What follows on the next page is the correct Natal Chart using the Usha/Shashi-Ayanāṁśa, and the 'whole house'-system. For simplicities sake, we could call that chart the "Transit(ory)-chart". Then to get the Chart that WILL SHINE through this document, we apply the 322th Harmonic to that (the right ascension values (Zodiac) are telling of the 322th Harmonic Version chart). Thus, both are needed to understand the self: One is fixed but constantly interacting with other fixed charts and the other constantly interacts with the Transiting planets. If you find yourself on that quest to understand yourself, it would be suggested to include declination as well as all the other divination techniques, such as numerology, and cartomancy, etc., up to the most seemingly insignificant part of the whole, like midpoints, or antiscia-aspects, in the whole picture. Understanding yourself better in respect to everything else has become very possible - and people might soon say even too easy - when the energetically encoded laws taken affect on our reality are understood.

Having all the energy of the Sun in their 1st house, natives with this placement can express themselves very clearly in matters of self-image.

They should be more knowledgeable of who they really are if they want a purposeful and meaningful life.

True forces of nature, having determination and enough confidence to succeed in life, many will want to follow them because they seem to be natural born leaders.

Not to mention how they're able to make things work and how they grab opportunities, putting themselves on the path towards success without too many efforts.

It's very likely for these individuals to become independent and highly motivated from a very young age. Enthusiastic about everything life has to offer, they're transmitting only positive energies but can be too proud and even insolent from time to time.

Their need to be in the center of attention can bother some of the people in their life. Very ambitious and willful, Sun in 1st house natives tend to overwhelm others with their strength and controlling ways.

They're conscious of what they should do for their life to take the right direction and highly intuitive, so it's normal for them to be in the middle of things all the time.

With the Sun in the house of self, these natives can very well hide their insecurities and put on a mask of absolute confidence.

The same placement of the Sun can have them obsessing over the way they look like, but what's the most important to know about them is that they can recognize a good opportunity and know how to seize it.

### **The positives**

Bigger than life itself, individuals having the Sun in the 1st house borrow some of the Leo's traits, being true forces of nature and very flamboyant creatures.

They usually follow their heart and are always enthusiastic about new things happening in their life. Many will get inspired by them to be more optimistic, some will find their energy overwhelming.

The more generous and supportive they'll be, the more friends they'll make and attract members of the opposite sex like magnets. These natives' main purpose in life is to always make the right impression.

With the Sun in their 1st house, self-expression and spontaneity become two of the most important things in their life. Other things are on the second place, and while they may seem selfish to others, they're actually not.

It's just their motivation and ability to lead that makes them seem this way. Everything they do and talk about makes sense and is highly meaningful, and they seem to always wait on others' feedback.

If they'd be forbidden to express themselves, their entire energy would drop because they really need to radiate and to have vibrant interactions.

Loving to take the initiative, these people would make great leaders and are truly capable to build their life just as they want it as they always know what there's to be done.

Having the contagious type of energy, they can immediately recover from illness or difficult periods in their life and still inspire others to be strong.

It's important for them to develop their determination and ego as much as possible because this is what the Sun in 1st house forces upon them.

It's not a choice that they have when it comes to this, it's more of a necessity because the Sun in this position needs to be satisfied because this planet determines how people should be in order to feel happy and accomplished.

While it's possible for Sun in 1st house natives to restrain their ego at first, they'll realize at some point what they really want.

Because they're ambitious and self-confident, they immediately attract the attention of others and make it possible for success to easily come their way.

It's essential for them to always be enthusiastic and optimistic, and they usually are all this, without having to be encouraged.

Having their own place in life is also important because they want others' respect and appreciation.

As a matter of fact, their need for recognition is pretty strong and usually one of the traits that characterizes them the most.

The Sun's position in the first house is an advantageous one for leaders, politicians, actors and dancers as it brings a lot of charisma and capability for self-expression in public.

The aspects in which this celestial body is in their chart are essential for their health, but they're usually strong and able to immediately recuperate from both physical and psychological difficulties.

They seem pushy because they have a strong will and power to overcome obstacles, weaknesses and dark periods in their life. While not even realizing it, they have impressive surviving skills.

When it comes to their social interactions, they seem to always meet people who have the same passions and enthusiasm as themselves.

The mask their Ascendant makes them wear may be different from their Sun sign, yet this doesn't mean they will be only what their Rising dictates them to be. On the contrary, their Sun will always shine and have a strong influence over their identity.

### **The negatives**

The Sun in the 1st house placement can also have negative effects on the natives having this structure in their birth chart, especially when this planet is in some negative aspects.

Some of the negative traits this placement can feature are an overbearing and egotistical nature, arrogance, a need to always argue and too much pride.

The natives of this placement should control their strong will and try not to be too tyrannical. Some may be too honorable for these characteristics, but most of them are advised to be more tolerant and to work on their need to be controlling.

When having problems, their psychological buildup can greatly suffer imbalances and send them at extremes in matters of ego and the interest in themselves, which can become exaggerated.

The more introverted they are, the more they'll focus only on themselves. With the extrovert types, their self-expression will simply overwhelm and not leave place for something else.

They can also be at the extreme where they have a very low self-esteem, case in which they may develop serious problems with whom they are and their ego, not knowing how to express themselves so that others get a grasp of their personality.

While seeming perfectly confident and bold, natives having Sun in 1st house are in fact

more insecure than they'd like to admit. Their equals make them feel threatened as their sense of competition is very strong.

It's suggested they improve their skills and determine who their allies are so they can take those people's advice and criticism more into consideration.

Usually highly impacted by what happened in their childhood, these natives may see conflict everywhere if their parents used to fight when they were little. They're determined to evolve from the psychological state that dominated their childhood, but the anxiety would still be there and they may feel a need to rise above any conflicting situation while at the same time being terrified of it.

They usually want to make their parents proud and to also do what makes them happy because they're loyal but still need to be themselves.

It can be confusing for them to determine whether they live to make a good contribution to their loved ones' lives or just to live the way they dream of because making concessions is sometimes a thing they simply can't adhere to.

After thinking a little bit more about this issue, they'll realize their public life and image can get better only if they manage to bring their creativity and talents into play to influence others and even to help them in some way.

## ***Moon ☾ in VII 7th House***

([878] [i.thehoroscope.co](http://i.thehoroscope.co))

People with the Moon in the 7th House don't hold very tightly to their emotions and desires, being quite versatile, especially when the wellbeing of those close is at stake.

Moon in 7th House people enjoy doing things in groups because they can't stand being alone. It would be a tragedy for them to have to go by themselves to the movies or to spend a day in nature without a companion.

They need to be emotionally supported and to have others around who can make their life more fun. When it comes to romantic relationships, they may change partners too often because they always rush to say that they have found the one and get disappointed along the way.

7th House natives are terrified of being on their own and they wouldn't mind just being with someone, no matter how in love and happy they may be feeling. It's also possible for them to stay in a relationship that doesn't actually look so good.

**Summary:**

Strengths: Affectionate, dependable and soft;

Challenges: Skeptical and criticizing;

Advice: Leave the future aside and live more in the present.

**Eager for reciprocation**

People with Moon in 7th House rely a lot on others in order to feel emotionally fulfilled, secure and protected. They are very vulnerable and have a need to belong to a person, to be spoiled and nurtured.

The Moon is all about how a person feels, its position in a sign and a House determining the way a person expresses him or herself when it comes to emotions.

The seventh House is responsible for the way people interact with others, their marriages, businesses and friendships. It also determines how they cooperate and interpret people, together with what their unconsciousness expects in terms of giving and taking.

Individuals having Moon in 7th House are dependent on being with someone because the Moon makes them eager to receive a response from another person, all the time.

This celestial body also indicates their partner should be the sensitive, nurturing and moody type. They may also dream of someone who likes to smother and to be very protective because they usually marry young, and people in their twenties are more in need of protection.

The Moon has great sensitivity and can easily adapt to what others need, but when in difficult aspects, it can become more difficult for natives to enter relationships.

Depending on which planets interact with the Moon in their chart, people will respond to life problems more or less emotionally. This celestial body also represents the Mother, so those who are more influenced by it will choose a spouse whom they can take good care of.

The same Moon makes them care about others' opinions and attentive to their needs and desires. It's normal for "lunar people" to stress about what their partner and others think of them, feeling great when appreciated and in the center of attention.

When the Moon is in good aspects, natives having it in 7th House are capable of great emotions and very receptive to what others need. If the aspects are negative, they are

changeable and moody, going with the flow when it comes to emotions and their existence in public.

But all in all, they really are the ones who enjoy romantic gestures or being treated with affection and understanding. When in the seventh House, the Moon influences its natives to use their relationships as vehicles to what they want and need.

These people can't find their own desires in themselves because it's others that make them more aware. This is why they forever remain children in their heart, believing their partner should act more like parents and not lovers.

It can be a challenge for these people to fulfill their own needs without noticing how sensitive they are to the ones of others.

When they don't seem to hold on to their own feelings anymore, they simply take a look at their loved ones and get stimulated. Many will allow them to discover what they need and want with their help, so they won't have too many problems taking care of their own desires.

### **Searching for the right one**

People having Moon in 7th House are in need of human interaction and to be emotionally supported. It's impossible for them to enjoy life on their own.

Their partner may make them feel things they have never experienced before, and they need others to determine what their own needs or feelings may be. It's even difficult for them to take some time off between relationships because they are simply terrified of not ending up alone.

As they are versatile, many will like them for the way they act. One of their main concern should be to not become dependent on people or assume that others treat them the same way as they do. Their friends will be considered family, because they depend a lot on those who are closest to them.

Moon in 7th House indicates their moods and the way they are taking action are pretty much determined by their primary relationships. If they don't marry young, you can be sure they will be searching for the right one their entire life.

When married, they can feel the same things as their spouse because they're sensitive and think this is the way to make their other half's life easier.

People having Moon in seventh House are eager to get a response from others. It may seem destiny has something very special prepared for them, because their Moon is situated opposite of the Ascendant and in a square from the Midheaven, having them doomed to relive the same things all over again.

While this can be stressing, it also helps them be stronger from an emotional point of view. Learning how to go with the flow can influence them to stay away from sufferings but it may cause problems with their emotional and spiritual development.

Since the Moon is in opposition with their 1st House self, they are very balanced when it comes to their temper, being able to see both sides of a situation. This means they get along with everybody, being able to approach emotionally charged situations by being fair.

They are the best negotiators, but it's important for them not to get lost mediating all the time.

Responding to different challenges without expecting a certain response is something they should definitely learn, because they tend to instinctively guess what others may like or dislike, to anticipate their actions and to guess their feelings.

It's easy for them to adapt their reactions according to each individual, which means everyone will like them, having their emotional needs completely satisfied. It's very likely they'll marry more than once and have a profession that requires them to give a hand to others.

Their bosses may notice they have people skills and put them in positions in which they need to deal with the public. Of course, it's not only the Moon that influences them to be so helpful, for there are many other planets that influence its position, forming sextiles or trines and having big influences themselves.

The men with Moon in 7th House want a good wife who can be an amazing mother. They will practically transfer the emotions they have for the woman who raised them to their spouse.

The same position of the Moon indicates they are great at doing business, especially in the field of art. If many of the aspects are difficult, they may have their emotional and professional lives fluctuating.

Moon in the seventh House natives are very interested in their own image and how the public sees them. It's also possible for things to go the other way around, making them very protective of their own individuality.

They know what others want and need, so they are able to perform on stage and to become very successful as actors. However, they would never manipulate their public, as they are only aware of what those looking at them want and how they could be served.

The personal style of people with Moon in 7th House is determined by how others see them. Their success in the public sector could be tremendous, because it's like they're married to the ones that admire them.

Some of their partners may not understand this need they have for an audience, so the chances of break ups can appear more often than in other natives with the Moon in a different House.

### **Overview [1]**

- Lord: Chandra (Moon)
- Symbol: Hand or fist. This represents power, dexterity, communication, and blessings. The open hand is traditionally used as a symbol of blessing in Vedic culture.
- Power: To attain what is sought. Hasta has the ability to bring goals to life quickly and place tangible results in hand.

### **Strengths [1]**

The influence of the Moon, as well as that of Virgo's ruling planet, Mercury, places a strong emphasis on the mind. Hastas are intellectually creative and able to come up with original ideas and new ways of doing things. Skilled in speech and writing, your eloquence allows you to share your ideas effectively with others. Your creativity may also express itself through your hands — you have natural talent in arts and craftsmanship and will likely have a variety of skills.

The presence of Hasta natives is calming. You are down to earth and not easily ruffled. You are patient and sensible, and rarely waste your time on ill-conceived pursuits. You have incredible foresight, able to predict the outcome of various courses of action with accuracy. As a result, the things you dedicate your energy to usually succeed.

Hastas wield a good deal of power — the strength of your personal character and your shrewdness make you a force to be reckoned with. When you work toward something, you do it with industriousness and determination and usually have a solid plan in place. You are disciplined and don't get easily agitated or thrown off course.

Hastas are generally well-liked. You have an aptitude for healing — which may manifest in subtle ways — and for helping others. Charming, polite, and always eager to do the right thing, you draw people to you with your personality as well as your attractive appearance.

This results in an inclination to outwit and circumvent obstructions in ways that might not be ethical — you can be merciless in your determination to reach your goals. You may be excessively critical when under stress and lose your natural patience.

Hastas often do have to deal with stress in their lives — you might feel overburdened or repressed, and may struggle with your self-esteem. In your early life, you could experience hardship and might feel that there are endless barriers to achieving success. Your success will probably come later in life. Finding a path that offers spiritual fulfillment, rather than just material success, will create a positive shift for Hastas.

The external and internal struggles you face can make you give in to your lower impulses. If you start to indulge your every sensual desire, you could fall into a lifestyle that is morally and physically unhealthy.

You may struggle with your health throughout life. Hasta natives are sensitive and easily affected by subtle hazards. Be mindful of the environment around you. Spending time in nature regularly can be a great healing agent.

### **Other Personality Traits [1]**

- You give good advice. You are able to perceive all angles of a situation and to predict possible outcomes. This allows you to offer sound solutions to those who come to you for help.
- You are a good listener. An excellent communicator on all fronts, you possess not only the gift of speaking but a gift for listening. You know that to communicate well, it's even more important to listen than to speak.
- You may have a volatile life. Although you may achieve great things, you may also have great struggles. Your life has many ups and downs and you experience many changes.
- You will probably have wealth. Although it might not happen immediately, it's likely that you will achieve success and prosperity.
- You are martial. You have qualities that are reminiscent of a warrior. You have a militant discipline and determination and a combative personality.

### **Career [1]**

Hastas' intelligence, range of abilities, and communication skills make them suited for many careers. Roles where they feel they are truly accomplishing something will be the most fulfilling. They should avoid positions that are too routine and might bore them.

Some ideal professions include:

- Artist or craftsman
- Teacher, researcher, professor, or writer
- Business or personal advisor
- Doctor, nurse, chiropractor, masseuse, or alternative healer

### **Health [3]**

These individuals are confronted with few health issues. They may be prone to persistent coughs, colds and asthma. At times of great challenge, they require adequate support to maintain their mental health.

### **Physical Appearance [3]**

Ruggedly handsome men and similarly pleasing women, the Hasta natives are general tall. Well-developed bones and a stocky stature are common. Their hands are said to be short and many have an identifying feature on the back of the right hand or shoulder.

### **Pada [1]**

### ***Moon ☾ in third pada***

(16°40'-20°00' degrees Virgo): Gemini navamsa. Your mind is one of your most valuable assets — you are intelligent and imaginative, and can accomplish a great deal with each. You have many talents because you pick up new skills easily and are curious to learn. You are enterprising and can always find ways to execute your ideas.

## **Mercury ♀ in ♒ Aquarius man 27° 45'**

([904] i.thehoroscope.co)

He loves to create havoc around him and doesn't accept to be told what to do.

The Mercury in Aquarius man believes that problems can only be solved by facing them rationally and logically, with a plan, and that humanity can only advance by putting emphasis on science, on technology and progressive fields.

His speech is cold, technical, marked by a certain rigidity and strange intonation, like what a robot would utter. He lacks any emotional depth or even the most apparent layer of feeling in his words.

### **In a nutshell:**

Positives: Visionary and eccentric;

Negatives: Snob and indecisive;

Soulmate: Someone who can keep them away from boredom;

Life lesson: Leaving anxious thoughts away from time to time.

### **The forward thinker**

He's the last free-spirited individual left in the world who just won't agree to be tied by rules and regulations. If the world wants to follow a path toward perdition and degeneration, why should he follow it like a blind sheep?

The Mercury in Aquarius man will find it incredibly dull and tedious to live his life according to traditional principles, to dying ideas that the people of old followed.

This is the 21st century, a new age has come, and it's time for everyone to ascribe to this change that has taken place. The future is here for the taking. Science, technology, the new and the innovative must be finally accepted.

He creates havoc wherever he goes, raises a lot of questions and inquires into the nature of things. He won't hesitate to contradict anyone, even people with authority.

He doesn't accept things like "you shouldn't do that". Why not? He's intelligent, well above the rest of us, so if you believe you know more than he does, prepare for a cold

shower of reality.

His unwillingness to follow a certain code of conduct that everyone else does is often perceived as snobbism, eccentricity, but it's really a result of deep thinking, analysis, rational forethought.

He's very good at telling what other people think, discerning their motivations, desires, corporal language, but will treat all of them fair and square. He will even help anyone in need.

His creativity and inner drive to put his thoughts into words make up a perfect combination. If he doesn't become a writer or a journalist, he's missed his career.

Even a professional debater will do, as long as no one tries to infringe on his freedom of speech and strange patterns.

If you've thought of a crazy and apparently idiotic idea that could have an immense influence on the world, chances are a man born with Mercury in Aquarius has already thought of it, demonstrated it to be unrealistic and moved on. He's organized, structured, meticulous and realistic, always.

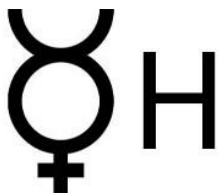

Let's finally get to the topic that you've been anxious to find about, how does this native fare in his love life? Depending on the type of person that you are, it can be both good and bad.

He's less receptive than most, in the sense that he likes flirting and talking to other women, but a relationship is not exactly at the top of his priorities.

If you manage to excite his intellect and intrigue him by flaunting your knowledge and curiosity, then you can be sure that he's going to fall in love right then and there.

He doesn't care about stuff like age, race, religious beliefs, although he's willing to debate you on them. He's definitely a factual person who's more likely to bombard you with rational reasons and motivations, rather than emotional matters.

## ***Mercury ♀ in XII 12th House***

([919] i.thehoroscope.co)

This placement of Mercury makes people exceptionally intuitive, amazing at appraising any situation and reading straight through others' intentions.

The Mercury in the 12th house natives are very emotional and intuitive, so much that they have to gather the courage to actually speak up for themselves.

Normal situations that others would just go through without a problem causes them headaches and anxiety attacks. This is because they think too much or rather end up overthinking the simplest things, exaggerating and turning every inconvenience into a tragedy.

These people tend to keep their thoughts and opinions a secret, afraid as they are to be judged or made fun of. Socially, they are shy and keep to themselves.

**Summary:**

Strengths: Communicative, insightful and talented;

Challenges: Brief, distracted and moody;

Advice: Be careful who you are sharing your secrets with.

**Visionary but rational**

This is a really weird combination because we all know that Mercury natives are usually very talkative and open, keen to act on a whim and to reveal pure joy at the first sign of something fun going on.

Well, these 12th house Mercury natives are different in that they quite opposite in this regard. They are very sensitive and don't trust themselves at all, reasons for which they prefer to keep silent and just listen.

If you ask something, they might answer, although very succinctly, and then retreat back. They don't know how to interact and how to best express their thoughts. The constant failures only end up strengthening their fears.

These people have a really peculiar talent, a nifty predisposition for talking with the spirits of the dead. This connection to the other side weirds people out, but it's something they take great pride in.

The visions and intuitive appreciations that they have are quite helpful, from time to time. Logic and rationality have nothing on them, at the very least.

This aspect houses a lot of emotional pressure and the liability to end up in difficulties because of depression, overthinking, superstitious beliefs and irrational worrying. There are also flaws as well, as we can see.

They might have had a few problems in opening up ever since they were children, probably because they weren't entirely sure of the exact approach or they didn't trust themselves enough.

With a little master on their emotions, things could be exponentially better even now. A pity for all that potential. However, these people know how to listen and keep secrets, so they are one of the most reliable individuals in this regard.

They prefer visual stimuli, symbols, images, tangible ways of understanding, rather than abstract or logical theories.

They're still learning how to best put their words to good use, how to express their thoughts as efficiently as possible.

### **The positives**

There are some massive advantages and pros from being so sensitive and intuitive though.

This insight and synchronization to outward stimuli and emotional potential grant them perfect clarity and awareness, which leads to them making good decisions based on reliable information.

They have the necessary material for a good social life, a lot of knowledge to be efficient and socially adept. This is why they have a lot of friends with different interests and personalities because they want to mimic a diverse range of ideas and attitudes.

Confidence and self-esteem are built with time and experience, so this approach is good.

Other ways in which they could use their spiritual affinity and insightful nature is by helping people, by healing and reconstructing their lost selves.

The lost and the abandoned find a place of respite and refuge next to them because they offer the prospect of miraculous wellbeing, of great rewards.

Even if their patients, so to speak, are skeptic and incredulous, it still doesn't change the fact that the Mercury in the 12th house natives are in touch with the mystical forces.

Their questions are answered from the other side. Doubt this at your own peril!

They are careful not to let others in on their secrets though because that would destabilize themselves greatly.

Secrets are better kept hidden from the prying eyes of those who would seek to harm

them. They might also be afraid that people will mock or make fun of these things, of their spiritual awareness.

Mercury in this house is responsible for a good communication, for a solid understanding of how to best transmit ideas and reach out to people.

Essentially though, these natives are exceptionally good at seeing through people.

They can become psychologists, mind-readers, soothsayers, fortune-tellers or professional decryption masters, seeing their talent with words and language.

They are very good at identifying, recognizing and rearranging patterns, certain characteristic elements that repeat themselves in speech, the meaningful signifiers.

Actually, by studying psychology, they would reach a deeper understanding of their own minds and inner contradictions, the workings of their deep cognitive processes.

This will help them avoid any further bad things happening, a subjective mimicry of their inner states that would confuse their adversaries.

### **The negatives**

One of the problems that they deal with constantly is the tendency to become immune to any outside stimuli and close themselves up.

Daydreaming, thinking about the future, idealistically so, evidently, occupies all their time.

Just think about it. You want them to do the chores around the house or they have a meeting in one hour, and they're sitting in the armchair, staring into the void, being in their own worlds.

It's annoying and irresponsible. They need to take control of their own lives, to be more receptive and aware of their surroundings. Listen, watch out for how others interact, observe the patterns, and simulate.

They will try to hide from other people, to nest away in a world of their own. No one has access there, so they're safe with all their secrets and emotional vulnerabilities.

This is why they're often known as being unpredictable and unorthodox because you just don't know what to expect.

They do their thing without expecting others to agree, but the problem is the lack of logic or reason behind their actions. It's just not there.

Just pure emotions, intuition, sensitive deductions, and subjective appreciations. Needless to say, these can lead to wrong ideas and mistakes.

Mars and Uranus can make these natives prone to spilling the beans, to sharing their secrets or those of others with suspicious characters.

**Venus ♀ in ♒ Aquarius man 10° 3'**

([941] i.thehoroscope.co)

He is often very calm and reserved with his opinions, only talking when being put in the spotlight.

A Venus in Aquarius man must be interested in his lover's IQ before even thinking about dating her. This is to say that he would sooner notice a witty remark or a passion for art or literature, rather than the perky derriere.

He will want to first get to know her thoroughly, to know how she thinks, and so on. In essence, this native is a non-conformist, the odd one out in society, and he is naturally interested in aspects that many wouldn't even think of.

#### **In a nutshell:**

Positives: Eccentric and dedicated;

Negatives: Cruel and obstinate;

Soulmate: Someone who has a scientific mind of his own;

Life lesson: Taking more time to practice hobbies.

#### **His love personality**

The Venus in Aquarius man wants to be with someone who's not just a beautiful face atop a perfect body. That, he can find everywhere around him, if he looks hard enough.

He wants to be intrigued, to have his interest piqued by her intellectual interests, by the way, she looks at the world, and what her perspectives are.

As for dressing code, or anything other than that, he is interested in what sticks out like a sore thumb. Whatever doesn't conform to the social code, this guy is all over it, and we're talking about friends or lover here.

This guy was born to change the world, to bring about a revolution that will easily top out all other discoveries of his time, and help develop society as we see it.

He has a scientific mind, an endless curiosity, and he is a very intelligent individual in the first place. He wants to gain all the knowledge in the world, and he knows that he will learn through all his life.

Calm and reserved with his opinions, he will only talk when asked to, but he will blow your mind away with how complex his rhetoric is. He will want a partner who empathizes with this aspect of his personality, and who shares his quirky personality.

Eclecticism, non-conformism, a strong personality, firm principles, and a sense of ultimate freedom are the essential characteristics of a man born under Venus in Aquarius.

The man born with Venus in Aquarius is sociable and communicative, and as long as people can hold on to their pants in the face of his unexpected appearance or weird tastes, everything's going to play quite well.

When he's in his beast mode, he will try to scare people away with even weirder things, but in general, he's a bit on the extreme, either through his fashion sense, passions or the knowledge that he possesses.

He wants a lover with a scientific mind, a rational observer of the world who goes beyond the superficial veil. She should be a little perverse and imaginative in bed, but not to too far.

Romantic women who expect their partners to be all mushy, all caught up in the swirls of love and reveal all their emotions will be quite disappointed with the Venus in Aquarius man.

He doesn't do that sort of thing, it's just not in his nature. Empathy is not his strong suit, intuition is a foreign concept, and he would rather prefer that you tell him what's wrong. He doesn't like guessing because he likes being deadly precise.

Paradoxically, when his lover is actually uninterested or detached, he gets intrigued and starts going a bit further to attract her attention.

When his relationship becomes boring and he doesn't have anything else to learn from it, he will be very disappointed, and it will take some time for this feeling to wear off. Even though most people would think that he doesn't have any problems cheating, given how emotionally detached he can be, this isn't true for the most part.

At first, he might a little socially awkward and not even know how to approach a woman,

but this also means that when things get to a certain level, he will commit totally, never to stray again. Essentially, the way he was raised, his family background, matter a lot in his future development.

### **Attracted by ...**

This man is sure to be a tech lover, a technological geek who knows all the great stuff coming on the market, all the digital innovations, so he would obviously find it attractive and intriguing if his lover had the same interests.

Sharing the same hobbies would, in fact, raise his interest bar quite a lot, but his all depends on how his partner sees the relationship.

If she's a rebel who wants freedom above all else, then she's the one. He's driven crazy by weirdness, quirks, the unusual stuff that you do or think about.

In turn, he would want his partner to both understand, tolerate, and even appreciate his weirdness and oddities.

Originality and spontaneity are highly appreciated, and he takes this to a whole other level as he surprises both his friends and lovers with how uninhibited and nuts he can be.

### **In conclusion**

His greatest trait is being able to keep his partner on the peak of interest using intelligent remarks, witty conversations about the most interesting of subjects.

He takes journeys of the mind so often that you just can't get bored, and he won't accept someone who can't understand this interest of his, someone who just can't follow through with his own part in this grand scheme of life.

Moreover, he's very unconventional and a non-conformist, so be prepared to be taken to lots of interesting places that you wouldn't expect.

This guy tends to trivialize relationships, to treat his partner as he would another friend of his, and because he doesn't do well with emotions, with empathy, and with expressing his feelings, the impression he makes is even stronger.

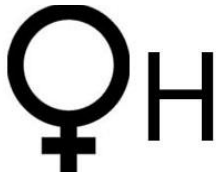

He looks just like he's not interested at all, like all he wants is to be a friend to you. And his lover will immediately spot this from a mile away.

He seeks for people who are open-minded, who don't judge things just because they can't understand them, those intelligent enough to escape the social conformity.

The fastest way to a Venus in Aquarius' mind is an intelligent conversation, complex

phrases, the opportunity to learn something, namely his mind.

## **Venus ♀ in XII 12th House**

([956] i.thehoroscope.co)

People having Venus in the 12th House want to build fulfilling relationships but aren't very good at establishing their romantic needs.

Venus in 12th House people are very romantic, because Venus is the planet of love and the 12th House rules over self-undoing. They will make their own world out of their partner and feel very hurt if not seeing where the limit between their own needs and the ones of their lover is.

Because they're very devoted, many will think to take advantage of them. Very attracted to eccentric people, they will probably fall in love with someone who has many secrets and does things in an unusual manner. Not at all open to express what they're feeling or their affection, they're usually terrified that their partner doesn't have the same feelings as them.

### **Summary:**

Strengths: Unconventional, friendly and appreciative;

Challenges: Rushed and careless;

Advice: Take the chances that scare you a little.

### **Serious about romance**

Venus in twelfth House people will express all their artistic, social and romantic abilities through the way they socialize, and form balanced relationships with others. They like being part of something bigger than themselves and are great group members.

These natives are very serious about romance and start living only for their partner as soon as they have fallen in love and got together with that person.

They may have a problem setting up some boundaries between their needs and the ones of their partner's, so it's easy for them to get hurt in love.

Being so loyal, many will take advantage of them, this not being at all a good thing. They like the type who's unusual and has an interesting personality, regardless of where they

have met that person.

Those who think they're weak and not compassionate are the ones who will take advantage of them most of the time. It's like there's never a safe ground with them being affectionate and loving others, because they may feel like they aren't getting any responses to their love.

Attracted to any secret, they will probably get involved with married women or those who aren't available. It's like love has to come with sacrifice for them, and always need to renounce something in order to be with the person they're in love with.

Appearing mysterious even if they don't want to, Venus in twelfth House natives keep their romanticism well hidden, so this is what may cause them to seem enigmatic.

They should take a closer look at what they want from love, because they have this tendency to get involved in relationships that aren't equal and have a certain level of secrecy.

They also should make sure they aren't secretive themselves and that they're feeling worthy to make their love life public. Since Venus is about passion and the 12th House rules over the feet, they may feel the most sensitive in this area.

When the planet of love, which is Venus, is in the 12th House, the natives of this placement can have a very complicated love life. This is the House of Pisces, represented by two Fish that pull in different directions and don't seem to get anywhere.

Enjoying the ride and appreciating the feelings they get from life would be the best idea for people having Venus in the 12th House.

They can sometimes leave themselves behind because they're not feeling worthy, so it's important for these natives to come to terms with this issue, no matter how serious their relationship is.

They're very worthy of anything, including love, so settling for less shouldn't be in any way one of their options, as they tend to just go with something that doesn't make them happy and start living in a fantasy world.

It's easy for them to think of partners they've lost, to fall for someone who doesn't love them back or is very far away.

Poets at heart, they may not necessarily be talented at writing, but they can still have the deep emotions of a poet because no one beats them at being romantic.

Their ideals regarding love are high and it's sometimes normal for them to feel reality is

not even close to their dreams. It can be disappointing to see things as they actually are, but dreaming too much can't be in any way healthy.

Individuals having Venus in the 12th House can love anyone very compassionately, which means they're mature when it comes to this feeling, but also dangerous, because the ones who aren't so evolved can start chasing people who will never land into their arms.

The others will not mind giving all of their unconditional love and will notice that The Universe sends them back a positive response.

### **Running away from loneliness**

The twelfth House is about secrets, things that can't be seen and locked feelings. Venus is like in exile here, so the natives having Venus in the 12th House will dream of taking their other half to a deserted island and just spend some romantic moments there, if only for an hour. It's very likely they will fall for the wrong person and get to live a forbidden relationship.

They should set some boundaries regarding how much they're giving in their love life because they tend to have the same feelings as their lover and to get easily hurt.

Caring a lot about the humanity, they think Divinity is in each and every person. Cruelty and suffering give them the ugliest feelings they can have and make them dream of an ideal world, after they have retreated and isolated themselves.

People having Venus in the 12th House want relationships but aren't very good at establishing their romantic needs.

It seems like their soul is always looking to get together with someone, in the most divine connection this world has ever seen. Only in the arms of their lover, do they get to feel like they're truly home.

They will spend some time alone and become as dark as a person could get, so they run away from loneliness, looking for relationships that can sometimes be disastrous and not at all advantageous for them.

They seem to disarm everyone with their impressive aura and great supportive character that also makes them great for a job in counseling or as therapists.

The twelfth House is also a ruler of isolation, so the natives with Venus here can make great friends for those who are locked up in either prisons or mental hospitals.

Because this is the House of loneliness, they want to have their privacy and can enjoy some hobbies no one has any idea about. This is due to the fact that they would simply

want to keep things to themselves.

If Venus forms an aspect with other creative and artistic planets, they will be very talented at something and not say a word about it. People with Venus in the 12th House feel guilty when wanting possessions or yearning for the materialistic side of the world.

Feeling shameful when they have to show their things or eat too much, they won't have to be in any way down, because they have worked hard to obtain what they were dreaming of and to afford the most expensive foods.

If Pluto or the planet Jupiter are in aspect with Venus, they may be obsessed with shopping, but still feel guilty after a day at the mall. However, shopping sessions can stimulate them sexually, especially if they're buying something expensive for their hidden lover.

Their biggest secret is that they love sweets and candies. It can be a problem for them to express themselves in a relationship and even to be individualistic around many people. By interacting with others, they simply make a connection with the Divinity and can see the faces of all Gods in people.

They may have healing powers, because Venus gives them an affectionate and powerful touch. Venus may feel isolated in the 12th House, making its natives think like observers and spreaders of love who deliver and then disappear surrounded by mystery.

He wants someone who will fight, a woman with a fierce temperament who won't just let herself be subdued, even if that's what will happen in the end. It's sweeter when she gives up after a long chase, with all the adrenaline floating in the air.

Even if he gets serious later on when the relationship is underway, he won't accept any attempts to undermine his efforts. He has a big ego, and he never does mistakes.

### **In conclusion**

Let the Mars in Aries man work when you see him focused on the project. He may stay

there for a few days, not even lift his head to see who's been visiting him, but you'll be surprised at his efficiency and productivity.

What happens is that he can't let off a challenging prospect once it comes his way. It's too tempting, and he's also stubborn.

So, chew on that a little! He's egocentric, self-centered and he wants his merits to be recognized. After all, he's the one doing all the work, the one coming with all the good ideas, and also the one that brings the competitive spirit back to the surface.

He loves his freedom and his honesty will tell you exactly how he will react if you try to take it away from him.

He's one of the most devoted men out there. When he deems his partner to be worth the effort, and if his feelings are true, he starts taking care of his lover with an unmatched love and affection.

Individuals having Mars in the 2nd House invest a lot of their time and energy in making money, gathering as many possessions and beautiful things as possible.

They're the impulsive type of buyers and will always have problems with how much they're spending. It's not at all in their way to save some money, so working on changing this would only make their life better. For them, finances come and go, which means they should focus more on their talents and less on how much is on their cards.

### **Summary:**

Strengths: Diligent, methodical and elegant;  
Challenges: Materialistic and superficial;  
Advice: Being careful about the challenges they choose to pursue.

### **A tendency to be overprotective**

The ego of Mars in 2nd House natives is getting stroked by a fat bank account and many possessions. They appreciate their own value according to how much they make and are never satisfied with what they have.

Having strong opinions and believing only in what they want, these natives may get into fiery arguments about their own values and principles. It's important for them to try to not impose their beliefs on others, because they can do this a lot.

They want to have the biggest house and the most expensive car, because this is what makes them confident. If wrong about something, they can admit their mistake but become broken about it.

The way they make their money will have something to do with being energetic and taking harsh actions, because they're fast thinkers and prefer to deal with things that make all of their five senses activate.

They like touching and getting engaged physically, so they'd make great engineers, surgeons or butchers. The position of Mars in the second House indicates the material gain is the most important for them, so they're very inventive when it comes to reliable money-making methods.

When it comes to business, they can be very aggressive and eager to win, so owning a company may be just the way to go for their professional success.

Individuals having Mars in the 2nd House don't mind taking risks if there's a chance for them to make good money. Expect them to want to compete in business and to work very hard, even if many see them as slow when doing their job.

and energetic.

### **Practical aspects**

Mars in 2nd House individuals are true hard workers who focus a lot on the methods they need to work with and are a little bit slower than others, because they carefully analyze and plan.

As they know what practicality actually is, they'll make great things with their own two hands and earn a lot of money with which they'll buy the most expensive and high-quality things.

Independent, they love it when the work they've done alone is appreciated and brings them a lot of money.

They're stubborn and think what they believe in is always correct and can't help themselves imposing their values on others. This means all of their energy and initiative come from their aggressive side.

While not minding being challenged, they can sometimes give up projects before these are finished. That's why many think they're too impulsive, inattentive and that they have an unfounded confidence.

They don't mind speaking the truth and their straightforwardness can bother some of the people in their life. These people think it's important to react fast and can cause trouble whether being aware of it or not, just because they're bored.

The good news here is that they're lucky with money and always find opportunities to make more. They're generous and don't mind picking up the check at the restaurant.

Determined to succeed at work and real hard workers, they don't think so much about social status, as for their salary. They won't be the type who has a fat bank account and also the big house, but more the one who has the house and everything else that is very expensive. These are not at all the people to give their children anything else besides their debt.

### **The downsides**

People having Mars in the 2nd House are very careful to always make lots of money and focus too much on business, because they simply can't resist buying expensive things. If there was a job that would pay them for spending, they would be the best at it as they'd do what they love the most in life.

They should pay attention not to become too possessive of both people and their things. Always feeling they know what's best for everyone, they will bother others with this attitude.

It's important for them to take their time and rest when tired, even if they hate taking breaks. It's easy for them to consume all of their energy on problems that aren't even important.

### **Mars in the 2nd House in a nutshell**

Mars is the red planet of action and war, which when in the second House influences people's wealth and the way they're dealing with possessions. It's considered malefic because, especially when in a negative aspect, it can cause havoc.

However, when in the 2nd House and in a positive aspect, it brings luck with money and makes the natives of this placement very materialistic.

People having Mars in the second House can get very frustrated when money problems appear, so going out in Nature more would clear their mind

However, they should learn to relax if they want to enjoy their achievements. The 2nd House is also about external and internal resources, so people having Mars in it use their emotions and intellectual resources a lot to deal with everyday life. What's external consists of possessions, property and money.

These are the only things that make them feel secure and happy. It's also what attracts them the most, so the second House will be the place where they keep what they value the most in life.

Mars makes them impulsive and irritable under pressure. When Mars is in the 2nd House, people with this placement become great business owners, as they hate working for others and not benefiting from all the money they're actually making.

They don't mind working hard and want to always win because they know winning makes them richer. The way they celebrate victories is obviously, by spending. Because they hate sharing their gains, they shouldn't work in teams.

### **Mars in Rx *retrograde movement***

[699] [920] ([699] mollysastronomy.com:) Less competitive than usual Mars energy, and often in competition with themselves. Tends to internalize anger and leak it out rather than express it directly. Mars retrograde women often choose men who are dependent, troubled, irresponsible, or social misfits.

([920] cafeastrology.com:) There might often be roundabout ways of going after your desires. The desire nature runs deep, but is often misunderstood by others. Timing might often be off, or you could express your desires (or anger) in bursts rather than more flowingly, whereby you keep these things to yourself and let them build until you explode. You may come on too strong some of the time, and not enough at other times, often thinking of the better thing to say or do only later, when you're no longer under

pressure. Competition can unnerve you, and you are usually better off setting your own pace than working by schedule or with others. You might come up with very creative ways of expressing yourself physically as you mature, or channel your energy into unusual but effective areas. (or because of the new chart from Saturn return)

### **Mars ♂ - Ruled by Aries (& Scorpio)**

([871] southfloridaastrologer.com:) The most authentic expression of the power and will is found when Mars is in Aries or Scorpio. These two signs never back down from a challenge or a battle. Mars seeks power and control in a direct and unfiltered manner when it is in Scorpio or Aries.

#### **The impact on personality**

Jupiter Scorpions should believe in the fact that they create their own luck. They have a magnetism that attracts luck, so it will be only their job to make the best out of it.

Because they are private and secretive, they will be great as special agents or spies. Those with Jupiter in Scorpio are too charming and strong to only benefit from successes in the professional life. So their talents and attraction power go beyond that.

Using their intuition, they could get anything they want and become powerful people. It's great they don't mind discussing about anyone and anything. When it comes to learning new things, they won't shy away from taboo subjects. These guys want to see what's behind everyone and everything.

If they will concentrate to invest all this passion in what brings them benefits, they will be very successful. When they'll devote themselves completely to a project, Jupiter will help them be luckier.

All their strength and magnetism need to be used to make the world a better place because their compassion and intuition will help them attract luck and build strong relationships anyway. Their life experiences will be fulfilling and fun.

The mind of Jupiter Scorpions will always wander. They are curious and never happy to know just a few things about someone or something. These guys always want to go beyond the surface and be aware of every little detail. And they have all the resources to dig deeper and discover what's hidden. Anything that has something to do with investigation is what makes them happy, even academic research.

Because they understand what people think and feel, they are great therapists too. When they'll be off work, they will probably solve mysteries or engage in spiritual endeavors. What's beyond our reality makes them curious.

Not to mention they are great with details so they can break a problem into many little pieces and find the best solution. And this will help them in both their professional and personal life.

When these guys focus, they are looking for deeper meanings and motives. This is how they discover what's hidden. Reading between the lines and seeing when someone's lying is their special ability.

When it comes to social relationships, these guys prefer to have depth rather than breadth. That's why they won't have that many friends. Once people in their life would have gained their trust, they can be sure of their loyalty forever.

Betraying them would be a mistake because they never forgive nor forget. Jupiter Scorpios are also good with the esoteric, and many of them will study astrology, tarot reading or witchcraft, so don't be surprised to find out they are shamans or spiritual leaders.

### **Enigmatic and multitalented**

When others will go through a deep and meaningful transition, they will be able to help a lot. Usually, Jupiter Scorpios are serious but also an enigma and their business talents and critical judgment could help people solve their problems more easily.

When they are engaged in something, they can dig deep and identify the mechanisms of how things work. It can be almost impossible to change their beliefs. These guys are too anchored in their own way of thinking.

And they may try to convince others to believe in the same things as they do. Farsighted, they will succeed at almost everything they will do. Jupiter Scorpios are among the most intense and passionate people in the zodiac. They can dedicate themselves to all kind of projects.

Because they are so intense, they will attract luck. And they would be even more successful with this if they'll accept other people's opinions.

Sociable and opportunists, they could be great businesspersons. But what interests them the most is the truth and even the occult. Intelligent, practical and sometimes manipulative, power is the most important thing to these people.

A career in politics would probably be very satisfying for them. If they'll allow Jupiter to expand their mind and amplify their trust, they could turn all their sexuality, passion and intensity into great things.

And these things won't have anything to do with physicality. They would be more about emotional intelligence, negotiating skills and the ability to love.

In relationships, these natives have a high libido and make love like no one has ever seen before, but they are also the very jealous type. The fact that they tend to get creative both in bed and outside of it helps them get away with some exaggerated behaviors.

### **The Jupiter in Scorpio man**

The Jupiter Scorpio man is not very down-to earth, not to mention he can have a temper. The Jupiterian proverbial generosity and trust can prevail in him, after all.

When he'll argue with others, he will emotionally manipulate or insult them. It's not very easy for this guy to restrain himself. But at least when he'll be happy and enthusiastic, he will have equal passion and dedication for the moment.

However, his anger is not something anyone would want to witness. He can even become violent when very upset. Women in a relationship with him shouldn't put up with the abuse and find someone else.

He usually hurts others when he needs to defend himself. He can be made to trust someone with the help of Jupiter. Keeping him safe and confident could be a solution.

Cheating or lying to him would be disastrous and be warned that he will never forgive or forget. But he will make the woman who's faithful and kind to him feel like she's the most special person in the world. And there are just a few other people as devoted and as skilled in the bed as the Jupiter Scorpions.

Slowing down from time to time would really have them more focused and appreciated by those who happen to love them.

Individuals having Jupiter in 9th house should learn how to enjoy the simple life as well because happiness can be found in what doesn't seem so important too.

They will always be lucky and love what they may be doing for a living, so money will come to them the easy way.

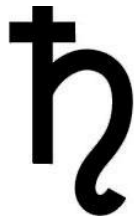

It's important for these natives to study philosophy and even religion because they're really passionate about these subjects.

Intuitive, able to grasp complex notions, true visionaries and rational, they'd be very successful doing something with their mind and developing their intellectual abilities.

Philanthropic, academic and perhaps religious activities interest them too, but what will keep them focused and happy will always be traveling and understanding other cultures.

## **Saturn ♄ in ♉ Taurus man 3° 49'**

([1018] i.thehoroscope.co)

The position of Saturn in your natal chart reveals how you deal with rules, responsibilities and limitations.

For those with Saturn in Taurus in their natal chart, pragmatism is a way of life and they always tend to think about what could happen the next day, and they prepare for it in advance.

Always working tirelessly, putting the material situation upfront, they save money and are quite thrifty when it comes to spending them because they realize this could very well save them from a bad situation.

Because they care about their security and stability a bit too much, this could turn into an obsession. However, everything is not as bleak as they perceive it, and so they should try to look at things from a different perspective.

### **In a nutshell:**

Style: Practical and generous;

Top qualities: Possessive, indulgent and friendly;

Challenges: Stubborn but also indecisive;

Advice: Try to obtain as much social support as possible.

### **Personality traits**

The native with the Saturn Taurus transit in their natal chart is the type who wants to find security in their life, from all points of view.

Professionally, they will work hours on end, even put in extra time, all in order to make sure that they are one step closer toward accomplishing their goal. In today's society, money equals comfort, stability, and they realize this.

With an iron will and a very systematic approach, they do whatever it takes to complete their projects and reach the final goal.

Moreover, no matter what path they choose, it's obvious that not even the direst of situations will make them become impatient. Everything is under control, even when it seems like the slightest mistake could take it all to a complete disaster.

Natives touched by Saturn take extremely good care of their financial situation. Obsessively watching over every little dime in their pockets, and carefully inspecting every product before they buy it, it's not much of a surprise when you'll hear about one of them becoming rich.

After years of saving up, and leading an austere lifestyle, it would have been absurd and suspicious for the situation to be otherwise.

What's good though is that these natives are very ambitious, responsible with their money, confident, and very resolute about completing their goals. The same goes for the way they approach relationships.

Also, because of Saturn in Taurus' influence, these natives can work in pretty much any domain, but they tend to be more efficient when it comes to sciences, mathematical problems, pinpointing with exact accuracy the nature of a given problem, or extracting the correct solution after a series of tests.

### **Transferable attitudes in their love life**

Saturnian Taurus natives are very determined once they focus on doing something, and this doesn't only apply to their professional life. In that sense, they can be extremely ambitious and endure quite a lot of punishment on the path to success.

Financial security and overall stability can only be attained with enough effort put in, working smart, never giving up, and being always patient with how things advance.

With love matters, Saturn instills them with great practical sense, which means that they will want to find someone to spend the rest of their lives with, to build a future together and not just another adventure.

Long-standing relationships are hard to come by, but they are reliable and trustworthy enough to attract that special someone.

With great affection and an unusual amount of compassion, the Taurus natives will offer their partners a feeling of security, of protection.

With a steadfast determination, they seek to build a firm and steady bond with that special someone, and they may forget about romance in the meantime. The more sentimental individuals might not be prepared to live like this, so this may lead to disappointment.

Moreover, because they are so hell-bent with their plans of a happy marriage, and won't easily give up, problems could appear because of a toxic partner. They should learn that giving up is sometimes the right choice.

### **The good and the bad**

One of the best things about a Saturnian Taurus is that they are arguably the best person to call when you have a problem that you can't deal with.

They will act with the best intentions, and with so much passion, that you could think their entire life depends on it. That's why this native should occupy a management position, or something close to that.

Moreover, it's something really surprising that some people see them as procrastinators, couch potatoes who prefer sitting all day long in front of the TV.

The thing is, they take responsibility for their lives and actions, and don't want anyone else to be put through the dangers that they choose for themselves. Keeping a slow and steady pace is the most efficient approach to solving a problem or completing a problem. It's safe, secure, and makes everything much easier to tackle.

Saturn brings out these traits in this native, and it also brings out something that they will become legendary for. Stubbornness becomes the tell-tale sign of a Saturn Taurus, and they will make sure to express it in every situation.

They can take it to a whole other level, meaning that once a decision was taken, absolutely nothing can make them change their minds.

### **The Saturn in Taurus man**

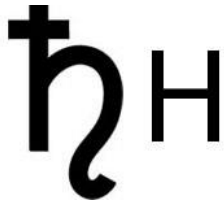

The Saturnian Taurus native can be described as extremely disciplined soldiers who never stray from the given orders, and who do things in a very organized fashion, with a singular purpose in mind, and a steadiness of mind many would find appalling.

It is true though that they seek for security in all of its forms, and in all walks of life, with Saturn giving them the energy they need to succeed.

In a relationship, he will take on the role of a protector, fighting against all the possible dangers that might hurt his partner, and shouldering all the burdens that appear.

In return, he expects to be loved and appreciated. Also, honesty is very important to him, so one should never think about deceiving this man.

## **Saturn ♄ in III 3rd House**

([1031] i.thehoroscope.co)

This placement of Saturn makes people have highly analytical and precise minds, love to dwell in many different interests and often impress others.

People born with Saturn in the third house in their birth chart are precise, resilient and capable of seeing things in depth. They can organize very efficiently and deal with life in the most traditional and conservative way.

It's possible they'll have an inclination towards mathematics and logic, their mind being very capable of developing great strategies when put in such a situation.

These people don't like to waste too much time with a project and prefer to be alone because they sometimes feel like people can only bring them trouble. This is because they may encounter problems with communication and can't find the way to express themselves clearly all the time.

### **Summary:**

Strengths: Knowledgeable, dependable and kind;

Challenges: Insecure, shy and distant;

Advice: They should be braver about their opinions.

### **A dislike for superficiality**

The main purpose of the 3rd house sits in the subconscious functioning of the natives' mind, when these are dealing with their most comfortable surroundings.

This house refers to the purest way people behave and communicate or how they function when interacting, so with that in mind, it's obvious that it doesn't deal with the unconscious.

It seems the small things people say and do unconsciously are the ones that present who they actually are!

Saturn in 3rd house natives may seem shy and distant. Some can be turned off by them, so they should listen and actually use what they have learned.

This way, they won't need to do a lot of talking, still their loved ones will adore them for listening.

Saturn in 3rd house individuals have some serious difficulties when communicating.

These natives believe their opinions will get seriously criticized, therefore, they're insecure and wouldn't even think of trying to talk about their feelings or thoughts.

Because of this, they're unwilling to communicate and are scared of making a mistake. It's normal for them to be shy and always concerned with others' opinion of them.

Talking is frequently a challenge for them and they could have dealt with some kind of speech impairment when young.

Saturn in 3rd house people aren't necessarily spontaneous as far as learning goes, small-talk and day-to-day discussions about the latest news.

They simply don't have a lot of interest in simple subjects and are all the time serious because they dislike superficiality in all its forms.

They may be very good when it comes to research, but are often scared or not at all bold enough to deal with the new and the methods that haven't been tested.

With Saturn here, things generally refer to a highly analytical and precise mind, which can be the effect of many principles taught to them during their first years of school.

From a young age, some of them have been educated to respect every rule, so they may seem insecure when dealing with the unknown as they take their time to act and are cautious.

Many of them have only studied and thought of nothing else, while others were denied to attend a college with strict regulations, where they'd have felt really good.

As children, they probably felt unappreciated for their way of thinking and even called dumb. If disregarded and told their opinions don't matter, it's possible they may have learned to remain silent and to open only when thinking they have something very interesting to say.

The psychological buildup of people usually depends upon what's known, tested and appreciated.

Saturn in 3rd house individuals deal with cognitive activities by insisting and striving for perfection, security for them being attained only when the truth is understood and every

little detail has been studied.

If not, any form of advice coming from others can intimidate them. The slow movement of Saturn supplies many problems in matters relating to home and family members.

Natives having Saturn in 3rd house typically start speaking at an older age than other children, could have a somewhat sluggish and fearful speech or can be exaggeratedly timid to talk about their own ideas.

They may take a while to process all the information coming towards them, and while their intelligence isn't lower when compared to others', Saturn often makes them seem less smart.

Even if they may possess a high intellect, their surroundings would make them feel too scared to talk, which they accept as a reality until seeing what their speech can do.

It doesn't matter if men or women, they could be late bloomers who use only their own pace. Saturn makes these natives extremely stable when it comes to the knowledge they've obtained throughout the years.

What they have heard is strongly fixated in their mind and generates new ideas, which can produce an even more developed mind in the long run, a greater understanding than the one of somebody who absorbs data fast, yet in a chaotic manner.

### **The goods and the bads**

Saturn is the bully of all planets, making people with it in the 3rd house seem distant or too shy. Situations in which communication is needed can make them feel uneasy, but since they don't necessarily say too many things, they have this great way of listening.

And it's not that they want to be this way, they just are! Don't even think they will ever speak in public, yet Saturn in the 3rd house makes them silent and ready to develop great observational skills that eventually lead them to success.

They prefer to work in the shadows, sometimes as journalists or scientists and are disciplined or very well coordinated, finding those who happen talkative and unorganized very bothersome.

They have probably been discouraged to talk when young, possibly because their parents considered some things should never be discussed.

Saturn in the 3rd house can even briefly disrupt them in school as well, however, they will surely devote a lot of their time and efforts to the aspects of life related to education.

They may need to study twice as harder, but at least they have their own strategies

when it comes to working towards reaching their objectives.

It's possible they'll want to achieve great successes in research, but for this to happen, fighting their own anxieties would become very important.

It's good that Saturn provides patience and endurance, so these would be two of their advantage when it comes to accomplishing any type of task.

Their communication is lacking a lot of heart and soul, therefore, they won't call or text a person until initially determining what they want to say.

This can be terrific for some professions, especially those that require the employees to be as discreet as possible.

Natives with Saturn in the 3rd house are fantastic at managing confidential information and working for newspapers, or for tasks where they don't need to interact that much with their colleagues and superiors.

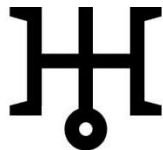

They're also cautious and manage to obtain results faster than others because they're always minding their own business.

It's suggested they spend some more time examining other individuals and their desires because this can help them determine what they want too and they surely are capable of good relationships.

They should use their instincts and have significant talks with both their family and friends.

Relaxing and letting their few communication abilities unfold will put them in the ideal direction, so they'll eventually learn how to talk more openly, which can be their life's challenge.

***Uranus ♅ in ♍ Virgo man 22° 50'***

([1046] i.thehoroscope.co)

The position of Uranus in your natal chart reveals how forward-looking you are, on one hand, and on the other, how rebellious you are.

Those born with Uranus in Virgo in their natal chart keep coming up with new ideas, always think of multiple ways to approach a situation, and often end up with the most inventive and surprising of methods.

They can improvise so well because they are resourceful, creative, interested in gaining more knowledge, analytic, and they are born to change the world as we know it.

Science attracts them the most because it has the greatest potential to bring about a new era for mankind and they most certainly want to be part of this.

#### **In a nutshell:**

Style: Sensual and sympathetic;

Top qualities: Observant, reliable and modest;

Challenges: Fussy and easily offended;

Advice: Physical exercise is really good for you.

#### **Personality traits**

These natives are very meticulous and analytic individuals. They will spot the inconsequential details right from the start, and they will focus on the most important aspects of a given situation.

This makes them more efficient, productive, and it reduces the risks involved. What's even more admirable is that they aren't going to brag about their success, and won't act in self-righteous ways to promote their ideas. A simple gesture of appreciation will suffice to validate their efforts.

Thanks to their deeply critical mindset, these natives will often find many diverse methods to approach a problem, all stemming from all the analyses they've done on the subject.

With this much research, as well as the intellectual flexibility, these natives won't wait long before trying to create entirely new avenues of scientific study.

They are very creative and inventive workers who use their own experience and intuition to ease work and convert any tension into production power.

Naturally, the Virgo is one of the Earth signs, and this means that they're not likely to accept change in their midst.

Changing their routines would take from the comfort of leading a life filled with a sense of the familiar. Social conformism would come easily to them, if not for Uranus' influence which brings them the raw energy of a star coursing through their veins.

Now, staying in-doors and feeling fulfilled with a boring lifestyle would be a death

sentence. They become innovative, flexible, adaptative, the type who wants to change as many things as possible, just to see what happens.

They could let others come in to help, if only with just some advice because this native doesn't trust people that much.

Even though the Uranus Virgoans don't wish for their efforts to be put into the spotlight, they wouldn't reject the opportunity to work in PR, for example, or in high positions where they have to take on the role of a leader.

In fact, these positions would ensure that their abilities are perfectly used to get the best results. The new intrigues them, and this includes technology, innovative additions brought to the fields of medicine, environmental health, tech stuff that puts most people at odds with their intelligence.

They are respected by everyone because of their amazing self-control and professional attitude.

The Uranus Virgo natives have split apart between their love for the new technology rising fast, for the prospect of experimenting with the upcoming digital age, and the spiritual connection with nature, with what comes before anything man-made.

They will revere and respect Mother Nature and its manifestations, even going so far as to organize marches for the protection of trees, of near-extinct species of animals.

They'll likely choose to alternate their lifestyle, going full vegan, and paying close attention to their relationship with the environment.

### **A non-conformist lover**

In love, the Uranus Virgos won't accommodate their beliefs to age-old traditions, and won't subdue their freedom of thinking just to have a "normal" relationship.

The non-conformism manifests in the unusual type of bond that one has with their partner. These people will have their own way of going about doing things, their decisions are their own, and they won't expect their partner to agree with them unconditionally.

Each individual has their own perspective on things, and both of them will have fought on through life with a certain type of principles that differentiate them from everyone else.

It couldn't be better because the Uranus Virgo capitalizes on this boldness and working power to take the relationship to the next level.

### **The good and the bad**

The Uranus Virgo natives are very responsible individuals who never let themselves get distracted by anything, no matter how passionate they might be about that subject.

Responsibilities and day-to-day tasks are essential for a stable lifestyle, and it's also the fact that having something to do keeps them on their toes, always ready if something unexpected happens.

With this much raw energy burning down inside them, ready to be unleashed at the slightest sign of danger, these are itchy to release it and often find the opportunity to do it in creative endeavors or put it toward their observation skills.

Their greatest flaw is the obsessive need to be in control of everything and everyone. When they feel like something's bound to slip from their grasp, these natives lose focus, start getting anxious, annoyed, and end up doing stupid things.

This is how it works when they're planning something and they expect the validation of others. Because they can't control what other people feel and think, they want to be sure that everything's in order.

Of course, it's not that they actually pay attention or take into consideration exterior advice, but that validation and appreciation are paramount to their potential.

### **The Uranus in Virgo man**

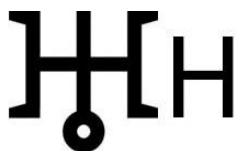

The Uranus in Virgo transit influences this native in a peculiar way, making him become really efficient at deconstructing a certain problem into its barest parts, in order to find out exactly what the best solution is.

But it also made him uncertain of his own ideas, with an urge to seek outside validation.

Although there is a lot of untapped potential deep within him, with the raw energies spilling forth into everything he does, this one aspect puts everything to shame.

Also, this man never settles with the simple explanation, with what appears to be insufficiently complex, and wants to conduct research on his own.

## ***Uranus ☿ in VII 7th House***

([1059] i.thehoroscope.co)

This placement of Uranus makes people seem irritating and difficult, but in fact, their friendliness, kindness and love always come to surface later on.

Challenges: Restrictive and suspicious;

It's very hard for these natives to get involved with someone who's overbearing or to be involved in an affair that doesn't offer them happiness anymore. They will learn from their experiences with others and realize how Uranus influences them in this house, so they won't be surprised when noticing they need change more than anything else in terms of partnerships.

These people hate taking orders and when someone tries to limit them, they start to rebel and become impossible to deal with.

The more they'll be with a person who's needy, the more limited they'll want to escape the relationship that makes them feel restricted.

Is very likely they'll be chaotic and rebellious when with their partner because wondering what's going to happen next makes them tick.

When the eccentric Uranus is positioned in the 7th house that rules over marriage and any other type of partnerships, it gives people with this placement a need to be bachelors their entire life.

In case these natives will at some point marry, expect them to be with someone who's unusual and doesn't respect traditions. They can also marry someone either older or much younger than them.

Their partner will always be considered different than others because what they're looking for the most is for him or to be unconventional, no matter how they've been raised at home to believe love is.

As a matter of fact, in case their relationship is not in any way strange, it won't work for them at all. Individuals having Uranus in 7th house give a lot of importance to friendship, so they won't want a life partner that's only their love, but someone who's their companion as well.

It's better for them to have this type of relationship with their other half. You can be sure they'll always be open to do unusual things and to have many one-night stands.

They'll project themselves on their partner, so they'll probably look for someone who isn't in anyway stable, predictable or needy.

This is what they are, so this is what they're looking for in others, but don't expect them to ever admit it. The placement of Uranus in their birth chart indicates a split in their psyche, making them want to be out of the ordinary and even deviating.

However, it can't be said Uranus in 7th house individuals look for someone who's their opposite, a person on whom anyone can count and who's consistent because this is what their psyche asks of them.

With them, it's not like this at all because they find it very difficult to escape this psychological need they have to project themselves on others.

They would be seen by others as irritating people until their friendliness, kindness and love would come to surface.

Uranus close to the Descendant indicates these natives would unconsciously feel rejected, but they'll discover how strong their psyche is and build a strong image of themselves that isn't in any way related to what others think of them.

Uranus in the 7th house usually indicates people with this placement have been very inconsistent during their past life and perhaps caused others to suffer, so in this life cycle

they may feel the need to no longer be this way and to become as considerate as possible.

However, they would never escape their past lives because these would be deeply buried in their unconscious, so they would still need to understand how necessary balance and trustworthiness are in relationships.

### **Blessings**

Individuals having Uranus in the 7th house need to express themselves openly and to speak their mind.

Being confident and believing in their own choices should make their life easier and have others respect them more.

Is important for these natives to think they're talented and that they can do many great things with what they know. They're intelligent and have a nice personality that could win any person, no matter how cold.

Relying on their charming attitude and wit will get them very far in life. When Uranus is in good aspects in the 7th house, these natives will always have a hidden motive when interacting with others and not blame themselves for this because they think it's only something human and therefore, flawed.

They will immediately recover from heartbreak because they would think anything wrong that has happened with their relationship has the purpose to make them develop in a more constructive way.

People having Uranus in the 7th house should be careful not to flirt too much with others when having their own partner.

It understandable they're fun and always happy, but their lover wouldn't feel amazing if they'd be trying to hook up with someone else. Therefore, in relationships they should keep their sociability to a lower level.

### **Challenges**

The strange thing about natives with Uranus in the 7th house is that they can't apply their own principles to their life. When it comes to helping others, they seem unable to make the right decisions, which can also happen when they're facing a difficult situation in their own life.

Being indecisive can drive people around them crazy and their partner to wonder if they're truly in love with him or her.

These people tend to just go with the flow and do what their lover is saying rather than

bringing their own ideas. They will create conflicts because Uranus is all about creativity and coming up with all kind of plans that are more or less realistic.

Just because they're with someone, they shouldn't lose themselves in that person and no longer care about themselves or their own wishes.

When Uranus in 7th house is in bad aspects, there is the possibility for them to experience trauma from past lives as far as friendships, business partnerships and romantic relationships go.

The natives with this placement may still carry around the memories of past lives when they were either abandoned at the altar on their wedding day or got married with someone whom they didn't love.

If heartbroken, they will no longer respect, be fair, affectionate and kind with the one who betrayed them, no matter how much this would hurt.

They will just choose to be alone and to no longer trust anyone. Some sore points from their past lives may also be associated with social problems, so they may have memories of being removed from the family, group gatherings and all types of events they have hoped to be a part of.

It's also the possibility they've been married with someone who was wealthier or more intelligent than them and they felt small.

No matter the case, they need to be aware past lives influence them and can even cause them to feel bad, therefore, they need to escape and no longer perpetuate what they may feel is not right.

It would be a very good idea for them to accept others for whom they are and not try to identify themselves with the ones they love by projecting their own personality on them.

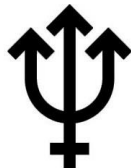

### ***Uranus ☿ in Rx retrograde movement***

[699] [920] ([699] mollysastrology.com:) Here is a natural-born rebel. Strong reformer instincts — for everybody else. These folks have a strong inner need and desire to persistently test their personal abilities against those of others. They must constantly prove themselves to themselves. In seeking greater freedom for themselves, they may limit the freedom of others.

([920] cafeastrology.com:) Uranus retrograde can point to a fear of change or a latent mistrust of new technologies or improvements. These people might hide their eccentricities, while Uranus direct natives are more inclined to flaunt them, or at least to be proud of them. In some ways, having Uranus retrograde is like having Saturn strong

in the chart. There can be pent up energy with this position, so that while they may be following rules for some time, at a certain point they bust out with a fit of rebellion before going back to a more orderly, law-abiding lifestyle.

## **Neptune ♃ in ♍ Virgo man 25° 8'**

([1070] i.thehoroscope.co)

The position of Neptune in your natal chart reveals how intuitive and dreamy you are and whether your life takes any spiritual turn.

Those born with Neptune in Virgo in their natal chart are all about idealistic thinking. They have their own ideas about life which they'll support regardless of the opposing arguments, and they'll have a doubtful look whenever someone contradicts them.

When it comes to healthy eating, professional life, efficiency, and productivity at work, these natives are usually the ones who have a lot to say and are very certain that they hold the truth.

Even when the overall perspective doesn't seem to carry any value, they manage to take out a small detail out of the context and capitalize on that. This is a direct result of Neptune's influence, the emphasis on details.

### **In a nutshell:**

Style: Dedicated and demonstrative;

Top qualities: Serviable, efficient and healing;

Challenges: Highly critical, impatient and fussy;

Advice: You need to put effort to convince your partner of your vision.

### **Personality traits**

The Neptunian Virgos are those who try to bring a sense of warning back into the collective mindset of the people, about living healthy, eating natural food, working intelligently, and not simply putting in the effort without the slightest knowledge about efficiency.

Humanitarian and philanthropic, they might want to participate in voluntary activities, contribute towards helping poor people, help abandoned children, and many other such activities.

A feeling of deep satisfaction and personal fulfillment is to be found in bringing out one's empathetic tendencies, in showing one's inner generosity and kindness toward fellow humans.

Besides this enlightening interest in the possible avenues of salvation for the entire human race as a whole, on a more personal level, they crave for the peace, quiet and sense of belonging that their home offers.

Bonding with their lover on an intimate level, creating a safe and secure environment to call home was always one of their biggest dreams.

They fantasize about simple pleasures, warm embraces with the partner in front of the chimney, a good morning kiss on the forehead, the jolly image of their kids playing in the front yard.

Also, they promote the idea that physical health is directly proportional to one's emotional fulfillment.

In their attempts to eliminate all negative feelings and detrimental attitudes, they try to use reason and logic, as well as emotional depth and feelings.

Over time, these two mindsets can begin opposing each other, creating inner conflicts that indirectly lead to a state of annoyance, irritability, and they'll sometimes not know how to react to certain events.

It's that blank stare, poker face, a form of social inability to empathize with a given situation, the ineptitude to cope with it.

Seeing that it could lead to worse things, the Neptunian Virgos try to fix things up by appealing to their own sense of satisfaction and inner fulfillment.

By helping others and supporting people in need, they receive a sense of appreciation, of self-validation, of social acceptance and this greatly helps.

These natives are very responsible, thoughtful, and intelligent. They think about things greater than themselves, about the good of the many, about man's action on the environment, and how it will lead to our downfall eventually.

They instinctually know that great changes are in store and try to be the prophets of the new age. With self-made rules and firm principles, the Neptunian Virgo advances slowly but steadily toward a brilliant future.

Even though their intuition pulses constantly, informing them about possible events

beforehand, they try to ignore it, instead of putting their whole attention on the power of reason, logic, objective research.

They prefer having a good reason to believe something, rather than feeling where the truth lies. However, the same doesn't apply in a relationship, where they must use their emotions more.

With a person expecting you to show affection, compassion, and empathy, you can't show the same cold and calculated rationality that is perfect for solving problems.

If you try to subdue your emotions and replace them with logical observations, the close bond between you and your partner will quickly fade away, just like the feelings.

You have to realize that a combination of reason and emotions will be a much better solution, and it will avoid all pesky problems.

### **The positives**

The Neptunian Virgos are best when put to work, when they have to take care of something, to organize an event or plan out an escapade.

If you want to have a party at home, there's no one else to ask for help. You just have to bring up the idea, and you'll see their eyes lighting up, an expression of pure joy and ecstasy plastered on their faces.

Just give them something to work with, and you don't have to worry about anything anymore. It'll be done with near-perfect accuracy, and according to the plans.

Moreover, they should learn to abandon their high-end expectations, and instead live the moment. Without any extraneous thought in mind, and without worrying about the future, just let life come naturally and bring about some surprises.

Controlling everything is an empowering feeling, that much is true, but it quickly turns into an obsession, and the lack of it brings a crisis of conscience, fear, uncertainty, and many other negative feelings. It's a good thing that they have firm ideas about their future and know exactly how to get there.

### **The negatives**

Perfectionism is a Neptunian Virgo's worst flaw. They have high expectations of themselves and want to achieve only the best results, with the best methods, in the least amount of time.

If something goes wrong, self-pity and self-loathing come in, accompanied by a sense of inner disappointment, and the obligatory attempt to find a scapegoat.

If it's not their own person, then they'll blame someone else who helped them, even if it's unwarranted.

With an idealized vision of life in their heads, they forget the fact that the real world is not made up of perfect elements to build such a utopian place.

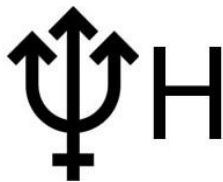

### **The Neptune in Virgo man**

These natives are very hard-working, responsible, ambitious, perseverant and endowed with great efficiency when it comes to professional expertise.

Results are what matters most to the man with Neptune in Virgo, and in order to achieve the best results, they are willing to work overtime, putting in the extra effort, and strive to complete the project with spare time.

In relationships, they'll be quite affected by Neptune's influence, especially when it goes into retrograde. They will feel the need for validation, for appreciation, and they will want to talk to you constantly, to see that they're doing the right things.

## ***Neptune ♃ in VII 7th House***

([1083] i.thehoroscope.co)

This placement of Neptune makes people give more than they're receiving when it comes to marriage and the different relationships in which they're involved.

The Neptune in the seventh house aspect has indirect effects over people and their way of responding to others, or their behavior in marriage and other types of relationships.

This planet here makes natives idealistic and completely unaware of what's real and what's fantasy. It also brings a deep mental connection between two partners and great intuition coupled with empathy.

### **Summary:**

Strengths: Dependable, trustworthy and kind;  
Challenges: Dreamy, irritable and perfectionistic;  
Advice: They should do more of what they love.

### **An altruistic personality**

Neptune in 7th house people tend to give more than they're receiving when it comes to marriage and the different relationships in which they're involved.

They may see things the way they want them to when selecting their partner, so many of their lovers would be considered soulmates by them.

These natives need to form a strong connection that relies on intuition and psychic perceptions with the one they love. That's why they may not be the best judges when it comes to the way they interact with others.

It's important for them to sometimes just take a step back and analyze people for who they are because they tend to see only what they want. It can be possible for them to be attracted to those who somehow need to be saved, or they may feel like victims who need a hero themselves.

Either way, they'll always end up with individuals who only confuse them, are not in any way committed or can't be only with them. Those who grow to be dependent on others are also their favorite type in the world.

Putting their lover on a pedestal, people having Neptune in 7th house can't see the bad things about their other half. Therefore, they need to be more disciplined and set some boundaries when choosing someone with whom they may spend the rest of their life with.

Also, they should keep the lines of communication always open or their relationship will end sooner than later.

Most of the cases, natives having Neptune in 7th house grow to be dependent on their partner and on the most accommodating people this world has ever seen.

On a positive note, they're very good at bringing out the best in others, especially their partner, but only if that person appreciates their efforts and wants to grow into someone better while next to them.

This placement indicates that Neptune will express itself the most when it comes to relationships and the qualities or traits that are only seen in others as the 7th house rules over marriage and describes what the natives would want in life partner.

Things about the 7th house should always be taken seriously because relationships are amongst the most important things people can experience in life.

The planets in this house indicate what qualities they will influence in people's personality. Natives will unconsciously mirror their own traits in the ones they care the most about in their life.

Natives with Neptune in 7th house will always have fantasies and put their loved one on a pedestal, so whenever choosing someone to be their soulmate, they should be honest and pick very carefully.

This is a planet of fantasy and illusions, so it makes natives having it in the 7th house to want relationships with people that are unavailable.

These people will suffer a lot in love, and continue to dream about the perfect marriage, just like when they were children.

Adulthood makes them understand reality and to realize things aren't always as they used to dream about them.

It's tricky to have Neptune in 7th house because this planet only makes things about partnerships and marriage more difficult. It's not the placement of tragedy or a too harsh life, but too much fantasy and irritation regarding everything this house rules can't be good.

Neptune can't accept any limits, people with this placement would imagine something perfect when it comes to their marriage, thinking the union with their life partner is unbreakable.

Things aren't always this way, and they'll learn the hard way romanticism can't be kept like in the beginning. It can be confusing for them to see that after they've invested so much time and efforts into someone dear, things can go to waste and they no longer know who their partner is.

The thing is, they can repeat the same issues over again, with different other relationships and marriages. Having a need to find someone perfect, they will never see the negative parts of their other half and whom she or he truly is.

They usually attract people who have a lot of Neptune or Pisces influence in their chart because these are the natives who are always living in a fantasy world and don't care too much about the everyday life.

In the situation in which Neptune is in good aspects in their chart, they have all the chances to marry an artist or a person with a very sensitive soul.

In case Neptune is in aspects with other malefic planets, they may have a wife or husband who's addicted to substances and alcohol. The second situation indicates marriage with someone who no longer knows what's real and not, so it's about a hero saving a victim.

It could also happen that their spouse doesn't want to be saved, yet they will still continue to idealize the relationship and to not understand why their help is not appreciated.

Furthermore, when it comes to their money, they may lose a lot because they'd be spending on rehab centers or to provide their spouse everything, he or she need in order to deal with the addiction.

Influences from Neptune indicate they may be with someone who's deceptive or hides his or her true personality from them. Since they want to offer everything they have to the person they love, this signifies a situation in which they're being taken advantage of.

What's curious is that they won't even have an idea about what's going on, so their friends and family members will try to wake them up and they'll refuse any intervention.

They need to understand that a bumpy love life can sometimes lead them to become nothing else than the caretakers of their partner, someone who's more a parent than a lover.

They will continue to use this Neptune's rose-colored glasses and not acknowledge their other half may be the worst person they have ever had to deal with.

It's normal for them to be with abusive characters, alcoholics, criminals, con artists and junkies. They will all the time make excuses for how their lover is treating them, not accepting other people's opinions and refusing to see the truth.

If there would be a textbook, these natives would definitely be under the abused and dependable partner who believes things can change and that his or her other half is the most wonderful person in the world but he or she doesn't show it.

Natives having Neptune in 7th house will blame circumstances and say it's not their loved one fault for bad things happening in their life.

In other words, they're a danger to themselves because there are also situations when their lovers can even get violent with them.

Very sensitive, these natives are great therapists as long as they don't absorb emotions and feelings of others for too long and too intensely. Adopting a cold attitude will be the perfect solution for them if they happen to want a career in this direction.

### **The goods and the bads**

Neptune in 7th house people are driven by their own sense of what's right and wrong. However, it's their imagination that makes things happen for them.

As a matter of fact, the combination between these two things can help them achieve many great things in life.

They're the best at making others look good because they're enthusiastic about people and the most optimistic individuals anyone could ever know. It's important for them to be objective when it comes to relationships, or at least to talk about their problems with someone who sees things clearly.

It's possible they'll stay involved with someone who doesn't serve them any good because they'd feel comfortable with that person.

Knowing comfort isn't happiness is something they should definitely learn. It's not in any way an effort to look for someone better, so they should just go ahead and take the pleasure in chasing a new partner.

Neptune in 7th house individuals should be careful not to become lost in their fight against unfairness and injustice because they often give all of themselves to different causes, forgetting about who they actually are and why they've started fighting in the first place.

No one says they aren't amazing at helping others, but they should take care of their own problems before starting to give a hand to others.

When single, they tend to choose one of their friends to make decisions for them as life with someone seems to be what motivates them the most.

Not to mention they don't mind having the responsibility taken away from their shoulders. This means they can pressure others too much sometimes, and many of their partners will run away from them when seeing things are happening this way.

The more they'll stress about all kind of problems and feel nervous, the more they'll pressure their lover to want to give them a hand. But this can destroy the balance of their relationship, so they may end up not getting what they want from life, which is having someone close to their heart.

***Pluto ♄ in ♌ Leo man 2° 17'***

([1093] i.thehoroscope.co)

The position of Pluto in your natal chart reveals the transformations due to take place in your life and how you channel your core truths and restorative power.

Those born with Pluto in Leo in their natal chart make up the bold leaders who don't hesitate to take action, whenever necessary, no matter what personal doubts might be crippling them, deep inside.

Initiators, innovators, the carriers of change and great transformation of the world, these natives use their inborn creativity and strong imaginative drive to revolutionize theirs and their peer's existence. Art, especially, might be one of the preferred domain of activity for them.

**In a nutshell:**

Style: Powerful and astute;

Top qualities: Challenging, proud and experienced;

Challenges: Hesitant and selfish;

Advice: Showing strength to those dear will make you respected.

**Personality traits**

Plutonian Leo natives are brimming with endless energy, always thinking of new ideas to put into action, of more and more opportunities to share their ideas with the world.

Also, these natives have spiritual tendencies, and may even be strongly religious as a matter of fact. It would be a normal thing, given society's predilections at that time, and the social context, but since a Leo is a Leo, they also want others to share their convictions. Thus, they want to convince everyone else about the truth of their beliefs.

While they are very set on pursuing their dreams, once they become too focused on a project, chances are they'll stumble upon people who aren't exactly good-natured towards them. They'll end up being manipulated, used for the interests of others, and they won't like this at all.

They are very good at stepping over limitations, over societal regulations, and generally, doing what they think is best.

This is because they aren't tied up to the past, to traditions, and their creativity exceeds the norms that society imposes on them. They'll likely bring about great changes in the field of the arts, as a result.

They idealize heroic characteristics and are themselves quite daring individuals who never retreat when confronted with challenges.

For a cause they consider to be worthy, they will struggle against the world and die

fighting, like a martyr. Usually, the only causes they would fight for to the bitter end are spiritual in nature, and they don't even care about the risks involved at all.

Reason and rationality end up being abandoned when such a situation appears. Heroism is glorified, while weakness is shunned in their perspective.

### **The good and the bad**

First off, these natives are very flexible and adaptive. They'll find a way to survive any situation they encounter, no matter what it involves, and who they have to fight in order to win.

Are there any strict requirements for a project? They'll have no problems coming to terms with them, reaching a level where they can easily do it.

Secondly, the Plutonian Leos reach the full breadth of their potential when put in situations that require one to think outside the box, to come up with innovative ideas, untethered to traditional norms.

With their daring and confident approach, they'll have no problems getting to the top of the social ladder, as well as attracting the spotlight on them.

Plutonian Leos are manipulative and dominant. Is this such a surprise anymore? If not, then you would expect one of their worst traits is that they tend to take control of any given situations, even if that's not necessary.

Put them to work together with a group of people, and they will strive to end up leading them, being the man in charge, even if working together in a cooperative manner would bring the best results.

That's just how they are, and it brings a lot of disadvantages once it turns out that most people won't just sit still while they're being taken control off. They are very authoritative individuals who won't let anyone else take the decisions that matter.

If you let it slide and allow the Pluto in Leo native this freedom, there won't be any problems at all, but there aren't a lot of people who can take that.

### **Pluto in Leo in love**

During the time that Pluto last transited Leo, the world was looking with dubious eyes at the idea of love out of love's sake. Marriage was staged, theatrically used as a method to coerce people into doing certain things.

It was based on the idea that the most powerful got to decide the future of the many, and women, they were considered to be the weak, the oppressed who needed to be saved.

With all the military conflicts going on, men found it harder and harder to accommodate to a peaceful life at home. It just wasn't something completely normal for them, since they had gotten used to the dangerous life on the battle field.

This may mean that the romantic heritage of Pluto in Leo is a rather fixed and traditional one where the expectations are totally different for men compared to women.

The Plutonian Leo needs to go by rules and needs to know what will happen next, even in love and even if this ruins the romance.

As for their dependability, you can be certain of their loyalty and their resilience in times of hardship.

### **The Pluto in Leo man**

The Plutonian Leo men, the last time this transit occurred, had it way easier from the point of view of their independence and status in society. They were more imposing, they had the right to speak for themselves, and they were listened to when they demanded back more from society.

This means that the Plutonian Leo, is ready to jump up when something is unfair or unjust and will not hesitate to ask for it to be corrected, and most of the times they are given justice.

When these men want to change something, it's either their way or no way. But they must be careful however, for their position of strength, held for too long, can also degenerate the individual.

This kind of exaggeration could lead these individuals to believe that they are entitled to certain things and even to choosing things in the name of others.

## ***Pluto ♇ in VI 6th House***

([1106] i.thehoroscope.co)

This placement of Pluto makes people care a lot about having some balance in their lives, between their need for introspection and the desire to be social and outgoing.

Those born with Pluto in the sixth house of their birth chart are exceptionally dedicated

to their work, putting in a lot of effort to achieve the best results.

With passion and intensity, they will finish what they have to do, all the responsibilities and obligations, do some over-time as well. And let's not forget that they are naturally predisposed to work with people, maybe at shelters for the poor, volunteering, humanitarian actions in general.

**Summary:**

Strengths: Observant, firm and hardworking;

Challenges: Anxious, conflicting and criticizing;

Advice: They should refrain from being too competitive with those close.

**Pursuing life balance**

The sixth house Pluto people are simply workaholics who never rest. They want to feel challenged, to come face to face with problems that require an answer, to put in all their being in order to succeed.

It's like being filled with energy, with combative spirit and endless enthusiasm when they stumble on such opportunities.

If you have a problem that requires a lot of analysis and thinking, don't waste any more time and give it to them.

Related to work, they prefer working for themselves or having a personal business. This means that no one's controlling for telling them what to do.

However, their fear of being criticized and having their ideas contradicted is somewhat paralyzing for them.

These natives are set on choosing the path of humility, thoughtfulness, generosity and self-improvement. In place of thinking about themselves and doing everything to further their own aims, they want to change this way of thinking, to become a functional member of society, to help it grow and develop.

This is done through introspection, searching inside of them for this path, the necessary changes to learn these traits. The small, incremental changes will lead to the complete transformation in due time.

However, being too harsh and criticizing everything will actually be detrimental.

They care a lot about the balance between their outer interactions with the world, the social sphere, and the inner equilibrium given by their aspirations and goals.

If these two are contradictory and conflicting, they will often choose to give up on what

others think.

This is why they will often choose to work as freelancers or build their own business. No one's whip is on their backs, no one's yelling orders. Moreover, these Pluto in 6th house natives tend to procrastinate and become bored by the routine of their responsibilities.

Nothing is more enjoyable than taking the time to look at a problem from multiple points of view, to analyze it thoroughly and then formulate a plan of attack.

But the process of analysis in and of itself so immensely pleasing and satisfying. It could be because the 6th house is naturally associated with Virgo, a native we all know is notorious for this. Sure, they could look at the whole picture and reach the same conclusion pretty fast, since a lot of the problems they're dealing with are that simple.

But where's the fun in that, right? What's more, this is related to their perfectionist personality.

It's really strange being a Pluto in 6th house native, and it's even more difficult having to deal with one and getting to know them.

These people just don't take any time for themselves, to have fun, relax, be comfortable and just enjoy life.

Instead, they find excuses and implicate themselves in countless activities, take on multiple projects and work overtime, just to have the reason to think like that.

They are very lonely, figuratively speaking, because of this. They exaggerate and take some interests to the extreme, just to motivate their lack of self-interest.

They are especially good at helping people with their problems, fixing what others screwed up. Most of the times, they are able to reconstitute and bring everything back to how it once was.

They bring innovative solutions and bright ideas to the table, completely fresh perspectives and methods that no one could have thought of. It's truly a marvel to have such friends.

Of course, they will get so focused on put so much effort that it becomes an obsession, and if it fails, through some stroke of immense bad luck, self-loathing is next on the line.

If only these issues could be eliminated or at least kept under control, then they would really shine and touch upon their potential at long last.

Being able to focus is an ability that cannot be overstated, giving one great efficiency

and productivity.

If they learned to use it without the side-effects, that would propel them on the top of the social ladder, and they would feel even better with themselves.

Because nothing good comes for free, there are negative aspects as well to be taken into consideration.

It has to do with their general health. Most likely, they will have stomach problems or, the most common, emotional turmoil and distress.

### **The goods and the bads**

The opportunities of a lifetime will come to them if they only choose to be more ambitious and perseverant in their professional careers.

The chances are there for the taking. It's also a great time to repair what was undone, to be reborn from the ashes of demise and fly freely through the skies.

They are the right person to solve all your problems with efficiency and swiftness. It might appear as though they're performing magic tricks, but really, logic and reason are the only things they need.

This attention to the details will be the game-changer in their lives. Just think about it for a second.

The Pluto in 6th house natives will do pretty much anything to satisfy that perfectionist streak controlling their thoughts and creating obsessions.

Can it be pleasing and comfortable having to live with that constant itchiness on the back of their minds, with the fear of failure and that compulsive attitude that something's wrong?

It's really a problem, one that they have to deal with eventually. It ruins their social relationships and ability to work in a team because of the high expectations they place on other people.

The pressure they put on their own shoulders willingly is immense and will lead to unhappiness, stress, tension, emotional instability, or even physical issues.

### ***Pluto ♅ in Rx retrograde movement***

[699] [920] ([699] mollysastrology.com:.) Nearly half the world's population has this retrograde. Its effect is hard to determine except to say that these people generally have a harder time integrating themselves into the mainstream of society. When Pluto is very

strong, they find themselves doing things without understanding why.

Also: ([920] cafeastrology.com:) People with Pluto retrograde in their birth charts may be more inclined to fear being controlled, manipulated, or betrayed by others than those with Pluto direct. There may be a tendency to keep these fears to themselves, as exposing them makes them feel more vulnerable. They don't as readily let others know their desire for power or control, and might not be in touch with this desire a lot of the time.

### **North Node ♏ in ♋ Cancer 12° 51'**

(Georges Muchery)

The Dragon's Head is favourably situated in the Moon's domicile. It brings light in the darkness which may surround the native, helps him to see clearly into his affairs, and to act judiciously without hesitating. If inimical people (or events) encompass him, he will soon discover their weak point, and thus conquer them. The position is a lucky one. It gives the opportunity of extricating oneself from trouble and of overcoming difficulties through one's own good management. It is a sure protection, and a promise of progress without strife or violence.

The Dragon's Tail in Capricorn is a very evil position. It brings with it sorrow, and a tendency to neurasthenia, which it is difficult to overcome. It gives the native a character or disposition which is subject to constant changes; it is also a sign of disappointment in love through the native's own fault, as he has not the gift of attracting love. It is not always detrimental to the worldly position, but the native will not know how to enjoy life; he is ever seeking trouble, and this does not help to create a cheerful atmosphere for those who come into contact with him.

(Isabel Hickey)

North Node in Cancer gives domesticity and a mothering nature. Integration comes through furthering these qualities. Great sensitivity toward the suffering of others. Homekeeping would be an integrating force in the life.

South Node in Capricorn would show past habits of selfish ambition and a desire for power for self and to dominate over others. This tendency would have to be faced and overcome.

(Martin Schulman)

Here the soul enters the current life with much inner pride. The individual finds it difficult to understand why others do not show him the strong respect he has been accustomed to in past incarnations. As a result, prestige and the pursuit of dignity continue to be the motivators of all actions.

Some with these Nodes will even marry to achieve the social status of the subconscious Capricorn memory.

In past incarnations this soul worked hard for recognition. Without losing selfrespect, he would have been the original ham, going far out of his way to attract attention. At times this would even mean imposing undue punishment upon himself if he knew others were observing. Now he would like the world to know how burdened he has been so that others can see him as a martyr.

He continues to make his work harder than it actually is, never seeming quite able to finish meeting his current life responsibilities and obligations.

Since he is always living in the past, he has a habit of bringing the consciousness of all his past burdens with him into the present. This makes his present life much heavier than it need be.

The one thing he has not yet learned to tolerate is failure in himself. He is wellpractised at actually making himself physically or emotionally ill in order to avoid coping with situations in which he expects to feel inadequate.

He sees the world through an attitude of self-righteousness, whereby the actions of others are rarely condoned but often condemned. He keeps this to himself, however, for it would damage his sense of personal esteem should others know that he has been fitting them into his secretly devised caste system.

In prior lives he was highly opinionated and strongly resistant to taking advice that would affect him personally. Now he still believes that one's personal life is strictly a private matter. Consequently, around all things which relate directly to himself, he builds the 'Wall of China'. It would be futile for anyone to try to break in, for at the slightest personal criticism, he starts adding more bricks to the wall.

Lifetimes of materialism make him an opportunist, placing himself wherever there is something to be gained. At the same time, he is 'penny-wise and pound-foolish', for he is known to be stingy in the midst of emotional bursts of extravagance.

When he sees advantage, he will turn cold and calculating so that no weakness within himself will prevent the attainment of a goal on which he has his sights. He will turn

weakness in others to his own advantage. Wherever there are loopholes in the law, he can find ways to squeeze through. So intent is he on managing all he sees around him that his entire current life becomes a personal crusade to prove his worthy capabilities.

In past incarnations, his soul learned the art of accomplishment. In order to do this, there was little regard developed for others. Now through the Cancer North Node, he must learn how to give nourishment as well as receive it. Many with these Nodes experience strong family burdens so that they may come to know the emotional needs of others.

Sexually, the soul is learning how to take on the feminine role in this life. The karmic transition is from coldness to warmth - from age to youth. Many with these Nodes appear to grow younger as each year in their lives passes.

Rigid Capricorn attitudes are dropped one by one. The individual finds new security in relating his emotions more honestly. In this life, he must learn how to apologize sincerely when he is wrong, as well as not to seek advantage over others when he is right. Eventually he will see that all of his depressions, fears and worries are no more than part of a self-created martyr complex which bears little relation to current life circumstances.

He must slowly learn how to divorce himself from an insatiable need to manage everything around him.

In this life, he will go through a chain of experiences which will slowly open up his Cancerian sensitivities. Eventually, he will start to value nature more than money, emotion more than power, and new growth rather than the collecting of dead wood! When the changes start to occur, he will be brought out of the cold of winter into the bright sunlight of early summer. But he must develop a totally new emotional response pattern if he is to adjust to the new direction in which his soul is destined to go.

His highest achievement in this life is nourishing others. To reach this, he must do much work on himself, until he becomes a natural cornucopia of spiritual food to those who are hungry. The more he is able to fill people, the more happiness he will feel himself. He should see that God also favors those who stand out and wait, and that His highest blessing is especially reserved for those who seek nothing for themselves but to be available as His constant servant. In past lives, this soul was able to benefit greatly by receiving. Now, he is here to give.

The house which contains the South Node shows the area in life in which the bowl of abundance is overfull. The house which contains the North Node symbolizes the empty bowls of others waiting for food.

(Mohan Koparkar)

Previous incarnation for this person was spent in many difficult and confining situations.

Life at that point really did not have sufficient domestication; or he lacked stability at home. In this lifetime, his ideals and energies converge to establish a solid home base. Enjoyment from being the key family person is significant for him in this life. The ability to deal with sensitivity and emotionalism is noticed. He has a lot of imagination that is properly used towards creativity. In his previous life, he did neglect responsibility of older folks. Now he is extra-cautious in this life not to do the same. Thus, family cohesion is important for him. He may show a colder exterior, but you can get to him through proper emotionalism.

(Donna van Toen)

You need to develop your domestic and nurturing abilities. Your Capricorn South Node replies: 'Yeah, but I can't take time out from my career'.

Your problem is that you tend to try to fulfill your need for public acclaim without relating it to your inner needs.

Possible reasons for this problem include: that you have developed your logic at the expense of your emotions; that you lacked sympathy, nurturing or material security as a child, or had these things taken away from you at a crucial time in your life; that an ingrained philosophy of 'look out for yourself first' has encouraged a misguided sort of selfishness; that lack of recognition as a child has led to an 'I'll show them' attitude; or an overpowering need to dominate at all costs.

Possible solutions include learning to view your emotional needs as keys to increased self-esteem; learning to adapt your wants to your needs; having a nervous breakdown; developing an ulcer; and blaming your parents for your hang-ups.

\*\*\*

Cancer North Node seems to often coincide with institutionalization in childhood. Sometimes this means an orphanage or hospital has played a major role in the development. Other times it indicates a long stint in a boarding school. Sometimes there's a very regimented home life for one reason or another. Or the parents have been cold and strict. Occasionally the Cancer North Noder has had uncaring or unfit parents, and consequently became a ward of the court. But more often the parents were merely more concerned with the Cancer North Noder as a status symbol than as an emotional being. Usually the parents were very judgemental and placed a heavy emphasis on doing the right thing in terms of living up to other people's expectations. Thus the Cancer North Noder is conditioned to view the game of life materially. But regardless of his or her successes or failures, he or she often feels a great sense of something missing until the Cancer potential for emotional self-preservation and caring is tapped.

Signs of an over-developed Capricorn South Node include: dislike of domesticity; a

stubbornly narrow outlook; self-consciousness; prudishness; unapproachability; a tendency to constantly test others in some way; nervousness; dislike of new or different ideas; a desire for respect and honor at any cost; and a tendency to curry favors or social-climb.

North Node in Cancer consciously or subconsciously feels that his or her strong emotions will act as a deterrent to his or her happiness, so a primary dream theme involves keeping emotions under control or else finding someone who will appreciate his or her emotionality so that it will no longer be a threat. He or she wants to be attached to someone else who will offer protection from the cold, cruel world and guarantee a measure of emotional security. This person generally represses emotions. He or she is often confused about his or her feelings and finds it difficult to relate to others on an emotional level. Sometimes the tendency to fear emotions comes out as a cynical or pessimistic streak designed to camouflage the person's vulnerability.

Antidotes for Cancer imbalance: If career advice is sought, the client should be steered into a nurturing profession. Nursing, acting, dressmaking, pilot or stewardess, gynecology or child care would be logical choices if other areas of the chart are in agreement. Creativity should be channeled. Painting, interior decorating, weaving, and poetry-writing are particularly recommended. In cases where the North Node has been repressed to the point of blockage, psychodrama could prove helpful. If the client has adequate understanding of astrology, a dramatization of the nodal dialogues (or the troublesome nodal configuration) could be beneficial, provided you feel comfortable about this technique yourself.

A thorough health check-up should be advised if the client complains of lethargy or any other physical symptoms, since health problems seem to be slightly more frequent than normal with these placings. Both reading and writing can be beneficial antidotes. The Cancer need to protect and nurture must be satisfied. Housekeeping can often prove to be an effective antidote, as can anything connected with land maintenance. History and genealogy often satisfy the North Node's need to preserve and protect. On another level, swimming, calisthenics, or yoga could appeal by giving the client a feeling of doing something beneficial in terms of self-preservation.

(Haydn Paul)

The more rigid Capricorn influence may shape your personality, especially expectations of respect from others which come from inwardly hidden feelings of self-importance and superiority. Your sense of identity is connected to social relationships, feelings of personal prestige, and attitudes and actions shaped by hopes of achieving higher social status - a need that may determine choices. Your acquaintances and relationships are similarly influenced by needs for social status.

It is the social 'image and face' that must be upheld. Any public loss of dignity or

self-respect would be extremely traumatic. In several ways, you hide personal insecurity, relying on others to define your identity. This personality dependency is often fragile; and your self-image is shaped by reflections from others rather than from an inner strength. Remove the attention and respect of others, and you may rapidly deflate. You like to feel wanted and important, and may assume responsibilities that are too great and then stagger under the weight of this self-imposed burden, becoming a martyr and expecting both admiration and sympathy from others.

You see failure as anathema, and hate to admit any personal shortcomings, as this diminishes self-respect. Intolerance of failure affects the rest of your attitudes; and your standards may lack an understanding of fallible human nature, even though you may not always attain those standards yourself.

You try to avoid situations where failure may occur or inadequacy may be exposed, even to the point of experiencing psychosomatic illness when inner stress and outer pressures accumulate. You prefer to control life and those around you; and this can cause family tension whenever it becomes oppressive.

Your worldview tends to be fixed and preconceived; you evaluate others through self-imposed filters of social opinion, attitudes, beliefs, values, and standards. Many fail to match your purist and self-righteous ideals, which perhaps secretly pleases and satisfies your superiority attitude.

The question is: Does this life perspective fulfill you? Or is it a struggle to maintain a protective barrier that supports a less self-assured personality? You dislike anyone probing your persona life beyond established boundaries, and become highly sensitive to any criticism, often withdrawing into your armored 'shell', evading open and honest confrontation. Do those barriers really help, or do they actually imprison you, restricting life enjoyment within rigid personality structures that you have raised?

The Cancer North Node indicates a way out of the impasse. Attitudes of superiority always result in diminishing contact with life, restricting relationships and often ending in distorted self-images and exaggerated personal importance - the delusions of an inflated ego, especially if power over others has been achieved. These self-imposed barriers between yourself and others need relaxing. Learn how to give more; acknowledge the needs of others instead of just taking their approval and admiration.

The more emotionally sensitive aspects of your nature need fuller expression. Be more receptive, value relationship and communication, and feel compassionate to the struggles of humanity instead of ignoring this as weakness. Once you can accept and express emotions more easily and honestly, personal integration can occur, and the rigidity of misapplied Capricorn can dissolve. Admitting that even you can be wrong sometimes is progress. You need emotion to transform and heal; and life would then become more enriched and relaxed, free from needing to control, manage, and

manipulate obsessively. If you can make this change, great benefits become available, and with them the opportunity for a more satisfying life.

Manifestation processes come to the fore again in the cardinal sign Cancer. In its manifestation, Cancer is oriented toward the collective as a whole. The native wants access to a home or 'nest'. He or she needs to be part of a family, and hates to be alone. Group membership gives a sense of protection and warmth. If the Node is in Cancer, the individual should try to join in. Very often, a Node with this placement occurs in strong-minded individuals who are much inclined to do their own thing and withdraw from the crowd. In the extreme case, they live like hermits because they believe they are better or more exalted than others.

The Node in a collective sign indicates that one should become involved in a collective, in order to feel part of a family, group, local community, or nation, or the whole human race. The native could become the center of a hive perhaps. For this, a measure of industry and activity is required - as befits a cardinal sign. People with the Node in cancer cannot laze about and do nothing; they must become involved in the creation of a collective relationship for their own benefit, and preferably for the benefit of others also.

The easiest way for them to do this is to found a family. With the Node in Cancer, it is important to be able to achieve emotional harmony with those around. Any tendency toward solitude and isolation opposes this placement of the Node. The emotional experience of community and belonging has a big role to play here.

### ***North Node ♀ in V 5th House***

(Georges Muchery)

The Ascending Node (Dragon's Head) in the fifth house indicates pleasure in regard to the children, who will be intelligent and have a generous measure of luck in life. This position is also fortunate for an artist, or anyone who is connected with matters that appeal to the mind. It is good for theatrical managers, musicians, and all engaged in artistic occupations. For everyone, it is a sign of luck in games and speculation; but prudence must be exercised in this direction, as an evil aspect of Mars to this house

would upset everything. It is especially at the period of the annual revolution that this position of the Ascending Node is fortunate for speculating, if the horoscope at birth on the whole shows that the native is lucky.

The Descending Node (Dragon's Tail) in the Eleventh House does not always bring friends and acquaintances of a specially high social status. It causes the native to come into contact with people who may do him harm. Some of his associates will not be disinterested, and will try to cause him pecuniary losses. This position may also indicate a heavy monetary loss to the Mother, or Wife, if the Moon is in bad aspect.

(Isabel Hickey)

Through self-expression (through the use of the individual's creative force, whether it be children of the body, mind or emotions), he will find fulfillment. Attention must be given to developing his own desires; and he will not be led by others. In the past the attitude was 'Let George do it'. Now George won't do it, and the person has to develop his own goals and objectives. Friends have helped in the past, and thereby weakened the person instead of strengthening him. Dependence is a habit pattern buried deeply in the subconscious; but this time the will to stand on one's own strength and attain their own goals is the necessary ingredient for a successful life.

(Bernice Grebner)

A person having North Node in the 5th needs to learn to use his heart and become attached in a very personal way. He needs to love deeply and intensely on a one-to-one basis. There is also a deficiency or delay concerning children in his life. The children can be physical, mental, or spiritual offspring. He should develop a great desire to be creative in some endeavor. This person cannot seem to hold onto love until later in life, because he simply does not know how. He seems able to succeed in this more successfully when he meets someone with South Node in the fifth. Aspects to the Node are very important in determining whether he has the strength to acquire this new growth. As an example, bad aspects to the Moon or Neptune could give emotional problems by loss of touch with reality in this regard. North Node here needs to learn to consider self in loving. He may not be able to express his love fully.

South Node in the eleventh is unattached love. It is too detached and selfless. Friendships, social affairs, reforming drives, and advanced ideas in human relationships are part of the perfected South Node in the eleventh. This person is friendly and open, and instinctively knows society's needs. Friends can turn into lovers; and he truly needs an intense love affair to fulfill his soul's destiny. People with the South Node in the eleventh house suffer real discomfort in close relationships between members of the opposite sex. They have very utopian ideals where human needs are concerned. This varies with signs and aspects, but these ideals must be used as a basis of leadership in social and / or political causes where he can teach others humanitarian ideals. Here, we

find many government officials or those dealing with the public welfare.

(Mohan Koparkar)

This condition often signifies close relationship with children. They have fairly good success in love / romance, but regarding friendships they may have many disappointments. Their love given to others is much more elaborate than what they receive back. This imbalance in love exchange creates internal inferiority complex in them; and sometimes frustrations affect the relationship. Their creative ideas can be out-of-this-world and at times ahead of time as well. They often find their vista-sphere of life is limited, and many of their goals and ambitions remain as a fantasy. Their love affairs often have a previous life connection; and they can feel that awareness when they are with others.

(Martin Schulman)

Here the individual is learning about the Creative Process. He spends much time in the clouds, hitching his wagon to some distant dream or pondering through his vast multitude of fantastic ideas. In past incarnations, he lived for the fulfillment of wishes. Now his gossamer world of wispy dreams is so ornamented with the accumulated fragrance of promise that it takes a great deal of realistic prodding to shake him loose.

From a young age, he has learned to become a 'people-watcher', spending most of his conscious hours pondering the possibilities of other people's actions. As a result of prior lives, he has learned to become highly imaginative and inventive; at times he is even ingenious, but he is too used to spending most of his mental powers working out the intricate plots of his fantastic daydreams.

He never ceases to amaze himself at the oddities he can conjure up within his own mind; but for all his ingenuity he is one of the least practical people of the zodiac. He is always deeply enmeshed in thought. What he is really doing is seeking symbols which will provide new material for future dreams.

His karma is to learn the importance of dreams, inasmuch as how they explain his life. Ultimately he comes to realize that his entire existence has consisted of acting out his dreams, to the point that he has become the puppet of his own fantasies.

When he does come down to earth, his first instinct is to reach for friends who in either appearance or behavior remind him of the characters of his wispy fantasyland.

His mind is constantly drifting off into the distant future; and there, in the science fiction of a century as yet un-lived, he indulges himself in the intriguing fascination of the remotest possibilities which would otherwise have little or no bearing on his current life. Still, he likes to ponder.

He thinks much about the value of his work as well as of the effects of his childhood, both of which he blames for his difficulties in coping with his sex urges.

The truth is that neither his work nor his parents, nor even his sex urges truly bother him, but instead his frustration arises from the gap he sees between the reality of his past-life dream-world and the sharp awakening circumstances through whose boundaries and limitations his current life is actually lived.

He finds it difficult to understand why there is a barrier between dreams and actions; and as a result, he spends much effort trying to break through the walls of limitation that separate one world from the other.

But all the while he is dissipating his strength; and the more he does this, the less he is able to create his own life.

He must realize that through his fifth house North Node he is now given the greatest gift that man can receive - the power to create his own identity. By studying the process of creation, he can become aware that it is his own thoughts that have caused all the circumstances that he deems real in his life. He must then go further to understand the link between his thought and his dreams, for truly it is his life of dreams that in greater measure than he thinks is creating his life on earth.

He must learn to be responsible about his dreams and careful of what he wishes for, since he, more than one with any other Nodal position in the zodiac, will actually see his dreams materialize. But always the physical effect of each dream comes with a slight twist; enough to make him aware of the danger of creating selfishly.

This individual will have to live his dreams long after he remembers the reasons for them. It is a strong part of his continuing karma to understand 'wish power'; and how better to understand it than by living through the consequences of all his wishes?

Thus, his life is both a blessing and a curse for each time he rubs Aladdin's lamp his soul will either move higher on the wings of spirit or sink miserably in the depths of his own private hell.

He is learning that the dreams of his eleventh house South Node are under the rulership of Aquarius, where they must be directed towards a service for humanity; and that the more he wishes for others, the more he will ultimately have for himself. But when he reverses this process, his life becomes a veritable shambles.

If he chooses to create for himself, he faces the unfortunate results of misusing a sacred gift, for his dreams ultimately will become so jaded as to be utterly worthless insofar as they are able to bring him happiness.

Unless these Nodes fall in Water and Earth signs, they can cause difficulty in relationships and marriage due to so much past-life residue of non-attachment.

Major turning points in the current life revolve around children, through whose eyes the individual comes to understand his own sense of self-worth. He observes how children put their dreams into action, and soon comes to realize that instead of making his dreams the plans for his future he actually has been allowing them to block every present moment. Once he sees his dreams as a well with no bottom, he is able to let go of the castles in the sky and focus his attention on whatever he is creating in the present.

To do this, he even reaches the point of becoming aware of how he allows his great need for friendships to dissipate his creative energies.

More than anything else, he desires to be a doer; but it is only after he gives up every personal dream that he can become strong enough to take the building blocks of his life and put them together. He must literally take the bull by the horns instead of allowing himself to be led through the gossamer Cinderella world his soul remembers.

To accomplish this, he would do well to spend much of his time learning selfdiscipline, for only through the ability to guide himself will he ultimately be able to surface from the deep waters in which for lifetimes he has submerged his hopes and his dreams.

The sign which contains the South Node shows the ways in which past-life dreams continue into this incarnation. The sign which contains the North Node indicates how the individual can constructively apply all his dreams to reality through expressing creatively all he feels inside.

Some highly evolved souls with these Nodes have experienced Cosmic Consciousness in a former life. Now through their fifth house North Node they are here to bring this awareness to the children of earth.

(Donna van Toen)

Conflicts: Pleasurable childrearing vs. pleasurable social life. Romance vs. friendship. Creative ambitions vs. social or humanitarian ambitions.

Possible results of sacrificing North Node: Impracticality. tendency to think instead of act. Mental drifting and daydreaming. Undervaluation of creativity or procreation. Frustrated hopes.

Possible ways to integrate North Node: Fulfill dreams in a practical way. Develop potential for enjoying leisure time in an active, tangible way. Exploit ability to bring pleasure to others. Examine feelings about children, childrearing and procreation. Don't

use group priorities as an excuse for neglecting your personal goals.

\*\*\*

In the fifth house, there's a hang-up about self-expression. Here we have the social climber of the show-off. Less commonly we see the 'Aw shucks, it was nothing' syndrome. Humility is either lacking or perverted in some way. In some way, the ability to verbalize your attitudes is detrimental to relationship formation. Romance is usually the most common area of difficulty, although parent-child relationships and social life in general can suffer as well. Sometimes there's a tendency to expect your children to do what you couldn't, whether it's marry a millionaire, become a brain surgeon, or simply be the most popular child in the class.

North Node in the fifth house wants to be considered loyal, above all else. Fun, romance, and children often play a role in the dream motif. This person wants to be thought of as a powerful instrument or advocate of good. This person tends to be rather moody. He or she is inclined to attract sensitive souls to befriend; sometimes these people are cranky or difficult, and severely test North Node in fifth's desire to remain loyal. Parents are generally a strong influence for better or worse. Often there's over-concern about whether the parents will approve of their actions or not. If the person chooses to break away from parental dominance, he or she may suffer severe guilt pangs that hinder effective functioning. The dream of loyalty must be tempered by a primary loyalty to self before the rest of the dream can be fulfilled.

### ***(Black Moon) Lilith ♀ in ♋ Cancer 2° 16'***

([1140] elsaelsa.com)

#### **Atlas**

If you have Black Moon Lilith in Cancer, the struggles you've encountered through your Lilith placement have made you adept at dealing with emotion. You learned that feelings can be a powerful tool when wielded properly.

However your Lilith wounds have manifested (which is determined by the house your Black Moon Lilith is located in), you've learned that safety is an illusion. Even the places and people around whom you feel most at home can change or be taken from you at

any moment, and you never forget it. And yet, safety is what you crave the most. A quote I once read seems very fitting here: “I once mistook the feeling of safety for the condition of safety and I’ve been looking for someone to blame ever since.”

To push back against the great insecurity this placement can bring, you have become an emotional wizard. You are hyper-vigilant, aware of the slightest shift in mood or atmosphere. When something is off, you are quick to nurture, comfort, or otherwise save the day. Allowing painful emotions to fester is anathema to you. You want to fix your loved ones’ problems NOW and get back to the comfort you so deeply desire.

You are also driven to hold things together. It sometimes feels like your life will fly apart into a thousand pieces the moment you let your guard down. You spend so much time trying to keep things together – yourself, your relationships, your family, etc – that you are perpetually ready to crack under the weight. The fear of having everything fall apart is such a powerful force that you are willing to sacrifice almost anything to preserve what you have. By actively managing the emotions of the people around you, you create at least an illusion of security. In this way, you buy safety at the expense of your own inner peace.

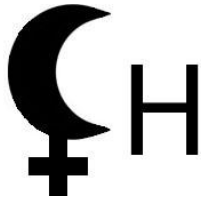

Spending so much time managing other people’s emotions creates an unusual relationship with your own. On the one hand, you are loath to assert your needs and emotions, preferring to keep them bottled up to avoid rocking the boat, and only letting them out when you are sure that it is safe and they’ll be received well. But when all else fails, you are willing to weaponize your sensitivity as a last resort. In these rare moments, you’ll plead with all the ferocity your deep emotional well can muster, appealing to the other person’s higher nature or loyalty. The danger, of course, is that such displays leave you vulnerable. And if the other person fails to respond in the way you’d hoped, you’re left feeling horribly betrayed and with no other cards to play.

One of the easiest ways to reduce the risk is to channel Cancer’s opposite sign, Capricorn. Capricorn is just as sensitive as Cancer, but they prioritize differently. While Cancer may react to small changes in feelings, hoping to head any difficulty off at the pass, Capricorn is more concerned with actions. Capricorn says, “So they’re in a bad mood. So what? Did they still take out the trash? Did they still, in ways large and small, show up for me? Then we’re fine until they say we’re not.” Capricorn avoids much of the daily turmoil by ignoring the small ups and downs. Additionally, while Capricorn is also concerned with security, they approach it differently. For Cancer, security comes from the people around them. For Capricorn, security comes from relying on themselves. In that way, Cancer can redefine safety by incorporating self-reliance.

I could easily write a book on this placement alone, but let me end with this: Your uncanny ability to sense emotions and hold space for others’ vulnerability is such a beautiful quality. It’s also your superpower. As you work to build a world of safety and security, your skills will be needed more than ever. Just make sure that you build your

own internal sense of safety first. You, too, deserve to be nurtured.

## ***(Black Moon) Lilith ♀ in V 5th House***

([1153] elsaelsa.com)

### **Dark Creation**

If you have Lilith in the 5th house of your chart, her themes will manifest in terms of sexuality, pleasure, creativity, and children. It may seem as if life's pleasures are always either denied or warped.

With this placement, you probably grew up quickly. You were denied the chance to have a real, innocent, free childhood. Because of this, many people with Lilith in the 5th choose not to become parents for fear of not being able to protect their own children from the darkness of the world. They also often fear that their own darkness and pain will be inflicted upon their children. If you have Lilith here, you know what I mean. If you do have children, you will be hyperaware of their experience and be fiercely protective, making sure they have the innocence you were denied.

The 5th house rules sexuality, and here we often find a very literal interpretation of Lilith's myth. She attempted to stand up for her right to equality, to pleasure, and to having sex in a way that pleased her too, and she was instead dismissed, coerced, and wounded. With Lilith here, you have certainly experienced wounds in terms of sex and pleasure, and you responded either with a total rejection of sexuality or with promiscuity. Either way, the goal is to take back control and confront sexuality on your own terms.

The 5th house is more than sex and children. It is creation, period. It is concerned with artistic expression and bringing forth something new into the world. With Lilith here, your creativity has been met with disdain or cynicism. It always seems to fail to meet some outside expectation, and is instead relegated to the margins.

This is just a sample of the ways that Lilith could manifest in the 5th house. But there are a few pieces of advice I think apply across the board. First, pleasure is not frivolous. It is our birthright and we should be empowered to seek it on our terms and for our own benefit. And finally, we don't create and express ourselves in order to please others. We create because we must. It is part of what it means to be human. So shine on.

The Unconventional Nurturer

### **Opportunities**

- Inventing new nurturing practices
- Inspiring others to embrace uniqueness

### **Challenges**

- Allowing yourself to be vulnerable
- Embracing your uniqueness

### **Ceres in 11th House**

The nurturing function of Ceres is applied to the collective when in eleventh house.

Instead of nurturing on an individual or partnership basis, the focus turns toward groups of people. An example of this would be running a support group for single parents, a

Ceres ruled population.

This is a placement that may like to lead community projects, such as gardens to grow and share food. Building sustainable communal care is important to Ceres' cause.

There is also potential to create new models of nurturing by advocating for creative solutions to current challenges in our societal systems. The possibility of birthing new ideas and frameworks for collective healing is strong.

This can be channeled through social service jobs involved with childcare, family therapy, food services and healthcare.

Friendships can be a source of nurturing, assuming individuality is respected and celebrated. Great power lies in creating networks, sharing resources and fostering healthy interdependence.

Your style of nurturing is likely to differ from those around you, as you have the mark of the pioneer and inventor. Similarly, your desire for nurturing may be through unconventional methods, perhaps involving your friends.

You feel most loved when your individuality and unique nature is encouraged and appreciated. If you did not receive this in childhood, your adulthood has the potential to become a healing playground where your freak flag can fly freely.

Advocating for social justice or providing service to marginalized populations can help you get in touch with your natural style of nurturing.

### **Chiron ♄ in ♍ Virgo 25° 46'**

([1253] [astromajesty.com](http://astromajesty.com))

Chiron in Virgo is a complicated placement because these individuals have to heal a wound that's impossible to mend.

These individuals struggle with the pain of trying to be perfect. It is why, no matter what

they do, they believe there is something inherently wrong with them.

People with Chiron in Virgo have self-worth issues. That reflects in perfectionism, criticism, and distorted body image. They are persons who strive to be immaculate, to do things right, and to fix every problem.

It is why it's not unlikely for them to be people-pleasers, to take everything personally, and to worry about other people's opinions 24/7.

They torment themselves with feeling incomplete, impure, or damaged. Virgo Chiron individuals were likely suffering from a terminal illness in a previous lifetime, or they saw someone close to them pass away after a long and painful disease.

Perhaps it's a past-life memory of dying young. Or maybe Virgo Chiron people witnessed the death of their parents at an early age.

However, it's an experience that left Virgo Chiron people traumatized and feeling like their life chapters never get the proper ending.

Virgo Chiron individuals believe that there is a part of them that's utterly broken, but they can't pinpoint which one. They don't feel comfortable showing their struggle to anyone, so they hide it and avoid confronting their fears.

Indeed, one of their biggest worries is that people will see them the way they see themselves: imperfect, flawed, and inferior. For Virgo Chiron people, that would be a confirmation of being unclean, not enough, and not "together."

Due to not avoiding sharing their pain and allowing others to help them, persons with Chiron in Virgo seek ways to fix themselves. That usually means that they desperately try to find a sense of completeness and contentment.

Yet, Virgo Chiron people don't know which path to take. That makes them feel more lost and incomplete.

Individuals with Chiron in Virgo manifest their agony through chasing perfection and working on their growth and looks.

That's usually a productive way to mend a wound, but not in a case when one never thinks it's enough. Hence, Virgo Chiron people won't stop. They will never think they are beautiful, smart, or educated enough. It is why these persons are associated with hypochondria, OCD, and obsessive perfectionism.

Virgo Chiron individuals can be manic in maintaining their hair, body, and clothes, neat and tidy. These persons can spend a fortune on the latest trends or watch fashion and

beauty video tutorials for hours. They are also meticulous about aligning their style with the occasion.

People with Chiron in Virgo are also likely to learn fun facts, small talk examples, and every world capital to ensure they are ready for every conversation. They also manifest their pain through verbal communication. Virgo Chiron people strive to know all the answers and how to talk with people effectively.

But Chiron in Virgo is not always centered around cleanliness and organization. Instead, these people can also be messy, chaotic, and disorganized. They can also be a mix of these two types.

Thus, they tend to criticize others because it's their way of preventing people from judging them.

Thus, individuals with Chiron in Virgo are also likely to go from one extreme to another. They struggle with seeing grey shades because it complicates life. Hence, these people prefer to label everything and everyone as either good or bad.

Regardless of how they express their pain, people with Chiron in Virgo seek control over their lives by focusing on one category.

Some will concentrate on their looks and others on relationships.

However, in the end, they all discover that control is not an effective way to eliminate their inner agony.

### **Men with Chiron in Virgo**

Males with Chiron in Virgo tend to be pragmatic, restrained, and emotionally detached. They control through organizing their life, house, shelves, garage, and anything they can tidy-up. Sometimes they get lost in these activities because they often exaggerate concerning cleaning, fixing, and arranging.

Like their female counterparts, control is their principal drive, and they manifest it in every aspect of their lives. Virgo Chiron men tend to control their partner and friends, and they are quite subtle in doing so.

However, they are intelligent, so their loved ones often end up doing what Virgo Chiron tells them. If Chiron is afflicted, these men can manipulate others into doing something they don't want. And if Virgo Chiron males don't get others to follow their advice or rules, they will be infuriated or feel a sense of worthlessness.

The problem with men with Chiron in Virgo is that they repeat the same actions and habits without wondering why people don't listen to them. They should consider that

perhaps their ways are not always the best, and that's why their controlling techniques fail.

Another way how Virgo Chiron men enforce their control is through exercise. They have a complicated relationship with their bodies and notice every imperfection. It is why they often start rigorous diets, work out until they pass out, or spend all day in a gym.

These men also tend to organize and control their emotions and thoughts. Some people might see them as robotic or emotionless because of that. But men with Chiron in Virgo don't like anything having control over them, including their feelings.

Due to being overly controlling, males with Chiron in Virgo suppress their fears. Yet, they might resurge as phobias.

It is why men with Chiron in Virgo must realize that it's impossible to have complete control even over menial things. That will free them and allow them to confront their struggles.

### **Summary**

People with Chiron in Virgo are usually born with inaccurate beliefs of being incomplete, unworthy, or damaged. These opinions appear at such an early age that they can't remember how it started.

For some reason, even as kids, they believed there is something wrong or broken within them. As they grew up, they manifested these beliefs, convincing people to think the same.

However, these thoughts don't always appear without any trigger. Sometimes parents had an impact on how Virgo Chiron people see themselves.

Perhaps their caregivers often criticized them or behaved toward Virgo Chiron in a way that made them believe they are damaged or incomplete.

As people with Chiron in Virgo tend to see everything as an insult or provocation, perhaps their parents never belittled or criticized them.

But Virgo Chiron individuals saw their parents' remarks or comments as criticism, which started accumulating negative self-perceptions.

The truth is, no one can heal any Chiron wound fully. The placement is there to stay, and the pain makes a person who they are. Hence, they have to accept their vulnerability, imperfections, and fears.

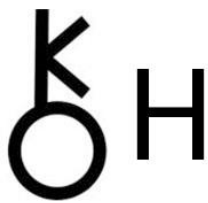

People with Chiron in Virgo should embrace the idea they are already complete by being

themselves. Yet, it is Chiron that makes them feel broken and incomplete.

These individuals should learn how to integrate their imperfections into their being because those fragments make them who they are. No part of their bodies or psyche is good or bad, but they all have a purpose.

Their life mission is to learn to love everything that makes their being because all those elements together make them whole.

## ***Chiron ♄ in VII 7th House***

([1266] [astromajesty.com](http://astromajesty.com))

People born with Chiron in the 7th house have an intense wound concerning relationships or becoming close with someone.

Due to trauma or painful memory from the past, they find it hard to connect with people and trust them. Their wound likely has roots in a harrowing event from their childhoods that disrupted their ability to relate to others.

Perhaps those born with Chiron in the 7th house saw their parents getting divorced when they were little kids, or one of the caregivers abandoned them at an early age.

Because of that, these natives stopped believing in unconditional love, or the institution of marriage disappointed them.

Whatever happened during their formative years affected their capacity to believe in commitment and spending life with someone. Perhaps they never forgave their parents for divorcing.

On the other side, it's also possible that their caregivers had an unloving or toxic relationship, destroying the vision of eternal love.

However, the native likely grew up struggling to make a bond with anyone.

Even if they have relationships and friendships, they could be one-sided, one-night stands, or fleeting. They likely relate love to pain, and they believe that everyone will

reject them or leave after some time.

It is why they prefer to block anyone from getting close to them. The Chiron in the 7th house native thinks that's the only way to avoid being hurt.

### **Fear of attachment**

These natives don't want to commit to anyone. Their fear of getting attached likely manifests in every aspect of their lives.

Perhaps they don't like staying anywhere for too long because they don't want to grow feelings toward a place or people.

The idea of rejection is the worst fear they have to battle with every day. As a result, they don't approach people, and they push away those who try to befriend them.

But deep inside, the Chiron in the 7th house native has an intense longing for being with someone or having best friends.

Yet, they are so afraid of potential separation that they avoid forming connections altogether.

Nevertheless, there's another way how this wound could manifest.

As the native is afraid of rejection, they could become people-pleasers. They often become so dependent on other people's opinions and acceptance that they lose their individuality and become mirrors of persons in their lives.

But behind the politeness and amiability could be envy, distrust, or hostility.

### **Longing to love and fears of heartbreaks**

In many ways, the Chiron in the 7th house native is a walking paradox. They want to experience profound feelings and the power of a great relationship.

Yet, they are typically defensive, sarcastic, or avoidant. They are also likely to sabotage their connections by starting power struggles or becoming too criticizing.

Sometimes they provoke conflicts and disagreements out of nowhere to stop feelings from growing.

On the other side, the Chiron in the 7th house native could turn to those they believe won't leave them because they don't have a better option.

In that case, they could end up with toxic and dangerous people or lost souls and problematic individuals.

If other aspects in their natal charts are compatible or the natives overcome their trust issues and emotional trauma, they can help other people heal their traumas and damaged connections. They can be empaths and loyal friends and lovers.

However, before that happens, they usually have to mend their wound. That means that they must accept and learn to be alone and embrace the possibility of rejection.

## **Part of Fortune ☿ in ♌ Leo 29° 35'**

([1279] [astrolibrary.org](http://astrolibrary.org))

Your greatest satisfaction and fulfillment comes through surpassing yourself and being the center. So, it comes through your personal mastery, inspiring and guiding others, without abandoning the responsibilities that your power gives you.

You want to improve yourself and your society by means of some attainable goal that can serve as an example, and that makes you feel satisfied and deserving of a reward, as a symbol of what man is capable of when he uses his potential. You help human beings appreciate and be proud of themselves.

Because Aquarius is the sign opposite to your Part of Fortune, you learn not to force those around you. You let everyone find their own method and own rhythm, understanding that each individual has his own path.

You do not wear out your energies. You learn to conserve them and direct them towards a creative power, overcoming everything that has made human beings feel weak and powerless.

What you achieve through your own effort will have to be honest, otherwise it will have little meaning for you.

Your strength will be greater when you do not personalize the advice you give to others, and stop caring if they accept or reject your ideas. Simply be happy to have had the opportunity to help another person. You almost always wait for the admiration of others. But, you must understand that the personal love you give will at times not receive its just reward. So, it will help you to express it impersonally to avoid that your search for an audience distracts you from your purpose and creative will.

You are very demanding with yourself. You feel satisfied when you achieve a specific goal, with principles that bring you honor, prestige and respect.

You are generous. You must learn to give without expecting anything in return, although you need some kind of response to know that you are doing things well and that you are on the right path.

Focused energy brings you your greatest successes, and the admiration you finally receive will bring you your greatest happiness. You are joyful, above all, knowing that you have had the opportunity to show that when people feel good about themselves and respect themselves, they are able to overcome the biggest obstacles.

Your greatest accomplishment will come from everything that you express and from the significant principles that you exhibit.

### ***Part of Fortune ☒ in VI 6th House***

([1292] [astrolibrary.org](http://astrolibrary.org))

Your greatest satisfaction will come from work and being always active. You get fulfillment through careful use of your time and energy.

You realize how others return to situations already solved in the past, to negative emotions, or to make defeatist excuses. However, you must take care of the details of the present and overcome all negativity through a very active, systematized and

organized life, always serving Humanity and seeking to make your life as useful as possible.

Your life needs to have a sense of purpose. You worry about improving yourself and your environment. Maintaining a purity of thought helps you to completely surrender to what you are doing without letting yourself be carried away by doubts or other distractions.

Since your Part of Fortune is in the sixth house of your birth chart, the 12th house is the opposite house. Through the 12th house, you know the inner needs of humans. This makes you sensitive to the forces of creation and the invisible powers of the Universe. It also gives you a deep compassion.

You must do something with this and not be just a passive observer. Therefore, you must participate actively in life, and yet, although you know the infinite, you must function clearly in the defined world.

It gives you an immense joy to know that you can help heal another person. You must strive to be useful at all times and use your ability, since you know better than anyone else how to do things to find an improvement or greater functionality.

You know the workings of the unconscious and how others, and even you, are carried away by their impotence, imperfection and uselessness. That is why your greatest satisfaction occurs when you are able to improve others and help them formally to develop their potential.

You must learn to appreciate the perfection that exists in the world, not worrying about the imperfections, and to develop this potential to the fullest. You must see negativity impersonally, in a detached manner.

You function better when you do not think of a cosmic reality or beyond, but by tuning into the Universe you make it functional by perceiving it with the five senses and putting it into a realistic practice. When everything you do makes sense, you can even allow yourself to be carried away by everything that happens at the moment without fearing to lose your way on your path that you set upon. Therefore, you must improve your natural abilities, and thus the Universe will begin to cooperate in the awakening of your fulfillment.

- 1) ► **Ascendant ASC Parallel ♊ North-Node** - (0°59') 001 | 5

([100] [astromatrix.org](http://astromatrix.org);) Transforming Personality

With North Node conjunct the ascendant you are able to shape your personality to be in

harmony with prevailing social trends. This can make you popular, but also superficial. Your actions aren't based on fundamental convictions but on popularly accepted behavior. You're often tall, lanky, cheerful, optimistic and jovial. Your effusive outgoingness often prevents close personal relationships or lasting partnerships by making others feel inhibited and suspect a lack of sincerity. You can be serious and calculating when dealing with the public or partners.

Your karmic path is combined with your identity and ego, which allows your personality to align well with your growth and evolution. Be careful not to use your charm or popularity for selfish gains but for helping others. Also, since the South Node is connected to your Descendant, it is important to choose your partner wisely as many times they can represent your past karma may cause a block or hold you back in any transformation or growth you seek within this lifetime.

2) ► **Midheaven MC Parallel ♄ Saturn** - (1°57') ♏6 | ♉3

([72] [astromatrix.org](http://astromatrix.org);) Striving For Success

At a very early age you will learn that life requires hard work and ceaseless activity if you want to get ahead. Also, you want to be a person of significance when you are older, so you will start working while quite young to get where you want to go.

Since you have so much internal discipline, your parents won't have to impose it from the outside, nor should they make unrealistically high demands, because you will try very hard to fulfill them. Whenever you fail, you condemn yourself strongly, and if you decide you are a loser, it would be very difficult to change that belief.

This placement of Saturn can signify that you will be very successful or very unsuccessful, depending on how you experience success while you are young. You respect those in authority even when you feel they are giving you a hard time. You understand that they have earned the right to their position and that to challenge them you must earn that right as well.

Only if you have very negative experiences with authority while you are young - and your parents will have a lot to do with this - will you be negative about it when you are older. No matter what career you choose, you will be a teacher and a guide for others. You may be a teacher in the literal sense in some kind of school.

In any case, others will look to you for guidance when you achieve the goals that you set for yourself now. As you work to get ahead in life, however, be very careful not to neglect your friendships and other relationships. Otherwise you may be very lonely later on.

3) ► **Imum-Coeli IC Parallel ♃ Jupiter** - (1°06') ♊12 | ♍9

([196] [astromatrix.org](http://astromatrix.org);) Achiever Of Goals

Your home and family are very important to you as a refuge that you can retreat to when the outer world is too harsh. You will always remember your childhood as one of the best

times of your life, and you will have great respect for your parents, especially the one who gave you the most emotional support.

As you get older, you will remember what you had when you were younger, and you will love anything that reminds you of home. Wherever you go, you will try to find a community like the one you grew up in. And if you can't find such a community, you will seek one in which people are as close as they were where you grew up.

All your life, you will have great respect for traditions and customs, even if they are very different from your own, not because you are narrowly conservative, but because you know they give people positive emotional support. Temperamentally you are quite liberal, and you enjoy the experience of new places and different worlds.

All of your life you will prefer rather large and elegant homes surrounded by lots of open space. You hate to be cramped, physically or emotionally, so you avoid close relationships with people who are very jealous or possessive, because they would restrict your inner freedom. Normally this aspect signifies a high degree of emotional security, which enables you to withstand any difficult times and even offer help to others when they are in trouble.

4) ► **Sun ☉ *Contra-Parallel* ♀ *Lilith* - (1°15')** 001 | 5

([631] [astromatrix.org](http://astromatrix.org).) Self-Awareness unlocks empowerment

The opposition of the Sun to Black Moon Lilith acts as a magic wand of power that radiates energy out of magnetism of polarity. The Sun plays with the rational brain, whereas Lilith activates the creative right brain. This aspect pulls people to come out of their comfort zone and think beyond limits.

Criticism and rejections come within the package of Sun opposition Black Moon Lilith. Because of the fear of excluding your individuality, you tend to repress your desires and

hide your uniqueness. Despising expectations become a norm. The opposition makes you feel aggressive or deeply troubled when others control your decisions and direct your life.

There is a painful yearning for freedom paired with a fear of rejection in you. Learning to express yourself freely without any fear takes a tremendous toll under this aspect. But the stifling of identity becomes the primary catalyst for self-discovery and accepting your authentic self.

6) ► **Mercury ☿ Parallel ☾ South-Node - (1°27')** ♊12 | ♏11

([172] astromatrix.org:) Feeling Misunderstood

With Mercury opposition the North Node, you may have brought over considerable intellectual talents that must be used in a positive way to contribute to the world in this lifetime. You have asked and been given another chance to develop and bring to fruition the energies you have invested in Mercurian activities such as study, communication skills, interesting and novel ideas and keen logical talents.

You can be quite original and independent in your thinking in the long run but may have some problems with timing. You may be slightly out of sync with the rest of the world when you choose to launch an idea. You can experience frustration and are forced for a

time to go it on your own.

Other aspects compared with this one would show the degree of difficulty in bringing out your ideas and gaining support for them. With stressful aspects, there is fear of criticism or ridicule. There could be learning difficulties; what takes others a short time to absorb may take longer for you.

Circumstances in your life have caused you to feel frustration because you think your ideas are unsupported. Often your ideas are met with criticism or opposition that you fear inhibit your intellectual capabilities. Don't allow this to hold you back. Your ideas may be too behind or more often, too ahead of the times to be fully accepted. Realize that you are not alone in your way of thinking. Go out, expand your horizons, seek like-minded people. Be open to criticism instead of shutting down out of frustration at feeling misunderstood.

7) ► **Mercury** ☿ **Parallel** \* **Juno** - (1°19') ♀12 | ☿3

([595] 12andus.com:) You may take a more cerebral approach to love and partnerships.

Yet when you make a commitment to someone it is usually because you've reached a meeting of the minds and feel like you have found your intellectual equal. You easily make promises and commitments known and when you feel like you've found your ideal match, you don't hold back.

Instead, you'll let them, and everyone else, know. You have no problem articulating your love and devotion. You may promise the world and your intentions are always to keep your commitments.

Yet you can be swayed by your adaptable and imaginative nature. If you do find your interest is swayed by someone who says all the right things, you may try to find loopholes in your own commitments and you can become flexible with your own boundaries.

For the most part, though, when you make a commitment, you fully intend to keep it and will take a diplomatic approach to relationship challenges so that you can keep your word.

8) ► **Venus** ♀ **Parallel** ♀ **Pallas** - (1°17') ♀12 | ♀01

([579] 12andus.com:) You are driven by a strong sense of values and empathy for others.

You can win the respect and cooperation of others by appealing to others' sense of value and desire to feel comfortable and nurtured. You may use friendliness and your social skills and good bedside manner to appeal to the heart and empathy of others.

Though you can be wise and charming, ultimately you will draw on your sensitivity to others' emotions and desire for love and acceptance, appealing to the compassionate nature of others.

9) ► **Venus** ♀ **Parallel** ∨x **Vertex** - (1°10')    ♍12 | ♋2

([133] [astrotarot.net](http://astrotarot.net);) The chance moment!

Typical features that this conjunction brings: You find it relatively easy to be a person of importance. Also, Your own self-esteem attracts prominent people to you. And the risks you take are usually rigorous. Being in charge of others and coming before the public are areas in which you are comfortable.

- If this rear aspect exists in your natal chart you need to work on: those Natal Venus – Vertex aspects are called the first impressions. So you need to work on first impressions toward other people. Also you need to work on the self and appearance, leadership skills, new initiatives, fresh starts and beginnings. Whatever lives in this house helps you understand how the people around you perceive you. Remember, depending on the house location of the Vertex in the natal chart, you will have a lesson involving the area of the house it's in.

- Individuals with too many conjunctions: Many astrologists think that having conjunctions everywhere is a good thing, because it is a positive aspect. It would mean that the person with all the conjunctions is even more like the sign which everything seems conjunct in. Positive traits and negative traits are much more apt to being magnified than if they only had one planet in that specific sign. But it is always good to have a certain balance or aspects. It makes a person more grounded and sane.

10) ► **Jupiter** ♃ **Contra-Parallel** ♄ **Saturn** - (0°51')    ♏9 | ♈3

([190] [astromatrix.org](http://astromatrix.org);) Evaluation Of Worth

Like most Oppositions there is a polarization between the two planets that cause you to bounce from one pole to the other and Jupiter Opposition Saturn is no exception.

You tend to move from being very cautious and conservative to boundlessly optimistic and progressive. Or you may adopt one role and project the other on to some close associate and enact the felt dichotomy in that way. You may find it difficult to balance discipline and responsibility with hope, confidence and positive action. You might tend to dream grand and somewhat unrealistic dreams, and yet neglect to lay a firm foundation for the future you are attempting to create.

You are very unsure of your own self-worth and identity and need others to reassure you of your own worth. This has probably come from some important role models in your life such as previous teachers, parents or even partners. You constantly seek the approval

of others and want people to like you at all costs which causes you to get involved with the wrong types of people or if they don't appreciate you or make you feel better about yourself you may reject them. You need to develop a stronger sense of self-worth and work on your self-esteem. Realize that you are quite talented, and you don't need others to clarify it. Your attitudes and perspectives need to be changed and transformed.

By accepting reality and responsibility for your actions and be more sympathetic towards other people and their own particular viewpoints and attitudes. Do not doubt your own abilities just realize you need to work and be determined in order to obtain your goals. It will be more productive for you to set a series of small, attainable goals, and build toward the greater vision than to over commit and then feel overwhelmed by the magnitude of the task you have set for yourself.

11) ► **Jupiter** ♃ **Parallel** ♌ **Pluto** - (1°18')    ♀9 | ♏6

([63] [astromatrix.org](http://astromatrix.org);) The Alchemist

This is a favorable aspect, which should allow you the opportunity to unfold your natural talents relatively easily, applying them in a concentrated and determined approach towards achieving your ambitions.

You have the fortunate ability to evoke a response from your 'inner storehouse' of gifts, and create an open channel enabling you to manifest these in an objective context. Those who are close to you or who work daily with you may be inspired by this ability; and you are likely to display certain leadership qualities.

You will approach life with zest and vitality, pouring your energy wholeheartedly into satisfying your aims and your need for success. You seem to feel that your success is guaranteed; and whilst you may often feel impatient, or temporarily frustrated in your purpose, you have too much self-confidence and determination to believe that you could fail.

The opportunities are certainly there for you; and your inner gifts are there to be actively expressed and exploited by you to achieve success. You may find that you express and explore your talents in several potentially lucrative areas, as your gifts can be applicable in a variety of ways. This can mean that you are likely to change direction several times throughout your life, possibly in a radical style, or just to find new areas to experience.

You may not have a specific goal in mind - such as a senior managerial position in one company - but could become influenced by 'the inner storehouse' of innate talents to search for new directions in order to find suitable channels of release for as yet latent gifts; you may even find a problem arising out of the very multiplicity of choices available to you. Ideally, you should look for a way of life which actually offers you a variety of channels through which to express yourself, where there is a potential for a renewal of challenges and for a demand of personal growth.

Working closely with people is likely to attract you, and interpersonal relationships can be a constant sphere of creativity and growth; much can be shared and transmitted even in creating and maintaining positive human relations at work.

In an intimate relationship, you should ensure that equality is developed, building a balance, as you may have a tendency to play the role of dominating leader too often. Development of each partner is also important; and your partner's needs and abilities should be clearly recognized and valued, helping each other to actualize hidden potentials. Change in the relationship and in your partner should arise naturally and easily; never attempt to force any process, as a natural evolution is safest, especially when in truth you cannot really understand the inner process and life experience / perception of another.

The best use of your abilities will be towards benefiting others in some way. Whilst Pluto is likely to 'co-operate' with you using this energy for personal success, if you tend to apply it in a way that exploits or abuses others through your becoming obsessed with self-satisfaction and desires, you may find that Pluto becomes more subversive and undermines your purposes, stimulating failure as a natural result of your own distorted form of expression, thus creating your own downfall as Pluto forces you to look at the need for transformation.

12) ► **Saturn** ♄ **Contra-Parallel** ♅ **Pluto** - (0°27') ♃3 | ♄6

([200] [astromatrix.org](http://astromatrix.org);) Destructure Or Restructure

Like those with the square, you may feel that you have been mysteriously penalized by environmental deprivation, socially or parental, real or imagined. There was never any 'silver spoon' for you, and you tend to hold a brooding resentment for those who have not had to face the same problem.

The opposition is often associated with the themes of oppression and violence, physical and psychological, and with the tendency to be a victim of such forms of human negativity on others. For whatever reason, you may feel yourself to be a victim of persecution; and this would color your perception of people and the world, probably making you inwardly defensive and possibly outwardly aggressive towards others as a form of pre-emptive defense.

Your ease of self-expression and creativity is likely to be blocked, and you are always wary of revealing too much of yourself to others, in case they begin to take advantage of you; and in any case, you lack self-confidence and inner stability. Emotionally, you may be quite unstable, probably repressing much of your feeling life, because that is what has been damaged previously. This leads you to attempt to create a life of predictability and stability as a counterpoint to those feelings of emotional flux and vulnerability.

Certainly you are quite resistant to change, especially within relationships, as you rely on those few close ones in your life to give a sense of security; and because of this fear,

you suppress inner movement or outer change until a crisis point is reached where a 'releasing explosion' is the only way for the blocked energy to move.

As with the square, you need to initiate a process of inner change, to transform the restrictive attitudes and self-image that act as a frustrating factor in your life. Somehow, you need to develop more personal confidence so that you can begin trusting more and feel secure enough to come to terms with your feelings and emotions, to allow them to fertilize and water those inner barren lands.

Through such an approach, Pluto can act to give you a new birth, to almost resurrect you from the dead and to allow you the opportunity to enjoy life much more fully and appreciatively.

Your inner life is not fixed in unchangeable stone, as the prospect of transformation is ever-present in every life. Initially, it may be difficult to dissolve such long-established barriers; but it can be done, enabling a new you to flower and fulfill your hidden potential.

Opportunities: 1. Being Productive 2. Excelling in Communication

Challenges: 1. Listening as Much as Speaking 2. Remaining Empathetic

([36] [cafeastrology.com](http://cafeastrology.com).) Those with Mercury conjunct the Ascendant come across as youthful, active, and busy. They are usually ready to chat, although if Mercury is in the twelfth house they may need some encouragement at first. These natives can be quite

fidgety and restless, and often move quickly. Their faces are quite expressive and there is a twinkle in the eye. Their expressiveness is not as warm as that of Moon-Ascendant people. Instead, it has a distinctly mischievous quality.

Others get a distinct first impression from a person with Mercury conjunct the Ascendant of a curious, youthful, intelligent, mischievous, or nervous individual. Writing and/or speaking figures strongly in their lives, although listening skills may not be as well developed. They are typically very forthcoming with information about themselves. They might identify strongly with their intelligence or ability to make connections with others. They are at ease with almost anyone, and easily put others at ease. Always curious, they pick up a lot from their immediate environment—sometimes too much.

These are “busy bees” who are insatiably curious. They love to relate personal stories. Their charm is of a youthful, mischievous, and lively kind. They thrive on change, social contact, and communication. Some are noticeably nervous.

Opportunities: 1. Learning from Other's Ideas 2. Creating Your Future

Challenges: 1. Accepting Your Past 2. Avoiding Being Overly Subjective

You will look deep within yourself for answers to the questions that come up in life. Your inner feelings will strongly influence your view of the world, and you will consider your own point of view to be the most important factor. But try not to get so wrapped up in your own way of seeing the world that you cannot imagine anyone else's point of view. Being too subjective is a serious danger with this aspect.

On the other hand, you will be able to communicate your ideas and feelings to others very easily, even while you are quite young. Your basic attitudes and opinions will take shape very early in life, and later it will be very difficult to change them. So, it is very important for you to be exposed to broad and sophisticated views of the world, because you will keep the ideas you learn now, even if they are narrow and intolerant.

You will think about your past a great deal, and you may spend too much time wondering if it could have been different. Do not worry about this, because you only have one past, and it is pointless to think about it, except to help you deal with the present. Because you are in touch with your feelings, you can react to a situation according to your real needs, but only if you concentrate on the present and future, not the past. It may be difficult, but you should examine your thinking and never take your feelings and ideas solely at face value. Probably your beliefs are based on what your parents and family taught you instead of on your own observations.

([589] [12andus.com](http://12andus.com);) You are wise and intellectual but your gifts for strategy tend to shine more at home or in your personal life rather than in your career.

You may get cold feet when it comes to asserting yourself in public spaces or in your career path. You may prefer to not rock the boat. You don't easily challenge the status quo in your professional life.

Yet in your private life you can be a visionary. You may need to become more confident in yourself and your visionary powers so that you can become more of a champion for change and mentor to others in your professional life.

If you don't you may undermine your mission and campaign. You may also bypass opportunities to become the leader you could be. You can be a strong influence on others when it comes to matters of injustice but you will first have to make some decisions about your priorities. Your own ambitions may have to take a back seat to the strategies for justice and change that you could promote.

9) ► **Moon** ☾ **Conjunct** ♂ **Uranus** - (4°39' A) ♏7 | ♏7

([20] [astromatrix.org](http://astromatrix.org);) Freedom Is My Security

All Moon-Uranus aspects indicate possible personality conflict based in the clash between established behavior patterns (symbolized by the Moon) and the progressive but disruptive energy of Uranus.

While this conflict can spread throughout the psyche, the Moon's affinity is to feelings and emotions, and Uranus's is toward impersonality, abstraction, and intellect. This can create duality and friction between 'head and heart', which may be difficult to resolve. Emotionally, you may experience regular mood changes and erratic, contradictory feelings, appearing to others as unpredictable, unreliable, impulsive, or lacking in commitment and responsibility.

Lunar energies fluctuate, ebb and flow; and joining these with Uranus is not conducive to a stable and controllable inner life. You will find that your 'inner bias' moves between either lunar dominance or Uranus dominance; only occasionally will it rest at a balance uniting both. However, when 'head and heart' are in accord, this is the ideal state, and achieving this should be an objective more regularly.

You look for the unusual and the exciting in life. Strangeness and novelty intrigue and attract you; and this influences your intimate relationship choices. Your Moon will demand the experience of intense emotions; and Uranus will expect fascinating and excitement to bewitch the mind.

The problem is finding both evoked by one partner, and not fading away with familiarity, or soon you will be looking for someone new. Relationships are likely to be varied and cosmopolitan, ranging across different personality types; and you may find difficulty determining which type suits you the most over the long term. You are often attracted to unsuitable types, or to those who pose some sort of challenge, which you find adds extra interest.

Much depends on how you succeed in 'balancing' the innate conflict between a need for secure foundations and a fascination with novelty and free experimentation. The Moon could dominate, possibly by the inner imposition of restrictions, or inhibiting desires for new experiences and freedom. This could eventually result in the frustration of un-lived dreams. Or Uranus could draw you toward excess, where roots and stability are lost in pursuing new and unexplored experiences, irrespective of personal cost.

Your life could be rich with interesting social acquaintances; your direct, open expression, coupled with intellectual analysis, realism, and personal tolerance, can attract many who find your company stimulating and rewarding. As you often reflect on both sides of an issue - evading a commitment to choose sides and become partisan - you can act as a diplomatic foil between adversaries, as well as retaining friendship and contact.

You may eventually prefer to live independently, choosing not to be restricted to one partner, allowing yourself freedom to change as you will. This can result from an inability to stay committed and interested within a traditional relationship or through problems partly created by your emotional shifts and moods, where, in the midst of confusion, you insist on your right to be self-determining, even if you have no clear idea of what it is you actually want.

([21] [astromatrix.org](http://astromatrix.org);) The Visionary

This conjunction emphasizes emotional sensitivity and vulnerability to others, especially through an impressionable, sympathetic psychic empathy. The nature of your environment will be highly influential in affecting your inner balance and well-being, so ideally you need to live and work within suitable places and with suitable people, or else you may discover that your spirit and vitality begin to wane through absorbing what are negative influences on your sensitivity.

As your heart is so open to experience life, it is equally likely to experience suffering, anguish and disappointments. Evolving ways of self-protection or essential filters to this sensitivity may be necessary over time, otherwise life could become too painful for you.

Through your innate understanding and sympathetic attitudes, you are likely to become a listener and confidante to others' problems; yet a degree of detached impersonal objectivity needs to be developed or else you will take their problems and pain away with yourself. This is not a sacrifice that needs to be made, even though you are rightly willing to offer aid and assistance to those in need.

It may be that you are attracted towards employment in the spheres of social welfare and care, where you can serve deprived people and encourage them to take steps of advancement. Certainly, that compassionate heart will be a main motivating factor in

your life, and it is probably through such a route that you can most easily display your most natural qualities and abilities.

Your influence can have a beneficial and catalytic effect on others, stimulating them towards either personal growth or resolving problems. Employment which fixes you into a repetitive mundane work pattern will not be satisfying and will ultimately be a denial of your talents and abilities. It is easy to recognize when you are stuck in the wrong place.

25) ► **Sun** ☉ **Opposition** ☾ **Moon** - (2°04' A) ☾1 | ♀7

([140] [astromatrix.org](http://astromatrix.org);) Me Or You

Opportunities: 1. Discovering what You Want 2. Gaining Fulfilment from Within

Challenges: 1. Balancing Order and Chaos 2. Having Relationships for the Right Reasons

People born when the Sun opposes the Moon have an internal struggle between their needs and their wants. In contrast to the Sun-Moon conjunction personality, the Full Moon personality is inclined towards lack of focus and indecision. Their ability to be objective is both an asset and a liability, simply because when they decide on one route, they are pulled in another direction at the same time. Something tugs at them, and they begin to question their stance. “But what if...” and “on the other hand...” are statements they can't help making and that plague them. While Sun conjunct Moon people have an Aries style about them, Sun opposition Moon natives have a distinct Libra energy about them, in that they are always aware of the opposing point of view, the other side of the coin, and so forth.

Their inner struggle is most obvious in their vitality, as both the Sun and the Moon strongly influence the vitality. They have many ups and downs, and it is hard to know if it

is physical or emotional. In fact, it's likely both. These people might spend a week working hard, and the following week they lack motivation and find it hard to accomplish much. Their energy fluctuates more than most people, and it is very much a reflection of what is going on inside.

The messages they received in their early lives in terms of what was expected of them were conflicting, and even opposite. Some people born under the Full Moon viewed their parents as two very different and separate individuals who each wanted something very different from their child. Their parents or parent figures “stood for” two very different things, and their child internalized this. There may have been some emotional frustration in connection with the father and a stifling of the go by the mother.

It is hard for Sun opposition Moon people to find happiness within themselves. They tend to look outside of themselves for fulfillment. They are inclined to form serious relationships at an early age, simply because of this tendency to try to find an answer to happiness from an “other”. They are prone to divorce, partly because of this prematurity, and partly because their needs are complicated. Full Moon people are also more apt to seek counseling because of this need to find answers.

These people appear to be very self-aware. They entertain a myriad of different points of view and perspectives. They are excellent psychologists and are able to read character and uncover motivations—but with an important caveat: if they are too emotionally close to the situation, they fumble. The truth is, although they appear to know much about how people tick, they spend a good part of their lives uncovering more of themselves and learning about themselves. Generally, this is done through comparisons or through the mirror of relationships.

They can most certainly frustrate the people who are close to them with their indecisiveness and frequent changes of mind (and of heart). A word to those who deal with this on a day-to-day basis: their changes of heart are not a form of insincerity—they are the result of an internal struggle that is very real and very confusing to live with! Sun opposition Moon people can be temperamental, insecure, and very sensitive. The ability to put themselves in someone else's shoes, and to consider other points of view, is a true asset. However, at some point in their lives, they need to uncover what it is they truly want. This comes easy to New Moon people and can be a life-long struggle for Full Moon people. On the other hand, it is extremely easy for a Full Moon personality to understand others' points of view—something that doesn't come as easily to a New Moon personality. Sun opposition Moon people are generally interesting and complex. Born under a Full Moon, they can be a bit “loony”, perhaps manifesting itself in a unique sense of humor.

Look for a planet that might trine and sextile the Sun-Moon opposition for a way to release the tension the opposition creates. Somehow, some way, through that planet, its sign, and its house position, the Sun opposition Moon person can find an “answer” to the

struggle. Look also to the sign polarity involved for more details of the struggle. If it's Aries and Libra, for example, there is a conflict between two equal drives to be independent and to depend on others.

26) ► **Sun** ☉ **Opposition** ♂ **Uranus** - (2°35' A)    ☾1 | ♀7

([146] astromatrix.org:) The Breaker Of Taboos

Both square and opposition aspects have a peculiar quality which is like an 'on-off switch'. Internal and external erratic behavior may be expected, which can lead to those dramatic and often drastic changes of behavior and lifestyle.

Within your hidden inner life, you are likely to feel undercurrents of restless activity, which, while peaking and troughing, are an ever-present participant in your nature. This can lead to nervous tensions and irritability, and an edgy tone to your energy which is often psychically communicated or received by others and experienced as an intangible sense of unease. Your emotional and mental moods are erratic, unpredictable and temperamental, creating sudden confusing changes and relationships, or even contradicting statements that you have just made. Sometimes you may fail to be aware of this lack of continuity that you exhibit.

Individuality and independence will be emphasized, with insistence upon your own needs and freedom from all restrictions. This can manifest as a compulsion to display a rebellious antisocial attitude, mainly as a reactionary explosion of energy rather than any considered response which could also offer some viable alternative ways to follow. Your reactions are likely to be more negative in quality and content and may need a conscious degree of self-moderation to avoid an instinctive 'knee-jerk' response.

You may find that you obtain pleasure from seeing others react to your iconoclasm, as it can add some excitement to life, but it is unlikely to be inherently creative or positive action as you often fail to have anything of value which could replace whatever it is you are opposing. In many ways you are insecure, feeling lost and frustrated with both the world and you.

Your inner energy flow is uneven; sometimes you are highly charged and have difficulties dealing with that; other times the energy seems to be switched off, and life goes flat and colorless. You probably lack a stable cohesive center, missing the positivity of an adjusted planetary relationship to your Sun, and you may need to struggle towards establishing a firm, secure point of balance within your identity.

You can be hypersensitive but may tend to deny this aspect through feeling uncomfortable with your emotional nature and its ebb and flow, as this does not fit into that intellectualized self-image that you have developed. This can be quite illusory but is also a prop for you to center your identity around. These images can include considering yourself 'before your time', an unrecognized genius or artist, a cultural bohemian, a radical revolutionary, an important social adversary.

Glamorous images emerge from that high opinion of yourself and those peculiar insights and ideas that you attempt to communicate to others. There are likely to be some nuggets of gold scattered around, but often you fail to deliver, wisps of intentions dematerializing into the air. Your evaluations are often impractical, and due to diversions towards new glamorous ideas, or to an unfocused will, you often fail to develop fully any natural gifts.

While you tend to insist that your will is paramount, you really need to learn effective forms of social compromise, realizing your misapprehension of being the all-important center of the universe, which is symptomatic of an imbalanced Sun. Just learning to listen seriously to other points of view and perceptions on life can teach you much, in distinction to one of your behavior patterns which sees such contact and communication as a form of competitive challenge, mentally pitting yourself as an adversarial opponent of another point of view.

You may need to stop tilting against windmills. Your heroic quest should not be externally directed but internalized to achieve an inner transformation. This is not to imply that the windmills are not there - they probably are - but you need an effort to redirect and redistilling your nature and energies so that your solar center becomes more powerful and integrative. A redefinition of rebellious spirit needs to be made by you, a re-channeling of your scattered energies.

Learning forms of relaxation or meditative techniques could become very important to your well-being and may help in this re-centering process of evoking the solar power. Highly strung nervous states are not beneficial to health. Relationships can also be fraught with problems, as your erratic hot and cold contributions are not always made in apt timing for your partner's behavior patterns.

You may need to be wary of making excessive emotional demands, especially as you may not be so balanced in your emotional nature, and you probably have a lack of understanding of that level. In many ways, it is likely to be an immature aspect of your nature and may require conscious development and further exploration. Attempts to restrict the freedom of others should also be guarded against.

27) ► **Sun** ☉ **Opposition** ♆ **Neptune** - (4°53' A)    001 | 117

([147] [astromatrix.org](http://astromatrix.org);) The Chameleon

The opposition between Neptune and the Sun can stimulate a distorted and self-deluding perspective of reality, which tends to create additional problems and obstacles in your life and decision-making.

You may find it difficult to analyze and evaluate options and choices correctly, often focusing on self-created and imaginary issues rather than actual problems. Sometimes these can take the forms of voluntary suffering arising from inner guilt patterns

associated with deep-lying desires; an expiation or atonement of 'sins', actual or imaginary. This can result in the sacrificial martyr attitude, and is often quite unnecessary, yet in a strange way provides a foundation to your life.

Your relationships can be characterized by degrees of confusion and misunderstandings, and through powerful emotions you are liable to overly intimate relationships with fantasies and wishful thinking, forming a deceiving miasma which affects all involved. There can be a pattern operating through you that subverts clear, honest and direct communication, even though you may not fully accept or realize this. You often avoid commitment and entering fully into emotional involvements through fears of being trapped or dominated, which, allied to a suspicious nature, does not augur well for stable relationships.

The main problem with inner glamour and illusions is that they are so difficult to identify correctly, and obviously such distorting mirrors make it hard to perceive with clarity. The real effect of spiritual transformation shatters these mirrors. Being able to recognize and acknowledge that such problems exist is the first and most important step, followed by consistent action to discover the appropriate remedy. Essentially, you need to strip down your habitual perceptions of others and yourself, so that the reality can shine through more objectively.

Facing the reality of avoidance patterns and observing the influence of your emotional biases and defensive mechanisms can be very revealing, as can noting how you distort relationship communication; consider all this without self-condemnation or judgement. In looking lie the seeds of transformation.

28) ► **Sun** ☉ **Opposition** ♌ **Chiron** - (5°31' A)    001 | 117

In other words he knew he had to “pity” those who put him on the cross. In conclusion, you often feel cut off from the ordinary, imperfect crowd, as you could never be one of them. As you grow older, this gap between the head and the heart may seem easier to handle. You may develop a sophisticated understanding of relationship with your father, a homeland or your roots. You may be able to use this understanding in helping others come to terms with a similar sense of loneliness. Or you can use it to do a good work in the world without having an ego-centric necessity to be identified as the active agent behind such work. You are constantly meeting with criticism, rejection, or exclusion for your individuality. And this often causes you to hide or repress the most unique parts of yourself. You despise expectations. 30) ► **Mercury ♀ Opposition Sp Spirit** - (5°57' S)    ♁12 | ♏7

31) ► **Venus ♀ Opposition ♄ Pluto** - (7°46' S)    ♁12 | ♎6

([178] astromatrix.org:) Jealous Lover

The challenging aspects of square and opposition invariably display the dark face of the distorted Pluto energy, and require considerable individual transformation and self-understanding to mitigate the potentially negative impact on life that they will otherwise influence a person to experience.

It is important to remember that this influence to confront the darker side of the psyche is inherently positive and creatively beneficial if it is used to orientate your inner life, and that this is the hidden purpose of the Pluto impulses. It is likely that you will experience a repetitive pattern of sexual love and emotional affairs which either do not seem to satisfy and fulfill you, or collapse into failure, acrimony and suffering. This can lead to a jaded,

cynical attitude founded upon a frustrated, demoralized emotionally battered perception of love.

Your emotional intensity and passion are likely to cause difficulties for you, as it often seems to run away out of your control and can take you into situations and encounters which from a clearer perspective you would consider to be undesirable. Certainly, you are looking for something; but your sexual and emotional desires can be too strong, creating distortions of inner energy and leading to compulsive behavior on your part - followed by an attempt at justification in the vein of 'I couldn't help myself...'.

Either you will feel driven to experiment in various relationships on a continuous basis, or, as a reaction, you may attempt to avoid entering any emotional affair as you are afraid of experiencing the old established pattern again. Problems can arise in your intimate relationships due to your tendency to introduce the element of domination. You tend to demand your own way or assume a dominating role, sometimes played out in potentially damaging sexual and emotional contexts, sometimes obvious, sometimes more subtle. Even if you assume a submissive role, it is only as a hidden way to manipulate and achieve your intentions through a subtle route; it is not your natural approach. Usually, you want your partners to change to suit you, and you can put intense pressure upon them, especially sexually and emotionally.

You will need to learn the necessity for mutual compromise in relationships, to understand your inner underlying desires and impulses which are conditioning and controlling you from the depths of your unconscious. It may be appropriate to study humanistic psychology or take part in a course or therapy designed to bring about safe release of hidden impulses into the light of conscious awareness.

Such impulses, and unconscious inner fantasy lives, are present to some degree in everyone; but with this aspect they will stimulate problems for you, which are resolvable if you are willing to confront them in an act of personal reintegration and transformation. This will also serve to balance out your erratic flow of emotional desires, which often seems to confuse you and your partner, as you appear to 'blow very hot and very cold' in your responses to them; this is when your inner impulses arise and fall in some hidden rhythmic cycle, leading to uncontrollable emotional and sexual needs and intensity, or to a lack of response and to coldness.

Always, the choice is yours; potentially you can defuse many of the difficulties that usually face you in relationships, or you can continue hoping that they will lift of their own accord. Pluto is influencing you to take the positive approach, by facing you with the results of being passive to the inner forces and by remaining unconscious of their hidden promptings.

With Mars Opposition Jupiter in your Natal Chart you will have an abundance of energy and enthusiasm for adventure and exploration. You're a hard worker but tend to overdo everything. You have a reputation for unreliability and wastefulness, although your extravagance tends to involve others' resources.

You might be frequently trying to prove yourself, to others and yourself, and thus readily take on a challenge. You desire exciting experiences and may rarely be satisfied with your life as it is. ([190] [astromatrix.org](http://astromatrix.org);) Evaluation Of Worth

Like most Oppositions there is a polarization between the two planets that cause you to bounce from one pole to the other and Jupiter Opposition Saturn is no exception.

You tend to move from being very cautious and conservative to boundlessly optimistic and progressive. Or you may adopt one role and project the other on to some close associate and enact the felt dichotomy in that way. You may find it difficult to balance discipline and responsibility with hope, confidence and positive action. You might tend to dream grand and somewhat unrealistic dreams, and yet neglect to lay a firm foundation for the future you are attempting to create.

You are very unsure of your own self-worth and identity and need others to reassure you of your own worth. This has probably come from some important role models in your life such as previous teachers, parents or even partners. You constantly seek the approval of others and want people to like you at all costs which causes you to get involved with the wrong types of people or if they don't appreciate you or make you feel better about yourself you may reject them. You need to develop a stronger sense of self-worth and work on your self-esteem. Realize that you are quite talented, and you don't need others to clarify it. Your attitudes and perspectives need to be changed and transformed.

By accepting reality and responsibility for your actions and be more sympathetic towards other people and their own particular viewpoints and attitudes. Do not doubt your own abilities just realize you need to work and be determined in order to obtain your goals. It will be more productive for you to set a series of small, attainable goals, and build toward the greater vision than to over commit and then feel overwhelmed by the magnitude of the task you have set for yourself.

52) ► **Venus** ♀ **Square** ♄ **Saturn** - (6°14' S)    ♁12 | ♃3

([417] [astromatrix.org](http://astromatrix.org);) Burdened By Responsibility

Venus Square Saturn in your Natal chart is similar to the opposition in the sense that you have great difficulty in expressing your true emotions to others. The biggest challenge with this aspect will be in your personal relationships.

You may have a serious and responsible personality, but this can cause you to become involved in relationship based around security or duty rather than love. Learning to love yourself is one of the keys to better relationships, perhaps as a child you were not given the love you felt you needed, it may have been materially comfortable and secure however and this become your source of identification on what a relationship should be.

Perhaps due to painful separations in your early life, you are very cautious about becoming close to people and sharing your feelings. Though you crave love and affection, intimacy is difficult for you. This pattern needs to be transformed into one where emotions and vulnerability what you seek from your relationships.

In order to do this, more work has to be done on expressing yourself and not repressing any emotions or hiding your true feelings from others. The more you are able to be open with your emotions with yourself and others the more success you will have within relationships learn to loosen up and relax.

Know that you may be oversensitive to rejection and try to gain some perspective when you feel your love is not being returned to your satisfaction. Saturn positions often get better with age, experience, and practice.

and harmony. Yet you can be distracted from your path by relationship choices that undermine your ultimate purpose.

When you stop distracting yourself by seeking pleasure, material wealth and love, you will be able to find more satisfying connections. Not only for love and romance, but connection with your higher purpose as well.

54) ► **Mars** ♂ **Square** ♄ **Pluto** - (6°06' S) ♈2 | ♏6

([428] [astromatrix.org](http://astromatrix.org);) The Annihilator

With the energy released by the square, you will be mainly motivated by self-centered tendencies and a need to 'throw out' overflowing and excess Martian energy. You tend to think that the power of your natural energy is sufficient to win you success and satisfaction; and indeed, the force and directness of it often can, but using it in such a way often overrides sensitivity and awareness of others.

Considered aims and planning are often ignored under the immediacy of impulse and desire and a spirit of recklessness can ignore any thoughts of the possible future consequences of your actions, provided you believe that your desires will be satisfied.

You find it difficult to motivate yourself for long periods of time, as in a commitment to achieve something through careful planning; you have problems in disciplining and directing your will sufficiently for that kind of effort, and you are more suited to using your force in a more immediate, spontaneous impulse for self-satisfaction. This is also partly because you experience some conflict in directing your will to achieve your desires, and rarely feel as though you are making the most of your talents.

There can be a sense of inner frustration, caused by the forceful nature of this energy, and a lack of a suitable channel along with to direct it in a constructive manner. This will create a lack of patience, a potentially violent temper and sexual aggressiveness, where you 'throw out' excess energy through a dictatorial and demanding personality in order to dominate others.

You may need to develop a healthier perspective on sexual expression, one which regards sex more in terms of relationship and partnership, and less in terms of self-satisfaction, energy release, domination, exploitation and aggressiveness. This experience of inner stress is symptomatic of clashing energies; it is not something that you have to endure all your life; it can be adjusted to be more harmonious.

One way to begin this reorientation is to learn how to determine the overall direction of your life, to see a broader picture of your immediate social influence and how you want to live in relationship with others. To break down this preoccupation with self and to appreciate and acknowledge the feelings and needs of others as being as valid as your own is essential, and a key to transformation.

By becoming clearer as to personal aims, you can begin to apply your will consistently in order to achieve them over time; desires for instant self-gratification are unrealistic. Learn how to live in the equality of partnership and relationship; a mutuality of needs, desires and responsibilities requires mutual sharing and co-operation. Avoid tendencies towards domination and power struggles. Basically, you require suitable channels into which to pour your energy, constructive channels that are life-enhancing for you and others.

You tend to devote most time and energy in opposing others through conflict and aggression rather than in working together for group benefit; find ways to become positively in favor of something, and then add your energy to help it become real. There is much greater satisfaction and fulfillment in that form of achievement than in struggling to satisfy a very separate self that you try to maintain.

55) ► **Jupiter** ♃ **Square** ♇ **Pluto** - (2°38' S)    ♎9 | ♏6

([435] [astromatrix.org](http://astromatrix.org);) The False Prophet

This indicates that your personal philosophy and attitudes will condition your life, and because they tend to be fixed and dogmatic can serve to bring you into conflict with others. This philosophy or set of beliefs will either be 'self-created' or tend to reflect older, more traditional religious dogma; either of them is likely to be out of phase with much of contemporary life and social development.

You will either express a peculiarly unique and personally individual outlook or be willingly absorbed within a traditional structure. Basically, you are likely to be antagonistic to the modern world, believing that it is taking the wrong direction, and will be inclined towards a desire to reform the outer world and people so that they begin to conform to your world vision.

There is a tendency towards mental arrogance, a certainty of your own way being right as opposed to the ways of others; and you are unlikely to be receptive to alternative beliefs and new ideas. You will be an active exponent of your way, expressing it forcefully to others, either by a challenging of their beliefs or by attempts at conversion; you feel that you have a mission to perform, and this conviction gives you the inner strength to continue.

If rejection occurs, you tend not to use that experience to re-evaluate your beliefs, but inwardly reassert your own sense of righteousness. Whilst it may appear that your own system of belief is intellectually founded, the truth is that it is rooted deep in your emotions, and you feel its personal meaning very intensely, thus whilst attempting to challenge and persuade others, you maintain a barrier to outer challenges against yourself.

You are afraid that if your belief structure cracked and began to fall apart, then your inner cohesiveness as a personality would too, as your identity is so intertwined with

your own beliefs.

To some degree, most people are in a similar situation to yourself, where self-identity is defined by beliefs, opinions, attitudes, thoughts, emotions and body; in defending personal convictions you are defending yourself. It may be that your belief is not obviously religious; it could easily be political.

56) ► **Jupiter** ♃ **Square** Er **Eros** - (3°04' S)    ♀9 | ♀6

57) ► **Saturn** ♄ **Square** ♀ **Pluto** - (1°32' S)    ♄3 | ♀6

([441] astromatrix.org:) The Annihilator

With this aspect, it is likely that you will feel quite restricted by social and environmental constraints, and that the influence of the society in which you live will have considerable impact upon your life, often appearing to be a negative one.

Frustration appears to be inevitable; and you may feel that you are having to carry 'a burden for society', where you are involved in some way with a personal responsibility for some of society's troubles. There is a form of linking between your personal unfoldment and growth and the struggles of mass humanity, one which you may experience or interpret in a peculiarly masochistic manner or use as an excuse for personal failings.

Some of this tendency could arise from earlier life and parental relationships and conditioning, possibly from environmental deprivation of lack of fulfilling and meaningful contact with your parents and family. This can lead to a pattern of personal disappointments and lack of essential trust in life and the world, leaving you emotionally marked and feeling insecure in your own abilities and talents.

You tend to be searching for status, power and the opportunity to influence people's lives, much in the same way that you feel your own life has been affected by nameless unknown others who make socially influential decisions. To transform this oppressive pattern of limitation, you will need to radically alter your outlook on life and yourself.

The Pluto energy will help you to achieve this; and the first step is to draw back all the projections that you are overlaying on the world, and to recognize those that place the reason for failure 'out there'. You need to accept responsibility for your own life, decisions and choices, and begin to take control instead of being a frustrated, passive reactor.

66) ► **Midheaven MC Trine** ♂ **Mars** - (1°04' S)    ♎6 | ♊2

([347] [astromatrix.org](http://astromatrix.org);) The Hard Worker

Opportunities: 1. Making Bold Decisions 2. Getting Meaning from Your Work

Challenges: 1. Discovering Your Mission 2. Working in Teams

You have a strong sense of self - that is, you know who you are and what your rights are with regard to other people. You have considerable self-confidence and will fight for what you believe to be yours. On the other hand, you are less likely to dominate people than those with other Mars-Midheaven combinations.

You do have a great deal of physical energy, however, especially in activities that you want to be involved in. As you get older, you will pour out energy in your work and career, and you will be known as a very hard worker. But you may not feel that you are working hard, because the energy comes so spontaneously that you do not regard it as work. For this reason, you should look for a task or purpose that your life can revolve around, that you can identify closely with.

While you are young, this may simply be a hobby, but later on it will be your career or life work. Fortunately, with this aspect you won't have much trouble finding a purpose in life. You are not especially competitive, but you are independent. You do not like to be dependent on other people; nor do you like anyone to interfere with the schedule you have set for yourself. Consequently, you may find it easier to work and play alone than with others.

When you have to make a choice, you are usually able to do so quickly and easily, because you know pretty much what you want, and you go after it. If you don't know which of two choices to take, you may make an arbitrary decision, feeling that making some choice is better than going nowhere.

As you get older, you will be fascinated by the tools and techniques of any subject that interests you, and you will become very proficient in those techniques. Even at an early age, you will feel that very little that is worth having comes for nothing in this world, but you are willing to work. As a result of this understanding, you may seem older than your age, and you may prefer the company of older people.

Although you can work with others if necessary, you probably prefer activities that you can pursue by yourself, because then you do not have to worry about whether someone else's standards are as high as your own. You are very exacting in your work, and find it frustrating to deal with anyone who is less exacting.

This same energy may also cause you to feel a bit different from other people, even sometimes as if you don't belong with them. However, this will not bother you greatly, because you are confident enough to be yourself. It is more important to you to be right than to be popular. This attitude will win you the respect of your elders, and all your life you will get along well with persons in authority. Eventually you will probably be in a position of authority yourself.

([72] astromatrix.org:) Striving For Success

At a very early age you will learn that life requires hard work and ceaseless activity if you want to get ahead. Also, you want to be a person of significance when you are older, so you will start working while quite young to get where you want to go.

Since you have so much internal discipline, your parents won't have to impose it from the outside, nor should they make unrealistically high demands, because you will try very hard to fulfill them. Whenever you fail, you condemn yourself strongly, and if you decide you are a loser, it would be very difficult to change that belief.

This placement of Saturn can signify that you will be very successful or very unsuccessful, depending on how you experience success while you are young. You respect those in authority even when you feel they are giving you a hard time. You understand that they have earned the right to their position and that to challenge them you must earn that right as well.

Only if you have very negative experiences with authority while you are young - and your parents will have a lot to do with this - will you be negative about it when you are older. No matter what career you choose, you will be a teacher and a guide for others. You may be a teacher in the literal sense in some kind of school.

In any case, others will look to you for guidance when you achieve the goals that you set for yourself now. As you work to get ahead in life, however, be very careful not to neglect your friendships and other relationships. Otherwise you may be very lonely later on.

([187] [astromatrix.org](http://astromatrix.org);) Lacking Confidence

Opportunities: 1. Creating a Nice Home 2. Surrounding Yourself with Beauty

Challenges: 1. Dealing with Life's Practicalities 2. Knowing Yourself

The placement of Mars Opposition to your natal Ascendant creates a tense and volatile personality. This may be seen in yourself or projected onto your outside environment and people close to you. You like competition and challenging situations; you tend to attract people who will oppose your ideas or opinions.

Your self-image is distorted and too much worth is put on outside interactions, especially with one on one partnerships. Compromise and co-operation are key themes that need learning with this position, you tend to argue first and ask questions later, and this can make you hard to get along with at times. While you may see compromise as something for the weak, it actually takes great strength of character to meet others halfway.

It is often the case that we experience the difficulties of an opposition aspect through the behavior of other people, or actually seek that quality in another. This is particularly true here, since an opposition to the Ascendant places Mars on the 7th house cusp, the house of relationships. Hence, you may often attract people who express the qualities described above, who challenge you in some way, forcing you to stand up for yourself and develop your qualities of independence and self-determination.

([196] [astromatrix.org](http://astromatrix.org);) Achiever Of Goals

Your home and family are very important to you as a refuge that you can retreat to when the outer world is too harsh. You will always remember your childhood as one of the best times of your life, and you will have great respect for your parents, especially the one who gave you the most emotional support.

As you get older, you will remember what you had when you were younger, and you will love anything that reminds you of home. Wherever you go, you will try to find a community like the one you grew up in. And if you can't find such a community, you will seek one in which people are as close as they were where you grew up.

All your life, you will have great respect for traditions and customs, even if they are very different from your own, not because you are narrowly conservative, but because you

know they give people positive emotional support. Temperamentally you are quite liberal, and you enjoy the experience of new places and different worlds.

All of your life you will prefer rather large and elegant homes surrounded by lots of open space. You hate to be cramped, physically or emotionally, so you avoid close relationships with people who are very jealous or possessive, because they would restrict your inner freedom. Normally this aspect signifies a high degree of emotional security, which enables you to withstand any difficult times and even offer help to others when they are in trouble.

([166] [astromatrix.org](http://astromatrix.org);) Inferiority Complex

With Mercury Opposition your Saturn you may have a difficult childhood due to problems with your father that may make you suspicious, insecure, defensive or depressed. You're traditional, reserved, intelligent, responsible, shy, ambitious and hard working. Your education may be interrupted, but knowledge will be gained from life and through books. This aspect is good for big business and politics.

You have few friends because you're often nagging and critical, lacking love and understanding. If the third house is involved, you may have difficulties due to relatives. Communication problems, overly conservative thinking and a rigid attitude often hamper your career. There may also be attacks on your reputation. You want intellectual recognition, but often don't get it, either because of or resulting in professional jealousy.

If heavily afflicted, you can be a schemer, underhanded, extremely narrow-minded and opinionated. You'll usually have dental and hearing problems and are subject to nervous and respiratory illness so don't smoke.

## The Lots (Arabic Parts) (322th Harmonic)

There is not much information on these lots. Lots are points calculated almost always from the Ascendant and two Planets (or the Moon) or another one of the lots (then Schmidt's correction is used). The formulas used are based on Paulus Alexandrinus' and Robert Schmidt's work. Valens is another name that reoccurs with the information for these lots. (He might have slightly different formulas, but I think I took the best ones.) The texts are from 'astro.com' and 'astrology-x-files.com'.

### Lots used for ranking eminence:

When these lots and their rulers occupy each other's places it indicates personal power and social mobility (eminence).

The **Lot of Fortune** is in 29° **Leo** 35' and in the **6th** house.  
Part of Fortune was already interpreted in detail.

The **Lot of Spirit (Daimon)** is in 3° **Virgo** 42' and in the **7th** house.

"higher intellect" "guardian spirit/angel" The Lot of Spirit is a point which has strong psychological and spiritual overtones, unlike the very physical-plane based Lot of Fortune. The Lot of Spirit has to do with the nature of the will, what you intend (as opposed to what merely happens to you), and also has much to do with career, but apparently more your career as a statement that you make about what you are in the world. It also has to do with illness, like the Lot of Fortune, but it would seem that with the Lot of Spirit we are talking about the spiritual bases of illness as opposed to the physical bases.

"Spirit happens to be lord of soul, temper, mindfulness, and every power; and sometimes it also cooperates in the determination concerning what one does." - Paulus Alexandrinus

The **Lot of Basis** is in 5° **Pisces** 46' and in the **1st** house.  
Calculated from Asc, Fortune and Spirit.

The **Lot of Exaltation** is in 14° **Leo** 56' and in the **6th** house.  
Valens says that it shows what the native is happy doing if it doesn't indicate eminence (by falling mediocre or amiss with little connection to spirit or fortune)

#### **The Seven Hermetic Lots:**

Adding Fortune and Spirit makes them 7.

These 5 are calculated with Schmidt's correction formulas.

The **Lot of Eros** is in 7° **Leo** 59' and in the **6th** house.

"Eros signifies the appetites and the voluntative desires. It becomes a contributing cause of friendship and mutual favor." - Paulus Alexandrinus

The **Lot of Necessity** is in 29° **Leo** 54' and in the **6th** house.

"Necessity signifies constraints, submissions, struggles, and wars, and makes enmities, hatreds, condemnations, all the other restrictive things befalling men as a result of their birth." - Paulus Alexandrinus

The **Lot of Courage** is in 28° **Libra** 15' and in the **8th** house.

Indicates fortitude (or lack thereof). It is based upon Fortune (the physical body) and Mars (actions). Where this lot is placed by house seems to show what we have to face and what we most fear. "Courage becomes a contributing cause of boldness, treachery, might, and every villainy." - Paulus Alexandrinus

The **Lot of Victory** is in 2° **Taurus** 51' and in the **3rd** house.

"Victory becomes a contributing cause of trust, good expectation, contest, and every association; but sometimes it contributes to penalties and rewards." - Paulus Alexandrinus

The **Lot of Nemesis** is in 5° **Scorpio** 58' and in the **9th** house.

This lot seems to indicate what is most likely to bring the native down. "Nemesis becomes a contributing cause of subterranean fates and of everything which is ice-cold, of demonstration, impotence, exile, destruction, grief, and quality of death." - Paulus Alexandrinus

Nemesis in Scorpio: murder, plots, jealousy, scheming, lack of trust

Nemesis in Ninth house (Sagittarius): intemperance, intolerance, entrapment

### **Lots related to family:**

The **Lot of the Father** is in 15° **Aries** 12' and in the **2nd** house.

If the lord of the lot of the father is dignified and is pivotal (angular) the father is strong and fortunate and may be eminent. If in decline and debilitated, judge the opposite. - Paulus Alexandrinus

The **Lot of the Mother** is in 9° **Libra** 42' and in the **8th** house.

Same as for father.

The **Lot of Siblings** is in 2° **Virgo** 44' and in the **7th** house.

The **Lot of Children** is in 0° **Virgo** 33' and in the **7th** house.

The **Lot of Daughters** is in 6° **Gemini** 47' and in the **4th** house.

The **Lot of Sons** is in 24° **Gemini** 29' and in the **4th** house.

The **Lot of Marriage for Woman** is in 25° **Taurus** 19' and in the **3rd** house.

The **Lot of Marriage for Men** is in 7° **Sagittarius** 52' and in the **10th** house.

The **Lot of Deceit in Marriage by Woman** is in 9° **Libra** 33' and in the **8th** house.

The **Lot of Deceit in Marriage by Men** is in 21° **Capricorn** 26' and in the **11th** house.

The **Lot of Marriage (in general)** is in 6° **Gemini** 47' and in the **4th** house.

### **Lots related to society:**

(Hellenistic)

The **Lot of Debt** is in 7° **Taurus** 37' and in the **3rd** house.

Indicates what could be a source of financial losses or debt.

The **Lot of Theft** is in 2° **Cancer** 15' and in the **5th** house.

The **Lot of Treachery** is in 7° **Aries** 29' and in the **2nd** house.  
Betrayal of trust

The **Lot of Accusation or Exile** is in 23° **Aquarius** 56' and in the **12th** house.  
Lot of Being in a Foreign Land (exile), Lot of Accusation, also Lot of Police: indicate areas of life where someone may be accused of something, either falsely or truthfully.

The **Lot of the Destroyer** is in 23° **Cancer** 38' and in the **5th** house.  
We have little systematic information of its use except that it seems to relate to the manner of death. I would urge astrologers not to be careless in the use of this lot.

## 322th Harmonic

### **Pholus | Sudden Life-Changing Events**

Pholus helps us achieve our soul contract and mission, the symbol of turning points (of no return), the catalyst, a small cause yielding a large effect, explosive results, transformation without premeditation, euphoria, self-destruction, awakening, curing addiction, release, searching, intensity, discovery.

Here, painful realizations of boundaries and responsibilities come as you grow. Pholus is where one absentmindedly, even blindly, goes about one's business until he sees the mortal light and crashes, grounded by confrontation of karma and responsibility.

### ***Pholus in Cancer***

(canvasofthecosmos.tumblr.com:) Pholus in 4th House/Cancer: You may be, as your mother would describe in an endearing way, a "happy accident." She impacted you in a huge way, and you have strong feelings about her, one way or another. Her influence on you reverberates throughout your life, and if your relationship with her is left unresolved, you will find that you can never escape her. Either way, family and your proverbial home unleashed emotions you would rather not have bubble up to the surface at first. This is due to a strong resonance you have with your ancestral past, and try as you may, you can never escape your family's legacy, for better or worse. Regardless, when you find a house that actually feels like a home, you live it up like no other. Once you settle down and have a family of your own, the intensity of such responsibility can be intimidating. Fear not- each new edition to your home brings a fresh start, another way to explore your deep inner emotions and bring out the best, as you always seem to do in the end.

### ***Pholus in 5th house***

(12andus.com:) You may have an insatiable appetite for creative expression, playfulness and romance.

You may have an artistic or creative talent that is unexpectedly unleashed. When it is, your life will be forever changed. You may become obsessed with your newfound talent to the point of toxic grandiosity.

On the other hand, you may unintentionally awaken a powerful talent that changes your path and leads you to success, leadership and enjoyment. You may find personal enhancement and growth through the creative process.

You may compulsively pursue playful relationships or affairs with people who invigorate you but may not be fully available. At worst, these relationships can become toxic. At

best, you may have to overcome limitations or fears that lead you to become more confident and dramatic in your self expression.

An accidental stumbling upon your hidden spark and talents can lead you to dramatically change your attitude and create greater self-confidence.

### **Eros | Love, Desire, and Sexuality**

Where you break with logic and rationality in favor of desire, associated with bringing havoc, your most powerful turn ons. Is used a lot in synastry.

#### ***Eros in Pisces***

(12andus.com:) You are obsessed with the idea of transcending the physical body.

You may use sex as a vehicle for spiritual transformation as well as deep connection. You may fantasize about or use mind altering substances to enhance your sexual encounters.

You love to lose yourself and transcend boundaries in order to feel complete connection with a partner. You may be drawn to creating a mood with creature comforts and sensual music in order to feel completely entranced in the moment.

Fusing sexuality and metaphysical and occult pursuits is also arousing to you. You may fetishize some aspects of spirituality. You may also become codependent and obsessed with your partner.

#### ***Eros in 1st house***

(12andus.com:) You may feel like you become infatuated with everyone you meet.

Love at first sight seems very real to you, though often it is lust. Your instincts and impulses lead you to feel aroused in relationships, often in the earliest stages of an encounter.

When it comes to exploring sexuality, you may be turned on by expressing your desires in athletic or obvious ways. You will blatantly chase your love interest.

You may also have an aggressive or controlling side when it comes to sex. You radiate passion and sexuality and may have a fun and playful side that emerges in the bedroom.

You can be turned on by competition or even confrontation and may pick fights just for the sake of arousal from the attention others show you. You may find it easy to jump into sexual relationships and are often careless when it comes to this kind of relationship.

 (12andus.com:) Your destiny and purpose are intertwined with changes that you are compelled to make in the midst of cataclysmic crises.

Seemingly small or inconsequential decisions or accidents have much larger ramifications for you and help to steer you toward the path of fulfilling your destiny. You may be compelled to step up to the plate as a leader or healer, finding personal growth and advancement in the midst of crises.

Milestones and major life turning points can reveal deeper truths about your destiny and who you truly are. When you open up to your higher potential, you'll be better able to fulfill your mission.

2) ► 15° Cancer 47' **Pholus** ✎ **Opposition** ♀ **Ceres** 13° Capricorn 33' - (2°14')  
(12andus.com:) You may feel torn between your obligation to nurture others during a crisis and your desire to feel comfortable and secure yourself.

You may want to focus on your own immediate comfort needs, for example hoarding money, food and other resources or avoiding the reality of a crisis because it makes you feel uncomfortable. Yet when you're ready to be honest about the impact of the crisis you face and your obligation to protect others and not just attend to your own needs, you will be able to better serve others.

You'll also be better able to protect yourself because you won't allow your desire for security to get in the way of your need to respond to changing circumstances with dramatic consequences.

3) ► 15° Cancer 47' **Pholus** ✎ **Sextile** ☾ **Moon** 18° Virgo 11' - (2°24')  
(12andus.com:) You easily draw on your emotional nature to deal with dramatic, cataclysmic events in your life.

Your first reaction is to try to seek security and nurturing. You will be able to connect with others and will try to act as a counselor, nurturer or source of comfort to your family or community during times of crisis.

You can easily set aside your own needs for security and try to heal or help others yet there will be an impact left on your emotional life.

You can personally feel the impact of these dramatic events but are able to soothe others and yourself.

4) ► 15° Cancer 47' **Pholus** ✎ **Sextile** ♄ **Vesta** 11° Taurus 24' - (4°23')  
(12andus.com:) You can easily draw on your spiritual connection to be of service during times of crisis.

Your sense of spiritual connection is enhanced by your awareness of the importance of serving others especially during catastrophic events. You are sensitive to the calling that is part of your spiritual mission.

You may come to see crises as a doorway to initiation, helping you to fulfill your higher calling by acting in service of the greater good as a healer or protector during tumultuous times.

5) ► 15° Cancer 47' **Pholus** ✎ **Trine** ☉ **Sun** 20° Pisces 15' - (4°28')  
(12andus.com:) You may find it easy to shine and rise to the occasion, no matter what is happening around you.

Even when you find yourself in the midst of chaos and dramatic, large scale changes, you find ways to channel your creativity and individual talents to rise to the occasion. You can find ways to lead others and try to minimize the negative impact of large scale crises, though your efforts may take a personal toll.

You may run the risk of losing your footing or facing some backlash or consequences for trying to make the best of a bad situation. Even still, you can find dramatic breakthroughs through cataclysmic events that began with small steps or unexpected detours.

6) ► 15° Cancer 47' **Pholus** ✎ **Trine** ♀ **Pallas** 7° Pisces 35' - (8°12')  
(12andus.com:) You can find it easy to draw on your strength and vision during times of catastrophe and cataclysmic changes.

You can easily find your focus and passion and you emerge as a leader even as others are panicking. Your creative and intellectual gifts are enhanced by times of turmoil. You may take on the biggest challenges and find the biggest fight in order to get your message across and to fulfill your mission.

Rather than being deterred by turmoil and catastrophe, you are emboldened by these things. Your strengths and determination are fostered during times of crisis as you see yourself as a warrior, crusader and protector for others.

### Hygiea | Health, Wellness

Health, cleanliness, and sanitation. [1] where the body is important to you

#### Hygiea in Aries

(astrology.com:) Aries or in the first house: For these individuals, experiencing illness or witnessing another's health crisis during their formative years becomes personality-defining. Having suffered the consequences of neglecting preventive care, which they equate with losing their autonomy, they take direct ownership of their personal fitness, exploring different modalities, and continually updating their health goals. Their identity may also be tied to the occupations listed in the above section.

#### Hygiea in 2nd house

(astrology.com:) Taurus or in the second house: This Hygiea curates their wellness experience for their refined and often expensive tastes. Drawn to sensual mood-boosters like aromatherapy and massage, these individuals are in tune with their bodies and know instinctively when something is "off." While this generally predisposes them to healthy eating, overindulging when they're stressed can leave them feeling lethargic. They should also keep an eye on their wallet, unless they plan to settle for bargain brand vitamins.

### *Psyche in Aquarius*

(fauxastrology.tumblr.com:) Psyche in Aquarius/ 11th house: My soul's been looking for a home even since I came here; I keep asking the same question each person I meet, every place I go to - is it you is it you? and there's never an answer. I speak to the stars, ask them why did you send me here, why do I feel like an exile, isn't this supposed to be my home, and I only hear my own voice echoed back.

### *Psyche in 12th house*

My soul's searching for something that will reach me through this world I created.

### **Eris | Soul Warrior**

Exhibiting the power of action and choice, when fierce is warranted, right rage, creating a better world. Whistleblower, poetic justice. [1] self-validation

### **Eris in Aquarius**

(synnisisigns.com:) Eris in the eleventh house of organizations and friends, you either do or will come to understand the necessity of a cooperative role within the group. You may

be confronted with situations that place you outside the group for a time to experience the feeling of “odd man out.” In a cooperative society there is no room for pushing people to an outsider’s position. When you come to understand this yourself, you can teach the rest of your brothers and sisters.

### ***Eris in 12th house***

(synnisigns.com:) In the twelfth house of connection with the your higher sources, Eris gives you a voice to speak about how this dimension’s experience does not necessarily mirror all of reality. You have a powerful prophetic voice that holds much wisdom and truth. You can channel the wisdom of higher realms and have the ability to access the Akashic records without the guidance of the guardians from the other side. However, because your voice is at dissonance with the drum beat of your time, often you are not listened to, like Cassandra of Trojan War fame.

### **Karma | Attention Point (per Past Lives)**

Karma is your talent and the place where you can grow the most, or get handsomely rewarded. Why are you here? What do you need to finish? The sign tells you what and house tells you for what. Karma can indicate a negative balance OR positive balance through square Mars, Saturn or Pluto OR trine Jupiter, Venus or Sun. Feeling like suffering is fated when aspecting challenging areas of the chart. Negative Karmic events are like accidents, heart breaks, exposure to outbursts that seem unfair and losses. Positive Karmic events are sudden strokes of good fortune, chance meetings with a true love and so on.

[1] aspect of your character against which, when people interact with it, significantly alters the circumstances you share

### ***Karma in Pisces***

(whatsmyalternative.com:) The end of the karmic wheel! A native who could have transcended the highest spiritual realms of ecstasy or crawled through life as an

alcoholic or drug abuser. This placement may also indicate that the native had mislead others in topics of spirituality or deceived others by misusing compassion. Positively, this can be a native who was so selfless in thought and deed that this life will give a balance in the form of true knowledge or opening of the third eye/psychic powers and higher states of consciousness.

Retrograde Karma here could mean chances of psychiatric illness, schizophrenia and more drug abuse. Great honesty, objectivity and self mastery is needed in this case for setting up the positive karmic loops to enable Neptunian rewards from this asteroid placement.

### ***Karma in 1st house***

### ***Pandora in Capricorn (Rx)***

(astronomicallyaligned.tumblr.com:.) You work so hard all the time. You want to look inside the box in search for peace and quiet. Maybe love and a home too. You hope that if you open the box, you will finally have peace. You will finally have all your heart desires. If the box is opened, melancholy, depression, want, and hopelessness will drive all life into dust. Death of life and all hope will spread, nihilism, and the new ice age will

occur. However, if you chose to lock the box and keep it in your heart, that power and strength will enter every living creature, and bless it with strength, willpower, logic, and backbone.

### ***Nessus***

(vamzzz.com:) Considering its complex and rather extreme nature, it is no wonder we see a large diversity in the collection of attributed characteristics; lessons in setting boundaries, seeing (one's own) limits, accepting limits; identification of hidden abuse patterns; complex cause and effect relationships, breakpoints in karmic cycles; revealing the truth, resolving a situation; taking responsibility for a confrontation, the perpetrator caught; desire; possessiveness, jealousy, being vindictive, manipulative or resorting to black magic for sexual or financial needs. Finally, several researchers associate Nessus with blood, diseases passed on by blood, or blood rituals, and superhuman strength or powers.

Philip Sedgwick characterized Nessus in astrology as "The ultimate Centaur bad boy", bearing the wounds of "greed, decadence, intimacy and sexuality". As positive Nessus properties he mentions: generosity, benevolence, compassion, willing to lend a helping hand, cooperation, respect for boundaries, aware of the power of life energy, healthy use

of sexual energy. Concerning the latter: Taoist health trainer and teacher Mantak Chia has Nessus conjunct Sun opposition Hygeia!

My experience with Nessus transiting in hard aspect to the Sun is that this Centaur evokes an inner transformative crisis that demands clarity and decisive action based on "cut the crap". In the personal horoscope Nessus can be a player with violent impact. Forcing entry seems to be the core quality of this Centaur.

In harmonious aspects, this gaining access goes pretty easy, while in hard aspects, where access is denied, it has to be forced open and in extreme cases violence is used. Thus, in line with these characteristics, Nessus also has to do with breakthrough, breakout, escape, rescue and hacking.

Computer hacking is a Nessus-thing *pur sang*, especially when combined with Mercury, Uranus, Vesta or Makemake. Also espionage, spies, officers, burglars, rapists, rape in general – mentally or emotionally -, black magic, executioners, cracking a closed system (be it a nut or oyster or bank vault, or mind frame), assassins and police raid teams reside under Nessus.

### ***Nessus in Libra (Rx)***

(smartyoungsters.com:) This is the peace loving Nessus who is obsessed about maintaining peace, harmony and equilibrium at costs. This Nessus suffers from OCD when it comes justice and playing it fair. Justice is obviously on the side in which he is, a person with this placement will go to any extent for getting it. Using manipulation and preying on the weakness of the opposition, this Nessus gets it his way. A passionate lawyer who gets wins at all costs for his client. He is the most "dreaded" lawyer and deploys any method to win. When expressed positively, this person can win battles for those without a voice. He can restore faith in the judiciary. He can be the best peace ambassador for the country. Resolve conflicts and create harmony. In love, this is the Nessus that will strive to maintain peace at all costs and expect the same response from his partner. If the partner does not support him in this approach then there will be obsessive arguments that can go out of control. He can manipulate partner to get things his way, preying on the weakness. Commitment is an issue with this Nessus but once commitment break-up can become a big one.

This Nessus is also the abuser or obsessive partner in the relationship. He will want absolute control of the relationship and may excessively bully his/her partner. If someone's Nessus falls in your 7th house then that person will show the above qualities.

### ***Nessus in 8th house***

(smartyoungsters.com:) Nessus shows the dark side of the god of the underworld. But even then this Nessus has the biggest potential of becoming a healer. In fact, the most powerful healer. Nessus here, is the mafia, drug dealer, tantric yogi, black magician who uses spirits to bring him power. He is the "bad magician" from Aladdin's story who is

running after the lamp for power. This Nessus has an obsessive and uncontrolled desire to gain power. He wants wealth at all costs and use darkest themes to get it. His greed is endless be it for sex, power or money. He holds his victim captive like the Devil card in tarot. When positively expressed, he is powerful yogi like Lord Shiva who heals victims of various ailments. He is the one who gives life to the dying through power obtained by controlling the kundalini energy. In love this is most manipulative Nessus who can do anything to gain control of the relationship. He will use all methods to hold his lover captive.

## Europa | Laziness, Fall for Seduction

It's where we are most likely to be couch potatoes in our life and expect people to come to us. Where it falls will be where we cannot bear conflict and will avoid rocking the boat if we possibly can. It is where we have a need to view everything in rose-tinted glasses. Positive: Balanced perspective of overviews combined with essential detail.

Negative: Picky, judgmental, cantankerously weird, ungrounded.

Mark Andrew Holmes: turning point, stymied, conflict, beleaguered, endings, in a rut, bottled up, frustrated, at war with the world, taking on a lot, tilting at windmills, ability to handle frustration.

## Uranians/ Hypothetical Trans-Neptunian Planets

From the Hamburg School of Astrology. Alfred Witte and Friedrich Sieggren. Out of the turbulent times of WWII.

### **Cupido | Partnership and Companionship**

Organizations, family, social relations, clubs, corporations, many different kinds of structural partnerships. On its own, Cupido is a fairly neutral and accommodating planet, so we really need to see what else it's dancing with in a chart to get a realistic picture of how it is operating.

Emotional and spiritual concern and weighty emotional issues. Our emotional selves can cause "dis-ease" if we don't give them the utmost importance. ## Asbolus

Root chakra (or reptilian brain) awareness. Sombre, pessimistic, with a lot of depth (but tangled in a vortex-like manner of information processing). If dominant: usually having a lot of trouble receiving advice or compliments from others. Easily goes over the top, exaggerates protectionism, and isolates itself unnecessarily.

(vamzzz.com:) It represents the domain of Yin. Ontologically and sociologically it relates to the root of individualism, technology and in the worst case murders. Theologically it relates to the figure of Satan.

Six different ways Asbolus can work in a horoscope:

- One could distinguish six different types or subtypes of Asbolian influence. The first type detects the inhumane, the perversion or violation of human rights and the ethical. (Julian Assange, Jannis Varoufakis, Edward Snowden, Sahra Wagenknecht, Karl Marx et al.)
- The second type of Asbolus is not a strong influence, but acts more some kind of dull black spot in the chart.
- The third type corresponds with the seer and empowers clairvoyant faculties (James Van Praagh and Anton Pauwe).
- The fourth type shows Asbolus as a pit of horrors, darkness, psychopath inhuman features and atrocities (radix-horoscope USA, Madeleine Albright, Joris Demmink, Adolph Hitler, Barack Obama, Zbigniew Brezezinski, G.W. Bush, Hillary Clinton, Joseph Stalin et al.).
- In the fifth case Asbolus is a dark artistic inspirator in a creative horoscope, making an impact on the public by mingling the aesthetic with some distortive, taboo breaking, or intense Plutonian atmosphere (Ilona Staller, H.R. Giger, Georges Bataille).
- The sixth Asbolus is a crossbreed of two or more samples of the above. For example, one could be a loving person, socially very aware of ethical values, but also a master in writing short horror stories. When in league with evil, the outcome is never Asbolus responsibility alone, but a joint venture with the totality of the chart

[1] where you hold enviable qualities which reflect the values of larger groups

## Gonggong

Chaos and attunement through (social) alchemical knowledge. Well directed mental efforts, trial and error, aiming at improvement/transmutation through social Alchemical knowledge in a sorta big brain mass psychology way, resulting in chaos, "tilting of earth", mental.

(Malvin Artley) In one of the myths Gonggong was said to be stupid, but what emerges from apparently ignorant actions is actually the road to truth and insight in the end and shows the promise of mental efforts well-directed and pointedly focused.

## **Ixion**

Very masculine energy, ingratitude, murder, passion for supplanting the prevailing system, haunting, loneliness, disorientation.

(synnisisigns.com:.) It needs great loves and it's phantasmagoria will push him beyond the curtain of reality when circumstances are below his taste. In career, it must destroy existing concerns, clans, lobbies, lodges, clubs, factions, cabals, plots, allegiances, fraternities, cults, newsgroups, web-sites, teams, alliances, trusts, blocks, interest groups; and from the resulting chaos choose and pick his own few good men to form it's own enterprise, not without bitter struggle and a sword hanging over it's own head. Religious fanatics are born along this line, those well meaning fellows that send humanities to death, schizoid nationalists, new hitlers, media magnates, islamic terrorists, highlanders, beings of war and chaos. In positive aspects (conjunct casanova and Uranus) it can prolong love making up to several (three) days, an unending erection. [1] how you order others around

(arwenmclaughlin.com:) True unconditional love energy that knows itself to be unconditional energy, and therefore has strict boundaries. It does not allow anything into it's life that is not authentic, or that would compromise it's integrity. Thus it is not interested in the past, or anything that came before, it is only interested in, what comes next in love? What can we create now? What can we now build in its most glorious form that serves the self as well as others? How can we crate a structure that works for everyone in its highest and best form? Humanitarian, new frequencies of energy, new and higher forms of energy, the vibration of the alchemist, creator love energy, miracles and overwhelming acts of kindness, "the Change", "the New energy", healing with energy, light, and sacred geometry.

## Panacea

(astrologyclub.org:) Panacea is “the cure”—but it’s not as simple as that. It’s “what you believe it takes to make things better.” Thus, what do you or others have to do in order to bring about an improvement. With Panacea in hard aspect to the Ascendant, a person would have to “be” different to bring about an improvement; they’d have to alter their routine and initial response. A retrograde Panacea might not really believe lots of things can be fixed.

## Persephone

Where we are scared to take charge;

(YT: Tom Jacobs:) A theme of looking immature from the outside but being capable of maturing it through the inside. Have to make a change: a leap into a thing with boldness that might seem like a stretch or too much for us because we've never done it before. So some persephone people are timid, because they've had been put words into their

mouth and have been told they can't take care of themselves. Sometimes they'll reject that, and they are quite confident because they had to at some point grow up overnight. Whether that was pleasant or unpleasant, whether that was a choice they drove or it was driven by other circumstances and other people.

So there is a sense of a Youthful spirit and maybe some naivete but the appearance of naivete surely.

### ***Proserpina***

(houseofinferno.com:) [...] but many of these deities have the same story with different names. Proserpina's name means "to emerge". (ref Persephone!)

She represented the irrepressible feminine spirit who would not be controlled or restricted. Some astrologers look to the asteroids Proserpina / Persephone in a person's natal chart to see where we give our power away, or have it taken from us, so we can use this information to not be so passive and assert ourselves properly so that we are not so easily controlled. What we could take from Proserpina's story is to honour the cycles and changing seasons within ourselves. Sometimes we are cast into the Underworld when something bad happens, and we should never spiritually bypass these situations.

We have to feel our pain and darkness to move through it. But when we are ready, we can emerge to cultivate something better for ourselves and let go of the things that don't serve us.

We should also be mindful of how we assert ourselves. We need to show ourselves love and respect by building healthy boundaries. We need to stand up for ourselves when we are being unfairly treated, and we also need to be mindful of how we do this to others. But we should also take care to know the difference between assertiveness and aggressiveness and make sure we achieve a healthy balance so we don't take away or restrict another's free will or cause unnecessary harm to others in the process.

(jessicaadams.com:.) Proserpina shows where you are taken over, taken, then take back.

## Sisyphus

(leahwhitehorse.com:.) Repeated mistakes, stuck in pattern through fear of change. To be admired for his outright refusal to accept death and for his ability to repeat a task that is doomed to fail for all time. In him we see the try, try and try again attitude.

Perhaps the positive side of this asteroid is the ability to keep going, even when we can't yet see the point. Essentially, he perhaps shows where we can find meaning in what we do on a daily basis, not just in our achievements or the winning of battles.

Threatening chaos, breathing fire, external behaviors through internal emotions.

(markandrewholmes.com:) The harsh truth, self-deceit, brainwashing, refusing to acknowledge inconvenient or unpleasant truths, having the courage to act on these truths. It is described in classic Chinese literature as shining a torch over "the ninefold darkness."

## Fixed Stars

Only conjunctions here. Now will, anything inside the orbs of the fixed stars behind the (moving) planets and other objects from the chart, be shown. I've taken the orbs of the star conjunctions from the following two websites: 'astrologyking.com' and 'fixedstarsastrology.wordpress.com'.

If the orb from the first website was biggest, I have left it like that. If the orb from the second website was the biggest I have changed it to the average of the two.

I also gave all the four Archangel stars (Aldebaran, Regulus, Antares and Fomalhaut) plus Sirius and Spica a bigger orb of 200 minutes (3°20'). Caput Algol, as a evil influence, I gave 3°.

A lot of these stars (297 in this script, plus the Galactic Center and the Great Attractor) are far away from the 12 Zodiac-constellations, so saying that the Zodiac has a certain height is not really usefull because it stretches all the way around Earth, in height (as well as in width via the Signs.

(NOTE from 'fixedstarsastrology.com':) — Do not let any of the negative descriptions for any stars that follow which may apply to you frighten you. If you live a good, clean life, good will be in store for you Rather than the darkness that may otherwise apply to you. Live your life with good conduct. ALSO — you can check your astrological chart's planets conjunctions with the stars you were born under to understand yourself better. Stars are rated based on my judgement (John Hebert) with (+) being good and (-) being not good, and the more of each one, the more positive and negative the star's influence.

[4] = astrologyking.com - Usually it is this book (Fixed Stars and Constellations in Astrology, Vivian E. Robson, 1923), but I personally don't like it too much, because she does saturn demonization and the interpretations could be very out-dated or just bad in general.

**ALGENIB** (18° Pisces 54') is **(1°21')** of (2°00') close to the **Sun** (20° Pisces 15').

[4] Algenib is of the nature of Mars and Mercury (high enterprise, combative, destructive.) It gives notoriety, dishonor, violence, misfortune, and denotes the naked and poor professional beggar.

Penetrating mind and a strong will, as well as determination. An impressive way of speaking and a gift for oratory. In conjunction with the Sun, it will make for a fighting spirit and a love of learning. Connected with Mercury, Venus and Jupiter, one can count popularity and interest in art and literature and distinction; if not further configurations also point to similar gifts. With Saturn, in general, it is thought of as an impeding factor, but has a name for good memory according to Morin. If angular with Mercury and Uranus, Algenib will make for an inventive spirit.

Excess of heat resulting in violence and perhaps misfortune or dishonor.

Algenib rules the bottom portion of the skull between the nose and the upper lip in the human body.

**ERAKIS** (19° Pisces 27') is **(0°48')** of (1°00') close to the **Sun** (20° Pisces 15').

[5] Fixed star Erakis (Garnet Star). This star releases sober energy... one that seeks to assess and mediate... and to resolve all that is in conflict. This very special and beautiful star opens the door to a new dimension of consciousness... revealing higher possibilities of experience and a greater understanding of the meaning of life.

**DIADEM** (18° Virgo 42') is **(0°31')** of (2°00') close to the **Moon** (18° Virgo 11').

[1] (++++-) september 30-october 4 Mercury-/Saturn-/Venusian - suave, well-bred manner, great personal charm, idle, dissipated life, some one and ability for the stage, quick and keen mentality, many contacts, popularity, versatile and quick learner, can be inconsistent and make too many sudden changes, business success, natural aptitude for astrology and philosophy, or and inclination towards unusual interests, sociable, friendly, friends come to your aid when you need it, law, loss through friends, cooperative, popularity, versatility, subtle mind, loss through friendships and partnerships, shameless, loss through friends and company, shameless, deceitful, inventive, sanguine, solitary, extraverted, possible compensatory narcissism

[3] Vindamatrix owns the traits of the planets Saturn and Mercury. Linking this fixed star to the power of the mind and the adversity of invention. The energy here is dark though and all the positivity you can muster will be needed to tackle the constraints of this star in your astrology chart.

Trust issues with the self and others are prominent along with a passive aggressive nature. Susceptibility to very low bouts of depression, nervous tension and anxiety. If not reigned in this can cause lots of damage to your social and business life. Look into the problems causing such irritability and go about changing those tensions with more pleasurable ones.

Even though the shadow side of the Vindamaiatrix star is truly negative in essence. It acts like, the death card in the tarot. Where one door closes another is sure to open. The divine cycle of death and birth. This is challenging energy with plenty of spiritual tests thrown in. Use this time to better oneself as a person of the earth. Noble and kind. On the bright side, however, while this potent energy arouses the need to take steps forward, if the seeds have already been sown in good soil, then great success can follow. It all depends on the seeds and the soil...

[6] Vindemiatrix rules the center of the right kidney.

**PORRIMA** (19° Virgo 53') is (**1°42'**) of (2°05') close to the **Moon** (18° Virgo 11').

Considered the unluckiest star in the sky, Fixed Star Algol has been associated with death by decapitation, as referred to in the myth of the hero Perseus and his victory of the snake-haired Gorgon Medusa.

However on the bright side, if the energy of Algol is channelled and controlled consciously, then it offers intelligence and strength although with a tendency to deceive. Practice caution, good judgment, and patience... otherwise, you could just possibly "lose your head".

[3] The restless and flighty star Markab seeks release in a "peak experience". Markab shares its energy with Mercury and Mars, having similar traits. The element of fire plays a role as the defining energy. Rage and loss of emotional control and intelligence. Selfish energy arises to the surface after being amplified recently. A step back is needed in social and business affairs. Proceed with a personality check and a grounding of who

you are in the world.

Just maybe you've been seeing things in a selfish light without knowing. This enlightenment, of course, is of great spiritual importance. Personal development is on the agenda. There is positive and strong energy to succeed. Finding personal happiness and spiritual wisdom.

This "peak experience" will be followed by inner revelation... however, it would be wise to keep ambition bridled, since judgment at this point in time, could be flawed. Negotiate any difficulties by rising above them... but don't overreach your limits. A time of calm and slowly does it is the trick here with the fixed star Markab. Allowing a break from the grind highlights others areas of your life that need attention.

perseverance, control, lack of imagination, honor, undesirable associates, mental illness, exciting events and opportunities for advancement, clear thinking, good values, responsible and active on behalf of others, benefits not long lasting, warns against tendency to get angry and anxious, ingenuity, determination to acquire special skills, rewards and honors through work, may become renowned specialist in your field, gains and success come through working in the community and fulfilling public duties, restless, hasty decisions may regret, self-control, generous, inventive, responsible, honorable, rash, lack of responsibility, impatience, devoted, melancholy, introverted, devoted/melancholy, introverted, may be too dependent on others for support

[4] Denebola is of the nature of Saturn and Venus (slovenly, very immoral, shameless, revolting, mean, sorrows in love.) It gives swift judgment, despair, regrets, public disgrace, misfortune from the elements of nature, and happiness turned to anger, and makes its natives noble, daring, self-controlled, generous and busy with other people's affairs.

This star is the tail of constellation Leo, thus it symbolizes strength from the Lion, along with both the ability and the need to use it wisely and constructively.

[6] Denebola rules the front of the chest in the human body.

**BATEN KAITOS** (1° Aries 42') is **(0°37')** of (2°00') close to **Vertex point** (2° Aries 19').

[1] (- -++) april 7-12 Saturnian - inhibited, isolated, depressed, laziness and idleness, emotional and charitable nature, ability to command, especially in war, makes one good natured and friendly, reserve, caution, solitude, simplicity, serious outlook, sincerity, responsibility, straightforward approach, ability to overcome great challenges, isolation, depression, accidents, emigration, successes may at some point be severely tested or great downturn of events, thoughtful, modesty, dedication, diligence, endurance, melancholy, selfishness, instability, choleric, introvert or extravert, idiosyncratic personality, possible sadism and schizotypal personality disorder

[5] The fixed star Deneb Kaitos (aka "the whale" or "sea monster"). Flex those muscles because this competitive, yet at the same time inhibited star, releases willpower and a determination to triumph over a troublesome situation.

[4] Of the nature of Saturn (disgrace, ruin, calamity.) It gives compulsory transportation, change or emigration, misfortune by force or accident, shipwreck but also rescue, falls and blows.

Baten Kaitos in The Whale has the character of Saturn. The Saturnine properties, such as inhibition, reserve, caution, solitude, and simplicity often are forced onto such people either by a mundane power or a higher power. Sometimes ideas are propagated which make life for the native trying or troublesome for the native. To such persons, their fate is usually one of change. People influenced thus tend to depression or dwell on the thought of death. Life often is full of humiliation, renunciation and obstacles. But the position of the complete chart is always important.

[6] Baten Kaitos rules the center point of the head in the human body.

**ACAMAR** (3° Aries 1') is **(0°42')** of (1°30') close to **Vertex point** (2° Aries 19').

[1] (+++++) april 10-13 Jupiter-/Venusian - direct line to source all being and bring back to fortify their position in world, high degree spiritual refinement, over of knowledge and science, much travel, many changes, position of authority, high degree of spiritual refinement, choleric, introvert or extravert, idiosyncratic personality, possible sadism and schizotypal personality disorder

[4] It is said that Acamar gives success in public office or in the church.

**HEZE** (1° Libra 38') is **(0°41')** of (2°00') close to **Anti-Vertex point** (2° Libra 19').

[1] (++) october 14-18 Mercury-/Venusian - light eminence, direct to study, train minds in the learned arts, give not so much abundance of wealth as the impulse to investigate the causes and effects of things, a tongue of charms, mastery of words, mental vision that can discern all things, however concealed they be by the mysterious workings of nature, bashfulness, inventive, sanguine, solitary, extraverted, possible compensatory narcissism

**FORAMEN** (1° Libra 54') is **(0°25')** of (1°30') close to **Anti-Vertex point** (2° Libra 19').

[1] (++) october 15-18 Saturn-/Jupiterian - prosperity trade and voyages, strength of mind and spirit, peril, dignity, piety, usefulness, acquisitiveness, intuition, charm, broadminded, leadership, friendly, unassuming, strong character, natural diplomat, agreeable, sympathetic, socially inclined, can see many points of view simultaneously, prosperity, creative, divine teacher, sociable, understanding, friendly, agreeable, patient, indecisive, lack of direction, easily fooled, acquisitive, inventive, sanguine, solitary, extraverted, possible compensatory narcissism

[3] This is chaotic and perverse energy that seeks random release, resisting order, and fair judgment. Focus on remaining calm, during this turbulent time and if possible defer all important decisions until the dust has settled. Waiting to make big decisions sometimes turns out for the better in the long run.

If this energy is managed correctly and focused on an end goal. It becomes a catalyst for change. Usually for the better. It marks a change of heart and a change of mind. Allowing new concepts and circumstances to arise. The universe opens up and shows its hand. A time for patience as you wait for the right energies to carry a project to fruition. In the meantime plan your future steps in creating what you are wanting. The fixed star foramen breaks all traditions and rules. Taking a maverick approach to circumstances and situations.

Times where anything can happen, positive and negative. Knowing the correct pathway forward will take some time. The rewards will be well worth waiting for. Think of it as a

time of maturity like a fine wine. Through this process, great wisdom is found. In conclusion, the Foramen star has a strong influence on one's astrology chart. It affects other planets and stars that come into focus. Well worth figuring into a final astrology chart reading.

[4] Saturn and Jupiter (Legacies, inheritance, fame, especially if rising, but foolish and unfortunate in love affairs.) It causes peril, dignity, piety, usefulness and acquisitiveness, and gives danger to the eyes.

[6] Foramen rules the connection of the two kidneys in the human body.

**SPICA** (3° Libra 35') is **(1°16')** of (3°20') close to **Anti-Vertex point** (2° Libra 19').

[1] (++++++) october 13-19 Venus-/Mars-/Jupiter-/Mercurial - rules intelligence and reason and predisposes to a high strung temperament, brilliance and giftedness, fame, wealth, renown, glamor, sweet disposition, lasting preferment, eminent dignity, abundance, protection, skills or abilities out of the ordinary, unexpected return of good of fortune, refinement, eminent social position, good social connections, love of art and science, economical, pragmatic focused goals, too extravagant, instantly changing direction, unsettled mind, inventive, sanguine, solitary, extraverted, possible compensatory narcissism

[4] Spica gives success, renown, riches, a sweet disposition, love of art and science, unscrupulousness, unfruitfulness and injustice to innocence. According to Ptolemy, it is of the nature of Venus and Mars (shameless, vain, self-indulgent, abandoned, violent passions, danger of seduction, riotous living but often self-respecting and decent.)

[6] Spica rules the navel in the human body.

**ARCTURUS** (3° Libra 59') is **(1°40')** of (2°40') close to **Anti-Vertex point** (2° Libra 19').

[1] (++++++) october 14-19 Mars-/Jupiter-/Venus-/Mercurial - organized, structured, helpful, unassuming, dependable, precise, meticulous, grounded, opinionated, obsessive, prudish, overly conservative, superficial, narrow minded, critical, esteem, pugnacity, enterprising, pioneering spirit, honors, fame, protection, guidance, inspiration, achieving justice thru power, riches, popularity, benefits through travel, success through work, religious contacts, good judgement, long voyages, glamorous, overindulgence, overly enthusiastic, laziness, negligence, inventive, sanguine, solitary, extraverted, possible compensatory narcissism

[3] Releases an excessive amount of occult energy or spiritual energy... cutting through the illusion around us and reminding us that every death is an omen of rebirth. And so the cycle repeats itself.

Arcturus offers protection on a psychic level as well as a physical one. A strong showing of this fixed star in one's chart has a powerful influence. In connection with Jupiter

Arcturus ignites passion, spiritual wealth leading to ascension.

Arcturus reminds us of the matrix we live in. But also a way to transcend such a system. Through higher consciousness, achieving ownership of your very soul. Instead of allowing the brain to take the lead. Without listening to the spirit. This is a dangerous way to live. Arcturus fixed star shows us we must listen to our spirit and allow it to be master over the brain and body.

It prepares the body and mind for self-healing. Far-reaching past episodes of trauma may arise when Arcturus is prominent in your astrology chart. A time of awakening to the spiritual side of yourself. The soft gentle side that you've been hiding from the world, in fear of rejection. Arcturus star brings illuminated light to a personally disturbing dark place.

[4] Mars and Jupiter (great pride, grandly liberal, commanding, cosmopolitan views. If rising or culminating, military honor and preferment.) It gives riches, honors, high renown, self-determination and prosperity by navigation and voyages.

[6] Arcturus rules two inches below the navel in the human body.
