The Socializer

A truly gifted 3 possesses the most exceptional innovative skills, normally in the verbal realm, writing, speaking, acting, or similar endeavors. Here we are apt to find the entertainers of the world, bright, effervescent, sparkling people with very optimistic attitudes.

Life is generally lived to the fullest, often without much worry about tomorrow. You are not very good at handling money because of a general lack of concern about it. You spend it when you have it and don't when you don't.

Threes are optimistic, extremely generous and giving souls, and are able to find positive in everything around them. People like to be around them, not only because of these qualities, but also because Threes have a charismatic personality, are great listeners and are very conscious of other people's feelings and emotions. They can easily put the people around them at ease and make them feel comfortable.

The 3 loves connecting with people. The characteristics of the 3 are warmth and friendliness, a good conversationalist, social and open.

People sharing life path number 3 evoke the fantasies of other people. They can impress anybody and everybody with their charming and attractive personality. They are mesmerizers. Most of them are blessed with a good looking appearance. One downside to their love life is that they tend to take impulsive decisions on the spot without weighing the pros and cons of their choice. Since they do not think well before entering into a relationship, often they are at the risk of facing heartbreaks.

Expression (Destiny) Number: 1

([659] numerologycalculator.online:) The number 1 Destiny suggests that the direction of growth in your lifetime will be toward gaining greater independence and establishing yourself as a leader.

A name producing a 1 Destiny may help you gain the talents to become a skilled executive with keen administrative capabilities, or perhaps a sales executive, or promoter.

You have within you what it takes to become an original person with a creative approach to problem solving, and a penchant for initiating action.

Unless your Life Path shows that you won't need the help, someone may have to follow behind you to handle the details, but you know how to get things going and make things happen. As you develop, you will have little need for much supervision, preferring to act on your own with little restraint.

Progressing through life, you will become one who seeks to expand and broaden opportunities to find new careers and new inventions.

You must develop skills in innovation and ingenuity. You have a good mind and the ability to use it for your advancement. Because of these factors, you have much potential for achievement and financial rewards. Frequently, this Destiny belongs to one running a business or striving to achieve a level of accomplishment on ones talents and efforts.

As you mature, you must become increasingly ambitious and determined. Self-confident and self-reliant must be yours, as you develop a strong unyielding will and the courage of your convictions.

The 1 Destiny presents a tendency for you to fear the routine and being in a rut. You often jump the gun because you are afraid of being left behind. The negative attributes of the 1 Destiny include one becoming egotistic and developing a self-centered approach to life. This is an aggressive number and if it is overemphasized it is very hard to live with. You do not have to be overly aggressive to fulfill your destiny. You do not have to dominate and destroy in order to lead and manage.

Life Path - Expression Bridge Number: 2

([660] numerology.center:) Number 2 gives you characteristic of a very loving and

pleasant person. But the other people, generally, cannot notice that. You think that you are an open person and everybody understands you, but, unfortunately it is not like this. All people are different and you have to be more tactful towards others so that they can see your friendliness. In some situations, diplomacy and practicality may help as well. Sometimes you are not attentive enough to other people. It may hurt them and lead to further misunderstanding. You have to be more polite and open to make contacts with others and avoid conflicts, which doesn't definitely lead you to your dream's accomplishment. You have to be sure of your capabilities and not to repel other people. This is a recipe for your happiness and luck.

Heart's Desire (Soul Urge) Number: 4

([659] numerologycalculator.online:) People with this soul urge have a natural desire for order and are very good at working with their hands and tend to be tradespeople.

You have a need for stability and structure in your life. You want your life and everything that touches it to be orderly. You have a systematic way of doing virtually everything. You are often not satisfied unless you are working toward some kind of goal. This makes you focus too heavily on work at times so remember that stability also means having time for yourself.

All work and no play is not a recipe for structure or stability.

You are a very loving person but you struggle with your ability to express love outwardly. Don't assume the ones you love know that you love them. They need to be told and you need the practice of telling them. This will help you to achieve the emotional balance that you desire.

Personality Number: 6

([659] numerologycalculator.online:) The six personality is someone who loves to help others and who will give of him/herself tirelessly when needed.

They love to see others reach their personal best.

Six people are typically peace makers and try to avoid conflict. They can fit in well with a variety of people and are very easy going and agreeable.

People like persons with 6 of their Personality Number, as they are always ready to give an advice or counsel and can offer assistance. They radiate a protective and sympathetic concern of others' life and well-being.

They also make an impression of confident people whom you can trust. They like to help and have an understanding and helpful demeanor.

Heart's Desire - Personality Bridge Number: 2

([660] numerology.center:) You have the ability to influence people. You don't use this

aptitude with your private aims. Maybe you even don't know about this ability, but very often people do what you want. However, in spite of this fact, you have to be more attentive to the needs of others. Good warm relationships will be long-lasting if you understand the expectations of people, who are important to you, and if you don't ignore them. Sometimes it is necessary to put the focus on the wants and needs of others. It will help to build natural harmonious relationships.

Patience is important for your job as well as for your relationships. Don't try to make things too quickly. In some cases it is necessary to calm down and wait a little bit.

Quiescent Self Number: 6

([661] affinitynumerology.com:) Quiescent Self — This chart position provides insight into what you consider to be an ideal existence. A quiescent period is being immersed in oneself with personal perceptions of ideal existence (without outside influences) and experiencing the feelings and rewards and activities as if they exist in actuality. (The "quiescent self" number sometimes is referred to as the "inner dreams" number.)

During quiet contemplations of an ideal life, people with quiescent-self number 6 are likely to imagine the devotion of their family — not only for the beautiful and harmonious home they have create for them, but also for the responsibility they assume for their family's welfare.

The energy represented by the number 6 resonates with family, home, and nurture. Also with healing, responsibility, harmony, and idealism.

It is common for visualizations to lean toward pleasant and pleasing environments. There may be flowers in the garden. Pleasant music may be heard.

There's a tendency for a person with this quiescent-self number to visualize and experience the pleasure of visitors in their home — friends or strangers — who agree with their view of an ideal world.

Maturity Number: 4 = 3 + 1 = LPN + E(D)N

([662] feliciabender.com:) You're moving toward reevaluating what it means to work with limitation. You're being called upon to work diligently to reach practical goals, develop systems and processes that help you reach your goals, and to leave something of lasting value in the world.

Where you'll be challenged: With this Maturity Number, there's often a shift in life bringing issues related to limitation and restriction to center stage. Situations will arise highlighting your sense of adopting optimistic step-by-step processes to get where you want to be, understanding where you get in your own way by being rigid and dogmatic, and to understand the difference between managing and micromanaging.

What that might look like:

- Experiencing events that require that you examine the ways in which are overly responsible or irresponsible.
- Evaluation of self-defeating behaviors based in feelings of restriction and limitation.
- Examining the ways in which you have either been unable to commit to work or home life – which has led to undesirable outcomes – or the ways in which you have been a martyr to work that has felt unsatisfying to you.

Karmic Debt Number: 19/1

([663] mattbeech.com:) Those who are tied to this path were possibly quite selfish in their previous lives, and the debt being carried over is related to the damage caused by their selfish attitude.

If you're finding yourself being drawn to this number by either your life path or personality number, it is important that you remember that the lesson for you here is to **focus less on yourself** and more on the world around you.

The message is clear that you need to broaden your inner world and let the greater world in. This helps reduce your superficial tendencies and allows you to build more meaningful relationships with the people around you.

(astrobasic.com:) This Karmic Debt number will teach you to learn independence. Due to this Karmic Debt number, you will be forced to stand for yourself, and you may feel alone.

The recommended solution is to start to give respect to all human beings. The more you connect with another soul the less loneliness you will feel.

Karmic Lesson Number: 3

([664] worldnumerology.com:) This Karmic Lesson indicates you are highly self-critical. When you find yourself at the center of attention, you often judge your performance to be entirely inadequate or embarrassing. You tend to measure yourself against an impossible standard of perfection. Try to refrain from constant self-evaluation.

It is important for you to recognize no one is flawless. Feeling the need to act impeccably can prevent you from doing what you enjoy in life. Practice being more optimistic and cheerful - enjoy this "messy" life and share your joy with others.

Life will place you in situations that require imagination and communication. You will be tested in these areas and forced to face your feelings of inadequacy. Missing 3's often produces artists - but their success will require consistent effort and perseverance.

The effect of this Karmic Lesson is diminished if you have at least one 3 among your other core numbers (Life Path, Birthday, Hearts Desire, Expression or Personality

Number).

Karmic Lesson Number: 4

([664] worldnumerology.com:) A missing 4 may find you rudderless and confused about your life's direction. To obtain focus and success you will need to establish a methodical, disciplined approach. It is important to create a foundation for your life to keep from feeling lost and tossed about by change.

You may have trouble finding the work you do best, as you tend to be somewhat impractical and disorganized. Without a strong inner compass, you will look to life's problems outside yourself rather than within. A new job may start off as "The Answer," but it won't hold the same appeal for long (as you discover the new work requires the same effort and perseverance as the last one, without the initial glamour).

Concentration and application need to be strengthened when the 4 is missing.

The effects of this Karmic Lesson are diminished if you have at least one 4 among your other core numbers (Life path, Birthday, Hearts Desire, Expression or Personality Number).

First Pinnacle Cycle: 1

(Month + Day) - from age 0 to 33 (based on LPN) - ([665] feliciabender.com:)

General: During this Pinnacle, you are focused on developing independence, self-reliance, and individuality. The primary energy during this phase of your life is to achieve mastery in these areas. This is a time spent developing your ability to express your individuality by cultivating original ideas, by leading and directing others, by attaining success and achievement in the material world, and by gaining recognition for those achievements.

Pinnacle 1 Number 1: First Pinnacle: Keep in mind that especially during a 1 Pinnacle, all people and circumstances in your life are fully on purpose; these people and experiences are your teachers if you can perceive them in that light. When you have this number for a First Pinnacle, chances are your youth is spent learning how to develop and use original ideas. You're called to lead and to rely on yourself without resorting to the downside of ego, stubbornness, and being self-centered or dominating. It's not necessarily a settling time because it's governed by exponential learning, which includes all the hard knocks that go with it.

Warning: Warning: When you're being groomed by the Universe for a leadership position, you'll be required to be an intern first. This means that it's unlikely for you to magically be handed golden opportunities for success—and if you are, take them and run with them. Usually you'll have to construct your own opportunities through desire, focus, self-determination, and the ability to take a punch, get up, shake it off, and keep

going.

Second Pinnacle Cycle: 3

(Year + Day) - from age 34 to 42 (based on LPN) - ([665] feliciabender.com:)

General: When a 3 Pinnacle comes, get ready to dig into your emotions and express yourself. This is a time to get to know your inner life intimately, to identify and deal with your emotions, and to cultivate your creativity in all its forms. You have no other choice except to dig deep to locate your underlying emotions and learn to communicate these with clarity and purpose. It's time to learn to speak your truth. If you attempt to hold your feelings and ideas in, you'll implode. Now is the time to allow yourself and others to see the true creative and emotional you.

This Pinnacle is set up for light, enjoyable activities that support joy and expression. This energy is supportive of travel, social activities, friendships, and entertainment. You may feel affectionate and certainly you feel the push to be outgoing during a 3 Pinnacle. The foundation is being poured for growth and development of personal expression, particularly verbal expression. Even if you haven't felt particularly "artistic" or "creative" before, now you are likely to feel drawn toward participation in artistic creation of one kind or another.

The 3 vibration is aligned with the joy of the present moment. Long-term plans made during this stage might not come to fruition exactly the way you planned them. It's all about being with people, having some fun, and acting with a youthful attitude. It can be an "easy come, easy go" stage, where variety and movement trump hunkering down and making things happen. Think. Dream. Imagine. Create.

Pinnacle 2 Number 3: Second or Third Pinnacle: If you're in your Second or Third Pinnacle, the 3 energy pertains to good friends and happy relationships, joy, gratitude, the pleasures of life, and creative self-expression. This is a time where your responsibilities and accomplishments are greatly dependent on your social demeanor and communication skills. You may be presented with opportunities to write, speak, design, or take a job in the entertainment industry. This time is marked by imagination and feelings.

If you're nurturing this number's healthy aspects during your Pinnacle, it has a natural attraction for money and an easier life full of creativity where you're drawn to encourage and inspire others. You could even become interested in some aspect of the healing arts.

Warning: Warning: You'll feel that with the 3 energy, you can get easily scattered, distracted, and drained. The 3 energy is so curious, you'll want to learn something and then quickly move on to the next thing. You would benefit from developing more groundedness and a sense of self-discipline in order to take full advantage of this joyful

and happy number.

Third Pinnacle Cycle: 4

(1st Pinnacle + 2nd Pinnacle) - from age 43 to 51 (based on LPN) - ([665] feliciabender.com:)

General: A 4 Pinnacle is the period of your life where you're being called to build your life with solid, stable foundations that'll last. This is often a period of time where you're drawn toward purchasing—or actually building—a home and concentrating your efforts on career and family.

This isn't a particularly light-hearted and "fun" time because you're learning and being tested by issues related to organizing, setting up good systems, patience, hard work, endurance, working step by step, and moving ahead methodically. This stage is for designing and pouring the proper foundation for your future. It's a practical time where you're putting your ideas into the material world and manifesting your vision with discipline and a serious attitude. This is a period of time where you'll be tested in the realm of recognizing, moving through, and getting around limitations.

You're being immersed in the energies that support a practical and realistic approach to life. So a demand for order, system building, and organization is key. The 4 Pinnacle encourages you to be dependable, conscientious, and reliable. Determined and somewhat relentless effort is required and you may feel a strong compulsion and emotional need to immerse yourself in work during this Life Stage. When you do, you'll thrive on that energy.

Pinnacle 3 Number 4: Second or Third Pinnacle: A Second or Third Pinnacle with a 4 emphasis will fuel your ability to get ahead in the world and achieve—not so much because of innate talent as much as your drive and ability to out-work the competition. You might find some economic limitations during this Life Stage, set in your path to test your commitment to building solid and steady foundations while not being beaten down by obstacles and limitations.

Warning: Warning: The 4 energy offers with it a bevy of teachers. As you're challenged to build something of lasting value, you're setting up your future relationship with money, your ability to meet deadlines, your ability to institute effective systems, and your way of dealing with limitations.

Fourth Pinnacle Cycle: 11

(Month + Year) - from age 52 (based on LPN) - ([665] feliciabender.com:)

General: 11: If you're working with the Eleven energy, you're developing an extraordinary connection with your intuition and sensitivity. The pressure to wear your "psychic shield" will be at an all-time high under this Master Number since it creates

quite a bit of volatility in the midst of enormous personal and spiritual growth. Optimally, the 11/2 Pinnacle allows you to catapult yourself into a creative, intuitive, service-oriented realm in whatever capacity you desire. The 11 is a more artistic and creative vibration (as opposed to the 22) which favors outlets such as media work, music, art, dance, poetry or anything that involves a visionary and future-leaning focus.

Remember also that the influence felt with the 11 energy is somewhat philosophic in nature and ultimately connected with spiritual and metaphysical study and illumination. Therefore, you could feel compelled to work in the arenas of social reform, philosophy, or social welfare. You may also feel a bit detached from the day-to-day practicalities of the world. With the higher vibration presented by the number 11, you may feel a constant underlying sense of nervousness, tension or restlessness.

Warning: 11: Warning: There is a chance for fame or being placed in the spotlight as a result of this Pinnacle. This is a time for sudden and sometimes repeated changes in all realms of your life. If the Eleven vibration is too intense, this Master Life Stage will feel more like a 2 energy to you. Either way, hypersensitivity is one of your primary and consistent challenges during this Pinnacle. Understand also that this is the number of the Wounded Healer and the number of Illumination – therefore you'll usually have intense life experiences that are geared toward making you walk the walk and talk the talk. You'll use all of the difficulties you experience to help and heal others.

First Period Cycle: 9

(Month) from age 0 to 33 (based on LPN)

([666] worldnumerology.com:) This is a period in which a broad view of humanity and a sincere concern for the well being of others will be developed. Tolerance, acceptance, and universal love are the goals of this 9 Cycle, and while such perfection will not be fully achieved, the person under this influence will grow toward these ideals.

Humanitarian principles and social service are the keys to personal happiness.

All work directed toward the improvement of the general welfare will bring great personal rewards, as well. Hard work directed toward higher ideals is rewarded.

Creative talent is also enhanced, especially when it is joined with some larger social purpose or message. There is an element of sacrifice or letting go, as one is asked to forgive past grievances and let go of negative attachments.

The person is being asked to live according to a higher ethical standard, with much spiritual and personal enrichment as his reward.

Second Period Cycle: 1

(Day) from age 34 to 60 (based on LPN)

([666] worldnumerology.com:) The middle years of your life (approximately ages 30 to

60) find you on an intense path of personal growth. You are required to adapt frequently to the many ups and downs in your life.

When 1 rules the second Period Cycle it focuses on self-empowerment.

To facilitate this, situations occur that force you to dig deep to find the courage required to face your challenges. You have love and support, but circumstances will often demand that you rely heavily on your own strengths.

Fortunately, throughout this approximately thirty-year period, you often have confirmation that your gut feelings are correct and feel you are moving in the right direction.

You will likely find yourself in a leadership position, strengthening your self-confidence even more.

Third Period Cycle: 2

(Year) from age 61 (based on LPN)

([666] worldnumerology.com:) The latter part of your life finds you increasingly intuitive, relying more on your heart than on your mind. You become less inhibited, as you gradually lose the fear of showing your true and deeper self.

You are more direct and less hesitant to express your feelings. You rely on your gut feelings more often. "If it feels right, it probably is," could become one of your stronger convictions. You are better at working with people and you become a master in the fine art of persuasion.

Younger people, and others, are drawn to you - especially those who live with difficult circumstances and those who could use your help. You may well discover a talent you have not previously considered, perhaps in the visual arts.

First Challenge Number: 8

(Day - Month or vice versa)

from birth until approximately the age of 30 to 35

([665] feliciabender.com:) When the 8 is your Challenge Number, you're being called upon to think big, step up to the plate, and get it done. Achievement is expected during this period and so, of course, this will also be your obstacle. People who experience an 8 Challenge either make it or break it—much in the same way that this happens with the 8 Life Path. It's a difficult Challenge, yet if you realize that you're supposed to be making money, supposed to be successful, perhaps you can shift out of the negative experiences and thoughts surrounding money and abundance and understand that this Pinnacle could be the time of your life in which you experience your greatest financial success. When you're in your groove, you're in the peak of both your financial and your spiritual abundance, because you'll be giving most generously.

Your destructive pull will be toward greed, and you'll believe that satisfaction can only be gained by accumulation and safeguarding. You might experience great difficulty and effort in your attempts to gain money status and power, often to the exclusion of all else. Family life and relationships suffer during this challenge since all your focus is on yourself and on your financial achievement (or lack thereof). You're being called to use your ability to earn money and acquire status and power with a sense of balance and with a strict sense of ethics and philanthropy.

Warning: The caution here is to engage in all you do with your authentic self, with ethics and honesty and without greed and malice. If you lean toward the more destructive aspects of the 8 energy, there will be a price to pay. The 8 Challenge also signals that you need to stop giving away your power. This is a period of development where you're being groomed to fully embrace your sense of personal empowerment and learn to empower others.

Potential Destructive Aspects of the 8 Challenge

- Suppressing your power by choosing poverty, homelessness, or other ways to avoid achievement in your life
- By not focusing on your own relationship with money and instead focusing on everyone else's through jealousy, bad mouthing, and indulging in feelings of disgust
- Focusing only on material gain at the expense of everything else
- Being arrogant, unyielding, and uncompassionate
- Becoming lazy and feeling bored with life
- Health-related issues like addiction and mental illness

Second Challenge Number: 1

(Day - Year or vice versa)

from the age of about 35 to 55/60

([665] feliciabender.com:) If the number 1 as a Challenge Number, you're being called upon to stand up for yourself, be true to yourself, and be self-reliant. You're truly being called upon to step up to the plate and become a leader. This won't necessarily be a gift that simply falls into your lap; you will need to cultivate leadership qualities, trust in your vision, and hone your people skills so you can be most effective in getting the job done.

During this time, you're likely to feel dominated by others in one way or another—either professionally or in your relationships. This feeling of being dominated might lead you to be competitive and you might experience an overwhelming sense of needing to achieve above all else. Your challenge lies in your ability to recognize when you're being pulled into this negative vortex and instead focus your energies on controlling the ego and keep self-righteousness in check.

You're learning about self-reliance and how to solve your own problems—and perhaps

the problems of others—independently. You need to cultivate your wit and intelligence and cast tendencies toward argumentation and resentfulness aside. Also cultivate your confidence. This is a period where you'll come under fire by critics and detractors. Don't allow the naysayers to stand in your way or deflate your vision.

Potential Destructive Aspects of the 1 Challenge:

- Major or minor bouts with feelings of insecurity
- Becoming an aggressive "know-it-all"
- Getting caught up in "being right" at all costs
- Allowing addictions to overtake you
- Becoming extremely emotionally needy
- Feelings of ill health due to frustration

Third (Main) Challenge Number: 7

(1st - 2nd Challenge Numbers or vice versa)

The Third Challenge carries much weight and will be felt throughout your life. For that reason, it is also called the Main Challenge. As you master this challenge, your life will come more and more under your own control. You will incorporate the positive aspects of the challenge into your character. This is its purpose in the first place. Therefore, there is implicit in the challenge a chance for great reward. In short, this may be the secret to your success.

([665] feliciabender.com:) The 7 competes with the 4 energy in terms of the seriousness associated with its vibration. While the 7 demands inner exploration, the chances of feeling alone and isolated are common. Contemplating the intricacies of life and spirituality isn't mastered in a weekend seminar. Nor is it mastered in a lifetime. Yet that's the task you're being called to focus upon. Often there is a big "test" or some serious repression or avoidance during a Pinnacle that has a 7 Challenge.

Remember: The key lesson for a 7 Challenge is to understand that all your experiences—especially those that occur during this particular Life Stage—are fuel for your growth. Develop trust in yourself. All that you experience during this period of life is meant to hone your powers of analysis and observation, intuition, and spirituality. You'll be asked to trust your analytic mind and your highly developed intuition.

During a period with a 7 Challenge you'll be faced with difficulties brought on by your discomfort with your own inner thoughts and feelings. This could feel like detachment from people and situations or like tumultuous unexpressed and unresolved emotions. You might feel exasperated and helpless, as though you're a hapless victim of life who is unable to change or improve his or her situation or circumstances. There's also a strong tendency to chronically complain and criticize while offering no solutions to your perceived problems.

More challenging aspects of the 7 vibration might lead you to express everything you

say or write in a negative manner. You may feel the impulse to avoid your feelings by putting up a wall of pride and aloofness. This is your opportunity to develop faith in your own abilities rather than to rely on the opinions of others or dwell on your limitations. The trick is to get out of your head and into your self. This is a time devoted to truly, madly, and deeply uncovering the real and authentic you.

Potential Destructive Aspects of the 7 Challenge

- Withdrawing through drugs, alcohol, sex, or spending your life online
- Either isolating yourself totally from the world or being unable to spend any time alone
- Avoiding work by being scattered, unfocused, and overly emotional
- Avoiding your own life by immersing yourself in someone else's (for example, the life of a family member, business partner, or friend)
- Becoming overly focused on money and material objects
- Health-related issues like addiction and depression.

Fourth Challenge Number: 7

(Month - Year or vice versa)

from the age of approximately 55/60.

This Challenge Number has already been explained previously. (above)

Personal Year Number (for 2022): 7 (19 + 09) + (2+0+2+2)

([667] affinitynumerology.com:) When the personal year number changes, the influence of the energy represented by the number also changes. Internal urges shift. Different things feel important. Opportunities seem different. Life is somehow changed. The energy attracts certain type of events and circumstances during the calendar year. It affects the energy represented by the life path number, changing the experiences during the year — generally in a subtle way but sometimes in a way that can seem rather dramatic.

The energy represented by the numerology personal year number 7 brings contemplation and introspection.

It's a year with a higher likelihood of personal reflection and attention on becoming ever more perfect — a year of introspection, of understanding more about spiritual nature. There's a tendency to analyze everything, to figure out more of one's life purpose.

There's also a tendency to spend more time alone, by choice, getting acquainted with new inner vistas and enhanced intuition, including a better understanding of personal emotions and spiritual essence.

There's a higher appreciation of quality in products and services, and in honest expression during communication with others.

Personal Year Number (for 2023): 8 (19) + (09) + (2+0+2+3)

([667] affinitynumerology.com:) The transition from one personal year's resonance to the next isn't a sudden change. It may be suddenly noticed, but the change happens gradually. Generally, the change begins a couple months before January, somewhere from mid-October to mid-November. The vibration of the upcoming personal year energy begins to commingle with the current personal year energy. The new energy becomes stronger the closer it gets to January 1st of the new year. By January 1st, the new energy is dominant. It may be a week or two into January before the previous year's energy is dissipated, leaving only the new year's energy.

The energy represented by the numerology personal year number 8 brings energies related to business and material accumulation.

This tends to be a year of achievement, of reward — a year to make strides in business, organization of projects, employment, promotions, monetary compensation, or the accumulation of possessions. A year of accomplishment.

A desire to better one's financial condition comes with this year.

Monetary gains are likely. Material rewards come more easily because you tend to focus on them. Actionable opportunities are noticed more, again because the focus tends to be open to seeing opportunities. This is a year of action, efficiency, and material gain.

(feliciabender.com:) This is a year to focus on money, finances, and personal power. During your 8 Personal Year, you can't help but wake up every morning, and go to sleep every night, thinking about your finances. You might be in work overdrive this year or be handed opportunities that test your personal power.

Cornerstone, Capstone, First Vowel and Keystone (Forename)

The letters of your surname or nickname have a meaning as well, if you filled in a nickname/callname, that one will be used instead of the first word of your full official name. There can also be a keystone, that's when your name has a middle letter.

These texts in between explaining the different parts comes from

'worldnumerology.com', sometimes a different source, then it will be noted.

Anytime 'spiritwalk.org' is used, it is always the general meaning of the letter, not meant specific to the place the letter is positioned at in the name.

Cornerstone: It provides general insight about your essential personality, and it has a lot to say about your approach to **challenges and opportunities**. The Cornerstone in your numerology chart is all about how you approach difficulties as well as upswings.

Cornerstone (first letter): J

[670] [671] [672] [673] ([670] affinitynumerology.com:) The person is inclined to approach life with self-determination, demonstrating independence, preferring self-reliance rather than depending on others.

([671] spiritwalk.org:) This letter symbolizes fairness and harmony in everything you do. You are a person to be best friends with, as you are loyal and helpful. You feel comfortable in quiet place. You are very talented, so it is very important to develop at least one of your talents in order for you to be happy.

([672] numerologist.com:) Cornerstone: You have great ideas but have a hard time getting them started. You procrastinate for ages while considering every angle of how the project could fail.

([673] numerologyzen.com:) Letter J. A cerebral and wavering letter. Synonymous with individuality, dynamism, initiatives, J has, rather by experience than by natural inspiration, solid aptitudes to manage and show authority. Less comfortable with the purely physical world (the base of the graphic wavers and lacks stability), J will tempt to go around material contingencies rather than adapting them. That's why J is mainly intellectual, idealistic and prefers to live high up, in order to guard a favorable position or discover new horizons. J could be satisfied by conceptualizing rather than achieving in reality. By [his,her] form, J hesitates, sways softly and can take time to decide and act. J is serious and won't belt along, head down, without reflecting. In a way it is the "I" who sizes up and judges. When [his,her] decision is definite, J will use all the assurance and determination necessary to achieve [his,her] objectives. J is ambitious but has scruples, because [his,her] sense of morals is always there. A loyal and idealistic letter, J is on a constant mental search. [His,Her] vision is often original, innovating and [his,her] vivacity allows [him,her] to glimpse the future which unfolds from each decision. Independence like movement is fundamental for [him,her] in order to fully succeed. J needs to spend physically. Don't try to close [him,her] in or impose limits, it is the best way to make [him,her] run away or become unproductive. Subordinate situations are like a handicap for J, [he,she] would be more comfortable in a post of responsibility. J needs new spaces and enjoys creating, travelling, and cultivating [him,her]self. [He,She] can sometimes have relational difficulties, live quite definite highs and lows, but [he,she] will always know how to pull [him,her]self together to progress and succeed materially (highly probable). J often finds [his,her] path in the creative world, culture and sometimes esoterism. The excesses that J must avoid concern above all [his,her] uncertainties, fears, hesitations which [he,she] must overcome, as well as all excesses of the ego, authoritarianism and pretension.

First Vowel: This letter gets to your core. Think of the **deepest goals, urges and dreams** that drive you in all you do - this is the letter that offers a glimpse into the "window" of your soul! But this is a secretive letter, because few people wear what it really is they want on their sleeve. This first vowel in your name indicates something that only your closest friends and trusted family members might know about you ... You might know someone who for whatever reason changed the first vowel in their name. Although this is rare, it indicates a person who is uncomfortable with who they really are, at their core.

First Vowel: O

[674] [671] [675] ([674] affinitynumerology.com:) Open nurturer.

Harmony, a happy home, and moral standards tend to be highly important. Respect for rules and acceptable behavior are also likely to be important.

([671] spiritwalk.org:) You have a stable set of principles and moral values. It is really hard to persuade you in something that contradicts with your beliefs. You are sensitive and sincere about your feelings. Try not to compare yourself to others, and learn to live your life fully and be self-sufficient.

([675] numerologist.com:) The O reflects the energy of the number 6. When you have the O as your first vowel your tendency is to respond to the world with contradiction. You can appear humble yet strong-willed, independent yet helpless, wise yet self-righteous. You're innately magnetic, protective of friends and family, service-oriented, and nurturing – especially in the home and family realm. You have challenges modulating your overweening sense of responsibility and can become agitated when others make demands on you and yet don't take your advice. You benefit when you allow time to step back and find creative solutions to problems rather than immediately reacting. Your highest and best use is when you're leading others in a position of authority.

Capstone: This is the last letter of your name, and, fittingly, it demonstrates your **ability to see projects and ideas through to the end**. This translates into your "finishing" number.

Capstone (last letter): H

[678] [671] [672] ([678] affinitynumerology.com:) The person with capstone energy represented by the letter "H" tends to conclude projects in an organized and methodical manner — step by step until done.

([671] spiritwalk.org:) Money loves you, but you tend to spend in no time. Everything seems to be alright with your life in the financial sense. You appreciate loneliness, as you often need to be alone and to think everything over. You need to become more confident in yourself and your strength.

([672] numerologist.com:) Capstone: You often sabotage yourself because you think that you can accommodate losses when you can't. You are only successful half the time because you rely a lot on chance instead of the facts.

(note:) When you look at your Cornerstone and Capstone - the letters that "bookend" your name - you can determine how easy it is for you to start and stop important processes and projects. It answers questions such as: are you a shaker and a mover? Are you a little bit flaky?

Extra: **Balance Number:** (numerologist.com:) It is the arithmantic sum of the Cornerstones. It shows a basic pattern in your life that you will tend to fall back on. It also shows how you stand your ground amidst chaos, confusion, distraction or other forces that could drag you off course.

(Note by me:) Will be shown with the comparison to the first cornerstone.

The Four Planes of Expression (multi-dimensional)

Every plane (and dimension) gets certain letters assigned, the number of letters correlating per plane with your full name is the number you get for each plane (and dimension). All having certain interpretations. Based on first full official birth name. Table came from 'affinitynumerology.com', but that's not on the web anymore. interpretations for the planes from the [680] 'numeroscop.net'-calculator.

Intuitive	K	2	Y	7			2	9
Total	7	8	6	2			13	1

Physical (Body) Plane

Physical Plane symbolizes body and physical form of a person. This Plane is governed by instinct, and relates to everything that is tangible, visible, and real. Practically no importance is attached to the imaginary and fanciful. Preference is given to what is already known, based on facts, and doesn't go beyond the bounds of reason. It is the pivot of life, as form and style of existence are maintained here. According to Numerology traditions, this Plane indicates one's natural capabilities. This alone reveals how the term "destiny" understood in Numerology: it is neither "doom", nor "fate", but a set of inherent features. It is active potential, and the process of making use of it is called life.

5 on the Physical Plane

You are constantly in a state of red alert to collisions, emergency situations, and vicissitudes of life. You are physically strong, flexible, and fast in response. Changes, new places, and new people – all these are the raw material for creative work of thought.

Well-trodden paths never attract you. Whatever you eventually come to, your way is unique.

Mental (Mind) Plane

Mental Plane represents the person's mind and reason. It is the level of intellectual interconnections, analysis, collecting and comparing facts. Even the most evident is not accepted here if it cannot be analyzed and proved. It is the Plane of will power, determination, confidence, and cold calculation that doesn't let imagination twist the facts. Fine mind, clear thinking, and management skills guarantee that you'll take a leading role and a high position.

4 on the Mental Plane

You are always attentive to details, precise, and practical. These are certainly valuable qualities in any chosen field of activity. But you shouldn't nurture this attention to details too much – you risk not seeing the wood for the trees. Don't be distracted from the essential. This is what differs a leader from dictator-tyrant.

Emotional (Heart) Plane

Emotional Plane is all about feelings and emotions. It is the level of kindness and sympathy. Here facts recede into the background and give way to imagination, inspiration, inner perception, and creativity devoid of any practical ground. It is not reason that governs actions and reactions to life or other people, but feelings of love and tenderness. People of the Emotional Plane don't have a particularly logical approach to making plans.

1 on the Emotional Plane

Emotionality and permanent internal tension. You will defend your property rights, regardless of what is in question, with perseverance bordering on animosity. For personal relationships, which are so important for you, you need a partner with both strong will and certain flexibility. Otherwise, the “tyrant – victim” scenario is possible.

Intuitive (Spirit) Plane

Intuitive Plane represents the spiritual level of internal knowledge. It is guided by insight and abstract impressions that go beyond the boundaries of both fact and imagination. Intuition helps man to express heavenly wisdom on the Physical, Mental, Emotional Planes of mind and action. Intuitive Plane is the plane of reverence for the Divine, piety, compassion, tolerance, ingenuity, and that inner guidance that enlivens all other existence levels. This is also known as God's grace.

9 on the Intuitive Plane

Your motto is imperturbability and constant self-control. You are almost devoid of emotions; the others' emotional expressions arouse your distrust and even outright

irritation sometimes. Beware: next stages on this way are isolation and anger. Try to be more understanding to those whose mode of behavior differs from yours. Pedantry and meticulousness can make you an indispensable employee in business and management.

Pythagorean Square | Psychomatrix

([681] in-contri.com:) The so-called "psychomatrix", invented by the ancient Greek scientist Pythagoras, is one of the most popular calculations in numerology. It helps to define strength of character, energy, health, intelligence and other innate qualities. «To understand the world means to know the numbers controlling it,» Pythagoras asserted.

			Self-Esteem: 7 line «1-2-3»
1111	4	7	Moneymaking: 2 line «4-5-6»

			Spirituality: 8 diagonal «1-5-9»
			Temperament: 3 diagonal «3-5-7»

cognitive, creative	labor, skill	intellect, memory	

([682] tragos.net:) Pythagorean Square - is a separate area of numerology. In fact, this area of numerology goes back to the times of Egyptian priests. They were the ones who first began characterizing people's characters by using numbers. Pythagoras took this knowledge of numbers as a foundation and applied a mathematical approach to it, which is based on the harmony of the square.

Pythagoras and his followers expanded the capabilities of the original Egyptian system by supplementing the meanings of individual numbers with the meanings of the target lines of the Pythagorean square. Thus, a new approach was now able to help determine a possible goal of a person's life.

Main abilities (square's cells)

Character, will — 1111

"The Leader" - you are always calm and confident. These two are predominant features of your character. You voice your opinion softly, but weightily, making others listen to you or even grow quiet. You can show yourself cruel rarely, but right on target. And people feel this cruelty in you. Most of the richest and influential people in politics, business, military and sport have 1111 and 11111 characters.

Vital energy — 2

"Energy deficiency" - you are only up to do the most important things. Large groups, wild nights, many days of hikes and monotonous work make you exhausted. But moderate involvement in sports, fitness, yoga and normal sleep are vital.

Cognitive, creative — 33

"Basic abilities" - having this potential, you can master the exact sciences, techniques, algorithms. Or become an artist, a writer, an actor. Thanks to your imagination, you are able to generate original ideas. But you really have to work hard and do your best if you want to receive recognition from the public.

Health, beauty — 4

"An initial health stock" One "4" usually goes either to health or beauty. Therefore, if your reflection in the mirror seems to be good, pay attention to health, to possible hidden ailments - it is important to find them on time. If your health is pretty good, then it's most likely you should not count on a modeling career.

Logic, intuition — empty

"Logic is not a forte" This is a trait of dreamers who are hovering in the clouds. They are not good with long chains of facts and reasoning. They can be easily confused, so they constantly run into the same trap. People without "5" are more emotional than rational.

Labor, skill — 6

"Inclinations of diligence and skill" - capriciously this person can cope with any work that requires diligence, accuracy and technology compliances quite well. Of course, they will not become a "jeweler" at once, but whether it's building a house, repairing or something that does not require over-skillful hands, then, most likely, it will work out. And in the process this person will sharpen their skills.

Luck — 7

"With a talisman" - of course, 7 does not guarantee a jackpot after the first bet, but will save from minor troubles and sometimes help to catch luck in the nick of time.

Duty — empty

"Owe nothing to anyone" - public or other duties are usually not familiar to this person.

He or she can not be called a complete egoist, but all their goals are directed primarily at themselves. In their dreams, they strive for "freedom" and "independence", for which read absence of any kind of responsibility to anyone or anything.

Intellect, memory — 9999

"Super-computer" - the person opens the nature of knowledge. The school curricula, higher mathematics, Chinese, programming - everything is smooth sailing. But for some reason this strong intellect goes with rudeness and contempt for other people. They believe their opinion is the only right one.

Secondary abilities (lines and diagonals)

Self-Esteem (Line «1-2-3») — 7

"Inflated" - the person highly estimates themselves. In addition, beliefs like "I deserve more", are very typical. It is to be noted, that high and inflated self-esteem are the most real incentive to do things in a big way. But one day most of these people look back with the benefit of hindsight and understand that they did not become what they wanted. And here they get depressed, or make a quantum leap forward.

Moneymaking (Line «4-5-6») — 2

"Worrying" - thoughts about earning money lead to dismay. On the one hand, if possible, this person would be glad to not work at all. On the other hand, if it comes to the push, they agree to work for anyone who has money.

Talent (Line «7-8-9») — 5

If the person is evidently talented and works to unleash its potential (you can pay attention to other cells) then this figure indicates the potential development of this talent.

Tenacity (Line «1-4-7») — 6

"Idealist" - sometimes this person pursues frankly unattainable goals, because other variants do not cause interest. It takes a lot of energy, brings the sting of disillusionment, but never ends. The person believes that this time they will succeed. In the end they often become a loner, because very few people are able to provide support on their difficult path.

Domestic bliss (Line «2-5-8») — 1

"Sluggish" - this person heard about the family, but will not be in a hurry to create it. They are the kind to wait for the proposal and almost never do it themselves, or do it at the insistence of relatives. Or when there is a risk of losing a partner.

Stability (Line «3-6-9») — 7

"Too many habits" - a person becomes a slave of their stability. They sometimes try to fight it, but mostly unsuccessfully, replacing useless habits and attachments with other ones. The person is extremely hard to budge.

Spirituality (Diagonal «1-5-9») — 8

"Fanaticism" - high spirituality turns into idolatry. The edges of the sensible are blurred. In words, the person speaks of a high, but in deeds becomes obsessed with the rudeness, injustice and dishonor of those around him. Also there is a risk of falling under the influence of cults.

Temperament (Diagonal «3-5-7») — 3

"Impulsive" - this temperament will help to adapt to almost any partner: to damp the arbor with a partner whose temperament is lower, and, conversely, be hotter with those whose temperament is higher. If there is no soul mate, this person will not be above one-night stand. Also they often try to seem very hot.

Cartomancy (Cards of Illumination)

This divination is based on a normal card-playing deck. Every birthDAY get's a particular card assigned, which automatically assigns other cards to different functions, which will be listed here.

The cards (or people) in the suit of Hearts, are like children (Love), in Clubs; like students (Knowledge), in Diamonds; like adults (Manifestation) and in Spades; like old persons (Understanding).

Birth Card: Five of Clubs

([684] metasymbology.com:)

This is your most important card and will stay the same for your whole life. The Birth Card is linked to the Karma Cards.

Clubs: Mind - Communication - Intelligence

Air-Swords - Planets: Mercury & Saturn

Restless Mentality, Changeable Mind-set: All FIVE'S have restless karma. The Club suit is symbolic of communication and how we think. The 5 of Club find it difficult to make up their minds, and need to learn not to tempt fate.

Versatile, restless, inquiring; forever seeking with an ever changing mind; the 5 of Club is a young soul who is never satisfied with the answers they find. They need constant movement and wide travel -- eager to go anywhere rather than remain where they are.

KARMIC CHALLENGE for the Five of Club: Honesty and Risk-taking

The positive natives of this card fight against their inherent restlessness, which otherwise lures them away from building a solid base. Those 5 of Club will then choose to educate themselves in some specialty that interests them, and will pursue it to a successful outcome.

Marriage is never easy for the 5 of Club as they are prone to jealousy and suspicion. They also experience changes in their mental attitudes towards their partner, which causes the marriage to falter.

The Five of Club must have an outlet for their natural keenness. Education is of supreme importance if they are to succeed in life. And peace of mind comes from a willingness to accept their life as it must be lived -- constructively!

First Karma Card: Five of Hearts

(metasymbology.com:)

This person or card reflects qualities that are **not very strong** in your birth card. When you meet this person you should give to them, by giving to them you also help yourself.

Hearts: Emotions - Relationships - Love

Five of Hearts - Changing Affections

Karma for the 5 of Heart - Dissatisfaction With Personal Life

Water-Cups - Planets: Venus & Saturn

Five of Heart want complete and total satisfaction in everything. No half measures! Trouble is, things never seem to happen that way - so all the good stuff must be elsewhere. Not!

KARMIC CHALLENGE for the Five of Heart: Restlessness and Uncertainty

The people born with this Card tend to seek, then change, then experiment, then scatter their forces to the wind. When their position in the charts brings obstacles and difficulties, they often blame it on their environment or associations, and they fondly imagine they can escape it all by moving on. Socially, the 5 of Heart are oh so vibrant, fun, and full of spit and vinegar! On the inside however, their quandaries tax their health and leave them gasping for air.

There are of course, those 5 of Hearts who have learned to accept their circumstances and make the very best of them. There are also the "lucky" 5 of Hearts; ones who profit by gifts and inheritance!

Second Karma Card: Four of Clubs (metasymbology.com:)

This person or card shows your **best qualities**. Qualities that are expressed naturally and positively.

Clubs: Mind - Communication - Intelligence

Air-Swords - Planets: Mars & Jupiter

Concentrated Mental Pursuits: All FOUR's are inflexible and headstrong. The CLUB suit symbolizes communication and thoughts. Thus the 4 of Club tend to be opinionated, and unyielding towards others.

The Four of Club is known as the debaters card; probably because of their fixed opinions and unique ability to shut off emotionally. The people born on a Four of Club day have strong, productive minds, and a good education is key, or they run the risk of talking much, but saying little.

KARMIC CHALLENGES for the Four of Club: Dispassion and Passive Aggression

Four of Clubs are always afraid of not having enough money, even when they do, and they are known to drive a hard bargain. Work is healing for them, especially when it involves large, male dominated organizations, and their health is never much of a problem.

The 4 of Club like to look good. They have unique and unusual emotional interests, often attracting dubious or manipulative people into their lives. They have a natural ease about them, especially when involved with large groups of people, and they make for great travelling companions!

Eighteen cards are used to analyze your journey in life. Seven of them describe the conditions of your personality, named after the planets; they are the seven chapters that tell your life-story.

MERCURY describes your early years, and the experiences that shape your thought

processes and communication with others. (from age 1 to age 13)

Mercury Card: Three of Diamonds

(metasymbology.com:)

Diamonds: Values - Security - Dharma

Fire-Wands - Planets: Mercury & Uranus

Personable, Illuminating, Worrisome: All 3's harbour a mistrust related to the meaning of their suit. The DIAMOND suit symbolizes financial and material values. Thus the 3 of Diamond are often mistrustful of financial institutions.

Be it in politics or on the podium, the Three of Diamond are bright and personable, optimistic and steadfast in their personal and worldly pursuits. Unfortunately, the overwhelming urge for self-protection in material interests can throw them back on stark uncertainty, and the insecurity of the number "3". Tripping over their own dark thoughts and a deep mistrust of others, the Three of Diamond often fall prey to trickery, and don't receive the appreciation they deserve.

During late teens and early twenties, 3 of Diamond people may become victims of unreliable friends or associates. If they have beauty, material security or some other advantage, they are often subject to jealousy and gossip.

Early marriage is usually filled with such serious obstacles and troubles, it's better for the 3 of Diamond to wait until late 20's before tying the knot.

VENUS describes your teens and early twenties. The cards in Venus show how you love and what makes you happy. (from age 13 to age 26)

Venus Card: Ace of Spades

(metasymbology.com:)

SPADES: Physical - Work - Wisdom

ACE: Longing - Self

CHALLENGE: Covetousness

Earth-Pentacles - Planets: Mercury & Neptune

SPADE: The Spade personality enjoys being physically engaged in the world. The spirit of the spade is embodied in the instruments of labor, and it is earthy. The world compels the spade to dig deep into the hard soil to fulfill the needs of the soul.

ACE: The Ace has a value of one. One is self. The I am and I need. The personality of the Ace is driven toward fulfilling its own singular need.

JOURNEY OF THE SOUL: Their Soul Card is the 7 of Heart. This emblem is symbolic of overcoming emotional stress associated with jealousy or lack of appreciation.

In an ideal world, the Ace of Spade dives selflessly into work, without the need for accolades. They balance their work-related ambitions with the emotional needs of those who love them and understand the real journey of life is love.

Ace of Spade personalities are charismatic. They enjoy being physically active and have romantic expectations, which can keep them looking for their perfect love or soulmate. Starting in their late teens and early twenties, the Ace of Spade get a lot of calls for help,

usually financial. This is especially true of the women in their life, friends or relatives who equate money with loyalty.

It's not easy being identified as the Ace of Spade. Much inner work is needed for them to overcome negative thinking habits and harness their restless, if not reckless behavior patterns.

In it's most spiritual interpretation, the Ace of Spade personality takes the soul on a journey of sacrifice; not as punishment, but to forgo the need for adulation and acquire victory over the little self.

MARS describes your vital young adult years. Here you will discover what drives you, how you respond to conflicts, and how you take charge. (from age 26 to age 39)

Mars Card: Seven of Hearts

(metasymbology.com:)

HEARTS: Love - Relationships - Faith

SEVEN: Sensitivity - Overcoming

CHALLENGE: Mastery

Water-Cups - Planets: Mercury & Venus

HEART: The Heart personality is here to learn about human love and relationships. The spirit of heart navigates the turbulent waters of emotional energy. It is the area of life most difficult to master. The heart personality creates experiences that demonstrate love is the sole (soul) power behind all power.

SEVEN: The value of seven is victory. It is a sensitive vibration that rides the razor's edge of life's hard experiences. It is stressful and tense. It is the number of obstacles. The personality of the 7 is chosen to overcome adversity by rising above and beyond the challenges of their karma.

JOURNEY OF THE SOUL: Their Soul Card is the 8 of Heart. This emblem is symbolic of the healing power of love. It symbolizes restoration, and reconciliation. It radiates charm and magnetism. The wise 7 of Heart use their soul-power to attract the help they need. They turn obstacles into victories and harness their emotional stress as motivation to succeed.

Childhood experiences teach the young Seven of Heart that in order to overcome adversity, they must rise to the challenge quickly. They and their family receive many calls for help, usually financial, which creates an understanding of money as a necessary evil.

Seven of Heart personalities operate on a higher frequency. Their mind stuff is highly cognizant of light energy, which they tap for creative ways to release the incessant stresses of their youth. Many artists, singers and entertainers are born on a 7 of Heart day.

The most challenging karma for the 7 of Heart has less to do with the spirit of the heart than it does with learning how to use their fine minds. They have such broad viewpoints, it's difficult to narrow down the channels of thought. They are busy inventing and building bridges to progress while the rest of us mull over cause and effect.

There are those, of course, whose evolution is on a lower frequency of light. For those seven of Heart, mental frustrations create a lazy mind, unwilling to rise to the challenge. Emotionally wilful, there are no half measures for the 7 of Heart! For good or for worse, they are self-sacrificing and loyal to death do they part, or the romantic rebel, unwilling to take on the emotional work for a committed relationship.

JUPITER describes your adult life. The cards in Jupiter indicate your material/financial resources, your associates, and your fortune, or luck-of-the-draw. (from age 39 to age 52)

Jupiter Card: Seven of Diamonds (metasymbology.com:)

Diamonds: Values - Security - Dharma
Seven of Diamond Meaning - Conflict Between Spirit and Matter
Karma for the 7 of Diamond - Harmonization of Money and Love
Fire-Wands - Planets: Double Venus

The 7 of Diamond is a card necessarily associated with money - for good or ill, little or much. It is a card of power and accomplishment. And for those who have not acquired a sense of value, it is known as the Card of "Wine, Women and Song"

The lives of the Seven of Diamond people seem to follow cycles of 5 or 7 years; changes are often violent, always sudden.

There is a great love of home for all 7 of Diamonds, but they may have to wait for it, as their early life is filled with many changes.

The Seven of Diamond is one of the "swing cards", exchanging places with the 9 of Heart every other year. This symbolizes a challenge in balancing love with money. When their love life is running smoothly, the need for earning money becomes the priority - and when there is wealth, the stability of their home life tends to suffer!

SATURN describes your mature years. This cycle indicates where you are at with health related issues, your adversity and your "cross to bear". (from age 52 to age 78)

Saturn Card: Five of Spades (metasymbology.com:)

Spades: Grounded - Work - Spirituality
Five of Spade Meaning: Motion and Change
Karma for the 5 of Spade: Spiritual Discontent
Earth-Pentacles - Planets: Venus & Mars

5 of Spade people project an aura of dependability and inner strength. Their heart centre is open and ready for business. You will feel their presence as soon as they walk into a room.

Work is especially important to the 5 of Spade. Not for the money it brings (though they are keen and always use money to improve the lives of those they love), but for the physical satisfaction of keeping busy. They also make lasting friendships along the way. As the spade, they are very much in tune with their physical needs and want to be

physically engaged in everything they do.

Frustrations and disappointments stem from the Venus influences in their lives. (women, home, love...) It is the selfless nurturing qualities of the 5 of Spade that help them see the bigger picture and overcome their disappointments in love.

5 of Spade have an aggressive type karma that can bring physical altercations with men and legal altercations if not channeled into a productive outlet. On the other hand, this same physical energy gives them great stamina and a smoldering sexuality.

Even though the Five of Spade wear their hearts on their sleeves, in love, they are weary. Experience has shown them that love and relationships come at a cost, and they take their responsibilities seriously.

After age 91 the cycles repeats.

Cosmic Lesson Card: King of Hearts

(metasymbology.com:)

Hearts: Emotions - Relationships - Love

King of Hearts Meaning: Paternal Love

Karma for the King of Hearts - Easy-going Inactivity

Water-Cups - Planets: Mercury & Mars

By nature, these people are the most desirable people on earth and the most worthy of love. They will respond to any true call for help from any quarter - and you can forget to thank them if you choose; it will make no difference to them.

The front they present to the world is kindly, friendly and magnetic. They give an impression not so much of power but of peace, protection and "safe harbor". Within themselves, however, they know they have the full power of love, a power invincible! Sometimes, we find the Kings of Heart are quarrelsome and overbearing. They are met with constant disappointment in others, and are frequently deceived or betrayed.

When we meet a King of Hearts on their own terms and tune into their love and kindness, they never bring us anything but joy. They are the heart and center of family life, and harmonizer of friends.

Cosmic Reward Card: Two of Hearts

(metasymbology.com:)

Hearts: Emotions - Love - Family

Two of Heart Meaning: Faith in Love

Karma for the 2 of Hearts - Fear of Financial Security

Water-Cups - Planets: Venus & Neptune

All TWO's represent an element of fear, based on the meaning symbolized by their suit. The HEART suit represents love and relationships. Thus the 2 of Heart tend to run from the very thing they need the most: emotional commitment.

KARMIC CHALLENGE for the Two of Heart: Cooperating with Loved Ones.

It is true, the meaning of the Two of Heart heralds the "union of love." But those born on a 2 of Heart Day are some of the least lovable types! Perhaps in spite of their obsessive

need for an intimate relationship, Two of Heart are willful brainiacs, preoccupied with financial security, with a preference for associating with people of influence.

The essential nature of the 2 of Heart is to protect those whom they love and share the responsibilities of family and friends. They have brilliant minds, a firm command over their financial affairs, and rock solid work ethics. All Two of Heart strive for peace and will do whatever it takes to achieve it!

The Soul Card for the 2 of Heart is the ever curious Ace of Club. Hence an inherent conflict between their compelling need for emotional security (the 2♥), and their insatiable "need to know" (A♣)!

Cosmic Moon Card: King of Diamonds (metasymbology.com:)

Someone at a higher energetic vibration, there to assist you in your cosmic (spiritual) path.

Diamonds: Values - Security - Dharma

King of Diamonds Meaning: Command of Commerce

Karma for the King of Diamonds - Denial of the Power of Love

Fire-Wands - Planets: Venus & Mars

Positively, the King of Diamonds are endowed with wisdom and power. They may appear cold or hard -- but in truth, they are just, and inclined to philanthropy.

As a Kings' Card, they are born into power and must naturally equip themselves as rulers. If that power means money, then it must be in such abundance that no one can outstrip them or outdo them. But for those Kings of Diamond working on the higher plane of values - the hard-boiled materialism of the typical King of Diamond is unknown to them.

These people are willing to take a gambler's chance because they can afford to lose - but seldom do.

The women King of Diamond are very positive but should strive to keep their personalities out of business dealings or they get emotionally disappointed and frustrated.

The King of Diamond are rarely in inferior positions, and they almost always have ample funds at their disposal - or backers who will come to their rescue. Kingpins and top dogs indeed!

Note: If you would want to go deeper into this specific divination: there are different spreads for each year (of age), smaller cycles, at: 'knowyourdestinycards.com'. These are the cards from the lifespread, the largest cycle. But I skipped the cards for every 13 year cycle, there are seven of those.

Mesoamerican Divination | Tzolkin System

The Day Sign, Galactic Tone, Trecena Sign and Night Lord.

The Trecena is more innate - like the Moon Sign in astrology - reveals deeper aspects of your personality: your emotions, your connections to others and society, and how you respond to things.

Day Sign would be like the Sun: something you work on, something that involves discomfort and effort. You can also have the same sign for the Day sign and the Trecena sign.

There are 20 signs and 13 galactic tones, which makes up for a 260-day cycle for the Trecena's. If you add in the Night Lords, you get the largest repeating cycle. (9 times 260)

Reflective (7) Men

West (Blue) glyph: Challenge / Strengthen

Day Sign: Eagle

/ Men (Yucatan) / Tz'ikin (Kiche)

Men types are independent, ambitious, and escapist. They can be scientific, technically inclined, critical, and exacting, and they frequently have an interest, or background, in philosophy, science, or the more technical aspects of their chosen field.

Men types are usually a bit ahead of their time in their thinking, and they tend to be experimental in many areas of life. They are perfectionists with exacting, critical minds that require challenges.

Making plans and layouts is particularly appealing to them. Persons born under this sign are typically perfectionists capable of handling much detail.

Men types are often unconventional in significant ways; they have their own set of rules in life that develop from their own unique perspective on things. They can be driven, yet they also enjoy a good escape now and then. They would probably just take off for parts unknown, but they usually have complex relationship entanglements to handle, so they don't.

On a more positive level, many Men types are concerned with making the world a better place, and they only appear to be escapist to others.

Those born under Men are usually popular and well liked, which is interesting since they are the ones who tend to frequently bend the rules as understood by others.

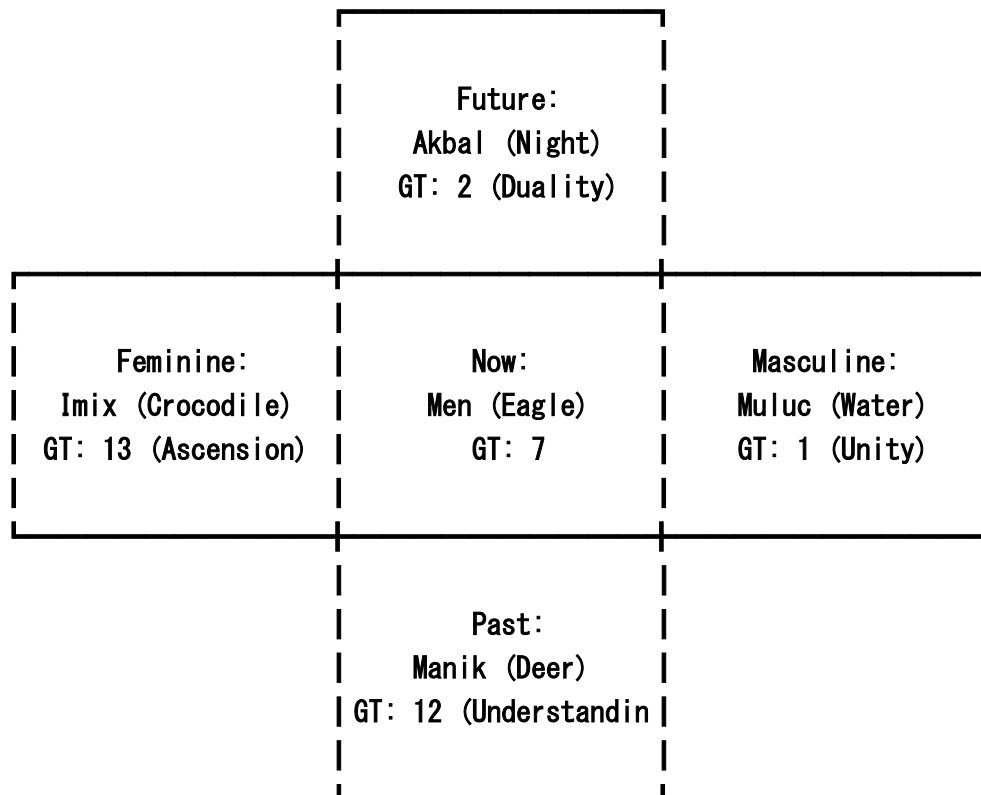

They will compete when necessary, and can be very serious about such things, but they usually try to avoid it. Competition with themselves is more their style and is perhaps the basis of their personal ambitions.

Challenge:

To create a lifestyle that offers both freedom and companionship.

Solution:

To gain a deeper knowledge of human nature.

Four Directions

Men is a day-sign of special power in both the material and spiritual realms. It is said the natives of this sign will cry out like the eagles, asking Santo Mundo, the Earth father, for wealth, power, and the benefits of the spirit. In general, they will get what they ask for because their spirits are strong and their motivation is high.

Men is a sign of passion and desire. These people expect the best out of life and seek to soar above the crowd. A great deal of their passion for life is devoted to the material attributes of human existence, which is why it is said they are likely to become wealthy. They achieve their material eminence not through mere luck, but through skill. They usually make assertive and powerful business people.

There is a spiritual side to this day-sign as well. In ancient Mexico, the eagle was the symbol of the daytime sun (in contrast to the jaguar (1x), which was the totem of the night). Thus this day-sign represents the light of conscious thought, as opposed to the intuitive perceptions of more Otherworldly signs like Ix or Cimi. Putting it all together, we

may say that Men is, at least potentially, the magician of light.

If Men soar to the top of the worldly heap, they are equally likely to soar to the summit of consciousness. The eagle is the totem bird for shamans all over the world, and this is a sign believed to be endowed with "body lightning". Therefore Quiche Maya say Men natives are as likely to shine as shamans or religious professionals as they are to occupy a prominent position in business or society.

Men is a sign of wholeness and completeness. It represents the striving for perfection on all levels of human existence. In order to achieve the heights, Men people must remain balanced in the very centre of their beings. The central pole of their personal tree of life shows Men have Manik for their past sign and Akbal for their future sign.

These natives also have Muluc and Imix as their right hand and left hand powers, respectively. These are turbulent signs, and when Men leave the straight path of motivation, focus, and achievement by leaning too far towards either the male or female polarity, they are certain to run into difficulties.

Let the natives of the day-sign Men learn to identify the true goal of their hearts and strive always towards that goal with clear and focused power. Let them learn to control their turbulent emotions and be guided by the light of conscious awareness.

Galactic Tone: 7

Reflective

- * Mysterious

- * Beyond the realms of the worlds

- * The flow of divinity

- * Purpose
- * Arrow

The Tone 7, which is right in the middle of the thirteen tones, creates a bridge between the spiritual world; similar to the top of the pyramid that extends to the sky. You are involved in spiritual matters since birth. Intuition and ability to receive guidance through dreams are your strong aspects. The 7 energy is a mirror that divides the light and darkness. It also is a door that opens to dreams, mysteries and the unknown.

Trecena Sign: Water

/ Offering / Muluc (Yucatan) / Toj (Kiche)

Beneath the 1-Muluc surface personality is a strong will propelled by powerful, irrational urges.

These people do things in life without a rational explanation, just because they feel they have to do them.

They find it necessary to keep themselves under control much of the time, or they may risk offending others who don't understand them.

They would be well advised to choose their friends very carefully for this reason

Night Lord: 6

Persons born under G6 Night Lord seem to be self-controlled, practical, traditional, and markedly entrepreneurial. They often create a self-sufficient kind of lifestyle or career and may be self-employed. They have a strong desire to build things and are very hard workers.

Their work is rarely of a solitary nature; more often than not, they deal directly with the public, perhaps as a consultant or counsellor.

They take responsibility for themselves and are very self-reliant, but this makes other people less important for them in the process of achieving happiness.

They are strongly motivated by fame and worldly success, and they hold themselves to high standards of performance. They are driven to success in the world because they strive to be accepted by others. Their drive for independence and approval is part of a quest for self-worth.

This inner insecurity is their dark side, and they need to ask why they drive themselves so hard. They are sensitive to the rhythms and nuances of life and may develop a special interest in and respect for the feminine side of life.

Overall, however, their intentions are good and others recognise this fact.

I'm personally theorizing that these night lords are simply the same energies as the 9 main objects (separate from the Sun) conjunct the Sun.

This one would be Saturn conjunct the Sun.

The Four Pillars (Ba Zi/8 Words)

The Four Pillars: Hour, Day, Month and Year

The Ten Heavenly Stems are made from the elements; (earth, fire, water, wood and

metal) and the qualities; Yin (negative), and Yang (positive).

Year: Outer animal; what you manifest outwardly to the world around you.

Month: Inner animal; less obvious characteristics that you possess but rarely share with others.

Day: True animal; represents who you will grow into as an adult.

Hour: Secret animal; who you are at your very core—your truest nature.

Made use of the calculator at <https://psychicscience.org/pillars> by PsychicScience.org to get the right data, and also the interpretations for the pillars.

The Year Pillar: Dragon (psychicscience.org)

Year: Cohort "Dragon in the Whirlpool"

Heavenly Stem Yang Wood (Thrusting)

The Year Pillar represents the characteristics that you may expect to share with the cohort of people who are born in the same year. This pillar comprises the elemental energy of the year's Heavenly Stem and the typical manifestation of its Earthly Branch (the year's Zodiac Sign).

(chinesezodiac.com)

Personality: Occupying the 5th position in the Chinese Zodiac, the Dragon is the mightiest of the signs. Dragons symbolize such character traits as dominance and ambition. Dragons prefer to live by their own rules and if left on their own, are usually successful. They're driven, unafraid of challenges, and willing to take risks. They're passionate in all they do and they do things in grand fashion. Unfortunately, this passion and enthusiasm can leave Dragons feeling exhausted and interestingly, unfulfilled.

While Dragons frequently help others, rarely will they ask for help. Others are attracted to Dragons, especially their colorful personalities, but deep down, Dragons prefer to be alone. Perhaps that is because they're most successful when working alone. Their preference to be alone can come across as arrogance or conceitedness, but these qualities aren't applicable. Dragons have tempers that can flare fast!

Health: Considering their hard-working nature, Dragons are healthy overall. They do get stressed and suffer from periodic tension/headaches, likely because they take so many risks. Dragons could benefit from incorporating mild activity into their lives. Yoga or walking would be good as these activities can work both their minds and their bodies.

Career: Dragons prefer leading to being led. Jobs that allow them to express their creativity are good choices. Some good careers include: inventor, manager, computer analyst, lawyer, engineer, architect, broker, and sales person.

Relationships: Dragons will give into love, but won't give up their independence. Because they have quick, sometimes vengeful tempers, their partners need to be tough-skinned. Dragons enjoy others who are intriguing, and when they find the right partners, they'll usually commit to that person for life.

Element: Wood

Wood Dragons also are willing to entertain the opinions of others. Their artistic side is strong, and Wood Dragons enjoy being creative and innovative. They get along with others, but will always be the dominating force.

The Month Pillar: Rooster (psychicscience.org)

Month: Elder Self "Barnyard Rooster"

Heavenly Stem Yin Water (Regeneration)

The month pillar represents your archetypal inner qualities, especially as these express a deeper, wiser or older self. It may also indicate characteristics that become more apparent in your later years.

(chinesezodiac.com)

Personality: Occupying the 10th position in the Chinese Zodiac, the Rooster symbolizes such character traits as confidence, pompousness and motivation. Those born under the Chinese Zodiac sign of the Rooster are loyal, trustworthy individuals who are blunt when it comes to offering their opinions. Their bluntness stems not from being mean but from being honest; a trait which Roosters expect from others.

Roosters are extremely sociable and prefer being the center of attention, always bragging about themselves and their accomplishments. They continually seek the unwavering attention of others which can be annoying. Roosters are as proud of their homes as they are of themselves. They're extremely organized individuals as evidenced by the fact that their homes are always neat.

Health: Overall, Roosters are active individuals and their preference to be active helps keep them in good health. When they do become ill, they feel better quickly. They can at times however, take on too much and when that happens, they'll feel stressed and

moody.

Career: Roosters are highly motivated and hard-working; traits that enable most Roosters to have successful careers. Not surprisingly, Roosters make good actors, musicians and dancers. Other good career choices for Roosters include: CPA, banker, dentist, insurance agent, secretary, and book keeper. Roosters also do well in the armed forces.

Relationships: The Rooster's bossiness and honest "tell it like it is" approach doesn't work well with sensitive individuals. Roosters need to partner with those who are tough-skinned. They're the individuals most capable of realizing that beneath the tough exteriors are huge, caring hearts overflowing with love.

Element: Water

Water has a calming effect on this Rooster. Water Roosters don't feel the need to rise above the crowd and their communication skills are more refined. Forever energetic and extremely detail-oriented, these Roosters can benefit from staying more focused on the end result rather than the minute details.

The Day Pillar: Goat (psychicscience.org)

Day: Social Self "Lucky Sheep"

Heavenly Stem Yin Metal (Withdrawing)

The Day Pillar is generally the most significant. It indicates your everyday personality - the socialized version of yourself that you normally express and that other people experience and respond to. It may also suggest characteristics that become clearer in your adult years, or when you are at your prime.

(chinesezodiac.com)

Personality: Occupying the 8th position in the Chinese Zodiac, the Goat (or Sheep) symbolizes such character traits as creativity, intelligence, dependability, and calmness. Comfortable being alone to ponder the workings of their inner minds, Goats enjoy being part of a group, but prefer the sidelines rather than the center. Their nurturing personality makes Goats excellent care-givers. They're quite and reserved because they spend much time absorbed in their thoughts.

Home and alone is where Goats feel most comfortable. There they can express themselves artistically, whether it's by painting, cooking or participating in whatever

artistic endeavors they enjoy. Goats prefer the couch because there they can relax and explore their minds. They don't need elaborate furnishings; only items reflecting their desire for art.

When traveling or seeking entertainment, Goats prefer groups or venues that hold many people. Goats spend money on fashions that give them a first class appearance. Although Goats enjoy spending money on the finer things in life, they are not snobbish.

Health: Perhaps because Goats are basically serene, they tend to have fewer health problems. Their fragile exterior hides the fact they're typically very healthy. When they're happy, they're healthy. When Goats become unhappy, especially as a result of romance, they quickly become sick.

Relationships: Goats tend to be private, so it can take effort to get to know one. The Goat is the one who will decide when and with whom it will share its personal life. As a result, most Goats have few close friends, yet they'll work hard for those they love.

Career: Goats at work prefer being part of a flock. Power and status aren't important. Goats will only assume leadership roles when asked directly. They'll never volunteer. Good career choices for Goats include: florist, interior designer, daycare teacher, pediatrician, actor, editor, hair stylist, illustrator, musician, and art history teacher.

Element: Metal

Metal Goats are tough on the outside, fragile inside. Those close to Metal Goats understand and accept this. Metal Goats are very cultural and they're most appreciative of the arts.

The Hour Pillar: Horse (psychicscience.org)

Hour: Natural Self "Horse in the Clouds"

Heavenly Stem Yang Wood (Thrusting)

The Hour Pillar represents your natural, spontaneous, untutored self. Perhaps you usually keep this self private, holding back from expressing its qualities because they might appear childish or otherwise unacceptable. When under stress, or at times of crisis, you may find that your natural self tends to burst out uncomfortably. Alternatively, when you are fully relaxed, or in the company of children, it may express itself through play or creative activity.

(chinesezodiac.com)

Personality: Occupying the 7th position on the Chinese Zodiac, the Horse symbolizes such character traits as strength, energy, and an outgoing nature. Extremely animated, Horses thrive when they're the center of attention. Always in search of a good time, Horses keep the crowds happy with their humor and their wit.

Horses are extremely intelligent so they're able to grasp new subjects with ease. They're also capable of multi-tasking however they don't always finish what they start because they're forever chasing the next opportunity. Horses are honest, friendly and open-minded. They're perhaps a bit too centered on themselves and have been known to throw tantrums when situations don't go their way.

Health: Horses are very healthy, most likely because they maintain a positive outlook on life and because they're athletic. Lead Horses to wide, open spaces and watch them run free! Horses will usually only feel ill when they're trapped inside.

Career: Horses enjoy positions in which they can interact with others. They aren't fond of taking orders and they'll run from jobs they consider routine. They're able to grasp new subjects with ease making them capable of handling most any job. They're effective communicators and they enjoy power. Good career choices for Horses include: publicist, sales representative, journalist, language instructor, translator, bartender, performer, tour operator, librarian or pilot.

Relationships: Horses, being spontaneous, have a tendency to fall fast and hard for others. They tend to give themselves fully in each new relationship a quality that ends up chipping away at their inner being. Fortunately, this exhausting trait mellows with age and relationships are stronger and more stable later in life.

Element: Wood

Stable and strong, Wood Horses are better able to make decisions. They interact well with others; a trait that enables them to have more successful personal and professional relationships.

Celtic (Druid) Tree Sign

The year is split into different periods. Usually, one tree is at two separate periods about 6 months apart. Except for when the equinoxes happen (every 21st of every 4 months), then there is a special tree for that. To find the right archetype for this divination, you have to know if you were born late or early.

(Note:) Celtic Druids did not determine Sign based on the actual date of birth but rather by the **date of conception**. For example, if you were born three weeks before the scheduled date, you need to add these three weeks to the actual date of birth, in order to figure out the appropriate Sign.

I also read somewhere that the tree (or variant) has to be naturally available in your area.

Lime Tree

Strong keywords: Patience, Helpfulness, Popularity

Weak keywords: Jealousy

Tree variants: Blackthorn, Nettle, Basil, Hops

Birthday:

13 March – 20 March

14 September – 22 September

Characteristics and Personality

People born under the rule of Lime achieve their life goals relatively quickly and easily. It's hard to say why, they are just lucky. They achieve their success even though they tend to be comfortable and try to organise problem-free life for themselves. They try to avoid conflicts under all circumstances; they never go into direct conflict. They are people of compromise; they are often willing to make big concessions in order to avoid complications. At the same time, Lime people are very adaptable and they are able to live a full life even under very modest conditions.

Lime people are romantics, and they try to escape from the realities of everyday life and fulfil their unrealistic dreams, especially in their love life. The difference between reality and their fantasies are the cause of inner struggle that takes place within their souls. However, perhaps due to their luck, their seemingly wonderful dreams become a reality.

Even though they are predestined to experience success and recognition in life, in their love life they are usually not that lucky. People who are married to Lime people must expect that they will have to deal with their jealousy. They are unable to stop being jealous, all they can do is to try to hide it. Of course, their excessive jealousy complicates their life significantly. Frequent failures in the emotional area often lead to self-pity. If, exceptionally, Lime people struggle in their everyday life, they become lonely oddballs who shun away from the company of others.

Lime people are very popular. They are very good listeners and they are usually extremely patient and helpful. They are happy when they can help somebody by word or deed, and their help is usually absolutely selfless.

Cancer Sun ☉ ☿ and ♎ ♀ Libra Moon man

([757] i.thehoroscope.co)

Single-minded, the Cancer Sun Libra Moon personality appears diplomatic and understanding on the outside but can be very malicious and fixed on the inside.

In the chart of someone born with the Sun in Cancer and the Moon in Libra, the Sun and Moon are positioned in a square. This means people in these signs have the balance of the Libra shadowed by the Cancer's emotionality.

It's hard for these natives to be free from their feelings. But all in all, they're attentive creatures who can be good friends and make others feel like they're family around them. They enjoy beauty and spending some quality time with their partner.

A Judgmental Personality - In a nutshell:

Positives: Providential, caring and sociable;

Negatives: Misguided, inhibited and hostile;

Perfect partner: Someone who will give them all the stability they need;

Advice: They should worry less about things they can't control.

Personality traits

Cancer Sun Libra Moon people are nothing else but more independent Cancers and more needy Libras. There's a contradiction in their personality because the Cancer is reserved and emotional, while the Libra is more open and detached.

These natives are often terrified of expressing themselves because they think they won't be accepted or that they won't feel comfortable. If they would trust their Moon more, this could change.

They love being around people and they are sociable creatures, not to mention that they have this ability to guess what others are feeling.

When it comes to the weaknesses others may have, they are masters at identifying them. It wouldn't matter what type of relationship they're having, these natives would still protect their feelings by not revealing too much of themselves.

When it comes to their ideal partner, Cancer Sun Libra Moon natives want someone open and who they can completely trust. One of their main purposes in life is to explore what fair give-and-take situations bring to the personal relationships they're having.

The more they will connect with people, the more they will realize what kind of security they require and what connections make them thrive. It can be hard for them to put

themselves out there, but they may need to, especially if they want to be great artists or have a healthy love life.

While they need to belong, to have a family, this feeling can turn into an obsession that would only guide their life towards destruction.

Being single-minded is not at all a good idea for anyone, no matter the sign. What makes them special is well hidden inside of them.

They need to express themselves because what they will say and do is going to be beautiful for sure. It's OK to do it after they started to be more confident.

Imaginative persons, it's amazing to see what their mind can create. If they believe in themselves, they can pursue an artistic career without any problem.

Cancer Sun Libra Moon individuals are tactful and diplomatic, so they can resolve any conflict with a few words only. And this makes them great psychologists, sociologists, lawyers or judges.

Any job that would require them to be balanced and to establish peace would be their dream come true.

Ruled by Moon, Cancers are the happiest when they're taking care of someone. These natives love spending their time in the family and celebrating.

They are compassionate and kind, but moody and easily influenced about anything happening around them.

When dealing with a tense situation or people who like to argue, they retreat inside their inner world and refuse to come out. And when they want to be alone, there's no one to bother them anymore.

Due to this way of coping with trouble, they may seem uncaring and distant. But they are only protecting themselves. Many will get to know their cheerful, happy side they usually hide from others.

Cancer Sun Libra Moons become better people as soon as they are loved and appreciated. Their self-esteem and confidence are brought on by knowing that they are being loved.

Without this feeling, they would only become miserable and sad. Maybe, at some point, they will learn how to no longer need validation and count only on their own opinion on themselves.

They are fair and objective people who need their life to be balanced. And they have to receive as much as they give.

These are two signs that provoke each other and it can't be too comfortable. Their natives would have to integrate both their energies and rely only on what's positive in each.

When the Sun is Cancer and the Moon in Libra, all the tension is about the natives' relationships, family and home. There would be competitiveness between what their two distinct signs want from these things in life.

What they need to learn is to no longer wear a mask that hides their weaknesses and feelings. They should just go with the flow and see where their contradicting emotions take them.

While there's a risk they will keep staying at safety and run away from others, they need to understand interaction is essential. They may feel betrayed or hurt by some people, but they still need to do it.

They will be frustrated, but at least they would act in their own interest. Not that they have to live depending on how others see them because they would only be unsatisfied with such an attitude. They need to consider how others view them and understand themselves better.

Love characteristics

Cancer Sun Libra Moon lovers are empathetic people. They can feel their lover's hidden desires. Also, they need to protect and to care for someone.

As soon as they've allowed the person they're in love with to reach in, they will turn into these extremely nurturing lovers. Only being needed will give them a purpose in life.

But they should be careful not to become a little too much. Also not too smothering, especially when they'll be terrified of not being abandoned.

Moon Libras need to be involved with someone. They enjoy feeling like they're a whole with someone and the occasions to share what they have. But above it all, these natives need balance and harmony. That's why they try to stay away from emotions the best way they can.

Their downsides emerge when they're no longer paying attention to themselves because they are trying to please their partner.

Also being passive aggressive and not making a decision when they're required to, are things that usually get them in trouble.

Cancer Sun and Libra Moon man

This gentleman follows tradition and does what he feels. It's easy for this guy to become self-conscious and too timid. He self-examines himself too much. And when doing so, no one can reach him anymore.

Protecting his feelings is the most important thing for the Cancer Sun Libra Moon man. He needs to learn how to control what's going on around him because he usually changes according to his environment.

Especially when he's with close friends or colleagues, he's even more shy than other Cancers because his Moon Libra makes him want peace and serenity.

So he's more emotional and sensitive. He often tries to be who others want him to be. And he can lose himself in the roles he's always playing.

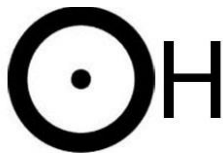

He definitely wastes too much time with what some are all about because he thinks he'll find himself in their demands. This can sometimes help him become a better person.

But he needs to be more confident about himself and his opinions. Besides this, he has to take risks if he wants to really take advantage of the opportunities revealing themselves to him.

He likes being needed and he's an incurable romantic. He's not about sex but more about feelings.

This male usually doesn't see the bad in his partner, looking only at her greatest qualities. What he needs is to be emotionally supported and encouraged. He will simply worship the person who'll give him all of this.

Sun ☉ in X 10th House

([868] i.thehoroscope.co)

This placement of the Sun makes people work hard for their objectives and to want to reach a certain status because power gives them a real high.

Natives having the Sun in the tenth house want fame, to live an honorable life and they sometimes get involved in scandals. They're determined to have a position of power and

authority, not getting bothered by the responsibility this thing would imply.

They're usually politicians, dignified army people or any other role that gives them power. Being good examples for others because they're motivated to make a name for themselves, it's very likely they will manage to build a very good reputation.

Only a few Sun in 10th house people remain in obscurity because these natives have a special need to be respected and appreciated in society. It's like they've been born for nobility and for inspiring others to be greater people.

Summary:

Strengths: Responsible, sensual and hardworking;

Challenges: Superficial, tyrannical and vain;

Advice: They need to learn to balance career and personal life.

Beyond ambitious

People with the Sun in the tenth house like to work hard for their goals, success and feeling of accomplishment because power is in their blood.

They hate taking orders and have a need to be the ones with authority at work. It's important for them to evolve in a career where they're the ones who manage, not those being managed.

These people should deal with the fact that they're ambitious, but not create a fake image of themselves and try to act as if they have a higher position than they actually do.

Sun in 10th house natives are determined to succeed and most of them will, but not until their thirties or even a little bit later.

They may have problems at home because they're always putting career first and are too ambitious about their professional life rather than the family one.

These individuals have all that it takes to be great leaders, even if others see them as arrogant and tyrannical.

The 10th house rules over recognition from the public, the incapacity to take orders and the need to be in control of things.

While the Sun can be unusual when it comes to career, natives having it in their 10th house are thirsty for the attention of their public and have the ability to succeed at any career they may choose.

It doesn't matter their profession, their Sun in the 10th house will be at peace if they're

the ones who pull the ropes and everyone admires them for being such hard workers.

Relating to the public image, the house just mentioned makes people with their Sun in it very aware of how others perceive them.

These people are very ambitious to obtain all the respect in the world, whether they're CEOs or just starting at a job.

As said before, many of them are politicians, so power is another thing they'll certainly struggle to get their hands on.

However, they should be careful not to become obsessed with it because a life that is only centered on self-image and power is superficial and not in any way satisfying.

The positives

Sun in 10th house individuals are driven to have as many achievements as possible, from a very young age.

They're hard workers and strong characters who can overcome any obstacle, no matter how difficult.

These people are recognized by the public as responsible and determined to succeed individuals. It's important they learn how to relax and create a balance between their professional and personal lives.

Having a good time while also being successful is possible if they become more willing to also play from time to time.

More focused on what's happening outside their environment and on asserting what their main qualities are, they will use everything they know to obtain a high social position and to get acknowledged at work.

The Sun in the 10th house motivates them to have a strong influence and to get recognized while they're also satisfying their thirst for power and make their dreams come true.

This means they will fight for a good career and a good place in the society, usually managing to obtain a status where they have many responsibilities and get to be recognized by others.

The placement of the Sun in the 10th house influences them to want to put their talents to use and to be better than the crowd, also to lead rather than to follow.

Everything meant to help them advance in their career will fascinate them. They may

have an identity that is highly influenced by their job and other things that brought them success or helped them attain their goals.

Usually involved in public matters such as the ones relating to politics and speaking for the masses, these will be of the utmost importance for them.

If they won't have the opportunity to be participants in the public life, they will identify themselves as someone who does, while secretly dreaming to have important people's roles.

They really don't like being private and alone because this limits their opportunities to become successful and achieve many things in life.

It's like something is pressuring them to succeed and to become someone whom they're proud of, often seeming that success and achievements are life-and-death matters to them.

That's why they'll always have high goals and work hard to achieve them. It's more likely for them to go to a job that allows anyone to advance rather than a place where there isn't too much room for climbing the ladder, like in bartending.

They really want to be appreciated and admired for their efforts because this is what builds up their self-esteem. Their goals will be precise and their approach to achieve them methodical.

These natives are the incarnation of professional success, all the negative aspects in their chart being sometimes too difficult to counteract. But usually, they're composed, proud of themselves, authoritative and charismatic people whom others respect and even admire, no matter how reserved and shy they may seem.

It may seem for many that these individuals don't even make an effort to advance in their career because they're all the time in the right place, at the perfect moment.

Dignifying and honorable, natives having their Sun in the 10th house are usually respected and even an example for others.

Usually in leadership positions, as if their Sun would be in the 1st House, they hate being commanded and second place.

It's like all the ambition in the world has gathered in them, so their goals will be reached more or less easily, depending on how difficult these may be.

It's important for them to have ambitions, yet they should pay attention because a rapid professional evolution can also bring them many enemies.

Not that they shouldn't chase their dreams anymore, they should just be more aware that some of their colleagues may try to impede them from succeeding.

The negatives

The Sun in 10th house individuals tend to identify themselves with what they've accomplished in life. If they won't realize they're more than the sum of their successes, they will all the time believe only career is important.

Their profession may also be a big part of their identity, making them feel very proud if it's a noble one and they have managed to get recognized for being good at it.

If they haven't achieved that much at work, they will think less of themselves, but still have their work done in a perfect way.

If the Sun in the 10th house is afflicted, the natives with this placement may be tyrannical and abuse their power in order to deal with their insecurities.

It's also possible they'll work around the rules and step on others to get where they want, causing Saturn to become angry and to remind them through its negative influence that they should be more honorable.

The fact that they want success may have something to do with their kept-away insecurity, but the Sun's energy would have them overcoming this issue and become more stable, able to find their center and also turning their assertive or exploiting ways into a need to cooperate and make things better for everyone.

If insecure, they may feel only professional success can save them. As they appreciate themselves based only on what's not all the time in their control, they may feel not worthy when their boss doesn't give them the position that they're working so hard for.

In this situation, they may push themselves to the extreme, until feeling there's only emptiness in their life. Just success makes them feel authentic and happy, this being sometimes problematic when working with others.

Another way through which their insecurity expresses itself is when they become so intimidated by their need to be the best that they no longer know what standards should try to work by and thus, fail all the time.

This means they'd start having a low self-esteem and no matter how much they may try, anxiety and stress would be the only ones ruling over them.

Authority is what makes them weak as well because they want to have it too badly. They should be mature enough and leave their pride aside as this is the only way for them to

develop in an efficient manner and from inside out.

In case they'll manage to attain a certain level of maturity, they will certainly turn into models of power and responsibility for others.

The Sun in their tenth house makes them oppose authority while commanding it themselves. This would be a downside because they may bother some important and influential people in their life and not obtain what they want the most, which is success.

It can be challenging for them to be parents because they're too authoritative, but at least they'll be appreciated at work for this.

Moon ☾ in I 1st House

([872] i.thehoroscope.co)

People with the Moon in the 1st House are emotional and delicate, no matter how great their life is, they never forget about others and lend a helping hand whenever needed.

When positioned in the 1st House, the Moon makes people highly sensitive, very emotional and delicate. The natives are more honest about their feelings and usually live their life by going with the flow. This means they may have some problems with their relationships, especially when reacting over-emotionally to different situations and specific kinds of people.

It's just impossible for them to be less sensitive, so they need a partner to help them trust and feel secure to open up about what they may be feeling. Only with a trustworthy person will they be comfortable and happy enough.

It's very easy to hurt Moon in 1st House natives, because they get immediately offended when someone seems to just say something in a harsher manner. Counting only on their emotions, these natives don't judge too rationally most of the time, so their decisions may not be the most efficient ones.

Summary:

Strengths: Affectionate, caring and straightforward;

Challenges: Moving away from bias and negativity;

Advice: Do something that brings spiritual satisfaction.

The need to get noticed

Always having feelings about something or someone, people with the Moon in the first House are often rushed and emotional. Very nurturing characters, they want to take care of everyone and react based on their gut feeling, especially if the Moon is very close to their Ascendant.

These natives need to always have their emotions stimulated and to express themselves freely if they are to be truly happy.

Because they're moody, many people may not stand to have them around. Their sensitivity often has them taking everything personally and reacting in a very defensive mode to any commentary someone has made.

It's important for them to be more patient and to learn that other people's emotions are equally important as their own.

It's easy to impress them, and when they find something surprising, they react like they have never seen something similar ever before. You can count on them to always say what they're feeling because they find it impossible to keep their emotions hidden.

As the Moon occupies its place in the 1st House of their birth chart, they have quite the need to get noticed for their talents and can predict future events with the help of their amazing intuition.

As soon as they manage to keep their moods and impatience in control, they'll start achieving great things by intuitive means. Their sensitivity is not the most helpful thing for them because it tends to be quite extreme, especially when they're young.

It's difficult for them to mask what they are feeling because, like with the Capricorns or Scorpions, their emotions are written on their face.

Individuals with Moon in 1st House have a tendency to speak about what's going on in their head out loud, no matter how inadequate it may seem for them to do that in a conversation. They wouldn't mind if no one listened, and they would practically talk to themselves without being bothered.

Not the most objective people, they're at least very sympathetic and can feel other people's pain or happiness, especially when dealing with someone very close to them. As a matter of fact, they pretty much identify themselves through empathy.

Because they're trying to stay away from pain and suffering as much as possible, many will think of them as cold or indifferent, when in fact they would only try their best to protect themselves.

When it comes to the way they look, Moon in first House natives have pale skin, especially if their Ascendant is in a Water sign, dark hair and a round face. Their weight can fluctuate, so they need to watch their diet and exercising routines.

Changing their dressing style according to the fashion trends, these people are the ones who annoy others because they insist on copying their style.

When the Moon and Venus are connected, they can be simply obsessed with fashion. Very attached to their mother, they will copy her in many ways. Very affectionate with their other half, romantic and generous, individuals with Moon in 1st House love surprising their partner.

No matter how good their love life is, they still have moments of melancholy because they think of past events and how to avoid any negative emotions in the future.

Because they're impressionable, it's very easy to manipulate them. At least they have psychic abilities and can see if a situation is going to take the wrong turn or if people have bad intentions with them.

Giving, and caring, they live to make others feel good and love it when their loved ones want to spoil them.

Many will understand their feelings and moods because they simply can't hide them. Well-liked by people and enjoying their popularity, when their Moon is in Aries, Libra, Capricorn, Cancer, Virgo, Gemini, Sagittarius or Pisces, they are more shy and not that eager to receive attention from the public.

You can always count on them to be flexible and to not mind anything new coming into their life, but if their Moon is in Leo, Scorpio, Aquarius or Taurus, they tend to be more rigid and to not accept change.

Feeling like vulnerabilities are always on display

People with the Moon in the 1st House are very sensitive in their responses to different people and situations.

Their emotions and intuition are usually dominating their decisions, having them subjective and unconsciously projecting their moods that often change depending on others and the environment.

Most astrologers say that this specific position of the Moon means they're always easily impressed, reacting in a strong way to everything that's happening. But all in all, they're sympathetic, flexible and nice.

The Moon will surely lend them some of its features, so they'll always seem mysterious,

enchanting and gentle. Very expressive, their temper and feelings are shown on their face, this being the main reason why they simply can't hide what's going on in their mind and heart.

Their changing moods and the way they make other people's problems their own are sure to keep them constantly busy. If they were restrained from being expressive and sensitive, they would become completely alienated and feel very empty because this reality would be something they can't accept or deal with.

The biggest challenge for them is being happy without having others depending on their care.

They will see everyone as a mirror of their own self and won't be able to distinguish reality from what's only in their mind anymore. And this can go on for years, just for in the end, a type of insanity to have them completely subjugated.

Moon in 1st House people may seem unrealistic to those who don't have a rich imagination. Many can also see them as eccentrics, but their closest friends will still like them for being good listeners.

Their memory is incredible, so expect them to know where you have been at a specific date, with whom and why you happened to be upset at that time.

They may feel like their vulnerabilities are always on display and that others are able to see how fragile they actually are. That's why they may act defensive and cling to those who at least give the impression they can protect them.

All astrologers say the Moon keeps memories and accentuates all the emotions. Women are even related to it from a biological point of view because they have cyclical happenings in their bodies.

For both genders, this celestial body is a great influencer over mood, psychology and behavior. Many people have strange experiences with the Moon's phases, some not even being aware why they are feeling strange sometimes.

The ones who are more Lunar will be perfect caretakers, the others will just take good care to be perceived in a good way by the public. The Moon has to do her thing and influence them the way it knows better, so sensitivity and moodiness are at home with people having this celestial body in First House.

He's not willing to admit that other people might be right, and that he might be wrong. This goes against his pride as the king around these parts. He does nothing wrong and he's always correct.

His enthusiastic and dynamic personality wants to feel in control, in a position of authority where he has access to everyone's dirty little secrets.

Mercury ♀ in XI 11th House

([918] i.thehoroscope.co)

This placement of Mercury improves the ability to talk with anyone about anything because one becomes more charming and convincing and has plenty of fresh ideas.

The Mercury in 11th house natives are especially effective in dealing with other people. They know how to talk to them, how to explain and transmit their ideas in easy to understand ways, and they are generous in most situations.

They can adapt their speech to pretty much anyone, regardless of culture, level of understanding or other differences. It's one of their special abilities, to be able to communicate with people from all walks of life.

Summary:

Strengths: Eccentric, intelligent and curious;

Challenges: Dominating, picky and manipulative;

Advice: They shouldn't let themselves be affected by others' opinions.

Endless ambition

These people are one of the most communicative and sociable natives of the zodiac. They are literally able to talk to anyone about anything and reach a consensus, most of the time.

At least, if the interlocutors are able to bring new and fresh ideas, innovative perspectives on the subject, they will be thrilled and enthused to no end.

This is what they find fun, interesting, and entertaining, to engage in challenging conversations where they can accumulate more knowledge and satisfy their curiosities.

In order to achieve their aspirations, they will try to diversify their interests, to gather like-minded people around, and to engage in social activities more.

The inspiration is out there, and it just has to be found, and also accepted as such.

They think about things that most other people can't even wrap their heads around.

Simple, yet profound subjects like freedom of speech, individual choice, morality, humanitarian aid, all topics related to the development and well-being of the rest of the world, with emphasis on the general good.

With respect to their individual goals, they are ready and keen on talking about them to friends and close ones.

With great vision and endless ambition, it won't be long until results will start appearing.

Their ideas are unorthodox and out of the box, all the more reason to believe that they'll strike big when success eventually knocks on the door.

Those born with Mercury in the 11th house will deliberately want to associate themselves with intelligent people, engage in social activities and groups that will help them with achieving their goals.

If the atmosphere is competitive and challenging, then it's a way to the top in their mind. Nothing is more important than learning, accumulating knowledge and the necessary know-how required to solve problems, take opportunities, and turn them into gold.

Skill, the power of will, a lot of effort, and an intelligent approach will always win out against mindless slaving around.

Their curiosity spreads forth, encompassing anything that's even remotely close to their goals. They manage to extract something to learn from anything, even the most difficult problems or toughest challenges.

Irrespective of the way they see the world, one thing will not change though, the principles that enliven their way of life.

The positives

They want to discover new ways of doing things, new perspectives and viewpoints, to be able to come up with multiple ideas when thinking about achieving their goals.

And they expect the same of their friends and close ones, the reason for which they're looking for intelligent, creative, and open-minded people to befriend.

This is a sure way of getting the most useful advice and relevant appreciations of their ideas.

They have a lot of like-minded friends who act just like a tight group, supporting each other and having the same beliefs.

The Mercury in the eleventh house natives want to help people, as many as possible, to change the world for the better, make information accessible to the general public.

These people are attracted and intrigued by the simple social comings and goings of other people, the principles of association and communion, how they get by and work with each other.

Group psychology, sociological insight, this what they're looking for, as a way to further develop their plans and hone their future prospects.

Nothing is more pleasing than pinpointing and actually using these principles to efficiently bring themselves on top of the game, to come up with increasingly better ideas as a result of competitive struggling.

These natives thrive when there are more people around them because they can bounce their ideas off of interacting individuals who can appreciate, refute and constructively criticize them.

They are multitasking and will not fret when put face to face with stressful situations and tense challenges.

They can only get better and develop their skills, maybe even come up with a few fresh ideas to implement in their long-term plans.

As for the end-goal, it's comfort, of course, which effectively translates to a stable material situation.

Money, personal wealth and success, will come to them naturally, without any need for

luck, destiny or other outside factors. Everything depends on their own powers.

The negatives

Because their minds are filled with countless ideas and plans for the future, possible outcomes and simulations, it's harder and harder to keep focused on organizing their thoughts, efficiently interacting with others around them.

They often get sidetracked and say stupid things or don't pay attention to instructions. This air-headed and irresponsible attitude can only lead to future failures and disappointments, a loss of their trustworthy impression.

Moreover, just because they have a lot of friends doesn't mean that it's a good thing. On the contrary, it can be detrimental to their ascension because some of those so-called friends are tricksters in disguise.

Fortunately, they are a bit cynical and very rational, so much that they deeply understand this reality.

They avoid large groups of people and don't open up to anyone until they have proven themselves.

Because the Mercury in the 11th house natives care a lot about the appreciations and opinions of other people, they want it to be an honest and straightforward analysis, not a fake one.

Communication does include the tendency to engage in gossiping, talking behind people's backs and otherwise faking your own emotions and thoughts.

This is one of the problems that these natives have, a major flaw if you ask some of their friends, and something that they should work on.

It's not really done with ill intent, but rather because of the high curiosity that's just asking for satisfaction.

It's nothing they can do about that, only control themselves and stop talking shit about people.

This 11th house is one associated with success, material or otherwise, and these natives get to choose how they live their lives.

The Venus in Leo man likes spoiling his partner, showing exactly how lucky she is for having such a man beside her. He's proud and wants attention. Moreover, he will always play by the book, never stray from a set path, even romantically speaking. He won't try to use untested tactics and flimsy seduction techniques.

The traditional things have always worked, and this is what he's going to play with as well. However, because he's going to put so much effort and soul into the relationship, he at least expects his partner to have unwavering loyalty towards him.

He's very affectionate, and has a lot of love to offer to the right person. He just has to find that special someone who knows how to appreciate his efforts.

In a nutshell:

Positives: Artistic and generous;

Negatives: Vain and impatient;

Soulmate: Someone who takes good care of themselves;

Life lesson: Doubting their choices from time to time is a good exercise.

His love personality

This Venus in Leo native can't help but end up bewitched by bold and fiery women, those with a temper who know what they want and how to get it.

The crazies, the impetuous, the ones society shuns for being non-conformist, too aggressive, he is in absolute love with those because that's also his general attitude.

He likes grandeur, over-the-top gestures, showy attitudes, bold and courageous acts, and he will love it if his lover expresses his love in the most obvious of ways.

Shouting it from atop the Eiffel tower would count as a sure-kill move in his book, for example. Royal treatment, in other words, is the essential concept here. He will both give it, and expect to receive it in return.

Also, he likes his woman to take care of her, and to look good, although in an elegant and dignified manner, rather than a flimsy and cheap decoration.

He wants to be in the spotlight, and he wants his lover to allow him this. In return, he will treat her just like the queen she deserves to be.

The man with Venus in Leo is one of the individuals who would stumble upon the leprechaun's golden pot if they chose to be actors.

They are dramatic and know exactly how to showcase their abilities, put a brilliant performance before a public, and their artistic sense is off the charts in some regards.

He's got an electrifying personality, everyone can attest to that, and his natural charm can imprison you with just a glance from his hypnotic gaze.

He loves beauty and likes to be surrounded by beauty everywhere he goes. Gorgeous women, artistic aestheticism, a comfortable and splendid environment, he wants it all.

Venus is the planet of love, pure and simple, so romantically, this native will flourish in almost all encounters. There is nobody who can say that they didn't have a good time with him.

He will treat you with the utmost respect and dignity, while also going the extra way to make you feel spoiled beyond your own expectations.

You're sexy and very attractive, and that's one of the reasons that he chose you, but he's got a lot of admirers and women waiting for him, or at least that's the impression he wants to make.

Dramatics, legendary experiences, epic victories, thrilling emotions, this is what he wants from a relationship.

This native will never beat around the bush or avoid to tell you exactly what he thinks. He's an open book that you can skim through at any time, and if you need an honest opinion, you can count on him at all times.

In terms of personal confidence, he's brimming with it because he knows that he's fully able to take whatever he wants, and the many victories he's had only added to this sense of superiority.

Thus, they will not accept a refusal, ever. They will even react aggressively when their wishes are not accomplished and will frown when others don't seem to appreciate them just for existing.

Attracted by ...

The Venus in Leo man will get offended from the flimsiest of things, so don't even think of going overboard with him, or even making a joke that can be interpreted as something

else.

Moreover, he will like to get out as often as possible. Why stay in the house when there's a whole wide world out there worth exploring?

His woman must know how to present herself in her best appearance, and we're not talking about make-up or things like that. We're talking about real clothing style and good tastes. Dresses, high-heels, wavy hair, and so on.

In fact, he's attracted to a woman who knows how to flaunt her assets, no matter if she's real about it or not.

As long as the Venus in Leo man sees what must be seen, like perky breasts or a round butt, because he is mostly attracted by physical beauty, then he will get interested right away.

In principle, he would also like his girl to have guts, to be dominant, confident, ballsy, to know exactly what she wants from her life, and how she wants it.

Also, this guy absolutely loves to be in the center of attention, both in his social groups, and especially with his lover. He will want to be praised, for legendary odes to be sung about his awesomeness.

In conclusion

The best thing this guy is good at is making his partner feel just like in paradise like nothing else could be better than living with him.

He will spoil and take care of her, show her exactly what pleasure means, how satisfaction can mean much more than mere physical stuff and emotional trivialities.

He can bring about a true revolution within you, making you think where the hell he's been at all your life.

Even though he's a very lively and fiery native with plenty of enthusiasm, this doesn't mean that he won't meet his match, that no one could ever resist.

Those born under the element of fire are perfect for him, while water natives would do best to avoid him. They are creative and artistic enough to figure out ways in which to avoid getting bested by his volcanic demeanor.

Of course, this doesn't mean that he'll just let you play your own game without interfering.

He can quickly come up your alley and learn the tricks of the trade and considering that's

a very determined man, you'll have to be prepared for a partner in crime.

Don't even think about stealing his spotlight or going the extra way to take attention away from him.

He's egocentric and egotistic, and he loves being in the center of attention at all times, having everyone praise his unmistakable allure and charisma.

They won't ever try to inhibit their own accomplishment or achievements just to allow you a piece of the pie.

If you want to be admired, you have to reach that place for yourself, but this doesn't mean that he will look at you with condescending eyes while you die from fatigue. He will give his best to help and support your ascending path towards success.

They may have many financial gains and a lot of connections from many of the groups they're involved in. Very diplomatic, they usually get along with everyone but make the mistake of confusing love with platonic connections.

Summary:

Strengths: Friendly, cheerful and devoted;

Challenges: Pretentious and inconsiderate;

Advice: Follow your gut feeling without doubting yourself.

Only a strong friendship will have them wanting more

People having Venus in the 11th House will express themselves socially, romantically and artistically through the harmonious friendships they have formed by participating at events or going to fraternity parties.

It's very likely for them to meet the love of their life at a group gathering, because they like people with the same interests as them. But for them to get involved romantically, they need to feel their partner is being honest.

Focusing only on qualities and what makes a person attractive, they're really the type who leaves negative traits behind.

If they want to keep their interest towards someone, they need to have a little bit of variety and to do unusual things. Their most erogenous zones are the ankles and the calves, so expect these parts of their body to be very attractive.

While valuing all kinds of relationships and affiliations, they may not be very responsible with their friends. Venus in 11th House individuals will be adored by the people in their life and they will like it.

Only a strong friendship will have them wanting more, because this is the only way for them to truly fall in love. They don't necessarily want someone to make them feel fulfilled, so any person who can reach their soul will have their heart after a few meetings as friends.

They only see what's good about a person and prefer to keep a certain level of variety in each and every one of their relationships. There's no one to love friends more than them, so their lover may feel a little bit left out when not wanting to go out with their gang.

One of their favorite things is bringing people together, because only doing things with others can have them in their best mood.

They are really inspired by others and conversations about things they have in common with their interlocutors. It's very likely they'll belong to more than one group of friends and get along well with all of them.

Very good at changing their attitude according to whom they're spending their time with, Venus in 11th House natives fit in everywhere and are loved by many.

It's impossible for them to fall in love if the other person doesn't share their interests or doesn't come up with new subjects of conversation, doesn't get along with their friends

or doesn't want to get involved in the same causes as them.

They can immediately change their focus from one person to another and don't stress that they may have hurt some feelings along the way.

Very loving, they can be interested in more than one person at a time, depending on the aspects and other signs in their chart. They are the ones who can adapt to different lovers and who marry their friend or wait their entire life for the perfect partner.

Very fun and interested in those who like to occupy their time with the same activities as them, people with Venus in eleventh House love to give their heart away and to spread their love.

This House is the ruler of Aquarius, so they will surely be great humanitarians who want to self-improve all the time.

The same House is also about what help friends are giving its natives, so the presence of Venus here would mean a lot. For example, they can have many wealthy people in their life, who will help them with money and even a home or a car.

When in positive aspects by Jupiter or Uranus, Venus helps these natives become rich with the help of one of their friends. It will be their main purpose to get included in what their close ones may do for a living.

Loving but a little naive

People having Venus in the 11th House will always have great friendships because this is what keeps them going in life. Even their romantic relationships start by being friends first, so if they no longer feel that their partner is also their companion, they can fall out of love immediately.

It's not a lover they look for, but someone with whom they can have a great time and do fun things. The fact that they're always focusing on the positive traits of a person and can't see what's bad can be a very good thing for them.

The more variety they'll have in their life, the happier they will feel and they'll be able to live the way they dream of.

When it comes to how much they love their friends, this can confuse their partner because it's possible for them to not pay that much attention to their other half and to want to be only around their buddies.

They are the glue-people, those who bring others and groups together, so every gang should have one of them around. When out, they want to be sure everyone is having a great time and don't mind being fun themselves, either.

It seems like conversations with others simply inspire them, so finding they have similarities with people in their life is very encouraging to them.

When someone fights for the same cause as them, they simply don't want to part ways with that person anymore. But it's also very easy for them to fall out of love without feeling guilty or in any way affected by the situation.

All in all, they're loving but have a problem, because they can fall for more than one person at a time. It can be easily said they're the right candidates for open relationships.

If their best friends won't appear in their life for them to marry, they will just wait until this happens.

Loving to have fun and to give their love away, they will be appreciated for being so open with their feelings and caring.

They seem to have great talent with the arts, especially with music and theater. As a job, it would be very easy for them to sell beauty products or to be make-up artists, because they simply love talking about fashion and beauty.

If some "bad" planets are in the 5th House, they may have problems with their other half, because of their friendships. This is very likely to happen, especially when Pluto or Mars are in the fifth House.

Very good at organizing people, Venus in 11th House natives will surely be in a community or social group and get treated as someone very important.

Pluto, Mars or Jupiter are strong in their chart and can influence them to be great leaders and very good at giving their best for the group's interests. They don't want to rule, they just seem to be perfect for it.

These natives take their time in admiring the beauty of the world, the perfect aestheticism, the chirping of the birds, the rustling of the leaves, the bright sunlight cutting through the clouds, the Mars in Taurus man finds it fulfilling to gaze at them.

Practicality is the way to go in their case, although they may be a little choosy in terms of clothing, picking out only those quality ones, and also strongly colored.

These natives also share a strong connection with their friends and family, so close in fact, that they will react violently and with great determination every time they perceive danger coming close.

Combine the natural tendency of a Taurus to take a step back and enjoying the view of his courtyard, of about any sort of beautiful thing in the world, with the combative influence that Mars has on him.

What did you get? You should have gotten a native who's crazy about making his life a paradise, about fighting boldly and courageously for what he feels would fulfill his dreams.

In general, though, their dreams and aspirations concentrate on the desire to be comfortable. And what could be more comfortable than being a couch potato, staying all day long inside the house, watching Netflix, and eating chips?

They might go for sports, but not very active ones, and also, they will try to incorporate their creativity into something practical. Moreover, they could be very good farmers from the looks of things.

Now, knowing what the Mars in Taurus man is all about, would you see him skipping through relationships like Don Juan or taking them slowly, individually, with passion and romanticism?

The latter seems more plausible, right. He's very affectionate and patient with his love, and he will want to walk every step of the way, from the initial encounter to the flowers, the notes, the kisses, and then the confession.

If she refuses to play along and tries to distance herself, this man will go through a rainy period where nothing goes as it should.

A dysfunctional behavior, antisocial attitude, his shyness will turn to depression, and so on. He doesn't have anger issues for most of the time, although if he's maddened enough, watch out!

He won't be keeping an eye on the collateral victims, and just like an enraged bull, he will stampede everything in his way.

The man born with Mars in Taurus wants to focus all of his imagination and intuition on creating little things or even building himself a house. Hand-crafted things are most enjoyable to him.

This shows that he is ready to put himself to work if the incentive is great enough if he wants to truly achieve his goal. Also, he prefers to finish his projects before moving on to another idea.

His woman should be refined and devoted

This man is quite content with living the life of his dreams, a comfortable and happy one where his responsibilities are set in stone, a sort of routine that he quickly gets used to. He knows how to keep himself happy and fulfilled.

He believes that something, where you put in enough effort, will eventually turn out to have an incredibly satisfying result. Whatever you work for, spend night and days overlooking in, taking it to step by step, that's worth it.

He wants his woman to be refined, tender, feminine, both physically and psychologically, and he wants her to get used to living a routine-based lifestyle.

In a relationship, he wants to take it slowly so that he has enough time to see whether she is compatible with him or not, whether she's the right one after all.

He knows just how devoted he can be when he falls in love that deeply, and he wants to avoid unpleasant situations where he breaks up with that person.

For him, getting all physical is one of the most efficient ways to check things out, and it's something he deeply enjoys also.

In conclusion

The Mars in Taurus man is generally much more sensitive and intuitive than most other men, and this means that he would try to break apart any social regulations, to do his own thing, to creatively create his own lifestyle.

However, with his lover, things could be different, and he may find it better to ascribe to certain traditional ideas. The fact doesn't change that he is very imaginative in bed, so he doesn't give up on his nature after all.

Possessive, jealous, and materialistic, this man cherishes his property and doesn't want anyone else to interfere with it.

Yeah, he does perceive his woman as belonging to him, so don't even think about trying anything funny. He can make money very easily given his responsible and perseverant nature, but he finds it hard to part ways with it.

One thing is true about him, and that is his stubbornness and determination to never give up on his principles and ideas.

Even when you thought you've won when he's stopped speaking, just remember that some people realize they're dealing with idiots and will give up rather than waste their time.

Just saying... If his wellbeing is directly implicated in an argument or debate, you'd better prepare for a lengthy, argumentative, and mule-headed discussion that will end with you driven out of your mind.

He's the type of man who emphasizes his professional success and material situation first, the achievement of all his life's dreams, and only after that would he get into a relationship.

He expects his partner to have a successful job, to be responsible and patient with spending money. He might start judging you on what you buy, believing it's a waste of capital, and this will become annoying in the long-term.

Don't anger him though. Even if it takes a lot of time and effort to get there, you won't like him when he's angry.

Mars in VIII 8th House

([988] i.thehoroscope.co)

People with Mars in the 8th House may not always resist their impulsive tendencies but are otherwise very calculated and cold when it comes to their desires.

Mars in 8th House people are energetic, lustful and enthusiastic to know as many things as possible, to understand how people work and to know their secrets.

They may have some problems with money, so a partner who can help them be more financially stable would be their true hero because they'd no longer stress that much about surviving. That's why it's possible for these natives to marry out of interest.

These individuals need someone who wants to share everything with them, as cooperation is essential for their happiness. However, if they want to get close to perfection, they need to tone down their passion.

Summary:

Strengths: Sensual, attentive and outspoken;

Challenges: Materialistic and greedy;

Advice: Avoid being too involved in others' drama.

Happiness seekers

Natives having Mars in the 8th House possess an ego that either consciously or unconsciously forces them to always transform themselves. They can be greatly influenced by others to become completely different people.

It's possible for them to argue over possessions or property, so they should carefully analyze what they really want and need in life, because they can fight over money even with their partner. A little bit of compromise and more communication regarding what they possess can help them have better relationships.

If they want to change, they should just let go of things that cease to be important to them.

Expressing their ego through sex, they're very intense when it comes to lovemaking, so many people see them just as very skilled lovers.

They may have great passion for research and discovering solutions to puzzles or mysteries, which means they'd make great private detectives or scientists. Coming across what's hidden is their favorite thing to do in life.

Their main problem is always money, so having a partner or spouse who can help them from a financial point of view would be their dream come true.

Their greatest asset is the way they decide on things in the spur of a moment and how they rely on their instincts, because these always seem to guide them in the right direction.

If they don't resist their impulsive tendencies to just buy when at shopping, they will definitely have big problems with paying back for their credit cards.

Very attracted to the occult and the spiritual world, they will explore all kind of mysteries and paranormal activities. It's easy for them to help others change or heal, because they can inspire people to find their strength within and overcome painful situations.

As a matter of fact, one of their main purpose in life is to find the power within themselves and to live at their full potential.

People with Mars in the 8th House have this planet position where the ruler of sharing resources is. This means they would be interested in seeing how things work and easily deal with new ideas.

The more hidden facts they'd have to discover in what they do for a living, the happier they would be at work. Only money can bring them down and interfere with their relationships because they tend to keep their earnings private and separate from their spouse.

Practical aspects

Being very intense about what they want and like, Mars in eighth House natives are also very possessive. Life may cause them to not have love or enough money just to teach them a lesson on not holding on so tightly.

They can immediately spot a liar and have a way of making up for the karma of their past lives by sharing a lot of what they have with those who really need it. It's possible for them to remember many sexual encounters from their teenage years, which will influence their love life as adults.

Mars positioned in their 8th House means they have a lot of traits from the Scorpio. They will probably experiment with true passion only after their thirties, but you can be sure everything will be magical as soon as they will.

Terrified of getting cheated on or being betrayed, they would never trust someone from the first encounter.

This placement of Mars is about the House of sex hosting a planet of action. This means

the natives of it will not hesitate to make a move when sexually attracted.

When it comes to the bedroom, they have incredible energy, the only exception being Mars in Gemini in the 8th House, according to the famous expert in astrology Bob Marks. In this situation, the natives would be more passive as far as lovemaking goes. They would rather talk than feel the pleasure of sex and satisfy their lover.

Since the eighth House also rules over money, people having Mars in it are impulsive when spending and can end up broke after visiting the mall.

They will be in debt to their credit cards and banks or even spend their partner's salary on what they think would look interesting in their home. This means they'll have many quarrels over finances and even get very upset with their siblings over inheritance.

Very passionate and intense, these people have a strong emotional side and think of death more often than others. They are the type who will be bold and strong at an old age, when death will stare in their eyes.

However, they can also feel sometimes that fate is cruel with them. The 8th House being all about drama, tantrums and crises, they are very tormented by the thought that their loved ones want to betray them.

The same House rules over intimacy and what people carry with them in their consciousness regarding love. With Mars being in one of the Water Houses, this placement's natives' feelings are very intense and deeply rooted in their unconsciousness.

The courtship with Mars in 8th House people has a dark side and their marriages may have many problems like domestic violence, sexual abuse and obsessions.

It's like love with them is more about suffering and pain. It can be difficult for their partners to admit they're with someone who's rather destructive and at the same time terrified of getting abandoned or being lonely.

When Mars is in the 8th House, individuals with this placement may live a dangerous life and even risk their life very often.

Their main challenge in life is limiting themselves and becoming less vengeful, manipulative or eager to obtain power. The more they ignore their Mars, the more they'll manage to be less angry.

Sex is very important to them, but Mars in the eighth House gives it a dark side. Powerful, passionate and competitive people turn them on, and they usually rely only on their instincts when having to make a decision.

The downsides

Mars in 8th House individuals get rapidly attached to others, so they need to learn how to let go and to allow their lover to be more independent. Their possessiveness can be very bothering and their intensity a real problem, because many will be overwhelmed by them.

The passion in their heart can sometimes make them less practical and incapable of seeing the big picture.

They usually only focus on details and pay too much attention to what's happening to others, not wanting for their loved ones to even smile when not in their presence.

If Mars is in an adverse aspect, they can be so jealous they're always imagining their partner is cheating on them.

Mars in the 8th House in a nutshell

Looking at all the predictions about people having Mars in the 8th House, you can see how these natives have to trust their partner more and to allow him or her to have more space as an independent lover is still a devoted one.

It's a good thing for a person to have many interests, because he or she can learn more about the world. If Mars in 8th House natives directed their passion towards something constructive, they would be much happier.

They usually want revenge when a person crosses them, being capable to hold grudges for a lifetime. If someone just says something wrong, they see it as a huge betrayal and no one can ever change their mind. It's difficult for them to trust others, but they surely do it more intensely than others.

Mars ♂ - Detriment in Taurus (& Libra)

([871] southfloridaastrologer.com:) A restricted expression of power and will is found when Mars is in Libra or Taurus. Libra and Taurus' need to be polite, sensual and enjoy beauty is opposite Mars' need for power and to express its will.

Jupiter is the ruling planet of Sagittarius so you can imagine that people with this planetary transit in their natal chart get the opportunity for twice the adventure and fun.

Not to mention that those born at the time of such a transit know no boundaries when it comes to love and are pretty lucky in this respect.

They think globally and love traveling or meeting people from different corners of the world. These guys are the students of life because they are curious and like everything relating to religion or philosophy.

More than this, they are good entrepreneurs with great vision and are not afraid to take risks. But they would need to study more before engaging in something.

The active Jupiter will help them have vision, but not be good managers so perhaps practicing their independent attitude will be more efficient in this situation.

However, they would need to learn teamwork through some painful lessons. Perhaps their confidence and positivity will ultimately prevail. They are lucky people who always land on their feet, after all.

In a nutshell:

Style: Lucky and limitless

Top qualities: Optimistic, adventurous, truth-seeking

Weaknesses: Prone to blockages and sometimes naïve

Advice: Channel positive energy by staying away from other's business.

The impact on personality

Jupiter Sagittarians are free spirits who always think about the future and seem to get their luck from anything. They are keen to learn new things, so it's very likely they'll be busy all the time.

It wouldn't matter if it would be a new language or meditation technique, they will want to expand their mind and see the world in a different way. These guys are always prepared to travel and to take on the world.

After all, Sagittarius is the Adventurer of the zodiac. People with this planetary aspect in their natal chart are always looking to take on new challenges.

They will always be where there are new experiences and lessons to learn. Every treasure will be discovered by them because this is their goal and their most wanted reward.

Optimistic, they will always take risks and jump into the unknown full of excitement. They realize they are making their own luck and that the more they participate in the game, the more they can obtain.

These natives are the seekers, the ones who want to reach the divine and understand deeper principles. Religion and philosophy will be their means in a quest to find the Absolute Truth.

But Jupiter Sagittarians need to be inquisitive and open if they want to be efficient in life. When they will think they have found the truth, they will become self-righteous and stuck.

And being condescending or feeling superior will not help them in any way. They can avoid all this by keeping their heart and mind open. Realizing there is always more to know will be their salvation.

They need to travel more, to meet as many new people as possible if they want to see the big picture and synthesize information better.

However, they have to keep away from excess. Jupiter in Sagittarius is a position that makes them think they never had too much of something good until they have consumed all of their resources.

When it comes to traveling, these guys are the masters of it: the bigger the distance and the spontaneity they have to bring in, the better for them.

Don't expect them to be dishonest, they will tell you the truth no matter how hurtful it may sound. They are not mean, they just can't refrain themselves from being sincere.

As far as adventures go, Jupiter Sagittarians will always jump in to take on new challenges and enjoy all kind of experiences.

They get along with everyone and if they will be open to anything, luck will follow them anywhere. It sometimes seems like these guys don't have any care in the world.

It's like they only want to make other people's lives better, teaching them all the philosophy and religious ideas they have studied. It's not easy to make them change their mind about their beliefs.

When someone will agree with them, they will be the happiest. Because they spend a lot, they are also good money makers. They are usually successful if they don't have to follow a routine.

Flexible and open-minded, Jupiter Sagittarians can accept other people's points of view. They will grow furthermore if they will listen and support people in their life.

They see education and traveling as opportunities for them to become better. But remaining open is the only thing that will bring them luck. If they'll be too preachy, they won't develop so well anymore, and their luck will turn away from them.

The Jupiter in Sagittarius man

The Jupiter Sagittarius man is very generous because Jupiter makes him this way. He will probably save money and donate them, or volunteer. The same planet helps him trust that things are going to be OK no matter what.

Being generous and reacting to affection with affection will help him build strong connections with others, especially when Jupiter will travel through his sign.

He will play his gender very well, and his sexuality goes deep. He has great chemistry

with most of women, so they can expect steamy nights with him. Direct, he will say what's on his mind and make many ladies blush.

While these guys may seem like they know everything, they are not at all proud. They are in fact students of life who love to make new friends.

Think about the Archer's arrow and you will be able to see how determined and motivated the Jupiter Sagittarius is.

If he will have someone who's as straightforward as him, he will be very happy. If you're in love with him, just make a move when Jupiter is traveling through Sagittarius.

Saturn ♄ in ♎ Libra man 9° 48'

([1023] i.thehoroscope.co)

The position of Saturn in your natal chart reveals how you deal with rules, responsibilities and limitations.

People born with Saturn in Libra will always look to cooperate with those around them, if they want to complete a project, or if they want to achieve a certain goal.

Teamwork, understanding, societal acceptance are all essential in their mind. With plenty of skills related to this mindset, like persuasion, diplomacy, and the naturally balanced personality, this native can move over certain rules and regulations, and across many perilous bridges, if the end result is worth it.

This native seeks security and equity, balance and stability, which are found in a relationship most of the time. Because they want to reach a state of inner harmony, they're looking for it where everyone else is searching too, in love.

They want to have someone besides them who knows what they've been through, who understands them at the deepest of levels. They're also pretty materialistic individuals because financial comfort is very important as well.

Perfectionism is the tell-tale sign of a Saturn Libra. In their pursuit of balance and inner equilibrium, they won't feel good until they have found the epitome of happiness, from all points of view.

Whether they'll actually continue searching for such standards or realize that it's merely a dream depends entirely on Saturn's influence.

In a nutshell:

Style: Astute and friendly;

Top qualities: Direct, receptive and generous;

Challenges: Insecure, fearful and indecisive;

Advice: Perseverance is key for your professional advancement.

Personality traits

The one born when Saturn was crossing Libra is an individual of utmost generosity and social likeability, always trying to help someone in need or purposely devising a plan that requires other people to complete. All of this is done out of a need to connect with people from all over the world, from all social classes.

With imagination and inventiveness, they know exactly how to render their relationships beneficial for all parts. With exquisite ideas and firm principles, the Saturnian Libras act with determination and honor, never leaving misunderstandings to cloud their judgment. They are very trustworthy and reliable friends.

The combination between the Libra astrological sign and the planet Saturn is quite fortunate if you think about it. This native is in a perpetual struggle to find inner balance, the perfect equilibrium between emotions, expectations, personal and professional life, balance on all walks of life.

Saturn is a planet associated with restrictions, limitations, barriers, and in this sense, it endows the Libran with certain guidelines, arrows pointing toward that elusive state of balance.

These laws, as you might call them, serve the express purpose of ensuring order, objective standards of appreciation, equilibrium amid the many possibilities.

Through personal relationships and even marriage, later on, these Librans finally realize that what they're looking for is a partner who seeks the same mental balance as they do, someone with a harmonious demeanor.

Behavior in love

As expected, Saturnian Libras put a lot of importance on the idea of a relationship, the harmonious bond between two people.

With their partner, they will try to let go of their perfectionism, putting aside any superior expectations. With patience and kindness, they want to maintain a peaceful and relaxed atmosphere, even though things might not be so rose to begin with.

With a partner who appreciates their innovative vitality, these natives will try love unconditionally, and offer their full affection without waiting for something else.

They may find it harder to wait for the right moment, or to give up on their competitive spirit, but compromises are necessary.

Because you want a long-lasting relationship where you can build up a nest, a refuge where one can retreat in case of great dangers, you are also willing to break the barriers and alter your personal principles. And this happens as an after-effect, it's not something premeditated. His partner will definitely find it to be annoying and counter-intuitive.

In order to reach their ideals and take the first steps toward a perfect love life, they must understand that a balanced communion is built on honesty, understanding, responsibility, and perseverance.

The good and the bad

Something that the Saturnian Libra natives should work on is their tendency to become overly-subjective and act with suppositions when making plans for the future.

Whenever they analyze themselves, they start with a given set of premises, which aren't exactly positive or beneficial. They have to objectify their standards, take a step back, and rethink their approach.

Once this decision is consciously made, nothing else will stop them from achieving their goals. The determination of these natives is not to be taken for granted.

However, it's nothing more important to them than living a fulfilling life, filled with plenty of moments together with that special person, where they live life at its peak, experiencing the most intense feelings of communion possible.

They take personal responsibility to a new level, always keep their words, and are dead-serious about loyalty.

But, the constant gnawing feeling of solitude often leads them to enter into a relationship without thinking things through. They need to have someone in their life, and sometimes the feeling is too intense for any rational analysis.

Patience should be an essential factor in this process, because otherwise, they will end up in a toxic relationship, with someone who won't appreciate them for what they are.

The Saturn in Libra man

Finally, we come across the essence of the Libra astrological sign, the intense focus on justice, balance, intellectual honesty, and fairness.

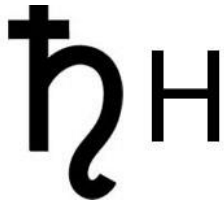

The Saturnian Libran man wants to meet a principled woman who never expects to be taken care of, to be pampered and offered preferential treatment.

He will behave in such a way anyway, but that has to come out of his own initiative, not because there are expectations that have to be fulfilled.

If she decides to move together with you, then she should also contribute to the household necessities, take some responsibilities for herself, and not expect to live in perfect comfort while you do everything there is to do.

Even when she makes a mistake and disappoints someone, with enough humility and self-awareness on her part, people will be understanding with her.

Saturn ♄ in I 1st House

([1029] i.thehoroscope.co)

This placement of Saturn encourages people to keep their promises no matter what and tend to form close friendships straightaway.

People born with Saturn in the first house are grave and composed, so many times, others see them as cold and detached. They take their responsibilities very seriously and know how to work hard because a job well done makes them happy.

When it comes to discipline and self-control, these natives are simply the best, convincing their close ones to usually count on them. They may have been feeling insecure and inferior in the past or as growing up, these being the reasons why they're so ambitious and want to get things done the right way.

Summary:

Strengths: Generous, responsible and contemplative;

Challenges: Shy, easily stressed and conceited;

Advice: They need to take every obstacle as an opportunity to learn.

Keeping their promises, always

The 1st house is a representative of energies people usually project when interacting with others. It plays an important role in defining personality and is heavily influenced by Saturn, making natives with this planet here distant.

Their friends and family will rarely see them smile, but when doing it, they'll surely put a lot of heart and soul into it. Saturn's influence gives them clear judgment and a responsible conduct.

These are the kind of people who keep their word and feel guilty or anxious when trying to compete.

Those who don't have this placement in the 1st house wouldn't understand this, so don't

be surprised by this when getting to know them a little bit closer.

It's not beneficial for them to be so neurotic if getting one of their colleagues' jobs just considering they've been more productive, but this is the way they are and no one can change them.

Very hard on themselves, it may be stressful to be in their shoes as they're all the time analyzing how well they've done things and hate to leave projects half-done.

They're highly responsible and expect the same thing from others, but as said before, whenever they're ahead of their team, they start to feel a misplaced anxiety and guilt.

This can have them sick with stress-related diseases and they may even end up institutionalized if not paying attention to no longer be so hard on themselves.

It's suggested Saturn in the 1st house natives lay a little bit low and allow those around them express themselves for a better understanding of their own relationships.

Taking what they want after this happens may be a better idea for them as their initial requests may be too pretentious.

Their partner or spouse should clearly understand these natives need to self-assert themselves. They don't like changing their surroundings and friends, so they'll most likely remain in the same groups for a lifetime.

Saturn influences people to be disciplined and responsible. When in the 1st house, it makes them more serving, able to achieve their dreams and to express their wishes because this house is all about the self and how individuals project their personality on others.

This planet makes sure to bring the themes it features into people's life as much as possible, inspiring seriousness, a stern facial expression, its specific sarcasm and a high level of maturity.

Don't think natives having Saturn in the 1st house never smile, because they do and their face seems to simply illuminate when a good joke is being told.

However, they may have problems expressing their individuality and allowing themselves to be as original as possible.

Insisting to never take action without having a good plan, it's possible for them to miss on great opportunities that would require a bit more spontaneity.

They tend to not trust people, organizations and even the government, so they will try as

much as possible to live a private life and to never talk about themselves.

When it comes to expressing their own opinion and free will, expect them to be reserved because they either have some memories from childhood that are repressing or they simply don't trust their audience.

Saturn in the house of Aries is all about being responsible and having a need for independence. It also comes with impulsiveness, but a more mature attitude can easily fix this problem.

Natives having Saturn in the 1st house should learn how to deal with the intensity this planet positioned here brings to their life.

Knowing when to take risks and how to make the best out of their strengths can be a problem when facing all kind of obstacles all the time, but not impossible to get done.

It doesn't matter if men or women, individuals having Saturn in 1st house will be led by this planet to have self-control and a goal-oriented approach.

More than this, they will know who they are and how their best traits can put them on the right track.

They're not in any way the type to be insecure and terrified of rejection or criticism because self-sufficiency characterizes them more than anything else.

Other ways through how Saturn works in the first house are by making natives with this placement enjoy their work and by giving them a wish to spend as much time as possible in solitary.

Don't think that if they love to contemplate all the time, their energy levels are low because their ability to complete projects in a timely and efficient manner is famous.

When it comes to health, this planet influences them to suffer from rheumatic or bilious diseases. They will learn many important life lessons ever since young, but they should keep frustration to a minimum level as this can isolate them from others, leading to an inability to express their emotions or be spontaneous.

If Saturn puts many obstacles in their way, it's only doing it to help them succeed and at the same time learn something.

They will surely get recognized and appreciated for their work or wisdom because they can do a great job each time they invest their efforts into something.

The goods and the bads

Governing Capricorn, Saturn is about limits and the difficulties people face in life, at the same time giving natives having it in the 1st house traits that are specific to the Goat zodiac sign.

Expect these people to always keep a poker face and to seem like they're contemplating even when having fun.

Many will tell them to be happier while they already are, which makes it difficult to let themselves be clearly understood.

When it comes to responsibility, they would never back down from putting their needs aside and making sure others get what they want because doing the opposite makes them feel guilty.

It's essential individuals having Saturn in 1st house are less criticizing with everything they're doing and saying themselves. They surely are the best friends because any time someone asks them for their help, they don't hesitate to give a hand and to offer their support.

While wanting independence, these people can also feel confused when having freedom, so their mind will constantly struggle between taking in responsibilities and living freely as the birds in the sky.

They should not hesitate to ask for help when being cornered because this is what everybody else does and it seems to be working.

Astrology identifies Saturn with limits and commitment, which means this planet makes natives having it in the 1st house less free-spirited.

They may have the necessary instincts, but their mind always forces them to choose logic and to act rationally. If not careful, these people can end up suffering from anxiety and even severe depression, so long talks with their family and friends are highly suggested.

All people having Saturn in 1st house should be aware of the fact that stress can destroy them, so different methods of dealing with this problem should be in their to-do list.

Talking to others would be a great idea since Saturn influences them to be great father figures and to attract people like magnets. It's true they can't easily trust, but they could use what their intuition tells them and combine it with a thoughtful approach.

This would be of great help for their work and family matters, where they would no longer have to wonder what others want and need them to do.

Saturn in 1st house individuals are always aware of what's right and wrong because they're fast thinkers.

While wishing to always be first, they may forget life is also meant to be enjoyable, not only a struggle for success.

In spite of being independent, they may not know what makes them unique because they're all the time doubting themselves.

Their loved ones could help them be less insecure and feeling guilty for wanting the first place all the time.

A karmic planet, Saturn shuts down the ego and makes people think twice before acting. While those having it in the 1st house may feel like no one understands them, they will still always be intelligent, powerful and kind, protective of their loved ones.

Uranus ♅ in ♓ Pisces man 4° 40'

([1052] i.thehoroscope.co)

The position of Uranus in your natal chart reveals how forward-looking you are, on one hand, and on the other, how rebellious you are.

Those born with Uranus in Pisces are beings of extreme imaginative prowess, always thinking up of new ideas to fulfill their idealistic plans. They are dreamers, visionaries, people who work with the forces of spirituality backing them up.

They couldn't have been more intuitive and more efficient than this. Sensitive and sensible at the same time, they prefer to take care of themselves, so that they don't get hurt or disappointed, because we all know how vulnerable the Pisces sign can be.

Once something bad happens that ruins the mood of the Uranus Pisces, it's very hard to regain their normal attitude.

In a nutshell:

Style: Spiritual and trustworthy;

Top qualities: Compassionate, optimistic and kind;

Challenges: Oversensitive and sometimes lazy;

Advice: Be conscious about the effect you have on others.

Personality traits

The Uranus Pisceans are very spiritual in their natural habitat, and will often be found praying to the divinities, or trying to unlock the mysteries of the other worlds.

They are very much linked to the other side and use its boons to build up their lives in the present. Of course, it's not traditional religious beliefs that we're talking about. Uranus doesn't allow any sort of social conformism to take place in its midst, and this also holds true for when Uranus is in Pisces.

They will be interested in the occult, in the magic of all forms, in the natural energies of the world, and they will try to use these techniques to develop the world.

This native uses their great intuition and instincts to further hone their mentality, reaching for their full potential rather quickly. By giving up on the past, they are able to let go of the bad habits, those that only hold them down in a stagnant state and take on the modernist traits of the ever-evolving technological world.

Empathy runs deep in their blood, but this can also be a problem, because they feel the urge to receive validation from other people, to see that their efforts are being

appreciated. Once that doesn't happen, depression sets in.

The long time that Uranus stays in each of the signs mark the epitome of its influence on them, bringing with it a streak of humanitarian and altruistic tendencies that the generous Pisces uses in a most brilliant way.

It's actually one of the most splendid astrological combinations, the one between Uranus and the Pisces sign. The people with this transit in their natal chart are very idealistic, visionary, and never let extraneous distractions get in the way of their goals.

With kindness and generosity as their welcoming card, these natives will always be well received by most people.

With a lot of imagination and innovative drive, the Uranus Pisces native does not let themselves get bogged down in this swamp that society locks them in.

They won't let themselves be fooled by naïve ideals, even though they like believing in them. They can be quite realistic and logical when the situation calls for it.

Perhaps you already know that the beautiful Pisces zodiac signs are very involved in everything that is related to spiritualism, so the planet Uranus comes and changes all these old formulas into new beliefs or new spiritual ideas or it breaks them down making everyone question their live beliefs.

When Uranus resides in the last sign of the zodiac, people with this transit inherit a few characteristics from their predecessors and use them to have a better understanding of the world and to the unusual stuff which happens in it.

The good and the bad

What the Uranus Pisces native does best is offer their help to others. They make for a true kindred soul, an empathetic humanitarian individual for whom the well-being of their close ones is essential.

They would even compromise their own happiness and health to do good to others. Personal or financial support, they are willing to sacrifice a lot for this. They are also in danger of being manipulated by those without any sort of principles who want to use them.

Besides getting really bored and irritated from a period of extended inactivity, the Uranus Pisces native is prone to dreaming of all sorts of impossible ideals, which most of the time remain unfulfilled, resulting in disappointment.

Moreover, they tend to abandon the boat if the situation turns dire. This lack of grit and determination won't exactly be the best advantage when it comes to building up their

material situation, or when facing off against overwhelming challenges.

Tension will start building up, ending in states of sadness, the belief that nothing works as it should, and the loss of confidence.

The Uranus in Pisces man

The Uranus Pisces man is very interested in the magical aspect of our world, of what happens beyond the natural veil.

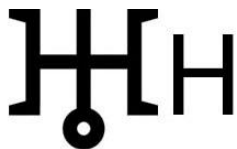

His intuition works at another wavelength than that of the common people, and for this reason, he is in a much deeper connection to the spirit world.

He can sense the occult and supernatural forces moving about, and this acts as a form of guidance for him, an anchor to support his meanderings through life's challenges.

Couple that with their splendid imagination and innovative spirit, and you get someone who's afraid of failure even when he's not doing anything out of the ordinary.

He's a negativist, that much is true, but he should let his intuition and connection to the spirit world heal this part of his, instead of allowing everything to work against him.

Uranus ♅ in VI 6th House

([1058] i.thehoroscope.co)

This placement of Uranus makes people feel limited by a routine so they will likely seek a profession that can inspire and can mean something more for them.

People born with Uranus in the sixth house in their birth chart can get very bored with an everyday routine and need to do all kind of unusual things. They should spend their time doing something unconventional and work in an environment that allows them to express themselves or their originality.

They would be better working on their own, and in a group only if they have enough space to be themselves. The 9-to-5 job doesn't suit them and since the 6th house is responsible with work, the planets here can show what these natives are talented at.

Individuals having Uranus in 6th house are good with technology, at coming up with all sort of unconventional ideas and at bringing progress in science. The same house is

also the ruler of health, so Uranus here means people with this placement should approach their own health by experimenting with all kind of diets and new physical exercises.

Summary:

Strengths: Unusual, modern and dynamic;

Challenges: Inconsistent and untrustworthy;

Advice: They should ask for help when they need it.

A rebellious personality

The 6th house deals with health and routine so with Uranus being here, natives of this placement may have some issues respecting a schedule and even dealing with work and their own health because they want to escape everything that confines them.

These people always want a fresh start and to use unconventional methods that may confuse others.

In case Uranus is in conjunction with their Ascendant, they will experience irregularities and even tensions when it comes to their everyday life.

For example, when it comes to work, they may decide to do something that isn't considered "normal" by the society.

Routines make them agitated and they really don't want to adapt to society's norms. Any limits and boredom cause them to be depressed as they prefer to be challenged everyday by hazardous situations.

It's essential for these natives to find a job that doesn't only stimulate and bring them variety, but also offers opportunities for the employees to be inventive.

Everything that requires them to think and to do something out of the ordinary is very attractive to these individuals. Meditation, yoga and alternative medicine make them curious.

Uranus is considered an eccentric planet, which in the house of work and health influences people with this placement to hate authority and to not want to adhere to the strict guidelines of a conventional workplace or the society all together.

Many will see them as always having crazy ideas that can't be made reality and even ridiculous. However, there will also be people who think of them as geniuses because they seem to be very inventive.

They are the type who comes to work and makes the day better with a good idea. It's normal for them to quit and to get fired from time to time because they either got bored

with the job or they've treated their colleagues as idiots.

Others will never know how to deal with them because they're really unusual and only want to do unconventional things.

At least they're very well-read and informed about the latest news in science, so their unorthodox methods will be respected as they happen to have a lot of knowledge, no matter the subject of conversation.

Natives with Uranus in the 6th house are very sensitive when it comes to fairness and are trying all the time to be as perfect as possible.

When it comes to the everyday life, they do not have any control over it. If not aware of all these things, they may not get to see their plans put into action due to a lack of practicality.

Their unconscious reactions would in fact be a psychological response to their desire to become more adequate.

The more Uranus in 6th house people will be involved in chaotic situations, the more pressured and thinking everything that happens is beyond their control they will get to feel.

It's easy to determine what their inner thoughts are just by looking at what's happening in their life and they're dealing with it.

When chaos seems to surround them, you can notice how they're all the time thinking of their inadequacy because they seem worried.

As soon as they'll learn how to work with their thoughts and energy, they'll get to turn chaos into excitement and to become more spontaneous or free.

Blessings

Uranus in 6th house natives are always responsible, no matter how much they do unexpected things. Expect them to find inventive solutions to any kind of problem and to bring their own personal touch to everything.

It's like they're making things their own way and manage to be successful. It doesn't matter if they'd be working on a project for work or organize something for their loved ones, their plans will always seem to have the little details in place.

Many will appreciate their style and will want them around as they don't hesitate to give a hand when needed. However, because they're so perfectionist, they may end up focusing too much on details that don't matter.

Their high standards are sometimes impossible to be achieved. Uranus in 6th house individuals love freedom, so it's a good idea to never push them to do something they don't want to.

These people should think others are also capable of great solutions and plans because they can't be the only ones who are right all the time.

If Uranus isn't in bad Aspects in the 6th house, they will be very flexible when it comes to what to do with their own life, deciding to either work on contract or as freelancers.

They may be attracted to science and technology because they really have talent with these and this placement of Uranus makes them very curious. In fact, this house will encourage any kind of project this planet may come up with.

They're usually those people who have blogs, vlogs and work online because this way, they don't have to respect a schedule and get inspired by Uranus to be creative.

Furthermore, these natives are very good at communicating with the public and can deal with any change or unexpected project better than others.

Those who spend time with them love the way they talk and how they never forget to include everyone in their life. Uranus in 6th house people can really know how to remove the pressure and usually help others feel more appreciated.

Challenges

One of the problems Uranus in 6th house individuals have to face is related to their own high standards. When someone doesn't manage to live by their ideals, they become very criticizing and nasty.

It's important for them to not be the perfectionists they usually are when it comes to others because no one wants that.

If Uranus is in negative aspects in their 6th house, they may not be able to do something for others just because they want to give a hand, but because they only have hidden motives.

For example, they will take care of someone and expect something in return, which means many will not appreciate them. It's possible they have health problems when it comes to detoxification and metabolism, like intestinal and bladder diseases that can also be related to their past lives.

As a matter of fact, in a different life cycle, they may have even been physically impaired or suffered from a mental illness that had them depending on others for survival.

Therefore, in this life, they may have this pattern hidden in their unconscious and want to run away from giving a hand to those in need as they're reluctant towards neediness.

Individuals with Uranus in 6th house should accept imperfection and think life is worth living even if things aren't going so well. It is their mission in life to become as realistic as possible and to realize they may not have all the time the required potential, but also that this isn't in any way a big problem.

They should get used to paying attention to every little detail and in the same time be careful not to exaggerate with this because it can get them exhausted.

Having some fun and relaxing would bring them a lot of new energy, having Uranus reacting spontaneously and in an enjoyable manner each time something unexpected would happen.

Neptune ♆ in ♍ Virgo man 25° 32'

([1070] i.thehoroscope.co)

The position of Neptune in your natal chart reveals how intuitive and dreamy you are and whether your life takes any spiritual turn.

Those born with Neptune in Virgo in their natal chart are all about idealistic thinking. They have their own ideas about life which they'll support regardless of the opposing arguments, and they'll have a doubtful look whenever someone contradicts them.

When it comes to healthy eating, professional life, efficiency, and productivity at work, these natives are usually the ones who have a lot to say and are very certain that they hold the truth.

Even when the overall perspective doesn't seem to carry any value, they manage to take out a small detail out of the context and capitalize on that. This is a direct result of Neptune's influence, the emphasis on details.

In a nutshell:

Style: Dedicated and demonstrative;

Top qualities: Serviable, efficient and healing;

Challenges: Highly critical, impatient and fussy;

Advice: You need to put effort to convince your partner of your vision.

Personality traits

The Neptunian Virgos are those who try to bring a sense of warning back into the collective mindset of the people, about living healthy, eating natural food, working intelligently, and not simply putting in the effort without the slightest knowledge about efficiency.

Humanitarian and philanthropic, they might want to participate in voluntary activities, contribute towards helping poor people, help abandoned children, and many other such activities.

A feeling of deep satisfaction and personal fulfillment is to be found in bringing out one's empathetic tendencies, in showing one's inner generosity and kindness toward fellow humans.

Besides this enlightening interest in the possible avenues of salvation for the entire human race as a whole, on a more personal level, they crave for the peace, quiet and sense of belonging that their home offers.

Bonding with their lover on an intimate level, creating a safe and secure environment to call home was always one of their biggest dreams.

They fantasize about simple pleasures, warm embraces with the partner in front of the chimney, a good morning kiss on the forehead, the jolly image of their kids playing in the front yard.

Also, they promote the idea that physical health is directly proportional to one's emotional fulfillment.

In their attempts to eliminate all negative feelings and detrimental attitudes, they try to use reason and logic, as well as emotional depth and feelings.

Over time, these two mindsets can begin opposing each other, creating inner conflicts that indirectly lead to a state of annoyance, irritability, and they'll sometimes not know how to react to certain events.

It's that blank stare, poker face, a form of social inability to empathize with a given situation, the ineptitude to cope with it.

Seeing that it could lead to worse things, the Neptunian Virgos try to fix things up by appealing to their own sense of satisfaction and inner fulfillment.

By helping others and supporting people in need, they receive a sense of appreciation, of self-validation, of social acceptance and this greatly helps.

These natives are very responsible, thoughtful, and intelligent. They think about things greater than themselves, about the good of the many, about man's action on the environment, and how it will lead to our downfall eventually.

They instinctually know that great changes are in store and try to be the prophets of the new age. With self-made rules and firm principles, the Neptunian Virgo advances slowly but steadily toward a brilliant future.

Even though their intuition pulses constantly, informing them about possible events beforehand, they try to ignore it, instead of putting their whole attention on the power of reason, logic, objective research.

They prefer having a good reason to believe something, rather than feeling where the truth lies. However, the same doesn't apply in a relationship, where they must use their emotions more.

With a person expecting you to show affection, compassion, and empathy, you can't show the same cold and calculated rationality that is perfect for solving problems.

If you try to subdue your emotions and replace them with logical observations, the close bond between you and your partner will quickly fade away, just like the feelings.

You have to realize that a combination of reason and emotions will be a much better solution, and it will avoid all pesky problems.

The positives

The Neptunian Virgos are best when put to work, when they have to take care of something, to organize an event or plan out an escapade.

If you want to have a party at home, there's no one else to ask for help. You just have to bring up the idea, and you'll see their eyes lighting up, an expression of pure joy and ecstasy plastered on their faces.

Just give them something to work with, and you don't have to worry about anything anymore. It'll be done with near-perfect accuracy, and according to the plans.

Moreover, they should learn to abandon their high-end expectations, and instead live the moment. Without any extraneous thought in mind, and without worrying about the future, just let life come naturally and bring about some surprises.

Controlling everything is an empowering feeling, that much is true, but it quickly turns

into an obsession, and the lack of it brings a crisis of conscience, fear, uncertainty, and many other negative feelings. It's a good thing that they have firm ideas about their future and know exactly how to get there.

The negatives

Perfectionism is a Neptunian Virgo's worst flaw. They have high expectations of themselves and want to achieve only the best results, with the best methods, in the least amount of time.

If something goes wrong, self-pity and self-loathing come in, accompanied by a sense of inner disappointment, and the obligatory attempt to find a scapegoat.

If it's not their own person, then they'll blame someone else who helped them, even if it's unwarranted.

With an idealized vision of life in their heads, they forget the fact that the real world is not made up of perfect elements to build such a utopian place.

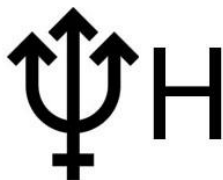

The Neptune in Virgo man

These natives are very hard-working, responsible, ambitious, perseverant and endowed with great efficiency when it comes to professional expertise.

Results are what matters most to the man with Neptune in Virgo, and in order to achieve the best results, they are willing to work overtime, putting in the extra effort, and strive to complete the project with spare time.

In relationships, they'll be quite affected by Neptune's influence, especially when it goes into retrograde. They will feel the need for validation, for appreciation, and they will want to talk to you constantly, to see that they're doing the right things.

Neptune ♃ in XII 12th House

([1088] i.thehoroscope.co)

This placement of Neptune makes people be very compassionate and kind, but not to express all this directly, so they may be misunderstood by others.

Neptune in the twelfth house natives have all kind of fears from their past because this

planet here has nasty effects over the unconscious mind. They tend to focus on what's wrong with their life and when it comes to interacting with others, they only seem to absorb what's negative.

It's suggested these people focus more on their own happiness and don't stress that much about everyday issues.

Summary:

Strengths: Creative, indulgent and generous;

Challenges: Overly emotional and pessimistic;

Advice: They need to show to those close that they can be depended upon.

Very compassionate and kind

Very intuitive and strong in their heart, people having Neptune in the 12th house can surprise with their easygoing attitude and shyness.

While very compassionate and kind, they don't express all these things directly, and many people may not get the chance to understand them or worse, might feel hurt regarding their attitude.

They need to acknowledge their spirituality or else they can end up being very unhappy and unfulfilled.

It's possible for them to feel weak in front of the usual changes life has to offer because they're thinking they can't handle working with something new.

The truth is, their faith will always help them, so being fearful doesn't make any sense for them. They should believe in themselves because otherwise, they can escape in a world of fantasy and avoid reality, which isn't in any way healthy.

Some of them will discover they're capable of great spirituality when they'll get older. Others will be aware of their profundity, but won't be able to express it until their identity doesn't get formed.

The 12th house is the most sensitive for the placement of Neptune because it is the home of this planet. Therefore, when here, this celestial body has great influence over the unconscious of natives.

People with this placement are very sensitive to the society as a whole and sometimes feel like victims of chaos and immorality.

The same planet here has the capacity to turn collective ideas into pure art. One of the most famous individuals with Neptune in 12th house is Salvador Dali, whose paintings are very intense and imaginative.

These natives are all very kind and open to different emotions, no matter whom they may be dealing with. They have psychic abilities and can guess what other people are thinking or feeling.

The planet Neptune can make their ego feel overwhelmed because it's always open to external stimuli.

They may be vulnerable because they don't have any protective fences to surround their sensitivity and also because Neptune doesn't have any boundaries when being here, in the house of images and feelings of the collective.

At the same time, this planet gives them abundant creativity and the wish to become great artists. Very talented with music, poetry, painting, photography and other forms of self-expression, natives having Neptune in 12th house can become very famous in the art world.

Furthermore, they have a need to be with others, to merge and to feel the love of the collective. They're also very connected with the Universe as the 12th house and Neptune are both spiritual and resonate with what lays within people.

It can be difficult to describe them and their feelings because they're all the time overwhelmed in their unconscious, which is ruled by the 12th house.

This house can have them feeling deeply about many things in their life, including their ancestors, as it rules over the past and the conscious memories.

Neptune will always feel at home in the here. Even negative aspects of this planet won't stay in these people's way when it comes to spirituality.

The 12th house goes over everything that's beyond the conscious mind, and is ethereal enough to have the natives with Neptune in it connected to deeper meanings and the unconscious mind of the collective.

Individuals having Neptune in 12th house could be great psychologists, but this quality would be stronger in them if some planets in their 10th or 6th houses would be in good aspects.

If so, the natives with these placements will choose to deal with other people's thoughts and emotions as a career and if not, they will still make great friends who are always ready to talk about their own problems.

They're so good at dealing with different realities because they're good clairvoyants and psychics. They may even dream what's about to happen or in symbols that transmit

them messages.

That's why they should study mysticism and learn how to interpret their dreams. The problem with this is that also negative things from the other side can enter their world, in this reality.

Because Neptune is very passive and would allow for this to happen, their sensitivity may increase, and they'd absorb all the pain and suffering of the world.

People love them for being empathic and for easily perceiving their thoughts or feelings, but this can have negative effects over their own health.

What they should be careful with is their unexplained guilt as it can truly wear them down. Wanting to help everyone, they'll never get to make this dream of theirs come true because there is no way someone can help so many people as they would want to.

Each time a person around them is going through some bad times, they tend to blame themselves and have an enormous amount of guilt creeping on them.

Therefore, they may end up not helping or causing the situation to be worse. If they really want to give a hand, they need to first establish who they are and how they can manage their own life.

It's the same situation as the one with doctors as these professionals need to be very cold and balanced in order to do their job.

Another problem they may have is the fact that they're prone to become addicted to alcohol or drugs.

In the situation in which Neptune is in square position with Mars, Venus and Jupiter, they would have a tendency to abuse everything that helps them enter a fantasy world and leave reality behind.

Neptune will love having them overindulging, but this can cause real problems for their body and health in general.

While the Ascendant is the one that's rules over physicality, Neptune in a position too close to this sign would only cause the dependence on substances to be stronger on them.

Because this planet is at home in the 12th house, it influences the areas of life this house governs, in a great manner. People with this astral placement are highly intuitive and very strong in their heart.

They may seem passive, but when needed to, they can become fierce. These natives love the role of the underdog and to give a hand to those who need it the most.

However the 12th house can be pretty suppressive, so they won't be too focused on taking action and most of the time feel guilty for nothing.

What Neptune does is put rose-colored glasses in front of the eyes of the natives, making them see and hear only what they want.

The goods and the bads

Neptune in 12th house people need to work on their self-confidence and to think of themselves as independent creatures who can handle any problem without too much help.

They're very supportive and helpful themselves, so they'd do a great job as doctors or healers. Because they like to listen and to find solutions to problems, they would also be efficient as psychologists and even firefighters.

It's easy for them to calm people down and to give hope everything is going to be okay. However, before focusing on others, they need to work on themselves and to make sure they're grounded in reality, just enough to be able to help.

Their compassion makes them strong, so they should learn how to use it. Change mustn't be something that terrifies them because it can only help their life to move forward.

It's important for them to deal with problems directly, especially when these are about work. They're sometimes so overwhelmed by the everyday life that they just want to hide and to escape reality.

This is the explanation to why they're always shy and trying to run from difficult situations, which means they're not always able to develop from an emotional and spiritual point of view.

When they can't seem to get a grasp of the knowledge transmitted by what they're experiencing, they should take a step that and look for their level of maturity.

In the situation in which they can't express themselves the way they want to, Neptune in 12th house individuals start to feel very upset and even guilty.

They should learn how to talk about conflicts and discuss the feelings they get from others' actions or words because holding things inside will only cause them to be more hurt.

Pluto ♇ in ♎ Libra man 29° 45'

([1095] i.thehoroscope.co)

The position of Pluto in your natal chart reveals the transformations due to take place in your life and how you channel your core truths and restorative power.

Those born at a time when Pluto was transiting Libra are the kind of individuals who want to change the world, but not by creating a complete ruckus, so not through forceful methods.

What they want to achieve is complete cooperation and coexistence among all humans. Under the influence of the pacifying Libra, ideas of partnerships are taken to the next level, no matter the surrounding resistance to change.

In a nutshell:

Style: Peaceful and idealistic;

Top qualities: Adaptable, diplomatic and analytical;

Challenges: Hesitant and worrisome;

Advice: Grace can sometimes be confused with naivety.

Personality traits

These natives excel at making a problematic situation drop down a few levels on the aggressive scale. Where a conflict could spark up anytime, they manage to defuse the bomb through diplomacy, patience, and persuasive skills.

They mediate and try to do good by everyone else, satisfying all parts involved. However, they can also drop all pretenses and storm out of a room in a state of full-blown rage if an injustice has been committed, and the obvious perpetrator just won't admit it.

They can be quite uptight with these principles and virtues, even in a relationship or better said, especially in that case.

Because they see themselves as the peacekeepers, the right person for the right job when things start going down the drain, they're pretty egocentric.

Only a Plutonian Libra can find the best solution to a given problem, and they will spend

a lot of time deliberating what's the best course of action.

More often than not, while they're analyzing the data, the problem either disappears or solves itself, but there's no arguing with them once they get started.

On top of this, these natives are in love with researching the hidden nature of a given situation or person, being stubborn enough to attempt getting through to its deeper layers.

The good and the bad

One thing is for sure when talking about Plutonian Libra natives. They are very good at making meticulous analyses and observations, doing systematic deconstructions of a certain problem, in order to see what it's made of.

They expand this ability into many other forms and domains, but what really gets to them is that they become too obsessed over the little things.

They forget about having fun, about looking at the whole picture and learning to enjoy it. Sure, they can be great problems solvers, and everyone knows that they are very reliable people, but on a personal level, they could learn to detach from time to time.

Problems start appearing the moment this native becomes too focused on a particular aspect and forgets that, sometimes, you just need to take a few steps back to freshen up your mind.

With a calmer mindset you are able to see things that you weren't able to see previously. However, for the most part, the Plutonian Libra native just gives up when they can't find a proper solution, letting someone else take care of it.

Their relationships are especially affected by this because once they start an argument and notice that it's getting nowhere, they just get block, not knowing what to do next.

The thing is, they would prefer everything to be simpler, easier to figure out, with simple implications. And we all know how complicated relationships can be, especially with fussy partners.

Pluto in Libra in love

For the overly-rational Plutonian Libra native, love plays a big part in their lives, acting as a form of respite from the daily stress. They find great fulfillment in coming home and spending time with their partner, doing things together, fun activities or something of the sort.

Of course, because they wouldn't be under Libra's influence for nothing if they didn't start to over-analyze everything, even relationships and love itself, they do just that.

With reason and logical principles, you can efficiently find a solution to a problem, but try doing the same thing with a fuming partner who claims you don't pay enough attention to them. Emotional matters are another thing altogether.

Plutonian Libra natives are very determined and resolute, so once they determine that something is worth the effort, giving up is no longer an option, no matter what happens.

These natives can be incredibly tough and tolerant, even though they may react aggressively sometimes, or get annoyed from time to time.

Their love is still very intense, and they can resist for a long time before deciding that it's not worth it anymore.

The Pluto in Libra man

These men are faced with some degree of inner conflict between social interactions and inner fulfillment.

At the time Pluto was last in Libra, these men had to make a choice, because society was beginning to change gender roles and how people approached them.

They also wanted to find themselves an emotionally fulfilling relationship, one they could perceive as a refuge. What was perceived as flimsy or too feminine in the past was now normalized, namely men exhibiting emotions in the first place.

As such, Plutonian Libra men carry from this ancestral knowledge and are more open towards the prospect of a relationship founded on emotions and sensibility than their ancestors were.

They tend to reveal themselves easier, their inner thoughts and feelings. Furthermore, they place increasing importance on finding a workplace that they can fully dedicate toward.

Pluto ♄ in I 1st House

([1101] i.thehoroscope.co)

This placement of Pluto makes people go about their lives with vigilance and heightened

awareness but this is not to say that they don't have a lot of fun too.

Those born with Pluto in the first house of their birth chart are very intuitive and very intense, in the sense that they are searching for the truth, whatever form it may take.

As such, don't even think about deceiving or lying to them. It's not going to fly for too long because they'll quickly discover your subterfuges.

These natives are very suspicious and wary of people and new situations, afraid as they are, of getting hurt or disappointed. Nothing can lull them into a false sense of security because they never drop their guard.

Summary:

Strengths: Charming, warm-hearted and observant;

Challenges: Aloof, moody and suspicious;

Advice: They need to relax more and simply go with the flow.

On a path towards freedom

Pluto in the 1st house natives exude a natural aura of authority and intensity that keeps everyone wary.

This impression of strength and boundless mystery is what's giving them some breathing room in this busy world where everything is against them.

This reality is too harsh and incompatible with their vision, and so they want to avoid being hurt or going through harrowing experiences.

This form of isolation that they live in is self-imposed, a state of constant vigilance and suspicion. They don't give their trust easily to anyone. Usually, they want to know what they're dealing with before taking any actions.

They're doing their own thinking without paying attention to the rest of the world. Other people might believe them to be crazy or unconventional, but they don't care.

As the eternal lone wolves of the zodiac, the Pluto in 1st house natives break apart all conventions and rules, doing everything for their own development and evolution.

On the path towards freedom, independence, and comfort, they will have to adapt to the many situations that appear, but they aren't very keen on doing that.

All in all, in spite of their solitary natures, they still need other people to validate their feelings and thoughts. Plus, they also want a relationship.

Strangely enough, the process of falling in love and getting close to someone is fraught

with mood changes and issues.

Affection, indifference, love, hate, all of these feelings will mingle around and create spontaneous transformations and emotional turmoil.

In a relationship, these natives tend to expect a lot from their partners, but they aren't prepared to offer much in return.

There will be a lot of arguments and conflicts, each of them getting harder and harder to manage. This process takes a long time and, hopefully, it will end in them learning about selflessness.

One of their greatest fears is being dominated, held up against their will, marked by the inability to pursue their callings.

However, despite this, they are still looking to fall in love and establish a relationship.

The sense of belonging is probably too strong to ignore. A lot of people learn from mistakes and failures, so the same goes for them in such short-term relationships.

By putting themselves out there and going through any break-ups, they will learn to live with themselves just as well, to embrace their nature.

Essentially, the only way this is going to happen is by learning to treat other people fairly, to stand tall against the winds of change and avoid getting emotionally unstable and angry out of nowhere.

Pluto is putting enough negative energy in them as it is, so being so distant and edgy will only make it worse.

These people can go very far though, and this can be seen from how curious and inquisitive they are. Literally, nothing goes past them without being taken for a detailed perusal. Perhaps, there are mysteries to be discovered.

Sometimes, it could be that the Pluto in 1st house natives feel the need to be in control, to have authority over someone, to dictate and give orders.

This comes as a result of the rampant spirit wreaking havoc inside them, courtesy of Pluto. Although it can be directed toward a sexual release or even better, toward pursuing their goals, many times it just explodes outward.

Anyway, the strong sense of dissatisfaction and grief that accompanies failures is too strong to resist, especially in their precarious condition.

These traits must find a way to coexist peacefully, for harmony to be attained if they are to reach their full potential.

The goods and the bads

The Pluto in first house natives can only manage to get over these inner contradictions and escape this existential dilemma by finding some answers, questioning existence itself for the problems they are dealing with.

Only by satisfying this need will they even manage to take control of their lives. Their identity is forming just about now, and there will be many times where they just lose it, feelings of regret and sadness.

They might even resort to unsavory methods to get what they want, like lying, stealing, manipulating people, and this is also a result of this identity crisis.

People have different opinions of them, each more negative than the last, but this won't last for too long.

One of the good things about these people is that they usually don't waste any time with small talk or uncertainties.

If something must be done, you can be sure that they will start doing it right now.

One's obligations and responsibilities are incredibly important, a hallmark of personal firmness and maturity. Moreover, they are very intuitive and are able to predict what will happen in some situations.

This gives them the opportunity to try to change or avoid problems. Putting this to good work will make the difference in the future.

These natives are control-freaks, in that they want everything to go by the book, according to the rules. The unexpected and spontaneous events annoy and scare them.

In general, they are perfectionists and want to do their job splendidly, putting incredible amounts of effort into it. Also, being the first in everything is one of the primary goals of these natives.

However, what this does is put even more pressure on them, instill emotional tension and make life not worth living anymore.

They need to take a step back, relax, let everything flow naturally. What is unknown and mysterious will reveal itself eventually, and they don't have to fret about it so hard.

North Node ♌ in ♉ Taurus 11° 49'

(Georges Muchery)

The Dragon's Head in Taurus brings great pleasure in regard to the affections; the native loves more with his heart and mind than his senses, and this may cause him to worry needlessly, as the position denotes a certain amount of jealousy which, though not exhibited outwardly, nevertheless causes suffering. It is also a sign of hesitation in most matters, which is a mistake on the part of the native, inasmuch as this position should encourage him to act, and to look forward confidently to the future, and above all not to engage in wrong thinking, to which his natural disposition inclines him. Things on the whole cannot go otherwise than well, but the native must be prepared to help himself and to abandon pessimism. In the third decanate of Taurus it signifies a journey connected with business, or else a plan which will turn out fortunately.

The Dragon's Tail in Scorpio is very evil. It often denotes lack of moral and physical courage, which induces the native to seek more or less questionable methods of succeeding, apart from steady exertion; but they will only be trifling methods, and the results will not fulfil his desires. This position is also harmful for the health. There are evident signs of lymphatism. Danger of pecuniary loss through theft is also shown.

(Isabel Hickey)

North Node in Taurus gives resourcefulness and the ability to be very practical in the approach to material world. Attracts possessions and those who want to be possessed. Must help others to be independent by refusing them the luxury of being dependent. Crutches, if used too long, even psychological crutches, can keep the individual from developing strength.

South Node in Scorpio implies that the downward path has been trodden in the past and this must be redeemed through overcoming resentment and not using force to compel. Lust and greed must become love, and the giving spirit must overcome the grabbing tendency.

(Martin Schulman)

Here the soul is confronted with some of the most difficult karmic lessons in the zodiac. Past lives have been strewn with endings as the Plutonian force of Scorpio worked

through its process of transformation.

Now the individual is so frightened by the memory of having the rug completely pulled out from under his feet that he develops a defensive attitude toward all who offer him regenerative advice. In past incarnations he literally went through the fires of hell to burn away his false values. Now, instead of flailing back on the remains of Scorpio still within him, he must build through Taurus a new set of substantial values by which to live.

Nearly all with these Nodes have at one time touched the force of witchcraft, and so in the current life there is to be a rude awakening about any remaining residue of the lower Self.

In past incarnations, this individual also had to deal with a powerful sex drive which kept throwing him off balance. As a result, he is used to seeking gratification through all sorts of relationships which ultimately become destructive to the personal ego.

Then, confused and embittered by all he sees toppling around him, he is almost glad to aid in the destruction of whatever little remains.

Most of the conditions in this life are still controlled from his subconscious level, buried deeply below the scrutinizing eyes of society. He may appear jovial and friendly, while he is in fact planning some mysterious adventure of intrigue inside.

The chart must be studied carefully to see just how far the soul has come out of Scorpio before an accurate interpretation can be given. For those already closer to Taurus, the violent churning of Scorpio is purposefully avoided at all costs. For those just barely out of Scorpio, the internal revolutions are still going on. Planets conjunct either Node will pull the individual toward that Node and literally force him to live through it in the current life.

For all with these Nodes, the past residue of revolution is of such powerful intensity that there is bound to be some after-effect spilling over into their present-life relationships with family members and close loved ones.

Each day seems to be filled with new emergencies, until one crisis built upon another creates such a turmoil of conflict that the individual is reduced to his most very basic struggle for survival. He doesn't yet know the art of moderation or how to take things at face value, for he still believes that others always have an ulterior motive. Inside he feels that he must constantly escape from punishment; and in his escapes he leaves behind him a tornado-like shambles of all he once held dear. At times he sees others turning on him; but rarely does he stop long enough to understand that he is the cause. Whether he is still acting out his past incarnations in Scorpio or advancing through Taurus, his fixed stubbornness is very much a part of his ingrained way of doing things.

He will make much growth when he is able to see the actions of others as reflections of his own subconscious!

From past incarnations, he has become accustomed to attuning himself to a peculiar brand of intensity, which when not allowed to express itself turns to anger. He has been deeply scarred with the pain of being hurt, and now like a wounded animal can be deadly to any who represent the slightest threat. On the lower levels of consciousness, individuals with these Nodes can pursue their prey with a personal vendetta. Then when the pieces fall, they appear to be the innocent victims, while they are in fact the carefully planned victors.

Due to the intense emotion constantly seeking expression, a variety of creative outlets are needed.

Sexual desire must be transmuted into Divine Love. All embittering conditions from past incarnations must be dropped from the consciousness until the new seed of peace is discovered. The Scorpio South Node must burn the bridges of the past and resolve to benefit from the lessons of Lot's wife: 'Never to look back!'

Through the Taurus North Node, he must learn not to dissipate or waste in valueless areas all the power that flows through him. His greatest achievements in this life occur when through the development of a great love for the earth he lives on, he starts to appreciate glimpses of the source of his unfailing supply and support. For lifetimes he has misused his energy, his drives and his desires, feeling himself alone against all the oppressions and afflictions that affect mankind. Now through the sensitive impressions of his Taurus North Node he is to be brought to the awareness that the abundance in the universe is so great that he will always have what he needs when he needs it. He must learn to distinguish the difference between the words 'want' and 'need', for although he may not always be able to realize what he wants, he is at every moment surrounded by all he needs!

As he reaches for his Taurus North Node, he is reaching at last for stability. He can stop chasing all he has ever felt cheated of by seeing all that is now offered to him. Ultimately, he is destined in this life to reach a state of contentment as the seething volcanoes of Scorpio melt into the blue spirit waters of harmony in Taurus - where the beloved Gautama Buddha left his blessing. Truly this is the transition from lifetimes of war into a garden of peace.

The house position of the South Node indicates the area of life where any remaining residue of the Scorpionic battles must be conquered, while the house position of the North Node shows the area in life where the new awareness of trust and security can ultimately replace the underlying struggles.

(Mohan Koparkar)

Previous incarnation for this person was spent in many hidden or underground activities. Being a rebel against the normal life structure punished him to go through various stages before this present condition occurs. Distorted sexual abuse or misuse of power was noticed in the previous life-style. All this might or might not have been his own problem, but the company he kept in those years. In this lifetime, he just wants to take things very easily and enjoy life without creating many complications. His struggle to at least maintain his Karmic status and not go down any more is amazing to watch. He will try all his best to live nicely and comfortably; and anybody that would oppose his ideals will be dealt with quite vigorously but slightly underhandedly.

(Donna van Toen)

You have real hang-ups about earnings and resources. Your Scorpio South Node may reply: 'Yeah, but that's because I've been ripped off so often. You just can't trust people'.

Your problem is that you haven't built up your own resources.

Possible reasons: You don't really know what you want. You resent other people's personal or material success. You have sexual misconceptions, or misconceptions about material wealth. Maybe you were brought up to equate affection and caring with getting material things. On rare occasions, people with South Node in Scorpio have a 'you've got to be more crooked to make any money in this world' philosophy. More often, there's a tendency to make changes just for the sake of changing.

Possible solutions: Learn to enjoy both giving and receiving, whether the exchange involves affection, compliments, money or whatever. Develop a strong sense of personal values based on your own needs. Forget about morals, and do what you have to do.

Taurus North Node generally has to be taught to value money and material goods. There's often some sort of hang-up about the actual process of working - a dislike of any type of menial or manual labor, a refusal to prove your worth, an insistence on starting at the top, etc.. Sometimes there's actually a contempt for money; other times, money is OK as long as you don't have to have the hassle of working for it. occasionally there's a 'gimme' fixation, while at other times there's a 'take-it' fixation. Sometimes there's an over-emphasis on sexual resources. And I've seen a few cases where total resources were invested in other-worldly pursuits - contacting the dead, attaining trance states, researching various paths leading towards spiritual evolution, etc.. Taurus North Node has a hard time seeing the connection between development of his or her personal and material resources and being able to relate to others and to the material world in general. Depending on the overall chart, he or she takes a stance of total giving or total taking. Many Taurus North Noders concentrate on one resource exclusively to the

detriment of others, so that time, money, or sex etc. becomes the only means of barter available to them. When this resource is depleted, they no longer have anything to fall back on, and must either work to develop other resources or become totally dependent on others. Taurus North Node also seems to be quite common in people who have suffered material, educational, or emotional deprivations in childhood.

The person with an overdeveloped Scorpio South Node consciously or unconsciously exudes a strong sexuality; dislikes the outdoors; is in some way an extremist; sympathizes with the underdog and envies the successful without much thought of who deserves what; has little interest in other people's resources unless he or she can benefit from them; dissipates a great deal of energy trying to alter circumstances beyond his or her control; resents needing others; has an unstable financial situation; feels entitled to criticize others; and will give a great deal, but usually attach strings to his / her gifts.

North Node in Taurus wants money, or at least a reputation as a connoisseur. He or she wants the good things in life. He or she wants to be thought of as firm, patient, and lacking nothing. In contrast, the person is generally someone who's undergone drastic changes of values or circumstance, intense discomfort of some sort, or traumatic experiences. His or her routine is periodically stirred up and shifted as a result of emotional upheavals or disturbances that are seemingly beyond his or her control. He or she tends to be jealous of others who seem to have attained more in life, and may develop a rather pessimistic attitude in terms of realizing his or her dreams. He or she may compensate for lack of material security by trying to possess people, or may compensate for emotional losses by developing a reclusive streak. These tendencies only serve to trigger more problems.

Antidotes for Taurus imbalance: Gardening seems to be a particularly good antidote for the impracticality that often accompanies an underdeveloped North Node in Taurus. Cooking courses also prove helpful. The client should be encouraged to sing and listen to music. If manual dexterity is shown in the chart, the client should be encouraged to use it in making things. If there's no manual dexterity shown, the client could be encouraged to build up a collection of something - biographies, novels, gadgets, etc. - in an area of interest. Flower arranging could prove to be a useful antidote. The client should be encouraged to avoid rushing and activities that create momentary excitement without contributing to future security.

North Node in Taurus often has untapped artistic potential. Music, sewing, and painting are excellent outlets for these.

North Node ♉ in VIII 8th House

(Georges Muchery)

In the eighth house, the Ascending Node (Dragon's Head) promises a peaceful and natural death, and a happy ending to the life. If the malefic planets (Saturn, Mars and Uranus) are free from affliction in the horoscope, and provided the Sun and Moon are powerfully situated, the length of life may exceed a hundred years. This position is also fortunate for inheritances and legacies. The native's inherited property from his parents will be considerably increased, and he will also have the chance of unexpected gains from lotteries or gifts.

In the second house, the Descending Node (Dragon's Tail) is not fortunate for money matters. It is harmful to the native; or, more strictly speaking, his enterprises will be upset by circumstances over which he will have no control. This position may cause bankruptcy. Moreover, in regard to the affections, it will indicate deceit on the part of people in a low station of life. If the horoscope on the whole is not good, it denotes loss of position on account of a woman of loose morals.

(Isabel Hickey)

Subconscious habit patterns of the past have been the 'getting' principle rather than the 'giving' one. Must help others to find their resources and their sense of worth. The play on the senses must give way to the transforming of passion into compassion. Before the seed can bring forth fruit it must be buried in darkness, break its selfenclosed shell and reach for the Light. Helping others to find their resources and values is the clue to the right use of the North Node in the eighth house.

(Bernice Grebner)

The North Node in the eighth house forces the person to learn to accept another's financial help. Sometime in his life, he will be forced to learn to accept the humility of taking from others. He also needs to learn the depth of experience in sex, its proper and beautiful purpose, and the regeneration and rejuvenation it brings to human beings. North Node badly aspected could cause either a breakdown or disturbing emotions when there is an imbalance in any of the eighth house activities.

South Node in the second is determination. This position gives the person a dissatisfaction with money earned, or with working conditions. It may give many changes in jobs, or more than one job at a time. The person is always seeking the ideal way of adding to his own resources. This also can lead to financial difficulties. South Node here

gives us one who enjoys the physical pleasures, but who needs to learn balance and control of appetites and sense by creating beauty for the world. Second house South Node can give an inability to earn completely one's own way. Satisfaction and success in this area usually is delayed. It can give the person stubborn pride but great loyalty to a cause or a person.

(Mohan Koparkar)

This condition often signifies that the person has to deal with resources and possessions in various ways in life. Often their combined resources are plentiful and handy, but the other person may or may not allow them to use it generously. Their own resources become a doubtful issue in many cases. Strong interest in the occult or hidden side of life is noticed as a rescue from the material world. They often have good instincts and ability to deal with others' subconscious. Cash flow situation will depend upon the planet(s) conjuncting the nodal axis. A benefic will increase favorable chances, while a malefic will cause uneven difficulties. Learning from the idea or reality of death and regeneration is strongly noticed in this case.

(Martin Schulman)

Here the individual is confronted with a powerful battle inside himself on the most basic of levels. His karma is to overcome the extreme possessiveness of his past incarnations. Until he deals with this, he has difficulty finding meaning in anything he cannot personally own. He is jealous of the possessions of others, desiring strongly to have all that his eyes behold. In some individuals this builds up to an insatiable lust for possession. In this respect there is such a strong determination that little can sway him from pursuing his desires.

Nearly always his life is based around the sexual force, and it is nearly certain that the sense of sexual understanding is highly perverted. There is usually something animalistic about the nature. Whether open or concealed, there is a lack of response to the civilizing effects of society.

In his past lives, the individual did not fully understand the importance of other people's values, but continued to go his own way, unaware of how he affected others. His soul has built a need system so great that no matter how much he is fulfilled, his greatest needs always seem to be just beyond his reach. He is like the proverbial donkey following a carrot strapped to his head; but rarely does he understand that he is the one who put it there.

Those near him would give him the Moon if it would make him happy, but they know as well as he does that it would be only a momentary toy ultimately to be discarded and replaced by another need. It seems to be the quantity of quality that he desires, which is to say that he feels he must have it all! A bundle of excess in all directions, he finds it

difficult to change his ways even after the realization that he is headed down a path of disaster. He pushes each crossroad to such extreme excess that when he does discover his errors, he is so far beyond the point of departure that he find it impossible to see his way back. And so he continues further along a parth he knows is wrong because it is the only road his eyes can see.

In some cases he goes to such extremes that he may run into trouble with the law; but long after he sees his error he still keeps trying to convince others that he is right.

More than one with any other Nodal position, this individual must learn self-control, for without discipline he can too easily allow his past incarnation habits of selfindulgence to make a shambles of his current life.

Some with these Nodes experience an infirmity which brings them so close to death that their eyes open to a new appreciation of life. Others go through extremely trying sexual episodes so that they may start to be more clinical about their behavior. But always the karmic lesson is the same. The individual pushes himself so hard that he ultimately destroys all ground he has gained. Through a symbolic death of excessive behavior patterns, he may ultimately experience a new birth.

The past life residue presents too many physical and material concerns. The main growth in the current life is based on the individual's ability to ferret from out of the depths of hie being the strength for a rebirth. He often displays an interest in the occult, through which he ultimately gains information needed to achieve his regenerative transformation.

Whatever he chooses to do, there is always chaos in it, for he is an extremist. And yet the combined karmic residue of stubbornness and laziness keeps stalling his rebirth. His soul wants to transform, but he has difficulty finding enough energy to do it.

The hardest thing for him is to learn how to walk with no footsteps, for he so desperately wants to be impressive that he keeps making his own life heavier.

Relationships are extremely important to him. From prior incarnations he has developed the habit of seeing the world as a social caste system, and within this framework keeps struggling for status, always believing that some people are more privileged than others. Through his eighth house North Node, he must symbolically kill this past-life value system and go through the permanent metamorphosis which will eventually attune him to the value of others. He has much to learn from those close to him as soon as he starts to listen.

Most of his sexual thoughts come from a deep-seated desire to kill the physical plane. They lead him on a path of ultimate disgust with himself as well as with the physical and material life he has led for so long. Through open or secret lust as well as jealousies in

money or business affairs, he keeps spiralling his life to a point of no return. Once he reaches this, he will begin to be accepted through other people's value systems in order to find his way back. But he will be confronted with the test of having to give up all that he has ever thought important, almost as if he is being asked to step to the back of the line and wait his turn. Each time a new and finer value is imposed on him, he must learn how to eliminate all in himself that blocks its acceptance.

He will start his new life from the bottom of the ladder, where because of the slowness of his ascent he will treasure deeply every inch of ground he gains.

Truly these Nodes indicate a difficult life, but only because the ingrained attitudes of past incarnations are so fixed on having their own way.

Until the transition is complete, he can expect his current life to be one financial tug of war after another. He must learn the karmic lesson that possessions are for the purpose of use and that it is not necessary to own more than what is immediately useful.

When he overcomes the tendency to allow his life's energies to dissipate themselves, he can become a veritable dynamo in the business world. Still, he must never forget that he is the type that must burn his bridges behind him as a protection against slipping backward to levels he has struggled to pass through.

He must understand the biblical story of Lot, who when he was finally redeemed from Sodom and Gomorrha was asked to leave the city, take no possessions, and under no circumstances look back.

The eighth house North Node can regenerate the individual. It is up to the strength of his own faith. To reach heaven, this Nodal position must walk through hell first, and there from the very bowels of the earth make the realization that God will hear his faintest cry for help as soon as he sincerely promises not to 'look back'.

The sign which contains the South Node shows the type of past-life value system that must be regenerated. The sign which contains the North Node shows the ways in which the rebirth will be accomplished.

(Donna van Toen)

Conflicts: Own values vs. other's values. Growth vs. degeneration. Joint resources vs. personal resources.

Possible results of sacrificing North Node: Extreme possessiveness. Sexual difficulties. Lack of regard for other people's values or needs. Unhappiness with possessions and money, no matter how comfortable your material situation seems to others. In extreme cases, trouble with the law; more often, simply trouble from atypical values.

Possible ways to integrate the North Node: Develop self-control and self-discipline. Develop an appreciation for life. De-emphasize things; concentrate more on relationships. Organize your life - clear away worthless people, things, attitudes. Try to stop worrying about being appreciated; be willing to work for the joy of working rather than for prestige.

With the North Node in the eighth house, the hang-up seems to be centered around power. Inability to forgive and grudge-holding are common expressions of this hangup. A muddled or twisted sexual identity is another manifestation. Thus we see the macho male, the femme fatale and the asexual being - as well as those who are attracted to these types. Often there's a 'money is power' syndrome that can manifest in gambling or foolish spending. In most cases there's a strong desire to prove your worth or get back at those who have wronged you.

North Node in the eighth house also hopes to realize gains through partnerships or other relationships; but the dreamed-of gains are liable to be more tangible in this case. He or she could dream of marrying a rich mate, befriending someone who dies and leaves him or her a sizeable inheritance, or being cut in on somebody's lottery winnings. There's a strong desire to eliminate hardship of all types. This person takes an emotional approach towards financial matters. He or she tends to spend on the basis of emotional impulse rather than need, and is often careless or impractical with money. Less frequently the person is too lavish with praise, time, or nurturing. These tendencies stem from a subconscious feeling that he or she is incapable of amassing necessary resources without help from others.

You find it difficult to change your established ways, even when recognizing that the way leads in a wrong direction. You tend to continue anyway, mainly because it is the only path you see, and you will attempt to convince others that your way is right. And, in many ways, it is, because it offers the potential to realize what drives you and to encourage change, especially when painful consequences occur.

Resisting the temptations of material life is probably needed to balance this, especially as you favor possessions and material acquisitions which appear to offer a surrogate sense of meaning. Your desire nature often prefers quantity to quality, but is rarely satisfied or satiated for long. This requires transforming to deepen life appreciation.

Your behavior can be extreme in most things; and you often destroy progress by burning bridges behind you, stopping any chance of returning to the past and old habits. This ensures that you are committed to a chosen future direction. Potentially, such action can

lead to positive results. Yet these do not just come about by themselves; you have to work toward them consciously. You require an inner transformation (designed to improve your life), but may have difficulty in generating consistent energy to stimulate change. Additionally, there is always an element of possible chaos in your behavior that emanates from any misapplied Scorpio energy which can always unconsciously undermine your intentions.

You desire to be impressive to others; yet to some, you can appear as a negative influence. This arises from lacking comprehension of how your personality impacts on others, because you are so preoccupied with going your own way.

Relationships are important, although you tend to seek social status through them. There may be some confusion with respect to sexual matters / identity / activities, and you do not feel at ease with insistent physical demands. This can cause inner resistance and conflict. You may feel wary of sexuality, and your sexual image may be a difficult one to accept or integrate. You can keep such insecurities hidden and at a distance. Yet, as sexuality is an essential part of adulthood, it is a powerful impulse which requires satisfaction and understanding.

If you discover more transformative personal values, this can moderate any unconscious or excessive behavior patterns. You need openness to experience and to receive the influence of others, so that your life becomes expansive, as understanding different attitudes develops greater tolerance. Introduce new attitudes and values toward modifying your possessive impulse, especially by realizing that possessions are only for us. Material prosperity does not indicate a person's quality, or necessarily satisfy or fulfill his or her deeper needs. Your emphasis should be placed more on appreciating quality - that of yourself, of others, and of possessions.

You may need to release much that you previously considered to be important and meaningful, even though it has failed to give peace or happiness. Circumstances may strip you of the past in order for you to receive a new impulse and be influenced by more appropriate attitudes and values. If this occurs, see this experience as a positive personal renewal, an opportunity to change your life by a more moderate and balanced approach, leaving behind your compulsive and unconscious tendencies.

The 8th lies halfway between the Descendant (DC) and the Medium Coeli or Midheaven (MC). Like the other fixed houses, it has no contact with the main axes. Like them, it is relatively remote from the cardinal force and favors a settled state of affairs. A dual instinct resides in the Scorpio 8th house. It rules the situation in which two things are wanted at the same time: the thing that suits the Descendant, and the thing that suits the Medium Coeli. Both of the nearer main axes determine the themes of the fixed houses.

This produces a double nature. In the 8th house, there is a desire to fulfill two conditions: on the one hand, to be in good communication with the 'You', and to profit by the contacts made through the seventh house; on the other hand, to undergo a 10th house individualization. However, to stress one's individuality can lead to isolation and to the loss of advantages offered by the 7th house. To be entirely 'Me', I have to give up 'You'. Therefore I am torn between two desires. Although I want optimum access to those around me, I also want to be a strong, independent, free individual. And so I seek to be someone important in society. That is a classic compromise which society has always found acceptable.

Society is the sum of all the 'Yous'; and if I climb the social ladder and reach a secure position, I become someone who is respected. But, conversely, when I have a social position, I am answerable to others. To be sure, I have a place in society and authorization to perform a certain function; but, equally, I am under society's eye.

The Node in the 8th house warns me that I need to understand these two conflicting requirements, and to handle them sensibly without making false compromises. In fact, any compromise is rather inconclusive. With the Node in the 8th house, I am compelled to live on the razor's edge. I must guard against opting for security at the cost of personal development.

In the 8th house, the Node challenges us to strike a proper balance between society and individual growth: a balance that will produce spiritual and personal harmony. It requires us to cultivate a healthy relationship with the environment, in which the latter is respected, and to fulfill our obligations without hindrance to our spiritual growth. This is a tall order, because it presumes an internal and an external interdependence that are not easy to come by. It implies give and take in the spirit of: 'Render unto Caesar the things that are Caesar's...': not by seizing advantages, but by giving and taking in such a way that we and others each get what is our due. It is important to keep things in proportion; and to do so calls for the ability to keep a cool head and to weigh everything carefully; also to be scrupulous in keeping the rules, including the rules of affection, sympathy and contact.

Also one must not neglect love while getting on in the world. In the 8th house there has to be equilibrium between the physical and the spiritual. One is constantly being challenged not to lay undue emphasis on status or on material advantage. Usually, when the Node is in the 8th house, there is a struggle to overcome a fixation on the tangible and material, and to release living human impulses.

North Node in the eighth house or Scorpio: (James Braha)

If the North Node is in the eighth house or Scorpio, the person's greatest growth, evolution, and fulfillment come through relinquishing his desires for possessions, and helping others to determine their values. In past lifetimes, the person has been attached

to his acquisitions and engrossed in his cravings for personal security. Now he is learning how to surrender and merge with energies separate from his own. Success and happiness will be found in pursuits involving the occult, metaphysics, mysticism, and psychic work. The person may also do well in politics or other fields which promote causes or campaigns for the good of others. The person should not concern himself too much with his own self-identity and intimate pleasures. He is here for greater purpose and profundity.

Good results occur when the person concentrates on spiritual evolution, soul growth, and psychological transformation. He should focus on ideals, paradigms, and ultimate realities rather than what can be gained from the mundane, physical universe. Sexual experiences are deep, significant, and valuable. The person transcends individuality and merges profoundly through the orgasmic experience. Appearances and physical beauty are not so important. The person must seek that which is deep, real, spiritual and lasting. He should open himself to all kinds of experiences, without trying to pick and choose the good versus the bad. Passion, power, and self-control are to be cultivated. The person should welcome his newly-vulnerable nature and embrace whatever ego-death-and-rebirth experiences come his way.

In Hindu astrology, the North Node in the eighth house and the South Node in the second (or vice versa) are considered the most painful and troublesome node positions. Family life is harmed and there are disturbances in married life. Happiness is not favored. However, there may be good spiritual and mystical experiences. Also, money can be earned from metaphysical or natural healing techniques. The sign positions of the nodes are much less significant.

(Black Moon) Lilith ♀ in ♏ Scorpio 7° 19'

([1144] elsaelsa.com)

Truth Seer

If you have Black Moon Lilith in Scorpio, the wounds you bear from your Lilith experience have made you a survivor. Through your deep insight, you've learned to protect yourself from anything the world has to throw at you.

No matter how your Lilith pain has come about (which you can determine from the house

Black Moon Lilith in in), you have figured out that other humans make scarier monsters than anything a horror movie could dream up. To protect yourself, you became skilled at seeing right through people. No one can get anything past you. You can smell agendas and hidden motives from miles away. The idea that someone could successfully lie to you is laughable. And because of this remarkable insight, you have also become a de facto therapist for the people in your life. For the people you are closest to, you don't really mind, but for people a little bit further from your normal orbit, it's somewhere between puzzling and enraging. Why on earth are they willing to disclose all this information? And do they not understand how much of a drain that is on other people?

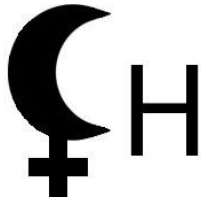

At times like these, you're likely to shut down or cut the person off altogether. Others may find it cruel, but for you, it's simple self-preservation. And part of you also quietly believes that cutting those people off is for their own good. You know from experience how dangerous it can be to lay all your cards on the table. You've been burned and betrayed more times than you care to recall. You've given too much and loved too hard and learned painful lessons from it. Giving everything you have is a recipe for total annihilation. So you share only what is necessary and preserve the rest for when times get tough.

And times always do seem to get tough. One of the great tragedies of this placement is just how much of the world you've seen. You know exactly how dark, cruel, frightening, disgusting, craven, exploitative, and awful life can be. You are very familiar with the depths to which humans can sink. I would say that this knowledge has crushed you, and indeed it has. It has crushed you over and over again, so many times that you thought you'd never get back up. But you did, you do, and you always will. That is your superpower.

But it doesn't have to be this dark. To soothe the pain, work to bring in influences from Taurus, Scorpio's opposite sign. Taurus, above all, is concerned with the sweet abundance underpinning all life. It's not that Taurus doesn't understand darkness. It's just that the darkness doesn't have to be central. Even though the world is filled with suffering, flowers continue to bloom. Even if a loved one proves treacherous, there are plenty who aren't. Tomorrow we may die, but tonight we can eat, drink, and be merry.

Black Moon Lilith in Scorpio is an exceedingly complex placement with so much to explore, but let me end with this: Your ability to see people for who they are and understand them deeply is a gift to the world. I know it can bring you pain, but it can also help you create a community of those who are truly deserving of your trust. You have the power to turn your pain into your greatest strength. Just remember to enjoy a little sweetness along the way.

(Black Moon) Lilith ♄ in II 2nd House

([1150] elsaelsa.com)

Guardian of the Gate

If you have Lilith in the second house of your chart, her themes will manifest in terms of value and resources. You will struggle to claim your own worth and ensure that you receive your fair share.

Lilith in the second house usually shows up in childhood in the form of self-esteem issues. You were bullied, nitpicked, or otherwise made to feel less than worthy. This could come in the form of rejection from peers or pressure from authority figures to conform and be more manageable. Lilith in the second house is vulnerable to being demeaned and scapegoated, especially in youth.

It also manifests in terms of resources. Many people with this placement end up with partners who drain them financially or spiritually. They end up in situations that demand their subservience and are punished when they fail to bend the knee. If you have this placement, it's highly likely that you have had this happen at least once.

In traditional astrology, the second house is known as the Gate of Hades. If we think of Lilith in the way that medieval writers did, she is at home in the underworld and rejoices there. So Lilith in the second house becomes empowered when it is employed to guard that gate. If you have Lilith in the second house, no doubt you have had to closely guard your resources, standing up for your own value and your rightful share on this earth.

There is, of course, so much more to say about this placement. But the overarching theme is this: you belong on this earth. You have a right to survive, and you have a right to thrive. You are as sacred and beautiful as any other being, and you don't have to prove yourself to anyone.

Ceres ♀ in I 1st House

The Natural Mother Instinct

Opportunities

- Mothering comes naturally
- Having greater compassion

Challenges

- Avoiding smothering relationships
- Maintaining an independent identity

Ceres in 1st House

Ceres is concerned with both giving and receiving nurturing that comes naturally. The desire to take care of others is especially strong, but this placement also speaks to a need to self-nurture.

People with Ceres in 1st house can take on the role of “mother” without realizing it, so it is important to discern when someone would benefit from your attention versus when it becomes excessive.

It is just as necessary to provide motherly love as it is to allow for independence, which is a poignant lesson for someone with Ceres in first house. If your relationship with the mother figure in your life was imbalanced, it may be therapeutic to step into the role of parent and offer another human being unconditional love for who they are fully.

When located in first house, the Ceres archetype becomes a part of your personality. You likely project the qualities of Ceres without trying. For example, you may like to feed

people or care for the sick.

You can nurture others instinctively by knowing what to do to meet their needs.

Becoming a parent or working in a social service field can help you channel the urge to provide for others. If you become too dependent on the role of “mother”, it will be necessary to turn that energy inward and nurture your own independence as a whole, sovereign being.

The general traits of a Pisces range from their highly sensitive nature to their closed-off attitude. They are the last sign in the zodiac, yet they are regarded as one of the wisest. They possess a heightened sense of intuition and they generally have impressive psychic abilities. They are known to be selfless and have a friendly demeanor.

Pisces is ruled by Neptune and Jupiter, which is symbolic of the duality in their personalities. Neptune is linked with compassion and extrasensory observations. Jupiter is associated with healing, generosity, fortune, and expansion.

The primal wound of a Pisces Chiron is their susceptibility to emotional pain and a fractured relationship with the divine. They are tormented souls who are addicted to the suffering that emotional upheaval brings, and yet it is something that they fear the most.

They face issues with boundaries and escapism.

The effect that Chiron under Pisces has on the personality of someone with this placement is dramatic. It creates a caricature of Pisces with far more sadness, woe, and misery.

The influence of Pisces is evident, with Chiron in place it highlights the darkness of this zodiac sign and amplifies its characteristics to excess.

Though they may initially appear to be all doom and gloom, there is a beautiful side to the Pisces Chiron. The darker side of their soul is complemented by their sweet and caring nature. There are good and bad aspects to the effects of the comet Chiron. From both of them, we can learn a great deal about ourselves and those around us.

Personality

Chiron in Pisces amplifies the emotional baggage of people with this placement which is then reflected in their personalities.

Unraveling the personality traits of a Pisces Chiron requires peeling off the layers. They are deeply complex and at times confusing.

Pisces remains one of the most fascinating influences over Chiron. It is a rollercoaster for those that possess Chiron under Pisces in their chart.

So deeply intriguing is the Pisces in its own right, but when we project its energy onto Chiron it is simply out of this world.

Negative aspects

The wound of the Pisces Chiron runs deep. They open themselves up to hurt and yet they fear it. They endure the pain of suffering, especially if it is to save someone else from experiencing the same.

Although they seem to be distressed by the prospect of pain the Pisces Chiron enjoy it on a subconscious level. This sadist-like behavior is self-destructive and contradictory.

There is an underlying sense of victimization with the Pisces Chiron. They may feel attacked and picked on often.

This is usually an irrational conclusion that they draw from the simplest of circumstances. Their sensitivity can make them hard to reason with. They are cynical and can take a well-intentioned comment directed to them as criticism.

The zodiac sign Pisces dislikes being criticized, its influence is apparent in Pisces Chiron.

The Pisces Chiron can feel as though life is unfair. They feel as though they have drawn the short end of the stick. Whether this is true or not, they hold onto this feeling and milk it dry.

The 'woe is me' mentality of the Pisces can often mean that they do not take responsibility for their problems. This resonates with the effect of Chiron as it is not easily recognized by looking within. These are parts of us that are hidden from ourselves but widely noticed by those around us.

There is a sense of pessimism that seems to drive the Pisces Chiron. Their outlook on life is often bleak and dreary. They do not trust the ways of the world, everything connected to the physical world is viewed with suspicion. They are uncertain of the earthly realm.

They may suffer from an identity crisis. Pisces are immensely intuitive and psychic, with the Pisces Chiron however they can lose their faith in the universe and the energy of love.

All the while they feel this way they will still seek it out. They want to be part of something bigger. The effect of Chiron denies them the opportunity to heal this problem.

People with this placement may find that they attract broken people. Like a moth to a flame, those who suffer from intense emotional pain will gravitate toward the Pisces Chiron. They have a toxic dependency when it comes to pain.

The Pisces Chiron wants to avoid the sensation of pain and yet they are magnetized to it. They know that there is something inside of them that needs to be fixed but they don't know-how. They will regularly enter a cycle of ups and downs as they try to figure out this phenomenon.

The Pisces Chiron finds it hard to trust people and yet they can be extremely gullible. They will keep people at arm's length to avoid being hurt or betrayed and then they will give in. They want to lower their guard and feel at ease around them.

It is difficult for them to relax and believe that they won't be taken advantage of or disrespected. This can result in them blowing hot and cold which pushes the other person away.

As the Pisces Chiron individual is extremely sensitive, they will take it as rejection, not realizing that they were the person that caused them to leave.

Positive aspects

They offer comfort during dark times and their helpful advice helps many people

throughout their lifetime. They have a saint-like essence, they help the wounded to heal and offer advice on how to move through negativity.

The Pisces Chiron has compassion for everyone who needs it. They do not discriminate when offering their love and affection.

If someone is experiencing hardship, they will offer a shoulder for them to cry on. They can sense if something is wrong with someone before they tell them. They have a special gift for reading people's energies and thoughts. They are natural psychics who use their powers for good.

Men with Chiron in Pisces

The Chiron Pisces man is a healer. Like the centaur Chiron, he offers aid to those who are wounded while forgoing his own needs. He dedicates his life to helping others with his natural gifts. The Chiron Pisces man will give and continue to do so until

Instead of replenishing his energy levels, he seeks to continue with his mission of saving the world. He wants to be a part of something great and happily sacrifices himself to a greater cause. He may see himself as a martyr.

The physical realm does not satisfy him. He is rarely tempted to indulge in earthly ways. Instead, he spends his time engaging in study. He feels a connection to the universe that he cannot explain yet he feels disconnected.

The Chiron Pisces man does not feel at home on earth, nor does he as though he would be welcome in the spirit realm. He simply floats in the abyss while trying to understand his identity.

He evolved beyond his ego. He sees the world for what it is, a projection of his mind. The subject of esoteric matters fascinates him.

Occasionally he can become disconnected from reality. His awareness of Source energy is more heightened than his peers. He can feel the ebb and flow of universal energy which draws him away from the physical world.

Lessons

Despite how volatile Chiron in Pisces is, the pure essence of Pisces still runs throughout those who have this placement.

Their kind and loving energy are some of their greatest qualities. They capture the spirit

of Lightworkers. It is evident that they want to make a difference in people's lives, regardless of whether or not there are selfish intentions behind it.

However, their faults create cause for concern. They are so deeply impacted by their karmic wounds that necessary steps must be taken to protect and nurture their wellbeing.

Balance and foresight are needed to keep Pisces Chiron in good form. They have excellent intuition, but they must know how to use it to benefit their own lives. The Pisces Chiron must first recognize the wound before attempting to heal it.

As the Chiron in Pisces gives so much to others, they absorb the negative vibrations from those around them. It is as if they are surrounded by energy vampires.

However, this is a self-inflicted part of their behavior that must be toned down if they wish to find peace.

The Pisces Chiron must make time for their own needs. They are so busy catering to everyone else that they neglect themselves. It may take a while for them to adapt.

If they want to improve their circumstances, they must be open-minded. They must focus on themselves for a while and refrain from trying to solve everyone's problems.

Though it is good to be helpful and offer support to others it can be overwhelming to take on too much at once.

Overloading the Pisces Chiron with the heartbreak, drama, and problems of others is detrimental to their wellbeing. If they wish to be of service to others, they must make sure that they are fit to do so.

Forcing themselves to be everything for everything is counterproductive. They run the risk of taking on too many problems and their judgment could be clouded by multiple energies demanding their attention.

To remedy this the Pisces Chiron must retreat. They need to distance themselves from the world and embrace solitude. They may use the time to reflect, release negative energy, and prioritize themselves.

When alone they can use the time to practice self-care and build up a loving relationship with themselves.

The Pisces Chiron can still help others, they just need to know their limits. They have an incredible psychic gift that can help so many people. When they are ready and able, they can put this to good use and guide others.

As a clairvoyant, their perspective and insight when looking into someone's future can help them to make the right decisions and fulfill Pisces Chiron's need to help and satisfy others.

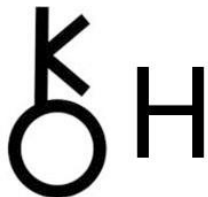

Though the wound of Pisces Chiron may never fully close, it can still offer healing. When the Pisces Chiron becomes aware of the darker aspects of their soul they can work to stay on the right path.

The trauma and harm of their karmic pain could make them stronger if they are willing to try.

The complexities of Chiron seem to be never-ending as it weaves its way through our lives. However, the scar or wound that it has given us is a reminder that we can face any challenge and come out on the other side.

There is nothing that can take away our power. Our strength lies within, and we can rise above the negativity and live to see another day.

Chiron ♄ in VI 6th House

([1265] astromajesty.com)

People born with Chiron in the 6th house typically have issues with a perception of work, superiors or subordinates, and services.

Since the 6th house is related to professional responsibilities, daily routines, and helping others, these individuals probably struggle with an emotional trauma related to one of these elements.

The influence of Chiron in this placement indicates that the native likely experienced an intense professional disappointment early in their career.

Perhaps they couldn't agree or cooperate with their coworkers or superiors, which caused problems that terminated that employment.

On the other side, perhaps the Chiron in the 6th house native didn't understand the point

and reward of completing duties and tasks as a child.

Maybe they were rebellious and didn't want to obey, or their parents forced them to work more than a kid should.

Struggle with schedules and routines

Whatever the scenario, these individuals likely didn't like to fulfill their responsibilities, including going to school and doing homework.

Maybe they struggled with doing simple tasks, such as brushing their teeth, tidying up their room, or washing the dishes. These natives didn't like schedules, and they questioned why one should follow routines.

In their childhood, these individuals likely preferred doing as they pleased. In some cases, that means being chaotic or maintaining a messy bedroom because it's a part of their self-expression.

People with Chiron in the 6th house wanted to do as they please instead of being compliant or even respectful. Perhaps they believed that by completing orders, they would lose their integrity and become submissive and obedient.

If Chiron is afflicted, they likely had strict and conservative parents who wanted their children to do most of the housework, clean, and neglect their playtime to help in the home. In that case, these natives were forced to complete the orders, or they would be punished.

As a result, these individuals have a trauma that causes issues with authority and cooperation.

However, if Chiron is well-positioned in the 6th house and harmony with other aspects, it's unlikely that natives developed a trauma that limits them.

Even if they disobeyed or failed to do their responsibilities and tasks as kids, they probably didn't face any punishment or complaint.

Thanks to that, they grew up believing that it's their right to refuse and do whatever they want. They don't understand why others would blindly expect them to follow the orders or serve.

Health and healing counselors

People born with Chiron in the 6th house dislike routines. They also loathe reporting to others and working according to the schedule. Those things make them feel like slaves and like they don't control their lives. Having a nine-to-five job is not the best idea for these natives.

Also, they are terrified of having to sit in a cubicle all day and interact with colleagues. It is why they are better off as independent workers, contractors, and freelancers. Alternative jobs are their jam and probably the only ones where they won't struggle with boredom.

Even if they manage to work in an office, people born with Chiron in the 6th house don't feel a sense of belonging. They either feel redundant or fail to get along with coworkers.

Other than workplace struggles, these natives also have issues with their health. Or, better said, they believe they have. Those with and afflicted Chiron in the 6th house tend to be hypochondriacs or worry something is wrong with them 24/7.

Yet, these natives usually don't do anything about their worries. Instead, they let all those questions plague them through the day and disrupt their responsibilities or goals.

On the other side, they can be stellar health counselors and advisors. Due to worrying about their well-being, they are up to date with different conditions, medicines, and therapies. They also tried many health recommendations they found in journals or online, which they can use in advising people around them. It is why they make great healers and psychotherapists.

Taking care of people and pets

They don't necessarily choose a medical field. However, these natives still tend to work with underprivileged groups and people on the margins of society.

Perhaps it won't be their official career, but they will probably help people in their free time or do it as a volunteering activity.

Thus, if it's their principal career, people with Chiron in the 6th house tend to provide their services for free if someone can't afford them.

It might be that their generous helpfulness comes from the time they were in a similar situation but had no one to help them.

Individuals with Chiron in the 6th house are usually empaths, and they can sympathize with those who have it worse than them. It is what doesn't allow them to ignore helpless people.

These natives will go out of their way to help, even if it will affect their finances or work position.

People born with Chiron in the 6th house might not achieve the best results in their work, but they can still be stellar advisors regarding careers.

For instance, they tend to develop effective work strategies, which they often use to help friends and family.

Since the 6th house rules pets, these natives could find comfort in adopting an animal and taking care of them. They might find that being responsible for them and adjusting to their biorhythm can help them handle their own schedules and day-to-day tasks.

You do not like things to be easy. Everything superficial distracts you from your great purpose, which is outlined and planned only by yourself.

Cancer is the sign opposite to your Part of Fortune in Capricorn. Cancer provides you with tremendous emotional energy and great sensitivity. But you must stay impersonal, not overly personalizing your emotions, and so use this energy to give enthusiasm and intensity to the beginning of all your projects. Cancer gives love and care when things start and Capricorn gives the push to complete them.

You appreciate the love of all the people with whom you work and with whom you share common goals.

However, you should not get carried away by sentimentality. You must dominate your emotions and direct them so that your feelings do not harm all the things you want to accomplish.

You have to eliminate all childhood insecurities, the restrictions of the past, and your own doubts, in order to develop a perspective that makes you understand that your mission in life is most important.

([187] astromatrix.org:) Lacking Confidence

Opportunities: 1. Creating a Nice Home 2. Surrounding Yourself with Beauty

Challenges: 1. Dealing with Life's Practicalities 2. Knowing Yourself

The placement of Mars Opposition to your natal Ascendant creates a tense and volatile personality. This may be seen in yourself or projected onto your outside environment and people close to you. You like competition and challenging situations; you tend to attract people who will oppose your ideas or opinions.

Your self-image is distorted and too much worth is put on outside interactions, especially with one on one partnerships. Compromise and co-operation are key themes that need learning with this position, you tend to argue first and ask questions later, and this can make you hard to get along with at times. While you may see compromise as something for the weak, it actually takes great strength of character to meet others halfway.

It is often the case that we experience the difficulties of an opposition aspect through the behavior of other people, or actually seek that quality in another. This is particularly true here, since an opposition to the Ascendant places Mars on the 7th house cusp, the house of relationships. Hence, you may often attract people who express the qualities described above, who challenge you in some way, forcing you to stand up for yourself and develop your qualities of independence and self-determination.

4) ► **Descendant DC Parallel ♃ Jupiter** - (1°15') ♎7 | ♋3

([195] astromatrix.org;) Polished And Refined

With Jupiter in Opposition to your Natal Ascendant, you will feel the need to be more involved in one on one relationships, especially if Jupiter is placed in the 7th House. Relationships in general make you feel happier and content and is a realm for greater exploration and understanding.

The descendant is a symbolic condensation point for what we don't identify with in ourselves and therefore project onto or seek out in others or through intimate relationships. You're very sociable, good-matured, optimistic, cooperative and helpful, attracting many benefits through partners and relationships. That being said, it is important to find your source of optimism and contentment within yourself.

Your expectations of what others can provide will be unrealistic in the real world, since very few people actually live up to our fantasies of them. This will lead to many disappointments until you realize that what you are seeking in others is a part of yourself that you are denying, or for some reason are afraid to express.

5) ► **Descendant DC Parallel ♇ Pluto** - (0°42') ♎7 | ♋1

([213] astromatrix.org;) Get What You Want

The opposition between Pluto and your Ascendant shows that you will undergo some problems through your relationships. There is a tendency to attract partners who attempt to dominate you or manipulate you through deep feelings of fear and guilt. As a result, you may often find yourself involved in intense ego battles with your partner, there is a desire to maintain control and can occasionally lies and deception can occur within your relationships in order to gain the upper hand.

You want to transcend your personal limits and boundaries by fusing and becoming one with another soul. If you're not sure that you can fill your own needs yourself, however, there will probably be a compulsive element to the way you seek relationships.

Your personality is under a similar, constant evolutionary pressure to die and be reborn. Once you learn to balance and integrate your own internal energies, you could make an excellent psychotherapist yourself if you were so inclined.

6) ► ***Imum-Coeli*** IC ***Parallel*** ♄ ***Saturn*** - (0°02') ♄ 11 | ♄ 1

([202] astromatrix.org:) Difficulty Relating

This can be a difficult placement, indicating that you feel so lonely and so different from others that it is hard to relate to them. Also, you may sometimes feel that there is nothing inside you. This belief is not based on fact, but it can seem very real when you are feeling unhappy. It indicates that you need a great deal of emotional support from your family.

Your mother, especially, and possibly your father as well, may demand a great deal and expect you to live up to very high standards, without giving you very much emotional reinforcement. Even if they do support you, you will not feel the helpful effects as much as others would.

One possible effect of this placement is that you will be very active socially, almost as if you could not stand to be by yourself, even though you feel alone when you are with others as well. This is an especially likely effect if your chart has many planets above the horizon. You are trying to escape from your sense of inadequacy through others. However, the only way that you can conquer this feeling is by going inside, confronting yourself and accepting what you are.

You prefer to keep your immediate personal surroundings - your room, and, later on, your home - neat, with as few obstacles as possible. Others may think that your tastes are rather stark and ascetic, but you prefer not to have to contend with any more material possessions than necessary.

7) ► ***Imum-Coeli*** IC ***Parallel*** ♆ ***Neptune*** - (1°49') ♄ 11 | ♆ 12

([211] astromatrix.org:) Intuitive Sensitivity

This aspect indicates great sensitivity, but for this energy to work positively, your earliest childhood must be reasonably peaceful and serene. You are very sensitive to the hidden energies in your home and between your parents or other members of your family and any kind of ongoing negative feelings can cause you to become insecure and lacking in self-confidence.

Later on, you may feel that you cannot easily cope with life's challenges, because inside you cannot depend upon your emotions and your spontaneous actions to make everything come out right. Your relationship with one of your parents may be rather difficult. Often this aspect signifies that one of your parents is too weak psychologically to play his or her role in your life.

This might lead you later to seek out someone who can be a guide and a loving parent figure for you. The problem is that such a relationship would displace your search for normal adult relationships. However, even if both parents are strong, you may go to the other extreme and idealize the more influential one.

In that case you would compare everyone you meet to that parent, instead of dealing with each person as an individual. This is not so bad as the first alternative, because at least you have strong ideals that you can believe in. Later in life this may turn into a strong belief in God. Because you are so sensitive, you may eventually develop a strong psychic and intuitive ability.

8) ► **Sun ☉ Contra-Parallel ♄ Chiron** - (0°27') ☿10 | ♀06

([117] astrotarot.net:) Typical features that this opposition brings: your sense of self may have been challenged by your emotions. There is a shame in your soul as a result of the Chiron. This may lead you to feel an unfathomable degree of loneliness. This is different from the loneliness associated with Neptune or Saturn. Natal Sun – Chiron aspects loneliness is connected with particular configuration in the natal chart. Many astrologists say that it is similar to the loneliness of Jesus on the cross. In other words he knew he had to “pity” those who put him on the cross. In conclusion, you often feel cut off from the ordinary, imperfect crowd, as you could never be one of them. As you grow older, this gap between the head and the heart may seem easier to handle. You may develop a sophisticated understanding of relationship with your father, a homeland or your roots. You may be able to use this understanding in helping others come to terms with a similar sense of loneliness. Or you can use it to do a good work in the world without having an ego-centric necessity to be identified as the active agent behind such work. You are constantly meeting with criticism, rejection, or exclusion for your individuality. And this often causes you to hide or repress the most unique parts of yourself. You despise expectations. When others have any measure of control over you, you can become hostile or deeply troubled.

9) ► **Moon ☾ Contra-Parallel ♀ Venus** - (0°08') ♄1 | ♀11

([153] astromatrix.org:) Social Inappropriateness

Opportunities: 1. Helping Those with the Same Difficulties 2. Developing a More Open Social Persona

Challenges: 1. Taking Social Risks 2. Dropping Your Self-Protections

This opposition indicates that a major source of dissatisfaction will occur in social relationships. You may feel emotionally blocked in dealing with others, and uneasy in social company. This may be a pattern persisting since childhood, when you may have felt unloved and misunderstood by your parents, especially your mother.

You have a tendency to feel unloved; and this insecurity is communicated in subtle ways to others, who may sense that you are 'hiding something'; this, in turn, casts doubt on your sincerity. As distance enters your relationships, your negative feelings and fears of being disliked are reinforced, and the cycle perpetuates itself. Because vitalizing and harmonizing feelings are inwardly blocked, they fail to enter your social relationships.

People may perceive you as cold, unfriendly, or distant, and find it too much effort to spend time and energy slowly getting to know you. Your attempts to share and communicate are erratic, often superficial, and lack a recognizable warmth. Even when you are admiring someone's achievements or making gestures of appreciation, there can be an unconvincing delivery, as though you are going through socially acceptable motions but not putting any heart into it. As you know, this isn't the truth; but the inability to communicate your sensitive emotional nature to others creates a misleading impression of your character.

You may make compensatory attempts to avoid confronting your emotional unfulfillment; and these can include a preoccupation with material possessions, money, and comforts. You may attempt to form an identity and self-worth founded on physical acquisitions, or through a lifestyle which reflects Venusian tendencies toward sensuality and luxury. despite your need for closeness, it is your unconscious behavior which pushes people away.

Inner barriers need dismantling; and moving beyond your inhibiting patterns requires some risks and overcoming security needs. Be open to contact; be more friendly and less distant; share yourself more easily; drop expectations about people; be less judgmental. Try to relate intellectually rather than just emotionally, because your emotions still need cleansing and healing before their agitative vibration becomes more settled.

Learn how to co-operate better by making effective adjustments and mutual concessions. The likelihood is that, over time, the quality of your relationships will improve, enabling blocked emotional energies to be released gradually and safely, as you feel able to open to a new type of contact with people and the environment. Then you may discover that you possess something of great value which can be shared with others for mutual benefit. If you can make the transition, perhaps you can help others who also have difficulty in relating socially.

10) ► **Moon** ☾ **Contra-Parallel** ♌ **Jupiter** - (1°46') ♄1 | ♃3

([155] astromatrix.org;) Unexploited Potential

One difficulty for your self-esteem and ability to exploit potential is unease caused by diminished self-confidence. Energy can seep away through self-doubt and a tendency toward unproductive questioning which reduces achievement.

Emotionally, you feel unable to evaluate your abilities or creative efforts; they are too close to you, determining your state of well-being. You protect vulnerable emotions and sensitivity and may eventually realize that most of your pain in life comes from relationships. This can include friction with parents (either during childhood or in later life), unsuccessful love affairs and romances, being taken advantage of by unscrupulous colleagues or friends, or disputes in your family home, such as with children.

You prefer to think well of everybody, giving them the benefit of any doubt and relying on mutual trust; unfortunately, deception is common. Your evaluation of character can often be misguided or lacking in perception. You may discover a suitable channel for your social concerns by working for people's welfare; a sense of civic responsibility is well-developed, and you may see community activity as the moral duty of a responsible citizen. Certainly, working for social betterment will fulfill you in many ways, and provide reassurance for your self-esteem.

You may need to reduce restless feelings that disturb your inner state and relationships with others. Whenever you feel this dissatisfaction, discovering new areas of interest and activity can productively redirect your energies.

11) ► **Moon** ☾ **Parallel** ♄ **Neptune** - (1°25') ♌1 | ♏12

([21] astromatrix.org;) The Visionary

This conjunction emphasizes emotional sensitivity and vulnerability to others, especially through an impressionable, sympathetic psychic empathy. The nature of your environment will be highly influential in affecting your inner balance and well-being, so ideally you need to live and work within suitable places and with suitable people, or else you may discover that your spirit and vitality begin to wane through absorbing what are negative influences on your sensitivity.

As your heart is so open to experience life, it is equally likely to experience suffering, anguish and disappointments. Evolving ways of self-protection or essential filters to this sensitivity may be necessary over time, otherwise life could become too painful for you.

Through your innate understanding and sympathetic attitudes, you are likely to become a listener and confidante to others' problems; yet a degree of detached impersonal objectivity needs to be developed or else you will take their problems and pain away with yourself. This is not a sacrifice that needs to be made, even though you are rightly willing to offer aid and assistance to those in need.

It may be that you are attracted towards employment in the spheres of social welfare and care, where you can serve deprived people and encourage them to take steps of advancement. Certainly, that compassionate heart will be a main motivating factor in your life, and it is probably through such a route that you can most easily display your most natural qualities and abilities.

Your influence can have a beneficial and catalytic effect on others, stimulating them towards either personal growth or resolving problems. Employment which fixes you into a repetitive mundane work pattern will not be satisfying and will ultimately be a denial of your talents and abilities. It is easy to recognize when you are stuck in the wrong place.

12) ► **Mercury** ☿ **Parallel** ♁ **Uranus** - (1°13') ⚡ 11 | 006

([32] astromatrix.org;) A Lightning Mind

With the harmonious aspects, Uranus tends to work well with Mercury, as both are associated with the mind and intellect, and it is upon that level that their influence and qualities are displayed.

You are likely to have an alert, clever mind which finds great enrichment in pursuing any aspect of human life and knowledge that you are curious about. You are probably articulate and literate too. You have a natural questioning and searching attitude, always looking to increase your personal storehouse of knowledge, and attempting to derive a sense of connectedness synthesizing that information into more holistic patterns. Your immediate response to the world is one of mental exploration, rather than emotional flowing reaction.

The world is perceived as an inextinguishable source of fascination, overflowing with a myriad of stimulating facts, theories and beliefs. New horizons beckon, and there seems to be a curiosity to investigate the unusual and the different ways of living on this multi-hued planet. With so much to delve into, so many different paths that you can walk, the problem is that of choice. Where do you start? There is the fear that by choosing Route 1, you could then miss that fascinating experience down Route 66. This could be one of your weaknesses - that you lack the discipline of perseverance, and that your mind may like to flit from one intriguing subject to another that suddenly attracts your attention.

Inner continuity may need to be developed, both to improve your ability to concentrate, and to make the best use of your talent for acquiring knowledge in daily life. Or is it just stored on that mental level, unconnected to real living? You have little patience with ignorance, your own or that of anyone else. You have a compulsion to find out and will feel restless until you have made some progress. Your mind will store those themes as 'little fascinations', subjects that have picked your curiosity; eventually you will have to take steps to satisfy it. You can be a little intolerant with others who have less exploratory minds, and with those who are deceitful in their interpersonal relationships.

Certainly, you will be best suited to a partner who can complement your searches, and who can stimulate your mind, because for you, that is the essential level of contact. Friendships will develop with others who have affinity interests; and over time you are likely to develop a wide variety of acquaintances as your interests and areas of exploration expand. Unfortunately though, you may find that you also drop older contacts due to your fascination with treading new paths, and thus losing interest in old spheres of enquiry.

You have a preference for looking towards the future, optimistic about new discoveries, even if you are studying past history. You may need to balance an emphasis towards preferring fact, and a more scientific rational approach, with the more intuitive interpretative approaches to life, between the objective and the subjective styles of analysis. The influence of Mercury will be biased towards the former, whereas Uranus will tip towards a more universal, intuitive attitude of inner knowing. It is not what you know, but how you use it in life, which is the key.

13) ► **Mercury ☿ Contra-Parallel ✱ Juno** - (0°41') ♏11 | ♎10

([595] 12andus.com:) You may have an idealized view of love and partnerships and you may fantasize about finding just the right commitment.

Yet when the time comes and your dreams actually start to come true, it can cause you to panic. You may start to undermine your own previously made commitments and try to talk your way out of your obligations.

Your feelings haven't changed, but you often suffer from a fear of missing out. When a commitment gets too serious, you start to second guess yourself and may even wonder if you've made the right decision.

Rather than running away or back peddling out of your commitments, it would be best for you to sit with your self-doubt and give yourself time to get comfortable with the idea of being in a committed partnership.

You can learn to speak up for the space and independence you need, even while in a partnership and this can lead you to be able to maintain your commitments.

16) ► **Venus ♀ Parallel ☿ Jupiter** - (1°54') ♀11 | ♀3

([41] astromatrix.org;) The Gift From Heaven

The classical astrology meaning of a conjunction is that the powers involved merge, so that their characters mix and form a new character, it depends on the planets characteristics as to how this can affect the individual and is one of the most difficult aspects to understand.

In the case of Venus Conjunct Jupiter, the two planets are joined in a conjunction, they do astrologically become sort of a new planet, with its own distinct traits. The closer the conjunction is, the more this transformation is true. In this case, it's enlarging the qualities of Venus: romance, relationship, pleasure, and money. This doesn't necessarily mean that all of these things will come easily to natives with a Venus-Jupiter conjunction.

You have a big heart and have a kind and generous heart. You can be quite a romantic when it comes to your lover. You may have an indulgent or lazy attitude on occasion. You love pleasure in all its forms so work and effort can be more difficult for you as it is taking time away from your personal enjoyment. It is best to try and utilize this energy in your work situation, it is good to be involved in careers or work where there is an emphasis on beauty, art or social interactions. You have a greater than average need to grow in your love relationships, and to shower your partners with acceptance and warmth. You have a strong need for growth, good humor, and fun in your relationships.

17) ► **Venus ♀ Contra-Parallel ♄ Neptune** - (1°17') ♄ 11 | ♄ 12

([177] astromatrix.org:) Personal Versus Universal Love

Whilst the square is associated with inner changes being stimulated by the pain of inner tension and frustration, the focus of the opposition is usually projected externally onto people and the world, from which it is often reflected back again as a source of conflict. How this tends to manifest in your life is likely to be through an underlying suspicion and distrust of others, perhaps based on actual experiences where you have been a victim of deception and deceit, or where you feel that others have badly let you down and reneged on actual or implicit promises.

As 'energy follows thought', because you are projecting a pattern of suspicion and lack of trust into the world, it is likely that you are receiving back the consequences of your own inner pattern. This is often formed by unresolved, unintegrated and unconscious factors associated with the influence of Neptune operating through a heightened emotional sensitivity and vulnerability.

As the strength of imagination in you is potentially very potent, if it is misused or unrecognized then unconscious inner needs and desires create compulsive motivations formed around private fantasies and perceptual distortions of reality. These inner pressures affect the stability and content of your emotional level, so that one result can be moods and uncertainty regarding the consistency of your feelings.

Obviously, this will affect your intimate relationships, and can demonstrate its presence in a variety of forms of deception, within yourself and within the love affair. The 'enemy' that you often project 'out there' is hidden within yourself. Those Neptunian patterns of victim sacrifice and martyr may emerge, either as experienced by you, or as expressed through you onto others, where you exploit any powers of sexual seduction that you possess for self-gratification. Sensual preoccupation may appeal to you, yet this could hold the seeds of your own destruction within it, as there is likely to be an addictive tendency operating which is associated with alcohol, drugs and sex. Surrendering to this pattern would be most unwise, and a reflection of an unintegrated Neptune.

Greater clarity and honesty in relationships is probably needed; or the consequences of this will emerge through deceit, by your own secret love affairs or those of a partner. Certainly, trust will be a casualty, and if not perceived correctly will only serve to add more fuel to the fires of your own suspicious outer projections. Marriage may become an uneasy battleground and a focus for inner pressures and stress. This is sometimes felt by others as an 'antagonistic vibration' with which it is unpleasant to remain in close contact for long periods. Learning how to recognize these projections is an essential first step.

18) ► **Mars ♂ Parallel ♇ Pluto** - (1°54') ♄ 8 | ♄ 1

([55] astromatrix.org:) Personal Determination

This aspect should give you considerable physical energy and vitality which you can apply to tasks requiring persistence, determination and endurance. The energy can tend to amplify any self-centered tendencies in you, stimulating your desire nature and setting goals to achieve which would be primarily for your own personal benefit and satisfaction. In your intimate relationships, you may be too forceful and aggressive.

The Pluto energy will tend to make you too possessive and demanding of a partner; and you may attempt to dominate by your sexual expression. As you mature more, you may discover an increasing interest in and awareness of social concerns; and this can be a fruitful channel through which to express your vitality and talents.

19) ► **Mars** ♂ **Contra-Parallel** ♀ **Lilith** - (0°55') ♃8 | ♎2

([635] astromatrix.org;) Unpacking your desires

Opportunities: 1. Deeper understanding of sexual energy 2. Transforming areas of disempowerment

Challenges: 1. Dealing with triggering experiences 2. Postively transforming rage
With this aspect in your birth chart, you will often feel the polarity between your inner wild and your primal nature. Lilith acts on her own accord and can sometimes feel like a puppet master in your subconscious. Mars is driven by impulse and marking its territory wherever it decides to conquer. Certainly, it's highly likely that you are often led by your desires - some of which you may not always be able to understand with your logical mind. The opposition works like a see-saw effect. In one instance you may be inclined to rebel against the status quo to make a statement. However, this may be received poorly in intimate relationships as you may have a difficult relationship with surrendering to the "other".

Ask yourself the question "Are there areas of your life you feel disempowered in?" The best way to integrate these energies in your chart, is to take a deeper dive into understanding your relationship with your own power. It's important you speak your truths, but perhaps they need to be timed more appropriately.

20) ► **Mars** ♂ **Contra-Parallel** ♀ **Vesta** - (1°20') ♃8 | ♎2

([613] 12andus.com;) You may feel conflicted about your personal ambition and your sense of spiritual calling.

You may be called to serve by putting your needs aside and acting courageously to help others, Military service or militant-style actions fuel your sense of calling and spiritual purpose.

Yet you may wish you could abandon your higher calling and just focus on your personal ambitions and desires. When you step back and find a way to balance your personal ambitions with your higher calling, you can succeed on your mission. By fulfilling your spiritual calling, you end up finding deeper personal fulfillment anyway.

By overcoming resentments and impulsive actions that distract you from your higher spiritual calling, you can come into alignment with your gifts and courage, finding ways to fulfill your mission and embracing the sacrifices that help you serve others.

21) ► **Jupiter** ♃ **Parallel** ♌ **Pluto** - (0°33') ♄3 | ♌1

([63] astromatrix.org;) The Alchemist

This is a favorable aspect, which should allow you the opportunity to unfold your natural talents relatively easily, applying them in a concentrated and determined approach towards achieving your ambitions.

You have the fortunate ability to evoke a response from your 'inner storehouse' of gifts, and create an open channel enabling you to manifest these in an objective context. Those who are close to you or who work daily with you may be inspired by this ability; and you are likely to display certain leadership qualities.

You will approach life with zest and vitality, pouring your energy wholeheartedly into satisfying your aims and your need for success. You seem to feel that your success is guaranteed; and whilst you may often feel impatient, or temporarily frustrated in your purpose, you have too much self-confidence and determination to believe that you could fail.

The opportunities are certainly there for you; and your inner gifts are there to be actively expressed and exploited by you to achieve success. You may find that you express and explore your talents in several potentially lucrative areas, as your gifts can be applicable in a variety of ways. This can mean that you are likely to change direction several times throughout your life, possibly in a radical style, or just to find new areas to experience.

You may not have a specific goal in mind - such as a senior managerial position in one company - but could become influenced by 'the inner storehouse' of innate talents to search for new directions in order to find suitable channels of release for as yet latent gifts; you may even find a problem arising out of the very multiplicity of choices available to you. Ideally, you should look for a way of life which actually offers you a variety of channels through which to express yourself, where there is a potential for a renewal of challenges and for a demand of personal growth.

Working closely with people is likely to attract you, and interpersonal relationships can be a constant sphere of creativity and growth; much can be shared and transmitted even in creating and maintaining positive human relations at work.

In an intimate relationship, you should ensure that equality is developed, building a balance, as you may have a tendency to play the role of dominating leader too often. Development of each partner is also important; and your partner's needs and abilities should be clearly recognized and valued, helping each other to actualize hidden potentials. Change in the relationship and in your partner should arise naturally and

easily; never attempt to force any process, as a natural evolution is safest, especially when in truth you cannot really understand the inner process and life experience / perception of another.

The best use of your abilities will be towards benefiting others in some way. Whilst Pluto is likely to 'co-operate' with you using this energy for personal success, if you tend to apply it in a way that exploits or abuses others through your becoming obsessed with self-satisfaction and desires, you may find that Pluto becomes more subversive and undermines your purposes, stimulating failure as a natural result of your own distorted form of expression, thus creating your own downfall as Pluto forces you to look at the need for transformation.

22) ► **Jupiter** ♃ **Contra-Parallel** ♋ **Vesta** - (1°07') ♄3 | ♀2

([614] 12andus.com:) Your deep inner desire to fulfill your spiritual destiny is at odds with your optimistic, enthusiastic side.

You may find travel and learning to have a restorative effect, feeling refueled and spiritually connected in this process. Yet in spite of this, your plans to expand your mind and see the world, may frequently be thwarted.

It may take extra time and energy, but taking the time to find your connection to your higher calling can also leave you more deeply fulfilled.

When you balance your desire to follow your spiritual calling and your desire to look on the bright side and enjoy the pleasures of living the "good life," you'll be able to fulfill your mission without draining yourself.

You won't see sacrifice as depleting, instead you'll know when to set your desires aside in order to serve others.

23) ► **Saturn** ♄ **Parallel** ♋ **Neptune** - (1°47') ♄1 | ♀12

([69] astromatrix.org:) The Musician

The effects of Saturn have a beneficial influence on the tendencies of Neptune, helping definition, stability and ease of expression; the potential is for practical idealism and an ability for positive application of the ideas and imagination emanating from Neptune. This is useful for creativity, as the inspiration of Neptune can be given adequate form and manifestation by the concrete tendencies of Saturn, and so the imagination is not left swirling in an inner world of dreams and fancies but is released onto the physical plane to be shared with others.

There is less of the delusive nature of Neptune present with this aspect, and there should be a greater perceptive clarity than usual, one that is especially sensitive to issues of deceit and glamour. You are less prone to make mistakes through such reflective blindness and tend to be self-protective mainly by a careful and wary

distancing that you maintain with strangers or new acquaintances. This is part of the Saturn contribution of caution and unease with anything that is unknown.

Trust needs to be progressively developed in you, whether in people, circumstances or situations; and you are usually reticent in making any firm commitments until you have thoroughly evaluated any set of choices. You tend to rely on a faith in facts, and impersonal judging of what seems to be the wisest choice to make; this can be beneficial in your life, privately and in a career.

It is probable that the Saturn energy will be the dominant one, with the Neptune energy occasionally repressed for practical reasons. If you allow Saturn to be too emphasized, then opportunities may be lost through excessive evaluation and lack of decisiveness; that fear of the unknown will also act as a restrictive and inhibiting factor. You are likely to erect a well-defined lifestyle and personality structure which allows relatively little space for the Neptunian influence to be expressed, as it is more anarchic and expansionary.

What can occur is a sense of confusion regarding your own personal limitations, where they begin to feel imprisoning and Neptune agitates to dissolve those barriers and to experience those repressed dreams that you are attempting to ignore. A careful balancing of both these planetary energies is essential, both for inner harmony and for external success. Otherwise, degrees of distortion and lack of perspective will increase, as the Neptune influence demonstrates its repressed presence through more negative characteristics.

For those exploring the spiritual dimension of life, this aspect offers several valuable assets, in that there is a questioning of dogma and assumptions, a tendency to deglamorize through a more earthy perspective, and a developing ability to rely on the inner guidance of intuition rather than on external 'authority sources'. This stage may have been reached as lessons learnt through earlier phases of gullibility and submission to teachers, possibly through religious or parental conditioning which you begin to cast away as inimical to your own development.

Discrimination is important in life, and especially so when contacting occult teachings, where the likelihood is that through a lack of real personal experience only genuine ignorance exists; and the tendency of most is to fill that void by passively accepting whatever teaching is making an impact on them. As you continue to develop, especially through standing alone and living through your own light, a greater maturity and perception will unfold. Insight and compassion founded on living experience will be gained, and if you practice meditation techniques then your own power and light is likely to shine brighter as your inner clarity emerges.

Effective concentration and meditation should be possible, and some signs of psychic abilities may also emerge from the Neptune energy being released. You may become a

channel for the transpersonal energies to enter these levels, and there will be a sense of social responsibility and of the context through which they can operate. Your intimate relationships are likely to be deep and enriching, partly as a result of your careful evaluation of suitable partners; and in those relationships where your heart becomes involved you will tend to be cautious before opening to a full commitment.

Relationships are important to you, and you place great emphasis on continually working at them to ensure that they are mutually beneficial and a source of evolutionary growth. You believe that 'right choice leads to right action'; and this is a key to your success and to your procedure of careful evaluation of options and decisions.

([71] astromatrix.org.) The Conservative

Any planets that are conjunct your Ascendant will influence your appearance and personality greatly. Saturn energy can dominate your personality being more serious and responsible. You may be quite reserved in expressing your emotions and identity. You may be quite shy, and you are over-concerned about how you are perceived by others and may fail to express yourself as you would like, for fear of being put down or looking foolish.

As you overcome your reluctance and hesitation, each success will increase your self-confidence, and your determination will eventually take you to the top of whatever mountain you choose to climb. It may be harder for you to make decisions, wavering back and forth and fear taking big risks. You need to learn to relax more around other people, and not be so hesitant to make decisions, you can easily miss opportunities because of this, learning to take more risks, not necessarily be too impulsive either.

Find a balance between security and spontaneity, fun and responsibility. Career and success will be more important for you, and you should have a good ability to work towards your goals and ambitions with perseverance and discipline.

([86] astromatrix.org;) Social Sympathy

Any planets that are conjunct your Ascendant will influence your appearance and personality greatly. Neptune is no exception and due to its boundless and dreamy nature your personality will be less solidified and perhaps fragmented, especially if you have other challenging aspects to Neptune. If Neptune is in your 12th house, you will be more secretive by nature and you may enjoy solitude in order to recharge your energies.

Occasionally, you may feel as though interaction with others can be draining and it's important to avoid too much negative energy in your environment. You will have an elusive and dream-like quality about you, and other people will never be quite sure whether you are showing them your true self or reflecting what you feel they want to see. This is hardly surprising since you are never quite sure yourself.

The influence of Neptune ranges from unrealistic dreaming and illusion to the highest spiritual awareness and self-surrender, the trick is to find some kind of balance between these two poles. You can act like a chameleon at times, by changing your personality and self-image to match your environment and people around you.

It is best to look at what you fear especially when it comes to your identity and ego energies. These fears may be holding you back from integrating a more whole and solid identity. Avoid escaping reality into your own dreamworld, it is easy for you to do this as your imagination is quite strong. You have a strong intuition and possible psychic talents.

You have more compassion and sympathy, especially for people who are oppressed. It can be good to work in a social area where you can help and assist people in need.

You have a warm personality and are known for your generosity. Others seek you out for advice and guidance and you steer them with love, compassion and sensitivity. When you need nurturing and compassion it shows not only in your appearance but also in your body language.

You may need to work through your emotions because you are so empathic and caring toward others.

Opportunities: 1. Learning from Other's Ideas 2. Creating Your Future

Challenges: 1. Accepting Your Past 2. Avoiding Being Overly Subjective

You will look deep within yourself for answers to the questions that come up in life. Your inner feelings will strongly influence your view of the world, and you will consider your own point of view to be the most important factor. But try not to get so wrapped up in your own way of seeing the world that you cannot imagine anyone else's point of view. Being too subjective is a serious danger with this aspect.

On the other hand, you will be able to communicate your ideas and feelings to others very easily, even while you are quite young. Your basic attitudes and opinions will take shape very early in life, and later it will be very difficult to change them. So, it is very important for you to be exposed to broad and sophisticated views of the world, because you will keep the ideas you learn now, even if they are narrow and intolerant.

You will think about your past a great deal, and you may spend too much time wondering if it could have been different. Do not worry about this, because you only have one past, and it is pointless to think about it, except to help you deal with the present. Because you are in touch with your feelings, you can react to a situation according to your real needs, but only if you concentrate on the present and future, not the past. It may be difficult, but you should examine your thinking and never take your feelings and ideas solely at face value. Probably your beliefs are based on what your parents and family taught you instead of on your own observations.

31) ► **Sun ☉ Sextile ♆ Neptune** - (1°10' S) ☿10 | ♆12

([227] astromatrix.org:) The Inspirer

Unlike the conjunction aspect, which poses the problem of dealing with both the positive and negative influences of Neptune on the individual life, the sextile is an easier aspect to live with.

The themes of creativity through art, music, crafts, writing, and drama are highlighted, as are the inner paths of mysticism and psychic sensitivity as ways of co-operating with the Neptunian impulse and moving towards the solar center. You are likely to be aware of your own creative potential, and inclined to allow this natural expression. One ability that you may possess is creating vivid mental images, which through the process of creative visualization can be used either in the building of your own future path, or by being offered for the stimulation and enjoyment of others through music, art and literature.

Manifesting these evocative images into a tangible form is a very important gift, and can be applied in a variety of ways, for self-aggrandizement, for the accumulation of wealth and power, or to benefit others. This issue of selfish versus selfless actions is one which may confront you, influencing your decisions and motivations. The art of visualization is a powerful merging of mind-will-imagination and is the source of creation.

Your sensitivity to others and world pain will be strong, connected to a reasonably well-developed awareness of social responsibility, whereby empathic feelings you believe that you should and could aid in the alleviation of human suffering. Yet this psychic absorption of pain can also make you turn away from actually doing anything about this social awareness, so you may register and acknowledge its existence yet attempt to deny your role in healing.

It is unlikely that you will be capable of dealing with the causes of suffering, but you may prefer to hold a soothing and healing balm to the symptoms of the pain. You hope that others who are stronger and perhaps less sensitive than yourself will deal with the negative causes in society. You may be of value by communication inspiration, perhaps through writing for publication or through the media. Linking your grasp of social responsibility with a good dramatic expression could bring aspects of society that need transforming to the attention of others; crusading journalism and TV documentaries are prime examples of such work. This is an asset that you could apply; and, if you choose to develop this, then your imagination and inspiration will be rekindled.

This need to maintain relationships with people, which also involves a broader social sphere than that of just friendship, is a route through which Neptune works, leading you towards your solar purpose. With most people, you experience a laissez-faire relationship, where tolerance and empathy dominate, and interpersonal pressures are not imposed. While your sensitivity is ever-present, you are not overly demanding or tied to impossible expectations of others, although you do prefer self-confident companions whose associations force you to firm up any tendency towards Neptunian nebulousness and indecision.

You have a humanitarian spirit, relating freely and easily to a wide range of human types, seeing value in all and not just in those who are 'successful' in terms of social evaluation. There is an element of a chameleon nature about you, a malleability enabling you to fit into a variety of situations and social scenes, an inner flexibility whereby your attitudes and expression mold themselves to any specific environment and take over from deeper personal preferences.

This is a Neptunian water quality in your personality, where you 'take the shape of any container'. It can be advantageous, yet equally can lead to losing your distinct identity due to repeated chameleon transformations. This may therefore need to be carefully monitored or guarded against if your personality begins to fragment and dissolve; although, if you are following a mystical path, your aim becomes dissolving into the 'ocean', where the droplet of the separate self loses all boundaries and disappears into the universal ocean of life.

With Uranus Inconjunct your Natal Ascendant may cause some friction and problems in your relationships with others. You are a very unique individual and have trouble expressing your opinions and viewpoints with others, which may cause people to think you are a little weird. You have a restless and erratic temperament.

Possibly your experiences as a child have left you feeling afraid to get too close or too dependent on others, leading to problems in your domestic or professional. You insist on going your own way and doing your own thing, but your demands for complete freedom from duty and responsibility will create inevitable conflicts in your relationships. You tend to be the devil's advocate in your conversations, trying to force your views onto others without respecting their particular beliefs or opinions.

You are highly individual and crave excitement and tend to hate routine, a normal job with strict schedules will probably not work for you at all unless you have some positive

aspects to Uranus especially to Saturn. Carving your own path is most important to you and the standard draws of money, wealth and career don't really interest you.

You have an abundance of creativity that should be explored as much as possible, and you need to work on your ability to compromise with others and not let your rebellious attitude effect your chances for personal success. Working with others may not exactly be good for you but it will open up opportunities where your talents and creativity can help you achieve your personal goals. With North Node inconjunct Saturn, this suggests you have learnt a good dose of Saturnine attitudes. While this can come out in a positive way, it is a potentially constricting aspect right from the start, due to the limiting and pessimistic nature of old, worrying Saturn.

You may have rigid habits or outlook, and your ambitions may be so far removed from what is the accepted norm by modern society that you could create a world of isolation, detached from life, ignoring social duties. This is potentially the hardest past-life life influence from which to escape.

The symmetrically opposite points using the borders between those signs as midpoints are the Antiscia-points. Contra-Antiscia when Pisces, Aries or Virgo, Libra borders are used as midpoint. Antiscia when Gemini, Cancer or Sagittarius, Capricorn is used.

([40] astromatrix.org;) The Sensualist

Opportunities: 1. Understanding Your Emotions 2. Not Sweating the Small Relationship Stuff

Challenges: 1. Overcoming Jealousies 2. Having Better Relations with Opposite Sex
Your relationship with your parents will determine your attitudes towards the opposite sex and marriage for better or worse. Normally, this gives a harmonious blending of active and passive energies and makes you sensitive and loving unless both planets are under severe stress.

Drive is generally expressed constructively. This aspect is an asset when it comes to relating to the public and is said to give luck in financial matters. This conjunction can vary dramatically from sign to sign and tends to give you valuable insights into your earliest dealing with the opposite sex - including dealings with your opposite-sex parent, siblings, and peers.

You have very strong emotions. Because of their intensity, you find it hard to treat relationships lightly; everything, even the smallest gesture, has importance to you. This is true in almost all relationships; it's especially true when it comes to sex and romance. If there are problems in your love life, it could be because you're being too pushy or coming on too strong. This aspect stimulates affections in a way that causes you to want an all-consuming, 'forever' type of relationship, but, funnily enough, it also gives flirtatious streak that continues even after you've entered into a satisfying relationship. I think that people with this aspect feel that it's especially important to remain desirable - not just to a mate or lover, but to the opposite sex in general.

As the conjunction is a uniting aspect, and Venus and Mars are the male and female principles, respectively, you might think, as I once did, that it's a portent of a lasting marriage. From my studies, I've learned that this isn't the case. While people with this aspect want a lasting relationship very badly, they suffer their fair share of squabbles and separations. There's a difference between this aspect and the square and opposition though, in that there seems to be greater reluctance to make the first break.

Jealousy - sometimes justified, sometimes not - on one side or another seems to be the primary cause of discord. If you have Venus and Mars in the same sign but not conjunct, the foregoing may apply to you. However, you'd be less pushy.

6) ► **Contra-antiscia-Ascendant ASC Conjunct ♃ Neptune** - (1°50')

([210] astromatrix.org;) Idealistic Artist

Neptune Opposition your Natal Ascendant gives you a very emotional and sensitive personality. You are inclined to seek relationships through which you can live out some ideal. Just what this ideal is, you may not be too clear about; you may be attracted to people who have some sort of problem that you may think you can fix, thereby allowing you to express your compassion and understanding by helping them. Unfortunately, you will eventually realize that this person has no intention of changing, leaving you feeling let down and confused.

Be wary of your ideals, you may seek to find these ideals within society and be attracted to Gurus or other spiritual schools and environments. This is not necessarily a problem, unless you put too much emphasis on giving your own power and identity to these people or causes.

Your identity and ego are not properly formed and so you may seek to define it from your relationships with others. Instead of trying to live out your dreams through someone else try to live them out yourself, if they are not impossible dreams, then you may find that you attract someone who can fulfil your needs, and still be themselves.

([144] astrotarot.net:) Expanding Horizons

Typical features that this opposition brings: this Sun – Jupiter aspects emphasizes the dangers suggested by the Sun-Jupiter square. That is because there is a conflict between the optimistic expansion and the development of the Self (Sun). It can lead to forms of immaturity and childish behavior. Or, it can lead you to compensate with obsessive behavior that sometimes leads to strictness or a lack of self-control. As Jupiter is usually associated with money, both the square and the opposition can indicate difficulties in finances. Sun opposition Jupiter puts the brakes on good humor. But, all this may be eased by positive aspects. This aspect makes you idealistic and this is the reason why you often support various dubious movements and clubs. You are often willing to make great sacrifices. Also, you are overly optimistic, like to travel and you do not like commitment. Sun opposite Jupiter brings out the extremes of Jupiter in the life and personality. There may be an internal struggle to control Jupiter's expansive nature. It can show as an inflated ego, over exuberance, and excesses in pleasure-seeking. Also, you can make promises, but have a problem with follow-through. Self-control can be a real problem for you. Usually quite knowledgeable and generous with your time, you have many talents that you may take for granted.

- Positive trades: Once integration is found, then the generosity, optimism, good cheer and prosperity become strong points. Also, popularity and even fame can result. The energy can often be best expressed through philosophy, religion and spirituality. You love travel, studies and involvement in social causes.

- Negative trades: Ups and downs in life are possible regarding wealth, happiness and relationships. During these growing pains, it may be difficult for you to remain happy and

content. You may feel unfulfilled and even unlucky.

([632] astromatrix.org;) Having a Mindful Persona

Opportunities: 1. Connecting with your higher self 2. Unleashing your true potentials

Challenges: 1. Accepting your shortcomings 2. Learning the art of accurate communication

The position of Mercury opposite Black Moon Lilith in your natal chart indicates a troublesome experience of comprehending the effects of your actions. Such behavior badly affects your personal and professional relationships. You feel hurt because of your feelings that people do not give you your due respect, and nobody listens and understands you.

Your mind and heart are in a contact pull because both go in opposite directions and create a well of intense emotions. You might feel incapable of aligning your desires and emotions and controlling your rage. It also hinders your ability to communicate without any fears. The opposition makes you feel misunderstood and controlled by others.

You prefer to be quiet and reserved than expressing your ideas because you feel it is hard to approve your ideas and suggestions from others. Silence or impulsive behavior is harmful in the long run because it unleashes frustrations and puts you in unwanted trouble. You also fail to use your analytical mind to avoid ambiguous conversations and twisted beliefs.

Difficulty in understanding others and expressing yourself comes with this aspect. However, the opposition of Mercury to Black Moon Lilith can work in your favor if you try not to hide your authentic self while communicating with others and accept you as a whole with all your good and bad points.

([566] 12andus.com;) Your nurturing style vacillates between deep devotion and confusion about your boundaries.

You're loving, sensitive and compassionate toward others. You feel deeply and emotionally connected to everyone around you. This can lead you to be overwhelmed by the feelings of others.

Yet as much as you are deeply intuitively connected to others, you sometimes suppress this connection. You can become overwhelmed and consumed by your relationships with others.

If you can keep your boundaries clear and strong, you can show the best of your strengths as a nurturer and caretaker. You can be a compassionate healer and facilitator for growth and rebirth for those you love.

You'll need to learn to recognize your potential for wishful thinking and escapism, seeing the world, for what it is rather than projecting your ideals on to others.

The Lots (Arabic Parts) (322th Harmonic)

There is not much information on these lots. Lots are points calculated almost always from the Ascendant and two Planets (or the Moon) or another one of the lots (then Schmidt's correction is used). The formulas used are based on Paulus Alexandrinus' and Robert Schmidt's work. Valens is another name that reoccurs with the information for these lots. (He might have slightly different formulas, but I think I took the best ones.) The texts are from 'astro.com' and 'astrology-x-files.com'.

Lots used for ranking eminence:

When these lots and their rulers occupy each other's places it indicates personal power and social mobility (eminence).

The **Lot of Fortune** is in 3° **Capricorn** 24' and in the **4th** house.
Part of Fortune was already interpreted in detail.

The **Lot of Spirit (Daimon)** is in 0° **Cancer** 14' and in the **10th** house.
"higher intellect" "guardian spirit/angel" The Lot of Spirit is a point which has strong psychological and spiritual overtones, unlike the very physical-plane based Lot of Fortune. The Lot of Spirit has to do with the nature of the will, what you intend (as

opposed to what merely happens to you), and also has much to do with career, but apparently more your career as a statement that you make about what you are in the world. It also has to do with illness, like the Lot of Fortune, but it would seem that with the Lot of Spirit we are talking about the spiritual bases of illness as opposed to the physical bases.

"Spirit happens to be lord of soul, temper, mindfulness, and every power; and sometimes it also cooperates in the determination concerning what one does." - Paulus Alexandrinus

The **Lot of Basis** is in 5° **Aries** 5' and in the **7th** house.
Calculated from Asc, Fortune and Spirit.

The **Lot of Exaltation** is in 8° **Scorpio** 45' and in the **2nd** house.
Valens says that it shows what the native is happy doing if it doesn't indicate eminence (by falling mediocre or amiss with little connection to spirit or fortune)

The Seven Hermetic Lots:

Adding Fortune and Spirit makes them 7.

These 5 are calculated with Schmidt's correction formulas.

The **Lot of Eros** is in 16° **Scorpio** 36' and in the **2nd** house.
"Eros signifies the appetites and the voluntative desires. It becomes a contributing cause of friendship and mutual favor." - Paulus Alexandrinus

The **Lot of Necessity** is in 21° **Taurus** 27' and in the **8th** house.
"Necessity signifies constraints, submissions, struggles, and wars, and makes enmities, hatreds, condemnations, all the other restrictive things befalling men as a result of their birth." - Paulus Alexandrinus

The **Lot of Courage** is in 12° **Aquarius** 32' and in the **5th** house.
Indicates fortitude (or lack thereof). It is based upon Fortune (the physical body) and Mars (actions). Where this lot is placed by house seems to show what we have to face and what we most fear. "Courage becomes a contributing cause of boldness, treachery, might, and every villainy." - Paulus Alexandrinus

The **Lot of Victory** is in 5° **Pisces** 19' and in the **6th** house.
"Victory becomes a contributing cause of trust, good expectation, contest, and every association; but sometimes it contributes to penalties and rewards." - Paulus Alexandrinus

The **Lot of Nemesis** is in 8° **Cancer** 13' and in the **10th** house.
This lot seems to indicate what is most likely to bring the native down. "Nemesis becomes a contributing cause of subterranean fates and of everything which is ice-cold, of demonstration, impotence, exile, destruction, grief, and quality of death." - Paulus

Alexandrinus

Nemesis in Cancer: insecurity or attachment, large crowds, getting lost

Nemesis in Tenth house (Capricorn): carelessness, neglect

Lots related to family:

The **Lot of the Father** is in 15° **Sagittarius** 1' and in the **3rd** house.

If the lord of the lot of the father is dignified and is pivotal (angular) the father is strong and fortunate and may be eminent. If in decline and debilitated, judge the opposite. -

Paulus Alexandrinus

The **Lot of the Mother** is in 15° **Sagittarius** 11' and in the **3rd** house.

Same as for father.

The **Lot of Siblings** is in 25° **Scorpio** 40' and in the **2nd** house.

The **Lot of Children** is in 7° **Leo** 59' and in the **11th** house.

The **Lot of Daughters** is in 13° **Gemini** 6' and in the **9th** house.

The **Lot of Sons** is in 21° **Gemini** 13' and in the **9th** house.

The **Lot of Marriage for Woman** is in 26° **Scorpio** 42' and in the **2nd** house.

The **Lot of Marriage for Men** is in 7° **Leo** 2' and in the **11th** house.

The **Lot of Deceit in Marriage by Woman** is in 17° **Aries** 44' and in the **7th** house.

The **Lot of Deceit in Marriage by Men** is in 20° **Libra** 8' and in the **1st** house.

The **Lot of Marriage (in general)** is in 13° **Gemini** 6' and in the **9th** house.

Lots related to society:

(Hellenistic)

The **Lot of Debt** is in 18° **Scorpio** 35' and in the **2nd** house.

Indicates what could be a source of financial losses or debt.

The **Lot of Theft** is in 0° **Cancer** 53' and in the **10th** house.

The **Lot of Treachery** is in 19° **Cancer** 20' and in the **10th** house.

Betrayal of trust

The **Lot of Accusation or Exile** is in 6° **Taurus** 14' and in the **8th** house.
Lot of Being in a Foreign Land (exile), Lot of Accusation, also Lot of Police: indicate areas of life where someone may be accused of something, either falsely or truthfully.

The **Lot of the Destroyer** is in 15° **Pisces** 59' and in the **6th** house.
We have little systematic information of its use except that it seems to relate to the manner of death. I would urge astrologers not to be careless in the use of this lot.

Pholus | Sudden Life-Changing Events

Pholus helps us achieve our soul contract and mission, the symbol of turning points (of no return), the catalyst, a small cause yielding a large effect, explosive results, transformation without premeditation, euphoria, self-destruction, awakening, curing addiction, release, searching, intensity, discovery.

Here, painful realizations of boundaries and responsibilities come as you grow. Pholus is where one absentmindedly, even blindly, goes about one's business until he sees the mortal light and crashes, grounded by confrontation of karma and responsibility.

Pholus in Pisces (Rx)

(canvasofthecosmos.tumblr.com;) Pholus in 12th House/Pisces: Has sudden and reverberating realizations with divine energy, often exposed to, even tested, several religions- as many as you can get your hands on, at least- to find a true belief system that shakes you to your core. You often find that things just don't quite click, shaping your beliefs around the one you just feel is right. It is common for this placement to jump from one end of the spectrum to the next over your life, converting from one faith or even obsession to one that seems the polar opposite. You find the similarities and form an at least digestible belief system if not the ideal one. Alone time is rejuvenating, as one way or another you never seem to have you truly to yourself. It can also be scary, as you realize perhaps too much at times. Don't be afraid of solitude or meditation, as you may find something worth devoting yourself to, as after death comes rebirth.

Pholus in 6th house

(12andus.com;) You may be going about your business, involved in day to day tasks when you accidentally stumble into a rabbit hole that leads to major awakening.

An unintended accident, one small detail in your work, a seemingly mundane action will unleash consequences you weren't initially expecting.

This can mean that you end up entangled in a conflict that escalates dramatically. You may become toxically obsessed with mundane details, work or tedious matters. You may want to find security, health and stability but your desires will lead you to getting embroiled in tedious and unproductive tasks.

You can find great success through mundane work and doing things with your hands. Your efforts to fix or make things and your service to others can lead you to make dramatic life changes.

You may accidentally stumble into a situation that leads to success in your work or good health. You can use your attention to detail to work your way out of a messy situation.

When this happens, you may come to expect that your partner will naturally fall in love

Hygiea in Taurus

Eris | Soul Warrior

Exhibiting the power of action and choice, when fierce is warranted, right rage, creating a better world. Whistleblower, poetic justice. [1] self-validation

Eris in Gemini (Rx)

(synnisisigns.com:) In the third house of communications, Eris gives you a strong voice that sounds discordant against the sounds of the collective. You have the intellect to discern what is off balance and not in the interests of the society. You must beware of forcing your opinions on others, but it your job to tell society at large your perceptions.

Eris in 9th house

(synnisisigns.com:) With Eris in the ninth house of law and education, you may experience education and travel opportunities that are divergent from the norm. You may find the traditional educational process difficult to complete because of your urges to pursue your own line of study. Travel takes you to places where you glimpse the economic inequities of life. Even if you go to a sunny Caribbean beach for vacation you might find yourself getting lost in the slums.

Karma | Attention Point (per Past Lives)

Karma is your talent and the place where you can grow the most, or get handsomely rewarded. Why are you here? What do you need to finish? The sign tells you what and house tells you for what. Karma can indicate a negative balance OR positive balance through square Mars, Saturn or Pluto OR trine Jupiter, Venus or Sun. Feeling like

suffering is fated when aspecting challenging areas of the chart. Negative Karmic events are like accidents, heart breaks, exposure to outbursts that seem unfair and losses. Positive Karmic events are sudden strokes of good fortune, chance meetings with a true love and so on.

[1] aspect of your character against which, when people interact with it, significantly alters the circumstances you share

Karma in Cancer

(whatsmyalternative.com:) Destined for balance in emotions, financial security and basic survival. The native may not have attained any financial security nor had a decent home life in the past. Karmic debts to the native are in getting money, home, emotional nurturing from the mother figure. Had he abused these, then he may have to pay others financial dues, nurture others and give emotional empathy to others because he did not do so in the past.

Treating your mother well can be part of the destiny. This native in the highest level can pay his dues by initiating child welfare, creche, reforms in maternal care, soup kitchens or be a philanthropist who gives away interest free loans.

Karma in 10th house

(whatsmyalternative.com:) (I can not find interpretation for the 10th house.) Karma in Capricorn (or 10th House): A difficult placement. Retrograde and negatively aspected this placement might indicate a corporate white collar criminal or big billionaire conspirator against the masses in a past lifeline. Greedy ambition and status consciousness that sacrifices ethics and truth leads to humbling balances in this life. The native must practice generosity, inner and outer. He must treat all people with respect and must not be condescending to others. No misdeeds like ratting on fellow employees for promotions, for instant karmic punishment will follow. One must be wary of taxation problems and legal problems.

The native must balance career and affection to family, and not let career be the only objective in life. Once positive loops are set and old karmic debts erased, this placement can bring large financial rewards. This will then become the new test. Is social service funded with the rewards? Is egotistical reputation concern mellowed? Is status still given importance or character of people? Is ambition under control or do the past bad habits of power trips raise their ugly head again? These natives can become nation builders or global corporate/financial/legal reformers in the highest positive level.

Pandora | Foolish choices & Toxic curiosity

Where one needs to see things as they really are.

[1] where one must provide masculine prowess or be considered a failure

Pandora in Scorpio

(astronomicallyaligned.tumblr.com:) Crimson and scarlet, roses and blood. Pain and beauty, grotesque and delicate. A magnetic pull is dragging you into releasing the content of this box. Thorns and silk, metal and cotton. Once out of the hidden, this paradox of insanity will consume the world. No hope or joy. Only obsession and frustration. But if kept alone, in peace, it will give you a strong drive in life. A meaning and goal. Pure passion and lust for experiences.

Nessus

(vamzzz.com:) Considering its complex and rather extreme nature, it is no wonder we see a large diversity in the collection of attributed characteristics; lessons in setting boundaries, seeing (one's own) limits, accepting limits; identification of hidden abuse patterns; complex cause and effect relationships, breakpoints in karmic cycles; revealing the truth, resolving a situation; taking responsibility for a confrontation, the perpetrator caught; desire; possessiveness, jealousy, being vindictive, manipulative or resorting to black magic for sexual or financial needs. Finally, several researchers associate Nessus with blood, diseases passed on by blood, or blood rituals, and superhuman strength or powers.

Philip Sedgwick characterized Nessus in astrology as "The ultimate Centaur bad boy", bearing the wounds of "greed, decadence, intimacy and sexuality". As positive Nessus properties he mentions: generosity, benevolence, compassion, willing to lend a helping hand, cooperation, respect for boundaries, aware of the power of life energy, healthy use of sexual energy. Concerning the latter: Taoist health trainer and teacher Mantak Chia has Nessus conjunct Sun opposition Hygeia!

My experience with Nessus transiting in hard aspect to the Sun is that this Centaur evokes an inner transformative crisis that demands clarity and decisive action based on "cut the crap". In the personal horoscope Nessus can be a player with violent impact. Forcing entry seems to be the core quality of this Centaur.

In harmonious aspects, this gaining access goes pretty easy, while in hard aspects, where access is denied, it has to be forced open and in extreme cases violence is used. Thus, in line with these characteristics, Nessus also has to do with breakthrough, breakout, escape, rescue and hacking.

Computer hacking is a Nessus-thing *pur sang*, especially when combined with Mercury, Uranus, Vesta or Makemake. Also espionage, spies, officers, burglars, rapists, rape in general – mentally or emotionally -, black magic, executioners, cracking a closed system (be it a nut or oyster or bank vault, or mind frame), assassins and police raid teams reside under Nessus.

Nessus in Leo (Rx)

(smartyoungsters.com:) This is the self-obsessed Nessus that wants to be on the center stage at all times. A politician that can kill, murder or do almost anything to win the coveted chair. An actor who wants to have the spotlight always on him and who go to any length to get it. This is a self-centered Nessus who wants to be worshiped at all costs. He manipulates followers can even buy them to promote his superiority. An actor who commands attention, has a powerful personality. Known for his ego and pride, this Nessus is insanely generous to his followers and yes-men. When this Nessus is positively influenced by Saturn and Chiron, he can be the hero of dreams. He can be a

great King for his subjects. Win Oscars, take his country to the top most position in the world as the leader. In love, this Nessus wants to be treated as royalty and will not tolerate a partner who does anything less than that. May always want partner to behave "up to the mark" and have high expectations from him/her.

Nessus in 11th house

(smartyoungsters.com:) This is the Nessus who is always "active", he can't live without having a cause to fight for. He will be the initiator of an innovative NGO and will start movements against those in authority. He is a social media freak who starts movements by making use of the latest gadgets. In fact, some of them might be his own inventions in public interest. This Nessus has an OCD for innovation, activism, groupism, breaking laws and traditions. He uses his social skills and friends for manipulation. Preys on the weakness of the authorities, traditions, laws and old technology. When expressed positively, he can be a leader whom the world will thank for centuries to come. He will be the scientist that will come up with a breakthrough for deadly diseases, energy shortage and climate change. A friend who stand by a weak friend and start a successful campaign for him to give him his rights. In love, this is the most erratic and eccentric Nessus who is like a gypsy with a OCD with "hippism". He would expect his partner to have similar traits or he will disappear in thin air after turning on his abusive best that is.

Echeclus

Cosmic picture vs. detail orientation. Abstract logic vs. linear logic.

Positive: Balanced perspective of overviews combined with essential detail.

Negative: Picky, judgmental, cantankerously weird, ungrounded.

Mark Andrew Holmes: turning point, stymied, conflict, beleaguered, endings, in a rut, bottled up, frustrated, at war with the world, taking on a lot, tilting at windmills, ability to handle frustration.

Asbolus

Root chakra (or reptilian brain) awareness. Sombre, pessimistic, with a lot of depth (but tangled in a vortex-like manner of information processing). If dominant: usually having a lot of trouble receiving advice or compliments from others. Easily goes over the top, exaggerates protectionism, and isolates itself unnecessarily.

(vamzzz.com:) It represents the domain of Yin. Ontologically and sociologically it relates to the root of individualism, technology and in the worst case murders. Theologically it relates to the figure of Satan.

Six different ways Asbolus can work in a horoscope:

- One could distinguish six different types or subtypes of Asbolian influence. The first type detects the inhumane, the perversion or violation of human rights and the ethical. (Julian Assange, Jannis Varoufakis, Edward Snowden, Sahra Wagenknecht, Karl Marx et al.)
- The second type of Asbolus is not a strong influence, but acts more some kind of dull black spot in the chart.
- The third type corresponds with the seer and empowers clairvoyant faculties (James Van Praagh and Anton Pauwe).
- The fourth type shows Asbolus as a pit of horrors, darkness, psychopath inhuman features and atrocities (radix-horoscope USA, Madeleine Albright, Joris Demmink, Adolph Hitler, Barack Obama, Zbigniew Brezezinski, G.W. Bush, Hillary Clinton, Joseph Stalin et al.).
- In the fifth case Asbolus is a dark artistic inspirator in a creative horoscope, making an impact on the public by mingling the aesthetic with some distortive, taboo breaking, or intense Plutonian atmosphere (Ilona Staller, H.R. Giger, Georges Bataille).
- The sixth Asbolus is a crossbreed of two or more samples of the above. For example, one could be a loving person, socially very aware of ethical values, but also a master in writing short horror stories. When in league with evil, the outcome is never Asbolus responsibility alone, but a joint venture with the totality of the chart

Ixion

Very masculine energy, ingratitude, murder, passion for supplanting the prevailing system, haunting, loneliness, disorientation.

(synnisisigns.com:) It needs great loves and it's phantasmagoria will push him beyond the curtain of reality when circumstances are below his taste. In career, it must destroy existing concerns, clans, lobbies, lodges, clubs, factions, cabals, plots, allegiances, fraternities, cults, newsgroups, web-sites, teams, alliances, trusts, blocks, interest groups; and from the resulting chaos choose and pick his own few good men to form it's own enterprise, not without bitter struggle and a sword hanging over it's own head.

Religious fanatics are born along this line, those well meaning fellows that send humanities to death, schizoid nationalists, new hitlers, media magnates, islamic terrorists, highlanders, beings of war and chaos. In positive aspects (conjunct casanova and Uranus) it can prolong love making up to several (three) days, an unending erection.

Relationships can really break you and you may purposely try to stay away from them. You may have not been treated equally at some point. Sometimes you feel like nothing is fair.

Melete in 1st house

(hillarysss.tumblr.com:) Melete in 1st house: Thinking about your physical appearance & yourself makes you extremely anxious. You can be extremely anxious when it comes to how other people perceive you. Always thinking oh how was my first impression on them? May be a sign of body dysmorphia. Orcus | The Feminine Complementary of Pluto

(vamzzz.com:) Self-integrity issues: to what extent do we really live our lives the way we dreamed it?

(arwenmclaughlin.com:) True unconditional love energy that knows itself to be unconditional energy, and therefore has strict boundaries. It does not allow anything into its life that is not authentic, or that would compromise its integrity. Thus it is not interested in the past, or anything that came before, it is only interested in, what comes next in love? What can we create now? What can we now build in its most glorious form that serves the self as well as others? How can we create a structure that works for everyone in its highest and best form? Humanitarian, new frequencies of energy, new and higher forms of energy, the vibration of the alchemist, creator love energy, miracles and overwhelming acts of kindness, "the Change", "the New energy", healing with energy, light, and sacred geometry.

Panacea

(astrologyclub.org:) Panacea is “the cure”—but it’s not as simple as that. It’s “what you

believe it takes to make things better.” Thus, what do you or others have to do in order to bring about an improvement. With Panacea in hard aspect to the Ascendant, a person would have to “be” different to bring about an improvement; they’d have to alter their routine and initial response. A retrograde Panacea might not really believe lots of things can be fixed.

Persephone

Where we are scared to take charge;

(YT: Tom Jacobs:) A theme of looking immature from the outside but being capable of maturing it through the inside. Have to make a change: a leap into a thing with boldness that might seem like a stretch or too much for us because we've never done it before. So some persephone people are timid, because they've had been put words into their mouth and have been told they can't take care of themselves. Sometimes they'll reject that, and they are quite confident because they had to at some point grow up overnight. Whether that was pleasant or unpleasant, whether that was a choice they drove or it was driven by other circumstances and other people.

So there is a sense of a Youthfull spirit and maybe some naivite but the appearance of naivite surely.

Proserpina

(houseofinferno.com:) [...] but many of these deities have the same story with different names. Proserpina's name means "to emerge". (ref Persephone!)

She represented the irrepressible feminine spirit who would not be controlled or restricted. Some astrologers look to the asteroids Proserpina / Persephone in a person's natal chart to see where we give our power away, or have it taken from us, so we can use this information to not be so passive and assert ourselves properly so that we are not so easily controlled. What we could take from Proserpina's story is to honour the cycles and changing seasons within ourselves. Sometimes we are cast into the Underworld when something bad happens, and we should never spiritually bypass these situations.

We have to feel our pain and darkness to move through it. But when we are ready, we can emerge to cultivate something better for ourselves and let go of the things that don't serve us.

We should also be mindful of how we assert ourselves. We need to show ourselves love and respect by building healthy boundaries. We need to stand up for ourselves when we are being unfairly treated, and we also need to be mindful of how we do this to others. But we should also take care to know the difference between assertiveness and aggressiveness and make sure we achieve a healthy balance so we don't take away or restrict another's free will or cause unnecessary harm to others in the process.

(jessicaadams.com:) Proserpina shows where you are taken over, taken, then take back.

Sisyphus

(leahwhitehorse.com:.) Repeated mistakes, stuck in pattern through fear of change.

To be admired for his outright refusal to accept death and for his ability to repeat a task that is doomed to fail for all time. In him we see the try, try and try again attitude.

Perhaps the positive side of this asteroid is the ability to keep going, even when we can't yet see the point. Essentially, he perhaps shows where we can find meaning in what we do on a daily basis, not just in our achievements or the winning of battles.

Fixed Stars

Only conjunctions here. Now will, anything inside the orbs of the fixed stars behind the (moving) planets and other objects from the chart, be shown. I've taken the orbs of the star conjunctions from the following two websites: 'astrologyking.com' and 'fixedstarsastrology.wordpress.com'.

If the orb from the first website was biggest, I have left it like that. If the orb from the second website was the biggest I have changed it to the average of the two.

I also gave all the four Archangel stars (Aldebaran, Regulus, Antares and Fomalhaut) plus Sirius and Spica a bigger orb of 200 minutes (3°20'). Caput Algol, as a evil influence, I gave 3°.

A lot of these stars (297 in this script, plus the Galactic Center and the Great Attractor) are far away from the 12 Zodiac-constellations, so saying that the Zodiac has a certain height is not really usefull because it stretches all the way around Earth, in height (as well as in width via the Signs.

(NOTE from 'fixedstarsastrology.com':) — Do not let any of the negative descriptions for any stars that follow which may apply to you frighten you. If you live a good, clean life, good will be in store for you Rather than the darkness that may otherwise apply to you. Live your life with good conduct. ALSO — you can check your astrological chart's planets conjunctions with the stars you were born under to understand yourself better. Stars are rated based on my judgement (John Hebert) with (+) being good and (-) being not good, and the more of each one, the more positive and negative the star's influence.

(*) I personally would estimate the Ascendant and Midheaven to be **not accurate**, because they are lines and not points, thus they adhere to different rules. I don't know how they get exact declination and right ascension for it. For example a star could be on your horizon (a line) when you look at it through the Stellarium computer program. But the point mentioned here (where it touches the center of the zodiac, I guess) only matters when you were born or had your saturn return on the equator, I think. Because then the line would be straight.

DUBHE (24° Cancer 57') is **(1°45')** of (2°20') close to the **Sun** (26° Cancer 42').

[1] (- - -) august 9-12 Venus-/Mercury-/Martian - arrogance, psychic powers, destruction, self-confidence, boldness, dramatic /choleric, introverted, romantic/individualist, possible histrionic

[5] Dubhe releases wise but arrogant and psychic energy which beams directly at the collective unconscious.

Public and peaceful demonstrations that seek to give concrete form to much-needed creative changes in society are favoured, so should you hear the call of the collective, then put on your best threads and wear your heart on your sleeve... it's Showtime.

[4] Dubhe is like Mars (violent death, ultimate ruin by folly or pride. If rising, wealth, power, courage, generosity, ingenuity, rise to authority, martial success, subject to cuts, wounds, accidents, sores and injuries to the face, pains in the head and fevers. If culminating, martial eminence, success in trade and in occupations of a Mars nature. If afflicting Mercury, deafness.)

[4] Symbolically called the Full Price, it gives good fortune, high ambition, beneficence, honor, riches, and permanent happiness.

Sharpness of mind and intellect, and there is often a very powerful psychic quality there also – or psychotic if the planets and aspects are of a harsh enough nature. For good or ill it will go to the extremes of what a human mind can achieve.

[4] Zosma is of the nature of Saturn and Venus (slovenly, very immoral, shameless, revolting, mean, sorrows in love. If rising, good-tempered, healthy, gain by industry and marriage. If culminating, improved health, fame by help of superiors). It causes benefit by disgrace, selfishness, egotism, immorality, meanness, melancholy, unhappiness of mind and fear of poison, and gives an unreasonable, shameless and egotistical nature.

Its reputation is that of giving an alert mind, but also inclination to melancholic moods.

[6] Zosma star rules the left side of the body to the back of the lungs in the human body.

[1] (n/a) september 2-5 Saturn-/Venusian - devoted, melancholy, introverted, can be dependent on others for strength, devoted/melancholy, introverted, may be to dependent on others for support

[5] Fixed star Coxa ("Anointed One"). This strong and defiant star releases mysterious and elusive energy onto the collective and its need for answers.

In ancient Sumeria this star was the god Kua ("the Oracle") and whilst it bestows an ability to prophesy and shines brightly on all charismatic leaders, it is also destructive energy, disrupting the status quo. Only those who are open to the vibrations of the universe and seek to create order out of chaos will stand a fighting chance.

[4] Coxa is of the nature of Saturn and Venus (slovenly, very immoral, shameless, revolting, mean, sorrows in love. If rising, good-tempered, healthy, gain by industry and marriage. If culminating, improved health, fame by help of superiors.)

MENKIB (14° Taurus 43') is (**0°30'**) of (1°00') close to **Mars** (14° Taurus 13').

[1] (+) may 24-29 - love of knowledge and science, much travel and many changes, a position of authority, sanguine, mercurial, extraverted or introverted, can be borderline personality disorder or manic depression

PRIMA HYADUM (15° Taurus 33') is (**1°20'**) of (1°45') close to **Mars** (14° Taurus 13').

[1] (- - - -) may 25-29 Saturn-/Mercurial - Scandal, violence, disgrace, imprisonment, bad death, misfortune, murdered or murderer, evil disposition, homosexuality, disturbed mind, muddled thinking, fails in study, may exploit others for power, very high sexual urge, dissolute life, welcome fights which break peace and provides fear, takes no pleasure in tranquility, yearns for mobs, crowds, and civil disorder, sedition and uproar delight them, tears, sudden events, fierceness, strive for prestige to power, grants energy, ambition, desire for prestige, writing ability, success working with the public, warns against greed and exploitation of others, sanguine, mercurial, extraverted or introverted, can be borderline personality disorder or manic depression

[3] The Hyades fixed star group has a similar energy to Saturn and Mercury. Bringing out the prolific liar and scandalous thief. Violence aggression and weapons of destruction

are indicated in a chart with Hyades prominent.

The stormy cluster of fixed stars known as Hyades (aka "the weepers" or "to rain"). Highly provocative, creates a volatile, dark and libidinous vibration... hungry for release.

Satisfaction and success are guaranteed if this stalking, obsessive and compulsive force is harnessed, however, if left unbridled to run amok then expect the unexpected... for there will be tears. This is turbulent and manipulative energy best kept in liquid motion... So look to the element of water, falling or flowing, to soothe even the most savage and permissive psyche.

Midheaven Hyades position brings disgrace and ruin, often leading to a violent death. It also augers insight, ambition and eccentric behaviour. Beware of the mask these people wear. Sun in Hyades has a similar energy to the midheaven, although there seems to be sexual perverseness about this position.

The moon in Hyades stirs the emotions like no other. These aspects are prone to depression, anxiety and schizophrenia. Often this is a challenging aspect leading to knowing the self but not really wanting to change themselves for the better.

[3] This is chaotic and perverse energy that seeks random release, resisting order, and fair judgment. Focus on remaining calm, during this turbulent time and if possible defer all important decisions until the dust has settled. Waiting to make big decisions sometimes turns out for the better in the long run.

If this energy is managed correctly and focused on an end goal. It becomes a catalyst for change. Usually for the better. It marks a change of heart and a change of mind. Allowing new concepts and circumstances to arise. The universe opens up and shows its hand. A time for patience as you wait for the right energies to carry a project to fruition. [3] The restless and flighty star Markab seeks release in a "peak experience". Markab shares its energy with Mercury and Mars, having similar traits. The element of fire plays a role as the defining energy. Rage and loss of emotional control and intelligence. Selfish energy arises to the surface after being amplified recently. you are in the world.

Just maybe you've been seeing things in a selfish light without knowing. This enlightenment, of course, is of great spiritual importance. Personal development is on the agenda. There is positive and strong energy to succeed. Finding personal happiness and spiritual wisdom.

It is the final and satisfying moment of the completion of a cycle... a karmic moment in time where the seed of the new cycle is already hidden and waiting.

SCHEAT (9° Pisces 7') is **(0°14')** of (2°00') close to **Anti-Vertex point** (8° Pisces 53').
