### **The Nurturer**

The Life Path 6 suggests that you entered this plane with tools to become the ultimate nurturer, and a beacon for truth, justice, righteousness, and domesticity.

Whether in the home or in the work place, you are the predominant caretaker and family head.

You are idealistic and must feel useful to be happy.

The main contribution you make is that of advice, service, and ever present support.

You are a humanitarian of the first order. It is your role to serve others, and you start in the home environment. You are very human and realistic about life, and you feel that the most important thing in your life is the home, the family and the friends.

In romance, the 6 is loyal and devoted. As a caretaker type, you are apt to attract partners who are somewhat weaker and more needy than yourself; someone you can care for and protect.

You don't function well in stressful relationships that become challenges for you to

control. It is the same with friends, you are loyal and trustworthy.

You may have a tendency to become overwhelmed by responsibilities and a slave to others, especially members of your own family or close friends. It's easy for you to fall into a pattern of being too critical of others; you also have a tendency to become too hard on yourself.

### ***Expression (Destiny) Number: 3***

([659] numerologycalculator.online:) The number 3 Destiny suggests that the direction of growth in your lifetime will be toward a more creative and inspirational nature. This path also leads to establishing yourself as an inspiration person spreading optimism and cheerfulness wherever you reside or travel.

The byword for the 3 Destiny is embracing the joy of living and helping others to do the same.

A large part of your mission in life centers around raising the spirits of your fellow man. This might be on an everyday small scale basis, or it might be by being on stage as an entertainer.

Obviously, for most, the first more likely, but, this Destiny does incline you along a variety of lines that may include writing, speaking, singing, acting or teaching. For some the interest in and appreciation of the arts is there, but the creative pursuit of these interests might not arrive.

You also have the destiny to sell yourself or sell just about any product that comes along. You may indeed be a natural salesman as the 3 traits are always welcome in sales and public relations. You are imaginative in your presentation and a pleasure to be around.

As you mature you must become an optimistic person that seems ever enthusiastic about life and living. You are friendly, loving and social, and people like you because you are charming and such a good conversationalist. You must develop an ability to communicate effectively in order to inspire others. It is your role in life to inspire and motivate.

Friends are extremely important to the 3 Destiny, and you must develop the ability to be a true friend. Through this talent you will achieve success. Opportunities open for you as you become increasingly social.

It doesn't mean that you don't have to be serious with the main aspects of your life. But, it is necessary to differentiate important things and situations where you may just relax. Express yourself and apply your talents in some creative fields. It will help you to relax and direct your thoughts in a positive vector.

### ***Heart's Desire (Soul Urge) Number: 7***

You can be very rigid and impersonal with people which can be damaging in relationships. Sevens have a hard time letting their feelings show. Feelings are impractical, after all.

All of these things have a tendency to make you somewhat withdrawn. Your task will be to consciously strive to form meaningful relationships with people, even if it comes down to only a few or even one. You must teach yourself to be vulnerable in a way that allows you to maintain your sense of self as well as your independent spirit. This will not be easy but learning how to do it will have immeasurable benefits.

### ***Personality Number: 5***

### ***Quiescent Self Number: 5***

([661] affinitynumerology.com:) Quiescent Self — This chart position provides insight into what you consider to be an ideal existence. A quiescent period is being immersed in oneself with personal perceptions of ideal existence (without outside influences) and experiencing the feelings and rewards and activities as if they exist in actuality. (The "quiescent self" number sometimes is referred to as the "inner dreams" number.)

During quiet contemplations of an ideal life, people with quiescent-self number 5 are apt to be imaginatively immersed in various adventures and constant new experiences. Repetition is unlikely.

The energy represented by the number 5 resonates with expression of personal freedom. There's curiosity and wit and sensuality and changing direction on a whim.

**Maturity Number: 9** = 6 + 3 = LPN + E(D)N

([662] feliciabender.com:) You're moving toward reevaluating what it means to work with selfless service to humanity. You're being called upon to work with giving and contributing without thought of personal reward, letting go of "self" in order to learn to be of service to others, and to learn not to attach to particular outcomes.

Where you'll be challenged: With this Maturity Number, there's often a shift in life bringing issues related to balance the needs of others with your own needs to center stage. Situations will arise highlighting your need to service a higher need or purpose, to delve into a spiritual path in full force, and to use your extraordinary talents to heal, perform, write, teach or be a philanthropist.

What that might look like:

- Dealing with "loss" on many levels in order to surrender to your spiritual path.
- A realization that self centeredness and lack of understanding others' perspectives feels dissatisfying.
- Opportunities arise to be of service and use your compassion and charisma to make the world a better place.

**Karmic Lesson Number: 2**

([664] worldnumerology.com:) Your 2 Karmic Lesson advises you to be diplomatic and tactful, to stay in the background at times, to accomplish something without the need for praise and reward. Learn to be part of a team.

Strive to be more sensitive to the needs and feelings of others. You will regularly find yourself in situations where the only road to success is through patience and attention, requiring you to work cooperatively with others. Working through this life lesson will bring you closer to others, which is its own reward.

The effect of this Karmic Lesson is diminished if you have at least one 2 among your other core numbers (Life Path, Birthday, Hearts Desire, Expression or Personality Number).

**First Pinnacle Cycle: 8**

(Month + Day) - from age 0 to 30 (based on LPN) - ([665] feliciabender.com:)

**General:** Money, business, authority, ethics, personal power, and abundance: These are the key elements in any 8 Pinnacle. This is the stage where you're bombarded with opportunities to embrace and define your personal relationship with power, money, and achievement. It has an intense focus on matters of responsibility, efficiency, power, authority, leadership, and management of financial affairs.

Sounds exciting, right? Yet under the influence of the 8 Pinnacle vibration your judgment

will be tested over and over again and your career usually becomes your top priority. This isn't a particularly easy walk in the park. Chances are this Pinnacle will require you to make some substantial shifts in your life and your relationships. While your opportunities for achievement, recognition, and financial success are heightened, it'll require a lot of strength, courage, and tenacity to do so. This isn't an easy Pinnacle; it'll demand a lot from you and won't let up.

The 8 Pinnacle is also tricky because, while its vibration supports all things relating to money, power, and authority, its vibration is unyielding in its demands that you get there through the use of the utmost ethics, honesty, integrity, solid leadership, and feelings of abundance—not just feelings of wanting to be “rich” or “wealthy.” The highest form of the Eight vibration has to do with giving as you're receiving, with no strings attached, and from the clarity of your heart.

Aspects of the 8 Pinnacle are: status, success, recognition, business, and commercial activity. If you keep with it, this Pinnacle is set up to usher in improvements in your financial and personal power realms. The focus is on creative practicality with an emphasis on organizational and management skills and abilities. Emotions are downplayed and business acumen is at a peak.

**Pinnacle 1 Number 8:** First Pinnacle: If yours is an 8 First Pinnacle, chances are that you may become involved and interested in business or commercial activity at a very young age. You may be the kid who mows lawns and starts his own business or perhaps you tap into a more aggressive 8 energy and find another money making endeavor that surprises the adults around you. Your focus and dedication to your entrepreneurial enterprise is unyielding. Yet you most likely will face limitations and restrictions, which you'll find these frustrating or just downright debilitating. You excel at practical thinking. You'll be tested severely from an early age in the realms of personal power.

### ***Second Pinnacle Cycle: 11***

(Year + Day) - from age 31 to 39 (based on LPN) - ([665] feliciabender.com:)

**General:** 11: If you're working with the Eleven energy, you're developing an extraordinary connection with your intuition and sensitivity. The pressure to wear your “psychic shield” will be at an all-time high under this Master Number since it creates quite a bit of volatility in the midst of enormous personal and spiritual growth. Optimally, the 11/2 Pinnacle allows you to catapult yourself into a creative, intuitive, service-oriented realm in whatever capacity you desire. The 11 is a more artistic and creative vibration (as opposed to the 22) which favors outlets such as media work, music, art, dance, poetry or anything that involves a visionary and future-leaning focus.

Remember also that the influence felt with the 11 energy is somewhat philosophic in nature and ultimately connected with spiritual and metaphysical study and illumination. Therefore, you could feel compelled to work in the arenas of social reform, philosophy,

or social welfare. You may also feel a bit detached from the day-to-day practicalities of the world. With the higher vibration presented by the number 11, you may feel a constant underlying sense of nervousness, tension or restlessness.

**Warning:** 11: Warning: There is a chance for fame or being placed in the spotlight as a result of this Pinnacle. This is a time for sudden and sometimes repeated changes in all realms of your life. If the Eleven vibration is too intense, this Master Life Stage will feel more like a 2 energy to you. Either way, hypersensitivity is one of your primary and consistent challenges during this Pinnacle. Understand also that this is the number of the Wounded Healer and the number of Illumination – therefore you'll usually have intense life experiences that are geared toward making you walk the walk and talk the talk. You'll use all of the difficulties you experience to help and heal others.

### ***Third Pinnacle Cycle: 1***

(1st Pinnacle + 2nd Pinnacle) - from age 40 to 48 (based on LPN) - ([665] feliciabender.com:)

**General:** During this Pinnacle, you are focused on developing independence, self-reliance, and individuality. The primary energy during this phase of your life is to achieve mastery in these areas. This is a time spent developing your ability to express your individuality by cultivating original ideas, by leading and directing others, by attaining success and achievement in the material world, and by gaining recognition for those achievements.

**Pinnacle 3 Number 1:** Second or Third Pinnacle: If you have a Number 1 for the Second or Third Pinnacle, you're being groomed for—and challenged with—embracing leadership and developing all that being an effective and inspirational leader entails. You're being called upon to focus intently on these aspects: courage, drive, vision, focus, determination, and, most of all, integrity. You might experience a certain degree of aggressiveness in your demeanor at this time. Your ability to get ahead is limited only by your own initiative during a 1 Pinnacle.

**Warning:** Warning: When you're being groomed by the Universe for a leadership position, you'll be required to be an intern first. This means that it's unlikely for you to magically be handed golden opportunities for success—and if you are, take them and run with them. Usually you'll have to construct your own opportunities through desire, focus, self-determination, and the ability to take a punch, get up, shake it off, and keep going.

### ***Fourth Pinnacle Cycle: 11***

(Month + Year) - from age 49 (based on LPN) - ([665] feliciabender.com:)

*Segments General and Warning were already given for this pinnacle number.*

### ***First Period Cycle: 4***

(Month) from age 0 to 30 (based on LPN)

([666] worldnumerology.com:) The first 3 decades of your life represent a time of hard work and all the rewards it can bring. This is a period in which you are concerned chiefly with the practical things of life: work and career, sound family and a solid community. You are not given to flights of fancy or idealism, but want to place your life on sound financial footing.

You can be overly concerned with details and thus can find yourself in ruts that will have to be broken free of. Find work you love and do it to your heart's content, but do not neglect the rest of your humanity, or that of others close to you.

This is a time requiring discipline, order, and self-motivation.

Work is the order of the day. But through these characteristics, you will be seen as the foundation of your family, job, and even community.

### ***Second Period Cycle: 22***

(Day) from age 31 to 57 (based on LPN)

([666] worldnumerology.com:) Your 2nd Period Cycle is a 22 Master number and carries enormous potential for establishing a lasting institution or teaching that will greatly benefit others. You have the ability to manifest a concept, dream, or invention. Your talents as a builder, organizer, and visionary are at their peak.

**You discern the needs of others and create constructive and practical plans to fulfill those needs.**

You commit yourself entirely to the work at hand. For many, this dream lasts a lifetime and requires every ounce of energy and talent. An all-consuming role beckons but provides a great sense of personal accomplishment and reward.

You possess an ability to make a lasting contribution to the well-being of humanity.

### ***Third Period Cycle: 7***

(Year) from age 58 (based on LPN)

([666] worldnumerology.com:) A 7 Period Cycle, especially in your later years, centers on wisdom and contentment. This is a time of spiritual/internal and intellectual growth, of discovering the beauty and harmony that underlie creation.

However, it is often one of the most difficult last cycles, due in large part to society's lack of appreciation for the intangible qualities of this number.

Socially, you may feel distant and isolated. Interacting with similarly minded people

through book clubs, art events, theater sponsorships, or other intellectually and spiritually stimulating activities can help you feel more connected.

Although this is the latter part of your life, it may well be your most exciting time of discovery and personal growth.

### ***First Challenge Number: 0***

(Day - Month or vice versa)

from birth until approximately the age of 30 to 35

([665] feliciabender.com:) The 0 Challenge is called the Cipher Number. This number represents all or nothing, empty or full. You decide. With this number, you are given “a free pass,” so to speak. You’re being offered an enhanced dose of free will.

If you have a 0 Challenge, you can choose to amble idly along without a determined course or you can grab this profound opportunity to rise above your demons and achieve greatness. That is how powerful this energy can be for your Pinnacle. When you see a 0 in Numerology, it serves as an amplifier. To meet the challenge of the 0 vibration, you must have some sense of mastery over the constructive aspects of all the other numbers: independence, leadership, creativity, emotional self-expression, diplomacy, application, hard work, understanding, responsibility, wisdom, personal power, and humanitarian vision

It’s suggested that a person who has a 0 Challenge number on their journey is a well traveled soul, so the 0 offers opportunities for you to use your compilation of soul knowledge during your lifetime.

There’s great opportunity for expansion and growth under this Challenge. The obstacles you face during a 0 challenge may not be many or they may be coming at you from all directions. You can think of it this way: This is the Challenge of Choice. Therefore, choice feels more confusing and difficult during this period. The 0 is challenging you to have the utmost faith in your own abilities to the extent that you can form a healthy sense of detachment with which you can analyze a situation, make a choice, and then act on that choice with ease and comfort, unconcerned and neutral in feeling regarding the outcome.

Warning: If you have a 0 Challenge in your life, it should not be taken lightly or cavalierly, because, with this number, a decision must be made. We rarely make empowering choices by default. There is a lot of responsibility when any Pinnacle contains a 0 Challenge. Use its energy wisely and fiercely

### ***Second Challenge Number: 3***

(Day - Year or vice versa)

from the age of about 35 to 55/60

([665] feliciabender.com:) If you have a 3 Challenge, you’re learning to identify your

feelings and to speak from your heart. It's a time where you're truly learning and mastering one of the major teachings of the 3 vibration: Your words have a profound impact on your life.

Sometimes the challenge resides in taking yourself and your feelings seriously; it may feel easier to use humor or criticism to mask your feelings. Or perhaps your challenge will be in taking yourself too seriously.

Some of the tendencies that the 3 vibration brings with it are the propensities for superficiality, exaggeration, self-centeredness, moodiness, and scattered energy. What this Challenge Number is inviting you to do is to use your creative energy to develop your positive, happy, loving, and inspirational spirit. Wasting 3 energy is like throwing away a priceless gift. It's the vibration of pure happiness.

You might feel the compulsion to do too many things at once during a Pinnacle that has a 3 Challenge. Despite your heightened imagination and gift for words—both written and verbal—this challenge will knock you over with a “block” when you want to express yourself effectively and honestly.

Even though you know you should be “out there” cultivating friends and business associates, you'll feel the urge to bury your head in the sand and a general malaise you can't seem to shake—or at least not for long. Instead of experiencing the great joyous vibrations the Three has to offer, you'll instead be bombarded with hopelessness or perhaps depression. You'll struggle with feelings of negativity even to the point of becoming defensive and reclusive. You might also have a tendency for money to slip through your hands during this time.

You may have a talent or desire to practice your talents for writing, acting, or speaking, yet you're reluctant to involve yourself with these activities because the thought of facing criticism is overwhelming. So you turn to expressing yourself with a negative emphasis as cynicism or ruthless judgment, or you might hide your creative talents behind a façade of withdrawal and feelings of shyness. You're being called to develop yourself in a social and creative way. You must jump over the destructive landmines along your path.

#### Potential Destructive Aspects of the 3 Challenge

- Experiencing such a sense of self-doubt that you don't move forward in your life
- Becoming an emotional sponge and experiencing severe emotional sensitivity
- Acting out of criticism and judgment
- Dwelling in negativity
- Shutting down, withdrawing, and becoming emotionally unavailable
- Attempting to get what you want through manipulation rather than stating it clearly
- Developing physical illness (especially in the intestinal tract) and depression

### ***Third (Main) Challenge Number: 3***

(1st - 2nd Challenge Numbers or vice versa)

The Third Challenge carries much weight and will be felt throughout your life. For that reason, it is also called the Main Challenge. As you master this challenge, your life will come more and more under your own control. You will incorporate the positive aspects of the challenge into your character. This is its purpose in the first place. Therefore, there is implicit in the challenge a chance for great reward. In short, this may be the secret to your success.

This Challenge Number has already been explained previously. (above)

### ***Fourth Challenge Number: 3***

(Month - Year or vice versa)

from the age of approximately 55/60.

This Challenge Number has already been explained previously. (above)

### ***Personal Year Number (for 2022): 5*** (22 + 04) + (2+0+2+2)

([667] affinitynumerology.com:) When the personal year number changes, the influence of the energy represented by the number also changes. Internal urges shift. Different things feel important. Opportunities seem different. Life is somehow changed. The energy attracts certain type of events and circumstances during the calendar year. It affects the energy represented by the life path number, changing the experiences during the year — generally in a subtle way but sometimes in a way that can seem rather dramatic.

The energy represented by the numerology personal year number 5 brings the inclination to express a personal sense of freedom.

This year, it is likely to be easier to get out of established habits and patterns of behavior than in most previous years, with a tendency to do so. It's a year of changes because there's a tendency to be interested in new things and to follow whim. The changes experienced this year can be thrilling and inspiring.

New opportunities and new conditions tend to manifest in response to the year's broader fields of interest and activity.

There tends to be an inner push to go do something, anything, so long as it's a new experience and an expression of the sense of personal freedom.

### ***Personal Year Number (for 2023): 6*** (22) + (04) + (2+0+2+3)

([667] affinitynumerology.com:) The transition from one personal year's resonance to the next isn't a sudden change. It may be suddenly noticed, but the change happens gradually. Generally, the change begins a couple months before January, somewhere

from mid-October to mid-November. The vibration of the upcoming personal year energy begins to commingle with the current personal year energy. The new energy becomes stronger the closer it gets to January 1st of the new year. By January 1st, the new energy is dominant. It may be a week or two into January before the previous year's energy is dissipated, leaving only the new year's energy.

The energy represented by the numerology personal year number 6 brings additional attention to domestic affairs and family-related responsibilities. It is a year of home, harmony, beliefs, and responsibility.

It also tends to be a duty year, so to speak — being needed in many directions and people making more demands. It is also a year when maintaining harmony in the home tends to matter more. And being neighborly.

There are likely to be enhanced feelings of goodwill.

There tends to be more responsibility, love, self-sacrifice, protection of family members, sympathy, and compassion. And beauty.

(feliciabender.com:) It's time to regroup, nurture and be nurtured. This is also a year where your personal magnetism is at a peak. Big opportunities await you this year both in your career and your intimate life. It's a good year to get married or engaged if you have been hovering around that decision. It's also a year where you may seek a divorce, a break-up, or other relationship splits. This year is all about evaluating the relationships in your life.

### **Cornerstone, Capstone, First Vowel and Keystone (Forename)**

The letters of your surname or nickname have a meaning as well, if you filled in a nickname/callname, that one will be used instead of the first word of your full official name. There can also be a keystone, that's when your name has a middle letter.

These texts in between explaining the different parts comes from

'worldnumerology.com', sometimes a different source, then it will be noted.

Anytime 'spiritwalk.org' is used, it is always the general meaning of the letter, not meant specific to the place the letter is positioned at in the name.

**Cornerstone:** It provides general insight about your essential personality, and it has a lot to say about your approach to **challenges and opportunities**. The Cornerstone in your numerology chart is all about how you approach difficulties as well as upswings.

#### ***Cornerstone (first letter): V***

[670] [671] [672] [673] ([670] affinitynumerology.com:) The person gravitates toward an approach to life with the ideas of honesty, reliability, efficiency, and focus. They tend to be a builder and a teamworker.

([671] spiritwalk.org:) You are a visionary with well-developed inner feel. You prefer to

dream more than to act. You have lots of ideas and wishes, and you need more confidence and consistency to make them real. You are an extraordinary person, and tend to dramatize both your failures and successes. Harmony and confidence are your key features to make your dreams come true.

([672] numerologist.com:) Cornerstone: You are insightful, intuitive but way too personal when it comes to doing business. Your lack of objectivity makes it hard for you to get cooperation from others so you can get things started.

([673] numerologyzen.com:) Letter V. Intuitive and stable, V is a letter at the confluence of material and spiritual values. V widely captures that which comes from on high and it's point is implanted like an arrow in matter. It is difficult to foresee where V will find [his,her] point of balance. Will it be creative, inspired, intuitive or will it incarnate tranquil strength, the stability of the builder ? This is the ambiguity of the 22nd letter which reduces to 4. In both cases, V will prefer to work independently. V is a very beautiful letter, very energetic that gives a great potential for concrete achievement and a good perception of things, to those who carry it. V has reserves of willpower and vitality which are waiting to be used. Thanks to [his,her] creativity and inspiration, V can become an innovator and participate in high level achievements, if [he,she] makes the effort. This is the most rare option, but V will then be able to channel [his,her] intuitions and perception of situations and turn them into concrete and material elements. V is then synonymous with victory and speed ; the inventive genius, the great builder, the one who knows how to organize, to create or construct for the good of humanity. V can also give [him,her]self chances to succeed in being hardworking, laborious, enduring and obstinate (sometimes too much so). In fact, V must find [his,her] balance between the two poles (psychic intensity and a solid practical sense) rather than privileging one of the two. As long as V hasn't found the point of balance, [he,she] can doubt and have a changeable mood which can sadden those around [him,her]. However, V knows how to manage and organize. V is a lighthouse capable of winning over the others to [his,her] way of thinking and harmoniously managing the material aspects. Fortunately V possesses strong moral values which are healthy and quite steadfast. [He,She] will generally choose an independent type of job (doesn't like receiving orders very much) and will confront responsibilities with courage. V can and must be an example. In order to exploit [his,her] potential, it is in V's interest not to follow egoistic goals, lacking caliber and nobility. V can be a letter of victory and power. The letter V has a happy sentimental life which is pleasant and long lasting. But it won't be always quiet. [He,She] must also expect unexpected about-turns (hopefully fleeting) and a certain extravagance. In order to be balanced, V needs to frequently give [him,her]self time to rest, because too much agitation will end up by destabilizing [his,her] base, which is all in all relatively fragile.

**First Vowel:** This letter gets to your core. Think of the **deepest goals, urges and dreams** that drive you in all you do - this is the letter that offers a glimpse into the "window" of your soul! But this is a secretive letter, because few people wear what it really is they want on their sleeve. This first vowel in your name indicates something that only your closest friends and trusted family members might know about you ... You might know someone who for whatever reason changed the first vowel in their

name. Although this is rare, it indicates a person who is uncomfortable with who they really are, at their core.

***First Vowel: A***

[674] [671] [675] ([674] affinitynumerology.com:) All about independence.

Courage tends to be valued. The person tends to express willpower and purpose.

([671] spiritwalk.org:) You are a independent person who loves freedom and appreciates the individuality of others. You are self-sufficient person and do not need the opinion of any authorities to make a decision. You have leading skills and always need to have a goal in life to succeed. Person like you may need more flexibility through life.

([675] numerologist.com:) The A reflects the energy of the number 1. When you have the A as your first vowel your tendency is to respond to the world in a rather impulsive yet creative way. You see yourself as hardworking, action oriented, and in need of acknowledgement and positive feedback. You want the world to know you're here! You have a drive to be independent, original, and number one at all you do. You're a seeker of truth and wisdom and yet there is a negative tape that has a tendency to grind you down – particularly when you have a misstep, feel you've made a mistake or that you've failed. While you want feedback, you're more than sensitive to criticism. You want accolades and can have a fear of critical feedback, even if (or especially if) it's true.

**Capstone:** This is the last letter of your name, and, fittingly, it demonstrates your **ability to see projects and ideas through to the end**. This translates into your "finishing" number.

***Capstone (last letter): R***

[678] [671] [672] ([678] affinitynumerology.com:) The person with capstone energy represented by the letter "R" tends to generally complete projects in an assertive and resounding way. Doing so enhances their personal confidence.

([671] spiritwalk.org:) You are very interesting person, with outstanding mind which leads to extraordinary life. You have your own set of morals and principles which makes you regarded in society. Try to always find some time for yourself in any workload. A person like you needs to relieve a constraint, so it would be nice for you to have a hobby not connected with your work.

([672] numerologist.com:) Capstone: You tend to exhaust yourself which results in mood swings and other problems. Emotional issues often sabotage half of all the things you start out trying to do.

(note:) When you look at your Cornerstone and Capstone - the letters that "bookend" your name - you can determine how easy it is for you to start and stop important processes and projects. It answers questions such as: are you a shaker and a mover? Are you a little bit flaky?

Extra: **Balance Number:** (numerologist.com:) It is the arithmantic sum of the Cornerstones. It shows a basic pattern in your life that you will tend to fall back on. It

also shows how you stand your ground amidst chaos, confusion, distraction or other forces that could drag you off course.

(Note by me:) Will be shown with the comparison to the first cornerstone.

Conerstone of surname is: **V = 4**

Conerstones of full name are: **VIU = 4+9+3 = 16 = 7**

***Balance Number is 7***

It shows one who relies upon their inner self and acquired knowledge to see them through.

## The Four Planes of Expression (multi-dimensional)

Every plane (and dimension) gets certain letters assigned, the number of letters correlating per plane with your full name is the number you get for each plane (and dimension). All having certain interpretations. Based on first full official birth name. Table came from 'affinitynumerology.com', but that's not on the web anymore. interpretations for the planes from the [680] 'numeroscop.net'-calculator.

### Physical (Body) Plane

Physical Plane symbolizes body and physical form of a person. This Plane is governed by instinct, and relates to everything that is tangible, visible, and real. Practically no importance is attached to the imaginary and fanciful. Preference is given to what is already known, based on facts, and doesn't go beyond the bounds of reason. It is the pivot of life, as form and style of existence are maintained here. According to Numerology traditions, this Plane indicates one's natural capabilities. This alone reveals how the term "destiny" understood in Numerology: it is neither "doom", nor "fate", but a set of inherent features. It is active potential, and the process of making use of it is called life.

### 8 on the Physical Plane

Generally, people with number 8 are the embodiment of strength and grace. You see the set goal clearly and assess the prospects for progress towards it with an inherent foresight. Your ambition is adequately backed up by diligence; the only thing you need is

to accurately designate priorities and balance desire for material well-being with thirst for spiritual enrichment. Obviously, there is no need to remind that only one step separates high self-esteem and pride from narcissism and vanity.

### **Mental (Mind) Plane**

Mental Plane represents the person's mind and reason. It is the level of intellectual interconnections, analysis, collecting and comparing facts. Even the most evident is not accepted here if it cannot be analyzed and proved. It is the Plane of will power, determination, confidence, and cold calculation that doesn't let imagination twist the facts. Fine mind, clear thinking, and management skills guarantee that you'll take a leading role and a high position.

#### ***6 on the Mental Plane***

You are chosen as a companion by those who go on a reconnaissance mission. You are a perfect friend: reliable, responsible, and committed. You have excellent prospects to become the deputy head of the company who really is, in fact, the mainstay of everything, be it director of studies, first mate of the Captain, Vice President. The fact that you are not indifferent to beauty and harmony is only a benefit.

### **Emotional (Heart) Plane**

Emotional Plane is all about feelings and emotions. It is the level of kindness and sympathy. Here facts recede into the background and give way to imagination, inspiration, inner perception, and creativity devoid of any practical ground. It is not reason that governs actions and reactions to life or other people, but feelings of love and tenderness. People of the Emotional Plane don't have a particularly logical approach to making plans.

#### ***6 on the Emotional Plane***

People like you make the backbone of the world. You are the cornerstone of any society you belong to – be it your family, circle of friends, or colleagues. All your emotions are directed towards people around you; you truly empathize when you say it, and you are always ready to lend a shoulder for others to lean on, even if it's contrary to your personal interests. Your concepts of honor, justice, and responsibility are clearly formulated. Most suitable professions for you are a doctor and a teacher, as they involve ability and desire to share knowledge with others. And your willingness to get something in return does not devalue your readiness to “give the shirt off your back.”

### **Intuitive (Spirit) Plane**

Intuitive Plane represents the spiritual level of internal knowledge. It is guided by insight and abstract impressions that go beyond the boundaries of both fact and imagination. Intuition helps man to express heavenly wisdom on the Physical, Mental, Emotional Planes of mind and action. Intuitive Plane is the plane of reverence for the Divine, piety,

compassion, tolerance, ingenuity, and that inner guidance that enlivens all other existence levels. This is also known as God's grace.

### **1 on the Intuitive Plane**

Only you can decide where the source of intuitive insights coming to you is: in your conceited mind or in the spheres that no one else has ever managed to comprehend entirely. The second is more probable though.

## Pythagorean Square | Psychomatrix

([681] in-contri.com:) The so-called "psychomatrix", invented by the ancient Greek scientist Pythagoras, is one of the most popular calculations in numerology. It helps to define strength of character, energy, health, intelligence and other innate qualities. «To understand the world means to know the numbers controlling it,» Pythagoras asserted.

			<b>Self-Esteem: 6</b> line «1-2-3»
1	44	7	<b>Moneymaking: 3</b> line «4-5-6»
character, will	health, beauty	luck	<b>Talent: 2</b> line «7-8-9»
			<b>Tenacity: 4</b> line «1-4-7»
22222	–	8	<b>Domestic bliss: 6</b> line «2-5-8»
vital energy	logic, intuition	sense of duty	<b>Stability: 1</b> line «3-6-9»
			<b>Spirituality: 1</b> diagonal «1-5-9»
			<b>Temperament: 1</b> diagonal «3-5-7»
–	6	–	
cognitive, creative	labor, skill	intellect, memory	

([682] tragos.net:) Pythagorean Square - is a separate area of numerology. In fact, this area of numerology goes back to the times of Egyptian priests. They were the ones who first began characterizing people's characters by using numbers. Pythagoras took this knowledge of numbers as a foundation and applied a mathematical approach to it, which is based on the harmony of the square.

Pythagoras and his followers expanded the capabilities of the original Egyptian system by supplementing the meanings of individual numbers with the meanings of the target lines of the Pythagorean square. Thus, a new approach was now able to help determine a possible goal of a person's life.

## **Main abilities (square's cells)**

### ***Character, will — 1***

"Selfish" - you have a desire to make decisions and assume responsibility, but this desire is hidden somewhere deep in your soul and works only for your own precious self. It's not easy for you to influence and control people. And sometimes it makes you behave like a resentful person. Therefore, the best way is to fulfill someone's will or the law. You have strong skills in diplomacy and able to bypass conflicts. Also you like to argue for the sake of arguing.

### ***Vital energy — 22222***

"A very strong energy" - a psychic, a healer and a powerful energetic leader from birth. You have much more than enough energy, creating an aura of "charisma" and attracting surrounding persons like a magnet. However, you should know that your 22222 attracts not only positive people. A strong supply of energy produces an illusion of its infinity, so you should learn to spend your energy wisely and for good. The mission of 22222 sign is to give energy, help people and make the world better.

### ***Cognitive, creative — empty***

"Weak potential" - you don't have a propensity for the exact sciences, complex concepts and invention activities. Besides, you are not interested in anything like that.

### ***Health, beauty — 44***

"Normal health and beauty" In general, "44-health" makes it easier to have illnesses and recover after them. And "44-beauty" makes your appearance seem harmonious and attractive for the opposite sex. You have inclinations for sports or appearance-based work. Physical exercise, fitness and a healthy lifestyle will yield good results. But you shouldn't refuse to maintain health and rely only on the innate potential - age and bad habits ruin everyone.

### ***Logic, intuition — empty***

"Logic is not a forte" This is a trait of dreamers who are hovering in the clouds. They are not good with long chains of facts and reasoning. They can be easily confused, so they constantly run into the same trap. People without "5" are more emotional than rational.

### ***Labor, skill — 6***

"Inclinations of diligence and skill" - capriciously this person can cope with any work that requires diligence, accuracy and technology compliances quite well. Of course, they will not become a "jeweler" at once, but whether it's building a house, repairing or something that does not require over-skillful hands, then, most likely, it will work out. And in the process this person will sharpen their skills.

### ***Luck — 7***

"With a talisman" - of course, 7 does not guarantee a jackpot after the first bet, but will

save from minor troubles and sometimes help to catch luck in the nick of time.

***Duty — 8***

"Moderate sense of duty" - such people usually do not avoid duty to relatives and friends. But nothing more. Their initiative to give something to others and society is low. But at least, they don't forget their friends and family. Self-sacrifice is also not about them.

***Intellect, memory — empty***

"Bad memory" - to perceive, process and memorize large amounts of information is quite difficult. All this creates problems in learning and working with arrays of information. These people can often get lost in an unfamiliar place or forget where they go. But they also don't remember different stereotypes and it gives good opportunities for creativity.

**Secondary abilities (lines and diagonals)**

***Self-Esteem (Line «1-2-3») — 6***

"Inflated" - the person highly estimates themselves. In addition, beliefs like "I deserve more", are very typical. It is to be noted, that high and inflated self-esteem are the most real incentive to do things in a big way. But one day most of these people look back with the benefit of hindsight and understand that they did not become what they wanted. And here they get depressed, or make a quantum leap forward.

***Moneymaking (Line «4-5-6») — 3***

"Rotational work" - for this person it is the ideal way to make money: earn a living quickly and effectively in a short time, and then relax. Most often, they look for efficiency wages.

***Talent (Line «7-8-9») — 2***

If the person is evidently talented and works to unleash its potential (you can pay attention to other cells) then this figure indicates the potential development of this talent.

***Tenacity (Line «1-4-7») — 4***

"Confident" - the person sets ambitious goals, assesses the resources to achieve them and, as a rule, fulfills the plans. In fact, this person's potential is even higher, but too sky-high goals scare them away, though they could try to reach them.

***Domestic bliss (Line «2-5-8») — 6***

"Too idealistic" - the search for the ideal partner to create the ideal family can drag on forever. And every attempt that does not hit the mark causes suffering. In the case of marriage, this person will place excessive demands on the spouse.

***Stability (Line «3-6-9») — 1***

"Yearn for change" - there is not enough stability in this person. They can't imagine living

without changes, but those around them do not approve of this craving. At least in some small things they remains stable and predictable for loved ones.

***Spirituality (Diagonal «1-5-9») — 1***

"Low spirituality" - materialism strongly predominates spirituality.

***Temperament (Diagonal «3-5-7») — 1***

"Cold" - a person with 1 in temperament is open to physical love, but also not concerned about it. Also this person is not too picky with partners and prone to cheating because they do it for their own self-affirmation. Men with this temperament often want seem like a lover boys and exaggerate their sexual stories.

**Empty and Full Arrows**

**from Astro-Seek [683]**

***Full Arrow 1-4-7 (Arrow of Physical)***

These people are manually and intellectually skilful. They hate work where they do not see results. They only want to be responsible for themselves. They are active and passionate lover and need to have a similar partner who can keep up with them.

***Empty Arrow 3-6-9 (Arrow of Poor Memory/Inspiration)***

(Empty arrow is most commonly considered as a weakness, which creates challenges in your life. However it can be considered as a strength as well.)

These people are possible to draw knowledge from higher levels. New knowledge will be unselfishly passed on to all people. These people will need to create conditions for a balance between the emotional and mental energy.

## **Cartomancy (Cards of Illumination)**

This divination is based on a normal card-playing deck. Every birthDAY get's a particular card assigned, which automatically assigns other cards to different functions, which will be listed here.

The cards (or people) in the suit of Hearts, are like children (Love), in Clubs; like students (Knowledge), in Diamonds; like adults (Manifestation) and in Spades; like old persons (Understanding).

## Mesoamerican Divination | Tzolkin System

The Day Sign, Galactic Tone, Trecena Sign and Night Lord.

The Trecena is more innate - like the Moon Sign in astrology - reveals deeper aspects of your personality: your emotions, your connections to others and society, and how you respond to things.

Day Sign would be like the Sun: something you work on, something that involves discomfort and effort. You can also have the same sign for the Day sign and the Trecena sign.

There are 20 signs and 13 galactic tones, which makes up for a 260-day cycle for the Trecena's. If you add in the Night Lords, you get the largest repeating cycle. (9 times 260)

**Day Sign: Cane**

/ Reed / Ben (Yucatan) / Aj (Kiche)

Ben types are often popular, knowledgeable, accomplished and competent, with strong opinions. They are often highly regarded by others for their talent or expertise.

In some cases they are simply way ahead of their competitors, or have made their mark on the field in which they work. In other cases, it is just a matter of general competency - the ability to excel at whatever it is they decide to do.

They are fighters for moral or ethical principles and are quick to take on challenges. At worst, they are opinionated.

These people will "stick to their guns" when under fire, keep a "stiff upper lip" when in trouble and, like a reed or cane stalk, remain firm in tense situations.

They can be intellectually rigid and prone to argue, however.

These people have a militant side, and although they don't deliberately seek conflict, they seem to thrive in it.

Persons born under Ben are usually popular and social, having deep knowledge of human nature. For some, this quality brings them well deserved fame; for others, it brings respect and recognition from their peers.

Although Ben types have enemies, even their enemies respect Ben's successful ways.

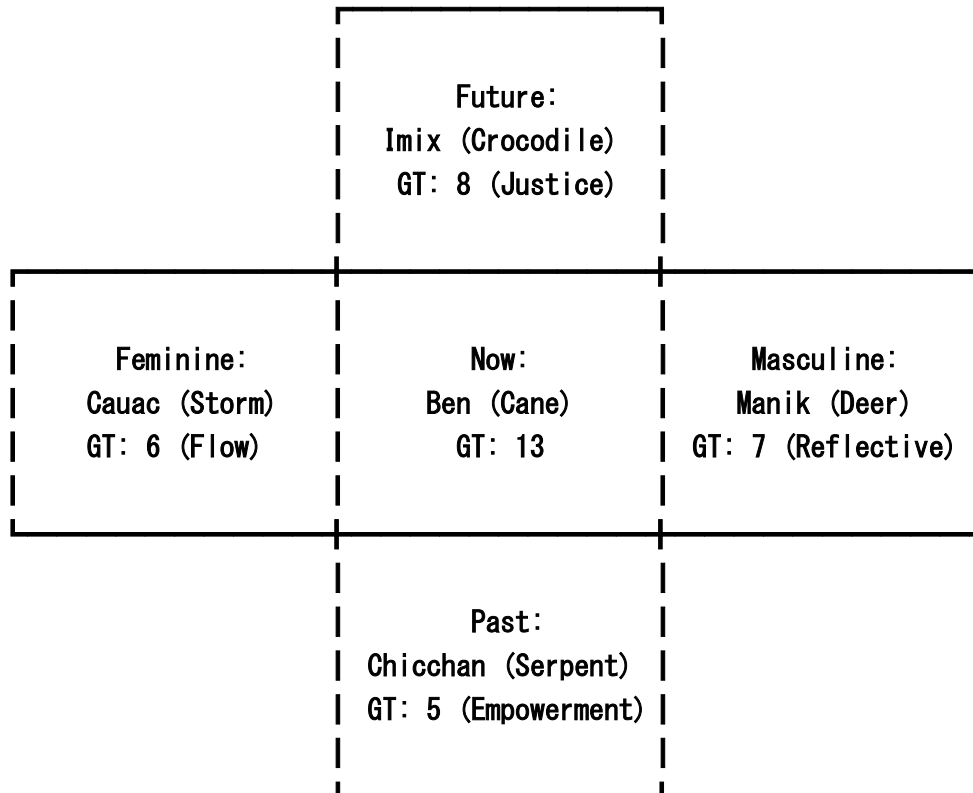

People born under the Ben sign are ambitious and clear about their goals and intentions.

Challenge:

Being opinionated or holding rigid attitudes.

Solution:

To understand human nature; to apply social skills.

#### ***Four Directions***

To be born on the day of Ben is a very fortunate occurrence. In the mythology of ancient Mexico, this was the birth-sign of Feathered Serpent, bringer of light, and a day the gods come down to earth.

These natives are productive. As community members they are leaders, and as parents they are alleged to be both fortunate and wise.

The book of Chilam Balam of Kaua insists that Ben natives tend to have many children.

They also may play a parental role for their extended families or entire communities.

They function like the staff of office (one of the principal symbols of this day-sign), the supportive pillar of the world.

In general these people are practical, earthy, and nurturing. Their good fortune, and joy in ordinary life may cause Ben natives to be a bit conservative or complacent. They have no need to rock a boat that carries them so gracefully. This is why our list of well-known Ben natives includes only a few names. It is a quiet day-sign that has little desire to seek the limelight.

Even the most fortunate day-sign has a dark side, and Bens tree of life includes a number of challenging influences. The presence of Chiccan as the past sign suggests

that many of these natives bring a great deal of sexual karma with them into this life. Cauac on the left hand generates a great deal of emotional turbulence especially regarding women. While Manik on the Right hand may sometimes function as a symbol of strength and inner power, the presence of Imix as the future sign shows that Ben natives face progressively more challenges as they develop along their path. Challenges that may include madness, illusion, and anger.

The Chilam Balam of Kaua also notes that in some cases children may be the only wealth of these natives, and that they may be otherwise of very modest means, perhaps even poor.

Despite their sometimes wild ups and downs, Ben people often possess a spirituality that goes beyond the confines of purely conventional religion; this is one of the birth signs that is considered favourable for prospective Calendar Shamans.

### ***Galactic Tone: 13***

(mymayansign.com:)

#### **Ascension**

- \* Bridge
- \* Pure creative energy
- \* Ascension
- \* Spark of understanding
- \* Connection to source
- \* Remembering

Here we are at the final stage of evolution, the completion of all things. Tone 13 represents equality among all members of the group. You have the sense of collective consciousness, strongly believing in unity and equality among humanity. You are holding the space for other minds to merge until there is no other left out.

Your nature is tolerant and sophisticated. You have an unlimited motivation to overcome your obstacles and transform yourself. Your will to grow and evolve is strong. Reaching the top of the mountain does not mean the journey will end here.

### ***Trecena Sign: Light***

/ Flower / Sun / Ahau (Yucatan) / Ajpu (Kiche)

Beneath the 1-Ahau surface personality lies a self that is romantic and attracted to a glamorous lifestyle.

Such a person may find success in a life in fashion or as a performer or public

personality.

The greatest weakness of 1-Ahau people is in matters of relationship.

In this area they tend to be idealistic and can often make poor choices that lead to problems.

### ***Night Lord: 2***

These types are dedicated to their work regardless of whether they are employees, run their own business, do volunteer work, or merely do work around their own homes.

G2's sense of responsibility is quite high. Others may perceive them as obsessive and compulsive and inclined to do more than needs to be done.

G2 people are hard workers, stubborn and often quite thorough about attending to details.

Personal sacrifice comes naturally to them and one of their most basic reactions in any situation is to stand aside for others who assert themselves.

G2's are ambivalent about being the boss, and they manoeuvre themselves into jobs or situations where they can take orders from above. Most people see them as polite, accommodating, considerate and respectful. An important life lesson for G2 types lies in making their personal sacrifices meaningful.

Another lesson comes from learning to focus their tremendous capacity for giving. Their dark side lies in excessive self denial.

*I'm personally theorizing that these night lords are simply the same energies as the 9 main objects (seperate from the Sun) conjunct the Sun.*

*This one would be Venus conjunct the Sun.*

## **Celtic (Druid) Tree Sign**

The year is split into different periods. Usually, one tree is at two separate periods about 6 months apart. Except for when the equinoxes happen (every 21st of every 4 months), then there is a special tree for that. To find the right archetype for this divination, you have to know if you were born late or early.

(Note:) Celtic Druids did not determine Sign based on the actual date of birth but rather by the date of conception. For example, if you were born three weeks before the scheduled date, you need to add these three weeks to the actual date of birth, in order to figure out the appropriate Sign.

I also read somewhere that the tree (or variant) has to be naturally available in your area.

## **Walnut Tree**

**Strong keywords:** Endurance, Authority

**Weak keywords:** Inconsistence, Inadaptability

**Tree variants:** Gorse (whin)

### **Birthday:**

21 April - 30 April

22 October - 31 October

## **Characteristics and Personality**

People born under the rule of Walnut are just as hard and tough as the tree. They usually have great ambitions and can pursue their goals with persistence. They have a perfect sense for strategy, and thanks to their intelligence they can invent and implement plans that other people do not even dare to dream about. But they lack adaptability, and they make mistakes when they need to improvise. Walnut people hate unpredictable and unexpected events and surprises. They feel best in pre-planned and calculated situations.

Walnut people only like to rely on themselves and they usually do not trust other people. They can treat others very kindly and politely- but only until somebody disturbs their plans. Then they can be very spiteful and sometimes even inconsiderate. Walnut people are quite complicated: basically they are shy but on the other hand they do not like to walk the beaten paths and can even be rather eccentric. They are not really interested in what other people think.

Walnut people are full of contradictions, whims and opposites. It is rarely possible to guess their next reaction, they seem to be very hard and authoritative people but deep inside they are sensitive being that worry a lot about their own existence. They usually

have authority. They are admired, but rarely they are also liked.

They love life is similar. Walnut men usually strive for the role of a "dominant male", while walnut women want to be at least respected as an independent person. Their partners must expect occasional variations in their behaviour. Sometimes they are self-sacrificing, while other times they can cause jealous scenes or quarrels. They respect strong and direct people, strong will and higher social status.

Walnut people like to live their life to the full. If they do something they always put their whole soul in it. When they want something, their endurance knows no limits. If they love something, they love it until the day they die. They are passionate people, but they can combine their passion with responsibility and higher goals.

What follows on the next page is the correct Natal Chart using the Usha/Shashi-Ayanāṁśa, and the 'whole house'-system. For simplicities sake, we could call that chart the "Transit(ory)-chart". Then to get the Chart that WILL SHINE through this document, we apply the 322th Harmonic to that (the right ascension values (Zodiac) are telling of the 322th Harmonic Version chart). Thus, both are needed to understand the self: One is fixed but constantly interacting with other fixed charts and the other constantly interacts with the Transiting planets. If you find yourself on that quest to understand yourself, it would be suggested to include declination as well as all the other divination techniques, such as numerology, and cartomancy, etc., up to the most seemingly insignificant part of the whole, like midpoints, or antiscia-aspects, in the whole picture. Understanding yourself better in respect to everything else has become very possible - and people might soon say even too easy - when the energetically encoded laws taken affect on our reality are understood.

### **Cancer Sun ☉ ☾ and ♌ ☾ Leo Moon man**

([755] i.thehoroscope.co)

Passionate but disciplined, the Cancer Sun Leo Moon personality knows how to

efficiently balance impulses and new ideas with the practical demands of the present.

Proud and confident people, those born with their Sun in Cancer and the Moon in Leo trust their own talents and capacities. Not to mention how much they want to make a good impression.

It wouldn't matter the situation, they would only try to act accordingly and to say the right things. Take the flamboyant and loud Moon Leo and add it to the reserved Cancer. What you get is a more open and fun Cancer native.

### **A Strong Personality - In a nutshell:**

Positives: Ambitious, mannered and reflective;

Negatives: Fanatical, greedy and hedonistic;

Perfect partner: Someone who can appreciate them for who they really are;

Advice: They should be more agile in realizing when it's time for them to stop in certain situations.

### **Personality traits**

Cancer Sun Leo Moon people think of themselves as special and are very focused on their family life. At heart, they're loyal and optimistic but when it comes to their behavior, they are very dramatic. If not appreciated or disrespected, they can completely eliminate someone from their life.

These natives love to have parties and to go on holiday. They charge their batteries when they're going in new adventures and are spending their time "playing" with friends.

Not that they have too many close friends. But they definitely have a lot of acquaintances with whom they get together for drinks.

They are disciplined and neat and when they see others being sloppy and careless, they think of these people as weak. It's also because they are taking themselves very seriously.

Not to mention they always think they're right. It's very important for them to get their way and they really know how to sweet-talk people into doing what they desire.

Cancer Sun Leo Moon individuals are capable of a lot of compassion, goodness and caretaking. When they have the opportunity to express these traits, they're at their best. But they tend to advance slowly and to move around in circles.

Don't be fooled by their innocence because they always know what they are doing. They're not the type to express their agenda and realizations loudly, letting actions to speak for themselves.

There's no one to be more determined and more focused than them when they get attached to someone or want to accomplish something. And this can only work to their advantage because they'll get what they want.

It's like they're emotionally equipped to deal with any kind of situation. However, they may need to realize sometimes it is better for them to just let go.

The Moon Leo will use the Cancer Sun's light to make these natives more individualistic. Leos always feel the need to be loved for who they are.

While Cancers are more about what they can do to make others feel happy, Moon Leos want to be rewarded and given back as much as they have given.

These royals are all about being appreciated and valued. There's no one more interested in shining and being in the center of attention than them.

It may not seem like there's too much harmony between this Sun and Moon, but the personalities born under this combination surely are balanced. They are people who want to express themselves creatively.

It can be said they have multiple personalities too. For example, they are dramatic and selfish on one side, self-sacrificing and ready to give up their independence on the other.

They're aware they can become stronger when they are loving, but they would completely let go of someone who would make them shine less.

While able to put up with many nasty things and stubborn, Cancer Sun Leo Moon natives can't stand being criticized. And when they are failing, they're accepting defeat much harder than those who understand it's equally important for success.

It's because they're too stubborn to think they can't win. Also, there's no one to convince them they may not be right.

They are in fact appalled when someone questions them and their way of thinking. And this makes them rigid, not at all open to learning or making changes. It can destroy them to suffer a defeat and when it comes to recovering, they are very slow.

### **Love characteristics**

As soon as the Cancer Sun Leo Moon lover gains some confidence in their partner, they will start to overwhelm him or her with all their attention and affection.

If not parents, they will treat their lovers like their children. And this can cause many people to feel either suffocated or perhaps comfortable around them.

Very attentive and receptive, these natives can feel their other half's thoughts and emotions. They need someone to appreciate them for all the care they are giving.

When it comes to their ideal partner, he or she needs to be smart, always looking good and fun. Natives with their Sun in Cancer and their Moon in Leo are both givers and takers when it comes to love, also action-oriented and not necessarily introspective.

What makes them tick is their need to be nurturing, to take care of everyone and be of help. They will achieve this if they'll manage to develop intimate and emotional connections.

The more they'll understand and offer others unconditional love, the more they'll be allowed to nurture. Their relationships will always be strong and very flourishing.

Moon Leos are children in bodies of adults. They will always be like this, no matter the age. And they want to be praised more than anything.

When being paid a lot of attention, they become the kindest and most loving creatures. Ignore them and you will witness a lot of drama from their side.

But underneath it all, they are delicate creatures who only want to be loved and adored. If offered this, they will be sure to give everything back.

### **Cancer Sun and Leo Moon man**

The Cancer Sun Leo Moon man knows what's in his mind and isn't scared of expressing himself. It sometimes looks like he doesn't have any inhibition.

This, added to the fact that he's attractive, magnetic and confident, will help him reach success. Because he has his Moon in Leo, this guy needs to be admired and offered a good position at work.

He's the representation of a more courageous Cancer and a more imaginative, sensitive Leo, a good combination indeed.

His success depends on how he works with his talents and commits. He's not that Cancer who wants to protect his feelings.

He believes only in being appreciated, respected and adulated. His imagination can help him come up with great ideas. That's why he would do a great job in the arts. Not that there aren't many other domains that interest him.

When he fails, he becomes this victim that no one can get along with anymore. He can't stop moaning and complaining about how the world doesn't recognize his talent.

But the Cancer Sun Leo Moon man needs to understand failure is another way to understand success. He should experience as much as possible if he wants a good future. Also to be open to advice from others.

People will be drawn to him because he's confident and magnetic. But he needs to avoid manipulating others for his own good. He's nice and compassionate, but he always puts himself first. Some of his negative traits include pride and narcissism.

## **Sun ☉ in X 10th House**

([868] i.thehoroscope.co)

This placement of the Sun makes people work hard for their objectives and to want to reach a certain status because power gives them a real high.

Natives having the Sun in the tenth house want fame, to live an honorable life and they sometimes get involved in scandals. They're determined to have a position of power and authority, not getting bothered by the responsibility this thing would imply.

They're usually politicians, dignified army people or any other role that gives them power. Being good examples for others because they're motivated to make a name for themselves, it's very likely they will manage to build a very good reputation.

Only a few Sun in 10th house people remain in obscurity because these natives have a special need to be respected and appreciated in society. It's like they've been born for nobility and for inspiring others to be greater people.

### **Summary:**

Strengths: Responsible, sensual and hardworking;

Challenges: Superficial, tyrannical and vain;

Advice: They need to learn to balance career and personal life.

### **Beyond ambitious**

People with the Sun in the tenth house like to work hard for their goals, success and feeling of accomplishment because power is in their blood.

They hate taking orders and have a need to be the ones with authority at work. It's important for them to evolve in a career where they're the ones who manage, not those being managed.

These people should deal with the fact that they're ambitious, but not create a fake image of themselves and try to act as if they have a higher position than they actually do.

Sun in 10th house natives are determined to succeed and most of them will, but not until their thirties or even a little bit later.

They may have problems at home because they're always putting career first and are too ambitious about their professional life rather than the family one.

These individuals have all that it takes to be great leaders, even if others see them as arrogant and tyrannical.

The 10th house rules over recognition from the public, the incapacity to take orders and the need to be in control of things.

While the Sun can be unusual when it comes to career, natives having it in their 10th house are thirsty for the attention of their public and have the ability to succeed at any career they may choose.

It doesn't matter their profession, their Sun in the 10th house will be at peace if they're the ones who pull the ropes and everyone admires them for being such hard workers.

Relating to the public image, the house just mentioned makes people with their Sun in it very aware of how others perceive them.

These people are very ambitious to obtain all the respect in the world, whether they're CEOs or just starting at a job.

As said before, many of them are politicians, so power is another thing they'll certainly struggle to get their hands on.

However, they should be careful not to become obsessed with it because a life that is only centered on self-image and power is superficial and not in any way satisfying.

### **The positives**

Sun in 10th house individuals are driven to have as many achievements as possible, from a very young age.

They're hard workers and strong characters who can overcome any obstacle, no matter how difficult.

These people are recognized by the public as responsible and determined to succeed

individuals. It's important they learn how to relax and create a balance between their professional and personal lives.

Having a good time while also being successful is possible if they become more willing to also play from time to time.

More focused on what's happening outside their environment and on asserting what their main qualities are, they will use everything they know to obtain a high social position and to get acknowledged at work.

The Sun in the 10th house motivates them to have a strong influence and to get recognized while they're also satisfying their thirst for power and make their dreams come true.

This means they will fight for a good career and a good place in the society, usually managing to obtain a status where they have many responsibilities and get to be recognized by others.

The placement of the Sun in the 10th house influences them to want to put their talents to use and to be better than the crowd, also to lead rather than to follow.

Everything meant to help them advance in their career will fascinate them. They may have an identity that is highly influenced by their job and other things that brought them success or helped them attain their goals.

Usually involved in public matters such as the ones relating to politics and speaking for the masses, these will be of the utmost importance for them.

If they won't have the opportunity to be participants in the public life, they will identify themselves as someone who does, while secretly dreaming to have important people's roles.

They really don't like being private and alone because this limits their opportunities to become successful and achieve many things in life.

It's like something is pressuring them to succeed and to become someone whom they're proud of, often seeming that success and achievements are life-and-death matters to them.

That's why they'll always have high goals and work hard to achieve them. It's more likely for them to go to a job that allows anyone to advance rather than a place where there isn't too much room for climbing the ladder, like in bartending.

They really want to be appreciated and admired for their efforts because this is what

builds up their self-esteem. Their goals will be precise and their approach to achieve them methodical.

These natives are the incarnation of professional success, all the negative aspects in their chart being sometimes too difficult to counteract. But usually, they're composed, proud of themselves, authoritative and charismatic people whom others respect and even admire, no matter how reserved and shy they may seem.

It may seem for many that these individuals don't even make an effort to advance in their career because they're all the time in the right place, at the perfect moment.

Dignifying and honorable, natives having their Sun in the 10th house are usually respected and even an example for others.

Usually in leadership positions, as if their Sun would be in the 1st House, they hate being commanded and second place.

It's like all the ambition in the world has gathered in them, so their goals will be reached more or less easily, depending on how difficult these may be.

It's important for them to have ambitions, yet they should pay attention because a rapid professional evolution can also bring them many enemies.

Not that they shouldn't chase their dreams anymore, they should just be more aware that some of their colleagues may try to impede them from succeeding.

### **The negatives**

The Sun in 10th house individuals tend to identify themselves with what they've accomplished in life. If they won't realize they're more than the sum of their successes, they will all the time believe only career is important.

Their profession may also be a big part of their identity, making them feel very proud if it's a noble one and they have managed to get recognized for being good at it.

If they haven't achieved that much at work, they will think less of themselves, but still have their work done in a perfect way.

If the Sun in the 10th house is afflicted, the natives with this placement may be tyrannical and abuse their power in order to deal with their insecurities.

It's also possible they'll work around the rules and step on others to get where they want, causing Saturn to become angry and to remind them through its negative influence that they should be more honorable.

The fact that they want success may have something to do with their kept-away insecurity, but the Sun's energy would have them overcoming this issue and become more stable, able to find their center and also turning their assertive or exploiting ways into a need to cooperate and make things better for everyone.

If insecure, they may feel only professional success can save them. As they appreciate themselves based only on what's not all the time in their control, they may feel not worthy when their boss doesn't give them the position that they're working so hard for.

In this situation, they may push themselves to the extreme, until feeling there's only emptiness in their life. Just success makes them feel authentic and happy, this being sometimes problematic when working with others.

Another way through which their insecurity expresses itself is when they become so intimidated by their need to be the best that they no longer know what standards should try to work by and thus, fail all the time.

This means they'd start having a low self-esteem and no matter how much they may try, anxiety and stress would be the only ones ruling over them.

Authority is what makes them weak as well because they want to have it too badly. They should be mature enough and leave their pride aside as this is the only way for them to develop in an efficient manner and from inside out.

In case they'll manage to attain a certain level of maturity, they will certainly turn into models of power and responsibility for others.

The Sun in their tenth house makes them oppose authority while commanding it themselves. This would be a downside because they may bother some important and influential people in their life and not obtain what they want the most, which is success.

It can be challenging for them to be parents because they're too authoritative, but at least they'll be appreciated at work for this.

## ***Moon ☾ in XI 11th House***

([882] [i.thehoroscope.co](http://i.thehoroscope.co))

People with the Moon in the 11th House can achieve great things in their lives.

The 11th House rules over friendship, making the natives of this placement very needy when it comes to the support of their friends. People having Moon in 11th House are very helpful and, just like the Moon has an effect on the sea and changes its tides, it also influences them to be quite unstable emotionally.

Full of dreams and possessing a good heart, they can change their objectives according to their moods, so it's very unlikely their goals will be attained too soon. Very good friends with those who are their family, their connections are the strongest with individuals who think the same as them.

It's essential for these to form relationships with other people besides their family. When it comes to their interactions, these can be intuitive and built on charm. However, they can attract sad and moody individuals, or people who are not at all reliable, this causing them to be involved in all sort of scandals.

**Summary:**

Strengths: Friendly, creative and idealistic;

Challenges: Changeable and distracted;

Advice: Work more in collaboration with others.

**Acting quite sentimentally**

The Moon's position in the 11th House indicates its natives need to belong with someone and to be supported by the members of the groups to which they belong.

They don't mind giving all of their help and couldn't stand not having any social life at all or their friends to change all the time. This can have them emotionally agitated and unstable in their relationships, going through subsided feelings for those around them.

Their dreams and goals are big, because they have high hopes for their future. Most of the Moon in eleventh House people are generous and kind, but very changeable when it comes to their objectives and moods. This means it can be difficult for them to work towards a specific goal and to fulfill their dreams.

The more they're involved in groups and all sort of activities with other people, the more they feel emotionally fulfilled. Their friends are very important to them, and they're usually best friends with people in their family and those who are always sharing their way of thinking.

However, they should have other individuals in their life besides their relatives. With the Moon in this position, they will have many members of the opposite sex close to them.

As a matter of fact, they are ruled by a feminine energy, acting rather sentimentally in all kind of situations, especially when having to deal with others.

When the Moon is in negative aspects, too many emotions can get involved and disturb the relationships of the ones it influences. Therefore, the natives with this in their natal chart can have many conflicts with others and especially women or witness many tensions between ladies.

If the Moon is afflicted, their reactions can be hysterical and their emotional outbursts exaggerated. But they usually immediately forget such moods because the Moon changes its cycles very often.

For the same reason, Moon in 11th House people may make new friends very often, because the Moon brings more and more people in their life.

Their old acquaintances will disappear from their life according to how the Moon changes its cycles, but no matter what, they will always be enthusiastic when dealing with new friends, forgetting about what happened with others.

They mostly rely on their intuition when choosing whom to spend their time with, and their intense emotions will disappear as soon as they get used more to a person. However, many Moon in eleventh House people can also revive their old friendships very easily, which may seem strange for others.

No matter what, they would hate being lonely and spending their time inside, this being one of the main reasons for their depression.

What they need the most is to be surrounded by people, and when they're Moon Scorpios or have a conjunction with Pluto, they may even suck on the energies of the groups they belong to.

They would obviously do this unconsciously, others being confused and wondering why they no longer have any energy left after meeting with other Moon in 11th House individuals.

Because they can be easily impressed, they should be very careful when choosing their friends or business associates. Also, they should avoid being very dependent on always getting approval from their close ones.

Other aspects and placements of planets or signs can change all these things more or less, but things will be pretty similar with all the natives having Moon in the eleventh sign.

If the position of the Moon is afflicted, they may have conflicts with their mother when discussing things relating to the eleventh House. It's normal for them to associate their lady friends with their caretakers and treat them as such.

The influence of the people in their life can be either positive or negative, because some of their acquaintances can't be in any way trustworthy or not at all as close as they would want them to be to the idea of friendship.

It's also possible for many of their friends to be changeable or to not appreciate and care about them in any way.

### **The unconventional types**

When not around people they know, Moon in 11th House people feel lost and truly upset because their security is established by their relationships and also because they feel warmer when in the company by others. For men, women friends are something normal because they can get along with anyone.

One good thing about the way they are is they can get together with very influential people who help them succeed and achieve great things in their career.

In case they have some insecurities inside their mind, they will identify themselves as much as possible with the group of which they're a member, losing all of the identity they may have left. It's possible for them to give in to peer pressure because they simply can't go against their friends as if these are their family.

Natives having Moon in the eleventh House are very interested in fitting in and have a need to be a part of a collective. When people reject them, they start to feel depressed and no longer want to hear about anyone and anything. It's normal for them to feel alone sometimes, no matter how many people surround them.

That's why they may not conform to social norms and practice the unconventional type that characterizes their Moon sign.

Moon in 11th House individuals may surprise others with how controversial they are, puzzling and making them shake their head in disapproval when doing something out of the ordinary. This is why they may feel like they're not actually fitting in and that no one understands them.

But this can also make them extremely free, as the Moon in this placement influences these natives to be very independent anyway. These individuals can deal with what their Moon needs without caring what others think of them.

While they express the energy of the Moon and never judge what it's asking of them, they can be so uncaring that they don't even realize how they're being influenced by it.

When making friends, they always rely on intuition and avoid being alone as much as possible. They will always approach those who feel left out and haven't been accepted in

groups. As a matter of fact, the more rejected a person, the more interesting he or she will seem to them.

It wouldn't matter what culture others would belong to, or what language these will speak, they will befriend them and come up with many ideas on how to spend some quality time. Their personal lives are private, and what they're doing alone will be kept a secret.

#### **Overview [1]**

- Lord: Shukra (Venus)
- Symbol: Hammock, fig tree. This represents rest, rejuvenation, sex, and pleasure.
- Power: To create. This creative ability is associated with begetting children, giving birth, and literally and figuratively bringing things into existence.

### **Strengths [1]**

Natives of Purva-phalguni are characterized by their zest for life. You have a youthful energy, always eager for new experiences and ready to act. It's almost impossible not to have fun in your company. Happiness seems to go hand in hand with your exuberant, carefree nature.

You seem to be good at everything you do. You are artistic, musical, and have a great love for all the fine arts. You are a true romantic. You have a refined sense of pleasure — you love to enjoy and you do it well. You may become wealthy, and are charitable with that wealth.

Anyone you meet will be struck by your air of elegance. You keep yourself clean and dress well, speak eloquently, and have a good sense of humor. You won't be caught speaking raucously or acting unrefined in any way. Invariably soft-spoken, you create a sense of gentleness and sophistication.

Sociable by nature, you love to spend time with friends and make new acquaintances, and you'll have a good deal of influence over those around you.

### **Weaknesses [1]**

Your need for excitement and your constant craving for sensual stimulation can get out of hand — it can make you impulsive, reckless, and excessively passionate. In your endless search for new experiences, you may be forced to explore increasingly questionable territory.

Right and wrong don't hold a lot of sway over you, and you may be drawn to behavior that could be harmful to yourself or to others just for the novelty of it. You may behave promiscuously, overly eager for sexual pleasure. You have a tendency towards addiction and indulgence. Money can pass too quickly and too extravagantly through your hands. Since pleasure is your primary motivation, you can be lazy and unmotivated when it comes to activities that aren't particularly enjoyable. If you give in to this inclination, practical tasks will be left undone and your life could become unstable.

Vanity is one of your greatest weaknesses, and you can come across as entitled or pretentious. You generally experience good fortune in your life — talented, attractive, and charismatic, you often feel like you're on top of the world. Be conscious of the privilege you experience or you may use it as an excuse to look down on others.

Purva-phalgunis will ultimately experience greater satisfaction in life by cultivating humility and gratitude, and grounding themselves by setting boundaries for their sensual pleasures.

### **Other Personality Traits [1]**

- You feel lucky. Your life is generally one of good fortune, and your natural optimism helps you find the silver lining in even the darkest of clouds.
- You might be selfish. Your love for enjoying can make you somewhat self-centered. You might seem almost ruthless in the pursuance of your own pleasure, at the expense of others.
- You take responsibility for your actions. You might do some pretty crazy things in the

heat of the moment, but you are always ready to deal maturely with the consequences.  
- You may go into debt. Because of your love for living life to the fullest, you might live above your means. Be mindful to keep track of your expenses, and be ready to limit yourself sometimes. A budget might be helpful.

### **Career [1]**

Your confidence and your creativity make you well-suited for leadership roles where your ideas can be utilized. Positions where you can use your skill with people will also be satisfying for you.

Some ideal professions include:

- Actor/actress, musician, artist, or model
- Entrepreneur, C-level executive, or manager
- Teacher, professor, or personal trainer
- Therapist or counselor
- Fashion, cosmetics, photography, or the wedding industry

### **Health [3]**

Generally of robust health, they may face issues including respiratory issues, rheumatic viruses and heart problems.

### **Physical Appearance [3]**

Known for their striking appearances and luxurious hair, these are attractive people. They tend to have good proportions and be slightly taller and leaner than most.

### **Pada [1]**

### ***Moon ☾ in fourth pada***

(23°20'-26°40' degrees Leo): Scorpio navamsa. You are happy to make sacrifices for the sake of the common good. Like a hero of old, you are virtuous and courageous in the face of danger. You can be intense, and may experience more hardships than other Purva-phalgunis.

### ***Mercury ☿ in ♈ Aries man 29° 22'***

([884] i.thehoroscope.co)

He takes his sweet time and enjoys certain situations more than others, being often

perceived as quite pretentious.

As a Mercury in Aries, this man is brash, aggressive, and straightforward with his desires and motivations, never to hide behind shyness or hesitations.

He is always coming up with great ideas that he's not just going to keep for himself just because they might ruffle some feathers.

It might seem like this man loves a good argument or debate because he does everything in his power to initiate one. Moreover, he's very dynamic and unrestrained even outside of a discussion.

**In a nutshell:**

Positives: Disciplined and responsible;

Negatives: Narrow-minded and obsessive;

Soulmate: Someone who is observant and kind;

Life lesson: To get less annoyed and more attentive to criticism.

**He's the one rushing to speak first**

The Mercury in Aries man does not have time to waste on mere parlor tricks and small talk. He can do that all his life and still not achieve his potential and goals.

His lifestyle is not based on discipline, responsibilities, planning and getting to know the competition before committing to a course of action.

He takes the time to bring himself up to speed with all the innovations and technological discoveries, news on the market, all in order to increase their chances and avoid the loss of time later on.

Queues and waiting for someone who's late are literally ruining his mood in the worst way, sucking away all his energy. Generally, he's the one who rebels against authority.

Whatever they think of first, that's the idea they're going to present to everyone as being the winner, having the most potential.

Observation and analysis are two foreign words for these natives. Fast-forward two days later and the idea turned out to lack finesse, it was rough around the edges, incomplete.

Moreover, the Mercury in Aries man will rush to speak first, seemingly in a hurry to spread their ideas to everyone else.

Verbally, it's a real cumbersome activity having to listen to them talking so fast you don't even have time to follow the general outline. However, they are very fun and enthusiastic enough to compensate.

The man born with Mercury in Aries will first listen to his own gut instincts, and the decisions he takes are as good as put in to practice.

No matter what everyone else says, he's going to keep on going at his own pace, following his own rules, living life as he sees fit.

Criticism will only serve to annoy and get him to stop what he's doing to concentrate on getting you out of the way.

A comfortable and pleasing life is all he wants, and if you want to mock that lifestyle, it's your funeral. This doesn't mean that he doesn't admit his own flawed nature, the mistakes he's done.

He will naturally exude an air of authority and dominance all around him. It gives the impression that he knows what he's talking about, even when he doesn't, that he can be the one to solve the problem, finally.

He has a commanding voice and confident attitude, demanding to be listened and obeyed.

As team leaders, the Mercury in Aries man will take everyone up to the next level, upgrade their skills, motivate them with his unceasing impetus, and lead them toward success.

However, he does have a nasty tendency to leave his projects half-finished because he comes up with a totally different idea that he wants to implement immediately.

He does, in fact, want to become superior to the man he was, and for this, he is ready and willing to sacrifice a lot.

## ***Mercury ☿ in VII 7th House***

([914] i.thehoroscope.co)

This placement of Mercury encourages people to prefer solving problems by being communicative, talking about what's wrong and agreeing on the most efficient course of action.

Those born with their Mercury in the seventh house of the birth chart are very sociable and communicative individuals who would rather spend all night in town than stay cooped up in their homes, dying of boredom.

They do well in relationships with other people, meaning that they manage to share ideas and come to an understanding with pretty much anyone.

Professionally, you're going to see these people gravitating toward PR jobs, holding conferences or working in sales. They are good at persuading people or mediating conflicts because they know how to speak and how to calm a situation down.

**Summary:**

Strengths: Witty, expansive and affectionate;

Challenges: Difficult, vain and indecisive;

Advice: They should try their hand at different activities and not hesitate.

**Hard to impress**

These natives are often put into difficult situations because they can't make quick decisions, on the fly, without actually taking the time to consider all the details and possible consequences.

They hesitate, beat around the bush, and waste time until someone pushes them or the time comes for a decision to be made, irrespective of whether they're certain of the options or not.

The problem here is that the natural ruler of the seventh house is Libra, the sign known for its unwillingness to commit to a course of action without first analyzing everything.

However, with Mercury in this house, you can talk to them about anything in the world, the more intellectually stimulating, the better. In particular, they love talking about relationships, love matters, especially their own.

The Mercury in 7th house natives are sapiosexuals, in that they are most attracted by intelligent partners who have intellectual interests and who know how to talk.

You just have to impress them by bringing up a profound subject and coming with a few interesting ideas. They will take the ball and continue from then on, but most importantly, they will have taken you into their sight.

They prefer solving problems by being communicative, talking about what's wrong and agreeing on the most efficient course of action.

They can debate pretty much anyone on any given subject, and more than that, they can

argue from many different positions, even one that they may not agree with.

This is thanks to their expansive and meticulous mind that gives them unprecedented insight into the subject.

For these Mercury in 7th house natives, nothing is more pleasing or interesting than a good discussion, an intellectually stimulating conversation that they can play around with.

In relationships, they will often attempt to raise these topics with their partners, to spice things up.

Settling on a certain conclusion may be hard, but discussing it, taking every possible solution into consideration, that's easily done.

### **The positives**

Even though they may be known as social butterflies and absolute freaks when it comes to talking to other people, they still prefer a one-on-one conversation with someone they can trust.

Also, the subjects have to be profound, serious, philosophical or at least mainstream, debatable, so that they can get interested enough.

They can focus and more efficiently organize their ideas in a private setting, with no one to disturb their thoughts. In such an intellectual transaction, there must be equal roles, one must give an answer and the other must ask, and so on.

When they fall in love, nothing appeals to them more than keeping in contact with the partner non-stop.

Messages, calls, shouts from across the house, kisses on the cheeks, these natives want to create a partnership based on communication, affectionate and intimate contact.

They can both grow and develop through this process of interpersonal contact kept at a maximum degree, the bonds will deepen with time and they will be very close to one another.

Especially when it has something to do with professional expertise, they will act as though everything is dependent on them talking as persuasive as possible, and giving the best impression.

Investments, lucrative partnerships, and collaborations with the big shots of some big corporations, the Mercury in 7th house natives know how to use relationships and take care of all of these.

They know what to pay attention to, how to organize all the details, how to mediate between two opposite sides.

Moreover, knowing that Mercury sports two sets of energies correspondent to a dual personality, these natives might very well have quite a rich romantic life, with situations when they have to choose the best partner from many more. Logic will be the main instrument here.

This aspect instills a sense of paranoid fear into these natives, in that they act skittish and become tense when people contradict them.

Different opinions may be challenging and intriguing to other, more confident and open-minded people, but they can't stand it when someone has a different idea that goes against them.

Instead of getting mad or entering a conflict, they will try to mediate and reach a consensus, either through a solid explanation or a better solution.

Even more, they might even be able to befriend these perceived enemies, to nurture a spiritual connection between them.

### **The negatives**

No matter what everyone says, the Mercury in 7th house natives actually crave for romantic belonging, to be loved and spend time with someone who deeply understands them, someone who they can feel close to.

This is one of their ways to find fulfillment, to fill out that void in their hearts, to find happiness. For all their social lives and keenness of talking to people, these are all extra activities, done for fun, but a more intimate speaking partner would be much better.

However, they can spend a lot of time thinking about what's best, about their own feelings, and this is a waste of time that often results in lost chances.

They are very critical and analytic, always weighing the advantages and downsides of a relationship.

When Mercury is in retrograde, bad things are afoot, meaning that life won't be too colorful for these natives.

They will become overly-focused on the smallest of details, on the flaws, forgetting about the greater picture, to take a step back and just be thankful for what they have.

This pessimistic and negativistic attitude brings them a lot of problems in the long run.

The movements of Mercury during these times and the number of times it goes into retrograde have a very powerful influence on their day-to-day lives. The effects are catastrophic if not properly controlled.

## **Venus ♀ in ♏ Scorpio man 18° 8'**

([935] i.thehoroscope.co)

He will want besides him a woman who can make the world kneel in front of her, someone he can be proud of.

The Venus in Scorpio man is a willful and determined individual who would never do things half-way. Either he goes through to the end, or he doesn't start it in the first place.

Same goes in a relationship. If he finds the partner to be attractive and worthy of his time, then he's going to dedicate all his time and effort in building up a long-standing relationship.

He's fiery, volcanic, enthusiastic, extremely loyal, and has a tendency to assert his control everywhere he goes. He's honest to a fault and doesn't have any prior thoughts before committing and sharing his life with his partner.

### **In a nutshell:**

Positives: Intriguing and sensual;

Negatives: Secretive and tactless;

Soulmate: Someone who will do anything to seduce him;

Life lesson: He should make an effort to temper his jealousy.

### **His love personality**

This man is the dark horse of the zodiac. He's steamy, volcanic, confident enough to face the world with nothing but his own steely determination and cool demeanor.

He will want besides him a woman who can make the world kneel in front of her, a woman with royal charms, exuding sensuality and lasciviousness.

Only the most electrifying personality can intrigue him. He does tend to become too involved in his partner's life, probing her secrets at every step of the way, wanting to find

the mysteries that lie within.

The Scorpio sign is one that stems from earth, and just like that the Venus in Scorpio native prefers women who are resolute, intense, and passionate about what they do, but not unpredictable or unexpected.

He takes some time to get to know his partner, seeing how she approaches challenges, her looks on life, but once he decides to commit, rarely does he ever regret his decision.

When he does, it's going to be caused by the lack of compatibility or understanding, and not because of conflicts or arguments. In a Scorpio's love life, such aggressive conflicts are flimsy events where they let go of some steam.

This is a fierce man who offers his love with high expectations. If he gives his all to a relationship, puts forth incredible efforts to build a stable and secure situation for them both, he expects a full reimbursement.

He might exaggerate with his possessive reflexes, and he might even get jealous if he sees you talking to your guy friends for too long, but that's only because he loves you a lot.

Don't be surprised that he's hired a private investigator to follow you around or that he does it himself.

The man born with Venus in Scorpio is a very lustful individual who often can't control his sexual cravings, and he might have secret affairs behind your back if he doesn't find the satisfaction he was looking for.

He's a non-conformist who hates traditions and routine-based activities. He would rather do his own things, away from prying eyes, than have to stay in-line to buy a ticket for a movie, for example.

He's strange, and he likes doing weird things that society might shun him for. However, does he even care in the slightest?

Nope, he does not, and this turns him into a real alpha male who knows exactly who he is, what his identity is.

If you notice that a Venus in Scorpio male is giving you the sweet treatment, that means he has already determined that you are perfect for him, and the testing has finished.

He's a very loyal and devoted lover when he's incentivized to be so. Also, he's a sexual maniac who just can't sate his insatiable lust for physical contact.

**Attracted by ...**

Beyond the physical attractiveness and certain details that he would like his lover to have, he's immediately turned on and intrigued by a woman who exhibits nymphomaniac tendencies.

Since he loves sex so much, and he derives great amounts of pleasure from it, meeting a woman who stands to fulfill his every desire with a smile on her lips, how could he not be driven insane with desire?

He wants to consume his entire being in the enjoinder of bodies, in the melodious friction of the skin, the dance of the flesh, the symphony of moans that accompany the ultimate carnal pleasure.

He wants it all, your heart, your soul, every fiber of your being to radiate with intensity, with the passion of vitality.

Being the hunter, the one who ravages the beauty and deflowers it, this is one of his biggest dreams, and he wouldn't say no to a rape simulation if his partner gave her consent.

If you even think about seducing this man, you have to be serious, confident in your abilities, passionate, and willing to be subdued.

This guy wants to win you over and to dominate your whole being, to build up a steady relationship that's based on mutual trust, respect, and devotion.

**In conclusion**

This native's biggest strength, and the aspect of his personality that reflects his approach and attitude toward the world is his fiery passion.

There never was and never will be another native that could match up to his volcanic and all-consuming intensity, that certain profoundness of being that you get lost into. The abyssal depth of his personality shatters all the barriers, and it quickly makes you fall in love with him, so much as to never want to leave his side again.

This man can be very jealous and possessive. Even when he doesn't have a good reason to, he'll start asking you where you've been, whom with, why did you stay for so long, and generally interrogate you for a few hours about the time you went missing.

When he starts going that way, you must drop everything else, take him elsewhere in private, look right into his eyes and assure him that everything is alright, that only he deserves your attention and love.

He doesn't let anyone make fun of him or smear his reputation. If his partner mocks him

or disappoints his expectations, she should prepare for his fiery vengeance.

He won't let this go even if he has to wait for years on end preparing for the right moment. And this obsession often makes him overly focused on something that's really not that important.

The man born with Venus in Scorpio must learn that if someone lets him down, the worst thing he could do is detach himself completely, abandon that person and cut off all contact. Communication, though, is the key to everything, including a conflict or argument.

## **Venus ♀ in II 2nd House**

Many will see them as high maintenance because they're always elegant and looking to enjoy the finest wines or foods. Very materialistic, they want a lover to get them expensive gifts, but you can't say they're shallow or unable to love others. They just don't want to settle for less and appreciate only what's truly valuable, from friendships to pieces of furniture and clothes.

### **Summary:**

It's very possible they'll decide on a very rich partner who can help them attain the comfort they're so much dreaming of.

It's very important for them to be surrounded by beautiful things and to feel they're financially secure. Having a few talents for business and the arts, it can be intriguing to watch their evolution when it comes to money.

If they have any hobby, it's suggested they make a living out of it because it's very important for them to do what they really love in life. They need their loved ones to express all the affection and love they have in their heart for them.

It may be difficult to deal with individuals that have such extravagant taste, but others should understand what makes their heart tick is already established and something they're very proud of.

Very good at finding value anywhere and also at putting it to good use, they would do a great job at trading antiques or other things that can be repaired and sold for a higher price.

Usually generous and eager to make gifts, they expect something back from those they're giving presents to. Many of them may be too obsessed to win their partner's admiration because all they want is to be praised and can't always receive admiration.

Their most erogenous zones are the neck area and the chest, having a voice that makes any member of the opposite sex fall in love with them. They like to wait and build on new love, and their ideal partner will offer them security coupled with loyalty.

As soon as they've committed, expect them to always be honest and to never want to leave. Their values are strong, so it can be difficult for others to understand their principles or to want to stay around them for a lifetime.

Sensuality characterizes these people, so they'll enjoy everything that appeals to their senses. The more open and sincere a person is, the more they will like him or her.

It can be said Venus in 2nd House people are of two types: the ones driven by the materialistic side of things and the ones who are only looking for value. Some may be neither of these two types, other can fall into both categories, but most of them are only one of these two things.

There are many features they have in common, among which attachment should definitely be mentioned. Also, their desire to own and to have as many valuable possessions as possible will be present in all of them. This is because Taurus belongs to the second House, and Taurus is a sign that obsesses over owning things.

Venus in 2nd House individuals truly appreciate beauty and want to be in the most pleasant environments. That's why they will work hard to have a comfortable life and to

afford all kind of expensive things.

Because Venus is the planet of love, they will also be possessive with their partner, so many of their breakups will be caused by this attitude.

Their idea of love is associated with complete devotion and loyalty, and there's no other way around with them when it comes to this. They value their romantic relationships very much, but as Air signs, they may not have this feeling that much.

Those who have their Sun in a Fire sign may be insistent on one side and tolerant on the other, while the Earth and Water signs are truly feeling this influence and can't in any way escape it. The Earth ones are also more interested in everything materialistic.

### **Love is all about being next to their partner**

As said before, natives with Venus in the 2nd House are of two types. Some of them are driven by the materials, others appreciate only value. They may be none of these things or they can be both, but you can be sure they'll be extreme about it, no matter which one they're featuring.

Don't think they don't have anything in common, because they do. For example, they all need security and get strongly attached, no matter if it's on people or things.

Taurus rules the second House, being a sign that wants to always possess and to enjoy beauty or pleasure in all its forms. That's why people with Venus in the 2nd House will always make their surroundings beautiful and struggle to be as comfortable as possible.

Because they can get very jealous and terrified their partner may cheat on them, they need to somehow learn how to deal with this or their lovers may break up with them more often than others go to the gym.

Love is all about being next to their partner and paying no attention to other people. That's why they want someone who doesn't mind belonging to them and who understands they find this feeling very important.

When they feel secure themselves, it becomes their pleasure to make others enjoy stability. Falling in love can make them overprotective and caring, the providers who always make their loved ones' wishes come true.

The more materialistic natives with Venus in the 2nd House are also very realistic and can work until they're exhausted. When knowing they have something to gain, it's impossible for them to think of morals anymore.

This can be harsh, but their drive to make as much as possible can be really destructive, no matter how much they're struggling to create a better life for themselves and their

partner.

It's possible for them to fall in love for the money or the social position a marriage can bring them. Because they want financial security more than anything, their partner will be rich and very generous. The ones who appreciate only value have a lot of honor and strong principles which they live their life by and impose on others.

They'll immediately judge those who don't live up to their expectations, seeing themselves in a very positive light.

It's suggested all natives having Venus in the second House become more open minded and no longer hold on too tightly to their old ideas.

It's wrong to judge others who don't have the same morals as them because disregarding and thinking bad of people can be very unhealthy.

Moreover, they should try to no longer give themselves completely when in love or to feel strongly attached to a person. Life sometimes needs change and for people to let go, regardless of the fact that the planet of love is ruling over their life.

Those who focus only on money should pay attention to what makes them tick, while the ones who are always adoring and giving themselves away should be more realistic.

After they have fallen for a person, Venus in 2nd House people become the best caretakers who want to give their other half everything he or she needs. Their family values can't be broken, so their spouses and children will always be cherished and spoiled.

Easy for them to become workaholics, they should be less ruthless in their efforts to make their life and loved ones' existence perfect.

It's normal for them to fall in love for the money, but they can't be called vain or gold diggers, because they also work hard to bring in their share and to have their own financial success.

### **Venus ♀ - Detriment in Scorpio (& Aries)**

[871] southfloridaastrologer.com:) A restricted expression of sensuality and beauty is experienced when Venus is in Aries or Scorpio. Aries and Scorpio's need to exert their will and gain power are opposite Venus' need to be polite, sensual and enjoy beauty.

**Mars ♂ in ♎ Libra man 4° 29'**

([969] i.thehoroscope.co)

He has quite some eccentric tastes and loves to surprise others with his choices, revelling even in the criticism he attracts.

The Mars in Libra man is someone who impresses everyone he meets. With what, you're asking? That's just the thing, not even he knows that. His entire person is attractive, charming, interesting, and a lot of women swarm in on him as a result.

He just walks by you, and you find yourself filled with the desire to talk to him, to be near him. It's quite a magnetic aura, nothing else. Of course, his attitude and personality match his elusive charm flawlessly.

This man is also a perfectionist with exceedingly high standards and expectations. If people around fail to meet even one of his conditions, he's quickly out.

**In a nutshell:**

Positives: Knowledgeable and caring;

Negatives: Possessive and impetuous;

Soulmate: Someone who can keep his attention for long;

Life lesson: To fight more to preserve his principles.

**A talented individual**

This man is cool, chic, and he likes to stay in touch with the new fashion. He is actually very interested in fashion, in how he dresses, and how he keeps on top of the game.

If you're asking yourself who actually wears the weird costumes that a lot of fashion designers think of, you have your answer.

The man born with Mars in Libra will, and he will be quite proud of his unorthodox tastes. He gets his confidence from looking good, from the admiration and gasps that most people nurture when passing by.

Moreover, he's very adept at talking to people and getting what he wants. Either through persuasion, manipulation or just a wink, he manages to coerce anyone into doing his will.

He might just make it on the front pages of the Times for a new technique in a musical orchestra or a fresh method of applying paint on canvas. The thing is, he can be extremely imaginative and creative.

Considering that he is greatly endowed, artistically speaking, as well as having a tendency to harmonize his ideas, it's not a surprise that he has a splendid future.

He can also take on the mantle of a professional writer, with the pen being his sole weapon, the creator of worlds and lives.

Public speaking is also good for him. Even weirder is the fact that he despises competition and conflict. Why can't everyone just get along and do their thing in perfect harmony?

If need be, he will try to outwit his adversary with cunning words or an ingenious strategy, but direct confrontation is out of the questions.

The Mars in Libra man wants to instill the sense of justice in the people's mind, for everything to be fair and square, no trickeries or injustices allowed.

He struggles hard for this goal, and he uses every bit of knowledge and method at his disposal to make his peers see the right path ahead.

He can easily substitute himself for someone else and see the world from another perspective. This is why he deeply understands the problem of injustice so well.

A higher cause is all they need to get to work. The emissary of peace and prosperity, equality and mutual understanding, this is what the Mars in Libra man is.

This astrological combination is quite ambiguous and hard to understand, and one could wonder how in the hell can this man lead a good life.

The problem is that Mars, being the planet of war, combat, and fiery energy, will drive him to take on the sword and shield, get out into the world and make a name of himself.

His upbringing taught him that patience and meticulousness are capital, that he should first take a good look at the situation, plan ahead, and only then descend on the battlefield.

He gets his way most of the time, but Mars in Libra constantly nudges him forward, toward aggressiveness, impetuosity, bravery. Also, he's a ladies man, always flirting with a lot of women.

### **Full of compassion**

The Mars in Libra man feels the need to show his appreciation to others, and no one can object. After all, who doesn't like to be praised? Now, to get to the surprise, find out now that this man can also be very affectionate and loving to his partner.

Guess why? Well, because his natural astrological planet is Venus, the planet we all know is connected to the power of love, belonging and harmony.

He'll be a very devoted and compassionate lover, willing to do anything to make the other happy. He might exaggerate and try to force his partner to see him as romantic and attractive by making use of his verbal manipulative skills.

He is polite and he knows how to take care of his woman, to fulfill her every desire, to make her feel protected, safe, happy, and most of all, satisfied with her lifestyle.

She'll take her from work, cook her dinner, serve her a morning breakfast, and generally wear a bright smile whenever she's around.

He's very intelligent and curious, so it would be incredibly satisfying to see his partner come up with an interesting subject, one that many others have debated.

He likes to brag about his culture and accumulated knowledge a lot because he wants his partner to know what kind of man he's with. He does tend to let her take the initiative and decide whatever they're going to do, and this is a big downside.

It becomes difficult and uncertain to pinpoint his romantic potential because he cares about social acceptance quite a lot.

He wants his woman to be attractive, to know her way around social events, to be communicative, extroverted, and diplomatic, friendly and outgoing.

He is willing to let go of all other traits, positive characteristics, and even flaws if his woman will deliver him a good social standing. She should be dominative, reliable, confident, and bold. The Mars in Libra man prefers to be the sensitive and passionate one.

### **In conclusion**

He's basically a people-pleaser who does everything with the express thought of satisfying the social expectation and staying in line with the societal regulations.

If people appreciate and praise his efforts, he's fulfilled and doesn't need anything else. If the world doesn't agree with any of his endeavors or interests, then he might as well give it up.

He's very creative and intuitive, often coming up with great ideas, each more innovative and interesting than the last.

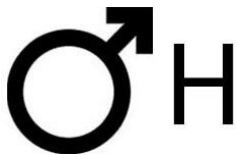

One of the few instances when he's willing to go against his better thought and confront

the world is when he sees an injustice committed.

That's when all his instincts start crawling back out, and his perfectionism takes the reins. As long as his partner is affectionate, attentive, and devoted, he will sacrifice everything to make her happy, to bring a smile to her lips each and every day.

If his partner is disinterested and cold, he'll follow the code of equality and detach himself emotionally as well.

Many will find them tiring and too controlling, but if they work alone, others won't get to be bothered by them anymore. However, if in a team, they need to learn how to stay in the back and allow their colleagues to have opinions too.

Being too rushed and not listening will put them in the dark because they won't know how to approach people or what their loved ones feel about certain things.

They should avoid being seen as bullies as this can't bring any good into their life.

### **Mars in the 1st House in a nutshell**

These natives are powerful creatures who wish to make an impact. They often act without thinking and are the charming, active and self-confident type.

Many will love to be provoked by them because they can really make things more exciting. Spontaneous and eager to start new projects, they're passionate and don't usually follow through what they have started.

Domineering, free-spirited and stubborn, these natives are able to immediately recuperate after disease or hard times.

From an astronomical point of view, the 1st House is the 12th region of the sky in the East, the host of planets before the Sun comes up. When it comes to astrology, this is all about the childhood, the self and what a person needs to evolve.

It deals with the mask people are wearing for the public and the way they project themselves in the society. It has influences over the self-image, physicality and the appearance of a person.

The way individuals see the world is clearly represented through the elements in this House, together with the first impressions others make of them.

### **Mars ♂ - Detriment in Libra (& Taurus)**

([871] southfloridaastrologer.com:) A restricted expression of power and will is found when Mars is in Libra or Taurus. Libra and Taurus' need to be polite, sensual and enjoy beauty is opposite Mars' need for power and to express its will.

### **Jupiter ♃ in ♑ Capricorn man 24° 44'**

# 4

([1002] i.thehoroscope.co)

If you have Jupiter in Capricorn your style very much depends on who you interact with.

Those born with Jupiter in Capricorn in their natal chart are happy only when they achieve something greater than what they have set their minds to.

It won't matter what others will say, these natives will always strive to climb the social ladder but they need to be organized and at the same time creative if they want to succeed.

They have to have people like themselves around because they tend to stick to their own ideas when they are working in a group.

Jupiter's position in Capricorn is the most challenging one because this planet is in fall in this sign, so its enthusiasm is completely cut-off.

Jupiter Capricorns will over-think and hesitate to take decisions too quickly. They will only learn by doing and failing. Having a few mentors to teach them how to develop on a long-term basis would be of great help.

**In a nutshell:**

Style: Conservative and driven;

Top qualities: Serious, reliable and practical;

Weaknesses: Criticizing and prone to burn out;

Advice: Try to stress less about your reaction to emotional matters.

**The impact on personality**

Those who plan and stick to their plans will always be successful and Jupiter Capricorns know persistence, their goals and methods being very clear to them.

They don't have too much drama in their life because their development is steady and gradual. Jupiter's philosophical and moralistic ways will make Capricorns even more conservative.

They will not have many hopes and dreams, but they will have plans and projects for which they won't hesitate to use only traditional methods. Their ethics and focus on the professional life can make them seem selfish.

They will tend to treat anyone and anything like a business. Respect for others and themselves will be of great help when they'll need to get ahead without stepping on their own values.

These natives have high ideals but restrict themselves to a rigid belief system. They are willing to work hard to become more knowledgeable and to put their ideas into practice.

The more educated they will be, the better they will feel about themselves. Academic recognition always builds someone's status and self-respect. If they want to be really successful, Jupiter Capricorns need to stop being such big traditionalists.

Stepping out of the box after mastering the already known methods should be their approach to life. When they are doing business, they are optimistic and invest even if the venture is risky.

And on the other hand, they are often too conservative. Finding the balance between

being limited and going above and beyond is their secret success story.

Jupiter Capricorns want security, and this is one of the reasons why they inspire themselves from great leaders and tend to become autocratic when in power. But they should allow others to take charge from time to time because each contribution of wisdom and perspective is valuable.

The more mature and ethical they will be, the more luck they'll attract. When they approach things in a disciplined and organized manner, they are the most successful.

These natives are among the most practical people in the zodiac. But they need purposes in life. They can be optimistic when they want to or when they are encouraged by others.

Understanding how things work makes them more open. Their principles have been tested and verified many times. When it comes to their beliefs, they only put their faith in hard work and knowledge.

That's why they can resist for a long time doing what they love and trying to achieve their high standards. Finances, architecture, politics or medicine, these are all lines of work in which Jupiter Capricorns would do great.

Society will benefit a lot from their achievements. The fact that they are conservative will help from time to time. But they also need balance because they have a tendency to become workaholics.

Driven by power, dignity and social status, their determination will help them be successful CEOs, politicians or managers. And this will also bring them financial security. Too much money usually turns people corrupt, so they need to be careful.

Every personal philosophy they have will be used on their road towards success. Being more generous will help a lot with their development.

### **Don't judge a book by its cover**

Jupiter Capricorns can fool anyone into thinking they are too serious. On the other hand, everyone will want to know them better because they have a facial expression that inspires curiosity.

Others may not realize, but under their reserved mask, these guys are funny and enjoyable but for them to unravel this, someone needs to know them better first.

Their sense of humor is dark and fast paced and they won't mind cracking a joke when everyone is feeling down and needs this type of entertainment.

Not to mention they will always be the ones who say what others are only thinking. Jupiter will help them take advantage of any situation.

Those who judge books by their covers will think of Jupiter Capricorns that they are nasty and mean. But people who will take their time to meet them will see how their dry humor can put a smile on anyone's face.

All in all, these guys will make a good first impression. Conservative and ethical, they can think outside the box and come up with good ideas from time to time.

Just like Jupiter Virgos, they are organized and hard-working. When it comes to money, they will always know how to make them. While working for themselves, they will create opportunities for others as well.

It sometimes feels like Jupiter Capricorns take all the knowledge and wisdom of Sagittarius, the neighboring sign and use it in a more efficient way.

Jupiter helps these natives deal with the physical realm in a more interesting way. With this planet's help, they will have more patience, confidence and endurance in their creative processes.

They will be focused to make their dreams come true slowly and gradually. Jupiter will only inspire them to keep their structures intact and to make communities more self-reliant.

They will always use their past experiences to build for the future. Their visions will be made a reality because they are determined.

Jupiter Capricorns focus to complete what they have in mind step by step. They will want to reap the rewards after sustained effort, Jupiter making this experience sweeter. These people will always succeed in completing their projects.

### **The Jupiter in Capricorn man**

The man with Jupiter in Capricorn is very cautious, but not all of the time. Modest and not at all high maintenance, he can be influenced by Jupiter to want a lot of money and power.

And all these things can impede someone from thinking clearly. But this type of attitude will also create all kind of enjoyable and funny moments for him to remember all of his life.

When it comes to love, this guy is cautious. He takes his time to discover a person, just like he does with everything else in life. He couldn't be himself if he wouldn't calculate all the advantages and disadvantages of a situation.

They would hate to get someone hurt and really don't like change. That's why it's essential for them to learn things don't always happen their way and that life is sometimes surprising.

They'll most likely have success with anything and it's possible for them to benefit from a good social position or to inherit consistent wealth from their parents.

### ***Jupiter ♃ - Fall in Capricorn***

([871] southfloridaastrologer.com:) An awkward expression of boundless, universal experience and thinking is found when Jupiter is in Capricorn. It feels awkward and inappropriate to satisfy Jupiter's need for boundless, universal experience and thinking through Capricorn, whose need is for structure and boundaries.

## **Saturn ♄ in ♐ Sagittarius man 18° 55'**

([1025] i.thehoroscope.co)

The position of Saturn in your natal chart reveals how you deal with rules, responsibilities and limitations.

Those born with Saturn in Sagittarius in their natal chart go through an interesting transformation in their life and once they find their best self, they become truly humanitarian with brilliant plans for the future, a future where all humans live happily under the strict supervision of imposed rules and regulations.

But these laws are equitable, balanced, and no one receives any preferential treatment. This is because these natives are principled, just, and have a very knowledgeable nature. On top of all this, they refuse to bend themselves to irrationality or to initiate any sort of project that has no reasonable chance to succeed.

Whatever doesn't ascribe to their scientific mindset, what can't be proven to exist in this material plane has no bearing on their decisions, but they still can sometimes exaggerate in many regards.

### **In a nutshell:**

Style: Truthful and exploring;

Top qualities: Direct, knowledgeable and justitiary;

Challenges: Tactless and prone to anger outbursts;

Advice: Remember that mind beats intuition when it comes to risk.

### **Personality traits**

To begin with, there is one main aspect of this native that makes Saturn's influence that much effective. This individual is a natural pragmatist who plans for every small detail in advance.

They may not be the most imaginative of natives, but whatever they think of, they can probably materialize it, even ideas that could be cataloged as purely idealistic.

Thus, Saturn is the catalyst that empowers their steady-minded abilities, acting as a form of focusing crystal, a lens that maximizes their potential tenfold.

Their main interests are humanistic in general, ranging from theology to philosophy and psychology. Moreover, through all this continuous study, they have long since formed a set of rigorous principles that they can no longer abandon.

They believe that man ennoble oneself through constant learning, through effort put towards the achievement of a goal, the most exquisite of them all, gaining knowledge.

Unfortunately, they aren't very open-minded in some respects, where existential questions are concerned because they are firm with their stance and aren't very liable to change their opinions unless proper proof is presented.

Also on this line, they tend to overlook the beauty of the world, the simplistic pleasures, emotional ones mainly, that nature offers each day.

Because they are filled with rational thoughts and only ever look on the outside with a reasonable and logical perspective, it comes as quite difficult for them to appreciate the little things.

They are naturally more suspicious of other ideas and of different opinions, which they don't trust until a later point. Even with people, they aren't going to open up until they've fully determined that they are trustworthy people.

Socially, they are desirous, but unfortunately, they also lack empathy, that intuition of reading emotions, situations, the know-how necessary to get the hang of social interactions. Saturn's rules are sweetened a bit, getting looser and looser with the Sagittarian's naturally joyous personality.

### **Behavior in love**

This astrological make-up makes this native crave for novelty, for trying out new things, and for experiencing new avenues of pleasure. However, this contradicts their conservatism, their firm resolve, and rigid principles.

The rationality inside of them yells danger whenever something untested and unproved presents itself as being important. This can ruin a lot of moments with their partner, in fact.

You aren't afraid at all to say exactly what you're thinking because that would defy the expectations one would have about serious relationships.

If you can't even be honest with your partner, what's the use of having one? Most probably, the other person will be someone with the exact same type of character and won't get offended easily.

At the same time, the Saturnian Sagittarius is intrigued when their partner is a source of constant mystery, an unexplored land worth discovering.

This makes it clear why most natives with this transit in their chart fall in love with foreigners, or people with radically different perspectives overall.

### **The good and the bad**

They are intellectuals above all else, using their rational mindset to analyze every little detail of all the things they come across, and extracting all the knowledge hidden within.

This curiosity and thorough attitude makes them so efficient and productive, as well as keeps them well above others in terms of personal prowess.

Of course, all this intellectual sprinting requires a good environment to be fostered in, and in their case, it must be organized, with a known structure and everything in perfect order.

Sure, once they settle in this kind of environment, it's hard to leave it again, so their partner will usually have to take this upon them.

The Saturnian Sagittarius are, most importantly, the adventurers of the zodiac, ever looking for the next opportunity to satisfy their inner cravings, the urge to feel the adrenaline coursing through their veins.

Seeking this refuge from the tediousness of the world, they will shatter every single obstacle in their path, break apart the shackles of societal regulations, and follow their singular goal until they succeed in attaining it.

Even if they come across difficult situations that seem to go beyond their abilities, they can clearly adapt, evolve and overcome them.

Moreover, even this mentality to begin with, that they are good enough to survive anything will change with time, transforming into precaution, patience, predictive instincts.

The way these natives do their research is simple. They tend to push anything aside and focus solely on that one topic until it's taken care of.

They exhaust all the information at their disposal, reading it again and again, analyzing it fully, in the meantime giving off the vibes of a robot, cold and calculated who only does what it's been ordered to.

### **The Saturn in Sagittarius man**

Being very gentle and reliable individuals who do well in straining situations, and are

very resistant to stress, these men would make for one hell of a husband material.

Moreover, they can be extremely loving and affectionate to those they deem worthy. They are household people, meaning that they could very well settle at home and take care of the house because they want you to take some time for yourself, to enjoy a little solo time.

And, again, with their self-imposed rules and principles, these natives have a very defined plan for the future, one they will pursue relentlessly, and they want you to be a part of it.

### ***Saturn ♄ in III 3rd House***

([1031] i.thehoroscope.co)

This placement of Saturn makes people have highly analytical and precise minds, love to dwell in many different interests and often impress others.

People born with Saturn in the third house in their birth chart are precise, resilient and capable of seeing things in depth. They can organize very efficiently and deal with life in the most traditional and conservative way.

It's possible they'll have an inclination towards mathematics and logic, their mind being very capable of developing great strategies when put in such a situation.

These people don't like to waste too much time with a project and prefer to be alone because they sometimes feel like people can only bring them trouble. This is because they may encounter problems with communication and can't find the way to express themselves clearly all the time.

#### **Summary:**

Strengths: Knowledgeable, dependable and kind;

Challenges: Insecure, shy and distant;

Advice: They should be braver about their opinions.

#### **A dislike for superficiality**

The main purpose of the 3rd house sits in the subconscious functioning of the natives'

mind, when these are dealing with their most comfortable surroundings.

This house refers to the purest way people behave and communicate or how they function when interacting, so with that in mind, it's obvious that it doesn't deal with the unconscious.

It seems the small things people say and do unconsciously are the ones that present who they actually are!

Saturn in 3rd house natives may seem shy and distant. Some can be turned off by them, so they should listen and actually use what they have learned.

This way, they won't need to do a lot of talking, still their loved ones will adore them for listening.

Saturn in 3rd house individuals have some serious difficulties when communicating.

These natives believe their opinions will get seriously criticized, therefore, they're insecure and wouldn't even think of trying to talk about their feelings or thoughts.

Because of this, they're unwilling to communicate and are scared of making a mistake. It's normal for them to be shy and always concerned with others' opinion of them.

Talking is frequently a challenge for them and they could have dealt with some kind of speech impairment when young.

Saturn in 3rd house people aren't necessarily spontaneous as far as learning goes, small-talk and day-to-day discussions about the latest news.

They simply don't have a lot of interest in simple subjects and are all the time serious because they dislike superficiality in all its forms.

They may be very good when it comes to research, but are often scared or not at all bold enough to deal with the new and the methods that haven't been tested.

With Saturn here, things generally refer to a highly analytical and precise mind, which can be the effect of many principles taught to them during their first years of school.

From a young age, some of them have been educated to respect every rule, so they may seem insecure when dealing with the unknown as they take their time to act and are cautious.

Many of them have only studied and thought of nothing else, while others were denied to attend a college with strict regulations, where they'd have felt really good.

As children, they probably felt unappreciated for their way of thinking and even called dumb. If disregarded and told their opinions don't matter, it's possible they may have learned to remain silent and to open only when thinking they have something very interesting to say.

The psychological buildup of people usually depends upon what's known, tested and appreciated.

Saturn in 3rd house individuals deal with cognitive activities by insisting and striving for perfection, security for them being attained only when the truth is understood and every little detail has been studied.

If not, any form of advice coming from others can intimidate them. The slow movement of Saturn supplies many problems in matters relating to home and family members.

Natives having Saturn in 3rd house typically start speaking at an older age than other children, could have a somewhat sluggish and fearful speech or can be exaggeratedly timid to talk about their own ideas.

They may take a while to process all the information coming towards them, and while their intelligence isn't lower when compared to others', Saturn often makes them seem less smart.

Even if they may possess a high intellect, their surroundings would make them feel too scared to talk, which they accept as a reality until seeing what their speech can do.

It doesn't matter if men or women, they could be late bloomers who use only their own pace. Saturn makes these natives extremely stable when it comes to the knowledge they've obtained throughout the years.

What they have heard is strongly fixated in their mind and generates new ideas, which can produce an even more developed mind in the long run, a greater understanding than the one of somebody who absorbs data fast, yet in a chaotic manner.

### **The goods and the bads**

Saturn is the bully of all planets, making people with it in the 3rd house seem distant or too shy. Situations in which communication is needed can make them feel uneasy, but since they don't necessarily say too many things, they have this great way of listening.

And it's not that they want to be this way, they just are! Don't even think they will ever speak in public, yet Saturn in the 3rd house makes them silent and ready to develop great observational skills that eventually lead them to success.

They prefer to work in the shadows, sometimes as journalists or scientists and are disciplined or very well coordinated, finding those who happen talkative and unorganized very bothersome.

They have probably been discouraged to talk when young, possibly because their parents considered some things should never be discussed.

Saturn in the 3rd house can even briefly disrupt them in school as well, however, they will surely devote a lot of their time and efforts to the aspects of life related to education.

They may need to study twice as harder, but at least they have their own strategies when it comes to working towards reaching their objectives.

It's possible they'll want to achieve great successes in research, but for this to happen, fighting their own anxieties would become very important.

It's good that Saturn provides patience and endurance, so these would be two of their advantage when it comes to accomplishing any type of task.

Their communication is lacking a lot of heart and soul, therefore, they won't call or text a person until initially determining what they want to say.

This can be terrific for some professions, especially those that require the employees to be as discreet as possible.

Natives with Saturn in the 3rd house are fantastic at managing confidential information and working for newspapers, or for tasks where they don't need to interact that much with their colleagues and superiors.

They're also cautious and manage to obtain results faster than others because they're always minding their own business.

It's suggested they spend some more time examining other individuals and their desires because this can help them determine what they want too and they surely are capable of good relationships.

They should use their instincts and have significant talks with both their family and friends.

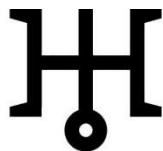

Relaxing and letting their few communication abilities unfold will put them in the ideal direction, so they'll eventually learn how to talk more openly, which can be their life's challenge.

### ***Saturn ħ in Rx retrograde movement***

[699] [920] ([699] mollysastrology.com:) These people may doubt their worthiness as human beings. May avoid taking responsibility for their mistakes and be fearful of taking chances. There is often subconscious fear of rejection and loss. Their limitations and burdens are self-imposed. This may be the most difficult retrograde.

([920] cafeastrology.com:) There can be more than usual experiences of guilt and self-doubt when Saturn is retrograde in the birth chart. Fears are internalized and they might put on a brave front so that others don't see them as vulnerable. There can also be a strong fear of letting others down or of not filling their responsibilities – essentially of making poor choices. Sometimes the childhood was not very disciplined or orderly. In some ways, having Saturn retrograde in the chart tends to function much like a strong Uranus, where the native is uncomfortable with an overly orderly or disciplined life. People born with Saturn retrograde might feel especially anxious or nervous when they are in situations that call for protocol, etiquette, or specific sets of standards and rules.

## ***Uranus ♅ in ♍ Virgo man 19° 16'***

([1046] i.thehoroscope.co)

The position of Uranus in your natal chart reveals how forward-looking you are, on one hand, and on the other, how rebellious you are.

Those born with Uranus in Virgo in their natal chart keep coming up with new ideas, always think of multiple ways to approach a situation, and often end up with the most inventive and surprising of methods.

They can improvise so well because they are resourceful, creative, interested in gaining more knowledge, analytic, and they are born to change the world as we know it.

Science attracts them the most because it has the greatest potential to bring about a new era for mankind and they most certainly want to be part of this.

### **In a nutshell:**

Style: Sensual and sympathetic;  
Top qualities: Observant, reliable and modest;  
Challenges: Fussy and easily offended;  
Advice: Physical exercise is really good for you.

### **Personality traits**

These natives are very meticulous and analytic individuals. They will spot the

inconsequential details right from the start, and they will focus on the most important aspects of a given situation.

This makes them more efficient, productive, and it reduces the risks involved. What's even more admirable is that they aren't going to brag about their success, and won't act in self-righteous ways to promote their ideas. A simple gesture of appreciation will suffice to validate their efforts.

Thanks to their deeply critical mindset, these natives will often find many diverse methods to approach a problem, all stemming from all the analyses they've done on the subject.

With this much research, as well as the intellectual flexibility, these natives won't wait long before trying to create entirely new avenues of scientific study.

They are very creative and inventive workers who use their own experience and intuition to ease work and convert any tension into production power.

Naturally, the Virgo is one of the Earth signs, and this means that they're not likely to accept change in their midst.

Changing their routines would take from the comfort of leading a life filled with a sense of the familiar. Social conformism would come easily to them, if not for Uranus' influence which brings them the raw energy of a star coursing through their veins.

Now, staying in-doors and feeling fulfilled with a boring lifestyle would be a death sentence. They become innovative, flexible, adaptative, the type who wants to change as many things as possible, just to see what happens.

They could let others come in to help, if only with just some advice because this native doesn't trust people that much.

Even though the Uranus Virgoans don't wish for their efforts to be put into the spotlight, they wouldn't reject the opportunity to work in PR, for example, or in high positions where they have to take on the role of a leader.

In fact, these positions would ensure that their abilities are perfectly used to get the best results. The new intrigues them, and this includes technology, innovative additions brought to the fields of medicine, environmental health, tech stuff that puts most people at odds with their intelligence.

They are respected by everyone because of their amazing self-control and professional attitude.

The Uranus Virgo natives have split apart between their love for the new technology rising fast, for the prospect of experimenting with the upcoming digital age, and the spiritual connection with nature, with what comes before anything man-made.

They will revere and respect Mother Nature and its manifestations, even going so far as to organize marches for the protection of trees, of near-extinct species of animals.

They'll likely choose to alternate their lifestyle, going full vegan, and paying close attention to their relationship with the environment.

### **A non-conformist lover**

In love, the Uranus Virgos won't accommodate their beliefs to age-old traditions, and won't subdue their freedom of thinking just to have a "normal" relationship.

The non-conformism manifests in the unusual type of bond that one has with their partner. These people will have their own way of going about doing things, their decisions are their own, and they won't expect their partner to agree with them unconditionally.

Each individual has their own perspective on things, and both of them will have fought on through life with a certain type of principles that differentiate them from everyone else.

It couldn't be better because the Uranus Virgo capitalizes on this boldness and working power to take the relationship to the next level.

### **The good and the bad**

The Uranus Virgo natives are very responsible individuals who never let themselves get distracted by anything, no matter how passionate they might be about that subject.

Responsibilities and day-to-day tasks are essential for a stable lifestyle, and it's also the fact that having something to do keeps them on their toes, always ready if something unexpected happens.

With this much raw energy burning down inside them, ready to be unleashed at the slightest sign of danger, these are itchy to release it and often find the opportunity to do it in creative endeavors or put it toward their observation skills.

Their greatest flaw is the obsessive need to be in control of everything and everyone. When they feel like something's bound to slip from their grasp, these natives lose focus, start getting anxious, annoyed, and end up doing stupid things.

This is how it works when they're planning something and they expect the validation of others. Because they can't control what other people feel and think, they want to be sure

that everything's in order.

Of course, it's not that they actually pay attention or take into consideration exterior advice, but that validation and appreciation are paramount to their potential.

### **The Uranus in Virgo man**

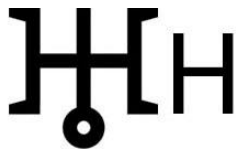

The Uranus in Virgo transit influences this native in a peculiar way, making him become really efficient at deconstructing a certain problem into its barest parts, in order to find out exactly what the best solution is.

But it also made him uncertain of his own ideas, with an urge to seek outside validation.

Although there is a lot of untapped potential deep within him, with the raw energies spilling forth into everything he does, this one aspect puts everything to shame.

Also, this man never settles with the simple explanation, with what appears to be insufficiently complex, and wants to conduct research on his own.

## ***Uranus ♅ in XII 12th House***

([1064] i.thehoroscope.co)

This placement of Uranus makes people prefer working in the shadows and doing great things while not even searching for recognition.

People born with Uranus in the twelfth house in their birth chart have a need to be of help and may give a hand to others in the most unusual ways because that's the way they are: unusual.

It's like their purpose in life is to contribute and they're never expecting any recognition or reward when supporting others. It's very likely for them to be artists because their mind is very creative and they love to be in the company of people who are tasteful.

They want to see beyond reality and to cross the boundaries between this world and the one that can't be seen with the naked eye. Individuals having Uranus in 12th house are very eager to express themselves freely by studying, being involved in all kind of affairs and dealing with the unknown.

### **Summary:**

Strengths: Ingenious, elegant and unconventional;

Challenges: Distracted, cautious and superficial;

Advice: They should try to look at their work with joy not resentment.

### **A sociable companion**

The planet Uranus is of great help when it comes to what the unconscious is used with. It stirs up things and brings all kind of coincidences into people's life.

Natives having Uranus in the 12th house can have their strange ways when helping others and may want to remain anonymous when being generous.

Many things will happen in their life, and they will get to change some of their habits or objects of affection due to these events.

For example, when some of their secrets will become known to everyone, they will find it necessary to change their ways so that nobody else knows what they're doing anymore.

In such situations, they may need to give up some of the things in their life, which can be a more or less easy task. But only this would help them detach from their past.

The connections they're having with society ask of them to sometimes be less coherent. While Uranus in 11th house makes it possible for natives to interact more efficiently with the collective, the same planet in the 12th house relates more to the unconscious of the collective and the way an individual is in synergy with it.

In this last-mentioned situation, the unconscious of individuals having Uranus in 12th house gets its streams of spiritual knowledge from the Universe in a very subtle way.

Uranus in 12th house people happen to have psychic abilities that can help them a lot during their lifetime. Because this house is the one of dreams and imagination, they may get a lot of insight about their life while sleeping.

It's like their best ideas and even the most ingenious inventions are somehow revealed to them in their dreams. Things will come to them suddenly and they'll be very inspired in what they may be doing for living because they always have the answers to problems in their head.

It's also possible for these natives to see in the future, but only if they focus enough. Many of them will mask their knowledge of deeper meanings in the unconscious of the collective.

It's suggested they pursue a career in psychology and even the occult because they can understand things that others aren't even capable to see.

Positions of other planets in their chart wouldn't matter that much because Uranus in the 12th house always has them efficient at dealing with matters that aren't of this world, so they would more or less have control over their chart.

When it comes to everyday realities, natives having Uranus in the 12th house can struggle with the simplest tasks.

They may suffer from insomnia and sleep when others are at work and the other way around. Having a rich imagination, they're very capable of lucid dreaming, but some negative aspects with the planets in their chart bring them nightmares.

### **Blessings**

Uranus in 12th house individuals may work in the shadows and do great things while not even searching for recognition. They don't seem to have enough confidence to do something too out of the ordinary, so Uranus makes them feel guilty for being too shy to express what's in their mind or for not just doing what they want in life.

It's good they're cautious because this way, they're also more realistic. If they'd get lost in Uranus and its fantasy world, they would never be able to come back to Earth.

Uranus in 12th house individuals want to make the world a better place and are very interested in expressing themselves freely.

However, the 12th house that rules over self-undoing makes them suppress themselves more than often.

Instead of being open, Uranus would push them to observe others and to ask impossible things. It's true this planet influences people to be happy with change and to only think of the future, but when placed in the 12th house, all this becomes suppressed.

Individuals having Uranus in 12th house are attracted to people who think the same as them and who are creative enough to be happy about their own freedom.

They could be the geniuses of the society, but they don't reveal their qualities because they think it's safer for them this way. Everything that's strange and mysterious attracts them, so it's possible they'll study areas that deal with the paranormal.

Since they enjoy the unconventional, there may be many things in their life they prefer to keep secret. When young, they probably have been careless and very free, but as mature adults, they're very interested to have a good reputation and to live their life more conventionally.

Very analytical when it comes to what's hidden, they may also act rebellious and end up in prison or institutionalized. It's normal for them to think others are their enemies and

practicing all kind of witchcraft against them.

If institutionalized, they'll either be the ones who bring joy or those make things worse. What's good about having Uranus in the 12th house is that natives with this placement don't feel in any way confined in the real world.

Many people are afraid of big dreams, but these ones simply don't allow any restrictions to be in their way and usually make any dream they may have come true. This is why they're good at everything and have a prolific career.

When in the company of creative individuals, they start to become better and better individuals. It's important for them to not be afraid of any obstacles in their way as innovation doesn't happen when the inventors or creators are scared of the unknown.

### **Challenges**

It's essential for people having Uranus in the 12th house to no longer feel stressed and to retreat from time to time, in order to gather their forces.

That's why they should spend some time alone and focus on their feelings and what keeps bringing them down.

It can be very exhausting for them to always be in the shadows and to pull all the strings alone, without anyone to help them.

While they're struggling to make the world a better place, they're putting a lot of pressure on themselves to make the utopia in their mind a reality.

In case Uranus is in challenging positions in their chart, they may feel like they can't deal with others because their karma seems to be related with the collective, not with each and every individual.

They can as well have many problems with the way they feel about the collective. On one hand, they can think they're belonging, on the other, they can victimize themselves and imagine the collective has "got" them.

This is a contradiction that exists in their mind all the time so it can be difficult to be them. It's important for Uranus in 12th house natives to seek help from counselors and spiritual guides because otherwise, they can easily end up despairing.

It wouldn't matter how tense or uncomfortable the planet Uranus in the 12th house is, the natives with this placement will always want to be alone when reading, painting, writing or meditating.

The more they'll spend time in solitude and doing these things, the more profound they'll

get to feel or their soul to have its peace.

It's normal for them to think of plans that aren't realistic, but this doesn't mean they should give up on their dreams.

Imagining things in a different way would be a solution for them as Uranus would help them with making changes, offering them enough energy to explore new territories.

## **Neptune ♃ in ♌ Leo man 1° 34'**

([1069] i.thehoroscope.co)

The position of Neptune in your natal chart reveals how intuitive and dreamy you are and whether your life takes any spiritual turn.

Those born with Neptune in Leo in their natal chart exude a kingly aura of respect and awe wherever they go, and through their boundless imagination, they manage to enthrall and captivate the attention of everyone who meets them.

They are very profound individuals who give off passionate vibes, and their personality is like an abyss, where you can get lost if you peer into it for too long. Mysterious and intriguing, these natives believe in their principles and have enduring relationships with people who deserve their attention.

### **In a nutshell:**

Style: Visionary and principled;

Top qualities: Idealism, drive and generosity;

Challenges: Arrogance and entitlement;

Advice: There is no need to play the victim in love matters.

### **Personality traits**

The expression of the artistic sense makes up most of the Neptunian Leo's expectations for the future, as well as their innermost desires. Emotions have much more potential and can be used to incite awe in the eyes and hearts of an auditorium, in theatrical events, music concerts, painting galleries, and much more.

This native believes that they can achieve a superior form of existence and find complete fulfillment, through the highest forms of art.

Aesthetically endowed, this inborn artist and drama actor has to constantly go against societal regulations that only seem to be there to impair his creative impulses.

The native born with Neptune in Leo has a talent for entertainment above all, attracting everyone's attention with their natural allure and magnetic personality.

Being in the spotlight is a Leo's wet dream, and Neptune only makes this more satisfying, given their high emotional output.

With this much emotional depth hidden within, the partner of someone with Neptune in Leo in their natal chart will live on the edge of exquisite pleasure all the time, not knowing what follows next.

However, just as they can get terribly excited about something, the opposite can happen in a split second as well. There are those hard to accept truths that throw their ideals on the ground immediately, and forcefully pull them out of their dream world.

When this happens, it takes some time to get used to the busy routines, day-to-day boring events, ignorant people, and so on. They will try their best to confront these challenges as they come, without letting themselves be taken down permanently.

These natives are very sociable and kind to their friends and close ones, always being willing to support everyone in times of need. Once a word was given, they will keep it no matter the circumstances.

They are also responsible for their actions, and never blame someone else. These firm principles make them truly appreciated by everyone else, especially little children, who see their dramatic performances as very enjoyable and entertaining.

### **The positives**

What makes the Neptunian Leo the very best is their ability to put whacky dreams into reality. Ideas that other shun as being naïve, ignorant, overly-idealistic and impossible to apply, they manage to find the perfect way to do it.

They run simulations, calculate possibilities, constantly think up of innovative plans and strategies, apply their imagination and inventiveness to the very essence of reality, fitting every piece in its right place, with the puzzle eventually coming to completion.

Often, they lose themselves in the fictional worlds created by their minds. In their search for the unity of being, for a safe refuge outside the cold and harsh realism of reality, it just so happens that their imagination does a great job, too great a job actually.

It becomes harder and harder for them to come back to reality, and they spend as little

time as possible there anyway, quickly returning to their ivory tower of imagination.

### **The negatives**

Natives with Neptune in Leo should pay attention to their dominative tendencies when it comes to discussing possible solutions to a given problem or giving feedback on an idea.

They tend to take over the discussion, express their firm belief that everyone else is probably wrong, and that they are the ones in the right. They don't think this per se, but this is what most would extract after seeing their attitude.

Moreover, since they put so much effort into sharing their ideas with everyone else, they also expect to be appreciated for offering the perfect solution, the foolproof plan, the panacea that cures everything.

This just worsens their social bonds with each passing day, and they have to realize that the others are also entitled to their opinion, and talking over them is just childish and annoying.

### **The Neptune in Leo man**

Neptune makes these men rise up to meet their potential, and bloom unexpectedly in an explosion of light. Dynamic, spirited and adventurous, they never sit in one place for too long because the world is full of mysteries just waiting to be discovered.

What's more, they manage to use this impetus not only to have fun but also to raise their efficiency at work, be a heck of a lot more productive and attract the boss's attention.

Men with Neptune in Leo will prove to be exceptionally creative, with an artist's flair for the flamboyant and aesthetically pleasing. However, this comes dangerously close to the dramatic reflexes that most artists possess.

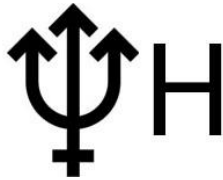

They will sometimes lose their temper, refuse to acknowledge that they might be wrong, get upset about the most insipid of things, even decide to leave for a while to calm down.

It's all a result of their artistic spirit which falls into theatrical dramas, a liking for the sign of the Leo.

Not all these men behave like this, however, and usually, the more mature men will have already resolved these problems a long time ago.

When young, they are more impulsive and spontaneous, also more uncontrollable. The partner of a man with Neptune in Leo is advised to set some boundaries early on and not be afraid to step in, any time they don't feel comfortable with a particular behavior.

## **Neptune ♃ in XI 11th House**

([1087] i.thehoroscope.co)

These natives are the rebels and conspirators of the zodiac, the people who plan for long-term and rely a lot on their intuition. If they want to see their dreams coming true, it's important for them to develop good strategies.

### **Summary:**

Strengths: Intuitive, talented and sensual;

Challenges: Distracted, lazy and conceited;

Advice: They should take more time for their passions.

### **A tolerant personality**

Very idealistic, flexible and compassionate, natives having Neptune in 11th house expect a lot from their friends and don't mind dealing with other people's weirdness.

However, they should be careful not to be taken advantage of. They are sometimes so giving and tolerant that many of their friends are looking to deceive them, so they should be careful with whom they're spending their time with.

It can be hard for these people to set up some boundaries regarding how much they're giving as they want to always keep the peace by offering generosity.

They can also believe it's hard for them to be aware of their own dreams and goals, so when not knowing what to do in life, they get to become very unhappy.

As soon as they've reached at least one of their goals, they can end up thinking it's not what they wanted or the opposite, that they need more of that thing.

They're the type who has to be surrounded by friends and to establish spiritual

connections with others involved in different groups in which philosophy is often discussed.

The fact that they have too high ideals is not in any way to their advantage because they're often feeling disappointed, especially when seeing their expectations can't be met.

Sensitive and faithful, they will always be attracted to art and get surrounded by people who are considered unusual. Sympathetic and compassionate, they want to help anyone without expecting something in return.

They should be careful not to give themselves to those who don't deserve it and at the same time be clear with what they want others to do because would not generate any confusion or chaos.

Neptune in 11th house natives have vision and want to be of help with whatever they can. As a matter of fact, this placement is the one of the dreamers, of people who imagine a perfect society and peace all over the world.

They have the need to inspire others to become better, especially when they happen to be active members of a community. It's not unusual for them to work for charities and to help those whose rights were stolen or don't have enough money.

Furthermore, they have a great interest in everything that's mystical, out of this world, or deals with New Age healing techniques.

The same Neptune in 11th house placement suggests they have talent with music, design and usually everything related to art. Wherever there's a cause to join, you can count on them to be there and to give a hand.

It's not surprising to see them giving flyers away down the street and to talk about raising awareness on the subject of animals' rights. It's their dream to see this world at peace and everyone living in harmony.

Most of them are great with the arts and can express their love by making beautiful music, taking photos, knitting clothes and doing all kind of different other things.

There's nothing to make their soul happy more than art. Even a morbid and darker approach seems to be to their liking because they can study and admire it from a different perspective.

Neptune influences them to be passionate about the supernatural and to study progressive science or anything related to the psychic abilities of people.

Very worried about how they're evolving from a spiritual point of view, they're always looking to share their vision about religion and philosophy.

People with Neptune in the 11th house need to set some boundaries with when it comes to their involvement in the collective.

They can make many friends who are as religious and passionate about the mystical as them, but it's also possible for them to get deceived because they're too giving.

They think the entire society needs to be safe and are always unsatisfied with how things are working in the world. It's essential for them to not put their faith in something that can't get done and sounds unrealistic.

With Neptune being dreamy, it can be difficult for people having it in the 11th house to get in touch with what they want the most from life.

This planet gets them to be confused, so they'll never know for real what makes them happy.

Always attracting unusual and caring people, they can choose the right groups to join, but they need to be careful with how much they're giving to others. It's very common for these people to feel used as a result of them being too generous.

Very ambitious and idealistic, it's normal for them to often get disappointed and to realize their goals weren't so well anchored in reality. It's suggested they think more of doable things rather than off perfection.

Neptune in eleventh house individuals will always have mystery surrounding them because this planet rules over illusion. The sign in which it's located is also important, together with the aspects from other planets.

How the life of people with this placement will be is determined by all these things.

Since Neptune is also the planet of alcohol and substances, the natives having it in the 11th house tend to get together with people who are alcoholics or drug addicts.

They should be careful not to get influenced by such personalities because Neptune in difficult aspects with Mars or other malefic planets indicates it's possible for them to get addicted to all kind of substances as well.

They may want to function as a whole organism with the people in their life, and when in large groups they simply unify and dissolve with the crowd, but they need to know those individuals with whom they're interacting have only good intentions.

There are also situations when more negative characters are influencing the group in a bad way, so they should pay a lot of attention to each and every person they meet.

While they may idolize their friends and put their family members on a pedestal, they should always be honest and speak their mind, no matter how much they'd be hurting people.

Many individuals wear masks, so Neptune in 11th house people shouldn't just accept this.

There's also the possibility to get together with those who are very spiritual, especially when Neptune is in good aspects. In this situation, they'll collaborate with others to expand what their conscious knows and to develop their spirituality.

They may find such people in humanitarian groups who advocate altruism and generosity. It may seem no one is more talented at music than at any other art form than they are, so it's very likely they'll at least do something in this direction, as a hobby.

### **The goods and the bads**

Neptune in 11th house individuals have to see things clearly and people for who these actually are because they tend to observe only what they want. These natives expect only goodness in their life, so they never stop to judge or to gossip.

Many will know them as extravagant and witty, so they'll be liked by the public, no matter where they may be going.

Wanting to join groups of people with the same interests as them, they should focus more on this rather than on having perfect relationships.

It's common for them to look for extra meaning in things that are already determined and purposeful and profound.

Neptune in 11th house natives should be careful and not expect too much from life because this way, they'll never get to experience smaller things as they come and to become enlightened.

The path towards illumination should start with baby-steps because enlightenment is only possible through experience of life.

Because they want ideal relationships with their friends and lovers, they may feel like what they desire can't be achieved.

Their closed ones will be pressured to live up to their high expectations, which can also mean frustration. With all this being said, it's easy to understand why natives having

Neptune in 11th house are often disappointed in life.

## ***Pluto ♀ in ♑ Capricorn man 21° 45'***

([1098] i.thehoroscope.co)

The position of Pluto in your natal chart reveals the transformations due to take place in your life and how you channel your core truths and restorative power.

The native born with Pluto in Capricorn in their natal chart excels at doing things carefully, following a long-established routine, with a plan in mind. They have their room or workplace perfectly organized, in order to boost efficiency, and they take it step-by-step, systematically observing and analyzing the information at hand.

With ambition and perseverance, they go about solving any problem in what seems like a matter of seconds. Disorder turns into order, the rubbish is sorted out from the usable elements, while structure and order prevail.

### **In a nutshell:**

Style: Disciplined and strong;  
Top qualities: Persistent, thoughtful and ambitious;  
Challenges: Overly cautious and stubborn;  
Advice: Exercise caution when it comes to personal risks.

### **Personality traits**

Plutonian Capricorn natives prefer working alone or at least having the choice of doing so. It's not that they believe themselves to be superior to everyone else, but they want to be free to make their own choices.

And in this respect, they might even fight against the rules imposed by society, acting as temporary anarchists. Eventually, they do observe the traditional rules.

They are analytic and perfectly know how to get to the bottom of a problem, taking out the flaws and downsides. The status-quo is respected as long as it doesn't inhibit their free will.

However, their built-in patient and cautious personality don't allow for explosive changes to occur. A revolution is out of the question then.

Ambition and willpower are the key components of this native's path through the world. They never abandon the boat once they've decided to pursue a course of action, even if the entire world may oppose them.

In this sense, Pluto's transformative powers are miraculous and just what these natives need. They turn it all in their favor, eventually reaching the level they wanted from the very beginning, having the freedom to do as they see fit.

Moreover, under the influence of the Earthy Capricorn, it means that they are very preoccupied with material development and having a stable situation from this point of view has always been a primary focus of theirs.

They will want others to notice just how successful they are, but it's not a superficial tendency, but rather a confirmation of their potential.

With prudence and a meticulous approach, they pave the path towards a brilliant future with nothing but their willpower and perseverance to play with.

Not even the strongest obstacles could hope to ever put a stop to their advance. They aren't disappointed when stumbling over a challenging opponent or when faced with failure. Rather, they cherish any opportunity to evolve.

### **The good and the bad**

A Plutonian Capricorn will always have his priorities set straight and won't waste any time if he wants to pursue his objectives.

With a resolute attitude and an ever-renewing enthusiasm for action, this native gives their all on furthering their own desires. If the Pluto Capricorn finds himself to have strayed from the envisioned path, it won't be long before a complete turn-around will take place, without any looking back.

This native is able to take on any opportunities to reanalyze their mindset and motivations, in order to check whether they're correctly calibrated.

It doesn't matter what obstacles present themselves because this native won't give up even in the face of impossible odds. Better to die pursuing your dreams than wither in a corner, filled with regrets and disappointments.

With pragmatism and reason, Plutonian Capricorns manage to break apart all the chaos standing in front of them.

Even though they are more intellectually elevated than most other people, always seeking for the truth of the world, for the deeper aspects hidden in hard-to-find places,

these natives are also materialists who work better when they know a substantial reward awaits them at the end.

Moreover, they may also appear as tedious and unwilling to commit to action because they prefer to take it all slowly with a step-by-step approach. In this sense, there's no taking them out of their routine.

### **Pluto in Capricorn in love**

Even though falling in love is an edifying experience for most people, and there are also plenty of reasons to believe love itself is a force to be reckoned with, those born with Pluto in Capricorn in their natal chart, don't really buy into this view.

They don't believe that love holds that great of importance to one's self-development because it doesn't really help with surviving in this cruel world. As such, they're going to put it on the backburner until they manage to create a situation for themselves.

The only way they could look at love in a different light is if the partner would agree with being a comrade in arms, ready to assist against the struggles of existence.

In the fight for supremacy and social status, there will be many collateral victims and many conflicts that render many crippled. Hope you understand that these natives are not about beauty and romantic experiences, but rather want a worthy life companion.

The Plutonian Capricorns see love as a partnership, a life-long commitment to aid one another in times of need. They are pragmatic like that.

### **The Pluto in Capricorn man**

The last generation of Plutonian Capricorn men marked the appearance of the ever-so-serious individual with a razor-sharp focus, cool attitude, and immense ambition.

These men let nothing stand in their way and even lack some basic empathic skills as they rationally approach day to day interactions.

With challenges waiting around every corner, they are always prepared for the worst, always rowing forward through the difficult storms and whirlwinds of life.

Emotionally, these men are truly lacking when compared to women with Pluto in Capricorn, but this can also be considered to be a myth. The truth remains that there are still things that touch their hearts. It may even be that their sensibility increases with age. Plus, deep inside, these men know that empathy and emotions are essential in relationships.

They might learn it the hard way or completely avoid them but they are aware of their importance. No one says that you should start crying whenever a tough situation

appears, but at least admit that you do have feelings as a reaction to it.

## ***Pluto ♄ in IV 4th House***

([1104] i.thehoroscope.co)

This placement of Pluto encourages people to strive to create a safe environment for them and their loved ones and to care a lot about their image.

Pluto in the fourth house is responsible for new beginnings, fresh starts, the rebirth from chaos and destruction. Moreover, it has to do with one's search for an identity and finding a refuge at home.

The familiar environment will recharge their batteries and prepare them for what's coming next, instill in them fresh powers, intensity, and passion.

There will be conflicts in this seemingly peaceful and harmonious place, often between the Pluto in 4th house native and a dominative, power figure that seeks to impose his will. This creates even more emotional turmoil and psychological trauma that will affect their future development.

### **Summary:**

Strengths: Mature, pragmatic and determined;

Challenges: Secretive, vain and controlling;

Advice: They should refrain from hiding behind other's wishes.

### **A principled character**

Past experiences, especially those from an early age, in childhood years, will have a tremendous, almost singularly important effect on the development of the Pluto in 4th house natives.

Either their parents criticized and insulted them on a daily basis, thus determining the appearance of a self-esteem problem, lack of confidence and a negative overview of the world.

Or perhaps, they might have instilled in them the passion of living, principles, and virtues that would help in becoming a functional member of society.

Traumatic events might have happened as well, the kind that leaves them scarred for the rest of their lives.

These natives are usually looking to create a safe environment for them, to repair the damage that was once done in the childhood years by their parents.

In this sense, they want to compensate for the lack of care, kindness, and nurture that they lacked.

The problem is that the parents are usually incapable of seeing them for their true natures, to help them accordingly and to offer the necessary ingredients for a healthy development.

However, this was helpful in some ways because it forced them to find ways of self-helping, to look inwards for the solution.

Most of the times, their parents don't give them enough freedom to develop individually, to find their passions and interests, to mature intellectually and especially emotionally.

The process of growing up implies a fracture in the relationship between children and their parents, where one learns to live without the need of the other.

However, this is exactly what their parents don't do. Instead, they want to remain the dominative, authoritative figure.

Later on, the Pluto in 4th house natives might be emotionally balanced, but they still feel like they've missed a lot.

Hence, their relationships are a simulation of how their upbringing should have undergone, a mimicry of parental love.

On the one hand, they could turn out to be the types that cry wolf every time they don't get what they deserve or want.

These people are always going to be dependent on others, their sense of belonging is too strong to overcome.

On the other hand, there are also those who shut down from the outside world completely, in an attempt to avoid any future harm.

There were too many disappointments and traumatic events that led to this decision, although mostly an unconscious one.

In relationships, these people attract partners who will submit and allow themselves to

be controlled.

Most of the times, these natives are going to fall in these two categories, no matter what. The worst comes to pass when the partner doesn't understand this game they're playing.

Of course, things are not that pessimistic and sour though because they could have had minor harmful events in the past.

Or only one of their parents might have been as described, the other a nurturing and loving one. In this case, the secondary effects won't have that much of an impact now.

What they have to do is find a way to overcome these issues independently of someone's aid because that would create yet another vicious circle based on belonging and dependence.

This is the last thing they need now. All those experiences and hardships served only to prepare them for this moment, the moment of freedom.

Unconsciously, they are wary and don't trust people that easily, mainly because of these past transgressions.

There are high probabilities that they won't resist another emotional upheaval the next time something grievous happens, and this is why they need to temper themselves.

### **The goods and the bads**

There will be plenty of opportunities to better themselves and repair what was undone, but they should be careful not to leave dead bodies in their wake.

This is to say that their friends and close ones are just there to help and to experiment or release anger on.

These crises and horrendous transformations that they go through, they've been determined by disastrous events in the past, and it keeps piling up in the present, at home, a place of utmost safety and security, presumably.

This goes to create a feeling of helplessness, despair, inability to truly overcome those limitations.

The Pluto in 4th house aspect deals with one's journey of initiation, the road to maturity and intellectual growth, the overcoming of emotional distress and reaching a natural balanced state where everything becomes possible.

These people are strongly affected by emotional events, traumatic happenings, they

psychological pylons being shattered every time something harrowing happens, especially at home.

At first, they may attempt to control everything, to become the sole master of their destiny, in the meantime also trying to oppress others as well.

As time goes on, they realize that only by subjecting themselves to disorder, chaos, and challenges, could it actually have a beneficial effect.

This is obviously the best thing that's ever happened to them, this revelation that one's life is entirely under individual control, the potential also being entirely dependent on personal conviction and ambition.

Now, rather than hiding and trying to manipulate and control the pieces on the board from behind the curtains, these natives will confront everything at face value.

It's a known tendency of theirs to stay hidden, to observe and use subterfuge, but it doesn't always work, and when it does, it's usually not for a very long time.

Sure, the past is worth remembering, mainly for happy memories, a sense of identity, and also because they can learn from their mistakes.

However, in order to truly achieve their goals and full potential, they must focus on the present, envision the future, and make their dreams a reality.

### ***North Node ♏ in ♑ Capricorn 5° 8'***

(Georges Muchery)

The Dragon's Head in Capricorn gives prudence, much reflectiveness, and even disposition inclined to sadness, love of solitude, but withal shrewdness and diplomacy. The disposition is more reflective than melancholy. This position may bring stability to the worldly position, but seldom gives wealth, which, moreover, the native does not desire, as he is not very ambitious. There is likelihood of gains through house property. The Dragon's Head in Capricorn gives robust health and physical resilience; and if the Lord of Life is free from affliction, is a sure sign of longevity.

The Dragon's Tail in Cancer always gives fickleness in love; it is a sign of infidelity, and often shows a risk of separation after scandal. The position of the native or of those

around him is not clearly defined; he is surrounded by many secret or mysterious circumstances. This position may cause an accident, or danger while travelling. It entails liver or stomach disorders. All this is mitigated by a good aspect of Venus or Jupiter.

A bad aspect of Mars to the Dragon's Tail may cause a wound, and is often a sign of haemorrhage. With an unfortunate position of the Moon, and with Cancer in the sixth house, there is serious risk of lung trouble - tuberculosis or, at all events, bronchial disorders.

The Dragon's Tail (as well as the Dragon's Head) must be carefully studied when it occurs in the Moon's domicile, and especially in regard to this planet and the aspects which it may receive from the malefics. If the Moon is in Cancer in conjunction with the Dragon's Tail, misfortunes will occur in connection with matters ruled by the House occupied by Cancer.

(Isabel Hickey)

North Node in Capricorn implies that business ability and ambition would be directed toward public good, or could be so directed. Integration would come through persistent sustaining effort to climb the heights of attainment and become a redeemer for others. South Node in Cancer emphasizes acquisitiveness and selfcenteredness; a carry-over of selfishness that must be overcome by caring for others and developing the nurturing qualities.

(Martin Schulman)

This individual is learning how to achieve maturity. In past incarnations he had a tendency to look at life through rose-colored glasses, seeing only what he wanted to see with a definite conviction that everything else didn't exist.

Now there is still much of the 'baby' left in his Cancer South Node. He is so used to going through his prior lives on crutches, wrestling with his dependencies while seeking bannisters to lean on, that his current life is the resultant shambles of escapist, childlike habits which keep impeding his growth.

Truly, this is the personal infant, desiring at all costs to maintain his role as the focus of parental attention. In areas of problem solving, he would rather have his parents do it. Everybody he meets and knows, be it friend, business associate or marriage partner, automatically becomes the symbolic parent to pick up the pieces of his misery, protecting him from being hit by the falling sky which he has created. He creates his own self-inflicted illnesses if they bring with them the slightest hint of gaining love and affection.

Constantly practising at becoming an adult, he never seems quite ready or willing to

make the transition fully. Somehow he keeps feeling he needs much more practice first.

All he does in this life is based on his soul memory of sensitive past-life feelings which still are shattered by the slightest rejection.

Many individuals with these Nodes are strongly wrapped up in the business of their country. They personalize government, for to them it is still part, in a larger sense, of their own Cancerian family.

Underneath all else, there are unusually strong feelings of patriotism and loyalty. Many with these Nodes focus a good part of their strength and attention on younger people.

They like to listen to the trials and tribulations of others; but not being quick problem solvers themselves, they have a tendency to hold everything inside them. As the weight of problems increases, like collecting layers, they seem to age in spite of themselves.

The most difficult karmic problem of the Cancer South Node is learning how to let go. The individual brings with him into this life such strong inner fears of ever losing or forgetting anything that he keeps making extra special efforts to retain all he has ever gone through. As such, he makes himself the 'psychic grabage pail' of the past. Constantly he is thinking about his present in terms of what he should have done years ago - or 'lives ago'. He often can be seen sorting through old photographs hoping to create his future out of fragments of his past.

At times he is extremely draining, using whatever is done for him as a springboard to ask for more. He tries other people's patience with all of his emotional problems, and long after the solutions are given to him he refuses to see logic through his cloud of emotion. He is not so much interested in finding out why something went wrong as he is seeking the lost feeling to be returned.

Endings are especially difficult for him to deal with. The word 'good-bye' has never been a part of his vocabulary, for he has always tried to preserve all relationships as long as possible. His behavior in regard to objects is no different, since he tends to form permanent attachments to the nostalgic memories they carry with them.

The major karmic lesson in the Capricorn North Node is to identify with an ideal bigger than the personal life. The individual must ultimately come to stand for something, in spite of all his real or imagined personal difficulties. He must understand true responsibility.

Many with these Nodes eventually become self-appointed hallmarks of tradition. They would rather die than have an outsider know any part of their personal life which contradicts the principle for which they have chosen to stand.

Through the North Node, an image which others can look up to and model their lives after is established. At times personal difficulties deplete him of the strength to hold up this image, and yet hold it up he must, even if it means sacrificing his entire life. In most of his endeavors he is capable of becoming a methodical and cautious planner once he learns to overcome his past-life tendency to overreact emotionally.

In the charts of females, these Nodes represent an unusually strong search for a father figure. In males, there is a strong consciousness of the need to fulfill the father role.

The most important things about the Capricorn North Node is that it represents the point through which the individual will meet his karmic mission. For this reason alone, many with these nodes tend to be reluctant to accept the full concept of adulthood. They would prefer to remain in an immature state for as long as possible, for they sense a type of judgement awaiting them. Much like the condemned man desiring one stay of execution after another, they seek to hide behind others, constantly pushing themselves further and further to the back of the line so as to avoid meeting the effects of all they have created. This is the reason why many of them have great difficulty in accepting their own chronological age. While they admit to their age openly, they try not to live it.

There is much past-life residue of immaturity. The soul has become fixated at one point in early growth. Now there is great difficulty passing that point. Still, it will be passed, if the individual is ultimately to stand for something.

The zodiacal sign of Capricorn is the gateway through which the soul must go upon leaving the physical body, and in this most occult of signs it will stand for inspection before the Judges at these Gates. While this may not be the last incarnation on Earth, it will most definitely by house position receive karmic judgement in one area of the life. The individual with these Cancer-Capricorn Nodes will flounder half his life in helpless abandon and then one day resign himself to stand up to the saying, 'Tis a far, far better thing I do than I have ever done before'.

The house position of the South Node indicates the area in which the karmic residue of immaturity seeps into the current life. The house position of the North Node shows the ways in which the individual can now enter responsible adulthood by aligning his life with the principles of honor, respect and tradition.

As soon as he learns how to do this, he is destined for a life of splendid accomplishment.

(Donna van Toen)

You should take steps towards a career (or honors or increased self-esteem). Your Cancer South Node may reply 'Yeah, but what would my kids (or parents or boss) do without me?'

Your Problem is that you have adopted real or imagined responsibilities to others that are keeping you from becoming all that you can become.

Possible reasons: Fear of public exposure. Lack of planning. A feeling that you're unworthy in some way. Refusal to let others lead their own lives.

Possible solutions: Take cautious steps towards the careers, honors, or recognition you want. Examine your needs and responsibilities honestly, and take necessary steps to balance them. Get a divorce. Commit suicide (Apolo's note - don't do it: the author was being teasingly sarcastic here). Study the lives and actions of others who have done what you want to do, and pattern your life after theirs if at all possible.

\*\*\*

Cancer South Node tends towards deeply-rooted compulsive behavior patterns which allow him or her to justify failures. Justification of this sort is a form of dishonesty. This prevents the development of Capricorn North Node's considerable untapped potential for self-esteem. It also prevents the formation of deep relationships, since if you're not honest with yourself you can't possibly be honest with others. Cancer South Node easily becomes bogged down in dependency on those who need him or her until personal discontent forces development of Capricorn's North Node potential.

Some typical manifestations of an over-developed Cancer South Node are: An overall lack of success in life; hypersensitivity and sloppy sentimentality; fear of authority figures; childishness; lack of emotional self-control; lack of self-confidence; snobbishness alternating with blind acceptance of others; self-pity; excessive complaining; and a craving for emotional attention.

North Node in Capricorn tends to dream very traditional dreams. He or she wants to be a law-maker, a policy-maker, an organizer, an Einstein, or at least a manager. He or she wants to be known for objectivity, prudence, and good leadership ability. He or she wants to stand out against the backdrop of ordinary workers as someone who knows where he or she is going and is getting there. In contrast, this is an emotional, rather touchy person. He or she is fond of comfort and reluctant to make changes. The need for emotional security dominates the need for dream fulfillment to the point where changes in residence, job situation, public notice, or whatever become extremely upsetting, even if these changes herald better things.

Antidotes for Capricorn Imbalance: Mathematical work can be an excellent antidote. To a lesser extent, astrology and numerology can be helpful. The client must be encouraged to take responsibility for his or her own life rather than blaming parents, superiors, or others for his or her problems. Boating and water sports can sometimes be beneficial antidotes. Leadership roles should be taken where possible. Those that provide titles (chairperson, president, etc.) are especially good for enhancing self-esteem,

which is usually lacking. Activities that stress discipline and strategy are particularly good. Among these would be chess, yoga, National Guards, etc.. The need for security must be fulfilled.

Occasionally the client will have no ambition to do anything about the imbalance, in spite of complaints about the quality of life. These imbalances seem to be particularly fond of illogical 'Yeah, but...' dialogues. In cases where the client insists that you must 'solve' his or her problem single-handedly, you can do very little but stress the fact that astrology teaches self-responsibility, and suggest that the client come back when he or she is ready to accept this tenet or find another astrologer. Psychological counselling might also be recommended; this should be of a type that stresses a 'here-and-now' approach.

### **North Node ♌ in IV 4th House**

(Georges Muchery)

The Ascending Node (Dragon's Head) in the fourth house gives a cheerful and happy home life, and harmonious relations with the family. The Father, or the marriage partner, occupies a prominent post. The Dragon's Head in the Nadir of Heavens is favourable for marriage, and will be a sign of happiness if the Moon is well-placed in the horoscope. It is also a sign of good heredity from the physical as well as the mental standpoint.

The Descending Node (Dragon's Tail) in the tenth house may be fortunate for material things if the horoscope on the whole is good. It may, however, bring at some period in life serious worries and troubles affecting things in general - losses and damage if the Moon is afflicted.

(Isabel Hickey)

The fourth house represents the midnight or deeply hidden depth of the personality. This is why it represents the soul powers; what we are in the depths is not what we always appear to be on the surface. In the depth of oneself (home) the inner powers must be released. Not for this one the acclaim of the public and the limelight. He has had it all in the past. He gained from it the sense of power that made him feel his importance as a person. Now he must grow a soul. Through his domestic surroundings, through a quiet withdrawal, and through the wise use of his emotions, he will find fulfillment.

(Bernice Grebner)

With the North Node in the fourth there should be a development of the domestic life. He needs to learn the art of going into seclusion. He must be alone with himself at times to develop his own depth of soul, to dig deep and get to the very roots. Possibly, he would have to learn the role of nurturing, helping another grow, as in helping to sustain life. This person would need to establish a home, to care for it and learn what it takes to do this. There may be a problem in connection with a parent, or an imbalance in his love for them - loving one more than the other - or it could give loss of one parent at an early age.

South Node in the tenth is the extrovert. With this position there is great ability to deal with the public as the person easily understands its needs. This is similar to the Moon in the tenth, but coupled with the innate genius in public affairs. He does not take time to relate on a personal basis because of an inner need for public acclaim. It also can bring disappointment and dissatisfaction with regard to his vocation, bringing in many changes. (If South Node is in Aquarius in the tenth, he can be a leader of unpopular causes.) The South Node here gives a tendency to resist control by others. At its best, the power and success attained in the world must be used to assist others. When the person is able to do this, then destiny for this person will be met. At its worst, when used for vain self-glory, he fails. Here the uppermost thought should be control of selfish desires for ambition and power.

(Mohan Koparkar)

This condition often signifies fairly close relationship with mother figure. At the most, the relationship with mother is closer than with father. For some reason, home or domestication is highly significant in their life. They may or may not like to be family-oriented, but that is the way their life has to be structured. Career is given a second priority in their life. Although they have strong self-displaying ego, circumstances may not give them the opportunity to be prominent in their field. The relationship with parents is that of a deep attachment; and they require a lot of effort to be free from their parental wing. Considerable sensitivity is seen in these people.

(Martin Schulman)

This individual must learn to overcome the karmic feeling that he is the vital center of all situations around him.

He comes into the current life with subconscious memories of a past sense of dignity, which leads him to believe that at least certain areas of life experience are beneath him.

His prior incarnations have put him in the position of being captain of his own ship, if not

the commander of others. As a result, he is used to assuming an authoritative position whenever the weakness of others triggers his powerful need to take charge.

He enjoys the role of protector and goes to extremes in filling his life with those whose very weaknesses put them under his dominion. By so doing, he is constantly testing his own power to stand tall.

This is a lonely position, for here the individual is so concerned with his self-appointed mission that he never allows others to see into his real self underneath. What he shows is a façade or the uniform of the role he feels obliged to play.

In the current life, he goes through experiences which teach him to come down off his skyscraper and make sure of the foundation underneath.

It is in the area of his most highly intimate relationships within his own family that the stage is set for his lifelong battle in an attempt to gain control of his own roots.

Many with these Nodes have one unusually demanding parent whose expectations encourage them to believe that they are truly destined to achieve a position of sitting on top of the world. As a result, they are discontented with whatever situation they are in, for always it falls short of what they feel they were meant to do.

The karmic lesson here is that 'A bird in the hand is worth two in the bush'. The individual must overcome his readiness to forsake what he has for the possibility of attaining what he doesn't.

So unwilling is he to see himself in a back-seat position that when circumstances force him to do so he may in extreme cases even contemplate suicide; for he firmly believes that without his achieving some great destiny, life is utterly worthless.

This incarnation brings him through the experience of facing the conflict between a career for himself and the demands of his family.

He must learn maturity, for with all his projected strength, power and dignity he is nearly a cripple when it comes to solving his own emotional problems. He must examine his roots, and, after pulling his head out of the clouds of his past, build a practical foundation for his future.

Eventually he learns that his organizing for others is merely a distraction from putting his own life in order.

The relationship established with parents early in life is more important in these Nodes than in any other position of the zodiac. Here the individual will spend much of his life energy attempting to be totally free and independent of his parents, yet always

conscious of how much he needs them. Nevertheless, the reaction patterns to life continue to show a definite parental defiance, masking a strong need for parental love.

This soul is at a point in karma where he feels unappreciated for all his efforts. The past incarnation residue is based on achievement for the sake of recognition and appreciation. Now, achievement is to be its own reward. The soul must stop trying to gain audience for its deeds, realizing that the audience will always be there if the deeds are great enough. It is in this process of seeking an audience that the individual tends to lose himself. He must literally transform his fourth house into a new birth of emotional attitudes, learning the lessons that when a man stands on tiptoes he is unsteady.

His life is like the beautiful orchid: a splendid sight to behold when raised and nourished under the most delicately controlled environmental conditions; but once the orchid is prepared for display, it is snipped from its roots, insuring wilting and certain death after a short time. This individual will be faced with the choice of being the overlooked orchid growing in a garden of thousands, or sacrificing his own happiness to be the beautiful flower on someone's lapel. As soon as he overcomes his past-life need for display, he can start to grow to the maturity he is so desperately seeking.

The sign which contains the South Node indicates the ways through which he still overemphasizes his importance. The sign which contains the North Node shows how he can grow to become in substance so emotionally fulfilled that he no longer has to equate his happiness with his soul memory of prior-life personal esteem.

(Donna van Toen)

Conflicts: Pleasant home life vs. pleasant career. Worries about career vs. attention to private life. Private doubts vs. public self-esteem.

Possible results of sacrificing North Node: Loss of dignity. Tendency to insist on getting recognition as boss. Tendency to take on a big daddy façade (no, this isn't strictly a male trait, even if it's thought of as a male stereotype).

Possible ways to integrate North Node: Develop maturity. Use your untapped potential to strengthen your foundations. Examine your roots, upbringing and prejudices for keys to the reasons for your self-doubts. Take notice of your domestic needs.

In the fourth house, there's a hang-up about developing or growing up when the North Node is present. This can take the form of excessive self-consciousness, or it can trigger a lust for power, depending on which node is allowed to dominate. In either case, the feelings of inferiority are based on illogical feelings. These are often a result of childhood experiences. Sometimes death of a parent plays a role. Other times the parent's immaturity or lack of common sense or stability has had a negative impact.

Those people who try to fulfill their excess needs for power often complain of lack of recognition and / or sympathy from those who are in a position to offer advancement.

North Node in the fourth house wants a very loyal family and a home in which he or she will be the focal point and chief mover. Less frequently, this person dreams of developing some sort of powerful metaphysical abilities. Acknowledgement of some sort is a basic dream motif. This is a person of changing ambitions. Usually there are several career interests that are pursued in turn in an almost ruthless way. The dream of acknowledgement is often fulfilled, but the acknowledgement may not be the sort that was expected or wanted.

(Haydn Paul)

What tends to dominate is a sense of importance, authority, and decisiveness. You feel that you have a higher social standing than most, and that they should give you appropriate deference and respect. You may believe that certain tasks are 'beneath you'. You will have an aura of 'dignified aloofness' which can distance you from others.

How accurate are these feelings of importance? Or are they self-deceptive illusions? These feelings come from needing to control; and you hope to satisfy this as an authority or leader. You dislike having to adopt a follower's role or defer to another's authority, especially as this reminds you that your feelings of command could be illusions. This issue of authority needs to be confronted.

You may often assume a role of protector, attracting others who are more passive or personally weak, and who need someone to rely on. This role allows you to express leadership qualities. Yet, through identifying with this authority role, you often manage to avoid other aspects of yourself, those which may not fit your image of leadership. The authority role, however, does offer additional challenges which help you to grow and mature. Authority implies greater responsibility, and you need to feel convinced that you have the ability to succeed.

Part of this need derives from personal insecurity, probably formed during childhood, perhaps by excessive parental expectations that encouraged a belief that you had a natural right to lead others. If these expectations fail to be met in adult life, a growing dissatisfaction develops, as life fails to match the hopes and dreams absorbed from parents.

Problems related to choices between family obligations and work may occur within your adult family, especially if you reach a senior and responsible position. You tend to be adept at organizing for others, but, in doing so, you leave less time, energy, and interest to increase your self-understanding. This may be most noticeable in a tendency to be uneasy with emotional expression or uncomfortable with feelings. You may try to avoid intimate situations when these are exposed. Emotional problems pose difficulties, and

generally you hope that they simply go away... and regret that you cannot organize them into resolution!

Growth occurs when you accept your emotions and express rather than repress them. Your family and others will appreciate you more if emotions are allowed to flow more easily, rather than being submerged in role playing. Your achievements can be considerable, especially through career and work, but you should strive to achieve for achievement's sake, rather than for the 'applause of the audience', as this will serve only to reinforce identification with your role.

(Bruno and Louise Huber)

In the 4th house, emotional values are all-important. It is not enough, as in the 3rd house, simply to inquire about the meaning of something; one must be able to enter into it with feeling. With the Node here, we are like a bird that felt good in its cosy nest and was thrown out of it. Usually the chart will exhibit a tendency on the part of the native to lack balance and to be overeager to stress his or her own individuality. The lesson to learn is to be an ordinary human being among other human beings, and to be able to give and take emotionally.

Often the 4th-house Node is counterbalanced by the Sun, Uranus, or Pluto at the top of the chart; and this produces, by reflex action, the wish to be famous or a leader. When emotional imaginative pictures to do with the family or the group enter consciousness, these guiding images have to be clarified.

If planets in the 9th or 10th house show high ambition, this can be satisfied; but, with the Node in the 4th house, the native needs to keep close to home and roots. The feet need to be kept firmly on the ground. Bottlenecks, which hold up progress, are often encountered. Now, when blockages occur, the native's reaction is to try and forge ahead. In many cases, that would be the right thing to do; but with the Moon's Node in the 4th house, it is wrong. The proper course of action is to pull back and to live as one of the group, as one of the family. This is the only way to prepare to move forward again, to find room for manoeuvre, to gain access to those it is desired to lead. Then misunderstandings will be swept away and a fresh impetus will be given to upward development.

With Nodes in the 4th house that receive hard aspects, there can be a retreat into a pleasant ideal world of acceptance and domestic bliss. This 'warm nest' feeling has a very important function. It is one of the fundamentals of life; and we may well want to experience it at all costs. This makes us undifferentiated and dependent on the activities of the family. We are governed by these activities, and do not have a hand in shaping them but are sacrificed to the family's interests. In the worst scenario, our relatives assume the right to abuse us and to walk all over us.

When there is a planet in the 10th house, in opposition to the Node, the native will readily part with a place in the nest in order, at least, to make sure of getting on in the world. Ambition, in whatever form it occurs, destroys the sense of domesticity. The natural need to be part of a bigger organism, group, or family, comes secondbest.

With a square from a planet on the Ascendant, the departure from normal is not excessive, but the native is too egotistic; with a square from the Descendant, the native defers to the partner. If, for the sake of personal development, the need to belong is allowed to wither, an essential human quality dies, and the individual becomes a loner and inclined to do wrong to others. For the ability to avoid unfairness is based on the nest-like environment of the 4th house.

#### North Node in 4th House or Cancer (James Braha)

If the North Node is in the fourth house or Cancer, the person's greatest growth, evolution, and fulfillment come through taking care of his home and family life. In previous incarnations, there may have been an overabundance of professional activities and social responsibility. Now the person must concentrate on his own soul growth and fulfillment of emotional needs. All activities involving land, property, and homes are favored. The person should develop his feminine and maternal energy, and seek to nurture all those in his presence. He should dedicate his life to family, children, relatives, and loved ones. He may do well in healing professions, nursing, cooking, catering, innkeeping, or any domestically-oriented jobs. Although career focus is neither psychologically significant nor a main objective of this life, the person is extremely concerned with the well-being of all members of his immediate community. He must do his best to see that everyone has a sense of belonging.

The person should not look for a life of profound philosophical meaning. His actions are not based upon compelling drives towards particularly ambitious goals. Rather, he is here to experience and appreciate the full value of his emotions, senses, passions, sensitivities, and vulnerabilities. His job is to keep his family and the human species alive and well. Tradition, rituals, and cultural values are of very great importance. The person is on a lifelong journey back to his roots. Spiritually, this means he is very well-advised to engage in meditation, contemplation, and all innerdirected self-development techniques. Also, he gains tremendous benefits from periods of self-imposed seclusion and isolation. On a more mundane level, the person wants to learn everything possible about the lives, history, and circumstances of his ancestors and predecessors. At the very beginning of life, the person is organically connected to the father. However, as his consciousness grows, he quickly realizes there is no progress to be made in this realm. He then shifts his attention to his mother and all other tenderhearted expressions of creation.

The person is devoted to practicalities, not ideals. He is wonderfully sympathetic, and functions as a magnificent support system to those in need. He is like a rock of stability, always emotionally available for others. In this lifetime the person is learning extreme

devotion and loyalty to his loved ones. He may derive tremendous pleasure from gardening, landscaping, or farming. Collectibles and material possessions are very important. The person must have absolute control over his daily environment. He should surround himself with beauty and whatever else appeals to his personal tastes. Living near water is preferred; and the person may wish to develop his psychic, sensitive nature to the fullest. He is here for a highly subjective, even sentimental, experience of life, and is now relinquishing his obsession with objective realities and ultimate truths. The person may do well in mining, archaeology, or any ecological vocation.

In ancient Hindu astrology, the North Node in the fourth house indicates problems with a forceful or domineering mother and troubles in gaining educational degrees. There are strong cravings in the heart, and a possibility of attaining large homes or mansions. The South Node in the tenth house reveals a good reputation and successful professional life. Careers may involve any spiritual activity which raises the consciousness of the common person. There is distinct talent in metaphysical or natural healing techniques. The sign positions of the nodes are of much less significance.

Lilith here is under the influence of Venus. This placement makes you sensual, feminine, creative, however, these traits can be repressed into the unconscious. Taurus is an earth sign, which means that it focuses on the material world and gaining resources in it. Lilith here is a very physical placement too, affecting your relationship with the material world in the first place, your self-esteem, and your need for stability. You have to learn that you are enough and you are talented enough to support yourself.

Lilith in Taurus indicates that your sense of security is violated. You can feel that it is not safe to have fun, be yourself, or to be happy about the beauty of life. Some people with this placement grew up in an environment where material pleasures were denied or shamed. You learned early to reject pleasure, or you can feel guilt about it. It can be also helpful to donate if you can, and share your resources.

### ***(Black Moon) Lilith ♁ in VIII 8th House***

([1156] elsaelsa.com)

### **Fertilizer Bomb**

If you have Lilith in the 8th house of your chart her themes will manifest in terms of fear, other people's money, psychology, and forces outside your control. This house brings to fruition many of the most intense aspects of the Lilith myth.

With Lilith in the 8th, there are wounds in terms of money, particularly the type of money you have to ask for and claim. You have likely been jerked around, treated unfairly, or outright denied by creditors, lenders, insurance companies, or in matters of inheritance. In one way or another, your rightful claim as been rejected.

In traditional astrology, the 8th house is known as the Idle House, or the house of lowering to the ground. It is where the vibrance of the Midheaven slowly sets until it has little power to affect the world. For this reason, it is also associated with death, taxes, and all powers that are greater than us and beyond our capacity to control. These are forces we can't mitigate or soften. We can't do anything but react. And with Lilith here, that feeling of powerlessness creates a primal rage. Lilith was victimized early on by forces outside her control, and the entire rest of her myth is the story of trying to harness her impotent fury into something she could use. With Lilith here, you, too, will rage and wail in frustration as your anger butts up against immovable objects over and over.

This is why Lilith in the 8th house also affects psychology. When all that righteous fury can find no external purchase, it is forced to turn inward. Here Lilith digs her talons into the fertile soil of the subconscious, and here she begins to find her power. With Lilith in the 8th, your own psyche is both a power to be feared and a source of infinite growth. As you churn the soil internally, new seeds begin to sprout. Seeds of freedom, of personal power, of spiritual resurrection.

There is so much to discuss with this placement – more than I could ever hope to convey in one post. But I will try to sum it up. When you encounter injustice at the hands of external powers far beyond what you could ever hope to control, it's natural to rage, fight, and flail. But that same fury has the capacity to become the greatest nourishment for your soul. Allow it to fertilize the darkest corners of your mind, and find in yourself a power that dwarfs that which sought to oppress you. Learn to wield that power and let it set you free.

## **Chiron ♄ in ♌ Leo 5° 19'**

([1252] [astromajesty.com](http://astromajesty.com))

Chiron in Leo is a significant placement for being or pretending to be a public figure because it's associated with self-expression and talent. Hence, it is a frequent placement among celebrities, politicians, and scientists. Some of them are Jimi Hendrix, Sharon Tate, Joe Biden, and Stephen Hawking.

People with Chiron in Leo will experience that their primal wound centers around creativity and recognition. They often feel that the world is not seeing their uniqueness or that they can't express it. Thus, sometimes they think that they are always in the background and that they can't show what makes them unique.

It is not rare that individuals with this placement feel ignored, unnoticed, and underappreciated. Sometimes, they are indeed highly disliked, or people find them ordinary, average, and insignificant. That hurt Leo Chiron persons deeply, and it shatters their self-esteem.

The truth is, these individuals most often crave validation, appraisals, and being in the center of attention. Leo Chiron people love drama because it appeals to their intense and curious personality. That triggers them to chase the thrills and highs, but nothing brings as much satisfaction as endorsement and approvals.

They have a zest for stories of success, climactic romance, and documentaries about famous people. It gives them an incentive to open up to the world and show their talent because Leo Chiron people always seek confirmation from others in some form.

Even though persons with Chiron in Leo are usually gifted or talented, they have many self-doubts that prevent them from nurturing those abilities. Hence, they can struggle with feeling uncreative, mediocre, or unimaginative. One of their biggest fears is being an average Joe or Jane and not leaving their legacy to the world.

Perhaps their fears come from early childhood. If parents didn't acknowledge their flair when they were kids, they might feel no one else will because they don't have anything special inside. They likely experienced bullying for their artistic expression as kids, or their peers always got more recognition and praise. However, that initiated self-doubts

that grew over time.

Because of that, Leo Chiron doesn't believe in their talents, or they fear they're not remarkable enough. Even if they find the strength to share their abilities, they don't believe in their talent. They torture themselves and wonder whether they're copycats, cliché, over-the-top, repetitive, or dull.

Due to their fear, they avoid pursuing their dreams or joining groups, institutions, and communities that could nurture their talents. Leo Chiron individuals believe they don't deserve to be among talented people due to their lack of talent.

It is why people with Chiron in Leo tend to hide their capabilities and why they deter from showing the results of their passionate work. In some cases, they don't even want to be seen, noticed, or heard. They avoid the public, and they don't see themselves as worthy of attention, praise, and applause. What terrifies them in all cases is the fear of criticism

On the flip side, Leo Chiron people can be too hungry for approvals, which causes them to do everything in their power to get recognition and an ovation.

People with Chiron in Leo also encourage the talents of other people while neglecting their own.

### **Men with Chiron in Leo**

As children, men with Chiron in Leo encountered situations where their talents were ridiculed or not well-received.

One of those experiences forced them to start to think of themselves with a sense of unworthiness. Men with Chiron in Leo Chiron rarely remember what caused their self-doubts because they suppressed the negative memories.

These men often have severe social anxiety. They struggle with public speaking and being in large groups of people.

Whatever the case, they don't feel comfortable being in the center of attention and with people looking at them. It is why they always avoid situations in which they have to perform, present, or address the public.

Men with Chiron in Leo are rarely bad-intentioned. But unlike their female counterparts, they can be unpleasant and dramatic with people who criticize them.

Even If someone is trying to correct or help them improve, males with Chiron in Leo can react quite harshly. Attack tends to be their defense mechanism, and they use it whenever they perceive someone is putting them down.

Leo Chiron males don't like when other people mock them, not even their close friends. Any remark that reminds Leo Chiron men what they think of themselves infuriates them and affects their confidence. Hence, these men don't relax easily, and they are always on alert for attacks.

They are also likely to pretend that they don't care about the opinions of other people.

Although it eats them up inside, they will act indifferent and ignore if someone insults or provokes them. Leo Chiron men are so used to the idea of being unworthy that when others compliment them, they usually don't believe them.

Men with Chiron in Leo often bury their dreams and aspirations because they doubt they can achieve them.

Sometimes they secretly dedicate themselves to their talents because they fear others would ridicule their attempts to express themselves. It is wrong to assume they don't want others to recognize and applaud their abilities. It's quite the opposite.

Leo Chiron men don't want to be too obvious. They prefer when other people convince them that they're talented and to keep it going. These males believe that if they follow what other people told them, it won't be their fault if they don't like them.

However, Leo Chiron males can also be theatrical and invest all their energy into becoming famous. The problem is that they shouldn't share their abilities to get approvals. They should do it because they genuinely have the urge to express their talents to the world. It is how Leo Chiron men will accept themselves and relinquish negative childhood memories.

### **Summary**

People with Chiron in Leo believe that life is there to enjoy it, but they usually constrain themselves from doing it. The reason is that someone discouraged them from expressing their talents. However, that's what they need to enjoy life genuinely.

If they had parents who belittled them or didn't acknowledge their abilities, Leo Chiron people probably grew up thinking that they are not unique enough.

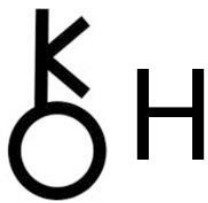

On the other side, their peers, professors, or mentors likely ridiculed or compared them with other kids. Consequently, these people believe that they are either not talented or that others are more gifted than them.

Hence, they have issues with expressing themselves, and they hide their abilities from the world. People with Chiron in Leo can be beyond talented, but their sense of worthlessness will prevent them from showing it. Many are so convinced of that idea that they completely neglect or forget their skills.

These people are used to being unnoticed, perceived as ordinary, and untalented. Persons with Chiron in Leo prefer to keep a low status and avoid being in the center of attention. They are terrified of criticism and don't believe they are worthy of applause and acknowledgment.

These people must find their inner power and learn that the only acceptance they need is the one from themselves.

Maybe they had friends turn their backs on them and choose someone new, more popular, or socially acceptable. That might be because people with Chiron in the 11th house tend to be shy, peculiar, introverted, or even awkward and odd. They typically think, dress, or act differently than their peers.

Because of that, they might have experienced in which others labeled them as freaks or outcasts.

On the other side, maybe they suffered from treason as teenagers or young adults. It could be that their best friends abruptly stopped talking to them or liking them, cutting all the ties.

Perhaps those with Chiron in the 11th house had to go through a friendship drought and periods when everyone abandoned them, and they had no one to talk to.

In most cases, people stop interacting with them without an explanation, or they find new friends.

### **Loneliness and fearfulness**

If other natal chart aspects alleviate this placement, it could be that those with Chiron in the 11th house have to go through long-distance periods in their friendships due to different reasons.

Whatever it is, it affects their mental well-being and emotional health. They tend to feel lonely, forgotten, and neglected. As a result, their self-esteem suffers, and they go through many milestones and life difficulties alone.

These experiences also create a fear of sharing their ideas, opinions, and wishes. They become afraid to speak their minds because people could judge them and reject them altogether.

People with Chiron in the 11th house are also likely to suppress their attitudes and convictions to fit in. They could accept toxic ideologies or beliefs if it means not being lonely.

That can cause stereotypical thinking and not thinking with their heads. People with Chiron in the 11th house are also prone to having controversial or unpopular opinions and mindsets.

It is what often makes them feel alienated, left out, or misunderstood.

Moreover, they tend to become rebels, to criticize society and political structures. If Chiron is afflicted, they could become dissidents and have problems with the law.

Whatever the scenario, these individuals typically develop social anxiety and hesitance to form new connections. They distrust people.

It is why they are not open to making friendships and becoming attached to people. These individuals would rather delve into the old ones and live from memories.

### **Potential visionaries**

People with Chiron in the 11th house are typically harsh on themselves and believe they

can't live up to societal ideals and standards. They are often sure they are incapable of doing things right, but others usually have a different perception of them.

Other people could perceive them as original thinkers, unique, and charming.

If other aspects in a natal chart are more favorable, they can be revolutionaries, innovators, and visionaries. Their ideas and projects could be of extraordinary value to society, groups, and communities. They can help humanity be ahead of the time with their solutions.

If they don't become bitter and use the rejection or heartbreaks to find their way, they can be stellar leaders and entrepreneurs.

Those born with Chiron in the 11th house tend to gravitate toward signs of Libra and Sagittarius. They can form connections with a Sagittarius because they help the 11th house native bolster their confidence, march on, and use their abilities.

On the other side, Libra requires validation and reminders that they are worthy due to their insecurities. When those with Chiron in the 11th house team up with Libras, they get to help someone else be stronger and more confident. Thus, it is a carefree friendship where each has enough freedom.

People with Chiron in the 11th house tend to form connections with people who have a history of traumas, hurt, and difficulties. They often hang out with broken souls, abandoned and persons on the margins of society. It is not because those with Chiron in the 11th house use them to make themselves look better or be the saviors.

Instead, these individuals have the power to help others heal because they understand the depth of pain, rejection, and loneliness.

Yet, even if they find their tribe or someone who cares, people with Chiron in the 11th house still feel like observers who see life passing by without them.

Perhaps they forgot how to belong or feel accepted. They expect in advance that everyone will push them away or betray them.

As a defense mechanism, those with Chiron in the 11th house leave before others leave them.

### **Wrong self-perception**

One of the crucial lessons they have to learn is that people usually don't see them as they think. Not everyone perceives them as outcasts or awkward nerds.

Also, not everyone will abandon them or turn their backs on them. People with Chiron in

the 11th house need to learn to trust and open up to the outside world.

Otherwise, they will keep excluding themselves before anyone else does it. That leads to perpetual loneliness and seclusion.

They need to realize that even though real heartbreaks, betrayals, and rejections created the original wound, they are the ones that keep it open.

People with Chiron in the 11th house have to stop blocking others from their lives, or no one will ever show them that it's okay to trust.

But more than anything, these individuals have to find the best friend in themselves because if they accept that they are good enough, they will manifest that belief.

You enjoy finding deep meaning and participating in the regeneration process. On the physical level this is linked to sexuality through an intimate and transforming contact. On the spiritual level, this is linked to the mental search for intense emotional levels while helping others, and also overcoming negativity.

There is an intense desire to explore the meaning of life and the psyche. With Part of Fortune in Scorpio, there is a clear and penetrating perception that lets you dwell on the unknown and be at the center of every process of emotional and spiritual change and

transformation.

The sign opposite to your Part of Fortune in Scorpio is Taurus. Through Taurus you observe how others prefer to remain safe in what gives them shelter, while you try to discover everything that is new. You want to uproot the established order, eliminate what is no longer useful, and improve it. You know how to fix and rebuild everything that is destroyed, by recognizing what is still worthwhile and useful.

Therefore, you understand your own unconscious and you are in tune with the unconscious levels of society's thinking.

You destroy or eliminate from your life everything that no longer makes sense or no longer has a true value. To many other people it will seem that you are destroying what took so long to build, but you know that what can be destroyed was not really valid.

You look for the hidden secrets of society and the mystical reality of the Universe, especially because you know what it can bring to the human beings of today.

Taurus energy builds, and Scorpio energy undoes or destroys. You know that both are necessary in the process of evolution. That's why you know how to build, destroy and reconstruct all the things in your life to transform them.

You feel an immense restlessness for wanting to understand everything that is not visible and that is behind the apparent. You want to know what is beyond the normal reach of human perceptions.

You never rest until you know that you have done everything in your power to provoke in yourself, and in others, the changes that are needed to free yourself. You are a transformer of mankind and dislike the lack of progress in those around you.

You are happy and you do better when you show others those roads they are afraid to consider, and you help them to have a deeper meaning in their lives. This has a

transforming effect on yourself and everything around you.

## ***Part of Fortune ☒ in II 2nd House***

([1288] [astrolibrary.org](http://astrolibrary.org))

You enjoy discovering what is of true value to you as you become more sure of your principles, building a wealth that gives meaning and richness to your life.

Possessions and money are important to you as long as they reflect your most sincere values.

Since your Part of Fortune is in the second house of your birth chart, the eighth house is the opposite house. Through the eighth house you will know the values of others. So, you must learn to differentiate what is good for you personally and what is good for others.

Therefore, your greatest fulfillment comes from knowing how to maintain your personal integrity, and from everything that you know rightfully belongs to you.

Your greatest weakness is to let yourself be absorbed by the sexual values of others. Your greatest happiness comes from achieving inner stability, and a strength of values that can not be altered by others or by society.

You look for strong principles that guide you in your life. You must learn that other people will also find theirs. You should not try to force yours onto them because it would be trying to give something to others that they are not ready to receive, or are not willing to listen to. This would only weaken you, and in addition, you would risk losing your goal and doubting the validity of what you already have.

You learn to appreciate the values of others in an impartial way. This helps you accept the validity of ideas that are contrary or different from yours and that do not really threaten the security of yours. You know that the world is large enough and that variety adds richness to the world.

In the second house of your birth chart, wealth is built. In the eighth house, the false aspects of that wealth are destroyed, either physically or mentally.

You will notice how others change their opinions. Therefore you will have clashes with

friends and family, and fundamental differences of opinions, principles and values. These will decrease when you know how to not take it personally, when you take it as if their opinions do not threaten what you value and possess.

With this detachment and impartiality you will express your divine nature and the importance of defending meaningful principles and having integrity, without it resulting in violent struggles or losing your inner peace. Thus you will develop the ability to see what is meaningful and necessary for you, and this will be your greatest happiness.

1) ► **Ascendant** ASC **Parallel** ♀ **North-Node** - (1°38')    ♄1 | ♃4

([100] astromatrix.org:) Transforming Personality

With North Node conjunct the ascendant you are able to shape your personality to be in harmony with prevailing social trends. This can make you popular, but also superficial. Your actions aren't based on fundamental convictions but on popularly accepted behavior. You're often tall, lanky, cheerful, optimistic and jovial. Your effusive outgoingness often prevents close personal relationships or lasting partnerships by making others feel inhibited and suspect a lack of sincerity. You can be serious and calculating when dealing with the public or partners.

Your karmic path is combined with your identity and ego, which allows your personality to align well with your growth and evolution. Be careful not to use your charm or popularity for selfish gains but for helping others. Also, since the South Node is connected to your Descendant, it is important to choose your partner wisely as many times they can represent your past karma may cause a block or hold you back in any transformation or growth you seek within this lifetime.

2) ► **Midheaven** MC **Parallel** ♀ **Neptune** - (0°39')    ♃2 | ♄11

But you do not always know what these impressions mean or what to do with them. Consequently, there is a real danger that you will be confused much of the time, especially about who you are and where you are going.

Unfortunately, with this aspect you tend to get discouraged and depressed about yourself, feeling that you will never get a real grasp of what is happening in your life. One

of your parents, at least, should be able to lovingly but firmly guide you through life and point out the difference between realities and illusions. This position is often associated with psychic ability, which may be the source of the impressions that seem so confusing and hard to understand.

Your parents should accept the fact that your so-called fantasies are actually based on a reality that is not easy to understand. They should help you learn to interpret this reality rather than saying that you are only dreaming or making it all up. It won't be easy to find the right course to follow in life, but this position provides a few clues.

First of all, you should feel that you are working for a cause higher than yourself, whether it is serving or taking care of others in some way or working for an idea or faith. This aspect has a very strongly religious dimension. But it is more mystical than orthodox, and even while you are young you will be attracted to mystical and otherworldly ideals.

3) ► **Midheaven MC Parallel ♄ Juno** - (0°41') ♀2 | ♀12

([606] 12andus.com:) You can easily attract your best match for long term partnership and perhaps even meet your future partner through your career path.

You may be in business with a partner or achieve some positive public reputation because of your connection to a partner. A partnership or marriage may help you ascend to a position of power and recognition or status that you gain may be because of your connection to a partner

You may also easily attract a powerful or influential partner who helps to improve your reputation or expand your audience.

Your lucky breakthrough in your career path or business may be at least in part because of the influence of a strong and influential partner.

Opportunities: 1. Working with Others 2. Creating Your Ideal Family Life

Challenges: 1. Not Overidentifying with Your Emotions 2. Discovering Your True Needs

When you have Moon Opposition Ascendant in your Natal Chart you will be more intuitive, understanding, sympathetic and generous to those around you, especially your loved ones. However, you may feel like you put too much emphasis on your emotions, and this can be quite problematic or draining your ability to connect with others. You will be very emotional and expressive in general, but you need to figure out what your deep down needs are, and not base your needs on other people especially if you have a tendency to be insecure in your own self-worth, which is a tendency of this placement.

You have probably been brought up with a lot of your security needs filled within your family life. Or occasionally, you may feel like you just want to be wanted. In your professional life it would be good to not work alone as you much prefer being around others, this is beneficial to your emotional well-being.

([180] astromatrix.org:) Giver And Receiver

Opportunities: 1. Following Your Higher Callings 2. Finding a Stable Home Life

Challenges: 1. Figuring Out Your Life 2. Achieving Both Success and Satisfaction

Your childhood home should be a place of warmth, love and friendliness; and while you are young your life should be reasonably calm. As a result, you will have an excellent relationship with your parents as you grow up, and you will feel secure within yourself.

You will be able to give and receive love very easily and make others feel your personal warmth. Your family, as well as your own spouse and children when you are older, will always be important to you. Whenever you need help, you know you can turn to your parents. You enjoy warm and comfortable home surroundings. Wherever you go, you will create a warm, friendly place where you can get away from the cares of the world. You enjoy having friends come to your home, because you like to share your personal world with others and make them feel as good there as you do.

While you are still quite young, but later in life especially, you will enjoy having objects of art in your home. You like to be surrounded by elegance and grace. In youth, your taste may border on the flashy, but you should tire of this quite quickly, and eventually your ideas about art and decoration will be quite advanced. Also, you will prefer rather fancy clothes.

Your home and family are very important to you as a refuge that you can retreat to when the outer world is too harsh. You will always remember your childhood as one of the best times of your life, and you will have great respect for your parents, especially the one who gave you the most emotional support.

As you get older, you will remember what you had when you were younger, and you will love anything that reminds you of home. Wherever you go, you will try to find a community like the one you grew up in. And if you can't find such a community, you will seek one in which people are as close as they were where you grew up.

All your life, you will have great respect for traditions and customs, even if they are very different from your own, not because you are narrowly conservative, but because you know they give people positive emotional support. Temperamentally you are quite liberal, and you enjoy the experience of new places and different worlds.

All of your life you will prefer rather large and elegant homes surrounded by lots of open space. You hate to be cramped, physically or emotionally, so you avoid close relationships with people who are very jealous or possessive, because they would restrict your inner freedom. Normally this aspect signifies a high degree of emotional security, which enables you to withstand any difficult times and even offer help to others when they are in trouble.

([589] [12andus.com](http://12andus.com);) You are wise and intellectual but your gifts for strategy tend to

Yet in your private life you can be a visionary. You may need to become more confident in yourself and your visionary powers so that you can become more of a champion for change and mentor to others in your professional life.

If you don't you may undermine your mission and campaign. You may also bypass opportunities to become the leader you could be. 10) ► **Sun** ☉ **Parallel** ⊗ **Fortune** - (1°34') ☽10 | ♀2

([14] astrotarot.net:) The one who takes steps ahead

Typical features that this conjunction brings: You have a “double dose” of the same sign. In other words, you have the double dose of the sun sign. This is good regarding the positive traits of the sun sign. You should watch out for the negative traits of the sun sign. That is because you have a double dose of those. So, you should try to focus on the positive traits of the sun sign. With this Natal Part of Fortune Sun aspects you are creatures of habit. You are attached to the past and to your tradition. You are also emotionally impulsive. And your actions express your emotional state. Above all, you possess admirable vitality. You don't have much patience for people who go through a lot of emotional ups and downs. You live and breathe the Sun and the Part of Fortune in tandem. The wants and the needs are aligned. Generally, you come across as rather

uncomplicated regarding what you want out of life. You are able to make decisions without too much struggle. The emotions and feelings of the Part of Fortune are in harmony with the ego. You can easily express your feelings and meet your needs. But, on the negative side, you question your thoughts. This is not necessary for you. “But what if...” and “on the other hand...” are statements you can’t help making.

- Positive traits: These Natal Part of Fortune – Sun aspects bring considerable individualism. You are sensitive, especially the men. You are energetic, optimistic, bold, fearless, stable, generous, spirited, assertive, courageous, and full of enthusiasm for action.

- Negative traits: you can also become self-centered and narrow-minded. You find it hard to cope with changes unless these changes benefit you. You have Aries energy and its negative traits.

11) ► **Moon** ☽ **Parallel** ♄ **Saturn** - (1°11')    ⚡ 11 | ⚡ 3

([19] [astromatrix.org](http://astromatrix.org);) Melancholia

The Saturn-Moon combination is not a particularly harmonious one; and in these contacts the individual lunar nature is often detrimentally affected. You can display a sober, self-restrained, conservative personality.

Your social relationships can lack spontaneity, enthusiasm, and naturalness, inhibited by emotional defensiveness, reserve, and caution. Self-esteem is weakened by such attitudes, which fall like a shadow across your relationships and experiences. One source of this may have been childhood and early social conditioning.

Perhaps early childhood was influenced by family discipline, either through authoritarian controls, or through imposed religious, political, or social beliefs. Perhaps there were family upheavals and unsettling discord, or strong feelings that you were not really wanted or loved by your parents, whether or not this was actually true. This may have resulted in a fear of emotional expression, to others and even to yourself. This, coupled with a need to protect your sensitivity, has associated emotions with painful 'negative experiences'.

In adult life, there may be one parent toward whom you still feel resentment, deeply contradictory attitudes, and powerful emotions. Emotional integration can be lacking; it is part of your nature that remains uncomfortable and relatively immature, and which will interfere with adult relationships that may prove difficult to develop beyond the early stages. A lack of self-confidence, and reluctance to reveal your vulnerable feelings to others, make you withdraw into negative behavior patterns whenever the possibility of a close relationship occurs.

Liberation from the past's chains will bring relief and release; it may not be easy yet could provide the keys to a bright new future. You may be surprised at how much past experience and conditioning have shaped your adult personality; looking for ways to heal and integrate your inner child would be extremely beneficial and transformative. Achieving this step could help improve the quality of your relationships.

Potential exists for you to enjoy mature contacts with other essentially serious and thoughtful partners, where the relationship has maturity and depth, with a gradual emotional release as mutual sharing increases across every level - physical, emotional, mental, and spiritual.

12) ► **Moon** ☾ **Contra-Parallel** ⚡ **Uranus** - (1°42')    ⚡ 11 | ☾ 12

([157] [astromatrix.org](http://astromatrix.org);) Freedom Or Security

Challenges will probably occur within intimate relationships. These will reflect the clash between old and new, between familiar behavior patterns and the attraction of renewal emerging from a chaotic unknown.

Your inner life may feel like a battleground, as these two different energies try to influence choices and decisions; and at times of crisis, you may feel almost torn apart. A tendency toward mental and emotional stress will exist, arising from emotional instability and problems created in relationships through unpredictable and frequent mood changes.

The impact of the Uranian vibration may create sudden changes in the erratic mutability of the lunar emotions. This can stir choppy seas into more dangerous storms. If you then release this tension through conflict with those closest to you - which is a common behavior pattern - relationships could become quite stormy. Others' inability to rely upon and trust you will obviously affect the development of long-term relationships. Your need for variety can also cause problems. This can be felt inwardly, where you easily get bored and lose interest in your home, employment, marriage, lovers etc., and then enter a phase of frustration if your need for new stimulation is denied.

To break free from this tension, you may suddenly 'explode' toward new explorations, attempting to shatter all limitations and restrictions. This can lead to moving to a new house, changing employment or established careers to pursue other directions, or entering affairs or separating from marriage. You find responsibility and commitments hard to bear during times when the Uranian impulse is too strong and capable of breaking through the Moon's established defensive patterns.

What should be avoided is a repressive build-up of inner tensions, because if they 'explode' through you, their destructive quality will dominate, rather than their transformative intent. The first step lies in acknowledging this inner pressure, and then learning to release it slowly and with conscious control, directing it into suitable channels as a natural development of your life.

Accepting this impulse for new experiences and interests can be adequately handled, if a continuous element of exploration in your life is sensibly allowed to operate in appropriate ways. This is an essential 'safety valve' to develop for your well-being. Understanding this tendency will help in choosing a suitable partner, one who accepts this need of yours and is both capable and willing to compromise when necessary in helping you to find ways to safely release tensions.

Any progress made in integrating your emotions and mind into a functioning whole will reap considerable dividends. Self-help techniques devoted to personal wholeness could be explored, offering potential positive development. Attempts by you to impose either emotional or rational dominance on your inner life will lead to additional friction created by the ignored planetary energy. Feelings of instability that often persist also diminish your self-esteem, resulting in insecurity.

You may lack a firm personality center, fluctuating between Moon and Uranus, between emotion and logic, finding a home nowhere. You could find it useful to experience your emotional depths as deeply as possible. Let them rise to the surface; feel and understand their intensity, without cutting them off whenever they become unpleasant by an 'intellectual put-down' as inferior and not part of your preferred self-image.

Equally, your mental interests and pursuits should be emotionally resonant, drawing both levels together. As your nervous system is over amplified, attempts like this help moderate and balance the flow of combined energies, thus making it easier for you to live with others without frequently feeling a restless obsession for change.

13) ► **Moon** ☾ **Parallel** ☽ **South-Node** - (0°30') ♎11 | ♏10

([162] [astromatrix.org](http://astromatrix.org);) Strong Emotions

With the North Node opposition Moon, you may have difficult relationships with women, especially your mother although there is frequently a strong psychic link to her. The emotions undergo difficult spells, especially you have trouble expressing your sensitive side, causing others to see you as cold or more standoffish offish than they really are.

Getting the support of others does not come easily, you may feel alone, forced to rely on themselves. Losing loved ones is extremely hard on them. The mind is of an unusual nature and the thought processes are different. There are anxieties verging on paranoia or causing crippling fears. You may not be comfortable dealing with crowds.

Memories of difficult experiences working with the public from previous incarnations may inhibit your expression and evolution. You are working on strengthening and balancing the emotions, stabilizing the mind, and handling the impressions coming in. If the impressions get away from them, there can be a fascination with occult practices of an unhealthy sort. In some cases, the South Node influence destroys the sensitivity of the Moon, bringing out a cruel and hurtful personality.

There is a tendency to feel alienated by others' lack of cooperation and support, and you may feel that you have bad timing. As a result, you isolate yourself further as a defense mechanism and create a perpetual cycle where you feel lonely and negative all the time. You must learn to stop being so defensive and develop a backbone. Learn to be more malleable in adverse situations. Not everyone is out to get you or take advantage of your vulnerability.

14) ► **Venus ♀ Parallel ☿ Jupiter - (0°09')** ♀2 | ♀34

([41] astromatrix.org:) The Gift From Heaven

The classical astrology meaning of a conjunction is that the powers involved merge, so that their characters mix and form a new character, it depends on the planets characteristics as to how this can affect the individual and is one of the most difficult aspects to understand.

In the case of Venus Conjunct Jupiter, the two planets are joined in a conjunction, they do astrologically become sort of a new planet, with its own distinct traits. The closer the conjunction is, the more this transformation is true. In this case, it's enlarging the qualities of Venus: romance, relationship, pleasure, and money. This doesn't necessarily mean that all of these things will come easily to natives with a Venus-Jupiter conjunction.

You have a big heart and have a kind and generous heart. You can be quite a romantic when it comes to your lover. You may have an indulgent or lazy attitude on occasion. You love pleasure in all its forms so work and effort can be more difficult for you as it is taking time away from your personal enjoyment. It is best to try and utilize this energy in your work situation, it is good to be involved in careers or work where there is an emphasis on beauty, art or social interactions. You have a greater than average need to grow in your love relationships, and to shower your partners with acceptance and warmth. You have a strong need for growth, good humor, and fun in your relationships.

15) ► **Venus ♀ Contra-Parallel ♃ Neptune - (1°26')** ♀2 | ♀11

([177] astromatrix.org:) Personal Versus Universal Love

Whilst the square is associated with inner changes being stimulated by the pain of inner tension and frustration, the focus of the opposition is usually projected externally onto people and the world, from which it is often reflected back again as a source of conflict. How this tends to manifest in your life is likely to be through an underlying suspicion and distrust of others, perhaps based on actual experiences where you have been a victim of deception and deceit, or where you feel that others have badly let you down and reneged on actual or implicit promises.

As 'energy follows thought', because you are projecting a pattern of suspicion and lack of trust into the world, it is likely that you are receiving back the consequences of your own inner pattern. This is often formed by unresolved, unintegrated and unconscious factors associated with the influence of Neptune operating through a heightened

emotional sensitivity and vulnerability.

As the strength of imagination in you is potentially very potent, if it is misused or unrecognized then unconscious inner needs and desires create compulsive motivations formed around private fantasies and perceptual distortions of reality. These inner pressures affect the stability and content of your emotional level, so that one result can be moods and uncertainty regarding the consistency of your feelings.

Obviously, this will affect your intimate relationships, and can demonstrate its presence in a variety of forms of deception, within yourself and within the love affair. The 'enemy' that you often project 'out there' is hidden within yourself. Those Neptunian patterns of victim sacrifice and martyr may emerge, either as experienced by you, or as expressed through you onto others, where you exploit any powers of sexual seduction that you possess for self-gratification. Sensual preoccupation may appeal to you, yet this could hold the seeds of your own destruction within it, as there is likely to be an addictive tendency operating which is associated with alcohol, drugs and sex. Surrendering to this pattern would be most unwise, and a reflection of an unintegrated Neptune.

Greater clarity and honesty in relationships is probably needed; or the consequences of this will emerge through deceit, by your own secret love affairs or those of a partner. Certainly, trust will be a casualty, and if not perceived correctly will only serve to add more fuel to the fires of your own suspicious outer projections. Marriage may become an uneasy battleground and a focus for inner pressures and stress. This is sometimes felt by others as an 'antagonistic vibration' with which it is unpleasant to remain in close contact for long periods. Learning how to recognize these projections is an essential first step.

You can win the respect and cooperation of others by appealing to others' sense of value and desire to feel comfortable and nurtured. You may use friendliness and your social skills and good bedside manner to appeal to the heart and empathy of others.

Though you can be wise and charming, ultimately you will draw on your sensitivity to others' emotions and desire for love and acceptance, appealing to the compassionate nature of others.

17) ► **Venus** ♀ **Contra-Parallel** ✱ **Juno** - (0°06') ♀2 | ☿10

([596] 12andus.com:) You may be torn between the desire for love and romance and the desire for serious commitment.

Your intentions may be to settle down and make a relationship work and yet your love of flirting and being admired can lead to problems in your commitments if you stray from your partner.

You may also be so in love with the idea of being in love that you attract partners who are toxic, unavailable or who simply aren't looking for the same things you are looking for. You may have to work hard to see through the illusions in romance.

You want to give everyone the benefit of the doubt but you aren't always as protective of your feelings and vulnerability as you should be.

You bring out the beauty in those around you but may pay little attention to your own image. You can also use materialism to prove your dedication to a mission that helps others grow spiritually.

19) ► **Venus** ♀ **Contra-Parallel** ♄ **Chiron** - (0°08') ♀2 | ♄11

([120] astrotarot.net:) Typical features that this opposition brings: this aspect is almost always more about the relationship to yourself than the relationship to others. With this aspect in the chart, until you build a healthy relationship with yourself and healthy self-esteem, healthy self-worth, you will repeatedly end up in relationships in which the partner ends up provoking some additional wounding. And there is a fear of rejection

from a lover. No matter how much you do for a partner, you never feel it is enough. Early experiences of rejection help you to learn a tremendous amount about love and relationships. Applying this wisdom on a personal level is the challenge. You need to first heal your own deep fears of not being good enough. In conclusion, you need to learn to love yourself and to make sure your partners are meeting you halfway. Also, you may be attracted to partners who need help. With the opposition, your love life will inevitably manifest as long periods of repressed stress punctuated by sudden outbursts of pain. Of course, you are going to try and attract a partner who balances you in some way. But eventually, the strain on the relationship will begin to show, and you will be forced to face your pain once and for all. Let good things come to you, brave up and face it. Opportunities do exist, so it is a matter of actually acting upon it and coming in on equal ground. Heal yourself and become happy!!

- Positive traits: With this Natal Venus – Chiron aspects you are very sensitive.

- Negative traits: you often feel that you are not good enough. Also, your capacity to earn money is directly related to what you believe you deserve, and with this aspect, this belief can be quite distorted.

20) ► **Jupiter** ☌ **Contra-Parallel** ♄ **Neptune** - (1°17') ♃4 | ♆11

([192] [astromatrix.org](http://astromatrix.org);) The Social Worker

The opposition has several similarities to the square, but here the source of 'contention' is projected externally onto the outer world and people. There is the difficulty of 'follow-through', where intentions and plans are often thwarted by an inability to actually realize them, despite your original aims; things are started but never completed in any satisfying way.

You tend to resent and resist any external pressure that can be placed on you by others' expectations of your performance and abilities. Conflicts often arise in interpersonal relationships, especially with other work colleagues, who may attempt to take advantage of your skills or persuade you to take on responsibilities which may be thankless tasks, or in which for reasons of their own advantage they expect you to fail. There is often a lot of manipulative activity in workplaces, and you can become a victim of this if you are not aware of the hidden motivations of others. You can become paranoid and suspicious of people, perhaps as a result of previous experience, and there is often a kernel of truth and validity there; yet equally, part of this is a projection emanating from you based on the tensions inherent within this opposition.

You tend to either oppose or antagonize others, sometimes by being too direct in your comments and attitudes; there is little social diplomacy in your style of expression, and sometimes you can be very tactless and too adversarial. There can be a blind spot in your character that is often unrecognized and is related to the sign and house positions of Jupiter and Neptune. Whilst you may fail to fully comprehend your own nature and what you 'should be doing', you still express yourself forcefully and with a tendency to be

authoritarian. Yet you also often challenge the dictates of those in positions of authority, questioning their perceptions and rights to wield power.

There is less of a social awareness and conscience here with this aspect, as most of the energy is tied up in an external uneasiness; you do not have any great trust in the good nature of others, which, whilst possibly more realistic, is also symptomatic of your own inner fragmentation and stress - you cannot relax and trust yourself either. You need to learn how to accept others as well as accepting yourself; the two are intertwined, and if you can manage this then stress will be diminished, and all your relationships will improve as you correspondingly feel more at ease in your own nature.

Intimate relationships can pose difficulties until the step of personal integration and resolution is taken. Your choices of partners may be unwise, especially where those anima-anima projections are superimposed on the partner, apparently turning them into the ideal lover who possesses everything that you believe you desire and need. When these projections collapse, you are liable to be emotionally distraught and see that person as another one who has deceived you; in fact, it may have been your own illusions that have been self-deceptive, and so the consequences of a hurt heart should not be taken out on your partner in any emotional or physical aggression.

Resorting to the Neptunian addictions of drugs or alcohol must be avoided at such traumatic times. Some form of religious or spiritual life and aspiration is likely, yet this too can suffer from some distortion and invalid projections. Your spiritual attitudes may lack a practical dimension, or even a serious application by yourself in everyday life. T

here can be a greater attraction toward the glamour of more exotic religions, which offer a colorful fascination and mystery that appeals. Cultism and an idealized surrender to gurus can be a temptation, despite your resistance to forms of authority, and can seem to offer a way out from the disappointments and stresses of your life. Alternatively, you may dream of foreign travel or pilgrimages across the world as an antidote to the lifestyle you feel trapped within.

Realizing that so much of what dissatisfies you in the world is a reflection of an inner lack of integration would be a major step forward. Reabsorbing those powerful projections, allowing yourself to re-own them, can only strengthen you and give you back the ability to redirect your life in ways that you want it to move in.

Taking such control and self-responsibility is crucial, unless you want to persist in the likelihood of unsatisfactory relationships with others, where your need for development and expansion is perpetually thwarted by 'external resistance'.

24) ► **Jupiter** ♃ **Contra-Parallel** ♄ **Chiron** - (0°17') ♃4 | ♄11

([122] astrotarot.net:) Typical features that this opposition brings: this aspect is in fact the process of transformation from broken to whole. Before you integrate the wound, you will feel broken, and separated from the world. You may periodically vacillate between a desire for expansion and a fear of experiencing or inflicting pain as a result of expansion. When you integrate the wound into your being, you will feel whole again. Jupiter will help this process. That is because it has the unique quality to bring separate parts into a unified principle. This opposition aims to bring out the best out of two planes. Jupiter is optimistic, generous and coherent. Chiron is the healer, compassionate but also unconventional. - Negative traits: you often feel that you are not good enough or that you are strange to others. Yet the experience of distress, hardship, and tribulation can provoke you to push past limiting thoughts and awaken the unrealized potential from within.

25) ► **Saturn** ♄ **Contra-Parallel** ♅ **Uranus** - (0°31') ♄3 | ♅12

([198] astromatrix.org:) The Activist

With the opposition, you will tend to project inner tensions outwards onto others through your social and intimate relationships. These tensions arise as a result of the clash of the Saturn and Uranus energy patterns within you and will continue to remain operating until you succeed in resolving the causes of the inner friction, through transforming the relationship of Saturn to Uranus.

You may feel torn between two polarized directions, past-future, order-chaos, orthodox-unorthodox, stability-change. This may make it difficult for you to decide on life

directions, or you may become biased towards one pole to the repeated exclusion of the other, and some degree of repression of the ignored planetary qualities will occur. This can give you a hard edge to your personality, which is partly a result of trying to maintain a fixed inner center against the other inner planetary attraction.

You prefer to remain clearly in control but can express this with what seems to others an overly aggressive approach. There can be a lack of relaxed relationships, partly because you have a competitive attitude and desire to become personally important and authoritative in a social sense. It is doubtful if you will have many close friendships, because of an attitude of exclusion and distancing that you put up around yourself.

One area that can create conflict for you is a lack of openness to others, and that attitude of righteous knowing; this can block any real relationship from occurring, and often will generate antagonism from others, who look for opportunities to 'bring you down'. Learning to listen more to what others have to say is one lesson you need to apply; there is something of value to be gained from communication with every person, because the wisdom of the whole is reflected through each individual, and the routes that guidance and messages can take are infinite in variety.

If you are not open to the world and people, you will miss them, and just circle around in your own limited world. Life can be greatly enriched by sharing with others in an attitude of equality. Co-operation and compromise should then flow by such an adjustment in your attitude to others, as you break down that restrictive egocentric shell. It is likely that the Uranian energies will be less expressed than the Saturnian ones, so some degree of rebalancing may be required to free that planetary influence.

This can be released through personal creativity and allowing yourself to be freer and less tightly bound. This can involve the dissolution of limiting self-images, and an inner granting of freedom to others, so that you do not insist that they conform to your image of them. Often you attempt to direct their lives for them, especially in the more personal sphere of relationships, because it makes you feel able to control life. In the way that you are applying this, the results just inhibit a vibrant life.

The Uranian characteristics can also emerge if you become involved in social reforming groups, where you may release that aspect of your nature in an active manner through questioning the Establishment. What you may have to be wary of is a bias towards Uranus that leads to losing the awareness of the essential Saturn values in life.

What you should be aiming towards is a way to create a workable balance between these energies within your own nature and through relationships, so that the positive aspects of each can shine through.

26) ► **Saturn** ♄ **Parallel** ☿ **South-Node** - (0°41') ♅3 | ♁10  
([203] [astromatrix.org](http://astromatrix.org);) Rigid Habits

An outer planet in conjunction with one of the lunar nodes is a planet of special significance. This increases the importance of Saturn in your life.

With North Node opposition Saturn, this suggests you have learnt a good dose of Saturnine attitudes. While this can come out in a positive way, it is a potentially constricting aspect right from the start, due to the limiting and pessimistic nature of old, worrying Saturn.

You may have rigid habits or outlook, and your ambitions may be so far removed from what is the accepted norm by modern society that you could create a world of isolation, detached from life, ignoring social duties. This is potentially the hardest past-life life influence from which to escape.

It is easy for you to become stubborn or stuck in the past. You are bound to the old methods and mindsets, having many connections with elders. The house placement of Saturn shows where ideas or attitudes of the past keep them a prisoner. Your outlook may be gloomy, pessimistic or you may appear as miserly or selfish.

Major circumstances in your past life or early childhood may have caused you to develop a restricted, cynical worldview. Your judgmental, overly traditional, sour outlook will inspire much opposition in others.

Working on the positives of Saturn discipline, responsibility, organization and respect for boundaries, it provides the opportunity to do work of such remarkable mastery, precision, and expertise you can be in a class of your own, where the competition simply cannot touch you.

([170] [astromatrix.org](http://astromatrix.org);) Fear of Rejection

Opportunities: 1. Having Stimulating Conversations 2. Working in Teams

Challenges: 1. Getting to Know Your Opinions 2. Overcoming Fear of Rejection

The Opposition between Mercury and your Ascendant indicates that you are a good listener. You listen carefully to the opinions of others before expressing your own. Often, however, the opinions you express will not be your own, but rather a reflection of who you've been spending time with recently.

Your mind is sharper and more creative when you have a partner you can bounce your thoughts and ideas off. In your personal relationships, your thoughts are reflected by your partner, who serves as a mirror giving you a different perspective.

You tend to pick up ideas and thoughts from others so much that you may not be taken seriously as someone has thoughts of your own. You want to be liked and therefore normally change your mind and opinions depending on whose company you are with.

For further development you need to ask yourself what it is that you really think, regardless of who you're around. Start with your core values and build up from there.

Stay open to other's opinions, but let them interact with your own and watch both morph accordingly. It's necessary for you to get past the fear of rejection you feel of daring to truly be yourself.

You are, at the same time, rather independent and will not allow anyone to restrict your freedom, but you love to talk things out before arriving at a decision. Conversations with you are always stimulating and lively. A career where communication is important such as sales, management and marketing could be quite successful for you as your talent for conversation will benefit you greatly.

6) ► **Jupiter ♃ Conjunct ♇ Pluto** - (2°59' A) ♃4 | ♇4

([63] [astromatrix.org](http://astromatrix.org/);) The Alchemist

This is a favorable aspect, which should allow you the opportunity to unfold your natural talents relatively easily, applying them in a concentrated and determined approach

towards achieving your ambitions.

You have the fortunate ability to evoke a response from your 'inner storehouse' of gifts, and create an open channel enabling you to manifest these in an objective context. Those who are close to you or who work daily with you may be inspired by this ability; and you are likely to display certain leadership qualities.

You will approach life with zest and vitality, pouring your energy wholeheartedly into satisfying your aims and your need for success. You seem to feel that your success is guaranteed; and whilst you may often feel impatient, or temporarily frustrated in your purpose, you have too much self-confidence and determination to believe that you could fail.

The opportunities are certainly there for you; and your inner gifts are there to be actively expressed and exploited by you to achieve success. You may find that you express and explore your talents in several potentially lucrative areas, as your gifts can be applicable in a variety of ways. This can mean that you are likely to change direction several times throughout your life, possibly in a radical style, or just to find new areas to experience.

You may not have a specific goal in mind - such as a senior managerial position in one company - but could become influenced by 'the inner storehouse' of innate talents to search for new directions in order to find suitable channels of release for as yet latent gifts; you may even find a problem arising out of the very multiplicity of choices available to you. Ideally, you should look for a way of life which actually offers you a variety of channels through which to express yourself, where there is a potential for a renewal of challenges and for a demand of personal growth.

Working closely with people is likely to attract you, and interpersonal relationships can be a constant sphere of creativity and growth; much can be shared and transmitted even in creating and maintaining positive human relations at work.

In an intimate relationship, you should ensure that equality is developed, building a balance, as you may have a tendency to play the role of dominating leader too often. Development of each partner is also important; and your partner's needs and abilities should be clearly recognized and valued, helping each other to actualize hidden potentials. Change in the relationship and in your partner should arise naturally and easily; never attempt to force any process, as a natural evolution is safest, especially when in truth you cannot really understand the inner process and life experience / perception of another.

The best use of your abilities will be towards benefiting others in some way. Whilst Pluto is likely to 'co-operate' with you using this energy for personal success, if you tend to apply it in a way that exploits or abuses others through your becoming obsessed with self-satisfaction and desires, you may find that Pluto becomes more subversive and

undermines your purposes, stimulating failure as a natural result of your own distorted form of expression, thus creating your own downfall as Pluto forces you to look at the need for transformation.

7) ► **Jupiter** ♃ **Conjunct** ♀ **Pallas** - (1°09' S) ♃4 | ♃4

You believe in the best in others and believe that if you appeal to the common decency and spiritual nature of those around you that you'll always succeed with your mission.

This is the attitude you use when creating strategies and advocating on behalf of others. You have a firm belief in the power of positive thinking and your optimism guides your warrior nature. Your utopian vision drives your plans and strategies and you aren't content to just serve your own ambitions. Instead you aim to uplift those around you as well.

17) ► **Sun** ☉ **Opposition** ♃ **Jupiter** - (5°11' A) ☾10 | ♃4

([144] astrotarot.net:) Expanding Horizons

Typical features that this opposition brings: this Sun – Jupiter aspects emphasizes the dangers suggested by the Sun-Jupiter square. That is because there is a conflict between the optimistic expansion and the development of the Self (Sun). It can lead to forms of immaturity and childish behavior. Or, it can lead you to compensate with obsessive behavior that sometimes leads to strictness or a lack of self-control. As Jupiter is usually associated with money, both the square and the opposition can indicate difficulties in finances. Sun opposition Jupiter puts the brakes on good humor. But, all this may be eased by positive aspects. This aspect makes you idealistic and this is the reason why you often support various dubious movements and clubs. You are often willing to make great sacrifices. Also, you are overly optimistic, like to travel and you do not like commitment. Sun opposite Jupiter brings out the extremes of Jupiter in the life and personality. There may be an internal struggle to control Jupiter's expansive nature. It can show as an inflated ego, over exuberance, and excesses in pleasure-seeking. Also, you can make promises, but have a problem with follow-through. Self-control can be a real problem for you. Usually quite knowledgeable and generous with your time, you have many talents that you may take for granted.

The energy can often be best expressed through philosophy, religion and spirituality. You love travel, studies and involvement in social causes.

- Negative trades: Ups and downs in life are possible regarding wealth, happiness and relationships. During these growing pains, it may be difficult for you to remain happy and content. You may feel unfulfilled and even unlucky.

18) ► **Sun ☉ Opposition ♅ Pluto** - (2°12' A) ☿10 | ♃4

([148] astromatrix.org:) The Transformer

This suggests that most of your problems and challenges will arise in the area of interpersonal relationships, often created or stimulated by your own unconscious expression of this energy, which requires a deeper understanding and inner adjustment to be achieved before you can consistently benefit from its power.

Your temperament can be assertive, aggressive and extremist, tending to use your powerful will like a sledgehammer to achieve objectives. You prefer to force situations so that you are ready to take the advantage before anyone else can or will act through impulse without fully considering the consequences of following your desires and aims.

To others, your will and personality can seem a little overbearing, provocative and dominating, especially as you always prefer to be in control of all situations, and hate to feel unsure of your ground or realize there is nothing you can do to influence circumstances in your favor. This is why you desire to be in a position of authority, calling the tune and writing the rules, yet are so rebellious when roles are reversed; you then use your influence to be subversive and manipulate others to resist authority.

You will feel a desire to change the world into your image, reflecting the way that you think it should be. As virtually everyone else is attempting the same in small or large ways, inevitably you may experience conflict with others who do not agree with your panacea for the world's ills. If you attempt to dictate to people, by forceful expression, you may easily fail to get the right kind of support and co-operation, especially if it is made clear that you intend to be the kingpin and final arbiter.

The problem with dominating and forceful personalities is that usually they insist on having their own way, and are rarely, if ever, wrong. This usually ends in relationship conflict which leads to their more creative supporters quitting, leaving behind 'mere followers' who remain with the 'leader' in sycophantic acquiescence. Without proper awareness and understanding, these tendencies can become negatively expressed, eventually to your detriment. Yet equally they can become extremely positive qualities to be used in socially creative ways once excess self-interest is transcended, and you move towards the higher solar path of your individuality rather than just satisfying lower egoic needs and desires.

You will need to undergo a period of self-regeneration, to acknowledge the needs of others to be themselves, not as mere adjuncts to your dictates, but people equally able and right to assert themselves. More harmonious and successful relationships are possible, especially when your need for self-assertion diminishes through self-understanding and confidence in your own worth. This can involve learning to be self-reliant in achieving your own aims, rather than having to manipulate others into unconsciously aiding your private intentions. Inner changes leading to a less aggressive attitude and less suspicion in working with others, more co-operation to achieve mutual goals, and a degree of compromise in your attitudes, will certainly bring more benefit to you and others.

Gaining an understanding of the elements present in your psychology which desire for you to become an authority and leader can help to bring about an inner adjustment, and an ability to work with others can then emerge.

19) ► **Sun** ☉ **Opposition** ♀ **Pallas** - (6°20' A) ☾10 | ♃4

([576] 12andus.com:) You want to be encouraging and empowering but may instinctively reject those who challenge your mission.

Once you understand that those who aren't on board aren't specifically your personal enemy or opposition, you can work more effectively with them to create a united front.

You need to find a way to keep a moderate effort to encourage others to your cause without alienating or shying away from acting on the causes that personally appeal to you.

21) ► **Jupiter** ♃ **Opposition** ♄ **Neptune** - (6°50' S) ♃4 | ♄11

([192] [astromatrix.org](http://astromatrix.org).) The Social Worker

The opposition has several similarities to the square, but here the source of 'contention' is projected externally onto the outer world and people. There is the difficulty of 'follow-through', where intentions and plans are often thwarted by an inability to actually realize them, despite your original aims; things are started but never completed in any satisfying way.

You tend to resent and resist any external pressure that can be placed on you by others' expectations of your performance and abilities. Conflicts often arise in interpersonal relationships, especially with other work colleagues, who may attempt to take advantage of your skills or persuade you to take on responsibilities which may be thankless tasks, or in which for reasons of their own advantage they expect you to fail. There is often a lot of manipulative activity in workplaces, and you can become a victim of this if you are not aware of the hidden motivations of others. You can become paranoid and suspicious of people, perhaps as a result of previous experience, and there is often a kernel of truth and validity there; yet equally, part of this is a projection emanating from you based on the tensions inherent within this opposition.

You tend to either oppose or antagonize others, sometimes by being too direct in your comments and attitudes; there is little social diplomacy in your style of expression, and sometimes you can be very tactless and too adversarial. There can be a blind spot in your character that is often unrecognized and is related to the sign and house positions of Jupiter and Neptune. Whilst you may fail to fully comprehend your own nature and what you 'should be doing', you still express yourself forcefully and with a tendency to be authoritarian. Yet you also often challenge the dictates of those in positions of authority, questioning their perceptions and rights to wield power.

There is less of a social awareness and conscience here with this aspect, as most of the energy is tied up in an external uneasiness; you do not have any great trust in the good nature of others, which, whilst possibly more realistic, is also symptomatic of your own inner fragmentation and stress - you cannot relax and trust yourself either. You need to learn how to accept others as well as accepting yourself; the two are intertwined, and if you can manage this then stress will be diminished, and all your relationships will improve as you correspondingly feel more at ease in your own nature.

Intimate relationships can pose difficulties until the step of personal integration and resolution is taken. Your choices of partners may be unwise, especially where those anima-animus projections are superimposed on the partner, apparently turning them into the ideal lover who possesses everything that you believe you desire and need. When these projections collapse, you are liable to be emotionally distraught and see that person as another one who has deceived you; in fact, it may have been your own illusions that have been self-deceptive, and so the consequences of a hurt heart should not be taken out on your partner in any emotional or physical aggression.

Resorting to the Neptunian addictions of drugs or alcohol must be avoided at such traumatic times. Some form of religious or spiritual life and aspiration is likely, yet this too can suffer from some distortion and invalid projections. Your spiritual attitudes may lack a practical dimension, or even a serious application by yourself in everyday life. T

here can be a greater attraction toward the glamour of more exotic religions, which offer a colorful fascination and mystery that appeals. Cultism and an idealized surrender to gurus can be a temptation, despite your resistance to forms of authority, and can seem to offer a way out from the disappointments and stresses of your life. Alternatively, you may dream of foreign travel or pilgrimages across the world as an antidote to the lifestyle you feel trapped within.

Realizing that so much of what dissatisfies you in the world is a reflection of an inner lack of integration would be a major step forward. Reabsorbing those powerful projections, allowing yourself to re-own them, can only strengthen you and give you back the ability to redirect your life in ways that you want it to move in.

Taking such control and self-responsibility is crucial, unless you want to persist in the

likelihood of unsatisfactory relationships with others, where your need for development and expansion is perpetually thwarted by 'external resistance'.

30) ► **Ascendant** ASC **Sextile** ☽ **Moon** - (0°15' A)    ♌1 | ♏11

([240] astromatrix.org:) Inferiority Complex

Opportunities: 1. Giving Back to Society 2. Valuing Yourself More

Challenges: 1. Understanding Your Emotional Nature 2. Knowing Yourself Through Others

With the Moon Sextile your Natal Ascendant, you have a warm, imaginative and caring personality. You are attuned to your inner feelings and sensitivity, and can express your emotional core with ease.

Your intuition is heightened, and this sensitivity to your environment allows you to be adaptable and flexible – you see what's happening around you, and you're supple enough to adjust as it does. This, combined with your keen skills of observation, can lead to great insights into the behavior of others. You see people for what they are, and this gives you great abilities for connecting with them on a deep level.

It also can help you develop better self-knowledge. In one person's heart the whole world can be seen.

This focus on other people does, however, reveal a certain inferiority complex. You observe others so deeply because you don't value yourself enough. The task for you now is to learn to value who you are while maintaining that intuition for other people.

Your sensitivity can be your weakness, especially at early stages of the maturing process when you are not able to control your emotions well and take things too personally. The challenge of this position is to try to understand your emotional nature better, and how it relates to that of others.

Taking on that challenge wholeheartedly, and holding nothing back from it out of fear or self-protection, will lead you to greater awareness, perception and emotional maturity.

Your social life is very important to you and you have many friends and strive to have a good family life. You may be drawn to public life and working for the benefit of society as a whole. This will be, for you, where the ultimate meaning is to be found.

You can be a good communicator and have an air of superiority about you. Not that you probably are, it's just this placement allows you to be quite commanding in your conversations which most people can sense and respect, making you feel quite good about yourself. Though, you need to learn how to express yourself better in order to get to the point where you are respected.

You have a more serious disposition with this aspect, and you should watch out for coming across as too dry or boring with your relationships. You don't like to waste your energy on trivial matters including superficial relationships or conversations. You are quite fair and just when it comes to your how you handle your relationships, but if someone does get on your bad side it is not so easy for you to forgive them. Your mental state may be a little rigid and conservative so be aware to try to keep an open mind to other people's opinions or perspectives, trying to understand other people's points of view can help you be more sympathetic and understanding of other people's ideas.

([276] [astromatrix.org](http://astromatrix.org);) Goal Achiever

You will always be able to bring into your life people who can help you move forward in pursuit of your life goals. And you will help them in return.

You know how to make a group of people work harmoniously so that everyone can get some part of what they want. You are psychologically and emotionally sound, and you do not have neurotic habits that work against you. Even if, like most people, you have some emotional problems, they will not constitute a major barrier to your progress. In fact, they may even help you out in ways that you do not understand.

Often other people will put their resources at your disposal, because they realize that you can do more with what they have than they can. They see that you have a great sense of responsibility for the people to whom you are close. While you are young, this aspect will bring you sudden opportunities that will help you get where you want to go in life.

You will get along easily with superiors and authority figures, because you make it clear

to them that you want to learn and are willing to put aside your own ideas until you are wiser and more mature. In this respect, in your youth you are more mature than most people. Some people with this aspect knows what career they want to pursue very early in life. But even if that is not true for you, everything that you study or do will help you in the long run and support the course you eventually take in life.

34) ► **Midheaven** MC **Sextile** ♀ **Pallas** - (3°22' S) ♏2 | ♏4

([589] 12andus.com:) Your intellectual and strategic nature is easily aligned with your career path.

You naturally rise to the occasion as a spokesperson or advocate. Your potential as a mentor or leader is accentuated by your career path. You may have the perfect platform to share your vision and make positive changes.

You can also give important issues and campaigns a spotlight because of your public standing or reputation. You aren't afraid to align yourself publicly with important campaigns or issues involving social justice and fairness.

You also don't believe that your opinions on these matters should be kept separate from your work or career. If you are a business owner, you may align your business mission with your personal or justice missions.

If you are working for a company, you usually consider whether or not your work setting and company reinforces your standards when it comes to justice and fairness.

35) ► **Sun** ☉ **Sextile** ♂ **Uranus** - (0°17' S) ☊10 | ♏12

([226] astromatrix.org:) The Inventor

The more radical use of the conjunction energies is potentially easier to express in both the sextile and the trine. Whereas an important shift may need to occur in the individual with the conjunction aspect - in order to renew and redirect any overflowing, insistent Uranian energy through the unifying Sun center - these other two dynamic, harmonious aspects are ripe for exploitation and unfoldment.

You should have a progressive outlook, and a sense of social affinity which is directed towards affirming its positive side and potential for future improvements in the quality of life. The assertive and possibly aggressive rebellious stance is already transformed within you into a reformist tendency. 'Change from within' is more your keynote, rather than a direct destructive attack or negative attempts to withdraw from participation in society. Your mind will be very active, searching, questioning, and naturally explorative, allied with an intuitive creative need for self-expression.

It will be important to be personally assertive, but undue eccentricity is not your style. Due to that positive solar relationship, you will feel more centered, forming a stable inner character and extending an ability to direct your life and make wiser choices. Tolerance

and understanding of others will be more evident, especially an intellectually derived tolerance based on your innate humanitarian instincts, although often your emotional affinity with others can be a little cold or withdrawn.

You do not feel at one with this world, yet intellectually your mind is; perhaps more empathy is required. You are likely to contribute to groups which support social reform and have an attitude of 'changing the world to be a better place for everyone to live in'. Probably you could rise to important positions in such groups, transmitting your enthusiasms and positivity by becoming a spokesperson for their visions and ideals.

Your opinions are usually forthright, and you try to stay true and committed to your beliefs. Honesty and straightforwardness are high on your list of essential values, and you have little tolerance for lies and deceits and those who perpetrate them. This can easily lead you towards opposing a national government or establishment groups who are 'economical with the truth' on orders from their 'superiors'. Equally, it could lead you to break away from groups that you are associated with, if they - in your opinion - fall to such low levels or compromise and fail to live up to the high ideals which they may offer to the public.

You believe that life has an inner meaning of great value, and continually search for the threads of this throughout your life, trusting in the belief that life is good, often despite appearances. This is part of your quest for the spiritual dimension of your solar center and will draw you increasingly closer to that integrative heart of your nature. However, you are aware of the darker sides of existence, and feel inspired to try to improve the quality of life for those who suffer or for the following generations.

At times, especially perhaps after any disappointments on your path, you may coolly withdraw from relationships or social involvement. See this only as a temporary phase for re-evaluation. You need to communicate with like minds, sharing experiences, insight and knowledge. This may easily develop over time into forms of teaching where through sharing you can contribute towards progress for others, and this could become a fulfilling route for you to follow to embody a higher solar purpose.

36) ► **Sun** ☉ **Sextile** Vx **Vertex** - (0°59' S) ☿10 | ♀12

- If this rear position exists you need to work on: Destiny acquires the qualities given by the sign of Cancer. Life will have a lot of baggage, nutrition, beyond the physical part. You can be involved in jobs related to caring for others. It is very often that this vertex manifests in someone you already know. That may be your best friend that you suddenly see with different eyes. The events surrounding the family, such as weddings, communions, etc., have a lot of weight.

37) ► **Sun** ☉ **Sextile** Sp **Spirit** - (0°20' A) ☿10 | ♀12

Diplomacy will also come easily to you. This is not a manipulative diplomacy, but an approach that reflects your natural honesty and sincerity with others and can be used to resolve disputes.

Even if you can only achieve harmony within your own immediate environment, then that is a success, and satisfies the impulses of Venus-Uranus, because you know that every oasis of harmony helps to build a better world for all.

([258] [astromatrix.org](http://astromatrix.org);) Intense Emotions

The sextile aspect is an easier one to experience than the conjunction or the challenging square and opposition. The state of a more harmonious inner balance is easier to find; and there is a more realistic appreciation and understanding of the nature of human love and relationships.

The experience of your feelings and emotions will be strong but will be able to be absorbed into a personal integration rather than be a compulsive dominating energy driving your life. This means that you should be able to gain some perspective upon the patterns of your emotional life, to see the rhythmic cycle, and to apply common sense, logic, and rationality to moderate any obsessive tendencies emanating from that level.

Understanding is a key for you; and you have an insight into the potentially transformative and beneficial power of love in a human life. To you, having a successful intimate relationship is a high priority, although you will tend to be very careful in your choice of partners. What you require is a partner who is capable of developing with you, as the relationship matures and changes over time, where there is a natural love and respect for each other, with mutual or compatible interests, and where both will benefit from each other's company. Running through the partnership will be a thread of purpose and meaning, perhaps a joint life direction to be aimed towards, which is nourished by a high degree of real communication and sharing.

Your ideals are high but are achievable in real life; the key to success lies in right mutual choice; and this can come about through a series of events that could imply that the

partnership is 'fated' to occur. Feeling this way can give a strength and inner commitment to the relationship at those times when mutual adjustment and personal change are required for the relationship to progress and deepen over the years.

Sexuality will be important to you, but not compulsively so, as you will see it as a natural, enjoyable aspect of adult life, and are unlikely to have any damaging feelings of unease about physical expressions of love and affection.

Talents in the arts or music are at least latent in you; and if you draw these out strongly enough, you may discover that you have quite an original creative ability to display.

54) ► **Midheaven MC Square ☽ Moon** - (5°05' S) ♀2 | ♀11

([397] astromatrix.org:) Emotionally Tense

Opportunities: 1. Finding Your Direction in Life 2. Getting a Friend's Advice

Challenges: 1. Growing Up 2. Balancing Reason and Emotion

Your emotions are quite strong and are very important to you, but you will have to resolve certain tensions. First of all, your needs and feelings may often conflict with what other people seem to expect of you. Or you may feel like going one way even though you know it would be better to go the opposite way. The problem is, there is no one answer as to which way you should go each time. Your feelings are sometimes more correct than rational judgments, which may be based on ideas taught by others with no thought for your individuality.

You have to live with others, but at the same time you have to be yourself. If reason tells you to go one way and emotion says the opposite, think about your choices carefully. If the 'reasonable' path helps others but offers you very little, then your emotions may be trying to tell you what your real needs are. On the other hand, your feelings may come from old, outdated ideas and silly childish fears.

You may be reluctant to face the world of growing up. You will need the advice of a faithful friend, perhaps one of your parents, who can show you which choice is best for you without having a stake in the result. As you get older, you should be able to make these decisions more easily.

Your emotions and ideas about your life should reinforce each other. Take your time growing up, however; you may take longer than others, because you have farther to go.

55) ► **Midheaven MC Square ♃ Vesta** - (3°18' A) ♀2 | ♀12

([622] 12andus.com:) You may find it challenging to adhere to your spiritual routines and fulfill your career goals.

With some work and adjustment, however, you can draw from your inspiration and devotion to your spiritual path in order to create a successful foundation in your career.

Though you may have a strong sense of idealism moving you forward in career, you seldom seek fame and glory for yourself. You are content to be of service by working for the benefit of others.

56) ► **Moon ☽ Square ♀ Venus** - (6°02' S) ♀11 | ♀2

([389] astromatrix.org:) The Overreactor

Opportunities: 1. Intimacy Without Fear 2. Committing to a Great Relationship

Challenges: 1. Developing Self-Knowledge 2. Accepting Love

This indicates probably inner stress and tensions related to your social and intimate relationships; your emotions will be the battleground. These emotions will feel extremely powerful; and your fear of losing control over them may result in repressive behavior

which tends to avoid relationships that awaken deeper emotional responses. Yet at the same time, you need this emotional involvement and those intense feelings.

With your emotions and feelings being polarized, you often prefer to retreat from commitment, rejecting the personal obligations that may be required from relationship. These behavior patterns can be seen in a starker light at times when commitment is required in relationships. Because you refuse to acknowledge the depth of your feelings, deep-rooted fears begin to rise. These can include fear of losing freedom, fear of another's power over your emotions, and fear of experiencing love's transformative fires.

Once someone begins to impose his or her needs, demands, and will on you, his / her expectations of your predictable behavior often can awaken a rebellious attitude within you. Your insecurity and fears result in contrary behavior that can create relationship conflict just when real progress could be made. Your reactionary drive for independence and your tendency to reject signs of possessive behavior or demands for your exclusive loyalty may shatter any potentially restrictive relationship. While there may be valid grounds for rejecting such tendencies, your reaction mainly reflects inner fears and unresolved personal issues, and tends to be negative, resulting in heartbreak and disillusionment for yourself and others, and enforcing an increasingly bitter and cynical view of the nature of intimate affairs.

Other behavior patterns associated with this square include self-indulgence and sensuality. You may become involved with indiscriminate affairs and unsuitable partners as a consequence of lacking self-understanding, coupled with a deep need for relationships. Often, attempts at breaking free of threatening restrictions only propel you into other, equally unsatisfying relationships. If you adopt a more passive response to your relationship stresses - instead of taking the active and dominating role - you may experience others taking advantage of your initial trust, manipulating your emotions and needs, and using you as a support and foil for their own emotional tensions and confusions.

Sometimes emotions blind you to the real feelings of a partner, until a situation occurs in which, to your surprise, you realize that their feelings are not as powerful as yours. This tendency toward illusions also spills over into your social relationships, where you often misinterpret the honesty and sincerity of others. You can lack understanding of their motivations, so that judgments are seriously affected. Yet this also springs from your lack of self-knowledge; getting to know yourself better will help you to understand others too, and this will enable you to avoid unsuitable relationships.

By analyzing the types of people that attract you and the resulting types of relationship, you can expose your hidden needs and behavior patterns, and become aware of those unconscious traits which shape your choices. At some stages in your life, you may need to withdraw a little to gain these perspectives, especially when you are trapped in a repetitive whirl of failed relationships. Your needs are still urgent and pressing; but

transforming attitudes through self-understanding may be crucially necessary.

Certain patterns active in you are probably derived from childhood experiences and conditioning. The relationship with your parents may have been unsatisfactory, especially in shaping emotional responses, which is why you now have ambivalent and contradictory feelings of need and denial when commitment is expected. There may even be feelings of guilt and non-acceptance of your emotions. A withdrawal from relationship commitment could stem from a similar withdrawal of a parent from you during childhood. You may now unconsciously seek to punish a parent by rejecting others who try to get close to you.

Choice of partner is extremely important, and the key to relationship success; but the art of choosing a suitable partner depends on self-knowledge, so that both are complementary and in essential harmony with each other. Your early choices are likely to be unwise; and any early partnership will probably run into troubled waters due to your inner confusions and unresolved issues.

New perspectives on yourself and your needs may be achieved through a transformative period of relative isolation from relationships, allowing a pause to dissolve patterns through greater understanding; this can enable insight, emotional maturity, and greater independence. Personal therapy or relationship counseling could be important to progress in future partnerships.

57) ► **Moon** ☾ **Square** ⊗ **Fortune** - (4°21' S)    ♂ 11 | ♀ 2

([27] [astrotarot.net](http://astrotarot.net).) You do not always “come across” to others as you intend to. Especially in your youth, you can easily offend others with an “attitude”. The impression is one of being overbearing, arrogant or pushy. This is due to a defense mechanism. In other words, what you want to express is often interpreted the wrong way. In one-to-one relationships, the main problems are that your needs are not compatible with the needs of others. To reach your goals you may have to sacrifice a friendship or learn to put up with stressful conditions. Awareness of this discrepancy is important. Otherwise the defense mechanism can worsen over time, and you can have problems at work and in personal relationships. Softening the manner and the attitude does wonders to smooth over relationships of all kinds. You will come to realize that you need to be true to yourself and not live as others wish you to live.

- Positive trades: Your path is not an easy one. You will learn to relate to others and being self-confident. Setting ambitious goals will force you to strengthen your character and live your own life. Professional success will bring great satisfaction. You will earn the respect of your peers and healthy relationships will follow.

- Negative trades: This Natal Moon- Part of fortune aspects causes relationship difficulties when people try to hold you back or stand in your way of success. You may change yourself or your goals to fit in and to have companionship. This may keep other people happy, but it will lead to building dissatisfaction and resentment.

58) ► **Mercury ☿ Square ♃ Jupiter** - (4°38' A) ♃7 | ♃4

([405] [astromatrix.org](http://astromatrix.org);) The Exaggerator

With Mercury Square your Natal Jupiter you normally promise more than you can deliver, you tend to exaggerate with your communications with others. You tend to have good intentions in what you are doing but you also can lack common sense at times.

You really like to express yourself and your ideas with others, but you can lack discrimination and critical thinking. It is easy for you to be misled or deceived by others as you tend to trust them without following through on the details. While your intentions are generally good, you might overestimate what you are capable of, and promise more than you can deliver.

Be careful not to develop a reputation for being unreliable, simply because you desire to make others happy with what you say or promise. You may also become bored easily and you avoid responsibility. If there are other difficult aspects to Mercury or Jupiter, the problems with this aspect could be worse where you may start to manipulate the truth when it comes to getting your way as you prefer the easy road and may be jealous of other people. Even if you don't lie to others, it's also easy to deceive yourself in believing you are better than you are and deserve more than you think you do.

You need to realize that life is not an easy road to riches and that hard work, persistence and dedication to your work will allow you to succeed. You just need more patience to realize this, your impatience can make you want everything too quickly, or wonder why you are not successful yet.

You are capable of learning and studying, with Jupiter expanding your mind and expression, you can accomplish a lot when you put your mind to it. Consequently, it is possible for you to become successful in fields such as Education, Teaching, Marketing, Law or Media. Basically, anywhere where your mind and communicative talents can be utilized. You possess an acute but disorderly mind; you can come to rapid conclusions without knowing all the facts. You must learn to be more disciplined, to concentrate more on details and to be more persistent with your projects.

59) ► **Mercury ☿ Square ♆ Neptune** - (2°12' A) ♃7 | ♆11

([408] [astromatrix.org](http://astromatrix.org);) The Sneaky Mind

This aspect indicates a difficulty with an overactive imagination interfering with rational and logical processes of thought; this can result in self-deception and the construction of a private version of truth and reality.

There can be a preference for mental avoidance and for escaping from directly confronting aspects of life that you find unpleasant, such as personal truths and social problems. Sometimes your logic is very circuitous, too personal or abstracted for easy communication to either yourself or others, and, as it often absorbs an imaginative influence, it can veil the truth from sight. You can shy away from accepting

responsibilities, domestic, family and marriage ones especially, as you can feel uneasy with your emotions, and this results in you often becoming unreliable with others.

There may have been factors in your earlier life that have helped bring this about - childhood or parental relationships which have exacerbated this innate tendency of escapism - but one result has been distorted images on the mental level of your own identity and mind activity, as well as a diminution of personal confidence. There are steps that you can take to improve matters. The first involves the willingness to face the actual realities of yourself and the world, so that a clarified perspective can be established. A greater integration of Neptunian sensitivity is essential, but in a way that absorbs it into a renewed life rather than as another excuse for escapist tendencies. Following that development, additional progress can be made in reorganizing your mind to work down more productive channels of expression.

As your self-confidence grows, through constructive self-evaluation and an acknowledgement of the dormant talents associated with the repressed Neptune energy, it will lead to a sequential release of that blocked energy into your life; you should observe that previous restrictions and limitations are dissolving. Do not re-establish them again but learn how to take advantage of your assets. Creating a new disciplined structure for your mind may take time and effort but attempts at training and reprogramming it will draw benefits if persevered with and may lead towards creative or socially orientated directions. However, to take these later steps may require you to become clearer regarding your aims, and to apply yourself to achieve them one by one.

As part of this proposed transformation in you - and of resolving the inner tensions of the square - you may find it more helpful to look towards forms of external expression that have a social dimension and may offer some solution to social problems. In serving others you may discover that your own problems become surprisingly resolved, especially as the personal obsessions of self-preoccupation are dissipated through a redirection of your energy flow.

Whilst you may often have insight into the motivations of others, you need greater clarity in your own nature. Relationships may remain problematical for you until some degree of personal change has been achieved, and you may be advised to be cautious within your emotional commitments. This is basically because of elements of illusion that can afflict you, and that tendency to avoid facing facts that you do not want to see, such as the fundamental that a relationship is not mutually satisfying if you need it to continue.

Those dreams of the ideal lover and partner will be present, and it is always difficult not to project these onto others or use them as comparison markers. Some may take emotional advantage of you, and you may experience that victim syndrome of the Neptunian vibration by falling prey to your own tendencies and the selfish desires of others. Yet as you change, your potential for better and more fulfilling relationships increases as clarity intensifies. As always, the decision to change is yours to take.

60) ► **Mercury** ♀ **Square** ♀ **Pallas** - (3°29' A) ♃7 | ♃4

([578] 12andus.com:) Your critical thinking and intellectual skills may put you at odds with your sense of mission or purpose.

You may be tempted to overthink things or miss out on pertinent information that would help you form an opinion that matches your instincts. You may want to be an advocate and planner but feel that you are not suited to fulfill your mission just yet.

By overcoming obstacles to fully understanding situations that are important to you, you can become a spokesperson or advocate for change. You may react without fully thinking things through or with incomplete information at first, causing you to have to change your plans.

61) ► **Mercury** ♀ **Square** \* **Juno** - (3°30' S) ♃7 | ♃10

([595] 12andus.com:) Though you want to have a long term committed partnership, you're really looking for someone to stimulate your mind and inspire your creativity.

When you find this ideal match, you may have to struggle slightly to get used to the idea of commitment. The notion makes you feel confined sometimes and you may need to adjust to the idea of sharing ideas but also space in a relationship.

Working through the feeling of being fenced in will ultimately make you successful in maintaining your relationship long term.

62) ► **Mercury** ♀ **Square** ♄ **Chiron** - (5°57' A) ♃7 | ♄11

([119] astrotarot.net:) Typical features that this square brings: aspect suggests friction. You cannot express yourself without struggle. You try to put your thoughts into words without hurting anyone. Also, you are often anxious about what you say and what others think of you. Above all, you often find yourself in situations that revive your wound. This is a dynamic aspect. That is why it is forcing you to work on it. You rarely feel satisfied with how or what you communicate. To express yourself, or not to express yourselves – that is the question with this aspect. You might review conversations you had with others and kick yourself for what you said, or what you didn't say. With this Mercury – Chiron aspects communication with other people brings to light certain areas of your psyche that you would rather not have exposed. And that can be quite painful for you to connect with. But getting in touch with these areas is for your ultimate benefit. With Mercury square Chiron, you can expect some over-sensitivity. Remember that sometimes events in our past can color the present. So think before you speak, write, or post, especially if your words may wound another. Your thoughts and ideas may be confusing, resulting in verbal arguments or disapproval from those around you.

- Positive traits: you are bright and insightful.

- Negative traits: With this natal Mercury – Chiron aspects you may be easily offended and hurt. Problems can occur because you are unable to communicate in a way that harmonizes with others.

63) ► **Mars** ♂ **Square** ♀ **North-Node** - (0°39' A) ♄1 | ♋4

([431] astromatrix.org:) Learning Grace

With North Node square Mars, Mars-ruled talents and instinctual abilities are brought over that must be utilized in a harmonious way. If not, the dynamic and highly combustible Mars energy may turn inward, causing neurosis, obsession, or fighting some demon or adversary within. While there are excellent resources to draw from, the Mars energy is most in need of direction.

This aspect presents a delicate situation because you must learn to use the energy in a more diluted form than what is really possible. A sort of brake is applied to the degree of aggression you are allowed to express. You are learning to release the controlling energy at a gentler, more subdued or graceful pace. If you can't learn to curb these energies, it will be done for you, most likely in unfavorable circumstances.

Be careful of expressing very temperamental or angry feelings or becoming overly aggressive physically. Your health may start out as robust, but there is a tendency to put excessive strain on the body, which weakens it, causing eventual weariness or breakdown.

There is a tendency to find yourself on the disagreeing side of things. You may find that you arouse a lot of opposition in others because of this, feeling alienated in your values as a result. You might find yourself almost pre-disposed to acting on your own or making the decisions in group settings, upsetting the group dynamic with the way you do things.

You must learn to be less defensive, not everyone is out to get you or fight you, and you must stop using this as an excuse to be aggressively self-involved and inconsiderate of others' values. To fulfill your soul's purpose, channel your tendency to be defensive of your beliefs into more constructive channels.

64) ► **Saturn** ♄ **Square** ♅ **Uranus** - (0°21' S) ♄3 | ♅12

([439] astromatrix.org:) A Law Unto Myself

The main theme of this square is the likely dominance of the Saturn qualities and a repression of the Uranus ones, with a personality expression being restricted by responding to the Saturn viewpoint on life. This will be seen in a preference for the familiar and known, both in a ready acceptance of social convention (which in its reactionary phase is often rooted in a backwards-looking perception of a 'return to a golden age'), and in the desire for a personal life lived in a controlled, predictable manner and in a stable environment.

The personal identity will be focused within strictly defined parameters, with self-imposed

limitations on freedom of choice and action, wrapped around with concepts of allowable thoughts, emotions and physical acts. Much of this is a protective guard against the actual insecurity of life and emerges from a personality that is afraid to relax fully, and which is inwardly insecure.

Difficulties may arise in life when you are attempting to solve problems by applying existing attitudes which then fail to work. You often find the need for change deeply disturbing and have an intuitive fear that if you allow that process to occur, then your life would fall apart. When you have to make decisions regarding new situations, you can find it hard to make a final choice, unless you discover a way to do so which reinforces your existing attitudes and preferences; if it involves a new direction, then you become uneasy, trying to find a way to retreat back towards your old familiar patterns.

In those attempts to impose control on life, you can be too dictatorial or authoritarian in your relations with others, perhaps through an insistence upon your point of view being right, or in having everything done in an established manner without deviation. Your life can become highly patterned, locking you into a circumscribed experience of life. This can define your identity for you, offering a way for you to evade those feelings of insecurity and lack of real confidence; but this will restrict you taking advantage of many opportunities in life.

Often, you seek social status or approval in order to gain a reflected sense of self-worth. Denying the Uranian vibration of change can lead to problems of life adaptation and inner tensions, especially as there will be an underlying struggle between an affinity with traditional patterns and an attraction and fear of something new being released into your life.

Saturn will embody the more inflexible end of the square; and if you begin to respond to Uranus (or a transit stimulates its activity), then these inhibiting patterns will begin to be eroded and destroyed. Part of you - a repressed aspect - would secretly love to break free of all binding ties, to become unconventional and liberated; if the pressures rise too strongly, then attempts to throw off self-imposed shackles may be made, just to release the tensions.

Marriages and careers can be destroyed through such activity, with the end result being a collapse of existing patterns with no real comprehension of how to build a more suitable lifestyle, and just a feeling of an inner void and loss of direction being common. Ongoing transformation is the wisest course of action, as the transitions move more smoothly and the person is capable of slowly adjusting to new ways in a more harmonious manner, integrating the arising new tendencies more successfully and easily.

Even within these Saturnine confines, the Uranian undercurrent is at work. The operation of your mind - where you focus yourself in order to control life - is more

inconsistent and contradictory than you believe. Others probably notice this; but you will oppose any attempts to point this out to you, in your belief in your logic and rationality. Yet in the background of your mind lurk those more eccentric ideas, thoughts, desires and emotions that you rarely acknowledge.

Sometimes, the strains of living with denied aspects can make you touchy in relationships, where people have to treat you in certain ways so as to avoid 'triggering those buttons' which stimulate areas in you that you choose not to explore. For real health, these need to rise into the light, so that the pressures and energies can be released, and that you can integrate parts of your being. If you choose not to, it is likely that at some point in life, Uranus will erupt with a vengeance, and sweep away all those pretenses, patterns and controlled lifestyle, forcing you to confront your denied selves and to change.

([366] astromatrix.org:) Idealistic Ambitions

You are very idealistic in your attitudes toward the world, and you want to be as free as possible of values and possessions that limit you or prevent you from encountering the world. You may be less interested in material possessions than most people of your age, feeling that the burden of taking care of them is more trouble than it is worth.

Besides, you value emotions, ideals and other immaterial concerns more than possessions. Very early in life, you show how unselfish and giving you are, especially to people in need. You like taking care of people or animals and trying to make them better. As you get older, you will have a strong need to be of service to others, putting spiritual and moral ideals above personal gain. Even if you do not always succeed in living up to that ideal, it will be a very powerful force in your life.

You are very sensitive to other people, so you are a bit reserved and shy until you know you can trust them. Your feelings are easily hurt, and a misplaced gruff word can make you very unhappy. Your family should try to understand this and treat you a bit more gently. They should realize that they will be rewarded with your devotion.

Even while quite young, you are fascinated by the mysterious and supernatural. You find the worlds of fantasy stories and fairy tales more interesting and alive than this world, which is so full of dull concerns and mundane preoccupations. Of course, you must learn to relate to this world, anyway, and you should try to see the mystery that is inherent even in the everyday world.

80) ► **Moon** ☾ **Trine** ♀ **Mercury** - (5°12' A) ☿11 | ♀7

([311] astromatrix.org:) The Charming Speaker

Opportunities: 1. Learning from Difficulties 2. Embracing Ambiguity

Challenges: 1. Balancing Emotion and Reason 2. Working for the Common Good

The trine indicates an opportunity to reconcile the Moon's instinctive, emotional energies with the mental and communicative energies of Mercury. You should experience few direct conflicts between emotional messages and mental messages. A channel exists between the conscious and unconscious personality; yet these do not often pull you in different directions or amplify stress and psychological conflicts.

In order to determine your reactions to experiences, you will need to evaluate emotions and feelings; and this underpins your Mercurial intellect. You approach life with a relatively open heart and mind and see all experience as contributing to self-development. Even though your Moon may resist life's sometimes harsh lessons, you can see the positive value that can emerge from difficult times. Through this attitude and heightened sensitivity, you can acquire insight in addition to knowledge, particularly when perceiving the interconnectedness of information and new ways of using it. This provides a new foundation for ongoing creative expression.

You can be inspired by a desire to utilize natural talents and abilities for social benefit; and your 'common sense' reflects a progressive, optimistic attitude, yet one which is not overly idealistic or blind to life's realities. You recognize that all is not either light or darkness, but that much of life exists in the shadow or gray area between.

Instead of dwelling on the negative, you prefer to look toward more positive future possibilities, hoping to ensure that hard-won lessons from previous experience are applied when dealing with present situations. Experiences from the past can serve as stepping-stones taking you progressively onward. In social and intimate family relationships, you will be appreciated for your sympathetic understanding.

You have genuine concern and compassion for others, and a love of fairness and equality of opportunity. You help others less fortunate than yourself, and those who are passing through traumatic times of life disruption. Emotional anxieties are usually kept hidden, although, in your sharing and helping others, your previous experiences and lessons may be deliberately mentioned if they serve to support or illuminate problems. You are not the type, however, to unload any current difficulties onto the shoulders of others.

Reason and logic are strong personality components, although these are colored by your instinctive emotional valuations of people, situations, and circumstances, forming a uniquely personal viewpoint.

81) ► **Moon** ☾ **Trine** ♄ **Saturn** - (5°15' S)    ⚡11 | ⚡3

([315] [astromatrix.org](http://astromatrix.org);) Common Sense

Potentially, these two disparate planetary energies can be reconciled; and you will probably feel a more positive and optimistic attitude than is common with the other Moon-Saturn aspects. Your personality is relatively stable, and, in developing a suitable lifestyle, you will demonstrate resourceful and practical skills.

You are reliable, and persevere to fulfill your duties and responsibilities, whether domestic or family, or through career, social, and civic involvements. Your outlook may be cautious and conservative, respecting social rules and traditions, preferring to live by self-conformity to 'civilized behavior'.

You may view social experimentation and radical ideas to change cultural establishments with unease and suspicious concern, preferring the familiar and trusted ways. However, you also do recognize the renewing virtue of change, and will support change if you believe it will be beneficial; yet change for change's sake you will view with distaste. Establishing firm life foundations is seen as important. This motivation may have come from valuing childhood stability and permanence, where you felt safe within a secure home and enjoyed the comforting presence of parents.

You realize that 'successful building' depends on right foundations. Following this 'pattern' will increase the likelihood of success in any endeavors, whether in business, career, marriage, or family life. You may benefit from inheritance, perhaps in business or through some type of institutional involvement. You apply shrewd, pragmatic common sense to your affairs, preferring either self-employment or positions of authority and responsibility, where opportunities to express potential are more available.

You have creative abilities, although these may be directed along traditional channels, into business or career. The spheres of law, medicine, engineering, politics, management, and education may especially attract. You tend to be a good worker, believing that to gain benefits you need to wholeheartedly commit your efforts to tasks. You are rarely emotionally effusive; and you may seem austere and privately withdrawn. You prefer to remain in control and be reasonably stable; and yet feelings can be displayed honestly and in a straightforward manner, ensuring that others know what you think and feel about things. Emotional manipulation and distorted relationships are anathema to you; and you dislike anyone acting in such a way.

Friendships are founded on mutual compatibility, trust, and faith in genuine care and support for each other, although each has to be an independent personality and secure in his or her self-esteem; you are not interested in dependent personalities whose emotional vacillations and confusion may agitate the emotional unease that can be hidden within you. You are cautious in making emotional decisions, taking time to evaluate your feelings and instincts, knowing that they offer valid messages, and yet also recognizing that you may not listen to them enough.

Once certain, you commit yourself, especially in a marriage or partnership context; and you will expect similar clarity and commitment from your partner. Maturity and emotional stability are necessary in a partner, and you dislike emotional changeability; if you find the right partner, much of your creativity will flow into the relationship, so that it develops and progresses for mutual benefit.

Be careful of getting swept up in popular ways of thinking that discourage progress. While endearingly inquisitive, you must learn to develop a more independent mind free of the input of others and social norms.

([497] astromatrix.org:) The Restless Mind

Even while you are quite young, you will spend quite a bit of time thinking about your future, but don't expect to make up your mind for a long time. Your mind is very active, and each new interest you take up will give you a new idea about your future career. In fact, the danger here is that you may never really settle on one career; you will get into many projects but never thoroughly enough to know what each one can really offer you.

For this reason, you must teach yourself some self-discipline, so that you can stay with a project long enough to understand it. You are quite restless and need to be mentally active all the time. You need to keep your mind busy, talk with others and feel that life is moving quickly. Otherwise you get bored, and then you may annoy people.

Often you get so wrapped up in your own ideas and needs that you forget about anyone else. But with a little effort you can get away from yourself and see other people's points of view. You are able to think very clearly, but only if you come out of yourself.

As you get older, be careful not to say things that work against you. Your mouth could be your own worst enemy unless you make sure of what you are saying before you speak. It is possible to make your point without offending others.

You enjoy games, especially those that involve your mind, so you may be very good at solving puzzles and other activities that require cleverness.

[468] ([467] [astromatrix.org](http://astromatrix.org);) The Struggle For Success

It is easy for you to take on responsibilities that aren't yours while ignoring ones that are. Because you work hard and aren't always recognized or compensated for it, you often run out of steam before your work is done. Your life works best when you learn to take care of your most important responsibilities first.

([468] [astrologyking.com](http://astrologyking.com);) Sun quincunx Saturn natal creates an imbalance between free self-expression and a heavy sense of responsibility. A continuous struggle to fulfill your own personal needs without neglecting your obligations can lead to great inner tension. If the balance tips too far in one direction, a crisis can develop involving your self-confidence, physical or mental health, your career, or a significant relationship.

You are generally very self-reliant and reserved but can swing between this sober maturity and reckless disregard. By placing too much emphasis on your own needs and desires, you would tend to neglect yourself in other ways. Being free to enjoy yourself means something else has to suffer. It could be your job your partner, your kids, or your self-worth.

You may have numerous casual and serious relationships of varying lengths and intensity over your life, some of which may overlap. Alcoholism, drug addiction, and other destructive behaviors are possible. They may be a way of punishing yourself for being irresponsible but there could also be other causes.

Low self-esteem may also arise from an overly strict, critical, or absent father. Too much discipline and responsibility as a child can also result in a strong dislike of authority and tradition. Feeling discouraged, unsupported, lonely, and generally unworthy leaves you open to being taken advantage of in many ways.

Without self-respect, you are likely to become shy and timid. Others will sense this weakness as you do not place boundaries and defenses around your ego. An inability to say no because of a lack of self-assertion would see you take on unnecessary responsibilities. This could easily lead to physical and mental exhaustion while you end up neglecting your own responsibilities. The resulting self-loathing, yet another path to mental illness and self-destructive behaviors.

Although you may at times be inconsistent, you work well under pressure. You do have

the determination and perseverance to come back from adversity. In fact, you may actually need to overcome loss, hardship, and suffering in order to mature and reach your full potential. But it does not have to be this way. Self-abuse or abuse by others only happens if you remain fearful and allow it to happen.

The key to conquering Sun quincunx Saturn is responsibility. Attend to the most immediate and important matters in life first and do not procrastinate. Do not do more than you have to do, especially for others. Ignore the competition, ignore the critics, don't apologize, and follow your own path.

Hard work, self-discipline, and self-restraint will eventually lead to greater confidence, personal freedom, self-expression, and pride. Gaining self-respect and the respect of others comes through the achievement of personal and career goals.

115) ► **Moon** ☾ **Quincunx** ♊ **Jupiter** - (0°34' A)    ♎ 11 | ♊ 4

([478] [astromatrix.org](http://astromatrix.org);) The Procastinator

To really understand others and life itself, you need to allow others to know you. You always land on your feet but often so far away from where you expected or where you said you will be, that you confuse others. Practice being more reliable; then, you will understand yourself, others and life all at once. Your optimism needs focus and to be harnessed to specific projects.

116) ► **Moon** ☾ **Quincunx** ♋ **Pluto** - (2°25' S)    ♎ 11 | ♊ 4

[484] [485] ([483] [12andus.com](http://12andus.com);) Your insecurities lead you to vacillate between dominating others to try to compensate for your own securities, and hiding away from your true inner power.

You may spin your wheels at first trying to exert influence over others in emotionally manipulative ways by either playing the victim or trying to use money and material wealth to impress and control others.

With time and experience you may mature to trust your instincts and allow your nurturing abilities to show through in powerful ways. When you learn to feel comfortable with your own emotions and intuition you can become a nurturing, healing guide for others. You may also be able to help others experience their own personal transformation.

([484] [astrologyking.com](http://astrologyking.com);) Moon quincunx Pluto natal gives very intense and powerful emotions, fears and anxieties. Such complex and often dark feelings would have been hard to understand and control when you were young. You may also have experienced extremely painful emotional trauma or grief associated with your family while still a child.

Your intimate relationships, as well as your public image, are often complicated by guilt, jealousy, possessiveness, and intense moods. There is also the potential for your fears and worries to get out of control and cause strange behaviors.

You may have some behaviors or beliefs that you try to keep secret from all but your closest friends, perhaps related to your sexuality. But holding onto such secrets, frustrations, fears, guilt or other emotional complexes only buries them deeper in your subconscious. And this makes them even harder to control.

Feeling emotionally supported and accepted is very important with this aspect, especially from your mother. When you start to feel destructive emotions, it is critical that you find someone to talk to and share your feelings with. Otherwise, they can escalate to a tipping point when those dark hidden feelings either make you feel bad about yourself or escape as some uncontrolled behavior.

Extreme political beliefs or ideologies, as well as unusual behavior, can earn you more criticism than praise. This can lead to bitterness and the feeling of being an outsider. And your troubled emotional life can also lead to tempestuous or failed relationships.

However, you should have a very deep psychological understanding of human nature and also relationship dynamics. Keeping your emotions balanced will allow you to use this to your advantage. You probably also have a talent for uncovering secrets, solving mysteries, and understanding esoteric subjects.

([485] [astromatrix.org](http://astromatrix.org);) The Need To Purify

You confuse intensity with desire and need with love. As a consequence of this, your relationships with others (especially romantic partners) can be powerful and spicy without engendering much closeness.

It takes time for you to recognize the habits that get in the way of intimacy; it takes time to alter them once recognized. Letting go of negative history lays the groundwork for change. Give others permission to be different than everyone else has been before. Through this, you give yourself permission to be different.

117) ► **Moon** ☽ **Quincunx** ♀ **Ceres** - (0°01' A)    8 11 | 006

You need to work through your emotional insecurities and fears in order to feel comfortable showing vulnerability to others. Until you find this security, you may go to extremes shutting your emotions down or pouring your energy into others.

You may confuse nurturing with enabling if you're not careful. Strong boundaries can help you make the best of your nurturing, compassionate style even as you show your generous, caring nature to others.

When you do, you can easily nurture those who need security and comfort. You may be insecure about your strategies and ideas that could create better opportunities for others.

## Antiscia & Contra-Antiscia

Is based on the dividing lines between the Cardinal signs and Mutable signs. Aries, Pisces. Gemini, Cancer. Virgo, Libra. Sagittarius, Capricorn. The symmetrically opposite points using the borders between those signs as midpoints are the Antiscia-points. Contra-Antiscia when Pisces, Aries or Virgo, Libra borders are used as midpoint. Antiscia when Gemini, Cancer or Sagittarius, Capricorn is used.

**Antiscia:** For simplicity's sake we're gonna explain it like Conjunction.

**Contra-Antiscia:** Opposition.

10) ► **Contra-antiscia-Neptune** ♄ **Conjunct** MC **Midheaven** - (1°23')

([211] astromatrix.org:) Intuitive Sensitivity

This aspect indicates great sensitivity, but for this energy to work positively, your earliest childhood must be reasonably peaceful and serene. You are very sensitive to the hidden energies in your home and between your parents or other members of your family and any kind of ongoing negative feelings can cause you to become insecure and lacking in self-confidence.

Later on, you may feel that you cannot easily cope with life's challenges, because inside

you cannot depend upon your emotions and your spontaneous actions to make everything come out right. Your relationship with one of your parents may be rather difficult. Often this aspect signifies that one of your parents is too weak psychologically to play his or her role in your life.

This might lead you later to seek out someone who can be a guide and a loving parent figure for you. The problem is that such a relationship would displace your search for normal adult relationships. However, even if both parents are strong, you may go to the other extreme and idealize the more influential one.

In that case you would compare everyone you meet to that parent, instead of dealing with each person as an individual. This is not so bad as the first alternative, because at least you have strong ideals that you can believe in. Later in life this may turn into a strong belief in God. Because you are so sensitive, you may eventually develop a strong psychic and intuitive ability.

11) ► **Contra-antiscia-Neptune** ♀ **Conjunct** ♂ **Fortune** - (0°39')

12) ► **Contra-antiscia-Fortune** ♂ **Conjunct** ♀ **Neptune** - (0°36')

([89] astrotarot.net:) Typical features that opposition brings: you have an intuitive, dreamy, spiritual nature. It is important for you to keep the integrity of your own and self-image. Otherwise, your close relationships could become a source of disappointment. You and your partner are easily influenced by the other. You may start a relationship feeling sorry for someone but end up feeling sorry for yourself. Playing the savior role can leave you demoralized, and thinking you are unworthy. Also, you may go through a series of failed relationships with abusive, lying, sick, alcoholic dependent partners. It will sometimes take a crisis, or personal illness to snap you out of your delusion. You need to set strong boundaries in your relationships. Self-awareness is a good start and spiritual development is the next step. It is possible with this Natal Neptune – Part of fortune aspects to find a happy balance. You don't have to let your partners distort your self-image. It may take more than one attempt, you can have a loving relationship. You may dream up your ideal partner and experience true love. Being totally honest and straightforward in all your dealings will lower the risk of being deceived or taken advantage of. Build trust and keep the channels of communication open and free of interference like gossip and lies.

- Positive traits: With this Natal Neptune – Part of fortune aspects you are generous, kind, and are intuitive and understanding.

- Negative traits: you are impetuous and you find it hard to adapt to new situations. Over idealizing your partner or wanting to save them can actually feed their negative behavior. This kind of codependent dynamic can actually make it hard for them not to take advantage of your selflessness. You should stay away from alcohol.

## The Lots (Arabic Parts) (322th Harmonic)

There is not much information on these lots. Lots are points calculated almost always from the Ascendant and two Planets (or the Moon) or another one of the lots (then Schmidt's correction is used). The formulas used are based on Paulus Alexandrinus' and Robert Schmidt's work. Valens is another name that reoccurs with the information for these lots. (He might have slightly different formulas, but I think I took the best ones.) The texts are from 'astro.com' and 'astrology-x-files.com'.

### Lots used for ranking eminence:

When these lots and their rulers occupy each other's places it indicates personal power and social mobility (eminence).

The **Lot of Fortune** is in 28° **Scorpio** 31' and in the **2nd** house.  
Part of Fortune was already interpreted in detail.

The **Lot of Spirit (Daimon)** is in 19° **Virgo** 13' and in the **12th** house.

"higher intellect" "guardian spirit/angel" The Lot of Spirit is a point which has strong psychological and spiritual overtones, unlike the very physical-plane based Lot of Fortune. The Lot of Spirit has to do with the nature of the will, what you intend (as opposed to what merely happens to you), and also has much to do with career, but apparently more your career as a statement that you make about what you are in the world. It also has to do with illness, like the Lot of Fortune, but it would seem that with the Lot of Spirit we are talking about the spiritual bases of illness as opposed to the physical bases.

"Spirit happens to be lord of soul, temper, mindfulness, and every power; and sometimes it also cooperates in the determination concerning what one does." - Paulus Alexandrinus

The **Lot of Basis** is in 14° **Leo** 31' and in the **11th** house.

Calculated from Asc, Fortune and Spirit.

The **Lot of Exaltation** is in 7° **Sagittarius** 59' and in the **3rd** house.

Valens says that it shows what the native is happy doing if it doesn't indicate eminence (by falling mediocre or amiss with little connection to spirit or fortune)

### **The Seven Hermetic Lots:**

Adding Fortune and Spirit makes them 7.

These 5 are calculated with Schmidt's correction formulas.

The **Lot of Eros** is in 22° **Sagittarius** 50' and in the **3rd** house.

"Eros signifies the appetites and the voluntative desires. It becomes a contributing cause of friendship and mutual favor." - Paulus Alexandrinus

The **Lot of Necessity** is in 24° **Pisces** 40' and in the **6th** house.

"Necessity signifies constraints, submissions, struggles, and wars, and makes enmities, hatreds, condemnations, all the other restrictive things befalling men as a result of their birth." - Paulus Alexandrinus

The **Lot of Courage** is in 29° **Leo** 47' and in the **11th** house.

Indicates fortitude (or lack thereof). It is based upon Fortune (the physical body) and Mars (actions). Where this lot is placed by house seems to show what we have to face and what we most fear. "Courage becomes a contributing cause of boldness, treachery, might, and every villainy." - Paulus Alexandrinus

The **Lot of Victory** is in 29° **Aquarius** 21' and in the **5th** house.

"Victory becomes a contributing cause of trust, good expectation, contest, and every association; but sometimes it contributes to penalties and rewards." - Paulus Alexandrinus

The **Lot of Nemesis** is in 14° **Scorpio** 12' and in the **2nd** house.

This lot seems to indicate what is most likely to bring the native down. "Nemesis becomes a contributing cause of subterranean fates and of everything which is ice-cold, of demonstration, impotence, exile, destruction, grief, and quality of death." - Paulus Alexandrinus

Nemesis in Scorpio: murder, plots, jealousy, scheming, lack of trust

Nemesis in Second house (Taurus): the love of money

#### **Lots related to family:**

The **Lot of the Father** is in 23° **Pisces** 16' and in the **6th** house.

If the lord of the lot of the father is dignified and is pivotal (angular) the father is strong and fortunate and may be eminent. If in decline and debilitated, judge the opposite. - Paulus Alexandrinus

The **Lot of the Mother** is in 29° **Leo** 57' and in the **11th** house.  
Same as for father.

The **Lot of Siblings** is in 29° **Scorpio** 39' and in the **2nd** house.

The **Lot of Children** is in 18° **Virgo** 5' and in the **12th** house.

The **Lot of Daughters** is in 17° **Leo** 24' and in the **11th** house.

The **Lot of Sons** is in 28° **Capricorn** 33' and in the **4th** house.

The **Lot of Marriage for Woman** is in 24° **Scorpio** 42' and in the **2nd** house.

The **Lot of Marriage for Men** is in 23° **Virgo** 8' and in the **12th** house.

The **Lot of Deceit in Marriage by Woman** is in 4° **Sagittarius** 9' and in the **3rd** house.

The **Lot of Deceit in Marriage by Men** is in 22° **Aquarius** 34' and in the **5th** house.

The **Lot of Marriage (in general)** is in 17° **Leo** 24' and in the **11th** house.

#### **Lots related to society:**

(Hellenistic)

The **Lot of Debt** is in 13° **Gemini** 28' and in the **9th** house.  
Indicates what could be a source of financial losses or debt.

The **Lot of Theft** is in 24° **Taurus** 2' and in the **8th** house.

The **Lot of Treachery** is in 8° **Capricorn** 51' and in the **4th** house.

Betrayal of trust

The **Lot of Accusation or Exile** is in 9° **Leo** 24' and in the **11th** house.

Lot of Being in a Foreign Land (exile), Lot of Accusation, also Lot of Police: indicate areas of life where someone may be accused of something, either falsely or truthfully.

The **Lot of the Destroyer** is in 28° **Scorpio** 37' and in the **2nd** house.

We have little systematic information of its use except that it seems to relate to the manner of death. I would urge astrologers not to be careless in the use of this lot.

## 322th Harmonic

### **Pholus | Sudden Life-Changing Events**

Pholus helps us achieve our soul contract and mission, the symbol of turning points (of no return), the catalyst, a small cause yielding a large effect, explosive results, transformation without premeditation, euphoria, self-destruction, awakening, curing addiction, release, searching, intensity, discovery.

Here, painful realizations of boundaries and responsibilities come as you grow. Pholus is where one absentmindedly, even blindly, goes about one's business until he sees the mortal light and crashes, grounded by confrontation of karma and responsibility.

### ***Pholus in Capricorn***

([canvasofthecosmos.tumblr.com](https://canvasofthecosmos.tumblr.com/);) Pholus in 10th House/Capricorn: This placement longs for a career that makes a strong impact. Their presence, especially in public and the workplace, is hard to miss. You have explosive ideas and plans for the future. You remember your childhood as boring, and aim to for an exciting life, often longing to move to a big city. However, you easily get wrapped up in the daily grind and lose track of time, realizing that weeks or months have slipped by and you haven't progressed much towards your goals. This placement can relate to the guardian aspect of the Pholus myth, which means you must keep in mind boundaries and avoid overstepping them absentmindedly, as this can lead to much pain and wasted time. You may jump from career to career as you search for the ideal public image, or take your sweet time figuring what exactly it is you want to do with your life. Keep in mind that any venture brings experience which can be applied to other facets of life.

### ***Pholus in 4th house***

([12andus.com](https://12andus.com/);) Your relationship with your mother is profoundly influential and not always in a positive way. Toxic elements from lack of nurturing or too much nurturing early on can unleash confusion and chaos in your life.

You may carry wounds from family and upbringing that become toxic and need healing later in life. When you have your own home and family, you may need to contend with seeds of uncertainty and abandonment that were sown in your childhood.

Your desire for security can lead you to unintentionally unleash emotional wounds that require you to sort out the toxic messages learned from family or relationship with early nurturers. When you work through this, you'll have the ability to break through past restrictions.

You may even have to move frequently or have a home that is unusual or mobile, instilling an appreciation for travel and finding security even while on the road.

- 1) ► 16° Capricorn 2' **Pholus** ✂ **Conjunct** ♃ **Jupiter** 24° Capricorn 44' - (8°42')
- (12andus.com:) You easily expand your beliefs during times of crisis and challenge.

Though life changing catastrophes can be disruptive, you will find ways to make the best of even the most cataclysmic situations. You may find great enthusiasm and optimism for new prospects that are best illuminated by crises and challenges.

When others are panicking or succumbing to disruption and chaos, you find ways to further clarify your higher ideals and release distractions or toxic illusions. You may overestimate your ability to understand danger or challenges you face.

Yet once you come to understand clearly what is beyond your control, you can

transcend difficulties and come to embrace your higher calling. Even knowing what is beyond your control ends up being empowering to you in the midst of crisis.

2) ► 16° Capricorn 2' **Pholus** ✍ **Conjunct** ♄ **Pluto** 21° Capricorn 45' - (5°43')  
(12andus.com:) Your deep, dramatic urge to transform and be a catalyst for change is ushered in by milestones and turning points.

Even situations outside of your control are likely to be harnessed as catalysts for deeper personal transformation. You can find your inner power, clarifying your focus and finding greater authority during times of cataclysmic change and crises.

Though you have powerful protective instincts, you will also find that you can't always dominate the circumstances around you. When milestones and turning points threaten your sense of security and foundation, you rise to the occasion and act as an authority figure.

You can also help others walk through these periods of dramatic change and transformation and may see even small catalysts as much bigger turning points leading to a symbolic death and rebirth phase for you.

3) ► 16° Capricorn 2' **Pholus** ✍ **Conjunct** ♀ **Pallas** 25° Capricorn 53' - (9°51')  
(12andus.com:) You find your vision and passion in the midst of crisis and cataclysmic change.

Your greatest milestones and life changing turning points can be fundamental to your ambition and you may feel moved to create strategies and take steps to put your ideals into action.

You may jump at the opportunity to follow your passion and lead others and so you may be sought out as a guide or leader as others try to navigate through unprecedented times of dramatic change.

4) ► 16° Capricorn 2' **Pholus** ✍ **Opposition** ☉ **Sun** 19° Cancer 33' - (3°31')  
(12andus.com:) You have a difficult time preparing for major life twists and turns because you tend to be overconfident.

You may overestimate your ability or preparedness, seeing yourself as capable of rushing in to the rescue before you have considered what you're getting yourself in to. As a result, you may hit a snag and find it challenging to deal with the aftereffects of little twists and turns that end of having large scale consequences.

You may feel the need to be a guardian or gatekeeper, yet your hubris or overestimation of your strengths and skills can lead you to misjudge the circumstances you end up in and your ability to overcome them. No matter what, you have the strength and creativity to eventually come out on top.

Yet you may face major life turning points or dramatic events with an over exaggerated sense of confidence in yourself.

You may have to work through your overoptimistic side to avoid getting distracted by blindspots that make you susceptible to negative consequences.

### **Eris in Leo**

(synnisisigns.com:) Eris in the fifth house of romance and creativity gives you the power to create divergent forms that highlights societal problems caused by unequal power distribution. Your images, your writing, your music can inspire others with the power of your message. Likewise, if you mispend your gift, your art will devolve into pointless blame games. You must work to overcome that tendency in your life.

### **Eris in 11th house**

### **Karma | Attention Point (per Past Lives)**

Karma is your talent and the place where you can grow the most, or get handsomely rewarded. Why are you here? What do you need to finish? The sign tells you what and house tells you for what. Karma can indicate a negative balance OR positive balance through square Mars, Saturn or Pluto OR trine Jupiter, Venus or Sun. Feeling like suffering is fated when aspecting challenging areas of the chart. Negative Karmic events are like accidents, heart breaks, exposure to outbursts that seem unfair and losses. Positive Karmic events are sudden strokes of good fortune, chance meetings with a true love and so on.

[1] aspect of your character against which, when people interact with it, significantly alters the circumstances you share

### ***Karma in Pisces***

(whatsmyalternative.com:~) The end of the karmic wheel! A native who could have transcended the highest spiritual realms of ecstasy or crawled through life as an alcoholic or drug abuser. This placement may also indicate that the native had mislead others in topics of spirituality or deceived others by misusing compassion. Positively, this can be a native who was so selfless in thought and deed that this life will give a balance in the form of true knowledge or opening of the third eye/psychic powers and higher states of consciousness.

Retrograde Karma here could mean chances of psychiatric illness, schizophrenia and more drug abuse. Great honesty, objectivity and self mastery is needed in this case for setting up the positive karmic loops to enable Neptunian rewards from this asteroid placement.

### ***Karma in 6th house***

### ***Pandora in Scorpio (Rx)***

(astronomicallyaligned.tumblr.com:) Crimson and scarlet, roses and blood. Pain and beauty, grotesque and delicate. A magnetic pull is dragging you into releasing the content of this box. Thorns and silk, metal and cotton. Once out of the hidden, this paradox of insanity will consume the world. No hope or joy. Only obsession and frustration. ## Nessus

(vamzzz.com:) Considering its complex and rather extreme nature, it is no wonder we see a large diversity in the collection of attributed characteristics; lessons in setting boundaries, seeing (one's own) limits, accepting limits; identification of hidden abuse patterns; complex cause and effect relationships, breakpoints in karmic cycles; revealing the truth, resolving a situation; taking responsibility for a confrontation, the perpetrator caught; desire; possessiveness, jealousy, being vindictive, manipulative or resorting to black magic for sexual or financial needs. Finally, several researchers associate Nessus with blood, diseases passed on by blood, or blood rituals, and superhuman strength or powers.

Philip Sedgwick characterized Nessus in astrology as “The ultimate Centaur bad boy”, bearing the wounds of “greed, decadence, intimacy and sexuality”. As positive Nessus properties he mentions: generosity, benevolence, compassion, willing to lend a helping hand, cooperation, respect for boundaries, aware of the power of life energy, healthy use of sexual energy. Concerning the latter: Taoist health trainer and teacher Mantak Chia has Nessus conjunct Sun opposition Hygeia!

My experience with Nessus transiting in hard aspect to the Sun is that this Centaur evokes an inner transformative crisis that demands clarity and decisive action based on “cut the crap”. In the personal horoscope Nessus can be a player with violent impact. Forcing entry seems to be the core quality of this Centaur.

In harmonious aspects, this gaining access goes pretty easy, while in hard aspects, where access is denied, it has to be forced open and in extreme cases violence is used. Thus, in line with these characteristics, Nessus also has to do with breakthrough, breakout, escape, rescue and hacking.

Computer hacking is a Nessus-thing pur sang, especially when combined with Mercury, Uranus, Vesta or Makemake. Also espionage, spies, officers, burglars, rapists, rape in general – mentally or emotionally -, black magic, executioners, cracking a closed system (be it a nut or oyster or bank vault, or mind frame), assassins and police raid teams reside under Nessus.

### ***Nessus in Aries (Rx)***

(smartyoungsters.com:) This is the scary Nessus. If he is not controlled by good aspects from Chiron or Saturn then this Nessus is an uncontrolled, indolent child who wants to fight to get things his way. He is the bully who won't let you have it your way. He is the control freak in a relationship. Somebody who also suffers from absolute obsession over "my way or highway policy". In a good sense, he is the leader of the pack, moving in the direction with absolute passion. Using all possible methods to reach his goal. He can be the match winner in sports needing lot of Physical energy. In love, he is the alpha male even when in a woman's chart!

If someone's Nessus falls in your first house, he will appear to you as a control freak, actually he will be the control freak for you. This is especially true if there are conjunctions.

### ***Nessus in 7th house***

(smartyoungsters.com:) This is the peace loving Nessus who is obsessed about maintaining peace, harmony and equilibrium at costs. This Nessus suffers from OCD when it comes justice and playing it fair. Justice is obviously on the side in which he is, a person with this placement will go to any extent for getting it. Using manipulation and preying on the weakness of the opposition, this Nessus gets it his way. A passionate lawyer who gets wins at all costs for his client. He is the most "dreaded" lawyer and deploys any method to win. When expressed positively, this person can win battles for those without a voice. He can restore faith in the judiciary. He can be the best peace ambassador for the country. Resolve conflicts and create harmony. In love, this is the Nessus that will strive to maintain peace at all costs and expect the same response from his partner. If the partner does not support him in this approach then there will be obsessive arguments that can go out of control. He can manipulate partner to get things his way, preying on the weakness. Commitment is an issue with this Nessus but once commitment break-up can become a big one.

This Nessus is also the abuser or obsessive partner in the relationship. He will want absolute control of the relationship and may excessively bully his/her partner. If someone's Nessus falls in your 7th house then that person will show the above qualities.

## **Dejanira | Victimhood, Toxic Submission**

Can indicate masochism (self-harm), being drawn to sadistic types or a victim mentality.

No fault of her or his own. The person did not choose his chart. He has the power to respond, only. All charts can be overcome.

[1] where you require excessive strength in others

### **Dejanira in Libra**

(cancerouspastelstars.tumblr.com:) May be a person who is victimized in marriage or partnerships, in general.

### **Dejanira in 1st house**

(mychristianpsychic.com:) The 1st house may bode for one to be a victim, more than other houses. The reason is that we wear our 1st house on our sleeve. Any planet or asteroid that resides in the 1st house will be part of our outer apparel. Hence, with Dejanira in the 1st house, one may have the “vibe” of being a victim. Also, one may be victimized by being denied independence or a sense of self.

## Echeclus

Cosmic picture vs. detail orientation. Abstract logic vs. linear logic.

Positive: Balanced perspective of overviews combined with essential detail.

Negative: Picky, judgmental, cantankerously weird, ungrounded.

Mark Andrew Holmes: turning point, stymied, conflict, beleaguered, endings, in a rut, bottled up, frustrated, at war with the world, taking on a lot, tilting at windmills, ability to handle frustration.

## Uranians/ Hypothetical Trans-Neptunian Planets

### Cupido | Partnership and Companionship

Organizations, family, social relations, clubs, corporations, many different kinds of structural partnerships. On its own, Cupido is a fairly neutral and accommodating planet, so we really need to see what else it's dancing with in a chart to get a realistic picture of how it is operating.

### Hades | Underworld, Unknown

Emotional and spiritual concern and weighty emotional issues. Our emotional selves can cause "dis-ease" if we don't give them the utmost importance. But it's also in their resolution (unveiling) where a new awareness and growth can take place. This is where some of the most beautiful and positive manifestations of the Hades energy can be seen.

## Arachne

Sowing complex solutions to complex problems. Patience; the greater pattern.

Complexity; simplicity. Can indicate where you own gift lies, she also shows where you will be challenged to perfect your craft, where you must be able to do what you say you can do and where you may experience competitive clashes. Taps into the unknowable, even what 'should not' be known. Arachne may connect to the concept of playing God.

## Asbolus

Root chakra (or reptilian brain) awareness. Sombre, pessimistic, with a lot of depth (but tangled in a vortex-like manner of information processing). If dominant: usually having a lot of trouble receiving advice or compliments from others. Easily goes over the top, exaggerates protectionism, and isolates itself unnecessarily.

(vamzzz.com:) It represents the domain of Yin. Ontologically and sociologically it relates to the root of individualism, technology and in the worst case murders. Theologically it relates to the figure of Satan.

Six different ways Asbolus can work in a horoscope:

- One could distinguish six different types or subtypes of Asbolian influence. The first type detects the inhumane, the perversion or violation of human rights and the ethical. (Julian Assange, Jannis Varoufakis, Edward Snowden, Sahra Wagenknecht, Karl Marx et al.)
- The second type of Asbolus is not a strong influence, but acts more some kind of dull black spot in the chart.
- The third type corresponds with the seer and empowers clairvoyant faculties (James Van Praagh and Anton Pauwe).
- The fourth type shows Asbolus as a pit of horrors, darkness, psychopath inhuman features and atrocities (radix-horoscope USA, Madeleine Albright, Joris Demmink, Adolph Hitler, Barack Obama, Zbigniew Brezezinski, G.W. Bush, Hillary Clinton, Joseph Stalin et al.).
- In the fifth case Asbolus is a dark artistic inspirator in a creative horoscope, making an impact on the public by mingling the aesthetic with some distortive, taboo breaking, or intense Plutonian atmosphere (Ilona Staller, H.R. Giger, Georges Bataille).
- The sixth Asbolus is a crossbreed of two or more samples of the above. For example, one could be a loving person, socially very aware of ethical values, but also a master in writing short horror stories. When in league with evil, the outcome is never Asbolus responsibility alone, but a joint venture with the totality of the chart

With Diana in the Fourth House you may be very shy of mortgages. [1] where you are above the little people, a more valuable social asset than others

## **Ixion**

Very masculine energy, ingratitude, murder, passion for supplanting the prevailing system, haunting, loneliness, disorientation.

(synnigns.com:) It needs great loves and it's phantasmagoria will push him beyond the curtain of reality when circumstances are below his taste. In career, it must destroy existing concerns, clans, lobbies, lodges, clubs, factions, cabals, plots, allegiances, fraternities, cults, newsgroups, web-sites, teams, alliances, trusts, blocks, interest groups; and from the resulting chaos choose and pick his own few good men to form it's own enterprise, not without bitter struggle and a sword hanging over it's own head. Religious fanatics are born along this line, those well meaning fellows that send humanities to death, schizoid nationalists, new hitlers, media magnates, islamic terrorists, highlanders, beings of war and chaos. In positive aspects (conjunct casanova and Uranus) it can prolong love making up to several (three) days, an unending erection. [1] how you order others around

## Panacea

(astrologyclub.org:) Panacea is “the cure”—but it’s not as simple as that. It’s “what you believe it takes to make things better.” Thus, what do you or others have to do in order to bring about an improvement. With Panacea in hard aspect to the Ascendant, a person would have to “be” different to bring about an improvement; they’d have to alter their routine and initial response. A retrograde Panacea might not really believe lots of things can be fixed.

## Persephone

Where we are scared to take charge;

(YT: Tom Jacobs:) A theme of looking immature from the outside but being capable of maturing it through the inside. Have to make a change: a leap into a thing with boldness that might seem like a stretch or too much for us because we've never done it before. So some persephone people are timid, because they've had been put words into their mouth and have been told they can't take care of themselves. Sometimes they'll reject that, and they are quite confident because they had to at some point grow up overnight. Whether that was pleasant or unpleasant, whether that was a choice they drove or it was driven by other circumstances and other people.

So there is a sense of a Youthful spirit and maybe some naivete but the appearance of naivete surely.

## Proserpina

(houseofinferno.com:) [...] but many of these deities have the same story with different names. Proserpina's name means "to emerge". (ref Persephone!)

She represented the irrepressible feminine spirit who would not be controlled or restricted. Some astrologers look to the asteroids Proserpina / Persephone in a person's natal chart to see where we give our power away, or have it taken from us, so we can use this information to not be so passive and assert ourselves properly so that we are not so easily controlled. What we could take from Proserpina's story is to honour the cycles and changing seasons within ourselves. Sometimes we are cast into the Underworld when something bad happens, and we should never spiritually bypass these situations.

We have to feel our pain and darkness to move through it. But when we are ready, we can emerge to cultivate something better for ourselves and let go of the things that don't serve us.

We should also be mindful of how we assert ourselves. We need to show ourselves love and respect by building healthy boundaries. We need to stand up for ourselves when we are being unfairly treated, and we also need to be mindful of how we do this to others. But we should also take care to know the difference between assertiveness and aggressiveness and make sure we achieve a healthy balance so we don't take away or restrict another's free will or cause unnecessary harm to others in the process.

(jessicaadams.com:) Proserpina shows where you are taken over, taken, then take back.

## **Sisyphus**

(leahwhitehorse.com:.) Repeated mistakes, stuck in pattern through fear of change.

To be admired for his outright refusal to accept death and for his ability to repeat a task that is doomed to fail for all time. In him we see the try, try and try again attitude.

Perhaps the positive side of this asteroid is the ability to keep going, even when we can't yet see the point. Essentially, he perhaps shows where we can find meaning in what we do on a daily basis, not just in our achievements or the winning of battles.

## Fixed Stars

Only conjunctions here. Now will, anything inside the orbs of the fixed stars behind the (moving) planets and other objects from the chart, be shown. I've taken the orbs of the star conjunctions from the following two websites: 'astrologyking.com' and 'fixedstarsastrology.wordpress.com'.

If the orb from the first website was biggest, I have left it like that. If the orb from the second website was the biggest I have changed it to the average of the two.

I also gave all the four Archangel stars (Aldebaran, Regulus, Antares and Fomalhaut) plus Sirius and Spica a bigger orb of 200 minutes (3°20'). Caput Algol, as a evil influence, I gave 3°.

A lot of these stars (297 in this script, plus the Galactic Center and the Great Attractor) are far away from the 12 Zodiac-constellations, so saying that the Zodiac has a certain height is not really usefull because it stretches all the way around Earth, in height (as well as in width via the Signs.

(NOTE from 'fixedstarsastrology.com':) — Do not let any of the negative descriptions for any stars that follow which may apply to you frighten you. If you live a good, clean life, good will be in store for you Rather than the darkness that may otherwise apply to you. Live your life with good conduct. ALSO — you can check your astrological chart's planets conjunctions with the stars you were born under to understand yourself better. Stars are rated based on my judgement (John Hebert) with (+) being good and (-) being not good, and the more of each one, the more positive and negative the star's influence.

**ASELLUS AUSTRALIS** (18° Cancer 28') is **(1°05')** of (1°30') close to the **Sun** (19° Cancer 33').

[1] (- - - -) august 1-3 Sun-/Martian - eye trouble, mass murder, horrors, self-willed, uncooperative, dramatic /choleric, introverted, romantic/individualist, possible histrionic

[3] Both north (Borealis) and south (Australis) stars influence the effects and perhaps double the power of the Sun and Mars in one's astrology chart. The stars are a positive power in conjunction with an Ascendant, Midheaven or Stellar bodies of Sun and Mars.

The fixed stars known as the North and South Asellus are two stars that are read together as a team to reach a conclusion. This stormy stellar double-header releases powerful psychic energy, which if harnessed and projected calmly will guarantee success.

This is a great time for dealing with the public and influential people... and generally getting ahead with a little help from friends. Remember that positive thoughts and actions will reap positive results and positive rewards. This is a challenging aspect to have in one's astrology chart, but if well managed and enough self-awareness shown. The growth of the person will be tremendous. Shifting from a young soul to an old soul

this lifetime around.

#### Shadow Side

The energy of these two stars shows an aggressive and frustrated mood. With bursts of dark experiences of low self-esteem and depression. Violence and anger seem to follow this star around like a black cloud.

When these stars show in your chart you really have to knuckle down and focus to achieve a positive outcome. But it turns out all worth it, in the end. With personal gratification amping up the next chapter of projects in your life.

[4] Both these fixed stars correspond to the effects of Sun and Mars. They are therefore a positive influence if in conjunction Ascendant, Midheaven or stellar bodies of the same character, and especially if with Sun and Mars. These people have an aggressive nature, and will not take insults easily. They may, by their own lack of caution or by being dare-devils, put their life in danger, and will not hesitate to use brutal and violent means. The strong Mars influence, emanating from the Aselli, must not necessarily be thought of as a destructive element. If a person is able to sublimate the Mars energy, then extraordinary output of achievement is possible.

[6] Asellus Australis rule the top of the heart in the human body.

Penetrating mind and a strong will, as well as determination. An impressive way of speaking and a gift for oratory. In conjunction with the Sun, it will make for a fighting spirit and a love of learning. Connected with Mercury, Venus and Jupiter, one can count popularity and interest in art and literature and distinction; if not further configurations also point to similar gifts. With Saturn, in general, it is thought of as an impeding factor,
