (John Hebert) with (+) being good and (-) being not good, and the more of each one, the more positive and negative the star's influence.

Just maybe you've been seeing things in a selfish light without knowing. This enlightenment, of course, is of great spiritual importance. Personal development is on the agenda. There is positive and strong energy to succeed. Finding personal happiness and spiritual wisdom.

This "peak experience" will be followed by inner revelation... however, it would be wise to keep ambition bridled, since judgment at this point in time, could be flawed.
