Sun ☉ in IV 4th House

([862] i.thehoroscope.co)

This placement of the Sun makes people establish their own identity based on emotions and on the way in which their family members perceive them.

People born with the Sun in the fourth house in their birth chart are very attached to their home and dream of a beautiful domestic life that can make them feel secure. Everything they're doing is aimed at bringing happiness to their family and keeping their home in order.

The presence of the Sun here indicates natives with this placement are highly interested in respecting traditions with which they identify themselves. Proud of the places they're coming from and their upbringing, the way they evolve and make things happen later in life would be pretty much connected with their memories.

Summary:

Strengths: Loyal, dependable and happy;

Challenges: Worrisome and insecure;

Advice: They should not let anything make them lose their self-respect.

Slow but efficient

Natives having the Sun in the 4th house plan their life ahead and are great at developing strategies for themselves. They become better with age because their true self comes to display as they get older.

It's important for them to have their emotional needs and attachments resolved before starting to pay attention to other things in their life.

As soon as these aspects have been established, they can start focusing on their career and expect their life to improve.

The Sun always needs to shine, regardless of its position. These people will spend a lot of money on a comfortable environment and love to have people over or to gather in the living room with their family.

Throwing parties in order to show off their new furniture and fireplace is one of their favorite things to do.

If they have an outgoing father and the aspects in their birth chart are positive, they will find it easy to attract prosperity, but they'd never cease to worry that things in their life may take the wrong turn.

They may have slow starts, but as soon as getting a grasp of what they're supposed to do, they begin to be very efficient and manage to get things done fast.

The most important thing in the world for them is their family, being strongly attached to their parents, no matter if these may have been in any way hurtful or disappointing.

Sun in 4th house people establish their own identity based on emotions and the way their family members perceive them. That's why they may be obsessed with how much love they receive from the people who are the closest to them.

They will all the time worry that their life partner and children will leave them or that they may lose the comfortable lifestyle they're so used to. These things usually limit them, but the more evolved of them can overcome such problems.

Their development is strongly anchored in their roots, which are nothing else than their heritage, ancestral ways, the traditions they're aware of, their upbringing and the collective efforts they were involved in as both adults and children.

These things make them feel like they're belonging and have the necessary security. Their path to illumination depends a lot on how they've integrated their roots in their way of life.

The positives

Individuals with this placement struggle to have a family and a great home. The main purpose of their Sun is to resolve problems hidden in their psychic and that have their roots in these natives' childhood.

They're the most confident and happy when taking care of their home in the best way they can. A rich family life and having someone to nurture makes them thrive.

Everything about history, personal and family lives, emotions and interesting experiences makes them curious. They're rather the poetic type who loves staying inside and watching a romantic movie.

As said before, Sun in 4th house natives put family on the first place, wanting to meet someone special and to have children because this is what motivates them, together with the need to put down roots.

However, their dreams may come true later in life, when they'll use all of the energy accumulated in the period before. A good home and a beautiful family plus respecting many of the traditions they're aware of makes them feel secure.

And security is very important to them because only when feeling safe they can express their emotions and function at their best.

When not feeling like they're having it, they just go home and try to gather their forces. The position of the Sun in the 4th house reveals the fact that without security, they couldn't evolve in any way.

No matter the situation, they will always be ready to sacrifice everything for their family. The same position of the Sun also suggests they're the introverted type who needs protection.

It can be impossible for them to deal with the harshness of the outside world on their own. While they need to nurture, being taken care of themselves is very important for the way they develop and accumulate the necessary courage to deal with the world or express themselves.

That's why they'll always search for a partner who makes them feel safe and loved. Their emotions will carry the imprints of their childhood and change from there.

While for people with other placement of the Sun family is still important, for those with this planet in the 4th house is the absolute. They give it a lot of importance as children too, comparing everything they see outside with how things happen at home.

They have either found similarities and thought of them as victories, or concluded some things contradict the ways they know about from their family and been traumatized.

Everything reminding them of their parents and childhood makes them happy and sentimental. If they had bad experiences at home, it may be a little bit more difficult for them to understand life and accept certain things that are very different from what they're used to.

The negatives

The first part of Sun in 4th house natives' life may be a struggle because they won't admit that the things they dream of are not so easy to obtain.

The 4th house is also about decline in a certain period of life, so things for people having their Sun here may start to look good after their thirties.

When it comes to their profession, they'd do a great job in real estate or organizations that deal with the environment.

As said many times before, family is very important to them, but their heritage may become a problem if they don't separate their own identity from it.

Even their ancestral patterns may reject their ways if they wouldn't express their individuality and separate their life from the ones of their parents or grandparents.

This doesn't mean they should lose the respect for what helped become who they are, however. While looking everywhere to identify people and situations that have something to do with their background, they can forget everything they need is actually inside them.

Having a comfortable home where they're feeling safe and secure can be very beneficial for them, but things from their past should still be present in their life.

Family gives them purpose, so changes with their loved ones and the relationships at home can influence them in a great way.

For example, they will forever complain after their children will decide to build their own lives. Wanting security and to be emotionally supported, they're still never happy with what they're already having.

Possessive and clingy, these people need to be told everyone loves them as they can't be independent and worry too much their family isn't seriously attached to them.

It's like they don't trust others, which can bother their partner and even their children. When the Sun in the 4th house is somehow afflicted, they may be too proud about their heritage and have many arguments with their own parents, especially the father because the Sun represents the paternal side.

It's also possible they're too domineering at home, but the fact that they're nurturing can't be changed or influenced by any position of planets.

Sun ☉ - Detriment in Aquarius

Moon ☾ in II 2nd House

([873] i.thehoroscope.co)

People with the Moon in the 2nd House are straightforward and creative, being able to express their emotions artistically and always knowing on what to spend their money on.

When the emotional and fragile Moon is in the 2nd House, the natives of this placement can't feel emotionally secure until they're certain that their financial future is stable.

People with the Moon in the second House can spend a lot of their money on making gifts to those they love the most. It can be normal for them to put other people's needs above their own, which is not necessarily the healthiest thing to do.

Summary:

Strengths: Generous, objective and resourceful;

Challenges: Detachment and stubbornness;

Advice: Be careful about hiding emotions in plain sight.

They are pretty straightforward

Individuals having Moon in 2nd House are very materialistic and need financial security more than anything. Their emotional happiness is strongly related to how stable their future seems. The more they're surrounded by high-quality possessions and comfort, the more secure and happy they get to feel.

When the Moon is in difficult aspects, they may feel less confident as children, constantly thinking they don't have enough toys or possessions to be happy.

The ladies having Moon in second House may be very preoccupied with how much money they are making, being also possible for them to take care of all the inheritances in their family.

It's very possible they'll own antique shops or deal with valuable things. Real Estate is also something they're very good at, because these natives know at how much to value a property and when to buy it. Seeing they manage finances so well, many will think they're in fact doing something illegal or immoral.

The ones who are more evolved will nourish their love for beauty and art by getting their hands-on expensive things and sell them at better prices.

People having Moon in 2nd House are reserved and deep. They would do a great job putting all of their thoughts and impressions into art pieces and being really appreciated as people of culture. They are eloquent and smart, but they simply don't want to express themselves because they're focusing on something else.

Preferring to talk without subtext and always meaning what they're saying, Moon in 2nd House individuals never mean to hurt anyone, but they do because honesty often bothers people.

When sexually frustrated, they may be cold and very mean with their partner. Spending all of their money on a comfortable home and on making their family feel good, they will also pay a lot in one shopping spree, especially when feeling insecure and lonely.

But you can be sure they'll have enough put aside for dark days. Don't think that if they're so good with money, they won't accept to live on other people's shoulders and be freeloaders. because Moon in 2nd House people can be masters at this.

But there are also many of them who happen to be the ones who support their loved ones financially, being for many years the rock on which others count whenever needing financial support.

Because the Moon is involved here, it makes them good at care taking, cooking and even nursing. So not all of them will be business people; some will make a living by being nurses, teachers or chefs.

But no matter what they do for a living, expect them to be emotional when it comes to money and to have a very emotional point about it in the Moon's position in their chart.

The same placement is what determines their emotional needs and how they feel the most secure when it comes to not getting hurt. It's possible they will never know how much they're actually worth and be very possessive with their other half.

Their home is their fortress

It's amazing to watch the spending habits of Moon in 2nd House individuals because they can give everything they have and be generous one day, and the other, they can hold on too tightly to their savings.

Their need for security has them worrying about money all the time. However, there are still moments when they can give everything in their pockets, especially when dealing with some emotional problems.

They strongly hold on to those they love because they need to be constantly admired and offered love in order for them to see how much they're worth.

When it comes to emotions, they don't respond as fast and accurately as others because they're deliberately not expressing themselves. True collectors, the possessions that remind them of their past are very important to them and they have many antiques at home or at their workplace.

It's normal for natives with Moon in 2nd House to keep everything they own in the family and to not share with those who are outside their close circle. The way they adapt to new people and situations is strictly related to how the Moon changes its cycles, while the association with the Water sign Cancer makes them intuitive and sensitive.

Considering the placement of the Moon in this situation, all of these traits can be quite useful for them. For example, they could determine what others want from them by using their intuition and this way, they can be the first to deliver.

However, it's important for them to remember life isn't all about money and that possessions don't determine how much a human being is worth.

Keeping this in mind could help them through the most difficult times in their life, and they shouldn't adopt a mood swing in tough moments, seeing the bigger picture instead.

The Moon in 2nd House means they will want to make money in their profession and that their job may be something related to water or the public as they're very good at interacting with others. It's also possible they'll do something that has them taking care of people.

Their mother or perhaps wife will have a great influence over their finances, bringing in a good salary or leaving them a consistent inheritance.

Being disciplined and as practical as possible with their own money is a solution for them to live the good life. Keeping what they have saved can be a challenge, as they tend to scrimp and to have their emotional life greatly influenced by wealth.

They think of their home as a fortress where they're protected from everything and can spend some quality time with their family and possessions. It's their source of emotional stability and where they can enjoy a good life.

Feeling extremely weak when someone or something threatens the place they live in, they may believe their entire persona has been messed around with, and there's no other place in the world where to feel safer.

Everything about the individuals having Moon in second House is centered around their possessions and loved ones.

Mercury ☿ in ♎ Libra man 5° 11'

([896] i.thehoroscope.co)

He will gather as many opinions as possible before making up his mind but he is not one to be influenced easily.

The Mercury in Libra native is the best when it comes to analyzing stuff. He can tell you how to write an essay even though he didn't write that type in his entire life.

The thing is, he's very efficient and observant, willing to look at something from all directions in order to paint a fuller picture.

In a nutshell:

Positives: Principled and diplomatic;

Negatives: Obsessive and narrow-minded;

Soulmate: Someone who is expressive and full of vitality;

Life lesson: Reacting positively when in the center of attention.

A principled individual

The Mercury in Libra man is diplomatic, understanding, willing to do everything it takes to achieve inner and outer equilibrium. In his social circle, there must be a sense of fairness and justice that everyone accepts.

He's an intelligent guy who never gets tired of acting in a superior way, to achieve perfection. The middle ground, the neutral positions would make them the happiest, and arguments that go to an extreme make them mad.

As knowledgeable and curious as he is, he won't try to force anyone into accepting his beliefs or supporting his ideas. That would go against his desire for balance and general wellbeing.

It can be said that he's a very sociable person, but he sometimes just loses contact with some people, or he forgets to fuel these connections.

When making decisions, he might ask others for help in determining the best choice. He's generally very generous and fun to have around because of his enthusiasm and friendly demeanor.

His principles and virtuous character don't allow him to get into a conflict willingly, and he doesn't like fast-changing situations.

Men born with Mercury in Libra are very creative people, they read a lot and may become writers, composers or painters.

Art, in general, is the preferred domain of activity for them. Their expressive abilities are very intense, but they like the good side of life, the one full of vitality and good things.

This man is very likable and fun, often the center of attention at social events. Speaking in public comes very easy for him if only he would finally admit that contradictions and arguments are not that bad.

It would be way better for him to just accept that his life would bloom from that day forward. Moreover, he's likely to compliment people a lot, making them feel good, even if made because of social expectations.

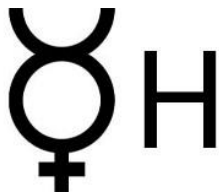

The Mercury in Libra men have very high standards when it comes to choosing their life

partner. They may want someone with a high IQ, but she should also look good, dress well, be calm and reasonable, all the while being affectionate and loving.

What's more, he's very uncertain about what he wants in this regard, and he might spend a lot of time deliberating.

Commitment comes with difficulty because they want to make sure that it's the right choice and the right person. And even when married, they will still flirt and talk to other women, to the dismay of their partner.

Mercury ♀ in XII 12th House

([919] i.thehoroscope.co)

This placement of Mercury makes people exceptionally intuitive, amazing at appraising any situation and reading straight through others' intentions.

The Mercury in the 12th house natives are very emotional and intuitive, so much that they have to gather the courage to actually speak up for themselves.

Normal situations that others would just go through without a problem causes them headaches and anxiety attacks. This is because they think too much or rather end up overthinking the simplest things, exaggerating and turning every inconvenience into a tragedy.

These people tend to keep their thoughts and opinions a secret, afraid as they are to be judged or made fun of. Socially, they are shy and keep to themselves.

Summary:

Strengths: Communicative, insightful and talented;

Challenges: Brief, distracted and moody;

Advice: Be careful who you are sharing your secrets with.

Visionary but rational

This is a really weird combination because we all know that Mercury natives are usually very talkative and open, keen to act on a whim and to reveal pure joy at the first sign of something fun going on.

Well, these 12th house Mercury natives are different in that they quite opposite in this regard. They are very sensitive and don't trust themselves at all, reasons for which they prefer to keep silent and just listen.

If you ask something, they might answer, although very succinctly, and then retreat back. They don't know how to interact and how to best express their thoughts. The constant failures only end up strengthening their fears.

These people have a really peculiar talent, a nifty predisposition for talking with the spirits of the dead. This connection to the other side weirds people out, but it's something they take great pride in.

The visions and intuitive appreciations that they have are quite helpful, from time to time. Logic and rationality have nothing on them, at the very least.

This aspect houses a lot of emotional pressure and the liability to end up in difficulties because of depression, overthinking, superstitious beliefs and irrational worrying. There are also flaws as well, as we can see.

They might have had a few problems in opening up ever since they were children, probably because they weren't entirely sure of the exact approach or they didn't trust themselves enough.

With a little master on their emotions, things could be exponentially better even now. A pity for all that potential. However, these people know how to listen and keep secrets, so they are one of the most reliable individuals in this regard.

They prefer visual stimuli, symbols, images, tangible ways of understanding, rather than abstract or logical theories.

They're still learning how to best put their words to good use, how to express their thoughts as efficiently as possible.

The positives

There are some massive advantages and pros from being so sensitive and intuitive though.

This insight and synchronization to outward stimuli and emotional potential grant them perfect clarity and awareness, which leads to them making good decisions based on reliable information.

They have the necessary material for a good social life, a lot of knowledge to be efficient and socially adept. This is why they have a lot of friends with different interests and personalities because they want to mimic a diverse range of ideas and attitudes.

Confidence and self-esteem are built with time and experience, so this approach is good.

Other ways in which they could use their spiritual affinity and insightful nature is by helping people, by healing and reconstructing their lost selves.

The lost and the abandoned find a place of respite and refuge next to them because they offer the prospect of miraculous wellbeing, of great rewards.

Even if their patients, so to speak, are skeptic and incredulous, it still doesn't change the fact that the Mercury in the 12th house natives are in touch with the mystical forces.

Their questions are answered from the other side. Doubt this at your own peril!

They are careful not to let others in on their secrets though because that would destabilize themselves greatly.

Secrets are better kept hidden from the prying eyes of those who would seek to harm them. They might also be afraid that people will mock or make fun of these things, of their spiritual awareness.

Mercury in this house is responsible for a good communication, for a solid understanding of how to best transmit ideas and reach out to people.

Essentially though, these natives are exceptionally good at seeing through people.

They can become psychologists, mind-readers, soothsayers, fortune-tellers or professional decryption masters, seeing their talent with words and language.

They are very good at identifying, recognizing and rearranging patterns, certain characteristic elements that repeat themselves in speech, the meaningful signifiers.

Actually, by studying psychology, they would reach a deeper understanding of their own minds and inner contradictions, the workings of their deep cognitive processes.

This will help them avoid any further bad things happening, a subjective mimicry of their inner states that would confuse their adversaries.

The negatives

One of the problems that they deal with constantly is the tendency to become immune to any outside stimuli and close themselves up.

Daydreaming, thinking about the future, idealistically so, evidently, occupies all their

time.

Just think about it. You want them to do the chores around the house or they have a meeting in one hour, and they're sitting in the armchair, staring into the void, being in their own worlds.

It's annoying and irresponsible. They need to take control of their own lives, to be more receptive and aware of their surroundings. Listen, watch out for how others interact, observe the patterns, and simulate.

They will try to hide from other people, to nest away in a world of their own. No one has access there, so they're safe with all their secrets and emotional vulnerabilities.

This is why they're often known as being unpredictable and unorthodox because you just don't know what to expect.

They do their thing without expecting others to agree, but the problem is the lack of logic or reason behind their actions. It's just not there.

Just pure emotions, intuition, sensitive deductions, and subjective appreciations. Needless to say, these can lead to wrong ideas and mistakes.

Mars and Uranus can make these natives prone to spilling the beans, to sharing their secrets or those of others with suspicious characters.

Mercury ♀ in Rx retrograde movement

[699] [920] ([699] mollysastrology.com:) These people absorb thoughts and ideas through repetition and osmosis rather than careful, deliberate study. Constantly editing, reviewing, rethinking, replaying it in their mind. Own best teacher. Questions what others accept as gospel. More capable of dealing with abstractions and impressions than those with Mercury direct.

([920] cafeastrology.com:) The thinking processes are generally more acute, and the sense of humor rather quirky. People with Mercury retrograde take in information differently than those with Mercury direct in their natal charts.

Some people with this position struggle with doubts about their perceptions or their ability to learn, and there can be a lot of thinking, double-checking, and reviewing of thoughts and ideas before communicating them. Retrograde roughly 18%% of the time.

Venus ♀ in ♊ Capricorn man 8° 34'

([939] i.thehoroscope.co)

He has his principles and respects a certain code of conduct in every social situation so is usually very charming.

A Venus in Capricorn man is ambitious and perseverant, and that is the basic essence of his character. He's a very hard-working individual who sets his own pace and never strays too far from it.

Professionally, he's a monster, and personally, he takes care of himself as best as possible. He wants a partner who can incentivize him to try even harder, to achieve even higher goals, to make him wish for more.

Romantically, this man will be very affectionate, sweet, tender with his gestures of love, and he will want to build up a long-standing relationship based on self-respect, dignity, principles and a traditional homely life.

In a nutshell:

Positives: Strong and resilient;

Negatives: Superficial and deceitful;

Soulmate: Someone who is affectionate and a good conversationalist;

Life lesson: He shouldn't pay so much attention to those who criticize.

His love personality

He's interested in serious and responsible women who know what they want from their lives. His partner should, in theory, already have her plans all set out for her, and to already have made big steps towards their accomplishment.

He wants to build a life together with her, one based on financial and professional success, a stable future. So, naturally, he wants his woman to be resourceful, intelligent, hard-working, and to not give in to distractions.

This guy will already be quite accomplished professionally at the moment of his romantic escapades because he wished for this in the first place.

He always wanted to build his potential little by little, to first have a good situation, and then focus on finding a partner.

He's looking for a lover who understands and is keen on having a good conversation with him, someone who is tolerant, open-minded, and straightforward.

He hates having to think about hiding his thoughts, trying to say the right things, and all that. This native is very satisfied when his friends call on him to help them with something because he realizes his worth.

He has his principles and respects a certain code of conduct in every social event, and he keeps a respectable distance with all his friends.

He's not willing to debase himself by lowering his language or by involving himself in things that aren't worthy of his time. All of this creates a strong image of respect and dignity for the Venus in Capricorn.

The perfect woman will find this very attractive because she will have ideas of her own, she will also follow a certain set of principles. Most importantly, the perfect lover will already be on her way to achieve her plans.

She must be ambitious, intellectually and emotionally mature enough to realize how flimsy some things are, to have plenty of knowledge, and independent enough not to rely completely on him.

As long as she has these traits, he's willing to omit all the other flaws or inconsistencies because these are the essential characteristics that he's looking for.

He doesn't like overly emotional women, talkative ones, ignorant and superficial ones, and unpredictability is most of the times undesirable.

For his ideal woman, he is willing to sacrifice a lot, and he will shower her with his attention and affection. Well, in his own way, one that she will hopefully understand.

The Venus in Capricorn man is unwilling to even think about lying or deceiving his partner. Besides being against something that would go against his principles, he doesn't even have the time to do that.

He's well over his head in building his professional life. Of course, if he's too immature and naïve, and stumbles upon a toxic relationship, he will try to escape this predicament, so watch out for his lies. It should be a telltale sign.

Attracted by ...

Don't even think about asking him to shower you with romantic compliments, to warm up to you on an emotional level, to go over his head in trying to woo you with sentimentality because he just isn't able to do that.

It's not that he isn't used to or that he's cautious, it's that it would be very difficult and go against his nature to do it.

That's why he doesn't want an overly-sensitive woman in his life. Rather, someone serious, a little rigid, responsible, who knows how to appreciate a good man when she sees him.

If you've got grand plans, you would better share them with him, as this will probably get him very interested in you.

He's never been one to wallow in sentimentality, and he has a very practical outlook on relationships in general.

Instead of saying sweet words of affection, he prefers taking his lover out on a journey, making plans together, eating out, or just being there for them when a problem occurs.

However, this doesn't mean that he lacks emotion, but that he's not that good at showing it. It would be a good idea to learn to do that.

They don't like unexpected surprised or unpredictable events, and you would better not be an obsessive shopper because he has a rather thrifty personality.

In conclusion

The best thing about this native is that you never have to worry about him hiding things from you.

He's too focused on his career and professional ascension to ever have any time for lies or manipulation.

In this sense, he will always be honest, even more in a romantic relationship where he will always put all his efforts to reach a desirable level.

He will never commit without being sure that it's all worth it, and this means that he will do it wholeheartedly, with all his mind and soul, and without hesitation.

The Venus in Capricorn man tends to focus too much on work and professional advance.

Sure, this is very attractive in a man because you just know he's going to reach the top in no time, but it just so happens that over-working isn't that good.

Your partner will want to be taken care of, to be loved, and she will want your attention most of all.

Don't forget about this aspect, and take some time off from work, or take a few steps back and just enjoy spending time with them. It's ideal if you keep an equilibrium in your

personal and professional life.

They usually fall in love with their neighbors or people in their close proximity, even if they enjoy going places for their romantic pursuits. It's more important for them to have a companion than a lover, because they prefer someone intellectual and very open to talk to about anything.

As soon as they've devoted themselves to a person, you can trust they'll be devoted and true close friends.

They know how to talk, and their diplomatic skills can't be found in others. It's easy for them to win people with their talk, because they have a great voice and talent at languages or at being tactful.

Their compliments are sincere, many using flattery and risking seeming dishonest this way.

The peace bringers of the zodiac, people with Venus in the third House are always looking to avoid conflicts and to convince others arguing is not in any way necessary.

However, many may not take their word for it when they're trying to be nice because they also have a very mean side. It's their pleasure to play mind games and to not mean what they're saying.

When it comes to love, they want variety and to be constantly stimulated intellectually. Venus in 3rd House natives are always vivid and happy to take part in a conversation, because talking about any subject makes them tick.

The variety of the everyday life is something they're really struggling to obtain, as change doesn't bother them in any way. These people love with their mind and are very attracted to intelligence. That's why they need someone with whom they can talk about every little thing happening in their life.

Since Gemini rules the 3rd House, they will most likely be very attracted to this sign and, just like its natives, they are the type who enjoys playing with words and their meanings.

They feel the happiest when analyzing the mind of their lover, so if they get bored with the way someone thinks, you can be sure they'll leave the relationship altogether.

Their other half needs to have a rich imagination, to want to learn and to evolve, or they'll immediately start looking for someone better to fill the emptiness in their life. It is possible for them to have long-term relationships, but only if Venus is satisfied through other means like their career and hobbies.

When meeting someone with the same interests as them, they become completely fascinated and want to know more about that person.

As said before, their way with words is fantastic, so they'd make great writers or politicians, depending on how sociable they actually are. Flirtatious and always using their cleverness to attract others, they could make it as poets, too.

The presence of Venus in the third House makes them a little bit mean and easily bored. It's essential for them to have their mind stimulated because they can immediately start

thinking of other things and even of how to do something to hurt others.

It's suggested they learn how to be more honest in everything they say and do, because it's very possible they won't get away with a cheating attitude.

Well-intentioned and open to love, natives with Venus in 3rd House are proud of who they are and don't want to use any mask for the public. It doesn't matter whom they have fallen in love with, you can trust them to always be fun and charming with that person.

In this position, Venus enhances all the traits that the 3rd House is in control of, which are related to communication, studying, short-distance travels and siblings. It also has an effect over how people talk and how good they are with their hands.

The warmth of Venus gives individuals having this planet in 3rd House a talent for the spoken and written word, and when it's in positive aspects in their chart, it makes them incredible artists. Always capable of holding great speeches, they have a beautiful voice that helps them impress others.

Positive aspects with Neptune can mean they're great singers and should do something with their talent. Because they're aware of how good they can be with words, it's possible for them to become manipulators who don't necessarily have a plan to scam.

Through compliments, they can persuade others easily, but they can also be very big gossipers if a square with Mars or other "bad" planets in the 12th House is being formed. They will probably have a beautiful childhood, especially if Venus is almost in the 4th House.

Very fun and eager to learn in school, they have most likely absorbed all the information they have been taught very fast. Good with languages, it's easy for them to travel to other countries and to end up mastering a foreign language. It can be said they have an advantage in front of others because it takes them less time to learn something.

When having Mercury in the same third House, they definitely can be great writers, while Venus gives them the ability to become as artistic as possible.

Written information makes them want to read more, so don't be surprised if they have many books at home. As a matter of fact, they're quite dependent on new information and can't rest until they have seen what's the latest in politics, technology, sports or

culture.

Many will see them as childish

Venus rules over beauty, life's pleasures, happiness and everything that's sweet. When in the third House of communication, it makes people in love with words in any form, be it journalistic or from literature. They can convince others with their charm and the many beautiful words they know to have things done their way.

At weekends, they prefer to go to a library or where people engage in intellectual conversations and discuss, because they simply love to talk about anything.

Many will see them as childish when it comes to the way they dress and express themselves, but their curiosity will always have them exploring new realms in terms of style and seeming eccentric.

Soulmate: Someone who will fight for their desires;

Life lesson: Focusing more on creative pursuits.

A temperamental individual

These men know exactly what they can do, and how good they are in some respects. Confident in their abilities and willing to learn more, they act as though everyone else has something to learn from them, as though they have something the others don't.

Spontaneity, boundless impetus, vitality, freedom are some of the things that govern these men born with Mars in Aries who don't usually think things through before they act.

And they just let life take its course, only adapting as time goes on. If something isn't challenging enough, they won't be interested enough to put in the necessary effort.

Therefore, you won't ever see this man shy in public or embarrassed to speak in front of a public. These are mere tedious things for him, and he does them just like that.

No one can shake his confidence, and he takes everything as though it's a life or death combat. His principles and opinions are firm, something that other people will find to be admirable and respectful.

He's possessive and very ambitious. When he really wants something, he will pursue it against all odds and he won't stop until he either gets it or if he becomes unable to get it.

He easily gets angry and annoyed for the simplest of things, but mostly, he can't stand it when people just can't get off their couch to take care of their responsibilities.

Procrastination, the lack of ambition and perseverance, uncertainty, the waste of time. Everything that stops him from achieving his goals is bad and must be eliminated as fast as possible.

Why is traffic a thing in the first place? And long queues? Why doesn't everyone act in an orderly, professional manner like he does if mystifying for him.

When he finds it hard to resist anymore and his temper just goes out of control, he'll explode with a huge bang, a deafening one that will tell you exactly what you need to know: keep away from him.

Violence and aggressiveness were a part of his life ever since the beginning because he got into a lot of fights as a kid, and then a lot of arguments at school when someone didn't agree with him.

He's an athletic and active man, and he loves getting into the action wherever it may be. Doing sports and taking care of his physical condition will be a primary goal for him.

With all that energy swirling inside of them, it would have been strange if they didn't focus all that spirit into creative endeavors.

These men can paint, they can sing and dance, hell, they could even work out as interior designers if they put in enough effort. No one can slow their pace in this regard because they know their potential enough.

He wants someone who will fight

He's gotten into a lot of relationships and he has conquered a lot of women. He can tell you all about them for hours on end, all the adventures and emotional turmoil that he had to go through.

Most of his relationships were impulsive, created out of passion and intense feelings, just because he wanted to satisfy his cravings at the moment.

Over time, he's formed his personality and quirks, so it would be a waste of time trying to change those.

He's going to resist, you're going to eventually find it impossible to continue, so why not

accept and appreciate him for who he is? Just enjoy the boundless energy and sexual pleasure that he brings with him.

The Mars in Aries man is a hunter, a stalker who eyes his prey and waits for the right moment to unleash his surprise. He doesn't want to get anything too easy or else his cravings would go down the drain.

He wants someone who will fight, a woman with a fierce temperament who won't just let herself be subdued, even if that's what will happen in the end. It's sweeter when she gives up after a long chase, with all the adrenaline floating in the air.

Even if he gets serious later on when the relationship is underway, he won't accept any attempts to undermine his efforts. He has a big ego, and he never does mistakes.

In conclusion

Let the Mars in Aries man work when you see him focused on the project. He may stay there for a few days, not even lift his head to see who's been visiting him, but you'll be surprised at his efficiency and productivity.

What happens is that he can't let off a challenging prospect once it comes his way. It's too tempting, and he's also stubborn.

So, chew on that a little! He's egocentric, self-centered and he wants his merits to be recognized. After all, he's the one doing all the work, the one coming with all the good ideas, and also the one that brings the competitive spirit back to the surface.

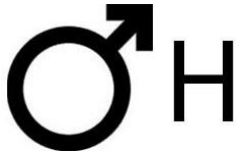

He loves his freedom and his honesty will tell you exactly how he will react if you try to take it away from him.

He's one of the most devoted men out there. When he deems his partner to be worth the effort, and if his feelings are true, he starts taking care of his lover with an unmatched love and affection.

Saturn ♄ in ♎ Libra man 13° 22'

([1023] i.thehoroscope.co)

The position of Saturn in your natal chart reveals how you deal with rules, responsibilities and limitations.

People born with Saturn in Libra will always look to cooperate with those around them, if they want to complete a project, or if they want to achieve a certain goal.

Teamwork, understanding, societal acceptance are all essential in their mind. With plenty of skills related to this mindset, like persuasion, diplomacy, and the naturally balanced personality, this native can move over certain rules and regulations, and across many perilous bridges, if the end result is worth it.

This native seeks security and equity, balance and stability, which are found in a relationship most of the time. Because they want to reach a state of inner harmony, they're looking for it where everyone else is searching too, in love.

They want to have someone besides them who knows what they've been through, who understands them at the deepest of levels. They're also pretty materialistic individuals because financial comfort is very important as well.

Perfectionism is the tell-tale sign of a Saturn Libra. In their pursuit of balance and inner equilibrium, they won't feel good until they have found the epitome of happiness, from all points of view.

Whether they'll actually continue searching for such standards or realize that it's merely a dream depends entirely on Saturn's influence.

In a nutshell:

Style: Astute and friendly;

Top qualities: Direct, receptive and generous;

Challenges: Insecure, fearful and indecisive;

Advice: Perseverance is key for your professional advancement.

Personality traits

The one born when Saturn was crossing Libra is an individual of utmost generosity and social likeability, always trying to help someone in need or purposely devising a plan that requires other people to complete. All of this is done out of a need to connect with people from all over the world, from all social classes.

With imagination and inventiveness, they know exactly how to render their relationships beneficial for all parts. With exquisite ideas and firm principles, the Saturnian Libras act with determination and honor, never leaving misunderstandings to cloud their judgment. They are very trustworthy and reliable friends.

The combination between the Libra astrological sign and the planet Saturn is quite fortunate if you think about it. This native is in a perpetual struggle to find inner balance, the perfect equilibrium between emotions, expectations, personal and professional life, balance on all walks of life.

Saturn is a planet associated with restrictions, limitations, barriers, and in this sense, it endows the Libran with certain guidelines, arrows pointing toward that elusive state of balance.

These laws, as you might call them, serve the express purpose of ensuring order, objective standards of appreciation, equilibrium amid the many possibilities.

Through personal relationships and even marriage, later on, these Librans finally realize that what they're looking for is a partner who seeks the same mental balance as they do, someone with a harmonious demeanor.

Behavior in love

As expected, Saturnian Libras put a lot of importance on the idea of a relationship, the harmonious bond between two people.

With their partner, they will try to let go of their perfectionism, putting aside any superior expectations. With patience and kindness, they want to maintain a peaceful and relaxed atmosphere, even though things might not be so rose to begin with.

With a partner who appreciates their innovative vitality, these natives will try love unconditionally, and offer their full affection without waiting for something else.

They may find it harder to wait for the right moment, or to give up on their competitive spirit, but compromises are necessary.

Because you want a long-lasting relationship where you can build up a nest, a refuge where one can retreat in case of great dangers, you are also willing to break the barriers and alter your personal principles. And this happens as an after-effect, it's not something premeditated. His partner will definitely find it to be annoying and counter-intuitive.

In order to reach their ideals and take the first steps toward a perfect love life, they must understand that a balanced communion is built on honesty, understanding, responsibility, and perseverance.

The good and the bad

Something that the Saturnian Libra natives should work on is their tendency to become overly-subjective and act with suppositions when making plans for the future.

Whenever they analyze themselves, they start with a given set of premises, which aren't exactly positive or beneficial. They have to objectify their standards, take a step back, and rethink their approach.

Once this decision is consciously made, nothing else will stop them from achieving their goals. The determination of these natives is not to be taken for granted.

However, it's nothing more important to them than living a fulfilling life, filled with plenty of moments together with that special person, where they live life at its peak, experiencing the most intense feelings of communion possible.

They take personal responsibility to a new level, always keep their words, and are dead-serious about loyalty.

But, the constant gnawing feeling of solitude often leads them to enter into a relationship without thinking things through. They need to have someone in their life, and sometimes the feeling is too intense for any rational analysis.

Patience should be an essential factor in this process, because otherwise, they will end up in a toxic relationship, with someone who won't appreciate them for what they are.

The Saturn in Libra man

Finally, we come across the essence of the Libra astrological sign, the intense focus on justice, balance, intellectual honesty, and fairness.

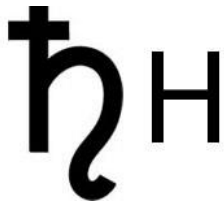

The Saturnian Libran man wants to meet a principled woman who never expects to be taken care of, to be pampered and offered preferential treatment.

He will behave in such a way anyway, but that has to come out of his own initiative, not because there are expectations that have to be fulfilled.

If she decides to move together with you, then she should also contribute to the household necessities, take some responsibilities for herself, and not expect to live in perfect comfort while you do everything there is to do.

Even when she makes a mistake and disappoints someone, with enough humility and self-awareness on her part, people will be understanding with her.

A different view of the world

Every planet enclosed in the 12th house deals with the energies people deny. When Saturn is here, the natives with this placement will have to deal with setbacks early in their life, so they'll always want to place some harsh realities they may have been dealing with into their unconscious.

Being afraid of what's about to come and completely overwhelmed by their own

emotions, all these things may be what causes them to feel anxious.

It's bad enough that they don't accept to be helped and prefer to retreat in solitude when facing problems because others could really help them when they're feeling down.

However, they don't want to feel in any way weak or to seem like they're depending on people.

The result of this is separation and total loneliness. Very attracted to always be in control, it's also possible for them to discover that if they let others inside their inner world, they may be helped with their feeling of guilt, insecurities and the permanent anxiety that doesn't allow them to love their life to the maximum.

It's very important for natives having Saturn in the 12th house to embrace what makes them feel bad and to become free from all the guilt as soon as starting to accept themselves for who they are.

They should talk about the fact that they sometimes escape reality and question themselves by having long discussions with their alter ego.

Understanding the real world with what this requires and brings in terms of happiness is also essential for them to have a correct perception over what's real.

The more they'll try this, the happier they'll get to be. This house is like a deserted island, so placements here can make people feel closed and wanting as many moments of loneliness as possible.

Their healing and communicative ways with the divinity can't be denied, and they surely understand what it means to be of service, devoted and self-sacrificing.

Surrounded by shadows, Saturn makes them feel a guilt they can't escape, so being happy and working with a defense against what's hurtful can seem impossible for them.

In spite of the fact that they're loners, all the Saturn in 12th house individuals still have a need to become part of the collective.

They may become religious fanatics, spiritual guides and even junkies just because they're looking for happiness and to escape their constant feeling of guilt.

The house just mentioned is strongly related to self-sacrifice and brings a lot of anxiety when dealing with loss.

Natives with Saturn in the 12th house may feel they're going to lose everything they've worked for and there's no one to blame for this but themselves.

Luckily, Saturn will help them fight these thoughts, but it doesn't mean they won't be self-destructive to the point of disease and even illegality.

The 12th house rules also over prisons and hospitals, so you can only imagine what could come out of here.

Individuals having Saturn in 12th house would feel more relieved if dealing with matters of spirituality.

The goods and the bads

Saturn will always limit people and place obstacles in their way, no matter the house in which it is placed. In the 12th house of self-undoing, it influences natives having this planet here to be dependable and always of help, regardless of the fact that they may not have someone on whom they could count on all the time.

These individuals have strong emotions and are always feeling like life overwhelms them. Being also the house of imagination and fantasy, people with this placement may have a great talent for the arts.

They'd be able to paint amazingly from their mind and to put their emotions into music. Their right brain is completely developed, so if they didn't train as artists, they should at least write.

While developing their mind in this direction, they may end up seeing a different world their imagination inhabits and take their guidance from here.

It is possible for them to think all they create with their mind is real, but with a little bit of self-control, reality will always be in place.

They will probably become very famous if they'll learn something having to do with the arts from an early age.

Talent and imagination need to be trained, so parents of Saturn in 12th house children should know what to do for their little ones to end up choosing their right path in life.

As adults, they're generous and flexible, so many different people will want to be their friends for a lifetime.

Because they'd accept everything others suggest, many people who scam others for a living will want to fool them. In this situation, only Saturn can help them gather their forces and say "No" when the situation s them to.

Either way, they should always pay attention to whom they're trusting. While the same planet makes them want pursue noble activities, they will always be terrified of letting others down. This is what will impede them from moving forward, no matter if it's about their career or personal life.

Analyzing a situation before taking action or realizing in some situations they can't act alone are also very good ideas for these people but they, however, hate to ask for any help and keep their feeling bottled up inside, which can start to become dangerous with time.

As a matter of fact, this is what causes them to be insecure and Saturn to always work very hard to put them on the right track. If Pisces would be their Sun sign, the same things would be twice as difficult.

These people regret when losing control of situations, yet they shouldn't allow themselves to feel any remorse about this.

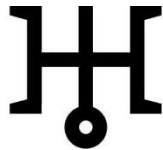

All in all, Saturn in 12th house natives deserve happiness and should be aware that self-sacrifice is never an option.

Talking to their friends and family can always have them dealing with problems more efficiently, so this is the strategy they should use.

Their flexible and adaptable personality entertains a lot of potential and possibilities, without the need to look down on certain opportunities, simply because they don't comply with certain social standards.

Even more, they are very tolerant of other people and events that some may find as libertine or outrageous.

In a nutshell:

Style: Exploring and demonstrative;

Top qualities: Mysterious, adventurous, revealing;
Challenges: Personal struggles and indecisiveness;
Advice: Sometimes you are completely tactless.

Personality traits

Through all the adventures across they take part in life, you may find that what impresses them is when they get to experience a true spiritual revival, an inner epiphany, the expansion of their perspectives.

Obviously, they are very open-minded to any sort of religious or obscure experience, philosophical debates, strange and awkward trips in places unknown to man.

Idealistic as they are, they may fail to see the flaws of the real world, the things that make it imperfect.

The native born when Neptune transited Sagittarius is prone to falling into desperation, with anxiety attacks included, for no other reason than their pessimistic tendencies.

They focus too much on their problems, on the possible catastrophe that could befall them if a solution, most likely to an imaginary problem, isn't found.

It would be a good idea to instead concentrate on their visionary skills, on the dreams they nurture, on the desires they want to accomplish.

Quite possibly the reason for this downfall into the abyss is their idealistic gut instinct that seeks nothing but perfection.

When it doesn't find it, it starts blowing things out of proportion. Then, it starts diminishing the value and significance of everything else.

To put things into perspective, the worst situation that they tend to get themselves into is a bad decision made in a relationship.

When they suspect that something is wrong with the partner, they start overthinking, focus only on what the other thinks or does. But what they omit to do is look upon themselves as well, maybe that's where the problem started in the first place.

It's good that they want to solve these issues, but they should do so with all their faculties, with reason, emotions, not just their intuition.

They might find it a bit hard to find the spiritual fulfillment that they crave for so much because the world is not made only of sweet candies and honey.

Their adventures and uplifting experiences may contribute greatly to that sense of

enlightenment, but let's not forget that there are also demeaning, rough situations that do the opposite.

Unfortunate accidents, disappointments in love or other life misfortunes, they have to learn to accept them, move on, and not abandon all hope. Shinier days are ahead, and with their great potential and visionary skills, it will be a brilliant future.

The Neptunian Sagittarius may be very flexible, spirited, and brimming with intense energy, but that doesn't mean that they can take on too many disappointments.

And where do most disappointments come from? Their unreal expectations, that's where. They believe that their effort should clearly be enough to reach the desired effect, but when that doesn't happen, then what? The world is not just black and white, success or failure, it's filled with all kinds of shades.

The positives

One of the best things about the native with Neptune in Sagittarius is their unending energy and overflowing enthusiasm about the smallest of things. Whatever gets them going is sure to be most interesting and intriguing, for them at least.

Highly competitive and an adrenaline-seeker, they expect to leave out in a couple of days to explore the world, searching for the next big thing.

And guess what? Do they make a plan, pick out a place to stay, map out the routes they want to take? No way, that only takes out most of the fun.

Being spontaneous and discovering everything as they go is much more entertaining. Moreover, these experiences will also act as a source of inspiration for them, in that they will notice the multitude of possibilities, the diversity of life ahead of them. There are never only two choices, but much more.

A curiosity about the world and its intricacies that no one else possesses, a sense of communication and empathy present nowhere else, these are the traits of this native, what makes them truly special.

The negatives

The Neptunian Sagittarius can get very excited about something, and this may lead to a forgetfulness no one has ever seen before. They focus solely on that and forget about everything else.

If an intriguing subject comes along in a discussion, there's no turning back. You have to prepare yourself for one hell of a debate with counter-arguments, philosophical ideas, and a cheering applause for when they win out.

The thing is, they could even start imposing their perspectives on you if they firmly believe they are right. They don't do it out of egocentrism though, or even consciously, but they are too passionate about it all to care about offending or even hurting others, even their closest.

The Neptune in Sagittarius man

The man born under Neptune in Sagittarius is a highly romantic individual who dreams of the perfect relationship, one sprinkled with rose petals, shined upon by the moonlight, one of mutual support and affection.

They should advice regarding their finances because they lack practicality and don't seem to have any luck when trying to hold on to a budget.

It's like they can't think of solutions to generate a good income as they're always using their intuition and don't pay too much attention to what logic is telling them.

These people dream wealth will come to them one day, and that they'll get to be very rich. Maybe this will work, especially if they'll trust themselves to be able to accomplish something in their life.

When Neptune is in good aspects while residing in the 2nd house, the natives with this placement may feel they're rich regardless of how much money they have.

This is a good attitude to have because great things regarding their finances may happen one day for them.

The situation in which Neptune is in challenging positions, they may not ever be practical and their money will always get spent on useless things. They can even be too generous, so they should avoid situations in which they may need to give away their money or to negotiate business.

This is a great thing, considering Neptune rules over creativity and makes people poets, artists and sometimes addicted to alcohol and drugs.

Therefore, some Neptune in 2nd house natives can make a lot of money from painting or writing books. Many of them will be nurses or pharmacy assistants because they're good

at dealing with different substances.

As a passive celestial body in astrology, Neptune is definitely not ideal for the financial aspect when it's placed in the second house.

Needless to say it again that it makes people resentful towards material gain and fortune. Individuals with Neptune in 2nd house lack practicality more than any other people who have this planet in a different house.

In case Neptune is in negative aspects with Mercury or Mars, it is influencing natives to be easily tricked by all sort of religious charlatans. They will spend money on books saying they should change their faith, but also on concerts and many other forms of entertainment.

This happens because Neptune needs to be satisfied when in the 2nd house, and its desires can be pretty expensive to satisfy.

When it comes to art, this planet has the finest tastes. It's often that people with Neptune in 2nd house give their last penny for tickets to a concert rather than keeping it for food or something else they may urgently need.

This is a behavior that leads to bankruptcy, but still, it won't make them feel in any way desperate or depressive as they wouldn't even care they no longer have anything left

If Neptune in the 2nd house is in trine with any of the planets that bring fame or even the Moon and the Sun, and these would be in the 10th House, the natives with such placements can become famous for their generosity and availability to give everything they have to others.

Another problem individuals with this placement have is not knowing their own value and for how much their work should be appreciated.

The goods and the bads

Natives with Neptune in 2nd house are full of ideas and have great taste, which means they also have a special way of seeing the world.

Many will be impressed by their vision and encourage their career or hobbies. It's important for them to believe in themselves because only this way, others will get to recognize their efforts.

Neptune in 2nd house indicates that if they'd have clear objectives, they would also be able to work hard and make their dreams come true.

These people shouldn't let anyone tell them that what they have in mind is impossible. If they want to join a cause or charity organization, they should just not care about what others have to say and just do it.

Their energy needs to be invested in something they actually love, no matter if this brings them any money or not. Being happy seems to be enough for them, so they should go ahead and do what their heart is telling them to do.

Furthermore, they need to pay attention and not rely too much on their intuition as far as business goes. Their great ideas on how to make more money are not always the most realistic ones, so they should count on others to suggest them what they have to do for more wealth.

In case they refuse to do so, they may need study a lot and watch their strategies are, in order to be as effective as possible.

Living only in a world of dreams won't do them any good. In case they have been raised in a wealthy family, they should think carefully what needs to be done for their finances to remain the same as they can have a too optimistic attitude when used to have everything they need.

When feeling things are not going in the right direction from a financial point of view, they should take a look at what responsibilities they have because it's possible they may still be able to come up with a remedy on their own.

Pluto ♇ in ♎ Libra man 27° 34'

([1095] i.thehoroscope.co)

The position of Pluto in your natal chart reveals the transformations due to take place in

your life and how you channel your core truths and restorative power.

Those born at a time when Pluto was transiting Libra are the kind of individuals who want to change the world, but not by creating a complete ruckus, so not through forceful methods.

What they want to achieve is complete cooperation and coexistence among all humans. Under the influence of the pacifying Libra, ideas of partnerships are taken to the next level, no matter the surrounding resistance to change.

In a nutshell:

Style: Peaceful and idealistic;

Top qualities: Adaptable, diplomatic and analytical;

Challenges: Hesitant and worrisome;

Advice: Grace can sometimes be confused with naivety.

Personality traits

These natives excel at making a problematic situation drop down a few levels on the aggressive scale. Where a conflict could spark up anytime, they manage to defuse the bomb through diplomacy, patience, and persuasive skills.

They mediate and try to do good by everyone else, satisfying all parts involved. However, they can also drop all pretenses and storm out of a room in a state of full-blown rage if an injustice has been committed, and the obvious perpetrator just won't admit it.

They can be quite uptight with these principles and virtues, even in a relationship or better said, especially in that case.

Because they see themselves as the peacekeepers, the right person for the right job when things start going down the drain, they're pretty egocentric.

Only a Plutonian Libra can find the best solution to a given problem, and they will spend a lot of time deliberating what's the best course of action.

More often than not, while they're analyzing the data, the problem either disappears or solves itself, but there's no arguing with them once they get started.

On top of this, these natives are in love with researching the hidden nature of a given situation or person, being stubborn enough to attempt getting through to its deeper layers.

The good and the bad

One thing is for sure when talking about Plutonian Libra natives. They are very good at

making meticulous analyses and observations, doing systematic deconstructions of a certain problem, in order to see what it's made of.

They expand this ability into many other forms and domains, but what really gets to them is that they become too obsessed over the little things.

They forget about having fun, about looking at the whole picture and learning to enjoy it. Sure, they can be great problems solvers, and everyone knows that they are very reliable people, but on a personal level, they could learn to detach from time to time.

Problems start appearing the moment this native becomes too focused on a particular aspect and forgets that, sometimes, you just need to take a few steps back to freshen up your mind.

With a calmer mindset you are able to see things that you weren't able to see previously. However, for the most part, the Plutonian Libra native just gives up when they can't find a proper solution, letting someone else take care of it.

Their relationships are especially affected by this because once they start an argument and notice that it's getting nowhere, they just get block, not knowing what to do next.

The thing is, they would prefer everything to be simpler, easier to figure out, with simple implications. And we all know how complicated relationships can be, especially with fussy partners.

Pluto in Libra in love

For the overly-rational Plutonian Libra native, love plays a big part in their lives, acting as a form of respite from the daily stress. They find great fulfillment in coming home and spending time with their partner, doing things together, fun activities or something of the sort.

Of course, because they wouldn't be under Libra's influence for nothing if they didn't start to over-analyze everything, even relationships and love itself, they do just that.

With reason and logical principles, you can efficiently find a solution to a problem, but try doing the same thing with a fuming partner who claims you don't pay enough attention to them. Emotional matters are another thing altogether.

Plutonian Libra natives are very determined and resolute, so once they determine that something is worth the effort, giving up is no longer an option, no matter what happens.

These natives can be incredibly tough and tolerant, even though they may react aggressively sometimes, or get annoyed from time to time.

Their love is still very intense, and they can resist for a long time before deciding that it's not worth it anymore.

The Pluto in Libra man

These men are faced with some degree of inner conflict between social interactions and inner fulfillment.

At the time Pluto was last in Libra, these men had to make a choice, because society was beginning to change gender roles and how people approached them.

They also wanted to find themselves an emotionally fulfilling relationship, one they could perceive as a refuge. What was perceived as flimsy or too feminine in the past was now normalized, namely men exhibiting emotions in the first place.

As such, Plutonian Libra men carry from this ancestral knowledge and are more open towards the prospect of a relationship founded on emotions and sensibility than their ancestors were.

They tend to reveal themselves easier, their inner thoughts and feelings. Furthermore, they place increasing importance on finding a workplace that they can fully dedicate toward.

Pluto ♀ in XII 12th House

([1112] i.thehoroscope.co)

This placement of Pluto makes people very analytical and observant, managing to be the best judges of character out there.

Those born with Pluto in the twelfth house of their birth chart can't help themselves but try to resist being controlled or ordered around. Even more, if they consider their ideas and courses of actions as being way more efficient and productive, they will stand firm no matter what.

Even with their friends, they will never accept a compromise, and if they feel oppressed or treated unjustly, they will not take it lying. It's because they are so very loyal and committed to a friendship that they have high expectations as well.

Summary:

Strengths: Observant, sociable and wise;

Challenges: Overly sensitive, moody and distracted;

Advice: They shouldn't confuse their dreams with clarity of mind.

They're emotionally intense

These people tend to repress their emotions and keep themselves hidden from the rest of the world. There are many reasons for this choice, but the end result is always the same, depression, sadness, grief, even obsessive behaviors that are too destructive to keep.

This functions as a trap that keeps them hurt and desirous of refuge.

However, when they will eventually get out of this predicament and find themselves, find the power to strive for more, everything will change. Not only for them, but also for others as well.

They are exceptionally open and interested in the many ways in which they can investigate their problems, like psychology, psychoanalysis.

The Pluto in 12th house natives see themselves as the arbiters of life and death, of the comings and goings of society, individuals truly in control of their own actions and thoughts.

They analyze and observe their own reactions and strive to discover the secrets hiding deep in their psyches.

Moreover, these people tend to be in good relationships with volatile individuals, the exiled and the shunned.

They are generally not willing to act on their desires until they have safely deduced the just way of doing things, for them as well as the others.

They find it very difficult to interact with other people and express their thoughts in a concise manner.

This happens because they are feeling inadequate, not adapted to the current trends and ideas, incapable of empathizing and taking in the real world.

Instead, they are living in a world of their own creation, one that nears transcendence, the infinity and beyond, a place where they feel at one with the universe.

What's more, the Pluto in twelfth house natives are very sensitive to the sufferings and griefs of other people.

When something bad happens, emotionally intense, they feel it in the marrow of their bones, a psychological pain that extends further and further until it reaches their souls. With pain, however, they will learn how to empathize.

Even though they strive to know themselves completely, to reach a superior level of existence and accumulate all the knowledge in the world, there are places where even they are afraid to go.

The deep recesses of their psyches are abyssal, too dark and shadowy to delve into. Things can quickly degenerate.

They will feel like they've lost themselves, lacking in an identity, with no clear purpose for the future, confused and disoriented. Faith is what's needed.

Motivation, ambition, wisdom achieved through compassion, a rich inner life populated with nothing but optimistic goals.

Dreams are especially important to them. They allow for clarity of mind, a new way of looking at things based on their desires and deepest wishes, all to go on a journey toward the discovery of the self.

The most important lesson that they can learn from this experience is the simple fact that they are their own masters. There is no destiny, only individual willpower, and conviction.

Either way, they will like to delve into such analyses and observations, to think about things clearly before committing to any course of action.

However, they also tend to radicalize the conclusions, to put everything through a negative lens.

The goods and the bads

The way these Pluto in 12th house natives relax or take a breather from the noxious fumes of the world is by retreating to a private space of their own.

There, alone, slumber will begin, followed by deep meditation, contemplation on the nature of the self, reclusive study and profound investigation.

They will dabble in a lot of domains, from psychology to para-psychology, mysticism, the occult arts, religion, and so on. However, they think that nothing can get them out of this predicament. This fear can be turned into hope though.

Frontal confrontation will achieve the best results in the quickest time. Facing off against

the negative things that impact their lives, the elements that are constantly holding them back, the fears and anxieties.

Those must go, and they must go now. If it comes to it, they can very well replace and substitute those fears with hopes, with positive self-remarks.

With such a boundless imagination, all their weaknesses and lack of confidence will disappear, to be replaced with strengths and a firm conviction.

Unfortunately, they will generally try to ignore things on the off-chance that they will go away.

Well, guess what? They don't. And while this may not come as a total surprise, it still puts them in an even more difficult bind.

The lack of control becomes even more imperious and critical. Emotions will bubble up and explode.

This is why they must first learn how to control themselves, to temper that volcanic character and to avoid overthinking.

Depression, addictions, perpetual sadness, the constant feeling of inadequacy, these demons have to be taken care of. And this can be achieved with the help of friends.

North Node ♉ in ♓ Pisces 9° 58'

(Georges Muchery)

The Dragon's Head in Pisces gives vitality, and is a fortunate position for the children, especially when it is situated in the Fifth or Eleventh House. It is not, however, a guarantee of fidelity. Nevertheless, in spite of deceit, the home will remain stable, as the native possesses the family instinct. The Dragon's Head in Pisces helps in unexpected acquisition, especially from foreigners. It is also a sure sign of long journeys undertaken when least expected.

The Dragon's Tail in Virgo is not favourable for things of the mind. It makes the native materialistic and unappreciative of beauty. He is inclined to analysis, which makes him judge everything according to its pecuniary value; everything is considered in terms of money; he may marry well, but it can hardly be other than a marriage of convenience.

Progress will be difficult.

(Isabel Hickey)

North Node in Pisces implies the complete relinquishment of the self in service to others. Passion would become dispassion without losing compassion.

South Node in Virgo shows the qualities of criticism and passing judgement must be left behind. They have been the cause of self-undoing in the past, and are still hidden in the subconscious motivations and need clearing.

(Martin Schulman)

In the realm of consciousness, this is the hardest Nodal position to deal with. Here, as a result of many lifetimes, the individual starts to realize his own rigidity. He is aware of his patterns and how much they hurt him; yet he finds them difficult to let go of. In prior lives, he lived in the consciousness of a finite universe where all was well-structured. Now he is confronted with the realization that truth extends beyond what his finite senses can measure or even perceive.

He is unavoidably confronted with situations, circumstances and events which force him to relinquish his hold on the physical plane. Nevertheless, he still tries to live like the salmon - swimming against the current, regardless of the direction of nature's forces.

He still seeks order. In fact, his need for strict regimentation is so strong that he develops medical troubles in the center of the body from personalizing a stiffness that increases tension on the inner organs. Constantly he suppresses desire for the sake of doing what seems proper, for he would like to maintain an image of respectability.

In past incarnations, he built his understanding on fact, not hearsay. Now he accepts only what comes from the 'highest authority'.

He seeks ways to rid himself of the nervous irritability which keeps overcoming him, and yet he puts stipulations on the cure.

He must learn how to immerse himself in the waters of Cosmic Consciousness, and in this baptism of thought he can truly experience a new birth. Before he can do this, however, he must first overcome his karmic fear of living in a contaminated world.

He comes into this life believing that the world is filled with danger, and therefore constantly questions the credentials of the people and conditions he considers allowing into his life. Everything foreign to the self represents the threat of disease, and it is because of such thinking that from time to time disease actually occurs.

For many with these Nodes there is strong residue of sexual problems left over from former incarnations. Either a deprivation of the sexual experience, or a strong determination to avoid emotional hurt through it, leads them to seek a better understanding in the current life. Some are confirmed Puritans, while others are capable of being physically responsive and emotionally cold at the same time.

The mind is so analytical that life can easily slip into the manipulation of a chess game. This individual has a sharp eye for detail and never overlooks the obvious. He is an expert at solving puzzles, willing to spend many hours tediously groping for the tiniest answer; but he can get so involved with whatever he is doing that he often loses perspective. His past-life discriminating tendencies often lead him now to pick apart what should be left together. Thus, although he is capable of immense clarity of thought, he does not experience complete peace of mind.

Through the Pisces North Node, he must learn Faith. When he stops separating the world into neat little compartments, he will get his first glimpses of Universal Consciousness. Ultimately he is to achieve the understanding that all is one, and one is all. Before this happens, he must learn how to stop seeing himself as separate from the rest of the world.

He will go through experiences which force him to grow more compassionate.

As he starts to find his well-laid plans dissolving to nothing, he begins to see others in a different light. Ultimately he symbolically goes through the pain of the entire universe so that he can strengthen his Divine Love to the point that he absolutely refuses to pass judgement on others.

He makes much progress by acquainting himself with the spiritual way of life. His growth extends as far as his arms can reach. While the arm of the past still clutches at his self-imposed restrictions, the arm of his future is grasping for the higher alternative. It is only his failure to let go completely that prevents him from achieving the perfect transition into the full state of higher mind. Yet, he does reach the point that he occasionally sees it.

From time to time his remarkable intuition reveals to him the mysterious essence of life; yet the past incarnation memories of his Virgoan practicality cause doubt at every point. And so, half way between one world and another, these mutable Nodes are in a constant state of change.

Arriving at his destination but not sure that he is there, he keeps going back to start his journey again. Each time, he reaches one step more into the infinite, where ultimately he will dissolve the shackles of his rigidly formed past and be born again as true Spirit.

The house position of the South Node indicates the area of life that is still too rigidly embedded in a personally overstructured idea. The house position of the North Node

shows how the soul can renounce its grip on all rigid definition of form and structure so that it can be free to swim in the Ocean of God.

(Mohan Koparkar)

Previous incarnation for this person was spent in substantial discriminating condition. He was very methodical, and detail-oriented to a point of extreme. Instincts would not even get close to him at that time. In this life, he is full of instincts and 'feelings'. He wants to get away from materialism and practicality. He is searching the universe through his sensitivity; and if he feels right, he acts accordingly. His decision may not be logical on the surface, but he does not care in that respect. His judgements may not have proper reasoning but they do work right for him. Dealing with people and their emotions is important for him, as he likes the exchange of feelings in that material world to keep him happy. His use of imagination and unusual ideology is really amazing.

(Donna van Toen)

You must learn to sacrifice, give in, or give up. Your Virgo South Node may reply 'Yeah, but I have too much invested'.

Your problem is lack of understanding of need priorities.

Possible reasons: Excessive stubbornness. Fear of being taken advantage of. Selfdestructive tendencies. Refusal to face the fact that some problems are difficult to solve totally. An excessively critical environment makes it hard to admit defeat. Guilt over past wrong-doing or failures.

Possible solutions: Learn to relax. Temper your analytic tendencies with compassion for yourself and others. Judge people and things by their usefulness and set your priorities accordingly.

Virgo South Node often doesn't enjoy his or her own company. This naturally affects his or her ability to enjoy relationships, since the self is always present. Virgo South Node doesn't feel human; he or she operates like a well-run machine. Not all Virgo South Nodes are workaholics, but I've seen enough instances to believe that this is one of the more typical results of nodal imbalance for this polarity. Another is an involvement in unsatisfying or destructive relationships, since often the Virgo South Noder is so terrified of being alone that any relationship is better than no relationship. By tapping the hidden strength of Pisces North Node, the individual can get in touch with his or her basic humanness. Only then can he or she come to terms with his or her needs and alleviate his or her dissatisfaction.

Some signs of an over-developed South Node in Virgo are: bigotry; refusal to settle for anything less than perfect; a feeling of being 'different'; a tendency to test others mentally; a 'let me do it for you' approach; shyness; jealousy; a tendency to be critical of others' grooming, clothing or abilities in general; pettiness; and insecurity - building oneself up by knocking others down openly or through back-stabbing.

North Node in Pisces dreams of being left alone. He or she wants to be separated from the mass of average people so that he or she will be free to meditate or contemplate the mysteries of life. Note that they want to initiate this separation themselves; if rejection brings separation, he or she will feel trauma rather than satisfaction. This person is inhibited or shy, and sometimes inclined to repress the emotions, which may be extremely difficult to express. Fussiness or quibbling supplants the desired meditation and thwarts the dream.

Antidotes for Pisces imbalance: Psychodrama can be a useful tool in unlocking nodal potential. Education in keeping with the client's aptitudes is recommended, with literature, geography and medicine being ideal choices where aptitude permits. Fishing and other water sports often prove beneficial. Public speaking should be encouraged. If aptitude is shown, magic or creating illusions, painting, sculpture, boating or water sports could be a good topic. Writing is also good particularly in the areas of astronomy, myths or legends, poetry, instructional material, nurturing themes, and medicine. Hypnotism might be another good choice if the client can gain sufficient knowledge in this field.

Unless the overall tone of the chart is contradictory, the client should be discouraged from entering any profession where the overall emphasis is on strict discipline or nitpicking, since this would reinforce the very tendencies that need to be softened or balanced. Discipline can be given a bit more emphasis if the client is operating in an entertainment capacity. Some good career choices would be: sales, cooking, acrobatics, gymnastics, detective work, painting and design. Generally, the clients I've met with these types of imbalance have been hard workers - close to workaholics in some cases. Usually they need relaxation more than work motivation. If the client is in a high-pressure job or required to work long hours, it's important that the antidote be something that's done for the love of it and is conducive to relaxation. Religious and spiritual activities often prove to be helpful antidotes. Many clients who remain unmoved by other options will be drawn to these..

North Node ♋ in V 5th House

(Georges Muchery)

The Ascending Node (Dragon's Head) in the fifth house indicates pleasure in regard to the children, who will be intelligent and have a generous measure of luck in life. This position is also fortunate for an artist, or anyone who is connected with matters that appeal to the mind. It is good for theatrical managers, musicians, and all engaged in artistic occupations. For everyone, it is a sign of luck in games and speculation; but prudence must be exercised in this direction, as an evil aspect of Mars to this house would upset everything. It is especially at the period of the annual revolution that this position of the Ascending Node is fortunate for speculating, if the horoscope at birth on the whole shows that the native is lucky.

The Descending Node (Dragon's Tail) in the Eleventh House does not always bring friends and acquaintances of a specially high social status. It causes the native to come into contact with people who may do him harm. Some of his associates will not be disinterested, and will try to cause him pecuniary losses. This position may also indicate a heavy monetary loss to the Mother, or Wife, if the Moon is in bad aspect.

(Isabel Hickey)

Through self-expression (through the use of the individual's creative force, whether it be children of the body, mind or emotions), he will find fulfillment. Attention must be given to developing his own desires; and he will not be led by others. In the past the attitude was 'Let George do it'. Now George won't do it, and the person has to develop his own goals and objectives. Friends have helped in the past, and thereby weakened the person instead of strengthening him. Dependence is a habit pattern buried deeply in the subconscious; but this time the will to stand on one's own strength and attain their own goals is the necessary ingredient for a successful life.

(Bernice Grebner)

A person having North Node in the 5th needs to learn to use his heart and become attached in a very personal way. He needs to love deeply and intensely on a one-to-one basis. There is also a deficiency or delay concerning children in his life. The children can be physical, mental, or spiritual offspring. He should develop a great desire to be creative in some endeavor. This person cannot seem to hold onto love until later in life, because he simply does not know how. He seems able to succeed in this more successfully when he meets someone with South Node in the fifth. Aspects to the Node are very important in determining whether he has the strength to acquire this new

growth. As an example, bad aspects to the Moon or Neptune could give emotional problems by loss of touch with reality in this regard. North Node here needs to learn to consider self in loving. He may not be able to express his love fully.

South Node in the eleventh is unattached love. It is too detached and selfless. Friendships, social affairs, reforming drives, and advanced ideas in human relationships are part of the perfected South Node in the eleventh. This person is friendly and open, and instinctively knows society's needs. Friends can turn into lovers; and he truly needs an intense love affair to fulfill his soul's destiny. People with the South Node in the eleventh house suffer real discomfort in close relationships between members of the opposite sex. They have very utopian ideals where human needs are concerned. This varies with signs and aspects, but these ideals must be used as a basis of leadership in social and / or political causes where he can teach others humanitarian ideals. Here, we find many government officials or those dealing with the public welfare.

(Mohan Koparkar)

This condition often signifies close relationship with children. They have fairly good success in love / romance, but regarding friendships they may have many disappointments. Their love given to others is much more elaborate than what they receive back. This imbalance in love exchange creates internal inferiority complex in them; and sometimes frustrations affect the relationship. Their creative ideas can be out-of-this-world and at times ahead of time as well. They often find their vista-sphere of life is limited, and many of their goals and ambitions remain as a fantasy. Their love affairs often have a previous life connection; and they can feel that awareness when they are with others.

(Martin Schulman)

Here the individual is learning about the Creative Process. He spends much time in the clouds, hitching his wagon to some distant dream or pondering through his vast multitude of fantastic ideas. In past incarnations, he lived for the fulfillment of wishes. Now his gossamer world of wispy dreams is so ornamented with the accumulated fragrance of promise that it takes a great deal of realistic prodding to shake him loose.

From a young age, he has learned to become a 'people-watcher', spending most of his conscious hours pondering the possibilities of other people's actions. As a result of prior lives, he has learned to become highly imaginative and inventive; at times he is even ingenious, but he is too used to spending most of his mental powers working out the intricate plots of his fantastic daydreams.

He never ceases to amaze himself at the oddities he can conjure up within his own mind; but for all his ingenuity he is one of the least practical people of the zodiac. He is always deeply enmeshed in thought. What he is really doing is seeking symbols which

will provide new material for future dreams.

His karma is to learn the importance of dreams, inasmuch as how they explain his life. Ultimately he comes to realize that his entire existence has consisted of acting out his dreams, to the point that he has become the puppet of his own fantasies.

When he does come down to earth, his first instinct is to reach for friends who in either appearance or behavior remind him of the characters of his wispy fantasyland.

His mind is constantly drifting off into the distant future; and there, in the science fiction of a century as yet un-lived, he indulges himself in the intriguing fascination of the remotest possibilities which would otherwise have little or no bearing on his current life. Still, he likes to ponder.

He thinks much about the value of his work as well as of the effects of his childhood, both of which he blames for his difficulties in coping with his sex urges.

The truth is that neither his work nor his parents, nor even his sex urges truly bother him, but instead his frustration arises from the gap he sees between the reality of his past-life dream-world and the sharp awakening circumstances through whose boundaries and limitations his current life is actually lived.

He finds it difficult to understand why there is a barrier between dreams and actions; and as a result, he spends much effort trying to break through the walls of limitation that separate one world from the other.

But all the while he is dissipating his strength; and the more he does this, the less he is able to create his own life.

He must realize that through his fifth house North Node he is now given the greatest gift that man can receive - the power to create his own identity. By studying the process of creation, he can become aware that it is his own thoughts that have caused all the circumstances that he deems real in his life. He must then go further to understand the link between his thought and his dreams, for truly it is his life of dreams that in greater measure than he thinks is creating his life on earth.

He must learn to be responsible about his dreams and careful of what he wishes for, since he, more than one with any other Nodal position in the zodiac, will actually see his dreams materialize. But always the physical effect of each dream comes with a slight twist; enough to make him aware of the danger of creating selfishly.

This individual will have to live his dreams long after he remembers the reasons for them. It is a strong part of his continuing karma to understand 'wish power'; and how better to understand it than by living through the consequences of all his wishes?

Thus, his life is both a blessing and a curse for each time he rubs Aladdin's lamp his soul will either move higher on the wings of spirit or sink miserably in the depths of his own private hell.

He is learning that the dreams of his eleventh house South Node are under the rulership of Aquarius, where they must be directed towards a service for humanity; and that the more he wishes for others, the more he will ultimately have for himself. But when he reverses this process, his life becomes a veritable shambles.

If he chooses to create for himself, he faces the unfortunate results of misusing a sacred gift, for his dreams ultimately will become so jaded as to be utterly worthless insofar as they are able to bring him happiness.

Unless these Nodes fall in Water and Earth signs, they can cause difficulty in relationships and marriage due to so much past-life residue of non-attachment.

Major turning points in the current life revolve around children, through whose eyes the individual comes to understand his own sense of self-worth. He observes how children put their dreams into action, and soon comes to realize that instead of making his dreams the plans for his future he actually has been allowing them to block every present moment. Once he sees his dreams as a well with no bottom, he is able to let go of the castles in the sky and focus his attention on whatever he is creating in the present.

To do this, he even reaches the point of becoming aware of how he allows his great need for friendships to dissipate his creative energies.

More than anything else, he desires to be a doer; but it is only after he gives up every personal dream that he can become strong enough to take the building blocks of his life and put them together. He must literally take the bull by the horns instead of allowing himself to be led through the gossamer Cinderella world his soul remembers.

To accomplish this, he would do well to spend much of his time learning self-discipline, for only through the ability to guide himself will he ultimately be able to surface from the deep waters in which for lifetimes he has submerged his hopes and his dreams.

The sign which contains the South Node shows the ways in which past-life dreams continue into this incarnation. The sign which contains the North Node indicates how the individual can constructively apply all his dreams to reality through expressing creatively all he feels inside.

Some highly evolved souls with these Nodes have experienced Cosmic Consciousness in a former life. Now through their fifth house North Node they are here to bring this awareness to the children of earth.

(Donna van Toen)

Conflicts: Pleasurable childrearing vs. pleasurable social life. Romance vs. friendship. Creative ambitions vs. social or humanitarian ambitions.

Possible results of sacrificing North Node: Impracticality. tendency to think instead of act. Mental drifting and daydreaming. Undervaluation of creativity or procreation. Frustrated hopes.

Possible ways to integrate North Node: Fulfill dreams in a practical way. Develop potential for enjoying leisure time in an active, tangible way. Exploit ability to bring pleasure to others. Examine feelings about children, childrearing and procreation. Don't use group priorities as an excuse for neglecting your personal goals.

In the fifth house, there's a hang-up about self-expression. Here we have the social climber of the show-off. Less commonly we see the 'Aw shucks, it was nothing' syndrome. Humility is either lacking or perverted in some way. In some way, the ability to verbalize your attitudes is detrimental to relationship formation. Romance is usually the most common area of difficulty, although parent-child relationships and social life in general can suffer as well. Sometimes there's a tendency to expect your children to do what you couldn't, whether it's marry a millionaire, become a brain surgeon, or simply be the most popular child in the class.

North Node in the fifth house wants to be considered loyal, above all else. Fun, romance, and children often play a role in the dream motif. This person wants to be thought of as a powerful instrument or advocate of good. This person tends to be rather moody. He or she is inclined to attract sensitive souls to befriend; sometimes these people are cranky or difficult, and severely test North Node in fifth's desire to remain loyal. Parents are generally a strong influence for better or worse. Often there's over-concern about whether the parents will approve of their actions or not. If the person chooses to break away from parental dominance, he or she may suffer severe guilt pangs that hinder effective functioning. The dream of loyalty must be tempered by a primary loyalty to self before the rest of the dream can be fulfilled.

(Black Moon) Lilith ♀ in ♒ Aquarius 19° 41'

([1147] elsaelsa.com)

Neo-Creator

If you have Black Moon Lilith in Aquarius, the pain you've experienced through your Lilith placement has made you independent and unique. You learned that if you don't set your own terms in life, someone else will do it for you.

However your Black Moon Lilith wounds have played out (shown by the house placement of your Lilith), you've found that it's better to keep your distance from the drama. While everyone seems to be scurrying about like little cogs in the machine of the demiurge, you have pulled way back, recognizing that way if life isn't for you. You carefully maintain a sense of detachment and separateness. And this has become your go-to way to cope. When in doubt, you pull out.

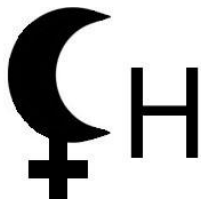

This can sometimes leave you feeling like an alien. Your identity doesn't fit into anyone else's box. You refuse to mold yourself into something other people find more digestible. Instead, you cling to your uniqueness as a way to separate you from the world that you can so clearly see is broken. Conforming to an inhuman system is no virtue, and you know this in your bones. So sometimes you wear your differences with pride because they mark you as something more than the unwashed masses. In this way, you've bought your sense of peace at the expense of your connection to others.

But it's not about being different so that you can be better than others. The problem isn't that other people are sheep so much as it's a system that is herding people off a cliff. You see how power is abused, money is king, and normal people are ground up in a system that only benefits a select few. You also know the world can be better. There are a million ways humans can organize themselves, and there's got to be something better than this. So you've become someone who can solve problems on a global scale. Even on a personal level, you find yourself always attempting to find a better way of doing things. Overhauling the system is your default.

Of course, this experience can be pretty lonely. There aren't a lot of job listings or dating ads looking for an aloof genius bent on saving the world by turning it upside down. Not to mention what a heavy burden it is, always trying to rebuild the world. To mitigate some of this pain, lean on Leo, the sign opposite to Aquarius. Leo recognizes that identity can be something that springs from within you, not as a reaction to what is around you. Leo realizes that detaching from the system doesn't mean detaching from other people. And Leo knows that any new world has to be designed with heart. Without it, you create the very kind of system you want to dismantle.

I could easily write a book on this placement alone, but I'll end here: This is one of the best places for Lilith to be. Your ability to see the big picture and how to improve it is your superpower. As you strive to build a world that reflects your ideals, Lilith will be standing right beside you. If you can make sure you never lose the love in your heart, there's no reason you can't make your new world a reality.

(Black Moon) Lilith ♀ in IV 4th House

([1152] elsaelsa.com)

Deep Roots

If you have Lilith in the 4th house of your chart, her themes will manifest in the areas of home, family, and roots. Lilith's energy is deeply personal to you and is at the core of your being.

With this placement, you likely encountered your wound and rage early in life. It may have been caused by your parents or family, or at the least it was mishandled by them. Instead, you were made aware of how inconvenient your pain was to others and it was dismissed, controlled, and contained.

In traditional astrology, the 4th house is the subterranean angle. This is the deepest, darkest, most private part of you. It is your tap root, and it is the soil from which you spring. Having Lilith here shows that your primal fury and righteous indignation has been fundamental in forming the person you've become.

With Lilith in the 4th, "the personal is the political" is much more than a slogan. It is your deepest truth. While you might not be out waving signs at every protest, it is likely that you have organized your life to align with your beliefs, often in unseen ways. At the very least, you will strive to carve out a space in your life and your home for contemplation and to process your emotions in safety. As one 4th house native I know likes to say, "I am the priestess in my own den of spirit."

Though there is much more to say, I will end with this: though Lilith in the 4th house is most certainly painful, it comes with blessings as well. It provides courage and conviction. It gives a strength and resilience that can't be taught. In the immortal words of Tolkien, "Deep roots are not touched by the frost."

Lessons

Despite how volatile Chiron in Pisces is, the pure essence of Pisces still runs throughout those who have this placement.

Their kind and loving energy are some of their greatest qualities. They capture the spirit of Lightworkers. It is evident that they want to make a difference in people's lives, regardless of whether or not there are selfish intentions behind it.

However, this is a self-inflicted part of their behavior that must be toned down if they wish to find peace.

The Pisces Chiron must make time for their own needs. They are so busy catering to everyone else that they neglect themselves. It may take a while for them to adapt.

If they want to improve their circumstances, they must be open-minded. They must focus on themselves for a while and refrain from trying to solve everyone's problems.

Though it is good to be helpful and offer support to others it can be overwhelming to take on too much at once.

Overloading the Pisces Chiron with the heartbreak, drama, and problems of others is detrimental to their wellbeing. If they wish to be of service to others, they must make sure that they are fit to do so.

Forcing themselves to be everything for everything is counterproductive. They run the risk of taking on too many problems and their judgment could be clouded by multiple energies demanding their attention.

To remedy this the Pisces Chiron must retreat. They need to distance themselves from the world and embrace solitude. They may use the time to reflect, release negative

energy, and prioritize themselves.

When alone they can use the time to practice self-care and build up a loving relationship with themselves.

The Pisces Chiron can still help others, they just need to know their limits. They have an incredible psychic gift that can help so many people. When they are ready and able, they can put this to good use and guide others.

As a clairvoyant, their perspective and insight when looking into someone's future can help them to make the right decisions and fulfill Pisces Chiron's need to help and satisfy others.

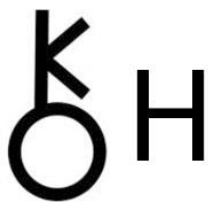

Though the wound of Pisces Chiron may never fully close, it can still offer healing. When the Pisces Chiron becomes aware of the darker aspects of their soul they can work to stay on the right path.

The trauma and harm of their karmic pain could make them stronger if they are willing to try.

The complexities of Chiron seem to be never-ending as it weaves its way through our lives. However, the scar or wound that it has given us is a reminder that we can face any challenge and come out on the other side.

There is nothing that can take away our power. Our strength lies within, and we can rise above the negativity and live to see another day.

Whatever happened in their childhood and during their formative years left a scar on their souls.

Persons born with Chiron in the 5th house experienced something traumatic as kids. That left them ashamed of their will to play or to voice out their opinions. They could be used to others laughing at their views or interrupting them.

Children are vulnerable, and one small issue could forever change the direction of their development. It is what likely happened to those born with Chiron in the 5th house.

Something stopped or slowed down the progress of their self-esteem. Because of that, they could be shy, struggle with anxiety, and fear public speaking.

They grew up to be overly sensitive to how others receive and comment on their ideas, opinions, and views. They either don't express them, or they're highly apprehensive when doing it.

People born with Chiron in the 5th house are likely silent in a group when everyone else is explaining their perspective on different topics. Even if they have a strong and captivating opinion inside their minds, they're too afraid of rejection.

Inside, they are still that same kid who was shut down, laughed at, or pushed aside. It is as if they have unfinished versions of their childhood-self, residing within. They still feel like that child who didn't get enough attention, acknowledgment, or time to be careless, play, or speak their minds.

It is why they're too hesitant to open up and show who they are and what makes them different.

Embracing the inner uniqueness

Due to growing up scared and with many insecurities, they tend to become fearful adults who never let themselves relax and enjoy.

People born with Chiron in the 5th house fear letting go of their defense mechanisms. They believe that others would laugh at them. That takes a lot of joy and happiness from their lives, and they rarely manage to be who they are inside.

One of the essential lessons that they must learn is that they shouldn't look back and hold on to those who didn't acknowledge them, understand, or applaud.

Besides, people with Chiron in the 5th house should remember that many people go through the same struggle, not getting enough support from their parents or peers.

These individuals shouldn't let that steal their light and talent; they want to share with the world. They have to liberate themselves from the chain of past hurt and humiliation.

Individuals with Chiron in the 5th house should learn how to open up to the world, be free to be creative, and enjoy. They should do it for themselves and the pleasure they get from it, not because of acknowledgment or recognition. It is the only way how they could start healing their wound.

Part of Fortune ⊗ in ♊ **Sagittarius** 23° 13'

([1283] astrolibrary.org)

You need freedom to explore and avoid stifling situations, so that you may experience a joy without limits.

Your fulfillment will take place in far away places, whether mentally or in other countries. Whatever you experience will become broader and more meaningful. In addition, you are lucky by nature wherever you go.

You like to try new things that expand awareness and knowledge of life as a whole.

Gemini is the sign opposite to your Part of Fortune in Sagittarius. Through Gemini, you know the indecision of people and their superficiality in trying to please themselves and not committing to something meaningful.

You feel an enormous curiosity for all things and people. Although you are very comfortable in the midst of nature and a natural environment, since you understand the

truth of the natural laws of human beings and the Universe.

You are aware that, sometimes, when trying to gain the acceptance of others, you are untrue with yourself. So, you must be frank and direct, since you realize the apparent dualities of any situation, being able to obtain the essential meaning of each moment and observe the unity of all situations.

You have to stay free to express yourself spontaneously and with full sincerity and honesty with yourself. This helps you take a decided and correct action. You can maintain an energy of enthusiasm and optimism even when facing very difficult conflicts. You encourage and inspire all the people with whom you work or have contact.

You have a powerful prophetic vision to project yourself into the future, and many times your willpower and clarity of vision make that future come true.

You feel well any place you go. In any place, you feel at home. You know how to flow with enthusiasm in all situations, without letting yourself be involved in something that could deny your own optimism.

You radiate happiness. Although, sometimes you do not realize it, and you make the mistake of trying to look for it in others.

You must avoid judging yourself too harshly. Do not compare yourself with others. Nor should you think that you can make others happy, because you would lose your own sense of inner joy. You should know that this can not be transferred from one person to another.

You will do better through constant spontaneity, simply by being and experiencing the total truth of each moment in your life and each situation. You will feel happy, bringing more sense and meaning to all the circumstances and people around you and raising their spiritual awareness. By not taking it personally, you are left free to change to another situation that is asking for your attention at that moment.

Undoubtedly, your joy is present in all your significant contacts. These contacts give more meaning and understanding to your life.

Part of Fortune ☒ in II 2nd House

([1288] astrolibrary.org)

You enjoy discovering what is of true value to you as you become more sure of your principles, building a wealth that gives meaning and richness to your life.

Possessions and money are important to you as long as they reflect your most sincere values.

Since your Part of Fortune is in the second house of your birth chart, the eighth house is the opposite house. Through the eighth house you will know the values of others. So, you must learn to differentiate what is good for you personally and what is good for others.

Therefore, your greatest fulfillment comes from knowing how to maintain your personal integrity, and from everything that you know rightfully belongs to you.

Your greatest weakness is to let yourself be absorbed by the sexual values of others. Your greatest happiness comes from achieving inner stability, and a strength of values that can not be altered by others or by society.

You look for strong principles that guide you in your life. You must learn that other people will also find theirs. You should not try to force yours onto them because it would be trying to give something to others that they are not ready to receive, or are not willing to listen to. This would only weaken you, and in addition, you would risk losing your goal and doubting the validity of what you already have.

You learn to appreciate the values of others in an impartial way. This helps you accept the validity of ideas that are contrary or different from yours and that do not really threaten the security of yours. You know that the world is large enough and that variety adds richness to the world.

In the second house of your birth chart, wealth is built. In the eighth house, the false aspects of that wealth are destroyed, either physically or mentally.

You will notice how others change their opinions. Therefore you will have clashes with friends and family, and fundamental differences of opinions, principles and values. These will decrease when you know how to not take it personally, when you take it as if their opinions do not threaten what you value and possess.

With this detachment and impartiality you will express your divine nature and the importance of defending meaningful principles and having integrity, without it resulting in violent struggles or losing your inner peace. Thus you will develop the ability to see what is meaningful and necessary for you, and this will be your greatest happiness.

1) ► **Ascendant ASC Parallel ♀ Pallas** - (0°38') ♀1 | ☿9

([588] 12andus.com:) You can appear like a guardian angel, showing up just when you are needed most. Your body language and your style of expressing yourself shows your intellect and abilities to see the bigger patterns.

You are assertive but don't need to be overbearing. You can be direct and confident in your vision. You show your vision and passion yet you also walk your talk. This means you don't need to be overbearing or domineering in order to get your message across.

You know how to leverage your tone, body language and appearance to fully represent your message and strategy. You know how to dress for success and you know how to make a powerful first impression.

Others learn quickly not to cross you, though you would rather use your clout to influence people in positive ways than to intimidate others.

2) ► **Midheaven MC Parallel ♂ Uranus** - (1°38') ♀1 | ♄3

([78] astromatrix.org:) Extreme Individualist

People should be prepared to encounter you as an extreme individualist. Even while you are very young, you insist on doing everything your way, and you strongly resist any pressures to conform. In fact, the best way to ensure that you will not do something is to try to force you to do it.

You are a rebel, and the established ways of living will not attract you particularly. On the other hand, you can be very creative with this aspect, because you have much originality and can see life in ways that others are blind to. You may be very inventive; in fact, this placement is characteristic of people who make a career in scientific or technological invention.

You may get a great deal of satisfaction from goading others. When you see people who are set in their ways, you cannot resist playing jokes or otherwise outraging them. Obviously if you are going to do this, you can expect to have problems with teachers and other authority figures, even your parents, who would prefer that you conform a bit more and stop rocking the boat. Teachers might find you quite difficult to deal with, not only because you insist on breaking rules, but also because you are very restless and hate to sit still for long. This placement may indicate a nervous disposition as well. Eventually, you should learn when it is worthwhile to rebel and when it is not. However, adults who want to restrain you should not try to do so by force. If they do, you will develop a lifelong negative attitude toward authority.

3) ► **Midheaven MC Parallel ♀ Pluto** - (0°43') ♀1 | ♇12

([94] astromatrix.org;) The Shape Shifter

During your life, you will go through many changes, but you will always have the desire to make an impact upon the world and to be regarded as a person of significance. The danger you must face is that you may want to go too far too fast and thereby alienate the people who have authority over you.

While you are young, this will mean mostly parents and teachers, but you might occasionally encounter police or government officials. You are likely to have a very intense relationship with one of your parents, and it is important that this be a good relationship as well. Unless it is constructive, guilt and other forms of emotional bondage may arise from it. You must be able to talk to that parent openly and honestly, and he or she must be able to let go as you become more mature.

Unfortunately, this placement often indicates that one of your parents tries to arrest your development at some point through being over possessive and domineering. Sometimes the method is very subtle, using self-sacrifice and guilt, instead of more open power tactics. But a positive and creative parent relationship will give you self-confidence and the desire to achieve something of great significance in your life.

One thought that you must always keep before you, however, is the necessity of doing everything openly and honestly. Otherwise, at some point in your life, all the negative consequences of your actions will be exposed, thus tearing down whatever good you have done. Nixon is an example of this type of person.

4) ► *Imum-Coeli* IC *Parallel* ♂ *Mars* - (0°05') ♄7 | ♃6

([188] astromatrix.org;) Fighting To Win

Opportunities: 1. Creating a Nice Home 2. Surrounding Yourself with Beauty

Challenges: 1. Dealing with Life's Practicalities 2. Knowing Yourself

This position can have two quite different effects. On one hand, you may be subject to compulsive desires, wanting to do things without any special reason except willfulness. Such actions are usually rash and sudden and may be caused by an inner emotional upheaval. Sometimes this happens because you have had such a stormy and turbulent home life as a young child that all your resentment comes out in sudden aggressive energies. To counter this, your parents should provide you with a reasonably stable and supportive home life, where you can feel that you are accepted for yourself.

On the other hand, if you feel confident that your family loves and accepts you, you will experience the energies of this aspect quite differently. You will determine the course of your life very directly, according to your own inner needs and impulses. You will be conscious of these needs, so that you can gratify them in a controlled way instead of being at the mercy of your inner drives.

In general, you will succeed by creating a satisfying inner life more than by achieving in ways that the outer world can easily recognize. You may or may not be successful in

your career, but that will not be as important to you as inner satisfaction.

While you are young, your parents should understand this and help you discover your own needs rather than make you conform to other people's expectations.

5) ► **Imum-Coeli** IC **Parallel** ☾ **North-Node** - (0°23') ♄7 | ☽5

([217] astromatrix.org;) Becoming Humble

With North Node opposition the Midheaven, success and monetary gain come through your domestic life. You always have a roof over your head, however temporary. You benefit through your parents and other family members. The timing of events in your domestic life with current social events brings good fortune, especially in your later years. However, misfortune comes through blocked professional interests as you rarely get the recognition you sometimes deserve due to lack of poor timing. Your long-time habits often clash with social norms, giving you a bad reputation. Poor timing often prevents you from meeting people who could help advance your career. However, your ability to work hard leads to your eventual success, but it may benefit others more than you.

Your karmic path is not aligned with your ambitions; it is suggested that in a prior life that these people received plenty of recognition for your efforts. You may have been in positions of authority where others would have helped you achieve great things or notorious things, much depends on the aspects to this position.

There is often a need to develop a sense of humbleness as well as a modest attitude where you will put emphasis on the home and family rather than making a name for yourself. You may have to take a humble stance in the material world and leave behind their need for recognition and achievement. You will be drawn too working within the family and home environment, developing yourself on a deep emotional level, which is quite different from your previous existence.

6) ► **Sun** ☉ **Parallel** ♆ **Neptune** - (1°36') ♁4 | ♃2

([9] astromatrix.org;) The Dreamer

Any Neptune aspect to the Sun is likely to have a distinct impact on the individual expression of personal power, identity and life direction, so it becomes important to create a positive approach to the Neptunian energy and especially so with the more influential aspects of the conjunction, square and opposition. The difficulty with an unintegrated or repressed Neptune is that its influence often appears to be negative, and with the conjunction aspect it is imperative to discover a way of joining this energy to the natural form of expression that the Sun sign indicates.

You will probably experience an ongoing challenge of self-confidence and of establishing a suitable and satisfying lifestyle and sense of purpose. The nebulous influence of Neptune's sea mists tends to confuse you, dissolving many of your intentions away, and making your sense of individual identity almost transparent at times as that personality

center seems to ebb and flow in tune with an inner tidal rhythm.

Because of an inner experience associated with insubstantiality, you can lack the strength of a firm and fixed individuality, and this has the effect of diminishing confidence regarding your actual capabilities and will to achieve any objectives. You can find it hard to be consistent and to persevere through self-discipline and application for long periods of time. Your identity can appear to be periodically submerged by the powerful Neptune energy, dissolving plans and ambitions, and then leaving you washed ashore in another inner place wondering what to do next even before you have completed the last project.

That ethereal Neptunian music will invade your conscious mind, acting as a diverting distraction, and in some cases can influence the listener to become lost in the swirling of your own hyperactive imagination, leading to self-delusions. Confronting the stark realities of life is not always easy with a prominent Neptune. There is a tendency to build a private reality, one which excludes the dark sides of self and the world, establishing a veiled and limiting perspective of life which only generates activity by additional repression into the unconscious mind.

Personal responsibility is avoided if possible, and all experiences are filtered through this restrictive veil, a state that if prolonged leads to inner and outer alienation. Often these forms of self-delusion emanate from personal desires, emotions and sensitive feelings, as Neptune is associated with the plastic and pliable astral level. You may develop unusual needs and desires which are subtle, intangible yet peculiarly persistent, and you may feel inwardly driven to experience or actualize them in some way. For many, such hard-to-define feelings and yearnings create more confusion and self-deception, especially when attached to idealistic images of perfection and unrealistic expectations which can only bring disillusionment and disappointment in their wake.

For the few, Neptune may bring genuine inspiration, although, even in such cases, this may become mixed with desires of self-elevation and ambitions, especially in the sphere of the conjunction's house. One of the hardest lessons for anyone with a close Neptune aspect is facing the realities of life. Neptune finds such confrontations almost inimical to its sensitivities, preferring to slide away instead of looking. You may have noticed such evasiveness in your life, manifesting in a variety of disguises through the years.

7) ► **Sun** ☉ **Parallel** Vx **Vertex** - (0°03') ♀4 | ♀4

([130] astrotarot.net:) The chance moment!

Typical features that this conjunction brings: You find it relatively easy to be a person of importance. Also, Your own self-esteem attracts prominent people to you. And the risks you take are usually rigorous. Being in charge of others and coming before the public are areas in which you are comfortable.

- If this rear aspect exists in your natal chart you need to work on: first impressions. Also you need to work on the self and appearance, leadership skills, new initiatives, fresh starts and beginnings. Whatever lives in this house helps you understand how the

people around you perceive you. Remember, depending on the house location of the Vertex in the natal chart, you will have a lesson involving the area of the house it's in.

- Individuals with too many conjunctions: Many astrologists think that having conjunctions everywhere is a good thing, because it is a positive aspect. It would mean that the person with all the conjunctions is even more like the sign which everything seems conjunct in. Positive traits and negative traits are much more apt to being magnified than if they only had one planet in that specific sign. But it is always good to have a certain balance or aspects. It makes a person more grounded and sane.

8) ► **Moon** ☾ **Contra-Parallel** ♌ **Chiron** - (1°03') ♋2 | 005

And then you proceed to cover it up and avoid the issue.

- Negative trades: Moon opposite Chiron is a touchy aspect that can arouse old wounds and leave you feeling weak and vulnerable. In the terms of traditional psychology, they have "boundary problems." This is a very hard position to live with.

9) ► **Mercury** ☿ **Contra-Parallel** ♊ **Jupiter** - (1°27') ♋12 | 133

([165] astromatrix.org:) The Pseudo Intellectual

When Mercury is in Opposition to Jupiter, you will feel as though you want a lot without putting in the effort to get it. You have an original, fertile mind but are often absentminded.

You can be a good bluffer, but you're easily frustrated, and your memory often fails under stress. Your mind is quite active, and you are able to learn when you want to, the trouble is you rarely find the persistence to keep going or you can get easily distracted by other subjects. You need to acquire thoroughness and attention to detail. Your thinking and studying habits are not always orderly or disciplined, and this can of course

result in sloppiness.

In an attempt to attach greater meaning to your thoughts and ideas, you might frequently overstate or overestimate. You can be extraordinarily funny and interesting. The problem is that you can alternate between the rational, critical and logic minded Mercury to the idealist, optimistic big picture Jupiter which can make you lose focus or become confused as to why you are doing what you are doing.

You must learn to be more disciplined, to concentrate more on details and to be more persistent with your projects. Try not to alienate others that hold a different opinion or belief to yourself, or avoid interactions based around intellectual inferiority. Become a better listener, try to understand different points of views and perspectives, this will help develop your mind further and assist you in having more clarity.

Some good careers where you might be successful in if you put in enough effort are Law, Education, Teaching, Lecturing, Marketing or other fields where your communication and literary skills can be put to use.

10) ► **Mercury** ☿ **Contra-Parallel** ⚡ **Uranus** - (1°59') ♅12 | ♃3

([167] astromatrix.org;) The Deluded Egotist

With this opposition, you are likely to experience conflicts in your social relationships. The problem area will be in how you express yourself in communicating with others, and those inner attitudes which condition that style of communication. Whilst you will have considerable mental vitality, the difficulty will be in directing this into productive channels.

The tendency will be towards an erratic inner activity; the nature of your beliefs, ideals and thought patterns will be changeable; and the attractions of new stimulation will often tempt you away from completing existing projects. The challenge of the new redirects your energy and interests and so, your commitments and responsibilities may feel like restrictive liabilities.

Despite this erratic pattern of mind, you tend to insist that whatever you say, and think is valid, even though only a short time ago you were vehemently declaring an entirely opposite attitude, idea or belief. Obviously, this can lead to interpersonal conflict, as most people prefer dealing with relatively stable and consistent individuals, as it helps to develop trust and continuity. Yet if others challenge you by repeating past statements that you have made and are now contradicting, you tend to take offence, often attempting to deny that you ever did say that.

Essentially, your reaction is often to deny all prior expressions of yourself, refusing to take any responsibility for them. Having experienced this aspect of your nature, many people will begin to draw away from maintaining a relationship with you, because you seem unreliable and difficult to believe. This in a peculiar way reinforces a tendency in you to see yourself as unique and misunderstood, which you often use to justify a

rejection of social compromise; and you never admit in any circumstances that you are wrong.

You appear to project the belief that you 'know it all', and probably succeed more in deluding yourself that you do than in persuading others of your expert knowledge. Underlying these more negative styles of expression is a personality which experiences inner confusion and insecurity yet attempts to hide this by a superficial image of intellectual superiority. Emotionally, there is likely to be immaturity and lack of ease with that level of your nature, and you are unlikely to touch others easily with the warmth of your personality. This lack of sensitivity and responsiveness to the more intangible 'feeling' aspect of human contact often leads to a tactless and blunt expression, where your ignorance of diplomacy can have negative consequences. How can you resolve or moderate these challenges within your relationships? The first important step is to acknowledge their presence, to admit that you often are this way. The fact that you may deny them to yourself does not mean that others do not see them clearly.

Often, others do see such problem areas, whilst the individual is apparently blind to their existence. They are personal delusions. Being willing to work with people, learning to compromise, and participating as an intellectual equal, will help to moderate these oppositional tendencies. It is a new sense of personal identity that you should attempt to develop, one founded upon the real you, and not the socially projected assertive one that others may react against. It will involve an acceptance of your inner vulnerability, dissolving that peculiar egotistical construction, and ceasing your attempts to impress people. By stopping that process, you may begin to find your center, resolve certain conflicts, and redirect the flow of the aspect energy towards personal renewal. Certainly, that inner erratic agitation could be more harmonized and adjusted, thus reducing that build-up of nervous tension from which you suffer.

11) ► **Mercury** ☿ **Contra-Parallel** ♋ **Vesta** - (0°42') ♄12 | ♃2

([611] 12andus.com:) You may feel torn between your ideas and plans for your own future and a path to which you are devoted.

Your spark of enthusiasm and inspiration may lead you to take your sacred mission seriously, but you have a hard time giving yourself completely to serve others. You may fear losing autonomy or that your mind will no longer fully be your own.

When you work through these fears, however, you can achieve balance between dedicating your intellectual gifts and communication skills to the service of a mission that benefits others and your own personal learnings.

You can come to satisfy both your own quest for knowledge and your desire to use your intelligence to serve others. you may sacrifice some aspect of your interests or plans but will gain more in return as long as you fulfill your obligations of service or spiritual quest.

12) ► **Mercury** ☿ **Parallel** ⊗ **Fortune** - (1°54') ♌12 | ♊2

13) ► **Mars** ♂ **Contra-Parallel** ⚡ **Uranus** - (1°43') ♎6 | ♈3

([184] astromatrix.org;) The Opposer

The energies generated by the opposition aspect are often projected out into the external world; and this will be true in respect of the powerful energy released by this Mars-Uranus aspect.

If this is expressed through a more integrated consciousness, which is sure of the direction to travel, then its impact can be considerable. If it is manifesting through a less integrated personality, then it can create real problems in life. Again, the revolutionary tendency is very strong, and you will have a natural antipathy towards traditions and static patterns of acceptable social lifestyles.

Your attitude will be anti-authoritarian, and you will be iconoclastic in your questioning of the status quo, and critical of those who are in positions of social responsibility and power. Hypocrisy from leaders especially upsets you, and you can be scathing in denouncing it. In fact, you probably have developed a fairly demanding set of personal principles and ideals from which you perceive the world. You tend to expect less from 'ordinary people', acknowledging their frailties; but you expect the highest standards

from social leaders.

Concepts of social justice, equality and change attract you, and this can draw you into relationships with revolutionary or reactionary political groups. Depending upon the overall bias of the chart, your radicalism could be directed towards a re-creation of past patterns or a new creation to suit future needs and realities. Generally, though, with the Uranian impulse it will be future-orientated, and this will lead you to more altruistic liberal and humanitarian groups.

Your personality can be very assertive, even aggressive and combative. You have an image of yourself 'at war' with whatever you disagree with, whether this is just a war that you fight in your own head, or it is one that you externalize by opposing social establishments that you dislike. There is a stimulation for you in conflict; and whilst it may not always be openly displayed, you enjoy competition and intend to win and dominate. This is reminiscent of the Scorpio characteristics, which are reflected through this aspect, with the Mars-Scorpio link and Uranus exalted in Scorpio.

The quality of assertiveness could be extrovertedly expressed, stridently and powerfully, or quietly through the power of a strong personal presence. You enjoy arguments and discussions; here the stimulation of ideas, beliefs and attitudes can be enriching. Often you play devil's advocate on ideas, just to enjoy the sparks that can fly; but if it is on a subject close to your heart, then a more passionate, committed side of you emerges, one that is determined to 'win' the argument.

You oppose in principle any restrictions to individual freedoms, although in practice and with serious consideration, you do tend to impose 'limits' for valid social reasons. Your main thrust is towards a broadening of personal freedoms, and the creation of more variety and scope for potential experience and opportunity in life. If discipline is imposed upon you, and you feel that you are imprisoned in a stultifying routine, then you will rise to oppose it; however, for your own purposes you can be highly motivated and self-disciplined.

Freedom is extremely important to you and is the key to developing your own uniqueness. You feel that you have to get your own way, and this can cause problems if you are too selfish about this demand. If denied, you feel emotionally frustrated, and this becomes a form of pent-up physical tension, which in extreme cases could result in violence.

Tendencies to be arrogant, authoritarian and too self-willed can cause friction in social and intimate relationships. If your lifestyle becomes inhibiting, then this can also create explosions of sudden temper and excessive arguing to release inner pressures. Whilst you see yourself as an outsider, a loner following a personal path, there is an underlying lack of self-confidence, which Scorpio-like is hidden beneath the mask. You insist on finding and making your own way in life, pursuing one's 'dharma' (own truth), and will be

like the traditional stubborn mule if anyone else tries to lead you against your will. You learn from life's hard experiences, and indeed, you tend to accept and welcome such intensity and challenges.

Often, you will be tempted to throw off the binding shackles of the past, slough off the old skin like a snake, and burn those bridges to leave yourself free to travel forward into the bright future. You seem as though you know what you are doing, and appear to be optimistic, but this is the glow of a belief in your own ability to succeed, to cross those challenging abysses. You may need to unify your will and clarify your desires so that they work more in harmony. Potentially, this aspect if rightly applied through a reabsorbing of any negative projections back into yourself for transformation, can offer a 'magical' ability to succeed in your aims. The 'enemy' is not just 'out'.

14) ► **Mars** ♂ **Contra-Parallel** ♌ **Pluto** - (0°48') ♎6 | ♊12

([186] astromatrix.org;) To Win At Any Cost

The opposition aspect tends to reflect an inner conflict in you, that of a clash between your personal desires and a possible contributing positive role in society, as represented by the opposition between the personal Mars desires and the more socially orientated Pluto.

You probably require a greater understanding of the nature of personal power, the right application of it to benefit the group rather than to satisfy purely personal aims and desires, especially as you may have the tendency to take advantage of a group's power and influence to further your own ambitions.

Your nature will express a forceful will, which can be experienced by others as aggressiveness, making them avoid too close a contact with you; in fact, you often appear to be quite unaware of your effect on people; and a greater sensitivity to the rights and reality of others is a quality that you could do well to help develop. This would help minimize any negative effect you may have on others, especially those in close relationship to you, whom you often attempt to dominate.

Control in an intimate context is attractive to you; and you are likely to have an intense and powerful sexual nature, which at times can lead towards an affinity with forms of potentially violent passion and sexual undertones. You tend to link sex with power as an exaltation of personal force; and this can stimulate certain problems, although some potential partners can find the sheer physicality extremely exciting and provocative. This, plus the psychological manipulation that you attempt, can lead to stormy relations; and you are probably wiser to moderate and discipline your release of energy through a controlled awareness of its impact on others.

You may observe that your flow of sexual energy can be erratic and irregular, where your passions are either 'hot' or very 'cold', and you are basically unable to regulate them according to demand or switch them on. In your home life, you may find problems

arising in the spheres of financial management, and power struggles, and on the emotional levels of relationships. You probably find that your emotions are driven by the force of passion and sexual energy, and that you have a lack of real understanding of their nature, as they tend to be swept along on the tide. Perhaps this is why you often demonstrate little awareness of the emotions of others in everyday life, as yours are often held in a state of suspended repression, like waters blocked from following their natural route by a dam wall.

If the emotional level was released carefully and consistently in a healthy way, the blocked Pluto energy operating on that level could be freed, and many of your problems would begin to dissolve, leading to personal transformation. This would then adjust the level of force and suppressed violence in you, so that you would deal with your power more positively.

This would lead to a clearer perception of self and others, allowing partners more personal freedom through mutual agreement and compromise, rather than your previous imposition of will. Taking such a course could develop also towards greater social involvement, using your energy in positive and creative channels, realizing that if you can change from living mainly to satisfy purely personal desires at the expense of others, then there is the potential for a self-centered violent society to change from exploitation to co-operation and mutual benefit.

15) ► **Mars** ♂ **Parallel** ♀ **North-Node** - (0°18') ♋6 | 005

([58] astromatrix.org;) Great Strength

North Node conjunct Mars is a powerful aspect, providing a lot of physical strength, endurance, and ability. You are driven, ambitious and intensely involved in life. You have been endowed with the stamina to pursue adventures and get noticed the past they were perhaps busy doing for others and not given this chance.

You may not be content to wait for opportunities. You go out and make your own. No matter what line of work you take up, you will establish your identity and excel in their field. Mars is always first in line and often you make a name for yourself by being the first to accomplish a thing. Setting the pace, frequently having a huge influence on those following in the same footsteps or having similar interests.

You can act brave, rugged, and tough. You are willing to venture out first and not afraid to act decisively and quickly in reaction to situations. You can make an excellent entrepreneur because you aren't afraid to pioneer into new territory.

The way you take action is often in line with those around you and your timing is in step, as such they help you fulfill your soul's legacy of acting on your passions, desires and beliefs. Be careful not to let the way you do things be too influenced by social mores as there is a tendency to let others decide which beliefs are 'meant' to be acted upon instead of instinctively acting on your own.

16) ► **Mars** ♂ **Parallel** ⊗ **Fortune** - (1°48') ♀6 | ♃2

([59] astrotarot.net;) Show me the money and pleasure

Typical features that this conjunction brings: You have a “double dose” of the same sign. In other words, you have the double dose of your Mars sign. This is good regarding the positive traits of the Mars sign. Your emotional life is animated and excited with this aspect. With this Natal Mars – Part of fortune aspects you can actually feel warm. In other words, you are hot-blooded and passionate people. You have considerable energy. You have a zest for life and your infectious energy can rouse the passions of others. Also, you are brave and spontaneous. There is an inherent pressure to perform and to prove yourself and it points to a defensive nature that doesn't easily relax. You are completely ready to defend and protect your loved ones. But, you are not especially sympathetic on a more personal level. You are too emotionally excitable, self-absorbed and brusque to be considered gentle and sympathetic. Also, you are brave and you value personal freedom. Routine bores you. And you are inclined to seek out excitement in some form. You do not like to conform, you love to travel, do business and get involved in research activities. Your temper is quick, but it can disappear just as rapidly. Also, you may find it difficult not to let your strong emotions out, which has given this aspect a reputation of giving emotional rashness and a hot temper. But, this is simply a side effect of having such enthusiasm and energy for life.

- Positive traits: Natal Mars – Part of fortune aspects gives an emotionally passionate nature. Also, it gives people courage, love for adventure and the ability to find unusual solutions. You are a passionate lover and fierce fighter that need a constructive outlet for your passions.

- Negative traits: You wear your heart on your sleeve but it is healthier for you to share how you feel. Being overly sensitive to others' reactions can create a mental state where you imagine that others plot against you.

17) ► **Jupiter** ♃ **Parallel** ♂ **Uranus** - (0°32') ♃3 | ♃3

([61] astromatrix.org;) The Quest For Knowledge

The expansionary characteristics of Jupiter tend to merge well with the forward-orientated direction of Uranus; and the essential personality outlook should be optimistic and positive. You will tend to believe that there is always 'something good' waiting for you just around the corner, a faith that your future will be rewarding. In some ways, this can become a self-fulfilling prophecy; a positive mental attitude attracts your dreams towards you, enabling their manifestation to proceed more smoothly.

There are likely to be sudden or surprising opportunities arising in your life, which offer the potential of development and expansion. The opening of new horizons can be personal, through relationships and family, educational, through further study, or financial and business ventures. You may have to be ready to take full advantage of these, as they can occur sometimes without any conscious effort expended in creating

new potential expressions.

You will be very attracted towards exploring human knowledge. You have an avid curiosity; and you believe that all knowledge that you acquire offers more mental freedom and interest, and more personal power, and greatly enriches life. Often, you develop a personal program for further study in specific areas of enquiry. This is so you can gain some expertise, so that the information absorbed can be used as a foundation and springboard to launch some kind of project whereby you are able to exploit your own personal potential.

You like to create options and alternatives that you could follow, if you so choose, and often mentally build a variety of potential schemes and projects. The problem may lie in being able or willing to actually manifest any of them. Sometimes a fertile mind can circle around a multitude of attractive ideas yet fail to develop any of them. A more one-pointed discipline may be required. It is likely that in your quests for expansion and growth you will begin to ally yourself with those more progressively minded people and groups devoted to social change.

New political thinking and social alternative lifestyles will attract, especially as your bias will be against the established traditional social order. You will have a reformist outlook, not excessively radical or revolutionary, but still more future-directed than the majority. As an independent thinker, you will serve as an advocate for new horizons in life; and in sowing such seeds you can help to enrich lives by encouraging others to break free of those limiting, stagnating patterns of life. You welcome the new and unknown; you experience little fear when the winds of change begin to blow and are ready to embrace their liberating influence.

18) ► **Jupiter** ♃ **Parallel** ♌ **Pluto** - (1°27') 133 | 12

([63] astromatrix.org;) The Alchemist

This is a favorable aspect, which should allow you the opportunity to unfold your natural talents relatively easily, applying them in a concentrated and determined approach towards achieving your ambitions.

You have the fortunate ability to evoke a response from your 'inner storehouse' of gifts, and create an open channel enabling you to manifest these in an objective context. Those who are close to you or who work daily with you may be inspired by this ability; and you are likely to display certain leadership qualities.

You will approach life with zest and vitality, pouring your energy wholeheartedly into satisfying your aims and your need for success. You seem to feel that your success is guaranteed; and whilst you may often feel impatient, or temporarily frustrated in your purpose, you have too much self-confidence and determination to believe that you could fail.

The opportunities are certainly there for you; and your inner gifts are there to be actively expressed and exploited by you to achieve success. You may find that you express and explore your talents in several potentially lucrative areas, as your gifts can be applicable in a variety of ways. This can mean that you are likely to change direction several times throughout your life, possibly in a radical style, or just to find new areas to experience.

You may not have a specific goal in mind - such as a senior managerial position in one company - but could become influenced by 'the inner storehouse' of innate talents to search for new directions in order to find suitable channels of release for as yet latent gifts; you may even find a problem arising out of the very multiplicity of choices available to you. Ideally, you should look for a way of life which actually offers you a variety of channels through which to express yourself, where there is a potential for a renewal of challenges and for a demand of personal growth.

Working closely with people is likely to attract you, and interpersonal relationships can be a constant sphere of creativity and growth; much can be shared and transmitted even in creating and maintaining positive human relations at work.

In an intimate relationship, you should ensure that equality is developed, building a balance, as you may have a tendency to play the role of dominating leader too often. Development of each partner is also important; and your partner's needs and abilities should be clearly recognized and valued, helping each other to actualize hidden potentials. Change in the relationship and in your partner should arise naturally and easily; never attempt to force any process, as a natural evolution is safest, especially when in truth you cannot really understand the inner process and life experience / perception of another.

The best use of your abilities will be towards benefiting others in some way. Whilst Pluto is likely to 'co-operate' with you using this energy for personal success, if you tend to apply it in a way that exploits or abuses others through your becoming obsessed with self-satisfaction and desires, you may find that Pluto becomes more subversive and undermines your purposes, stimulating failure as a natural result of your own distorted form of expression, thus creating your own downfall as Pluto forces you to look at the need for transformation.

([8] astromatrix.org:) The Nonconformist

It is natural for those born under the Sun conjunct Uranus aspect to question tradition. These are individualists. They naturally rebel against that which is established. It doesn't mean that they consistently break all the rules, but they definitely do question some of the rules, especially those that simply don't make much sense to them.

([21] astromatrix.org:) The Visionary

This conjunction emphasizes emotional sensitivity and vulnerability to others, especially through an impressionable, sympathetic psychic empathy. The nature of your

environment will be highly influential in affecting your inner balance and well-being, so ideally you need to live and work within suitable places and with suitable people, or else you may discover that your spirit and vitality begin to wane through absorbing what are negative influences on your sensitivity.

As your heart is so open to experience life, it is equally likely to experience suffering, anguish and disappointments. Evolving ways of self-protection or essential filters to this sensitivity may be necessary over time, otherwise life could become too painful for you.

Through your innate understanding and sympathetic attitudes, you are likely to become a listener and confidante to others' problems; yet a degree of detached impersonal objectivity needs to be developed or else you will take their problems and pain away with yourself. This is not a sacrifice that needs to be made, even though you are rightly willing to offer aid and assistance to those in need.

It may be that you are attracted towards employment in the spheres of social welfare and care, where you can serve deprived people and encourage them to take steps of advancement. Certainly, that compassionate heart will be a main motivating factor in your life, and it is probably through such a route that you can most easily display your most natural qualities and abilities.

Your influence can have a beneficial and catalytic effect on others, stimulating them towards either personal growth or resolving problems. Employment which fixes you into a repetitive mundane work pattern will not be satisfying and will ultimately be a denial of your talents and abilities. It is easy to recognize when you are stuck in the wrong place.

([236] astromatrix.org;) Common Sense

With the sextile, this planetary relationship is easier to manage than with the conjunction.

While an emotionally restricted expression remains likely, it is less limiting, since your rational mind serves to dissipate inner darkness. You should be aware, however, that resolving emotional conflicts is necessary; and for you to do this, your emotional complexity needs understanding.

While you recognize that you do not have all the answers, you realize striving to understand helps to build bridges - whether within yourself or to others - and so you value the act of listening and are ready to talk about problems with friends or partners for mutual support and benefit. To you, 'a problem shared is a problem halved', and you know that taking a realistic approach to emotional problems increases the chances that eventually a constructive solution will emerge.

Part of this process is self-therapy, because you remain serious, reserved, and cautious, still uneasy with displaying feelings for others, unless they are old, trusted friends and family. Yet others turn toward you for support, not necessarily because they believe you have the answers, but because they recognize that you will honor and acknowledge their pain and confusion. In that mutual recognition a form of supportive healing and acceptance can be transmitted.

You apply an intelligent approach to life, founded on common sense and personal integrity. You will demonstrate efficiency, practicality, pragmatism, and order in whatever tasks you undertake, and will be relied on to perform in an organized manner in accordance with standard procedures. You work well within traditional workplaces where established operational structures exist and conformity to them is expected; this satisfies the Saturn expectations. Attractions to law, medicine, politics, management, local government, and education are likely. There may be financial skills which can be exploited, especially through business endeavors.

You have an aura of respectability and realism. You are not an ineffective dreamer, but a reliable member of society with high behavior standards. Personal integrity is a quality that you will not compromise, even if this means losing opportunities. If everything seems above board, however, you are usually alert to take advantage of an opportunity. Two of your assets are persistence and determination and you use these in whatever tasks you are set. You are ambitious, although not obsessively so, and will probably make steady progress. Self-development, study, and learning attracts, as you enjoy increasing knowledge and understanding.

Although you may limit this to specific interest areas, you can acquire specialist knowledge if you so choose. This could be shared with others through some form of teaching, with your knowledge effectively communicated. You prefer similar personality types in friends and partners - those who are intelligent, serious-minded, and culturally thoughtful. Close friendships and trust are important and you favor a small, select group of confidantes linked also by emotional connections, mutual care, and concern.

For a permanent partner, you want someone capable of relating deeply on every level - physical, emotional, mental, and spiritual. Your ideal relationship encourages mutual development, as both partners help each other; this becomes a creative interdependence.

You must not deny feelings, instincts, and emotions, especially when mental preoccupation is more emphasized and active. Feelings are important; and, while remaining vulnerable to their reactions, you would be unwise to ignore their messages. Liberating feelings and listening to signals from instincts should also be encouraged; discover how you can express these feelings and instincts within secure, intimate relationships, and learn to trust their guidance.

35) ► **Jupiter** ♃ **Sextile** ♄ **North-Node** - (3°53' A) 133 | 005

([277] astromatrix.org:) Finding Success

An outer planet in conjunction with one of the lunar nodes is a planet of special significance. This increases the importance of Jupiter throughout life.

With North Node sextile Jupiter good deeds in the past bring opportunities for spiritual/material wealth. There is a healthy desire to acquire material things and many advantages may result from developing financial self-sufficiency. There is a lot of optimism present but in its more negative effects there may be extravagance or over-optimism. The house position of Jupiter shows where there may be a degree of enthusiasm, over-optimism, optimism, or where things are taken for granted.

There may be some excessiveness or indulgence. This is pretty much fine though, because that house also shows where there is luck. At its worst, there may be greed, though this is quite a benign aspect as far as any harm that may be caused to others. Sometimes the aspect offers more in the way of spiritual blessings than material ones, but Jupiter is expanding the effect of the Nodes, so it is more important to align yourself with this energy, especially for opportunities of deep growth and spirituality.

Attempts at expansion of the self or mind will be encouraged and accepted. This is a placement associated with karmic luck. Your generosity and optimism will help you and bring you good fortune. There is a tendency to take things for granted here. You may attain popularity very easily or achieve success so fast that you fail to properly value it. Another key issue this placement has to watch out for is the tendency to overdo things. Don't overindulge, don't be overly generous. Learn moderation.

You have an optimistic attitude toward marriage and long term relationships. You may be tempted by desire and flirtation but you remain true to your loved ones and can easily find ways to turn around any conflict that comes your way.

37) ► **Saturn** ♄ **Sextile** ♆ **Neptune** - (0°42' S) ♄12 | ♃2

([279] astromatrix.org:) The Social Activist

Working successfully with the sextile aspect often involves action related to that strong sense of social responsibility and duties that you recognize. This sensitivity to a social role that requires performance is a major component of your motivation, and one that should not really be denied. There can be a tendency to acknowledge its presence and then fail to actually do anything about it, but ideally this should be overcome by more deliberate action. At least you can always help by funding those socially active groups whose ideals you can support. This characteristic is a combination of Saturn duty and the Neptunian social collective ideal.

The element of careful discursive planning should be evident where the right foundations for future action are established, and efficient organization is seen as necessary for a successful conclusion. There are likely to be strategic skills which can be exploited in order to achieve those intentions, whether purely personal or socially orientated.

Consistency and determination are usually well applied, and your schemes are

characterized by their realism and achievability; Neptunian over-expansiveness is tempered by Saturnian caution and a sense of stability and limitation. W

hat can inspire many of your efforts is a reaction against social injustice and foolishness. Fairness is one attitude that you support and opposing social aspects where unfairness and injustices is being expressed can almost become a personal crusade. Social discrimination and taking social advantage of those unable to resist can cause your passions to rise, leading to social activism designed to resist such encroachments on individual rights and liberties.

You dislike seeing the waste of resources, social and material ones as well as the waste of human potential. This can lead to supporting human-potential-raising groups, or ecological activists calling for new attitudes towards the excessive negative exploitation of nature's reserves.

You tend to have a social vision of harmony, where equity is achieved and social respect for all is found, rather than any unbalanced divisive situation of haves and have-nots. Concepts of the values of community or global thinking will be preferred, and you like to believe that what you are attempting is beneficial to others. If you become active in such ways at an early age - perhaps through a career choice - then you may find that it absorbs most of your energy; it is a never-ending task. This may affect your intimate relationships, especially when a partner needs to hold similar viewpoints to your own.

Ideals are important to you, and you try to live in a way that maintains rather than opposes or compromises them. Your passions are firmly fixed on issues of social concern, and even within personal love relationships your energy is too diffuse to focus just on one partner; it flows out as a feeling of social relationship too, and you often fail to understand why society is as it is, and why people are so passive in allowing negativity and indifference to flourish, even in those in high and powerful social positions of influence.

Concentration and visualization abilities should be present and can be applied through contemplation of issues or meditation. You may become effective if working in occult or socially active affinity groups committed to generating beneficial change. There is little ego gratification in such work for you, and you tend to expect a high degree of probity and idealism from others engaged in similar self-chosen roles.

With North Node square Neptune, you possess many visionary gifts. When working through its higher form, you succeed in many artistic and creative fields. There are cinematographers, filmmakers, painters, artists, sign makers, photographers, dancers, singers, musicians, actors, and designers that have this aspect.

It is questionable if you will put your unique gifts to superlative use, however. The liabilities are high with South Node conjunct Neptune. You might have led a mystic kind of life and it may be difficult to draw you out, though you could share spiritual insights that contribute to the overall karmic growth on the planet, but you may prefer to stay out of the limelight. Or you dislike the mainstream society and enjoy living within your imaginative and spiritual realms.

Your work may require seclusion and you may become a reclusive type or hermit who prefers the background. You may be so sensitive that you want to hide away. This is an emotional aspect, especially when falling in water signs. The South Node influence may distort the emotions, which fuels the mind. You may not feel like they are part of this world, as if you live in an alien world. Such feelings of alienation and psychic distortions increase the chances you will resort to drugs or other strange methods for handling their crises. The house of Neptune and its opposing house shows where the imagination and vision are enhancing those affairs or merely distorting things.

Opportunities: 1. Integrating Your Emotions 2. Deepening Your Connections

Challenges: 1. Dealing with Your Disappointments 2. Cultivating Meaning

The trine indicates that your personality can potentially integrate both Moon and Mars energies. While feelings and emotions are intense and powerful, you have confidence in your ability to handle them; they act more as a vitalizing source of energy which can be

directed rather than as a flood threatening to drown you.

Your emotional ease is communicated to others; and social and intimate relationships benefit from your open and welcoming spirit. You accept the need for compromise, and know adjustments are necessary for harmonious relationships and better social contact.

You meet challenges and difficulties positively, applying effort to transcend or resolve them. However, your self-image is strong enough not to collapse when failures are encountered. 81) ► **Mars** ♂ **Trine** ♆ **Neptune** - (0°47' A) ♃6 | ♆2

([344] astromatrix.org:) The Practical Idealist

The energies of the trine should enable you to become a practical idealist, where the spheres of personal relationships and social obligations are highlighted in your experience. Mars will provide you with a powerhouse of energy to use, and Neptune will indicate suitable directions for expression. This will be through a heart sensitivity to the problems of others, either individually or on a more impersonal, collective scale, and you will feel motivated to share in aspects of social responsibility.

Fortunately, most of your personal aims can be achieved within such a framework, and so you may be attracted towards socially orientated work, especially in the fields of welfare, medicine, community aid and physical therapy. In such ways, you feel able to share your energy by supporting others who may be struggling in life, perhaps through ill-health, disadvantaged social conditions, or family problems.

There is a natural sympathy, and your compassionate approach will often lead to many sharing their problems with you. It may be that at times you will need to cleanse yourself of 'accumulated suffering' absorbed from such work, and forms of negativity-releasing meditations or psychic protection are advised, otherwise, you may experience your level

of vitality dropping under the burdens that you choose to take.

Even if you do not adopt the Neptunian way as a profession, your closer social friends will recognize this quality of support within you, and will often turn to you for a helping hand and a listening heart, coming away feeling less burdened, more inspired and sharing in your confident energy that all will be right (or that they can at least cope successfully). This is an aspect of a healing energy that you can transmit, and which is often connected to an acute inner sensitivity to the environment and people's emotions. This empathy is a key to your potential effectiveness in relationships, an intuitive knowing of how to respond and what type of support can be offered. Some may consciously gravitate towards areas of spiritual / occult healing techniques, and this could be an effective channel to explore.

Your intimate love life should be reasonably satisfying, often with a strong emphasis on physical and heart energies, possibly with some intense and passionate romances. Once you settle with a stable partner, you will appreciate those deep emotional bonds, those subtle empathies and feelings of real relationship that can be established through mutual love. Generally, your partnerships are honest and direct.

You will tend to work against yourself until you really understand who you are and what you are doing. Your immediate desires, especially if they are compulsive and urgent, may actually prevent you from getting where you want to go in the long run.

Try not to be shortsighted, and do not assume that people who warn you of this are simply trying to hold you back. You may be rather suspicious of such people and assume that they are just trying to dominate you. This is because you sometimes try to dominate others for no particular reason. Also, you sometimes pick a fight just because you are suspicious of someone. You try to seem confident and self-assured; probably you will be when you are older, but now your aggressiveness comes from a lack of self-assurance, from a fear that others will see your inner weakness and take advantage of you. Actually, most people don't want to bother; the aggressiveness you see in others is really a reflection of your own.

Your relationships with male authority figures may be quite difficult, because you see them as challenging rather than trying to help you. The Lots (Arabic Parts) (322th Harmonic)

There is not much information on these lots. Lots are points calculated almost always from the Ascendant and two Planets (or the Moon) or another one of the lots (then

Schmidt's correction is used). The formulas used are based on Paulus Alexandrinus' and Robert Schmidt's work. Valens is another name that reoccurs with the information for these lots. (He might have slightly different formulas, but I think I took the best ones.) The texts are from 'astro.com' and 'astrology-x-files.com'.

Lots used for ranking eminence:

When these lots and their rulers occupy each other's places it indicates personal power and social mobility (eminence).

The **Lot of Fortune** is in 23° **Sagittarius** 13' and in the **2nd** house.
Part of Fortune was already interpreted in detail.

The **Lot of Spirit (Daimon)** is in 22° **Virgo** 13' and in the **11th** house.
"higher intellect" "guardian spirit/angel" The Lot of Spirit is a point which has strong psychological and spiritual overtones, unlike the very physical-plane based Lot of Fortune. The Lot of Spirit has to do with the nature of the will, what you intend (as opposed to what merely happens to you), and also has much to do with career, but apparently more your career as a statement that you make about what you are in the world. It also has to do with illness, like the Lot of Fortune, but it would seem that with the Lot of Spirit we are talking about the spiritual bases of illness as opposed to the physical bases.
"Spirit happens to be lord of soul, temper, mindfulness, and every power; and sometimes it also cooperates in the determination concerning what one does." - Paulus Alexandrinus

The **Lot of Basis** is in 6° **Leo** 43' and in the **10th** house.
Calculated from Asc, Fortune and Spirit.

The **Lot of Exaltation** is in 1° **Aquarius** 23' and in the **4th** house.
Valens says that it shows what the native is happy doing if it doesn't indicate eminence (by falling mediocre or amiss with little connection to spirit or fortune)

The Seven Hermetic Lots:

Adding Fortune and Spirit makes them 7.
These 5 are calculated with Schmidt's correction formulas.

The **Lot of Eros** is in 21° **Cancer** 22' and in the **9th** house.
"Eros signifies the appetites and the voluntative desires. It becomes a contributing cause of friendship and mutual favor." - Paulus Alexandrinus

The **Lot of Necessity** is in 19° **Leo** 41' and in the **10th** house.
"Necessity signifies constraints, submissions, struggles, and wars, and makes enmities, hatreds, condemnations, all the other restrictive things befalling men as a result of their birth." - Paulus Alexandrinus

The **Lot of Courage** is in 26° **Aquarius** 23' and in the **4th** house.
Indicates fortitude (or lack thereof). It is based upon Fortune (the physical body) and Mars (actions). Where this lot is placed by house seems to show what we have to face and what we most fear. "Courage becomes a contributing cause of boldness, treachery, might, and every villainy." - Paulus Alexandrinus

The **Lot of Victory** is in 21° **Aquarius** 35' and in the **4th** house.
"Victory becomes a contributing cause of trust, good expectation, contest, and every association; but sometimes it contributes to penalties and rewards." - Paulus Alexandrinus

The **Lot of Nemesis** is in 27° **Leo** 52' and in the **10th** house.
This lot seems to indicate what is most likely to bring the native down. "Nemesis becomes a contributing cause of subterranean fates and of everything which is ice-cold, of demonstration, impotence, exile, destruction, grief, and quality of death." - Paulus Alexandrinus

Nemesis in Leo: pride and arrogance, excessive visibility, water
Nemesis in Tenth house (Capricorn): carelessness, neglect

Lots related to family:

The **Lot of the Father** is in 5° **Sagittarius** 6' and in the **2nd** house.
If the lord of the lot of the father is dignified and is pivotal (angular) the father is strong and fortunate and may be eminent. If in decline and debilitated, judge the opposite. - Paulus Alexandrinus

The **Lot of the Mother** is in 28° **Scorpio** 20' and in the **1st** house.
Same as for father.

The **Lot of Siblings** is in 15° **Leo** 0' and in the **10th** house.

The **Lot of Children** is in 0° **Aquarius** 27' and in the **4th** house.

The **Lot of Daughters** is in 10° **Scorpio** 12' and in the **1st** house.

The **Lot of Sons** is in 6° **Leo** 49' and in the **10th** house.

The **Lot of Marriage for Woman** is in 12° **Leo** 31' and in the **10th** house.

The **Lot of Marriage for Men** is in 2° **Aquarius** 56' and in the **4th** house.

The **Lot of Deceit in Marriage by Woman** is in 1° **Pisces** 38' and in the **5th** house.

The **Lot of Deceit in Marriage by Men** is in 12° **Libra** 49' and in the **12th** house.

The **Lot of Marriage (in general)** is in 5° **Scorpio** 14' and in the **1st** house.

Lots related to society:

(Hellenistic)

The **Lot of Debt** is in 15° **Scorpio** 54' and in the **1st** house.
Indicates what could be a source of financial losses or debt.

The **Lot of Theft** is in 6° **Aries** 40' and in the **6th** house.

The **Lot of Treachery** is in 29° **Leo** 18' and in the **10th** house.
Betrayal of trust

The **Lot of Accusation or Exile** is in 9° **Taurus** 12' and in the **7th** house.
Lot of Being in a Foreign Land (exile), Lot of Accusation, also Lot of Police: indicate areas of life where someone may be accused of something, either falsely or truthfully.

The **Lot of the Destroyer** is in 24° **Leo** 57' and in the **10th** house.
We have little systematic information of its use except that it seems to relate to the manner of death. I would urge astrologers not to be careless in the use of this lot.

Pholus | Sudden Life-Changing Events

Pholus helps us achieve our soul contract and mission, the symbol of turning points (of no return), the catalyst, a small cause yielding a large effect, explosive results, transformation without premeditation, euphoria, self-destruction, awakening, curing addiction, release, searching, intensity, discovery.

Here, painful realizations of boundaries and responsibilities come as you grow. Pholus is where one absentmindedly, even blindly, goes about one's business until he sees the mortal light and crashes, grounded by confrontation of karma and responsibility.

Pholus in Aries

(canvasofthecosmos.tumblr.com;) Pholus in 1st House/Aries: Splashes the room with your vibrancy. Goes through many changes in appearance as well as identity crises. You look for something that can spark a new battle or even new life. This placement can have depressive symptoms in between lifestyles that pique your interest at the time. You were confrontational as a child. With time, you learn that sometimes it's best to sit back and wait, take your time to shed your skin. You may find that jumping to attack finishes what you start too soon. You are well known as someone who is explosive, dressing eccentrically and maybe having a temper, or at least love a good debate. You spark many interests as you live your life full of color, and your intense life brings much change to others as you are constantly changing yourself. Childhood for you brought you all over the place, and even now sometimes you feel like you're being stretched too thin. Try not to lose sight of your refined passions in search for new shiny ones and appreciate the lows as they allow you to relish the highs in your life.

Pholus in 6th house

(12andus.com;) You may be going about your business, involved in day to day tasks when you accidentally stumble into a rabbit hole that leads to major awakening.

An unintended accident, one small detail in your work, a seemingly mundane action will unleash consequences you weren't initially expecting.

This can mean that you end up entangled in a conflict that escalates dramatically. You may become toxically obsessed with mundane details, work or tedious matters. You may want to find security, health and stability but your desires will lead you to getting embroiled in tedious and unproductive tasks.

You can find great success through mundane work and doing things with your hands.

Your efforts to fix or make things and your service to others can lead you to make dramatic life changes.

You may accidentally stumble into a situation that leads to success in your work or good health. You can use your attention to detail to work your way out of a messy situation.

Eros in Gemini

Yet the actual relationship with a real flesh and blood person is less exciting. Your ability to envision and idealize a partner is very much an important part of your sexual attraction.

Even when you're satisfied in a personal relationship, you'll become obsessed with the idea of maintaining connection and conversation that excites you sexually. You will look to images or superficial connections online to satisfy your sexual desires.

This can include watching or looking at pornography and activating your imagination. You may also love it when a partner talks about sex and describes their sexual fantasies. You may be less turned on by the actual sex act than by the discussion of sex.

You may be attracted to settings where you can have a fantasy sexual relationship such as online dating or online role playing communities.

Eros in 8th house

pain. You may feel excited by combining sexuality and the occult or supernatural.

Your sexual interests may also be fueled by desire for deep levels of intimacy and intuitive, emotional connection.

1) ► 20° Aries 41' **Pholus** ✂ **Conjunct** ♂ **Mars** 11° Aries 53' - (8°48')

(12andus.com:) Your passion and energy are sparked by major life turning points.

As chaotic and disruptive as these cataclysmic changes can be, you are more likely to feel energized by crises. You may find renewed sense of motivation, purpose and personal ambition. Sometimes you need to dramatically face your fears and find strength by jumping right into the midst of a catastrophe.

Small impulsive choices or actions can have dramatic ramifications, and this can impact you in a dramatic way. You may become more enthusiastic and determined as a result.

You can be overconfident in your ability to rush in to protect others or de-escalate a situation, not realizing that a spark has become a wildfire before you fully have a handle on things.

Yet even in the midst of these major life turning points, you can find renewed sense of focus and energy. Nothing gets you out of a slump like a large-scale challenge.

2) ► 20° Aries 41' **Pholus** ✂ **Opposition** ♄ **Saturn** 13° Libra 22' - (7°19')

(12andus.com:) Your work, self-discipline and connection to the past often leaves you in a bind when dramatic changes are unleashed.

When turning points and major milestones beyond your control require you to adjust your routines and change your definition of security, your first reaction may be to hold on to the past.

You may be reluctant to change your expectations during a crisis, expecting tradition and dogmatic doctrine to be timeless. When unprecedented crises and challenges force you to face the shortcomings of your past routines, you may feel like the floor is bottoming out beneath you.

It may take some effort for you to finally recognize that your self-discipline and sense of responsibility alone can't always lead you through crises beyond your control.

By acknowledging your limitations, you may be better suited to help others find security in the midst of challenges and major turning points.

3) ► 20° Aries 41' **Pholus** ✂ **Opposition** ♇ **Pluto** 27° Libra 34' - (6°53')

(12andus.com:) You may find it difficult to channel your power and authority productively during pivotal times of crisis and change.

Your personal sense of power and authority may pull you in one direction while circumstances outside of your control and cataclysmic events force you to shift your focus. You may initially resist letting go and adapting to the dramatic changes you face.

When you are called to let go and moderate your focus in order to navigate times of dramatic change and find personal transformation and power, you may instead wrestle with your willpower. Let go and in doing so, embrace your full power through new perspective and initiation as a result of cataclysmic events.

You may have to reconcile some aspect of loss or fears that block you from fulfilling your role as a leader or initiator of changes in the midst of major crises or cataclysmic events. When you do, you will be able to draw on such crises as points of initiation and empowerment.

4) ► 20° Aries 41' **Pholus** ✍ **Sextile** ♌ **Lilith** 19° Aquarius 41' - (1°00')
(12andus.com:) You may find it easy to draw on your power and sense of independence during times of cataclysmic change.

You have no problem following your independent path and protecting your own freedom and self-interest during times of disruptive challenges and crises around you. Your passions and desire to rebel can lead you to unintentionally set into motion decisions that have dramatic and far reaching results.

You may unintentionally be a catalyst for higher initiation or changes even if your actions are the result of careless self-expression or rebellion.

You can find greater strength and advancement through crises by following your own interests and desires.

5) ► 20° Aries 41' **Pholus** ✍ **Square** ♄ **Uranus** 23° Capricorn 52' - (3°11')
(12andus.com:) You may find it challenging to break away from traditions and expectations and adapt to cataclysmic changes on the horizon.

You may feel like your individualistic nature and intuition are leading you on the right path, yet when faced with dramatic situations beyond your control, you may mislead yourself because you are reluctant to face the responsibility you have as an individual to society at large.

You may find it difficult to see past your own immediate needs at first. Yet when you tap into your intuition and accept the dramatic and intense changes that are underway because of major milestones, you'll be able to find the insight and motivation to turn catastrophic events into opportunities to advance and create needed changes.

6) ► 20° Aries 41' **Pholus** ✍ **Trine** ☾ **Moon** 17° Sagittarius 58' - (2°43')

You may feel compelled to nurture or heal others during times of crisis and can easily do so. You may easily put your emotional needs aside. Even when your intuition shows you that small issues can have dramatic and traumatic consequences, you won't shy away from responding to those in need.

This can leave some residue on your emotions and have an impact on your mental well being but you won't be deterred from trying to protect others.

 19) ► 14° Gemini 8' **Eros** ✂ **Opposition** ♐ **Moon** 17° Sagittarius 58' - (3°50')
 (12andus.com:) You may find it challenging to express your erotic desires if you don't feel secure first.

It's not a good idea for you to try to have a sexual relationship without an emotional connection. Even if you tell yourself you can handle a "friends with benefits" relationship, you'll inevitably develop an emotional attachment.

When this happens, you may come to expect that your partner will naturally fall in love because of the amazing sexual energy and chemistry, but this is not guaranteed. You can feel conflicted about how to find security and emotional connection and also reveal your sexual side.

You may have to work through an emotional hang up in order to embrace your sexual desires and pursue your fetishes. In order to fully explore your fantasies, you first need to feel confident and secure.

20) ► 14° Gemini 8' **Eros** ✂ **Opposition** ♑ **Neptune** 12° Sagittarius 40' - (1°28')
 (12andus.com:) Your fantasies and desires can get in the way of you seeing an erotic relationship for what it is.

You have deep desires and rich sexual fantasies, yet you also can take an escapist approach to eroticism and sexuality. Erotic love can be like a drug for you and so you may try to suppress your deeper desires at first.

When you do allow yourself to feel the full spectrum of emotions and sensations that you can feel when you're attracted to a partner, you may run the risk of becoming absorbed and completely lose yourself in lust and fantasies.

You understand this risk and so you may try to minimize your emotions and act like you don't have the high degree of sensitivity you actually have. You may have to work hard to embrace your passions and emotion.

When you embrace this part of your nature, you'll be better able to enjoy sensuality and emotional connection as part of your erotic encounters.

21) ► 14° Gemini 8' **Eros** ✂ **Opposition** ☌ **Fortune** 23° Sagittarius 13' - (9°05')
 (12andus.com:)

22) ► 14° Gemini 8' **Eros** ✎ **Opposition** ♁ **Vesta** 13° Sagittarius 23' - (0°45')
(12andus.com:) You may feel torn between your desire for erotic exploration and your sense of duty.

You can feel compelled to be of service to others or feel called on a spiritual quest. This may lead you to feel you need to sacrifice your sexual desires and minimize your erotic nature. You may have been led to believe that having erotic fantasies is impure or immoral and so you may try to stifle your sexuality in favor of pursuit of your passions.

You may feel as if you have to remain pure or sacrifice some aspect of your desires and fantasies or you may have been taught at a young age to disconnect from your erotic desires and focus instead on spiritual matters.

When you have completed your quest or calling to be of service or when you come to understand that passions and erotic energy can also fuel your spiritual mission, you may be better able to balance your erotic desires and spiritual desire for transcendence and purity.

23) ► 14° Gemini 8' **Eros** ✎ **Sextile** ♂ **Mars** 11° Aries 53' - (2°15')
(12andus.com:) You may easily draw on your courageous and focused energy and share your passion and erotic love.

You can be intense and highly erotic. You have a strong sensual nature and great stamina. At the same time, you know how to balance your needs with your partner's needs. This allows you to avoid becoming obsessed or infatuated.

It also allows you to avoid unintentionally overwhelming or intimidating your partner. Your lusty, passionate and erotic nature can lead you to be bold and seek excitement in bed.

24) ► 14° Gemini 8' **Eros** ✎ **Square** ♋ **North-Node** 9° Pisces 58' - (4°10')
(12andus.com:) You may frequently find that those you are most strongly attracted to, or even obsessed with, are not fully open and accepting of your advances.

You may be infatuated with partners who aren't available or who don't know how to satisfy your needs. On a deeper level, you may feel like you need to suppress your sexuality and therefore seek out partners who are not capable of exploring your erotic nature fully.

You may have to work to shift some aspect of this pattern so that you can embrace your sexual nature and intimate desires.

You can come to find greater confidence in your identity and erotic nature and when you

do, you may fuel your personal goals and ambitions in part with the creative energy that you derive from exploring your fantasies.

25) ► 14° Gemini 8' **Eros** ✂ **Square** * **Juno** 8° Pisces 56' - (5°12')

(12andus.com:) You may find it challenging to express your erotic nature because you feel insecure about your commitment to your partner.

Even when you are in a secure relationship, you often don't see this or accept it for what it is. You may also be attracted to partners who are not fully available for commitment. Though it may seem as if you are sabotaging your own relationships or potential for sexual satisfaction, you may be able to find greater satisfaction when you adjust your perspective.

You can come to recognize the commitment that you do receive from your partner and when you become more secure in the foundation of your relationship, you can better express your erotic nature.

26) ► 14° Gemini 8' **Eros** ✂ **Trine** ♄ **Saturn** 13° Libra 22' - (0°46')

(12andus.com:) You may find it easy to open up and express your erotic nature when you have predictable routines.

You need a certain degree of predictability and consistency so that you can feel safe sharing your deeper erotic fantasies. Yet when you have the commitment and understanding of your partner, you can delve into your fantasies.

You prefer sensual, practical and physical expressions of eroticism and love. Idealism and fantasies aren't as exciting for you. Still, even if your routines are relatively limited, you can find great pleasure and even infatuation with your consistent routines.

27) ► 14° Gemini 8' **Eros** ✂ **Trine** ♀ **Lilith** 19° Aquarius 41' - (5°33')

(12andus.com:) You may find it easy to express your erotic and sensual side.

You have no problem flaunting your sexuality and see sex as intertwined with power in general. You can be intense and dramatic and your erotic fantasies can involve expressing your creative energy and reclaiming your power.

You may find sexuality to be a source of dramatic power, self-expression and authority over your own body and fantasies. You may be confident in your sexual attraction energy and this can help you maintain your independence even in relationships.

Hygiea | Health, Wellness

Health, cleanliness, and sanitation. [1] where the body is important to you

Hygiea in Leo

(astrology.com:) Leo or in the fifth house: These individuals redirect stressful energy into artistic pursuits. Health can feel like a game one is winning or losing based on access to leisure activities. These may include art, music, comedy, spending time with children or animals, or playing sports that have a greater emphasis on strategy, rather than fighting spirit. Their downfalls are vices like gambling or binging mindless entertainment. While they feel good in the moment, these “quick fixes” often create more problems than they solve.

Hygiea in 10th house

(astrology.com:) Capricorn or in the tenth house: This Hygiea placement falls in charts of those who associate wellness with public interactions. These individuals feel anxious if they are not “making progress”. You can often find them exercising in gyms or yoga studios where they meet teachers and trainers who will hold them to their fitness objectives. Although a healthy appearance has its benefits, they shouldn't strain themselves for the sake of optics or the desire for respect.

Psyche | Soul, Entrance to Self

[1] where you've almost certainly seen the dark side of things

Psyche in Aries

(fauxastrology.tumblr.com:) Psyche in Aries/ 1st house: My soul's raw, childlike, chasing fireflies late in the summer night, with not even the wind being able to catch me; I don't hide my soul behind a hundred layers of bullshit, which is why it has collected some bruises along the way.

Psyche in 6th house

(fauxastrology.tumblr.com:) Psyche in Virgo/ 6th house: My soul's at peace whenever I spend time with my pet; out of all beings, animals understand me the most, words aren't needed to communicate; I need a purpose, something to push me forward in life, to make me feel like I belong & am alive; a wasted, meaningless lifetime's what I fear most.

Pandora | Foolish choices & Toxic curiosity

Where one needs to see things as they really are.

[1] where one must provide masculine prowess or be considered a failure

Pandora in Aries

(astronomicallyaligned.tumblr.com:) You're curious about testing borders and your ground. You might get a sudden impulse to try something new or to surprise someone. Your curiosity is like a huge fire within you. And like the fire, it grows and expands the more air it gets. It's a living creature in you. A dragon, wanting to break out and see the world. But be careful. If you let that fire escape from you, you will lose control over it. It will consume oxygen and grow into something unstoppable. And destroy everything in its path. If you open the box, fire will burn down the earth. Use that fire as guidance, but don't let it loose.

Nessus

(vamzzz.com:) Considering its complex and rather extreme nature, it is no wonder we see a large diversity in the collection of attributed characteristics; lessons in setting boundaries, seeing (one's own) limits, accepting limits; identification of hidden abuse patterns; complex cause and effect relationships, breakpoints in karmic cycles; revealing the truth, resolving a situation; taking responsibility for a confrontation, the perpetrator caught; desire; possessiveness, jealousy, being vindictive, manipulative or resorting to black magic for sexual or financial needs. Finally, several researchers associate Nessus with blood, diseases passed on by blood, or blood rituals, and superhuman strength or powers.

Philip Sedgwick characterized Nessus in astrology as “The ultimate Centaur bad boy”, bearing the wounds of “greed, decadence, intimacy and sexuality”. As positive Nessus properties he mentions: generosity, benevolence, compassion, willing to lend a helping hand, cooperation, respect for boundaries, aware of the power of life energy, healthy use of sexual energy. Concerning the latter: Taoist health trainer and teacher Mantak Chia has Nessus conjunct Sun opposition Hygeia!

My experience with Nessus transiting in hard aspect to the Sun is that this Centaur evokes an inner transformative crisis that demands clarity and decisive action based on “cut the crap”. In the personal horoscope Nessus can be a player with violent impact. Forcing entry seems to be the core quality of this Centaur.

In harmonious aspects, this gaining access goes pretty easy, while in hard aspects, where access is denied, it has to be forced open and in extreme cases violence is used. Thus, in line with these characteristics, Nessus also has to do with breakthrough, breakout, escape, rescue and hacking.

Computer hacking is a Nessus-thing *pur sang*, especially when combined with Mercury, Uranus, Vesta or Makemake. Also espionage, spies, officers, burglars, rapists, rape in general – mentally or emotionally -, black magic, executioners, cracking a closed system (be it a nut or oyster or bank vault, or mind frame), assassins and police raid teams

reside under Nessus.

Nessus in Libra (Rx)

(smartyoungsters.com:) This is the peace loving Nessus who is obsessed about maintaining peace, harmony and equilibrium at costs. This Nessus suffers from OCD when it comes justice and playing it fair. Justice is obviously on the side in which he is, a person with this placement will go to any extent for getting it. Using manipulation and preying on the weakness of the opposition, this Nessus gets it his way. A passionate lawyer who gets wins at all costs for his client. He is the most "dreaded" lawyer and deploys any method to win. When expressed positively, this person can win battles for those without a voice. He can restore faith in the judiciary. He can be the best peace ambassador for the country. Resolve conflicts and create harmony. In love, this is the Nessus that will strive to maintain peace at all costs and expect the same response from his partner. If the partner does not support him in this approach then there will be obsessive arguments that can go out of control. He can manipulate partner to get things his way, preying on the weakness. Commitment is an issue with this Nessus but once commitment break-up can become a big one.

This Nessus is also the abuser or obsessive partner in the relationship. He will want absolute control of the relationship and may excessively bully his/her partner. If someone's Nessus falls in your 7th house then that person will show the above qualities.

Nessus in 12th house

(smartyoungsters.com:) This is the Nessus who is obsessed with spirituality, old age homes, hospitals, photography, painting, art, nomadic lifestyle, dreams, healing, reiki and being a mystic living on mountain. This Nessus will be excessively fond of water and living besides it. Like the Nessus in Sag/9th house, he also is a compulsive traveler but of a mystic sort. He is a compulsive painter, photographer that is obsessive about capturing every single detail. He runs behind the mysteries of the Cosmos and keeps himself occupied with it. He has a compulsive desire to learn healing crafts like pranayama and reiki. He can use these to manipulate his disciples, patients and followers. A guru who talks to spirits of the ancestors. He prefers living life his way avoiding bondage of any kind, slipping out of the hands like a fish. A person who avoids responsibility of any kind. When expressed positively, this is the "Adi Yogi" avatar of Lord Shiva who can cure with compassion, the world's first reiki master who can heal and turn "prana or chi" in the positive channels. He is also the alchemist. A dream interpreter, spirit medium, spiritual guru and master artist like Leonardo Da Vinci, is this Nessus. In love, he is detached, free from bondage and a nomad moving from place to place discovering the secrets of cosmos. He is intuitive, magician, mystic and tuned to the spirit world. He will need plenty of space.

Dejanira | Victimhood, Toxic Submission

Can indicate masochism (self-harm), being drawn to sadistic types or a victim mentality. No fault of her or his own. The person did not choose his chart. He has the power to respond, only. All charts can be overcome.

Dejanira in Scorpio

(canceroustpastelstars.tumblr.com:) May be a person who's a sexual abuse victim, either in childhood or adulthood.

Dejanira in 1st house

(mychristianpsychic.com:) The 1st house may bode for one to be a victim, more than other houses. The reason is that we wear our 1st house on our sleeve. Any planet or asteroid that resides in the 1st house will be part of our outer apparel. Hence, with Dejanira in the 1st house, one may have the "vibe" of being a victim. Also, one may be victimized by being denied independence or a sense of self.

Echeclus

Cosmic picture vs. detail orientation. Abstract logic vs. linear logic.

Positive: Balanced perspective of overviews combined with essential detail.

Negative: Picky, judgmental, cantankerously weird, ungrounded.

Mark Andrew Holmes: turning point, stymied, conflict, beleaguered, endings, in a rut, bottled up, frustrated, at war with the world, taking on a lot, tilting at windmills, ability to handle frustration.

Sowing complex solutions to complex problems. Patience; the greater pattern.

Complexity; simplicity. Can indicate where you own gift lies, she also shows where you will be challenged to perfect your craft, where you must be able to do what you say you can do and where you may experience competitive clashes. Taps into the unknowable, even what 'should not' be known. Arachne may connect to the concept of playing God.

Asbolus

Root chakra (or reptilian brain) awareness. Sombre, pessimistic, with a lot of depth (but tangled in a vortex-like manner of information processing). If dominant: usually having a lot of trouble receiving advice or compliments from others. Easily goes over the top, exaggerates protectionism, and isolates itself unnecessarily.

(vamzzz.com:) It represents the domain of Yin. Ontologically and sociologically it relates to the root of individualism, technology and in the worst case murders. Theologically it relates to the figure of Satan.

Six different ways Asbolus can work in a horoscope:

- One could distinguish six different types or subtypes of Asbolian influence. The first type detects the inhumane, the perversion or violation of human rights and the ethical. (Julian Assange, Jannis Varoufakis, Edward Snowden, Sahra Wagenknecht, Karl Marx et al.)
- The second type of Asbolus is not a strong influence, but acts more some kind of dull black spot in the chart.
- The third type corresponds with the seer and empowers clairvoyant faculties (James Van Praagh and Anton Pauwe).
- The fourth type shows Asbolus as a pit of horrors, darkness, psychopath inhuman features and atrocities (radix-horoscope USA, Madeleine Albright, Joris Demmink,

Adolph Hitler, Barack Obama, Zbigniew Brezezinski, G.W. Bush, Hillary Clinton, Joseph Stalin et al.).

- In the fifth case Asbolus is a dark artistic inspirator in a creative horoscope, making an impact on the public by mingling the aesthetic with some distortive, taboo breaking, or intense Plutonian atmosphere (Ilona Staller, H.R. Giger, Georges Bataille).

- The sixth Asbolus is a crossbreed of two or more samples of the above. For example, one could be a loving person, socially very aware of ethical values, but also a master in writing short horror stories. When in league with evil, the outcome is never Asbolus responsibility alone, but a joint venture with the totality of the chart

Gonggong

Chaos and attunement through (social) alchemical knowledge. Well directed mental efforts, trial and error, aiming at improvement/transmutation through social Alchemical knowledge in a sorta big brain mass psychology way, resulting in chaos, "tilting of earth", mental.

(Malvin Artley) In one of the myths Gonggong was said to be stupid, but what emerges from apparently ignorant actions is actually the road to truth and insight in the end and shows the promise of mental efforts well-directed and pointedly focused.

Ixion

Very masculine energy, ingratitude, murder, passion for supplanting the prevailing system, haunting, loneliness, disorientation.

(synnisisigns.com:) It needs great loves and it's phantasmagoria will push him beyond the curtain of reality when circumstances are below his taste. In career, it must destroy existing concerns, clans, lobbies, lodges, clubs, factions, cabals, plots, allegiances, fraternities, cults, newsgroups, web-sites, teams, alliances, trusts, blocks, interest groups; and from the resulting chaos choose and pick his own few good men to form it's own enterprise, not without bitter struggle and a sword hanging over it's own head. Religious fanatics are born along this line, those well meaning fellows that send humanities to death, schizoid nationalists, new hitlers, media magnates, islamic terrorists, highlanders, beings of war and chaos. In positive aspects (conjunct casanova and Uranus) it can prolong love making up to several (three) days, an unending erection. [1] how you order others around

(vamzzz.com:) Self-integrity issues: to what extent do we really live our lives the way we dreamed it?

(arwenmclaughlin.com:) True unconditional love energy that knows itself to be unconditional energy, and therefore has strict boundaries. It does not allow anything into its life that is not authentic, or that would compromise its integrity. Thus it is not interested in the past, or anything that came before, it is only interested in, what comes next in love? What can we create now? What can we now build in its most glorious form that serves the self as well as others? How can we create a structure that works for everyone in its highest and best form? Humanitarian, new frequencies of energy, new and higher forms of energy, the vibration of the alchemist, creator love energy, miracles and overwhelming acts of kindness, "the Change", "the New energy", healing with energy, light, and sacred geometry.

Panacea

(astrologyclub.org:) Panacea is “the cure”—but it’s not as simple as that. It’s “what you believe it takes to make things better.” Thus, what do you or others have to do in order to bring about an improvement. With Panacea in hard aspect to the Ascendant, a person would have to “be” different to bring about an improvement; they’d have to alter their routine and initial response. A retrograde Panacea might not really believe lots of things can be fixed.

Persephone

Where we are scared to take charge;

(YT: Tom Jacobs:) A theme of looking immature from the outside but being capable of maturing it through the inside. Have to make a change: a leap into a thing with boldness that might seem like a stretch or too much for us because we've never done it before. So some persephone people are timid, because they've had been put words into their mouth and have been told they can't take care of themselves. Sometimes they'll reject that, and they are quite confident because they had to at some point grow up overnight. Wether that was pleasant or unpleasant, wheter that was a choice they drove or it was driven by other circumstances and other people.

So there is a sense of a Youthfull spirit and maybe some naivite but the appearance of naivite surely.

Proserpina

(houseofinferno.com:) [...] but many of these deities have the same story with different names. Proserpina's name means "to emerge". (ref Persephone!)

She represented the irrepressible feminine spirit who would not be controlled or restricted. Some astrologers look to the asteroids Proserpina / Persephone in a person's natal chart to see where we give our power away, or have it taken from us, so we can use this information to not be so passive and assert ourselves properly so that we are not so easily controlled. What we could take from Proserpina's story is to honour the cycles and changing seasons within ourselves. Sometimes we are cast into the Underworld when something bad happens, and we should never spiritually bypass these situations.

We have to feel our pain and darkness to move through it. But when we are ready, we can emerge to cultivate something better for ourselves and let go of the things that don't serve us.

We should also be mindful of how we assert ourselves. We need to show ourselves love and respect by building healthy boundaries. We need to stand up for ourselves when we are being unfairly treated, and we also need to be mindful of how we do this to others. But we should also take care to know the difference between assertiveness and aggressiveness and make sure we achieve a healthy balance so we don't take away or restrict another's free will or cause unnecessary harm to others in the process.

(jessicaadams.com:) Proserpina shows where you are taken over, taken, then take back.

Sisyphus

(leahwhitehorse.com:) Repeated mistakes, stuck in pattern through fear of change.
To be admired for his outright refusal to accept death and for his ability to repeat a task that is doomed to fail for all time. In him we see the try, try and try again attitude.

Perhaps the positive side of this asteroid is the ability to keep going, even when we can't yet see the point. Essentially, he perhaps shows where we can find meaning in what we do on a daily basis, not just in our achievements or the winning of battles.

Fixed Stars

Only conjunctions here. Now will, anything inside the orbs of the fixed stars behind the (moving) planets and other objects from the chart, be shown. I've taken the orbs of the star conjunctions from the following two websites: 'astrologyking.com' and 'fixedstarsastrology.wordpress.com'.

If the orb from the first website was biggest, I have left it like that. If the orb from the second website was the biggest I have changed it to the average of the two.

I also gave all the four Archangel stars (Aldebaran, Regulus, Antares and Fomalhaut) plus Sirius and Spica a bigger orb of 200 minutes (3°20'). Caput Algol, as a evil influence, I gave 3°.

A lot of these stars (297 in this script, plus the Galactic Center and the Great Attractor) are far away from the 12 Zodiac-constellations, so saying that the Zodiac has a certain height is not really usefull because it stretches all the way around Earth, in height (as well as in width via the Signs.

(NOTE from 'fixedstarsastrology.com':) — Do not let any of the negative descriptions for any stars that follow which may apply to you frighten you. If you live a good, clean life, good will be in store for you Rather than the darkness that may otherwise apply to you. Live your life with good conduct. ALSO — you can check your astrological chart's planets conjunctions with the stars you were born under to understand yourself better. Stars are rated based on my judgement (John Hebert) with (+) being good and (-) being not good, and the more of each one, the more positive and negative the star's influence.

(*) I personally would estimate the Ascendant and Midheaven to be **not accurate**, because they are lines and not points, thus they adhere to different rules. I don't know how they get exact declination and right ascension for it. For example a star could be on your horizon (a line) when you look at it through the Stellarium computer program. But the point mentioned here (where it touches the center of the zodiac, I guess) only matters when you were born or had your saturn return on the equator, I think. Because then the line would be straight.
